## What You Need To Know About Franchising *Generally*

**Continuing responsibility to pay fees**. You may have to pay royalties and other fees even if you are losing money.

**Business model can change**. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

**Supplier restrictions**. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

**Operating restrictions**. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

**Competition from franchisor**. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

**Renewal**. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

**When your franchise ends.** The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

## Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

## Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The Franchise Agreement and Area Development agreement require that all disagreements be mediated and arbitrated in Monmouth County, New Jersey. Out of state arbitration may force you to accept a less favorable settlement. It may also cost you more to arbitrate with us in New Jersey than in your home state.

2. **Spousal Liability.** Your spouse must sign a document that makes your spouse liable for all financial obligations under the franchise agreement even though your spouse has no ownership interest in the franchise. This guarantee will place both your and your spouse's marital and personal assets, perhaps including your house, at risk if your franchise fails.

3. **Supplier Control.** You must purchase all or nearly all of the inventory & supplies necessary to operate your business from the franchisor, its affiliates, or from suppliers that the franchisor designates at prices that the franchisor or they set. These prices may be higher than prices you could obtain elsewhere for the same or similar goods. This may reduce the anticipated profit of your franchised business.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

**FOR THE STATE OF MICHIGAN**

**THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU.**

(a) A prohibition on the right of a franchisee to join an association of franchisees.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in the Michigan Franchise Act. This shall not preclude a franchisee, after entering into a franchise agreement and/or area development agreement, from settling any and all claims.

(c) A provision that permits a franchisor to terminate a franchise before the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement or area development agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than 30 days, to cure such failure.

(d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures, and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures, and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising, or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.

(e) A provision that permits the franchisor to refuse to renew a franchise on the terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or sub-franchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of these assets if the franchisee has breached the lawful provisions of the franchise agreement or area development agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

If the franchisor's most recent financial statements are unaudited and show a net worth of less than $100,000, the franchisor shall, at the request of a franchisee, arrange for the escrow of initial investment and other funds paid by the franchisee until the obligations to provide real estate, improvements, equipment, inventory, training, or other items included in the franchise offering are fulfilled. At the option of the franchisor, a surety bond may be provided in place of escrow.

## ITEM 1. THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

### Company

To simplify the language in this Disclosure Document, "Company" means A SUB ABOVE, LLC, the franchisor of this business. "You" means the person buying the franchise whether you are a person or a sole proprietorship, corporation, partnership, limited liability company, or other entity.

A SUB ABOVE, LLC was formed as a limited liability company in the State of Delaware on October 31, 2019, with its principal place of business and business address as 1 Commvault Way, Suite 400, Tinton Falls, New Jersey 07724. Company conducts its business under its limited liability company name and "JERSEY MIKE'S" with the franchises offered by this Disclosure Document. Company began offering franchises for Jersey Mike's restaurants in December 2019 and has never offered franchises in any other line of business.

Company's agents for service of process in the states whose franchise laws require Company to name an agent for service are shown on Exhibit A to this Disclosure Document.

### Predecessor and Certain Affiliates

Company is an indirect wholly owned subsidiary of Jersey Mike's Franchise Systems, LLC, a Delaware limited liability company, with its principal place of business and business address at 1 Commvault Way, Suite 400, Tinton Falls, New Jersey 07724 ("JMFS"). On December 30, 2024, JMFS, which had previously been a New Jersey corporation, converted into a Delaware limited liability company. JMFS was the former franchisor of the JERSEY MIKE'S franchise system before the closing of the 2019 Securitization Transaction (as defined below). From February 1987 to December 2019, JMFS offered franchises for JERSEY MIKE'S Franchised Restaurants. JMFS has never offered franchises in any other line of business.

### The 2019 Securitization Transaction/Other Affiliates

Under a securitization financing transaction which closed on December 23, 2019 (the "2019 Securitization Transaction"), JM SPV Guarantor, LLC ("SPV Guarantor") and Jersey Mike's Funding, LLC ("JM Funding") were formed and became subsidiaries of JMFS and the direct and indirect parents of Company.

As part of the 2019 Securitization Transaction, JMFS transferred to Company, all the existing Franchise Agreements and Area Development Agreements, certain agreements related to the Franchise Agreements and Area Development Agreements, and all of the JERSEY MIKE'S trademarks, service marks and other intellectual property related to the JERSEY MIKE'S brand and franchise system (collectively, the "Marks").

At the time of closing of the 2019 Securitization Transaction, JMFS entered into a management agreement, dated December 23, 2019, with Company and some of its affiliates ("Management Agreement"). JMFS's responsibilities under the Management Agreement include performing certain franchise, marketing, development, intellectual property, technology and operational and reporting services on behalf of Company. JMFS also provides management services in relation to administration of the Corporate Advertising and Development Fund and the National Media Fund (described in Item 11).

### Sale of Majority Ownership

On January 16, 2025, investment funds managed by affiliates of Blackstone Inc. acquired a majority ownership position in JMFS (and certain of its direct and indirect affiliates) and the JERSEY MIKE'S franchise system through the following intermediaries: Jersey Mike's MidCo II, LLC, Jersey Mike's MidCo

I, LLC, Jersey Mike's HoldCo, LLC ("HoldCo"), Submarine Buyer LLC, and Submarine Buyer Holdco LLC. The parent companies disclosed in this Item 1 share Company's principal business address, except that the principal business address of Submarine Buyer LLC and Submarine Buyer Holdco LLC is c/o Blackstone Inc., 345 Park Avenue, New York, New York 10154.

As a result of the transaction, the franchisors of the franchise programs listed below (none of which is involved in the JERSEY MIKE'S system or has offered franchises in another line of business) are affiliates of Company:

(1) Servpro Franchisor, LLC has offered franchises for SERVPRO®-branded businesses ("SERVPRO Businesses") in the United States since October 2019. Its predecessor, Servpro Industries, LLC, offered franchises for SERVPRO Businesses from June 1977 to October 2019. SERVPRO Businesses primarily provide professional residential and commercial cleaning services; fire, smoke, water, wind, and other damage cleaning, restoration, mitigation, and reconstruction services; construction services; mold remediation and bioremediation services; and cleaning and disinfection services. As of December 31, 2025, there were 2,354 franchised SERVPRO Businesses in operation in the United States. Servpro Franchisor, LLC's principal business address is 801 Industrial Boulevard, Gallatin, Tennessee 37066.

(2) Servpro International, LLC, an affiliate of Servpro Franchisor, LLC, has since June 2010 offered franchises and/or owned affiliates that franchise SERVPRO® Businesses in countries outside the U.S. Its principal business address is 801 Industrial Boulevard, Gallatin, Tennessee 37066. Servpro Industries (Canada) ULC, a subsidiary of Servpro International, LLC, has been the franchisor of the SERVPRO Business system in Canada since May 2015. Its principal place of business is 680 Waterloo Street, London, Ontario, Canada N6A 3V8. As of December 31, 2025, there were 38 SERVPRO® Businesses operating in Canada.

(3) TSC Franchisor, LLC ("TSC") has offered franchises for Tropical Smoothie Cafe-branded restaurants ("Tropical Smoothie Cafe Restaurants") in the United States since September 2024. Tropical Smoothie Cafe Restaurants sell a variety of freshly blended smoothies made with select fruit and vegetables, as well as specialty sandwiches, flatbreads, wraps, salads, and certain bottled beverages. As of December 31, 2025, there were 1,650 franchised Tropical Smoothie Cafe Restaurants and one company-owned Tropical Smoothie Cafe Restaurant in operation in the United States. TSC's principal place of business is located at 1117 Perimeter Center West, Suite W200, Atlanta, Georgia 30338.

(4) Brew Culture Franchise, LLC ("Brew Culture") has offered franchises for 7 BREW®-branded stores ("7 BREW Stores") in the United States since March 2021. 7 BREW Stores are high-capacity drive-thru, quick-serve coffee stores that offer and sell primarily coffee, coffee-based, and other beverages. **Public Offering**

On July 31, 2026, Jersey Mike's Subs Inc., a Delaware corporation ("JM Inc."), completed its initial public offering of its Class A Common Stock. JM Inc. became the managing member of HoldCo in connection with the initial public offering. JM Inc. shares Company's principal business address.

**Company's Business Activities**

Company does not conduct the type of business to be operated by you.

JMFS and its affiliates and subsidiaries have conducted business of the type to be operated by you since February 1987. The restaurant concept and business system for the JERSEY MIKE'S franchise is based on the original restaurant owned and operated by The Original Mike's, Inc. The restaurant had been doing business as "Mike's Submarines" and operated from 1956 to 2002.

Company's affiliate, Jersey Shore Construction LLC, will provide products and services to Company's franchisees. Jersey Shore Construction LLC has its principal place of business at 1 Commvault Way, Suite 400, Tinton Falls, New Jersey 07724.

Company's affiliate, JM '75, LLC ("FoodCo") owns certain existing third-party vendor/supplier contracts for providing franchisees with material, equipment, supplies and/or services. FoodCo will provide products and services to Company's franchisees. FoodCo does not offer any franchises. FoodCo has its principal place of business at 1 Commvault Way, Suite 400, Tinton Falls, New Jersey 07724.

JMFS previously entered into license agreements under which licensees are permitted to use Company's trademarks, pay royalties, and, to an extent, follow the System (as defined below). Such licensees typically operate JERSEY MIKE'S Restaurants in non-traditional locations. Because of the differences between non-traditional JERSEY MIKE'S Restaurants and Franchised Restaurants, the terms of these license agreements may differ from a Franchise Agreement. Company may continue to enter into such license agreements in certain circumstances. In addition, affiliates of Company own and operate JERSEY MIKE'S Restaurants pursuant to license or franchise agreements with Company, which are referred to as Company-Owned outlets.

Company does not engage in any other business activities and does not offer franchises in any other business. Except as described in Item 1, no affiliates of Company offer franchises in any line of business, provide products or services to franchisees, or operate a JERSEY MIKE'S Franchised Restaurant.

**Description of Franchise Company Offers**

Company offers franchises for the establishment, development and operation of restaurant facilities for the on-premises and off-premises consumption of a wide assortment of made-to-order submarine type sandwiches, other sandwiches and related food products and beverages ("Franchised Restaurant" or "Restaurant"). You are granted the right to use the Marks "JERSEY MIKE'S", "JERSEY MIKE'S ESTABLISHED IN '56 PT. PLEASANT, plus the design", "MIKE'S, plus the design", associated logos, commercial symbols and the System identified thereto in the operation of a JERSEY MIKE'S Franchised Restaurant.

Company offers a franchise grant for a single Franchised Restaurant at an approved location. With Company's approval, you may be allowed the opportunity to obtain franchises to develop and operate more than one JERSEY MIKE'S Franchised Restaurant. Regardless of the number of franchises you seek to acquire, you will execute an area development agreement, attached to this Disclosure Document as Exhibit B ("Area Development Agreement"), which will govern your development obligations for each Franchised Restaurant. Upon signing an Area Development Agreement, you will receive an exclusive development territory (the "Designated Territory") in which you will evaluate proposed site locations, execute leases for approved locations, and execute separate franchise agreements (each, a "Franchise Agreement"), for the establishment and operation of individual Franchised Restaurants; however, the required opening deadline for each Franchised Restaurant will be governed exclusively by the dates specified on a development schedule ("Development Schedule") in the Area Development Agreement. As soon as you execute a lease for a premises that Company has approved for a Franchised Restaurant (the "Premises"), you will execute a Franchise Agreement, which governs your rights and obligations for a single Franchised Restaurant at

such approved location. For each Franchised Restaurant, you will sign a copy of Company's then-current Franchise Agreement, which terms may materially differ from the form of Franchise Agreement attached to this Disclosure Document as Exhibit C.

Previously, Company and JMFS offered to individuals and entities meeting its qualifications the opportunity to provide services for JERSEY MIKE'S franchisees and their Franchised Restaurants located within designated territories, under the terms of Company's area director agreement (the "Area Director Agreement"). Individuals who signed an Area Director Agreement are referred to as "Area Directors." Area Directors are, in part, responsible for soliciting prospective franchisees who, with Company's approval, will execute Company's then-current form of franchise agreement for the right to develop a JERSEY MIKE'S Franchised Restaurant. Company does not currently offer new Area Director opportunities. Area Directors may provide various services to franchisees as described in Item 11. Area Directors do not exercise management responsibility with respect to sale or operation of JERSEY MIKE'S Franchised Restaurants.

Each JERSEY MIKE'S Franchised Restaurant will offer a wide assortment of made-to-order submarine type sandwiches, other hot sandwiches, and related food products and beverages for on-premises and off-premises consumption. JERSEY MIKE'S Franchised Restaurants will offer products and services to the general public and will compete with other national, regional or local chains and independent businesses operating restaurants offering products similar to those offered and sold from the Franchised Restaurants.

Each Franchised Restaurant operates according to a distinctive System ("System") regarding the establishment, development and operation of JERSEY MIKE'S Restaurants. The characteristics of the System include distinctive design of the Restaurant's exterior and interior layout, design and color scheme; exclusively designed decorations, furnishings and materials; methods and techniques for inventory and cost controls, record keeping and reporting; personnel management, purchasing, sales promotion and advertising, special recipes, formulas, menus and food and beverage storage, preparation and service procedures and techniques; operating procedures for sanitation and maintenance; and a wide assortment of made-to-order submarine type sandwiches, other sandwiches and related food products and beverages for on-premises and off-premises consumption.

In certain situations, Company may grant a franchise to operate a JERSEY MIKE'S Restaurant at a "Non-Traditional Venue," meaning a venue with limited-access shops and restaurants, including any JERSEY MIKE'S Restaurants, such as hotels and resorts, malls, stadiums and arenas, hospitals, airports, military installations, casinos, college campuses, national parks, schools, theme parks and highway rest stops. If you are granted the right to operate your Restaurant from a Non-Traditional Venue, you will sign the Non-Traditional Addendum, attached as Exhibit M.

**Competition**

The market for a wide assortment of made-to-order submarine type sandwiches, other hot sandwiches and related food products and beverages is fairly well developed and competitive. Company believes that the quality of its product is superior and that the proprietary ingredients offer a competitive advantage over its competitors.

**Industry-Specific Laws and Regulations**

You must comply with all local, state, and federal laws that apply to the operation of this business. These may include health, safety, and smoking regulations, United States Department of Agriculture, Equal Employment Opportunity Commission, and Occupational Safety and Health Administration regulations, other food and safety regulations, discrimination, immigration, federal and state tax, employment, and sexual harassment laws. Certain jurisdictions have also adopted or may adopt extended producer responsibility laws relating to packaging, recycling, and waste management. The Americans with

Disabilities Act requires readily accessible accommodations for people with disabilities and therefore may affect some of your operations. You are advised to examine these laws with your attorney before purchasing a franchise from Company.

## ITEM 3. LITIGATION

Concluded Litigation:

The State of Washington v. Jersey Mike's Franchise Systems, Inc.; Auburn JM, LLC; BCG-Northwest, LLC, Berry Investment Group, Ltd.; Elsterly, LLC; FM Restaurants, Inc.; Food Adventures, Inc.; Golden Springs, LLC; JM Northtown, LLC; JM Puyallup, Inc.; JM Restaurants, Inc.; JM Silverdale, LLC; JM Spokane, LLC; Larson & Associates, LLC; Majestic Eagle, LLC; Patrikor Corp.; Red Polo Ventures, LLC; Tin Star Subs, LLC; Trieb, LLC; Doe 1; Doe 2; Doe 3; Doe 4; and Doe 5, Case No. 18-2-25822-7 (State of Washington King County Superior Court, Oct. 15, 2018). On October 15, 2018, the State of Washington, through its Attorney General, sued JMFS, and each of its franchisees owning restaurants located the State of Washington ("Washington Franchisees"), alleging that JMFS and Washington Franchisees violated the Washington Consumer Protection Act based on the former inclusion in legacy franchise agreements of a so-called 'no-poach' provision prohibiting franchisees from soliciting or hiring JMFS's and other franchisees' current employees. Prior to the complaint's filing, JMFS had publicly announced that it would not enforce the provision in all existing franchise agreements nationwide and had removed the provision from its form franchise agreement. In addition, JMFS amended all of its franchise agreements for restaurants located in Washington. To resolve the dispute, JMFS and the State of Washington entered into an Assurance of Discontinuance on August 23, 2019, which required JMFS to continue its franchising practice by not including the 'no-poach' provision in any future franchise agreements and to refrain from enforcing the provision in any existing franchise agreements. Further, JMFS agreed to pay the State of Washington $150,000 without admitting to any fact, liability, misconduct or wrongdoing on JMFS's part.

Sam Tsou v. A Sub Above, LLC and Does 1-10, Case No. 25STCV28811 (Superior Court of California, County of Los Angeles, Sep. 29, 2025). On September 29, 2025, Sam Tsou ("Tsou") filed a class action lawsuit against Company, alleging that Company violated California Civil Code §1749.5 et seq., the California False Advertising Act, and the California Unfair Competition Law after Tsou's request

for cash redemption of an unused balance on a gift card had been denied at a franchised JERSEY MIKE'S Restaurant. Company denied all allegations, but to resolve the dispute without admitting any fault or liability, Company and Tsou, on an individual basis, entered into a Settlement Agreement on March 27, 2026, which required Company to pay Tsou $25,000 in exchange for a full release from Tsou and related parties. The class was not certified.

Pending Litigation:

Justin Brewer v. Jersey Mike's Franchise Systems, Inc. et al, Case No. 5:26-cv-535-SSS (United States District Court, Central District of California, Feb. 6, 2026). On February 6, 2026, Justin Brewer ("Brewer") filed a class action lawsuit against JMFS, purporting that JMFS violated the California Consumer Legal Remedies Act, the California False Advertising Law, the California Unfair Competition Law, and similar state consumer protection statutes and committed common law fraud for allegedly misleading consumers when displaying and charging service fees on the JERSEY MIKE'S mobile application. JMFS was served with the complaint on February 19, 2026. Separately, on March 12, 2026, Brewer sent us a letter entitled "Notice of Violations of the California Consumers Legal Remedies Act," stating that, if we do not take certain corrective action as specified in the letter within 30 days, he intends to amend the complaint to add us to the lawsuit, asserting claims for violations of various states' consumer protection statutes, the California Unfair Competition Law, the California Consumers Legal Remedies Act, and the California False Advertising Law, and for common law unjust enrichment. On May 13, 2026, JMFS filed a motion to compel arbitration on an individual basis, and on August 6, 2026, the Court granted JMFS's motion and stayed the legal proceedings until the completion of arbitration.

Other than the above actions, no litigation is required to be disclosed in this Item.

## ITEM 4. BANKRUPTCY

No bankruptcies are required to be disclosed in this Item.

## ITEM 5. INITIAL FEES

You will sign an Area Development Agreement regardless of the number of Franchised Restaurants you elect to develop and operate. When you sign an Area Development Agreement, you must pay to Company a non-refundable development fee equal to $10,000, multiplied by the number of JERSEY MIKE'S franchises to be acquired under the Area Development Agreement. Company may auto-debit the development fee if it is already established. All fees paid pursuant to the Area Development Agreement are fully earned by Company at the time of signing the Area Development Agreement and are non-refundable, even if you or your designated manager fail to satisfactorily complete training or find approved locations, and/or you fail to open a Franchised Restaurant.

In addition to the development fee, an initial franchise fee of $20,000 is payable in lump sum and due each time you sign a Franchise Agreement pursuant to an Area Development Agreement. The initial franchise fee is non-refundable. Company may auto-debit the initial franchise fee. You cannot sign a Franchise Agreement without first having executed an Area Development Agreement. You will sign a Franchise Agreement for each franchised location after you have delivered to Company a fully executed lease, accepted by Company pursuant to the Area Development Agreement, to secure the applicable premises. Company may elect to permit a franchisee to use a portion of the fees for marketing assistance, in certain situations as determined solely by Company. In fiscal year 2025, Company charged a reduced initial franchise fee of $8,500 in connection with certain existing franchisees acquiring or obtaining the right to develop additional JERSEY MIKE'S Restaurants.

In addition to the initial franchise fee, you must also pay Company a Grand Opening Advertising fee in the amount of $10,000, which is payable in lump sum and due when you sign the Franchise

Agreement. No such fee will be due if you are purchasing an existing Franchised Restaurant. The Grand Opening Advertising fee is non-refundable.

In its sole discretion, Company may grant certain qualified managers at existing JERSEY MIKE'S Restaurants, who wish to own their own JERSEY MIKE'S Franchised Restaurant, the right to participate in the Coach Rod Smith Program. Participants in the Coach Rod Smith Program will receive financing from JMFS for the development of their Franchised Restaurant. If a recipient chooses to participate in the Coach Rod Smith Program, Company may allow such recipient to finance the initial franchise fee as part of the financing received from JMFS.

You must also pay Company $4,500 to connect your POS System (as referred to Item 7) to Company's private network before opening your Restaurant, the majority of which serves to reimburse Company for its pre-payment to its designated supplier. In addition, you must pay Company for a POS license, which is $2,000 for one register and $4,000 for two registers. You must also pay Company a $750 initial credit card processing software fee.

Other than the foregoing, these initial fees are typically uniform and you are not required to pay Company or its affiliates any other fees or payments for goods or services before your Restaurant commences operation.

**NOTES**

All fees are imposed by and payable to Company, and are non-refundable unless otherwise noted. These fees may not be uniform for all franchisees.

[1] Gross Receipts. "Gross Receipts" includes the total of all sales of food products, beverages, other merchandise and products, and services to your customers, whether or not sold or performed at or from your Restaurant (including off-site sales and catering sales), regardless of whether the sales were made in compliance with the Franchise Agreement, less sales, use or service taxes collected and paid to the appropriate taxing authority, and customer refunds, discounts, and coupons. If Company authorizes or requires participation in online group-bought deals, gift certificate or gift card programs, or other similar programs, the payments you receive for or from such programs will be included in the calculation of Gross Receipts in accordance with Company's then-current guidelines for such calculations, which may change during the term of the Franchise Agreement. Gross Receipts also includes all insurance proceeds that you receive for loss of business and/or revenue due to a casualty to or similar event at your Restaurant.

All Continuing Royalty Fees, Fund Contributions, amounts due for purchases by you from Company and other amounts which you owe to Company will be paid through an automatic clearing house (ACH) as described in the Manual (as defined in Item 11). Before or at the same time you acquire an interest in the real property on which you will operate your Restaurant, you must establish an ACH account and Company will have access to this account for the purpose of receiving payment for Continuing Royalty Fees, Fund Contributions, amounts due for purchases by you from Company, the Grand Opening Advertising Fee described in Note 2, and any other amounts which you owe to Company. You must make deposits to the account sufficient to cover amounts owed to Company for withdrawal on a weekly basis for Continuing Royalty Fees, Fund Contributions and other amounts owed to Company for the preceding week. The frequency of such payments may be changed by Company at any time (for example, from weekly to

semi-weekly or daily payments). Deposits for all other amounts owed to Company must be in accordance with the procedures in the Manual. Company may waive payment of fees in special circumstances.

If you fail to deliver to Company any required records and related documents by the applicable deadline set forth by Company, Company shall calculate payments due to Company on the basis of 110% of Gross Receipts for the last week for which Franchisee reported Gross Receipts, and will draft the ACH account accordingly. Adjustments to reflect payments actually due to Company will be calculated and settled within 10 days after you furnish to Company the required information.

[2] Grand Opening Advertising. You must pay Company a non-refundable $10,000 ($5,000 if you are relocating your existing Restaurant with Company approval), all of which will be used to conduct a Grand Opening Advertising program for your Restaurant. The fee is due when you sign a Franchise Agreement or upon the completion of a Company-approved relocation and must be paid via your ACH account. Company will consult with you about the program, which is described in Item 11, but Company retains full discretion over expenditures made and the content of the program.

[3] Funds. You must pay 1% of your Gross Receipts from your Restaurant to the JERSEY MIKE'S Corporate Advertising and Development Fund, and 4% of your Gross Receipts to the National Media Fund (together with the contribution to the Corporate Advertising and Development Fund, the "Fund Contributions"). All such payments will be made at the same time and in the same manner as the Continuing Royalty Fees, and are uniform to all franchises granted using this Disclosure Document. Your Fund Contributions may each be increased to as much as 6% of Gross Receipts of each Franchised Restaurant upon 90 days' notice to you. Company may reallocate amounts between Funds, in its discretion. Some franchisees who operate JERSEY MIKE'S Restaurants at Non-Traditional Venues make reduced contributions, and other such franchisees may not contribute to, the Funds.

[4] Audit. Company or its designated agents have the right to copy and inspect, electronically or otherwise, your books, records and tax returns at Company's expense. If you make sales through any third-party vendors (for example, companies that facilitate online ordering, deliveries or catering orders), Company or its designated agents have the right to access all sales records and other records of such vendor and may request and receive such records directly from the vendor without your consent. Company also may have an independent audit made of your books at Company's expense. If an inspection reveals a discrepancy in the amount of payments made by you to Company, then you must immediately pay Company any amounts owed, as well as interest on the unreported receipts at the maximum rate permitted by law. Upon discovery of a discrepancy of 2% or more of your Gross Receipts for any payment period, you are also required to pay and reimburse Company for all expenses connected with this inspection, including reasonable accounting and legal fees.

[5] Management Fee. In any interim period, you will remain the owner of your Restaurant and continue to be responsible for all liabilities, accounts payable, obligations, and/or contracts (including your lease) related to your Restaurant.

[6] Late Fees; Interest. Company has the sole discretion to apply any payments by you against any of your past-due indebtedness owed to Company and/or its affiliates. Company is not obligated to accept from you any payments after they are due, extend credit to you, or otherwise finance your operation of the Franchised Restaurant.

[7] Supplier/Supplies Approval. If you wish to sell or use any product which is not on Company's Approved Supplies List or purchase any product from a supplier that is not on Company's Approved Suppliers List, you must notify Company in writing and, if requested, submit samples and other information for inspection and testing. You or the proposed supplier will pay the reasonable cost of the inspection and evaluation and the actual cost of the test.

[8] General Contractor and Architect Approval. If you wish to utilize a general contractor or architect who is not on Company's Approved Contractor List or Approved Architect List, you must notify Company in writing prior to commencement of store construction, or relocation of your existing Restaurant, to obtain approval for the general contractor or architect. If Company approves your general contractor and architect, you will have to pay Company $5,000 for each general contractor or architect approved to cover the costs for Company's construction department to communicate construction specifications with your general contractor and architect and to make periodic site visits. Such fee may be waived in Company's sole and absolute discretion.

[9] Transfer Fee. Upon sale or other alienation of the franchise by you, you must pay to Company a non-refundable transfer fee equal to $15,000 in lieu of payment of any franchise fee or other charge. The transfer fee is for administrative costs, overhead, legal fees, accounting and other Company expenses associated with the transfer. Company requires the purchaser of the unit and two other designees to complete Company's then-current training program.

[10] Replacement Training. There is no fee for the initial Phase 1, 2, and 3 training required by Company before the opening of your Restaurant (although you are responsible for all expenses of such training, such as travel costs). However, if a replacement is required to be trained (even before your Restaurant opens), you will be responsible for paying Company's then-applicable rate for training a replacement. Such payment must be made in advance of training. The applicable rate, which is subject to change, is currently $2,500 for Phases 1 and 3 and may be adjusted pro rata if a different number of training hours is required.

[11] Additional Assistance. If Company determines that you require additional on-site assistance during the initial opening of your Restaurant, or at any other time during the term of the Franchise Agreement, you will pay Company the then-current rates published in the Manual and reimburse Company for its expenses for providing such assistance.

[12] Continuing Education. Company occasionally may provide refresher training programs or seminars to be conducted at Company's headquarters or at other locations that may be designated, including virtually. You will bear the expense of attending these refresher training courses. Attendance will not be required more than twice during any calendar year and will not exceed a total of 4 days in duration, excluding travel time.

[13] Maintenance. You must effect reasonable maintenance of the Premises to ensure that the image of a Restaurant is consistent with Company's System Standards (as defined in Item 8). Maintenance includes a procedure for replacement of worn out or obsolete fixtures and signs, repair of the exterior and interior of the Restaurant and redecorating. If you fail to effect this maintenance and to maintain your Premises as required, and fail to take corrective action within 30 days of notice of this failure, Company has the right in addition to its rights to declare the Franchise Agreement in default, without obligation to enter upon the Premises to effect the necessary repairs, painting, decorating or replacements of equipment, signage or fixtures on your behalf. You must pay the entire cost of this maintenance to Company upon demand.

[14] Cost of Enforcement or Defense. If either party to the Franchise Agreement must employ legal counsel or incur other expenses to enforce any obligation of the other party or to defend against any claim, demand, action or proceeding due to the other party's failure to perform any obligation imposed upon it, and if the settlement of the legal action establishes the other party's default under the Franchise Agreement, the prevailing party will be entitled to recover from the losing party attorneys' fees and other expenses incurred in enforcing the obligation or in defending against the claim, demand, action or proceeding.

[15] Relocation Fee. Company may charge you for any costs incurred by Company, plus a fee of $5,000 for its services, in any relocation of the Franchised Restaurant.

[16] Indemnification. You are not Company's agent, and therefore, you must indemnify and hold Company, its affiliates, and their respective officers, directors, shareholders, partners, employees, agents, successors and assigns harmless against any claims arising directly or indirectly from, as a result of or with your operation of the JERSEY MIKE'S Franchised Restaurant, as well as all costs incurred by Company in enforcing the indemnification provision.

[17] Liquidated Damages. Liquidated damages will be an amount equal to: (a) the average monthly Continuing Royalty Fees and Fund Contributions payable by you over the 12 full calendar months immediately preceding the date of termination; multiplied by (b) the lesser of (i) 36 months, or (ii) the number of full calendar months then-remaining in the then-current term of the Franchise Agreement as of the date of termination. However, if as of the termination date, the Restaurant had not operated for 12 full calendar months, then the amounts payable will be calculated based on the average monthly Continuing Royalty Fees and Fund Contributions for all JERSEY MIKE'S Restaurants during the fiscal year immediately preceding the termination date.

**NOTES TO ITEM 7 CHART:**

[1] Development Fee. You will execute an Area Development Agreement regardless of the number of Restaurants you are authorized to develop and operate. The development fee will be $10,000 per Franchised Restaurant that you commit to develop and open under the Area Development Agreement, which amount is non-refundable and payable to Company when you sign the Area Development Agreement. Company may auto-debit the development fee if it is already established. No part of the Development Fee is applied toward the initial franchise fees due for the Restaurants to be developed under the Area Development Agreement. Regardless of the number of Restaurants you choose to develop, in addition to the development fee, an initial franchise fee of $20,000 per franchise is due when you sign the franchise agreement for each franchise location.

[2] Initial Franchise Fee. In addition to your payment of the development fee, this is the initial fee that you will pay when you sign a Franchise Agreement. Company may auto-debit the initial franchise fee.

[3] Rent/Lease CAM/Property Taxes/Lease and Utility Security Deposits. Rent expense to operate the Franchised Restaurant will vary, based on location, square footage, age and condition of the structure, lease arrangements and other factors. It is anticipated that the typical JERSEY MIKE'S Restaurant will operate from a retail shopping center of approximately 1,000 to 2,000 square feet. The figure given represents an estimate of the rental expense for the first three months of operation, including lease and utility security deposits. Landlords and utility companies may require that you place a deposit before occupation of the Premises and before installing telephone, gas, electricity, water, sewer, and related utility services. These deposits may be refundable in accordance with the agreements made with the landlord and utility companies. The low end of the estimate accounts for situations where franchisees have received periods of free rent and no required security deposits, because landlords have been unable to provide a tenant improvement allowance.

[4] Leasehold Improvements. The cost of construction and leasehold improvements depends upon the size and condition of the Premises, the local cost of contract work and the location of the Restaurant. The range of figures described for a Restaurant is the cost of reasonable renovation or leasehold

improvements, and may be less if the Landlord provides a construction allowance to you, or more if additional HVAC, hood exhaust systems, or grease interceptors/traps are required or if you buildout a freestanding building.

[5] Equipment/Furniture/Small Wares. The equipment, furniture, and small wares necessary for the operation of a JERSEY MIKE'S Restaurant are listed in the Manual, and include items such as refrigerators, freezers, meat cases, slicers, grills, ovens, hoods, sinks, small wares, tables, and chairs. You may purchase or lease approved brands and models only from suppliers which Company designates or approves. Company affiliates may be designated or approved suppliers of certain items. The cost of these items will depend on financing terms available, the size of the Restaurant, brands purchased and other factors.

[6] Initial Inventory. Your initial inventory may be purchased from any supplier Company approves or designates in accordance with the Franchise Agreement, this Disclosure Document, and the Manual. Initial inventory includes food and beverage products, paper and plastic products, containers, accessories, merchandise and other products utilized in the operation of the Restaurant. The initial inventory expenditure will vary according to anticipated sales volume and current market prices for supplies.

[7] Insurance. You must procure and maintain all insurance coverage required by Company in the Manual or otherwise in writing, with the minimum policy requirements Company periodically specifies. Company currently requires comprehensive public liability, general liability, personal injury liability, motor vehicle liability, property, product liability, workman's compensation, employment practices liability, commercial liability umbrella, and business interruption insurance. The cost of insurance will vary based on types and limits of insurance purchased, location of the Premises, payment terms available and other related factors. Company's current insurance requirements are set forth in Item 8.

[8] Training. You are responsible for arranging transportation and paying the expenses for meals and lodging (as well as salary and benefits) for any persons attending the four-day Phase 2 training program in New Jersey or another location designated by Company. The amount expended will depend on the distance you must travel and the type of accommodation you choose. In addition, you are responsible for the salaries of your staff as they go through the in-store training program the week before the Restaurant opens.

[9] Grand Opening Advertising. When you sign the Franchise Agreement, you must pay Company $10,000, which Company will use to conduct a Grand Opening Advertising program to promote your Restaurant. Company will consult with you about the development and implementation of the program, but has sole discretion as to how the amount will be spent.

[10] Exterior Signage. Exterior signage bears the service marks granted for your use to you by Company. The cost of signage may vary depending on the type, size and location of the signs, and may also be affected by applicable city code restrictions. If your Restaurant is located near a highway, you will be required to engage local advertising agencies and/or applicable departments of transportation to purchase and maintain highway signage to advertise for your Restaurant. If that requirement applies to you, Company estimates that the cost for such signage will be between $500 and $7,500. The high range of the cost estimate above includes this amount.

[11] Interior Graphics. The interior graphics package includes the menu boards, the interior oval illuminated JERSEY MIKE'S window sign, the murals and other artwork.

[12] Uniforms, Office Equipment and Supplies. You will purchase employee uniforms from a designated supplier and the cost will vary with the number of employees you hire and the items you purchase. You will also purchase an assortment of office equipment and supplies, including stationery, a safe, forms, miscellaneous supplies and related items. You may purchase these items meeting Company's System Standards from any source.

[13] POS System. You must procure and, install the POS system from required suppliers which Company designates and approves as listed in the Manual and as described in Item 6 and Item 11 of this Disclosure Document. The costs of the POS system will vary depending on the number of registers you install (usually 1 or 2, sometimes 3 registers), the costs of the installation of the Internet connection, and if you have existing equipment that can be reused from a previous JERSEY MIKE'S Restaurant. The initial POS hardware equipment and software currently costs approximately $7,500 per register. You must provide a dedicated Internet connection from the provider of your choice. In addition, you must pay Company a POS license fee at the current cost of $2,000 per register. Your Restaurant will typically have 1 to 2 registers. You must also purchase the hardware, software and installation to connect to Company's private network at a current cost of $4,500 from Company, the majority of which serves to reimburse Company for its pre-payment to its designated supplier. You must also pay Company a $750 initial credit card processing software fee. All of the costs described in this paragraph may change.

[14] Additional Funds. This amount is Company's estimate of what you will need to cover the gap between your revenues and your operating expenses, including employee's salaries during your first three months of operation. These estimates do not include costs you may incur for debt service, living expenses, or your own salary, if you manage the Restaurant.

[15] Experience; Financing. In preparing these figures, Company has relied upon its and its affiliates' 30-plus years of experience in operating JERSEY MIKE'S Restaurants. These numbers do not include any international, non-traditional, standalone, or drive-thru locations.

Company does not offer, either directly or indirectly, financing to you for any items, unless you are a participant in the Coach Rod Smith Program. Please refer to Item 10 for more details regarding the Coach Rod Smith Program. However, Company may provide assistance to you in obtaining financing. The initial cash required may also be reduced by utilization of various lending programs or a leasing program for the restaurant equipment.

## ITEM 8. RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

### Specifications and Standards

You must operate the Restaurant according to Company's mandatory specifications, standards, operating procedures and rules prescribed and periodically changed by Company for the System (the "System Standards"). Company may provide you with specifications for brands and types of food and beverage preparation, dispensing, storage and display equipment, cash registers and other equipment, fixtures, exterior and interior signs and decorating accessories required to meet Company's System Standards for the Franchised Restaurant. Specifications may include minimum standards for performance, warranties, design, appearance and local zoning, sign and other restrictions. Company's System Standards for purchasing are set out in the Manual, as modified; they may be based upon Company's experience, industry research, market analysis and taste testing by Company and franchisees. Company may revise or supplement the list as it deems necessary.

Company will provide you a list of approved manufacturers, suppliers and distributors and approved food and non-food products, recipes, fixtures, equipment, signs, stationery and supplies and other items or services necessary to operate your Restaurant. Company may revise or supplement the list, as it deems advisable.

All sandwiches and other designated food products must be prepared by you in accordance with recipes, cooking techniques and processes designated by Company.

In the operation of your Restaurant, you must use only displays, trays, boxes, bags, wrapping paper, labels, forms and other paper and plastic products imprinted with the Marks, which are required or otherwise approved by Company.

Before beginning operation of your Restaurant, you must adequately supply your Restaurant with a representative inventory as required by Company of an assortment of ingredients, food and beverage products and other products, materials and supplies. You must at all times maintain a product and supply inventory which is sufficient to meet public demand and as otherwise required by Company. You must maintain your meat case display in the Restaurant area at full capacity according to Company's System Standards.

**Required Purchases of Goods and Services**

In order to maintain the superior quality and consistency of products and services Company sells and Company's reputation, Company may require you to purchase certain goods and services from required vendors, which may include Company and/or its affiliates. All JERSEY MIKE'S Restaurants must offer Pepsi beverages and Frito Lay snack line. You must also purchase all private and proprietary items, including Company's private-label meats and cheeses, bread, paper products, and uniforms with Company's trademarked logos, from Company's required vendors, which are distributed through the Sysco Corporation, and other distributors used by Company. During fiscal year 2025, Jersey Shore Construction LLC, an affiliate of Company, received $1,589,227 in payments from franchisees for purchases of the graphics package. While Jersey Shore Construction LLC sells certain of these items to franchisees, Company requires you to purchase certain furnishings, materials, and equipment from its designated third-party vendor.

Company will require you to use only real estate brokers approved by Company to locate a site for your Restaurant and will require you to use only general contractors which it has designated or approved to construct your Restaurant. You must deal directly with any such real estate brokers and general contractors. Company will neither receive payments from designated or approved general contractors or real estate brokers, nor will it have any liability to you for their acts or omissions.

If you are a participant in the Coach Rod Smith Program, Company or JMFS may require you to utilize certain in-house resources or a specified third-party provider for accounting, bookkeeping, or lease review in Company's sole discretion. Previously, JMFS offered in-house accounting or bookkeeping services and franchisees paid JMFS its then-current rate for such services ($150 per week). These accounting and bookkeeping services are now offered by a third-party vendor designated by Company. During fiscal year 2025, JMFS received $49,350 in payments from franchisees for bookkeeping services.

Company will require you to participate in certain system-wide promotions and programs, including the customer loyalty program with text messaging and email, the online ordering program, and the food and labor management software program. These programs are part of the POS Software Licensing and Support Package, which currently costs $395/month, but may increase up to $795/month and is subject to further change. Company also requires you to pay a fee for secure network access and monitoring, which currently costs $39.85 per month. Company may collect these fees via your automatic clearing house (ACH) account, or you may be required to pay them through the designated vendor. During fiscal year 2025, Company received $16,163,731 in payments from franchisees for these fees, which constituted 5.2% of Company's total revenue of $309,842,674 during the year.

Under the current customer loyalty program ("Jersey Mike's Shore Points®"), customers earn free food items after a certain number of purchases. The administrative costs of the Customer Loyalty Program are included in the monthly Software Licensing and Support Fees Package. You must pay the minimal costs of the plastic loyalty cards, which you purchase from Company, and the costs of the free items awarded under the Jersey Mike's Shore Points® program, which you must provide to participating customers. Company may choose to send text messages to those customers who sign up for text messaging at no cost to you. However, if you choose to send text messages to your customer lists, you will pay local text messaging fees (currently $0.025/message, which amount is subject to change). Customers who provide their email addresses to Company occasionally receive special offerings from Company, including free food items upon presentation of a valid email coupon at your Restaurant (you must pay for the costs of the free food items).

Under the current online ordering program, customers place their orders online designating from which JERSEY MIKE'S Restaurant they will pick up the order. The costs of this Program are included in the monthly Software Licensing and Support Fees Package. However, you will pay Company an additional $0.2921 per online transaction and 3.74% of the sale of each such transaction to cover credit card, patent licensing, e-commerce, sales tax software, and authentication fees. In addition, you may be required to pay Company $0.2921 per third-party transaction to cover the costs associated with third party order integration, software development and maintenance. These fees are subject to change.

Through the current food and labor management software program, you will place your food, beverage, paper products, snack items, and cleaning product orders with outside vendors. You will enter your employee work schedules on this program and the employees will log their actual hours worked on the POS system, which will automatically send the information to the program. The costs of this program are included in the monthly Software Licensing and Support Fees Package.

You must participate in the current gift card program, which is maintained by Company's designated third-party vendor and allows customers to purchase gift cards at your Restaurant. The purchase of gift cards is not included in your Gross Receipts and is debited weekly from your account via ACH; your account is credited as gift cards are redeemed for food and beverage items. The gift card program is maintained by Company's designated third party vendor. You must pay the costs of the plastic gift cards. Company does not charge any fees relating to the gift card program, but collects fees for the designated third-party vendor.

You must use Company's designated credit card processing company, which may periodically change.

You must procure at your expense and maintain the following minimum insurance policies (except as additional coverage and higher policy limits may reasonably be specified for all franchisees periodically by Company in the Manual or otherwise in writing) issued by an insurance company with an A.M. Best rating of "A-" or better:

a. Commercial general liability insurance, including products liability, property damage, owned and non-owned automobile coverage and personal injury coverage with the following minimum limits: (i) Each Occurrence: $1,000,000; (ii) Damage to Rented Premises: $100,000 (each occurrence); (iii) Medical Expense (any one person): $5,000; (iv) Personal and Advertising Injury: $1,000,000; (v) General Aggregate: $2,000,000: and Products – Completed Operations Aggregate: $2,000,000.

b. Property insurance covering fire, vandalism, theft, burglary and extended coverage insurance on a replacement value basis.

c. Business interruption insurance providing payment to Company of lost royalties and advertising fund payments.

d. Employment Practices Liability Insurance with a combined single limit of at least $500,000, including full prior acts coverage, third party coverage, and Fair Labor Standards Act (FLSA) coverage (FLSA coverage to have a sub-limit of $100,000).

e. Workers' compensation and employer's liability insurance as well as such other insurance as may be required by statute or rule of the state in which your Restaurant is located.

**Approval of Alternative Suppliers**

If you propose to purchase or lease any equipment, fixtures, furniture, signs or decorating materials not previously approved as meeting Company's System Standards, you will furnish specifications,

photographs, drawings, information and samples as Company may require to determine whether the item meets Company's System Standards. Company will notify you within a reasonable time (which will generally be within 30 days after Company receives all information and materials described above) whether the item meets its System Standards. Company's approval may be revoked at any time, on written notice.

You may only use, offer to sell, and sell from your Restaurant the sandwiches, menu items, breads, meats, cheeses, ingredients, toppings, spice mixes and other food and beverage products and materials, containers, packaging materials, other paper and plastic products, plates, cups, utensils, menus, uniforms, forms, cleaning and sanitation materials and other materials and supplies, which meet Company's specifications and quality standards and which are stated in Company's approved list of merchandise, products and accessories or suppliers. However, if you propose to offer for sale or use any brand of product not previously approved by Company as meeting its System Standards, or to purchase any product from a supplier that is not an approved supplier, you must first notify Company and Company may require submission of sufficient specifications, information and samples to determine whether this brand and/or supplier meets its specifications. You will reimburse Company for the actual cost of testing your proposed product or investigating your proposed supplier. Company will advise you within a reasonable time (which will generally be within 30 days after Company receives all information and materials described above) whether this item or supplies meets its specifications, but Company is not required to respond to your request. If Company does not respond within 60 days, the request will be deemed denied. Any of Company's actions taken in response to your request for approval of a proposed product or supplier will be up to Company, including requiring that you reimburse Company for the time and resources spent in evaluating the proposed product and/or supplier (see Item 6). Company's approval may be revoked at any time for any reason, on written notice.

In approving a proposed supplier, Company may consider criteria including, but not limited to, such supplier's (i) ability to sell and/or provide product in bulk, (ii) quality of services, (iii) production and delivery capability; (iv) proximity to Franchised Restaurants to ensure timely deliveries of product; (v) dependability; and/or (vi) capitalization of the supplier and its vendor(s).

**Ownership Interest in Suppliers**

Company or its affiliates may be designated as an approved or an exclusive supplier of products or services, including equipment, construction services, design services, advertising and marketing materials, and/or any other product or service, and that Company and/or its affiliates may derive profits from its sales. Other than ownership in LC Construction of Atlanta, Inc., which is an approved contractor of Company, none of Company's officers have an ownership interest in any suppliers.

**Revenue Derived from Suppliers**

Certain suppliers make payments to Company, JMFS and FoodCo based on the volume of purchases by all JERSEY MIKE'S Restaurants. Company, JMFS and FoodCo have the right to retain 100% of all commissions and support fees or other consideration paid by suppliers and to use them for whatever purposes it elects. During fiscal year 2025, Company received $19,384,741 in commissions and support fees or other consideration from such suppliers. Company receives payments from suppliers ranging from (a) $0.1226 per card transaction facilitated at JERSEY MIKE'S Restaurants from a certain supplier of credit card authorization services, which is subject to change, (b) 29.6% of fees paid by JERSEY MIKE'S Restaurants that purchase certain software from a human resources software vendor that franchisees may, but are not required to use, (c) approximately $525 per POS register sold to franchisees from our approved provider, and (d) approximately $2.00/month per store from our approved POS service provider. FoodCo receives other payments from suppliers ranging from (a) $0.50 to $7.24 per case, (b) $0.12 to $0.30 per pound, (c) $5.00 to $14.35 per gallon, and (d) 10% to 26.25% of the purchase price of certain products purchased from one of the suppliers. During fiscal year 2025, FoodCo received $139,563,434 in payments from suppliers based on purchases from JERSEY MIKE'S Restaurants.

Except as otherwise specified in this Item 8, Company or its affiliates will not derive revenue from your purchases of products or supplies in accordance with System Standards required by Company or from approved suppliers. Company is not an approved supplier of any items. The purchase of products and supplies from approved suppliers will represent approximately 35% of your cost of establishing your Restaurant, and approximately 85% of your total purchases and leases on an ongoing basis.

**Cooperatives**

No purchasing or distribution cooperatives have been formed.

**Negotiated Prices**

For the benefit of its franchisees, Company will attempt to negotiate group rates for purchases of products and materials with suppliers.

**Benefits**

Company does not provide material benefits to you (for example, renewal or granting additional franchise) for purchasing particular products or services or using particular suppliers.

## ITEM 10. FINANCING

Other than as described in this Item 10, Company does not offer direct or indirect financing and does not guarantee your note, lease or obligation. If you are interested in obtaining a loan guaranteed by the United States Small Business Administration ("SBA"), Company is listed on the Franchise Registry, which means you will receive expedited loan processing though the SBA. Please visit the Franchise Registry's website at www.franchiseregistry.com for more information.

As part of the Coach Rod Smith Program, JMFS will provide participants with loans to pay for the capital costs associated with the development of the Restaurants. At JMFS's discretion, JMFS may provide such financing for up to 100% of the Restaurant's development costs, but the total amount of financing will vary by location. However, JMFS may require that the Coach Rod Smith Program participants contribute up to 20% of the development costs on their own, which JMFS would then only finance 80% of the Restaurant's development costs. At JMFS's discretion, a participant in the Coach Rod Smith Program may be allowed to include the initial franchise fee in the amount financed with JMFS.

Candidates for the Coach Rod Smith Program will be managers of existing JERSEY MIKE'S restaurants nominated by senior management of JMFS. Not all nominees will be granted the right to participate in the Coach Rod Smith Program. JMFS will select individuals in its sole discretion. If you are selected to participate, and you enroll, in the Coach Rod Smith Program, you will be required to execute an amendment to the Franchise Agreement, a Promissory Note with Guaranty and Assumption of Obligations, and a Security Agreement, examples of which are attached as Exhibit G of this Disclosure Document.

If you are selected by JMFS for the Coach Rod Smith Program, and you choose to participate, the repayment term for the financing will be five years. However, at JMFS's discretion, the loan will be amortized either over a five-year or seven-year period, and if JMFS decides to amortize the loan over a seven-year period, you will pay the remaining balance in the form of a balloon payment after five years. The annual interest rate will be a fixed interest rate between 6% and 10.5%, depending on your qualifications. Repayment will begin on the earlier of (i) 60 days after you open your Restaurant or (ii) the 12- to 24-month anniversary of the date of the Promissory Note. Such time frame may vary depending on your qualifications and the amount of time anticipated for your Restaurant to open. You may prepay the

note at any time without penalty. If your landlord reimburses you with a tenant improvement allowance upon the build out of your Restaurant, you must immediately pay JMFS the tenant improvement allowance amount, payable against the amount advanced under the Promissory Note. If your landlord provides you rent abatement under the lease for a period of time, you must pay JMFS the amount of the rent abatement, payable against the amount advanced under the Promissory Note, in addition to your already required payments under the Promissory Note. In addition, JMFS may require, at its discretion and upon prior notice to you, that you make additional payments in an amount up to 50% of the Restaurant's EBITDA to pay against the principal you owe under the terms of the Promissory Note. "EBITDA" means your Restaurant's earnings before deducting interest, taxes, depreciation and amortization expenses.

If you default under the Promissory Note, JMFS may declare the entire remaining amount due. If you do not pay JMFS the entire balance, and any accrued unpaid interest, you may be responsible for the court costs and attorneys' fees JMFS incurs in collecting the debt from you. Company may terminate your Franchise Agreement if you do not pay JMFS. The principals of the franchisee entity, and the spouse of each principal, if applicable, will personally guaranty the note. JMFS will also have a security interest in the assets of your Restaurant, which means that if you do not pay JMFS, JMFS may foreclose upon those assets consistent with state law. You must make note payments to JMFS via auto-debit transfer, if so requested.

You must waive your rights to certain notices of a collection action in JMFS's promissory note and guaranty. If you form or use a legal entity to own the restaurant, your shareholders, members, partners and/or owners must personally guarantee the debt and agree to pay the entire debt and all collection costs. JMFS may sell, assign or discount any promissory note to a third party. If JMFS sells or assign your promissory note, it will not affect Company's obligation to provide the services to you that are described in the Franchise Agreement but the third party may be immune under the law to any defenses to payment you may have against JMFS or Company. JMFS and/or Company may partner with a third-party lender to provide financing for the Coach Rod Smith Program. If that happens, you will sign the financing documents required by the third-party lender which may contain materially different terms than JMFS's promissory note and guaranty. JMFS and/or Company may guaranty those obligations in such event.

(Area Development Agreement - Section 2.2) The methods used by Company in approving the locations for proposed sites may include demographic characteristics of the surrounding area, location, visibility, accessibility, area competition and/or traffic flow, among other factors. Company must approve a proposed site in writing before you can sign a lease agreement or Franchise Agreement. If you fail to sign an acceptable lease at an acceptable site within the deadlines prescribed in your Area Development Agreement, then Company may elect to unilaterally terminate such agreement upon written notice to you without refund of the Development Fee, unless you obtain an extension of such deadline from Company in writing. (Area Development Agreement - Summary Pages, Section 6) A map of your Restaurant's Designated Area will be established by Company at the time Company approves your Restaurant location, and the Designated Area will be incorporated into the Franchise Agreement prior to execution. (Franchise Agreement – Sections 1 and 3.1)

Training occurs at Company's headquarters and at locations designated by Company.

The Manual is confidential and remains the property of Company. Company may modify the Manual at any time. (Franchise Agreement - Section 6) The Manual currently contains 412 pages, and its table of contents is attached to this Disclosure Document as Exhibit E.

C. **Typical Length of Time Before Operation**

The typical length of time between the signing of the Franchise Agreement and the opening of your Restaurant is approximately 9 months. If you are developing a single Restaurant, the typical length of time between the signing of the Area Development Agreement and the opening of the Restaurant is approximately 12 months. Factors affecting this length of time may include the availability of appropriate real estate; your ability to select a site, prepare a site survey, and submit modifications of Company's basic architectural plan for Company's approval; your ability to obtain governmental approvals, arrange leasing and financing, make leasehold improvements and decor and furnishing modifications, meet local ordinances or community requirements and complete training; the ability of suppliers to complete delivery of equipment and signs; and similar factors.

D. **During the on-going operation of your Restaurant, Company (or its designee(s)) will:**

1. Assist in facilitating the opening of your Restaurant. Company will send one of its, or JMFS's, representatives to your Restaurant for a minimum of 3 calendar days (of 8 hours each) during the first month of operation to assist you. (Franchise Agreement - Section 4.4)

2. Review and approve or disapprove all promotional materials and advertising to be used by you, including newspapers, radio and television advertising, direct mail advertising and specialty and novelty items, containers and boxes. If Company does not approve, in writing, any advertising or promotional item submitted to Company within fifteen days of receipt of all pertinent materials, the particular materials will be considered disapproved. You may only use advertising and promotional items which Company has previously approved for your use, and you must refrain from any merchandising, advertising or promotional practices which are unethical or may be injurious to Company, JERSEY MIKE'S Restaurants and/or the goodwill associated with the Marks. (Franchise Agreement - Section 9.1)

3. Following consultation with you, conduct a Grand Opening Advertising program for your Restaurant, utilizing the $10,000 which you will pay to Company upon signing a lease for the Premises. Company will have complete discretion to decide how and when Grand Opening Advertising expenditures will be made, and which promotional activities will contribute to generating business at your Restaurant. (Franchise Agreement - Section 9.2)

4. Administer the following advertising funds (each, a "Fund"):

Corporate Advertising and Development Fund (Franchise Agreement - Section 9.3). You are required to pay Company 1% of your Gross Receipts to the Corporate Advertising and Development Fund. The Corporate Advertising and Development Fund is intended to maximize general public recognition and acceptance of the Marks for the benefit of the System, and may be used to maintain, administer, direct and/or prepare advertising campaigns and promotions, administrative costs, customer survey and similar feedback programs, in-store marketing materials, market research, and/or protecting, registering, enforcing, and defending the Marks and the System. During fiscal year 2025, the Corporate Advertising Fund was spent in the following ways: (i) 67.6% on production; (ii) 31.7% on administration; (iii) less than 1.0% on meetings; and (iv) less than 1.0% on public relations.

National Media Fund (Franchise Agreement - Section 9.3). You are required to pay 4% of your Gross Receipts to the National Media Fund. The National Media Fund is used to pay for the costs of placing print, radio, television, billboards, and/or Internet advertisements with national messaging throughout the various advertising coverage areas that Company serves. During fiscal year 2025, the National Media Fund was spent in the following ways: (i) 87.2% on media placement; (ii) 12.0% on production; (iii) less than 1.0% on public relations; and (iii) less than 1.0% on administration.

Company may change the amount of your contribution to the Corporate Advertising and Development Fund and National Media Fund upon 90 days' written notice to you; however, your total required payment to the Corporate Advertising and Development Fund and the National Media Fund will not, in the aggregate, exceed 6% of your Gross Receipts. Amounts in the Corporate Advertising and Development Fund and the National Media Fund may be reallocated to between the Funds at Company's discretion.

Company will cause each of its Company or affiliate-owned JERSEY MIKE'S Restaurants to make payments to each Fund which are equivalent to the payments required of Franchised Restaurants, based upon the date on which each Company or affiliate-owned Restaurant opened for business. Company is permitted to: (i) form, change, merge and/or dissolve the Fund(s); (ii) use collection agents and to institute legal proceedings for purposes of collecting amounts owed to any Fund on behalf of and at the expense of such Fund; (iii) forgive, waive, settle and compromise all claims by or against any Fund; and (iv) direct all advertising programs with sole discretion over the creative concepts, materials and media used in such

programs and the placement and allocation of such programs. Company has no obligation to make expenditures for you or proportionate to your payments and contributions. Company is also not required to spend any amount on advertising in the area or territory in which your Restaurant is located. No amounts in any Fund will be spent on advertising used principally to solicit the sale of franchises.

Company will prepare an annual accounting summary of the collections and expenses of each Fund, and you may obtain a copy of each such statement upon written request to Company. Company may have any Fund audited by an independent certified public accountant selected by Company, at the expense of the applicable Fund.

Although Company has an informal National Advisory Council, as described later in Item 11, Company does not have an advertising council composed of franchisees that advises it on advertising policies, but Company may establish one in the future.

5. In its discretion, create a local or regional advertising cooperative (each a "Co-Op") in any designated advertising coverage area, and establish the rules and regulations therefor (Franchise Agreement - Section 9.6). Immediately upon Company's request, you must become a member of the Co-Op for the area in which some or all of your Restaurant's Designated Area is located. You will not be required to be a member of more than one Co-Op, unless you (or your Affiliates) own more than one JERSEY MIKE'S Restaurant in different advertising coverage areas. The Co-Op will be governed in the manner that Company prescribes. The Co-Op may require each of its members to make contributions to the Co-Op not to exceed 2% of such member's Gross Receipts.

6. Update the Approved Supplies List and Approved Suppliers List, as Company deems necessary. (Franchise Agreement – Section 12.5)

7. Periodically modify the System as Company determines is appropriate, including the adoption and use of new or modified Marks, Confidential Information, and System Standards. (Franchise Agreement - Section 8)

8. Periodically visit your Restaurant for consultation, assistance, and guidance in all aspects of the operation and management of your Restaurant as Company deems necessary. (Franchise Agreement - Section 13.2)

9. Unless prohibited by applicable law, Company may periodically set a maximum or minimum price that you may charge for products and services offered by Franchised Restaurants. If Company imposes such a maximum or minimum price for any product or service, you may charge any price for the product or service up to and including Company's designated maximum price, or down to and including Company's designated minimum price. (Franchise Agreement - Section 13.1)

10. Provide you with specifications and support for the point-of-sale ("POS") system you must use. Company will have full and independent access to certain of your data, systems and related information by Internet, Company private network, and direct access, whether in person or by telephone/modem. Company will be able to gather sales and product information from your point-of-sale system including but not limited to: gross total; tax total; employee discounts; coupons redeemed; voids; no sales; eat-in and take-out totals; delivery totals; non-taxable total; taxable total; vendor invoices and inventory for food, paper products, and cleaning products; bread sold; description and quantity of products sold; and employee work hours. The POS System runs proprietary software and transmits sales data over Company's private network via a local internet connection to Company's server for storage and reporting purposes. If your Restaurant is located within an Area Director's territory, such Area Director may also have access to this information.

You will need additional computer hardware or software to use the POS system. Company's approved POS System is comprised of a PC-based POS retail terminal with cash drawer, customer-facing

terminal, and receipt printer. This equipment must be purchased through Company approved hardware and software vendors. Currently, all hardware and software must be purchased through ReSource Point of Sale, LLC at a cost of approximately $7,500 per register. You must provide a dedicated Internet connection. You must also pay Company a POS license fee at the current cost of $2,000 per register, which is subject to change. Your Restaurant will typically have 1 to 2 registers. You must reimburse Company for the hardware, software, and installation Company pays its designated supplier to connect your Restaurant to Company's private redundant network, at a cost of $4,500 per JERSEY MIKE'S Restaurant. You must also pay Company a $750 initial credit card processing software fee. You are also responsible for additional charges incurred during installation through no fault of Company, including cancellation fees and rush fees.

You will need to pay a monthly fee for secure network access and monitoring. Company may collect the fee, the majority of which is paid to a designated vendor, via your automatic clearing house (ACH) account, or you may be required to pay this fee through the designated vendor. This fee is $39.85 per month.

You will need to pay a monthly fee in an amount Company determines for the Software License and Support Package which includes all currently provided software programs, licensing fees, software upgrades, and support services ("Help Desk"). Company may collect the fee via your automatic clearing house (ACH) account, or you may be required to pay this fee through Company's designated vendor. This fee is currently $395 per month, but may increase up to $795 per month and is subject to further change.

You will need to set up a credit card processing system with Company's designated credit card processing company. You must comply with PCI Security Council standards and/or any other requisite standard(s) required by the credit card processor, issuing banks or applicable law. Company charges a one-time license fee for credit card software, which is unique to your processor-assigned merchant identification number.

You must secure back-up cellular service for your POS System from an approved third-party vendor. You are not required to purchase the service from Company, but if you do, it is currently offered at $30 per month. We estimate the same from an approved third-party vendor, but the actual costs imposed are subject to change by the third-party vendor.

Company may require you to upgrade or update your POS system periodically and may require you to purchase and install other and/or additional computer systems and software meeting Company's standards and specifications. There is no limitation on the frequency of the upgrades or updates, except that the cost of upgrades or updates will not exceed $50,000 during the term of the Franchise Agreement (Franchise Agreement - Section 8).

Except as approved by Company in writing, you must not establish or create any domain names, websites, email addresses, usernames, profiles, screen names, social network accounts, other online presence or presence on any electronic medium (each, an "Online Presence"). You must grant Company access to each Online Presence and to take whatever action Company requests to help Company obtain exclusive administrative rights in the Online Presence. You may be required, at your expense, to list and advertise your Restaurant with the online directories prescribed by Company (such as Yelp® or Google®) or establish any other Online Presence that Company requires, each in accordance with the System Standards. If Company approves the use of any such Online Presence to be used in the operation of your Restaurant, or the posting of messages relating to your Restaurant, you will do so only in accordance with Company's guidelines detailed in the Manual or otherwise in writing. Company may require its approval of any message you compose for a social networking website or commentary for any other website before you post such message or commentary. You must also comply with Company's website privacy policy, as it may be periodically amended, and any data privacy requests, whether requested by Company or directly by a customer, as required by applicable data sharing and privacy laws.

E. **Training**

Company will train (a) you, if you are an individual, or your Controlling Principal or designated manager, if you are an entity ("Trainee 1"), (b) your designated assistant manager ("Trainee 2"), and/or (c) your designated shift supervisor ("Trainee 3") before beginning operation of your Restaurant. If you are opening your first Franchised Restaurant, the training requirements are as follows: (i) 3 individuals (Trainees 1, 2, and 3) must complete Phase 1, (ii) Trainee 1 must complete Phase 2, and (iii) 2 individuals (Trainees 1 and 2) must complete Phase 3. Additionally, Trainee 1 and Trainee 2 will be required to attend and participate in the grand opening of another Franchised Restaurant, to be selected by Company's Training Department in conjunction with your designated JERSEY MIKE'S representative. The grand opening participation may be completed during or after the completion of Phase 3 but must be completed prior to your Restaurant's opening. Out-of-state travel may be required and will be at your expense.

Phase 1 and Phase 3 consist of on-the-job training in a JERSEY MIKE'S Restaurant designated by Company for a minimum of 8 consecutive weeks. Training typically concludes approximately two to four weeks before the estimated beginning of operation of a Franchised Restaurant. Phase 2 will take place at Company's training center located in Manasquan, New Jersey, or at another location designated by Company, and consists of 4 days of classroom and simulated trainings.

If you already operate at least one Franchised Restaurant and are opening an additional Franchised Restaurant, the training requirements identified above will apply, except that none of your trainees are required to attend and participate in the grand opening of another Franchised Restaurant. If a trainee is not successful in completing a phase of training according to Company's System Standards, the applicable phase of training may be extended in Company's sole discretion.

All training is conducted by JMFS personnel or other personnel approved by Company, and is overseen by John Hughes, JMFS's Senior Vice President, Brand Ambassador; and Josh Funderburk, JMFS's Director of Learning & Development. Mr. Hughes has over 40 years' experience in the subject matter being taught and has been with JMFS since 2002. Mr. Funderburk has over 29 years' experience in the subject matter being taught and has been with JMFS since 2013. The training program is presented on an as-needed basis. You must pay all expenses incurred by you and your employees in attending the training program, such as travel, room and board expenses. Company does not charge a separate fee for you and your employees to attend the initial training program.

You must successfully complete training to Company's satisfaction. This will be determined in the sole discretion of Company. If Company determines that you have not successfully completed training to Company's satisfaction, it may, at its sole discretion, terminate your Franchise Agreement without refund of any fees paid, unless you sign a general release. Company may, in its sole discretion, reduce or increase your training requirements based on your experience level and the relevant circumstances.

To facilitate the opening of your Restaurant, Company will send one of its representatives to your Restaurant for a minimum of three calendar days (8 hours per day) during the first month of operation. This representative will assist you in establishing and standardizing procedures and techniques for the operation of JERSEY MIKE'S Restaurants and in training personnel. At Company's option, it may provide additional on-site assistance during the initial opening, or at any time during the term of your Franchise Agreement, at your expense.

All of your employees must complete, at your expense, designated training programs enumerated by Company in the Manual or otherwise in writing. (Franchise Agreement - Section 4.3) You have the ultimate and exclusive responsibility for ensuring that all of your employees and personnel are appropriately trained to operate your Restaurant in accordance with the Franchise Agreement and the System Standards, regardless of any training or support that Company provides.

Company may provide refresher training programs to be conducted at Company's headquarters or at another location designated by Company, which may be virtually. The refresher programs or seminars will address common problems experienced by JERSEY MIKE'S franchisees or advancements in new products, services or techniques to be used by the System and will not exceed 2 programs in any calendar year collectively totaling 4 days in duration. Attendance at these programs by you and your previously trained employees is mandatory, and you will be responsible for all travel, room and board expenses for your attendees; however, the refresher programs or seminars will be held at no program cost to you. (Franchise Agreement - Section 4.7)

You must at all times employ (i) at least one individual who has completed Phases 1, 2, and 3, (ii) at least one individual who has completed Phases 1 and 3, and (iii) at least one individual who has completed Phase 1 (each, a "Trained Employee") when operating your Restaurant. If a Trained Employee ceases to serve in the position that qualified him or her for training (as Franchisee, Controlling Principal, designated manager, assistant manager, or shift supervisor, as applicable) for your Restaurant (even before your Restaurant opens), you must promptly arrange for that individual's replacement to attend and successfully complete the same training phases that the Trained Employee completed. Such training must be completed no later than 120 days after the departure of the Trained Employee. If you are replacing a Trained Employee, you will be responsible for paying Company's then-applicable rate for training a replacement Trained Employee. Such payment must be made in advance of training. The applicable rate, which is subject to change, is up to $2,500 per trainee. (Franchise Agreement - Section 4.5)

You must comply with all applicable board of health food safety certification requirements, such as ServSafe certification or the local equivalent, prior to the opening of your Restaurant and on an ongoing basis. You are solely responsible for determining and complying with the applicable requirements. However, in the event any guidance or recommendation issued by a federal, state or local authority directly

or indirectly affects the operation of your Restaurant, you cannot close the restaurant unless you obtain Company's prior written approval.

We formed an informal National Advisory Council ("NAC") to, among other things, foster and promote the interests of franchisees and work with Company to align interests for the mutual benefit of the JERSEY MIKE'S brand. The NAC is not organized or incorporated under any state law and did not request that it be included in this Disclosure Document. The NAC is composed of five (5) elected members who must be current franchisees in good standing and two (2) "Of Council" members appointed by Company. Company manages the election process. Every two years, each franchisee will have one vote to elect one member to serve on the NAC for a 24-month term, with the terms staggered such that the terms of two members end in one year and the terms of three members end the following year. The NAC will not have any power to make decisions or veto Company's decisions concerning the JERSEY MIKE'S system and will serve in an advisory capacity only. Company is not aware of any other trademark specific franchisee organizations associated with the franchise system being offered in this Disclosure Document.

## ITEM 12. TERRITORY

### Area Development Agreement

The Designated Territory granted in an Area Development Agreement may be defined by criteria such as (but not limited to) zip code boundaries, county boundaries, highways, physical landforms, city or municipality boundaries and other factors Company deems appropriate. Company defines the specific nature of the Designated Territory on a map attached to the Summary Pages of the Area Development Agreement. You will search for and select sites which Company must approve for Franchised Restaurants in the Designated Territory. Company's approval of a site for a Franchised Restaurant is conditioned on then-current factors, including site demographics, proximity to other businesses, neighborhood character, the size and appearance of the premises to be leased, and other characteristics and criteria that may periodically change.

So long as you are not in default under the Area Development Agreement and all Franchise Agreements then in effect, Company and its affiliates will not establish or operate, or authorize any other person to establish or operate, a JERSEY MIKE'S Restaurant from a physical location within your Designated Territory; however, Company may establish and operate, and authorize others to establish and operate, within your Designated Territory: (i) any other type of business, including any business that may offer products and services that are similar to, the same as, and/or competitive with products and services offered by JERSEY MIKE'S Restaurants, under any trade names, trademarks, service marks and commercial symbols (or that sell products or services) other than the Marks; (ii) any distribution channels other than a physical JERSEY MIKE'S Restaurant (including selling products at retail, wholesale, or through any Online Presence), wherever located or operating, regardless of the nature or location of the business and/or customers with whom such distribution channels do business, including the offer and sale of JERSEY MIKE'S-branded products at other third-party businesses; and (iii) JERSEY MIKE'S Restaurants at Non-Traditional Venues. Company may also acquire or be acquired by (whether through acquisition of assets, ownership interests or otherwise), any other business, including businesses that operate or allow others to establish and operate businesses similar to, the same as, and/or competitive with JERSEY MIKE'S Restaurants, at any location worldwide (and in the event of such an acquisition, the acquirer and its affiliates will have the right to continue to establish and operate, and authorize others to establish and operate, such businesses, at any location worldwide).

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that Company and/or its affiliates own, or from other channels of distribution or competitive businesses that may be controlled by Company and/or its affiliates within the Designated Territory.

**Franchise Agreement**

Under the Franchise Agreement, you are granted the right to operate a JERSEY MIKE'S Restaurant at a specific location within a designated area prescribed by Company ("Designated Area"). Company and its affiliates will not, as long as the Franchise Agreement is in effect and you are not in default thereunder, establish or operate, or authorize any other person to establish or operate, a JERSEY MIKE'S Restaurant from a location within your Designated Area; however, Company may establish and operate, and authorize others to establish and operate, within your Designated Area: (i) any other type of business, including any business that may offer products and services that are similar to, the same as, and/or competitive with products and services offered by JERSEY MIKE'S Restaurants, under any trade names, trademarks, service marks and commercial symbols (or that sell products or services) other than the Marks; (ii) any distribution channels other than a physical JERSEY MIKE'S Restaurant (including selling products at retail, wholesale, or through any Online Presence), wherever located or operating, regardless of the nature or location of the business and/or customers with whom such distribution channels do business, including the offer and sale of JERSEY MIKE'S-branded products at other third-party businesses; and (iii) JERSEY MIKE'S Restaurants at Non-Traditional Venues. Company may also acquire or be acquired by (whether through acquisition of assets, ownership interests or otherwise), any other business, including businesses that operate or allow others to establish and operate businesses similar to, the same as, and/or competitive with JERSEY MIKE'S Restaurants, at any location worldwide (and in the event of such an acquisition, the acquirer and its affiliates will have the right to continue to establish and operate, and authorize others to establish and operate, such businesses, at any location worldwide).

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that Company and/or its affiliates own, or from other channels of distribution or competitive businesses that may be controlled by Company and/or its affiliates.

The Designated Area typically comprises a 0.5 to 1 mile radius from the front door of the Franchised Restaurant. At Company's sole discretion, the Designated Area could be smaller if there is a densely populated urban area, a readily definable market area like a resort or boardwalk, or a natural boundary like a body of water, bridge or expressway. For Non-Traditional Venues, the Designated Area will be the host facility of the Non-Traditional Venue. The Designated Area will be determined by Company prior to signing the Franchise Agreement.

You may operate your Restaurant only at the location specified in the Franchise Agreement. Unless you sign an Area Development Agreement for the development of multiple Franchised Restaurants, you have no right to acquire additional Franchised Restaurants anywhere. Without Company's prior written approval, you may not solicit orders or engage in marketing outside of your Designated Area, although you may accept orders from outside your Designated Area which you do not solicit.

You have no right to relocate your Restaurant. Company may at its option grant permission for relocation of your Restaurant within your Designated Area to a location and site acceptable to Company. Any relocation will be at your sole expense, and Company will have the right to charge you up to $5,000 for any relocation of your Restaurant, in addition to a Grand Re-Opening Advertising Fee of up to $5,000.

Except as provided later in this Item 12 under the heading "Affiliate Franchise System," Company and/or its affiliates currently do not operate or franchise or have plans to operate or franchise a business under a different trademark which sells or will sell goods or services similar to those you will offer at your Restaurant. Company and its affiliates may establish Restaurants or grant franchises for Restaurants anywhere outside your Designated Area.

Continuation of your territorial rights under a Franchise Agreement is not dependent on the achievement of a certain sales volume, market penetration or other contingency.

Company and other franchisees also may attend conventions, trade shows and other public events within your Designated Area for the purpose of promoting products and services. Company is not required to pay you any compensation if it solicits or accepts orders inside your Designated Area. Neither Company nor other franchisees have a duty to compensate you for activities which do not violate your Area Development Agreement or Franchise Agreement.

**Affiliate Franchise System**

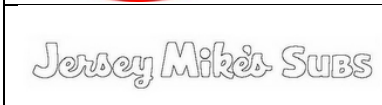

Tropical Smoothie Cafe Restaurants are generally not considered to be Company's direct competitors given the principal food or beverage products they sell under their own respective trademarks and proprietary recipes and formulas. However, there is some overlap with the products and services offered by Tropical Smoothie Cafe Restaurants given that they currently sell a limited line of sandwiches and fountain beverage products. Tropical Smoothie Cafe Restaurants may solicit and accept orders from customers near your Restaurant. Company will have no obligation to resolve any perceived conflicts that might arise between Company's franchise system and this franchise system regarding territory, customers, or support. TSC maintains offices and training facilities that are physically separate from Company's offices and training facilities.

## ITEM 13. TRADEMARKS

Company is the owner of the right, title and interest in the trade names, service marks and trademarks "JERSEY MIKE'S", "JERSEY MIKE'S ESTABLISHED IN '56 PT. PLEASANT, plus the design", "MIKE'S, plus the design", "JERSEY MIKE'S SUBS", "MIKE'S WAY", and associated logos and commercial symbols. Under the Franchise Agreement, you are granted the right to use the mark "JERSEY MIKE'S" and associated logos and other marks of Company in connection with the operation of your Restaurant.

Company, as owner of all right, title and interest to the Marks, claims common law rights to the trade names, service marks and trademarks and any other marks used in interstate commerce.

## ITEM 19. FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the disclosure document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet that you are considering buying; or (2) a franchisor supplements the information provided in Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

### Definitions

As used in this Item 19, the following terms have the meanings given to them below:

- "Traditional Franchised Restaurants" means JERSEY MIKE'S Restaurants (other than Non-Traditional Restaurants) that were operated by third-party franchisees for greater than 360 days during the Measurement Period.

- "Non-Traditional Restaurants" means JERSEY MIKE'S Restaurants that were operated by third-party franchisees or licensees in an airport, casino, arena, hospital, military installation, school, stadium, ghost kitchen, or similar venue.

- "Measurement Period" means the period beginning on January 1, 2025 and ending on December 28, 2025.

- "Unit Volume" means the total of all sales of food products, beverages, other merchandise and products, and services to customers, whether or not sold or performed at or from the JERSEY MIKE'S Restaurant (including off site sales and catering sales), regardless of whether the sales were made in compliance with the Franchise Agreement, less sales, use or service taxes collected and paid to the appropriate taxing authority, and customer refunds, discounts, coupons, and donations.

**Data Set and Methodology**

As of December 28, 2025, there were 3,235 JERSEY MIKE'S Restaurants open and operating. However, 8 JERSEY MIKE'S Restaurants operate pursuant to license agreements under terms that differ from a Franchise Agreement, leaving 3,227 Restaurants that were open and operating in the United States as of December 28, 2025.

The data presented below includes 2,606 Traditional Franchised Restaurants. The remaining 621 JERSEY MIKE'S Restaurants open as of December 28, 2025 were excluded from the data presented below, because the Restaurant either (a) operated for fewer than 361 days during the Measurement Period (of which there were 583 of those JERSEY MIKE'S Restaurants); (b) did not use Company's designated POS System (of which there were 8 of those JERSEY MIKE'S Restaurants); (c) operated for greater than 360 days during the Measurement Period but were Non-Traditional Restaurants (of which there were 13 of those JERSEY MIKE'S Restaurants), or (d) was directly or indirectly owned or managed by Company, its affiliates, or by any person identified in Item 2 of this Disclosure Document (of which collectively there were 17 of those JERSEY MIKE'S Restaurants).

The data presented in the chart below is data Company obtained by polling the information directly from the designated POS System. Company does not anticipate that the characteristics of the JERSEY MIKE'S Restaurants included in this Item 19 will materially differ from JERSEY MIKE'S Restaurants operate by new franchisees. This Item 19 contains certain historical data related to the operation of certain JERSEY MIKE'S Restaurants.

In each instance in which Company shows an average in this Item 19, Company also shows the high (maximum) and the low (minimum) of the data points and the median data point. The average was calculated by adding the Unit Volumes for each JERSEY MIKE'S Restaurant in the applicable group and dividing the sum by the number of JERSEY MIKE'S Restaurants in the same applicable group. The median is the middle data point; that is, the data point in the center of all data points. Where the number of data points is an even number, there is no middle data point, so the median is the average of the two middle data points. The numbers used in the underlying calculations, and displayed below, were rounded to the nearest dollar or whole number.

**Unit Volume During Measurement Period**

| | Number of Restaurants | Average | Median | High | Low | Number / Percentage that Met or Exceeded the Average |
|---|---|---|---|---|---|---|
| Traditional Franchised Restaurants | 2,606 | $1,367,578 | $1,305,850 | $3,228,616 | $512,332 | 1,148 / 44% |

**Some franchisees have sold these amounts. Your individual results may differ. There is no assurance that you will sell as much.**

Written substantiation for the financial performance representation will be made available to the prospective franchisee upon reasonable request.

Other than the preceding financial performance representation, Company does not make any representations about a franchisee's future financial performance or the past financial performance of Company-owned or franchised Restaurants. Company also does not authorize its employees or representatives to make any such representations either orally or in writing. If you are purchasing an existing Restaurant, however, Company may provide you with the actual records of that Restaurant. If you receive any other financial performance information or projections of your future income, you should report it to Company's management by contacting its Legal Department at 1 Commvault Way, Suite 400, Tinton

Falls, New Jersey 07724, (732) 223-4044; the Federal Trade Commission; and the appropriate state regulatory agencies.

## INTRODUCTION

Franchisor, as the result of the expenditure of time, skill, effort and money, has developed and owns a distinctive System ("**System**") relating to the establishment, development and operation of restaurants for the on-premises and off-premises consumption of a wide assortment of made-to-order submarine-type sandwiches, other hot sandwiches and related food products and beverages (each, a "**JERSEY MIKE'S Restaurant**"). The distinguishing characteristics of the System include distinctive exterior and interior layout, design and color scheme; exclusively designed decorations, furnishings, and materials; special recipes, formulas, menus and food and beverage designations; food and beverage storage, preparation and service procedures and techniques; operating procedures for sanitation and maintenance; and methods and techniques for inventory and cost controls, record keeping and reporting, personnel management, purchasing, sales promotion and advertising; all of which may be changed, improved and further developed by Franchisor from time to time; and

Franchisor is the owner of all right, title and interest together with all the goodwill connected therewith in and to the trade names, service marks and trademarks "JERSEY MIKE'S", "JERSEY MIKE'S ESTABLISHED IN '56 PT. PLEASANT, plus the design", "MIKE'S, plus the design", associated logos, commercial symbols, and such other trade names, service marks, and trademarks as are now designated (and as may be later designated by Franchisor in writing) as part of the System ("**Marks**"), and Franchisor continues to develop, use and control such Marks for the benefit and use of itself and its developers in order to identify for the public the source of products and services marketed thereunder and to represent the System's high standards of operations, quality, food products, appearance, and service. The rights and duties Developer undertakes as required by this Agreement are known as "**Developer's Business**"; and

Developer desires to develop JERSEY MIKE'S Restaurants pursuant to this Agreement (each a "**Restaurant**," and collectively, "**Restaurants**") under Franchisor's System within the area described in this Agreement ("**Designated Territory**") and wishes to obtain franchises from Franchisor for that purpose; and

In consideration of the mutual rights and obligations contained in this Agreement, Developer and Franchisor agree as follows:

## 1. GRANT

1.1 Franchisor hereby grants to Developer, consistent with the terms and conditions of this Agreement, options to acquire franchise(s) for the establishment and operation of a designated number of Restaurant(s) within the Designated Territory described on the Summary Pages (the "**Designated Territory**"). The Summary Pages are incorporated into this Agreement by this reference.

1.2 Developer shall be bound by the Development Schedule ("**Development Schedule**") described on the Summary Pages. Time is of the essence in this Agreement. Each Restaurant shall be established and operated according to a separate Jersey Mike's Franchise Agreement ("**Franchise Agreement**") to be entered into by Developer (or an Affiliate of Developer) and Franchisor. Each Franchise Agreement shall be in the form of Franchisor's then-current form of franchise agreement, any or all terms

of which may differ substantially and materially from any or all terms contained in any previous franchise agreement signed by Franchisor and Developer or its Affiliate, provided that the initial franchise fee payable under each Franchise Agreement signed pursuant to this Agreement will be Twenty Thousand U.S. Dollars (US$20,000).

1.3 Subject to Franchisor's reservation of rights in this Section 1.3, for as long as Developer (and its Affiliates, as applicable) is fully complying with all of its obligations under this Agreement and all franchise agreements then in effect between Franchisor and Developer (and its Affiliates, as applicable) for the construction, development, and operation of JERSEY MIKE'S Restaurant(s), then during this Agreement's term only, neither Franchisor nor its Affiliates will establish or operate, or authorize any other person to establish or operate, any JERSEY MIKE'S Restaurants with a physical location within the Designated Territory.

Franchisor and its Affiliates retain the right, at all times during and after this Agreement's term, to engage in any and all activities that Franchisor or its Affiliates deem appropriate, wherever and whenever Franchisor or its Affiliates desire, and whether or not such activities compete with the Restaurant(s) developed in accordance with the Development Schedule, including the right, anywhere in the world, to do any of the following:

a. establish and operate, and allow others to establish and operate:

   (i) other JERSEY MIKE'S Restaurants using the Marks and the System at any location outside of the Designated Territory on such terms and conditions that Franchisor deems appropriate;

   (ii) any other type of business, including any business that may offer products and services that are similar to, the same as, and/or competitive with products and services offered by JERSEY MIKE'S Restaurants, under any trade names, trademarks, service marks and commercial symbols (or that sell products or services) other than the Marks in any location worldwide, including in the Designated Territory;

   (iii) any distribution channels other than a physical JERSEY MIKE'S Restaurant (including selling products at retail, wholesale, or through any online presence or presence on any electronic medium of any kind), wherever located or operating, regardless of the nature or location of the business and/or customers with whom such distribution channels do business, including the offer and sale of JERSEY MIKE'S-branded products at other third-party businesses;

   (iv) any JERSEY MIKE'S Restaurant, or other business using the Marks and/or the System, and/or offer and sell any of the products or services that are similar to, the same as, and/or competitive with those products or services offered by JERSEY MIKE'S Restaurants, at or through any Non-Traditional Venue (defined below), at any location worldwide, including in the Designated Territory; and

b. acquire or be acquired by (whether through acquisition of assets, ownership interests or otherwise), any other business, including businesses that operate or allow others to establish and operate businesses similar to, the same as, and/or competitive with JERSEY MIKE'S Restaurants, at any location worldwide (and in the event of such an acquisition, the acquirer and its affiliates will have the right to continue to establish

and operate, and authorize others to establish and operate, such businesses, at any location worldwide).

In this Agreement, a "**Non-Traditional Venue**" means a venue with limited-access shops and restaurants, including any JERSEY MIKE'S Restaurants, such as hotels and resorts, malls, stadiums and arenas, hospitals, airports, military installations, casinos, college campuses, national parks, schools, theme parks and highway rest stops. Franchisor's, its Affiliate's, or another franchisee's or licensee's establishment and operation of a JERSEY MIKE'S Restaurant at or within a Non-Traditional Venue in the Designated Territory will not count toward Developer's compliance with the Development Schedule.

1.4 The location exclusivity described in Section 1.3 above (with the exception for Non-Traditional Venues) is the only restriction on Franchisor's (and its Affiliates') activities within the Designated Territory during this Agreement's term. Franchisor and its Affiliates have the right to engage, and grant to others the right to engage, in any and all other activities of any nature whatsoever within and throughout the Designated Territory. After this Agreement is terminated (regardless of the reason for termination), Franchisor and its Affiliates have the right, without any restrictions whatsoever, to (a) establish and operate, and grant to others the right to establish and operate, JERSEY MIKE'S Restaurants having their physical locations within the Designated Territory and (b) continue to engage, and grant to others the right to engage, in any other activities Franchisor (and its Affiliates) desire within and throughout the Designated Territory.

1.5 This Agreement is not a Franchise Agreement, and Developer shall have no right to operate a JERSEY MIKE'S Restaurant by virtue of this Agreement.

1.6 Developer shall have no right under this Agreement to license or sublicense others to operate a business or use the System or the Marks.

## 2. DEVELOPMENT FEE

2.1 As consideration for the rights and options granted by this Agreement, Developer shall pay to Franchisor the Development Fee described on the Summary Pages. The Development Fee is payable to Franchisor upon execution of this Agreement, is fully earned by Franchisor upon execution of this Agreement, and is non-refundable. No part of the Development Fee is applied toward the Initial Franchise Fees due for the Restaurant(s) to be developed under this Agreement. Franchisor may auto-debit the Development Fee if already established.

2.2 Developer shall submit a separate application for each Restaurant to be established within the Designated Territory by Developer or its Affiliates. Upon execution of a premises lease for, or a binding contract for the purchase of, each approved Restaurant site (each, a "**Premises**"), a separate Franchise Agreement for such Restaurant shall also be signed by Developer or its Affiliate, at which time the initial franchise fee due under the Franchise Agreement for that Restaurant is simultaneously due and owing. Upon the execution of each Franchise Agreement, the terms and conditions of such Franchise Agreement shall control the establishment and operation of such Restaurant (except that the required opening deadline is governed exclusively by the Development Schedule in the Summary Pages). Franchisor may auto-debit the initial franchise fees due under Franchise Agreements.

## 3. DEVELOPMENT SCHEDULE; MANNER OF EXERCISING OPTIONS

3.1 Developer must sign leases (and Franchise Agreements) for approved Restaurant sites, and then open such Restaurant(s), by the dates described in the Development Schedule (and Developer must pay Franchisor the required Initial Franchise Fee when it signs each Franchise Agreement). Developer shall at all times maintain in operation consistent with each Franchise Agreement at least the number of Restaurant(s) required under the Development Schedule; provided, however, that such obligation does not apply to businesses that are transferred in accordance with the provisions of the Franchise Agreement.

Every provision of the lease for the proposed Restaurant site shall be consistent with Franchisor's mandatory specifications, standards, operating procedures and rules prescribed by Franchisor for the System, as such specifications, standards, procedures and rules may be amended from time to time.

3.2 Developer shall exercise its rights granted by this Agreement only as follows:

(i) Developer must submit a description of a proposed site to Franchisor, together with a letter of intent or other evidence satisfactory to Franchisor which confirms Developer's favorable prospects for obtaining the proposed site. Franchisor must approve or disapprove of such location in writing. If Franchisor does not provide written notice of its approval or disapproval of the proposed site within fifteen (15) business days, then such request shall be deemed disapproved. The location of each Restaurant shall not be inconsistent with any of Franchisor's mandatory specifications, standards, operating procedures and rules prescribed from time to time by Franchisor for the franchise system. Developer must work with a real estate broker approved by Franchisor in connection with securing the site for each Restaurant. Developer acknowledges that it shall be solely responsible to undertake site selection activities and otherwise secure the Premises following approval by Franchisor of the lease or purchasing contract.

(ii) Upon receiving Franchisor's written approval of the location of the Restaurant, Developer must obtain Franchisor's acceptance of the lease or contract to purchase the approved Premises. Developer must give Franchisor written notice of Developer's intention to execute a lease and Franchise Agreement for a new Restaurant at an approved site at least thirty (30) days before the anticipated date of execution of the Lease and Franchise Agreement. If Developer executes a premises lease for the accepted Premises, the lease must include a lease rider in the form provided by Franchisor.

(iii) Franchisor shall counter-sign the Franchise Agreement only if Developer and its Affiliates are in compliance with all requirements and obligations of this Agreement and all other agreements between Franchisor and Developer and its Affiliates, including their respective obligations under all Franchise Agreements with Franchisor.

(iv) Upon receiving Franchisor's request, Developer and its Principals shall furnish to Franchisor financial statements (historical and pro forma), statements of the sources and uses of capital funds, budgets and other information about Developer, its Principals and each of Developer's Affiliates which are, or may be, involved in the development, ownership or operation of any Restaurant(s). All such information shall be verified in writing by Developer and its Principals as being true, complete and accurate in all respects.

(v) Developer's right to execute each Franchise Agreement shall depend upon Developer satisfying all of Franchisor's operational, financial, legal and ownership conditions for new franchisees. To meet the Development Schedule, each Restaurant shall be opened on or before, and remain open as of, the date(s) specified in the Development Schedule. Developer (or its approved Affiliate) may not open any Restaurant unless it has signed a Franchise Agreement and paid the Initial Franchise Fee for that Restaurant.

3.3 Developer acknowledges that Franchisor's right to offer or grant Franchises depends on Franchisor's compliance with applicable franchise sales laws. Franchisor shall not be liable to Developer if Franchisor fails to grant Franchises to Developer while an amendment to a franchise disclosure document or an amendment or renewal or annual report required to maintain a franchise registration is being prepared or is awaiting approval.

## 4. **TERM**

The term of this Agreement and all rights granted hereunder to Developer shall commence on the Effective Date and continue until the date on which the opening of the last Restaurant occurs under the

Development Schedule, upon which this Agreement will automatically expire, unless terminated prior to such date in accordance with the terms of this Agreement.

## 5. DUTIES OF THE DEVELOPER

5.1 Developer shall perform the following obligations:

(i) Developer shall comply with all terms and conditions described in this Agreement.

(ii) Developer shall comply with all of the terms and conditions of each Franchise Agreement.

(iii) Developer shall at all times preserve in confidence any and all materials and information furnished or disclosed to Developer by Franchisor, and Developer shall disclose such information or materials only to such of its employees or agents who must have access to it in connection with their employment. Developer shall not at any time, without Franchisor's prior written consent, copy, duplicate, record or otherwise reproduce such materials or information, in whole or in part, nor otherwise make the same available to any unauthorized person.

(iv) Developer shall comply with all requirements of federal, state and local laws, rules and regulations

## 6. PROPRIETARY MARKS/CONFIDENTIALITY

6.1 This Agreement does not grant Developer any right to use the Marks, any of Franchisor's trade secret and/or proprietary or confidential information, or any copyright or patent which Franchisor now owns or may own in the future. Rights to use the Marks, trade secrets (and/or proprietary or confidential information), copyrights, or patents are granted only under the Franchise Agreement(s) to be signed by Franchisor and Developer.

6.2 Developer acknowledges that its entire knowledge of the operation of a JERSEY MIKE'S Restaurant, including the method of preparation of sandwiches and other food products and other specifications, product formulae, standards, and restaurant operating procedures, will be derived from information disclosed to Developer by Franchisor and that certain of such information is proprietary, confidential and a trade secret of Franchisor. Developer agrees that it shall maintain the absolute confidentiality of all such proprietary information during and after the term of the franchises and not use any such information in any other business or in any manner not specifically authorized or approved in writing by Franchisor.

6.3 Developer shall divulge such confidential information only to such of its employees as must have access to it in order to operate the Developer's Business. Any and all information, knowledge and know-how, including drawings, materials, equipment, techniques, restaurant systems, product formulas, recipes and other data, which Franchisor designated as confidential shall be deemed confidential for purposes of this Agreement, except information which Developer can demonstrate came to its attention, directly or indirectly, prior to disclosure by Franchisor; or which, at the time of disclosure by Franchisor to Developer, had lawfully become known to the public without violation of applicable law or by Developer's breach of this Agreement or any other obligation owed to a third party.

6.4 Any and all information, knowledge and know-how that Franchisor designates as confidential shall be deemed confidential for purposes of this Agreement, except information which Developer can demonstrate came to its attention prior to disclosure by Franchisor or which, at the time of disclosure by Franchisor, had become part of the public domain, through publication or communication by others, so long as such disclosure was not caused by Developer.

6.5 Due to the special and unique nature of the confidential information, Developer agrees that Franchisor shall be entitled to immediate equitable remedies, including but not limited to restraining orders and injunctive relief, in order to safeguard such proprietary, confidential, unique and special information of

Franchisor and that money damages alone would be an insufficient remedy with which to compensate Franchisor for any breach.

## 7. DEFAULT AND TERMINATION

7.1 The options granted to Developer in this Agreement have been granted in reliance on Developer's representations and warranties, and strictly on the conditions described in this Agreement, including the condition that Developer comply strictly with the Development Schedule.

7.2 Developer shall be deemed in default under this Agreement if Developer and/or any of its Principals:

(a) Makes any misrepresentation or omission in its application for the development rights granted under this Agreement;

(b) Fails to satisfy any development obligation under the Development Schedule by its due date or any other obligation under this Agreement, which default Developer has no right to cure;

(c) Fails to cure a default under a Franchise Agreement within the required timeframe following written notice from Franchisor, and/or any Franchise Agreement between Franchisor and Developer (or its Affiliate) is terminated by Franchisor in compliance with its terms or by Developer (or its Affiliate) for any (or no) reason;

(d) Ceases operating any JERSEY MIKE'S Restaurant in violation of the applicable Franchise Agreement;

(e) Is or has been convicted of, or pleads no contest to, a felony or to any other crime or offense that, in the sole determination of Franchisor, is likely to adversely affect the reputation of Franchisor, Developer, the Marks and/or the System, and/or commits any act or engages in any conduct which can reasonably be expected to materially impair the goodwill associated with any Mark(s) and/or the System;

(f) (1) Acknowledges that Developer is unable to pay its debts as they come due or commits any other affirmative act of insolvency, (2) files any petition or action of insolvency or appointment of a receiver or trustee or liquidation, (3) files a petition in bankruptcy or makes any assignment for the benefit of creditors, or (4) fails to vacate or dismiss within thirty (30) days after filing any such proceedings commenced against Developer by a third party;

(g) Acts inappropriately and/or abusively toward Franchisor and/or its Affiliates or representatives, other developers or franchisees, and/or customers of any JERSEY MIKE'S Restaurant on two (2) or more occasions, in connection with the operation of the Restaurants; or

(h) any suit to foreclose any lien or mortgage against any Premises secured in connection with the Development Schedule or any of Developer's equipment is instituted against Developer and is not dismissed within thirty (30) days.

Upon any default cited in clauses (a) through (h) above, Franchisor has the right in its sole judgment to do any one or more of the following, effective upon delivery to Developer of written notice from Franchisor that Franchisor is taking such action:

(i) Terminate this Agreement and all rights granted to Developer hereunder;

(ii) If Developer is authorized to develop multiple JERSEY MIKE'S Restaurants, reduce the number of such Restaurants Developer is authorized to open according to this Agreement, without any refund of the Development Fee;

(iii) Terminate the exclusivity of Developer's right to establish JERSEY MIKE'S Restaurants having their physical locations within the Designated Territory;

(iv) Exercise concurrently the rights granted in clauses (ii) and (iii) above; or

(v) Exercise any other rights and remedies which Franchisor may have.

7.3 Upon termination of this Agreement for any reason, Developer shall have no right to establish or operate any JERSEY MIKE'S Restaurant for which a lease and Franchise Agreement have not been fully signed by Developer and Franchisor, and Franchisor and its Affiliates will have the rights described in Section 1.4. No default under this Agreement shall constitute a default under any Franchise Agreement between the parties, except to the extent that any default under this Agreement constitutes a default under any Franchise Agreement in accordance with the terms of the Franchise Agreement.

7.4 No right or remedy conferred upon or reserved to Franchisor by this Agreement is exclusive of any other right or remedy provided or permitted by law or equity.

## 8. TRANSFERABILITY OF INTEREST

8.1 Prohibition of Transfer by Developer. Developer's development rights under this Agreement are not assignable whatsoever, either directly or indirectly, in whole or in part. This means Franchisor will not under any circumstances allow the development rights to be transferred. A transfer of the development rights would be deemed to occur (and is prohibited) if there is an assignment of this Agreement, a transfer of a Controlling Interest in Developer or in a Business Entity with a Controlling Interest in Developer, or any other event attempting to assign the development rights. An assignment (direct or indirect) of only a non-Controlling Interest in Developer is permitted (and will not be deemed to be a transfer of development rights), provided that, prior to the consummation of any such assignment, (i) Developer promptly provides to Franchisor an updated list of Principals of Developer, along with percentages of ownership; and (ii) any new Principal of Developer executes Franchisor's then-current form of Guaranty and Assumption of Obligations attached as Exhibit B-1 to this Agreement and any other documents Franchisor requires, as necessary to effectuate the documentation of such assignment. Any attempted transfer in violation of this Section 8 shall be ineffective and convey no rights.

8.2 Transfer by Franchisor. Franchisor and any holder of an Ownership Interest in Franchisor may voluntarily, involuntarily, directly or indirectly sell, assign, transfer, license, sublicense, sublease, collaterally assign, grant a security, collateral or conditional interest, inter vivos transfer, testamentary disposition or other disposition of all or any part of its rights or obligations under this Agreement or any Ownership Interest in Franchisor to any person. Developer agrees not to interfere in or to attempt to interfere with a proposed transfer by Franchisor or its owners. Specifically, and without limitation to the foregoing, Franchisor may sell its assets, Marks or the System to a third party; may offer its securities privately or publicly; may merge, spin-off, acquire other corporations, or be acquired by another corporation; may undertake a refinancing, recapitalization, leveraged buyout, or other economic or financial restructuring; and with regard to any or all of the above sales, assignments, and dispositions, Developer expressly and specifically waives any claims, demands, or damages against Franchisor arising from or related to the transfer of the Marks (or any variation of such Marks) or the System from Franchisor to any other party. If Franchisor assigns its right in this Agreement, Franchisor will be released from all further liability under this Agreement. Nothing contained in this Agreement requires Franchisor to offer any services or products, whether or not bearing the Marks, to Developer if Franchisor assigns its rights in this Agreement.

9. **COVENANTS**

9.1 Developer and its Principal(s) covenant that during the term of this Agreement, neither Developer nor any of its Principal(s) or their immediate family members shall, either directly or indirectly, for themselves, or through, on behalf of, or in conjunction with any person, persons, partnership, corporation, limited liability company or other entity:

(i) Divert or attempt to divert any business or customer of any of the Developer's Restaurants to any competitor, by direct or indirect inducement, or disparage or otherwise speak or write negatively, directly or indirectly, of Franchisor, its Affiliates, any of Franchisor's directors, officers, employees, representatives, owners, current and former franchisees or developers, the JERSEY MIKE'S brand, the System, any JERSEY MIKE'S Restaurant, any business using the Marks, any other brand or service-marked or trademarked concept of Franchisor or its Affiliates, or which would subject the System to ridicule, scandal, reproach, scorn or indignity, or which would be injurious or prejudicial to the goodwill associated with the Marks and the System, or which would constitute an act of moral turpitude.

(ii) Own, maintain, engage in, consult with, or have any interest in any Competitive Business located or operating anywhere (including any business operated by Developer prior to entry into this Agreement). In this Agreement, "**Competitive Business**" means (i) any restaurant or food service facility that offers and derives twenty-five percent (25%) or more of its revenue from any type of sandwich, including submarine, hoagie, hero-type, deli-style, panini, steamed, wrapped or rolled, on any type of bread, including sub rolls and other bread rolls or buns, sliced bread, pita bread, flat bread, bagels or wraps; or (ii) any business granting franchises or licenses to others to operate the types of business described in clause (i), other than a JERSEY MIKE'S Restaurant operated under a franchise agreement with Franchisor. Notwithstanding the foregoing, the word "sandwich" in the preceding sentence does not include hot dogs, hamburgers, or fried chicken sandwiches.

9.2 Developer and its Principal(s) covenants that neither Developer nor any of Developer's Principal(s) or its or their immediate family members shall, either directly or indirectly, for themselves, or through, on behalf of, or in conjunction with any person, persons, partnership, corporation, limited liability company or other entity shall, for period of two (2) years after the expiration, Transfer or termination of this Agreement, or if later, the date upon which such person or entity complies with the covenants of this Agreement, regardless of the cause of termination, either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any person, persons, partnership, corporation, limited liability company or other entity, own, maintain, engage in, consult with, or have any interest in any Competitive Business located or operating:

(i) Within the Standard Metropolitan Statistical Area, as that term is defined by the Census Bureau of the United States, in which any Restaurant developed under this Agreement is located; or

(ii) Within a radius of ten (10) miles of any Restaurant developed pursuant to this Agreement; or

(iii) Within a radius of ten (10) miles of the premises of any other JERSEY MIKE'S Restaurant.

Each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Section 9 is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which Franchisor is a party, Developer expressly agrees to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Section 9.

9.3 Franchisor and Developer acknowledge and agree that Sections 9.1 and 9.2 shall not apply to ownership by Developer of less than five percent (5%) beneficial interest in the outstanding equity securities of any corporation which is registered under the Securities Exchange Act of 1934.

9.4 Franchisor shall have the right to require all of Developer's personnel performing managerial or supervisory functions and all personnel receiving special training from Franchisor to execute covenants similar to those contained in this Section 9 in a form satisfactory to Franchisor.

9.5 In addition to the foregoing covenants, Developer shall be bound by and comply with the covenants contained in each Franchise Agreement signed by Franchisor and Developer or its Affiliates.

## 10. NOTICES

All notices required or permitted under this Agreement shall be in writing and be personally delivered or mailed by certified mail, return receipt requested, or by a nationally recognized commercial courier service (e.g., Federal Express, UPS) to the respective parties at the addresses specified in the Summary Pages, unless otherwise designated by such party in writing. All written notices, reports and payments permitted or required to be delivered by this Agreement will be deemed to be delivered on the earlier of the time actually delivered, or as follows: (i) at the time delivered via electronic transmission (if the sender has confirmation of successful transmission); (ii) one (1) day after being placed in the hands of a nationally recognized commercial courier service for next day delivery, or (iii) three (3) days after placement in United States Mail by Registered or Certified Mail, Return Receipt Requested, postage prepaid. Any notice that Franchisor sends to Developer by electronic means will be deemed delivered if it is sent to the email address of the Controlling Principal listed on the Summary Pages or any other email address the Controlling Principal has notified Franchisor of in writing, and/or any branded email address Franchisor issues such Controlling Principal.

## 11. INDEPENDENT CONTRACTOR; INDEMNIFICATION

11.1 This Agreement does not constitute Developer as an agent, legal representative, joint venturer, partner, employee, or servant of Franchisor for any purpose whatsoever; and it is understood between the parties that Developer shall be an independent contractor and is in no way authorized to make any contract, agreement, warranty or representation on behalf of Franchisor, or to create any obligation, express or implied, on behalf of Franchisor. Under no circumstances shall Franchisor be liable for any act, omission, debt or any other obligation of Developer.

11.2 Developer shall prominently display, by posting of a sign within public view, and on all forms and other written materials as required by Franchisor, a statement that clearly indicates that said business is independently owned and operated by Developer as a JERSEY MIKE'S area developer, and not as an agent of Franchisor.

11.3 Developer and each of its Principals shall indemnify, hold harmless and timely defend Franchisor, Franchisor's Affiliates and their respective officers, directors, shareholders, partners, employees, agents, successors and assigns (collectively, "**Indemnified Parties**") from and against any and all claims, demands, legal proceedings, administrative inquiries, investigations and proceedings, damages, losses, judgments, settlements, fines, penalties, remedial actions, costs and expenses (including attorneys' fees) asserted against, incurred or sustained by any Indemnified Party, whether or not separately insured, that arise out of any acts, errors, or omissions of Developer, its Principals, Affiliates, independent contractors, and employees of Developer and/or its Affiliates and any such other third parties without limitation and without regard to the cause or causes of the acts, errors, or omissions or the negligence (whether that negligence is sole, joint, or concurrent**,** and whether active or passive) or strict liability of

Franchisor or any other party or parties arising in connection therewith, including but not limited to Developer's operation of the Developer's Business or use of any internet site or intranet network Franchisor develops, acts or claims arising from this Agreement, or acts or claims instituted by Developer's employees or by others related to Developer's employment practices.

11.4 Franchisor may elect (but under no circumstance will be obligated) to undertake or assume the defense of any such claim, demand, inquiry, investigation or proceeding (an "**Indemnified Matter**") and to conduct and supervise all settlement negotiations related to any Indemnified Matter. However, Developer shall pay the legal fees and other expenses Franchisor incurs in connection with the investigation, defense and settlement of any Indemnified Matter Franchisor undertakes to defend or assume. Franchisor's election to undertake or assume the defense or settlement of an Indemnified Matter will in no way or circumstance extinguishes or diminishes Developer's obligation to indemnify and hold the Indemnified Parties harmless for the same.

11.5 Developer alone shall be responsible for all loss or damage originating in or in connection with the operation of Developer's Business and for all claims or demands for damages to property or for injury, illness or death of persons directly or indirectly resulting from its business operations and Developer agrees to indemnify and hold Franchisor harmless from any such claims, loss or damage.

## 12. APPROVALS

12.1 Whenever this Agreement requires the prior approval or consent of Franchisor, Developer shall make a timely written request to Franchisor therefor, and, except as otherwise provided by this Agreement, any approval or consent granted shall be effective only if in writing.

12.2 Franchisor makes no warranties or guarantees upon which Developer may rely, and assumes no liability or obligation to Developer or any third party to which it would not otherwise be subject, by providing any waiver, approval, advice, consent or services to Developer in connection with this Agreement, or by reason of any neglect, delay or denial of any request therefor.

## 13. NON-WAIVER

No failure of Franchisor to exercise any power reserved to it in this Agreement or to insist upon compliance by Developer with any obligation or condition in this Agreement, and no custom or practice of the parties at variance with the terms of this Agreement, shall constitute a waiver of Franchisor's rights to demand exact compliance with the terms of this Agreement. Waiver by Franchisor of any particular default shall not affect or impair Franchisor's right in respect to any subsequent default of the same or of a different nature, nor shall any delay, forbearance, or omission of Franchisor to exercise any power or right arising out of any breach or default by Developer of any of the terms, provisions, or covenants of this Agreement, affect or impair Franchisor's rights, nor shall the same constitute a waiver by Franchisor of any rights hereunder or rights to declare any subsequent breach or default.

The following provision applies if Developer or the franchise granted hereby are subject to the franchise registration or disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin: No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (a) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (b) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

## 14. SEVERABILITY AND CONSTRUCTION; SURVIVAL

14.1 Each provision of this Agreement shall be deemed severable from the others.

14.2 Nothing in this Agreement shall confer upon any person or legal entity other than Franchisor or Developer, and such of their respective successors and assigns as may be contemplated by this Agreement, any rights or remedies under or by reason of this Agreement.

14.3 The introductory recitals described in this Agreement are specifically incorporated into the terms of this Agreement and hereby constitute a material part of this Agreement. All captions in this Agreement are intended solely for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision of this Agreement. "**Including**" in each case, shall mean "including, without limitation."

14.4 All references in this Agreement to gender and number shall be construed to include such other gender and number as the context may require, and all acknowledgements, promises, covenants, agreements and obligations made or undertaken by Developer shall be deemed jointly and severally undertaken by all the parties which execute this Agreement on behalf of Developer.

14.5 The provisions of this Agreement relating to confidentiality, non-competition, and indemnification, including but not limited to Sections 6, 9, and 11 of this Agreement, shall survive any termination of this Agreement for any reason.

## 15. ENTIRE AGREEMENT

This Agreement (including the Summary of Acknowledgments and the Summary Pages) constitutes the entire, full, and complete agreement between Franchisor and Developer concerning the subject matter of this Agreement, and shall supersedes all prior agreements. No amendment, change, or variance from this Agreement shall be binding on either party unless mutually agreed to by the parties and signed by themselves or their authorized officers or agents in writing. With the exception of the Disclosure Document described in Section 22.2, no other representation has induced Developer to execute this Agreement, and there are no representations, inducements, promises, or agreements oral or otherwise, between the parties not embodied in this Agreement, which are of any force or effect with reference to this Agreement or otherwise. Nothing in this Agreement or in any related agreement, however, is intended to disclaim the representations Franchisor made in the Disclosure Document that Franchisor furnished to Developer.

## 16. SUPERIORITY OF FRANCHISE AGREEMENT

For each JERSEY MIKE'S Restaurant developed in the Designated Territory, a separate Franchise Agreement shall be signed, and an Initial Franchise Fee shall be paid to Franchisor. All Franchise Agreements signed in connection with individual JERSEY MIKE'S Restaurants within the Designated Territory are independent of this Agreement. The continued existence of any such Franchise Agreement shall not depend on the continuing existence of this Agreement. If any conflict shall arise in connection with this Agreement and any Franchise Agreement signed within the Designated Territory, the latter shall have precedence and superiority over the former.

## 17. APPLICABLE LAW; MEDIATION AND ARBITRATION

17.1 This Agreement takes effect upon its acceptance and execution by Franchisor. This Agreement and the rights of the parties shall be interpreted and construed under the laws of New Jersey, which laws shall prevail in the event of any conflict of law, provided that, if the Designated Territory is located outside New Jersey, under no circumstances will the New Jersey Franchise Practices Act (N.J. Stats. Ann. Sec. 56: 10-1 et seq.), or any other law regulating the offer or sale of franchises or governing the relationship between a franchisor and a franchisee, apply to this Agreement or the parties' relationship unless the jurisdictional scope of such laws are independently met without reference to this Section. If any provision of this Agreement would not be enforceable under the laws of New Jersey, the Developer's Designated Territory is located outside of New Jersey, and the particular provision would be enforceable under the laws of the state in which the Designated Territory is located, then such provision shall be

interpreted and construed under the laws of that state. Nothing in this Section 17 is intended by the parties to subject this Agreement to any franchise or similar law, rule, or regulation of the state of New Jersey to which it would not otherwise be subject.

17.2 Except as otherwise provided in this Agreement, any claim or controversy arising out of or related to this Agreement, or the making, performance, breach, or interpretation of this Agreement, except for any actions brought with respect to: (a) ownership or use of the Marks; (b) securing injunctive relief pursuant to Section 17.6 of this Agreement; (c) any covenant listed within Section 9 or conditions within Section 7 of this Agreement; (d) the right to indemnification or the manner in which it is exercised; shall first be the subject of an informal meeting between the parties to resolve the dispute and then subject to non-binding mediation. The parties agree to conduct the mediation in accordance with the then-current commercial mediation procedures of the American Arbitration Association (the "AAA"), except to the extent the rules conflict with this Agreement, in which case this Agreement shall control. However, the mediation need not be administered by the AAA unless the parties cannot agree upon the selection of a mediator within thirty (30) days of the receipt of the written notice of mediation, in which case either party may commence a mediation proceeding by making a request for mediation to the AAA regional office closest to Monmouth County, New Jersey, with a copy to the other party, which notice shall describe with specificity the nature of the dispute and the relief sought. Both parties are obligated to engage in the mediation.

Regardless of which party initiates the mediation, the parties agree to conduct the mediation at a suitable location chosen by the mediator in Monmouth County, New Jersey. The mediation will be conducted by a single mediator with no past or present affiliation or conflict with any party to the mediation. In the event the parties cannot agree on a mediator and the AAA administers the mediation, the AAA shall provide the parties with a list of mediators, and the parties will have ten (10) days from receipt to agree upon a mediator from the list. If neither party advises the AAA in writing of an agreement within ten (10) days of receipt of such list, the AAA shall appoint the mediator.

The fees and expenses of the AAA (or other administrator), if applicable, and the mediator's fee, shall be shared equally among the parties. Each party shall bear its own attorneys' fees and other costs incurred in connection with the mediation irrespective of the outcome of the mediation or the mediator's evaluation of each party's case. The mediation shall occur within thirty (30) days after selection of the mediator.

Developer is prohibited from commencing any formal legal action against Franchisor or its Affiliates, and, except as provided in this Section 17.2, Developer is prohibited from commencing any formal legal action against Franchisor or its Affiliates with respect to any claim or dispute subject to mediation unless mediation proceedings have been terminated either as the result of a written declaration (a) of the mediator(s), stating that further mediation efforts are not worthwhile; or (b) of Franchisor. Franchisor reserves the right to specifically enforce its right to mediation. Mediation shall not defer or suspend Franchisor's exercise of any termination right under this Agreement.

17.3 Franchisor and Developer agree that all controversies, disputes, or claims between Franchisor and any of Franchisor's Affiliates, and any of its or their respective shareholders, officers, directors, agents, or employees, and Developer or its owners, guarantors, Affiliates or employees arising out of or related to: (a) this Agreement or any other agreement between Developer and its Principal(s), on one hand, and Franchisor or its Affiliates, on the other hand; and/or (c) any System Standard, must be submitted for binding arbitration, on demand of either party (including all controversies, disputes, or claims not resolved through mediation in accordance with Section 17.2). The arbitrator shall be selected by mutual agreement of the parties. If the parties are unable to agree, the assignment judge of Monmouth County, New Jersey shall select the arbitrator. In the event the assignment judge of Monmouth County, New Jersey is unable or unwilling to select the arbitrator, the assignment judge of Ocean County, New Jersey shall select the arbitrator. All proceedings will be conducted at a suitable location chosen by the arbitrator in Monmouth County, New Jersey. All matters relating to arbitration will be governed by the Federal Arbitration Act (9

U.S.C. §§ 1 et seq.). The interim and final award of the arbitrator shall be final and binding upon each party, and judgment upon the arbitrator's awards may be entered in any court of competent jurisdiction.

The arbitrator has the right to award or include in its award any relief which it deems proper, including money damages, pre- and post-award interest, interim costs and attorneys' fees, specific performance and injunctive relief, provided that the arbitrator may not declare any of the trademarks owned by Franchisor or any of Franchisor's Affiliates generic or otherwise invalid, or award any punitive or exemplary damages to any party to the arbitration proceeding. At the conclusion of the arbitration, the arbitrator shall award to the prevailing party its attorneys' fees and costs.

Franchisor and Developer agree to be bound by the provisions of any applicable contractual or statutory limitation provision, whichever expires earlier. Franchisor and Developer further agree that, in any arbitration proceeding, each party must submit or file any claim which would constitute a compulsory counterclaim (as defined by Rule 13 of the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any claim which is not submitted or filed as required is forever barred. The arbitrator may not consider any settlement discussions or offers that might have been made by either Developer or Franchisor.

Franchisor reserves the right, but has no obligation, to advance Developer's share of the costs of any arbitration proceeding in order for such arbitration proceeding to proceed and by doing so shall not be deemed a waiver or relinquishment of Franchisor's right to seek the recovery of those costs in accordance with this Agreement or otherwise.

The provisions of this Section 17 will continue in full force and effect subsequent to and notwithstanding the termination of this Agreement, and are intended to benefit and bind certain third-party non-signatories.

SUBJECT TO DEVELOPER'S OBLIGATION TO ENGAGE IN MEDIATION AND ARBITRATION, DEVELOPER AND ITS PRINCIPAL(S) ACKNOWLEDGE AND AGREE THAT ALL ACTIONS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR OTHERWISE AS A RESULT OF THE RELATIONSHIP BETWEEN FRANCHISOR AND DEVELOPER MUST BE COMMENCED EXCLUSIVELY IN MONMOUTH COUNTY, NEW JERSEY AND DEVELOPER IRREVOCABLY AGREES THAT THE FOLLOWING COURTS SHALL HAVE EXCLUSIVE JURISDICTION OVER ANY CLAIMS DEVELOPER OR ITS PRINCIPAL(S) AND/OR AFFILIATES OR OTHER RESPECTIVE PRINCIPALS MAY BRING AGAINST FRANCHISOR, AND ANY OF FRANCHISOR'S AFFILIATES, OR THEIR RESPECTIVE SHAREHOLDERS, OFFICERS, DIRECTORS, AGENTS OR EMPLOYEES (AND WAIVES ANY OBJECTION TO THE JURISDICTION AND/OR THE VENUE IN SUCH COURTS): (1) THE UNITED STATES DISTRICT COURT FOR NEW JERSEY; OR (2) THE SUPERIOR COURT OF THE STATE OF NEW JERSEY FOR THE COUNTY OF MONMOUTH. IN ITS DISCRETION, FRANCHISOR MAY BRING ANY CLAIM INVOLVING A PRAYER FOR INJUNCTIVE RELIEF OR OTHER EXTRAORDINARY RELIEF IN ANY COURT OF COMPETENT JURISDICTION.

17.4 No right or remedy conferred upon or reserved to Franchisor or Developer by this Agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy in this Agreement or by law or equity provided or permitted, but each shall be cumulative of every other right or remedy.

17.5 Nothing in this Agreement bars Franchisor's right to obtain specific performance of the provisions of this Agreement and injunctive relief against any threatened or actual conduct that will cause Franchisor, the Marks or the System loss or damage, under customary equity rules, including applicable rules for obtaining restraining orders and temporary or preliminary injunctions. Developer agrees that Franchisor will not be required to post a bond to obtain injunctive relief and that Developer's only remedy if an injunction

is entered against Developer will be the dissolution of that injunction, if warranted, upon due hearing (all claims for damages caused by issuance of an injunction being expressly waived hereby).

17.6 In any case in which Franchisor is entitled to injunctive relief pursuant this Agreement, such an injunction or order will bind not only Developer, but also Developer's officers, agents, servants, employees, attorneys, and others who act in concert with Developer.

17.7 EXCEPT FOR DEVELOPER'S OBLIGATION TO INDEMNIFY FRANCHISOR FOR THIRD PARTY CLAIMS UNDER SECTION 11 OR FOR CLAIMS FOR TREBLE DAMAGES IN APPROPRIATE CASES UNDER THE U.S. TRADEMARK ACT OF 1946 (LANHAM ACT, 15 U.S.C. §1051 AND THE SECTIONS FOLLOWING IT), FRANCHISOR AND DEVELOPER (AND DEVELOPER'S OWNERS) WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER AND AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN FRANCHISOR AND DEVELOPER, THE PARTY MAKING A CLAIM WILL BE LIMITED TO EQUITABLE RELIEF AND TO RECOVERY OF ANY ACTUAL DAMAGES IT SUSTAINS. FRANCHISOR AND DEVELOPER IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION OR PROCEEDING BROUGHT BY EITHER PARTY.

## 18. LIMITATIONS OF CLAIMS; CLASS ACTION BAR

EXCEPT FOR CLAIMS ARISING FROM DEVELOPER'S NON-PAYMENT OR UNDERPAYMENT OF AMOUNTS DEVELOPER OWES FRANCHISOR, DEVELOPER'S FAILURE TO COMPLY WITH ANY OBLIGATION UNDER THE DEVELOPMENT SCHEDULE, AND DEVELOPER'S INDEMNIFICATION OBLIGATIONS PURSUANT TO SECTION 11 OF THIS AGREEMENT, ANY AND ALL CLAIMS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR FRANCHISOR'S RELATIONSHIP WITH DEVELOPER WILL BE BARRED UNLESS A JUDICIAL OR ARBITRATION PROCEEDING IS COMMENCED IN ACCORDANCE WITH THIS AGREEMENT WITHIN ONE (1) YEAR FROM THE DATE ON WHICH THE PARTY ASSERTING THE CLAIM KNEW OR SHOULD HAVE KNOWN OF THE FACTS GIVING RISE TO THE CLAIMS.

FRANCHISOR AND DEVELOPER AGREE THAT ANY PROCEEDING WILL BE CONDUCTED ON AN INDIVIDUAL BASIS AND THAT ANY PROCEEDING BETWEEN FRANCHISOR AND ANY OF FRANCHISOR'S AFFILIATES, OR THEIR RESPECTIVE SHAREHOLDERS, OFFICERS, DIRECTORS, AGENTS, AND EMPLOYEES, ON THE ONE HAND, AND DEVELOPER (OR ANY OF DEVELOPER'S OWNERS, GUARANTORS, AFFILIATES, OR EMPLOYEES), ON THE OTHER HAND, MAY NOT BE: (I) CONDUCTED ON A CLASS-WIDE BASIS, (II) COMMENCED, CONDUCTED OR CONSOLIDATED WITH ANY OTHER PROCEEDING, (III) JOINED WITH ANY CONTROVERSY, DISPUTE OR CLAIM OF AN UNAFFILIATED THIRD PARTY, OR (IV) BROUGHT ON DEVELOPER'S BEHALF BY ANY ASSOCIATION OR AGENT. NO PREVIOUS COURSE OF DEALING SHALL BE ADMISSIBLE TO EXPLAIN, MODIFY, OR CONTRADICT THE TERMS OF THIS AGREEMENT. NO IMPLIED COVENANT OF GOOD FAITH AND FAIR DEALING SHALL BE USED TO ALTER THE EXPRESS TERMS OF THIS AGREEMENT. Notwithstanding the foregoing or anything to the contrary in this Section 18, if any court or arbitrator determines that all or any part of the preceding sentence is unenforceable with respect to a dispute that otherwise would be subject to arbitration under this Section 18, then all parties agree that this arbitration clause shall not apply to that dispute and that such dispute shall be resolved in a judicial proceeding in accordance with the dispute resolution provisions of this Agreement.

## 19. PROHIBITED PARTIES

Developer and its Principals represent and warrant to Franchisor that neither Developer, nor any Principal, nor any of its or their respective Affiliates or representatives is now or has been identified, either by name or any former name, alias, pseudonym or nickname, (a) on the lists of (i) the U.S. Treasury

Department's List of Specially Designated Nationals; (ii) the U.S. Commerce Department's Denied Persons List, Unverified List, Entity List, or General Orders; (iii) the U.S. State Department's Debarred List or Nonproliferation Sanctions; or (iv) the Annex to U.S. Executive Order 13224; and/or (b) as a person or entity who assists, sponsors, or supports terrorists or acts of terrorism, or is owned or controlled by terrorists or sponsors of terrorism. Developer further represents and warrants to Franchisor that Developer and its Principals and/or Affiliates are now, and have been, in compliance with U.S. anti-money laundering and counter-terrorism financing laws and regulations, and that any funds provided by Developer and its Principals and/or Affiliates to Franchisor or its Affiliates are and will be legally obtained in compliance with these laws. Developer agrees not to, and to cause its Principal(s), Affiliates, employees, agents, representatives, and any other person or entity associated with the foregoing not to, during the Term, take any action or refrain from taking any action that would cause such person or entity to become a target of any such laws and regulations.

## 20. CERTAIN DEFINITIONS

"**Affiliate**" means an individual or Business Entity that controls, is controlled by or is under common control with another individual or Business Entity, either by virtue of equity ownership, by contract or by other means.

"**Business Entity**" means a corporation, a general or limited partnership, a limited liability company or any other type of business entity.

"**Control or Controlling Interest**" means the possession, directly or indirectly, of more than fifty percent (50%) of the voting ownership interest of a Business Entity.

"**Controlling Principal**" is a Principal who is designated by Developer and approved by Franchisor as the individual who is primarily responsible for operating the Developer's Business and causing Developer to comply with this Agreement.

"**Developer**" includes all persons who succeed to the interest of the original Developer by operation of law and shall be deemed to include not only the individual or entity defined as "Developer" in the introductory paragraph of this Agreement, but shall also include all Principals of Developer.

"**Ownership Interest**" means any direct or indirect, legal or beneficial ownership interest of any type, including but not limited to (a) in relation to a corporation, the ownership of shares in the corporation; (b) in relation to a partnership, the ownership of a general partner or limited partnership interest; (c) in relation to a limited liability company, the ownership of a membership interest; or (d) in relation to a trust, the ownership of the beneficial interest of such trust.

"**Principal**" means collectively or individually, all officers and directors, partners or members of Developer or any Affiliate of Developer, and persons holding a direct or indirect Ownership Interest in Developer or in any Affiliate of Developer, any interest in or right under this Agreement, an interest in all or substantially all of the assets of the Developer's Business, or an interest in the revenues or income of any such person above.

## 21. FRANCHISOR'S BUSINESS JUDGMENT

Notwithstanding any contrary provisions contained in this Agreement, Franchisor and Developer acknowledge and agree that this Agreement (and the relationship of the parties which arises from this Agreement) grants Franchisor the discretion to make decisions, take actions and/or refrain from taking actions not inconsistent with Developer's explicit rights and obligations hereunder that may affect favorably or adversely Developer's interests. As such, Franchisor will use its business judgment in exercising such discretion based on Franchisor's assessment of Franchisor's own interests and balancing those interests against the interests, promotion and benefit of the System and JERSEY MIKE'S Restaurants generally, without considering Developer's individual interests or the individual interests of any other particular developers. Developer agrees that whenever this Agreement allows or requires Franchisor to take actions

or make decisions, Franchisor may in doing so exercise its sole and unfettered discretion, even if Developer believes Franchisor's action or decision is unreasonable, unless the Agreement expressly and specifically requires that Franchisor acts reasonably or refrains from acting unreasonably in connection with the particular action or decision.

IF FRANCHISOR TAKES ANY ACTION (INCLUDING NO ACTION) IN ITS DISCRETION WITH REGARD TO ANY MATTER RELATED TO THIS AGREEMENT AND SUCH (IN)ACTION IS CHALLENGED FOR ANY REASON, THE PARTIES EXPRESSLY DIRECT THE TRIER OF FACT THAT FRANCHISOR'S RELIANCE ON A BUSINESS REASON IN THE EXERCISE OF ITS DISCRETION IS TO BE VIEWED AS A REASONABLE AND PROPER EXERCISE OF SUCH DISCRETION, WITHOUT REGARD TO WHETHER OTHER REASONS FOR FRANCHISOR'S DECISION MAY EXIST AND/OR WHETHER THE TRIER OF FACT WOULD INDEPENDENTLY ACCORD THE SAME WEIGHT TO SUCH BUSINESS REASON. FRANCHISOR WILL HAVE NO LIABILITY TO DEVELOPER FOR THE EXERCISE OF ITS DISCRETION IN THIS MANNER CONSISTENT WITH THIS SECTION 21.

## 22. ACKNOWLEDGEMENTS

22.1 The success of the business venture contemplated to be undertaken by Developer by virtue of this Agreement is speculative and depends, to a large extent, upon the ability of Developer as an independent businessperson, and his or her active participation in the daily affairs of the business as well as other factors. Franchisor does not make any representation or warranty, express or implied, as to the potential success of the business venture contemplated hereby.

22.2 Developer represents and acknowledges that it has received, read and understood this Agreement and Franchisor's Franchise Disclosure Document; and that Franchisor has fully and adequately explained the provisions of each to Developer's satisfaction; and that Franchisor has accorded Developer ample time and opportunity to consult with advisors of its own choosing about the potential benefits and risks of entering into this Agreement.

22.3 Developer further acknowledges that Developer has received the disclosure document required by the Trade Regulation Rule of the Federal Trade Commission at least fourteen (14) calendar days prior to the date on which this Agreement was signed.

22.4 Developer has been advised to consult with its own advisors with respect to the legal, financial and other aspects of this Agreement, the business franchised hereby, and the prospects for that business. Developer has either consulted with such advisors or has deliberately declined to do so.

22.5 The covenants not to compete described in this Agreement are fair and reasonable, and do not impose any undue hardship on Developer, since Developer has other considerable skills, experience and education which afford Developer the opportunity to derive income from other endeavors.

22.6 Developer affirms that all information described in any and all applications, financial statements and submissions to Franchisor is true, complete and accurate in all respects, with Developer expressly acknowledging that Franchisor is relying upon the truthfulness, completeness and accuracy of such information.

22.7 Developer has conducted an independent investigation of the business contemplated by this Agreement and recognizes that, like any other business, an investment in a JERSEY MIKE'S Development Agreement involves business risks and that the success of the venture is primarily dependent upon the business abilities and efforts of Developer.

22.8 Developer hereby consents and agrees that any disputes arising between Franchisor and Developer that are not subject to arbitration must be submitted to trial without jury as provided in Section 17.7 of this Agreement.

22.9 All rights not expressly granted to Developer by this Agreement are retained by Franchisor.

22.10 By their signatures, each of Developer's Principals who signs this Agreement acknowledges and accepts the duties and obligations imposed upon each of them, individually, by the terms of this Agreement. All Principals of Developer shall execute the Guaranty and Assumption of Obligations attached as Exhibit B-1 and made a part of this Agreement.

23. **COUNTERPARTS; VALIDITY OF SIGNATURES**

This Agreement may be executed in two or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Counterparts may be delivered via electronic mail (including PDF), Adobe EchoSign, DocuSign, or a similar program, or other transmission method, and any counterpart so delivered shall be deemed to have been duly and validly delivered, valid and effective for all purposes.

## EXHIBIT B-1 TO THE AREA DEVELOPMENT AGREEMENT

## GUARANTY AND ASSUMPTION OF OBLIGATIONS

In consideration of, and as an inducement to, the execution of the Area Development Agreement of even date herewith (as amended, modified, restated or supplemented from time to time, the "**Agreement**") by A SUB ABOVE, LLC ("**Franchisor**"), each of the undersigned (each, a "**Guarantor**") hereby warrants, represents and agrees (1) that the Developer in the Agreement is correctly named, is validly incorporated or organized in all states where it does business and is in good standing in such state; (2) the organizational documents, shareholders' and operating agreements of the Developer ("**Organizing Documents**"), and any stock or ownership certificates will recite that the terms of the Agreement restrict the transfer of any interest in the Developer; (3) that the list of persons having an ownership interest in the Developer on the Summary Pages is accurate and complete and there are no other owners of any beneficial or legal interest in the Developer; (4) that the person or persons listed on the Summary Pages as authorized signatories have the authority to bind the Developer; (5) that the Organizing Documents of the Developer shall not be modified or amended without first obtaining any necessary consent of Franchisor; (6) that there shall be no change in the Controlling Principal without prior consent of the Franchisor; (7) that they will refrain from any action which would constitute a breach of the provisions of the Agreement relating to transfers; and (8) that they will notify the Franchisor immediately if they become aware of any actions that would be a breach of the Agreement provisions relating to transfers and shall timely take such steps as are necessary to correct such breach. If Developer is not a corporation, limited liability company, or general, limited, or limited liability partnership, Sections 1, 2, 3, 4, and 5 of this paragraph shall not apply.

Each Guarantor also personally and unconditionally (1) guarantees to Franchisor and its successors and assigns, for the term of the Agreement and thereafter as provided in the Agreement, that _____ ("**Area Developer**") shall punctually pay and perform each and every undertaking, agreement and covenant described in the Agreement; (2) agrees personally to be bound by, and personally to be liable for the breach of, each and every provision in the Agreement, both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities including, without limitation, the provisions of Section 9; and (3) acknowledges that he is included in the term "**Principal**" as used in the Agreement and makes all of the covenants, representations, warranties and agreements of Principals set out in the Agreement. Each Guarantor waives: (i) acceptance and notice of acceptance by Franchisor of the foregoing undertakings; (ii) notice of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed; (iii) protest and notice of default to any party with respect to the indebtedness or non-performance of any obligations hereby guaranteed; (iv) any right it may have to require that an action be brought against Area Developer or any other person as a condition of liability; and (v) any and all other notices and legal or equitable defenses to which it may be entitled.

Each Guarantor consents and agrees that: (1) its direct and immediate liability under this guarantee shall be joint and several; (2) it shall render any payment or performance required under the Agreement upon demand if Area Developer fails or refuses punctually to do so; (3) such liability shall not be contingent or conditioned upon pursuit by Franchisor of any remedies against Area Developer or any other person; and (4) such liability shall not be diminished, relieved or otherwise affected by any extension of time, credit or other indulgence which Franchisor may from time to time grant to Area Developer or to any other person including, without limitation, the acceptance of any partial payment or performance, or the compromise or release of any claims, none of which shall in any way modify or amend this guarantee, which shall be continuing and irrevocable during the term of the Agreement.

Each Guarantor represents and warrants that, if no signature appears below for such Guarantor's spouse, such Guarantor is either not married or, if married, is a resident of a state which does not require the consent of both spouses to encumber the assets of a marital estate.

By signing below, the undersigned spouse of each Guarantor indicated below, acknowledges and consents to the guaranty given herein by his/her spouse. Such consent also serves to bind the assets of the marital estate to Guarantor's performance of this Guaranty. Franchisor confirms that a spouse who signs this Guaranty solely in his or her capacity as a spouse (and not as an owner) is signing merely to acknowledge and consent to the execution of the Guaranty by his or her spouse and to bind the assets of the marital estate as described therein and for no other purpose (including, without limitation, to bind the spouse's own separate property).

**IN WITNESS WHEREOF**, each of the undersigned has affixed his, her, or its signature on the same day and year as the Agreement was executed.

# A SUB ABOVE, LLC
# FRANCHISE AGREEMENT

This Franchise Agreement (this "**Agreement**"), is made by and between **A SUB ABOVE, LLC**, a Delaware limited liability company, having its principal place of business at 1 Commvault Way, Suite 400, Tinton Falls, New Jersey 07724 ("**Franchisor**"), and _____ ("**Franchisee**"). This Agreement shall take effect on the date of its execution by Franchisor (the "**Effective Date**").

## INTRODUCTION

Franchisor, as the result of the expenditure of time, skill, effort and money, has developed and owns a distinctive System ("**System**") relating to the establishment, development and operation of restaurants for the on-premises and off-premises consumption of a wide assortment of made-to-order submarine-type sandwiches, other hot sandwiches and related food products and beverages (each, a "**JERSEY MIKE'S Restaurant**"). The distinguishing characteristics of the System include distinctive exterior and interior layout, design and color scheme; exclusively designed decorations, furnishings, and materials; special recipes, formulas, menus and food and beverage designations; food and beverage storage, preparation and service procedures and techniques; operating procedures for sanitation and maintenance; and methods and techniques for inventory and cost controls, record keeping and reporting, personnel management, purchasing, sales promotion and advertising; all of which may be changed, improved and further developed by Franchisor from time to time; and

Franchisor is the owner of all right, title and interest together with all the goodwill connected therewith in and to the trade names, service marks and trademarks "JERSEY MIKE'S", "JERSEY MIKE'S ESTABLISHED IN '56 PT. PLEASANT, plus the design", "MIKE'S, plus the design", associated logos, commercial symbols, and such other trade names, service marks, and trademarks as are now designated (and as may be later designated by Franchisor in writing) as part of the System (the "**Marks**"), and Franchisor continues to develop, use and control such Marks for the benefit and use of itself and its franchisees in order to identify for the public the source of products and services marketed thereunder and to represent the System's high standards of operations, quality, food products, appearance, and service; and

Franchisee desires to operate a JERSEY MIKE'S Restaurant under Franchisor's System and wishes to obtain a franchise from Franchisor for that purpose, as well as to receive the training and other assistance provided by Franchisor in connection therewith; and

Franchisee understands and acknowledges the importance of Franchisor's standards of quality and service and the necessity of operating a JERSEY MIKE'S Restaurant in conformity with Franchisor's standards and specifications; and

In consideration of the mutual rights and obligations contained in this Agreement, Franchisor and Franchisee agree as follows:

## 1. GRANT OF FRANCHISE

1.1 Grant of Restaurant. Franchisor hereby grants to Franchisee, upon the terms and conditions contained in this Agreement, the right, franchise and privilege to use the Marks, and to operate a JERSEY MIKE'S Restaurant (the "**Restaurant**") using the System, only at the location identified on the Summary Pages. Franchisee shall pay to Franchisor the Initial Franchise Fee described on the Summary Pages, which shall be deemed fully earned and non-refundable upon execution of this Agreement. Franchisor may auto-debit the Initial Franchise Fee.

1.2 Designated Area. Subject to Franchisor's reservation of rights in Section 1.3 below, and subject to Franchisee's continued compliance with this Agreement, during the Term, neither Franchisor nor its Affiliates will establish or operate, or authorize any other person to establish or operate, a JERSEY MIKE'S Restaurant from a location within the designated area described on the Summary Pages ("**Designated Area**").

1.3 Franchisor's Rights. Other than in the Designated Area, Franchisor and its Affiliates retain the right at all times during and after the Term to engage in any and all activities that Franchisor or its Affiliates deem appropriate, wherever and whenever Franchisor or its Affiliates desire, and whether or not such activities compete with the Restaurant, including the right, anywhere in the world, to do any of the following:

a. establish and operate, and allow others to establish and operate:

(i) other JERSEY MIKE'S Restaurants using the Marks and the System at any location outside of the Designated Area on such terms and conditions that Franchisor deems appropriate;

(ii) any other type of business, including any business that may offer products and services that are similar to, the same as, and/or competitive with products and services offered by JERSEY MIKE'S Restaurants, under any trade names, trademarks, service marks and commercial symbols (or that sell products or services) other than the Marks in any location worldwide including in the Designated Area;

(iii) any distribution channels other than a physical JERSEY MIKE'S Restaurant (including selling products at retail, wholesale, or through any Online Presence, as defined in Section 9.4), wherever located or operating, regardless of the nature or location of the business and/or customers with whom such distribution channels do business, including the offer and sale of JERSEY MIKE'S-branded products at other third-party businesses;

(iv) any JERSEY MIKE'S Restaurant, or other business using the Marks and/or the System, and/or offer and sell any of the products or services that are similar to, the same as, and/or competitive with those products or services offered by JERSEY MIKE'S Restaurants, at or through any Non-Traditional Venue (defined in Section 29), at any location worldwide including in the Designated Area; and

b. acquire or be acquired by (whether through acquisition of assets, ownership interests or otherwise), any other business, including businesses that operate or allow others to establish and operate businesses similar to, the same as, and/or competitive with JERSEY MIKE'S Restaurants, at any location worldwide (and in the event of such an acquisition, the acquirer and its affiliates will have the right to continue to establish and operate, and authorize others to establish and operate, such businesses, at any location worldwide).

## 2. TERM AND SUCCESSOR FRANCHISE

2.1 Term. This Agreement shall be effective and binding from the date of its execution by Franchisor (the "**Effective Date**") and shall expire ten (10) years from the date on which the Restaurant opens for operations ("**Opening Date**"), which shall be identified on Exhibit C-1, unless sooner terminated as provided herein (the "**Term**"). Upon execution by a representative of Franchisor, Exhibit C-1 may be completed and executed on or after the Opening Date, and will be seen as having full force and effect, without formal amendment to this Agreement.

2.2 Successor Franchise. Franchisee shall have the option to acquire a successor franchise at the expiration of the Term for one (1) additional term of ten (10) years, if Franchisee meets the following conditions:

a. Franchisee shall give Franchisor written notice of its desire to acquire a successor franchise at least six (6) months, but not more than 12 months, prior to the expiration of the Term;

b. Franchisee has, during the entire Term, substantially complied with this Agreement;

c. Franchisee, by the expiration of the Term, has brought the Restaurant into full compliance with the specifications and standards then-applicable for new JERSEY MIKE'S Restaurants, including its current image and decorative standards;

d. Franchisee maintains possession of Premises (as defined in Section 3.1) and presents evidence satisfactory to Franchisor that it has the right to remain in possession of the Premises for the duration of the additional ten-year term;

e. Franchisee and Franchisee's guarantors have signed, as appropriate, Franchisor's then-current form of franchise agreement (with appropriate modifications to reflect the grant of a successor franchise), and all related agreements, documents, and guaranties customarily signed by new franchisees of Franchisor, which shall supersede this Agreement and may materially differ in all respects from this Agreement, including modified requirements regarding Continuing Royalty Fees and contributions to the Funds (as defined in Section 9.3);

f. Franchisee pays Franchisor a successor franchise fee of $20,000;

g. Franchisee has complied with Franchisor's then-current qualifications and training requirements for new franchisees; and

h. Franchisee and Franchisee's guarantors have signed a general release, in a form prescribed by Franchisor, of any and all claims against Franchisor and its subsidiaries and Affiliates, and their respective officers, directors, agents, shareholders and employees.

If Franchisee and/or Franchisee's guarantors fail to meet the conditions set forth in this Section 2, or if Franchisor is not offering franchises for JERSEY MIKE'S Restaurants in Franchisee's Designated Area at that time, Franchisee acknowledges that Franchisor is not required to offer Franchisee a successor franchise, regardless of whether Franchisor had, or chose to exercise, the right to terminate this Agreement during the Term in accordance with the terms herein.

2.3 Grant of Successor Franchise. If Franchisor agrees to grant Franchisee a successor franchise after receiving Franchisee's notice that it wishes to acquire a successor franchise upon the expiration of the Term, Franchisor's notice may describe certain remodeling, maintenance, expansion, improvements, technology upgrades, trade dress updates, and/or modifications required to bring the Restaurant into compliance with then-applicable System Standards for new JERSEY MIKE'S Restaurants, and state the actions that Franchisee must take to correct operating deficiencies and the time period in which Franchisee must correct these deficiencies. If Franchisor's notice states that Franchisee must remodel the Restaurant and/or must cure certain deficiencies of the Restaurant or its operation as a condition to Franchisor's granting a successor franchise to Franchisee, and Franchisee fails to complete the remodeling and/or to cure those deficiencies, Franchisor may revoke any approval of such a successor franchise. If Franchisee fails to notify Franchisor of Franchisee's election to acquire a successor franchise within the prescribed time period, Franchisor need not grant Franchisee a successor franchise.

## 3. RESTAURANT LOCATION AND OPENING

3.1 Premises. Franchisee shall operate the Restaurant only at the location specified on the Summary Pages (the "**Premises**"). Without Franchisor's written approval, Franchisee may not solicit orders or engage in marketing outside of its Designated Area.

3.2 Obligations Prior to Opening. Franchisee agrees that, promptly after obtaining possession of the Premises, it will:

a. hire a licensed architect approved by Franchisor (or if Franchisee chooses to hire an architect not approved by Franchisor, pay Franchisor a fee of $5,000 to cover Franchisor's costs for oversight of an unapproved architect), to prepare and submit for approval by Franchisor a site survey and any modification to Franchisor's basic architectural plans and specifications (provided that Franchisee may modify Franchisor's basic plans and specifications only to the extent required to comply with all applicable ordinances, building codes and permit requirements and with prior notification to and approval by Franchisor);

b. hire a licensed contractor approved by Franchisor to construct the Restaurant (or, if Franchisee chooses to hire a contractor not approved by Franchisor, pay Franchisor a fee of $5,000 to cover Franchisor's costs for oversight of an unapproved contractor);

c. comply with all required zoning changes and obtain all required building, utility, health, sanitation, construction and sign permits and licenses and any other required permits and licenses;

d. purchase or lease equipment, fixtures, furniture and signs as required by Franchisor;

e. complete the construction and/or remodeling, equipment, fixtures, furniture and sign installation and decoration of the Restaurant in full and strict compliance with plans and specifications therefore approved by Franchisor and all applicable ordinances, building codes, permit requirements, laws and regulations;

f. obtain all customary contractors' sworn statements and partial and final waiver(s) of lien(s) for construction, remodeling, decorating and installation services; and

g. otherwise complete development of the Restaurant and prepare it for the commencement of business in accordance with Section 12 of this Agreement.

3.3 Opening. Franchisee must open the Restaurant and commence business by the Required Opening Deadline set forth on the Summary Pages. Franchisee acknowledges that time is of the essence for purposes of opening the Restaurant. Franchisee may not open the Restaurant for business without Franchisor's explicit written consent, which may be conditioned upon additional factors and requirements, including training personnel, making all leasehold improvements, executing an approved grand opening marketing plan, and purchasing initial inventory and supplies.

3.4 Relocation. Franchisee shall not relocate the Restaurant to a location other than the Premises without Franchisor's prior written consent. Any relocation shall be at Franchisee's sole expense and Franchisor shall have the right to charge Franchisee $5,000 for services provided to Franchisee, in connection with any relocation of the Restaurant, in addition to a grand re-opening advertising fee of $5,000 (see Section 9.2).

## 4. INITIAL & ONGOING TRAINING

4.1 Initial Training Program. Franchisor shall make initial training available to Franchisee (or if Franchisee is a Business Entity, Franchisee's Controlling Principal, as such terms are defined in Section 29) or designated general manager ("**Trainee 1**"), its assistant manager ("**Trainee 2**"), and its shift supervisor ("**Trainee 3**" and together with Franchisee (or Franchisee's Controlling Principal), Trainee 1 and Trainee 2, the "**Required Trainees**"). Franchisee's Required Trainees must attend and successfully complete, to Franchisor's satisfaction, Franchisor's then-current initial training program (the "**Initial Training Program**") prior to the opening of the Restaurant. Franchisor will control the substance and duration of the Initial Training Program, which will be held at a location and in a format of Franchisor's choice, which may be virtual. Franchisor may vary the contents or duration of the Initial Training Program among Franchisee's Required Trainees, based on their experience, role, responsibilities, and other factors that Franchisor determines. Franchisor will also determine the timing, dates, and schedule of the Initial Training Program. Franchisee may invite additional attendees to the Initial Training Program, if space allows, subject to Franchisor's approval, and subject to all attendees participating at the same time. If the Required Trainees complete the Initial Training Program to Franchisor's satisfaction, and do not expressly and promptly request additional training after completion of the Initial Training Program, then Franchisee will be deemed to have been trained sufficiently to operate a JERSEY MIKE'S Restaurant. Franchisee must at all times employ the minimum number of employees required by Franchisor to have completed the Initial Training Program. If any Required Trainee ceases to serve in the position for which such Required Trainee has been trained, Franchisee shall promptly arrange for training for the replacement. Such training must be completed within 120 days after the departure of the trained employee. For each replacement Required Trainee, Franchisee shall pay to Franchisor Franchisor's then-applicable rate for the training of a replacement Required Trainee. Such payment must be made in advance of training. The applicable rate shall be set forth in the Manual or otherwise in writing by Franchisor.

4.2 Expenses Incurred During Training. Franchisee agrees to pay all travel and living expenses (including wages, transportation, food, lodging, and workers' compensation insurance) that the Required Trainees or any other employee incur during any and all meetings and/or training courses and programs.

4.3 Training of Franchisee's Employees. Each of Franchisee's employees shall complete, to Franchisor's satisfaction, a training program as prescribed in the Manual. Franchisee has the ultimate and exclusive responsibility for ensuring that all of its employees and personnel are appropriately trained to operate the Restaurant in accordance with this Agreement and the System Standards, regardless of any

training or support that Franchisor provides. Franchisor may periodically establish certain minimum requirements for Franchisee's employee training programs; however, Franchisee understands that these minimum requirements are solely intended to protect the System and the goodwill of the Marks.

4.4 On-Site Assistance. For a minimum of three (3), eight (8)-hour calendar days during the first month of the Restaurant's operations, Franchisor will furnish to Franchisee, at the Premises and at Franchisor's expense, one of Franchisor's representatives for the purpose of facilitating the opening of the Restaurant.

4.5 Additional Training. If Franchisor determines, in its sole discretion, that Franchisee requires additional on-site assistance at any time during the Term, Franchisee shall pay to Franchisor the hourly fee then-applicable for such services, as set forth by Franchisor in the Manual or otherwise in writing, in addition to reimbursement of the expenses incurred by Franchisor in providing such additional assistance. Notwithstanding the foregoing, Franchisor will not be required to send any of its representatives to the Restaurant to provide any assistance or services if, in Franchisor's sole determination, it is unsafe to do so. Such determination by Franchisor will not relieve Franchisee from its obligations under this Agreement (including paying any amounts owed) and will not serve as a basis for Franchisee's termination of this Agreement.

4.6 Franchisor's Termination Right. If Franchisor determines in its sole discretion that Franchisee, Franchisee's Controlling Principal or designated manager is unable to satisfactorily complete the Initial Training Program, Franchisor shall have the right to terminate this Agreement without refund to Franchisee of any fees paid to Franchisor. Franchisor shall return such fees upon Franchisee's and Franchisee's guarantors' execution of an agreement, in a form provided by Franchisor, releasing Franchisor and its Affiliates and representatives from all claims related to this Agreement and/or the purchase and sale of the franchise.

4.7 Refresher Training. Franchisor from time to time may provide, at no charge to Franchisee (Franchisee shall be solely responsible for all travel, room, and board expenses), and may require that previously trained and experienced Franchisees, their Controlling Principals, or their managers or employees attend and successfully complete, refresher training programs or seminars. Such programs or seminars will be conducted at locations designated by Franchisor, or held virtually, at Franchisee's expense.

4.8 Certifications. Franchisee must comply with all applicable board of health food safety certification requirements, such as ServSafe certification or the local equivalent, prior to the opening of the Restaurant and on an ongoing basis. Franchisee shall be solely responsible for determining and complying with the applicable requirements.

## 5. INTELLECTUAL PROPERTY

5.1 General. Franchisee acknowledges and agrees that the Marks and System are owned by Franchisor and/or its Affiliates. Franchisee's right to use the Marks and the System is derived solely from this Agreement and is limited to the conduct of business by Franchisee consistent with and in compliance with this Agreement and all applicable System Standards prescribed by Franchisor from time to time during the Term. Franchisee's unauthorized use of the Marks or the System would be a breach of this Agreement and an infringement of the intellectual property rights of Franchisor and its Affiliates (as applicable). Franchisee's unauthorized use of the Marks and the System will cause Franchisor and its Affiliates (as applicable) irreparable harm for which there is no adequate remedy at law and will entitle Franchisor and its Affiliates (as applicable) to injunctive relief. Franchisee acknowledges and agrees that all use of the Marks by Franchisee and any goodwill established therefrom shall inure to the exclusive benefit of

Franchisor. Franchisee shall not, at any time, contest the validity or ownership of any of the Marks or assist any other person in contesting the same. All provisions of this Agreement applicable to the Marks apply to any additional trademarks, service marks, and commercial symbols authorized for use by and licensed to Franchisee by Franchisor after the date of this Agreement.

5.2 Limited License. Franchisee is hereby granted a limited, non-exclusive license to use the Marks and the System, during the Term, strictly to operate the Restaurant in compliance with the terms of this Agreement and the System Standards. Franchisee has no right to sublicense or assign Franchisee's right to use the Marks and the System. Franchisee agrees to use and display the Marks in the style and graphic manner that Franchisor describes in the Manual (as defined in Section 6). Franchisee may not use any other trademarks, service marks, or commercial symbols, other than the Marks, to identify or operate the Restaurant.

5.3 Prohibited Use of Marks. Franchisee shall not use any Mark (a) as part of any corporate or trade name, (b) with any prefix, suffix or other modifying words, terms, designs, or symbols, (c) in any modified form, (d) in connection with the sale of any unauthorized product or service, (e) in connection with the advertisement for a Transfer (defined in Section 18.1); and/or (f) in any other manner not expressly specified or otherwise authorized in writing by Franchisor. Franchisee agrees to give notices of trademark and service mark registrations as Franchisor specifies and to obtain such fictitious or assumed name registrations as may be required by Franchisor and/or under applicable law.

Franchisee will not use or display, or allow others to use or display, any Mark or any words or designs confusingly similar thereto on any Online Presence other than on any official page or site that Franchisor, in its sole business judgment, may develop for the use of franchisees. Without limiting the generality of the foregoing, Franchisee will not cause, permit or allow the Marks, or any of them, or any words, symbols or terms confusingly similar thereto, to be used or displayed in whole or part, in connection with any Online Presence. Franchisee will not link or frame Franchisor's website or any other Online Presence to any other Online Presence or authorize any third party to link to or frame Franchisor's website or any other Online Presence without Franchisor's express prior written consent.

5.4 Claims Involving Marks. Franchisee shall promptly notify Franchisor of any claim, demand, or cause of action (a) based upon or arising from any attempt by any other person, firm or corporation to use the Marks or any colorable imitation of the Marks, and/or (b) against Franchisee relating to the Marks. Franchisor shall have the exclusive right to defend any such action and contest or bring action against any third party regarding the third party's use of any of the Marks and shall exercise such right in its sole discretion. Franchisee agrees to execute any and all instruments and documents, render such assistance, and take such actions (including no action), as deemed by Franchisor to be reasonably necessary or advisable to protect and maintain Franchisor's interests in any litigation or other proceeding or to otherwise protect and maintain the interests of Franchisor or any other interest party in the Marks or components of the System. Franchisor makes no representation or warranty, express or implied, as to the use, exclusive ownership, validity or enforceability of the Marks or components of the System.

5.5 Modification or Discontinuance of Marks. If it becomes advisable at any time, in Franchisor's sole discretion, for Franchisor and/or Franchisee to modify or discontinue use of any Mark, and/or use one or more additional or substitute trade names, trademarks, service marks, or other commercial symbols, Franchisee agrees to comply with Franchisor's directions within a reasonable time after notice from Franchisor, and Franchisor shall have no liability or obligation whatsoever with respect to Franchisee's modification or discontinuance of any Mark.

## 6. CONFIDENTIAL OPERATIONS MANUAL

During the Term, Franchisor will provide to Franchisee online access to the confidential operations manual (collectively, the "**Manual**"), which may include one or more separate manuals as well as audiotapes, videotapes, computer software, compact discs, information available on an Internet or intranet site, other electronic or digital media or written materials containing the System Standards and suggested specifications, standards, operating procedures and/or rules prescribed from time to time by Franchisor for JERSEY MIKE'S Restaurants and information relative to other obligations of Franchisee hereunder and the operation of its Restaurant. The Manual contains proprietary information of Franchisor, shall at all times remain the sole property of Franchisor, and shall be kept confidential by Franchisee both during the Term and subsequent to the expiration of this Agreement. Franchisor shall have the right to add to, remove from and otherwise modify the Manual from time to time.

## 7. CONFIDENTIAL INFORMATION

7.1 General. In connection with the Restaurant, Franchisee, its owners, and personnel may from time to time be provided and/or have access to non-public information about the System and the operation of JERSEY MIKE'S Restaurants, including the Restaurant (collectively, the "**Confidential Information**"), including: (a) site selection criteria, market or demographic research, and/or other real estate reports; (b) training and operations materials and manuals, including the Manual; (c) the System Standards and other methods, formats, specifications, standards, systems, procedures, techniques, sales and marketing techniques, knowledge, and experience used in developing, promoting and operating JERSEY MIKE'S Restaurants; (d) recipes, ingredient lists, nutrition facts, methods of preparation, and other information about products and menu items, including the existence or specifications of any seasonal or other unreleased products and menu items; (e) market research, promotional, marketing and advertising programs; (f) identity of and specifications for approved vendors, operating assets, and other products and supplies; (g) any software or technology which is proprietary to the System, including any login credentials and source code for such proprietary software or technology; (h) knowledge of the operating results and financial performance of any JERSEY MIKE'S Restaurant(s), including the Restaurant; (i) customer data, including personal information, analytic data regarding customer behavior, and opt-in/opt-out preferences; (j) any other data, materials, and/or information that is created by, stored in, and/or derived from the technology system in connection with the Restaurant (other than Restricted Data); and (k) any other information designated as confidential or proprietary by Franchisor and/or its Affiliates.

Any and all information, knowledge and know-how, that Franchisor designates as confidential shall be deemed Confidential Information for purposes of this Agreement, except information which (a) Franchisee can demonstrate came to its attention, directly or indirectly, in a lawful manner prior to disclosure by Franchisor; or (b) at the time of disclosure by Franchisor, had lawfully become known to the public without violation of applicable law or by Franchisee's breach of this Agreement or any other obligation owed to a third party.

7.2 Ownership; Restrictions on Use. Franchisor is the sole owner of all Confidential Information (other than Restricted Data, defined in Section 29), as provided in this Agreement or otherwise in writing by Franchisor. Franchisee and its Principals shall agree to, and agree to cause its and their respective current and former family members, owners, officers, directors, agents, employees, representatives, spouses, affiliates, successors and assigns to: (a) process, retain, use, collect, and disclose all Confidential Information strictly (i) to the limited extent, and in such a manner, necessary for operating the Restaurant in accordance with this Agreement, and not for any other purpose; and (ii) in accordance with the System Standards and any privacy policy published by Franchisor and/or its Affiliates from time to time on any Online Presence(s), and its and their representatives' instructions; (b) keep each item deemed

to be Confidential Information in strict confidence, both during this Agreement's term and then thereafter for as long as the item is not lawfully known to the public without violation of applicable law or an obligation to Franchisor and/or its Affiliates, and not disclose, share, or otherwise provide access to such Confidential Information to any other person; (c) not make unauthorized copies of, or disclose or reveal to any other person, any Confidential Information disclosed via electronic, virtual, or digital medium or in written or other tangible form; (d) promptly notify Franchisor and/or its Affiliates of any changes to Franchisee's and/or any Principal's ability to meet such obligations under this Agreement or Franchisor's and/or its Affiliates' privacy policies, or that may adversely affect Franchisor's rights or obligations relating to Confidential Information; and (e) adopt and implement administrative, physical and technical safeguards to protect and prevent unauthorized use or disclosure of Confidential Information, including, without limitation, by establishing reasonable security and access measures, and by restricting its disclosure to key personnel of Franchisee and others who have a need to know such Confidential Information for purposes of this Agreement and who are under a duty of confidentiality no less restrictive than Franchisee's obligations hereunder, or to individuals or entities specifically authorized by Franchisor in advance.

7.3 Protection of Confidential Information. Franchisee agrees to protect the Confidential Information from unauthorized use, access or disclosure in the same manner as Franchisee protects its own confidential or proprietary information of a similar nature, and with no less than reasonable care. Franchisor may require Franchisee to have its employees, agents and independent contractors execute a confidentiality and non-solicitation agreement, and Franchisor shall have the right to regulate the form of and to be a party to or third-party beneficiary under any such agreements with independent enforcement rights. Franchisee acknowledge that any form of confidentiality and non-solicitation agreement that Franchisor requires and/or provides to Franchisee, or that Franchisor regulate the terms of, may or may not be enforceable in a particular jurisdiction. Franchisee agrees that it is solely responsible for obtaining its own professional advice with respect to the adequacy of the terms and provisions of any confidentiality and non-solicitation agreement that its employees, agents and independent contractors sign.

Regardless of any guidance Franchisor may provide generally and/or any specifications that Franchisor may establish for other Restricted Data, Franchisee has sole and exclusivity responsibility for all Restricted Data, including establishing protections and safeguards for such Restricted Data; provided, that in each case Franchisee agrees to comply with all applicable laws, regulations, orders, and the guidance and codes issued by industry or regulatory agencies applicable to such Restricted Data.

7.4 Innovations. All improvements, developments, derivative works, feedback, enhancements, or modifications to the System and any Confidential Information (collectively, "**Innovations**") made or created by Franchisee and/or its employees or representatives, whether developed separately or in conjunction with Franchisor, shall be owned solely by Franchisor and will in no event be owned by Franchisee or its affiliates. To the extent that Franchisee and/or its employees or representatives are deemed to have any interest in such Innovations, Franchisee hereby agrees to assign, and does assign, all right, title and interest in and to such Innovations to Franchisor and agrees to obtain the same from Franchisee's personnel and representatives. To that end, Franchisee agrees to execute, verify, and deliver such documents and perform such other acts (including appearances as a witness) as Franchisor may reasonably request for use in applying for, obtaining, perfecting, evidencing, sustaining, and enforcing such ownership rights in and to the Innovations, and the assignment thereof. Franchisee's obligation to assist Franchisor with respect to such ownership rights shall continue beyond the expiration or termination of this Agreement.

## 8. MODIFICATION OF THE SYSTEM

Franchisor reserves the right to change or modify the System in its sole and absolute discretion by adopting and using new or modified System Standards, trade names, trademarks, service marks,

copyrighted materials, and/or specifications or standards related to the operation of JERSEY MIKE'S Restaurants, and Franchisee shall accept, adopt and make any such changes at the Restaurant within a reasonable time following notice from Franchisor. Franchisee will make such expenditures as such changes or modifications in the System as Franchisor may reasonably require, utilizing a Franchisor-approved licensed contractor, provided the cost of capital improvements, new equipment and remodeling does not exceed $200,000 during the Term, and the cost of updates and upgrades of Franchisee's point-of-sale system ("**POS System**") does not exceed $50,000 during the Term. Franchisee shall not change, modify or alter the System in any way.

## 9. ADVERTISING

9.1 Advertising Materials. Franchisee must submit to Franchisor for its prior approval all promotional materials and advertising to be used by Franchisee, including newspapers, radio, television, and internet advertising, direct mail advertising, specialty and novelty items, signs, boxes, napkins, bags and wrapping papers, as well as any advertisement for the sale of the Restaurant. If Franchisor does not provide written approval of said advertising and promotional materials within fifteen (15) days following receipt, said materials shall be deemed rejected and not authorized to be used. Franchisee agrees to refrain from any merchandising, advertising or promotional practice which is unethical or may be injurious to the business of Franchisor and/or other JERSEY MIKE'S Restaurants or to the goodwill associated with the Marks.

9.2 Grand Opening Advertising. Upon execution of this Agreement, Franchisee shall pay to Franchisor $10,000 for Franchisor's use in conducting a grand opening advertising program to promote the opening of the Restaurant. In the event of a Franchisor-approved relocation of the Restaurant, Franchisee shall pay Franchisor $5,000 for Franchisor's use in conducting a re-opening advertising program. Franchisee need not pay this fee if this Agreement is executed in connection with a Transfer.

9.3 Brand Funds. Franchisor may choose to maintain and administer one or more brand funds for the benefit of the System and JERSEY MIKE'S Restaurants (each, a "**Fund**" and collectively, the "**Funds**"). Upon ninety (90) days' written notice, Franchisor may change the amount of Franchisee's contribution(s) to any Fund(s); *provided*, however, that in no event shall Franchisee's contributions to such Funds, collectively, exceed six percent (6%) of Franchisee's Gross Receipts. Payments to each Fund shall be made at the same time, and in the same manner as, the Continuing Royalty Fee, unless otherwise specified by Franchisor in writing. Franchisor may reallocate contributions to any of the Funds to any other Fund maintained or administered by Franchisor or its Affiliates in its sole and absolute discretion. Franchisor undertakes no obligation in administering the Funds to make expenditures for Franchisee which are equivalent or proportionate to its contribution, or to ensure that any particular franchisee benefits directly or *pro rata* from the placement of advertising.

Franchisor has the right, but not the obligation, to: (i) form, change, merge and/or dissolve the Fund(s); (ii) at any time, require that any amounts otherwise owed to it by franchisees instead be paid to a Fund; (iii) use collection agents and to institute legal proceedings for purposes of collecting amounts owed to any Fund on behalf of and at the expense of such Fund; and (iv) forgive, waive, settle and compromise all claims by or against any Fund. Unless otherwise specified in this Section 9, Franchisor shall direct all advertising programs with sole discretion over the creative concepts, materials and media used in such programs and the placement and allocation of such programs. Except as expressly provided in this Section 9.3, Franchisor assumes no direct or indirect liability or obligation to Franchisee with respect to the maintenance, direction or administration of any Fund.

An accounting summary of the operations of each Fund shall be prepared annually and shall be made available to Franchisee upon written request. Franchisor reserves the right, at its sole option, to have an audit of the operation of any or all Fund(s) by an independent certified public accountant selected by Franchisor and prepared at the expense of the respective Fund to which the audit refers. Currently, Franchisor maintains and administers the following Funds:

Franchisee must not establish or create any domain names, websites, email addresses, usernames, profiles, screen names, social network accounts, other online presence or presence on any electronic medium of any kind (each, an "**Online Presence**") unless previously approved by Franchisor in writing. At Franchisor's request, Franchisee agrees to grant Franchisor access to each such Online Presence and to take whatever action (including signing assignment or other documents) Franchisor requests to help Franchisor obtain exclusive administrative rights in such Online Presence. Franchisor also reserve the right to require Franchisee, at Franchisee's expense, to list and advertise the Restaurant with the online directories that Franchisor periodically prescribes (such as Yelp® and Google®) or establish any other Online Presence Franchisor requires, each in accordance with Franchisor's System Standards. Franchisee's posting of any messages on any Online Presence relating to the Restaurant on other must be done in accordance with Franchisor's guidelines set forth in the Manual or otherwise in writing. Franchisor reserves the right to require Franchisor's approval of any message Franchisee composes for a social networking website or commentary for any other website before Franchisee posts such message or commentary.

9.5 Contact Information. Franchisee agrees that, as between Franchisor and Franchisee, Franchisor reserves the right to all telephone numbers, Online Presences, and/or any other type of contact information or directory listing for the Restaurant or that Franchisee uses in the operation or promotion of the Restaurant (collectively, the "**Contact Information**"). The Contact Information may be used only for the Restaurant in accordance with this Agreement and the System Standards and for no other purpose. Franchisor may notify any telephone company, listing agencies, website hosting company, domain registrar, social network, and any other third-party owning or controlling any Contact Information, if any information relating to the Restaurant is inaccurate or violates the System Standards, and request that they modify such Contact Information, and/or remove such Contact Information.

9.6 Cooperative Advertising. Franchisor may, in its discretion, create a local or regional advertising cooperative (each a "**Co-Op**") in any designated advertising coverage area, and establish the rules and regulations therefor. Immediately upon Franchisor's request, Franchisee must become a member of the Co-Op for the area in which some or all of the Designated Area is located. In no event may Franchisee be required to be a member of more than one Co-Op, unless Franchisee (or its Affiliates) own more than one JERSEY MIKE'S Restaurant in different advertising coverage areas. The Co-Op must be governed in the manner that Franchisor prescribes. The Co-Op may require each of its members to make contributions thereto not to exceed 2% of such member's Gross Receipts.

## 10. CONTINUING ROYALTY FEE

10.1 Continuing Royalty Fee. Franchisee shall pay to Franchisor, so long as this Agreement shall be in effect, a Continuing Royalty Fee equal to six and one-half percent (6.5%) of the total Gross Receipts derived from the Restaurant (the "**Continuing Royalty Fee**"). The Continuing Royalty Fee shall be paid weekly in the manner specified below or as otherwise prescribed in the Manual. Notwithstanding the foregoing, Franchisor in its sole discretion may change the frequency of such payments. Franchisee will make available for inspection by Franchisor, at times it designates, all original books and records that Franchisor may deem necessary to ascertain the calculation(s) of Franchisee's Gross Receipts.

10.2 Gross Receipts. "**Gross Receipts**" shall mean and include the total of all sales of food products, beverages, other merchandise and products, and services to customers of Franchisee, whether or not sold or performed at or from the Restaurant (including all off-site sales and catering sales), and regardless of whether the sales were made in compliance with this Agreement, less sales, use or service taxes collected and paid to the appropriate taxing authority, and customer refunds, discounts, and coupons. If Franchisor authorizes or requires participation in online group-bought deals, gift certificate or gift card programs, or other similar programs, the payments that Franchisee receives for or from such programs will be included in the calculation of Gross Receipts, in accordance with Franchisor's then-current guidelines for such calculations which may be modified from time to time. Gross Receipts also includes all insurance proceeds that Franchisee receives for loss of business and loss of revenue, due to a casualty to or similar event at the Restaurant.

10.3 Payments Made to Franchisor. All amounts owed from Franchisee to Franchisor or its Affiliates in connection with this Agreement and/or the Restaurant shall be paid through an automatic clearing house (ACH) account as further described in the Manual. Franchisor shall have access to such account for the purpose of receiving payment for Continuing Royalty Fees, advertising contributions, gift card sales, amounts due for purchases by Franchisee from Franchisor, the Grand Opening Advertising Fee, and any other amounts owed from Franchisee to Franchisor. Franchisee shall maintain its ACH account with amounts sufficient to cover all payments owed to Franchisor, which shall be paid in accordance with the intervals and procedures described in the Manual or otherwise in writing by Franchisor. All amounts payable by Franchisee or its Principal(s) (defined in Section 29) to Franchisor or its Affiliates must be in

United States Dollars ($USD). If Franchisee fails to deliver to Franchisor the data required by Section 11.1 by the deadline it establishes, Franchisor shall calculate payments due to Franchisor on the basis of one hundred and ten percent (110%) of Gross Receipts for the last week for which Franchisee reported Gross Receipts and will draft Franchisee's account accordingly. Adjustments to reflect payments actually due will be calculated and settled within ten (10) days after Franchisee furnishes the required information to Franchisor in the form Franchisor requires.

10.4 Interest and Late Fees. All amounts owed from Franchisee to Franchisor or its Affiliates shall bear interest after due date at the highest applicable lawful rate for open account business credit, not to exceed one and one-half percent (1.5%) per month. Franchisor shall also assess a penalty or a late payment fee equal to the greater of $25 or five percent (5%) of such late payment.

10.5 Set-Off Rights. Notwithstanding any designation by Franchisee, Franchisor shall have the sole discretion to apply any payments by Franchisee to any past due indebtedness of Franchisee for Continuing Royalty Fees, advertising contributions, gift card sales, purchases from Franchisor and its Affiliates, interest or any other indebtedness in such proportions as Franchisor directs.

## 11. ACCOUNTING AND RECORDS

11.1 Record-Keeping. Franchisee shall establish and maintain a bookkeeping, accounting and record-keeping system conforming to the requirements and retaining all information prescribed by Franchisor. Franchisee will supply to Franchisor on or before the fifteenth (15th) day of each month, in the form approved by Franchisor, a profit and loss statement and a balance sheet for the last preceding calendar month. Additionally, Franchisee shall, at its expense, submit to Franchisor within ninety (90) days of the end of each fiscal year during the Term, a profit and loss statement for such calendar year and a balance sheet as of the last day of such calendar year, prepared on an accrual basis including all adjustments necessary for fair presentation of the financial statements. Such financial statements will be certified to be true and correct by Franchisee. Franchisor reserves the right to require annual financial statements, prepared in accordance with generally accepted accounting standards, reviewed or audited by an independent certified public accountant. Franchisee shall submit to Franchisor such other periodic reports, forms and records as specified, and in the manner and at the time as specified in the Manual or otherwise in writing.

11.2 POS System. Franchisee shall record all sales on the computer-based POS System as designated by Franchisor in the Manual or otherwise in writing. Franchisor shall have the right to require Franchisee to utilize designated hardware and software for the computer-based POS System which are fully compatible with any program or system which Franchisor, in its discretion, may employ, including the credit card processing program and online ordering system. Franchisee agrees to pay the monthly software licensing and POS support fees, back-up cellular service, as well as the secure network fee for credit card processing and sales data transmittal, and fees associated with online and third-party ordering and delivery, as determined by Franchisor, who retains the right to adjust the fees pursuant to System Standards. All Gross Receipts and sales information requested by Franchisor shall be recorded on computer-based POS equipment. Franchisor shall have independent and unlimited access to all of Franchisee's data, system and related information (with the exception of Restricted Data), and may share such data and information with Franchisor's Affiliates and/or third-party vendors, in Franchisor's sole discretion. Upon termination or expiration of this Agreement, Franchisor may immediately terminate Franchisee's access to information reported or stored in the POS System and any related system.

11.3 Franchisor's Examination Rights. Franchisor and its designated agents shall have the right at all reasonable times to examine and copy, electronically or otherwise, at its expense, Franchisee's books, records and tax returns. If Franchisee makes sales through any third-party vendors (for example, companies

that facilitate online ordering, deliveries or catering orders), Franchisor and its designated agents shall have the right to access all sales records and other records of such vendor and may request and receive such records directly from the vendor without Franchisee's consent. Franchisor shall also have the right, at any time, to have an independent audit made of Franchisee's books, at Franchisor's expense. If an inspection should reveal that any payments made to Franchisor have been understated in any report to Franchisor, then Franchisee shall immediately pay to Franchisor the amount understated in addition to interest from the date such amount was due until paid, at the maximum rate permitted by law. If an inspection discloses an understatement in any report of two percent (2%) or more of the Gross Receipts, Franchisee shall, in addition to the foregoing, reimburse Franchisor for any and all costs and expenses connected with the inspection, including reasonable accounting and attorneys' fees. The foregoing remedies shall be in addition to any other remedies Franchisor may have.

11.4 Working Capital. Franchisee must, at all times, maintain sufficient working capital reserves as necessary and appropriate to comply with its obligations under this Agreement and any requirements set by Franchisor. Upon request, Franchisee must provide Franchisor with evidence of working capital availability. Franchisor reserves the right, from time to time, to establish certain levels of working capital reserves, and Franchisee will comply with such requirements. Franchisor may from time to time designate the maximum amount of debt that Restaurants may service, and Franchisee will ensure that Franchisee will comply with such limits. Franchisee further agrees to apply for and diligently pursue any government-issued, government-sponsored, or governmental-guaranteed grants, non-recourse loans, and/or bailouts for which Franchisee qualifies and that are made available to small businesses as an economic stimulus.

## 12. STANDARDS OF QUALITY AND PERFORMANCE

12.1 Condition of Premises. Franchisee agrees to maintain the condition and appearance of the Premises consistent with Franchisor's quality controls and standards for the image of a JERSEY MIKE'S Restaurant as an attractive, pleasant, clean and comfortable restaurant conducive to impulse-buying by its customers. Franchisee agrees to effect such maintenance of the Restaurant from time to time to maintain or improve the appearance and efficient operation of the Restaurant, including replacement of worn out or obsolete fixtures and signs, repair of the exterior and interior of the Restaurant and redecorating. If at any time in Franchisor's judgment the general state of repair or the appearance of the Premises or its equipment, fixtures, signs or decor does not meet Franchisor's System Standards therefore, Franchisor shall notify Franchisee, specifying the action to be taken by Franchisee to correct such deficiency. If Franchisee fails to initiate such action within thirty (30) days after receipt of such notice, and thereafter continue a bona fide program to complete any required maintenance, Franchisor shall have the right, in addition to all other remedies, to enter upon the Premises and effect such repairs, painting, decorating or replacements of equipment, fixtures or signs on behalf of Franchisee and Franchisee shall pay the entire costs of such repairs, maintenance and decorations on demand.

Franchisee shall neither make material alterations or improvements to the Restaurant, nor any material replacement of or alterations to the equipment, fixtures, or signs of the Restaurant, without the prior written approval of Franchisor.

12.2 Approved Products and Services. Franchisee agrees that it will offer for sale and sell at the Restaurant all types of sandwiches and other categories of food products and services that Franchisor from time to time authorizes, and it will not offer for sale or sell at the Restaurant any other category of products or services that Franchisor has not previously approved, or has revoked its approval of, for any purpose other than the operation of the Restaurant in full compliance with this Agreement.

12.3 System Standards. Franchisee agrees, at all times during the Term, to operate and maintain the Restaurant according to all of Franchisor's mandatory specifications, standards, operating procedures and/or rules prescribed from time to time by Franchisor for the System (the "**System Standards**"), as Franchisor may periodically modify and supplement. Though Franchisor retains the right to establish and periodically modify System Standards, Franchisee retains the sole responsibility for the day-to-day management and operation of the Restaurant and the implementation and maintenance of System Standards at the Restaurant. System Standards may regulate any aspect of the operation and maintenance of the Restaurant, including any one or more of the following:

a. the minimum standards regarding safety, maintenance, cleanliness, sanitation, function and appearance of the Premises;

b. the procedures, processes and communications relating to any Crisis Management Event (as defined in Section 29);

c. minimum staffing levels, qualifications, training, uniforms, and appearance (although Franchisee has sole responsibility and authority concerning all other matters relating to employee and personnel, including hiring and promotion, hours worked, rates of pay and other benefits, work assigned, the manner of performing work, and working conditions);

d. type, quality, taste, portion control and uniformity, manner and methods of preparation, packaging, displays and/or sale of all products sold by JERSEY MIKE'S Restaurants, including recipes and processes;

f. minimum inventory, product and supply quantities sufficient for the maximum operational capacity and public demand of the Restaurant;

g. hours and days during which JERSEY MIKE'S Restaurants must be open for business;

h. advertising promotional programs, including the types, manners, and method of advertising, content and advertising strategies, promotions, and related requirements;

i. use and/or retention of standard forms;

j. use and illumination of signs, posters, displays, menu boards and similar items;

k. issuing and honoring gift cards, gift certificates and similar items, and participating in loyalty programs;

m. payment mechanisms and currencies that Franchisee may accept from customers of the Restaurant;

n. participation in quality assurance and customer satisfaction programs; and

o. any other aspects of operating and maintaining the Restaurant that Franchisor determines to be useful to preserve or enhance the efficient operation, image or goodwill of the Marks and JERSEY MIKE'S Restaurants.

Franchisee understands that the System will continue to evolve and the System Standards may change periodically. These modifications may obligate Franchisee to invest additional capital in the Restaurant and/or incur higher operating costs. Franchisee agrees to implement any changes to the Restaurant in accordance with the System Standards within the time period that Franchisor requests, including by purchasing new operating assets for the Restaurant, upgrading or replacing any or all of the technology system, adding new products and services, or otherwise modifying the nature of Franchisee's operations. Franchisee will be solely responsible for the costs of implementing all changes to the Restaurant in accordance with the System Standards.

Franchisee acknowledges and agrees that complete and detailed uniformity might not be possible or practical under varying conditions, and that Franchisor specifically reserves the right to vary System Standards for any franchise owner based on the peculiarities of any condition that Franchisor considers important to that franchise owner's successful operation or preserving the goodwill of the System and Marks. Franchisor may choose not to authorize similar variations or accommodations to Franchisee or other franchise owners.

12.4 Conduct of Franchisee. If Franchisee is a Business Entity, Franchisee shall at all times remain active and in good standing in its state of formation and, if different, the state in which the Restaurant is located. Franchisee shall secure and maintain in force all required licenses, permits and certificates relating to the operation of the Restaurant and shall operate the Restaurant in full compliance with all applicable laws, ordinances and regulations, including all government regulations relating to occupational hazards and health, consumer protection, trade regulation, workmen's compensation, unemployment insurance and withholding and payment of Federal and State income taxes and social security taxes and sales, use and property taxes. Franchisee will not close the Restaurant unless required by an order issued by a federal, state or local authority. Franchisee agrees to refrain from any merchandising, advertising or promotional practice which is unethical or may be injurious to the business of Franchisor, other JERSEY MIKE'S Restaurants and/or the goodwill associated with the Marks. Franchisee further agrees to comply with Franchisor's website privacy policy, as it may be amended from time to time. During and after the Term, Franchisee (and its Principal(s)) agree to, and to cause Franchisee's respective current and former employees, representatives, affiliates, successors and assigns to: (a) process, retain, use, collect, and disclose all personally identifiable information only in strict accordance with all applicable laws, regulations, orders, the privacy policies and terms and conditions of any applicable Online Presence; (b) assist Franchisor with meeting its compliance obligations under all applicable laws and regulations relating to personally identifiable information, including the guidance and codes of practice issued by industry or regulatory agencies; and (c) promptly notify Franchisor of any communication or request from any customer or other data subject to access, correct, delete, opt-out of, or limit activities relating to any personally identifiable information. If Franchisee becomes aware of a suspected or actual breach of security or unauthorized access involving personally identifiable information, Franchisee must notify Franchisor immediately, specifying the extent to which such personally identifiable information was compromised or disclosed, and otherwise follow Franchisor's instructions regarding actions relating to such breach. Franchisee shall notify Franchisor in writing within five (5) days of the commencement of any action, suit,

or proceeding, and of the issuance of any order, writ, injunction, award or decree of any court, agency, or other government instrumentality, which may adversely affect the operation or financial conditions of the Restaurant.

12.5 Approved Suppliers. Franchisor may designate, approve or develop standards and specifications for manufacturers, distributors and suppliers of products and services to the Restaurant, which may be Franchisor or its Affiliates (collectively, "**suppliers**"). Franchisee must purchase the products and services that Franchisor periodically designates only from the suppliers that Franchisor prescribes and only on the terms and according to the specifications that Franchisor approves.

Franchisor may concentrate purchases with one or more suppliers to obtain lower prices, advertising support and/or services for any group of JERSEY MIKE'S Restaurants, whether franchised or operated by Franchisor or its Affiliates. As of the Effective Date, Franchisor requires Franchisees to purchase from Franchisor's Affiliates certain branded products, services, and retail merchandise that Franchisee must use in the operation of the Restaurant and offer and sell to the customers of the Restaurant; however, Franchisor or its Affiliates have no obligation to continue supplying those products, services, and merchandise to Franchisee, and Franchisor may designate third-party suppliers for such purchases. Franchisor may also designate a single supplier for any product, service, operating asset, or other material, or approve a supplier only for certain products. Franchisee acknowledges and agrees that Franchisor and/or its Affiliates may derive revenue based on Franchisee's purchases (including from charging Franchisee for products and services Franchisor or its Affiliates provide to Franchisee and from promotional allowances, rebates, volume discounts and other payments, services or consideration that Franchisor receives from suppliers that Franchisor designates or approves for some or all of JERSEY MIKE'S franchisees). Franchisor and/or any of its Affiliates may use such revenue or profit without restriction.

Approval of a supplier may be conditioned on requirements relating to product quality, prices, consistency, reliability, financial capability, labor relations, customer relations, frequency of delivery, concentration of purchases, standards of service, including prompt attention to complaints, or other criteria and may be temporary, pending Franchisor's continued evaluation of the supplier from time to time.

If Franchisee would like to purchase or use any products, services, supplies or materials from any unapproved supplier, Franchisee must submit to Franchisor a written request for approval of the proposed supplier prior to purchasing any such products, services, supplies or materials. Franchisor reserves the right to charge Franchisee a fee (not to exceed the reasonable cost of the research and inspection and the actual cost of the test) to make the evaluation. Franchisor has the right to inspect the proposed supplier's facilities and to require that product samples from the proposed supplier be delivered either directly to Franchisor or to a third party that Franchisor designates for testing. Franchisor will notify Franchisee in writing of the approval or disapproval of the proposed supplier within a reasonable time after completion of the investigation. If Franchisor fails to respond within sixty (60) days, Franchisee's request will be deemed denied. Franchisor may elect to withhold approval of the supplier, in its sole discretion and for any reason. Franchisee acknowledges that Franchisor is likely to reject Franchisee's request for a new supplier without conducting any investigation if Franchisor has already designated an exclusive supplier for that product or service. Franchisor reserves the right to periodically re-inspect the facilities and products of any approved supplier and to revoke its approval if the supplier does not continue to meet any of Franchisor's criteria. Franchisor also reserves the right to charge suppliers a royalty for the right to manufacture products for use in JERSEY MIKE'S Restaurants.

12.6 Prohibited Items. Franchisee shall not install or maintain on the Premises any food racks, other sales and promotional items and materials not authorized by Franchisor, and Franchisee shall not

install or maintain newspaper racks, video games, juke boxes, gum machines, games, rides, vending machines, ATMs or other similar devices on the Premises.

12.7 Management of Operations. The Restaurant shall at all times be under the direct, on-premises supervision of Franchisee or its Controlling Principal (if Franchisee is a Business Entity). In the event Franchisee operates more than one JERSEY MIKE'S Restaurant, or in the event Franchisee (or its Controlling Principal) does not devote its full time to operating the Restaurant, at least one trained and competent employee must serve as a full-time general manager or shift supervisor. Franchisee shall keep Franchisor informed at all times of the identity of any general manager(s) or shift supervisor(s) of the Restaurant. Franchisor shall make training available, as is reasonable and necessary, for all general managers or shift supervisors designated by Franchisee, and Franchisee shall pay to Franchisor the then-current rate for any such training (as published in the Manual or otherwise in writing), in addition to reimbursement of all travel and living expenses. Franchisee or its Controlling Principal (if Franchisee is a Business Entity), on its behalf and on behalf of any appointed full-time general manager(s) or shift supervisor(s), agrees that it and they will at all times faithfully, honestly and diligently perform its and their obligations hereunder and that it and they will not engage in any business or other activities that will conflict with its and their obligations.

## 13. FRANCHISOR'S ASSISTANCE & INSPECTION RIGHTS

13.1 Pricing. Unless prohibited by applicable law, Franchisor may periodically set a maximum or minimum price that Franchisee may charge for products and services offered by JERSEY MIKE'S Restaurants. If Franchisor imposes such a maximum or minimum price for any product or service, Franchisee may charge any price for the product or service up to and including Franchisor's designated maximum price or down to and including Franchisor's designated minimum price. The designated maximum and minimum prices for a product or service may, at Franchisor's option, be the same. For any product or service for which Franchisor does not impose a maximum or minimum price, Franchisor may require Franchisee to comply with an advertising policy adopted by Franchisor which will prohibit Franchisee from advertising any price for a product or service that is different than Franchisor's suggested retail price; however, Franchisee will not be prohibited from selling any product or service at a price above or below the suggested retail price unless Franchisor imposes a maximum price or minimum price for such product or service.

13.2 Guidance. Franchisor and/or its representatives, in its sole discretion, may visit the Restaurant for the purpose of consultation, assistance, and guidance of Franchisee in all aspects of the operation and management of the Restaurant. Franchisee understands and agrees that any guidance, consultation, assistance or advice Franchisor provides to Franchisee does not create an obligation (whether by course of dealing or otherwise) for Franchisor to continue to provide such specific assistance, all of which may be discontinued and/or modified by Franchisor from time to time.

13.3 Inspections. Franchisor shall have the right of entry and inspection of the Premises at all reasonable times, and shall have the right to (a) photograph, observe and/or record (video and/or audio) the manner in which the Restaurant is rendering services and conducting its operations, (b) confer with Franchisee's employees and customers, (c) select and remove ingredients, food and non-food products, beverages, and other items, products, materials and supplies for testing and evaluation purposes, and (d) inspect the computer hardware and software, POS System, data security and privacy protocols, configurations, connectivity and data access used in connection with the Restaurant. Franchisee consents to such recordings and agrees to cooperate with Franchisor fully during the course of such inspections and tests. Franchisee agrees to obtain all third-party consents required under applicable laws to permit such

inspections, photography, and/or recordings. Franchisor shall advise Franchisee of problems disclosed in reports of those inspections which Franchisor determines are material to JERSEY MIKE'S Restaurants.

13.4 Delegation of Performance. Franchisee acknowledges and agrees that Franchisor has the unrestricted right to delegate the performance, in whole or in part, of any portion or all of its obligations under this Agreement to any third-party designees, Affiliates, or representatives, in each case in its sole discretion. Franchisor is not required to inform Franchisee of the use of any such parties, and any delegation pursuant to this Section 13.4 shall not be deemed a breach of this Agreement by Franchisor.

## 14. INSURANCE

14.1 General. Franchisee shall procure at its expense and maintain in full force and effect during the Term, comprehensive public liability, general liability, personal injury liability, motor vehicle liability, property, product liability, workmen's compensation, employment practices liability, commercial liability umbrella, business interruption insurance, and other types of insurance that Franchisor requires, with the minimum policy requirements that Franchisor specifies from time to time. Such policies shall (a) name each of Franchisor and its Affiliates designated by Franchisor as additional insureds using language prescribed by Franchisor; (b) be secured by Franchisee before the date on which Franchisee takes possession and commences development of the Premises (except that, if Franchisee's employees begin training prior to such date, applicable workers' compensation and employer's liability insurance must be in place prior to such training); and (c) be issued by an insurance company with an A.M. Best rating of "A-" or better and satisfactory to Franchisor in accordance with the System Standards or otherwise in writing.

Before the date on which Franchisee takes possession and commences development of the Premises, a Certificate of Insurance showing compliance with the foregoing requirements shall be furnished by Franchisee to Franchisor for approval, which shall require at least twenty (20) days' prior written notice to Franchisor before any cancellation or amendment, and which shall reflect proof of payment of premiums. Maintenance of such insurance and the performance by Franchisee of the obligations under this Section 14 shall not relieve Franchisee of liability under the indemnity provision described in this Agreement.

14.2 Failure to Procure Insurance. Should Franchisee, for any reason, not procure and maintain such insurance coverage as required by this Agreement, Franchisor shall have the right, but no obligation, to immediately procure such coverage and to charge same to Franchisee, together with a reasonable fee for expenses incurred by Franchisor in connection with such procurement, which shall be payable by Franchisee immediately upon notice.

## 15. COVENANTS

15.1 During the Term. Franchisee and its Principal(s) covenant that during the Term, neither Franchisee nor any of Franchisee's Principal(s) or their immediate family members shall, either directly or indirectly, for themselves, or through, on behalf of, or in conjunction with any person, persons, partnership, corporation, limited liability company or other entity:

a. Divert or attempt to divert any business or customer of the business franchised hereunder to any competitor, by direct or indirect inducement, or disparage or otherwise speak or write negatively, directly or indirectly, of Franchisor, its Affiliates, any of Franchisor's directors, officers, employees, representatives, owners, current and former franchisees or developers, the JERSEY MIKE'S brand, the System, any JERSEY MIKE'S Restaurant, any business using the Marks, any other brand or service-marked or trademarked concept of Franchisor or its Affiliates, or which would

subject the System to ridicule, scandal, reproach, scorn or indignity, or which would be injurious or prejudicial to the goodwill associated with the Marks and the System, or which would constitute an act of moral turpitude.

b. Own, maintain, engage in, consult with, or have any interest in any Competitive Business located or operating anywhere (including any business operated by Franchisee prior to entry into this Agreement). In this Agreement, "**Competitive Business**" means (i) any restaurant or food service facility that offers and derives twenty-five percent (25%) or more of its revenue from any type of sandwich, including submarine, hoagie, hero-type, deli-style, panini, steamed, wrapped or rolled, on any type of bread, including sub rolls and other bread rolls or buns, sliced bread, pita bread, flat bread, bagels or wraps; or (ii) any business granting franchises or licenses to others to operate the types of business described in clause (i), other than a JERSEY MIKE'S Restaurant operated under a franchise agreement with Franchisor. Notwithstanding the foregoing, the word "sandwich" in the preceding sentence does not include hot dogs, hamburgers, or fried chicken sandwiches.

15.2 Post-Term. Franchisee and its Principal(s) covenants that neither Franchisee nor any of Franchisee's Principal(s) or its or their immediate family members shall, either directly or indirectly, for themselves, or through, on behalf of, or in conjunction with any person, persons, partnership, corporation, limited liability company or other entity shall, for period of two (2) years after the expiration, Transfer or termination of this Agreement, or if later, the date upon which such person or entity complies with the covenants of this Agreement, regardless of the cause of termination, either directly or indirectly, for itself, or through, on behalf of, or in conjunction with any person, persons, partnership, corporation, limited liability company or other entity, own, maintain, engage in, consult with, or have any interest in any Competitive Business located or operating:

a. Within the Standard Metropolitan Statistical Area in which the Restaurant is located, as such term is defined by the Census Bureau of the United States;

b. Within a radius of ten (10) miles of the Premises hereunder; or

c. Within a radius of ten (10) miles of the premises of any other JERSEY MIKE'S Restaurant.

The parties agree that each of the foregoing covenants shall be construed as independent of any other covenant or provision of this Agreement. If all or any portion of a covenant in this Section 15 is held unreasonable or unenforceable by a court or agency having valid jurisdiction in an unappealed final decision to which Franchisor is a party, Franchisee expressly agrees to be bound by any lesser covenant subsumed within the terms of such covenant that imposes the maximum duty permitted by law, as if the resulting covenant were separately stated in and made a part of this Section 15.

15.3 Excluded Interests. Franchisor and Franchisee acknowledge and agree that Sections 15.1 and 15.2 shall not apply to ownership by Franchisee of less than five percent (5%) beneficial interest in the outstanding equity securities of any corporation which is registered under the Securities Exchange Act of 1934.

15.4 Similar Covenants. Franchisor shall have the right to require all of Franchisee's personnel performing managerial or supervisory functions and all personnel receiving special training from Franchisor to execute similar covenants in a form satisfactory to Franchisor.

## 16. **DEFAULT AND TERMINATION**

16.1 Termination by Franchisee. If Franchisee is in substantial compliance with this Agreement and Franchisor materially breaches this Agreement and fails to cure such breach within a reasonable time after delivery of written notice by Franchisee of such breach, Franchisee may terminate this Agreement, effective thirty (30) days after delivery to Franchisor of notice that such breach has not been cured and that Franchisee elects to terminate this Agreement. A termination of this Agreement by Franchisee for any reason other than as described in this Section 16.1 shall be deemed a termination by Franchisee without cause.

16.2 Termination by Franchisor. This Agreement shall terminate automatically upon delivery of notice of termination to Franchisee, if Franchisee and/or any of its Principals:

a. Fails to satisfy all development obligations specified in this Agreement, including opening the Restaurant for business by the Required Opening Deadline, or fails to decorate, equip and/or periodically upgrade and update the Premises;

b. Fails to satisfactorily complete the Initial Training Program;

c. Makes any misrepresentation or omission in its application for the franchise;

d. Defaults under the terms of the lease for the Premises and/or loses the right to occupy the Premises;

e. Is or has been convicted of, or pleads no contest to, a felony or to any other crime or offense that, in the sole determination of Franchisor, is likely to adversely affect the reputation of Franchisor, Franchisee, the Marks and/or the System;

f. Abandons or fails or refuses to actively operate the Restaurant for two (2) or more days of operation in any twelve (12) month period, or provides Franchisor with notice that Franchisee intends to permanently cease operations of the Restaurant;

g. Makes or attempts to make an unauthorized Transfer;

h. Violates any of the covenants made in Section 7 (Confidential Information), including by making any unauthorized use, disclosure and/or duplication of any Confidential Information (including any portion of the Manual), or Section 15 (Covenants);

i. Violates any law, ordinance, rule, or regulation of a governmental agency in connection with the operation of the Restaurant, and fails to correct such violation within 72 hours following notice to Franchisee, whether from Franchisor or any other party;

j. Submits to Franchisor on three (3) or more separate occasions at any time during the Term any reports or other data, information or supporting records which understate by more than three percent (3%) the Continuing Royalty Fees for any weekly period and Franchisee is unable to demonstrate to Franchisor's satisfaction within seven (7) days that such understatements resulted from inadvertent error;

k. Fails to pay Franchisor or its Affiliates any amounts due and do not correct the failure within ten (10) days following notice to Franchisee, or fails to pay when due any third party, including any landlord, supplier, or lender, any other amounts owed in

connection with the Restaurant, and/or breaches any other material obligation to such third party, and does not correct such failure within any cure period permitted by the person to whom such obligations are owed;

l. (i) Acknowledges that Franchisee is unable to pay its debts as they come due or commits any other affirmative act of insolvency, (ii) files any petition or action of insolvency or appointment of a receiver or trustee or liquidation, (iii) files a petition in bankruptcy or makes any assignment for the benefit of creditors, or (iv) fails to vacate or dismiss within thirty (30) days after filing any such proceedings commenced against Franchisee by a third party;

m. Makes a material misuse or unauthorized use of any Marks and fails to correct such misuse or unauthorized use within seven (7) days after receiving notice from Franchisor;

n. Fails to pass any quality assurance audit, mystery shopper visit, or other inspection, and do not cure all deficiencies identified in such audit, visit, or inspection within fifteen (15) days following notice thereof;

o. Commits any act or engages in any conduct which can reasonably be expected to materially impair the goodwill associated with any Mark(s) and/or the System;

p. Fails on two (2) or more separate occasions, within any period of twelve (12) consecutive month period, to (i) submit when due any reports, supporting records or other information; (ii) pay when due any amounts owed to Franchisor and its Affiliates (including Continuing Royalty Fees and any advertising contributions); or (iii) otherwise fails to comply with this Agreement, whether or not Franchisee corrects such failures after notice of default is delivered to Franchisee;

q. Fails to maintain insurance coverage required by Franchisor and does not correct such failure within ten (10) days following written notice to Franchisee of such failure;

r. Creates or allows to exist any condition in connection with the operation of the Restaurant, which Franchisor reasonably determines to present an immediate health, safety or sanitation hazard for customers and/or employees of the Restaurant;

s. Fails to pay when due any federal or state income, service, sales, use, employment, or other taxes due on or in connection with the operation of the Restaurant, unless Franchisee's liability for such taxes is being actively contested in good faith;

t. Acts inappropriately and/or abusively toward Franchisor and/or its Affiliates or representatives, other franchisees, and/or customers of the Restaurant on two (2) or more occasions, in connection with the operation of the Restaurant;

u. Fails or refuses to comply with any other provision of this Agreement or any System Standard, and does not correct such failure within thirty (30) days after written notice of such failure is delivered to Franchisee; and/or

v. if Franchisee or its Affiliate(s) fails to comply with any other agreement with Franchisee or its Affiliate(s) and does not correct such failure within the applicable

cure period, except in the event of the termination of an Area Development Agreement based solely on Franchisee's failure to satisfy the development schedule therein.

16.3 Interim Operations. In addition to Franchisor's right to terminate this Agreement, and not in lieu thereof, Franchisor may enter the Premises and operate the Restaurant with complete authority with respect to the management thereof on an interim basis in the event that (a) Franchisee abandons or fails to actively operate the Restaurant for five (5) consecutive operating days, or (b) if Franchisee shall not have cured a default under this Agreement within the appliable cure period after receipt of written notice from Franchisor. Franchisee specifically agrees that a designated representative of Franchisor may take control and manage the Restaurant in the event Franchisor exercises its rights under this Section. If Franchisor assumes the management of the Restaurant, Franchisee must pay Franchisor (in addition to the Continuing Royalty Fee) a Management Fee equal to five percent (5%) of the Restaurant's Gross Receipts (the "**Management Fee**") during the period in which Franchisor (or its designated representative) manage the Restaurant, plus reimburse Franchisor for the full compensation paid to such representative, including the cost of all fringe benefits plus any and all expenses reasonably incurred by such representative. Franchisee acknowledges that the Management Fee shall be in addition to any other fees required under this Agreement and shall be paid in accordance with the methods of payment set forth in Section 10.3 of this Agreement. Payment of the Management Fee shall be made at the same time in which the Continuing Royalty Fee is due. If Franchisor assumes the Restaurant's management, Franchisee acknowledges that Franchisor will have a duty to utilize only reasonable efforts and will not be liable to Franchisee or its owners for any debts, losses, or obligations the Restaurant incurs, or to any of Franchisee's creditors for any supplies or services the Restaurant purchases, while Franchisor manages it.

## 17. RIGHTS AND DUTIES OF PARTIES UPON EXPIRATION OR TERMINATION

Upon termination or expiration, this Agreement and all rights granted hereunder to Franchisee shall forthwith terminate, and:

17.1 Franchisee shall immediately cease to operate the Restaurant under this Agreement (unless Franchisor directs Franchisee otherwise in connection with Franchisor's exercise of Franchisor's option to purchase pursuant to Section 17.10), and shall not thereafter, directly or indirectly, represent to the public or hold itself out as a present or former franchisee of Franchisor.

17.2 Upon demand by Franchisor, Franchisee shall assign to Franchisor its interest in any lease then in effect for the Premises, or if Franchisee is the owner of the Premises, negotiate in good faith with Franchisor for a lease which permits Franchisor to occupy the premises.

17.3 Franchisee shall immediately and permanently cease to use, by advertising or in any manner whatsoever, any Confidential Information, Marks, Contact Information, and/or Online Presences, including all signs, advertising materials, stationery, forms, and other articles which display the Marks associated with the System, and shall immediately take any action as may be required to disable and/or cancel all rights in and to, any accounts associated with any Online Presence and Contact Identifier, or transfer exclusive control and access of accounts to Franchisor, in Franchisor's discretion.

17.4 Franchisee shall take such action as may be necessary to assign to Franchisor or Franchisor's designee any assumed name rights or equivalent registration filed with state, city, or county authorities which contains the name "JERSEY MIKE'S" or any other service mark or trademark of Franchisor of compliance with this obligation within thirty (30) days after termination or expiration of this Agreement.

17.5 Franchisee and its Principal(s) shall comply with the covenants contained in Section 15 of this Agreement.

17.6 In the case of expiration, Franchisee must remove all signs containing any Mark and return to Franchisor or destroy all items, forms and materials containing any Mark identifying or relating to a JERSEY MIKE'S Restaurant on or before the date on which this Agreement expires. In the case of a termination, Franchisee must immediately remove all signs containing any Mark and return to Franchisor or destroy all items, forms and materials containing any Mark identifying or relating to a JERSEY MIKE'S Restaurant.

17.7 Franchisee hereby acknowledges and agrees that upon termination or expiration of this Agreement, Franchisee shall assign to Franchisor all Contact Information, and Franchisee shall notify the telephone company and all listings agencies of the termination or expiration of Franchisee's right to use any Contact Information and any regular, classified or other telephone directory listing associated with the Marks and to authorize a transfer of same to or at the direction of Franchisor. Franchisee irrevocably constitutes and appoints Franchisor and its designees as Franchisee's agent and attorney-in-fact to effect the transfer of the Restaurant's Contact Information, including authority to execute and deliver on Franchisee's behalf any transfer of service agreement the telephone company requires, and to revoke any call-forwarding or similar instructions Franchisee has given the telephone company. Franchisor shall have no liability to Franchisee on account of or arising from any action it authorizes or takes to effect the transfer of the Restaurant's Contact Information in accordance with this Section 17.7.

17.8 Franchisee shall promptly pay all sums owed to Franchisor and its Affiliates. Franchisee acknowledges that a precise calculation of the full extent of the damages Franchisor and its Affiliates will incur in the event of termination of this Agreement as a result of Franchisee's default is difficult to determine and that a lump sum liquidated damages payment is reasonable in light of the damages Franchisor will incur for Franchisee's material default and subsequent premature termination of this Agreement. In the event this Agreement is terminated by Franchisor due to Franchisee's default or terminated by Franchisee without cause, Franchisee shall promptly pay to Franchisor a lump sum payment as liquidated damages and not as a penalty, for breaching this Agreement and for Franchisor's lost future revenue as a result of such breach in an amount equal to: (a) the average monthly Continuing Royalty Fees and Fund contributions payable by Franchisee (as required under Section 9 and Section 10 of this Agreement) over the twelve (12) full calendar months immediately preceding the date of termination; multiplied by (b) the lesser of (i) thirty-six (36) months, or (ii) the number of full calendar months then remaining in the then-current term of this Agreement; *provided*, however, that if as of the termination date, the Restaurant had not operated twelve (12) full calendar months, then the amount payable will be calculated based on the average monthly Continuing Royalty Fees and Fund contributions for all JERSEY MIKE'S Restaurants during the fiscal year immediately preceding the termination date. This payment of liquidated damages shall: (1) be in lieu of any damages for any lost future revenue that Franchisor and its Affiliates may incur as a result of Franchisee's default; (2) be in addition to all amounts provided in this Section 17.8 and Section 17.9, and other costs and expenses to which Franchisor and its Affiliates is entitled under this Agreement; and (3) not affect Franchisor's and its Affiliates' right to recover damages other than lost future revenue and to obtain appropriate injunctive relief and other remedies to enforce this Section 17 and the other terms of this Agreement (including its trademark rights under Section 5 and the covenants set forth in Section 7 and Section 15). Franchisee agrees to pay the liquidated damages described in this Section 17 within five (5) days after this Agreement is terminated.

17.9 Franchisee shall immediately return to Franchisor, delete and/or destroy (as Franchisor requires) all operations manuals, including any copies of the Manual, and all customer lists, records, files,

instructions, brochures, agreements, disclosure statements, and/or other materials relating to the operation of the Restaurant (all of which are acknowledged to be Franchisor's property).

17.10 Purchase of the Restaurant and its Assets. Franchisor shall have the right (but not the duty), to exercise by notice of intent within thirty (30) days after termination or expiration of this Agreement, to purchase for cash any or all of Franchisee's assets of the Restaurant, including equipment, supplies, and other inventory, and/or the Premises (if Franchisee or its Affiliate(s) own the Premises). The purchase price for the Restaurant will be the net realizable value of the tangible assets in accordance with the liquidation basis of accounting (not the value of the Restaurant as a going concern). If Franchisee disputes Franchisor's calculation of the purchase price, it shall be determined by one independent accredited appraiser who will conduct an appraisal and, in doing so, will be bound by the criteria specified herein.

Franchisor and Franchisee agree to select the appraiser within fifteen (15) days after Franchisor receives the financial and other information necessary to calculate the purchase price (if Franchisor and Franchisee have not agreed on fair market value before then). Franchisor and Franchisee shall equally share the cost of the appraisal. The appraiser must complete its appraisal within thirty (30) days after its appointment. If Franchisor elects to exercise any option to purchase as permitted by this Agreement, it shall have the right to set off all amounts due from Franchisee under this Agreement, including against its share of the appraisal costs.

Closing of the purchase will take place, as described in this Section 17.10, on a date selected by which is within ninety (90) days after determination of the purchase price in accordance with this Section 17.10, although Franchisor has the right to decide after the purchase price is determined not to purchase the Restaurant and/or the Premises. At the closing, Franchisee shall deliver to Franchisor: (a) an asset purchase agreement and related agreements in a form dictated by Franchisor, which shall provide all customary warranties and representations, including those regarding ownership and condition of and title to assets, liens and encumbrances on assets, validity of contracts and agreements, and liabilities affecting the assets, contingent or otherwise; (b) good and merchantable title to the assets purchased, free and clear of all liens and encumbrances (other than liens and security interests acceptable to Franchisor), with all taxes paid by Franchisee, including sales, goods and services, harmonized sales, use, value added, retailer's excise, or similar taxes; (c) any and all of the Restaurant's licenses and permits which may be assigned or transferred; (d) the ownership interest or leasehold interest (as applicable, if Franchisor determines) in the Premises and improvements or a lease assignment or lease or sublease, as applicable; and (d) an agreement, in form and substance satisfactory to Franchisor, (i) voluntarily terminating this Agreement, and stating that (ii) Franchisee agrees to comply with all post-term obligations under this Agreement, and (iii) Franchisee and its Principals agree to a general release of any and all claims (except for claims which cannot be released or waived pursuant to an applicable franchise statute) against Franchisor and its Affiliates, representatives, owners, affiliates, officers, directors, employees, agents, successors, and assigns. For the period between the termination or expiration of this Agreement and the closing of the acquisition, Franchisor (or its designated representative) may, in its sole discretion, manage the Restaurant in accordance with Section 16.3 and charge a Management Fee.

## 18. TRANSFERABILITY OF INTEREST

18.1 Limitations on Transfer. The rights and duties this Agreement creates are personal to Franchisee (and if Franchisee is a Business Entity, each of its Principals), and Franchisor has granted Franchisee the rights under this Agreement in reliance upon Franchisor's perceptions of Franchisee (or its Principals') individual or collective character, skill, aptitude, attitude, business ability, and financial capacity. Accordingly, none of the following may be transferred, mortgaged, pledged, or encumbered (each a "**Transfer**"), without Franchisor's prior written approval: (1) this Agreement (or any interest in this

Agreement), (2) the Restaurant or substantially all of its assets, or (3) any direct or indirect ownership interest in Franchisee. Any Transfer without Franchisor's written approval is a breach of this Agreement and has no effect. A Transfer shall include a voluntary, involuntary, direct, or indirect assignment, sale, gift, or other disposition, including by reason of merger, consolidation, issuance of securities, death, disability, divorce, insolvency, encumbrance, foreclosure, surrender or by operation of law, and/or any transfer, surrender, loss of the possession or control, or management of the Restaurant.

If Franchisee intends to list the Restaurant for sale with any broker or agent, Franchisee shall do so only after obtaining Franchisor's written approval of the broker or agent and of the listing agreement. Franchisee may not use or authorize the use of any Mark in advertising the transfer or other disposition of the Restaurant or of any ownership interest in Franchisee without Franchisor's prior written consent. Franchisee shall not use or authorize the use of, and no third party shall on Franchisee's behalf use, any written materials to advertise or promote the transfer of the Restaurant or of any ownership interest in Franchisee without Franchisor's prior written approval.

18.2 Conditions to Voluntary Transfer of Rights. Franchisee may not complete a Transfer before the Restaurant opens for business. Thereafter, Franchisor will approve a Transfer if all of the following requirements are met:

a. Franchisee submits an application in writing requesting Franchisor's consent and providing Franchisor with all information or documents that Franchisor requests about the transferee and its owners that Franchisor requests to evaluate their skills, qualifications, ethics, moral values, and economic resources necessary to satisfy their respective obligations under Franchisor's then-current form of franchise agreement and any documents ancillary thereto, and each such person must have completed and satisfied all of Franchisor's application and certification requirements, including the criteria that neither the transferee nor its owners (if the transferee is an Business Entity) or Affiliates have an ownership interest in or perform services for a Competitive Business;

b. Franchisee and its Principals have not violated any provision of this Agreement or any other agreement with Franchisor or its Affiliates during both the 60-day period before Franchisee requested Franchisor's consent to the Transfer and the period between Franchisee's request and the effective date of the Transfer, including that Franchisee has paid all Continuing Royalty Fees, contributions to Fund(s), and other amounts owed to Franchisor, its Affiliates, and third-party vendors, and have submitted all required reports and statements;

c. Franchisee provides Franchisor executed versions of any documents executed by Franchisee (or its Principals) and transferee (and its Principals) to effect the Transfer, and all other information that Franchisor requests about the proposed Transfer, and such Transfer meets all of Franchisor's requirements, including terms, closing date, purchase price, amount of debt and payment terms, and Franchisor has determined that the purchase price and other terms of the Transfer will not adversely affect the operation of the Restaurant;

d. Franchisee (and its Principals) and the transferee (and its Principals) sign all of the documents that Franchisor is then requiring in connection with a Transfer, in a form satisfactory to Franchisor, including: (i) a release of any and all claims (except for claims which cannot be released or waived pursuant to applicable law) against

Franchisor and its Affiliates and its and their owners, officers, directors, employees, and agents, and (ii) covenants that Franchisee and its transferring Principals agree to satisfy all post-termination obligations under this Agreement;

e. all persons required to complete training under the transferee's franchise agreement satisfactorily complete the Initial Training Program, and transferee has paid all costs and expenses that Franchisor incurs to provide the Initial Training Program to such persons;

f. if the proposed Transfer requires notice to or approval from the landlord of the Premises, or any other action under the terms of the Lease, Franchisee has taken such appropriate action and delivered to Franchisor evidence of the same;

g. Franchisee has corrected any existing deficiencies of the Restaurant of which Franchisor has notified Franchisee, and/or the transferee agrees to upgrade, remodel, and refurbish the Restaurant in accordance with Franchisor's then-current specifications for JERSEY MIKE'S Restaurants within the time period that Franchisor specifies following the date of the Transfer and the transferee agrees to escrow an amount that Franchisor approves for payment of the required upgrade, remodel or refurbishment;

h. the transferee must (if the Transfer is of this Agreement, the Restaurant, or controlling interest in Franchisee), sign Franchisor's then-current form of franchise agreement and related documents, any and all of the provisions of which may differ materially from any and all of those contained in this Agreement, including the Continuing Royalty Fee and the contributions to the Fund(s); provided, that the term of the new franchise agreement signed will equal the then-remaining Term;

i. the transferee(s) must (if the Transfer is any beneficial or ownership interest in Franchisee), sign Franchisor's then-current form of guaranty undertaking personally to be bound, jointly and severally, by all provisions of this Agreement and any ancillary agreements between Franchisee and Franchisor, and an updated Summary Pages;

j. Franchisee pays Franchisor a Transfer fee equal to $15,000; and

k. Franchisee provides Franchisor the evidence that Franchisor requests to show that appropriate measures have been taken to effect the Transfer as it relates to the operation of the Restaurant, including, transferring all necessary business licenses, insurance policies, and material agreements, or obtaining new business licenses, insurance policies and material agreements, each in accordance with the System Standards.

Franchisor may review all information regarding the Restaurant that Franchisee gives the transferee, correct any information that Franchisor believes is inaccurate, and give the transferee copies of any reports that Franchisee has given Franchisor or Franchisor has made regarding the Restaurant.

Franchisor's consent to a Transfer pursuant to this Section 18.2 is not a representation of the fairness of the terms of any contract between Franchisee and the transferee, a guarantee of the Restaurant's or transferee's prospects of success, or a waiver of any claims that Franchisor has against Franchisee (or its Principals) or of Franchisor's right to demand the transferee's full compliance with this Agreement.

18.3 Transfer to a Wholly Owned Business Entity. If Franchisee does not originally sign this Agreement as a Business Entity, Franchisee may assign this Agreement to a Business Entity; provided, that: (a) such Business Entity conducts no business other than the Restaurant and, if applicable, other JERSEY MIKE'S Restaurants; (b) Franchisee maintains management control of such Entity; (c) Franchisee owns and controls 100% of the economic interests, equity and voting power of all issued and outstanding ownership interests in such Business Entity; (d) all of the assets of the Restaurant are owned, and the business of the Restaurant is conducted only by that single Business Entity; (e) Franchisee satisfies all conditions applicable to a Transfer described in Section 18.2, except that Franchisor will not require payment of a transfer fee as described in Section 18.2.j (provided, that Franchisee may be required to reimburse Franchisor for any direct costs that Franchisor incurs in connection with documenting and otherwise processing such Transfer, including reasonable legal fees) and Franchisor's right of first refusal under Section 18.4 will not apply; and (f) that Business Entity must expressly assume all of Franchisee's obligations under this Agreement, the Lease, and otherwise satisfy the conditions under this Agreement, including delivery of insurance certificates to Franchisor. Franchisee agrees to remain personally liable under this Agreement as if the Transfer to the Business Entity did not occur, including by signing Franchisor's then-current form of personal guaranty of the obligations of such Business Entity. Franchisee must also sign an assignment and assignment satisfactory to Franchisor which must include a release of any and all claims (except for claims which cannot be released or waived pursuant to an applicable franchise statute) against Franchisor and its Affiliates, and its and their owners, officers, directors, employees, and agents.

18.4 Right of First Refusal. If Franchisee or one or more of its Principals wishes to effectuate a Transfer (in each case, such Franchisee and/or Principal(s) would be the "seller"), consistent with any bona fide binding offer received from a third party to purchase such interest, then the proposed seller(s) must promptly notify Franchisor in writing of the offer, at least ninety (90) days prior to the proposed Transfer, and provide any additional information and documentation relating to the offer that Franchisor requires. Franchisor will have the option, exercisable within fifteen (15) Business Days after Franchisor's receipt of a fully executed purchase agreement, to send written notice to the seller(s) that Franchisor intends to purchase the interest of seller(s) on the same terms and conditions provided under the fully executed purchase agreement received by Franchisor. If Franchisor elects to purchase such interest, Franchisor must receive, and Franchisee and its Principal(s) agree to make, all customary representations and warranties given by the seller(s) of the assets of a business or the ownership interests in a legal entity, as applicable.

If Franchisee receives a bona fide binding offer from a third party to purchase the Restaurant along with other JERSEY MIKE'S Restaurants that Franchisee and/or its Affiliates own, Franchisor may decide, in its sole discretion, whether to purchase only the Restaurant or a combination of the Restaurants of the other JERSEY MIKE'S Restaurants owned by Franchisee and/or its Affiliates on the same business terms as they relate to the Restaurant.

If an offer from a third party provides for payment of consideration other than cash, Franchisor may elect to purchase the interest proposed to be sold for the cash equivalent. If the parties cannot agree within a reasonable time on the cash equivalent of the non-cash part of the offer, then the cash equivalent will be determined by one independent accredited appraiser who will conduct an appraisal and, in doing so, be bound by the criteria specific herein. Franchisor and Franchisee agree to select the appraiser within fifteen (15) days after Franchisor notifies Franchisee that it wishes to exercise its right of first refusal (if Franchisor and Franchisee have not agreed on the cash equivalent before then), and to share the cost of the appraisal. The appraiser must complete its appraisal within thirty (30) days after its appointment. Closing on the purchase will occur no later than sixty (60) days after the date Franchisor gives notice to the seller(s) of its election to purchase, provided that Franchisor has received all necessary permits and approvals, unless otherwise agreed by the parties agree in writing. If Franchisor exercises its right of first refusal, it may set

off all amounts due from Franchisee or any of its Affiliates (including, if applicable, all fees charged by the appraiser) against any payment for the interest to be purchased.

A decision of Franchisor not to exercise the right of first refusal granted by this Section 18.4 will not constitute a waiver of any other provision of this Agreement, including the requirements of this Section 18 with respect to a proposed Transfer. If Franchisor does not exercise its right of first refusal on any particular offer, any material change in the terms of the offer before closing will constitute a new offer subject to the same right of first refusal by Franchisor as in the case of the initial offer.

18.5 Purchase Upon Franchisee's Death or Disability. Upon the death or disability of Franchisee (or if Franchisee is a Business Entity, Franchisee's Controlling Principal), such person's executor, administrator, conservator, guardian, or other personal representative must transfer such person's interest in this Agreement, the Restaurant, or ownership interest in Franchisee, to a third party that Franchisor approves (which may be such person's heirs, beneficiaries, or devisees). That Transfer must be completed within a reasonable time, not to exceed one hundred eighty (180) days from the date of death or disability, and is subject to all of the terms and conditions in this Section 18, except that any transferee that is the spouse or immediate family member of the deceased, will not have to pay the transfer fee described in Section 18.2.j if the Transfer meets all the other conditions in Section 18.2, and the transferee reimburses Franchisor for any direct costs that it incurs in connection with documenting and otherwise processing such Transfer, including reasonable attorneys' fees. The term "**disability**" means a mental or physical disability, impairment, or condition that is reasonably expected to or actually prevent(s) such person from fulfilling such person's respective duties under this Agreement, as applicable. If the Restaurant is not being managed properly at any time from and after the death or disability of Franchisee (if Franchisee is an individual), the Controlling Principal (if Franchisee is a Business Entity) or Franchisee's general manager, in Franchisor's sole judgment, Franchisor may, but need not, operate the Restaurant on an interim basis (or appoint a third party to operate the Restaurant on an interim basis) in accordance with Section 16.3.

18.6 Public or Private Offerings. Written information used to raise or secure funds can reflect upon Franchisor and the System. Franchisee agrees to submit any written information intended to be used for that purpose to Franchisor before inclusion in any registration statement, prospectus, or similar offering memorandum. Should Franchisor object to any reference to Franchisor or its Affiliates or any of Franchisor's business in the offering literature or prospectus, the literature or prospectus shall not be used until Franchisor's objections are withdrawn. Franchisee may not engage in a public offering of securities without Franchisor's prior written consent.

18.7 Transfer by Franchisor. Franchisor and any holder of an ownership interest in Franchisor may voluntarily, involuntarily, directly, or indirectly sell, assign, transfer, license, sublicense, sublease, collaterally assign, grant a security, collateral or conditional interest, inter vivos transfer, testamentary disposition or other disposition of all or any part of its rights or obligations under this Agreement or any ownership interest in Franchisor to any person. Franchisee agrees not to interfere in or to attempt to interfere with a proposed transfer by Franchisor or its owners. Franchisor may sell its assets, Marks or the System to any third party; may offer its securities privately or publicly; may merge, spin-off, acquire other corporations, and/or be acquired by another corporation; may undertake a refinancing, recapitalization, leveraged buyout, or other economic or financial restructuring; and with regard to any or all of the above sales, assignments, and dispositions, Franchisee expressly and specifically waives any claims, demands, or damages against Franchisor arising from or related to the transfer of the Marks (or any variation of such Marks) or the System from Franchisor to any other party. Upon assignment of its rights under this Agreement, Franchisor will be released from all further liability hereunder. Nothing contained in this Agreement requires Franchisor to offer any services or products, whether or not bearing the Marks, to Franchisee if Franchisor assigns its rights in this Agreement.

## 19. INDEPENDENT CONTRACTOR; INDEMNIFICATION

19.1 Independent Contractors. This Agreement does not constitute Franchisee as an agent, legal representative, joint venturer, partner, employee, or servant of Franchisor for any purpose whatsoever; and it is understood between the parties that Franchisee shall be an independent contractor and is in no way authorized to make any contract, agreement, warranty or representation on behalf of Franchisor, or to create any obligation, express or implied, on behalf of Franchisor. Under no circumstances shall Franchisor be liable for any act, omission, debt or any other obligation of Franchisee.

19.2 Notice of Franchise Relationship. Franchisee shall prominently display, by posting of a sign within public view, and on all forms and other written materials as required by Franchisor, a statement that clearly indicates that said business is independently owned and operated by Franchisee as a JERSEY MIKE'S franchisee of Franchisor and not as an agent of Franchisor.

19.3 Indemnification. Franchisee and each of its Principals shall indemnify, hold harmless and timely defend Franchisor, Franchisor's Affiliates and their respective officers, directors, shareholders, partners, employees, agents, successors and assigns (collectively, "**Indemnified Parties**") from and against any and all claims, demands, legal proceedings, administrative inquiries, investigations and proceedings, damages, losses, judgments, settlements, fines, penalties, remedial actions, costs and expenses (including attorneys' fees) asserted against, incurred or sustained by any Indemnified Party, whether or not separately insured, that relate to or arise out of (a) Franchisee's operation of the Restaurant; (b) use of any Online Presences; (c) any acts or claims instituted by Franchisee's employees or any third party related to Franchisee's employment practices; or (d) any acts, errors, or omissions of Franchisee or any of its Principals, Affiliates, independent contractors, and/or employees and any such other third parties, without regard to the cause or causes of the acts, errors, or omissions or the negligence (whether that negligence is sole, joint, or concurrent, and whether active or passive) or strict liability of Franchisor or any other party or parties arising in connection therewith.

Franchisor may elect (but under no circumstance will be obligated) to undertake or assume the defense of any such claim, demand, inquiry, investigation or proceeding (an "**Indemnified Matter**"), and to conduct and supervise all settlement negotiations related to any Indemnified Matter. However, Franchisee shall pay the legal fees and other expenses Franchisor incurs in connection with the investigation, defense and settlement of any Indemnified Matter Franchisor undertakes to defend or assume. Franchisor's election to undertake or assume the defense or settlement of an Indemnified Matter will in no way or circumstance extinguishes or diminishes Franchisee's obligation to indemnify and hold the Indemnified Parties harmless for the same.

Franchisee alone shall be responsible for all loss or damage originating in or in connection with the operation of its business and for all claims or demands for damages to property or for injury, illness or death of persons directly or indirectly resulting from its JERSEY MIKE'S Restaurant operations and Franchisee agrees to indemnify and hold Franchisor harmless from any such claims, loss or damage.

## 20. NON-WAIVER

No failure of Franchisor to exercise any power reserved to it in this Agreement, or to insist upon compliance by Franchisee with any obligation or condition in this Agreement, and no custom or practice of the parties at variance with the terms of this Agreement, shall constitute a waiver of Franchisor's rights to demand exact compliance with the terms of this Agreement. Waiver by Franchisor of any particular default shall not affect or impair Franchisor's right in respect to any subsequent default of the same or of a different nature, nor shall any delay, forbearance, or omission of Franchisor to exercise any power or right arising

out of any breach or default by Franchisee of any of the terms, provisions, or covenants of this Agreement, affect or impair Franchisor's rights, nor shall the same constitute a waiver by Franchisor of any rights hereunder or rights to declare any subsequent breach or default. Subsequent acceptance by Franchisor of any payment(s) due to it hereunder shall not be deemed to be a waiver by Franchisor of any preceding breach by Franchisee of any terms, covenants or conditions of this Agreement.

The following provision applies if Franchisee or the franchise granted hereby are subject to the franchise registration or disclosure laws in California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Rhode Island, South Dakota, Virginia, Washington, or Wisconsin: No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (a) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (b) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

## 21. NOTICES

All notices required or permitted under this Agreement shall be in writing and be personally delivered or mailed by certified mail, return receipt requested, or by a nationally recognized commercial courier service (e.g., Federal Express, UPS) to the respective parties at the addresses specified in the Summary Pages, unless otherwise designated such party in writing. All written notices, reports and payments permitted or required to be delivered by this Agreement or the Manual will be deemed to be delivered on the earlier of the time actually delivered, or as follows: (a) at the time delivered via electronic transmission (if the sender has confirmation of successful transmission) and, in the case of the Continuing Royalty Fees, Corporate Advertising and Development Fund Payments and National Media Fund Payments, at the time received via electronic payment; (b) one (1) day after being placed in the hands of a nationally recognized commercial courier service for next day delivery; or (iii) three (3) days after placement in United States Mail by Registered or Certified Mail, Return Receipt Requested, postage prepaid. Any notice that Franchisor sends to Franchisee by electronic means will be deemed delivered if it is sent to the email address of the Controlling Principal listed on the Summary Pages or any other email address the Controlling Principal has notified Franchisor of in writing, and/or any branded email address Franchisor issues such Controlling Principal.

## 22. COST OF ENFORCEMENT OR DEFENSE

The prevailing party in any arbitration or litigation involving the parties, their Affiliates, or their respective officers, directors, members, partners, shareholders or representatives shall be entitled to receive from the non-prevailing party all its costs and expenses of obtaining such relief. This includes, but is not limited to, court costs, arbitration costs and attorneys' fees, which the prevailing party may incorporate into the terms of any judgment, order or relief granted to the prevailing party.

## 23. ENTIRE AGREEMENT

This Agreement, the attached Exhibits (including the Summary of Acknowledgments), the Summary Pages, and the documents referred to in this Agreement, shall be construed together and constitute the entire, full and complete agreement between Franchisor and Franchisee concerning its subject matter, and shall supersede all prior agreements. With the exception of the Disclosure Document described in Section 30.2, no other representation has induced Franchisee to execute this Agreement, and there are no representations, inducements, promises, or agreements oral or otherwise, between the parties not embodied specifically in this Agreement, which are of any force or effect with reference to this Agreement. Nothing

in this Agreement or in any related agreement, however, is intended to disclaim the representations Franchisor made in the Franchise Disclosure Document that Franchisor furnished to Franchisee. Except for those changes which Franchisor may make unilaterally in accordance with this Agreement, no amendment, change or variance from this Agreement shall be binding on either party unless signed in writing by both parties.

## 24. SEVERABILITY AND CONSTRUCTION; SURVIVAL

24.1 Severability. Each paragraph, part, term and/or provision of Agreement shall be considered severable, and if, for any reason, any paragraph, part, term and/or provision of this Agreement is determined to be invalid and contrary to, or in conflict with any existing or future law or regulation, such shall not impair the operation of or affect the remaining portions, paragraphs, parts, terms and/or provisions of this Agreement, and the latter will continue to be given full force and effect and bind the parties; and said invalid paragraphs, parts, terms and/or provisions shall be deemed not part of this Agreement; *provided*, however, that if Franchisor determines that said findings of illegality adversely affects the basic consideration of this Agreement, Franchisor may, at its option, terminate this Agreement.

24.2 Successors and Assigns. Nothing in this Agreement shall be deemed to confer upon any person or legal entity other than Franchisor or Franchisee, and such of their respective successors and assigns as may be contemplated by this Agreement, any rights or remedies under or by reason of this Agreement.

24.3 Construction. Franchisee expressly agrees to be bound by any promise or covenant imposing the maximum duty permitted by law which is contained within the terms of any provision of this Agreement, as though it were separately stated in and made a part of this Agreement, that may result from striking from any of the provisions or any portion or portions which a court may hold to be unreasonable and unenforceable in a final decision to which Franchisor is a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order.

The introductory recitals described in this Agreement are specifically incorporated into the terms of this Agreement and hereby constitute a material part of this Agreement. All captions in this Agreement are intended solely for the convenience of the parties, and none shall be deemed to affect the meaning or construction of any provision of this Agreement. The singular usage includes the plural and the masculine and neuter usages include the other and the feminine. "**Including**" in each case, shall mean "including, without limitation."

24.4 Survival. The provisions of this Agreement relating to confidentiality, non-competition, information security, and indemnification, including Section 7, Section 15, and Section 20 of this Agreement shall survive any termination or expiration of this Agreement for any reason.

## 25. APPLICABLE LAW, MEDIATION AND ARBITRATION

25.1 Applicable Law. This Agreement takes effect upon its acceptance and execution by Franchisor. This Agreement and the rights of the parties shall be interpreted and construed under the laws of New Jersey, which laws shall prevail in the event of any conflict of law, provided that, if the Restaurant is located outside New Jersey, under no circumstances will the New Jersey Franchise Practices Act (N.J. Stats. Ann. Sec. 56: 10-1 *et seq*.), or any other law regulating the offer or sale of franchises or governing the relationship between a franchisor and a franchisee, apply to this Agreement or the parties' relationship unless the jurisdictional scope of such laws are independently met without reference to this Section 25.1. If any provision of this Agreement would not be enforceable under the laws of New Jersey, the Restaurant is

located outside of New Jersey, and the particular provision would be enforceable under the laws of the state in which the Restaurant is located, then such provision shall be interpreted and construed under the laws of that state. Nothing in this Section 25 is intended by the parties to subject this Agreement to any franchise or similar law, rule, or regulation of the state of New Jersey to which it would not otherwise be subject.

25.2 Mediation. Except as otherwise provided in this Agreement, any claim or controversy arising out of or related to this Agreement, or the making, performance, breach, or interpretation of this Agreement, except for any actions brought with respect to: (a) ownership or use of the Marks; (b) securing injunctive relief pursuant to Section 25.4 of this Agreement; (c) any covenant listed within Section 15 or condition within Sections 16 or 17 of this Agreement; and/or (d) the right to indemnification or the manner in which it is exercised; shall first be the subject of an informal meeting between the parties to resolve the dispute and then subject to non-binding mediation. The parties agree to conduct the mediation in accordance with the then-current commercial mediation procedures of the American Arbitration Association (the "**AAA**"), except to the extent the rules conflict with this Agreement, in which case this Agreement shall control. However, the mediation need not be administered by the AAA unless the parties cannot agree upon the selection of a mediator within thirty (30) days of the receipt of the written notice of mediation, in which case either party may commence a mediation proceeding by making a request for mediation to the AAA regional office closest to Monmouth County, New Jersey, with a copy to the other party, which notice shall describe with specificity the nature of the dispute and the relief sought. Both parties are obligated to engage in the mediation.

Regardless of which party initiates the mediation, the parties agree to conduct the mediation at a suitable location chosen by the mediator in Monmouth County, New Jersey. The mediation will be conducted by a single mediator with no past or present affiliation or conflict with any party to the mediation. In the event the parties cannot agree on a mediator and the AAA administers the mediation, the AAA shall provide the parties with a list of mediators, and the parties will have ten (10) days from receipt to agree upon a mediator from the list. If neither party advises the AAA in writing of an agreement within ten (10) days of receipt of such list, the AAA shall appoint the mediator.

The fees and expenses of the AAA (or other administrator), if applicable, and the mediator's fee, shall be shared equally among the parties. Each party shall bear its own attorneys' fees and other costs incurred in connection with the mediation irrespective of the outcome of the mediation or the mediator's evaluation of each party's case. The mediation shall occur within thirty (30) days after selection of the mediator.

Franchisee is prohibited from commencing any formal legal action against Franchisor or its Affiliates, and, except as provided in this Section 25.2, Franchisor is prohibited from commencing any formal legal action against Franchisor or its Affiliates with respect to any claim or dispute subject to mediation unless mediation proceedings have been terminated either as the result of a written declaration (a) of the mediator(s), stating that further mediation efforts are not worthwhile; or (b) of Franchisor. Franchisor reserves the right to specifically enforce its right to mediation. Mediation shall not defer or suspend Franchisor's exercise of any termination right under this Agreement.

25.3 Binding Arbitration Following Mediation. Franchisor and Franchisee agree that all controversies, disputes, or claims between Franchisor and any of Franchisor's Affiliates, and any of its or their respective shareholders, officers, directors, agents, or employees, and Franchisee or its owners, guarantors, Affiliates or employees arising out of or related to: (a) this Agreement or any other agreement between Franchisee and its Principal(s), on one hand, and Franchisor or its Affiliates, on the other hand; (b) Franchisor's relationship with Franchisee; and/or (c) any System Standard, must be submitted for binding arbitration, on demand of either party (including all controversies, disputes, or claims not resolved through

mediation in accordance with Section 25.2). The arbitrator shall be selected by mutual agreement of the parties. If the parties are unable to agree, the assignment judge of Monmouth County, New Jersey shall select the arbitrator. In the event the assignment judge of Monmouth County, New Jersey is unable or unwilling to select the arbitrator, the assignment judge of Ocean County, New Jersey shall select the arbitrator. All proceedings will be conducted at a suitable location chosen by the arbitrator in Monmouth County, New Jersey. All matters relating to arbitration will be governed by the Federal Arbitration Act (9 U.S.C. §§ 1 *et seq*.). The interim and final award of the arbitrator shall be final and binding upon each party, and judgment upon the arbitrator's awards may be entered in any court of competent jurisdiction.

The arbitrator has the right to award or include in its award any relief which it deems proper, including money damages, pre- and post-award interest, interim costs and attorneys' fees, specific performance and injunctive relief; provided that the arbitrator may not declare any of the trademarks owned by Franchisor or any of Franchisor's Affiliates generic or otherwise invalid or award any punitive or exemplary damages to any party to the arbitration proceeding. At the conclusion of the arbitration, the arbitrator shall award to the prevailing party its attorneys' fees and costs.

Franchisor and Franchisee agree to be bound by the provisions of any applicable contractual or statutory limitation provision, whichever expires earlier. Franchisor and Franchisee further agree that, in any arbitration proceeding, each party must submit or file any claim which would constitute a compulsory counterclaim (as defined by Rule 13 of the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any claim which is not submitted or filed as required is forever barred. The arbitrator may not consider any settlement discussions or offers that might have been made by either Franchisee or Franchisor.

Franchisor reserves the right, but has no obligation, to advance Franchisee's share of the costs of any arbitration proceeding in order for such arbitration proceeding to proceed and by doing so shall not be deemed a waiver or relinquishment of Franchisor's right to seek the recovery of those costs in accordance with this Agreement or otherwise.

The provisions of this Section 25 will continue in full force and effect subsequent to and notwithstanding the termination of this Agreement, and are intended to benefit and bind certain third-party non-signatories

SUBJECT TO FRANCHISEE'S OBLIGATION TO ENGAGE IN MEDIATION AND ARBITRATION, FRANCHISEE AND ITS PRINCIPAL(S) ACKNOWLEDGE AND AGREE THAT ALL ACTIONS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR OTHERWISE AS A RESULT OF THE RELATIONSHIP BETWEEN FRANCHISOR AND FRANCHISEE MUST BE COMMENCED EXCLUSIVELY IN MONMOUTH COUNTY, NEW JERSEY AND FRANCHISEE IRREVOCABLY AGREES THAT THE FOLLOWING COURTS SHALL HAVE EXCLUSIVE JURISDICTION OVER ANY CLAIMS FRANCHISEE OR ITS PRINCIPAL(S) AND/OR AFFILIATES OR OTHER RESPECTIVE PRINCIPALS MAY BRING AGAINST FRANCHISOR, AND ANY OF FRANCHISOR'S AFFILIATES, OR THEIR RESPECTIVE SHAREHOLDERS, OFFICERS, DIRECTORS, AGENTS OR EMPLOYEES (AND WAIVES ANY OBJECTION TO THE JURISDICTION AND/OR THE VENUE IN SUCH COURTS): (1) THE UNITED STATES DISTRICT COURT FOR NEW JERSEY; OR (2) THE SUPERIOR COURT OF THE STATE OF NEW JERSEY FOR THE COUNTY OF MONMOUTH. IN ITS DISCRETION, FRANCHISOR MAY BRING ANY CLAIM INVOLVING A PRAYER FOR INJUNCTIVE RELIEF OR OTHER EXTRAORDINARY RELIEF IN ANY COURT OF COMPETENT JURISDICTION.

No right or remedy conferred upon or reserved to Franchisor or Franchisee by this Agreement is intended to be, nor shall be deemed, exclusive of any other right or remedy in this Agreement or by law or equity provided or permitted, but each shall be cumulative of every other right or remedy.

25.4 Injunctive Relief; Specific Performance. Nothing in this Agreement bars Franchisor's right to obtain specific performance of the provisions of this Agreement and injunctive relief against any threatened or actual conduct that will cause Franchisor, the Marks or the System loss or damage, under customary equity rules, including applicable rules for obtaining restraining orders and temporary or preliminary injunctions. Franchisee agrees that Franchisor will not be required to post a bond to obtain injunctive relief and that Franchisee's only remedy if an injunction is entered against Franchisee will be the dissolution of that injunction, if warranted, upon due hearing (all claims for damages caused by issuance of an injunction being expressly waived hereby). In any case in which Franchisor is entitled to injunctive relief pursuant this Agreement, such an injunction or order will bind not only Franchisee, but also Franchisee's officers, agents, servants, employees, attorneys, and others who act in concert with Franchisee.

25.5 Waiver of Punitive Damages. EXCEPT FOR FRANCHISEE'S OBLIGATION TO INDEMNIFY FRANCHISOR FOR THIRD-PARTY CLAIMS UNDER SECTION 19 OR FOR CLAIMS FOR TREBLE DAMAGES IN APPROPRIATE CASES UNDER THE U.S. TRADEMARK ACT OF 1946 (LANHAM ACT, 15 U.S.C. §1051 AND THE SECTIONS THEREAFTER), FRANCHISOR AND FRANCHISEE (AND FRANCHISEE'S OWNERS) WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE OR EXEMPLARY DAMAGES AGAINST THE OTHER AND AGREE THAT, IN THE EVENT OF A DISPUTE BETWEEN FRANCHISOR AND FRANCHISEE, THE PARTY MAKING A CLAIM WILL BE LIMITED TO EQUITABLE RELIEF AND TO RECOVERY OF ANY ACTUAL DAMAGES IT SUSTAINS. FRANCHISOR AND FRANCHISEE IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION OR PROCEEDING BROUGHT BY EITHER PARTY.

## 26. LIMITATIONS OF CLAIMS; CLASS ACTION BAR

EXCEPT FOR CLAIMS ARISING FROM FRANCHISEE'S NON-PAYMENT OR UNDERPAYMENT OF AMOUNTS FRANCHISEE OWES FRANCHISOR AND FRANCHISEE'S INDEMNIFICATION OBLIGATIONS PURSUANT TO SECTION 19 OF THIS AGREEMENT, ANY AND ALL CLAIMS ARISING OUT OF OR RELATING TO THIS AGREEMENT OR FRANCHISOR'S RELATIONSHIP WITH FRANCHISEE, WILL BE BARRED UNLESS A JUDICIAL OR ARBITRATION PROCEEDING IS COMMENCED IN ACCORDANCE WITH THIS AGREEMENT WITHIN ONE (1) YEAR FROM THE DATE ON WHICH THE PARTY ASSERTING THE CLAIM KNEW OR SHOULD HAVE KNOWN OF THE FACTS GIVING RISE TO THE CLAIMS.

FRANCHISOR AND FRANCHISEE AGREE THAT ANY PROCEEDING WILL BE CONDUCTED ON AN INDIVIDUAL BASIS AND THAT ANY PROCEEDING BETWEEN FRANCHISOR AND ANY OF FRANCHISOR'S AFFILIATES, OR THEIR RESPECTIVE SHAREHOLDERS, OFFICERS, DIRECTORS, AGENTS, AND EMPLOYEES, ON THE ONE HAND, AND FRANCHISEE (OR ANY OF FRANCHISEE'S OWNERS, GUARANTORS, AFFILIATES, OR EMPLOYEES), ON THE OTHER HAND, MAY NOT BE: (I) CONDUCTED ON A CLASS-WIDE BASIS, (II) COMMENCED, CONDUCTED OR CONSOLIDATED WITH ANY OTHER PROCEEDING, (III) JOINED WITH ANY CONTROVERSY, DISPUTE OR CLAIM OF AN UNAFFILIATED THIRD PARTY, OR (IV) BROUGHT ON FRANCHISEE'S BEHALF BY ANY ASSOCIATION OR AGENT. NO PREVIOUS COURSE OF DEALING SHALL BE ADMISSIBLE TO EXPLAIN, MODIFY, OR CONTRADICT THE TERMS OF THIS AGREEMENT. NO IMPLIED COVENANT OF GOOD FAITH AND FAIR DEALING SHALL BE USED TO ALTER THE EXPRESS

TERMS OF THIS AGREEMENT. Notwithstanding the foregoing or anything to the contrary in this Section 26, if any court or arbitrator determines that all or any part of the preceding sentence is unenforceable with respect to a dispute that otherwise would be subject to arbitration under this Section 26, then all parties agree that this arbitration clause shall not apply to that dispute and that such dispute shall be resolved in a judicial proceeding in accordance with the dispute resolution provisions of this Agreement.

## 27. FRANCHISOR'S BUSINESS JUDGMENT

Notwithstanding any contrary provisions contained in this Agreement, Franchisor and Franchisee acknowledge and agree that this Agreement and the relationship between Franchisor and Franchisee arising therefrom grants Franchisor the discretion to make decisions, take actions and/or refrain from taking actions that may affect favorably or adversely Franchisee's interests. As such, Franchisor will use its business judgment in exercising such discretion based on Franchisor's assessment of Franchisor's own interests and balancing those interests against the interests, promotion and benefit of the System and JERSEY MIKE'S Restaurants generally, without considering Franchisee's individual interests or the individual interests of any other particular franchisee. Franchisee agrees that whenever this Agreement allows or requires Franchisor to take actions or make decisions, Franchisor may in doing so exercise its sole and unfettered discretion, even if Franchisee believes Franchisor's action or decision is unreasonable, unless the Agreement expressly and specifically requires that Franchisor acts reasonably or refrains from acting unreasonably in connection with the particular action or decision.

IF FRANCHISOR TAKES ANY ACTION (INCLUDING NO ACTION) IN ITS DISCRETION WITH REGARD TO ANY MATTER RELATED TO THIS AGREEMENT AND SUCH (IN)ACTION IS CHALLENGED FOR ANY REASON, THE PARTIES EXPRESSLY DIRECT THE TRIER OF FACT THAT FRANCHISOR'S RELIANCE ON A BUSINESS REASON IN THE EXERCISE OF ITS DISCRETION IS TO BE VIEWED AS A REASONABLE AND PROPER EXERCISE OF SUCH DISCRETION, WITHOUT REGARD TO WHETHER OTHER REASONS FOR FRANCHISOR'S DECISION MAY EXIST AND/OR WHETHER THE TRIER OF FACT WOULD INDEPENDENTLY ACCORD THE SAME WEIGHT TO SUCH BUSINESS REASON. FRANCHISOR WILL HAVE NO LIABILITY TO FRANCHISEE FOR THE EXERCISE OF ITS DISCRETION IN THIS MANNER CONSISTENT WITH THIS SECTION 27.

## 28. PROHIBITED PARTIES

Franchisee and its Principals represent and warrant to Franchisor that neither Franchisee, nor any Principal, nor any of its or their respective Affiliates or representatives is now or has been identified, either by name or any former name, alias, pseudonym or nickname, (a) on the lists of (i) the U.S. Treasury Department's List of Specially Designated Nationals; (ii) the U.S. Commerce Department's Denied Persons List, Unverified List, Entity List, or General Orders; (iii) the U.S. State Department's Debarred List or Nonproliferation Sanctions; or (iv) the Annex to U.S. Executive Order 13224; and/or (b) as a person or entity who assists, sponsors, or supports terrorists or acts of terrorism, or is owned or controlled by terrorists or sponsors of terrorism. Franchisee further represents and warrants to Franchisor that Franchisee and its Principals and/or Affiliates are now, and have been, in compliance with U.S. anti-money laundering and counter-terrorism financing laws and regulations, and that any funds provided by Franchisee and its Principals and/or Affiliates to Franchisor or its Affiliates are and will be legally obtained in compliance with these laws. Franchisee agrees not to, and to cause its Principal(s), Affiliates, employees, agents, representatives, and any other person or entity associated with the foregoing not to, during the Term, take any action or refrain from taking any action that would cause such person or entity to become a target of any such laws and regulations.

## EXHIBIT C-2 TO THE FRANCHISE AGREEMENT

## GUARANTY AND ASSUMPTION OF OBLIGATIONS

In consideration of, and as an inducement to, the execution of the Franchise Agreement of even date herewith (as amended, modified, restated or supplemented from time to time, the "**Agreement**") by A SUB ABOVE, LLC ("**Franchisor**"), each of the undersigned (each, a "**Guarantor**") hereby warrants, represents and agrees that (a) Franchisee in the Agreement is correctly named, is validly incorporated or organized in all states where it does business and is in good standing in such state; (b) the organizational documents, shareholders' and operating agreements of Franchisee ("**Organizing Documents**"), and any stock or ownership certificates will recite that the terms of the Agreement restricting the issuance of additional interests in Franchisee and any transfers of any interest in Franchisee or in the assets of Franchisee's business without Franchisor's approval; (c) the list of persons having an ownership interest in Franchisee on the Summary Pages is accurate and complete and there are no other owners of any beneficial or legal interest in Franchisee; (d) the person or persons listed on the Summary Pages as authorized signatories have the authority to bind Franchisee; (e) the Organizing Documents of Franchisee shall not be modified or amended without first obtaining any necessary consent of Franchisor; (f) there shall be no change in the Controlling Principal without prior consent of Franchisor; (g) they will refrain from any action which would constitute a breach of the provisions of the Agreement relating to transfers, including, without limitation, Franchisor's options to purchase and the provisions of Section 17, by either Franchisee or the Guarantor(s) without first obtaining the consent of Franchisor to any proposed transfers; (h) that they will notify Franchisor immediately if they become aware of any actions that would be a breach of the Agreement provisions relating to transfers and shall timely take such steps as are necessary to correct such breach; and (i) that Franchisor is not obligated to recognize any transfers which constitute a breach of the Agreement, that such transfers are void and that any later applied for approval may be rejected by Franchisor in the exercise of its sole discretion. If Franchisee is not a corporation, limited liability company, or general, limited, or limited liability partnership, subparagraphs (a), (b), (c), (d) and (e) shall not apply.

Each Guarantor also personally and unconditionally (a) guarantees to Franchisor and its successors and assigns, for the term of the Agreement and thereafter as provided in the Agreement, that _____ ("**Franchisee**") shall punctually pay and perform each and every undertaking, agreement and covenant described in the Agreement; (b) agrees personally to be bound by, and personally liable for the breach of, each and every provision in the Agreement, both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities including, without limitation, the provisions of Section 15; and (c) acknowledges that he is included in the term "**Principal**" (as defined in Section 29) as used in the Agreement and makes all of the covenants, representations, warranties and agreements of Principals set out in the Agreement. Each Guarantor waives: (i) acceptance and notice of acceptance by Franchisor of the foregoing undertakings; (ii) notice of demand for payment of any indebtedness or non-performance of any obligations hereby guaranteed; (iii) protest and notice of default to any party with respect to the indebtedness or non-performance of any obligations hereby guaranteed; (iv) any right it may have to require that an action be brought against Franchisee or any other person as a condition of liability; and (v) any and all other notices and legal or equitable defenses to which it may be entitled.

Each Guarantor consents and agrees that: (a) its direct and immediate liability under this guarantee shall be joint and several; (b) it shall render any payment or performance required under the Agreement upon demand if Franchisee fails or refuses punctually to do so; (c) such liability shall not be contingent or conditioned upon pursuit by Franchisor of any remedies against Franchisee or any other person; and (d) such liability shall not be diminished, relieved or otherwise affected by any extension of time, credit or other indulgence which Franchisor may from time to time grant to Franchisee or to any other person

including, without limitation, the acceptance of any partial payment or performance, or the compromise or release of any claims, none of which shall in any way modify or amend this guarantee, which shall be continuing and irrevocable during the term of the Agreement.

Each Guarantor represents and warrants that, if no signature appears below for such Guarantor's spouse, such Guarantor is either not married or, if married, is a resident of a state which does not require the consent of both spouses to encumber the assets of a marital estate.

By signing below, the undersigned spouse of each Guarantor indicated below, acknowledges and consents to the guaranty given herein by his/her spouse. Such consent also serves to bind the assets of the marital estate to Guarantor's performance of this Guaranty. Franchisor confirms that a spouse who signs this Guaranty solely in his or her capacity as a spouse (and not as an owner) is signing merely to acknowledge and consent to the execution of the Guaranty by his or her spouse and to bind the assets of the marital estate as described therein and for no other purpose (including, without limitation, to bind the spouse's own separate property).

[*Signature Page Follows*]

**IN WITNESS WHEREOF**, each of the undersigned has affixed his, her, or its signature on the same day and year as the Agreement was executed.

# INDEPENDENT AUDITOR'S REPORT

To the Board of Directors and Parent of
A Sub Above, LLC:

## Opinion

We have audited the financial statements of A Sub Above, LLC (the "Company"), which comprise the balance sheets as of December 28, 2025 (successor) and December 31, 2024 (predecessor), and the related statements of operations, changes in equity, and cash flows for the periods from January 16, 2025 to December 28, 2025 (successor), from January 1, 2025 to January 15, 2025 (predecessor), and for the years ended December 31, 2024 and 2023 (predecessor), and the related notes to the financial statements (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 28, 2025 (successor) and December 31, 2024 (predecessor), and the results of its operations and its cash flows for the periods from January 16, 2025 to December 28, 2025 (successor), January 1, 2025 to January 15, 2025 (predecessor), and for the years ended December 31, 2024 and 2023 (predecessor), in accordance with accounting principles generally accepted in the United States of America.

## Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

## Auditor's Responsibilities for the Audit of the Financial Statements

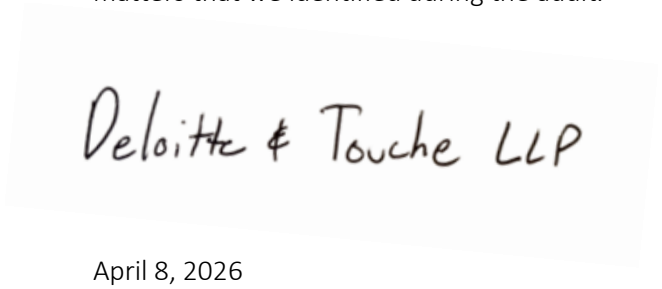

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and

therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

# A Sub Above, LLC
## Notes to Financial Statements

(Unless otherwise noted, all amounts are in thousands)

## 1. DESCRIPTION OF BUSINESS AND NATURE OF OPERATIONS

**Description of Business** — A Sub Above, LLC (the "Company" or "Franchisor") was formed as a Delaware limited liability company as a result of the initial 2019 Securitization Transaction, which is further described in Note 3—Securitization Transactions. The Company is a direct, wholly owned subsidiary of Jersey Mike's Funding, LLC (the "Master Issuer" or the "Member"), which is a direct, wholly owned subsidiary of JM SPV Guarantor, LLC, which is a direct, wholly owned subsidiary of Jersey Mike's Franchise Systems, LLC (the "Manager"), which is a direct, wholly owned subsidiary of Jersey Mike's Holdco, LLC ("the Parent"). Jersey Mike's HoldCo LLC, a new Delaware limited liability company, was formed on January 7, 2025, pursuant to the acquisition ("Sponsor Acquisition") to indirectly hold all of the equity interest of Jersey Mike's Franchise Systems, LLC, the historical operating entity prior to the formation of the Jersey Mike's Holdco, LLC. The Company is in the business of franchising and operating Jersey Mike's restaurants.

On January 16, 2025, 90% of the equity interest in Jersey Mike's HoldCo, LLC was acquired by Submarine Buyer LLC, a Delaware limited liability company controlled by affiliates of Blackstone Inc. The remaining 10% noncontrolling interest was retained by Original 56ers, Inc. (formerly Jersey Mike's Inc.), a Delaware corporation controlled by the Company's founder. Refer to Note 3, Business Combinations, for additional information.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

***Basis of Presentation***

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP"). The accompanying financial statements includes all accounts of the Company, which has no subsidiaries.

As a result of the acquisition of Jersey Mike's Holdco, LLC that occurred on January 16, 2025, the Company has presented the results for fiscal year 2025 as two separate periods. The Predecessor period refers to the timeframe prior to January 16, 2025, which was before the Sponsor Acquisition. The Successor period refers to the period beginning on January 16, 2025, and reflects the financial statements of the Company after the Sponsor Acquisition. The Parent elected to apply pushdown accounting to the Company's separate financial statements and A Sub Above's assets and liabilities were adjusted to fair value on the closing date of the Sponsor Acquisition. Due to the change in the basis of accounting, the financial statements for the Predecessor and the Successor are not necessarily comparable. Where applicable, a black line separates the Successor and Predecessor periods to highlight the lack of comparability. Refer to Note 3, Business Combinations for additional information.

***Use of Estimates***

The preparation of the financial statements in conformity with U.S. GAAP requires management to make estimates and assumptions, primarily related to long-lived asset valuation, indefinite and finite lived intangible

asset valuation, and contingencies. These estimates and assumptions affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Although management bases its estimates on historical experience and assumptions that are believed to be reasonable under the circumstances, actual results could differ from those estimates.

***Fiscal Year***

On December 12, 2025, the Board of Directors of Jersey Mike's Holdco, LLC approved a change in the Company's fiscal year end from December 31 to a 52/53-week fiscal year that ends on the last Sunday of the calendar year for Jersey Mike's Holdco, LLC and all of its subsidiaries. This change is effective for fiscal year ended December 28, 2025 and applied prospectively. Prior-period operating results were not adjusted and remain presented on a calendar basis. While the shift affects comparability of fiscal quarters and the annual period for the year ending December 28, 2025, the impact is not material. Due to the fiscal year change, the years ended December 28, 2025, December 31, 2024 and December 31, 2023 contained 362 days (comprised of 347 days in the Successor period and 15 days in the Predecessor period), 366 days and 365 days, respectively.

***Cash and Cash Equivalents***

The Company continually monitors its positions with, and the credit quality of, the financial institutions in which it maintains its deposits and investments. As of December 28, 2025 and December 31, 2024, the Company maintained balances in various cash accounts in excess of federally insured limits. Highly liquid investments with an original maturity of three months or less are considered cash equivalents.

***Restricted Cash***

During 2025, the Company adopted the Parent's restricted cash accounting policy. The change has been applied retrospectively to all periods presented and no balances met the definition of restricted cash in any periods presented. Accordingly, the adoption had no impact on total cash, net income, or cash flows.

***Accounts Receivable***

Accounts receivable, net of allowance for credit losses, primarily consists of accrued royalty fees, which are collected weekly in arrears. Historically, the Company has not incurred significant losses related to its Accounts receivable and do not believe there to be a meaningful risk of loss.

The Company determines the allowance for credit losses on Accounts receivable using the Current Expected Credit Losses model in accordance with Accounting Standards Codification ("ASC") 326. Expected credit losses are estimated based on historical collections experience, current economic conditions, and forecasts that affect the collectability of the receivables. Accounts are written off when they are deemed uncollectible, generally after they are 120 days past due and collection efforts have been exhausted. Recoveries of amounts previously written off are recorded upon receipt. The allowance for credit losses is evaluated at each reporting date and adjusted as necessary based on changes in expected credit losses.

***Intangible Assets***

Intangible assets with a finite life are amortized on a straight-line basis over the remaining estimated useful life of the asset. The Company's indefinite lived intangible assets, which are not subject to amortization, consist of

trademarks. On an annual basis (October 1st of each year) and whenever events or changes in circumstances indicate that the carrying amounts may not be recoverable, the Company reviews the recoverability of its indefinite-lived intangible assets. No indications of impairment were identified for the periods from January 16 to December 28, 2025 and January 1 to January 15, 2025, or for the years ended December 31, 2024 and 2023. It is possible that changes in circumstances or changes in management's judgments, assumptions, and estimates could result in an impairment charge of a portion or all of its intangible assets.

| Intangible Assets | Estimated Useful Lives |
|---|---|
| Trade Name | Indefinite |
| Reacquired franchise rights | 3 to 6 years |
| Franchise agreements | 20 years |
| Technology | 5 years |
| Other intangible assets | 10 - 40 years |

***Capitalized Software***

The Company capitalizes the costs of software developed for internal-use and website design when the preliminary project stage is completed and management believes it is probable that the project will be completed and the software or website design will be used to perform the function intended. These costs are amortized on a straight-line basis commencing when such software and website design is ready for its intended use. Software development costs related to preliminary project activities and post-implementation and maintenance activities are expensed as incurred. The Company states capitalized software at cost less accumulated amortization within Intangible assets, net on the Balance Sheets.

***Impairment of Long-Lived Assets***

The Company evaluates long-lived assets for impairment whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. Recoverability is assessed by comparing the carrying amount of an asset or asset group to the estimated future undiscounted cash flows expected to result from its use. If the carrying amount is not recoverable, an impairment loss is recognized for the amount by which the carrying amount exceeds fair value. The Company identified no triggering events and recorded no impairments losses for the periods from January 16 to December 28, 2025 and January 1 to January 15, 2025, or for the years ended December 31, 2024 and 2023.

***Change in Accounting Principle***

During 2025, the Company adopted a change in accounting principle related to the identification of performance obligations under its customer contracts. Management believes this change improves financial reporting by aligning the identification of performance obligations with industry practice, enhancing comparability to peers, and reflecting updates to the Company's business arrangements with its franchise owners.

The change impacts the timing of revenue recognition and related classification of deferred revenue. The cumulative effect of the change was recorded as an adjustment to opening retained earnings (within Members' equity) as of January 1, 2023. As a result of the change, as of December 31, 2024, deferred revenue, net of current portion, increased by $8.1 million, while current deferred revenue decreased by $0.6 million on the Balance Sheets. On the Statements of Operations, Royalties, franchise fees and other revenues increased by $0.1 million for the year ended December 31, 2024, and decreased by $0.1 million for the year ended December 31, 2023,

with corresponding impacts to the Statements of Cash flows. As of January 1, 2023, the opening members' equity decreased by $7.5 million. This changes did not impact total contract consideration.

***Revenue Recognition***

The Company provides goods and services in connection with its franchise agreements, consisting of (a) a franchise license, (b) pre-opening services, such as training, and (c) ongoing services, such as access to the supply chain network, management of the advertising contributions, development of training materials and menu items, and store monitoring. In exchange, the Company collects royalties, initial franchise fees and upfront development fees. As these goods and services are highly interrelated, they are accounted for as a single performance obligation, which is satisfied by providing a right to use the Company's intellectual property over the term of each franchise agreement.

Royalties represent sales-based fees calculated as a percentage of franchise store sales, and are recognized as revenue as franchised store sales occur. Amounts are generally payable on a weekly basis. Initial franchise fees and upfront development fees are generally deferred upon receipt and recorded within Unearned franchise fees and Unearned franchise fees - net of current portion on the Balance Sheets. As the Company's performance obligation under development agreements generally consists of an obligation to grant exclusive development rights over a stated term, these development rights are not distinct from franchise agreements, with upfront fees paid by franchise owners for development rights apportioned to each franchised store opened and accounted for as an initial franchise fee. These amounts are recognized as revenue ratably over the term of the related franchise agreement.

**Income Taxes**

The Company is a single-member limited liability company and is treated as a disregarded entity for federal and state income tax purposes. As a result, the Company does not incur U.S. federal income taxes and only incurs minimal state income taxes. It's earnings and losses are ultimately included in the consolidated income tax returns of the Parent. As a result, the accompanying statements of income includes a provision for minimal state income taxes.

**Fair Value Measurements**

Fair value is the price the Company would receive to sell an asset or pay to transfer a liability (exit price) in an orderly transaction between market participants. Assets and liabilities measured or disclosed at fair value are classified within the fair value hierarchy based on the nature of the inputs used in the valuation, as follows:

> **Level 1**—Unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
> **Level 2**—Observable other than quoted prices included in Level 1 that are observable for the asset or liability either directly or indirectly
> **Level 3**—Unobservable inputs for the asset or liability whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which determining fair value requires significant judgment or estimation by Management.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The valuation techniques utilized need to maximize the use of observable inputs and minimize the use of unobservable inputs.

## 3. BUSINESS COMBINATIONS

On November 8, 2024, Jersey Mike's Franchise Systems, LLC's and its equity holders entered into an Equity Purchase Agreement with Submarine Buyer LLC (the "Buyer"), a Delaware limited liability company controlled by affiliates of Blackstone Inc. Pursuant to the Equity Purchase Agreement, Original 56ers, Inc. (Formerly named Jersey Mike's Inc.) ("Seller") formed a new Delaware limited liability company, Jersey Mike's HoldCo LLC, to indirectly hold 100% of the equity interests of Jersey Mike's Franchise Systems, LLC. On January 16, 2025, Jersey Mike's Franchise Systems, LLC was acquired by the Buyer as a new portfolio investment for a purchase price of $6,317 million, which includes a 10% noncontrolling interest attributable to shares retained by the Seller and a maximum additional $250 million in cash payable once 4,000 Jersey Mike's stores are operational worldwide or upon a change in control event (the "Sponsor Acquisition").

The acquisition was accounted for using the acquisition method of accounting which requires, among other things, that the assets acquired and liabilities assumed be recognized at their estimated fair values (based on Level 3 measurements) as of the acquisition date. Estimates of fair value represent management's best estimate and require a complex series of judgments about future events and uncertainties.

Submarine Buyer LLC was identified as the accounting acquirer, and the Company elected to apply pushdown accounting to its separate financial statements in accordance with ASC 805.

As a result of the acquisition and pushdown accounting, A Sub Above, LLC recorded $7,509 million of identifiable intangible assets and $17 million of other acquired assets. The acquired identifiable intangible assets include Franchise Agreements (domestic only), Tradenames and Technology. The fair value of acquired receivables equals the gross contractual amounts receivable. The Company expects to collect all acquired receivables. The fair value of liabilities assumed was $19 million. Goodwill was not pushed down to A Sub Above, LLC.

The Company has finalized the purchase accounting for the acquisition and the total consideration transferred and the fair value of net assets acquired and pushed down to A Sub Above, LLC are as follows:

| | | |
|---|---|---|
| **Consideration transferred to Parent** | | |
| Cash consideration | $ | 5,475,086 |
| Contingent consideration | | 210,000 |
| **Total GAAP consideration transferred to Parent** | $ | 5,685,086 |
| | | |
| Noncontrolling interest of Jersey Mike's HoldCo, LLC | | 631,676 |
| **Total purchase price for allocation by the Parent** | $ | 6,316,762 |
| | | |
| **Allocation of purchase price to the A Sub Above, LLC:** | | |
| Cash and cash equivalents | $ | 13,392 |
| Accounts receivable | | 138 |
| Prepaid expenses | | 17 |
| Services due from Manager - related party | | 3,679 |
| Trade name | | 5,710,000 |
| Franchisee agreements | | 1,749,400 |
| Other intangible assets | | 50,000 |
| Accounts payable and accrued expenses | | (1,488) |
| Unearned franchise fees | | (17,740) |
| **Total fair value of net assets acquired and pushed down to A Sub Above, LLC:** | $ | 7,507,398 |

The fair value of non-controlling interest was measured based on the fair values of net assets acquired at the acquisition date and the portion of ownership not held by the acquirer.

The fair values of the identifiable intangible assets acquired at the acquisition date and pushed down to A Sub Above, LLC are as follows:

| | | Acquisition Date Fair Value | Weight Average Useful Life (Years) |
|---|---|---|---|
| Trade Name | $ | 5,710,000 | Indefinite |
| Franchise agreements | | 1,749,400 | 20 years |
| Technology | | 50,000 | 5 years |
| Total | $ | 7,509,400 | |

The Company amortizes the franchise agreements and technology on a straight-line basis over their respective useful lives.

The intangible assets were valued using the following valuation approaches:

**Trade name**

The trade name was valued using the relief-from-royalty method under the income approach. This method estimates the value of the intangible asset by forecasting the royalties the Company avoids by owning the trademark, adjusting those avoided royalties for taxes, and discounting the resulting after-tax cash flows to present value using an appropriate discount rate. The key inputs and assumptions include projected revenue, royalty rates, discount rates, cash flow forecasts, and obsolescence.

**Franchise agreements**

The domestic and Canadian franchise agreements were valued using the multi-period excess earnings method of the income approach. This involves discounting the projected after-tax cash flows associated with the agreements to present value. The key inputs and assumptions included the Company's estimates of the projected royalties received under the existing franchise agreements and the appropriate discount rate.

**Technology**

The technology was valued using the replacement method under the cost approach, which involves estimating the asset's economic value based on the total costs required to replace it, including both the direct replacement costs and the opportunity costs associated with the underlying technology. The key inputs and assumptions included the Company's historical technology spend, expected obsolescence, and estimated re-creation costs.

## INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of
Jersey Mike's HoldCo, LLC and Subsidiaries:

### Opinion

We have audited the consolidated financial statements of Jersey Mike's HoldCo, LLC and Subsidiaries (the "Company"), which comprise the consolidated balance sheets as of December 28, 2025 (successor) and December 31, 2024 (predecessor), and the related consolidated statements of operations, comprehensive income, changes in members' equity (deficit), and cash flows for the periods from January 16, 2025 to December 28, 2025 (successor), from January 1, 2025 to January 15, 2025 (predecessor), and for the years ended December 31, 2024 and 2023 (predecessor), and the related notes to the consolidated financial statements (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 28, 2025 (successor) and 2024 (predecessor), and the results of its operations and its cash flows for the periods from January 16, 2025 to December 28, 2025 (successor), January 1, 2025 to January 15, 2025 (predecessor), and for the years ended December 31, 2024 and 2023 (predecessor), in accordance with accounting principles generally accepted in the United States of America.

### Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date that the financial statements are available to be issued.

### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that

includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Refer to Note 3, Business Combinations, for additional information.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### *Basis of Presentation*

The accompanying Consolidated Financial Statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

As a result of the Sponsor Acquisition that occurred on January 16, 2025, the Company has presented the results for fiscal year 2025 as two separate periods. The Predecessor period refers to the timeframe prior to January 16, 2025, which was before the Sponsor Acquisition and reflects the financial statements of Jersey Mike's Franchise Systems, LLC. The Successor period refers to the period beginning on January 16, 2025, and reflects the financial statements of the Company after the Sponsor Acquisition. The Company elected to apply pushdown accounting to the Company's separate financial statements and the Jersey Mike's Franchise Systems, LLC's assets and liabilities were adjusted to fair value on the closing date of the Sponsor Acquisition. Due to the change in the basis of accounting, the Consolidated Financial Statements for the Predecessor and the Successor are not necessarily comparable. Where applicable, a black line separates the Successor and Predecessor periods to highlight the lack of comparability. Refer to Note 3, Business Combinations for additional information.

### *Principles of Consolidation*

The Consolidated Financial Statements include the accounts of Jersey Mike's HoldCo, LLC and its wholly owned subsidiaries. All intercompany balances and transactions have been eliminated in consolidation.

### *Fiscal Year*

On December 12, 2025, the Board of Directors of Jersey Mike's HoldCo, LLC approved a change in the Company's fiscal year end from December 31 to a 52/53-week fiscal year that ends on the last Sunday of the calendar year. This change is effective for fiscal year ended December 28, 2025 and applied prospectively. Prior-period operating results were not adjusted and remain presented on a calendar basis. While the shift affects comparability of fiscal quarters and the annual period for the year ending December 28, 2025, the impact is not material. Due to the fiscal year change, the years ended December 28, 2025, December 31, 2024 and December 31, 2023 contained 362 days

(comprised of 347 days in the Successor period and 15 days in the Predecessor period), 366 days and 365 days, respectively.

***Use of Estimates***

The preparation of the Consolidated Financial Statements in conformity with U.S. GAAP requires management to make estimates and assumptions, primarily related to long-lived asset valuation, indefinite and finite lived intangible asset valuation, leases, supplier payment program revenue, income taxes, equity-based compensation, and contingencies. These estimates and assumptions affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the Consolidated Financial Statements and the reported amounts of revenue and expenses during the reporting period. Although management bases its estimates on historical experience and assumptions that are believed to be reasonable under the circumstances, actual results could differ from those estimates.

***Cash and Cash Equivalents***

The Company continually monitors its positions with, and the credit quality of, the financial institutions in which it maintains its deposits and investments. As of December 28, 2025 and December 31, 2024, the Company maintained balances in various cash accounts in excess of federally insured limits. Highly liquid investments with an original maturity of three months or less are considered cash equivalents.

***Restricted Cash***

Restricted cash primarily represents cash and cash equivalents held for future principal and interest payments as required by the Company's Securitization Financing Facility (refer to Note 9, Long-Term Debt).

***Accounts Receivable, net***

Accounts receivable, net of allowance for credit losses, primarily consists of accrued royalty and advertising fees, which are collected weekly in arrears, as well as supplier program payments from certain food and beverage suppliers, which are generally due within 90 days. Historically, the Company has not incurred significant losses related to its Accounts receivable and does not believe there to be a meaningful risk of loss.

The Company determines the allowance for credit losses on Accounts receivable using the Current Expected Credit Losses ("CECL") model in accordance with Accounting Standards Codification ("ASC") 326. Expected credit losses are estimated based on historical collections experience, current economic conditions, and forecasts that affect the collectability of the receivables. Accounts are written off when they are deemed uncollectible, generally after they are 120 days past due and collection efforts have been exhausted. Recoveries of amounts previously written off are recorded upon receipt. The allowance for credit losses is evaluated at each reporting date and adjusted as necessary based on changes in expected credit losses.

***Revenue Recognition***

The Company provides goods and services in connection with its franchise agreements, consisting of a franchise license and ongoing services, management of the advertising contributions, development of training materials and menu items, and store monitoring and ongoing franchise owner support. In exchange, the Company collects royalties and advertising fees, with royalties recorded in Royalties and other revenues on the Consolidated Statement of Operations As these goods and services are highly interrelated, they are accounted for as a single performance obligation, which is satisfied by providing a right to use the Company's intellectual property over the term of each franchise agreement. Royalties and advertising fees represent sales-based fees calculated as a percentage of franchise store sales, and are recognized as revenue as franchised store sales occur. Amounts are generally payable on a weekly basis.

Other revenues consist primarily of supplier payment programs, technology fees, initial franchise fees, upfront development fees and gift card income. Supplier payment programs reflect contractual arrangements with certain major food and beverage suppliers and distributors, pursuant to which the Company receives payments based on the dollar volume of food and beverage purchases and cases delivered, which are generally correlated with franchise store sales. These payments are recognized as earned throughout the year and classified within Royalties and other revenues on the Consolidated Statements of Operations. Actual dollar volumes are available on a monthly basis, but may lapse reporting deadlines. Goods and services related to technology fees are distinct from the franchise performance obligation as they are not dependent on, nor highly interrelated with, the franchise license. Accordingly, revenue is recognized as the related services are provided and the benefit is transferred to the franchise owner. Initial franchise fees and upfront development fees are interrelated to the franchise agreement and part of the same performance obligation as royalties and advertising fees. Accordingly, these fees are generally deferred upon receipt within Accrued expenses and other current liabilities and Other non-current liabilities on the Consolidated Balance Sheets, and recognized as revenue ratably over the term of the related franchise agreement. For gift card income, the Company estimates and records revenue based on historical redemption patterns, including the timing and channel in which the card was purchased or reloaded, and in accordance with government agencies under unclaimed property laws, where applicable. These gift cards do not have an expiration date, and no service fees are charged on them. The Company recognized gift card income within Royalties and other revenues on the Consolidated Statements of Operations.

***Advertising Expenses***

The Company administers advertising funds on behalf of its franchise owners, for which a percentage of gross sales is collected to be used for various forms of advertising for the JERSEY MIKE'S brand. Advertising expenses are generally expensed in the period incurred.

***Property and Equipment***

Property and equipment is recorded at cost. Depreciation is computed on a straight-line basis over the estimated useful lives of the underlying assets, as indicated below:

| Property and Equipment | Estimated Useful Lives |
|---|---|
| Buildings | 39 years |
| Furniture and equipment | 3 to 7 years |
| Leasehold improvements | Lesser of 5 to 10 years or the expected lease term |

Expenditures for major renewals and improvements that extend the useful life of an asset are capitalized. Expenditures for repairs and maintenance are expensed as incurred.

***Impairment of Long-Lived Assets***

The Company evaluates long-lived assets for impairment whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. Recoverability is assessed by comparing the carrying amount of an asset or asset group to the estimated future undiscounted cash flows expected to result from its use. If the carrying amount is not recoverable, an impairment loss is recognized for the amount by which the carrying amount exceeds fair value. The Company identified no triggering events and recorded no impairment losses for the periods from January 16 to December 28, 2025 and January 1 to January 15, 2025, or for the years ended December 31, 2024 and 2023.

***Goodwill and Intangible Assets***

Intangible assets with a finite life are amortized on a straight-line basis over the remaining estimated useful life of the asset. The Company's indefinite lived intangible assets, which are not subject to amortization, consist of

goodwill and trademarks. On an annual basis (October 1st of each year) and whenever events or changes in circumstances indicate that the carrying amounts may not be recoverable, the Company reviews the recoverability of its indefinite-lived intangible assets. The goodwill impairment test is assessed at the reporting unit level. No indications of impairment were identified for the periods from January 16 to December 28, 2025 and January 1 to January 15, 2025, or for the years ended December 31, 2024 and 2023. It is possible that changes in circumstances or changes in management's judgments, assumptions, and estimates could result in an impairment charge of a portion or all of its goodwill or other intangible assets.

Additionally, the Company may acquire operating stores from franchise owners. Goodwill arising from these acquisitions is recorded as the excess of the purchase price over the fair value of the net assets acquired, including identifiable intangible assets such as reacquired franchise rights, and liabilities assumed.

| Intangible Assets | Estimated Useful Lives |
|---|---|
| Trade Name | Indefinite |
| Reacquired franchise rights | 3 to 6 years |
| Franchise agreements | 20 years |
| Technology | 5 years |
| Other intangible assets | 10 - 40 years |

***Capitalized Software***

The Company capitalizes the costs of software developed for internal-use and website design when the preliminary project stage is completed and management believes it is probable that the project will be completed and the software or website design will be used to perform the function intended. These costs are amortized on a straight-line basis commencing when such software and website design is ready for its intended use. Software development costs related to preliminary project activities and post-implementation and maintenance activities are expensed as incurred. The Company states capitalized software at cost less accumulated amortization within Intangible assets, net on the Consolidated Balance Sheets.

***Leases***

In accordance with ASC 842, the Company determines whether an arrangement is a lease or contains a lease at inception and whether that lease conveys the right to control the use of an identified asset for a period of time in exchange for consideration. The Company primarily leases office and retail store locations from third parties under operating leases. The lease term includes the non-cancellable period of the lease together with renewal options that the Company is reasonably certain to exercise, based on relevant economic and operational factors.

Right-of-use assets and lease liabilities are recognized based on the present value of the future minimum lease payments over the lease term at the commencement date for leases exceeding 12 months. Minimum lease payments include the fixed lease component of the agreement, as well as any variable rate payments that depend on an index, initially measured using the index at the lease commencement date. Given that most leases do not provide an implicit rate, the Company uses its incremental borrowing rate to calculate the present value of the lease payments. The Company estimates its incremental borrowing rate using information available at lease commencement, including recent borrowing activity and other market data, and applies updated rates upon remeasurement of the lease liability when required.

The Company's lease agreements typically include fixed costs, such as base rent and minimum fixed common area maintenance charges, and may also contain variable lease costs such as contingent rent based on sales volume, common area maintenance, real estate taxes and insurance. The other variable lease costs mentioned above are excluded from consideration and included in the period in which the obligation for those payments is incurred. Subsequent amortization of the right-of-use asset and accretion of the lease liability for an operating lease is

recognized as a single lease cost, on a straight-line basis, over the lease term. The Company's lease agreements do not contain any material residual value guarantees or material restrictive covenants.

***Equity-Based Compensation***

The Company accounts for the issuance of equity instruments to employees in accordance with accounting standards for share-based payments, which require the recognition of compensation expense for equity awards granted to employees and directors based on the grant-date fair value of the awards. Compensation cost for time-vested awards is recognized over the requisite service period for each award. For performance awards, the Company recognizes expense in the period in which the vesting becomes probable. The Company recognizes forfeitures as they occur.

***Fair Value Measurements***

Fair value is the price the Company would receive to sell an asset or pay to transfer a liability (exit price) in an orderly transaction between market participants. Assets and liabilities measured or disclosed at fair value are classified within the fair value hierarchy based on the nature of the inputs used in the valuation, as follows:

> ***Level 1***—Unadjusted quoted prices for identical assets or liabilities in active markets that the plan has the ability to access.
> ***Level 2***—Observable other than quoted prices included in Level 1 that are observable for the asset or liability either directly or indirectly
> ***Level 3***—Unobservable inputs for the asset or liability whose values are determined using pricing models, discounted cash flow methodologies, or similar techniques, as well as instruments for which determining fair value requires significant judgment or estimation by Management.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. The valuation techniques utilized need to maximize the use of observable inputs and minimize the use of unobservable inputs.

***Income Taxes***

Jersey Mike's HoldCo, LLC and its wholly owned subsidiaries have elected to be treated as a partnership for federal and most applicable state and local income tax purposes. As a result, the Company does not incur U.S. federal income taxes and incurs minimal state net worth and franchise taxes. Accordingly, the Company's earnings and losses are ultimately included on the income tax returns of the members of Jersey Mike's. The accompanying Consolidated Statements of Operations include income tax expenses, which is comprised of state net worth and franchise taxes, representing the minimum taxes due to various states.

Income taxes are accounted for under the asset and liability method. Under this method, a deferred tax asset or liability is recognized for the estimated future tax effects attributable to temporary differences between the carrying amounts of assets and liabilities and their respective tax basis, using enacted tax rates expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect on deferred assets and liabilities of a change in tax rates is recognized in the period of change. The Company assesses the income tax position and records the liabilities for all years subject to examination based upon management's evaluation of the facts, circumstances, and information available at the reporting date.

***Business Combinations***

The Company accounts for acquisitions under ASC 805, Business Combinations, which requires companies to record assets acquired and liabilities assumed at their respective fair market values at the date of acquisition. The accounting for acquisitions involves a considerable amount of judgment and estimates, including the fair value of certain forms of consideration: fair value of acquired intangible assets involving projections of future revenues and cash flows that are then discounted at an estimated discount rate; fair value of other acquired assets and assumed liabilities including potential contingencies, and the useful lives of the acquired assets. The Company allocates any

excess purchase price over the fair value of the tangible and identifiable intangible assets acquired and liabilities assumed to Goodwill. The assumptions used are determined at the time of the acquisition in accordance with accepted valuation models. Projections are developed using internal forecasts, available industry and market data and estimates of long-term rates of growth for the Company. The impact of prior or future acquisitions on the Company's financial position or result of operations may be materially impacted by the initial selection of or change in assumptions and estimates.

## 3. BUSINESS COMBINATIONS

On November 8, 2024, Jersey Mike's Franchise Systems, LLC and its equity holders entered into an Equity Purchase Agreement with Submarine Buyer LLC (the "Buyer"), a Delaware limited liability company controlled by affiliates of Blackstone Inc. Pursuant to the Equity Purchase Agreement, Original 56ers, Inc. (formerly named Jersey Mike's Inc.) ("Seller") formed a new Delaware limited liability company, Jersey Mike's HoldCo LLC, to indirectly hold 100% of the equity interests of Jersey Mike's Franchise Systems, LLC. On January 16, 2025, Jersey Mike's Franchise Systems, LLC was acquired by the Buyer as a new portfolio investment for a purchase price of $6,317 million, which includes a 10% noncontrolling interest attributable to shares retained by the Seller and a maximum additional $250 million in cash payable from the Buyer once 4,000 Jersey Mike's stores are operational worldwide or upon a change in control event (the "Sponsor Acquisition").

In connection with the Sponsor Acquisition, the 2251 Landmark Place, LLC and Farnborough, LLC entities were transferred to the Seller and decreased Property and equipment by approximately $79 million and Current portion of long-term debt and Long term debt, net of current portion by approximately $56 million in the aggregate. This was accounted for as a pro rata distribution to the existing owners of the Seller and did not result in the recognition of a gain or loss. Additionally, the deconsolidation of these entities resulted in $23 million of noncash activity in the period from January 1 to January 15, 2025.

The Sponsor Acquisition was accounted for using the acquisition method of accounting which requires, among other things, that the assets acquired and liabilities assumed be recognized at their estimated fair values (based on Level 3 measurements) as of the acquisition date. Estimates of fair value represent management's best estimate and require a complex series of judgments about future events and uncertainties.

The fair value measurement of the contingent consideration liability is based on significant inputs not observable in the market and thus represents a Level 3 measurement as defined in ASC 820, Fair Value Measurements. Submarine Buyer LLC estimated the fair value of the contingent earn-out liability using a probability-weighted analysis of expected payments and applying a discount rate that reflects the risks associated with the obligation. The resulting liability was recognized at fair value on the acquisition date as part of the opening purchase accounting for Submarine Buyer, LLC. As of January 16, 2025, the fair value of the contingent consideration liability was $210 million using a weighted average probability of success of 100% and a discount factor of 5.5%, which was not pushed down to the Company as it is not the Company's legal obligation to pay the contingent consideration. Unobservable inputs were weighted by the relative fair value of the contingent consideration.

Submarine Buyer LLC was identified as the accounting acquirer, and the Company elected to apply pushdown accounting to its separate financial statements in accordance with ASC 805.

As a result of the Sponsor Acquisition, the Company recorded $7,517 million of identifiable intangible assets and $660 million of other acquired assets. The acquired identifiable intangible assets include Franchise Agreements, Tradenames and Technology. The fair value of acquired receivables equals the gross contractual amounts receivable. The Company expects to collect all acquired receivables. The fair value of liabilities assumed was $2,255 million. The Company recognized goodwill of $395 million, none of which is expected to be deductible for tax purposes. Goodwill is primarily attributed to future growth potential, workforce, and franchise agreements to be established following the Sponsor Acquisition.

On the acquisition date, $124 million of acquisition costs were paid by the Company comprised of (i) a $120 million success fee that was recorded as an "on-the-line" expense in neither the Predecessor nor Successor periods and (ii) acquisition-related expenses incurred by the Company prior to the transaction close amounting to $4 million, which was expensed in the Predecessor period. Additionally, a one-time discretionary transaction bonus of $411 million was paid to employees, officers, and contractors and included within liabilities assumed. The Company facilitated the payment through payroll shortly after the acquisition date at the discretion of the Seller. As such, the transaction bonus is reflected as an operating cash outflow during the Successor period on the Company's Consolidated Statement of Cash Flows. Both the success fee and the discretionary bonus were contingent on the transaction

closing. All other transaction costs were recorded by the Buyer and were expensed as incurred within the Buyer's financial statements.

The Company has finalized the purchase accounting for the Sponsor Acquisition. The total consideration transferred, the fair value of net assets acquired and goodwill from the transaction are as follows:

| | | |
|---|---|---|
| Consideration transferred | | |
| Cash consideration | $ | 5,475 |
| Contingent consideration | | 210 |
| Total GAAP consideration transferred | | 5,685 |
| Noncontrolling interest of Jersey Mike's HoldCo, LLC | | 632 |
| Total purchase price for allocation | $ | 6,317 |
| | | |
| Allocation of purchase price to the Company: | | |
| Cash and cash equivalents | $ | 572 |
| Accounts receivable | | 45 |
| Prepaid expenses and other assets | | 33 |
| Property and equipment | | 10 |
| Trade name | | 5,710 |
| Franchisee agreements | | 1,757 |
| Other intangible assets | | 50 |
| Accounts payable | | (91) |
| Accrued expense and other current liabilities | | (16) |
| Transaction bonus payable and other transaction accrued expenses | | (411) |
| Deferred tax liability | | (14) |
| Long-term debt | | (1,694) |
| Unearned franchise fees and deferred revenue | | (19) |
| Operating lease liabilities and other liabilities | | (10) |
| Total fair value of net assets acquired: | $ | 5,922 |
| | | |
| Goodwill | $ | 395 |

The fair value of non-controlling interest was measured based on the fair values of net assets acquired at the acquisition date and the portion of ownership not held by the acquirer.

The fair values of the identifiable intangible assets acquired at the acquisition date and their useful lives are as follows:

| | Acquisition Date Fair Value | Weighted Average Useful Life (Years) |
|---|---|---|
| Trade Name | $ 5,710 | Indefinite |
| Franchise agreements[(a)] | 1,757 | 20 years |
| Technology | 50 | 5 years |
| Total | $ 7,517 | |

(a) Franchise agreements include approximately $1.749 billion related to domestic franchise agreements and $8 million related to Canadian franchise agreements

The Company amortizes the franchise agreements and technology on a straight-line basis over their respective useful lives.

The intangible assets were valued using the following valuation approaches:

**Trade name**

The trade name was valued using the relief-from-royalty method under the income approach. This method estimates the value of the intangible asset by forecasting the royalties the Company avoids by owning the trademark, adjusting those avoided royalties for taxes, and discounting the resulting after-tax cash flows to present value using an appropriate discount rate. The key inputs and assumptions include projected revenue, royalty rates, discount rates, cash flow forecasts, and obsolescence.

**Franchise agreements**

The domestic and Canadian franchise agreements were valued using the multi-period excess earnings method of the income approach. This involves discounting the projected after-tax cash flows associated with the agreements to present value. The key inputs and assumptions included the Company's estimates of the projected royalties received under the existing franchise agreements and the appropriate discount rate.

**Technology**

The technology was valued using the replacement method under the cost approach, which involves estimating the asset’s economic value based on the total costs required to replace it, including both the direct replacement costs and the opportunity costs associated with the underlying technology. The key inputs and assumptions included the Company’s historical technology spend, expected obsolescence, and estimated re-creation costs.

## 4. REVENUE RECOGNITION

**Deferred Revenues**

Deferred revenue, or contract liabilities, consist of unearned fees resulting from initial franchise fees and upfront area development fees received from franchise owners, which are generally recognized on a straight-line basis over the term of the franchise agreement, and deferred revenue related to supplier payment programs, with changes in the balance primarily driven by annual contract renegotiations and the timing of revenue recognition. The Company may also recognize unamortized franchise fees and upfront fees when a contract with a franchise owner is modified and is accounted for as a termination of the existing contract. The Company classifies these contract liabilities within Accrued expenses and other current liabilities and Other non-current liabilities on the Consolidated Balance Sheets.

The following table reflects the change in deferred revenues on a consolidated basis during the period from January 16 to December 28, 2025, the period from January 1 to January 15, 2025 and year ended December 31, 2024:

| | | |
|---|---|---|
| Balance as of December 31, 2023 | $ | 19 |

| 2026 | $ | 4 |
| 2027 | | 4 |
| 2028 | | 3 |
| 2029 | | 3 |
| 2030 | | 2 |
| Thereafter | | 4 |
| Total | $ | 20 |

**Area Director Costs and Buyouts**

The Company utilizes subcontractors under arrangements known as area development and service agreements. Under these agreements, subcontractors (referred to as area directors) are entitled to receive an agreed-upon fee in exchange for developing and providing ongoing support services to franchise owners within an assigned geographic territory.

Upon the termination or repurchase of the contractual rights held by an area director, the Company may make payments to acquire or extinguish those rights. Such payments are referred to as buyouts. Buyout costs are recognized in the period in which the buyout agreement is executed or the related obligation is incurred.

Buyout costs recognized were $52 million, $8 million and $16 million in the periods from January 16 to December 28, 2025, and the years ended December 31, 2024 and 2023, respectively. The Company also recorded other area director expenses amounting to $32 million, $1 million, $38 million, and $44 million for the periods from January 16 to December 28, 2025 and January 1 to January 15, 2025, and the years ended December 31, 2024 and 2023, respectively. Such amounts, including buyouts, are included within Selling, general and administrative expense on the Consolidated Statement of Operations.

(b) Debt issuance costs are amortized using the straight-line method, which approximates the effective interest method, over the remaining term of the securitization transactions and notes payables.

In connection with the Sponsor Acquisition, the Company remeasured its long-term debt to fair value in accordance with purchase accounting. As a result, the Company recorded a $50 million fair value discount to the carrying value of certain of the notes under its securitization facility due to changes in market interest rates and credit spreads since the issuance of the debt. This discount represents the difference between the contractual principal amount of the debt and its estimated fair value as of the acquisition date. The fair value discount is amortized to interest expense using the effective interest method over the remaining term of the respective notes. As of December 28, 2025, the net remaining unamortized fair value discount was $35 million. For the periods from January 16 to December 28, 2025 and January 1 to January 15, 2025, and the years ended December 31, 2024 and 2023, the Company recognized interest expense of $16 million, less than $1 million, $4 million, and $4 million, respectively, related to the amortization of the fair value discount and debt issuance costs.

***Securitization Financing Facility***

On December 23, 2019, the Company entered into a securitization financing arrangement pursuant to which Jersey Mike's Funding, LLC (the "Master Issuer"), a limited-purpose, bankruptcy-remote, wholly owned indirect subsidiary of the Company, issued secured notes under a base indenture (the "Indenture"). The Indenture allows the Master Issuer to issue multiple series of notes (collectively, the "Securitization Notes"). The Securitization Notes are guaranteed by certain subsidiaries of the Company and secured by substantially all assets of the securitization entities, including intellectual property, such as trademarks and software, as well as all franchise agreements and area development agreements, and substantially all related rights associated with the JERSEY MIKE'S brand (collectively, the "Securitization Assets").

The anticipated repayment date for the Class A-2-I notes is February 2027 and for the Class A-2-II notes is February 2029. If the notes are not repaid or refinanced by the respective anticipated repayment dates, additional interest will accrue in accordance with the Indenture. As of December 28, 2025, the aggregate principal outstanding amount of the Series 2021 Notes was $493 million.

**Series 2024 Notes**

On December 18, 2024, the Master Issuer issued $750 million of Series 2024-1 5.636% Fixed Rate Senior Secured Notes, Class A-2 (the "Series 2024 Notes"). Interest and principal are payable quarterly. **Variable Funding Notes**

The Company also maintains a revolving financing facility consisting of Series 2024-1 Variable Funding Senior Notes, Class A-1 (the "Variable Funding Notes") that permits borrowings of up to $100 million and may be used to issue letters of credit and provide additional liquidity. The Variable Funding Notes were included in the indenture from the Series 2024 Notes on December 18, 2024, yet not issued until January 16, 2025. Borrowings under the facility bear interest at variable rates based on the prime rate, federal funds rate, SOFR, or, in the each case plus an applicable margin. The facility also includes a commitment fee of 1.25% on the unused portion of the commitment. As of December 28, 2025 and December 31, 2024, the Company had no borrowings outstanding under the facility. As of December 28, 2025, the Company had available borrowing capacity of $72 million, net of $28 million of letters of credit, primarily related to interest reserve requirements.

***Covenants and Restrictions***

The Securitization Notes are subject to customary covenants and restrictions for transactions of this type. These provisions include, among other things, requirements that the Master Issuer maintain specified reserve accounts to fund required payments on the Securitization Notes, provisions governing optional and mandatory prepayments (including make-whole payments under certain circumstances), indemnification obligations relating to defects or impairments in the pledged collateral, and operational covenants relating to recordkeeping, reporting, and access to information. The securitization structure also includes restrictions that prioritize payment of principal and interest on the Securitization Notes through the related payment waterfall.

The Securitization Notes include provisions that allow for optional principal payments when a specified leverage ratio, defined as outstanding securitization debt to Adjusted EBITDA (as defined in the Indenture), is less than or equal to 5.0x. This leverage ratio is calculated quarterly and allows the Company to elect whether to make principal payments when the threshold is met.

As of December 28, 2025, the Company's leverage ratio exceeded 5.0x and accordingly, the Company was required to make total principal payments of $5 million related to the Series 2019 Notes, the Series 2021 Notes, the 2024 Notes and the 2025 Notes. As of December 31, 2024, the leverage ratio also exceeded 5.0x and the Company was required to make total principal payments of $3 million related to the 2019 Notes and the 2021 Notes.

As of December 28, 2025 and December 31, 2024, the Company was in compliance with all financial covenants under the securitization agreements.

***Notes Payable***

The notes payable balance at December 31, 2024 related to two aircrafts that were transferred to an entity controlled by the Company's founder in connection with the Sponsor Acquisition. These notes payable are no longer obligations of the Company; accordingly, there is no balance as of December 28, 2025.

Prior to the Sponsor Acquisition, in September 2020, the Company had a loan and security agreement with a financial institution for $37.5 million to finance the purchase of an aircraft (the "2020 Loan"). The loan bore interest at a stated interest rate of 4.53% and was payable in monthly installments with a balloon payment of $17 million due in September 2027. The loan was secured by the aircraft.

Prior to the Sponsor Acquisition, in July 2024, the Company had a loan and security agreement providing for borrowings of approximately $50 million to finance aircraft construction costs through a series of progress payments from July 2024 through June 2025 (the "2024" Loan). Borrowings bore interest at a variable interest rate equal to SOFR plus 2.25% and required interest-only payments during the construction period.

As of December 28, 2025, the principal payments on Long-term debt due over the next five years and thereafter are as follows:

| | | |
|---|---|---|
| 2026 | $ | 22 |

**10. INCOME TAXES**

The Company is a limited liability company treated as a partnership for U.S. federal and most applicable state and local income tax purposes. Therefore, the Company generally does not incur or record U.S. federal or state incomes taxes since all taxable income is passed through to its members and reported on their respective income tax returns. The Company is subject to certain state and local taxes, including franchise and net worth taxes, which were not material and included within the income tax expense line in the Consolidated Statements of Operations.

As of December 28, 2025, the Company had a net deferred tax liability of $14 million arising from book–tax basis differences in intangible assets recognized as part of purchase accounting for the Sponsor Acquisition recorded in Other non-current liabilities.

The Company files its tax returns as prescribed by the tax laws of the jurisdictions in which it operates. In the normal course of business, the tax years that remain open under the statute of limitations will be subject to examinations by the appropriate tax authorities. The Company is generally no longer subject to state or local examinations by tax authorities for tax years prior to 2021. As of December 28, 2025 and December 31, 2024, the Company has no unrecognized tax benefits, or accrued interest and penalties.

**11. LEASES**

The Company leases primarily office space and retail store locations under operating leases with remaining terms expiring through July 2037. These arrangements are accounted for as operating leases. In accordance with ASC 842,

Leases, the Company recognizes a right-of-use asset and a corresponding lease liability for operating leases within the Consolidated Balance Sheets. Refer to Note 8, Supplemental Balance Sheet for additional information.

Operating lease cost recognized for the periods from January 16 to December 28, 2025 and January 1 to January 15, 2025, and for the years ended December 31, 2024 and 2023, was $3 million, less than $1 million, $2 million and $2 million, respectively in the Consolidated Statements of Operations. Variable lease cost, primarily related to common area maintenance, property tax and insurance, was less than $1 million for the each of the periods from January 16 to December 28, 2025 and January 1 to January 15, 2025, and for the years ended December 31, 2024 and 2023 in the Consolidated Statements of Operations.

As of December 28, 2025, December 31, 2024, and December 31, 2023, the weighted average remaining lease term and weighted average discount rate for the Company's operating leases were as follows:

| | Successor | Predecessor | |
|---|---|---|---|
| | As of December 28, 2025 | As of December 31, 2024 | As of December 31, 2023 |
| Weighted-average remaining lease terms (in years) | 9.4 | 7.6 | 5.7 |

Aggregate minimum future rental payments under operating leases having remaining terms in excess of one year as of December 28, 2025, for each of the next five years and thereafter are as follows:

| | |
|---|---|
| 2026 | $ 4 |

| 2030 | 5 |
| Thereafter | 26 |
| Total | 49 |
| Less: Imputed interest | (14) |
| Present value of lease liabilities | $ 35 |

The amounts presented reflect the Company’s lease obligations as of December 28, 2025 and exclude the effects of future lease renewals or replacement leases upon expiration. These amounts also do not reflect potential changes in lease payments that may result from adjustments based on an index or rate, such as the Consumer Price Index.

Cash paid for amounts included in the measurement of lease liabilities was $3 million for the period January 16 to December 28, 2025, less than $1 million for the period January 1 to January 15, 2025 and $2 million each for the year ended December 31, 2024 and 2023. Right-of-use assets obtained in a non-cash exchange for new operating lease liabilities were $29 million for the period January 16 to December 28, 2025, less than $1 million for the period January 1 to January 15, 2025, $6 million for the year ended December 31, 2024 and $1 million for the year ended December 31, 2023.

## 12. COMMITMENTS AND CONTINGENCIES

### Lease Guarantees

The Company periodically provides guarantees on lease agreements for certain Company-owned stores and franchise locations. These leases have varying terms, with the latest expiring July 2037. As of December 28, 2025,

the maximum potential undiscounted payments the Company could be required to make under these lease guarantees is approximately $19 million, of which $2 million relates to guarantees provided to related parties.

In the event of default by a franchise owner for which the Company has provided a guarantee, the Company has the right to pursue reimbursement from the franchise owner or any amounts paid under the guarantee. Because the Company does not control or receive the economic benefits associated with the leased asset, no liability has been recorded on the consolidated balance sheets for these guarantees. The estimated fair value of these guarantees is not material. As of December 28, 2025 and December 31, 2024, the Company had not been required to make any material payments under these lease guarantees.

**Other Guarantees**

The Company is also party to certain other guarantee arrangements, including guarantees of debt obligations of unaffiliated franchise owners and guarantees associated with certain notes receivable arrangements. Under these agreements, the Company has guaranteed repayment of certain obligations of the related parties. Historically, the Company has not been required to make material payments under these guarantees and does not expect these arrangements to have a material impact on the Company's consolidated financial results.

**Purchase Commitments**

As of December 28, 2025, the Company has entered into various marketing-related contracts including agreements related to sponsorships, promotional arrangements, and naming rights. Under the terms of these agreements, the Company had aggregate contractual commitments of approximately $288 million extending through June 2041.

The Company also enters into other purchase commitments in the ordinary course of business, including commitments related to the purchase, construction, or remodeling of real estate and facilities; minimum inventory purchase commitments; equipment purchases; and information technology services. These commitments are generally short-term in nature and are recorded as liabilities when the related goods are received or services are rendered. In addition, the Company maintains long-term supply agreements with certain suppliers who provide food, beverages, and paper products, which include minimum purchase commitments.

**Legal Proceedings**

The Company is subject to various legal proceedings, claims and liabilities arising in the ordinary course of business, including matters involving employees, franchise owners, and guests. The Company records accruals for legal contingencies when it is probable that a liability has been incurred and the amount can be reasonably estimated. As of December 28, 2025 and December 31, 2024, management believes the ultimate resolution of these matters will not have a material adverse effect on the Company's consolidated financial position, results of operations, or cash flows.

## 13. MEMBERS' EQUITY (DEFICIT)

Prior to January 16, 2025, the Company operated as Jersey Mike's Franchise Systems, LLC, which had a single class of membership interests.

In connection with the Sponsor Acquisition and the formation of Jersey Mike's HoldCo, LLC, the Company amended and restated its operating agreements to establish three classes of membership interests: Class A-1 Units, Class A-2 Units, and Class B Units. The following table summarizes the authorized, issued, and outstanding membership interests as of December 28, 2025 (in millions):

| | Authorized | Issued | Outstanding |
|---|---|---|---|
| Class A-1 Shares | 6,071 | 6,071 | 6,071 |
| Class A-2 Shares | 13 | 13 | 13 |
| Class B Shares | 320 | 269 | 269 |

Class A-1 and Class A-2 Units have identical economic rights and participate ratably in distributions and allocations of profits and losses, except that the Class A-2 Units were issued to certain members, including as rollover equity in connection with the Sponsor Acquisition. Both Class A-1 and Class A-2 Units generally possess voting rights on matters submitted to the members.

Class B Units represent profit interest awards issued under the Company's equity incentive arrangements. These units participate in distributions only after the Class A Units have received the return thresholds specified in the operating agreement, and certain Class B Units include catch-up distribution provisions. Class B Units generally do not possess voting rights, other than with respect to limited protective matters. Refer to Note 14, Equity-Based Compensation for additional information.

## 14. EQUITY-BASED COMPENSATION

During the year ended December 28, 2025, the Company issued profit interest units in the form of Class B Units, ("Incentive Units") to certain employees and directors pursuant to the Jersey Mike's Management Aggregator LLC Equity Incentive Plan, which was established in June 2025, and related unit subscription agreements. The Incentive Units are equity-classified awards accounted for under ASC 718, Compensation – Stock Compensation.

One third of the total Incentive Units granted vest ratably over a five-year service period beginning on the grant date, subject to continued service through each applicable vesting date ("Time-Vesting Units"). The remaining two-thirds of the Incentive Units vest upon achievement of specified performance threshold based on Sponsor realized multiples of invested capital and internal rates of return ("Performance-Vesting Units").

The Company concluded that the performance conditions associated with the Performance-Vesting Units require the occurrence of a significant distribution or liquidity event and that such event, is not considered probable as of December 28, 2025. Accordingly, no compensation expense has been recognized for these awards. The Company will continue to assess the probability of achieving the performance conditions at each reporting date, and record associated compensation expense as required.

The grant-date fair value of the Class B Units is estimated using a current value method combined with a Monte Carlo simulation model, which incorporates management's assumptions regarding expected volatility, risk-free interest rates, and the expected time to a liquidity event. Expected volatility is derived from the historical volatility of publicly traded companies operating in the franchise and restaurant sectors that are considered comparable to the Company. The risk-free interest rate is based on the yield of the U.S. Treasury securities with maturities corresponding to the expected term of the awards at the grant date. Expected time to liquidity event represents the expected period until a liquidity event, such as an initial public offering, based on the Company's expectation as of the grant date. Note that such liquidity event will not automatically result in vesting, and awards will still be subject to the respective time and/or performance conditions previously disclosed.

The significant assumptions used in the valuation of awards granted during the period from January 16, 2025 to December 28, 2025 are as follows:

| | |
|---|---|
| Risk-free interest rate | 3.7 % |
| Volatility factor (average) | 40 % |

| | |
|---|---|
| Dividend yield | — % |
| Expected time to liquidity event (years) | 1.1 |

The following table summarizes activity for the Company's Incentive Units for the year ended December 28, 2025:

| | Time-Vesting Units | | Performance-Vesting Units |
|---|---|---|---|
| | Number of Units | Grant Date Fair Value | Number of Units |
| Outstanding as of January 16, 2025 | — | $ — | — |
| Granted | 99 | 58 | 198 |
| Vested | — | — | — |
| Forfeited | (4) | (2) | (23) |
| Outstanding as of December 28, 2025 | 95 | $ 56 | 175 |

The Company recognized $8 million of compensation expense related to the Time-Vesting Units during the period ended December 28, 2025. As of December 28, 2025, $48 million of unrecognized compensation cost related to the Time-Vesting Units remains, which is expected to be recognized over a weighted-average period of 4.3 years.

## 15. RELATED-PARTY TRANSACTIONS

In the ordinary course of business, the Company enters into transactions with related parties. These transactions are described below.

The Company has relationships with certain franchisees that may be considered variable interest entities ("VIEs"). These franchisees are independently owned and operated, and the Company does not have an equity ownership interest in these entities. The Company's involvement with these franchisees arises primarily from franchise agreements, as well as, in certain instances, limited guarantees or other forms of financial support.

The Company evaluated these entities and determined that, although certain franchisees may qualify as VIEs, the Company is not the primary beneficiary as it does not have the power to direct the activities that most significantly impact their economic performance. Such activities are primarily controlled by the franchisees, including day-to-day operations, staffing, and local business decisions. Accordingly, the Company does not consolidate these entities.

The Company's maximum exposure to loss related to these franchisees is limited to the carrying value of any related receivables and any amounts subject to guarantee arrangements. As of December 28, 2025, the Company's exposure was not material. All such exposures are presented below.

**Due from Unconsolidated Affiliates and Notes Receivable**

Amounts due from unconsolidated related party affiliates and notes receivable from related parties totaled less than $1 million and $13 million as of December 28, 2025 and December 31, 2024, respectively, and are recorded within Prepaid expenses and other current assets and Other assets. These balances represent advances and loans made by the Company to entities owned by a minority equity holder, and members of his immediate family. These advances and notes to franchise owners are unsecured, bear varying interest rates, and expected to be repaid to the Company in the normal course of business.

**Operating Leases**

The Company leases corporate office space from an entity owned by the family of the minority equity holder. Rent expense under this arrangement totaled $1 million, less than $1 million, $1 million, and $1 million for the periods from January 16 to December 28, 2025 and January 1 to January 15, 2025, and the years ended December 31, 2024 and 2023, respectively. These amounts are included within Selling, general, and administrative expense on the Consolidated Statements of Operations. The operating lease right of use asset recorded within Other assets as of December 28, 2025 totaled $4 million for these leases. The operating lease liability totaled $4 million of which approximately $1 million was recorded in Accrued expenses and other current liabilities and approximately $3 million was recorded within Other non-current liabilities.

**Revenue**

Royalty revenues earned from related party franchise owners represented approximately 1% of total revenues for the periods from January 16 to December 28, 2025 and January 1 to January 15, 2025, and less than 2% of total revenues for each of the years ended December 31, 2024 and 2023. These amounts are included within Royalties and other revenues in the Consolidated Statements of Operations.

**Transition Agreement**

In connection with the Sponsor Acquisition, the Company entered into a transition agreement with its former Chief Executive Officer, pursuant to which he served as Chair of the Board of Directors of Jersey Mike's HoldCo, LLC through January 16, 2026. During this period, he continued to receive payment of his base salary and reimbursement for business expenses in accordance with the Company's expense policy. Total payments under this agreement were approximately $5 million for the period ended December 28, 2025 and were recorded within Selling, general, and administrative expense on the Consolidated Statements of Operations.

**Reimbursement Liability to Sponsor**

In connection with the Sponsor Acquisition, the Company entered into an administrative service agreement with the Sponsor, pursuant to which the Company is required to pay or reimburse the Sponsor for certain expenses incurred in connection with the monitoring and evaluation of the Company's operations. As of December 28, 2025, no payments have been made under this agreement. The Company has recorded approximately $2 million within Accrued expenses and other current liabilities as of December 28, 2025 related to this agreement.

## 16. EMPLOYEE BENEFITS PLANS

The Company sponsors the Jersey Mike's 401(k) Plan for eligible employees who meet certain age and service requirements. The Plan is administered by an independent third-party service provider, and participants direct the investment of their account balance among various investment options. The Company provides a matching contribution equal to 100% of employees contributions, up to 3% of the eligible compensation. For the period from January 16 to December 28, 2025 and the years ended December 31, 2024 and 2023, the Company made matching contributions of $2 million, $2 million and $2 million, respectively. These amounts are included within Selling, general, administrative expenses in the Consolidated Statements of Operations. No matching contributions were made for the period from January 1 to January 15, 2025.

On December 31, 2025, the Company entered into a Master Franchise and Operation Agreement with a related party providing for the development of a minimum of 300 stores to be opened in the United Kingdom and Ireland. The

The Master Issuer issued $760 million Senior Secured Notes (the "Series 2026 Notes") in two tranches: Series 2026-1 4.952% Fixed Rate Senior Secured Notes, Class A-2-I ("the Series 2026-1 Notes") and Series 2026-1A 5.481% Fixed Rate Senior Secured Notes, Class A-2-II ("the Series 2026-1A Notes") with initial principal amounts of $250 million and $510 million, respectively. Interest and principal are payable quarterly. The Series 2026 Notes have a final maturity date of February 2056 and anticipated repayment date of February 2031 (Series 2026-1 Notes) and February 2034 (Series 2026-1A). If the notes are not repaid or refinanced by the anticipated repayment date, additional interest will accrue in accordance with the Indenture.

Pursuant to the Company's strategy to buy out the remaining contractual rights of subcontracted area directors, the Company terminated area development and service agreements with two area directors effective February 15, 2026 and March 31, 2026 for a total cost of $32 million. As of April 8, 2026, there is one remaining area director agreement accounting for less than 1% of systemwide sales.

# SAMPLE OF LEASE RIDER

## EXHIBIT J TO THE DISCLOSURE DOCUMENT

# LEASE RIDER

This Lease Rider (this "**Rider**") is executed as of this _____ day of _____, 20_____, by and between _____ ("**Tenant**") and _____, ("**Landlord**") as a Rider to the lease for the premises located at _____, (the "**Location**") dated as of _____, 20___ (as amended, renewed, and/or extended from time to time, the "**Lease**").

**WHEREAS**, Tenant has executed an Area Development Agreement (the "**Area Development Agreement**") with A SUB ABOVE, LLC, ("**Franchisor**") for the development of a JERSEY MIKE'S-branded restaurant at the Location; and

**WHEREAS**, under the Area Development Agreement, any lease for the location of a JERSEY MIKE'S-branded restaurant is subject to Franchisor's approval, and the lease for the Location shall include the provisions contained in this Rider.

**NOW THEREFORE**, in consideration of mutual covenants set forth in this Rider, the execution and delivery of the Lease, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Landlord and Tenant hereby agree as follows:

1. Acknowledgment of Tenant as a Franchisee. Landlord acknowledges that Tenant intends to operate a JERSEY MIKE'S-branded restaurant at the Location and that Tenant's rights to do so are derived from and governed by the Area Development Agreement and/or any related franchise agreement executed thereunder (each, a "**Franchise Agreement**"). Landlord acknowledges that Tenant's operations at the Location are independently owned and operated, that Tenant is not an agent, employee or partner of Franchisor, and that Tenant has no authority or power to act for or, in any way, bind Franchisor or any affiliate of Franchisor. Landlord further acknowledges that neither Franchisor nor its affiliates have any obligations under the Lease unless and until the Lease is assigned to them as described herein.

2. Franchisor's Limited Right of Entry. Tenant hereby represents and warrants to Landlord that Tenant has agreed under the Area Development Agreement and/or any Franchise Agreement that Franchisor and its personnel or agents shall have the right to enter the Location for certain purposes, including upon the expiration or termination of this Lease or the Area Development Agreement or applicable Franchise, Franchisor or its designee may, at Franchisor's cost, enter the Location for the purpose of removing signs and other material bearing Franchisor's name or trademarks, service marks or other commercial symbols, provided such party repairs any damage caused by such removal and otherwise complies with Landlord's reasonable requirements with respect to such access. Any lien of Landlord in Tenant's trade fixtures, trade dress, signage and other property at the Location is hereby subordinated to Franchisor's interest in such items as described in the Area Development Agreement.

3. Franchisor's Right to Cure. Prior to exercising any remedies under the Lease (except in cases of imminent danger to the Location), Landlord shall give Franchisor written notice of Tenant's default of the Lease, and Franchisor may, at its option, cure such default within fifteen (15) days after the later of (i) Franchisor's receipt of Landlord's notice of default, or (ii) the end of Tenant's cure period to do so. Landlord agrees to accept cure tendered by Franchisor as if it were tendered by Tenant. Franchisor's address for notice (unless subsequently changed upon written notice to Landlord by Franchisor) is: Franchisor, 1 Commvault Way, Suite 400, Tinton Falls, New Jersey 07724, Attention: Legal Department.

4. Assignment Rights of Franchisor and Affiliates. Tenant shall have the right, with prior written notice to Landlord but without the need for its consent or payment of any fees, to assign all of its right, title and interest in the Lease to Franchisor, to an affiliate of Franchisor, or to another JERSEY MIKE'S franchisee subject to an area development agreement with Franchisor (or otherwise with Franchisor's prior written consent). If

Franchisor or its affiliates accepts assignment of the Lease, it will have the same rights as Tenant to further assign the Lease to another JERSEY MIKE'S franchisee. Each assignment will be effective upon the assignee providing Landlord written notice of its acceptance of the assignment (the "**Assignment Notice**"). Landlord will recognize the assignee as the lessee of the Location effective as of the date of the Assignment Notice. If Franchisor or its affiliate should lawfully assume the Lease, then, for as long as Franchisor or its affiliate is the tenant thereunder, none of the following shall constitute an assignment, transfer, or change of control requiring Landlord's consent under the Lease: (i) the transfer of equity interests among its or any direct or indirect parent's existing owners, to or among family members, or to trusts for the benefit of any of such parties, (ii) the transfer of equity interests in connection with a public offering or once an entity is a public company, and/or (iii) any change in the members of the board of managers, directors, management or organization of Franchisor or any affiliate thereof.

5. Radius and Relocation Clauses Ineffective. Landlord acknowledges that, under the Area Development Agreement and any applicable Franchise Agreement, the premises from which the franchisee is authorized to operate its franchised restaurant and the lease to which such premises are subject must be approved by Franchisor. Franchisor's approvals of the Location and the Lease in this instance are specific to the Location and Lease. Further, Franchisor does not allow its franchisees to agree to limitations on Franchisor's ability to expand its system as it determines to be appropriate. Therefore, any provisions of the Lease that allow Landlord to require the relocation of Tenant's restaurant or that restrict where another JERSEY MIKE'S-branded restaurant may be located are deemed deleted and of no force or effect.

6. Written Assumption Required. Tenant and Landlord acknowledge and agree that Franchisor shall have no liability or obligation whatsoever under the Lease unless and until Franchisor assumes the Lease in writing. Franchisor will assume all of Tenant's obligations under the lease from and after the date of assignment, but shall have no obligation to pay any delinquent rent or to cure any other default under the lease that occurred or existed prior to the date of the assignment.

7. Estoppel Certificate; Reports. Landlord shall, no more than once per year, within 30 days after written request by Franchisor, deliver to Franchisor a written certification, in a form reasonably satisfactory to Franchisor: (i) that the Lease is unmodified and in full force and effect (or, if modified, describing the nature of such modification); (ii) as to the dates to which the rent and other charges arising under the Lease have been paid; (iii) as to the amount of any prepaid rent, security deposit held, or any credit due to Tenant under the Lease, (iv) the commencement date of the Lease; (v) as to whether, to the best of its knowledge, information and belief of Landlord, Landlord or Tenant is then in default in performing any of its obligations under the Lease (and, if so, specifying the nature of such default); and (vi) as to any other fact or condition reasonably requested by Franchisor. Landlord agrees to provide copies of all revenue and other information and data provided by Tenant related to the operation of Tenant's JERSEY MIKE'S-branded restaurant, as Franchisor may reasonably request, during the term of the Lease.

8. Modification of Lease. The Lease may not be terminated, modified or amended without Franchisor's prior written consent, nor shall Landlord accept surrender of the Location without Franchisor's prior written consent, which will not be unreasonably withheld. Franchisor will have 15 days after receipt of written notice describing any such proposed action to respond, failing which, Franchisor's consent will be deemed to have been withheld.

9. Third-Party Beneficiaries. All rights of Franchisor shall inure to its benefit and to the benefit of its successors and assigns. Franchisor may assign its rights under this Lease Rider to any designee. Franchisor shall constitute a third-party beneficiary of the lease (including, without limitation, this Rider) and, as a result thereof, have all rights (but no obligation) to enforce the same.

10. Miscellaneous. The Lease provisions not expressly modified by this Rider shall remain in full force and effect. The terms contained in this Rider shall supersede any terms to the contrary set forth in the Lease. This

Rider may be executed in one or more counterparts, each of which shall cumulatively constitute an original, and electronically signed signatures to this Rider shall constitute originals of the same.

**IN WITNESS WHEREOF**, the undersigned parties have executed this Rider, effective as of the date first written above.

NOW, THEREFORE, the parties, in consideration of the undertakings and commitments of each party to the other, hereby agree as follows:

1. Franchisee acknowledges and agrees that, in addition to the conditions to an Ownership Interest Transfer or Asset Transfer under the Franchise Agreement, any such transfer will also be subject to payment in full of amounts due to JMFS under that certain Promissory Note, attached hereto as Attachment 1, executed by JMFS and Franchisee (the "Note").

2. In addition to mandatory requirements for JERSEY MIKE'S Restaurants, Franchisee acknowledges and agrees that Franchisor may require Franchisee to utilize JMFS's specified third-party provider for accounting, bookkeeping, and/or lease review in its sole discretion. If Franchisor requires Franchisee to utilize JMFS's resources, Franchisee shall be required to pay such third party's then-current rate for such services.

3. Franchisee agrees that until the Note is satisfied in full, Franchisee shall not make distributions of any kind, other than for payment of taxes, to its members or owners without Franchisor's written consent.

4. Notwithstanding anything set forth in the Franchise Agreement, Franchisee's owners (or if Franchisee is an individual, then Franchisee) must devote his or her full time efforts to operating the Restaurant until the full amount due under the Note is repaid to JMFS. In addition, Franchisee's owners (or if Franchisee is an individual, then Franchisee) may not own, maintain, engage in, or have any interest in any business other than the Franchised Restaurant until the full amount due under the Note is repaid to JMFS; provided, however, this restriction will not be applicable to the ownership of shares of a class of securities on a national stock exchange or traded on the over-the-counter market that represent less than five percent (5%) of the number of shares of that class of securities issued and outstanding.

5. Simultaneously herewith, Franchisee and its owners shall execute the Promissory Note in substantially the form attached hereto as Attachment 1 and a Security Agreement in

substantially the form attached hereto as Attachment 2 for amounts to be advanced by JMFS for the costs of developing Franchisee's Restaurant (the "Development Costs"). If the landlord under the lease for the Restaurant reimburses Franchisee with a tenant improvement allowance upon the build out of the Restaurant, Franchisee is required to immediately pay JMFS the amount of the tenant improvement allowance, which shall be payable against the principal amount under the Promissory Note. If the landlord provides Franchisee with rent abatement under the lease for a period of time, Franchisee shall pay JMFS the rent abatement amount, payable against the principal amount under the Promissory Note, in addition to Franchisee's required payments in accordance with the Promissory Note.

6. **Miscellaneous**.

A. Franchisor and Franchisee agree that the recitals to this Amendment are true and correct, and are incorporated herein and made a part hereof by this reference.

B. Capitalized terms that are used but not defined in this Amendment will have the meanings ascribed to them in the Franchise Agreement, as amended.

C. The terms of this Amendment form an integral part, and are incorporated into and made a part, of the Franchise Agreement. In the event of a conflict between the terms contained in the Franchise Agreement and this Amendment, the terms and conditions of this Amendment shall govern, control, and supersede any inconsistent or conflicting terms of the Franchise Agreement.

D. Except as amended by this Amendment, the terms and conditions of the Franchise Agreement are hereby confirmed, ratified and approved in their entirety, and shall continue in full force and effect, as amended and modified by this Amendment.

E. This Amendment may be signed in counterparts, each of which shall be deemed an original but all of which taken together shall constitute one and the same instrument. The parties agree that scanned or electronic signatures shall have the same effect and validity, and may be relied upon in the same manner, as original signatures. 1. DEFINED TERMS. As used in this Promissory Note (this "Note"), the following terms shall have the following meanings:

    a. Maker: [_____]

    b. Holder: Jersey Mike's Franchise Systems, LLC

    c. Approved Total Advance: $[_____]

    d. Franchise Agreement: That certain Franchise Agreement dated [_____] ("Franchise Agreement") between Maker and Holder's affiliate, A Sub Above, LLC ("Franchisor"), governing Maker's ownership and operation of the Maker's Jersey Mike's restaurant (the "Restaurant").

    e. Restaurant: Maker's Jersey Mike's Restaurant located at [_____]

2. MAKER'S PROMISE TO PAY. Maker promises to pay to the order of Holder the aggregate amount (which shall not exceed Approved Total Advance) Holder advances to Maker's vendors for the Permitted Items identified on Exhibit A (the "Total Advance") plus interest thereon as set forth in this Note. If the landlord under the lease for the Restaurant reimburses Maker with a tenant improvement allowance upon the build out of the Restaurant, Maker must immediately pay Holder the amount of the tenant improvement allowance, which shall be payable against the Total Advance. If the landlord provides Maker with rent abatement under the lease for a period of time, Maker shall pay Holder the rent abatement amount, payable against the Total Advance, in addition to Maker's required payments hereunder. At Holder's sole discretion, and upon prior written notice to Maker, Holder may require Maker to make additional payments in an amount up to fifty percent (50%) of the Restaurant's EBITDA to pay against the Total Advance in addition to Maker's required payments under Section 6 of this Note. "EBITDA" as used herein refers to earnings before deducting interest, taxes, depreciation and amortization expenses.

3. INTEREST. Interest shall accrue on the unpaid and outstanding Total Advance of this Note commencing on the date Holder first makes a disbursement of all or part of the Total Advance, and continuing until repayment of this Note in full at the fixed rate of [__] percent ([__]%) per annum.

4. USE OF PROCEEDS. All funds disbursed in respect of the Total Advance shall be used solely to fund Maker's acquisition of the Permitted Items for the Restaurant (the "Acquisition").

5. DISBURSEMENTS. All amounts in respect of the Total Advance shall be disbursed by Holder or its agents and affiliates directly to the vendors set forth on the attached Exhibit A, on or about the dates set forth on such Exhibit A, in the amounts set forth on such Exhibit A, and in accordance with the payment instructions set forth on such Exhibit A; it being acknowledged and agreed that such disbursements to such vendors are being made by Holder at the direction of Maker to fund the Acquisition. MAKER HEREBY ACKNOWLEDGES THAT MAKER HAS REVIEWED THE ATTACHED EXHIBIT A CAREFULLY, AND THAT THE INFORMATION SET FORTH

THEREIN IS ACCURATE AND COMPLETE. MAKER HEREBY IRREVOCABLY AUTHORIZES AND DIRECTS HOLDER TO FUND THE DISBURSEMENTS OF THE TOTAL ADVANCE IN ACCORDANCE THEREWITH.

6. PAYMENTS.

a. Beginning on the earlier of (i) the date sixty (60) days after the date the Restaurant first opens for business or (ii) the [___] month anniversary of the date of this Note (in each case provided Holder has made a disbursement of all or part of the Total Advance), Maker shall make monthly payments of principal and interest in the amounts set forth on Exhibit A until the [____] year anniversary of the Loan, on which date all remaining principal and interest shall be paid in full.

b. Maker shall make all payments hereunder to Holder in lawful money of the United States and in immediately available funds. Maker shall make payments via auto-debit transfer from an account provided by Maker, or as otherwise agreed upon by Maker and Holder.

c. All payments under this Note shall be made unconditionally, indefeasibly and in full without deduction, setoff, recoupment, counterclaim, or other defense, all of which are hereby waived to the maximum extent permitted by applicable law. If the Maker has any claim, recoupment, set-off, defense or other right to the contrary, Maker shall notify Holder in writing immediately. Maker hereby represents and warrants that it presently has no such claims, recoupments, setoffs, defenses or other such rights.

7. MAKER'S FAILURE TO PAY AS REQUIRED.

a. Default. Upon the occurrence of any one of the following events ("Events of Default"), the entire principal amount outstanding and all accrued interest thereunder shall at the option of the Holder, without any prior notice, presentment or demand, become immediately due and payable in full:

i. Failure of the Maker to make payments whenever due or upon demand, as the case may be, and the continuation of such failure for a period of thirty (30) days; or

ii. Failure of the Maker to perform or observe any of the Maker's covenants or agreements under this Note which continues for thirty (30) days after Maker knows or should have known of such failure; or

iii. An assignment by the Maker of any of its assets for the benefit of the Maker's creditors, or the commencement by or against the Maker of any bankruptcy, insolvency, liquidation, receivership or similar proceedings; or

iv. Maker's (or any of Maker's guarantor's) default in performing any other obligation hereunder or under any other agreement now or hereafter entered into between Maker (or any of Maker's guarantors), on the one hand, and Holder or Franchisor or any of their affiliates, on the other hand, including, without limitation, the Franchise Agreement.

b. Notice and Cure. Upon the occurrence of an Event of Default, Holder shall send Maker a written notice advising Maker of such default and requiring Maker to cure such default

within thirty (30) days after the date on which the notice is mailed to Maker or delivered by other means. In the event the Maker is in default of this Note and the Holder does not require Maker to pay immediately pay in full all amounts due hereunder, Holder will still have the right to do so if Maker is in default at any subsequent time.

8. MAKER'S PAYMENTS BEFORE THEY ARE DUE. Maker has the right to make payment of the unpaid Principal in whole or in part at any time before the Maturity Date ("Prepayment"). If Maker makes Prepayment, Maker shall notify the Holder in writing that Maker is doing so. Maker may make Prepayment without paying any penalty; provided, however, that any such prepayment of principal shall be accompanied by the payment of interest accrued to the date of such prepayment and all costs, expenses or charges then owed to Holder pursuant to this Note. The Holder shall use Prepayment to reduce the amount of principal that is owed under this Note.

9. COVENANTS, REPRESENTATIONS, AND WARRANTIES.

    a. Maker's Representations and Warranties. Maker represents and warrants that [_____] holds [_____] percent ([___]%) of the [membership interests/outstanding stock] of the Maker and [_____] holds [_____] percent ([___]%) of the [membership interests/outstanding stock] of the Maker and covenants that such ownership shall not change while this Note remains outstanding unless the Holder consents.

    b. Holder's Representations and Warranties.

        i. Holder represents and warrants that (1) it has received all information it has requested from Maker that it considers necessary or appropriate for deciding whether to acquire this Note, (2) it has had an opportunity to ask questions and receive answers from Maker regarding the terms and conditions of this Note and to obtain any additional information necessary to verify the accuracy of the information given the Holder and (3) it has such knowledge and experience in financial and business matters that it is capable of evaluating the merits and risks of purchasing this Note.

        ii. Holder represents and warrants that it is acquiring this Note solely for its own account and beneficial interest, not for sale or with a view to distribution of this Note, has no present intention of selling, granting any participation in, or otherwise distributing the same, and does not presently have reason to anticipate a change in such intention.

10. MAKER'S WAIVERS. Maker waives the right to require the Holder to do certain things. Those things are: (a) to demand payment of amounts due (known as "presentment"); (b) to give notice that amounts due have not been paid (known as "notice of dishonor"), except as expressly provided elsewhere in this Note; (c) to obtain an official certification of nonpayment (known as a "protest"). Anyone else who agrees to keep the promises made in this Note, or who agrees to make payments to the Holder if Maker fails to keep the promises under this Note, or who signs this Note to transfer it to someone else, also waives these rights. These persons are known as "guarantors, sureties and endorsers."

11. NO USURY. Maker and Holder intend to comply at all times with applicable usury laws. If, at any time, such laws would render usurious any amounts called for under this Note, it is Maker's and

Holder's express intention that Maker shall never be required to pay interest on this Note at a rate in excess of the maximum lawful rate then allowed. The provisions of this Section 11 shall control over all other provisions of this Note, which may be in apparent conflict hereunder. Any excess amount shall be immediately refunded by Holder to Maker, and the provisions hereof shall be immediately reformed, and the amounts thereafter collectible under this Note shall be reduced, without the necessity of the execution of any further documents, so as to comply with the then applicable law, but so as to permit the recovery of the fullest amount otherwise called for under this Note. Any such refund shall not cure or waive any default by Maker under this Note. Maker agrees that in determining whether or not any interest payable under this Note exceeds the highest rate not prohibited by law, any non-principal payment (except payments specifically stated in this Note to be "interest"), including, without limitation, late charges, shall, to the maximum extent not prohibited by law, be an expense, fee, or indemnification amount rather than interest. The term "applicable law" as used in this Note shall mean the laws of the State of New Jersey or the laws of the United States, whichever laws allow the greater rate of interest, as such laws now exist or may be changed or amended or come into effect in the future.

12. GIVING OF NOTICES.

    a. Any notice that must be given to Maker under this Note shall be given by hand delivery or by certified mail addressed to Maker at [_____]. Notice shall be delivered or mailed to Maker at a different address only after Maker gives the Holder written notice of the different address.

    b. Any notice that must be given to the Holder under this Note shall be given by hand delivery or by certified mail addressed to Holder at 1 Commvault Way, Suite 400, Tinton Falls, New Jersey 07724, Attention: Office of the General Counsel. Notice shall be delivered or mailed to Holder at a different address only after Holder gives the Maker written notice of the different address.

13. EXTENSIONS/RENEWALS. Holder may in its sole and absolute discretion, without notice and without releasing the liability of Maker, grant extensions and/or renewals hereof from time to time or for any term or terms. Holder shall not be liable for or prejudiced by failure to collect or lack of diligence in bringing suit on this Note or any renewal or extension hereof, and the acceptance at any time by Holder of any past-due amount shall not be deemed to be a waiver of the right to require prompt payment when due of any other amounts then or thereafter due and payable.

14. ASSIGNMENTS. The Maker may not assign, transfer, or sell this Note to any party without the written consent of the Holder.

15. ATTORNEYS' FEES. In any litigation to enforce the terms of this Note, the prevailing party shall be entitled to receive from the non-prevailing party all its costs and expenses of obtaining such relief. This includes, but is not limited to, court costs, arbitration costs and attorneys' fees, which the prevailing party may incorporate into the terms of any judgment, order or relief granted to the prevailing party.

16. ENTIRE AGREEMENT; AMENDMENTS. This Note, including the Guaranty and Assumption of Obligations attached hereto as Exhibit B, contains the entire understanding of the parties with respect to the subject matter hereof and includes all of the oral and written agreements, representations, and arrangements between the parties with respect to the obligations to be incurred by the Maker herein, and no other representations or warranties are made or implied except as

expressly set forth in this Note. This Note may not be changed or amended orally, but only by an agreement in writing, signed by Maker and the holders of a majority of the aggregate principal amount of the Notes then outstanding.

17. CAPTIONS. All paragraph and subparagraph captions are for convenience of reference only and shall not affect the construction of any provision herein.

18. GOVERNING LAW. Except as specifically provided in Section 11, this Note shall be construed in accordance with and governed by the laws of the State of New Jersey without regard to any conflict of law principles, and shall be subject to the arbitration obligations set forth in the Franchise Agreement..

19. SEVERABILITY. If any provision of this Note shall for any reason be held invalid or unenforceable, such invalidity or unenforceability shall not affect any other provision of this Note, but this Note shall be construed as if this Note had never contained the invalid or unenforceable provision.

20. WAIVER BY HOLDER. Holder shall not be deemed, by any act or omission, to have waived any of its rights or remedies hereunder unless such waiver is in writing and signed by an authorized representative of Holder and then only to the extent specifically set forth in such writing. A waiver with reference to one event shall not be construed as continuing or as a bar to or waiver of any right or remedy as to a subsequent event.

## GUARANTY AND ASSUMPTION OF OBLIGATIONS

1. In consideration of, and as an inducement to, the execution of the Note of even date herewith (the "Note") by Jersey Mike's Franchise Systems, LLC ("Holder"), [_____] (the "Guarantors") hereby personally and unconditionally guarantee the punctual payment when due of all obligations of [_____] (the "Maker") to Holder now or hereafter existing under the Note, whether for principal, interest, fees or otherwise (such obligations, the "Indebtedness", and such guaranty, the "Guaranty"). Maker and Holder acknowledge and agree that the execution of this Guaranty by the Guarantors is a material inducement to Holder to execute the Note and that Holder would not have executed the Note without this Guaranty.

2. This Guaranty is and is intended to be a continuing guaranty of payment of the Indebtedness (irrespective of the aggregate amount thereof and whether or not the Indebtedness from time to time exceeds the amount of this Guaranty, if limited), independent of, in addition and without modification to and does not impair or in any way affect any other guaranty, endorsement or other agreement held by Holder therefor or with respect thereto, whether or not furnished by Guarantors. This Guaranty and Guarantors' obligations hereunder shall not be modified, terminated, impaired or in any way affected by the execution, delivery or performance by Guarantors, Maker or any other person of any other guaranty, endorsement or other agreement or the delivery of collateral therefor.

3. This Guaranty is unlimited in amount, is absolute and unconditional and shall not be changed or affected by any representation, oral agreement, act or thing whatsoever, except as herein provided. This Guaranty is intended by Guarantors to be the final, complete and exclusive expression of the agreement between Guarantors and Holder regarding the subject matter hereof. Guarantors expressly disclaim any reliance on any course of dealing or usage of trade or oral representation of Holder including, without limitation, representations of Holder to make loans to Maker or enter into any other agreement with Maker or Guarantors. No modification or amendment of any provision of this Guaranty and no waiver of any right by Holder shall be effective unless in writing and signed by Holder (or a duly authorized officer thereof, if applicable). Guarantors guarantee that the obligations of the Maker under the Note will be paid strictly in accordance with its terms, regardless of any law, regulation or order now or hereafter in effect in any jurisdiction affecting any of such terms or the rights of the Holder with respect thereto. The liability of the Guarantors under this Guaranty shall be absolute and unconditional irrespective of any change in the time, manner or place of payment of, or in any other term of, all or any of the obligations of the Maker under the Note, or any other amendment or waiver of or any consent to departure from the Note.

4. This Guaranty shall remain in full force and effect until all Indebtedness outstanding, or contracted or committed for (whether or not outstanding), and any extensions, renewals or replacements thereof, together with interest accruing thereon, shall be finally and irrevocably paid in full, upon which this Guaranty shall automatically terminate. This Guaranty shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the obligations of the Maker under the Note is rescinded or must otherwise be returned by the Holder upon the insolvency, bankruptcy or reorganization of the Maker or otherwise, all as though such payment had not been made. As of the date any payment is returned, the statute of limitations shall start anew with respect to any action or proceeding by Holder against Guarantors under this Guaranty. Guarantors shall

defend and indemnify Holder against and from any claim or loss under this paragraph, including actual attorneys' fees and expenses in the defense of any such action or suit.

5. **THIS GUARANTY AND THE TRANSACTIONS EVIDENCED HEREBY SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW JERSEY WITHOUT REGARD TO PRINCIPLES OF CONFLICTS OF LAW. THE FEDERAL AND STATE COURTS OF THE STATE OF NEW JERSEY SHALL HAVE SOLE AND EXCLUSIVE JURISDICTION OVER ANY DISPUTE ARISING FROM THIS GUARANTY.**

6. The Guarantors waive notice of acceptance of this Guaranty and notice of any liability of Maker to which this Guaranty may apply and waives notice of default, non-payment, partial payment, presentment, demand, protest, notice of protest or dishonor and all other notices to which the Guarantors might otherwise be entitled except any notices expressly set forth herein, or which might be required by law.

7. Each Guarantor represents and warrants that, if no signature appears below for such Guarantor's spouse, such Guarantor is either not married or, if married, is a resident of a state which does not require the consent of both spouses to encumber the assets of a marital estate.

8. By signing below, the undersigned spouse of each Guarantor indicated below, acknowledges and consents to the guaranty given herein by his/her spouse. Such consent also serves to bind the assets of the marital estate to Guarantor's performance of this Guaranty. We confirm that a spouse who signs this Guaranty solely in his or her capacity as a spouse (and not as an owner) is signing merely to acknowledge and consent to the execution of the Guaranty by his or her spouse and to bind the assets of the marital estate as described therein and for no other purpose (including, without limitation, to bind the spouse's own separate property).

2.13 The Debtor agrees to hold in trust for the Secured Party all payments received from any of the Collateral and from all rights by way of suretyship or guaranty which the Debtor now has or may hereafter acquire, to enforce payment under any of the Collateral, and from all rights in the nature of a mortgage, lien, or security interest whereby the Debtor may satisfy any amount due it with respect to any Collateral out of property. From and after the time the Secured Party directs the Debtor to do so, the Debtor agrees to fully and promptly cooperate with and assist the Secured Party (or any other person as the Secured Party shall designate) in the collection and enforcement of all payments which may be due from the Collateral.

2.14 Upon an event of default, including any breach of a standard franchise agreement between Debtor and Secured Party's affiliate, A Sub Above, LLC ("Franchisor"), or any failure to pay sums due on the Promissory Note or any other obligation owed to the Secured Party by the Debtor on or before their due date (such occurrences to be considered an "Event of Default" as described below), the Debtor authorizes the Secured Party or any employee or agent thereof to endorse the name of the Debtor upon any checks or other items which are received in payment or other Collateral and to do any and all things necessary in order to reduce the same to money.

2.15 The Secured Party shall have no duty as to the collection or protection of any pledged stock (if such a pledge has been given in connection with the transaction out of which this Security Agreement arises) or other Collateral or the proceeds thereof, nor as to the preservation of any rights pertaining thereto, beyond the use of reasonable care in the custody and preservation of Collateral in the possession of the Secured Party. The Debtor agrees to take all steps necessary to preserve rights against prior party or other Collateral.

3. **DEFAULTS, ENFORCEMENT, AND APPLICATION OF PROCEEDS.**

3.1 Upon the occurrence of any of the following events (herein sometimes called an "Event of Default"), the Debtor shall be in default under this Agreement:

(i) The occurrence of an event of default under any franchise agreement between the Debtor and Franchisor not timely cured in accordance with the terms of such agreement; or

(ii) The Secured Party, in good faith, shall believe that the prospect of payment of the Indebtedness or performance of this Agreement is materially impaired, or shall reasonably fear deterioration, removal or waste of the Collateral; or

(iii) Debtor shall deny or contest the enforceability of this Agreement or the security interest created hereby; or

(iv) Debtor shall fail to pay any sum due to Secured Party on or before its due date, not timely cured in accordance with the terms of the applicable agreement, including without limitation any failure to pay sums due under the Promissory Note of even date herewith; or

(v) [_____], or Debtor shall deny any obligations due under the Personal Guaranty, the Promissory Note or any franchise agreement.

3.2 Upon the occurrence of any Event of Default, the Secured Party may at its discretion and without prior notice to the Debtor (except for such notice, if any, as may be required by the applicable agreement) declare any or all of the Indebtedness to be immediately due and payable and shall have and may exercise any one or more of the following rights and remedies:

(i) exercise all the rights and remedies upon default, in foreclosure and otherwise, available to secured parties under the provisions of the Uniform Commercial Code and other applicable law;

(ii) institute legal proceedings to foreclose upon and against the lien and security interest granted by this Agreement, to recover judgment for all amounts then due and owing as Indebtedness secured hereby, and to collect the same out of any of the Collateral or proceeds of any sale thereof;

(iii) institute legal proceedings for the sale, under the judgment or decree of any court of competent jurisdiction, of any or all of the Collateral;

(iv) personally or by agents or attorneys, enter upon any premises where the Collateral or any part thereof may then be located, and take possession of all or any part thereof and/or render it unusable, and without being responsible for loss or damage to such Collateral,

(a) hold, store, and keep idle, or lease, operate, remove, or otherwise use or permit the use of, the Collateral or any part thereof, for such time and upon such terms as the Secured Party may in its sole and complete discretion deem to be in its own best interest, and demand, collect, and retain all hire, earnings, and other sums due and to become due in respect of the same from any party whomsoever, accounting only for net earnings, if any, (unless the Collateral is retained in satisfaction of the Indebtedness, in which case no accounting will be necessary) arising from such use (which net earnings may be applied against the Indebtedness) and charging against all receipts from the use of the same or from the sale thereof, by court proceedings or pursuant to subparagraph (b) below, all other costs, expenses, charges, damages, and other losses resulting from such use; or

(b) sell, lease, and dispose of or cause to be sold, leased, and disposed of, all or any part of the Collateral at one or more public or private sales, leasings, or other dispositions, at such places

and times and on such terms and conditions as the Secured Party may deem fit, without any previous demand or advertisement but with reasonable notification to the Debtor of any such sale, lease, or other disposal, and except as herein provided, all notice of sale, lease, or other disposition, and advertisement, and other notice or demand, any right or equity of redemption, and any obligation of a prospective purchaser or lessee to inquire as to the power and authority of the Secured Party to sell, lease, or otherwise dispose of the Collateral or as to the application by the Secured Party of the proceeds of sale or otherwise, which would otherwise be required by, or available to the Debtor under, applicable law, are hereby expressly waived by the Debtor to the fullest extent permitted by such law.

At any such sale pursuant to this Section 3.2, whether under the power of sale or by virtue of judicial proceedings, it shall not be necessary for the Secured Party or a public officer under order of a court to have present physical or constructive possession of the Collateral to be sold. The recitals contained in any conveyances and receipts made and given by the Secured Party or such public officer to any purchaser at any sale made pursuant to this Agreement shall, to the extent permitted by applicable law, conclusively establish the truth and accuracy of the matters therein stated (including, without limiting the generality of the foregoing, the amounts of the principal of and interest on the Indebtedness, the accrual and nonpayment thereof, and advertisement and conduct of such sale in the manner provided herein and by applicable law); and all prerequisites to such sale shall be presumed to have been satisfied and performed. Upon any sale hereunder of any of the Collateral or any interest therein, the receipt of the officer making such sale under judicial proceedings or of the Secured Party shall be sufficient discharge to the purchaser for the purchase money, and such purchaser shall not be obligated to see to the application thereof. Any sale hereunder of any of the Collateral or any interest therein shall forever be a perpetual bar against the Debtor with respect to such Collateral.

3.3 The Debtor shall at any time at the request of the Secured Party notify the obligors on the Collateral of the security interest of the Secured Party therein and direct payment thereto to the Secured Party. The Secured Party may itself, upon the occurrence of any Event of Default, so notify and direct any such obligor and may take control of any proceeds to which it may be entitled hereunder.

3.4 The proceeds of any sale or other disposition of Collateral authorized by this Agreement shall be applied by the Secured Party first upon all expenses authorized by the Uniform Commercial Code and all reasonable attorney fees and legal expenses incurred by the Secured Party; the balance of the proceeds of such sale or other disposition shall be applied in the payment of the Indebtedness, first to interest, then to principal, and the surplus, if any, shall be paid over to the Debtor or to such other person or persons as may be entitled thereto under applicable law. The Debtor shall remain liable for any deficiency, which it shall pay to the Secured Party immediately upon demand.

3.5 Nothing herein contained is intended, nor should it be construed, to preclude the Secured Party from pursuing any other remedy provided by law for the collection of the Indebtedness or any portion thereof, or for the recovery of any other sum to which the Secured Party may be or become entitled for the breach of this Agreement by the Debtor, nor shall anything contained herein reduce in any way any rights of the Secured Party contained in any existing agreement between the Debtor and the Secured Party.

3.6 No waiver of default shall be effective unless in writing signed by the Secured Party, and no waiver of any default or forbearance on the part of the Secured Party in enforcing any of its rights under this Agreement shall operate as a waiver of any other default or of the same default on a future occasion or of any such right.

3.7 The Debtor hereby irrevocably appoints the Secured Party (which appointment is coupled with an interest) the true and lawful attorney of the Debtor (with full power of substitution) in the name,

place, and stead, and at the expense, of the Debtor to do any one or more of the following, but, except in the case of clause (iv) below, only upon (or any time after) the occurrence of an Event of Default:

(i) to give any necessary receipts or acquittances for amounts collected or received hereunder;

(ii) to make all necessary transfers of all or any part of the Collateral in connection with any sale, lease, or other disposition made pursuant hereto;

(iii) to execute and deliver for value all necessary or appropriate bills of sale, assignments, and other instruments in connection with any such sale, lease, or other disposition, the Debtor hereby ratifying and confirming all that its said attorney (or any substitute) shall lawfully do hereunder and pursuant hereto. Nevertheless, if so requested by the Secured Party or a purchaser or lessee, the Debtor shall ratify and confirm any sale, lease, or other disposition by executing and delivering to the Secured Party or such purchaser or lessee all proper bills of sale, assignments, releases, leases, and other instruments as may be designated in any such request;

(iv) to execute and file in the name of and on behalf of the Debtor all financing statements or other filings deemed necessary or desirable by the Secured Party to evidence or perfect the security interests herein granted;

(v) to demand, receive, sue for, and give receipts as acquittances for any moneys due or to become due on any pledged stock or Collateral; and

(vi) with respect to any Collateral, to assent to any or all extensions or postponements of the time of payment thereof or any other indulgence in connection therewith, to the substitution, exchange, or release of Collateral, to the addition or release of any party primarily or secondarily liable, to the acceptance of partial payments thereon and the settlement, compromise, or adjustment thereof, all in such manner and at such time or times as the Secured Party shall deem advisable.

3.8 The Debtor also agrees, upon request of the Secured Party, to assemble the Collateral and make it available to the Secured Party at any place designated by the Secured Party which is reasonably convenient to the Secured Party and the Debtor.

## 4. MISCELLANEOUS.

4.1 This Agreement shall in all respects be governed by and construed in accordance with the internal laws of the State of New Jersey, and shall be subject to the arbitration obligations set forth in the standard franchise agreement between Debtor and Franchisor.

4.2 This Agreement shall be terminated only by the filing of a termination statement in accordance with the applicable provisions of the Uniform Commercial Code or other relevant law. Until terminated, the security interest hereby created shall continue in full force and effect and shall secure and be applicable to all advances now or hereafter made by the Secured Party whether or not the Debtor is indebted to the Secured Party immediately prior to the time of any such advance.

4.3 This Agreement and all the rights and remedies of the Secured Party shall inure to the benefit of the Secured Party's successors and assigns and to any other holder who derives from the Secured Party any title to or an interest in the Indebtedness or any portion thereof, and shall bind the Debtor and the successors, and to the extent permitted by Secured Party, the assigns of the Debtor.

4.4 Notwithstanding any limitation contained herein, any indebtedness owing from the Secured Party to the Debtor can be set off and applied by the Secured Party on any Indebtedness at any time and from time to time, either before or after maturity upon demand or notice to anyone.

4.5 In the event that any mandatory requirement of applicable law shall obligate the Secured Party to give prior notice to the Debtor of any action to be taken hereunder, the Debtor hereby agrees that a written notice, given to it at least five days before the date of any such act, shall be deemed to be reasonable notice of such act and, specifically, reasonably notification of the time after which any private sale, lease, or other disposition intended to be made hereunder is to be made, unless a shorter notice period is reasonable under the circumstances. A notice shall be deemed to be given hereunder when delivered to the Debtor or when placed in an envelope addressed to the Debtor and deposited, with postage thereon prepaid, in a post office or official depository under the exclusive care and custody of the United States Postal Service. The mailing shall be registered, certified, or first class mail.

4.6 A photocopy, or other reproduction of this Agreement, including the signatures thereon, shall be sufficient as a financing statement under the Uniform Commercial Code and may be filed by the Secured Party as such in any filing office.

4.7 The Debtor and the Secured Party hereby irrevocably waive the right to trial by jury with respect to any and all actions or proceedings at any time in which the Debtor and the Secured Party are parties whether such actions or proceedings arise out of this Agreement or otherwise.

4.8 Debtor acknowledges and agrees that the Secured Party does not assume nor has any duty of performance or other responsibility under any contracts contained within the Collateral.

**AGREEMENT**

**NOW, THEREFORE**, the parties, in consideration of the undertakings and commitments of each party to the other, the receipt and sufficiency of which are acknowledged, hereby agree as follows:

1. Designated Area. Given the non-traditional nature of the Restaurant's location, Franchisee acknowledges and agrees that the Designated Area shall only include the Host Facility (as referenced in Section 2 of this Addendum).

2. Restaurant and Location. The following language is added to the end of Section 3.1 of the Franchise Agreement:

> Franchisor and Franchisee acknowledge that the Premises is located within or adjacent to a larger venue or facility (the "**Host Facility**") located at the address identified on the Summary Pages. If the placement and operation of the Restaurant in or in connection with the Host Facility requires the consent of the owner, franchisor, and/or licensor of the Host Facility, Franchisee represents and warrants that it has obtained all necessary written consents and authorizations (and provided a copy thereof to Franchisor) to permit Franchisee's operation of the Restaurant at the Premises. Franchisee acknowledges and agrees that the Premises will be strictly limited to the physical area within the Host Facility occupied by the Restaurant. The "Premises" cannot and will not under any circumstances be defined as a geographic area or be described in terms other than the specific location within the Host Facility. During the Term, the Premises shall be used exclusively to operate the Restaurant and Franchisee may not relocate the Restaurant to a different site within the Host Facility, or to another location and/or facility, without Franchisor's express written consent.

3. Computer System. The following language is added to the end of Section 11.2 of the Franchise Agreement:

> Franchisor acknowledges that Franchisee is required by the Host Facility to use, in the operation of the Restaurant, a designated computer and point-of-sale system that is common to other businesses operated in the Host Facility (the "**Host Facility Computer System**"). Franchisor consents to Franchisee's use of the Host Facility Computer System

in the operation of the Restaurant so long as such use is required by the Host Facility, provided that (a) the Host Facility Computer System has the ability to generate sales reports and record transactions of the Restaurant required by this Agreement and/or Franchisor, separate and apart from any other business(es) within the Host Facility; and (b) Franchisor will have uninterrupted and independent remote access to such Host Facility Computer System. If Franchisee ceases to be obligated to use the Host Facility Computer System, Franchisee's computer-based POS System shall thereafter comply with the requirements of this Section. Franchisee agrees to comply with the Host Facility's requirements related to the Host Facility Computer System and, as between Franchisor and Franchisee, will be solely responsible for ensuring that (i) the Host Facility Computer System complies with all applicable laws and industry standards, (ii) all personal information collected, stored, and processed on the Host Facility Computer System is protected, stored, and used in accordance with this Agreement and applicable law, and (iii) all Confidential Information that is stored on or accessed through the Host Facility Computer System is protected as required in this Agreement.

4. Modification of System. The following language is added to the end of Section 12.3 of the Franchise Agreement:

Franchisor and Franchisee acknowledge and agree that the products and services offered for sale from the Restaurant may differ from that of a traditional Restaurant due to the non-traditional nature of the Premises. Franchisee may propose deviations to the menu items and product offerings sold or offered by the Restaurant, but Franchisee must receive Franchisor's prior written consent prior to the sale or offering of any such alternative products. Any requests for deviations of this nature must be submitted to and approved by Franchisor.

Franchisee agrees that it will not offer or sell any products or services offered by JERSEY MIKE'S Restaurants from or through the Host Facility in any way other than from or through the Restaurant.

Franchisee acknowledges and agrees that Franchisor may, in its discretion, modify the System Standards for the Restaurant to accommodate the specific circumstances inherent in the Premises (including the products and services that may be offered for sale therefrom; the appearance of the Restaurant; the equipment, fixtures, and décor used therein; and the hours of operation), and that such modifications may not apply to JERSEY MIKE'S Restaurants at traditional locations and/or other non-traditional locations. Franchisor will determine the scope and duration of such modifications, as necessary. Franchisee agrees to comply with all such modifications that Franchisor communicates to it in writing.

5. Inspections & Audits. Franchisor acknowledges and agrees that it will be required to comply with the protocols established by the Host Facility to inspect the Restaurant on the Premises, as permitted under Section 11 and Section 13.3 of the Franchise Agreement. If Franchisor is prohibited from inspecting the Restaurant, Franchisee shall promptly provide to Franchisor any photographs, videos, business records and/or additional evidence it requests, for purposes of off-site inspection by Franchisor.

6. Default and Termination. The following language is added as subsections (w) through (aa) of Section 16.2 of the Franchise Agreement:

w. Franchisee loses the right, for whatever reason, to operate the Restaurant within the Host Facility;

x. the Host Facility engages in any conduct which, in Franchisor's opinion, adversely affects the reputation of the Restaurant or the goodwill associated with the Marks;

y. the Host Facility materially reduces the size or configuration of the Premises, the business conducted by the Host Facility materially changes, and/or the Host Facility requires that Franchisee materially change the manner or location within the Host Facility in which the Restaurant is operated;

z. the Host Facility violates any law, ordinance, rule, or regulation of a governmental agency in connection with the operation of the Restaurant; or

aa. the Host Facility creates or allows to exist any condition in or at the Premises or the Host Facility, or otherwise in connection with the operation of the Restaurant, which Franchisor reasonably determines to present a health or safety concern for the Restaurant's customers or employees.

7. Purchase Option & Right of First Refusal. Franchisor and Franchisee acknowledge and agree that Franchisor's right to purchase the Restaurant under Section 17.10 of the Franchise Agreement and Franchisee's right of first refusal under Section 18.4 of the Franchise Agreement may be impacted by the rules established for businesses operated at the Host Facility, including the obligation to obtain the Host Facility's approval. Franchisee agrees to reasonably cooperate with Franchisor, at Franchisee's expense, to facilitate the exercise of Franchisor's purchase option and/or right of first refusal if Franchisor should exercise its rights under Section 17.10 and/or Section 18.4 of the Franchise Agreement.

8. Miscellaneous. This Addendum forms an integral part of the Franchise Agreement. The Franchise Agreement shall be amended only as described herein. All other provisions of the Franchise Agreement shall remain in full force and effect as provided therein. In the event of a conflict between the terms of the Franchise Agreement and this Addendum, the terms of this Addendum shall control. **DISCLOSURE DOCUMENT**
**FOR THE STATE OF WASHINGTON**

1. Conflict of Laws. In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act (the "Act"), Chapter 19.100 RCW, shall prevail.

2. Franchisee Bill of Rights. RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.

3. Site of Arbitration, Mediation, and/or Litigation. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. General Release. A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. Statute of Limitations and Waiver of Jury Trial. Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. Transfer Fees. Transfer fees are collectable to the extent that they reflect our reasonable estimate or actual costs in effecting a transfer.

7. Termination by Franchisee. The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. Certain Buy-Back Provisions. Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. Fair and Reasonable Pricing. Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. Waiver of Exemplary & Punitive Damages. RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages may be void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. Franchisor's Business Judgment. Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. Indemnification. Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. Attorneys' Fees. If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. Non-Competition Covenants. Pursuant to RCW 49.62.020, a non-competition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed $100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed $250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. Non-Solicitation Covenants. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. Questionnaires and Acknowledgements. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. Prohibitions on Communicating with Regulators. Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. Advisory Regarding Franchise Brokers. Under the Washington Franchise Investment Protection Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

3. Site of Arbitration, Mediation, and/or Litigation. In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. General Release. A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. Statute of Limitations and Waiver of Jury Trial. Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. Transfer Fees. Transfer fees are collectable to the extent that they reflect our reasonable estimate or actual costs in effecting a transfer.

7. Termination by Franchisee. The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. Certain Buy-Back Provisions. Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. Fair and Reasonable Pricing. Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. Waiver of Exemplary & Punitive Damages. RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages may be void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. Franchisor's Business Judgment. Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. Indemnification. Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. Attorneys' Fees. If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. Non-Competition Covenants. Pursuant to RCW 49.62.020, a non-competition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed $100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed $250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. Non-Solicitation Covenants. RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. Questionnaires and Acknowledgements. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. Prohibitions on Communicating with Regulators. Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. Advisory Regarding Franchise Brokers. Under the Washington Franchise Investment Protection Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale of franchises.
