What You Need to Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business models can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some states require registration. Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit A to this Franchise Disclosure Document.

Your state also may have laws that require special disclosures or amendments made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution**. The franchise agreement requires you to resolve disputes with the franchisor by mediation, arbitration and/or litigation only in Texas. Out-of-state mediation, arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to mediate, arbitrate, or litigate with the franchisor in Texas than in your own state.

2. **Sales Performance Required**. You must maintain minimum sales performance levels. Your inability to maintain these levels may result in loss of any territorial rights you are granted, termination of your franchise, and loss of your investment.

3. **Spousal Liability**. Your spouse, or any other individual who may have legal rights in your assets (such as community property rights or other similar interests)—even if they have no ownership interest in the franchise and, in most instances, no direct ownership in your assets—may be required to sign a document making them jointly and severally liable for all financial obligations under the franchise agreement. This guarantee may place your and such individual's marital, community, and personal assets—potentially including your residence—at risk if your franchise fails.

4. **Minimum Royalty and Other Payment**. You must make minimum royalty payments, regardless of your sales levels. Your inability to make the payments may result in the termination of your franchise and loss of your investment.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda", **Exhibit K** to this Franchise Disclosure Document, (if any) to see whether your state requires other risks to be highlighted.

Item 1: FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

FASTSIGNS International, Inc. (referred to in this Franchise Disclosure Document as "Franchisor," "we," "us" and "our") is a Texas corporation that maintains its principal place of business at 2542 Highlander Way, Carrollton, Texas 75006-2333. We were incorporated on April 30, 1986, and have done business under the name American Fastsigns, Inc., FASTSIGNS International, Inc., and FASTSIGNS®. We changed our corporate name to FASTSIGNS International, Inc. effective January 31, 2000. We have no predecessors. "You" or "Franchisee" means the individual or entity that buys the franchise.

Since our incorporation, we have developed, operated and franchised a comprehensive system for developing and operating businesses that specialize in selling, marketing, producing, installing and repairing visual communications including signs (both non-electrical and electrical), related work involved in the maintenance, installation and de-installation of interior and exterior signage, including painting, patching, masonry and landscaping, graphics, banners, flags, vehicle graphics, vehicle wraps, ADA signage, compliance signs, dimensional letters, dimensional signage, ready-to-apply lettering, decals and labels, exhibits, trade show and other displays, digital imaging, printing (including small format, large format, grand format and 3D), textile and fabric printing, advertising and promotional products (including wearables), electronic and digital signage, content for digital signage, visual graphics enhanced by 2D barcodes, radio frequency identification (RFID), augmented reality and virtual reality, QR codes, websites (both regular and mobile-optimized), logo/artwork design and illustration, product wraps and other related graphics, marketing services and complementary products and services (the "FASTSIGNS System" or "System").

We refer to the FASTSIGNS-branded business that you will operate as the "Franchised Business." The Franchised Business may be operated as a standalone FASTSIGNS Center (a "**Center**") or, in certain circumstances approved by us, as a co-branded location operated in conjunction with another business (a "**Co-Brand Center**"). Unless otherwise indicated, references in this Franchise Disclosure Document to a Center are referred to as "**Franchised Business**" and a Co-Brand Center is referred to as a "**Co-Brand Franchised Business**". We currently do not operate any FASTSIGNS Centers.

Except as described in this Item 1, we have not engaged in any other business or offered franchises for any other line or type of business.

We are a wholly-owned subsidiary of Propelled Brands Franchising, LLC ("Propelled Brands"). Propelled Brands' principal place of business is 2542 Highlander Way, Carrollton, Texas 75006-2333. Propelled Brands was created on December 28, 2021, as the parent company for us and the other brands described below. Propelled Brands is a wholly-owned subsidiary of Saldon Holdings, Inc. ("Saldon"). On October 1, 2003, FASTSIGNS Holding Corporation ("FHC"), a Georgia corporation acquired all the outstanding stock of Saldon. FHC's principal place of business is 2542 Highlander Way, Carrollton, Texas 75006-2333. As a result, Saldon is a wholly-owned subsidiary of FHC.

On March 13, 2019, under the terms of an Agreement and Plan of Merger dated February 11, 2019, Fastsigns Holdings Inc., an affiliate of LightBay Capital, a private equity firm located at

11601 Wilshire Boulevard, Suite 2150, Los Angeles, CA 90025, and Freeman Spogli & Co., a private equity firm located at 11100 Santa Monica Boulevard, Suite 1900, Los Angeles, CA 90025, merged with Display Holding Company, Inc., previously owned by a fund controlled by Levine Leichtman Capital Partners, Inc., a private equity firm located at 335 North Maple Drive, Suite 130, Beverly Hills, California 90210 ("LLCP"). As a result of the merger, we became a wholly-owned, indirect subsidiary of Fastsigns Holdings, Inc. On December 28, 2021, Fastsigns Holdings, Inc. was renamed Propelled Brands Holdings, Inc. ("PBHI") to reflect the multi-brand nature of the company. PBHI, a Delaware corporation with a principal place of business at 2542 Highlander Way, Carrollton, Texas 75006-2333, is our ultimate corporate parent.

We are affiliated with the franchise programs listed below through common control with LightBay Capital and Freeman Spogli & Co. None of these affiliates have offered franchises in any line of business other than as listed below and none of them have conducted a business like the FASTSIGNS Center that you will operate:

Since August 2018, LightBay Capital, through its affiliate, has owned The Boardroom Salon Company, LLC and KLPS, LLC, both of which are Texas limited liability companies located at 2271 E. Continental Blvd., Suite 100, Southlake, Texas 76092. KLPS is the franchisor for Boardroom Salon franchises. As of December 31, 2025, 9 franchised Boardroom Salons were operating in the United States.

Since July 2016, Freeman Spogli & Co., through its affiliate, has owned a majority interest in Batteries Plus, L.L.C., the franchisor for Batteries Plus stores. As of December 31, 2025, there were 601 franchised Batteries Plus stores, 594 of which were in the United States and 7 in Puerto Rico. Batteries Plus had 734 total stores as of December 31, 2025, which includes 133 company-owned and operated stores.

VIO Med Spa had 64 total stores as of December 31, 2025, including 2 company-owned and operated stores.

Through common control with Propelled Brands, we are also affiliated with Suite Management Franchising LLC. Suite Management Franchising LLC is a Florida limited liability company located at 2542 Highlander Way, Carrollton, Texas 75006. Suite Management Franchising LLC is the franchisor for My Salon Suite franchises, which offer turnkey salon suite studios and related services in a luxury environment to salon professionals where such salon professionals can provide health and beauty services to their respective clients ("My Salon Suite"). As of December 31, 2025, there were 321 franchised and 51 company-owned My Salon Suite businesses in operation in the United States and one franchised My Salon Suite business in Canada.

On December 14, 2023, our parent, Propelled Brands, entered into a Stock Purchase Agreement with Vicar Operating, Inc., a Delaware corporation, under which Propelled Brands acquired all the equity interest in Camp Bow Wow Franchising, Inc., which is the franchisor for Camp Bow Wow® businesses. The transaction closed on January 31, 2024. Following the closing, through common ownership with Propelled Brands, Camp Bow Wow Franchising, Inc., whose principal business address is 2542 Highlander Way, Carrollton, Texas 75006 became our

affiliate. Camp Bow Wow® businesses offer specialized pet care services through fixed store locations and mobile units, the retail sale of pet food and merchandise, and related services and products. As of December 31, 2025, there were 224 franchised and one company-owned Camp Bow Wow® businesses in operation in the United States and one franchised Camp Bow Wow® business operating internationally.

None of these affiliated franchisors are obligated to provide products or services to you.

Except as described above, we have no other parents, predecessors or affiliates that must be included in this Item.

The Franchise Offered

We offer franchises to develop and operate FASTSIGNS Centers that specialize in producing and marketing signs, graphics, and related products and services under the System. The System includes the right to use our trade names and marks, as well as our business methods, operating procedures, specifications, and standards for operating the Franchised Business.

The System is identified by means of certain principal tradenames, marks, and indicia of origin described in Item 13, including the marks "FASTSIGNS," and other names and marks we designate to identify for the public the source of services and products marketed under such marks and the System (collectively, the "**Marks**").

We may offer you the opportunity to establish and operate a single FASTSIGNS Center under a "Franchise Agreement," a form of which is attached to this Franchise Disclosure Document as **Exhibit B**.

We may also offer an existing operating complementary business (an "**Existing Business**") the opportunity to establish and operate a Co-Brand Center within the Existing Business (the "**Co-Brand Franchised Business**"). The franchise agreement for a Co-Brand Franchised Business is the current form of Co-Brand Franchise Agreement attached to this Franchise Disclosure Document as **Exhibit C**. In addition, we may offer existing sign businesses the opportunity to convert to the FASTSIGNS System a conversion franchise ("**Conversion Franchise**"). The terms applicable to Conversion Franchise Businesses differ in certain respects and are described in the Conversion Franchise Addendum attached as **Exhibit D**.

We collectively refer to the Franchise Agreement, Conversion Franchise Addendum, and Co-Brand Franchise Agreement as the "Franchise Agreement," unless otherwise indicated.

The Franchise Agreement requires certain "Managing Principals," as that term is defined in the Franchise Agreement, to be individually bound by certain obligations contained in the Franchise Agreement, including covenants concerning confidentiality and non-competition and to personally guarantee your performance under the Franchise Agreement (see Item 15). Other interest holders are referred to in the Franchise Agreement as "Franchisee's Principals". In this

Franchise Disclosure Document, the Franchisee's Principals are simply referred to as "your principals."

Each reference to a corporation or partnership in this Franchise Disclosure Document also refers to a limited liability company and any other entity or similar organization. Each reference to the organizational documents, equity owners, directors, and officers of a corporation also refers to the functional equivalents of those organizational documents, equity owners, directors, and officers, as applicable, in the case of a limited liability company or any other entity or similar organization.

The Franchised Business's products and services are marketed primarily to businesses in the market area where the Franchised Business is located. Factors considered in determining a market area include street visibility and accessibility, density and variety of businesses, population, and growth of the area (see Item 12).

You will lease the Franchised Business premises, typically located in a strip-shopping center, office/business park, or a free-standing building on a visible corridor. You will compete with other entities producing signs, graphics and other related products and services, including other sign shops and quick printers, on-line competitors, screen printers, wide format print companies, exhibit/display providers and reprographic firms. Many of these businesses will be independently owned and operated, but some may be franchised by other franchisors.

Our agents for service of process are listed in **Exhibit A** to this Franchise Disclosure Document.

Industry Regulations

In addition to general business laws, many municipalities regulate signage through local ordinances, which may affect your customers' ability to use certain products. Some states require installers to be licensed contractors. These laws vary by jurisdiction. You should consider any impact these laws may have on your investment decision.

Certain jurisdictions regulate emissions, including volatile organic compounds, and may require additional permits. OSHA regulations may require training under the Hazard Communication Standard. Requirements may vary by state.

Item 3: LITIGATION

FASTSIGNS International, Inc. v. Oklahoma Visual Graphics, LLC; Graves Investment Holdings, LLC; Michael Graves and Shelly Graves, American Arbitration Association (Case No. 01-25-0003-5385) (the "Arbitration"). On March 6, 2025, we terminated the franchise agreements of former franchisee Oklahoma Visual Graphics, LLC ("OVG") following multiple uncured defaults. On July 25, 2025, we filed an arbitration demand against OVG, its principals and guarantors Michael Graves and Shelly Graves, and Graves Investment Holdings, LLC, alleging that respondents breached the franchise agreements and personal guarantees, including by continuing to operate a competing business in violation of post-termination noncompetition covenants, using FASTSIGNS trademarks and confidential information without authorization, and failing to pay amounts owed under the franchise agreements. On February 2, 2026, Michael Graves and Shelly Graves filed a Chapter 7 bankruptcy petition in the United States Bankruptcy Court for the District of Oklahoma, which has stayed the arbitration as to them. The Arbitration remains pending.

Lincolnshire Police Pension Fund, et al. v. Taylor, et al., Del. Ch., No. 2020-0487. In June 2020, a shareholders' derivative suit (Lincolnshire Police Pension Fund, et al. v. Taylor, et al., No. 2020-0487) was filed in the Delaware Court of Chancery against nominal defendant Floor & Decor, and certain Floor & Decor officers and directors, including John Roth and certain former shareholders, alleging breach of fiduciary duty and unjust enrichment. A motion to dismiss the litigation was denied in December 2023. John Roth denied any violations of law, breaches of duty, or other wrongdoing throughout the course of this dispute and maintained D&O insurance to cover his defense costs in his capacity as former director of Floor & Décor. The parties settled this dispute amicably via a Stipulation of Compromise and Settlement order—entered September 19, 2024—whereby all combined codefendants agreed to pay plaintiffs a settlement payment totaling $8,000,000.

Before you open your Franchised Business, we may request that you pay a deposit to us toward supplies and miscellaneous items estimated to be up to $22,500 (as described in Item 7).

In the event you are using funds from your 401(k), IRA or other qualified retirement accounts to purchase your Franchised Business, we may allow you to pay a deposit of $20,000 toward your franchise fee when you sign the Franchise Agreement, you will also sign **Exhibit E**, Franchise Fee Acknowledgement, to this Franchise Disclosure Document and pay the balance when you receive your rollover money, which payment will be due no later than 30 days from the effective date of the Franchise Agreement. This does not apply if you are establishing an additional Franchised Business, Conversion Franchise or a Co-Brand Franchised Business.

We are a member of the International Franchise Association ("**IFA**") and participate in the IFA's VetFran Program. We offer a reduced initial franchise fee of $24,875 to veterans of the U.S. Armed Forces who meet the requirements of the VetFran Program, a 50% discount.

We offer a reduced initial franchise fee of $24,875 to first responders, a 50% discount. A first responder is a person with specialized training who is among the first to arrive and provide assistance at the scene of an emergency, such as an accident, natural disaster, or other catastrophic events. First responders include paramedics, emergency medical technicians, police officers, sheriffs, and firefighters ("**First Responder**").

If an individual qualifies as both a veteran and a First Responder or qualifies under multiple First Responder categories (for example, as both a police officer and a paramedic), that individual

is eligible for only one discounted initial franchise fee, and the discounts may not be combined.

We also may reduce the initial franchise fee to $24,875 for our officers, directors, and key management employees. During our last fiscal year, we collected initial franchise fees ranging from $1,000 to $49,750.

You must pay us a marketing introduction plan fee of $14,500 if your Franchised Business is a new Center or $10,500 if your Franchised Business is a Conversion Franchise or Co-Brand Franchised Business, prior to registering for the initial training program, which we will use to conduct local marketing before you open and over the course of the first 4 to 6 months of operation. If you are purchasing an existing FASTSIGNS Center ("**Resale Center**"), you must pay us a marketing introduction plan fee of $10,500 at the time that you sign the Franchise Agreement, which we use to conduct local marketing over the course of 3 to 4 months after you take operation of the Resale Center.

Signage. You must purchase signage for the exterior of the Franchised Business meeting our specifications. You may purchase this signage from our preferred vendor or from us or our affiliate. The cost for signage ranges from $ $2,350 to $ $7,364 for a new Franchised Business, $2,350 to $ $7,364 for a Conversion Franchise or $ $500 to $ $7,364 for a Co-Brand Franchised Business.

At your request, we will provide initial training for your additional personnel.

Site Evaluation Fee: At our discretion, we will select a national or local broker to assist you in locating a suitable site for your Franchised Business. Our support may include identifying local real estate brokers, conducting a market-wide survey, and providing guidance in negotiating lease terms. We recommend that you consult with your own legal counsel regarding your lease.

We will review proposed sites with you to ensure they meet our criteria for visibility, accessibility, and overall suitability of the premises and other relevant factors. A site is not approved until we provide our prior written approval (an "**Approved Site**"). You must obtain our prior written approval of any proposed site before signing a non-binding letter of intent or any binding lease or other occupancy agreement.

If a representative conducts an on-site evaluation, we will pay the costs associated with one initial on-site visit. You are responsible for all costs (including costs of travel, lodging, meals, and wages) associated with any additional site visits that we require or that you request. Site visits will be conducted as determined by us in our discretion, and we will notify you if a visit is required.

If you relocate the Franchised Business for any reason, the new location must be an Approved Site, and you are responsible for all costs we incur in connection with site selection activities related to such relocation.

All proposed leases or other occupancy agreements must be submitted to us for prior

written approval, and we may require revisions as a condition of approval. All approved leases must incorporate, without modification, the Required Lease Terms attached to the Franchise Agreement as **Attachment D**. If you elect to purchase the premises in connection with a relocation, the entity that owns the property (landlord) may be separate and distinct from the franchisee entity, and a lease must be executed by these two entities, including our Required Lease Terms. Site selection costs are non-refundable, uniformly imposed on all franchisees requiring such assistance; however, the total costs may vary depending on the extent of travel and other factors involved.

Referral Fee: We will pay you a referral fee for prospective Propelled Brands franchisees that you refer to us that purchase a Propelled Brands franchise, so long as the prospective franchisee is not already an active candidate or existing franchisee of a Propelled Brands franchisor. You will provide us with the name, address, and phone number of the prospective franchisee and, if the prospective franchisee purchases a Propelled Brands franchise, you will receive a referral fee of $7,500. The referral fee is not applicable if the prospective franchisee purchases an existing Propelled Brands franchise.

If you sign a Co-Brand Franchise Agreement and have an Existing Business, Gross Sales excludes the core business from your Existing Business. Gross Sales does not include any sales tax or other taxes you collect from your customers and transmit to the appropriate taxing authority.

If you are a new Franchised Business, you will pay a Service Fee equal to 6% of Gross Sales beginning on the date the Franchised Business opens; provided, however, that beginning with the first full calendar month of operation, you will pay a Service Fee equal to the greater of $1,250 or 6% of Gross Sales, continuing through the end of the term of the Franchise Agreement (including any renewal term).

If you do not meet the Minimum Sales Threshold, you will pay the Service Fee applicable to a new Franchised Business.

If you are a Conversion Franchise or Co-Brand Franchised Business and do not commence operations within ninety (90) days after the Effective Date of the Franchise Agreement or Co-Brand Franchise Agreement, you must pay a minimum monthly Service Fee of $2,500 until operations commence. Fee equal to 1% of Gross Sales during the first twelve (12) months following the date the Conversion Franchise or Co-Brand Franchised Business opens, provided that the Minimum Sales Threshold is satisfied. For Conversion Franchises, this reduced Ad Fee is provided pursuant to a Conversion Addendum to the Franchise Agreement. For Co-Brand Franchised Businesses, this reduced Ad Fee is provided under the Co-Brand Franchise Agreement. Beginning in the thirteenth (13th) month and continuing throughout the remainder of the term of the applicable Franchise Agreement or Co-Brand Franchise Agreement (including any renewal term), the Ad Fee will be 2% of Gross Sales.

We offer a reduced Service Fee and Ad Fund Fee for Co-Brand Franchised Businesses and Conversion Franchises to facilitate the transition and integration of the business into our system and to allow the franchisee to allocate additional funds to the initial marketing plan. This reduced Service Fee is not offered to new FASTSIGNS Centers.

You must be in "Good Standing" (as defined in the Franchise Agreement) to be eligible for any reduced Service Fee applicable to Conversion Franchises or Co-Brand Franchised Businesses. If you are not in Good Standing at any time during any period in which a reduced Service Fee applies, the Service Fee will increase to the standard Service Fee in effect under the Franchise Agreement, in addition to any other remedies available to us.

Your obligation to pay the Ad Fee begins immediately when the Franchised Business opens for business. The Ad Fee is due and payable through electronic transfer on the 15th day of the month following the month to which the Ad Fee applies (unless the day is a holiday, in which case payment will be made on the next succeeding business day). You must provide us with authorization for electronic transfer of the Ad Fee before you open and commence operation of the Franchised Business. We may change the method of payment of the Ad Fee from electronic transfer to such other methods of payment as we deem appropriate at any time upon notice to you. All Ad Fees collected are deposited in a separate account (the "Ad Fund"), which we and the Fastsigns National Advertising Council, Inc. administer. Monies from the Ad Fund are used to pay for marketing, advertising, and promotional programs for the System (see Item 11).

The Service Fee is due and payable through electronic transfer on the 15th day of the month following the month to which the service fee applies (unless the day is a holiday, in which case payment (electronic transfer) will be made on the next succeeding business day). You must provide us with the authorization for electronic transfer of the Service Fee before you open and commence operation of your Franchised Business. We may change the method of payment of the Service Fee from electronic transfer to any other method of payment as we deem appropriate at any time. A business day means any day other than Saturday, Sunday, or national holidays.

You can earn a rebate on the standard Service Fee and Ad Fund contributions after each calendar year for the preceding calendar year based on each increment of Gross Sales falling within each of the sales bands described below ("**Royalty Rebate**"):

Franchise Agreement and Co-Brand Franchise Agreement:

On your sales between:			Your Service Fee will be:	Your Ad Fee will be:

$ 10,258,153		and above	3.75%	1.00%

To be eligible for the Royalty Rebate, you must be in "Good Standing" (as defined in your Franchise Agreement or Co-Brand Franchise Agreement) at all times during the applicable calendar year and as of December 31 of such year. This requirement applies to all Franchised Businesses, including new Franchised Businesses, Conversion Franchises, and Co-Brand Franchised Businesses.

The Royalty Rebate is only applicable beginning with the first full calendar year in which you are required to pay the standard Service Fee of 6% of Gross Sales and the standard Ad Fee of 2% of Gross Sales. Accordingly, Conversion Franchises and Co-Brand Franchised Businesses will not be eligible for the Royalty Rebate during any period in which a reduced Service Fee or reduced Ad Fee applies.

At the conclusion of each calendar year, we will calculate a rebate payment ("**Rebate Payment**") to you based on each increment of your Gross Sales falling within each of the sales bands described above. The Rebate Payment will be paid no later than March 31 of the following year and will be paid only to the franchisee that is the owner of record of the Franchised Business as of December 31 of the applicable year.

To be eligible for the Rebate Payment, you must submit all required monthly royalty reports through December 31 in accordance with Section 10 of your Franchise Agreement or your Co-Brand Franchise Agreement and be in "Good Standing" (as described in Subsection 3.J.) as of December 31 of the applicable year.

At our election, the sales bands described in the Chart above may be adjusted effective the first day of each calendar year based on the most recent Consumer Price Index published by the Bureau of Labor Statistics or the FASTSIGNS same center sales growth percentage ("**Same Center Sales Growth**") for the prior calendar year, whichever is higher. Same Center Sales Growth is calculated by averaging the sales growth for all FASTSIGNS centers in the United States open for the full 12 months for the 2 prior years and the full 12 months for the prior year.

(3) You must spend a minimum of $14,500 if you are a new Franchised Business, or $10,500 if you are a Conversion Franchise, Co-Brand Franchised Business, or purchasing a Resale Center, on initial advertising and promotional materials. These funds are used for initial marketing and advertising efforts, which may include web marketing, local digital marketing, direct marketing, virtual sales assistant customer prospecting email campaigns, social media campaigns,

and other programs during the first several months following the opening of the Franchised Business, Conversion Franchise Co-Brand Franchised Business or, in the case of a Resale Center, after you take possession of the Center. This amount is separate from and in addition to the Ad Fund Fee described above and is not paid into the Ad Fund.

(4) To remain competitive and to maintain and enhance the FASTSIGNS System and Resource site, we charge a technology fee (the "**Tech Fee**"). The Tech Fee is used to cover the costs of providing technology solutions to the network and to support the development of new and innovative features.

Under the Franchise Agreement and the Co-Brand Franchise Agreement, you will pay us a Tech Fee of $175 per month beginning on the date your Franchise Business opens for business (or, in the case of a Resale Center, as of the date you assume operation of the Resale Center) and continuing throughout the term of the applicable agreement.

We may increase the Tech Fee upon at least ninety (90) days prior written notice to you. We may also implement additional fees for access to, maintenance, or support of software or technology that we or our affiliates license to you during the term of the Franchise Agreement, upon at least ninety (90) days' prior written notice.

(5) If you relocate your FASTSIGNS Franchised Business, we may provide coordination and support services to assist you in completing the required design development materials for your relocation (the "**Relocation Site**," meaning a proposed new location for the Franchise Business that has been submitted to and approved in writing by us as a replacement for the Approved Location). If you elect to use this support, you must pay us a management fee of $1,000 (the "**Relocation Design Management Fee**"). This fee covers our internal time and assistance in guiding you through the Design Development process, including coordination with designers and review of design submissions. This fee does not include the cost of preparing the Design Development materials. You are solely responsible for all third-party costs associated with the preparation of the Design Development materials, which you will pay directly to the approved designer or vendor.

(6) We charge a non-refundable transfer fee that is the greater of (i) 50% of the then-current Initial Franchise Fee, or (ii) 2% of the total Gross Sales price (capped at 100% of the then-current Initial Franchise Fee) for the resale, plus any broker fees and other out-of-pocket costs incurred by us, in connection with any transfer of the Franchise Agreement or a controlling ownership interest in you or one of your principals. You may request that we assist you in marketing your Franchised Business for resale. If we agree to provide such assistance, we will list your Franchised Business within our established broker networks, and you must pay us a non-refundable $15,000 Resale Consulting Fee. This fee is only payable if you elect to use, and we provide, these services.

(7) We provide each Franchised Business with 2 Google Workspace Enterprise Basic licenses at no charge. Each Franchised Business must purchase and maintain at least one (1) Google Workspace Enterprise Premium license. Each employee of the Franchised Business must have an individual Google Workspace account. You will pay a monthly fee of **$**14.00 per Enterprise Basic license and $25.00 per Enterprise Premium license for each Google Workspace

account in excess of the two (2) complimentary Enterprise Basic licenses.

(8) If we terminate the Franchise Agreement because of your breach, then within 30 days following such termination, you agree to pay us an amount equal to the greater of (i) the average monthly royalty fees and advertising contributions that you owed to us for the past 24 months multiplied by the lesser of 36 or the number of months remaining in the Term, or (ii) the average monthly royalty fees and advertising contributions paid by all franchised FASTSIGNS Centers who have operated for the past 24 months multiplied by the lesser of 36 or the months remaining in the Term ("Early Termination Damages"). If you have not operated the Franchised Business for 24 months prior to the termination of the Franchise Agreement, the Early Termination Damages will be calculated by using the average monthly royalties and advertising contributions by all FASTSIGNS Centers who have operated for the past 24 months multiplied by 36.

Notes:

(1) Initial Franchise Fee. You must pay an initial franchise fee of $49,750 when you sign a Franchise Agreement to obtain a single FASTSIGNS Franchised Business. The initial franchise fee for an additional FASTSIGNS Franchised Business is $24,875. You will pay an initial franchise fee of $24,875, a discount of 50%, if you are a veteran of the U.S. Armed Forces that meet the requirements of the VetFran Program, or you are a First Responder as described in Item 5 of this Franchise Disclosure Document. The initial franchise fee is non-refundable under the terms of the Franchise Agreement.

(2) Leasehold Improvements. The cost of leasehold improvements will vary depending on numerous factors, including: (i) the size and configuration of the premises; (ii) pre-construction costs (*e.g.,* demolition of existing walls and removal of existing improvements and fixtures); (iii) cost of materials and labor which may vary based on geography and location; and (iv) landlord contribution toward tenant improvements. Leasehold improvements are net any free rent from the landlord and net any tenant improvement dollars from the landlord. These amounts are based on the cost of adapting our prototypical architectural and design plans to remodel and finish-out of the Franchised Business and the cost of leasehold improvements. The amounts shown are based on actual costs for new FASTSIGNS Centers opened over the past 12 months that were built out with the recommended new Center footprint of 1,300 to 1,500 square feet, plus or minus 15%. Labor and material costs may vary in accordance with local variations in wage rates, labor efficiency, union restrictions and availability and price of materials. Finish-out costs are based on leasing unfinished space that consists of walls, plumbing, concrete slab, lighting, HVAC and electric. Your costs may vary based on local conditions and landlord concessions. These costs may vary depending on whether certain costs are incurred by the landlord and are allocated over the term of the lease.

(3) Furniture & Fixtures. The figures shown include an estimate for office furniture, counters, file cabinets, and other fixtures included in our fixture package.

(4) Deposits. Deposits for site lease and utilities. The figure includes miscellaneous utility deposits such as telephone, electric, gas, and water. These amounts will vary based on the Franchised Business's geographic area, your credit rating, and other factors. We have specific criteria for a FASTSIGNS Center to enable us to approve a particular location. We use a variety of reports, information, and sources. We are not obligated to visit the proposed site for approval. Site visits will be as needed and determined by us. If a site visit is determined as necessary by us, we will notify you. You will lease the Franchised Business premises, typically located in a center, office/business park or free-standing building on a visible corridor. The premises for a FASTSIGNS Center are typically 1,300 to 1,500 square feet at approximately $20.50 to $37.20 per square foot in annual rent. Rental rates and payment terms vary significantly based on the existing conditions of the leased space, landlord concessions, geographic area and market conditions. The lease deposit varies based on market area standards and credit rating and typically includes first and last month's rent. Landlords may also vary the base rental rate and

charge rent based on a percentage of gross sales. The actual deposit and rent you pay will vary depending on the size of the Franchised Business, the geographic area, your ability to negotiate with landlords, prevailing rental rates, and other factors.

(5) Telephone & Networking. The figures shown include the installation of a telephone system, installing necessary network cables, networking of all computers, printers, and phone system.

(6) Décor and Graphics. Each FASTSIGNS Center is required to have a similar graphics package that is consistent with the System trade dress. Included are the graphics or materials to produce all brand required graphics.

(7) Tools and Suppliers. You must purchase various tools, cutting devices, and materials. We may request that you pay us a deposit of up to $22,500 prior to opening your Franchised Business to purchase these items and others on your behalf.

(8) Production Equipment. The figure includes estimated costs for sign making computer systems, software, printer, and peripherals used in the FASTSIGNS System to design and output signs and graphics. This figure also includes production monitors, wireless mouse, and keyboard for a paperless workflow. This includes the required opening package: 64" printer, a 64" plotter, 64" laminator, networking hardware, finishing station (application table and production table) and antivirus software. All these items are included in our initial equipment package. If you are an existing FASTSIGNS franchisee, you can buy replacement equipment directly from approved vendors. All equipment costs are net of taxes. At present, the purchase of a 64" printer for a FASTSIGNS center through FASTSIGNS includes approximately $6,500 of free products and services, including free technician installation and training, second ink set, 12 Month Onyx Go Plus Subscription, and an additional year of warranty. Some of these services may require a recurring subscription after the initial benefit period included at installation (typically one year but could vary based upon the vendor).

(9) Center Management System. We require you to use CoreBridge's center management software system (the "**CoreBridge Management System**"). For new Franchised Businesses, Conversion Franchises, and Co-Brand Franchised Businesses, you must purchase a two (2)-year prepaid CoreBridge Management System package, which includes set-up, training, and twenty-four (24) months of software use. The current prepaid cost is approximately $3,500; however, this amount is subject to increase, and we expect the prepaid cost to increase to approximately $5,500 for applicable purchases made on or after January 1, 2027.

If you purchase a Resale Center, you are not eligible for the two (2)-year prepaid package. Instead, you will pay CoreBridge directly for use of the CoreBridge Management System at then-current rates, which are currently approximately $299 per month.

After the initial two (2)-year prepaid period (if applicable), you will pay CoreBridge directly for continued use of the CoreBridge Management System at then-current rates.

CoreBridge is expected to introduce an upgraded version of the CoreBridge Management System ("**EVO**"), which will be implemented in phases. You will be required to transition to EVO in accordance with the implementation schedule and within the timeframe we establish. Upon your transition to EVO, or upon expiration of your initial two (2)-year prepaid period (if later), you will

pay CoreBridge directly for continued use of the CoreBridge Management System, including EVO, at then-current rates. The monthly fee for EVO is expected to range from approximately $309 to $449, depending on the package selected, and may increase thereafter. All fees are subject to change.

You must use an online back-up solution to secure your graphics data. You are solely responsible for maintaining and securing your data, and we are not responsible for any loss of data. We require the use of Google Workspace for email and data storage, including Google Drive. Storage for Google Workspace is shared between Gmail and Google Drive. The cost of Google Workspace is charged at then-current rates (currently approximately $14 per user per month for Enterprise Basic and $25 per user per month for Enterprise Premium). Each Franchised Business must purchase a minimum of one Enterprise Premium license. We provide you with 2 Enterprise Basic Google Workspace licenses at no charge. You will pay a charge of $14.00 per month for each Google Workspace account after the 2 free Enterprise Basic Google Workspace licenses. Pricing, billing methods, and payment frequency are subject to change.

You must purchase the hardware, printers, and other system components we specify. We require at least one (1) configured center management computer system and one (1) CoreBridge Management System software license. Computer manufacturers and specifications are subject to change. See Item 11 for a description of required computer hardware, software, and related systems, technology platforms, and services required to operate the Franchised Business.

(10) Signage. You must purchase signage for the exterior of the Franchised Business meeting our specifications. Exterior signage is coordinated by us and is purchased from our preferred vendor. For 2025, the average for one exterior signage was $2,987, not including installation.

(11) Initial Inventory. All FASTSIGNS Centers will open with the standard inventory package. The inventory consists of sign and graphics materials such as plastics, vinyl, magnetic materials, aluminum, media, laminates, exhibits and displays, and other materials as described in greater detail in the Manuals.

(12) Architectural Engineering. We provide you, free of charge, an electronic copy of a space plan layout and design development construction drawings for one site, including all specifications for the build-out of the Franchised Business. This service includes 1 revision, for any reason, including changes in layout and revisions due to local building permit requirements. Costs for additional drawing services and printing, beyond the aforementioned, are at your expense. As provided, these plans do not include electrical, plumbing, mechanical engineering services, Title 24 or other requirements by state or municipality and the plans are not sealed by an architect. In some states, if your permitting agency requires an architectural stamp, it can be provided to you at an additional charge by a local professional architect/engineer. They are familiar with the local codes and ordinances.

(13) Initial Advertising. The Franchise Agreement requires you to spend not less than $14,500 ($10,500 for Conversion Franchise, Co-Brand Franchised Business and Resale Center) on initial marketing and advertising for the Franchised Business in your local market (see Item 11). The $14,500 for initial advertising for a new Center and the $10,500 for a Conversion Franchise or a Co-Brand Franchised Business that is administered by our marketing department is paid to the

Fastsigns National Advertising Council, Inc. prior to registering for the initial training program.

The $10,500 for initial marketing and advertising Resale Center (for a transfer of a controlling ownership interest in you or one of your principals) is paid to the Fastsigns National Advertising Council, Inc. upon signing of the Franchise Agreement.

After the initial marketing and advertising for the Franchised Business as described in Note 15 for the Franchised Business, Conversion Franchise, Co-Brand Franchised Business, or Resale Center is completed, you are required to continue paying for local digital advertising and using our designated vendors. Also, you are required to continue virtual sales assistant customer prospecting email campaigns using and paying the membership cost to our designated vendors.

(14) Travel, Lodging and Meals for Initial Training. We provide instruction and training materials for you, or your Managing Principal, graphic designer, and visual communications specialist (as defined in Item 15). You and individuals designated as the graphic designer and visual communications specialist will attend and satisfactorily complete our requirements before opening the Franchised. Initial training consists of 16 hours of online learning, 2 weeks of classroom instruction, and 3 days in a FASTSIGNS Center before the classroom training. All training assigned before the 2 weeks of classroom training is required must be completed and an evaluation must be passed before you can attend the in-person training. The amounts shown are estimated costs for your training (2 weeks with travel), and 2 employees' training (1 week of in person classroom training and 16 hours of online learning). We incorporated the basic expenses for you or your Managing Principal to spend 3 days in a center before attending initial training. We may convert the traditional classroom training of the initial training program entirely, or in part to live instructor led virtual training. All costs vary based on the mode of transportation, lodging, meals, employee recruitment, and wages.

(15) Administrative Supplies. We require you to purchase a 3-month supply of office supplies (business cards, forms, and administrative sundries) from a designated provider. We also include the cost for you to purchase general office supplies (a local buy list will be provided). This amount includes $300 to purchase a credit card terminal, but this is not a requirement.

(16) Permit Expeditor. You must retain a permit from the Architect of Record to assist in facilitating and expediting the permit review process. The permit expeditor must be approved by us. You should anticipate the cost for this service to range between $1,000 and $5,000, depending on the complexity of the applicable department review process.

(17) Business, Licenses and Permits. These are estimates for local business licenses (typically one year in duration). These figures do not include occupancy and construction permits. Permits and license fees vary depending on the location of the Franchised Business.

(18) Insurance Deposits and Premiums. You will obtain, before beginning construction and maintain throughout the term of the Franchise Agreement, comprehensive general liability with primary and excess limits of not less than $2,000,000, motor vehicle liability with primary and excess limits of not less than $1,000,000, loss of business and compensation insurance, employment practices insurance with primary and excess limits of not less than $500,000 and employers' liability and workers' compensation insurance. We require you to obtain garage keepers' comprehensive insurance with limits of not less than $50,000 per vehicle and cyber liability insurance with limits of not less than $50,000. The amounts shown reflect deposits and

premiums payable for up to the first 3-month period. Premiums may vary based on the insurer, location of insured's premises, local laws, and other factors (see Item 8). Please consult with your insurance agent regarding the appropriate amount to carry based on your business operation.

(19) Professional Funds. We strongly recommend you hire a lawyer and an accountant to help you evaluate this opportunity, the lease for the Franchised Business, and to advise you in establishing your business. If the landlord does not bear the cost of a site survey, you will be required to obtain a site survey at your expense. This estimate includes the cost of a site survey.

(20) Additional Funds (3 months). These amounts are estimates of additional funds such as rent, telephone, utilities, employee wages, benefits, workers' compensation, advertising, and promotional activities, inventory costs, Service and Ad Fee payments, operational supplies, and professional fees. In some cases, these additional funds may also be used to finance receivables incurred in the business. These figures are estimates, and we cannot assure you that you will not incur additional expenses operating the Franchised Business. The amount of additional funds you may require will depend on factors such as your management skills, experience, and business acumen; local economic conditions; the prevailing wage rate; competition; and the sales level reached during the start-up phase. These amounts do not include salaries, benefits or personal living expenses for you, your Managing Principal, or managers. The figures are based on our experience of our franchisees and represent the working capital costs needed for the first 3 months of operation. These amounts are in addition to all other expenses identified in this table.

(21) Totals. Except as specifically stated above, the amounts provided in this Item 7 may increase due to changes in market conditions, our cost to provide services and future policy changes. At the present time, we have no plans to increase payments over which we have control.

Some of these services may require a recurring subscription after the initial benefit period included at installation (typically one-year but could vary based upon the vendor). See Item 11 for a description of required computer hardware, software, and related systems, technology platforms, and services required to operate the Conversion Franchise.

(3) Additional Funds may not be necessary since this is a Conversion Franchise and represents an ongoing sign business. There is no consideration for debt service (interest and principal) in the additional Funds allocated. All other ongoing costs will be comparable to your costs prior to conversion. All other items necessary for the operation are covered in the list above.

(4) Except as specifically stated above, the amounts provided in this Item 7 may be subject to increases based on changes in market conditions, our cost to provide services and future policy changes. At the present time, we have no plans to increase payments over which we have control. Neither we nor any of our affiliates offer any financing for your initial investment. Pricing, billing methods, and payment frequency are subject to change.

The cost of a managed firewall is included. All pricing, methods of payment, and frequency of payment are subject to change.

At present, the purchase of a 64" printer for a Co-Brand Center through FASTSIGNS includes approximately $6,500 of free products and services, including technician installation and training, second ink set, 12 Month Onyx Go Plus Subscription, and an additional year of warranty. Some of these services may require a recurring subscription after the initial benefit period included at the installation (typically one-year but could vary based upon the service and vendor). See Item

11 for a description of required computer hardware, software, and related systems, technology platforms, and services required to operate the Co-Brand Franchised Business

(3) Additional funds may not be necessary since this is a Co-Brand Franchised Business and represents an existing operating business. There is no consideration for debt service (interest and principal) in the additional funds allocated. All other ongoing costs will be comparable to your costs prior to the Co-Brand Franchised Business opening. All other items necessary for operation are covered in the list above.

(4) Except as specifically stated above, the amounts provided in this Item 7 may be subject to increases based on changes in market conditions, our cost to provide services and future policy changes. At the present time, we have no plans to increase payments over which we have control. Neither we nor any of our affiliates offer any financing for your initial investment. None of the payments to us described above are refundable. Whether any payments to third parties may be financed or are refundable will be determined by you and the third party.

Item 8: RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Fixtures, Equipment and Supplies

To ensure that the highest degree of quality and service is maintained in the System, we require you to operate the Franchised Business in strict conformity with the methods, standards, and specifications that we describe in the Manuals or otherwise in writing. You may only sell products and services that we have expressly approved for sale in writing in the manner and style we specify. You must not deviate from any of our standards and specifications without our written consent. You must discontinue selling any products or services that we disapprove of in writing on notice. You have discretion as to the prices you charge customers for your products and services.

None of our officers have any ownership interest in any approved suppliers.

We require you to purchase the items necessary to open your Franchised Business from designated suppliers. You cannot install on the Franchised Business premises any furnishings, equipment, décor, signs, or other items that do not meet our specifications. You must purchase certain promotional materials from the Fastsigns National Advertising Council, Inc., or its designated supplier (see Items 5, 6, 7 and 11). You must purchase the counter system, tool racks and other items we may designate from us. You must purchase sign and graphics making computers, plotters, printers, and laminators from us or suppliers we designate. You will obtain your initial inventory order (raw materials for making signs and graphics), the center graphics package, showroom flooring, substrate cutter, exterior signage, and the center management system computer system and center management system software from suppliers we designate or us.

You may lease fixtures, furnishings, equipment, décor, signs, or other items required for the Franchised Business from a third party. We may request that the lease has a provision that permits your interest in the lease to be assigned to us when the Franchise Agreement expires or terminates and prohibits the lessor from imposing an assignment or related fee on us because of the assignment.

We have negotiated discounts with suppliers and manufacturers for the benefit of the FASTSIGNS system. To the extent possible, discounts are passed directly on to you. In 2025, we received rebates totaling $959,222 on certain products required to open and operate FASTSIGNS Centers. We may in the future negotiate additional rebates, discounts, or sponsorships with other suppliers.

Your purchases of equipment and supplies from us and other sources from which we approve or are subject to our specifications will range from 47% to 52% of your costs in establishing the Franchised Business and 50.9% to 54% of your total purchases during operation of the Franchised Business.

Last fiscal year, we had total revenues of $53,325,587 of which $922,804, (approximately 1.7%) were derived from the sale of equipment, computer modifications, additional training and other services and products to franchisees. None of our affiliates derive any revenue from sales of products and services to franchisees.

Advertising

All promotional, sales, marketing, and advertising materials (including printed, digital and media advertising, vehicle graphics, business stationery, cards, forms, envelopes, novelty items and materials used to market the Franchised Business), public relations and social media activities, sales collateral materials and other items we specify must bear the Marks in the form, color, location, and manner we require. In addition, all your advertising, marketing, sales, and promotional plans in any medium are conducted in a dignified manner and will conform to the standards and requirements in the Manuals or as we otherwise specify in writing. You may speak on behalf of your Franchised Business to the media, but you need pre-approval from us to speak to the media on our behalf. You are required to participate in local digital advertising spending the minimum amount required to consistently achieve an impression share of 75% or more and using our designated agency to direct web traffic to your Franchised Business during business hours. The minimum required spend is $850 per month and is subject to change. You may elect to spend above the minimum levels to generate additional demand. We will provide you with 60 days' written notice before increasing the required minimum spend level. Impression share is the percentage of impressions that your digital ads receive compared to the total number of impressions your ads could get. If a lower monthly amount keeps your local paid search impression share at least 75%, you must spend the difference on additional digital media channels and/or search engine optimization to generate demand. You are required to maintain a virtual sales assistant customer prospecting email campaign program paying and using our designated service. You may purchase advertising materials and enroll in marketing programs from designated suppliers if the programs meet our requirements (see Item 11).

eCommerce

If you are eligible and elect to participate in our eCommerce platform, you must sign our standard eCommerce Catalog agreement attached as **Attachment L** to the Franchise Agreement and attached as **Attachment J** to the Co-Brand Franchise Agreement, and use our designated suppliers for the eCommerce platform, credit card payment gateway, tax management, and online sign and graphic design services. You will be permitted to set your product pricing and delivery options for fulfilling orders. We will create a Center-specific website within our eCommerce platform, but you will be responsible for setting up your catalogs on the website including product descriptions, product images, pricing, product dimensions, shipping carriers, etc. You must be in compliance with your Franchise Agreement and our System Standards described in the Manuals to be eligible to participate in our eCommerce Platform. Your catalogs on the eCommerce platform must also comply with our System Standards as communicated in the Manuals or otherwise in writing. The Franchise Agreement prohibits you from having eCommerce sites created by you or vendors unless approved by us, and subject to our guidelines.

Site Selection and Construction

We must approve in writing any proposed site for the Franchised Business and approve any contract of sale or lease for the Franchised Business premises before it is signed. You may not execute any lease, purchase agreement, or related document for the premises without our prior written approval. For a Conversion Franchise, you must submit your existing lease (and any amendments) to us for review and written approval. We may require, as a condition of approval, that your existing lease be amended to include the Required Lease Terms set forth in Attachment

D or otherwise comply with our then-current requirements. If your existing lease does not include the Required Lease Terms, you must use commercially reasonable efforts to amend the lease to incorporate such terms or otherwise satisfy our requirements. We may condition approval of a Conversion Franchise on modifications to the premises or lease terms to ensure compliance with our then-current standards. If the existing lease or premises cannot be modified to meet our standards, we may require you to relocate the Franchised Business to an approved location as a condition of conversion.

Once you have a letter of intent signed for the contract of sale or lease, you must move forward with a site survey to obtain current dimensions and conditions of the Franchised Business premises. You must obtain a site survey at your expense. If the landlord provides or pays for the site survey, you may not be required to obtain a separate site survey. Any lease for the premises must include Franchisor's Required Lease Terms containing the terms and provisions listed in **Attachment D** to the Franchise Agreement (unless we otherwise agree in writing) including the following provisions:

(1) during the term of the Franchise Agreement, the premises will be used only for operating a FASTSIGNS Center;

(2) the landlord consents to your use of the Marks and signs we require for the Franchised Business;

(3) the landlord agrees to furnish us and any lenders with all letters and notices sent to you pertaining to the lease and the premises, including any notice of default, while the letters and notices are sent to you;

(4) we have the right to enter the premises to make any modification or alteration necessary to protect the System and the Marks or to cure any default under the lease, without being guilty of trespass or any other tort;

(5) the landlord agrees that you may assign the lease to us or our subsidiaries or affiliates on expiration or earlier termination of the Franchise Agreement without the landlord's consent;

(6) the landlord agrees that you may not assign the lease or renew or extend the term of the lease without our written consent; and

(7) the landlord and you will not amend or modify the lease in any manner which would materially affect any of these requirements without our written consent.

(8) you and your owners must execute and deliver any guaranties of the lease required by the landlord, and we may require such guaranties, in form and substance acceptable to us, as a condition of our approval of the lease and the premises.

The lease term (including any renewal options) must be at least coextensive with the term of the Franchise Agreement, unless we otherwise approve in writing. Our approval of any site, premises, or existing lease does not constitute a representation, warranty, or guarantee that the

location is suitable for the Franchised Business or that the Franchised Business will be successful at that location. You are solely responsible for ensuring that the premises comply with all applicable zoning, land use, permitting, and other legal requirements necessary to operate the Franchised Business.

We cannot provide legal advice regarding the lease. You must consult with your own real estate attorney. We may, upon request, provide you with a referral to a real estate attorney familiar with the FASTSIGNS brand, commercial leasing and the franchise industry; however, any such referral is provided for convenience only, and you are not required to use our recommended real estate attorney.

Insurance

Before you construct the Franchised Business, you must obtain and maintain during the term of the Franchise Agreement certain insurance coverage specified in the Franchise Agreement. The policies must include, at a minimum, the following insurance coverage and policy limits:

(1) Comprehensive general liability insurance, including personal injury coverage, property damage coverage with replacement cost value, products liability coverage, and fire and storm damage coverage, with primary and excess limits of not less than $2,000,000;

(2) Hired and non-owned auto insurance, including coverage of vehicles that you do not own but are used by employees in operating the Franchised Business, with a combination of primary and excess limits of not less than $1,000,000.

(3) Employer's liability and workers' compensation insurance in amounts provided by applicable law or, if permissible under applicable law, instead of workers' compensation, any legally appropriate alternative providing similar compensation for injured workers satisfactory to us. You must (i) maintain an excess indemnity or "umbrella" policy covering employer's liability and/or a medical/disability policy covering medical expenses for on-the-job accidents, which policies must contain the coverage amounts that you and we mutually agree on and (ii) conduct and maintain a risk management and safety program for your employees that you and we mutually agree is appropriate. The policies must also include a waiver of subrogation in our favor and in favor of our directors, officers, shareholders, partners, employees, representatives, independent contractors, and agents;

(4) Employment Practices Liability Insurance that provides protection against employee lawsuits, with primary and excess limits of not less than $500,000. The policies will reimburse you against the costs of defending a lawsuit in court and for judgments and settlements;

(5) Business interruption insurance that provides coverage for loss of income that a business suffers after a disaster. The income loss covered may be due to disaster-related closing of the business facility or due to the rebuilding process after a disaster;

(6) Any insurance that may be required by statute or rule of the state or locality in which the Franchised Business is located;

(7) If you are doing any type of vehicle work, such as wraps or decals, we require you

to obtain garage keeper's comprehensive insurance, which provides coverage of theft or vandalism of vehicles that are owned by customers that you are providing service to with limits of not less than $50,000 per vehicle; and

(8) We strongly recommend that you obtain cyber liability insurance with limits of not less than $50,000 to cover your liability for data breaches involving sensitive customer information, such as credit card numbers, account numbers and driver's license numbers. Please consult with your insurance agent regarding the appropriate amount to carry based on your business operation.

We may change the coverage requirements and the amounts at our discretion and will advise you of the changes in the Manuals or in writing. You may, after obtaining our written consent, elect to have reasonable deductibles under the coverage required under paragraphs 1 and 2 above. We must be named as an additional insured on all insurance policies, if permissible under applicable law. You must provide us with a current insurance certificate with the coverage outlined herein, annually, or if you change insurance carriers, within 10 days of expiration or of any change.

Accounting Service

You must maintain and submit certain records, reports, financial statements, and other information under the terms of the Franchise Agreement. You must use QuickBooks Online as your accounting software as described in Item 11. We require that you have an accountant prepare monthly financial statements for you using the required accrual accounting method using our chart of accounts, including income statement, balance sheet and statements of cash-flow.

Purchase Arrangements

We negotiate purchase arrangements, including price terms, with designated and approved suppliers on behalf of the System. As of the date of this Franchise Disclosure Document, there are no purchasing or distribution cooperatives for any of the items described above in which you are required to participate.

Permit Expeditor

We require you to use a third-party permit expeditor to assist in obtaining licenses and permits for the Franchised Business. You must use a provider we approve. We do not currently receive any rebates or other consideration from permit expeditors.

Advertising: As a System, we currently advertise and promote the products and services the FASTSIGNS Centers offer through various forms of media. The advertising is conducted on a national and local basis using the Ad Fund and local franchisees (described below).

All your advertising and promotional plans, in any medium, will be conducted in a dignified manner and will conform to the standards and requirements in the Manuals or as we otherwise specify in writing.

Brand assets include, for example, décor design, icon design and vehicle graphics, and are proprietary to us and cannot be modified or additional elements created.

We and the Fastsigns National Advertising Council, Inc. research, formulate, develop, and produce advertising and promotional programs to benefit the entire System. All franchisees are members of the Fastsigns National Advertising Council, Inc., which is a Texas corporation. The Board of Directors of the Fastsigns National Advertising Council, Inc. is comprised of one of our representatives and 6 franchisee members elected under the bylaws of the Fastsigns National Advertising Council, Inc. The franchisee members represent Canada and 5 regions in the United States. The franchisee board members are elected 1 vote per FASTSIGNS Center from the region in which the FASTSIGNS Center is located. All franchisees may provide suggestions, recommendations and input regarding any advertising programs undertaken by the Fastsigns National Advertising Council, Inc. The Board of Directors of the Fastsigns National Advertising Council, Inc. is responsible for working with us to help provide the strategic direction of the Fastsigns National Advertising Council, Inc. and will provide insight and guidance with respect to programs, projects, activities and operations of the Fastsigns National Advertising Council, Inc. All decisions of the Fastsigns National Advertising Council, Inc., are subject to our approval. Other than the Fastsigns National Advertising Council, you are not required to participate in any local or regional advertising cooperatives.

You must pay an Ad Fee (as described in Item 6) equal to 2% of Gross Sales. The obligation to pay the Ad Fee begins when your Franchised Business opens for business and must be paid by electronic transfer on the 15th day of the month following the month to which the Ad Fee relates.

For Conversion Franchises and Co-Brand Franchised Centers only, the Ad Fee will be reduced to 1% of Gross Sales during the first 12 months of operation. Beginning in the 13th month of operation, the Ad Fee will increase to 2% of Gross Sales.

You will be eligible to receive the reduced Ad Fee applicable to a Conversion Franchise or Co-Brand Franchised Business only if your Existing Business had Gross Sales of at least $250,000 during the twelve (12) consecutive months immediately preceding the Effective Date of your Franchise Agreement or Co-Brand Franchise Agreement (the "**Minimum Sales Threshold**"), as demonstrated by financial statements and other documentation we require. If you do not meet the Minimum Sales Threshold, you will pay the Ad Fee applicable to a new Franchised Business.

This reduced Ad Fee does not apply to new FASTSIGNS Franchised Businesses, which must pay the full Ad Fee of 2% of Gross Sales from the date the Franchised Business opens.

All Ad Fees we collect are deposited into a separate account administered by us and the Fastsigns National Advertising Council, Inc. (the "Ad Fund"). The Ad Fund is intended to maximize public recognition and acceptance of the Marks and the System. In administering the Ad Fund, we and the Fastsigns National Advertising Council, Inc. have no obligation to make expenditures for you that are equivalent or proportionate to your contribution or to ensure that any franchisee benefits directly or on a pro rata basis from the advertising. We and the Fastsigns National Advertising Council, Inc., may use the Ad Fund to place and allocate advertising. The Ad Fund is used to pay all costs for formulation, planning, research, testing, development, training, production, execution, management, and measuring (as possible) of all marketing, advertising, promotional, sales, web, public relations, and social media activities used to promote and protect the FASTSIGNS brand. This includes, but is not limited to, executing marketing research, preparing and producing television, video, audio, print, promotions, email, e-newsletter, customer loyalty and satisfaction support, social media, digital marketing, website development, website hosting, search engine optimization, AI engine optimization, local digital advertising, virtual sales assistant customer prospecting email campaigns, SMS Text Marketing Campaigns, direct mail, outdoor advertising, telephone prospecting, trade shows, sponsorships, sales collateral material, public relations activities, sales development, sales training, employer of choice branding and all other lead generating and sales building activities. The Ad Fund is used for these activities whether through an outside agency or these functions are executed and developed by marketing staff. The Ad Fund is also used to compensate us and our employees who devote time and render services in formulating, developing, and producing the programs, or who perform services administering the Ad Fund. The Ad Fund and its earnings are not otherwise used to benefit us or the Fastsigns National Advertising Council, Inc. The Ad Fund is not used to develop, produce, or conduct advertising that is primarily a solicitation for the sale of franchises. Any sums paid to the Ad Fund that are not spent in the year they are collected will be carried over to the following year.

We prepare an unaudited statement of the Ad Fund's contributions and disbursements that is made available to you annually upon request. Although not audited, an independent accounting firm reviews the year-end statement. During the last fiscal year (ending December 31, 2025), the Fastsigns National Advertising Council, Inc.'s budget was spent as follows: 21.6% on national broadcast advertising; 28.82% to maintain and enhance the fastsigns.com website and digital advertising; 22.21% on the Fastsigns National Advertising Council, Inc.'s marketing personnel and administration; 2.41% on outside sales support, lead generation and customer satisfaction; 0.55% on public relations and social media; 0.25% on franchisee rebates and awards; 0.32% on research; 0.46% on creative and new production; 2.05% on events, training and travel; 0.27% on technology; and 11.71% on holdback and sliding scale royalties; 8.67% reserve carryover to 2025; and 0.68% Miscellaneous.

We recommend that you spend 5% of the Franchised Business's monthly Gross Sales (including the 2% Ad Fund contribution) on local advertising and promotion. All local advertising and promotion you conduct must be approved by us or must be consistent with our Marks, in good taste and in a form provided or approved by us.

In addition to the Ad Fee, you must spend a minimum amount on initial local marketing and advertising for your Franchised Business, as follows:

- New FASTSIGNS Centers: $14,500; or

- Resale Centers, Conversion Franchises, and Co-Brand Franchised Businesses: $10,500

For new Centers, Conversion Franchises, and Co-Brand Franchised Businesses, this amount is paid to the Fastsigns National Advertising Council, Inc. prior to registering for the initial training program. For Resale Centers, the $10,500 is paid upon signing the Franchise Agreement. Our marketing department will develop and administer a local marketing and advertising plan and will allocate these prepaid funds, at our discretion, to approved programs. The initial marketing plan is typically implemented over a period of approximately 4 to 6 months for new Centers and 3 to 4 months for Resale Centers, Conversion Franchises, and Co-Brand Franchised Businesses Centers.

The initial marketing plan may include, but is not limited to, direct mail campaigns (including grand opening marketing), initial marketing materials, local digital advertising and paid search, telemarketing campaigns, virtual sales assistant customer prospecting email campaigns, social media campaigns, and sales promotion items. The plan also includes tracking mechanisms, such as phone numbers and web lead forms, to monitor lead activity.

The initial marketing plan includes 12 months of virtual sales assistant customer prospecting email campaigns for new Franchised Businesses and 6 months for Resale Centers, Conversion Franchises, and Co-Brand Franchised Businesses.

We evaluate the effectiveness of marketing programs and may modify the plan to optimize results. If prepaid funds remain after implementation of the initial plan, we may allocate those funds to additional approved programs, including local media or association marketing opportunities.

Upon expiration of the pre-paid marketing dollars referenced above for local digital advertising, you are required to continue local digital advertising in the same geographic area as your Territory as defined in Item 12, use our designated agency, and spend the minimum amount required to consistently achieve an impression share of 75% or more in your Territory). Impression share is the percentage of impressions that your digital ads receive compared to the total number of impressions your ads could get. The required minimum spend is $850 a month and is subject to change. We will provide you with 60 days' written notice before increasing the required spending level. If a lower monthly amount keeps your local paid search impression share at least 75%, you must spend the difference on additional digital media channels and/or search engine optimization to generate demand. Also, you are required to maintain virtual sales assistant customer prospecting email campaigns through our designated service at an annual cost of $1,380 (this pricing is subject to change).

Your Franchised Business may participate in approved social media programs ("Social Media") and sites in accordance with our policies and guidelines established for Social Media, in the same geographic area as your Territory as defined in Item 12. Different social media programs are allowed following our Social Media policy, guidelines, and naming conventions. On any FASTSIGNS center social media sites, we must be co-administrators of your account. You are required to use our designated agency for any paid social or digital marketing.

The Franchise Agreement prohibits you from having an individual page or website on the internet outside the FASTSIGNS website that mentions or describes you or the Franchised Business, displays any of the Marks, or displays your address or products produced at your Franchised Business. The Franchise Agreement prohibits you from having eCommerce sites created by you or vendors unless approved by us, and subject to our guidelines. It also prohibits you from buying any domain name to direct web traffic to your fastsigns.com website or otherwise. Our infrastructure, fastsigns.com, does allow you flexibility to customize your Franchised Business's web pages within our brand guidelines. You are required to participate in local digital advertising programs as directed by us using our designated agency and only in the areas that we designate. All advertising and promotional materials developed for your Franchised Business must contain notices of our FASTSIGNS website's domain name used appropriately at fastsigns.com in the manner we designate. We approve, create and host your Franchised Business's website on the FASTSIGNS website.

The Fastsigns National Advertising Council, Inc. may, on behalf of the System, obtain accounts from national companies to fulfill their needs for signs on a local basis and from a centrally coordinated service ("FASTSIGNS National Accounts"). Under the FASTSIGNS National Accounts Program, the Fastsigns National Advertising Council, Inc. will negotiate and execute agreements with the FASTSIGNS National Accounts' customers (the "Customers") and will organize and administer the FASTSIGNS National Accounts Program. The FASTSIGNS National Accounts Program acts as a central access point through which the FASTSIGNS System can effectively meet the needs of national and regional Customers. The FASTSIGNS National Accounts Program conforms to the individual needs of each Customer by designing custom-tailored systems for the Customer's ordering, production, distribution, installation, and invoicing. You are permitted to participate in the FASTSIGNS National Accounts Program provided you meet and comply with the Fastsigns National Advertising Council, Inc.'s criteria and standard guidelines for participating in the program as described in our Operations Manual. This includes being in "Good Standing" with the terms of the Franchise Agreement. You will also agree to provide the services under the terms and conditions the Fastsigns National Advertising Council, Inc., negotiates. We do not represent that we or the FASTSIGNS National Accounts Program will obtain any national accounts in your Territory (as defined in Item 12). If the FASTSIGNS National Accounts Program does obtain accounts, the Fastsigns National Advertising Council, Inc., will advise you of the terms of participation. Participation in the FASTSIGNS National Accounts Program is voluntary on the part of franchisees and may be terminated by you or by the FASTSIGNS National Accounts Program.

The Fastsigns National Advertising Council, Inc., may establish other programs with the FASTSIGNS National Accounts Program to encourage FASTSIGNS National Program participation and benefit the System. Currently, the FASTSIGNS National Accounts Program has a referral program available to franchisees. Franchisees can refer qualified national account clients to the FASTSIGNS National Accounts Program and obtain a referral fee based on the work the

FASTSIGNS National Accounts Program and other franchisees perform through the FASTSIGNS National Accounts Program for the client. Under the current referral program policy, the FASTSIGNS National Accounts Program pays you a referral fee for all work directly invoiced by the FASTSIGNS National Accounts Program for that account under the FASTSIGNS National Accounts Program. You must be the first qualified Franchisee to refer (in writing) to the FASTSIGNS National Account that participates in the FASTSIGNS National Program. This referral fee is exclusive to any work performed by the referring Franchisee.

The Fastsigns National Advertising Council, Inc. may, in its discretion, modify, amend, or discontinue any of these FASTSIGNS National Accounts Programs.

We may develop and administer other marketing, promotional, sales or advertising programs designed to promote and enhance the entire System. You have the right to participate in those programs in accordance with the terms and conditions we establish for each program.

Training:

Before opening your Franchised Business, if you are an individual, you, or if Franchisee is an entity, your Managing Principal, together with your designated personnel, including your graphic designer and visual communications specialist (or other designated personnel) must complete the initial training program to our satisfaction.

Conversion Franchisees are required to attend and successfully complete the same initial training program required for new FASTSIGNS Centers. Completion of initial training is required prior to opening the Conversion Franchise.

The initial training program is intended to protect and maintain the System and the Trademarks and not to control the day-to-day operation of your Franchised Business. You must sign a Training and Joint Employment Acknowledgment to indicate your understanding of this relationship. This acknowledgment will be in the form contained in **Attachment G** to the Franchise Agreement and **Attachment E** to the Co-Brand Franchise Agreement.

The duration of the training program currently is 2 weeks of classroom instruction (for up to nine hours each day), up to 16 hours of online learning, and up to 3 days of on-site training at a FASTSIGNS Center prior to the classroom instruction. Your visual communication specialist must complete 16 hours of online learning, and your graphic designer must attend and complete 1 week of in-person classroom training. With our approval, additional personnel may attend the initial training program.

Classroom instruction is conducted at our corporate offices in Carrollton, Texas; however, we may provide training at other locations or through live, instructor led virtual training, in whole or in part, at our discretion. You must complete all required training assignments and pass any required assessments before participating in in-person training. The training program includes training and instruction in the areas of business and financial management, marketing and sales management, production and production management and employee management. We provide training and instruction for your personnel (graphic designer and visual communications specialist) as it applies to their position in the areas of sales, product knowledge, center management system computer, product fulfillment and other related topics (as described in Item 11). We provide instructors, facilities and required training materials for the initial training program.

If you, your Managing Principal, the graphic designer, or visual communications specialist (or other designated employees) do not satisfactorily complete the training program, you must designate a replacement to satisfactorily complete the training. We have the right to prevent you from opening the Franchised Business for business until the persons designated successfully complete the training program.

During the remaining term of the Franchise Agreement, we may require other personnel to attend and complete the initial training program to our satisfaction. You are responsible for all other expenses you, your outside sales professional or your personnel incur, including costs of travel, lodging, meals, and wages.

Within 120 days from the date that your Franchised Business commences business, we require that you hire an outside sales professional and employ an outside sales professional for the remaining term of the Franchise Agreement. Your outside sales professional will be required to attend Sales Boot Camp at no charge within the first 12 months from the date of hire.

Our Director of Training is primarily responsible for our initial training course as well as other FASTSIGNS training programs. In addition to Trey Pease, Kelly Vicha and Patrick Finn work full-time in our training department. Trey Pease has served as the Director of Training and Sales Development for Propelled Brands since October 2025. With over 20 years of industry experience, he previously held senior leadership and training roles with G6 Hospitality and Outback Steakhouse International, specializing in global training and development. Kelly Vicha joined us in February 2018 as a Training Manager. Ms. Vicha has over 24 years of experience in the training and development field. Patrick Finn joined us in May 2021 as a Training Manager. Mr. Finn has over 14 years in the visual communication and graphic design industry. As noted in the description of the training program below, we also draw on the substantial experience of our management and other personnel in conducting our initial training program.

The instructional materials used in the initial training may consist of our FASTSIGNS Operations Manual, In Center Training Manual, Marketing Resources, and promotional materials, ("Manuals").

You and/or your employees will be required to complete on-line training assignments and pass a test prior to attending our in-person initial training course. Some of the materials are provided in a tutorial and self-paced teaching format for you to use in training your employees.

Outlined below is an overview of the subject matter and number of hours allocated to each subject of our initial training program. This outline is as of the date of this Franchise Disclosure Document and is subject to change. The initial training program is offered 6 to 12 times a year.

The entire training program is subject to change due to updates in materials, methods, manuals, and personnel without notice to you. The subjects and time periods allocated are estimates and may vary based on the experience of those people being trained. During the initial training program, there are three tracks: sales and management, visual communications specialist, and graphic designer. The sales and management track concentrates on sales, marketing, and overall business management. The visual communications specialist track concentrates on sales skills, marketing, sales tools and product knowledge. The graphic designer track focuses on production and computer skills. The hours denoted above reflect approximate online and in-person classroom instruction. Additionally, during your off hours, there will be homework, and you are encouraged to practice the skills taught in class.

We provide on-site opening training, supervision, and assistance to you at a time determined by us. The on-site training focuses on opening, sales skills, management, sign production and marketing strategies and skills. The Business Consultant is provided at no expense to you, unless construction is not completed at the time the Business Consultant arrives for the opening of the Franchised Business. Under those circumstances, you may pay the expenses incurred by the Business Consultant, including the costs of travel, lodging, meals, and wages. You must schedule another trip at a time when the Franchised Business construction is complete, which trip is at no expense to you.

From time-to-time we will offer additional training programs, seminars, and webinars for you (if Franchisee is an individual), your Managing Principal, the Key Management Employee, and other employees (*e.g.,* annual convention, vehicle wrap class, sales summit, sales boot camp, sales management training, etc.) and we may charge a fee to defray costs. At our discretion additional training can be mandatory for you, your Managing Principal, and your Key Management Employee. Any additional training is optional for your other personnel. We provide the instructors and training materials for all the programs, seminars, and webinars. The cost of this training may range from $75 to $1,000 per person, depending on our costs to prepare the materials and personnel, tools, equipment, and location necessary for the training. Many training sessions require advance registration. You are responsible for all expenses you; your principals and personnel incur attending training, including the costs of travel, lodging, meals, and any wages.

You, if the Franchisee is an individual, your Managing Principal, or your Key Management Employee must attend the franchise convention at least once every 2 years. There is a registration fee charged to attend the franchise convention. You are responsible for all expenses you; your Managing Principal, Key Management Employee or employees incur attending the franchise conventions.

Site Selection: You are responsible for all costs, liabilities, expenses, and obligations associated with locating, securing, and developing a site for your Franchised Business, as well as constructing and equipping the Franchised Business at the site. You may not make any binding commitment to a prospective vendor or lessor of real estate for a site for the Franchised Business unless the site has been approved by us in writing in accordance with the procedures described below. Our approval of any site, or any assistance we provide in connection with site selection, does not constitute a representation, promise, warranty, or guarantee that a Franchised Business operated at that site will be profitable or otherwise successful.

You must acquire, at your expense, a location for your Franchised Business at a site we approve within ninety (90) days after signing your Franchise Agreement, unless we agree in writing to extend this period. You must obtain our prior written approval before executing any letter of intent or other agreement (whether binding or non-binding) for any proposed site. At our discretion, we may select a local or national broker to assist you in locating sites that satisfy our site selection criteria.

These site selection requirements do not apply to a Conversion Franchise, a Co-Brand Franchised Business, or a Resale Center, unless a relocation is required due to circumstances beyond your control. However, a Conversion Franchise or Co-Brand Franchised Business must provide us with a copy of its lease, and a Resale Center must provide us with a copy of the lease assignment or other transfer documentation.

You may not relocate the Franchised Business without our prior written approval. You must submit any proposed relocation site (a "**Relocation Site**") to us for approval before signing any letter of intent or other agreement (binding or non-binding). A "Relocation Site" means a proposed new location for the Franchised Business that has been submitted to and approved in writing by us as a replacement for the Approved Location. Any proposed lease for a Relocation Site must be approved by us before you execute a binding lease agreement (the "Lease"). All leases must include our Required Lease Terms, as set forth in Attachment D to the Franchise Agreement. If you purchase a building for your Relocation Site, the entity that owns the building must be separate from the franchisee entity, and you may enter into a lease between those entities that complies with our Required Lease Terms and is approved by us. Upon our approval and the opening of the Franchised Business at the Relocation Site, the Relocation Site will become the Approved Location under the Franchise Agreement.

If you elect to use our design development coordination services in connection with a relocation ("**Design Development**"), you must pay the Relocation Design Management Fee described in Item 6. This fee covers our internal time and assistance in coordinating the Design Development process, including coordination with designers and review of design submissions, but does not include third-party costs, which you must pay directly to the applicable vendors.

We will review proposed sites with you to determine whether they meet our then-current criteria, including size, location, visibility, access, and other relevant factors. We use a variety of reports, data sources, and market analyses in evaluating sites.

You must execute a lease or sublease for the Franchised Business premises within (120) days after signing your Franchise Agreement, unless we approve an extension in writing. The Franchised Business is typically located in a strip shopping center, industrial park, office or business park, or a free-standing building.

If we conduct an on-site evaluation, we will pay the costs associated with one (1) initial site visit. We may conduct site visits as we determine necessary. If we require a site visit, we will notify you in advance. We may withhold approval of any site for any bona fide reason that we, in the exercise of our reasonable business judgment, deem necessary.

If you will occupy the premises of the Franchised Business under a lease, you must submit the proposed lease to us for approval before you sign it and provide us with a copy of the executed lease within ten (10) days after execution. As a condition of our approval, the lease must include our Required Lease Terms, as set forth in Attachment D to the Franchise Agreement, except as we may otherwise approve in writing (see Item 8). You are not permitted to operate the Franchised Business under a month-to-month lease without our prior written approval. If you will purchase the premises for the Franchised Business, you must submit the contract of sale to us for approval before signing it and provide us with a copy of the executed contract of sale within ten (10) days after execution. If you purchase a building for a Relocation Site, the entity that owns the building must be separate from the franchisee entity, and you must enter into a lease between those entities that complies with our Required Lease Terms and is approved by us.

If we cannot agree on a site, or if you fail to acquire a site for the Franchised Business within the required time period (or any extension we grant), this will constitute a default under the Franchise Agreement, and we may exercise our rights under the Franchise Agreement, including termination.

The maximum time from the date you sign the Franchise Agreement to the opening of the Franchised Business for business should not exceed 365 days with the average time taking 6 to 9 months. This time may vary depending on several factors, including your ability to obtain financing, the time necessary to secure a lease for an acceptable site, the time required to obtain permits and licenses necessary to operate the Franchised Business, the time required for tenant improvements and the time required for training.

Co-Brand Franchised Business: If you purchase a Co-Brand Franchised Business, your Co-Brand Franchised Business will be located at the location of your Existing Business. You will bear the cost and expense for making all alterations, modifications, and improvements necessary to establish the Co-Brand Franchised Business at your Existing Business. After signing your Co-Brand Franchise Agreement, you are required to share a copy of your lease with us, and we recommend that you obtain Landlord approval to add FASTSIGNS to your Existing Business. If the Landlord requires an amendment, then the lease amendment must contain the terms and provisions contained in Attachment D to the Franchise Agreement,

We estimate the time from the date you sign the Co-Brand Franchise Agreement to the opening of the Co-Brand Franchised Business for business will be approximately 90 days. This time may vary depending on several factors, including the time required for construction and improvements, your ability to obtain financing, the time required to obtain permits and licenses necessary to operate the Co-Brand Franchised Business, and the time required for training.

Center Management System: We require that you obtain and use certain computer hardware, center management system software, and related systems, technology platforms, and services that meet our specifications, as we may modify from time to time, and all of which are part of the FASTSIGNS System. These requirements may include cloud-based systems, communication platforms, data storage solutions, security systems, and other technology components necessary to operate the Franchised Business in accordance with our standards.

You will obtain software license from our designated vendor, CoreBridge. CoreBridge is a non-exclusive provider of software to the sign and print industry.

The Program is a cloud-based center management system. We and certain third parties with a business need require access to the customer and sales data. You will allow us and these third-parties access to the Program for these business purposes.

The Program will run on almost any type of existing computer, and you can use any operating system; all you need on the computer is the Chrome web browser and a high-speed internet connection.

We are not obligated to maintain or update the Center Management System hardware or software. We or CoreBridge may revise the specifications for the hardware and software as we or CoreBridge determine necessary to meet the needs of the FASTSIGNS System. There is no contractual limitation on our ability to require the hardware or software to be improved or upgraded.

Center Management System allows for remote and mobile access (4G/5G wireless) as follows:

- Wireless 4G/5G (10Mbps or greater)
- Fiber/Cable/Starlink/Wireless (5Mbps or greater)

CoreBridge utilizes cloud services with Microsoft Azure to host the center management system data. Microsoft Azure has a global infrastructure of data centers with key location in the United States located in California, Iowa, Texas, and Virginia. These data centers employ current industry standard practices and procedures to limit access to the data centers' authorized personnel.

We require you to use CoreBridge's center management software system (the "CoreBridge Management System"). For new Franchised Businesses, new Conversion Franchises, and new Co-Brand Franchised Businesses, you must purchase a two (2)-year prepaid CoreBridge Management System package, which includes set-up, training, and twenty-four (24) months of software use. The current prepaid cost is approximately $3,500; however, this amount is subject to increase, and we expect the prepaid cost to increase to approximately $5,500 for applicable purchases made on or after January 1, 2027. After the initial two (2)-year period, you will pay CoreBridge directly for continued use of the CoreBridge Management System at then-current rates.

If you purchase a Resale Center, you are not eligible for the two (2)-year prepaid package. Instead, you will pay CoreBridge directly for continued use of the CoreBridge Management System at then-current rates, which are currently approximately $299 per month. If the Resale Center you purchase uses a different center management system, you must purchase and implement the then-current, approved version of the CoreBridge Management System in accordance with our standards.

CoreBridge is expected to introduce an upgraded version of the CoreBridge Management System ("EVO"), which will be implemented in phases. You will be required to transition to EVO in accordance with the phased implementation schedule and within the timeframe we establish. Following the initial two (2)-year prepaid term (if applicable), or upon your required transition to EVO (if later), you will pay CoreBridge directly for continued use of the CoreBridge Management System, including EVO, at then-current rates. The monthly fee for EVO is expected to range from approximately $309 to $449, depending on the package selected, and may increase thereafter. All fees are subject to change by CoreBridge.

maintain the version of QuickBooks Online that we require, as we may modify our specifications from time to time. This software will assist you with your financial statements.

Cost Management Software

You are required to use the third-party cost management software we designate to track the profitability of your Center. We currently designate ProfitKeeper as the required service provider; however, we may change the designated provider from time to time. We may re-evaluate both the hardware and software associated with creating output and change the specifications to keep current with industry standards.

Item 12: TERRITORY

Franchise Agreement

The Franchise Agreement grants you the right to operate a single Center only at the approved site. You are assigned a specific geographic area around the Franchised Business (the "Territory"). The Territory encompasses an area sufficient to include a minimum of 4,000 businesses.

For new FASTSIGNS Centers, the Territory will generally include an area sufficient to encompass a minimum of 4,000 businesses. If you comply with the Franchise Agreement, we will not establish or grant others the right to establish another FASTSIGNS Center within your Territory unless there is an increase of at least 20% in the number of businesses in the Territory.

For Conversion Franchises and Co-Brand Franchised Businesses, the Territory will be a defined trade area surrounding the premises of the existing business, as determined by us. These Territories may differ from those granted to new FASTSIGNS Centers and may not include a minimum of 4,000 businesses. Franchisees may service customers located outside their Territory, subject to our policies and the System; however, they do not receive any exclusive rights to such customers or areas.

If you purchase Resale Center, the Territory assigned to that Resale Center may be modified by us in accordance with the Franchise Agreement.

Your Territory will be described in **Attachment C** to the applicable Franchise Agreement or Co-Brand Franchise Agreement. You must use your best efforts to advertise and promote your Franchised Business within your Territory. You may not relocate your Franchised Business without our prior written approval. You may not offer or sell the products or services of the Franchised Business from any other location.

Except as described in Item 11, there are no other restrictions in the Franchise Agreement that prevent you from soliciting business outside of your Territory, but you do not have the right to use other channels of distribution to make sales outside your Territory (except as we may allow under our eCommerce Program). Nor are there any restrictions that prohibit us or any other franchisee from soliciting business within your Territory. However, we recommend that all franchisees focus on soliciting business in their own Territories. You have no options, rights of first refusal, or similar rights to acquire additional franchises within your Territory or contiguous territories.

We may authorize the establishment of an additional FASTSIGNS Center within your Territory if there is a significant increase of at least 20% in the number of businesses in the Territory. In such event, your Territory may be redefined; however, any redefined Territory will generally include an area encompassing at least 4,000 businesses.

The Franchise Agreement permits us to re-determine your Territory if you relocate your Franchised Business. Any redefined Territory will generally encompass an area sufficient to include a comparable number of businesses to those in your Territory immediately prior to relocation.

If a proposed relocation site is outside of, or near the boundary of your existing Territory, approval will be granted or withheld in our sole discretion. If we approve a relocation outside your existing Territory, your Territory will be redefined and will generally include a comparable number of businesses to those in your prior Territory.

You may not relocate the Franchised Business without our prior written approval. You must submit any proposed Relocation Site to us for approval before signing any letter of intent or other agreement (binding or non-binding). Any proposed lease for a Relocation Site must be approved by us before you execute a binding lease agreement.

All leases for a Relocation Site must include our Required Lease Terms, as set forth in **Attachment D** to the Franchise Agreement, unless we approve deviations in writing. If you purchase a building for a Relocation Site, the entity that owns the building may be separate from the franchisee entity, and you must enter into a lease between those entities that complies with our Required Lease Terms and is approved by us.

We may withhold approval of any Relocation Site for any bona fide reason that we, in the exercise of our reasonable business judgment, deem necessary.

Following relocation, you must provide photographic evidence demonstrating that your Franchised Business complies with the FASTSIGNS Brand Standards ("**Brand Standards**"). We may delay updating your business address on FASTSIGNS website or other platforms until we confirm compliance with Brand Standards.

The Agreements do not preclude us or any of our affiliates from establishing, operating, franchising, or licensing others to operate businesses at any location, including within your Territory by (i) operating or franchising others to operate, similar or competitive businesses located inside or outside the Territory under trademarks or service marks other than the Marks; (ii) operating or franchising others to operate, other dissimilar businesses located inside or outside your Territory under trademarks or service marks other than the Marks; (iii) selling products or services anywhere that are similar to those sold by FASTSIGNS Centers, but under trademarks or service marks other than the Marks; (iv) selling, and licensing others to sell, products and services anywhere that are similar to those sold by FASTSIGNS Centers, which products and services are sold under the Marks but through dissimilar distribution channels (including without limitation via the FASTSIGNS National Accounts Program, general or specialty retailers, the Internet or other electronic media); (v) selling products and services anywhere that are dissimilar from those sold by FASTSIGNS centers, but under the Marks or any other trademarks or service marks; (vi) the right to operate, and to grant others the right to operate FASTSIGNS Centers located anywhere outside your Territory; (vii) the right to acquire the assets or ownership interests of one or more businesses providing products and services similar to those provided at FASTSIGNS Centers, and franchising, licensing or creating similar arrangements with respect to these businesses once acquired, wherever these businesses (or the franchisees or licensees of these businesses) are located

or operating (including in the Territory); and (viii) the right to be acquired (whether through acquisition of assets, ownership interests or otherwise, regardless of the form of transaction), by a business providing products and services similar to those provided at FASTSIGNS Centers, or by another business, even if such business operates, franchises and/or licenses competitive businesses in your Territory. While we currently have no plans to conduct those other businesses, we may do so in the future.

We are not required to pay you if we exercise any of the rights specified above inside your Territory.

The FASTSIGNS National Accounts Program may sell directly to any customer the products and services offered by FASTSIGNS Centers. If the FASTSIGNS National Accounts Program receives orders for any System products or services calling for delivery or performance in your Territory, then the FASTSIGNS National Accounts Program may offer the order to you at the price they establish so long as you are not in default of the Franchise Agreement. If you choose not to fulfill the order or are unable to do so, then the FASTSIGNS National Accounts Program, one of our affiliates or a third party the FASTSIGNS National Accounts Program designates (including another franchisee) may fulfill the order, and you will be entitled to no compensation in connection with this.

Item 1 describes our current affiliated franchise programs, which are not direct competitors of the FASTSIGNS system given the products/services they sell. There is no formal mechanism in place for resolving conflicts that may arise between your FASTSIGNS Center and the units of our affiliated franchise systems. However, we do not expect any material conflicts regarding territory, customers, or franchise support.

There are presently no effective determinations of the USPTO, the trademark trial and appeal board or the trademark administrator of any state or any court; no pending infringement, opposition, or cancellation proceedings; nor pending material litigation involving the Marks that are relevant to their use by you.

There are instances in which unauthorized third parties will register domain names which use derivatives of our Marks. We use reasonable efforts to police these unauthorized domain names and to act as we deem appropriate. If you learn of such authorized use, please inform us.

To the extent common law rights to the mark precedes the rights of unaffiliated persons, the use by those persons of a similar mark may be an infringement of our right to the mark.

We know of no superior prior rights or infringing use that could materially affect your use of the Marks.

There are no agreements currently in effect which significantly limit our rights to use or license the use of the Marks in any manner material to the license.

You must notify us within 10 days of receipt of notice of any infringement of the Marks or challenge to your use of any of the Marks or claim by any person of any rights in any of the Marks. You and your principals must not communicate with any person other than us and our counsel concerning any infringement, challenge, or claim. We have complete discretion to take any action that we determine appropriate and have the right to exclusively control and conduct any litigation, or USPTO or other proceeding arising out of any infringement, challenge, or claim relating to any of the Marks. You must sign all instruments and documents, provide any assistance, and perform any acts that, in the opinion of our counsel, are necessary or advisable to protect and maintain our interests in any litigation or USPTO or other proceeding or to otherwise protect and maintain our interest in the Marks. At our option, we may defend and/or control the defense of any proceedings arising from your use of any Mark. We need not participate in your defense and/or indemnify you for damages or expenses in a proceeding involving the Marks; however, if you timely notify us and comply with our directions in response to a trademark infringement proceeding that disputes your authorized use of the Marks, then we will reimburse you for your damages and reasonable expenses you incur.

We may substitute different names and marks to identify the System and the businesses operating under it if the Marks no longer can be used or their use is restricted, or if we determine that substituting different names and marks will benefit the System. You must pay any costs you incur to comply with any change or modification of the Marks. We may, at our discretion, reimburse you a portion of the expenses you incur that are related to the change or modification. You must send us documentation satisfactory to us.

You must use only the Marks we designate and use them only in the manner we authorize and permit. Any unauthorized use of the Marks is an infringement of our rights and a material event of default under the Franchise Agreement. You must not use the name FASTSIGNS or any other Mark in the corporate or other legal name of any corporation or other entity formed by or affiliated with you. You must use the Marks only for operating the Franchised Business or in advertising for the Franchised Business.

You may not use the Marks as a part of your corporate or other legal name, and you must comply with our instructions in filing and maintaining trade name or fictitious name registrations. You must execute any documents we require to protect the Marks or to maintain their continued validity and enforceability. In addition, you may not directly or indirectly contest the validity of our ownership of, or of, our or any of our affiliate's rights in and to the Marks.

Item 14: PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

When the Franchise Agreement terminates or expires, you must immediately stop using our Marks, remove them from the Franchised Business premises and cancel any advertising using the Marks. We have exclusive rights to our Marks. We also have the right to monitor, supervise and control the use of our Marks by our franchisees and the nature and quality of the goods and services provided under the Marks. We have the right to modify or discontinue the use of any of the Marks, and you are required to comply with our standards for their use as modified.

Patents and Copyrights

We do not own any registered patents that are material to the Franchise being offered.

We own various copyrights related to materials used in the System. You will be able to use these copyright materials during the term of the Franchise Agreement or until we withdraw our permission for their use.

We also claim common law copyright protection and proprietary rights in the knowledge, materials, systems and procedures of the FASTSIGNS System, including the Manuals, other written materials, videos, marketing, icon designs, advertising and promotional materials developed for use in the System; and training materials such as manuals, handouts, knowledge base, electronic training and other visual aids used during training. This information is communicated to you confidentially and is treated as proprietary in the Franchise Agreement.

There are currently no effective determinations of the USPTO, the United States Copyright Office, or any court regarding the copyrighted materials; pending infringement, opposition, or cancellation proceedings; or pending material litigation involving any of our copyrights that would significantly affect the ownership or use of any of those copyrights. There are no agreements currently in effect that limit our rights to use or license the use of copyrights. We know of no superior rights or infringing uses of any copyright that could materially affect your use of the copyrights in any state.

At our option, we may defend and/or control the defense of any proceeding arising from your use of any copyrights. We need not participate in your defense and/or indemnify you for damages or expenses in a proceeding involving a copyright; however, if you timely notify us and comply with our directions in response to a copyright infringement or challenge that disputes your authorized use of the copyrights, then we will reimburse you for you for your damages and reasonable expenses. You must sign any documents, and do what may, in our counsel's opinion, be necessary to protect our interests in any litigation or administrative or agency proceeding or to otherwise protect and maintain our interests in the copyrights. You must also agree not to contest our interest in this or our other confidential information.

We have the right to modify or discontinue the use of all materials used in the System (including those covered by copyrights). You are required to comply with our standards for their use as modified.

The Manuals and other materials contain our confidential information (some of which constitute trade secrets under applicable law). You must treat the Manuals and our Systems and any other Manuals and any other Systems we create or approve for you to use in operating the Franchised Business, and the information contained in them, as confidential. You must also maintain this information as secret and confidential. You must not duplicate, copy, record or otherwise reproduce these materials or make them available to any unauthorized person. The Manuals also will include information maintained at our secure website; since access to this information is via password only, you must maintain your password in a secure place.

We may revise the contents of the Manuals, and you must comply with each new or changed standard. You will ensure that your copies or versions of the Manuals are always kept current. If there is a dispute as to the contents of the Manuals, the terms of the master copy maintained by us at our home office will be controlling.

We collaborate with you, your principals and other franchisees toward constant improvement and adapting to change to remain relevant and competitive in the graphics and visual communications industry. Many of our current processes are a result of franchisee innovation and input.

All ideas, concepts, inventions, techniques, or materials concerning a FASTSIGNS Center, whether protectable intellectual property and whether created by or for you or your principals or employees, must be promptly disclosed to us and will be deemed to be our sole and exclusive property, part of the System, and works made-for-hire for us. To the extent any item does not qualify as a "work made-for-hire" for us, you assign ownership of that item, and all related rights to that item, to us and must take whatever action (including signing assignment or other documents) we request to show our ownership or to help us obtain intellectual property rights in the item.

You may not use our confidential information in an unauthorized manner. You must take reasonable steps to prevent its improper disclosure to others. You and your Managing Principal are prohibited, during and after the term of the Franchise Agreement, from communicating, or using for the benefit of any other person or entity, any confidential information, knowledge, or know-how concerning the methods of operating the Franchised Business that may be communicated to you or your Managing Principal or that you may learn about in operating the Franchised Business. You and your Managing Principal can divulge this confidential information only to the Key Management Employee and each of your employees who have access to it to operate the Franchised Business. You and your Managing Principal are prohibited, without first obtaining our written consent, from copying, recording or otherwise reproducing the materials or information or from making them available to any unauthorized person. All information, knowledge, ability and techniques related to the System that we communicate to you, including the Manuals, plans and specifications, marketing information and strategies and site evaluation, selection guidelines and techniques, are considered confidential.

You must have your Key Management Employee, outside sales professional and any of your personnel who have received or will have access to confidential information sign similar covenants (see Item 17). The covenants will be the same as those in **Attachment I** to the Franchise Agreement and **Exhibit G** to the Co-Brand Franchise Agreement. Your principals also execute

these covenants.

Media: The videos, and web content provided via mail or other delivery or through resource.fastsigns.com ("Media") we provide you with are also to be treated as confidential information as described above. You are prohibited from copying, sharing on-line resources via password, or otherwise reproducing or making them available to any unauthorized person in any way. The Media must be returned to us if the Franchise Agreement is terminated or expires.

Item 15: OBLIGATIONS OF FRANCHISEE TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISED BUSINESS

To ensure the Franchised Business operates efficiently, you must operate the Franchised Business at the times and in the manner described in the Manuals. We may change these requirements at any time. The Franchised Business must be open during normal business hours (as provided in the Manuals), Monday through Friday, (except holidays as provided in the Manuals). You may operate the business on Saturday and Sunday if you choose to do so.

You, if the Franchisee is an individual, or your Managing Principal must supervise the Franchised Business and devote full-time, best efforts and constant personal attention to the day-to-day Franchised Business operations for at least the first 6 months the Franchised Business is open for business. Your Managing Principal must not have less than a 25% ownership interest in you. You also designate, in writing and submit to us the Key Management Employee Designation form, an individual (the "Key Management Employee") who will assist you, or your Managing Principal, as the case may be, in managing the Franchised Business (who will devote full-time, best efforts and constant personal attention to the day-to-day Franchised Business operations), if you or your Managing Principal do not participate in the full-time operation of the Franchised Business after the initial 6 month period the Franchised Business is open. This acknowledgment will be in the form contained in **Attachment H** to the Franchise Agreement and **Attachment F** to the Co-Brand Franchise Agreement. You must obtain a signed covenant not-to-compete (described below) from your Key Management Employee and submit a copy to us with the acknowledgment described herein. The Key Management Employee may be one of your principals or an employee. The Key Management Employee need not have an equity interest in you or in the Franchised Business. You also designate, in writing, the individuals who will be your graphic designer and visual communications specialist. Both individuals will attend and satisfactorily complete our initial training program.

Within 120 days from the date that your Franchised Business commences business, we require that you hire an outside sales professional and employ an outside sales professional for the remaining term of the Franchise Agreement. The outside sales professional is required to attend Sales Boot Camp training within 12 months from the date of hire at no charge. You are responsible for all other expenses your outside sales professional, or your personnel incur, including costs of travel, lodging, meals, and wages.

Any personnel of the Franchised Business you designate must satisfactorily complete our initial training program and satisfy our educational or business experience criteria as designated at that time and otherwise be an individual we accept. If any personnel you designate cannot continue, or no longer qualified, to serve in that capacity, you will promptly notify us and designate a replacement individual within 30 days after the individual ceases to serve. The replacement must meet the same qualifications described above.

Any of your personnel having access to any of our confidential information must sign covenants that they will maintain the confidentiality of the information they receive when employed by you. If we request, you will also obtain covenants not-to-compete (including covenants applicable on the person's termination of its relationship with you) from all managers,

outside sales professionals and any other personnel you employ who have received or will receive training from us and any holder of a beneficial interest in you (except limited partners) who is not designated as the Managing Principal and does not sign the Agreements. The covenants will be in the form contained in **Attachment I** to the Franchise Agreement and **Attachment G** to the Co-Brand Franchise Agreement. We may modify or you may modify **Attachment I** to the Franchise Agreement and **Attachment G** to the Co-Brand Franchise Agreement to remove the covenant not-to-compete provisions if we or you decide not to require these covenants to be executed by your personnel. We also provide **Attachment I** to the Franchise Agreement and **Attachment G** to the Co-Brand Franchise Agreement, Confidentiality/Non-Compete Agreement for your use located at support.fastsigns.com. You are not required to use our sample covenant. We recommend that you seek legal advice before using covenants not-to-compete in your state.

Item 16: RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

The Franchised Business premises may be used solely for operating the Franchised Business unless you are granted a franchise for a Co-Brand Franchised Business. You must refrain from using or permitting the Franchised Business premises to be used for any other purpose or activity at any time unless you first obtain our written consent. If you are granted a franchise for a Co-Brand Franchised Business, you may operate the Existing Business and the Co-Brand Franchised Business at the premises.

To ensure that the highest degree of quality and service is maintained, you must operate the Franchised Business in strict conformity with the methods, standards, and specifications that we provide in the Manuals or otherwise in writing. You must sell at the Franchised Business all products and services we require and provide the products and services in the manner and style that we specify. You will sell only those products and services that we have expressly approved for sale in writing. You will not deviate from our standards and specifications without our written consent. You will discontinue selling any product or service that we have disapproved of in writing at any time on notice. There are no limits on our rights to change the types of products or services you may offer. You may not offer or sell the products or services offered at the Franchised Business from any location other than the Franchised Business without our written consent. Although not contractually required to do so, we typically review product or service requests within 90 days.

You have sole discretion as to the prices and terms you charge customers for any products and services.

You, at your expense, will maintain the Franchised Business to the highest degree of repair and condition and in conformity with the System's standards, specifications, and requirements. You will repair or replace, at your expense, equipment, signs, vehicle graphics, interior and exterior décor items, fixtures, furnishings, floors and walls, supplies, and other products and materials required to operate the Franchised Business. You will obtain, at your expense, any new or additional equipment, fixtures, supplies, and other products and materials, which we may require to sell new products or services from the Franchised Business. Except as we may expressly provide in the Manuals, you may not alter or improve, or change the design, equipment, signs, vehicle graphics, interior, or exterior décor items, fixtures, or furnishings of the Franchised Business without our written approval in each instance.

To assure the continued success of the Franchised Business and to maintain the quality of the network and the FASTSIGNS brand, you will be required, at our request, to modernize the Franchised Business premises, equipment, signs, vehicle graphics, interior and exterior décor items, fixtures, and furnishings required to operate the Franchised Business, to our then-current standards and specifications. We will not require you to undertake a material modernization of the Franchised Business that exceeds $20,000 within any 5-year period during the term of the Franchise Agreement. We will provide you with 180 days' prior notice of this requirement. The $20,000 limitation will not apply to the purchase of equipment necessary to offer new, current, or additional products or services (see Item 8).

If you meet our requirements and choose to participate in the FASTSIGNS National Accounts Program, you must service those customers under the terms of the Guidelines in our

Operations Manual with the FASTSIGNS National Accounts Program customer (See Item 11). You must maintain a competent, conscientious, and trained staff to operate the Franchised Business under the Franchise Agreement and the Manuals and take the steps necessary to ensure that your employees preserve good customer relations; comply with our dress code and standards.

All advertising and promotional materials, signs, decorations, paper goods and other items that we designate must have the Marks in the form, color, location, and manner we specify.

We do not impose any other restrictions, in the Franchise Agreement or otherwise, as to the goods or services that you may offer or as to the customers to whom you may sell.

Item 18: PUBLIC FIGURES

[REMAINDER OF PAGE LEFT INTENTIONALLY BLANK]

Item 19: FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchised and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Franchise Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about performance at a particular location or under particular circumstances.

2025 FINANCIAL PERFORMANCE REPRESENTATION

On December 31, 2025, there were 793 FASTSIGNS Centers open and in operation of which 83 were international. 710 FASTSIGNS Centers were open and 690 were in continuous operation in the United States during the entire calendar year ending December 31, 2025. The analysis set forth below is based on the average yearly gross sales and median sales for those 690 FASTSIGNS Centers for 2025.

Of the 690 FASTSIGNS Centers open and in continuous operation in the United States during the entire calendar year ending December 31, 2025, 650 FASTSIGNS Centers were "Full Service" Centers, 9 FASTSIGNS Centers were "Satellite" FASTSIGNS Centers and 31 FASTSIGNS Centers were "Co-Brand" Centers.

A "Full-Service" FASTSIGNS Center is the FASTSIGNS Center that we typically offer under this Franchise Disclosure Document. It includes production equipment and is a stand-alone business. A "Satellite" FASTSIGNS Center is a FASTSIGNS Center without any production equipment and is owned by a franchisee who also owns a Full-Service FASTSIGNS Centers We no longer offer Satellite FASTSIGNS Centers for sale. A "Co-Brand" FASTSIGNS Center is an existing operating complementary business that establishes and operates a FASTSIGNS Center within that business.

In our financial performance representation, we aim to provide a comprehensive overview of the financial performance of our franchise system. It is important to note that while we highlight the success of high-volume FASTSIGNS Centers, we also have outlier FASTSIGNS Centers ("Outlier Centers") that have far exceeded this number. However, it is crucial to understand that these Outlier Centers may not represent the typical results that can be expected across all FASTSIGNS Centers. Outlier Centers may have unique circumstances or advantages that have contributed to their exceptional performance.

The following tables refer to "Gross Sales". "Gross Sales" includes all revenues from the sale of any services and products at or from a FASTSIGNS Center and all other revenues of every kind and nature related to operating a FASTSIGNS Centers. "Gross Sales" does not include sales or use taxes.

Notes Applicable to All Tables:

(1) We offer substantially the same services to all franchisees. Gross Sales are directly affected by how well the FASTSIGNS Center implements our business model, follows our advice, is engaged with the FASTSIGNS network including attendance at the Annual Convention and Outside Sales Summit and, as discussed in detail below, whether the FASTSIGNS Center

implements and follows the outside sales program on a full-time basis. Additionally, advertising and promotional materials developed by the Fastsigns National Advertising Council, Inc. are available to all Franchisees. (See Item 11.) An individual Franchisee is not limited in the amount or type of local advertising that it may conduct; provided, however, that all advertising materials developed by Franchisee must be approved in advance by us. (See Item 16.) Consequently, Franchisee's Gross Sales may be directly affected by the amount, type and effectiveness of advertising conducted by Franchisee.

(2) The Franchise Agreement provides that Franchisees must offer and sell at the FASTSIGNS Center products and services required by us and may offer and sell such additional products and services approved by us. (See Item 16.) Franchisees generally offer the same products and services to the public. In certain states, as noted in Item 1, Franchisees may be required to have a contractor's license to perform certain types of sign installation work. In those states, if you do not have, or meet the requirements to obtain a license, then you may not be able to offer those installation services requiring a license. Additionally, although we may suggest prices for the products and services offered at the FASTSIGNS Center, Franchisees may offer and sell such products and services at any price it chooses. As a result, the products and services offered and the prices at which such products and services are offered to the public at the FASTSIGNS Centers included in this analysis may vary. Likewise, Franchisee's Gross Sales may be directly affected by the amount, type and effectiveness of products and services offered, or not offered, by the franchisee.

(3) The Gross Sales figures included in this analysis and throughout Item 19 are based on sales reports submitted to us by each Franchisee. The figures in the sales reports have not been audited, and we have not undertaken to independently verify (i) the accuracy of such information or (ii) whether such information was prepared in accordance with generally accepted accounting principles.

Results of 2025 Financial Benchmark Survey

In addition to the average Gross Sales analysis, certain expenses expressed as a percentage of Gross Sales, have been provided based on the experience of certain of the foregoing FASTSIGNS Centers described below. The expense figures were extracted from the 2025 financial statements submitted by the FASTSIGNS Franchisees included in our 2025 Financial Benchmark Survey. As of the date of this Franchise Disclosure Document, we have not been provided with expense data from 352 of the 690 FASTSIGNS Centers open and in continuous operation during 2025 (Co-Brand Centers are not included in this expense data since Co-Brand Centers' financial statements are different). This was primarily due to the proximity of year-end to the time of compilation of these numbers and such 383 FASTSIGNS Centers were not included in the expense figures provided herein. You should note that with respect to the 307 FASTSIGNS Centers included in the compilation of the expense figures, the expense data relates to operations conducted during the calendar year 2025.

The information relating to the operations expenses provided by the FASTSIGNS Centers and used by us in determining the numerical values provided have not been audited and such information has not necessarily been prepared on a basis consistent with generally accepted accounting principles. We are unable to verify whether the expense data submitted by each FASTSIGNS Center for each separately provided expense item appropriately reflects the types of expenses which are ordinarily incurred by FASTSIGNS Centers, and which should be included in the item according to generally accepted accounting principles.

Each percentage given on this analysis reflects the mean average or the median of the total percentages for the applicable expense item provided by the reporting FASTSIGNS Centers (i.e., the aggregate sum of the expense percentages of all reporting FASTSIGNS Centers divided by the number of reporting FASTSIGNS Centers). The expense percentages for the various expense items provided by each reporting FASTSIGNS Franchised Business reflect that FASTSIGNS Center's expenses as a percentage of its Gross Sales. No percentage given in this analysis is the actual expenses percentage experienced by anyone FASTSIGNS Franchised Business and the actual expense percentages for the reporting FASTSIGNS Centers on any particular expense item may vary significantly.

FASTSIGNS INTERNATIONAL, INC.
FRANCHISE AGREEMENT

THIS FRANCHISE AGREEMENT (the "**Agreement**") is made and entered into by and between **FASTSIGNS INTERNATIONAL, INC.**, a Texas corporation located at 2542 Highlander Way, Carrollton, Texas 75006-2333 ("**we**," "**us**," or "**our**"), and _____, whose principal address is (" **you**" or "**your**") as of the date signed by us and set forth opposite our signature on this Agreement (the "**Effective Date**").

1. PREAMBLES, ACKNOWLEDGMENTS, AND GRANT OF FRANCHISE.

A. PREAMBLES.

(1) We and our affiliates have, over a considerable time period and with considerable effort, developed (and continue to develop and modify) a system and franchise opportunity for the operation of businesses specializing in the selling, marketing, producing installing and repairing visual communications including signs (both non-electrical and electrical), related work involved in the maintenance, installation and de-installation of interior and exterior signage, including painting, patching, masonry and landscaping, graphics, banners, flags, vehicle graphics, vehicle wraps, ADA signage, compliance signs, dimensional letters, dimensional signage, ready-to-apply lettering, decals and labels, exhibits, trade show and other displays, digital imaging, printing (including small format, large format, grand format and 3D), textile and fabric printing, advertising and promotional products (including wearables), electronic and digital signage, content for digital signage, visual graphics enhanced by 2D barcodes, radio frequency identification (RFID), augmented reality and virtual reality, QR codes, websites (both regular and mobile-optimized), logo and artwork design and illustration, product wraps and other related graphics, marketing services and complementary products and services. These businesses operate under the "FASTSIGNS" name and other trademarks ("**FASTSIGNS Centers**") and have distinctive business formats, methods, procedures, designs, layouts, standards, and specifications, all of which we may improve, further develop, or otherwise modify from time to time.

(2) We and our affiliates use, promote, and license certain trademarks, service marks, and other commercial symbols in operating FASTSIGNS Centers, which have gained and will continue to gain public acceptance and goodwill, and may create, use, and license other trademarks, service marks, and commercial symbols for FASTSIGNS Centers (collectively, the "**Marks**").

(3) We grant to persons who meet our qualifications, and are willing to undertake the investment and effort, a franchise to license and operate a FASTSIGNS Center offering the goods and services we authorize and using our business formats, methods, procedures, signs, designs, layouts, standards, specifications, and Marks (the "**Franchise System**").

(4) As a franchisee of a FASTSIGNS Center, you will comply with this Agreement and all System Standards (defined below) to maintain the high and consistent quality that is critical to attracting and keeping customers for FASTSIGNS Centers.

(5) You have applied for a franchise to license and operate a FASTSIGNS Center (the "**Franchised Business**").

B. CORPORATION, LIMITED LIABILITY COMPANY, OR PARTNERSHIP.

If you are at any time a corporation, limited liability company, or general or limited partnership (collectively, an "**Entity**"), you agree and represent that:

(1) You will have the authority to execute, deliver, and perform your obligations under this Agreement and all related agreements and are duly organized or formed and validly existing in good standing under the laws of the state of your incorporation or formation;

(2) Your organizational documents, operating agreement, or partnership agreement, as applicable, will recite that this Agreement restricts the issuance and transfer of any ownership interest in you, and all certificates and other documents representing ownership interests in you will bear a legend referring to this Agreement's restrictions;

(3) **Attachment A** to this Agreement completely and accurately describes all your principals (and the owners of your principal, if applicable) and their interests in you as of the Effective Date;

(4) Each of your principals during this Agreement's term will execute an **Attachment B**, Guaranty and Assumption of Obligations, undertaking personally to be bound, jointly and severally, by all provisions of this Agreement and any ancillary agreements between you and us. Subject to our rights and your obligations under Section 12, you and your principals agree to sign and deliver to us a revised **Attachment B** to reflect any permitted changes in the information that **Attachment A** now contains;

(5) As described in Subsection 8.F., you will appoint a shareholder, member, or partner, as applicable, with not less than twenty five percent (25%) ownership interest to be your "**Managing Principal**," responsible for overseeing and supervising the operation of the Franchised Business (as defined in Subsection D below). The Managing Principal as of the Effective Date is identified in **Attachment A**. You may not change the Managing Principal without our prior written consent;

(6) The Franchised Business and other FASTSIGNS Centers, if applicable, will be the only businesses you operate (although your principals may have other, non-competitive business interests); and

(7) You will provide us with copies of your certificate of incorporation, articles of incorporation, bylaws, stock certificates, other governing documents, any amendments, and resolutions of your Board of Directors authorizing entry into and the performance of this Agreement prior to the execution of this Agreement; or, if you are a partnership, copies of the written partnership agreement, other governing documents, and any amendments prior to the execution of this Agreement.

C. GRANT OF FRANCHISE.

You have applied for a franchise to license and operate a FASTSIGNS Franchised Business at the location identified on **Exhibit C** (the "**Premises**"). Subject to this Agreement's terms, we grant you a franchise (the "**Franchise**") to operate a Franchised Business at the Premises, and to use the Franchise System in its operation, for a term beginning on the Effective Date and expiring ten (10) years from that date, unless sooner terminated as provided herein. You may use the Premises only for the Franchised Business. You agree to always perform your obligations faithfully, honestly, and diligently under this Agreement and to use your best efforts to promote the Franchised Business.

D. TERRITORIAL RIGHTS.

After you select an approved location and designate it as the Premises, we will designate and describe your Territory in **Attachment C**. The size of the Territory shall be determined in our sole discretion. The Territory encompasses an area sufficient to include a business count of a minimum of four thousand (4,000) businesses. We may re-determine the size of your Territory if there is an increase of at least twenty percent (20%) in the Business Count in the Territory and locate another FASTSIGNS Franchised Business in your former Territory. Your remaining Territory will contain at least 4,000 businesses.

If you relocate your Franchised Business, we may re-determine the size of your Territory ("Relocation Territory"). The Relocation Territory will encompass an area sufficient to include a business count equivalent to the businesses you have on the Effective Date of this Agreement. If your Relocation Territory is outside or near the boundary of your Territory, the Relocation Territory may be changed but will also include a business count equivalent to the businesses you have on the Effective Date of this Agreement.

You may service customers located outside your Territory in accordance with the System; however, you do not receive any exclusive rights to such customers or areas. Franchisee's right to service customers located outside the Territory does not grant any territorial or exclusive rights in such areas, and such activities do not expand, modify, or otherwise affect the Territory granted under this Agreement.

E. RIGHTS WE RESERVE.

Except as expressly limited by Subsection D above, we and our affiliates retain all rights with respect to FASTSIGNS Centers, the Marks, the sale of similar or dissimilar products and services, and any other activities we deem appropriate. Specifically, but without limitation, we reserve the following rights:

(1) the right to operate, or franchise others to operate, similar or competitive

businesses located inside or outside the Territory under trademarks or service marks other than the Marks;

(2) the right to operate, or franchise others to operate, other dissimilar businesses located inside or outside the Territory under trademarks or service marks other than the Marks;

(3) the right to sell products or services anywhere that are like those sold by FASTSIGNS centers, but under trademarks or service marks other than the Marks;

(4) the right to sell, and to license others to sell, products and services anywhere that are like those sold by FASTSIGNS centers, which products and services are sold under the Marks but through dissimilar distribution channels (including without limitation via the FASTSIGNS National Program, general or specialty retailers, the Internet or other electronic media);

(5) the right to sell products and services anywhere that are dissimilar from those sold by FASTSIGNS centers, but under the Marks or any other trademarks or service marks;

(6) the right to operate, and to grant others the right to operate FASTSIGNS Centers located anywhere outside the Territory;

(7) the right to acquire the assets or ownership interests of one or more businesses providing products and services like those provided at FASTSIGNS Centers, and franchising, licensing or creating similar arrangements with respect to these businesses once acquired, wherever these businesses (or the franchisees or licensees of these businesses) are located or operating (including in the Territory); and

(8) the right to be acquired (whether through acquisition of assets, ownership interests or otherwise, regardless of the form of transaction), by a business providing products and services like those provided at FASTSIGNS Centers, or by another business, even if such business operates, franchises and/or licenses competitive businesses in the Territory.

F. MODIFICATION OF FRANCHISE SYSTEM.

Because complete and detailed uniformity under many varying conditions might not be possible or practical, you acknowledge that we specifically reserve the right and privilege to vary System Standards (defined below) for any franchise principal based upon the peculiarities of any condition that we consider important to that franchise principal's successful operation. You have no right to require us to grant you a similar variation or accommodation.

2. SITE SELECTION, LEASE OF PREMISES, AND DEVELOPMENT AND OPENING OF FRANCHISE BUSINESS.

A. SITE SELECTION.

You agree to obtain our written approval of the Franchised Business's proposed site before signing any lease, sublease, or other document for the site. We will make reasonable efforts to help analyze your market area, to help determine site feasibility, and to assist in

identifying the location, although we will not conduct site selection activities for you. We will not unreasonably withhold our approval of a site that meets our criteria for demographic characteristics; traffic patterns; parking; character of neighborhood; competition from, proximity to, and nature of other businesses; other commercial characteristics; visibility and the proposed site's size, appearance, and other physical characteristics.

At our discretion, we will select a local or national broker to assist you in locating potential sites that satisfy our criteria. You agree to send us a description of the proposed sites within ninety (90) days after the Effective Date of this Agreement, including a summary of the items listed above or other evidence confirming your favorable prospects for obtaining each of the proposed sites. Upon our written approval of a site, and after you secure the site, we will insert its address into **Attachment C**, and it will be the Premises. You may operate the Franchised Business only at the Premises.

You acknowledge and agree that, if we recommend or give you information regarding a site for the Premises, that it is not a representation or warranty of any kind, express or implied, of the site's success for a FASTSIGNS Center or any other purpose. Our recommendation indicates only that we believe that the site meets our then acceptable criteria.

B. LEASE OF PREMISES.

You must sign a lease or sublease for the Premises (the "**Lease**") within one hundred twenty (120) days after the Effective Date of this Agreement. We have the right to approve the terms of the Lease before you sign it. The Lease must be in a form acceptable to us and must contain certain required lease terms (the "**Required Lease Terms**"), including, but not limited to, those set forth in Attachment D (although we will not directly negotiate your Lease or provide legal advice regarding your Lease). You must also sign the Lease Acknowledgement of Understanding acknowledging that we do not provide legal advice regarding new center leases, lease renewals, or lease amendments, as set forth in Attachment E. You must deliver to us a signed copy of the Lease within ten (10) days after its execution**.**

You acknowledge that our approval of the Lease is not a guarantee or warranty, express or implied, of the success or profitability of a FASTSIGNS Center operated at the Premises. Our approval indicates only that we believe that the Premises and the Lease's terms meet our then acceptable criteria.

You may not relocate the Franchised Business without our prior written consent. You must submit any proposed new location (a "**Relocation Site**") to us for approval before signing any letter of intent or other agreement (binding or non-binding). Any proposed lease for a Relocation Site must be approved by us before you execute a binding lease agreement. All leases must include our Required Lease Terms attached as Attachment D. If you purchase a building for your Relocation Site, the entity that owns the building may be separate from the franchisee entity, and you must enter into a lease between those entities that complies with our Required Lease Terms and is approved by us. Upon our approval and the opening of the Franchised Business at the Relocation Site, the Relocation Site will become the Approved Location under this Agreement.

If the Lease expires or is terminated without your fault, or if the Premises are destroyed, condemned, or otherwise rendered unusable, you may request approval to relocate the Franchised

Business to a Relocation Site in accordance with this Section. Any relocation will be at your sole expense, and you must reimburse us for our reasonable costs incurred in reviewing, evaluating, approving, and assisting with any proposed relocation, and you must pay any applicable fees described in the Franchise Disclosure Document, including the Relocation Design Management Fee if you elect to use such services.

If you elect to have us coordinate and assist with the preparation and review of design development materials for a Relocation Site ("**Design Development**"), you must pay us the Relocation Design Management Fee described in the Franchise Disclosure Document. This fee covers our internal time and assistance in coordinating the Design Development process, including coordination with designers and review of design submissions. This fee does not include the cost of preparing the Design Development materials, and you are solely responsible for all third-party costs associated with the preparation of the Design Development materials, which you must pay directly to the approved designer or vendor.

We may withhold approval of any Relocation Site for any reason that we, in the exercise of our reasonable business judgment, deem necessary. If a proposed Relocation Site is outside of or near the boundary of, your existing Territory, approval will be granted or withheld in our sole discretion. If we approve a Relocation Site outside your existing Territory, your Territory may be redefined in accordance with our then-current policies and will generally include a comparable number of businesses to those in your prior Territory. After the relocation is complete, you must provide us with photographic evidence demonstrating that you have implemented the FASTSIGNS brand standards ("**Brand Standards**") in your showroom. We may elect not to update your address on your website or otherwise recognize the Relocation Site as operational until the Brand Standards are satisfactorily implemented, as determined by us in our sole discretion.

You are not permitted to operate the Franchised Business under a month-to-month lease without our prior written approval. If you are purchasing the premises for the Franchised Business, you must submit the contract of sale to us for approval prior to your signing it and you must deliver to us a signed copy of the contract of sale within ten (10) days after execution.

C. FRANCHISED BUSINESS DEVELOPMENT.

You are responsible for developing the Franchised Business. We will give you mandatory and suggested specifications and layouts for a FASTSIGNS Center, including requirements for dimensions, design, image, interior layout, decor, fixtures, equipment, signs, furnishings, and color scheme. These plans might not reflect the requirements of any federal, state, or local law, code, or regulation, including those arising under the Americans with Disabilities Act, as amended from time to time (the "**ADA**"), or similar rules governing public accommodations for persons with disabilities. It is your responsibility to prepare a site survey (at your expense if the landlord does not provide and bear the cost of this) and all required construction plans and specifications to suit the Premises and to make sure that these plans and specifications comply with the ADA and similar rules governing public accommodations for persons with disabilities, other applicable ordinances, building codes, Title 24, permit requirements, and Lease requirements and restrictions. For any plans provided by us, we will not charge you for the cost of the first revision of the plans, but we may charge you for the cost

of any additional revisions.

You agree to send us construction plans and specifications for review before you begin constructing the Franchised Business and all revised or "as built" plans and specifications during construction. We may require you to use an approved or designated architect and/or general contractor to design and construct the Franchised Business. Plans and modifications to plans not created by an approved or designated architect and/or general contractor must be pre-approved by us. You must retain a permit expeditor to assist in facilitating and expediting the permit review process in connection with the development of the Franchised Business. The permit expeditor must be approved by us, and you must pay all costs associated with these services.

Because our review is limited to ensuring your compliance with our design requirements, it might not assess compliance with federal, state, or local laws and regulations, including the ADA, as compliance with these laws is your responsibility. We may inspect the Premises while you are developing the Franchised Business.

You agree to do the following, at your own expense, to develop the Franchised Business at the Premises:

(1) secure all financing required to develop and operate the Franchise Business;

(2) obtain all required building, utility, sign, health, sanitation, business, EPA and other permits and licenses;

(3) construct all required improvements to the Premises and decorate the Franchised Business according to approved plans and specifications;

(4) obtain all customary contractor's sworn statements and partial and final waivers of lien for construction, remodeling, decorating, and installation services;

(5) purchase or lease, and install, all required fixtures, furniture, equipment (including a required or recommended computer, and center management system information system), furnishings, and signs (collectively, "**Operating Assets**") for the Franchised Business; and

(6) purchase an opening inventory of authorized and approved products, materials, and supplies to operate the Franchised Business.

D. OPERATING ASSETS.

You agree to use in operating the Franchised Business only those Operating Assets that we approve for FASTSIGNS Centers as meeting our specifications and standards for quality, design, appearance, function, and performance. You agree to place or display at the Franchised Business (interior and exterior) only the signs, emblems, lettering, logos, and display materials that we approve from time to time. You agree to purchase or lease brands, types, or models of Operating Assets only from suppliers that meet our specifications (which may include or be limited to us and/or our affiliates) or suppliers you choose that meet our criteria and specifications.

E. HARDWARE AND SOFTWARE.

You agree to obtain and use the computer hardware, software, and related systems, technology platforms, and services that we designate from time to time (collectively, the "Computer System"), and to ensure that your Computer System is installed, maintained, and functioning in accordance with our requirements. The Computer System is part of the System Standards and must be maintained in accordance with our requirements.

We may modify the specifications for, or components of, the Computer System at any time. You also agree to use the email systems, addresses, and communication platforms that we designate as part of the Computer System.

Our modification of specifications for the Computer System, and/or other technological developments or events, may require you to purchase, lease, license, or implement new or modified computer hardware, software, systems, technology platforms, or services, and to obtain related services and support. Although we cannot estimate the future costs of the Computer System or any required service or support, and although these costs may not be fully amortizable over the remaining term of this Agreement, you agree to incur all such costs.

We have no obligation to reimburse you for any Computer System costs. Within one hundred eighty (180) days after you receive notice from us, you agree to implement any required modifications to the Computer System and ensure that they comply with our then-current specifications and standards.

You agree that we or our affiliates may require the use of proprietary software or technology that we or our affiliates select, develop, or maintain. Upon your signing or accepting of the Software License Agreement or similar document that we or our affiliates prescribe to regulate your use of, and our and your respective rights and responsibilities with respect to, the software or technology, we and our affiliates reserve the right to charge you or implement additional monthly or other fees for access to, maintenance, and support of said software or technology that we or our affiliates have licensed to you during this Agreement's term. We will provide you with ninety (90) days' prior notice of our decision to implement any new fees or increase existing fees. We charge you a Technology Fee ("**Tech Fee**") as described in Subsection 3.D. below. The Tech Fee allows us to provide tools and resources to keep the FASTSIGNS System operating efficiently.

Even though you agree to buy, use, and maintain the Computer System according to our standards and specifications, you will have sole and complete responsibility for: (1) the acquisition, operation, maintenance, and upgrading of the Computer System; (2) the way your Computer System interfaces with our and any third party's computer system; and (3) any consequences if the Computer System is not properly operated, maintained, and upgraded.

You are required to use the third-party cost management software we designate to track the profitability of your Franchised Business.

You must use the email, communication, and technology systems we designate (including, without limitation, Google Workspace or any successor system) in connection with the operation

of the Franchised Business. All such systems are part of the Computer System and the System Standards and must be installed, maintained, and used in accordance with our requirements, as we may modify from time to time.

To the fullest extent permitted by applicable law, you acknowledge and agree that:

(a) any email accounts, communications, data, or information created, transmitted, received, or stored using system approved or system-required technology platforms are business records of the Franchised Business and the system;

(b) you and your employees, agents, and representatives have no expectation of privacy with respect to such communications or data when using these systems; and

(c) we and our affiliates may, at any time and without further notice (except as required by applicable law), access, monitor, review, copy, disclose, or retain such communications and data for purposes of supporting the system, ensuring compliance with this Agreement, protecting the Marks and system, and complying with legal or regulatory obligations.

You must ensure that all employees and users of the system-approved technology platforms are informed of, and agree to comply with, this provision.

Notwithstanding the foregoing, we will exercise our rights under this Section in accordance with applicable privacy, data protection, and employment laws. Nothing in this Agreement is intended to limit any rights you or your personnel may have under applicable law that cannot be waived by contract.

F. <u>FRANCHISED BUSINESS OPENING.</u>

You agree not to open the Franchised Business until:

(1) we notify you in writing that the Franchised Business meets our standards and specifications (although our acceptance is not a representation or warranty, express or implied, that the Franchised Business complies with any engineering, licensing, environmental, labor, health, building, fire, sanitation, occupational, landlord's, insurance, safety, tax, governmental, or other statutes, rules, regulations, requirements, or recommendations nor a waiver of our right to require continuing compliance with our requirements, standards, or policies);

(1) your required attendees satisfactorily complete training as described in Subsection 4. A. of this Agreement, and you have paid the initial Marketing Deposit prior to training;

(2) you are fully staffed with a graphic designer and visual communications specialist;

(3) you pay the initial franchise fee and other amounts then due to us;

(4) you provide a voided check and the electronic fund transfer authorization form to us;

(5) you pay for the equipment, furniture and fixtures package then due to us; and

(6) you give us certificates for all required insurance policies, naming us as additional insured.

Subject to your compliance with these conditions, you agree to open the Franchised Business for business within three hundred sixty-five (365) days after the Effective Date. You agree to operate and supervise the Franchised Business and devote your full time, best efforts, and constant personal attention to the day-to-day operations of the Franchised Business for at least six (6) months after the opening.

If you fail to sign a Lease for the Premises within one hundred twenty (120) days after the Effective Date or if you fail to open the Franchised Business within three hundred sixty-five (365) days after the Effective Date, we have the right to terminate this Agreement (see Subsection 14.A.(2) and (3)).

3. FEES.

A. INITIAL FRANCHISE FEE.

You agree to pay us a nonrecurring and nonrefundable initial franchise fee of _____Dollars ($_____). This fee is due and fully earned by us when you sign this Agreement.

B. CONTINUING SERVICE AND ROYALTY FEE.

You agree to pay us, in the manner provided below (or as the Operations Manual otherwise prescribes), a monthly Continuing Service and Royalty Fee (the "Service Fee") equal to the six percent (6%) of the Franchised Business's Gross Sales (as defined in Subsection D. below), beginning on the date the Franchised Business opens; provided, however, that beginning with the first full calendar month of operation, you will pay a Service Fee equal to the greater of One Thousand Two Hundred Fifty Dollars ($1,250) or Six percent (6%) of Gross Sales, continuing through the end of the term of the Agreement (including any renewal terms. The Service Fee is payable by the fifteenth (15th) day of each month.

On or before the fifth (5th) day of each month, we will extract a statement of the Franchised Business's Gross Sales for the preceding calendar month from your Computer System. The method of payment is described in Subsection 3.H. below. In addition, you agree to pay us the Ad Fund contribution as described in Subsection 9.B.

Notwithstanding the foregoing, a reduced Service Fee may apply to certain Conversion Franchises pursuant to a separate Conversion Addendum to this Agreement.

C. SLIDING SCALE ROYALTY REBATE.

Beginning with your first full calendar year of operation, we will recalculate the Service Fee and the Ad Fund Contributions (described in Subsection 9.B.) you paid to us for the preceding calendar year based on your total annual Gross Sales for that calendar year, as set forth in the following Sliding Scale Chart below ("**Chart**"):

On your sales between:	Your Service Fee will be:	Your Ad Fee will be:

$6,312,711 to $8,285,431	4.75%	1.25%
$8,285,432 to $10,258,152	4.25%	1.10%
$10,258,153 and above	3.75%	1.00%

At the conclusion of each calendar year, we will calculate a rebate payment ("**Rebate Payment**") to you based on each increment of your Gross Sales falling within each of the sales bands described above. The Rebate Payment will be paid to you no later than March 31 of the following year and will be paid to the franchisee that is the owner of record of the Franchised Business as of December 31 of the applicable year. To be eligible for the Rebate Payment, you must submit all required monthly royalty reports through December 31 in accordance with Section 10 of this Agreement and be in "Good Standing" (as described in Subsection 3.J.) as of December 31 of the applicable year.

At our election, the sales bands described in the Chart above may be adjusted effective January 1 of each calendar year based on the greater of (i) the most recent Consumer Price Index published by the Bureau of Labor Statistics, or (ii) the FASTSIGNS same center sales growth percentage ("**Same Center Sales Growth**") for the prior calendar year, whichever is higher. "Same Center Sales Growth" is calculated as the average the sales growth for all FASTSIGNS franchised businesses in the United States that were open for the full twelve (12) months during each of the two (2) preceding years and the most recently completed calendar year.

D. TECHNOLOGY FEE.

You agree to pay us a Tech Fee of One Hundred Seventy-Five Dollars ($175.00) per month, beginning on the date the Franchised Business opens for business and continuing through the term of this Agreement. The Tech Fee is due on the 15th day of each month.

We reserve the right to increase the Tech Fee upon at least ninety (90) days' prior written notice to you.

E. DEFINITION OF "GROSS SALES".

As used in this Agreement, the term "**Gross Sales**" means all revenue that you derive from operating the Franchised Business, including, but not limited to, all amounts that you receive at or away from the Premises, and whether from cash, check, credit and debit card, barter

exchange, trade credit, other credit transactions, or items of financial or non-financial benefits to you, but excluding (1) all federal, state, or municipal sales, use, or service taxes collected from customers and paid to the appropriate taxing authority and the amount of any documented refunds, credits, allowances, and charge-backs the Franchised Business in good faith gives to customers.

F. INTEREST.

All amounts which you owe us for any reason will bear interest accruing as of their original due date at one and one-half percent (1.5%) per month or the highest commercial contract interest rate the law allows, whichever is less. We may debit your bank account automatically for late fees and interest. You acknowledge that this Subsection is not our agreement to accept any payments after they are due or our commitment to extend credit to, or otherwise finance your operation of, the Franchised Business.

G. APPLICATION OF PAYMENTS.

Despite any designation you make, we may apply any of your payments to any of your past due indebtedness to us. We may set off any amounts you or your principals owe us or our affiliates against any amounts we or our affiliates owe you or your principals. You may not withhold payment of any amounts you owe us due to our alleged nonperformance of any of our obligations under this Agreement.

H. METHOD OF PAYMENT.

Before the Franchised Business opens, you agree to sign and deliver to us the documents we require (including **Attachment F**) to authorize us to debit your business checking account automatically for the Service Fees, Ad Fund contributions, Tech Fee (described in Subsection 9.B. below), and other amounts due under this Agreement and for your purchases from us, Fastsigns National Advertising Council, Inc. and our affiliates (the "**Electronic Funds Transfer Account**" or "**EFTA**"). We will debit the EFTA for these amounts on their due dates. You agree to ensure that funds are available in the EFTA to cover our withdrawals. If there are insufficient funds in the EFTA to cover any such amount owed (or, if you are paying by check and a check is returned for insufficient funds), you stop payment on the EFTA (or check), close the EFTA, or request we do not process the EFTA we will charge you a processing fee as prescribed in the Operations Manual) per withdrawal or amount to compensate us for our additional administrative expenses. This amount is currently One Hundred Dollars ($100) but is subject to change.

If we are unable to extract a statement of your Gross Sales from your Computer System, we may debit your EFTA for one hundred fifty percent (150%) of the last Service Fee and Ad Fund contribution that we debited. If the amounts that we debit from your EFTA are less than the amount you owe us (once we have determined the FRANCHISED BUSINESS'S true and correct Gross Sales), we will debit your EFTA for the balance on the day we specify. If the amounts that we debit from your EFTA are greater than the amount you owe us, we will credit the excess against the amounts we otherwise would debit from your EFTA during the following month.

We may require you to pay any amounts due under this Agreement or otherwise by means other than automatic debit (*e.g.*, by check) whenever we deem appropriate, and you agree to comply with our payment instructions.

I. LATE FEE FOR SUBMISSION OF LATE SALES REPORT, LATE SERVICE FEE AND NAC FUND CONTRIBUTION.

If we are unable to obtain any sales report when due as provided in Subsection 10.(a) and/or Service Fee payment, Ad Fund contribution or Tech Fee when due as provided in Subsection 3.B above, we have the right, in addition to any other remedy available, to charge you a late fee of Fifty Dollars ($50) for each day such sales report, Service Fee payment, Ad Fund contribution or Tech Fee is late, reduced, if necessary, to the extent such payment exceeds the amount permitted by applicable law. Said late fee shall be due and payable by you immediately when invoiced.

J. DEFINITION OF "GOOD STANDING".

The term "**Good Standing**" means that you do not owe any Service Fees, Ad Fund contributions, Tech Fee or any other monetary obligations to us more than thirty (30) days and you follow all your other obligations under the Agreement and any other agreement with us, including timely reporting of Gross Sales. You are not in "Good Standing" if you make partial payments to us but still have amounts outstanding more than thirty (30) days.

4. TRAINING AND ASSISTANCE.

A. INITIAL TRAINING.

Before the Franchised Business opens for business, we will train up to three (3) of your representatives on the material aspects of operating a FASTSIGNS Center in accordance with Brand Standards. We will provide the initial training program at a designated training facility of our choice and/or at an operating FASTSIGNS Center. The initial training program is to protect and maintain the System Standards (defined below) and the Marks are not to control the day-to-day operation of your Franchised Business. You and your principals agree to sign **Attachment G** to this Agreement to acknowledge this. We will provide initial training for no additional fee for you (if you are an individual) or your Managing Principal (if you are an entity), your graphic designer and your visual communications specialist. Additional people beyond these three (3) may attend initial training. You also agree to pay for all travel and living expenses that your attendees incur and for your employees' wages and workers' compensation insurance while they train at operating FASTSIGNS Centers. Training is conducted at our corporate offices or at any other location determined by us. We reserve the right to convert the traditional classroom training of the initial training program entirely, or partially to live instructor-led virtual training, at our discretion.

You (or your Managing Principal), your graphic designer and your visual communications specialist must satisfactorily complete initial training. If we determine that you (or your Managing Principal) cannot complete initial training to our satisfaction, you may designate a replacement to complete such training. When the Franchised Business is ready to open for business, we will, at our own cost, send one of our representatives to the Franchised Business at a time to be determined by us to assist with its opening. You (or your Managing Principal) also must successfully complete this phase of the initial training program. If you request, and we agree to provide, additional or special guidance, assistance, or training during this opening phase, you agree to pay our then applicable charges, including our personnel per diem charges and travel and living expenses.

B. ONGOING TRAINING.

We may require you (or your Managing Principal) to attend and complete satisfactorily various training courses that we periodically choose to provide at the times and locations we designate. At your option and expense, you may send previously trained and experienced employees to these training courses. We may charge reasonable registration or similar fees for these courses to defray costs. Besides attending these courses, you agree to attend a designated franchise convention for all FASTSIGNS Center franchisees at a location we designate at least once in every two (2) year period. You agree to pay all registration fees, charges, and costs to attend. In addition, you agree to pay all travel and living expenses which you and your employees incur during all training courses and programs.

If you or your Managing Principal chooses not to give your full time, best efforts, and constant personal attention to the operation of the CENTER, after six (6) months, you will designate, in writing, an individual (the "**General Manager**") who will assist you in the management of the Franchised Business by signing the Key Management Employee Designation form attached to this Agreement as **Attachment H**. The Key Management Employee will devote their full time, best efforts, and constant personal attention to the day-to-day operations of the Franchised Business in the event you do not participate in the full-time operation of the Franchised Business after the initial six (6) month period the Franchised Business is open.

We may require your Franchised Business manager (including the Key Management Employee if you (or your Managing Principal)) to cease to function as the day-to-day manager of the Franchised Business until they satisfactorily complete our initial and ongoing training programs. If at any time the Key Management Employee cannot continue to serve in such capacity or no longer qualifies to function as General Manager, you will promptly notify us and shall designate a replacement Key Management Employee within thirty (30) days after the Key Management Employee ceases to serve. Should a replacement be required for the Key Management Employee, the replacement will be required to attend and complete training.

Within one hundred twenty (120) days from the date that your Franchised Business opens for business, we require that you hire an outside sales professional and employ an outside sales professional for the remaining term of the Agreement. Your outside sales professional will be required to attend and successfully complete Sales Boot Camp within the first twelve (12) months from the date of hire. There is no charge for your initial outside sales professional's attendance of Sales Boot Camp training. We may charge a reasonable fee for training additional outside sales professionals. Sales Boot Camp training is conducted at our corporate offices or at such other location as determined by us. You agree to pay for all travel and living expenses which your outside sales professional incur during attendance of Sales Boot Camp training. You understand and agree that any specific ongoing training or advice we provide does not create an obligation (whether by course of dealing or otherwise) to continue to provide such specific training or advice, all of which we may discontinue and modify from time to time.

C. GENERAL GUIDANCE.

We will advise you from time to time regarding the Franchised Business's operation based on your reports or our inspections and will guide you with respect to: (1) standards,

specifications, operating procedures, and methods that FASTSIGNS Centers use; (2) purchasing required and authorized Operating Assets and other items and arranging for their distribution to you; (3) advertising and marketing materials and programs; (4) employee training; and (5) administrative, bookkeeping, accounting, and inventory control procedures.

We will guide you in our manuals ("**Operations Manual**"); in bulletins or other written materials; by electronic media; by telephone consultation; and/or at our office or the Franchised Business. If you request, and we agree to provide, additional or special guidance, assistance, or training, you agree to pay our then applicable charges, including our personnel per diem charges and travel and living expenses.

D. OPERATIONS MANUAL.

During the Franchise term you will have electronic access to our Operations Manual, which could include audio and files/links, video and links, computer software, other electronic media, and/or written materials on a restricted website. You agree to monitor and access the Website for any updates to the Operations Manual or System Standards. Any passwords or other digital identifications necessary to access the Operations Manual on a Website or extranet will be deemed to be part of Confidential Information (defined in Section 6 below). At our discretion, hard copies of certain manuals may be loaned to you at no expense. The Operations Manual contains mandatory and suggested specifications, standards, operating procedures, and rules ("**System Standards**") that we periodically prescribe for operating a FASTSIGNS Center and information on your other obligations under this Agreement. We may modify the Operations Manual periodically to reflect changes in System Standards.

You agree that the Operations Manual's contents are confidential, proprietary to us, and that you will not disclose the Operations Manual to any person other than Franchised Business employees who need to know its contents. You may not at any time copy, duplicate, record, or otherwise reproduce any part of the Operations Manual.

E. DELEGATION OF PERFORMANCE.

You agree that we have the right to delegate the performance of any portion or all our obligations under this Agreement to third-party designees, whether these designees are our agents or independent contractors with whom we have contracted to perform these obligations. If we do so, such third-party designees will be obligated to perform the delegated functions for you in compliance with this Agreement.

5. MARKS.

A. OWNERSHIP AND GOODWILL OF MARKS.

Your right to use the Marks is derived only from this Agreement and limited to your operating the Franchised Business according to this Agreement and all System Standards we prescribe during its term. Your unauthorized use of the Marks is a breach of this Agreement and infringes our rights in the Marks. You acknowledge and agree that your use of the Marks and any goodwill established by that use are exclusively for our benefit and that this Agreement does not confer any goodwill or other interest in the Marks upon you (other than the right to operate the Franchised Business under this Agreement). All provisions of this Agreement relating to the Marks apply to any additional proprietary trade and service marks we authorize you to use. You

may not at any time during or after this Agreement's term contest or assist any other person in contesting the validity, or our ownership, of the Marks.

B. LIMITATIONS ON YOUR USE OF MARKS.

You agree to use the Marks as the Franchised Business's sole identification, except that you agree to identify yourself as its independent owner in the manner we prescribe. You may not use any Mark (1) as part of any corporate or legal business name, (2) with any prefix, suffix, or other modifying words, terms, designs, or symbols (other than logos we have licensed to you), (3) in selling any unauthorized services or products, (4) as part of any domain name, homepage, electronic address, email addresses, or otherwise in connection with a Website, or (5) in any other manner that we have not expressly authorized in writing.

You may not use any Mark in advertising the transfer, sale, or other disposition of the Franchised Business or an ownership interest in you without our prior written consent, which we will not unreasonably withhold. You agree to display the Marks prominently as we prescribe at the Franchised Business and on forms, advertising, supplies, and other materials we designate. You agree to give the notices of trade and service mark registrations that we specify and to obtain any fictitious or assumed name registrations required under applicable law.

C. NOTIFICATION OF INFRINGEMENTS AND CLAIMS.

You agree to notify us within ten (10) days from receipt of notice of any apparent infringement or challenge to your use of any Mark, or of any person's claim of any rights in any Mark, and not to communicate with any person other than us, our attorneys, and your attorneys, regarding any infringement, challenge, or claim. We may take the action we deem appropriate (including no action) and control exclusively any litigation, U.S. Patent and Trademark Office proceeding, or other administrative proceeding arising from any infringement, challenge, or claim or otherwise concerning any Mark. You agree to sign any documents and take any other reasonable action that, in the opinion of our attorneys, are necessary or advisable to protect and maintain our interests in any litigation or Patent and Trademark Office or other proceeding or otherwise to protect and maintain our interests in the Marks. We will reimburse you for the costs of taking any action that we have asked you to take.

D. DISCONTINUANCE OF USE OF MARKS.

If it becomes advisable at any time for us and/or you to modify or discontinue using any Mark and/or to use one or more additional or substitute trade or service marks, you agree to comply with our directions within a reasonable time after receiving notice. Any costs incurred by you to comply with any change or modification of any mark will be paid solely by you; however, we may, at our discretion, reimburse a portion of the costs to you. We need not reimburse you for any loss of revenue due to any modified or discontinued Mark, or for your expenses of promoting a modified or substitute trademark or service mark.

Our rights in this Subsection D apply to all the Marks (and any portion of any Mark) that we authorize you to use in this Agreement. We may exercise these rights at any time and for any reason, business or otherwise, that we think best. You acknowledge both our right to take this action and your obligation to comply with our directions.

E. INDEMNIFICATION FOR USE OF MARKS.

We agree to reimburse you for all damages and expenses that you incur in any trademark infringement proceeding disputing your authorized use of any Mark under this Agreement if you have notified us within thirty (30) days of, and comply with our directions in responding to, the proceeding. At our option, we may defend and control the defense of any proceeding arising from your use of any Mark under this Agreement.

6. CONFIDENTIAL INFORMATION.

We possess (and will continue to develop and acquire) certain confidential information, some of which constitutes trade secrets under applicable law (the "**Confidential Information**") relating to developing and operating FASTSIGNS Centers, including (without limitation):

(1) site selection criteria;

(2) training and operations materials and manuals;

(3) methods, formats, specifications, standards, systems, procedures, production techniques, production processes, sales and marketing techniques, knowledge, and experience used in developing and operating FASTSIGNS Centers;

(4) sales, marketing, and advertising programs for FASTSIGNS Centers;

(5) knowledge of, specifications for, and suppliers of Operating Assets and other products and supplies;

(6) any computer software or similar technology which is proprietary to us or the Franchise System, including, without limitation, digital passwords and identifications and any source code and data, reports, and other printed materials generated by the software or similar technology; knowledge of the operating results and financial performance of FASTSIGNS Centers other than the Franchised Business;

(7) graphic designs, icon designs and related intellectual property; and

(8) personal information of any customers of the Franchised Business and other FASTSIGNS Centers ("**Customer Information**"). "Personal information" is data that identifies an individual or relates to an identifiable individual.

You acknowledge and agree that you will not acquire any interest in Confidential Information, other than the right to use it as we specify in operating the Franchised Business during this Agreement's term, and that Confidential Information is proprietary, includes our trade secrets, and is disclosed to you only on the condition that you agree, and you in fact do agree, that you:

(a) will not use Confidential Information in any other business or capacity;

(b) will keep each item deemed to be part of Confidential Information confidential, both during this Agreement's term and then thereafter for as long as the item is not known in the signage and printing industry;

(g) will require and obtain execution of the Confidentiality/Non-Compete Agreement attached to this Agreement as **Attachment I** from your Key Management Employee, outside sales professional and other personnel who have received or will have access to Confidential Information unless prohibited by local or state laws specific to where your Franchised Business is located. You will adopt and implement reasonable procedures to prevent unauthorized use or disclosure of Confidential Information. We may modify or you may modify **Attachment I** to this Agreement to remove the covenant not-to-compete provisions if we or you decide not to require these covenants be executed by your Center personnel. We have the right to regulate the form of agreements that you use and to be a third-party beneficiary of those agreements with independent enforcement rights.

Confidential Information does not include information, knowledge, or know-how which you can demonstrate lawfully came to your attention before we provided it to you directly or indirectly; which, at the time we disclosed it to you, already had lawfully become generally known in the signage and printing industry through publication or communication by others (without violating an obligation to us); or which, after we disclose it to you, lawfully becomes generally known in the signage and printing industry through publication or communication by others (without violating an obligation to us). However, if we designate any information as Confidential Information, anyone who claims that it is not Confidential Information must prove that one of the exclusions provided in this paragraph is fulfilled.

We collaborate with you, your principals and other franchisees towards constant improvement and adapting to change to remain relevant and competitive in the graphics and visual communications industry. Many of our current processes are a result of franchisee innovation and input.

All ideas, concepts, techniques, or materials relating to a FASTSIGNS Center, whether protectable intellectual property and whether created by or for you or your principals or employees, must be promptly disclosed to us and will be deemed to be our sole and exclusive property, part of the Franchise System, and works made-for-hire for us. To the extent that any item does not qualify as a "work made-for-hire" for us, by this paragraph you assign ownership of that item, and all related rights to that item, to us and agree to take whatever action (including signing assignment or other documents) we request to evidence our ownership or to help us obtain intellectual property rights in the item.

7. EXCLUSIVE RELATIONSHIP.

You acknowledge that we have granted you the right to operate the Franchised Business in consideration of and reliance upon your agreement to deal exclusively with us. You therefore agree that, during this Agreement's term, neither you, any of your principals, nor any of your or your principals' spouses will:

(a) have any direct or indirect controlling or non-controlling interest as an owner, whether of record, beneficially, or otherwise in a Competitive Business, wherever located or operating (except that equity ownership of less than two percent (2%) of a Competitive Business whose stock or other forms of ownership interest are publicly traded on a recognized United States stock exchange will not be deemed to violate this subparagraph).

(b) perform services as a director, officer, manager, employee, consultant, representative, or agent for a Competitive Business, wherever located or operating;

(c) divert or attempt to divert any actual or potential business or customer of the Franchised Business to a Competitive Business, or divert or attempt to divert any actual or potential business or customer from another FASTSIGNS Center to a competitive business; or

(d) engage in any other activity which might injure the goodwill of the Marks and Franchise System. The term "**Competitive Business**" means (i) any business which markets, produces, installs, repairs, offers for sale or provides services related to selling, marketing, producing, installing and repairing visual communications including signs (both non-electrical and electrical), and related work involved in the maintenance, installation and de-installation of interior and exterior signage, including painting, patching, masonry and landscaping, graphics, banners, flags, vehicle graphics, vehicle wraps, ADA signage, compliance signs, dimensional letters, dimensional signage, ready-to-apply lettering, decals and labels, exhibits, trade show and other displays, digital imaging, printing (including small format, large format, grand format and 3D), textile and fabric printing, advertising and promotional products (including wearables), electronic and digital signage, content for digital signage, visual graphics enhanced by 2D barcodes, radio frequency identification (RFID), augmented reality and virtual reality, QR codes, websites (both regular and mobile-optimized), logo/artwork design and illustration, product wraps and other related graphics, marketing services and complementary products and services or

We have the right to regulate the form of agreement that you use and to be a third-party beneficiary of that agreement with independent enforcement rights.

8. SYSTEM STANDARDS.

A. CONDITION AND APPEARANCE OF THE FRANCHISED BUSINESS.

You agree that:

(1) you will maintain the condition and appearance of the Franchised Business and its Operating Assets in accordance with System Standards and consistent with the image of a FASTSIGNS Center as an efficiently operated business offering high quality products and services and observing the highest standards of cleanliness, sanitation, efficient work flow, courteous service and pleasant ambiance, and in that connection will take, without limitation, the following actions during the term of this Agreement: (a) thorough cleaning, repainting and redecorating of the interior and exterior of the Premises at intervals we prescribe; (b) interior and exterior repair of the Premises; and (c) repair or replacement of damaged, worn out or obsolete Operating Assets;

(2) you will place or display at the Franchised Business (interior and exterior) only those signs, emblems, designs, artwork, icon designs, vehicle graphics, lettering, logos, and display and advertising materials that we from time to time approve;

(3) if at any time in our reasonable judgment, the general state of repair, appearance or cleanliness of the Franchised Business or its fixtures, furnishings, floors, walls, equipment, vehicle graphics or signs do not meet our standards, we have the right to notify you, specifying the action you must take to correct the deficiency. If you do not initiate action to correct such deficiencies within twenty (20) days after you receive our notice, and then continue in good faith and with due diligence, a bona fide program to complete any required maintenance or refurbishing, we have the right, in addition to all other remedies, to enter the Franchised Business and do any required maintenance or refurbishing on your behalf, and you agree to reimburse us on demand for any expenses we incur in that connection; and

(4) to maintain the quality of the system and the FASTSIGNS brand, you agree to remodel, expand, redecorate, and/or refurnish the Premises and the Franchised Business to reflect changes in the operations of FASTSIGNS Centers which we prescribe and require of new franchisees, however, we will not require you to spend more than Twenty Thousand Dollars ($20,000) in any five (5) year period on material modernization of the Franchised Business. We will provide you with one hundred and eighty (180) days' prior notice of this requirement. This Twenty Thousand Dollar ($20,000) cap

shall not apply to the purchase of equipment and/or other items necessary to offer new, current, or additional products or services from the CENTER.

B. PRODUCTS AND SERVICES SOLD AT THE FRANCHISED BUSINESS.

You agree that: (1) the Franchised Business will offer for sale all products and services that meet our specifications; (2) the Franchised Business will offer and sell products and services only in the manner we have prescribed; (3) you will not offer for sale or sell at the Franchised Business, the Premises or any other location any products or services that do not meet our specifications; (4) all products will be offered and sold only at and from the Franchised Business (excluding the products and services sold by your outside sales professional), unless approved otherwise by us (including sales you make from the System Website as approved by us); and (5) you will discontinue selling and offering for sale any products or services that we at any time decide (in our sole discretion) do not meet our specifications.

You understand and acknowledge that it is your responsibility to check state law and local ordinances regarding sign regulations, permitting and compliance with local building and electrical codes. These regulations, ordinances and laws will vary by city and state. You understand that there may be licensing requirements regarding the different types of sign installations and that you are responsible for obtaining such licenses, as acknowledged by your signature in **Attachment J,** Understanding of Responsibility.

C. NATIONAL ACCOUNTS.

We or the Fastsigns National Advertising Council, Inc. (defined in Subsection 9.B.) may obtain accounts from regional or national companies that fulfill their needs for signs on a local basis and from a centrally coordinated service ("**FASTSIGNS National Accounts Program**"). We or the Fastsigns National Advertising Council, Inc. will negotiate and execute agreements with FASTSIGNS National Accounts Program customers (the "**Customers**") and will organize and administer the FASTSIGNS National Accounts Program. The FASTSIGNS National Accounts Program acts as a central access point through which the FASTSIGNS System can effectively meet the needs of national and regional Customers. The FASTSIGNS National Accounts Program conforms to the individual needs of each Customer by designing a customer-tailored system for the Customer's ordering, production, distribution, and invoicing. You may participate in the FASTSIGNS National Accounts Program; provided, you meet and comply with the criteria and standards guidelines ("**Guidelines**") that are in our Operations Manual for participating in such a program (which include following with the terms of this Agreement) and agree to provide the services under the terms and conditions negotiated by us or the Fastsigns National Advertising Council, Inc. We do not represent that we or the FASTSIGNS National Accounts Program will obtain any national accounts in your Territory. If, however, we or the FASTSIGNS National Accounts Program do obtain such accounts, we or the FASTSIGNS National Accounts Program will advise you of the terms of such participation and offer you the option to participate. Your participation in the FASTSIGNS National Accounts Program is voluntary. We or you may terminate your participation in the FASTSIGNS National Accounts Program in accordance with the Guidelines.

D. APPROVED PRODUCTS, DISTRIBUTORS AND SUPPLIERS.

We have developed or may develop standards and specifications for types, models, and brands of required Operating Assets, other products, materials, and supplies. We reserve the right from time to time to approve specifications or suppliers and distributors of the above products that meet our reasonable standards and requirements. If we do so, you may be required to purchase only such products meeting those specifications.

We and our affiliates may receive payments from suppliers on account of such suppliers' dealings with you and other franchisee principals and may use any amounts so received without restriction and for any purpose we and our affiliates deem appropriate.

E. COMPLIANCE WITH LAWS AND GOOD BUSINESS PRACTICES.

You will secure and maintain in force all required licenses, permits and certificates relating to the operation of the Franchised Business and operate the Franchised Business in full compliance with all applicable laws, ordinances and regulations, including, without limitation, government regulations relating to wage and hour laws, the Equal Employment Opportunity Commission, the National Labor Relations Act, the Fair Labor Standards Act, Family and Medical Leave Act, occupational hazards, health, worker's compensation and unemployment insurance and withholding and payment of federal and state income taxes, social security taxes and sales and service taxes. You are solely responsible for the safety and well-being of your employees and the customers of the Franchised Business. It is your responsibility to make sure that you follow all laws that are applicable to the center management system or other technology used in the operation of the Franchised Business, including data protection or security laws as well as PCI compliance. All advertising and promotion by you must be completely factual and must conform to the highest standards of ethical advertising. The Franchised Business must in all dealings with its customers, suppliers, us, and the public adhere to the highest standards of honesty, integrity, fair dealing and ethical conduct. You agree to refrain from any business or advertising practice which may be injurious to our business and the goodwill associated with the Marks and other FASTSIGNS Centers. You must notify us in writing within five (5) days of the commencement of any action, suit or proceeding, and of the issuance of any order, writ, injunction, award or decree of any court, agency, or other governmental instrumentality, which may adversely affect your operation or financial condition or that of the Franchised Business and of any notice of violation of any law, ordinance, or regulation relating to the Franchised Business.

F. MANAGEMENT OF THE FRANCHISED BUSINESS/CONFLICTING INTERESTS.

Except as provided below, you (if you are an individual) or your Managing Principal (if you are an entity) must be the direct, on-premises supervisor of the Franchised Business and devote your full- time, best efforts to the day-to-day operations of the Franchised Business for at least the first six (6) months the Franchised Business is open for business. If, after the first six (6) months of operations (or at any time thereafter), you or your appointed principal cease to be responsible for day-to-day management of the Franchised Business, you must appoint a Key

Management Employee to be the direct, on-premises supervisor of the Franchised Business. The original and any replacement Key Management Employee must: (1) devote his/her full-time, best efforts to the day-to-day operations of the Franchised Business; (2) satisfactorily complete the initial training program and other required training; (3) be acceptable to us; and (4) sign our Confidentiality/Non-Compete Agreement attached to this Agreement as **Attachment I**.

If you (or your Managing Principal) license more than one FASTSIGNS Franchised Business, each Franchised Business must be under the direct on-premises supervision of a Key Management Employee we have approved and who has completed our training programs.

G. INSURANCE.

During the term of this Agreement, you must maintain in force at your sole expense comprehensive public liability, general liability, product liability and motor vehicle liability insurance against claims for bodily and personal injury, death and property damage caused by or occurring in connection with the Franchised Business's operation, all containing the minimum liability coverage we prescribe from time to time. We may periodically increase the amounts of coverage required under these insurance policies and/or require different or additional insurance coverage (including reasonable excess liability insurance) at any time to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards or other relevant changes in circumstances. These insurance policies must name us and any affiliates we designate as additional named insureds (as permitted by applicable law) and provide for ten (10) days' prior written notice to us of a policy's material modification, cancellation, or expiration. You must annually furnish us copies of your Certificate of Insurance or other evidence of your maintaining this insurance coverage and paying premiums. If you fail or refuse to obtain and maintain the insurance we specify, in addition to our other remedies, we may (but need not) obtain such insurance for you and the Franchised Business on your behalf, in which event you shall cooperate with us and reimburse us for all premiums, costs and expenses we incur in obtaining and maintaining the insurance, plus a reasonable fee for our time incurred in obtaining such insurance.

H. COMPLIANCE WITH SYSTEM STANDARDS.

You acknowledge and agree that operating and maintaining the Franchised Business according to System Standards are essential to preserve the goodwill of the Marks and all FASTSIGNS Centers. All required System Standards exist to protect our interests in the System and the Marks and not for the purpose of exercising day-to-day control over your Franchised Business. Therefore, you always agree to operate and maintain the Franchised Business according to all our System Standards, as we periodically modify and supplement them. Although we retain the right to establish and periodically modify System Standards that you have agreed to maintain, you retain the right to and responsibility for the day-to-day management and operation of the Franchised Business and implementing and maintaining System Standards at the Franchised Business.

You may service customers in accordance with the System, including customers located outside your Territory; provided, however, that such activities are subject to the limitations set forth in Section D (Territorial Rights).

As examples, and without limitation, System Standards may regulate any one or more of the following, in addition to the items described in Subsections 8.A. through 8.G. above:

(1) purchase, storage, preparation, and inventory requirements for products and supplies so that the Franchised Business may operate at full capacity;

(2) terms and conditions of the sale and delivery of, and terms and methods of payment for, products, and services that you obtain from us and affiliated and unaffiliated suppliers; and our and our affiliates' right not to sell you any products or to provide you with services, or to do so only on a "cash-on-delivery" or other basis, if you are in default under any agreement with us;

(3) sales, marketing, advertising, and promotional programs and materials and media used in these programs;

(4) use and display of the Marks at the Franchised Business and on labels, forms, paper products, and other supplies;

(5) recommending staffing levels for the Franchised Business; identifying the Franchised Business's personnel; and employee qualifications and training to protect our interests and ensure consistency in and compliance with the System Standards and Marks (although you have sole responsibility and authority concerning employee selection and promotion, hours worked, rates of pay and other benefits, work assigned, and working conditions);

(6) days and hours of operation;

(7) accepting credit and debit cards, other payment systems, and check verification services;

(8) bookkeeping, accounting, data processing, and recordkeeping systems and forms; formats, content, and frequency of reports to us of sales, revenue, financial performance, and condition; and giving us copies of tax returns and other operating and financial information concerning the Franchised Business;

(9) any other aspects of operating and maintaining the Franchised Business that we determine to be useful to preserve or enhance the efficient operation, image, or goodwill of the Marks and FASTSIGNS Centers;

(10) production methods; production processes; workflow; equipment used; installation methods; and initiative-taking business development through consistent use of outside salespeople. You agree that System Standards we prescribe in the Operations Manual or otherwise communicate to you in writing or another tangible form (for example, via Franchise System extranet or Website), are part of this Agreement as if fully set forth within its text. All references to this Agreement include all System Standards as periodically modified. You agree to comply with the System Standards provided in the then-current Operations Manual.

I. CUSTOMER INFORMATION.

All Customer Information that you collect from customers of your Franchised Business is owned exclusively by us/or our affiliates. We and our affiliates will, through the Computer System or otherwise, have access to Customer Information and may use Customer Information in our and their business activities. You, your employees, and your agents only right to use Customer Information is in connection with your Franchised Business, and only while this Agreement is in effect. Upon expiration or termination of this Agreement, for any reason, we will have sole rights to use Customer Information in any manner we deem necessary or appropriate, so long as such use complies with applicable law. You must secure from your customers or prospective customers all consents and authorizations, and provide them all disclosures, that applicable law requires to transmit the Customer Information to us and our affiliates, and for us and our affiliates to use that Customer Information, in the manner that this Agreement contemplates.

J. MODIFICATION OF SYSTEM STANDARDS.

You acknowledge and agree that as our business and industry evolve, we may amend the Franchise System from time to time to remain relevant and competitive. Although it is our practice to consult or collaborate with the Franchise Advisory Council, the Fastsigns National Advertising Council, Inc. and/or other franchisee leadership in the change process as we deem appropriate (we may further outline any franchisee involvement in the Operations Manual or other franchisee communication), we have the right and final decision to modify, add to or rescind any requirement, standard or specification that we prescribe under this Agreement to adapt the Franchise System to changing conditions, competitive circumstances, business strategies, business practices and technological innovations and other changes. You must comply with these modifications, additions, or rescissions at your expense, subject to any express limitations as stated in this Agreement. All modifications, innovations, and improvements to the Franchise System become our property regardless of who developed the modification, innovation, or improvement.

9. MARKETING.

A. INITIAL MARKETING PLAN.

Before you register for initial training, you must pay Fourteen Thousand Five Hundred dollars ($14,500) for initial advertising for your Franchised Business to the Fastsigns National Advertising Council, Inc. This will be administered by our marketing department on behalf of the Fastsigns National Advertising Council, Inc. We will create a marketing and advertising plan for your Franchised Business and will allocate your required initial marketing and advertising pre-paid dollars to local programs at our sole discretion that will be scheduled to run for 4 to 6 months. The programs in the initial marketing and advertising plan may include, but are not limited to, initial marketing materials (3-to-4 month supply), local paid search marketing, including local digital advertising, social media campaigns, direct mail marketing programs, virtual sales assistant customer prospecting email campaigns and sales promotion items. The marketing plan also includes required tracking of phone numbers and web lead forms to capture and track all lead activity. There are twelve (12) months of virtual sales assistant customer-prospecting email campaigns included in your initial marketing and advertising plan. Marketing

programs are evaluated for effectiveness, and we may amend the tactics to optimize the initial marketing and advertising plan. If additional funds remain after we outline the spending on these programs and materials on the elements above, other programs such as local media or association marketing opportunities can be discussed for inclusion in the pre-paid portion of the marketing plan. The marketing plan will also include recommended programs and spending that you can choose to implement or not or modify as desired beyond the pre-paid fund amount. These recommended programs and their associated costs are not included in the initial advertising costs of Fourteen Thousand Five Hundred Dollars ($14,500) payable to Fastsigns National Advertising Council, Inc. You agree to comply with our guidelines for this initial marketing and advertising plan. We recommend that you invest additional amounts in local marketing during the first year of the Franchised Business's operation.

Upon expiration of the pre-paid marketing dollars referenced above for local digital advertising, you are required to continue local digital advertising in the same geographic area as your Territory as defined in Item 12, use our designated agency and spend the minimum amount required to consistently achieve an impression share of 75% or more in your Territory. Impression share is the percentage of impressions that your digital ads receive compared to the total number of impressions your ads could get. The required minimum spend is Eight Hundred Fifty Dollars ($850) a month and is subject to change. We will provide you with sixty (60) days' written notice of any increase in the minimum spend level. If spending a lower monthly amount keeps your local paid search impression share due to at least seventy-five percent (75%), you must spend the difference on additional digital media channels and/or search engine optimization to generate demand. Also, you are required to conduct virtual sales assistant customer prospecting email campaigns through our designated service at an annual cost of One Thousand Three Hundred Eighty dollars ($1,380) (this pricing is subject to change).

B. ADVERTISING.

We have established an advertising fund for the advertising, marketing, promotional, and public relations programs and materials we deem appropriate (the "**Ad Fund**"). You agree to contribute to the Ad Fund two percent (2%) of the Franchised Business's Gross Sales beginning on the date the Franchised Business is opens, payable in the same manner as the Service Fee, and continuing throughout the term of this Agreement.

The Ad Fund is currently administered by the Fastsigns National Advertising Council, Inc.

The Board of Directors of the Fastsigns National Advertising Council, Inc., is comprised of us, and other members elected by our franchisees in accordance with the Fastsigns National Advertising Council Inc.'s bylaws. All decisions of the Fastsigns National Advertising Council, Inc., are subject to our approval. We, the Fastsigns National Advertising Council, Inc., or our designee will maintain and administer the Ad Fund.

We or the Fastsigns National Advertising Council, Inc. has the right to collect for deposit into the Ad Fund any advertising, marketing, promotional or similar allowances paid to us or the Fastsigns National Advertising Council, Inc. by suppliers who deal with FASTSIGNS Centers and with whom we or the Fastsigns National Advertising Council, Inc. have agreed that we will deposit these allowances. (These payments are different from those which are not designated by

suppliers to be used exclusively for advertising or similar purposes and which we and our affiliates therefore may use for any purpose we and they deem appropriate, as provided in Subsection 8.D. above.)

We or the Fastsigns National Advertising Council, Inc. will direct all programs that the Ad Fund finances, with sole control over the creative concepts, materials, testing and endorsements used and their geographic, market, and media placement and allocation. The Ad Fund is used to pay all costs for the formulation, planning, research, testing, development, production, production, management and execution of all marketing, advertising, promotional, merchandising, sales, web, public relations and social media activities, and brand-related employer of choice advertising used to promote and protect the FASTSIGNS Brand. This includes, but is not limited to, executing marketing research, preparing and producing television, video, audio, print, promotions, email, e-newsletter, customer loyalty and satisfaction support, social media, digital marketing, website development, website hosting, search engine optimization, AI optimization, local digital advertising, virtual sales assistant customer prospecting email campaigns, digital advertising, SMS text marketing programs, direct mail, outdoor activities, telephone prospecting, trade shows, sponsorships, sales collateral material, public relations activities, sales development, sales training and all other lead generating and sales building activities. The advertising fund is used for these activities whether through an outside agency or if these functions are carried out and developed by our marketing staff.

The Ad Fund periodically may give you samples of advertising, marketing, and promotional formats, and materials at no cost.

We or the Fastsigns National Advertising Council, Inc. will account for the Ad Fund separately from our or the National Advertising Council Inc.'s other funds and not use the Ad Fund for any of our general operating expenses. However, we or the Fastsigns National Advertising Council, Inc. uses the Ad Fund to pay the reasonable salaries and benefits of personnel who manage and administer the Ad Fund, the Ad Fund's other administrative costs, travel expenses of personnel while they are on Ad Fund business, meeting costs, overhead relating to Ad Fund business, and other expenses that we or the Fastsigns National Advertising Council, Inc. incur in activities reasonably related to administering or directing the Ad Fund and its programs, including, without limitation, conducting market research, public relations activities and social media, preparing advertising, promotion, marketing materials, sales collateral materials, teaching franchisees how to implement local marketing and collecting and accounting for Ad Fund contributions.

The Ad Fund will not be our or the Fastsigns National Advertising Council Inc.'s asset. Although the Ad Fund is not a trust, we or the Fastsigns National Advertising Council, Inc. will hold all Ad Fund contributions for the benefit of the contributors and use contributions only for the purposes described in this Subsection. Neither we nor the Fastsigns National Advertising Council, Inc. owe any fiduciary obligation to you for administering the Ad Fund or any other reason. The Ad Fund may spend in any fiscal year more or less than the total Ad Fund contributions in that year, borrow from us, the Fastsigns National Advertising Council, Inc. or others (paying reasonable interest) to cover deficits, or invest any surplus for future use. We or the Fastsigns National Advertising Council, Inc. will use all interest earned from Ad Fund contributions to pay costs before using the Ad Fund's other assets.

We or the Fastsigns National Advertising Council, Inc. will prepare an annual, unaudited statement of Ad Fund collections and expenses and give you the statement upon written request. We or the Fastsigns National Advertising Council, Inc., may have the Ad Fund audited, at the Ad Fund's expense, by an independent certified public accountant. We or the Fastsigns National Advertising Council, Inc. may incorporate the Ad Fund or operate it through a separate entity whenever we deem appropriate. The renewal entity will have all the rights and duties specified in this Subsection.

We and the Fastsigns National Advertising Council, Inc. intend to use the Ad Fund to maximize recognition of the Marks, patronage of FASTSIGNS Centers and when offered, eCommerce programs. Although we and the Fastsigns National Advertising Council, Inc. will try to use the Ad Fund to develop advertising, marketing, promotional and sales materials and programs that will benefit all FASTSIGNS Centers, neither we nor the Fastsigns National Advertising Council, Inc. ensure that Ad Fund expenditures in or affecting any geographic area are proportionate or equivalent to Ad Fund contributions by FASTSIGNS Centers operating in that geographic area or that any FASTSIGNS Center benefits directly or in proportion to its Ad Fund contribution from the development of materials or the placement of advertising, marketing, promotions or sale-related programs.

We and the Fastsigns National Advertising Council, Inc., have the right, but no obligation, to use collection agents and institute legal proceedings to collect Ad Fund contributions at the Ad Fund's expense. We and the Fastsigns National Advertising Council, Inc., may also forgive, waive, settle, and compromise all claims by or against the Ad Fund. Except as expressly provided in this Subsection, neither we nor the Fastsigns National Advertising Council, Inc., assumes any direct or indirect liability or obligation to you for collecting amounts due to maintaining, directing, or administering the Ad Fund.

We will maintain the System Website, including your listing on it, and may use the Ad Fund's assets to develop, maintain and update the System Website. You acknowledge that we shall control all information on the System Website.

We will maintain a listing of your Franchised Business on our System Website only while you are in full compliance with this Agreement and all System Standards we implement. 11. INSPECTIONS AND AUDITS.

A. OUR RIGHT TO INSPECT THE FRANCHISED BUSINESS.

To determine whether you and the Franchised Business are complying with this Agreement and all System Standards, we and our designated agents or representatives may always and without prior notice to you: (1) inspect the Franchised Business; (2) photograph the Franchised Business and observe and video the Franchised Business's operation for consecutive or intermittent periods we deem necessary; (3) remove samples of any products and supplies; (4) interview the Franchised Business's personnel and customers; and (5) inspect and copy any books, records, data files and documents relating to the Franchised Business's operation. If we exercise any of these rights, we will not interfere unreasonably with the Franchised Business's operation. You acknowledge that any evaluation or inspection that we conduct is conducted to protect our interests in the System Standards and Marks and is not intended to exercise, and does not constitute, in whole or in part, control over the day-to-day operation of the Franchised Business and you agree never to contend otherwise. You agree to cooperate with us fully.

B. OUR RIGHT TO AUDIT.

We may at any time during your business hours, and without prior notice to you, examine your (if you are an Entity) and the Franchised Business's business, bookkeeping, and accounting records, sales and income tax records and returns, and other records. You agree to cooperate fully with our representatives and independent accountants in any examination. If any examination discloses an understatement of the Franchised Business's Gross Sales, you agree to pay us, within fifteen (15) days after receiving the examination report, the Service Fee, and Ad Fund contributions are due on the amount of the understatement, plus our service charges and interest on the understated amounts from the date originally due until the date of payment. Furthermore, if an examination is necessary due to your failure to furnish reports, supporting records, or other information as required, or to furnish these items on a timely basis, or if our examination reveals a Service Fee or Ad Fund contribution understatement exceeding two percent (2%) of the amount that you actually reported to us for the period examined, you agree to reimburse us for the costs of the examination, including, without limitation, the charges of attorneys and independent accountants and the travel expenses, room and board, and compensation of our employees and representatives. These remedies are in addition to our other

remedies and rights under this Agreement and applicable law.

12. TRANSFER.

A. BY US.

You acknowledge that we maintain a staff to manage and operate the Franchise System and that staff members can change as employees come and go. You represent that you have not signed this Agreement in reliance on any shareholder, director, officer, or employee remaining with us in that capacity. We may change our ownership or form and/or assign this Agreement and any other agreement to a third party without restriction. After our assignment of this Agreement to a third party who expressly assumes the obligations under this Agreement, we no longer will have any performance or other obligations under this Agreement.

B. BY YOU.

You understand and acknowledge that the rights and duties this Agreement creates are personal to you (or, if you are an Entity, to your principals) and that we have granted you the Franchised Business in reliance upon our perceptions of your (or your principals') individual or collective character, skill, aptitude, attitude, business ability, and financial capacity. Accordingly, none of the following may be transferred without our prior written approval: (i) this Agreement (or any interest in this Agreement); (ii) the Franchised Business (or any right to receive all or a portion of the Franchised Business's profits or losses or capital appreciation related to the Franchised Business); (iii) substantially all the assets of the Franchised Business; (iv) any ownership interest in you (regardless of its size); or (v) any ownership interest in any of your principals (if such owners are legal entities). A transfer of the Franchised Business's ownership, possession, or control, or all its assets, may be made only with a transfer of this Agreement. Any transfer without our approval is a breach of this Agreement and has no effect.

In this Agreement, the term "**transfer**" includes a voluntary, involuntary, direct, or indirect assignment, sale, gift, or other disposition. An assignment, sale, gift, or other disposition includes the following events:

(a) transfer of ownership of capital stock, a partnership or membership interest, or another form of ownership interest;

(b) merger or consolidation or issuance of additional securities or other forms of ownership interest;

(c) any sale of a security convertible to an ownership interest;

(d) transfer of an interest in you, this Agreement, the Franchised Business or all its assets, or your principals in a divorce, insolvency, or entity dissolution proceeding or otherwise by operation of law;

(e) if you, one of your principals, or an owner of one of your principals die, a transfer of interest in you, this Agreement, the Franchised Business or substantially all of its assets, or your owner by will, declaration of or transfer in trust, or under the laws of intestate succession; or

(f) pledge of this Agreement (to someone other than us) or of an ownership interest in you or your principals as security, foreclosure upon the Franchised Business, or your transfer, surrender, or loss of the Franchised Business's possession, control, or management. You may grant a security interest (including purchase money security interest) in the Franchised Business's assets (not including this Agreement) to a lender that finances your acquisition, development, and/or operation of the Franchised Business without having to obtain our prior written approval if you give us ten (10) days' prior written notice.

C. CONDITIONS FOR APPROVAL OF TRANSFER.

If you (and your principals) are fully complying with this Agreement, then, subject to the other provisions of this Section 12. we will approve a transfer that meets all the requirements in this Subsection.

If you are an entity, your principals may transfer a non-controlling ownership interest in you or your principals (determined as of the date on which the proposed transfer will occur) if:

(1) the proposed transferee and its direct and indirect principals (if the transferee is an Entity) are of good character and otherwise meet our then applicable standards for FASTSIGNS Franchised Business franchise principals (including no ownership interest in or performance of services for a Competitive Business); and (2) you give us prior written notice of the transfer.

For any other proposed transfer (including a transfer of this Agreement, a transfer of a controlling ownership interest in you or one of your principals, or a transfer which is one of a series of transfers (regardless of the time period over which these transfers take place) which in the aggregate transfer this Agreement or a controlling ownership interest in you or one of your principals) all of the following conditions must be met before or concurrently with the effective date of the transfer:

(2) we have determined that the transferee has sufficient business experience, aptitude, and financial resources to operate the Franchised Business;

(3) you have paid all Service Fees, Ad Fund contributions, Tech Fees and other amounts owed to us, our affiliates, and third-party vendors; have submitted all required reports and statements; and have not violated any provision of this Agreement, the Lease, or any other agreement with us during both the sixty (60) day period before you requested our consent to the transfer and the period between your request and the effective date of the transfer;

(4) neither the transferee nor its principals (if the transferee is an Entity) or affiliates have an ownership interest (direct or indirect) in or perform services for a Competitive Business;

(5) the transferee (or its managing principal) satisfactorily completes our training programs;

(6) your landlord allows you to transfer the Lease or sublease the Premises to the transferee;

(7) at our option, the transferee shall (if the transfer is of this Agreement), or you shall (if the transfer is of a controlling ownership interest in you or one of your principals), sign our then current form of franchise agreement, form of transfer addendum (attached to this Agreement as **Attachment M**) and related documents, any and all of the provisions of which may differ materially from any and all of those contained in this Agreement, including the Service Fee and the Ad Fund contributions and a revised Territory; provided, however, that the term of the new franchise agreement will be ten (10) years;

(8) you or the transferee pays us a non-refundable transfer fee that is either the greater of (i) fifty percent (50%) of the then-current initial franchise fee, or (ii) two percent (2%) of the total gross sales price (capped at 100% of the then-current Initial Franchise Fee) in connection with any transfer of the Franchise Agreement or a controlling ownership interest in you or one or your principals, plus any broker fees and other out-of-pocket costs we incur;

(9) you may request that we assist you in marketing or selling the Franchised Business for resale. If we agree to provide such assistance, we will list your Franchised Business within our established broker networks and must pay us a fifteen-thousand-dollar ($15,000) non-refundable resale consulting fee. This fee is only payable if you elect to use, and we provide, these services;

(10) you (and your transferring principals) sign a general release, in a form satisfactory to us, of all claims against us and our shareholders, interest holders, officers, directors, employees, and agents;

(11) we have determined that the purchase price and payment terms will not adversely affect the transferee's operation of the Franchised Business;

(12) if you or your principals finance any part of the purchase price, you and/or your principals agree that all the transferee's obligations under promissory notes, agreements, or security interests reserved in the Franchised Business are subordinate to the transferee's obligation to pay Service Fees, Ad Fund contributions, Tech Fees and other amounts due to us, our affiliates, and third-party vendors and otherwise to comply with this Agreement;

(13) you and your transferring principals (and you and your principals' spouses) will not, for two (2) years beginning on the transfer's effective date, engage in any of the activities described in Subsection 15.D. and F. below; and

(14) you and your transferring principal will not directly or indirectly at any time or in any manner (except with respect to other FASTSIGNS Centers you license and operate) identify yourself or themselves or any business as a current or former FASTSIGNS Center or as one of our franchise principals; use any Mark, any colorable imitation of a Mark, or other indicia of a FASTSIGNS Center in any manner or for any

purpose or utilizing for any purpose any tradename, trade or service mark, or other commercial symbol that suggests or indicates a connection or association with us.

(15) We pay a "Finder's Fee" to brokers when we award a new franchise to a broker network candidate. In a resale situation if a broker candidate is involved, it is your responsibility to pay this fee. This fee currently could be a flat fee currently up to Twenty- Five Thousand Dollars ($25,000) or ten percent (10%) of the purchase price. You may be asked to sign a non-exclusive listing agreement with the broker.

We may review all information regarding the Franchised Business that you give the transferee, correct any information that we believe is inaccurate, and give the transferee copies of any reports that you have given us, or we have made regarding the Franchised Business.

D. TRANSFER TO A WHOLLY OWNED CORPORATION OR LIMITED LIABILITY COMPANY.

Despite Subsection C. above, if you are fully complying with this Agreement, you may transfer this Agreement to a corporation or limited liability company which conducts no business other than the Franchised Business and, if applicable, other FASTSIGNS Centers, in which you maintain management control, and of which you own and control one hundred percent (100%) of the equity and voting power of all issued and outstanding ownership interests, provided that all of the Franchised Business's assets are owned, and the Franchised Business's business is conducted, only by that single corporation or limited liability company. The corporation or limited liability company must expressly assume all your obligations under this Agreement. Transfers of ownership interests in the corporation or limited liability company are subject to Subsection C above. You agree to remain personally liable under this Agreement as if the transfer to the corporation or limited liability company did not occur.

E. YOUR DEATH OR DISABILITY.

(1) **Transfer upon Death or Disability**. Upon your or your Managing Principal's death or disability, you or the Managing Principal's executor, administrator, conservator, guardian, or other personal representative must transfer your interest in this Agreement, or the Managing Principal's ownership interest in you, to a third party (which may be your or the Managing Principal's heirs, beneficiaries, or devisees). That transfer must be completed within a reasonable time, not to exceed nine (9) months from the date of death or disability and is subject to all the terms and conditions in this Subsection 12.A. Failure to transfer your interest in this Agreement or the Managing Principal's ownership interest in you within this time is a breach of this Agreement.

The term "**disability**" means a mental or physical disability, impairment, or condition that is expected to prevent or does prevent you or the Managing Principal from supervising the Franchised Business's management and operation.

(2) **Operation upon Death or Disability**. Upon your or the Managing Principal's death or disability, you or the Managing Principal's executor, administrator, conservator, guardian, or other personal representative must within a reasonable time, not to exceed thirty (30) days from the date of death or disability, appoint a Key Management Employee (unless you or the Managing Principal had previously appointed a Key Management Employee who remains responsible for the day-to-day operation of the Franchised Business). The Key Management Employee must complete our standard

training program at your expense. If fewer than twelve (12) months have passed since the opening of the Franchised Business, then a new Managing Principal acceptable to us also must be appointed as Key Management Employee for the Franchised Business, and that new Managing Principal must complete our standard training program and sign our Confidentiality/Non-Compete Agreement attached as **Attachment I** to this Agreement within sixty (60) days after the date of death or disability.

If, in our judgment, the Franchised Business is not being managed properly any time after your or the Managing Principal's death or disability, we may, but need not, assume the Franchised Business's management (or appoint a third party to assume its management). All funds from the Franchised Business's operation while it is under our (or the third party's) management will be kept in a separate account, and all expenses will be charged to this account. We may charge you (in addition to the Service Fee, Ad Fund contribution, Tech Fee and other amounts due under this Agreement) Five Hundred Dollars ($500) per day, plus our (or the third party's) direct out-of-pocket costs and expenses if we (or a third party) assume the Franchised Business's management under this subparagraph. We (or a third party) have a duty to utilize only reasonable efforts and will not be liable to you or your principals for any debts, losses, or obligations the Franchised Business incurs, or to any of your creditors for any products, other assets, or services the Franchised Business purchases, while we (or a third party) manage it.

F. EFFECT OF CONSENT TO TRANSFER.

Our consent to a transfer of this Agreement and the Franchised Business, or any interest in you or your principals, is not a representation of the fairness of the terms of any contract between you and the transferee, a guarantee of the Franchised Business's or transferee's prospects of success, or a waiver of any claims we have against you (or your principals) or of our right to demand the transferee's full compliance with this Agreement.

G. OUR RIGHT OF FIRST REFUSAL.

If you (or any of your principals) at any time determine to sell or transfer for consideration an interest in this Agreement and the Franchised Business, or an ownership interest in you (except to or among your current owners, which is not subject to this Subsection), in a transaction that otherwise would be covered by Subsections 12.B. and C. above, you (or your principals) agree to obtain from a responsible and fully disclosed buyer, and send us, a true and complete copy of a bona fide, executed written offer (which may include a letter of intent) relating exclusively to an interest in you or in this Agreement and the Franchised Business. The offer must include details of the payment terms of the proposed sale and the sources and terms of any financing for the proposed purchase price. To be valid, bona fide offer, the proposed purchase price must be in a dollar amount. The right of first refusal process will not be triggered by a proposed transfer that would not be allowed under Subsections B. and C. above. We may require you (or your principals) to send us copies of any materials or information sent to the proposed buyer or transferee regarding the possible transaction.

We may, by written notice delivered to you or your selling owner(s) within fifteen (15) days after we receive both an exact copy of the offer and all other information we request, elect to purchase the interest offered for the price and on the terms and conditions contained in the offer, provided that:

(1) we may substitute cash for any form of payment proposed in the offer (such as ownership interests in a privately held entity);

(2) our credit will be deemed equal to the credit of any proposed buyer (meaning that, if the proposed consideration includes promissory notes, we or our designee may provide promissory notes with the same terms as those offered by the proposed buyer);

(3) we will have an additional thirty (30) days to prepare for closing after notifying you of our election to purchase; and

(4) we must receive, and you and your principals agree to make, all customary representations and warranties given by the seller of the assets of a business or the ownership interests in a legal entity, as applicable, including, without limitation, representations and warranties regarding: (a) ownership and condition of and title to ownership interests and/or assets; (b) liens and encumbrances relating to ownership interests and/or assets; and (c) validity of contracts and liabilities, contingent or otherwise, of the entity whose assets or ownership interests are being purchased.

If we do not exercise our right of first refusal, you or your principals may complete the sale to the proposed buyer on the original offer's terms, but only if we otherwise approve the transfer in accordance with, and you (and your principals) and the transferee comply with the conditions in, Subsections B. and C. above. This means that, even if we do not exercise our right of first refusal (whether it is properly triggered as provided above), if the proposed transfer otherwise would not be allowed under Subsections B. and C. above, you (or your principals) may not move forward with the transfer at all.

If you do not complete the sale to the proposed buyer within sixty (60) days after we notify you that we do not intend to exercise our right of first refusal, or if there is a material change in the terms of the sale (which you agree to tell us promptly), we or our designee will have an additional right of first refusal during the fifteen (15) day period following either the expiration of the sixty (60) day period or our receipt of notice of the material change(s) in the sale's terms, either on the terms originally offered or the modified terms, at our or our designee's option.

13. EXPIRATION OF THIS AGREEMENT.

A. <u>YOUR RIGHT TO ACQUIRE A RENEWAL FRANCHISE.</u>

If you meet certain conditions, then you will have the option to acquire one (1) renewal franchise term. The renewal term will be ten (10) years ("**Renewal Term**"). The qualifications and conditions for the Renewal Term are described below.

When this Agreement expires:

(1) if you (and each of your principals) have complied with this Agreement during its Term; and

(2) if you (and each of your principals) are, both on the date you give us written notice of your election to acquire a renewal franchise ("**Renewal Franchise**") (as provided in Subsection 13.B. below) and on the date on which Renewal Term of the Renewal Franchise would commence, in full compliance with this Agreement and all System Standards; and

(3) provided that (a) you maintain possession of and agree (regardless of cost) to remodel and/or expand the Franchised Business, add or replace improvements and Operating Assets, and otherwise modify the Franchised Business as we require to comply with System Standards then applicable for new FASTSIGNS Centers, or (b) at your option, you secure a substitute premises that we approve and you develop those premises according to System Standards then applicable for FASTSIGNS Centers, then you have the option to acquire a Renewal Franchise term of ten (10) years commencing immediately upon the expiration of this Agreement. You agree to sign the current form of franchise agreement and form of renewal addendum (**Attachment N** to this Agreement) we then use to grant franchises for FASTSIGNS Centers (modified as necessary to reflect the fact that it is for a Renewal Franchise). The then-current form of Franchise Agreement may contain provisions that differ materially from all of those contained in this Agreement. Upon execution of this Agreement, you agree to pay us a renewal fee equal to fifty percent (50%) of the then-current initial franchise fee, which shall be deemed fully earned and nonrefundable upon execution of this Agreement in consideration of the administrative and other expenses incurred by us in renewing the franchise hereunder.

If you (and each of your principals) are not, both on the date you give us written notice of your election to acquire a Renewal Franchise and on the date on which the term of the Renewal Franchise commences, in full compliance with this Agreement and all System Standards, you acknowledge that we need not grant you a Renewal Franchise, whether or not we had, or choose to exercise, the right to terminate this Agreement during its term under Subsection 14.A.

B. GRANT OF A RENEWAL FRANCHISE.

You agree to give us written notice of your election to acquire a Renewal Franchise no more than three hundred sixty-five (365) days and no less than two hundred forty (240) days before this Agreement expires. We agree to give you written notice ("**Our Notice**") of our decision:

(1) to grant you a Renewal Franchise;

(2) to grant you a Renewal Franchise on the condition that you correct existing deficiencies of the Franchised Business or in your operation of the Franchised Business; or

(3) not to grant you a Renewal Franchise based on our determination that you and your principals have not complied with this Agreement during its term or were not in full compliance with this Agreement and all System Standards on the date you gave us written notice of your election to acquire a Renewal Franchise.

If applicable, Our Notice will:

(a) describe the remodeling, expansion, improvements, and/or modifications required to bring the Franchised Business into compliance with the then applicable System Standards for new FASTSIGNS Centers; and

(b) state the actions you must take to correct operating deficiencies and the time in which you must correct these deficiencies.

(c) If we elect not to grant you a Renewal Franchise, our Notice will describe the reasons for our decision. If we elect to grant you a Renewal Franchise, your right to acquire a Renewal Franchise is subject to your full compliance with all the terms and conditions of this Agreement through the date of its expiration, in addition to your compliance with the obligations described in Our Notice.

If Our Notice states that you must cure certain deficiencies of the Franchised Business or its operation as a condition to our granting you a Renewal Franchise, we will give you written notice of our decision not to grant a Renewal Franchise, based upon your failure to cure those deficiencies, not less than ninety (90) days before this Agreement expires, provided, however, that we need not give you this ninety (90) days' notice if we decide not to grant you a Renewal Franchise due to your breach of this Agreement during the ninety (90) day period before it expires. If we fail to give you:

(a) notice of deficiencies in the Franchised Business, or in your operation of the Franchised Business, within ninety (90) days after we receive your timely election to acquire a Renewal Franchise (if we elect to grant you a Renewal Franchise under subparagraphs (2) and (b) above); or

(b) notice of our decision not to grant a Renewal Franchise at least ninety (90) days before this Agreement expires, if this notice is required, we may extend this Agreement's term for the time necessary to give you either reasonable time to correct deficiencies or the ninety (90) days' notice of our refusal to grant a Renewal Franchise. If you fail to notify us of your election to acquire a Renewal Franchise within the prescribed time of ninety (90) days, we need not grant you a Renewal Franchise.

C. AGREEMENTS/RELEASES.

If you satisfy all the other conditions for a Renewal Franchise, you and your principals agree to execute the form of franchise agreement and any ancillary agreements we then customarily use in granting franchises for FASTSIGNS Centers (modified as necessary to reflect the fact that it is for a Renewal Franchise), which may contain provisions that differ materially from any and all of those contained in this Agreement. You and your principals further agree to sign general releases, in a form satisfactory to us, of all claims against us and our shareholders, officers, directors, employees, agents, renewals, and assigns. We will consider your or your principals' failure to sign these agreements and releases and to deliver them to us for acceptance and execution within thirty (30) days after their delivery to you to be an election not to acquire a Renewal Franchise.

B. INTERIM REMEDIES.

We have the right (but not the obligation), under the circumstances described below, to enter the Franchised Business and assume the Franchised Business's management (or to appoint a third party to assume its management) for any period we deem appropriate. If we (or a third party) assume the Franchised Business's management under subparagraphs (1) and (2) below, you agree to pay us (in addition to the Service Fee, Ad Fund contribution, Tech Fee and other amounts due under this Agreement) Five Hundred Dollars ($500) per day, plus our (or the third party's) direct out-of-pocket costs and expenses, for up to sixty (60) days after we assume management.

If we (or a third party) assume the Franchised Business's management, you acknowledge that we (or the third party) will have a duty to utilize only reasonable efforts and will not be liable to you or your principals for any debts, losses, or obligations the Franchised Business incurs, or to any of your creditors for any supplies, products, or other assets or services the Franchised Business purchases, while we (or the third party) manage it.

We (or a third party) may assume the Franchised Business's management under the following circumstances: (1) if you abandon or fail actively to operate the Franchised Business; (2) if you fail to comply with any provision of this Agreement or any System Standard and do not cure the failure within the time period we specify in our notice to you; or (3) if this Agreement expires or is terminated and we are deciding whether to exercise our option to purchase the Franchised Business under Subsection 15.G. below.

If we exercise our rights under subparagraphs (1) or (2) above, that will not affect our right to terminate this Agreement under Subsection 14.A. above.

If you are in default of any provision of this Agreement, we may, at our option, elect to impose interim remedies and/or limited services on your Franchised Business ("**Limited Services**") rather than terminate this Agreement. We will provide written notice to you prior to placing you on Limited Services. If you are in default and your Franchised Business is on Limited Services, we may terminate this Agreement at any time if you fail to cure the default. Limited Services may include:

(1) Franchised Business's web page(s) removed from FASTSIGNS.com;

(2) no access to any Ad Fund services;

(3) removal of you or your personnel from the FASTSIGNS Google Workspace email platform and other Google Workspace functions or Outlook email, depending on which platform franchisee's email is on;

We will provide written notice to you prior to charging the non-compliance fee. If you are in default and paying the non-compliance fee, we may terminate this Agreement at any time if you fail to cure the default.

15. OUR AND YOUR RIGHTS AND OBLIGATIONS UPON TERMINATION OR EXPIRATION OF THIS AGREEMENT.

A. PAYMENT OF AMOUNTS OWED TO US.

You agree to pay us within fifteen (15) days after this Agreement expires or is terminated, or on any later date that we determine the amounts due to us, the Service Fees, Ad Fund Contributions, Tech Fees, interest, and all other amounts owed to us (and our affiliates) which then are unpaid.

If we terminate this Agreement as a result of your breach, you and we agree that the amount of damages which we would incur for any such early termination would be difficult, if not impossible, to accurately ascertain. Accordingly, within thirty (30) days following such termination, you shall pay us an amount equal to the greater of (i) the average monthly royalty fees and advertising contributions that you owed to us for the past twenty-four (24) months multiplied by the lesser of thirty-six (36) or the number of months remaining in the Term, or (ii) the average monthly royalty fees and advertising contributions paid by all franchised FASTSIGNS Centers who have operated for at least twenty-four (24) months multiplied by the lesser of thirty-six (36) or the months remaining in the Term ("**Early Termination Damages**"). If you have not operated the Franchised Business for twenty-four (24) months before the termination of this Agreement, the Early Termination Damages will be calculated by using the average monthly royalties and advertising contributions by all FASTSIGNS Centers who have operated for the past twenty-four (24) months multiplied by thirty-six (36). These Early Termination Damages shall constitute liquidated damages and are not to be construed as a penalty and shall be the joint and several liability of you and each of your Owners who personally guarantee your obligations under this Agreement.

The parties acknowledge and agree that: (a) the Early Termination Damages are a reasonable estimation of the damages that we would incur if this Agreement is prematurely terminated; and (b) your payment of such Early Termination Damages is intended to fully compensate us for any and all damages related to or arising out of our premature termination of this Agreement, and shall not constitute an election of remedies, waiver of any default under this Agreement, nor waiver of our claim for other damages and/or equitable relief arising out of your breach of this Agreement.

The imposition of Early Termination Damages shall be at our sole option. We are not required to impose Early Termination Damages and may, in addition or in lieu thereof, pursue other remedies available to us under the terms and conditions of this Agreement, in equity or at law in the event of your breach under this Agreement, including, without limitation, actual damages we incur, if such can be ascertained. All such remedies shall be cumulative and non-exclusive.

B. MARKS.

When this Agreement expires or is terminated:

(1) you may not directly or indirectly at any time or in any manner (except with other FASTSIGNS Centers you license and operate) identify yourself or any

business as a current or former FASTSIGNS Center or as one of our current or former franchise franchisees; use any Mark, any colorable imitation of a Mark, or other indicia of a FASTSIGNS Center in any manner or for any purpose; or use for any purpose any trade name, trade or service mark, or other commercial symbol that indicates or suggests a connection or association with us;

(2) you agree to take the action required to cancel all fictitious or assumed name or equivalent registrations relating to your use of any Mark;

(3) you agree to deliver to us within thirty (30) days all signs, sign-faces, sign-cabinets, marketing materials, forms, and other materials containing any Mark or otherwise identifying or relating to a FASTSIGNS Center that we request and allow us, without liability to you or third parties for trespass or any other claim, to enter the Premises and remove these items from the Franchised Business;

(4) you agree to notify the telephone company and all telephone directory publishers of the termination or expiration of your right to use any telephone, facsimile, or other numbers and telephone directory listings associated with any Mark; to authorize the transfer of these numbers and directory listings to us or at our direction; and/or to instruct the telephone company to forward all calls made to your numbers to numbers we specify. If you fail to do so, we may take whatever action and sign whatever documents we deem appropriate on your behalf to affect these events;

(5) you agree to give us your usernames and passwords for your claimed directory lists (i.e., yelp, google) and your social media accounts and passwords for your Franchised Business to delete or transfer; and

(6) you agree to give us, within thirty (30) days after the expiration or termination of this Agreement, evidence satisfactory to us of your compliance with these obligations.

C. FRANCHISED BUSINESS MANAGEMENT SYSTEM DATABASE AND GRAPHIC FILES.

You agree that, when this Agreement expires or is terminated, you will immediately transfer to us, via the method designated by us, the data that comprises the center management system database and graphic files. This transfer shall take place as requested by us. Once this transfer has occurred, and we have verified that you have accurately transferred the data from the center management system and graphic files to us, you will take immediate measures to erase the data that comprises the center management system and graphic files and will destroy all hard and digital copies of this information.

D. CONFIDENTIAL INFORMATION.

You agree that, when this Agreement expires or is terminated, you will immediately cease using any of our Confidential Information (including computer software or similar technology and digital passwords and identifications that we have licensed to you or that otherwise are proprietary to us or the Franchise System) in any business or otherwise and return to us all copies of the Operations Manual and any other confidential materials that we have loaned you, such as records, files (including electronic files), graphic files, customer lists, center

management system databases, instructions, and correspondence within fourteen (14) days of such termination or expiration.

E. ALTERATIONS TO FRANCHISED BUSINESS.

If we do not exercise our option to purchase the Franchised Business under Subsection G. below, you agree, when this Agreement expires or is terminated, to make all modifications or alterations to de-identify the appearance of the Franchised Business and make such specific additional changes as we may request for that purpose. In the event you fail or refuse to comply with the requirements of this Subsection 15.E., we have the right to enter the premises of where the Franchised Business was operated, without being guilty of trespass or tort, for the purpose of making or causing changes to be made as may be required, at your expense, which expense you agree to pay upon demand.

F. COVENANT NOT TO COMPETE.

As part of our consideration to grant a license to operate a FASTSIGNS Center, upon termination (regardless of cause) or expiration of this Agreement, you and your principals agree that, for two (2) years beginning on the effective date of termination or expiration or the date on which all persons restricted by this Subsection begin to comply with this Subsection, whichever is later, neither you nor any of your principals will have any direct or indirect interest (e.g., through a spouse) as an owner (whether of record, beneficially, or otherwise), investor, partner, director, officer, employee, consultant, representative, or agent in any Competitive Business (as defined in Section 7 above) located or operating:

(a) at the Premises;

(b) within a fifteen (15) mile radius of the Premises;

(c) within fifteen (15) miles of any other FASTSIGNS Center in operation or under construction on the later of the effective date of the termination or expiration of this Agreement or the date on which all persons restricted by this Subsection begin to comply with this Subsection.

These restrictions also apply after transfers, as provided in Subsection 12.C. above. If any person restricted by this Subsection refuses voluntarily to comply with these obligations, the two (2) year period for that person will commence with the entry of a court order enforcing this provision. You and your principals expressly acknowledge that you possess skills and abilities of a general nature and have other opportunities for exploiting these skills. Consequently, our enforcing of the covenants made in this Subsection will not deprive you of your personal goodwill or ability to earn a living.

G. OUR RIGHT TO PURCHASE CERTAIN ASSETS OF THE FRANCHISED BUSINESS.

Upon termination of this Agreement, or upon expiration of this Agreement without renewal, you will, at our option, assign to us or our designee your interest in any lease or sublease of the Premises and your interest in any lease for equipment used in the operation of the Franchised Business. Also, upon termination of this Agreement, or expiration of this Agreement without renewal, we shall have the right and option, but not the obligation, to

purchase the inventory, equipment, fixtures, furnishings, and all items bearing the Marks at your cost or fair market value, whichever is less. In determining the fair market value of the assets, we and you will not include any value for goodwill, the Franchise rights granted by this Agreement, or participation in the network of FASTSIGNS Centers. If we elect to exercise this option, we will deliver written notice to you of our election within thirty (30) days after the date of termination or expiration of this Agreement. We will have the right to inspect the Franchised Business and assets at any time during this thirty-day period. If we elect to purchase any of these assets, we will be entitled to, and you must provide, all customary warranties and representations relating to the asset purchase, including, without limitation, representations and warranties as to maintenance, function, condition and your good title (including that you own the assets free and clear of any liens and encumbrances).

H. CONTINUING OBLIGATIONS.

All our and your (and your principals') obligations which expressly or by their nature survive this Agreement's expiration or termination will continue in full force and effect subsequent to and notwithstanding its expiration or termination and until they are satisfied in full or by their nature expire.

16. RELATIONSHIP OF THE PARTIES/INDEMNIFICATION.

A. INDEPENDENT CONTRACTORS.

You and we understand and agree that this Agreement does not create a fiduciary relationship between you and us, that you and we are and will be independent contractors, and that nothing in this Agreement is intended to make either you or us a general or special agent, joint venturer, partner, or employee of the other for any purpose. You agree to identify yourself conspicuously in all dealings with customers, suppliers, public officials, Franchised Business personnel, and others as the Franchised Business's franchisee under a franchise we have granted and to place notices of independent ownership on the forms, business cards, stationery, advertising, and other materials we require from time to time.

None of your employees or other personnel will be our employees, agents or personnel. Neither you nor any of your employees, agents or personnel whose compensation you pay may in any way, directly or indirectly, expressly or by implication, and to be construed to be our employee, agent or personnel for any purpose, most particularly with respect to any mandated or other insurance coverage, tax or contributions, or requirements pertaining to withholdings, levied or fixed by any city, state, provincial, or federal governmental agency. We will not have the power to hire or fire your employees or personnel. You expressly agree, and will never contend otherwise, that our authority under this Agreement to certify certain of your employees or personnel for qualifications to perform certain functions for the Franchised Business does not directly or indirectly vest in us the power to hire, fire or control any such employee. You shall always comply with all employment laws. We will not have any duty or obligation to operate the Franchised Business, to direct or supervise your employees or to oversee your employment policies or practices. You will post a notice at your Franchised Business notifying all its employees that they are your employees and not our employees in the manner prescribed by us. You acknowledge and agree, by signing **Attachment G** to this Agreement, Training and Joint Employment Acknowledgement; and will never contend otherwise, that you alone will exercise day-to-day control over all operations, activities, and elements of the Franchised Business and that under no circumstances shall we do so or be deemed to do so. You further acknowledge and

agree, and will never contend otherwise, that the various requirements, restrictions, prohibitions, specifications and procedures of the System which we are required to comply with under this Agreement, whether set forth in the Operations Manual or otherwise, do not directly or indirectly constitute, suggest, infer or imply that we control any aspect or element of the day-to-day operations of the Franchised Business, which you alone control, but only constitute standards you must adhere to when exercising your control of the day-to-day operations of the Franchised Business.

B. NO LIABILITY FOR ACTS OF OTHER PARTY.

We and you may not make any express or implied agreements, warranties, guarantees, or representations, or incur any debt, in the name or on behalf of the other or represent that our respective relationship is other than franchisor and franchise principal. We will not be obligated for any damages to any person or property directly or indirectly arising out of the Franchised Business's operation or the business you conduct under this Agreement.

C. TAXES.

In addition to any sales, use, excise, privilege, or other transaction taxes that we are required or permitted by law to collect from you for the sale, lease or other provision of goods or services under this Agreement, you shall pay to us an amount equal to all federal, state, local or foreign (i) sales, use, excise, privilege, occupation or any other transactional taxes, or (ii) any other taxes or similar exactions no matter how designated (excluding only taxes imposed on us for the privilege of conducting business and calculated with respect to our net income, capital, net worth, gross receipts, or some other basis or combination thereof, but not excluding any gross receipts taxes imposed on us for your payments intended to reimburse us for expenditures incurred for the benefit and on behalf of you), that are imposed on us or required to be withheld by you in connection with the receipt or accrual of Service Fees or any other amounts payable by you to us under this Agreement or any related agreement. Any additional required payment pursuant to the preceding sentence shall be made in an amount necessary to provide us with after tax receipts (considering any additional payments required hereunder), equal to the same amounts we would have received under the provisions of this Agreement if such additional tax liability or withholding had not been imposed or required.

D. INDEMNIFICATION.

You will defend, indemnify and hold harmless us and our affiliates, and their successors and assigns, and each of their respective direct and indirect owners, directors, officers, managers, employees, agents, attorneys, and representatives (collectively, the "**Indemnified Parties**") from and against all Losses (defined below) which any of the Indemnified Parties may suffer, sustain or incur as a result of a claim asserted or inquiry made formally or informally, or a legal action, investigation, or other proceeding brought, by a third party and directly or indirectly arising out of the operation of the Franchised Business, your conduct of business under this Agreement, your breach of this Agreement or for any liability arising from labor or employment law violations (including from your acts and omissions and of your employees). We will promptly notify you of any claim that may give rise to a claim of indemnity hereunder, provided, however, that the failure to provide such notice shall not release you from your indemnification obligations under this Section except to the extent you are actually and materially prejudiced by such failure. You shall have the right, upon written notice delivered to the Indemnified Party within fifteen (15) days thereafter assuming full responsibility for Losses resulting from such claim, to assume and control the defense of such claim, including the employment of counsel

satisfactory to the Indemnified Party and the payment of the fees and disbursements of such counsel. If (i) the Indemnified Party shall have been advised by counsel that there are one or more legal or equitable defenses available to it that are different from or in addition to those available to you and, in the reasonable opinion of the Indemnified Party, your counsel could not adequately represent the interests of the Indemnified Party because such interests could be in conflict with your interests, or (ii) you do not assume responsibility for such Losses in a timely manner or you fail to defend a claim with counsel reasonably satisfactory to the Indemnified Party as contemplated above, then the Indemnified Party shall have the right to employ counsel of its own choosing and you shall pay the fees and disbursements of such Indemnified Party's counsel as incurred. In connection with any claim, the Indemnified Party or you, whichever is not assuming the defense of such claim, shall have the right to participate in such claim and to retain its own counsel at such party's own expense. You or the Indemnified Party (as the case may be) shall keep you or the Indemnified Party (as the case may be) apprised of, and shall respond to any reasonable requests concerning, the status of the defense of any claim and shall cooperate in good faith with each other with respect to the defense of any such claim. You shall not, without the prior written consent of the Indemnified Party, (a) settle or compromise any claim or consent to the entry of any judgment with respect to any claim which does not include a written release from liability of such claim for the Indemnified Party and its affiliates, direct and indirect owners, directors, managers, employees, agents and representatives, or (b) settle or compromise any claim in any manner that may adversely affect the Indemnified Party other than as a result of money damages or other monetary payments which will be paid by you. No claim which is being defended in good faith by you in accordance with the terms of this Section shall be settled by the Indemnified Party without your prior written consent. Notwithstanding anything to the contrary herein, if a claim involves the Marks, you agree that we shall have the exclusive right to assume the defense of such claim, at your expense with counsel selected by us, but satisfactory to you.

You have no obligation to indemnify or hold harmless, an Indemnified Party for any Losses to the extent they are determined in a final, unappealable ruling issued by a court or arbitrator with competent jurisdiction to have been caused solely and directly by the Indemnified Party's gross negligence, willful misconduct, or willful wrongful omissions.

For purposes of this Section, "**Losses**" include all obligations, liabilities, damages (actual, consequential, or otherwise), and defense costs that any Indemnified Party incurs. Defense costs include, without limitation, accountants', arbitrators', attorneys', and expert witness fees, costs of investigation and proof of facts, court costs, travel and living expenses, and other expenses of litigation, arbitration, and alternative dispute resolution.

Your obligations in this Section will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination. An Indemnified Party need not seek recovery from any insurer or other third party, or otherwise mitigate its Losses, to maintain and recover fully a claim against you under this Section. You agree that a failure to pursue a recovery or mitigate a Loss will not reduce or alter the amounts that an Indemnified Party may recover from you under this Section.

17. ENFORCEMENT.

A. SEVERABILITY AND SUBSTITUTION OF VALID PROVISIONS.

Except as expressly provided to the contrary in this Agreement, each section, paragraph, term, and provision of this Agreement is severable, and if, for any reason, any part is held to be invalid or contrary to or in conflict with any applicable present or future law or regulation in a final, unappealable ruling issued by any court, agency, or tribunal with competent jurisdiction, that ruling will not impair the operation of, or otherwise affect, any other portions of this Agreement, which will continue to have full force and effect and bind the parties.

If any covenant which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of area, business activity prohibited, and/or length of time, but would be enforceable if modified, you and we agree that the covenant will be fully enforced to the extent permissible under the laws and public policies applied in the jurisdiction whose law determines the covenant's validity.

If any applicable and binding law or rule of any jurisdiction requires more notice than this Agreement requires of this Agreement's termination or of our refusal to enter into a renewal franchise agreement, or some other action that this Agreement does not require, or if, under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any System Standard is invalid, unenforceable, or unlawful, the notice and/or other action required by the law or rule will be substituted for the comparable provisions of this Agreement, and we may modify the invalid or unenforceable provision or System Standard to the extent required to be valid and enforceable or delete the unlawful provision in its entirety. You agree to be bound by any promise or covenant imposing the maximum duty the law permits which is subsumed within any provision of this Agreement, as though it were separately articulated in and made a part of this Agreement.

B. WAIVER OF OBLIGATIONS.

We and you may by written instrument unilaterally waive or reduce any obligation of or restriction upon the other under this Agreement, effective upon delivery of written notice to the other or another effective date stated in the notice of waiver. Any waiver granted will be without prejudice to any other rights we or you have, will be subject to continuing review, and may be revoked at any time and for any reason, effective upon delivery of ten (10) days' prior written notice. We and you will not waive or impair any right, power, or option this Agreement reserves (including, without limitation, our right to demand exact compliance with every term, condition, and covenant or to declare any breach to be a default and to terminate this Agreement before its term expires) because of any custom or practice at variance with this Agreement's terms; our or your failure, refusal, or neglect to exercise any right under this Agreement or to insist upon the other's compliance with this Agreement, including, without limitation, any System Standard; our waiver of or failure to exercise any right, power, or option, whether of the same, similar, or different nature, with other FASTSIGNS Centers; the existence of franchise agreements for other FASTSIGNS Centers which contain provisions different from those contained in this Agreement; or our acceptance of any payments due from you after any breach of this Agreement. No special or restrictive legend or endorsement on any check or similar item given to us will be a waiver, compromise, settlement, or accord and satisfaction. We are authorized to remove any legend or endorsement, which then will have no effect.

Neither we nor you will be liable for loss or damage or be in breach of this Agreement if our or your failure to perform our or your obligations results from: (1) compliance with the orders, requests, regulations, or recommendations of any federal, state, or municipal government; (2) acts of God; (3) fires, strikes, embargoes, war, acts of terrorism or similar events, or riot; (4) pandemic or (5) any other similar event or cause. Any delay resulting from any of these causes will extend performance accordingly or excuse performance, in whole or in part, as may be reasonable, except that these causes will not excuse payments of amounts owed at the time of the occurrence or payment of Service Fees, Ad Fund contributions or Tech Fees due afterward.

C. COSTS AND ATTORNEYS' FEES.

If we incur costs and expenses due to your failure to pay when due amounts owed to us, to submit when due any reports, information, or supporting records, or otherwise to comply with this Agreement, you agree, whether or not we initiate a formal legal proceeding, to reimburse us for all of the costs and expenses that we incur, including, without limitation, reasonable accounting, collection agency fees, attorneys', arbitrators', and related fees.

D. RIGHTS OF PARTIES ARE CUMULATIVE.

Our and your rights under this Agreement are cumulative, and our or your exercise or enforcement of any right or remedy under this Agreement will not preclude our or your exercise or enforcement of any other right or remedy which we or you are entitled by law to enforce.

E. ARBITRATION.

We and you agree that all controversies, disputes, or claims between us and our affiliates, and us and our respective shareholders, officers, directors, agents, and/or employees, and you (and/or your owners, guarantors, affiliates, and/or employees) arising out of or related to: (i) this Agreement or any other agreement between us and you; (ii) Our relationship with you; (iii) the scope and validity of this Agreement or any other agreement between us and you (including the scope and validity of the arbitration obligations under this Section 17.1, which you and us acknowledge is to be determined by an arbitrator and not a court); and/or (iv) or any System Standard, must be submitted for binding arbitration, on demand of either party, to the American Arbitration Association. The arbitration proceedings will be conducted by one arbitrator and, except as this Subsection otherwise provides, according to the then current commercial arbitration rules of the American Arbitration Association. All proceedings will be conducted at a suitable location chosen by the arbitrator within ten (10) miles of our principal place of business in Dallas County, Texas. The arbitrator shall have no authority to select a hearing or locale other than as described in the previous sentence. All matters relating to arbitration will be governed by the Federal Arbitration Act (9 U.S.C. §§ 1 et seq.). Judgment upon the arbitrator's award may be entered in any court of competent jurisdiction.

The arbitrator has the right to award or include in his or her award any relief which he or she deems proper, including, without limitation, money damages (with interest on unpaid amounts from the date due), specific performance, injunctive relief, and attorneys' fees and costs, provided that the arbitrator may not declare any Mark generic or otherwise invalid or, except as expressly provided in Subsection 17.H. below, award any punitive or exemplary

damages against either party (we and you hereby waive to the fullest extent permitted by law, except as expressly provided in Subsection 17.H. below, any right to or claim for any punitive or exemplary damages against the other). Other than as may be required by law, the entire arbitration proceeding (including, but not limited to any rulings, decisions, or orders of the arbitrator and any documents produced or exchanged or evidence given) shall remain confidential and not be disclosed to anyone other than the parties to this Agreement. The arbitrator will issue its decision within sixty (60) days after the closing of the hearings.

We and you agree to be bound by the provisions of any limitation on the time in which claims must be brought under applicable law or this Agreement, whichever expires earlier. We and you further agree that, in any arbitration proceeding, each must submit or file any claim which would constitute a compulsory counterclaim (as defined by Rule 13 of the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any claim which is not submitted or filed as required is forever barred. The arbitrator may not consider any settlement discussions or offers that might have been made by either you or us.

We and you agree that arbitration will be conducted on an individual, not a class-wide, basis and that an arbitration proceeding between us and our affiliates, and our and their respective shareholders, officers, directors, agents, and/or employees, and you (and/or your principals, guarantors, affiliates, and/or employees) may not be consolidated with any other arbitration proceeding between us and any other person.

Despite our and your agreement to arbitrate, we and you each have the right in a proper case to seek temporary restraining orders and temporary or preliminary injunctive relief from a court of competent jurisdiction; provided, however, that we and you must contemporaneously submit our dispute for arbitration on the merits as provided in this Subsection.

The provisions of this Subsection are intended to benefit and bind certain third-party non-signatories and will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination.

F. INJUNCTIVE RELIEF.

You acknowledge that a breach of this Agreement by you which relates to any of the matters set out below, will cause us irreparable harm, for which monetary damages are an inadequate remedy. Therefore, in addition to any other remedies we have under this Agreement, we are entitled to seek and obtain from a court of law the entry of temporary and permanent injunctions and orders of specific performance enforcing the provisions of this Agreement with respect to: (i) the Marks; (ii) the System; (iii) Intellectual Property; (iv) your obligations upon termination or expiration of this Agreement; (v) Transfers; (vi) Confidential Information; and (vii) any act or omission by us or your employees that: (a) constitutes a violation of any legal requirement; (b) is dishonest or misleading to customers of the Franchised Business; (c) constitutes a danger to the employees or customers of the Franchised Business or to the public; or (d) may impair the goodwill associated with the Marks or the System. Neither party is required to post a bond or other security with respect to obtaining injunctive relief. If we secure any such injunction, you agree to pay us an amount equal to the aggregate of its costs and expenses, including without limitation reasonable attorney fees, costs, and expenses, we incurred in obtaining such relief.

G. WAIVER OF PUNITIVE DAMAGES.

US AND YOU HEREBY WAIVE, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE, EXEMPLARY, INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES AGAINST THE OTHER ARISING OUT OF ANY CAUSE WHATSOEVER (WHETHER SUCH CAUSE BE BASED IN CONTRACT, NEGLIGENCE, STRICT LIABILITY, OTHER TORT OR OTHERWISE), WITH THE EXCEPTION OF TRADEMARK LAW TREBLE DAMAGES.

H. JURY TRIAL WAIVER.

THE PARTIES HEREBY AGREE TO WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR EQUITY, REGARDLESS OF WHICH PARTY BRINGS SUIT. THIS WAIVER SHALL APPLY TO ANY MATTER WHATSOEVER BETWEEN THE PARTIES HERETO WHICH ARISES OUT OF OR IS RELATED IN ANY WAY TO THIS AGREEMENT, THE PERFORMANCE OF EITHER PARTY, AND/OR YOUR PURCHASE FROM US OR ITS AFFILIATES AND/OR ANY GOODS OR SERVICES OBTAINED FROM US OR ITS AFFILIATES.

I. WAIVER OF CLASS OR GROUP ACTION.

ANY DISAGREEMENT BETWEEN US AND YOU (AND/OR THEIR AFFILIATES AND OWNERS) WILL BE CONSIDERED UNIQUE AS TO ITS FACTS AND CANNOT BE BROUGHT AS A CLASS ACTION OR CLASS ARBITRATION. YOU WAIVE ANY RIGHT TO PROCEED AGAINST US (AND OUR AFFILIATES, STOCKHOLDERS, MEMBERS, MANAGERS, OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, SUCCESSORS AND ASSIGNS) BY WAY OF CLASS ACTION, A CLASS ARBITRATION, OR BY WAY OF A MULTI-PLAINTIFF, CONSOLIDATED OR COLLECTIVE ACTION.

J. GOVERNING LAW.

ALL MATTERS RELATING TO ARBITRATION WILL BE GOVERNED BY THE FEDERAL ARBITRATION ACT (9 U.S.C. §§ 1 ET SEQ.). EXCEPT TO THE EXTENT GOVERNED BY THE FEDERAL ARBITRATION ACT, THE UNITED STATES TRADEMARK ACT OF 1946 (LANHAM ACT, 15 U.S.C. SECTIONS 1051 ET SEQ.), OR OTHER FEDERAL LAW, THIS AGREEMENT, THE FRANCHISE, AND ALL CLAIMS ARISING FROM THE RELATIONSHIP BETWEEN US AND YOU WILL BE GOVERNED BY THE LAWS OF THE STATE OF TEXAS, WITHOUT REGARD TO ITS CONFLICT OF LAWS RULES, EXCEPT THAT ANY TEXAS LAW REGULATING THE SALE OF FRANCHISES OR GOVERNING THE RELATIONSHIP OF A FRANCHISOR AND ITS FRANCHISEE WILL NOT APPLY UNLESS ITS JURISDICTIONAL REQUIREMENTS ARE MET INDEPENDENTLY WITHOUT REFERENCE TO THIS SUBSECTION.

K. CONSENT TO JURISDICTION.

SUBJECT TO SUBSECTION 17.E. ABOVE AND THE PROVISIONS BELOW, YOU AND YOUR PRINCIPALS AGREE THAT ALL ACTIONS ARISING UNDER THIS AGREEMENT OR OTHERWISE AS A RESULT OF THE RELATIONSHIP BETWEEN YOU AND US MUST BE COMMENCED IN STATE OR FEDERAL COURT OF GENERAL JURISDICTION IN DALLAS, TEXAS, AND YOU (AND EACH OWNER) IRREVOCABLY SUBMIT TO THE JURISDICTION OF THOSE COURTS AND WAIVE ANY OBJECTION YOU (OR THE OWNER) MIGHT HAVE TO EITHER THE JURISDICTION OF OR VENUE IN THOSE COURTS. NONETHELESS, YOU AND YOUR PRINCIPALS AGREE THAT WE MAY ENFORCE THIS AGREEMENT AND ANY ARBITRATION ORDERS AND AWARDS IN THE COURTS OF THE STATE OR STATES IN WHICH YOU ARE DOMICILED OR THE FRANCHISED BUSINESS IS LOCATED.

L. BINDING EFFECT.

This Agreement is binding upon us and you and our and your respective executors, administrators, heirs, beneficiaries, permitted assigns, and successors in interest. Subject to our right to modify the Operations Manual and System Standards, this Agreement may not be modified except by a written agreement signed by both our and your duly authorized officers. Only the written terms of the Franchise Agreement and any other related written agreements are binding (subject to applicable law). Any statements or promises not in the Franchise Agreement or this Franchise Disclosure Document should not be relied upon and may not be enforceable.

M. LIMITATIONS OF CLAIMS.

Except for claims arising from your non-payment or underpayment of amounts you owe us, any claims arising out of or relating to this Agreement or our relationship with you will be barred unless a judicial or arbitration proceeding is commenced within one (1) year from the date on which the party asserting the claim knew or should have known of the facts giving rise to the claims.

N. CONSTRUCTION.

The preambles and exhibits are a part of this Agreement which, together with the System Standards contained in the Operations Manual (which may be periodically modified, as provided in Subsections 4.D., 8, and 17.I. above), constitutes our and your entire agreement, and there are no other oral or written understandings or agreements between us and you, or oral or written representations by us, relating to the subject matter of this Agreement, the franchise relationship, or the Franchised Business (any understandings or agreements reached, or any representations made, before this Agreement are superseded by this Agreement). Notwithstanding the foregoing, nothing in this Agreement shall disclaim or require you to waive reliance on any representation that we made in the most recent Franchise Disclosure Document (including exhibits and amendments) that we delivered to you or your representative.

Any policies that we adopt and implement from time to time to guide us in our decision-making are subject to change, are not a part of this Agreement, and are not binding on us.

Except as provided in Subsections 16.D. and 17.E., nothing in this Agreement is intended or deemed to confer any rights or remedies upon any person or legal entity not a party to this Agreement.

Except where this Agreement expressly obligates us approve or not unreasonably to withhold our approval of any of your actions or requests, we have the absolute right to refuse any request you make or to withhold our approval of any of your proposed, initiated, or completed actions that require our approval. The headings of the sections and paragraphs are for convenience only and do not define, limit, or construe the contents of these sections or paragraphs.

References in this Agreement to "**we**," "**us**," and "**our**," with respect to all our rights and all your obligations to us under this Agreement, including any of our affiliates with whom you deal. The term "**affiliate**" means any person or entity directly or indirectly owned or controlled by, under common control with, or owning or controlling you or us. "**Control**" means the power to direct or cause the direction of management and policies.

If two (2) or more people are at any time the owners of the Franchise and the Franchised Business, whether as partners or joint venturers, their obligations, and liabilities to us will be joint and several. References to "**principal**" mean any person holding a direct or indirect ownership interest (whether of record, beneficially, or otherwise) or voting rights in you (or a transferee of this Agreement and the Franchised Business or an ownership interest in you), including, without limitation, any person who has a direct or indirect interest in you (or a transferee), this Agreement, the Franchise, or the Franchised Business and any person who has any other legal or equitable interest, or the power to vest in himself or herself any legal or equitable interest, in their revenue, profits, rights, or assets.

References to a "controlling ownership interest" in you or one of your principals (if an Entity) means the percent of the voting shares or other voting rights that results from dividing one hundred percent (100%) of the ownership interests by the number of principals. In the case of a proposed transfer of an ownership interest in you or one of your principals, the determination of whether a "controlling ownership interest" is involved must be made as of both immediately before and immediately after the proposed transfer to see if a "controlling ownership interest" will be transferred (because of the number of principals before the proposed transfer) or will be deemed to have been transferred (because of the number of principals after the proposed transfer).

"**Person**" means any natural person, corporation, limited liability company, general or limited partnership, unincorporated association, cooperative, or other legal or functional entity.

Unless otherwise specified, all references to a number of days shall mean calendar days and not business days.

The term "**Franchised Business**" includes all the assets of the FASTSIGNS Center you operate under this Agreement, including its revenue and the Lease.

This Agreement may be executed in multiple copies, each of which will be deemed an original.

(a) at the time delivered by hand;

(b) at the time delivered via electronic mail and, in the case of the Service Fees, Ad Fund contributions, Tech Fees and other amounts due, at the time we receive payment via the EFTA;

Any notice that we send to you may be sent only to the one (1) person identified in **Exhibit A**, even if you have multiple principles, at the email or postal address specified in **Exhibit A**. You may change the person and/or address for notice only by giving us thirty (30) days' prior notice by any of the means specified in subparagraphs (a) through (e) above.

Any required payment or report which we do not actually receive during regular business hours on the date due (or postmarked by postal authorities at least two (2) days before then) will be deemed delinquent.

19. COMPLIANCE WITH ANTI-TERRORISM LAWS.

You and your principals agree to comply, and to fully assist us to the fullest extent possible in our efforts to comply with (A) all applicability economic sanctions laws, including the various economic sanctions regulations and guidelines of the U.S. Department of Treasury, Office of Foreign Assets Control, and the USA Patriot Act (Title III of Pub. L. 107-56, signed into law October 26, 2001), as amended; and (B) all applicable anti-corruption laws, including the United States Foreign Corrupt Practices Act of 1977, 15 U.S.C. §§ 78dd-1, et seq., as amended ("FCPA") (collectively, the " International Trade and National Security Laws. In connection with such compliance, you and your principals certify, represent, and warrant that none of their property or interests is subject to being blocked under, and that you and your principals otherwise are not in violation of, any of the International Trade and National Security Laws. Any violation of the International Trade and National Security Laws by Franchisee and Franchisee's principals, or any blocking of Franchisee and Franchisee's principals' assets under the International Trade and National Security Laws, shall constitute good cause for immediate termination of this Agreement, as provided in Subsection 14.B.(18) above.

20. LIMITED LIABILITY.

You agree that no past, present or future director, officer, employee, incorporator, member, partner, stockholder, subsidiary, affiliate, controlling party, entity under common control, ownership or management, vendor, service provider, agent, attorney or representative of ours shall have any liability for (i) any of our obligations or liabilities relating to or arising from this Agreement, (ii) any claim against us based on, in respect of, or by reason of, the relationship between you and us, or (iii) any claim against us based on any alleged unlawful act or omission by us.

21. ACKNOWLEDGMENTS.

You acknowledge:

(1) That you have independently investigated the FASTSIGNS Center franchise opportunity and recognize that, like any other business, the nature of the business a FASTSIGNS Center conducts may, and will, evolve and change overtime.

(9) That you have read this Agreement and our Franchise Disclosure Document and understand and accept that this Agreement's terms and covenants are necessary for us to maintain our high standards of quality and service, as well as the uniformity of those standards at each FASTSIGNS Center, and to protect and preserve the goodwill of the Marks.

(10) That we have the right to restrict your sources of other goods and services, as provided in various sections of this Agreement.

_____
_____
_____
_____

In consideration of, and as an inducement to, the execution of that certain Agreement on this date by FASTSIGNS International, Inc. ("**us**," "**we**," or "**our**"), each of the undersigned personally and unconditionally (a) guarantees to us and our successors and assigns, for the term of the Agreement (including extensions) and afterward as provided in the Agreement, that _____("**Franchisee**") will punctually pay and perform each and every undertaking, agreement, and covenant set forth in the Agreement (including any amendments or modifications of the Agreement) and (b) agrees to be personally bound by, and personally liable for the breach of, each and every provision in the Agreement (including any amendments or modifications of the Agreement), both monetary obligations and obligations to take or refrain from taking specific actions or to engage or refrain from engaging in specific activities, including the non-competition, confidentiality, transfer, and arbitration requirements.

Each of the undersigned consents and agrees that: (1) his or her direct and immediate liability under this Guaranty will be joint and several, both with Franchisee and among other guarantors; (2) he or she will render any payment or performance required under the Agreement upon demand if Franchisee fails or refuses punctually to do so; (3) this liability will not be contingent or conditioned upon our pursuit of any remedies against Franchisee or any other person;

(5) this liability will not be diminished, relieved, or otherwise affected by any extension of time, credit, or other indulgence which we may from time to time grant to Franchisee or to any other person, including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims (including the release of other guarantors), none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during the term of the Agreement (including extensions), for so long as any performance is or might be owed under the Agreement by Franchisee or its principals, and for so long as we have any cause of action against Franchisee or its principals; and (5) this Guaranty will continue in full force and effect for (and as to) any extension or modification of the Agreement and despite the transfer of any interest in the Agreement or Franchisee, and each of the undersigned waives notice of any and all renewals, extensions, modifications, amendments, or transfers.

Subject to the arbitration obligations above and the provisions below, each of the undersigned agrees that all actions arising under this Guaranty or the Agreement, or otherwise as a result of the relationship between us and the undersigned, must be commenced in state or federal court of general jurisdiction in Dallas, Texas, and each of the undersigned irrevocably submits to the jurisdiction of those courts and waives any objection he or she might have to either the jurisdiction of or venue in those courts. REQUIRED LEASE TERMS

REQUIRED LEASE TERMS

This Addendum to Lease ("Addendum") is attached hereto and made a part hereof of the Lease (the "**Lease**") dated _____ by and between _____ (as "**Landlord**") and _____ (as "**Tenant**") for the premises as more fully described in the Lease (the "**Premises**"). In the event of a conflict between the terms of this Addendum and the Lease, the terms of this Addendum shall control.

These Required Lease Terms are incorporated into and made part of the Lease. These Required Lease Terms are binding upon Landlord and Tenant upon incorporation into the Lease, regardless of whether separately executed.

1. Use of Premises.

During the term of Tenant's franchise agreement ("**Franchise Agreement**") or the term of the Lease, whichever is the last to expire, the Premises may be used only for the operation of a visual communication and graphic sign business under the FASTSIGNS mark or other mark approved by FASTSIGNS International, Inc. ("**Franchisor**"). The FASTSIGNS business ("**FASTSIGNS Business**") shall specialize in the selling, marketing, producing, installing and repairing visual communications including signs (both non-electrical and electrical), graphics, banners, flags, vehicle graphics, vehicle wraps, ADA signage, compliance signs, dimensional letters, dimensional signage, ready-to-apply lettering, decals and labels, exhibits, trade show and other displays, digital imaging, printing (including small format, large format, grand format and 3D), textile and fabric printing, advertising and promotional products (including wearables), electronic and digital signage, content for digital signage, visual graphics enhanced by 2D barcodes, radio frequency identification (**RFID**), augmented reality and virtual reality, QR codes, websites (both regular and mobile- optimized), logo/artwork design and illustration, product wraps and other related graphics, marketing services and complementary products and services. Tenant shall be permitted to use all equipment and machines typical of other FASTSIGNS centers. If any equipment or machines require ventilation systems, Tenant shall be permitted to install such systems, with Landlord's approval, not to be unreasonably withheld, conditioned, or delayed, Landlord acknowledges that the foregoing use does not violate any zoning restrictions, restrictive covenants or existing exclusive uses granted to any other tenant or occupant of the shopping center.

2. Exclusive Use.

During the term of this Lease or any renewal or extension, so long as Tenant is not in default under its terms after expiration of applicable notice and cure periods, Landlord, its successors and assigns, hereby agree that they will not lease to any individual or entity, or allow the use of any premises within the shopping center or on property adjacent to the shopping center which is owned, controlled by or under common control with Landlord, its successors or assigns, for the purpose of selling, marketing, producing, installing and repairing all items

described in Use of Premises.

3. Signs and Graphics.

Subject to applicable zoning laws and regulations, and any applicable restrictive covenants which Landlord has provided to Tenant prior to the execution of this Lease: Tenant shall be permitted to install on the outside of the Premises a red, white and blue FASTSIGNS fascia sign or awning.

A. Tenant shall be permitted from time to time to place a banner in the front, side or fascia of the Premises.

B. Tenant shall be permitted to install the typical FASTSIGNS graphics package which includes 4 color window graphics on the storefront glass of the Premises.

C. Should a pylon and/or monument sign exist or be erected for the Premises, Tenant shall have the right to utilize the pylon and/or monument at no additional charge.

4. Operating Covenant.

Provided Tenant continues to pay minimum rent and all other charges due under the Lease, Tenant shall have the right during the term of the Lease and any option periods to cease the operation of its FASTSIGNS Business. In addition, in no event shall Tenant be required to maintain any specified shopping center hours.

5. Assignment and Sublet.

Landlord and Tenant acknowledge that Franchisor and Tenant have entered into a Franchise Agreement to

operate a FASTSIGNS business at the Premises. This Lease is subject to the Franchisor's Required Lease Terms, and Landlord agrees to comply with all applicable provisions therein, including those relating to Franchisor's rights upon default, termination, or transfer of the Franchise Agreement.

Tenant shall have the right, without Landlord's prior written consent, to sublease or assign all or any portion of the Premises during the Term to: (i) any wholly owned subsidiary or parent company of Tenant; (ii) another duly authorized franchisee of Franchisor; or (iii) Franchisor, which may thereafter assign or sublease to a duly authorized franchisee (collectively, "Permitted Transfers").

Any Permitted Transfer shall be effective upon Tenant providing prior written notice to Landlord, which notice shall be for informational purposes only, and no consent or approval of Landlord shall be required, provided that the proposed subtenant or assignee satisfies Franchisor's then-current standard franchisee qualifications.

Landlord acknowledges and agrees that Franchisor (or its designee) shall have the right, but not the obligation, to assume this Lease or to designate a replacement franchisee to assume or enter

into a new lease for the Premises, upon the occurrence of a default under the Franchise Agreement or termination or expiration thereof, in accordance with the Franchisor's Required Lease Terms. Landlord agrees to recognize any such assignment, sublease, or new lease to a Franchisor-approved franchisee without modification of the economic terms of this Lease, except as otherwise agreed by Landlord and Franchisor.

For purposes of this provision, a "duly authorized franchisee" means an entity approved by Franchisor that meets Franchisor's then-current standard qualifications, which as of the date hereof include a minimum tangible net worth of $300,000.

Upon Tenant's default or termination of the Franchise Agreement and/or Tenant's default under the Lease, Franchisor shall be permitted to assume this Lease from Tenant with all the rights and obligations of Tenant provided Franchisor gives Landlord written notice of Franchisor's intent to assume the Lease and cures any of Tenant's defaults within fifteen days of the expiration of Tenant's time for curing such defaults under the Lease. The Franchisor may assign or sublease the Premises to a duly authorized franchisee, which is any franchisee that meets Franchisor's standard qualifications. Upon Franchisor assigning the Lease to such a franchisee, Franchisor shall be released as Tenant on the following conditions: (i) the use of the Premises remains the same; and (ii) such franchisee has a tangible net worth of at least three hundred thousand dollars ($300,000). The landlord will not unreasonably withhold approval. Further, if Franchisor is the Tenant under this Lease, the direct or indirect change of control of Franchisor shall not constitute an assignment of this Lease.

6. Franchisor's Rights.

Franchisor shall have the right to enter the Premises to make any reasonable non-structural, non-storefront modifications or reasonable non-structural, non-storefront alteration necessary to protect Franchisor's interest in the FASTSIGNS Business and proprietary marks or to cure any default under the Franchise Agreement entered into by Franchisor and Tenant or under the Lease, and Landlord agrees that Franchisor shall not be liable for trespass or any other crime or tort.

7. Lease Renewal, Amendments, and other Assignments.

Landlord agrees that Tenant shall not otherwise amend, assign, renew or extend the term of the Lease without the prior written consent of Franchisor.

8. Waiver of Landlord Lien.

Notwithstanding anything to the contrary in this Lease, Landlord expressly waives all liens it may have or acquire pursuant to the Lease or by law with respect to Tenant's fixtures, equipment, and other personal property. Landlord acknowledges and agrees that Tenant's or Franchisor's lender (the "Equipment Lender") may own/hold a security interest senior to that of Landlord in all such fixtures, equipment, and personal property.

Landlord shall permit Equipment Lender to enter the Premises to remove such fixtures, equipment, and personal property in the event Tenant defaults under the Lease, vacates,

abandons, or otherwise surrenders the Premises, or upon mutual cancellation of the Lease, or otherwise jeopardizes Equipment Lender's security interest in the fixtures, equipment, and personal property.

9. Financing.

This Lease shall be expressly conditioned upon Tenant to secure adequate financing. Tenant shall give Landlord notice upon obtaining such financing.

10. Parking and Common Areas.

Subject to local code restrictions, Landlord shall make two (2) parking spaces in front of the Premises reserved for Tenant's exclusive use for the term of the Lease. Tenant shall have the non-exclusive right to utilize all remaining parking spaces and common areas serving the Premises.

11. Affiliates.

Landlord agrees that no past, present or future director, officer, employee, incorporator, member, partner, stockholder, subsidiary, affiliate, controlling party, entity under common control, ownership or management, vendor, service provider, agent, attorney or representative of Franchisor will have any liability for: (i) any of Franchisor's obligations or liabilities relating to or arising from this Lease; (ii) any claim against Franchisor based on, in respect of, or by reason of, the relationship between Landlord and Franchisor; or (iii) any claim against Franchisor based on any alleged unlawful act or omission.

12. Remodel.

The tenant will have the right to remodel the non-structural interior portions of the Premises and to replace the exterior signage with its current prototype store design and layout.

13. Relocation.

Notwithstanding anything to the contrary in the Lease, the Premises shall not be relocated.

14. Notices.

Landlord agrees to furnish Franchisor with copies of any material changes to the lease and all default letters and notices sent to Tenant pertaining to the Lease and the Premises, while such letters and notices are sent to Tenant. Landlord further agrees that, if it intends to terminate the Lease, the Landlord will give Franchisor thirty (30) days advance written notice of such intent, specifying in such notice all defaults that are the cause of the proposed termination. Franchisor shall have after the expiration of the period during which Tenant may cure such default, an additional fifteen (15) days (or if there is no cure period, at least fifteen (15) days) to cure, at its sole option, any such default. If neither Tenant nor Franchisor cures all such defaults within said time periods (or such longer cure period as may be specifically permitted by the Lease), then the Landlord may terminate the Lease, re-enter the Premises, and exercise all its other post-termination rights as set forth in the Lease.

All notices and demands required to be given hereunder shall be in writing and shall be sent by personal delivery, expedited delivery service, certified or registered mail, return receipt requested, first class postage prepaid, electronic mail (provided that the sender receives

confirmation that the e-mail has been delivered), facsimile, telegram or telex (provided that the sender confirms the facsimile, telegram or telex by sending an original confirmation copy by certified or registered mail or expedited delivery service within three (3) business days after transmission), to the respective parties at the following addresses unless and until a different address has been designated by written notice to the other parties.

FOR VALUE RECEIVED, ("Assignor") hereby assigns, transfers and sets over unto FASTSIGNS International, Inc. ("Assignee"), all of Assignor's right, title and interest in and to the telephone numbers and regular, classified or other telephone directory listings (collectively, the "Telephone Numbers and Listings") and to social media accounts and passwords ("Accounts") associated with the Marks and used from time to time in connection with the operation of the Franchised Business (all initial capitalized terms used but not defined in this Assignment shall have the meanings set forth in the Franchise Agreement between Assignee and Assignor (the "Franchise Agreement")). This Assignment is only effective upon the conditions specified herein, and Assignee shall have no liability or obligation of any kind whatsoever arising from or in connection with this Assignment, unless Assignee shall notify the telephone company and/or the listing agencies with which Assignor has placed telephone directory listings and social media companies with which Assignor has placed social media (all such entities are collectively referred to herein as the "Companies") to effectuate the assignment pursuant to the terms hereof.

Upon termination or expiration of the Franchise Agreement (without renewal or extension), Assignee shall have the right and is hereby empowered to effectuate this assignment of the Telephone Numbers and Listings and Accounts and, in such event, Assignor shall have no further right, title or interest in the Telephone Numbers and Listings or the Accounts but shall remain liable to the Companies for all past due fees owing to the Companies on or before the effective date of the assignment hereunder.

Upon such event, Assignor shall immediately notify the Companies to assign the Telephone Numbers and Listings and the Accounts to Assignee (or Assignee's designee). If Assignor fails to promptly direct the Companies to assign the Telephone Numbers and Listings and Accounts to Assignee (or Assignee's designee), Assignee may direct the Companies to effectuate the assignment contemplated hereunder to Assignee (or Assignee's designee). The parties agree that the Companies may accept Assignee's written direction, the Franchise Agreement or this Assignment as conclusive proof of Assignee's exclusive rights in and to the Telephone Numbers and Listings and the Accounts upon such termination or expiration (without renewal or extension) and that such assignment shall be made automatically and immediately effective upon Companies' receipt of such notice from Assignee or Assignor. The parties further agree that if the Companies require that the parties execute the Companies' assignment forms or other documentation at the time of termination or expiration (without renewal or extension) of the Franchise Agreement, Assignee's execution of such forms or documentation on behalf of Assignor shall effectuate Assignor's consent and agreement to the assignment. The parties agree that at any time after the date hereof, they will perform such acts and execute and deliver such

documents as may be necessary to assist in or accomplish the assignment described herein upon termination or expiration (without renewal or extension) of the Franchise Agreement.

ADDENDUM TO FASTSIGNS INTERNATIONAL, INC. FRANCHISE AGREEMENT TRANSFER OF INTEREST

THE FASTSIGNS INTERNATIONAL, INC. FRANCHISE AGREEMENT ("**Agreement**") between _____, whose principal address is _____("**you**" or "**your**") and FASTSIGNS International, Inc., a Texas corporation located at 2542 Highlander Way, Carrollton, Texas 75006-2333 ("**we**", "**us**", or "**our**") as of the date signed by us and set forth opposite our signature on this Addendum (**"Effective Date**") shall be amended by the addition of the following language, which shall be considered an integral part of the Agreement ("**Addendum**"):

Certain provisions contained in the Agreement are amended to be consistent with your purchase of an existing Franchised Business.

INCORPORATION OF TERMS OF AGREEMENT

This Addendum shall amend and supplement the Agreement simultaneously executed by the parties herein. The terms, covenants, and conditions of this Addendum are incorporated into the Agreement, and with respect to any conflict between the two agreements, the terms of this Addendum shall be controlling with respect to the subject matter thereof.

AMENDMENTS TO THE AGREEMENT

The Agreement shall be amended as follows:

1. Site Selection, Lease of Premises, and Development and Opening of Franchised Business Subsections 2.A., B., C., and F. of the Agreement shall be deleted in their entirety.

2. Fees

Subsection 3.A. of the Agreement shall be deleted in its entirety, and the following shall be substituted in lieu thereof:

You agree to pay us a transfer fee ("**Transfer Fee**") that is either the greater of (i) fifty percent (50%) of the then-current Initial Franchise Fee or (ii) two percent (2%) of the total sales price (capped at 100% of the then current Initial Franchise Fee) for the resale of the Franchised Business, plus any broker fees and other out-of-pocket costs we incur in connection with the transfer of the Agreement or a controlling ownership interest in you or one of your principals.

You may request that we assist you in marketing your Franchised Business for resale. If we agree to provide such assistance, we will list your Franchised Business within our established broker networks, and you must pay us a fifteen-thousand-dollar ($15,000) Resale Consulting Fee ("**Resale Consulting Fee**"). This fee is only payable if you elect to use, and we provide, these services.

The Transfer Fee, Resale Consulting fee (if applicable), and any such costs are fully

earned and nonrefundable upon execution of this Agreement in consideration of the costs and expenses we incur in reviewing the transfer and providing related training.

3. Training and Assistance

The phrase "Before you open the Franchised Business," in the first sentence of the first paragraph of 4.A. of the Agreement shall be changed to "Before you take possession of the Franchised Business."

The phrase "When the Franchised Business is ready to open for business," in the last paragraph of Subsection 4.A. of the Agreement shall be changed to "Upon your possession of the Franchised Business".

The phrase "Within one hundred twenty (120) days from the date that your Franchised Business opens for business" in the first sentence of the fourth paragraph of Subsection 4.B. of the Agreement shall be changed to "Within one hundred twenty (120) days after you take possession of the Franchised Business,".

4. Marketing

Subsection 9.A. of the Agreement shall be deleted in its entirety, and the following shall be substituted in lieu thereof:

You agree to pay Ten Thousand Five Hundred Dollars ($10,500) to the Fastsigns National Advertising Council, Inc. upon signing of the Agreement for initial marketing and advertising for your Franchised Business in your local market which is administered by our marketing department. We will create a marketing and advertising plan for your Franchised Business and will allocate your required initial marketing and advertising pre-paid dollars to local programs at our sole discretion that will be scheduled to run for approximately 3-to-4 months. The programs in the initial marketing and advertising plan may include, but are not limited to, initial marketing materials (3-to-4 month supply), local paid search marketing, including local digital advertising, social media campaigns, direct mail marketing programs, virtual sales assistant customer prospecting email campaigns and sales promotion items. There are six (6) months of virtual sales assistant customer prospecting email campaigns included in your initial marketing and advertising plan. Marketing programs are evaluated for effectiveness, and we may amend the tactics to optimize the initial marketing and advertising plan. If additional funds remain after we outline the spending on these programs and materials on the elements above, other programs such as local paid media and association marketing opportunities can be included in the pre-paid portion of the marketing plan. The marketing plan will also include recommended programs and spending that you can choose to implement or not or modify as desired beyond the pre-paid fund amount. These recommended programs and their associated costs are not included in the initial advertising costs of Ten Thousand Five Hundred Dollars ($10,500) payable to Fastsigns National Advertising Council, Inc. You agree to comply with our guidelines for this initial marketing and advertising plan. We recommend that you invest additional amounts in local marketing during the first year of the Franchised Business's operation.

Upon expiration of the pre-paid marketing dollars referenced above for local digital advertising, you are required to continue local digital advertising in the same geographic area as your Territory as defined in Item 12, use our designated agency and spend the minimum amount required to consistently achieve an impression share of seventy-five percent (75%) in your Territory. Impression share is the percentage of impressions that your digital ads receive compared to the total number of impressions your ads could get. The required minimum spend is Eight Hundred Fifty Dollars ($850) a month and is subject to change. We will provide you with sixty (60) days' written notice of any increase in the minimum spend level. If spending a lower monthly amount keeps your local paid search impression at least seventy-five percent (75%), you must spend the difference on additional digital media channels and/or search engine optimization to generate demand. Also, you are required to maintain virtual sales assistant customer-prospecting email campaigns through our designated service at an annual cost of One Thousand Three Hundred Eighty dollars ($1,380) (this pricing is subject to change).

5. Construction

The first line in Section 17.J of the Franchise Agreement shall have the phrase "and Agreement and Consent" inserted after the word "Agreement".

IN WITNESS WHEREOF, you acknowledge that you have read and understood the contents of this Addendum, that you have had an opportunity to obtain the advice of counsel, and that you intend to comply with this Addendum and be bound thereby. The parties have executed and delivered this Addendum to the Agreement on the dates noted below, to be effective as of the Effective Date.

"Wide/grand format printing" is described as anything printed on a range of substrates that are 15 inches by 27 inches or larger, whether or not they are finished to a smaller size ("**wide/grand format printing**"). The products produced using wide/grand format printing include but are not limited to indoor and outdoor banners, floor graphics, window graphics, wall graphics, wall coverings, vehicle wraps, vehicle decals, signs, stickers, labels and other graphics or printed textiles. These businesses operate under the "FASTSIGNS" name and other trademarks ("**FASTSIGNS Centers**") and have distinctive business formats, methods, procedures, designs, layouts, standards, and specifications, all of which we may improve, further develop, or otherwise modify from time to time.

We and our affiliates use, promote, and license certain trademarks, service marks, and other commercial symbols in operating FASTSIGNS Centers, which have gained and will continue to gain public acceptance and goodwill, and may create, use, and license other trademarks, service marks, and commercial symbols for FASTSIGNS Centers (collectively, the "**Marks**").

We grant to persons who meet our qualifications and are willing to make an investment and effort, a franchise to license and operate a FASTSIGNS Center

offering the goods and services we authorize and using our business formats, methods, procedures, signs, designs, layouts, standards, specifications, and Marks (the "**Franchise System**").

You operate a business under the name of _____ ("**Existing Business**") which engages in_____("**Existing Services**").

Your core business at your Existing Business is _____ ("**Core Business**").

Your Existing Services includes the business described in Subsection 1.A.(1) above (the "**Included Business**").

You desire to establish an exclusive franchise and Co-Branding relationship with us while maintaining and operating your Existing Business ("**Co-Brand Relationship**"); and the Co-Brand Relationship will include the Included Business but will not include the other aspects of your Existing Business's Core Business.

As a franchise principal of a Co-Brand center, you will comply with this Agreement and all System Standards (defined below) to maintain the high and consistent quality that is critical to attracting and keeping customers for FASTSIGNS Centers.

You have applied for a license and operate a FASTSIGNS Co-Brand Franchised Business ("**Co-Brand Franchised Business**").

You will conduct your Co-Brand Franchised Business opened under this Agreement at the Existing Business.

"Co-Brand Franchised Business refers to the business described in 1.A.(1) above and excludes reference to your Existing Business.

B. CORPORATION, LIMITED LIABILITY COMPANY, OR PARTNERSHIP.

If you are at any time a corporation, limited liability company, or general or limited partnership (collectively, an **"Entity"**), you agree and represent that:

You will have the authority to execute, deliver, and perform your obligations under this Agreement and all related agreements and are duly organized or formed and validly existing in good standing under the laws of the state of your incorporation or formation;

Your organizational documents, operating agreement, or partnership agreement, as applicable, will recite that this Agreement restricts the issuance and transfer of any ownership interest in you, and all certificates and other documents

representing ownership interests in you will bear a legend referring to this Agreement's restrictions;

Attachment A to this Agreement completely and accurately describes all your principals (and the owners of your principals, if applicable) and their interests in you as of the Effective Date;

Each of your principals during this Agreement's term will execute a guaranty in the form we prescribe undertaking personally to be bound, jointly and severally, by all provisions of this Agreement and any ancillary agreements between you and us. Subject to our rights and your obligations under Section 12, you and your principals agree to sign and deliver to us a revised **Attachment B**, Guaranty and Assumption of Liabilities to reflect any permitted changes in the information that **Attachment A** now contains;

As described in Subsection 8.F., you will appoint a shareholder, member, or partner, as applicable, with not less than twenty five percent (25%) ownership interest to be your "**Managing Principal**," responsible for overseeing and supervising the operation of the Co-Brand Franchised Business (as defined in Subsection D below). The Managing Principal as of the Effective Date is identified in **Attachment A**. You may not change the Managing Principal without our prior written consent;

You will not engage in any business that competes with the Co-Brand Franchised Business;

You will provide us with copies of your certificate of incorporation, articles of incorporation, bylaws, stock certificates, other governing documents, any amendments, and resolutions of your Board of Directors authorizing entry into and the performance of this Agreement prior to the execution of this Agreement; or, if you are a partnership, copies of the written partnership agreement, other governing documents, and any amendments prior to the execution of this Agreement.

C. GRANT OF FRANCHISE.

You have applied for a franchise to license and operate a FASTSIGNS Center at your Existing Business' location identified on **Attachment C** (the "**Premises**"). Subject to this Agreement's terms, we grant you a franchise (the "**Franchise**") to operate a Co-Brand Franchised Business under the Co-Branding Relationship at the Premises, and to use the Franchise System in its operation, for a term beginning on the Effective Date and expiring ten (10) years from that date, unless sooner terminated as provided herein. You may use the Premises only for the Existing Business and the Co-Brand Franchised Business. You always agree to perform your obligations faithfully, honestly, and diligently under this Agreement and to use your best efforts to promote the Co-Brand Franchised Business.

D. TERRITORIAL RIGHTS.

You will open and operate a Co-Brand Franchised Business at your Existing Business. We will designate and describe your Territory in **Attachment C**. The size of the Territory

for the Co-Brand Franchised Business shall be a defined trade area around the Premises of the Existing Business.

E. RIGHTS WE RESERVE.

Except as expressly limited by Subsection D above, we and our affiliates retain all rights with respect to FASTSIGNS Centers, the Marks, the sale of similar or dissimilar products and services, and any other activities we deem appropriate. Specifically, but without limitation, we reserve the following rights:

(1) the right to operate, or franchise others to operate, similar or competitive businesses located inside or outside the Territory under trademarks or service marks other than the Marks;

(2) the right to operate, or franchise others to operate, other dissimilar businesses located inside or outside the Territory under trademarks or service marks other than the Marks;

(3) the right to sell products or services anywhere that are like those sold by FASTSIGNS centers, but under trademarks or service marks other than the Marks;

(4) the right to sell, and to license others to sell, products and services anywhere that are like those sold by FASTSIGNS centers, which products and services are sold under the Marks but through dissimilar distribution channels (including without limitation via the FASTSIGNS National Program, general or specialty retailers, the Internet or other electronic media);

(5) the right to sell products and services anywhere that are dissimilar from those sold by FASTSIGNS centers, but under the Marks or any other trademarks or service marks;

(6) the right to operate, and to grant others the right to operate FASTSIGNS Centers located anywhere outside the Territory;

(7) the right to acquire the assets or ownership interests of one or more businesses providing products and services similar to those provided at FASTSIGNS Centers, and franchising, licensing, or creating similar arrangements with respect to these businesses once acquired, wherever these businesses (or the franchisees or licensees of these businesses) are located or operating (including in the Territory); and

(8) the right to be acquired (whether through acquisition of assets, ownership interests or otherwise, regardless of the form of transaction), by a business providing products and services like those provided at FASTSIGNS Centers, or by another business, even if such business operates, franchises and/or licenses competitive businesses in the Territory.

F. MODIFICATION OF FRANCHISE SYSTEM.

Because complete and detailed uniformity under many varying conditions might not be possible or practical, you acknowledge that we specifically reserve the right and privilege to vary System Standards (defined below) for any franchise principal based upon the peculiarities of any condition that we consider important to that franchise principal's successful operation. You have no right to require us to grant you a similar variation or accommodation.

2. DEVELOPMENT AND OPENING OF CO-BRAND FRANCHISED BUSINESS.

A. CO-BRAND FRANCHISED BUSINESS.

Your Co-Brand Franchised Business will be located at the Premises. You agree to bear the cost and expense for making all alterations, modifications, and improvements as we deem necessary to develop the Co-Brand Franchised Business at the Premises. You acknowledge and agree that our approval of the Premises for the operation of the Co-Brand Franchised Business does not guarantee success.

B. PREMISES.

If the Lease expires or is terminated without your fault, or if the Premises are destroyed, condemned, or otherwise rendered unusable, you may request our approval to relocate the Co-Brand Franchised Business to a new location acceptable to us (a "**Relocation Site**"). Any relocation will be at your sole expense. You must reimburse us for our reasonable costs incurred in reviewing, evaluating, approving, and assisting with any proposed relocation, and you must pay any applicable fees described in the Franchise Disclosure Document, including the Relocation Design Management Fee if you choose to use such services.

You may not relocate the Co-Brand Franchised Business without our prior written consent. You must submit any proposed Relocation Site to us for approval before signing any letter of intent or other agreement (binding or non-binding). Any proposed lease for a Relocation Site must be approved by us before you execute a binding lease agreement (the "**Lease**"). All leases must include our Required Lease Terms attached to the Franchise Agreement as Attachment D. If you purchase a building for your Relocation Site, the entity that owns the building may be separate from the franchisee entity, and you must enter into a lease between those entities that complies with our Required Lease Terms and is approved by us. Upon our approval and the opening of the Co-Brand Franchised Business at the Relocation Site, the Relocation Site will become the Approved Location under this Agreement.

We may withhold approval of any Relocation Site for any reason that we, in the exercise of our reasonable business judgment, deem necessary. If a proposed Relocation Site is outside of or near the boundary of, your existing Territory, approval will be granted or withheld in our sole discretion. If we approve a Relocation Site outside your

existing Territory, your Territory may be redefined in accordance with our then-current policies and will generally include a comparable number of businesses to those in your prior Territory. After the relocation is complete, you must provide us with photographic evidence demonstrating that you have implemented the FASTSIGNS brand standards ("**Brand Standards**") in your showroom. We may elect not to update your address on your website or otherwise recognize the Relocation Site as operational until the Brand Standards are satisfactorily implemented, as determined by us in our sole discretion.

If you elect to have us coordinate and assist with the preparation and review of design development materials for a Relocation Site ("**Design Development**"), you must pay us the Relocation Design Management Fee described in the Franchise Disclosure Document. This fee covers our internal time and assistance in coordinating the Design Development process, including coordination with designers and review of design submissions. This fee does not include the cost of preparing the Design Development materials, and you are solely responsible for all third-party costs associated with the preparation of the Design Development materials, which you must pay directly to the approved designer or vendor.

You are not permitted to operate the Co-Brand Franchised Business under a month-to-month lease without our prior written approval. If you are purchasing the premises for the Co-Brand Franchised Business, you must submit the contract of sale to us for approval prior to signing it and you must deliver to us a signed copy of the contract of sale within ten (10) days after execution.

C. CO-BRAND FRANCHISED BUSINESS DEVELOPMENT.

Within forty-five (45) days of your execution of this Agreement, you agree to make all alterations, modifications and improvements to the Co-Brand Franchised Business as reasonably requested by us, which shall include, but not be limited to, adding interior and exterior signage meeting the current standards of the Franchise System; using/creating stationery, forms, invoices, business cards and all other written materials used in the sign business with materials meeting our standards for such items; obtaining and replacing such computer hardware, software and other equipment (at your option), meeting our specifications and standards necessary to operate the Co-Brand Franchised Business under the Franchise System.

You shall be responsible for obtaining and maintaining all zoning classifications and clearances which may be required by state, provincial, or local laws, ordinances, or regulations or which may be necessary or advisable because of any restrictive covenants relating to the Co-Brand Franchised Business. You agree to obtain and maintain all permits, licenses and certifications required for the lawful operation of the Co-Brand Franchised Business. You will certify in writing to us that the insurance coverage specified in Subsection 8.G. of this Agreement is in full force and effect and that all required approvals, clearances, permits, and certifications related thereto have been obtained within thirty (30) days after the Effective Date. Upon request, you agree to promptly provide us with additional copies of your insurance policies or certificates of insurance and copies of all the foregoing approvals, clearances, permits, licenses and certifications.

We will give you mandatory and suggested specifications and layouts for a Co-Brand Franchised Business, including requirements for dimensions, design, image, interior layout, decor, fixtures, equipment, signs, furnishings, and color scheme. These plans might not reflect the requirements of any federal, state, or local law, code, or regulation, including those arising under the Americans with Disabilities Act, as amended from time to time (the "**ADA**") or similar rules governing public accommodations for persons with disabilities. It is your responsibility to prepare a site survey (at your expense if the landlord does not provide and bear the cost of this) and all required construction plans and specifications to suit the Premises and to make sure that these plans and specifications comply with the ADA and similar rules governing public accommodations for persons with disabilities, other applicable ordinances, building codes, Title 24, permit requirements, and Lease requirements and restrictions. For any plans provided by us, we will not charge you for the cost of the first revision of the plans, but we may charge you for the cost of any additional revisions.

Because our review is limited to ensuring your compliance with our design requirements, it might not assess compliance with federal, state, or local laws and regulations, including the ADA, as compliance with these laws is your responsibility. We may inspect the Premises while you are developing the Co-Brand Franchised Business.

(1) You agree to do the following, at your own expense, to develop the Co-Brand Franchised Business at the Premises:

(2) secure all financing required to develop and operate the Co-Brand Franchised Business;

(3) secure all lease approvals from your current Landlord for the addition of a FASTSIGNS operation;

(4) obtain all required building, utility, sign, health, sanitation, business, EPA and other permits and licenses;

(5) construct all required improvements to the Premises and decorate the Co-Brand Franchised Business according to approved plans and specifications;

(6) obtain all customary contractor's sworn statements and partial and final waivers of lien for construction, remodeling, decorating, and installation services;

(7) purchase or lease, and install, all required fixtures, furniture, equipment (including a required or recommended computer, facsimile, and center management system), furnishings, and signs (collectively, "**Operating Assets**") for the Co-Brand Franchised Business; and

(8) purchase an opening inventory of authorized and approved products, materials, and supplies to operate the Co-Brand Franchised Business.

D. OPERATING ASSETS.

You agree to use in operating the Co-Brand Franchised Business only those Operating Assets that we approve for FASTSIGNS Centers as meeting our specifications and standards for quality, design, appearance, function, and performance. You agree to place or display at the Co-Brand Franchised Business (interior and exterior) the signs, emblems, lettering, logos, and display materials that we approve from time to time, in addition to the signs you display for the Existing Business. You agree to purchase or lease brands, types, or models of Operating Assets only from suppliers that meet our specifications (which may include or be limited to us and/or our affiliates) or suppliers you choose that meet our criteria and specifications.

E. HARDWARE AND SOFTWARE.

You agree to obtain and use the computer hardware, software, and related systems, technology platforms, and services that we designate from time to time (collectively, the "**Computer System**"), and to ensure that your Computer System is installed, maintained, and functioning in accordance with our requirements. The Computer System is part of the System Standards and must be maintained in accordance with our requirements.

We may modify the specifications for, or components of, the Computer System at any time. You also agree to use the email systems, addresses, and communication platforms that we designate as part of the Computer System.

Our modification of specifications for the Computer System, and/or other technological developments or events, may require you to purchase, lease, license, or implement new or modified computer hardware, software, systems, technology platforms, or services, and to obtain related services and support. Although we cannot estimate the future costs of the Computer System or any required service or support, and although these costs may not be fully amortizable over the remaining term of this Agreement, you agree to incur all such costs.

We have no obligation to reimburse you for any Computer System costs. Within one hundred eighty (180) days after you receive notice from us, you agree to implement any required modifications to the Computer System and ensure that they comply with our then-current specifications and standards.

You agree that we or our affiliates may require the use of proprietary software or technology that we or our affiliates select, develop, or maintain. Upon your signing or accepting of the Software License Agreement or similar document that we or our affiliates prescribe to regulate your use of, and our and your respective rights and responsibilities with respect to, the software or technology, we and our affiliates reserve the right to charge you or implement additional monthly or other fees for access to, maintenance, and support of said software or technology that we or our affiliates have licensed to you during this Agreement's term. We will provide you with one ninety (90) days prior notice of our decision to implement any new fees or increase existing fees. We charge you a Technology Fee ("**Tech Fee**") as described in Subsection 3.D. below. The Tech Fee allows us to provide tools and resources to keep the FASTSIGNS System operating efficiently.

Despite the fact that you agree to buy, use, and maintain the Computer System according to our standards and specifications, you will have sole and complete responsibility for: (1) the acquisition, operation, maintenance, and upgrading of the Computer System; (2) the manner in which your Computer System interfaces with our and any third party's computer system; and (3) any and all consequences if the Computer System is not properly operated, maintained, and upgraded.

You are required to use the third-party cost management software we designate to track the profitability of your Co-Brand Franchised Business.

You must use the email, communication, and technology systems we designate (including, without limitation, Google Workspace or any successor system) in connection with the operation of the Co-Brand Franchised Business. All such systems are part of the Computer System and the System Standards and must be installed, maintained, and used in accordance with our requirements, as we may modify from time to time.

To the fullest extent permitted by applicable law, you acknowledge and agree that:

(a) any email accounts, communications, data, or information created, transmitted, received, or stored using system approved or system-required technology platforms are business records of the Co-Brand Franchised Business and the system;

(b) you and your employees, agents, and representatives have no expectation of privacy with respect to such communications or data when using these systems; and

(c) we and our affiliates may, at any time and without further notice (except as required by applicable law), access, monitor, review, copy, disclose, or retain such communications and data for purposes of supporting the system, ensuring compliance with this Agreement, protecting the Marks and system, and complying with legal or regulatory obligations.

You must ensure that all employees and users of the system-approved technology platforms are informed of, and agree to comply with, this provision.

Notwithstanding the foregoing, we will exercise our rights under this Section in accordance with applicable privacy, data protection, and employment laws. Nothing in this Agreement is intended to limit any rights you or your personnel may have under applicable law that cannot be waived by contract.

F. CO-BRAND FRANCHISED BUSINESS OPENING.

You agree not to open the Co-Brand Franchised Business until:

we notify you in writing that the Co-Brand Franchised Business meets our standards and specifications (although our acceptance is not a representation or warranty, express or implied, that the Co-Brand CENTER complies with any engineering, licensing, environmental, labor, health, building, fire, sanitation, occupational, landlord's, insurance, safety, tax, governmental, or other statutes, rules, regulations, requirements, or recommendations nor a waiver of our right to require continuing compliance with our requirements, standards, or policies);

(1) your required attendees satisfactorily complete training as described in Subsection 4.A. of this Agreement and your Marketing Fee as described in Section 9.A. is paid prior to training;

(2) you pay the initial franchise fee and other amounts then due to us;

(3) you provide a voided check and the electronic fund transfer authorization to us;

(4) you pay for the equipment, furniture, and fixtures package then due to us; and

(5) you give us certificates for all required insurance policies, naming us as additional insured.

With respect to the Co-Brand Franchised Business, you acknowledge that time is of the essence. Subject to your compliance with the pre-opening obligations described in Section 2, you agree to complete construction and commence operating the Co-Brand Franchised Business under the Franchise System within ninety days after the Effective Date, unless you obtain an extension of such time from us. We will inspect the Co-Brand Franchised Business before you commence operation to determine whether you have complied with our specifications and standards for operating a Co-Brand Franchised Business. We have the right to prohibit you from commencing operation of the Co-Brand Franchised Business in the event you fail to comply with such pre-opening obligations.

You agree to operate and supervise the Co-Brand Franchised Business and devote your full time, best efforts and constant personal attention to the day-to-day operations of the Co-Brand Franchised Business for at least six (6) months after opening.

If you fail to open the Co-Brand Franchised Business within ninety (90) days after the Effective Date, we have the right to terminate this Agreement (see Subsection 14.A.(2) and (3)).

3. FEES.

A. INITIAL FRANCHISE FEE.

You agree to pay us a nonrecurring and nonrefundable initial franchise fee of _____ _____Dollars ($_____). This fee is due and fully earned by us when you sign this Agreement.

B. CONTINUING SERVICE AND ROYALTY FEE.

Effective on the date you commence operations as a Co-Brand Franchised Business and continuing through the first twelve (12) months of operation, you will pay us a monthly Continuing Service and Royalty Fee (the "Service Fee") equal to three percent (3%) of the Co-Brand Franchised Business's Gross Sales (as defined in Subsection D. below); provided, however, that beginning with the first full calendar month of operation, you will pay a Service Fee equal to the greater of One Thousand Two Hundred Fifty Dollars ($1,250) or three percent (3%) of Gross

Sales).

Beginning in the thirteenth (13th) month following the commencement of operations as a Co-Brand Franchised Business, and continuing throughout the remainder of the term of this Agreement (including any renewal term), you will pay a Service Fee equal to the greater of One Thousand Two Hundred Fifty Dollars ($1,250) or six percent (6%) of the Co-Brand Franchised Business's Gross Sales (as defined in Subsection D. below).

You will be eligible to pay the reduced Service Fee applicable to a Co-Brand Franchised Business only if your existing business had Gross Sales of at least Two Hundred Fifty Thousand Dollars ($250,000) during the twelve (12) consecutive months immediately preceding the Effective Date of this Agreement (the "Minimum Sales Threshold"), as demonstrated by financial statements and other documentation we require. If you do not meet the Minimum Sales Threshold, you will pay the Service Fee applicable to a new Franchised Business.

On or before the fifth (5th) day of each month, we will extract a statement of the Co-Brand Franchised Business's Gross Sales for the preceding calendar month from your Computer System. The method of payment is described in Subsection 3.H. below. In addition, you agree to pay the Ad Fund contribution as described in Subsection 9.B.

If you do not commence operations as a Co-Brand Franchised Business within ninety (90) days after the Effective Date, then beginning on the first day of the month following such ninety (90)-day period and continuing until operations commence, you must pay a minimum monthly Service Fee of Two Thousand Five Hundred Dollars ($2,500). This fee is a fixed monthly amount and is not based on Gross Sales.

The Sliding Scale Royalty Rebate described in Subsection 3.C. does not apply until the first full calendar year in which you are required to pay us a Service Fee equal to six percent (6%) and an Ad Fund contribution equal to two percent (2%) of the Co-Brand Franchised Business's Gross Sales.

You must be in "Good Standing" (as described in Subsection 3.I. below) to be eligible for the lower three percent (3%) Service Fee each month during the first twelve (12) months operations. If you are not in "Good Standing" at any time during this period, the Service Fee will increase to six percent (6%), in addition to all other remedies available to us.

C. SLIDING SCALE ROYALTY REBATE.

Beginning with your first full calendar year of operation in which you are required to pay a Service Fee equal to the six percent (6%) and an Ad Fee equal to two percent (2%) of Gross Sales, we will recalculate your Service Fee and Ad Fee Contributions (as described in Subsection 9.B.) you paid to us for the preceding calendar year based on your total annual gross sales for the calendar year, as set forth in the Sliding Scale Chart below ("**Chart**"):

On your sales between:	**Your Service Fee will be:**	**Your Ad Fee will be:**
$0 to $1,578,176	6.0%	2.0%
$1,578,177 to $2,367,266	5.75%	1.75%
$2,367,267 to $4,339,989	5.50%	1.65%
$4,339,990 to $6,312,710	5.25%	1.50%
$6,312,711 to $8,285,431	4.75%	1.25%
$8,285,432 to $10,258,152	4.25%	1.10%
$10,258,153 and above	3.75%	1.00%

At the conclusion of each calendar year, we will calculate a rebate payment ("**Rebate Payment**") to you based on each increment of your Gross Sales falling within each of the sales bands described above. The Rebate Payment will be paid to you no later than March 31 of the following year and will be paid to the franchisee that is the owner of record of the Franchised Business as of December 31 of the applicable year.

To be eligible for the Rebate Payment, you must (i) submit all required monthly royalty reports by December 31 in accordance with Section 10 of this Agreement and (ii) be in Good Standing (as described in Subsection 3.I.) as of December 31 of the applicable year.

The Sliding Scale Royalty Rebate does not apply until the first full calendar year in which you are required to pay a Service Fee equal to six percent (6%) of Gross Sales and an Ad Fund contribution equal to two percent (2%) of Gross Sales.

At our election, the sales bands set forth in the Chart above may be adjusted effective January 1 of each calendar year based on the greater of (i) the most recent Consumer Price Index published by the Bureau of Labor Statistics or (ii) the FASTSIGNS same center sales growth percentage ("Same Center Sales Growth") for the prior calendar year. "Same Center Sales Growth" means the average sales growth of all FASTSIGNS centers in the United States that were open for the full twelve (12) months during each of the two (2) preceding calendar years and the most recently completed calendar year.

D. TECHNOLOGY FEE.

You agree to pay us a technology fee of One Hundred Seventy-Five Dollars ($175.00) ("**Tech Fee**") beginning on the date the Co-Brand Franchised Business opens for business and continuing throughout the terms of this Agreement. The Tech Fee is due by the fifteenth (15th) day of each month.

We reserve the right to increase the Tech Fee upon at least ninety (90) days' prior written notice to you.

E. DEFINITION OF "GROSS SALES".

As used in this Agreement, the term "**Gross Sales**" means all revenue that you derive from operating the Co-Brand Franchised Business, including, but not limited to, all amounts that you

receive at or away from the Premises, and whether from cash, check, credit and debit card, barter exchange, trade credit, other credit transactions, or items of financial or non-financial benefit to you, but excluding (1) all federal, state, or municipal sales, use, or service taxes collected from customers and paid to the appropriate taxing authority; (2) revenues from the Core Business of your Existing Business; and (3) the amount of any documented refunds, credits, allowances, and charge-backs the Co-Brand Franchised Business in good faith gives to customers.

F. INTEREST.

All amounts which you owe us for any reason will bear interest accruing as of their original due date at one and one-half percent (1.5%) per month or the highest commercial contract interest rate the law allows, whichever is less. We may debit your bank account automatically for late fees and interest. You acknowledge that this Subsection is not our agreement to accept any payments after they are due or our commitment to extend credit to, or otherwise finance your operation of, the Co-Brand Franchised Business.

G. APPLICATION OF PAYMENTS.

Despite any designation you make, we may apply any of your payments to any of your past due indebtedness to us. We may set off any amounts you or your principals owe us or our affiliates against any amounts we or our affiliates owe you or your principals. You may not withhold payment of any amounts you owe us due to our alleged nonperformance of any of our obligations under this Agreement.

H. METHOD OF PAYMENT.

Before the Co-Brand Franchised Business opens, you agree to sign and deliver to us the documents we require (including **Attachment D**) to authorize us to debit your business checking account automatically for the Service Fee, Ad Fund contribution, Tech Fee (described in Subsection 9.B. below), and other amounts due under this Agreement and for your purchases from us, Fastsigns National Advertising Council, Inc. and our affiliates (the "**Electronic Funds Transfer Account**" or "**EFTA**"). Additionally, we reserve the right to debit the EFTA for cooperative advertising fees (described in Subsection 9.D. below). We will debit the EFTA for these amounts on their due dates. You agree to ensure that funds are available in the EFTA to cover our withdrawals. If there are insufficient funds in the EFTA to cover any such amount owed (or, if you are paying by check and a check is returned for insufficient funds), you stop payment on the EFTA (or check), close the EFTA, or request we do not process the EFTA we will charge you a processing fee as prescribed in the Operations Manual) per withdrawal or amount to compensate us for our additional administrative expenses. This amount is currently One Hundred Dollars ($100) but is subject to change.

If we are unable to extract a statement of your Gross Sales from your Computer System, we may debit your EFTA for one hundred fifty percent (150%) of the last Service Fee and Ad Fund contribution that we debited. If the amounts that we debit from your EFTA are less than the amount you owe us (once we have determined the Co-Brands Franchised Business's true and correct Gross Sales), we will debit your EFTA for the balance on the day we specify. If the amounts that we debit from your EFTA are greater than the amount you owe us, we will credit the excess against the amounts we otherwise would debit from your EFTA during the following month.

We may require you to pay any amounts due under this Agreement or otherwise by means other than automatic debit (e.g., by check) whenever we deem appropriate, and you agree to comply with our payment instructions.

I. LATE FEE FOR SUBMISSION OF LATE SALES REPORT, LATE SERVICE FEE AND NAC FUND CONTRIBUTION.

If we are unable to obtain any sales report when due as provided in Subsection 10(a) and/or Service Fee payment, or Ad Fund contribution when due as provided in Subsection 3.B above, we have the right, in addition to any other remedy available, to charge you a late fee of Fifty Dollars ($50) for each day such sales report, Service Fee payment or Ad Fund contribution is late, reduced, if necessary, to the extent such payment exceeds the amount permitted by applicable law. Said late fee shall be due and payable by you immediately when invoiced.

J. DEFINITION OF "GOOD STANDING".

The term "**Good Standing**" means that you do not owe any Service Fees, Ad Fund contributions, Tech Fees or any other monetary obligations to us more than thirty (30) days and you are in compliance with all of your other obligations under the Agreement and any other agreement with us, including timely reporting of Gross Sales. You are not in "Good Standing" if you make partial payments to us but still have amounts outstanding more than thirty (30) days.

4. TRAINING AND ASSISTANCE.

A. INITIAL TRAINING.

Before the Co-Brand Franchised Business opens for business, we will train up to three (3) of your representatives on the material aspects of operating a FASTSIGNS Center in accordance with Brand Standards. We will provide the initial training program at a designated training facility of our choice and/or at an operating FASTSIGNS Center. The initial training program is to protect and maintain the System Standards (defined below) and the Marks are not to control the day-to-day operation of your Co-Brand Franchised Business. You and your principals agree to sign **Attachment E** to this Agreement to acknowledge this. We will provide initial training for no additional fee for you (if you are an individual) or your Managing Principal (if you are an entity), your graphic designer and your visual communications specialist.

Additional people beyond these three (3) may attend initial training. You also agree to pay for all travel and living expenses that your attendees incur and for your employees' wages and workers' compensation insurance while they train at operating FASTSIGNS Centers. Training is conducted at our corporate offices or at any other location determined by us. We reserve the right to convert the traditional classroom training of the initial training program entirely, or partially to live instructor-leading virtual training, at our discretion.

You (or your Managing Principal), your graphic designer and your visual communications specialist must satisfactorily complete initial training. If we determine that you (or your Managing Principal) cannot complete initial training to our satisfaction, you may designate a replacement to complete such training. We may require your Co-Brand Franchised Business manager (including the Key Management Employee if you (or your Managing Principal)) to cease to function as the day-to-day manager of the Co-Brand Franchised Business until they satisfactorily complete our initial and ongoing training programs.

When the Co-Brand Franchised Business is ready to open for business, we will, at our own cost, send one of our representatives to the Co-Brand Franchised Business at a time to be determined by us to assist with its opening. You (or your Managing Principal) also must successfully complete this phase of the initial training program. If you request, and we agree to provide, additional or special guidance, assistance, or training during this opening phase, you agree to pay our then applicable charges, including our personnel per diem charges and travel and living expenses.

B. ONGOING TRAINING.

We may require you (or your Managing Principal) to attend and complete satisfactorily various training courses that we periodically choose to provide at the times and locations we designate. At your option and expense, you may send previously trained and experienced employees to these training courses. We may charge reasonable registration or similar fees for these courses to defray costs. Besides attending these courses, you agree to attend a designated franchise convention for all FASTSIGNS Center franchisees at a location we designate at least once in every two (2) year period. You agree to pay all registration fees, charges, and costs to attend. In addition, you agree to pay all travel and living expenses which you and your employees incur during all training courses and programs.

If you or your Managing Principal chooses not to give your full time, best efforts and constant personal attention to the operation of the Co-Brand Franchised Business, after six (6) months, you will designate, in writing, an individual (the "**General Manager**") who will assist you in the management of the Co-Brand Franchised Business by signing the Key Management Employee Designation form attached to this Agreement as **Attachment F**. The Key Management Employee will devote his full time, best efforts, and constant personal attention to the day-to-day operations of the Co-Brand Franchised Business in the event you do not participate in the full-time operation of the Co-Brand Franchised Business after the initial six (6) month period the Co-Brand Franchised Business is open. We may require that your Co-Brand Franchised Business manager (including the Key Management Employee if you (or your Managing Principal) cease to function as the day-to- day manager of the Co-Brand Franchised Business) satisfactorily complete our initial and ongoing training programs. If at any time the Key Management Employee is not able to continue to serve in such capacity or no longer qualifies to function as Key Management Employee, you will promptly notify us and shall designate a replacement Key Management Employee within thirty (30) days after the Key Management Employee ceases to serve. Should a replacement be required for the Key Management Employee, the replacement will be required to attend and complete training.

Within one hundred twenty (120) days from the date that your Co-Brand Franchised Business opens for business, we require that you hire an outside sales professional and employ an outside sales professional for the remaining term of the Agreement. An outside sales professional will be required to attend Sales Boot Camp within the first twelve (12) months from the date of hire. This is no charge for your initial outside sales professional's attendance of Sales Boot Camp training. We may charge a reasonable fee for training additional outside salespeople. Sales Boot Camp training is conducted at our corporate offices or at such other location as determined by us. You agree to pay for all travel and living expenses which your outside sales professional incur during attendance of Sales Boot Camp training.

You understand and agree that any specific ongoing training or advice we provide does not create an obligation (whether by course of dealing or otherwise) to continue to provide such specific training or advice, all of which we may discontinue and modify from time to time.

C. GENERAL GUIDANCE.

We will advise you from time to time regarding the Co-Brand Franchised Business's operation based on your reports or our inspections and will guide you with respect to: (1) standards, specifications, and operating procedures and methods that FASTSIGNS Centers use; (2) purchasing required and authorized Operating Assets and other items and arranging for their distribution to you; (3) advertising and marketing materials and programs; (4) employee training; and (5) administrative, bookkeeping, accounting, and inventory control procedures.

We will guide you in our manuals ("**Operations Manual**"); in bulletins or other written materials; by electronic media; by telephone consultation; and/or at our office or the Co-Brand Franchised Business. If you request, and we agree to provide, additional or special guidance, assistance, or training, you agree to pay our then applicable charges, including our personnel per diem charges and travel and living expenses.

D. OPERATIONS MANUAL.

During the Franchise term you will have electronic access to our Operations Manual, which could include audio and files/links, video and links, computer software, other electronic media, and/or written materials on a restricted website or extranet. You agree to monitor and access the Website for any updates to the Operations Manual or System Standards. Any passwords or other digital identifications necessary to access the Operations Manual on a Website will be deemed to be part of Confidential Information (defined in Section 6 below). At our discretion, hard copies of certain manuals may be loaned to you at no expense. The Operations Manual contains mandatory and suggested specifications, standards, operating procedures, and rules ("**System Standards**") that we periodically prescribe for operating a FASTSIGNS Center and information on your other obligations under this Agreement. We may modify the Operations Manual periodically to reflect changes in System Standards.

You agree to keep any hard copies of the Operations Manual current and in a secure location at the Co-Brand Franchised Business. If there is a dispute over its contents, our master copy of the Operations Manual controls. You agree that the Operations Manual's contents are confidential, and proprietary to us, and that you will not disclose the Operations Manual to any person other than Co-Brand Franchised Business employees who need to know its contents. You may not at any time copy, duplicate, record, or otherwise reproduce any part of the Operations Manual. If your copy of the Operations Manual is lost, destroyed, or significantly damaged, you agree to obtain a replacement copy at our then applicable charge.

E. DELEGATION OF PERFORMANCE

You agree that we have the right to delegate the performance of any portion or all our obligations under this Agreement to third-party designees, whether these designees are our agents or independent contractors with whom we have contracted to perform these obligations. If we do so, such third-party designees will be obligated to perform the delegated functions for you in compliance with this Agreement.

5. MARKS.

A. OWNERSHIP AND GOODWILL OF MARKS.

Your right to use the Marks is derived only from this Agreement and limited to your operating the Co-Brand Franchised Business according to this Agreement and all System Standards we prescribe during its term. Your unauthorized use of the Marks is a breach of this Agreement and infringes our rights in the Marks. You acknowledge and agree that your use of the Marks and any goodwill established by that use are exclusively for our benefit and that this Agreement does not confer any goodwill or other interests in the Marks upon you (other than the right to operate the Co-Brand Franchised Business under this Agreement). All provisions of this Agreement relating to the Marks apply to any additional proprietary trade and service marks we authorize you to use. You may not at any time during or after this Agreement's term contest or assist any other person in contesting the validity, or our ownership, of the Marks.

B. LIMITATIONS ON YOUR USE OF MARKS.

You agree to use the Marks as the Co-Brand Franchised Business's identification, except that you agree to identify yourself as its independent owner in the manner we prescribe. You may not use any Mark (1) as part of any corporate or legal business name, (2) with any prefix, suffix, or other modifying words, terms, designs, or symbols (other than logos we have licensed to you), (3) in selling any unauthorized services or products, (4) as part of any domain name, homepage, electronic address, email addresses, or otherwise in connection with a website or (5) in any other manner that we have not expressly authorized in writing.

You may not use any Mark in advertising the transfer, sale, or other disposition of the Co-Brand Franchised Business or an ownership interest in you without our prior written consent, which we will not unreasonably withhold. You agree to display the Marks prominently as we prescribe at the Co-Brand Franchised Business and on forms, advertising, supplies, and other materials we designate. You agree to give the notices of trade and service mark registrations that we specify and to obtain any fictitious or assumed name registrations required under applicable law.

C. NOTIFICATION OF INFRINGEMENTS AND CLAIMS.

You agree to notify us immediately of any apparent infringement or challenge to your use of any Mark, or of any person's claim of any rights in any Mark, and not to communicate with any person other than us, our attorneys, and your attorneys, regarding any infringement, challenge or claim. We may take the action we deem appropriate (including no action) and control exclusively any litigation, U.S. Patent and Trademark Office proceeding, or other administrative proceeding arising from any infringement, challenge, or claim or otherwise concerning any Mark. You agree to sign any documents and take any other reasonable action that, in the opinion of our attorneys, are necessary or advisable to protect and maintain our interests in any litigation or Patent and Trademark Office or other proceeding or otherwise to protect and maintain our interests in the Marks. We will reimburse you for the costs of taking any action that we have asked you to take.

D. DISCONTINUANCE OF USE OF MARKS.

If it becomes advisable at any time for us and/or you to modify or discontinue using any Mark and/or to use one or more additional or substitute trade or service marks, you agree to comply with our directions within a reasonable time after receiving notice. Any costs incurred by you to comply with any change or modification of any mark will be paid solely by you; however, we may, at our discretion, reimburse a portion of the costs to you. We need not reimburse you for any loss of revenue due to any modified or discontinued Mark, or for your expenses for promoting a modified or substitute trademark or service mark.

Our rights in this Subsection D apply to all the Marks (and any portion of any Mark) that we authorize you to use in this Agreement. We may exercise these rights at any time and for any reason, business or otherwise, that we think best. You acknowledge both our right to take this action and your obligation to comply with our directions.

E. INDEMNIFICATION FOR USE OF MARKS.

We agree to reimburse you for all damages and expenses that you incur in any trademark infringement proceeding disputing your authorized use of any Mark under this Agreement if you have notified us within thirty (30) days of, and comply with our directions in responding to, the proceeding. At our option, we may defend and control the defense of any proceeding arising from your use of any Mark under this Agreement.

6. CONFIDENTIAL INFORMATION.

We possess (and will continue to develop and acquire) certain confidential information, some of which constitutes trade secrets under applicable law (the "**Confidential Information**"), relating to developing and operating FASTSIGNS Centers, including (without limitation):

(1) site selection criteria;

(2) training and operations materials and manuals;

(3) methods, formats, specifications, standards, systems, procedures, production techniques, production processes, sales and marketing techniques, knowledge, and experience used in developing and operating FASTSIGNS Centers;

(4) sales, marketing, and advertising programs for FASTSIGNS Centers;

(5) knowledge of, specifications for, and suppliers of Operating Assets and other products and supplies;

(6) any computer software or similar technology which is proprietary to us or the Franchise System, including, without limitation, digital passwords and identifications and any source code, data, reports, and other printed materials generated by the software or similar technology;

(7) knowledge of the operating results and financial performance of FASTSIGNS Centers other than the Co-Brand Franchised Business;

(8) graphics designs, icon designs and related intellectual property; and

(9) personal information of any customers of the Co-Brand Franchised Business and other FASTSIGNS Centers ("**Customer Information**"). "Personal Information" is data that identifies an individual or relates to an identifiable individual.

You acknowledge and agree that you will not acquire any interest in Confidential Information, other than the right to use it as we specify in operating the Co-Brand Franchised Business during this Agreement's term, and that Confidential Information is proprietary, includes our trade secrets, and is disclosed to you only on the condition that you agree, and you in fact do agree, that you:

(a) will not use Confidential Information in any other business or capacity;

(b) will keep each item deemed to be part of Confidential Information confidential, both during this Agreement's term and then thereafter for as long as the item is not known in the signage and printing industry;

(g) will require and obtain execution of the Confidentiality/Non-Compete Agreement attached to this Agreement as **Attachment G** from your General Manager, outside sales professional and other personnel who have received or will have access to Confidential Information unless prohibited by local or state laws specific to where your Co-Brand Franchised Business is located. You will adopt and implement reasonable procedures to prevent unauthorized use or disclosure of Confidential Information, including, without limitation, restricting its disclosure to Co-Brand Franchised Business personnel, and others and using non-disclosure and non-competition agreements with those having access to Confidential Information. We may modify or you may modify Attachment **G** to this Agreement to remove the covenant not-to-compete provisions if we or you decide not to require these covenants be executed by your Co-Brand Franchised Business personnel. We have the right to regulate the form of agreements that you use and to be a third-party beneficiary of those agreements with independent enforcement rights.

Confidential Information does not include information, knowledge, or know-how which you can demonstrate lawfully came to your attention before we provided it to you directly or indirectly; which, at the time we disclosed it to you, already had lawfully become generally known in the signage and printing industry through publication or communication by others (without violating an obligation to us); or which, after we disclose it to you, lawfully becomes generally known in the signage and printing industry through publication or communication by others (without violating an obligation to us). However, if we include any matter in Confidential Information, anyone who claims that it is not Confidential Information must prove that one of the exclusions provided in this paragraph is fulfilled.

We collaborate with you, your principals and other franchisees towards constant improvement and adapting to change to remain relevant and competitive in the graphics and visual communications industry. Many of our current processes are a result of franchisee innovation and input.

All ideas, concepts, techniques, or materials relating to a FASTSIGNS Center, whether protectable intellectual property and whether created by or for you or your principals or employees, must be promptly disclosed to us and will be deemed to be our sole and exclusive property, part of the Franchise System, and works made-for-hire for us. To the extent that any item does not qualify as a "work made-for-hire" for us, by this paragraph you assign ownership of that item, and all related rights to that item, to us and agree to take whatever action (including signing assignment or other documents) we request to evidence our ownership or to help us obtain intellectual property rights in the item.

7. EXCLUSIVE RELATIONSHIP.

You acknowledge that we have granted you a license to franchise the Co-Brand Franchised Business in consideration of and reliance upon your agreement to deal exclusively with us. You therefore agree that, except for your Existing Business (which shall continue to be licensed and operated by you at the same Premises as the Co-Brand Franchised Business in accordance with this Agreement), during this Agreement's term, neither you, any of your principals, nor any of your or your principals' spouses will:

(a) have any direct or indirect controlling or non-controlling interest as an owner whether of record, beneficially, or otherwise, in a Competitive Business, wherever located or operating (except that equity ownership of less than two percent (2%) of a Competitive Business whose stock or other forms of ownership interest are publicly traded on a recognized United States stock exchange will not be deemed to violate this subparagraph);

(c) divert or attempt to divert any actual or potential business or customer of the Co-Brand Franchised Business to a Competitive Business, or divert or attempt to divert any actual or potential business or customer from another FASTSIGNS Center to a competitive business; or

Therefore, you always agree to operate and maintain the Co-Brand Franchised Business according to all our System Standards, as we periodically modify and supplement them. Although we retain the right to establish and periodically modify System Standards that you have agreed to maintain, you retain the right to and responsibility for the day-to-day management and operation of the Co-Brand Franchised Business and implementing and maintaining System Standards at the Co-Brand Franchised Business.

(5) days and hours of operation;

(9) production methods; production processes; workflow; equipment used; installation methods; and proactive business development through consistent use of outside salespeople.

You agree that System Standards we prescribe in the Operations Manual or otherwise communicate to you in writing or another tangible form (for example, via Franchise System extranet or Website), are part of this Agreement as if fully set forth within its text. All references to this Agreement include all System Standards as periodically modified. You agree to comply with the System Standards provided in the then-current Operations Manual.

You must secure from your customers or prospective customers all consents and authorizations, and provide them all disclosures, that applicable law requires to transmit the Customer Information to us and our affiliates, and for us and our affiliates to use that Customer Information, in the manner that this Agreement contemplates.

J. MODIFICATION OF SYSTEM STANDARDS.

You acknowledge and agree that as our business and industry evolve, we may make changes to the Franchise System from time to time to remain relevant and competitive. Although it is our practice to consult or collaborate with the Franchise Advisory Council, the Fastsigns National Advertising Council, Inc. and/or other franchisee leadership in the change process as we deem appropriate (we may further outline any franchisee involvement in the Operations Manual or other franchisee communication), we have the right and final decision to modify, add to or rescind any requirement, standard or specification that we prescribe under this Agreement to adapt the Franchise System to changing conditions, competitive circumstances, business strategies, business practices and technological innovations and other changes. You must comply with these modifications, additions, or rescissions at your expense, subject to any express limitations as stated this Agreement. All modifications, innovations and improvements to the Franchise System become our property regardless of who developed the modification, innovation, or improvement.

9. MARKETING.

A. INITIAL MARKETING PLAN.

Before you register for initial training, you must pay Ten Thousand Five Hundred Dollars

($10,500) for the initial advertising for your Co-Brand Franchised Center to the Fastsigns National Advertising Council, Inc. This will be administered by our marketing department on behalf of the Fastsigns National Advertising Council, Inc. We will create a marketing and advertising plan for your Co-Brand Franchised Business and will allocate your required initial marketing and advertising pre-paid dollars to local programs at our sole discretion that will be scheduled to run for approximately 3-to-4 months. The programs in the initial marketing and advertising plan may include direct mail marketing programs (including a grand opening mail campaign), initial may include, but are not limited to, marketing materials (3-to-4-month supply), local paid search marketing including local digital advertising, virtual sales assistant customer prospecting email campaigns, virtual sales assistant customer prospecting email campaigns, social media campaigns, direct mail marketing programs and sales promotion items. The marketing plan also includes required tracking of phone numbers and web lead forms to capture and track all lead activity. There are six (6) months of virtual sales assistant customer prospecting email campaigns included in your initial marketing and advertising plan. Marketing programs are evaluated for effectiveness, and we may amend the tactics to optimize the initial marketing and advertising plan. If additional funds remain after we outline the spending on these programs and materials on the elements above, other programs such as local media or association marketing opportunities can be discussed for inclusion in the pre-paid portion of the marketing plan. The marketing plan will also include recommended programs and spending that you can choose to implement or not or modify as desired beyond the pre-paid marketing amount. These recommended programs and their associated costs are not included in the initial advertising cost of Ten Thousand Five Hundred Dollars ($10,500) payable to the Fastsigns National Advertising Council, Inc. You agree to comply with our guidelines for this initial marketing and advertising plan. We recommend that you invest additional amounts in local marketing during the first year of the Co-Brand Franchised Business's operation.

Upon expiration of the pre-paid marketing dollars referenced above, you are required to continue local digital advertising in the same geographic area as your Territory defined in Item 12, use our designated agency and spend the minimum amount required to consistently achieve an impression share of seventy-five percent (75%) or more in your Territory. Impression share is the percentage of impressions that your digital ads receive compared to the total number of impressions your ads could get. The required minimum spend is Eight Hundred Fifty Dollars ($850) a month and is subject to change. We will provide you with sixty (60) days' written notice of any increase in the minimum spend level. If spending a lower monthly amount keeps your local paid search impression share at least seventy-five percent (75%), you must spend the difference on additional digital media channels and/or search engine optimization to generate demand. Also, you are required to maintain virtual sales assistant customer-prospecting email campaigns through our designated service at an annual cost of One Thousand Three Hundred Eighty dollars ($1,380) (this pricing is subject to change).

B. <u>ADVERTISING</u>.

We have established an advertising fund for the advertising, marketing, promotional, and public relations programs we deem appropriate (the "**Ad Fund**"). You will contribute to the Ad Fund one percent (1%) of Gross Sales beginning on the date the Co-Brand Franchised Business opens and continues through the first twelve (12) months of operation, payable in the same manner as the Service Fee. Beginning in the thirteenth (13th) month of operation and continuing throughout the remainder of the term of this Agreement, you will contribute to the Ad Fund two percent (2%) of Gross Sales.

The Ad Fund is currently administered by Fastsigns National Advertising Council, Inc. The Sliding Scale Royalty Rebate described in Subsection 3.C. will not apply until the first full calendar year in which you are required to pay an Ad Fund contribution of two percent (2%) of Gross Sales.

Your eligibility to pay the reduced Ad Fund contribution applicable to a Co-Brand Franchised Business is subject to the Minimum Sales Threshold requirement described in the Service Fee provisions of this Agreement. If you do not meet the Minimum Sales Threshold, you will pay the Ad Fund contribution applicable to a new Franchised Business.

You must be in "Good Standing" (as described in Subsection 3.I.) to be eligible for the reduced one percent (1%) Ad Fund contribution during the first twelve (12) months of operation; if you are not in Good Standing at any time during this period, your Ad Fund contribution will increase to two percent (2%), in addition to all other remedies available to us.

The Board of Directors of the Fastsigns National Advertising Council, Inc., is comprised of us, and other members elected by our franchisees in accordance with the Fastsigns National Advertising Council Inc.'s bylaws. All decisions of the Fastsigns National Advertising Council, Inc., are subject to our approval. We, the Fastsigns National Advertising Council, Inc., or our designee will maintain and administer the Ad Fund.

We or the Fastsigns National Advertising Council, Inc. has the right to collect for deposit into the Ad Fund any advertising, marketing, promotional or similar allowances paid to us or the Fastsigns National Advertising Council, Inc. by suppliers who deal with FASTSIGNS Centers and with whom we or the Fastsigns National Advertising Council, Inc. have agreed that we will deposit these allowances. (These payments are different from those which are not designated by suppliers to be used exclusively for advertising or similar purposes and which we and our affiliates therefore may use for any purpose we and they deem appropriate, as provided in Subsection 8.D. above.)

We or the Fastsigns National Advertising Council, Inc. will direct all programs that the Ad Fund finances, with sole control over the creative concepts, materials, testing, and endorsements used and their geographic, market, and media placement and allocation. The Ad Fund is used to pay all costs for the formulation, planning, research, testing, development, production, production, management and execution of all marketing, advertising, promotional, merchandising, sales, web, public relations and social media activities, and brand-related employer of choice advertising used to promote and protect the FASTSIGNS brand. This includes, but is not limited to, executing marketing research, preparing and producing television, video, audio, print, promotions, email, e-newsletter, social media, digital marketing, website development, website hosting, search engine optimization, AI optimization local digital advertising, virtual sales assistant customer prospecting email campaigns, Internet banner and other digital advertising, SMS text marketing programs, direct mail, outdoor activities, telephone prospecting, trade shows, sponsorships, sales collateral material, public relations activities, sales development, sales training and all other lead generating and sales building activities. The advertising fund is used for these activities whether through an outside agency or if these functions are carried out and developed by our marketing staff.

The Ad Fund periodically give you samples of advertising, marketing, and promotional formats and materials at no cost.

We or the Fastsigns National Advertising Council, Inc. will account for the Ad Fund separately from our or the Fastsigns National Advertising Council Inc.'s other funds and not use the Ad Fund for any of our general operating expenses. However, we or the Fastsigns National Advertising Council, Inc. may use the Ad Fund to pay the reasonable salaries and benefits of personnel who manage and administer the Ad Fund, the Ad Fund's other administrative costs, travel expenses of personnel while they are on Ad Fund business, meeting costs, overhead relating to Ad Fund business, and other expenses that we or the Fastsigns National Advertising Council, Inc. incur in activities reasonably related to administering or directing the Ad Fund and its programs, including, without limitation, conducting market research, public relations activities and social media, preparing advertising, promotion, marketing materials, sales collateral materials, teaching franchisees how to implement local marketing and collecting and accounting for Ad Fund contributions.

The Ad Fund will not be our or Fastsigns National Advertising Council Inc.'s asset. Although the Ad Fund is not a trust, we or the Fastsigns National Advertising Council, Inc. will hold all Ad Fund contributions for the benefit of the contributors and use contributions only for the purposes described in this Subsection. Neither we nor the Fastsigns National Advertising Council, Inc. owe any fiduciary obligation to you for administering the Ad Fund or any other reason. The Ad Fund may spend in any fiscal year more or less than the total Ad Fund contributions in that year, borrow from us, the Fastsigns National Advertising Council, Inc., or others (paying reasonable interest) to cover deficits, or invest any surplus for future use. We or the Fastsigns National Advertising Council, Inc. will use all interest earned from Ad Fund contributions to pay costs before using the Ad Fund's other assets.

We or the Fastsigns National Advertising Council, Inc. will prepare an annual, unaudited statement of Ad Fund collections and expenses and give you the statement upon written request. We or the Fastsigns National Advertising Council, Inc., may have the Ad Fund audited, at the Ad Fund's expense, by an independent certified public accountant. We or the Fastsigns National Advertising Council, Inc. may incorporate the Ad Fund or operate it through a separate entity whenever we deem appropriate. The renewal entity will have all the rights and duties specified in this Subsection.

We and the Fastsigns National Advertising Council, Inc. intend to use the Ad Fund to maximize recognition of the Marks, patronage of FASTSIGNS Centers and when offered, eCommerce programs. Although we and the Fastsigns National Advertising Council, Inc. will try to use the Ad Fund to develop advertising, marketing, promotional and sales materials and programs that will benefit all FASTSIGNS Centers, neither we nor the Fastsigns National Advertising Council, Inc. ensure that Ad Fund expenditures in or affecting any geographic area are proportionate or equivalent to Ad Fund contributions by FASTSIGNS Centers operating in that geographic area or that any FASTSIGNS Center benefits directly or in proportion to its Ad Fund contribution from the development of materials or the placement of advertising, marketing, promotions or sales related programs.

We and the Fastsigns National Advertising Council, Inc., have the right, but no obligation, to use collection agents and institute legal proceedings to collect Ad Fund contributions at the Ad Fund's expense. We and the Fastsigns National Advertising Council, Inc. may also forgive, waive, settle, and compromise all claims by or against the Ad Fund. Except as expressly provided in this Subsection, neither we nor the Fastsigns National Advertising Council, Inc., assume any direct or indirect liability or obligation to you for

collecting amounts due to maintaining, directing, or administering the Ad Fund.

At our option, we may establish one or more Websites to advertise, market, and promote FASTSIGNS Centers, the merchandise that they offer and sell, and/or the FASTSIGNS franchise opportunity (each a "**System Website**"). We have a System Website, and your Co-Brand Franchised Business will be listed on it. You can customize your Co-Brand Franchised Business's webpage(s) within our guidelines. We will own all intellectual property and other rights on the System Website and all the information it contains, including, without limitation, the log of visitors, and any personal or business data that visitors supply.

We will maintain the System Website, including your listing on it, and may use the Ad Fund's assets to develop, maintain and update the System Website. You acknowledge that we shall control all information on the System Website.

We will maintain a listing of your Co-Brand Franchised Business on our System Website only while you are in full compliance with this Agreement and all System Standards we implement. If you are in default of any obligation under this Agreement or our System Standards, then we may, in addition to our other remedies, temporarily remove your listing from the System Website until you fully cure the default. We will permanently remove your Co-Brand Franchised Business's listing from the System Website upon this Agreement's expiration or termination.

You can have eCommerce websites that are created through our approved vendor(s). You cannot have an eCommerce website created by others than our approved vendors unless approved by us, and subject to our guidelines. You cannot promote the Uniform Resource

Locator ("**URL**") connected to these eCommerce websites in local digital advertising or other advertising.

All advertising, marketing, sales, and promotional materials that you develop for the Co-Brand Franchised Business must contain notices of the System Website's domain name in the manner we designate. You may not develop, maintain, or authorize any other website that mentions or describes you or the Co-Brand Franchised Business or displays any of the Marks. You may not buy a domain name to direct web traffic to your fastsigns.com website or otherwise. Our System Web Policies are described in further detail in the Operations Manual.

E. CO-BRAND FRANCHISED BUSINESS TELEPHONE NUMBER(S) AND SOCIAL MEDIA ACCOUNTS AND PASSWORDS.

You agree to install a dedicated telephone line(s) and listing(s) for the Co-Brand Franchised Business that will be effective upon opening the Co-Brand Franchised Business.

You will be permitted to set your product pricing and delivery options for fulfilling orders. We will create a Co-Brand Franchised Business specific website within our eCommerce Platform, but you will be responsible for setting up your catalogs on the System Website including product descriptions, product images, pricing, product dimensions, shipping carriers, etc. You must be Good Standing with this Agreement and our System Standards described in the Manuals or otherwise in writing to be eligible to participate in our eCommerce Platform.

10. RECORDS, REPORTS, AND FINANCIAL STATEMENTS.

You agree to provide us with your year-end financial statements for your Existing Business for the twelve (12) month period immediately prior to the Effective Date of this Agreement so we can verify your Existing Business's gross sales.

You agree to establish and maintain at your own expense a bookkeeping, accounting, and recordkeeping system conforming to the requirements and formats we prescribe from time to time. We may require you to use a Computer System to maintain certain sales data and other information. You agree to give us in the manner and format that we prescribe from time to time:

(a) on or before the fifth (5th) day of each month, we will extract a report on the Co-Brand Franchised Business's Gross Sales for the preceding month through your Computer System;

(b) within thirty (30) days after the end of each calendar month, a monthly and year-to-date financial statement prepared based on a calendar year and using the accrual basis of accounting and our recommended chart of accounts;

You agree to prepare all financial statements in accordance with Generally Accepted Accounting Principles ("**GAAP**") using our recommended chart of accounts using the accrual basis of accounting and to verify and sign each report and financial statement in the manner we prescribe. We may disclose data derived from these reports, although we will not, without your consent (unless required by law) disclose your identity in any materials that we circulate publicly. Moreover, we may, as often as we deem appropriate (including daily), access the Computer System and extract or send through the internet all information relating to the Co-Brand Franchised Business's operation.

You agree to preserve and maintain all records in a secure location at the Co-Brand Franchised Business for at least seven (7) years (including, but not limited to, sales checks, purchase orders, invoices, payroll records, customer lists, check stubs, sales tax records and returns, cash receipts, disbursement journals, and general ledgers). We may require you to have audited financial statements prepared annually during this Agreement's term. If you fail to provide any of the above reports or financial statements when due, we may, in our discretion, charge a late fee of Fifty Dollars ($50) per day for each day the report or financial statement is late. Any such late fee shall be due and payable when imposed.

11. INSPECTIONS AND AUDITS.

A. <u>OUR RIGHT TO INSPECT THE CO-BRAND FRANCHISED BUSINESS</u>.

To determine whether you and the Co-Brand Franchised Business are complying with this Agreement and all System Standards, we and our designated agents or representatives may at all times and without prior notice to you: (1) inspect the Co-Brand Franchised Business; (2) photograph the Co-Brand Franchised Business and observe and videotape the Co-Brand Franchised Business's operation for consecutive or intermittent periods we deem necessary; (3) remove samples of any products and supplies; (4) interview the Co-Brand Franchised Business's personnel and customers; and (5) inspect and copy any books, records, data files and documents relating to the Co-Brand Franchised Business's operation. If we exercise any of these rights, we will not interfere unreasonably with the Co-Brand Franchised Business's operation. You acknowledge that any evaluation or inspection that we conduct is conducted to protect our interests in the System Standards and Marks and is not intended to exercise, and does not constitute, in whole or in part, control over the day-to-day operation of the Co-Brand Franchised

Business and you agree to never contend otherwise. You agree to cooperate with us fully.

B. OUR RIGHT TO AUDIT.

We may at any time during your business hours, and without prior notice to you, examine your (if you are an Entity) and the Co-Brand Franchised Business's or your Existing Business's business, bookkeeping, and accounting records, sales and income tax records and returns, and other records. You agree to cooperate fully with our representatives and independent accountants in any examination. If any examination discloses an understatement of the Co-Brand Franchised Business's Gross Sales, you agree to pay us, within fifteen days after receiving the examination report, the Service Fee and Ad Fund contributions due on the amount of the understatement, plus our service charges and interest on the understated amounts from the date originally due until the date of payment. Furthermore, if an examination is necessary due to your failure to furnish reports, supporting records, or other information as required, or to furnish these items on a timely basis, or if our examination reveals a Service Fee or Ad Fund contribution understatement exceeding two percent (2%) of the amount that you actually reported to us for the period examined, you agree to reimburse us for the costs of the examination, including, without limitation, the charges of attorneys and independent accountants and the travel expenses, room and board, and compensation of our employees and representatives. These remedies are in addition to our other remedies and rights under this Agreement and applicable law.

12. TRANSFER.

A. BY US.

You acknowledge that we maintain a staff to manage and operate the Franchise System and that staff members can change as employees come and go. You represent that you have not signed this Agreement in reliance on any shareholder, director, officer, or employee remaining with us in that capacity. We may change our ownership or form and/or assign this Agreement and any other agreement to a third party without restriction. After our assignment of this Agreement to a third party who expressly assumes the obligations under this Agreement, we no longer will have any performance or other obligations under this Agreement.

B. BY YOU.

You understand and acknowledge that the rights and duties this Agreement creates are personal to you (or, if you are an Entity, to your principals) and that we have granted you the license to franchise Co-Brand Franchised Business in reliance upon our perceptions of your (or your principals') individual or collective character, skill, aptitude, attitude, business ability, and financial capacity. Accordingly, none of the following may be transferred without our prior written approval: (i) this Agreement (or any interest in this Agreement); (ii) the Co-Brand Franchised Business (or any right to receive all or a portion of the Co-Brand Franchised Business's profits or losses or capital appreciation related to the Co-Brand Franchised Business); (iii) substantially all of the assets of the Co-Brand Franchised Business; (iv) any ownership interest in you (regardless of its size); or (v) any ownership interest in any of your principals (if such principals are legal entities). A transfer of the Co-Brand Franchised Business's ownership, possession, or control, or all its assets, may be made only with a transfer of this Agreement. Any transfer without our approval is a breach of this Agreement and has no effect.

In this Agreement, the term "transfer" includes a voluntary, involuntary, direct, or indirect assignment, sale, gift, or other disposition. An assignment, sale, gift, or other disposition includes the following events:

(a) transfer of ownership of capital stock, a partnership or membership interest, or another form of ownership interest;

(b) merger or consolidation or issuance of additional securities or other forms of ownership interest;

(c) any sale of a security convertible to an ownership interest;

(d) transfer of an interest in you, this Agreement, the Co-Brand Franchised Business or all its assets, or your principals in a divorce, insolvency, or entity dissolution proceeding or otherwise by operation of law;

(e) if you, one of your principals, or an owner of one of your principals dies, a transfer of interest in you, this Agreement, the Co-Brand Franchised Business or all of its assets, or your principal by will, declaration of or transfer in trust, or under the laws of intestate succession; or

(f) pledge of this Agreement (to someone other than us) or of an ownership interest in you or your principals as security, foreclosure upon the Co-Brand Franchised Business, or your transfer, surrender, or loss of the Co-Brand Franchised Business's possession, control, or management. You may grant a security interest (including a purchase money security interest) in the Co-Brand Franchised Business's assets (not including this Agreement) to a lender that finances your acquisition, development, and/or operation of the Co-Brand Franchised Business without having to obtain our prior written approval if you give us ten (10) days' prior written notice.

C. CONDITIONS FOR APPROVAL OF TRANSFER.

If you (and your principals) are fully complying with this Agreement, then, subject to the other provisions of this Section 12. we will approve a transfer that meets all the requirements in this Subsection.

If you are an entity, your principals may transfer a non-controlling ownership interest in you or your principals (determined as of the date on which the proposed transfer will occur) if:

(1) the proposed transferee and its direct and indirect principals (if the transferee is an Entity) are of good character and otherwise meet our then applicable standards for FASTSIGNS Center franchise principals (including no ownership interest in or performance of services for a Competitive Business); and (2) you give us prior written notice of the transfer.

For any other proposed transfer (including a transfer of this Agreement, a transfer of a controlling ownership interest in you or one of your principals, or a transfer which is one of a series of transfers (regardless of the time period over which these transfers take place) which in the aggregate transfer this Agreement or a controlling ownership interest in you or one of

your principals) all of the following conditions must be met before or concurrently with the effective date of the transfer:

(1) we have determined that the transferee has sufficient business experience, aptitude, and financial resources to operate the Co-Brand Franchised Business;

(2) you have paid all Service Fees, Ad Fund contributions, Tech Fees and other amounts owed to us, our affiliates and third-party vendors;

(3) have submitted all required reports and statements; and have not violated any provision of this Agreement, the Lease, or any other agreement with us during both the sixty (60) day period before you requested our consent to the transfer and the period between your request and the effective date of the transfer;

(4) neither the transferee nor its principals (if the transferee is an Entity) or affiliates have an ownership interest (direct or indirect) in or perform services for a Competitive Business;

(5) the transferee (or its managing principal) satisfactorily completes our training programs;

(6) at our option, the transferee shall (if the transfer is of this Agreement), or you shall (if the transfer is of a controlling ownership interest in you or one of your principals), sign our then current form of franchise agreement, then current form of transfer addendum (attached to this Agreement as **Attachment K**) and related documents, any and all of the provisions of which may differ materially from any and all of those contained in this Agreement, including the Service Fee, the Ad Fund contributions, the Tech Fees and a revised Territory; provided, however, that the term of the new franchise agreement will be ten (10) years;

(7) you must pay us a non-refundable transfer fee in connection with any transfer (including any transfer of this Agreement or a controlling ownership interest in you or your principals) that is either the greater of (i) fifty percent (50%) of the then-current Initial Franchise Fee or (ii) two percent (2%) of the total gross sales price (capped at one hundred percent (100%) of the then-current Initial Franchise Fee) for the Co-Brand Franchised Business. You must also reimburse us for any broker fees and other out-of-pocket costs we incur in connection with the transfer;

(8) you may request that we assist you in marketing your Co-Brand Franchised Business for resale. If we agree to provide such assistance, we will list your Co-Brand Franchised Business within our established broker networks, and you must pay us a fifteen-thousand-dollar non-refundable ($15,000) Resale Consulting Fee. This fee is only payable if you elect to use, and we provide, these services;

(9) you (and your transferring principals) sign a general release, in a form

satisfactory to us, of any and all claims against us and our shareholders, officers, directors, employees, and agents;

(10) we have determined that the purchase price and payment terms will not adversely affect the transferee's operation of the Co-Brand Franchised Business;

(11) if you or your principals finance any part of the purchase price, you and/or your principals agree that all of the transferee's obligations under promissory notes, agreements, or security interests reserved in the Co-Brand Franchised Business are subordinate to the transferee's obligation to pay Service Fees, Ad Fund contributions, Tech Fees and other amounts due to us, our affiliates, and third-party vendors and otherwise to comply with this Agreement;

(12) you and your transferring principals (and you and your principals' spouses) will not, for two (2) years beginning on the transfer's effective date, engage in any of the activities described in Subsection 15.D. and F. below;

(13) and you and your transferring principals will not directly or indirectly at any time or in any manner (except with respect to other FASTSIGNS Centers you license and operate) identify yourself or themselves or any business as a current or former FASTSIGNS Center or as one of our franchise principals; and

(14) use any Mark, any colorable imitation of a Mark, or other indicia of a FASTSIGNS Center in any manner or for any purpose, or utilizing for any purpose any trade name, trade or service mark, or other commercial symbol that suggests or indicates a connection or association with us.

We pay a "Finder's Fee" to brokers when we award a new franchise to a broker network candidate. In a resale situation if a broker candidate is involved, it is your responsibility to pay this fee. This fee could be a flat fee of currently up to Twenty-Five Thousand Dollars ($25,000) or ten percent (10%) of the purchase price, which is subject to change. You may be asked to sign a non-exclusive listing agreement with the broker.

We may review all information regarding the Co-Brand Franchised Business that you give the transferee, correct any information that we believe is inaccurate, and give the transferee copies of any report that you have given us, or we have made regarding the Co-Brand Franchised Business.

D. TRANSFER TO A WHOLLY OWNED CORPORATION OR LIMITED LIABILITY COMPANY.

Despite Subsection C. above, if you are fully complying with this Agreement, you may transfer this Agreement to a corporation or limited liability company which conducts no business other than the Co-Brand Franchised Business and, if applicable, other FASTSIGNS Centers, in which you maintain management control, and of which you own and control one hundred percent (100%) of the equity and voting power of all issued and outstanding ownership interests, provided that all of the Co-Brand Franchised Business's assets are owned, and the Co-Brand CENTER's business is conducted, only by that single corporation or limited liability company.

The corporation or limited liability company must expressly assume all your obligations under this Agreement. Transfers of ownership interests in the corporation or limited liability company are subject to Subsection C. above. You agree to remain personally liable under this Agreement as if the transfer to the corporation or limited liability company did not occur.

E. YOUR DEATH OR DISABILITY.

Transfer upon Death or Disability. Upon your or your Managing Principal's death or disability, you or the Managing Principal's executor, administrator, conservator, guardian, or other personal representative must transfer your interest in this Agreement, or the Managing Principal's ownership interest in you, to a third party (which may be your or the Managing Principal's heirs, beneficiaries, or devisees). That transfer must be completed within a reasonable time, not to exceed nine (9) months from the date of death or disability and is subject to all the terms and conditions in this Subsection 12.

A. failure to transfer your interest in this Agreement or the Managing Principal's ownership interest in you within this period is a material breach of this Agreement.

The term "disability" means a mental or physical disability, impairment, or condition that is expected to prevent or does prevent you or the Managing Principal from supervising the Co-Brand Franchised Business's management and operation.

Operation upon Death or Disability. Upon your or the Managing Principal's death or disability, you or the Managing Principal's executor, administrator, conservator, guardian, or other personal representative must within a reasonable time, not to exceed thirty (30) days from the date of death or disability, appoint a Key Management Employee (unless you or the Managing Principal had previously appointed a Key Management Employee who remains responsible for the day-to-day operation of the Co-Brand Franchised Business). The Key Management Employee must complete our standard training program at your expense. If fewer than twelve months have passed since the opening of the Co-Brand Franchised Business, then a new Managing Principal acceptable to us also must be appointed as Key Management Employee for the Co-Brand Franchised Business, and that new Managing Principal must complete our standard training program and sign our Confidentiality/Non-Compete Agreement attached as **Attachment H** to this Agreement within sixty (60) days after the date of death or disability.

If, in our judgment, the Co-Brand Franchised Business is not being managed properly any time after your or the Managing Principal's death or disability, we may, but need not, assume the Co-Brand Franchised Business's management (or appoint a third party to assume its management). All funds from the Co-Brand Franchised Business's operation while it is under our (or the third party's) management will be kept in a separate account, and all expenses will be charged to this account. We may charge you (in addition to the Service Fee, Ad Fund contributions, Tech Fees and other amounts due under this Agreement) Five Hundred Dollars ($500) per day, plus our (or the third party's) direct out-of-pocket costs and expenses if we (or a third party) assume the Co-Brand Franchised Business's management under this subparagraph. We (or a third party) have a duty to utilize only reasonable efforts and will not be liable to you or your principals for any debts, losses, or obligations the Co-Brand Franchised Business incurs, or to any of your creditors for any products, other assets, or services the Co-Brand Franchised Business purchases, while we (or a third party) manage it.

F. EFFECT OF CONSENT TO TRANSFER.

Our consent to a transfer of this Agreement and the Co-Brand Franchised Business, or any interest in you or your principals, is not a representation of the fairness of the terms of any contract between you and the transferee, a guarantee of the Co-Brand Franchised Business's or transferee's prospects of success, or a waiver of any claims we have against you (or your principals) or of our right to demand the transferee's full compliance with this Agreement.

13. EXPIRATION OF THIS AGREEMENT.

A. YOUR RIGHT TO ACQUIRE A RENEWAL FRANCHISE.

If you meet certain conditions, then you will have the option to acquire one (1) renewal franchise ("**Renewal Franchise**") term. The Renewal Term will be ten (10) years ("**Renewal Term**"). The qualifications and conditions for the Renewal Term are described below.

When this Agreement expires:

(1) if you (and each of your principals) have complied with this Agreement during its term; and

(2) if you (and each of your principals) are, both on the date you give us written notice of your election to acquire a Renewal Franchise (as provided in Subsection 13.B. below) and on the date on which the term of the Renewal Franchise would commence, in full compliance with this Agreement and all System Standards; and

(3) provided that (a) you maintain possession of and agree (regardless of cost) to remodel and/or expand the Co-Brand Franchised Business, add or replace improvements and Operating Assets, and otherwise modify the Co-Brand Franchised Business as we require to comply with System Standards then applicable for new FASTSIGNS Centers, or (b) at your option, you secure a substitute premises that we approve, and you develop those premises according to System Standards then applicable for FASTSIGNS Centers, then you have the option to acquire a Renewal Franchise term of ten (10) years commencing immediately upon the expiration of this Agreement. You agree to sign the franchise agreement we then use to grant franchises for FASTSIGNS Centers (modified as necessary to reflect the fact that it is for a Renewal Franchise) and renewal addendum (attached as **Attachment L** to this Agreement). The then-current form of Franchise Agreement may contain provisions that differ materially from all of those contained in this Agreement. Upon execution of this Agreement, you agree to pay us a renewal fee equal to fifty percent (50%) of the then-current initial franchise fee, which shall be deemed fully earned and nonrefundable upon execution of this Agreement in consideration of the administrative and other expenses incurred by us in renewing the franchise hereunder.

If you (and each of your principals) are not, both on the date you give us written notice of your election to acquire a Renewal Franchise and on the date on which the term of the Renewal Franchise commences, in full compliance with this Agreement and all System Standards, you

acknowledge that we need not grant you a Renewal Franchise, whether we had, or choose to exercise, the right to terminate this Agreement during its term under Subsection 14.B.

B. GRANT OF A RENEWAL FRANCHISE.

You agree to give us written notice of your election to acquire a Renewal Franchise no more than three hundred sixty-five (365) days and no less than two hundred forty (240) days before this Agreement expires. We agree to give you written notice ("**Our Notice**") of our decision:

(1) to grant you a Renewal Franchise;

(2) to grant you a Renewal Franchise on the condition that you correct existing deficiencies of the Co-Brand Franchised Business or in your operation of the Co-Brand Franchised Business; or not to grant you a Renewal Franchise based on our determination that you and your principals have not complied with this Agreement during its term or were not in full compliance with this Agreement and all System Standards on the date you gave us written notice of your election to acquire a Renewal Franchise.

If applicable, Our Notice will:

(a) describe the remodeling, expansion, improvements, and/or modifications required to bring the Co-Brand Franchised Business into compliance with the then applicable System Standards for new FASTSIGNS Co-Brand Centers; and

(b) state the actions you must take to correct operating deficiencies and the time in which you must correct these deficiencies.

If we elect not to grant you a Renewal Franchise, our Notice will describe the reasons for our decision. If we elect to grant you a Renewal Franchise, your right to acquire a Renewal Franchise is subject to your full compliance with all the terms and conditions of this Agreement through the date of its expiration, in addition to your compliance with the obligations described in Our Notice.

If our Notice states that you must cure certain deficiencies of the Co-Brand Franchised Business or its operation as a condition to our granting you a Renewal Franchise, we will give you written notice of our decision not to grant a Renewal Franchise, based upon your failure to cure those deficiencies, not less than ninety (90) days before this Agreement expires, provided, however, that we need not give you this ninety days' notice if we decide not to grant you a Renewal Franchise due to your breach of this Agreement during the ninety (90) day period before it expires. If we fail to give you:

(a) notice of deficiencies in the Co-Brand Franchised Business, or in your operation of the Co-Brand Franchised Business, within ninety (90) days after we receive your timely election to acquire a Renewal Franchise (if we elect to grant you a Renewal Franchise under subparagraphs (1) and (2) above); or

(b) notice of our decision not to grant a Renewal Franchise at least ninety (90) days before this Agreement expires, if this notice is required, we may extend this Agreement's term for the time necessary to give you either reasonable time to correct deficiencies or the ninety (90) days' notice of our refusal to grant a Renewal Franchise. If you fail to notify us of your election to acquire a Renewal Franchise within the prescribed period of ninety days, we need not grant you a Renewal Franchise.

C. AGREEMENTS/RELEASES.

If you satisfy all the other conditions for a Renewal Franchise, you and your principals agree to execute the form of franchise agreement and any ancillary agreements we then customarily use in granting franchises for FASTSIGNS Co-Brand Centers (modified as necessary to reflect the fact that it is for a Renewal Franchise), which may contain provisions that differ materially from any and all of those contained in this Agreement. You and your principals further agree to sign general releases, in a form satisfactory to us, of all claims against us and our shareholders, officers, directors, employees, agents, renewals, and assigns. We will consider your or your principals' failure to sign these agreements and releases and to deliver them to us for acceptance and execution within thirty (30) days after their delivery to you to be an election not to acquire a Renewal Franchise.

We have the right (but not the obligation), under the circumstances described below, to enter the Premises and assume the Co-Brand Franchised Business's management (or to appoint a third party to assume its management) for any period we deem appropriate. If we (or a third party) assume the Co-Brand Franchised Business's management under subparagraphs (1) and (2) below, you agree to pay us (in addition to the Service Fee, Ad Fund contributions, Tech Fees, and other amounts due under this Agreement) Five Hundred Dollars ($500) per day, plus our (or the third party's) direct out-of- pocket costs and expenses, for up to sixty (60) days after we assume management.

If we (or a third party) assume the Co-Brand Franchised Business's management, you acknowledge that we (or the third party) will have a duty to utilize only reasonable efforts and will not be liable to you or your principals for any debts, losses, or obligations the Co-Brand Franchised Business incurs, or to any of your creditors for any supplies, products, or other assets

or services the Co-Brand Franchised Business purchases, while we (or the third party) manage it.

We (or a third party) may assume the Co-Brand Franchised Business's management under the following circumstances:

(1) if you abandon or fail actively to operate the Co-Brand Franchised Business:

(2) if you fail to comply with any provision of this Agreement or any System Standard and do not cure the failure within the time, we specify in our notice to you; or

(3) if this Agreement expires or is terminated and we are deciding whether to exercise our option to purchase the Co-Brand Franchised Business under Subsection 15.G. below.

If we exercise our rights under subparagraphs (1) or (2) above, that will not affect our right to terminate this Agreement under Subsection 14.A. above.

If you are in default of any provision of this Agreement, we may, at our option, elect to impose interim remedies and/or limited services on you ("**Limited Services**") rather than terminate this Agreement. We will provide written notice to you prior to placing your Co-Brand Franchised Business on Limited Services. If you are in default and your Co-Brand Franchised Business is on Limited Services, we may terminate this Agreement at any time if you fail to cure the default. Limited Services may include:

1) Co-Brand Franchised Business's web page(s) removed from FASTSIGNS.com;

If you are in default of any provision of this Agreement and you fail to timely cure the default following notice to you, we may, at our option, elect to charge a non-compliance fee of two percent (2%) of your Co-Brand Franchised Business's Gross Sales payable to us in the same manner as the Service Fee and a non-compliance fee of a half percent (.5%) of your Co-Brand Franchised Business's Gross Sales payable to the Fastsigns National Advertising Council, Inc. in the same manner as the Ad Fund contribution until you cure the default. We will provide written notice to you prior to charging the non-compliance fee. If you are in default and paying the non-compliance fee, we may terminate this Agreement at any time if you fail to cure the default.

15. OUR AND YOUR RIGHTS AND OBLIGATIONS UPON TERMINATION OR EXPIRATION OF THIS AGREEMENT.

A. PAYMENT OF AMOUNTS OWED TO US.

You agree to pay us within fifteen (15) days after this Agreement expires or is terminated, or on any later date that we determine the amounts due to us, the Service Fees, Ad Fund Contributions, interest, and all other amounts owed to us (and our affiliates) which then are unpaid.

If we terminate this Agreement because of your breach, you and we agree that the amount of damages which we would incur for any such early termination would be difficult, if not impossible, to accurately ascertain. Accordingly, within thirty (30) days following such termination, you shall pay us an amount equal to the average monthly Service Fees, Ad Fund contributions and Tech Fees that you owed to us for the past twenty-four (24) months multiplied by the lesser of thirty-six (36) or the number of months remaining in the term ("**Early Termination Damages**"). If you have not operated the Co-Brand Franchised Business for twenty-four (24) months prior to the termination of this Agreement, the Early Termination Damages will be calculated by using the average monthly royalties and advertising contributions you owed for the number of months that the Co-Brand Franchised Business operated multiplied by thirty-six (36). These Early Termination Damages shall constitute liquidated damages and are not to be construed as a penalty and shall be the joint and several liability of you and each of your Owners who personally guarantee your obligations under this Agreement.

The parties acknowledge and agree that: (a) the Early Termination Damages are a reasonable estimation of the damages that we would incur if this Agreement were prematurely terminated; and (b) your payment of such Early Termination Damages is intended to fully compensate us for any and all damages related to or arising out of our premature termination of this Agreement, and shall not constitute an election of remedies, waiver of any default under this Agreement, nor a waiver of our claim for other damages and/or equitable relief arising out of your breach of this Agreement.

The imposition of Early Termination Damages shall be at our sole option. We are not required to impose Early Termination Damages and may, in addition or in lieu thereof, pursue other remedies available to us under the terms and conditions of this Agreement, in equity or at law in the event of your breach under this Agreement, including, without limitation, actual

damages we incur, if such can be ascertained. All such remedies shall be cumulative and non-exclusive.

B. MARKS.

When this Agreement expires or is terminated:

(1) you may not directly or indirectly at any time or in any manner (except with other FASTSIGNS Centers you license and operate) identify yourself or any business as a current or former FASTSIGNS Center or as one of our current or former franchisees; use any Mark, any colorable imitation of a Mark, or other indicia of a FASTSIGNS Center in any manner or for any purpose; or use for any purpose any trade name, trade or service mark, or other commercial symbol that indicates or suggests a connection or association with us;

(2) you agree to take the action required to cancel all fictitious or assumed name or equivalent registrations relating to your use of any Mark;

(3) you agree to deliver to us within thirty (30) days all signs, sign-faces, sign-cabinets, marketing materials, forms, and other materials containing any Mark or otherwise identifying or relating to a FASTSIGNS Center that we request and allow us, without liability to you or third parties for trespass or any other claim, to enter the Premises and remove these items from the Co-Brand Franchised Business;

(4) you agree to notify the telephone company and all telephone directory publishers of the termination or expiration of your right to use any telephone, facsimile, or other numbers and telephone directory listings associated with any Mark; to authorize the transfer of these numbers and directory listings to us or at our direction; and/or to instruct the telephone company to forward all calls made to your Co-Brand Franchised Business's numbers to numbers we specify. If you fail to do so, we may take whatever action and sign whatever documents we deem appropriate on your behalf to affect these events;

(5) you agree to give us your usernames and passwords for your claimed directory lists (i.e., yelp, google) and your social media accounts and passwords for your Co-Brand Franchised Business to delete or transfer; and

(6) you agree to give us, within thirty (30) days after the expiration or termination of this Agreement, evidence satisfactory to us of your compliance with these obligations.

C. FRANCHISED BUSINESS MANAGEMENT SYSTEM DATABASE AND GRAPHIC FILES.

You agree that, when this Agreement expires or is terminated, you will immediately transfer to us, via the method designated by us, the data that comprises the center management system database and graphic files. This transfer shall take place as instructed by us. Once this transfer has occurred, and we have verified that you have accurately transferred the data from the center management system and graphic files to us, you will take immediate measures to erase the data that comprises the center management system and graphic files and will destroy all hard and digital copies of this information.

D. CONFIDENTIAL INFORMATION.

You agree that, when this Agreement expires or is terminated, you will immediately cease using any of our Confidential Information (including computer software or similar technology and digital passwords and identifications that we have licensed to you or that otherwise are proprietary to us or the Franchise System) in any business or otherwise and return to us all copies of the Operations Manual and any other confidential materials that we have loaned you, such as records, files (including electronic files), graphics file, customer lists, center management system databases, instructions, and correspondence within fourteen (14) days of such termination or expiration.

E. DE-IDENTIFICATION TO CO-BRAND FRANCHISED BUSINESS.

If we do not exercise our option to purchase the Co-Brand Franchised Business under Subsection G. below, you agree, when this Agreement expires or is terminated, to make all modifications or alterations to de-identify the appearance of the Co-Brand Franchised Business and make such specific additional changes as we may reasonably request for that purpose. In the event you fail or refuse to comply with the requirements of this Subsection 15.E., we have the right to enter the premises where the Co-Brand Franchised Business was operated, without being guilty of trespass or tort, for the purpose of making or causing changes to be made as may be required, at your expense, which expense you agree to pay upon demand.

F. COVENANT NOT TO COMPETE.

As part of our consideration to grant a license to operate a Co-Brand Franchised Business, upon termination (regardless of cause) or expiration of this Agreement, you and your principals agree that, for two (2) years beginning on the effective date of termination or expiration or the date on which all persons restricted by this Subsection begin to comply with this Subsection, whichever is later, neither you nor any of your principals will have any direct or indirect interest (e.g., through a spouse) as a principal (whether of record, beneficially, or otherwise), investor, partner, director, officer, employee, consultant, representative, or agent in any Competitive Business (as defined in Section 7 above) located or operating:

(a) at the Premises;

(b) within a fifteen (15) mile radius of the Co-Brand Franchised Business;

(c) within fifteen (15) miles of any other FASTSIGNS Center in operation or under construction on the later of the effective date of the termination or expiration of this Agreement or the date on which all persons restricted by this Subsection begin to comply with this Subsection.

These restrictions also apply after transfers, as provided in Subsection 12.C. above. If any person restricted by this Subsection refuses voluntarily to comply with these obligations, the two (2) year period for that person will commence with the entry of a court order enforcing this provision. You and your principals expressly acknowledge that you possess skills and abilities of a general nature and have other opportunities for exploiting these skills. Consequently, our enforcing of the covenants made in this Subsection will not deprive you of your personal goodwill or ability to earn a living.

G. OUR RIGHT TO PURCHASE CERTAIN ASSETS OF THE CO-BRAND FRANCHISED BUSINESS.

Upon termination of this Agreement, or upon expiration of this Agreement without renewal, you will, at our option, assign to us or our designee your interest in any lease or sublease of the Premises and your interest in any lease for equipment used in the operation of the Co-Brand Franchised Business. Also, upon termination of this Agreement, or expiration of this Agreement without renewal, we shall have the right and option, but not the obligation, to purchase the inventory, equipment, fixtures, furnishings, and all items bearing the Marks at your cost or fair market value, whichever is less. In determining the fair market value of the assets, we and you will not include any value for goodwill, the Franchise rights granted by this Agreement, or participation in the network of FASTSIGNS Centers. If we elect to exercise this option, we will deliver written notice to you of our election within thirty (30) days after the date of termination or expiration of this Agreement. We will have the right to inspect the premises and assets at any time during this thirty-day period. If we elect to purchase any of these assets, we will be entitled to, and you must provide, all customary warranties and representations relating to the asset purchase, including, without limitation, representations, and warranties as to maintenance, function, condition, and your good title (including that you own the assets free and clear of any liens and encumbrances).

H. CONTINUING OBLIGATIONS.

All our and your (and your principals') obligations which expressly or by their nature survive this Agreement's expiration or termination will continue in full force and effect subsequent to and notwithstanding its expiration or termination and until they are satisfied in full or by their nature expire.

16. RELATIONSHIP OF THE PARTIES/INDEMNIFICATION.

A. INDEPENDENT CONTRACTORS.

You and we understand and agree that this Agreement does not create a fiduciary relationship between you and us, that you and we are and will be independent contractors, and that nothing in this Agreement is intended to make either you or us a general or special agent, joint venturer, partner, or employee of the other for any purpose. You agree to identify yourself conspicuously in all dealings with customers, suppliers, public officials, Co-Brand Franchised Business personnel, and others as the Co-Brand Franchised Business's principal under a franchise we have granted and to place notices of independent ownership on the forms, business cards, stationery, advertising, and other materials we require from time to time.

None of your employees or other personnel will be our employees, agents or personnel. Neither you nor any of your employees, agents, or personnel whose compensation you pay may in any way, directly or indirectly, expressly or by implication, and to be construed to be our employee, agent or personnel for any purpose, most particularly with respect to any mandated or other insurance coverage, tax or contributions, or requirements pertaining to withholdings, levied or fixed by any city, state, provincial, or federal governmental agency. We will not have the power to hire or fire your employees or personnel. You expressly agree, and will never contend otherwise, that our authority under this Agreement to certify certain of your employees or personnel for qualification to perform certain functions for the Co-Brand Franchised Business does not directly or indirectly vest in us the power to hire, fire or control any such employee.

You shall always comply with all employment laws. We will not have any duty or obligation to operate the Co-Brand Franchised Business, to direct or supervise your employees or to oversee your employment policies or practices. You will post a notice at your Franchised Business notifying all its employees that they are your employees and not our employees in the manner prescribed by us. You acknowledge and agree, and will never contend otherwise, that you alone will exercise day-to-day control over all operations, activities, and elements of the Co-Brand Franchised Business and that under no circumstances shall we do so or be deemed to do so. You further acknowledge and agree, and will never contend otherwise, that the various requirements, restrictions, prohibitions, specifications, and procedures of the System which we are required to comply with under this Agreement, whether set forth in the Operations Manual or otherwise, do not directly or indirectly constitute, suggest, infer, or imply that we control any aspect or element of the day-to-day operations of the Co-Brand Franchised Business, which you alone control, but only constitute standards you must adhere to when exercising your control of the day-to-day operations of the Co-Brand Franchised Business by signing **Attachment E** to this Agreement, Training and Joint Employment Acknowledgment.

B. NO LIABILITY FOR ACTS OF OTHER PARTY.

We and you may not make any express or implied agreements, warranties, guarantees, or representations, or incur any debt, in the name or on behalf of the other or represent that our respective relationship is other than franchisor and franchise principal. We will not be obligated for any damages to any person or property directly or indirectly arising out of the Co-Brand Franchised Business's operation or the business you conduct under this Agreement.

C. TAXES.

In addition to any sales, use, excise, privilege or other transaction taxes that we are required or permitted by law to collect from you for the sale, lease or other provision of goods or services under this Agreement, you shall pay to us an amount equal to all federal, state, local or foreign (i) sales, use, excise, privilege, occupation or any other transactional taxes, or (ii) any other taxes or similar exactions no matter how designated (excluding only taxes imposed on us for the privilege of conducting business and calculated with respect to our net income, capital, net worth, gross receipts, or some other basis or combination thereof, but not excluding any gross receipts taxes imposed on us for your payments intended to reimburse us for expenditures incurred for the benefit and on behalf of you), that are imposed on us or required to be withheld by you in connection with the receipt or accrual of Service Fees or any other amounts payable by you to us under this Agreement or any related agreement. Any additional required payment pursuant to the preceding sentence shall be made in an amount necessary to provide us with after tax receipts (considering any additional payments required hereunder), equal to the same amounts we would have received under the provisions of this Agreement if such additional tax liability or withholding had not been imposed or required.

D. INDEMNIFICATION.

You will defend, indemnify and hold harmless us and our affiliates, and their successors and assigns, and each of their respective direct and indirect owners, directors, officers, managers, employees, agents, attorneys, and representatives (collectively, the "Indemnified Parties") from and against all Losses (defined below) which any of the Indemnified Parties may suffer, sustain or incur as a result of a claim asserted or inquiry made formally or informally, or a legal action, investigation, or other proceeding brought, by a third party and directly or indirectly arising out of the operation of the Co-Brand Franchised Business, your conduct of business under this

Agreement, your breach of this Agreement or for any liability arising from labor or employment law violations (including from your acts and omissions and of your employees). We will promptly notify you of any claim that may give rise to a claim of indemnity hereunder, provided, however, that the failure to provide such notice shall not release you from your indemnification obligations under this Section except to the extent you are actually and materially prejudiced by such failure. You shall have the right, upon written notice delivered to the Indemnified Party within fifteen (15) days thereafter assuming full responsibility for Losses resulting from such claim, to assume and control the defense of such claim, including the employment of counsel satisfactory to the Indemnified Party and the payment of the fees and disbursements of such counsel. If (i) the Indemnified Party shall have been advised by counsel that there are one or more legal or equitable defenses available to it that are different from or in addition to those available you and, in the reasonable opinion of the Indemnified Party, your counsel could not adequately represent the interests of the Indemnified Party because such interests could be in conflict with your interests, or (ii) you do not assume responsibility for such Losses in a timely manner or you fail to defend a claim with counsel reasonably satisfactory to the Indemnified Party as contemplated above, then the Indemnified Party shall have the right to employ counsel of its own choosing and you shall pay the fees and disbursements of such Indemnified Party's counsel as incurred. In connection with any claim, the Indemnified Party or you, whichever is not assuming the defense of such claim, shall have the right to participate in such claim and to retain its own counsel at such party's own expense. You or the Indemnified Party (as the case may be) shall keep you or the Indemnified Party (as the case may be) apprised of, and shall respond to any reasonable requests concerning, the status of the defense of any claim and shall cooperate in good faith with each other with respect to the defense of any such claim. You shall not, without the prior written consent of the Indemnified Party, (a) settle or compromise any claim or consent to the entry of any judgment with respect to any claim which does not include a written release from liability of such claim for the Indemnified Party and its affiliates, direct and indirect owners, directors, managers, employees, agents and representatives, or (b) settle or compromise any claim in any manner that may adversely affect the Indemnified Party other than as a result of money damages or other monetary payments which will be paid by you. No claim which is being defended in good faith by you in accordance with the terms of this Section shall be settled by the Indemnified Party without your prior written consent. Notwithstanding anything to the contrary herein, if a claim involves the Marks, you agree that we shall have the exclusive right to assume the defense of such claim, at your expense with counsel selected by us.

You have no obligation to indemnify or hold harmless, an Indemnified Party for any Losses to the extent they are determined in a final, unappealable ruling issued by a court or arbitrator with competent jurisdiction to have been caused solely and directly by the Indemnified Party's gross negligence, willful misconduct, or willful wrongful omissions.

For purposes of this Section, "Losses" include all obligations, liabilities, damages (actual, consequential, or otherwise), and defense costs that any Indemnified Party incurs. Defense costs include, without limitation, accountants', arbitrators', attorneys', and expert witness fees, costs of investigation and proof of facts, court costs, travel and living expenses, and other expenses of litigation, arbitration, and alternative dispute resolution.

Your obligations in this Section will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination. An Indemnified Party need not seek recovery from any insurer or other third party, or otherwise mitigate its Losses, to maintain and

recover fully a claim against you under this Section. You agree that a failure to pursue a recovery or mitigate a Loss will not reduce or alter the amounts that an Indemnified Party may recover from you under this Section.

17. ENFORCEMENT.

A. SEVERABILITY AND SUBSTITUTION OF VALID PROVISIONS.

Except as expressly provided to the contrary in this Agreement, each section, paragraph, term, and provision of this Agreement is severable, and if, for any reason, any part is held to be invalid or contrary to or in conflict with any applicable present or future law or regulation in a final, unappealable ruling issued by any court, agency, or tribunal with competent jurisdiction, that ruling will not impair the operation of, or otherwise affect, any other portions of this Agreement, which will continue to have full force and effect and bind the parties.

If any covenant which restricts competitive activity is deemed unenforceable by virtue of its scope in terms of area, business activity prohibited, and/or length of time, but would be enforceable if modified, you and we agree that the covenant will be fully enforced to the extent permissible under the laws and public policies applied in the jurisdiction whose law determines the covenant's validity.

If any applicable and binding law or rule of any jurisdiction requires more notice than this Agreement requires of this Agreement's termination or of our refusal to enter into a Renewal Franchise agreement, or some other action that this Agreement does not require, or if, under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any System Standard is invalid, unenforceable, or unlawful, the notice and/or other action required by the law or rule will be substituted for the comparable provisions of this Agreement, and we may modify the invalid or unenforceable provision or System Standard to the extent required to be valid and enforceable or delete the unlawful provision in its entirety. You agree to be bound by any promise or covenant imposing the maximum duty the law permits which is subsumed within any provision of this Agreement, as though it were separately articulated in and made a part of this Agreement.

B. WAIVER OF OBLIGATIONS.

We and you may by written instrument unilaterally waive or reduce any obligation of or restriction upon the other under this Agreement, effective upon delivery of written notice to the other or another effective date stated in the notice of waiver. Any waiver granted will be without prejudice to any other rights we or you have, will be subject to continuing review, and may be revoked at any time and for any reason, effective upon delivery of ten (10) days' prior written notice.

We and you will not waive or impair any right, power, or option this Agreement reserves (including, without limitation, our right to demand exact compliance with every term, condition, and covenant or to declare any breach to be a default and to terminate this Agreement before its term expires) because of any custom or practice at variance with this Agreement's terms; our or your failure, refusal, or neglect to exercise any right under this Agreement or to insist upon the other's compliance with this Agreement, including, without limitation, any System Standard; our waiver of or failure to exercise any right, power, or option, whether of the same, similar, or different nature, with other FASTSIGNS Centers; the existence of franchise agreements for other FASTSIGNS Centers which contain provisions different from those contained in this

Agreement; or our acceptance of any payments due from you after any breach of this Agreement. No special or restrictive legend or endorsement on any check or similar item given to us will be a waiver, compromise, settlement, or accord and satisfaction. We are authorized to remove any legend or endorsement, which then will have no effect.

Neither we nor you will be liable for loss or damage or be in breach of this Agreement if our or your failure to perform our or your obligations results from: (1) compliance with the orders, requests, regulations, or recommendations of any federal, state, or municipal government; (2) acts of God; (3) fires, strikes, embargoes, war, acts of terrorism or similar events, or riot; (4) pandemic; or (5) any other similar event or cause. Any delay resulting from any of these causes will extend performance accordingly or excuse performance, in whole or in part, as may be reasonable, except that these causes will not excuse payments of amounts owed at the time of the occurrence or payment of Service Fees, Ad Fund contributions or Tech Fees due afterward.

C. COSTS AND ATTORNEYS' FEES.

If we incur costs and expenses due to your failure to pay when due amounts owed to us, to submit when due any reports, information, or supporting records, or otherwise to comply with this Agreement, you agree, whether or not we initiate a formal legal proceeding, to reimburse us for all of the costs and expenses that we incur, including, without limitation, reasonable accounting, collection agency fees, attorneys', arbitrators', and related fees.

D. RIGHTS OF PARTIES ARE CUMULATIVE.

Our and your rights under this Agreement are cumulative, and our or your exercise or enforcement of any right or remedy under this Agreement will not preclude our or your exercise or enforcement of any other right or remedy which we or you are entitled by law to enforce.

E. ARBITRATION.

We and you agree that all controversies, disputes, or claims between us and our affiliates, and us and our respective shareholders, officers, directors, agents, and/or employees, and you (and/or your owners, guarantors, affiliates, and/or employees) arising out of or related to: (i) this Agreement or any other agreement between us and you; (ii) Our relationship with you; the scope and validity of this Agreement or any other agreement between us and you (including the scope and validity of the arbitration obligations under this Section 17.1, which you and we acknowledge is to be determined by an arbitrator and not a court); and/or (iv) or any System Standard, must be submitted for binding arbitration, on demand of either party, to the American Arbitration Association. The arbitration proceedings will be conducted by one arbitrator and, except as this Subsection otherwise provides, according to the then current commercial arbitration rules of the American Arbitration Association. All proceedings will be conducted at a suitable location chosen by the arbitrator within ten (10) miles of our current place of business in Dallas County, Texas. The arbitrator shall have no authority to select a hearing or locale other than as described in the previous sentence. All matters relating to arbitration will be governed by the Federal Arbitration Act (9 U.S.C. §§ 1 et seq.). Judgment upon the arbitrator's award may be entered in any court of competent jurisdiction.

The arbitrator has the right to award or include in his or her award any relief which he or she deems proper, including, without limitation, money damages (with interest on unpaid amounts from the date due), specific performance, injunctive relief, and attorneys' fees and costs, provided that the arbitrator may not declare any Mark generic or otherwise invalid or, except as expressly provided in Subsection 17.H. below, award any punitive or exemplary damages against either party (we and you hereby waive to the fullest extent permitted by law, except as expressly provided in Subsection 17.H. below, any right to or claim for any punitive or exemplary damages against the other). Other than as may be required by law, the entire arbitration proceeding (including, but not limited to any rulings, decisions or orders of the arbitrator and any documents produced or exchanged or evidence given) shall remain confidential and not be disclosed to anyone other than the parties to this Agreement. The arbitrator will issue its decision within sixty (60) days after the closing of the hearings.

We and you agree to be bound by the provisions of any limitation on the period in which claims must be brought under applicable law or this Agreement, whichever expires earlier. We and you further agree that, in any arbitration proceeding, each must submit or file any claim which would constitute a compulsory counterclaim (as defined by Rule 13 of the Federal Rules of Civil Procedure) within the same proceeding as the claim to which it relates. Any claim which is not submitted or filed as required is forever barred. The arbitrator may not consider any settlement discussions or offers that might have been made by either you or us.

We and you agree that arbitration will be conducted on an individual, not a class wide basis and that an arbitration proceeding between us and our affiliates, and our and their respective shareholders, officers, directors, agents, and/or employees, and you (and/or your principals, guarantors, affiliates, and/or employees) may not be consolidated with any other arbitration proceeding between us and any other person.

Despite our and your agreement to arbitrate, we and you each have the right in a proper case to seek temporary restraining orders and temporary or preliminary injunctive relief from a court of competent jurisdiction; provided, however, that we and you must contemporaneously submit our dispute for arbitration on the merits as provided in this Subsection.

The provisions of this Subsection are intended to benefit and bind certain third-party non- signatories and will continue in full force and effect subsequent to and notwithstanding this Agreement's expiration or termination.

F. INJUNCTIVE RELIEF.

You acknowledge that a breach of this Agreement by you which relates to any of the matters set out below, will cause us irreparable harm, for which monetary damages are an inadequate remedy. Therefore, in addition to any other remedies we have under this Agreement, we are entitled to seek and obtain from a court of law the entry of temporary and permanent injunctions and orders of specific performance enforcing the provisions of this Agreement with respect to: (i) the Marks; (ii) the System; (iii) Intellectual Property; (iv) your obligations upon termination or expiration of this Agreement; (v) Transfers; (vi) Confidential Information; and (vii) any act or omission by us or your employees that: (a) constitutes a violation of any legal requirement; (b) is dishonest or misleading to customers of the Co-Brand Franchised Business; (c) constitutes a danger to the employees or customers of the Co-Brand Franchised Business or to the public; or (d) may impair the goodwill associated with the Marks or the System. Neither party is required

to post a bond or other security with respect to obtaining injunctive relief. If we secure any such injunction, you agree to pay us an amount equal to the aggregate of its costs and expenses, including without limitation reasonable attorney fees, costs, and expenses, we incurred in obtaining such relief.

G. WAIVER OF PUNITIVE DAMAGES.

US AND YOU HEREBY WAIVE, TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE, EXEMPLARY, INCIDENTAL, INDIRECT, SPECIAL OR CONSEQUENTIAL DAMAGES AGAINST THE OTHER ARISING OUT OF ANY CAUSE WHATSOEVER (WHETHER SUCH CAUSE BE BASED IN CONTRACT, NEGLIGENCE, STRICT LIABILITY, OTHER TORT OR OTHERWISE), WITH THE EXCEPTION OF TRADEMARK LAW TREBLE DAMAGES.

H. JURY TRIAL WAIVER.

THE PARTIES HEREBY AGREE TO WAIVE TRIAL BY JURY IN ANY ACTION, PROCEEDING OR COUNTERCLAIM, WHETHER AT LAW OR EQUITY, REGARDLESS OF WHICH PARTY BRINGS SUIT. THIS WAIVER SHALL APPLY TO ANY MATTER WHATSOEVER BETWEEN THE PARTIES HERETO WHICH ARISES OUT OF OR IS RELATED IN ANY WAY TO THIS AGREEMENT, THE PERFORMANCE OF EITHER PARTY, AND/OR YOUR PURCHASE FROM US OR ITSAFFILIATES AND/OR ANY GOODS OR SERVICES OBTAINED FROM US OR ITS AFFILIATES.

I. WAIVER OF CLASS OR GROUP ACTION.

ANY DISAGREEMENT BETWEEN US AND YOU (AND/OR THEIR AFFILIATES AND OWNERS) WILL BE CONSIDERED UNIQUE AS TO ITS FACTS AND CANNOT BE BROUGHT AS A CLASS ACTION OR CLASS ARBITRATION. YOU WAIVE ANY RIGHT TO PROCEED AGAINST US (AND OUR AFFILIATES, STOCKHOLDERS, MEMBERS, MANAGERS, OFFICERS, DIRECTORS, EMPLOYEES, AGENTS, SUCCESSORS AND ASSIGNS) BY WAY OF CLASS ACTION, A CLASS ARBITRATION, OR BY WAY OF A MULTI-PLAINTIFF, CONSOLIDATED OR COLLECTIVE ACTION.

J. GOVERNING LAW.

ALL MATTERS RELATING TO ARBITRATION WILL BE GOVERNED BY THE FEDERAL ARBITRATION ACT (9 U.S.C. §§ 1 ET SEQ.). EXCEPT TO THE EXTENT GOVERNED BY THE FEDERAL ARBITRATION ACT, THE UNITED STATES TRADEMARK ACT OF 1946 (LANHAM ACT, 15 U.S.C. SECTIONS 1051 ET SEQ.), OR OTHER FEDERAL LAW, THIS AGREEMENT, THE FRANCHISE, AND ALL CLAIMS ARISING FROM THE RELATIONSHIP BETWEEN US AND YOU WILL BE GOVERNED BY THE LAWS OF TEXAS, WITHOUT REGARD TO ITS CONFLICT OF LAWS RULES, EXCEPT THAT ANY TEXAS LAW REGULATING THE SALE OF FRANCHISES OR GOVERNING THE RELATIONSHIP OF A FRANCHISOR AND ITS FRANCHISEE WILL NOT APPLY UNLESS ITS JURISDICTIONAL REQUIREMENTS ARE MET INDEPENDENTLY

WITHOUT REFERENCE TO THIS SUBSECTION.

K. CONSENT TO JURISDICTION.

SUBJECT TO SUBSECTION 17.E. ABOVE AND THE PROVISIONS BELOW, YOU AND YOUR PRINCIPALS AGREE THAT ALL ACTIONS ARISING UNDER THIS AGREEMENT OR OTHERWISE AS A RESULT OF THE RELATIONSHIP BETWEEN YOU AND US MUST BE COMMENCED IN STATE OR FEDERAL COURT OF GENERAL JURISDICTION IN DALLAS, TEXAS, AND YOU (AND EACH PRINCIPAL) IRREVOCABLY SUBMIT TO THE JURISDICTION OF THOSE COURTS AND WAIVE ANY OBJECTION YOU (OR THE PRINCIPAL) MIGHT HAVE TO EITHER THE JURISDICTION OF OR VENUE IN THOSE COURTS. NONETHELESS, YOU AND YOUR PRINCIPALS AGREE THAT WE MAY ENFORCE THIS AGREEMENT AND ANY ARBITRATION ORDERS AND AWARDS IN THE COURTS OF THE STATE OR STATES IN WHICH YOU ARE DOMICILED OR THE CO-BRAND FRANCHISED BUSINESS IS LOCATED.

L. BINDING EFFECT.

This Agreement is binding upon us and you and our and your respective executors, administrators, heirs, beneficiaries, permitted assigns, and successors in interest. Subject to our right to modify the Operations Manual and System Standards, this Agreement may not be modified except by a written agreement signed by both our and your duly-authorized officers. Only the written terms of the Co-Brand Franchise Agreement and any other related written agreements are binding (subject to applicable law). Any statements or promises not in the Co-Brand Franchise Agreement or this Franchise Disclosure Document should not be relied upon and may not be enforceable.

M. LIMITATIONS OF CLAIMS.

Except for claims arising from your non-payment or underpayment of amounts you owe us, all claims arising out of or relating to this Agreement or our relationship with you will be barred unless a judicial or arbitration proceeding is commenced within one (1) year from the date on which the party asserting the claim knew or should have known of the facts giving rise to the claims.

18. CONSTRUCTION.

The preambles and exhibits are a part of this Agreement which, together with the System Standards contained in the Operations Manual (which may be periodically modified, as provided in Subsections 4.D., 8, and 17.I. above), constitutes our and your entire agreement, and there are no other oral or written understandings or agreements between us and you, or oral or written representations by us, relating to the subject matter of this Agreement, the franchise relationship, or the Co-Brand Franchised Business (any understandings or agreements reached, or any representations made, before this Agreement are superseded by this Agreement). Notwithstanding the foregoing, nothing in this Agreement shall disclaim or require you to waive reliance on any representation that we made in the most recent Franchise Disclosure Document (including exhibits and amendments) that we delivered to you or your representative.

Any policies that we adopt and implement from time to time to guide us in our decision-making are subject to change, are not a part of this Agreement, and are not binding on us.

Except as provided in Subsections 16.D. and 17.E., nothing in this Agreement is intended or deemed to confer any rights or remedies upon any person or legal entity not a party to this Agreement.

Except where this Agreement expressly obligates us to approve or not unreasonably to withhold our approval of any of your actions or requests, we have the absolute right to refuse any request you make or to withhold our approval of any of your proposed, initiated, or completed actions that require our approval. The headings of the sections and paragraphs are for convenience only and do not define, limit, or construe the contents of these sections or paragraphs.

References in this Agreement to "we," "us," and "our," with respect to all our rights and all your obligations to us under this Agreement including any of our affiliates with whom you deal. The term "affiliate" means any person or entity directly or indirectly owned or controlled by, under common control with, or owning or controlling you or us. "Control" means the power to direct or cause the direction of management and policies. If two (2) or more persons are at any time the principal of the Franchise and the Co-Brand Franchised Business, whether as partners or joint venturers, their obligations, and liabilities to us will be joint and several. References to "principal" mean any person holding a direct or indirect ownership interest (whether of record, beneficially, or otherwise) or voting rights in you (or a transferee of this Agreement and the Co-Brand Franchised Business or an ownership interest in you), including, without limitation, any person who has a direct or indirect interest in you (or a transferee), this Agreement, the Franchise, or the Co-Brand Franchised Business and any person who has any other legal or equitable interest, or the power to vest in himself or herself any legal or equitable interest, in their revenue, profits, rights, or assets.

References to a "controlling ownership interest" in you or one of your principals (if an Entity) means the percent of the voting shares or other voting rights that results from dividing one hundred percent (100%) of the ownership interests by the number of principals. In the case of a proposed transfer of an ownership interest in you or one of your principals, the determination of whether a "controlling ownership interest" is involved must be made as of both immediately before and immediately after the proposed transfer to see if a "controlling ownership interest" will be transferred (because of the number of principals before the proposed transfer) or will be deemed to have been transferred (because of the number of principals after the proposed transfer).

"Person" means any natural person, corporation, limited liability company, general or limited partnership, unincorporated association, cooperative, or other legal or functional entity.

Unless otherwise specified, all references to a number of days shall mean calendar days and not business days.

The term "Co-Brand Franchised Business" includes all the assets of the FASTSIGNS Co-Brand Franchised Business you operate under this Agreement, including its revenue and the Lease.

This Agreement may be executed in multiple copies, each of which will be deemed an original.

19. NOTICES AND PAYMENTS.

All written notices, reports, and payments permitted or required to be delivered by this Agreement or the Operations Manual will be deemed to be delivered:

(a) at the time delivered by hand;

(b) at the time delivered via electronic mail and, in the case of the Service Fee, Ad Fund contributions, and other amounts due, at the time we receive payment via the EFTA;

(c) one (1) business day after transmission by facsimile or other electronic system if the sender has confirmation of successful transmission; one (1) business day after being placed in the hands of a nationally recognized commercial courier service for next business day delivery; or

(d) three (3) business days after placement in the United States Mail by Registered or Certified Mail, Return Receipt Requested, postage prepaid.

Any notice to us must be sent to the address specified on the first page of this Agreement, although we may change this address for notice by giving you notice of the new address. Any notice that we send to you may be sent only to the one (1) person identified on **Attachment A**, even if you have multiple owners, at the email or postal address specified on **Attachment A**. You may change the person and/or address for notice only by giving us thirty (30) days' prior notice by any of the means specified in subparagraphs (a) through (e) above.

Any required payment or report which we do not actually receive during regular business hours on the date due (or postmarked by postal authorities at least two (2) days before then) will be deemed delinquent.

20. COMPLIANCE WITH ANTI-TERRORISM LAWS.

You and your principals agree to comply, and to fully assist us to the fullest extent possible in our efforts to comply, with (A) all applicable economic sanction laws, including the various sanction regulations and guidelines of the U.S. Department of Treasure, Office of Foreign Assets Control, and the USA Patriot Act (Title III of Pub. L. 107-56, signed into law October 26, 2001), as amended; and (B) all applicable anti-corruption laws, including the United States Foreign Corrupt Practices Act of 1977, 15 U.S.C. §§ 78dd-1, et seq., as amended ("FCPA") (collectively, the "International Trade and National Security Laws. In connection with such compliance, you and your principals certify, represent, and warrant that none of your property or interests or none of their property or interests is subject to being blocked under, and that you and your principals otherwise are not in violation of, any of the International Trade and National Security Laws by you or your principals, or any blocking of your or your principals' assets under the International Trade and National Security Laws, shall constitute good cause for immediate termination of this Agreement, as provided in Subsection 14.B.(18) above.

21. LIMITED LIABILITY.

You agree that no past, present or future director, officer, employee, incorporator, member, partner, stockholder, subsidiary, affiliate, controlling party, entity under common control, ownership or management, vendor, service provider, agent, attorney or representative of ours shall have any liability for (i) any of our obligations or liabilities relating to or arising from this Agreement, (ii) any claim against us based on, in respect of, or by reason of, the relationship between you and us, or (iii) any claim against us based on any alleged unlawful act or omission by us.

22. ACKNOWLEDGMENTS.

You acknowledge:

(1) That you have independently investigated the FASTSIGNS Center franchise opportunity and recognize that, like any other business, the nature of the business a FASTSIGNS Co-Brand Franchised Business conducts may, and will, evolve and change over time.

(2) That an investment in a FASTSIGNS Center involves business risks that could result in the loss of a significant portion or all your investment.

(3) That your business abilities and efforts are vital to your success.

(4) That attracting customers to your Co-Brand Franchised Business will require you to make consistent marketing efforts in your community through various methods, including media advertising, sales and direct mail advertising, and display and use of in-center promotional materials and initiative-taking outside sales activities.

(5) That retaining customers for your Co-Brand Franchised Business will require you to have an elevated level of customer service, produce and deliver an on-time quality product and adhere strictly to the Franchise System and our System Standards and that you are committed to maintaining System Standards.

(6) That you have not received from us, and are not relying upon, any representations or guarantees, express, or implied, as to the potential volume, sales, income, or profits of a FASTSIGNS Center, except as described in our Franchise Disclosure Document.

(7) That in all their dealings with you, our officers, directors, employees, and agents act only in a representative, and not in an individual, capacity and that business dealings between you and them because of this Agreement are deemed to be only between you and us.

(8) That you have represented to us, to induce our entry into this Agreement, that all statements you have made and materials you have given us are accurate and complete and that you have made no misrepresentations or material omissions in obtaining the franchise.

(9) That you have read this Agreement and our Franchise Disclosure Document and understand and accept that this Agreement's terms and covenants are necessary for us to maintain our high standards of quality and service, as well as the uniformity of those standards at each FASTSIGNS Center, and to protect and preserve the goodwill of the Marks.

(10) That we have the right to restrict your sources of other goods and services, as provided in various sections of this Agreement.

(11) That we have not made any representation, warranty, or other claim regarding this FASTSIGNS Center franchise opportunity, other than those made in this Agreement and our Franchise Disclosure Document, and that you have independently evaluated this opportunity, including by using your business professionals and advisors, and have relied solely upon those evaluations in deciding to enter into this Agreement.

(12) That you have been afforded an opportunity to ask any questions you have and to review any materials of interest to you concerning the FASTSIGNS Center franchise opportunity.

(13) That you have been afforded an opportunity, and have been encouraged by us, to have this Agreement and all other agreements and materials we have given or made available to you reviewed by an attorney and have either done so or waived your right to do so.

Each of the undersigned consents and agrees that: (1) his or her direct and immediate liability under this Guaranty will be joint and several, both with Franchisee and among other guarantors; (2) he or she will render any payment or performance required under the Agreement upon demand if Franchisee fails or refuses punctually to do so; (3) this liability will not be contingent or conditioned upon our pursuit of any remedies against Franchisee or any other person; (4) this liability will not be diminished, relieved, or otherwise affected by any extension of time, credit, or other indulgence which we may from time to time grant to Franchisee or to any other person, including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims (including the release of other guarantors), none of which will in any way modify or amend this Guaranty, which will be continuing and irrevocable during the term of the Agreement (including extensions), for so long as any performance is or might be owed under the Agreement by Franchisee or its principals, and for so long as we have any cause of action against Franchisee or its principals;

3. AMENDMENTS TO THE AGREEMENT

The Agreement shall be amended as follows:

1. Site Selection, Lease of Premises, and Development and Opening of Co-Brand Franchised Business Subsections 2.A., B., C. and F. of the Agreement shall be deleted in their entirety.

2. Fees

Subsection 3.A. of the Agreement shall be deleted in its entirety, and the following shall be substituted in lieu thereof:

You agree to pay us a transfer fee ("**Transfer Fee**") that is either the greater of (i) fifty percent (50%) of the then-current Initial Franchise Fee or (ii) two percent (2%) of the total sales price (capped at 100% of the then current Initial Franchise Fee) for the resale of the Co-Brand Franchised Business, plus any broker fees and other out-of-pocket costs we incur in connection with the transfer of the Agreement or a controlling ownership interest in you or one of your principals.

You may request that we assist you in marketing your Franchised Business for resale. If we agree to provide such assistance, we will list your Co-Brand Franchised Business

within our established broker networks, and you must pay us a fifteen-thousand-dollar ($15,000) Resale Consulting Fee ("**Resale Consulting Fee**"). This fee is only payable if you elect to use, and we provide, these services.

The Transfer Fee, Resale Consulting fee (if applicable), and any such costs are fully earned and nonrefundable upon execution of this Agreement in consideration of the costs and expenses we incur in reviewing the transfer and providing related training.

Subsection 3.B. of the Agreement shall be deleted in its entirety, and the following shall be substituted in lieu thereof: You agree to pay us, in the manner provided below (or as the Operations Manual otherwise prescribes), a monthly Continuing Service and Royalty Fee (the "**Service Fee**") the greater of One Thousand Two Hundred Fifty Dollars ($1,250) or six percent (6%) of the Co-Brand Franchised Business's Gross Sales (defined in Subsection D. below) by the fifteenth (15_{th}) day of the month. On or before the fifth (5_{th}) day of the month, you agree to send us on a form we approve (or as we otherwise direct) a signed statement of the Co-Brand Franchised Business's Gross Sales for the preceding calendar month. The method of payment is described in Subsection 3.G. below. In addition, you agree to pay us the Ad Fund contribution as described in Subsection 9.B.

3. Training and Assistance

The phrase "When the Co-Brand Franchised Business is ready to open for business" in the first sentence of the first paragraph of Subsection 4.A. of the Agreement shall be changed to "Before you take possession of the Co-Brand Franchised Business,"

The phrase "When the Co-Brand Franchised Business is ready to open for business," in the last paragraph of Subsection 4.A. of the Agreement shall be changed to "Upon your possession of the Co-Brand Franchised Business,"

The phrase "Within one hundred twenty (120) days from the date that your Co-Brand Franchised Business opens for business" in the first sentence of the fourth paragraph of Subsection 4.B. of the Agreement shall be changed to "Within one hundred twenty (120) days after you take possession of the Co-Brand Franchised Business,".

4. Marketing

Subsection 9.A. of the Agreement shall be deleted in its entirety, and the following shall be substituted in lieu thereof:

A. You agree to pay Ten Thousand Five Hundred Dollars ($10,500) to the Fastsigns National Advertising Council, Inc. upon signing of the Agreement for initial marketing and advertising for your Co-Brand Franchised Business in your local market which will be administered by our marketing department. We will create a marketing and advertising plan for your Co-Brand Franchised Business and will allocate your required initial marketing and advertising pre-paid dollars to local programs at our sole discretion that will be scheduled to run for approximately 3 to 4 months. The programs

in the initial marketing and advertising plan may include but are not limited to initial marketing materials (3-to-4 month supply), local paid search marketing, virtual sales assistant customer prospecting email campaigns, social media campaigns, direct mail marketing programs, virtual sales assistant customer prospecting campaigns and sales promotion items. There are six (6) months of virtual sales assistant customer prospecting email campaigns included in your initial marketing and advertising plan. Marketing programs are evaluated for effectiveness, and we may make changes to the tactics to optimize the initial marketing and advertising plan. If additional funds remain after we outline the spending on these programs and materials on the elements above, other programs such as local paid media and association marketing opportunities can be included in the pre-paid portion of the marketing plan. The marketing plan will also include recommended programs and spending that you can choose to implement or not or modify as desired beyond the pre-paid fund amount. These recommended programs and their associated costs are not included in the initial advertising costs of Ten Thousand Five Hundred Dollars ($10,500) payable to Fastsigns National Advertising Council, Inc. You agree to comply with our guidelines for this initial marketing and advertising plan. We recommend that you invest additional amounts in local marketing during the first year of the Co-Brand Franchised Business's operation.

Upon expiration of the pre-paid marketing dollars referenced above for Pay-Per-Click advertising, you are required to continue local digital advertising in the same geographic area as your Territory as defined in Item 12, use our designated agency and spend the minimum amount required to consistently achieve an impression share of seventy-five percent (75%) or more in your Territory. Impression share is the percentage of impressions that your digital ads receive compared to the total number of impressions your ads could get. The required minimum spend is Eight Hundred Fifty Dollars ($850) a month and is subject to change. We will provide you with sixty (60) days' written notice before increasing the required minimum spend level. If spending a lower monthly amount keeps your local paid search impression share at least seventy-five percent (75%), you must spend the difference on additional digital media channels and/or search engine optimization to generate demand. Also, you are required to maintain virtual sales assistant customer-prospecting email campaigns through our designated service at an annual cost of One Thousand Three Hundred Eighty dollars ($1,380) (this pricing is subject to change).

The first two (2) paragraphs of Subsection 9.B. shall be deleted in their entirety, and the following shall be substituted in lieu thereof:

Recognizing the value of advertising and marketing to the goodwill and public image of FASTSIGNS Co-Brand Franchised Business, we have established an advertising fund for the advertising, marketing, and public relations programs, and materials we deem appropriate (the "Ad Fund"). You agree to contribute to the Ad Fund two percent (2%) of the Co-Brand Franchised Business's Gross Sales, payable in the same manner as the Service Fee. The Ad Fund is currently administered by the Fastsigns National Advertising Council, Inc.

5. Construction

The first line in Section 17. of the Co-Brand Franchise Agreement shall have the phrase "and Agreement and Consent" inserted after the word "Agreement".

IN WITNESS WHEREOF, you acknowledge that you have read and understand the contents of this Addendum, that you have had an opportunity to obtain the advice of counsel, and that you intend to comply with this Addendum and be bound thereby. THE FASTSIGNS INTERNATIONAL, INC. FRANCHISE AGREEMENT ("**Agreement**") between _____("**you**" or "**your**") whose principal address is _____and FASTSIGNS International, Inc., a Texas corporation located at 2542 Highlander Way, Carrollton, Texas 75006-2333 ("**we**", "**us**", or "**our**") shall be amended by the addition of the following language, which shall be considered an integral part of the Agreement as of the date signed by us and set forth opposite our signature on this Addendum ("**Effective Date**") ("**Addendum**"):

WHEREAS, you operate an existing sign business under the name of _____(the "**Existing Business**"); and

WHEREAS, you desire to establish a franchise relationship with us; and

WHEREAS, you desire to obtain the right to convert your Existing Business to a FASTSIGNS Center ("**Conversion Franchise**") and to operate the Conversion Franchise pursuant to the System in accordance with the terms and conditions of the Agreement as amended herein; and

WHEREAS, the parties acknowledge that, unless otherwise defined in this Addendum, all capitalized defined terms used in this Addendum shall have the same meaning as that attributed to such terms in the Agreement;

NOW, THEREFORE, in consideration of the undertakings and commitments of each party to the other party set forth herein, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

INCORPORATION OF TERMS OF AGREEMENT

This Addendum shall amend and supplement the Agreement simultaneously executed by the parties herein. The terms, covenants, and conditions of this Addendum are incorporated into the Agreement, and with respect to any conflict between the two agreements, the terms of this Addendum shall be controlling with respect to the subject matter thereof.

Time is of the essence with respect to all obligations under this Addendum.

AMENDMENTS TO THE AGREEMENT

The Agreement shall be amended as follows:

1. Territorial Rights

Subsection 1.D. of the Agreement shall be amended as follows:

The Territory for a Conversion Franchise will be a defined area around the location as determined by us. We will designate and describe your Territory in **Attachment A**.

You acknowledge and agree that the Territory granted for a Conversion Franchise is determined solely by us based on our then-current standards and criteria and is not based on or derived from the geographic area, customer base, or prior operations of the Existing Business.

You further acknowledge that, upon conversion, all customer relationships associated with the Existing Business shall be operated solely as part of the Franchised Business under the Marks and in accordance with this Agreement and the System. The existence of customer relationships or historical service areas outside the designated Territory shall not create any rights to an expanded Territory or exclusive rights in such areas; however, you may continue to service such customers in accordance with the System and our then-current policies. Franchisee's right to service customers located outside the Territory does not grant any territorial or exclusive rights in such areas and does not expand, modify, or otherwise affect the Territory granted under this Agreement.

2. <u>Site Selection</u>

Subsection 2.A. of the Agreement shall be deleted in its entirety, and the following shall be substituted in lieu thereof:

You agree to bear the cost and expense for making all alterations, modifications, and improvements as we may deem necessary to convert your Existing Business to a Conversion Franchise. You acknowledge and agree that approving you to operate a Conversion Franchise at the Existing Business premises does not constitute a representation, promise, warranty, or guarantee by us that a FASTSIGNS Center operated at that site will be profitable or otherwise successful, and does not constitute any representation, warranty, or guarantee regarding the suitability, compliance, or continued use of the Existing Business location.

For a Conversion Franchise, you must submit your existing lease (and any amendments) to us for review and written approval. We may require, as a condition of approval, that your existing lease be amended to include the Required Lease Terms set forth in Attachment D to the Franchise Agreement or otherwise comply with our then-current requirements. If your existing lease does not include the Required Lease Terms, you must use commercially reasonable efforts to amend the lease to incorporate such terms or otherwise satisfy our requirements.

We may condition approval of a Conversion Franchise on modifications to the premises or lease terms to ensure compliance with our then-current standards. If the existing lease or premises cannot be modified to meet our standards, we may require you to relocate the Franchised Business to an approved location as a condition of conversion.

All approvals, lease amendments, and related requirements must be completed within the timeframes required for conversion under this Agreement and this Addendum.

You acknowledge that your ability to operate the Conversion Franchise at the Existing Business location is contingent upon your compliance with this Section and our approval of the premises and lease.

3. Lease of Premises

The first two (2) paragraphs of Subsection 2.B. of the Agreement shall be deleted in their entirety.

4. Center Development

Subsection 2.C. of the Agreement shall be deleted in its entirety, and the following shall be substituted in lieu thereof:

Within forty-five (45) days of your execution of this Agreement and the Addendum, you agree to make all alterations, modifications and improvements to the Conversion Franchise premises as reasonably requested by us, which shall include, but not be limited to, replacing any and all interior and exterior signage meeting the current standards of the FASTSIGNS System; replacing all stationery, forms, invoices, business cards and all other written materials used in the sign business with materials meeting our standards for such items; obtaining and replacing all computer hardware, software, and related systems, technology platforms, and services required by us, meeting our specifications and standards, as part of the System; and to cancel and/or replace all advertising and marketing materials, listings, and accounts, promptly cancel, transfer, or replace all advertising, marketing materials, listings, accounts, and digital assets associated with the Existing Business (including any print or online directories, websites, domain names, social media accounts, email addresses, telephone listings, and digital advertising accounts), and to implement replacement advertising approved by us and using the Marks, in each case in accordance with our standards and within such timeframes as we may require, and to terminate or assign any agreements related to the Existing Business that do not comply with the System, including vendor, supplier, service, and equipment lease agreements, within such timeframes as we may require.

You shall be responsible for obtaining and maintaining all zoning classifications and clearances which may be required by the state, provincial, or local laws, ordinances, or regulations or which may be necessary or advisable because of any restrictive covenants relating to the Conversion Franchise's premises. You agree to obtain and maintain all permits, licenses, and certifications required for the lawful operation of the Conversion Franchise. You will certify in writing to us that the insurance coverage specified in Subsection 8.G. of this Agreement is in full force and effect and that all required approvals, clearances, permits, and certifications related thereto have been obtained within thirty (30) days of your execution of this Agreement and the Addendum. Upon request, you agree to promptly provide us with additional copies of your insurance policies or certificates of insurance and copies of all the foregoing approvals, clearances, permits, licenses, and certifications.

5. Operating Assets

Subsection 2.D. of the Agreement shall be deleted in its entirety, and the following shall be substituted in lieu thereof:

With respect to the existing inventory, products, supplies, and other materials currently in use at the Conversion Franchise, we will inspect such items and advise you within thirty (30) days of the execution of this Agreement and the Addendum whether such items meet our standards and specifications. Within forty-five (45) days after the execution of this Agreement and the Addendum, you agree to cease rendering services and remove all products, equipment, signs, interior and exterior decor items, fixtures, furnishings, supplies and other materials that do not conform with the standards and specifications prescribed by us for use under the System, unless such services or other items are otherwise approved in writing by us.

Subsection 2.D(1), Customer Relationship and Goodwill, shall be added to the Agreement as if it were an original part of the Agreement:

Franchisee acknowledges that all customer relationships, goodwill, and business generated through the Existing Business, including without limitation customer lists, work in progress, accounts receivable, and historical customer data, shall be transitioned to and operated solely as part of the Franchised Business under the Marks upon commencement of operations as a Conversion Franchise. Franchisee shall not, directly or indirectly, divert, retain, or otherwise use such customer relationships or goodwill for any purpose other than the operation of the Franchised Business in compliance with this Agreement and the System.

Franchisee further agrees that, upon expiration or earlier termination of the Franchise Agreement for any reason, Franchisee shall immediately cease using all such customer relationships, goodwill, and related information in any manner that competes with or is similar to the Franchised Business, and shall not, directly or indirectly, solicit, divert, or take away any customers of the Franchised Business for any competing or similar business.

Franchisee acknowledges and agrees that all such customer relationships and goodwill are integral to the System and the Marks, and that any unauthorized use or diversion would cause irreparable harm to Franchisor for which monetary damages would be inadequate, entitling Franchisor to injunctive relief in addition to any other remedies available under this Agreement.

6. Computer System

Subsection 2.E. of the Agreement shall be supplemented by the addition of the following as the last paragraph of the Section as if it were an original part of the Agreement:

With respect to a Conversion Franchise, we will inspect the existing Computer System currently used at the Existing Business and advise you within thirty (30) days of the execution of this Agreement and the Addendum whether such items meet our

standards and specifications. If the computer system does not meet our standards and specifications, the computer hardware, software, and related systems, technology platforms, and services that we specify (collectively, the "Computer System"), all of which are part of the System Standards, within forty-five (45) days of your execution of this Agreement and Addendum.

7. Center Opening

Subsection 2.F. of the Agreement shall be supplemented by the addition of the following as the last paragraph of the Section as if it were an original part of the Agreement:

With respect to a Conversion Franchise, you acknowledge that time is of the essence. Subject to your compliance with the pre-opening obligations described in Section 4. you agree to complete conversion and commence operating the business under the FASTSIGNS System within ninety (90) days following the date of execution of this Agreement and the Addendum unless you obtain an extension of such time from us. We will inspect the Conversion Franchise prior to opening to determine whether you have complied with our specifications and standards for conversion to a FASTSIGNS Center. We have the right to prohibit you from commencing operation of the Conversion Franchise in the event you fail to comply with such pre-opening obligations.

Subsection 2.F of the Agreement shall be further supplemented by the addition of the following paragraph as if it were an original part of the Agreement:

For a Conversion Franchise, you and your designated personnel must attend and successfully complete the same initial training program required for new FASTSIGNS Centers. Completing all required training to our satisfaction is a condition to opening and operating the Conversion Franchise.

8. Continuing Service and Royalty Fee

Subsection 3.B. of the Agreement shall be deleted in its entirety and replaced with the following:

Effective upon commencement of operations as a Conversion Franchise and continuing through the first twelve (12) months of operation, you will pay us a monthly Continuing Service and Royalty Fee (the "Service Fee") equal to three percent (3%) of Gross Sales (as defined in Subsection D below); provided, however, that beginning with the first full calendar month of operation, you will pay a Service Fee equal to the greater of One Thousand Two Hundred Fifty Dollars ($1,250) or three percent (3%) of Gross Sales. Beginning in the thirteenth (13th) month of operation and continuing throughout the remainder of the term of this Agreement, you will pay a Service Fee equal to the greater of One Thousand Two Hundred Fifty Dollars ($1,250) or six percent (6%) of Gross Sales.

On or before the fifth (5th) day of each month, we will extract a statement of the Conversion Franchise's Gross Sales for the preceding calendar month from your Computer System. The method of payment is described in Subsection 3.H. below. In addition, you agree to pay the Ad Fund contribution as described in Subsection 9.B.

If you have not commenced operation as a Conversion Franchise within ninety (90) days following the Effective Date of this Agreement, then beginning on the first day of the month following such the ninety (90) period and continuing until operations commence, you will pay a minimum monthly Service Fee of Two Thousand Five Hundred Dollars ($2,500).

Notwithstanding anything to the contrary in this Addendum or the Franchise Agreement, Franchisee will be eligible to receive the discounted Service Fee applicable to a Conversion Franchise only if Franchisee's Existing Business demonstrates Gross Sales of at least Two Hundred Fifty Thousand Dollars ($250,000) ("**Minimum Sales Threshold**") for the twelve (12) month period immediately preceding the Effective Date of this Addendum, as evidenced by financial statements and other documentation reasonably acceptable to Franchisor.

If Franchisee does not satisfy this Minimum Sales Threshold, the discounted Service Fee will not apply, and Franchisee will instead pay the standard Service Fee in accordance with the Franchise Agreement from the Effective Date.

You must be in "Good Standing" (as described in Subsection 3.I. below) to be eligible for the reduced Service Fee of three percent (3%) each month during the first twelve (12) months operations. If you are not in "Good Standing" at any time during this period, the Service Fee will increase to six percent (6%), in addition to all other remedies available to us.

You agree to provide us with your year-end financial statements and other information for the previous twelve (12) month period prior to signing the Agreement for your Existing Business.

9. <u>Marketing</u>

Subsection 9.A. of the Agreement shall be deleted in its entirety, and the following shall be substituted in lieu thereof:

Before you register for initial training, you must pay Ten Thousand Five Hundred Dollars ($10,500) for initial advertising for your Conversion Franchise to the Fastsigns National Advertising Council, Inc., for initial marketing and advertising for your Conversion Franchise in your local market, which will be administered by our marketing department. We will create a marketing and advertising plan for your Conversion Franchise and will allocate your required initial marketing and advertising pre-paid dollars to local programs at our sole discretion that will be scheduled to run for approximately 3-to-4 months. The programs included in the initial marketing and advertising plan may, but are not limited to, initial marketing materials (3-to-4 month supply), local paid search marketing including local digital advertising, virtual sales assistant customer prospecting email campaigns, social media campaigns, direct mail marketing programs, virtual sales assistant customer prospecting email campaigns and

sales promotion items. There are six (6) months of virtual sales assistant customer prospecting email campaigns included in your initial marketing and advertising plan. Marketing programs are evaluated for effectiveness, and we may amend the tactics to optimize the initial marketing and advertising plan. If additional funds remain after we outline the spending on these programs and materials on the elements above, other programs such as local paid media and association marketing opportunities can be included in the pre-paid portion of the marketing plan. You agree to comply with our guidelines for this initial marketing and advertising plan. We recommend that you invest additional amounts in local marketing during the first year of the Conversion Franchise's operation.

Upon expiration of the pre-paid marketing dollars referenced above for local digital advertising, you are required to continue local digital advertising in the same geographic area as your Territory as defined in Item 12, use our designated agency and spend the minimum amount required to consistently achieve an impression share of seventy-five percent (75%) or more in your Territory. Impression share is the percentage of impressions that your digital ads receive compared to the total number of impressions your ads could get. The required minimum spend is Eight Hundred Fifty Dollars ($850) a month and is subject to change. We will provide you with sixty (60) days' written notice of any increase in the minimum spend level. If spending a lower monthly amount keeps your local paid search impression share at least seventy-five percent (75%), you must spend the difference on additional digital media channels and/or search engine optimization to generate demand. Also, you are required to maintain virtual sales assistant customer-prospecting email campaigns through our designated service at an annual cost of One Thousand Three Hundred Eighty dollars ($1,380) (this pricing is subject to change).

The First Three Paragraphs of Subsection 9.B., Advertising, of the Agreement shall be deleted in their entirety and replaced with the following:

We have established an advertising fund for the advertising, marketing, promotional, and public relations programs we deem appropriate (the "**Ad Fund**"). You agree to contribute one percent (1%) of the Conversion Franchise's Gross Sales during the first twelve months the Co-Brand Franchised Business is open, payable in the same manner as the Service Fee. Beginning the thirteenth (13th) month and continuing throughout the end of the term of this Agreement, you will contribute to the Ad Fund two percent (2%) of the Conversion Franchise's Gross Sales.

The Ad Fund is currently administered by the Fastsigns National Advertising Council, Inc. The Sliding Scale Royalty Rebate described in Subsection 3.C. does not apply until the first full calendar year in which you are required to pay an Ad Fund contribution of two percent (2%) of the Conversion Franchise's Gross Sales.

Your eligibility to pay the reduced Ad Fund contribution applicable to a Conversion Franchise is subject to the Minimum Sales Threshold requirement described in the Service Fee provisions of this Addendum. If you do not meet the Minimum Sales Threshold, you will pay the Ad Fund contribution applicable to a new Franchised Business.

You must be in "Good Standing" (as described in Subsection 3.I. above) to be eligible for the reduced one percent (1%) Ad Fund contribution during the first twelve (12) months of operation. If you are not in "Good Standing" at any time during this period, the Ad Fund contribution will increase to two percent (2%) in addition to all other remedies available to us.

Subsection 9.E. of the Agreement shall be supplemented by the addition of the following paragraph as if it were an original part of the Agreement:

You agree to transfer the Uniform Resource Location ("URL") for the Existing Business to us within sixty (60) days from the date of signing this Addendum. You will work with us and the domain name registrar to complete any necessary paperwork to complete the transfer of the URL to us. We will allow you to maintain the Existing Business' website, social media accounts, and email for six (6) months from the date of this Addendum for the sole purpose of maintaining the business from the Existing Business. These URL(s) should not be promoted or marketed. After this six (6) month period, you agree to discontinue the website, social media accounts and email. Upon discontinuation of the Existing Business's website, you agree to put a jump page on the Existing Business' website that is redirected to your Conversion Franchise's page.

10. Records, Reports, and Financial Statements

The Agreement shall be supplemented by the addition of the following paragraph to the end of Section 10. as if it was an original part of the Agreement.

If we determine that the form and manner which you maintain the books and records of the Existing Business are not consistent with those prescribed by us under the System, you agree to prepare all books and records in the form and manner prescribed by us upon commencing operations as a Conversion Franchise.

11. Termination of Agreement

Subsection 14.A. (2) and (3) of the Agreement shall be deleted in its entirety (and section numbers renumbered) and the following shall be substituted in lieu thereof:

(2) If you fail to convert your Existing Business to a Conversion Franchise in accordance with the terms of the Addendum within ninety (90) days of the date of execution of this Agreement and the Addendum;

Subsection 14.A. of the Agreement shall be supplemented by the addition of the following subsection (26) as if it were an original part of the Agreement:

(26) If you fail to comply with any of the terms and conditions of the Addendum.

12. Acknowledgments and Representations

Section 21. of the Agreement shall be supplemented by the addition of the following Subsections (14), (15), (16), and (17) as if they were an original part of the Agreement:

(14) Except for you, no other person, firm, corporation, or other entity has any right, title, or interest in or to you; that your business has not been mortgaged, pledged, or assigned; and there are no judgments, liens, executions, or proceedings pending which may alter, decrease, or remove your interest in such business;

(15) You acknowledge that the information submitted, and representations made to us as an inducement for us to enter into this Agreement and the Addendum are complete, true, and correct;

(16) You acknowledge that by virtue of the terms and conditions of this Agreement and the Addendum the manner and operation of your business must be in strict compliance with the System;

(17) You represent and warrant that: (a) the Existing Business has been owned and operated in compliance with all applicable federal, state, and local laws, regulations, and ordinances; (b) there are no undisclosed liabilities, obligations, or claims, whether accrued, contingent, or otherwise, that would adversely affect the operation or financial condition of the Franchised Business; (c) you are not a party to, and the Existing Business is not subject to, any agreement, contract, lease, license, restriction, or other obligation that would conflict with or impair your ability to comply with this Agreement or operate the Franchised Business in accordance with the System; and (d) all financial and operational information provided to us regarding the Existing Business is true, correct, and complete in all material respects. You acknowledge that we are relying on the foregoing representations and warranties as a material inducement to enter into this Agreement and this Addendum.

IN WITNESS WHEREOF, you acknowledge that you have read and understand the contents of this Addendum, that you have had an opportunity to obtain the advice of counsel, and that you intend to comply with this Addendum and be bound thereby. The parties have executed and delivered this Addendum to the Agreement on the dates noted below, to be effective as of the Effective Date.

Independent Auditor's Report

Board of Directors
Propelled Brands Franchising, LLC and Subsidiaries
Carrollton, Texas

Opinion

We have audited the consolidated financial statements of Propelled Brands Franchising, LLC (the "Company"), which comprise the consolidated balance sheets as of December 31, 2025 and 2024, and the related consolidated statements of operations, changes in member's equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2025 and 2024, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

BDO USA, P.C., a Virginia professional corporation, is the U.S. member of BDO International Limited, a UK company limited by guarantee, and forms part of the international BDO network of independent member firms.

BDO is the brand name for the BDO network and for each of the BDO Member Firms.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2. Summary of Significant Accounting Policies

The following is a summary of significant accounting policies followed in the preparation of these consolidated financial statements.

Cash and Cash Equivalents

The Company considers all highly liquid investments with maturities of three months or less to be cash equivalents. The Company maintains cash in financial institutions, which at times may exceed federally insured limits. The Company believes it is not exposed to any significant credit risk on such accounts. As of December 31, 2025 and 2024, cash and cash equivalents include $417,807 and $349,278, respectively, held in foreign bank accounts.

The Company maintains some of its cash in U.S. transaction accounts which are insured by the Federal Deposit Insurance Corporation up to a maximum of $250,000 per depositor. As of December 31, 2025, the Company's uninsured deposits in its deposit accounts with a U.S. bank totaled approximately $6,650,044. The Company does not believe the unsecured funds are at risk.

Financial Instruments

Financial instruments, which potentially subject the Company to concentrations of credit risk, consist principally of accounts and notes receivable related to royalties owed by franchisees. Credit risks with respect to royalty receivables are limited due to the large number of franchisees comprising the Company's franchisee base. The Company performs ongoing evaluations of the franchisees' financial condition and maintains allowances for potential credit losses which, when incurred, have been within the range of management expectations.

Accounts Receivable

Accounts receivable consists primarily of royalty billings to franchisees and are due within 30 days. Accounts receivables are stated at amounts net of an allowance for credit losses. The allowance for credit losses is estimated based on historical collectivity, aging of receivables and other factors such as franchisee performance or circumstances that may impact the Company's ability to collect against those receivables. Accounts receivables are written off through the allowance account when it is determined the receivable will not be collected. Accounts receivable may also be converted to notes receivable due from franchisees at the discretion of the Company.

Changes in the Company's allowance for credit losses, including accounts and notes receivable, for the years ended December 31 are as follows:

	2025	2024
Beginning balance	**$ 823,837**	$ 1,061,465
Bad debt, net losses/(recoveries)	**147,756**	(85,758)
Write-offs charged against the allowance	**(355,250)**	(151,870)
Ending balance	**$ 616,343**	$ 823,837

Notes Receivable

Notes receivable in the ordinary course of business are primarily due from franchisees and bear interest at rates per annum ranging from 0% to 10% and are generally secured by the assets of the related stores. The notes receivable balance as of December 31, 2025 and 2024 were $806,915 and $269,379, respectively. The allowance for credit losses balance related to notes receivable was $50,063 and $48,651 as of December 31, 2025 and 2024, respectively. The loan from Techy LLC associated with the divestiture of GTN in 2025 increased the ending note receivable by $549,515.

Fixed Assets

Fixed assets associated with an acquisition are recorded at fair value at the date of acquisition and subsequent purchases are recorded at cost. Depreciation is determined using the straight-line method over the estimated useful lives of the assets for financial reporting purposes. Furniture, equipment and internally developed software have an estimated useful life of three to seven years, and leasehold improvements are amortized over the shorter of the life of the lease or the useful life of the assets. Maintenance and repairs are charged to expense as incurred.

The Company reviews the carrying value of fixed assets for impairment whenever events and circumstances indicate that the carrying value of an asset may not be recoverable. The factors considered by management in performing this assessment include current operating results, trends and prospects, as well as other economic factors. The Company recorded fixed asset impairments of $381,701 and $0 as of December 31, 2025 and 2024, respectively.

Goodwill and Other Intangible Assets

Goodwill represents the excess of consideration transferred over the fair value of the tangible and intangible net assets acquired. Intangible assets are recorded at their fair value at the date of acquisition.

Under FASB ASC 350, Intangibles, Goodwill and Other ("ASC 350"), the Company does not amortize goodwill and determines if intangibles have a finite future life and should be amortized or an indefinite life not subject to amortization. Finite and indefinite lived intangibles are evaluated for impairment when current facts or circumstances indicate that the carrying value of the assets may not be recoverable and/or if there is a change in the useful life of the finite intangible. Amortization is recorded using the straight-line method over the following estimated useful lives of the asset:

Trade names	10 years to indefinite
Program materials	3 years
Internally developed software	3 years
Franchise agreements	1-20 years

In accordance with ASC 350, the Company evaluates goodwill for impairment whenever events or changes in circumstances indicate that the fair value of the entity may be below it's carrying amount. When necessary, a goodwill impairment loss is measured as the amount by which the carrying amount of the Company, including goodwill, exceeds its fair value. Any goodwill impairment loss determined shall not exceed the carrying amount of goodwill.

The Company recorded $1,659,704 and $62,667 of goodwill and intangible impairment losses in 2025 and 2024 related to the divestiture of GTN and the closure of NTG, respectively.

Income Taxes

The Company is a single member limited liability company that is disregarded for federal tax reporting purposes. The Company is included in a consolidated Federal tax return with its parent company Propelled Brands Holdings, Inc. FII, CBF and CBO are regarded corporate taxpayers. SMF, SMC, GTN, and NTG are all single member limited liability companies that are disregarded for federal tax reporting. The consolidated financial statements for the Company have been prepared as if the Company was a stand-alone taxpayer for the regarded corporate entities FII, CBF and CBO only.

Deferred tax assets and liabilities are determined based on differences between the financial reporting and income tax bases of assets and liabilities and are measured using the enacted tax rates and laws that will be in effect when the differences are expected to reverse.

The Company accounts for uncertain tax provisions using a two-step process. The Company first determines whether it is more-likely-than-not that a tax position will be sustained upon examination. If a tax position meets the more-likely-than-not threshold it is then measured to determine the amount of expense to record in the consolidated financial statements. The tax position is measured as the largest amount of expense with a greater than 50 percent likelihood of being realized upon ultimate settlement. Penalties and interest incurred are recognized in income tax expense.

Revenue Recognition

The Company's revenues consist of franchise sales including initial franchise fees, franchise re-sale transfer fees, and renewal franchise fees, royalties based on a percent of franchisee sales, salon suite rental income, and other revenue including sales of equipment, services, supplies and inventory. Some franchises are master franchise arrangements with development rights across a defined territory or multiple territories. Typical agreements governing the franchise relationship range from 10 to 20 years in length, whereby the initial franchise and transfer fees are typically collected upon agreement execution and prior to the start of the Company's performance obligations.

The Company recognizes revenue in accordance with FASB ASC Topic 606 (which addresses revenue from contracts with customers) and Topic 842 (which addresses lease revenue with the adoption of ASC 842 as of January 1, 2022).

The Company has defined its distinct and non-distinct performance obligations required under the terms of the various contracts. For its franchise agreements, the Company believes that portions of certain services, training, site selection and development services, benefit the Franchisee without its use of the license and are therefore considered distinct performance obligations separable from the franchise right. Performance obligations for training, site selection and development services are generally satisfied as of the opening of a franchise center or contract date. To allocate the initial franchise, transfer, and renewal fees to the associated performance obligations, the Company uses an expected cost-plus margin approach to determine the amount of the distinct services obligations. This total distinct amount is recognized upfront, and the remaining non-distinct portion of the total franchise fee is allocated to symbolize intellectual property and recognized over the agreement period. Certain franchise agreements may also include a financing component, but the Company has determined that the total interest amount related to these franchise agreements is immaterial to its consolidated financial statements.

Royalties are generally based on a percent of franchisee sales differing by brand ranging from 2% to 8% and are recognized at the time the underlying franchisee's sales occur. Advertising fund revenue for all brands other than FII are included in royalty revenue. The FASTSIGNS National Advertising Fund is a standalone entity owned solely by the FASTSIGNS franchisees and is therefore not included in the accompanying consolidated statement of operations.

To secure new franchises, the Company uses its sales force, and in certain instances, third party brokers to obtain leads for new franchise arrangements. The costs for internal sales commissions and third-party broker fees are amortized over the agreement term of each respective contract starting from the opening date of the franchise center.

Under ASC 842, Leases, the Company sublets compartmentalized spaces to non-related parties at a weekly rate for periods of generally one year (lessor). These lessor transactions do not transfer ownership to the lessee and with lease terms substantially shorter than the life of the underlying

asset, the Company characterizes these as operating leases under ASC 842. The Company recognizes rental income on a weekly basis over the life of the lease as collectability is probable.

Other revenue earned was $6,601,292 and $6,989,429 for the years ending December 31, 2025 and 2024, respectively. Other revenue is comprised of three major categories: franchisee new center openings which includes the sale of equipment and location finishings, vendor rebates, other services related to opening a new franchise center; the sale of goods and services by all brands including the Company's CAMP BOW WOW® and NerdsToGo corporate stores; and ongoing franchisee support services provided by the franchisor.

Under ASC 606, substantially all our revenue is recognized over time as we deliver services and support for our franchisees, except for revenues earned from the sale of goods, equipment and certain services, of $3,982,378 and $4,736,376 in the years ended December 31, 2025 and 2024, respectively, which are recognized at a point in time and are included in other revenue on our consolidated statements of income.

Equity-based Compensation

The Company accounts for equity-based compensation under FASB ASC Topic 718, *Compensation-Stock Compensation*. The Company recognizes all share-based payments to employees, including grants of employee stock options, as compensation expense based on their estimated fair values over the requisite service period, which is generally the vesting period of the awards. The Company currently estimates stock option forfeitures at the inception of the stock option agreement. The Company adjusts its estimates when the actual forfeitures are likely to change or differ from estimates. The Company estimates the fair value of each stock option award on the date of grant using the Black-Scholes option valuation model. The expected life of each award granted is determined using the average of the weighted-average vesting term and contractual term. Expected volatility is based on the historical volatility of similar entities whose share or option price is publicly available with a similar vesting and contractual term. The risk-free interest rate is based on the implied yield currently available on U.S. Treasury issues with terms approximately equal to the expected life of the option. The Company has never paid any cash dividends and, accordingly, the Company uses an expected dividend yield of zero.

Advertising Costs

The Company expenses the costs of advertising when incurred. Advertising expense was $6,189,684 and $5,424,430 for the years ended December 31, 2025 and 2024, respectively.

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States ("US GAAP") requires management to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes. Actual results could differ from those estimates.

Contingencies

Various legal actions and claims, which have arisen in the normal course of business, may be pending against the Company from time to time. It is the opinion of management, based on consultation with counsel, that the ultimate resolution of these contingencies will not have a material effect on the financial condition, results of operations or liquidity of the Company.

Fair Value of Financial Instruments

In accordance with FASB ASC 820 *Fair Value Measurements,* certain assets and liabilities are carried at fair value and are categorized based on the level of judgment associated with the inputs used to measure their fair value. The standard establishes a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels:

Level 1 - Inputs are unadjusted quoted market prices in active markets for identical assets or liabilities at the measurement date.

Level 2 - Inputs (other than quoted prices included in Level 1) are either directly or indirectly observable for the asset or liability through correlation with market data at the measurement date for the duration of the instrument's anticipated life.

Level 3 - Inputs are unobservable and therefore reflect management's best estimate of the assumptions that market participants would use in pricing the asset or liability.

The Company believes the carrying amounts of financial instruments as of December 31, 2025 and 2024, including cash and cash equivalents, accounts receivable, accounts payable and accrued liabilities, approximate their fair values due to their short maturities. The Company's notes receivable bear interest at market rates and management does not believe there has been a change in the franchisees' credit quality from the date of issuance. Thus, management believes their carrying amounts approximate fair value.

Recent Accounting Pronouncements

On December 14, 2023, the FASB issued a final standard on improvements to income tax disclosures. The standard requires disaggregated information about a reporting entity's effective tax rate reconciliation as well as information on income taxes paid. The standard is intended to benefit investors by providing more detailed income tax disclosures that would be useful in making capital allocation decisions. ASU 2024-09, *Improvements to Income Tax Disclosures,* applies to all entities subject to income taxes. The new requirements will be effective for annual periods beginning after December 15, 2025. The guidance will be applied on a prospective basis with the option to apply the standard retrospectively. Early adoption is permitted.

3.Related Party Transactions

The Company performs certain bookkeeping and administrative services for and allocates facility and supply resources to the FII advertising cooperative, which includes a National Accounts sales division. The Company has no ownership stake in the FII advertising cooperative. Amounts reimbursed for these services were $1,407,323 and $1,243,103 in 2025 and 2024, respectively. For 2025 and 2024, the Company earned royalty revenue of 6% of the advertising cooperative's sales to parties other than FASTSIGNS franchises. Royalty revenue earned from the cooperative under the National Accounts was $532,582 and $533,031 in 2025 and 2024, respectively. This advertising cooperative is wholly owned by the FASTSIGNS franchisees. Accounts receivable from the advertising cooperative and National Accounts were $326,305 and $632,545 at December 31, 2025 and 2024, respectively, and are presented as "Amounts due from affiliates" on our consolidated balance sheets. See Note 10 – Receivable from Parent Company for additional related party disclosure.

4.Fixed Assets

Fixed assets consist of the following at December 31:

	2025	2024
Furniture, equipment and internally developed software	**$ 10,466,345**	$ 7,624,589
Leasehold improvements	**22,326,997**	21,715,381
Total fixed assets	**32,793,342**	29,339,970
Less: accumulated depreciation	**(12,268,717)**	(9,294,913)
Fixed assets, net	**$ 20,524,625**	$ 20,045,057

The furniture, equipment and developed software have an expected life of three to seven years, and leasehold improvements are amortized over the shorter of the life of the lease or the useful life of the assets. Total fixed assets are inclusive of construction in process of $3,271,191 and $3,339,301 at December 31, 2025 and 2024, respectively. Depreciation expense was $4,624,528 and $3,935,437 for the years ended December 31, 2025 and 2024, respectively.

5. Leases

The Company primarily leases commercial retail space associated with its My Salon Suite brand and subleases compartmentalized suites to beauty professionals at a weekly rate for periods of generally one year. The lessee arrangements account for the significant portion of the lease liabilities and right-of-use assets on the consolidated balance sheet. The lessor arrangements and the applicable accounting guidance are more fully explained in this report under *Revenue Recognition*.

The base terms for most of our lease arrangements typically do not extend beyond 10 years. We commonly have renewal options in our leases in 5-year increments that are generally included in the calculated lease liabilities and associated right-of-use assets. All the renewal options considered for future lease liabilities are associated with the My Salon Suite brand, which can have significant construction costs due to their highly compartmentalized footprint with generally semi-permanent fixtures that are not easily moved into a new space. Due to these factors, it is almost always more economically feasible to stay in the leased space and make cosmetic updates versus moving to a new space.

As an accounting policy election, any short-term leases with an initial term of 12 months or less are not recognized as lease liabilities and right-of-use assets in the consolidated balance sheets. The rent expense associated with short term leases is generally recognized on a straight-line basis over the lease term. The Company is also electing the practical expedient to not separate lease components from non-lease components for all of its equipment leases and therefore the non-lease components are factored into the calculation of lease liabilities and associated right-of-use assets. The Company is choosing to separate lease and non-lease components for all its building leases, and the associated non-lease components, such as Common Area Maintenance and Real Estate Taxes, are expensed as incurred.

Due to the implicit rate not being readily available or determined in most leases, the Company has elected the practical expedient for all lease payments to be discounted at a risk-free rate based on the treasury bond rates with maturity dates that most closely match the remainder of the lease either at adoption or commencement if post-adoption.

Finance leases with a right-of-use asset value of $52,626 and a current and long-term portion lease liability value of $27,264 and $32,006 respectively are included in the values reported on the Consolidated Balance Sheet as of December 31, 2025. Finance leases with a right-of-use asset value of $73,693 and a current and long-term portion lease liability value of $23,369 and $52,596 respectively are included in the values reported on the Consolidated Balance Sheet as of December 31, 2024.

Supplemental balance sheet information related to leases as of December 31 are as follows:

	2025	2024
Weighted average remaining lease term (Years)		
Operating leases	**14 years**	14 years
Financing leases	**3 years**	4 years
Weighted average discount rate		
Operating leases	**3.2%**	3.2%
Financing leases	**4.2%**	4.2%

Interest on lease liabilities	**2,778**	3,645
Total financing lease cost	**$ 23,845**	$ 24,679

Operating lease costs are recorded in selling, general, and administrative costs and expenses on the Consolidated Statements of Income. For financing leases, the amortization of right-of-use assets are recorded in depreciation and amortization expense, and interest on lease liabilities are netted with Interest income on the Consolidated Statements of Income. Total operating lease cash payments of $6,560,327 and $5,736,880 were made in 2025 and 2024, respectively.

Future payments due under operating and finance leases by fiscal year as of December 31, 2025 are as follows:

Years ending December 31:	Operating Leases	Financing Leases
2026	$ 7,081,803	$ 27,264

Less: portion representing imputed interest	18,567,727	3,048
Present value of lease liabilities at December 31, 2025	$ 66,950,067	$ 59,270

As of December 1, 2025, the Company recorded an impairment loss of $1,004,526 related to its right-of-use assets. This loss is included within selling, general, and administrative expenses in the consolidated statements of operations.

The impairment was triggered by the Company's decision to permanently close the SMC operation at its leased facility in Towson, Maryland. The Company determined that it no longer has the intent to sublease the space for the remainder of the lease term and to abandon the property effective January 31, 2026.

In accordance with ASC 360, the Company evaluated the asset group for recoverability. Because of the abandonment decision, the carrying amount of the ROU asset was compared to its fair value, which was determined to be $0 based on the lack of expected future cash flows. The resulting non-cash impairment charge represents the difference between the carrying value of the ROU asset and its estimated fair value.

In May 2025, the Company adopted the Propelled Brands Holdings, Inc. Incentive Unit Plan, ("Incentive Unit Plan" or the "Plan") to grant incentive units to certain employees. In connection with this agreement, during 2025, the Company granted 2,212 incentive units that have both service and performance conditions that must be met for vesting to occur. The service condition or time vesting occurs over 5 years with 20% vesting annually on the anniversary date of award issuance as

long as the employee has not been terminated. However, the service condition or time vesting accelerates to 100% vesting upon a qualifying change in control event. The performance condition is satisfied by the occurrence of a qualifying change in control event in which the Multiple on Invested Capital ("MOIC") exceeds 2.0. Upon vesting, each unit will be settled in cash in an amount equal to the fair market value of one share of the Company's stock. These awards are accounted for as liability-classified share-based compensation under ASC 718. As of December 31, 2025, a qualifying change in control was not considered probable, accordingly, no stock compensation cost or liability was recognized for these awards.

12. Employee Benefit Plan

The Company has a defined contribution plan structured under Section 401(k) of the Internal Revenue Code. Under the plan, contributions are made by eligible employees. The employees can elect to contribute the lessor of up to 60% of their salary or $23,500 in 2025 and $23,000 in 2024. The Company matches 50% of the first 6% of contributions for a total amount of $479,845 in 2025 and $436,004 in 2024. The Company currently offers no other post-retirement or postemployment benefits to its employees.

Independent Auditor's Report

Board of Directors
Propelled Brands Franchising, LLC and Subsidiaries
Carrollton, Texas

Opinion

We have audited the consolidated financial statements of Propelled Brands Franchising, LLC (the "Company"), which comprise the consolidated balance sheets as of December 31, 2024 and 2023, and the related consolidated statements of operations, changes in member's equity, and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2024 and 2023, and the results of its operations and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

2. Summary of Significant Accounting Policies

The following is a summary of significant accounting policies followed in the preparation of these consolidated financial statements.

Cash and Cash Equivalents

The Company considers all highly liquid investments with maturities of three months or less to be cash equivalents. The Company maintains cash in financial institutions, which at times may exceed federally insured limits. The Company believes it is not exposed to any significant credit risk on such accounts. As of December 31, 2024 and 2023, cash and cash equivalents include $349,278 and $244,637, respectively, held in foreign bank accounts.

The Company maintains some of its cash in U.S. transaction accounts which are insured by the Federal Deposit Insurance Corporation up to a maximum of $250,000 per depositor. As of December 31, 2024, the Company's uninsured deposits in its deposit accounts with a U.S. bank totaled approximately $2,904,660. The Company does not believe the unsecured funds are at risk.

Financial Instruments

Financial instruments, which potentially subject the Company to concentrations of credit risk, consist principally of accounts and notes receivable related to royalties owed by franchisees. Credit risks with respect to royalty receivables are limited due to the large number of franchisees comprising the Company's franchisee base. The Company performs ongoing evaluations of the franchisees' financial condition and maintains allowances for potential credit losses which, when incurred, have been within the range of management expectations.

Accounts Receivable

Accounts receivable consist primarily of royalty billings to franchisees and are due within 30 days. Accounts receivables are stated at amounts net of an allowance for credit losses. The allowance for credit losses is estimated based on historical collectivity, aging of receivables and other factors such as franchisee performance or circumstances that may impact the Company's ability to collect against those receivables. Accounts receivables are written off through the allowance account when it is determined the receivable will not be collected. Accounts receivable may also be converted to notes receivable due from franchisees at the discretion of the Company.

Changes in the Company's allowance for credit losses, including accounts and notes receivable, for the years ended December 31 are as follows:

	2024	2023
Beginning balance	**$ 1,061,465**	$ 794,410

Notes Receivable

Notes receivable are due from franchisees and bear interest at rates per annum ranging from 6% to 10%. The notes are generally secured by the assets of the related stores. The notes receivable

balance as of December 31, 2024 and 2023 were $269,379 and $184,822, respectively. The allowance for credit losses balance related to notes receivable was $48,651 and $28,304 as of December 31, 2024 and 2023, respectively.

Fixed Assets

Fixed assets associated with an acquisition are recorded at fair value at the date of acquisition and subsequent purchases are recorded at cost. Depreciation is determined using the straight-line method over the estimated useful lives of the assets for financial reporting purposes. Furniture, equipment and internally developed software have an estimated useful life of three to seven years, and leasehold improvements are amortized over the shorter of the life of the lease or the useful life of the assets. Maintenance and repairs are charged to expense as incurred.

The Company reviews the carrying value of fixed assets for impairment whenever events and circumstances indicate that the carrying value of an asset may not be recoverable. The factors considered by management in performing this assessment include current operating results, trends and prospects, as well as other economic factors. The Company determined that there were no indications of impairment in 2024 and $323,146 was recognized as of December 31, 2023.

Goodwill and Other Intangible Assets

Goodwill represents the excess of consideration transferred over the fair value of the tangible and intangible net assets acquired. Intangible assets are recorded at their fair value at the date of acquisition.

Under FASB ASC 350, Intangibles, Goodwill and Other ("ASC 350"), the Company does not amortize goodwill and determines if intangibles have a finite future life and should be amortized or an indefinite life not subject to amortization. Finite and indefinite lived intangibles are evaluated for impairment when current facts or circumstances indicate that the carrying value of the assets may not be recoverable and/or if there is a change in the useful life of the finite intangible. Amortization is recorded using the straight-line method over the following estimated useful lives of the asset:

Trade names	10 years to indefinite
Program materials	3 years
Internally developed software	3 years
Franchise agreements	1-20 years

In accordance with ASC 350, the Company evaluates goodwill for impairment whenever events or changes in circumstances indicate that the fair value of the entity may be below it's carrying amount. When necessary, a goodwill impairment loss is measured as the amount by which the carrying amount of the Company, including goodwill, exceeds its fair value. Any goodwill impairment loss determined shall not exceed the carrying amount of goodwill.

The Company recorded an intangible impairment loss in 2024 of $62,667 associated with the closure of NTG. There were no indications of impairment in 2023 related to goodwill or other intangibles.

Income Taxes

The Company is a single member limited liability company that is disregarded for federal tax reporting purposes. The Company is included in a consolidated Federal tax return with its parent company Propelled Brands Holdings, Inc. FII, CBF and CBO are regarded corporate taxpayers. SMF, SMC, GTN, and NTG are all single member limited liability companies that are disregarded for

federal tax reporting. The consolidated financial statements for the Company have been prepared as if the Company was a stand-alone taxpayer for the regarded corporate entities FII, CBF and CBO only.

Deferred tax assets and liabilities are determined based on differences between the financial reporting and income tax bases of assets and liabilities and are measured using the enacted tax rates and laws that will be in effect when the differences are expected to reverse.

The Company accounts for uncertain tax provisions using a two-step process. The Company first determines whether it is more-likely-than-not that a tax position will be sustained upon examination. If a tax position meets the more-likely-than-not threshold it is then measured to determine the amount of expense to record in the consolidated financial statements. The tax position is measured as the largest amount of expense with a greater than 50 percent likelihood of being realized upon ultimate settlement. Penalties and interest incurred are recognized in income tax expense.

Revenue Recognition

The Company's revenues consist of franchise sales including initial franchise fees, franchise re-sale transfer fees, and renewal franchise fees, royalties based on a percent of franchisee sales, salon suite rental income, and other revenue including sales of equipment, services, supplies and inventory. Some franchises are master franchise arrangements with development rights across a defined territory or multiple territories. Typical agreements governing the franchise relationship range from 10 to 20 years in length, whereby the initial franchise and transfer fees are typically collected upon agreement execution and prior to the start of the Company's performance obligations.

The Company recognizes revenue in accordance with FASB ASC Topic 606 (which addresses revenue from contracts with customers) and Topic 842 (which addresses lease revenue with the adoption of ASC 842 as of January 1, 2022).

The Company has defined its distinct and non-distinct performance obligations required under the terms of the various contracts. For its franchise agreements, the Company believes that portions of certain services, training, site selection and development services, benefit the Franchisee without its use of the license and are therefore considered distinct performance obligations separable from the franchise right. Performance obligations for training, site selection and development services are generally satisfied as of the opening of a franchise center or contract date. To allocate the initial franchise, transfer, and renewal fees to the associated performance obligations, the Company uses an expected cost-plus margin approach to determine the amount of the distinct services obligations. This total distinct amount is recognized upfront, and the remaining non-distinct portion of the total franchise fee is allocated to symbolize intellectual property and recognized over the agreement period. Certain franchise agreements may also include a financing component, but the Company has determined that the total interest amount related to these franchise agreements is immaterial to its consolidated financial statements.

Royalties are generally based on a percent of franchisee sales differing by brand ranging from 2% to 8% and are recognized at the time the underlying franchisee's sales occur. Advertising fund revenue for all brands other than FII are included in royalty revenue. The FASTSIGNS National Advertising Fund is a standalone entity owned solely by the FASTSIGNS franchisees and is therefore not included in the accompanying consolidated statement of operations.

To secure new franchises, the Company uses its sales force, and in certain instances, third party brokers to obtain leads for new franchise arrangements. The costs for internal sales commissions and third-party broker fees are amortized over the agreement term of each respective contract starting from the opening date of the franchise center.

Under ASC 842, Leases, the Company sublets compartmentalized spaces to non-related parties at a weekly rate for periods of generally one year (lessor). These lessor transactions do not transfer ownership to the lessee and with lease terms substantially shorter than the life of the underlying asset, the Company characterize these as operating leases under ASC 842. The Company recognizes rental income on a weekly basis over the life of the lease as collectability is probable.

Other revenue earned was $6,989,429 and $5,787,952 for the years ending December 31, 2024 and 2023, respectively. Other revenue is comprised of three major categories: franchisee new center openings which includes the sale of equipment and location finishings, vendor rebates, other services related to opening a new franchise center; the sale of goods and services by all brands including the Company's NerdsToGo and CAMP BOW WOW® corporate stores; and ongoing franchisee support services provided by the franchisor.

Under ASC 606, substantially all our revenue is recognized over time as we deliver services and support for our franchisees, except for revenues earned from the sale of goods, equipment and certain services, of $4,736,376 and $4,094,384 in the years ended December 31, 2024 and 2023, respectively, which are recognized at a point in time and are included in other revenue on our consolidated statements of income.

Equity-based Compensation

The Company accounts for equity-based compensation under FASB ASC Topic 718, *Compensation-Stock Compensation*. The Company recognizes all share-based payments to employees, including grants of employee stock options, as compensation expense based on their estimated fair values over the requisite service period, which is generally the vesting period of the awards. The Company currently estimates stock option forfeitures at the inception of the stock option agreement. The Company adjusts its estimates when the actual forfeitures are likely to change or differ from estimates. The Company estimates the fair value of each stock option award on the date of grant using the Black-Scholes option valuation model. The expected life of each award granted is determined using the average of the weighted-average vesting term and contractual term. Expected volatility is based on the historical volatility of similar entities whose share or option price is publicly available with a similar vesting and contractual term. The risk-free interest rate is based on the implied yield currently available on U.S. Treasury issues with terms approximately equal to the expected life of the option. The Company has never paid any cash dividends and, accordingly, the Company uses an expected dividend yield of zero.

Advertising Costs

The Company expenses the costs of advertising when incurred. Advertising expense was $5,424,430 and $2,068,810 for the years ended December 31, 2024 and 2023, respectively.

Use of Estimates

The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States ("US GAAP") requires management to make estimates and assumptions that affect the amounts reported in the consolidated financial statements and accompanying notes. Actual results could differ from those estimates.

Contingencies

Various legal actions and claims, which have arisen in the normal course of business, may be pending against the Company from time to time. It is the opinion of management, based on consultation with counsel, that the ultimate resolution of these contingencies will not have a material effect on the financial condition, results of operations or liquidity of the Company.

Fair Value of Financial Instruments

In accordance with FASB ASC 820 *Fair Value Measurements,* certain assets and liabilities are carried at fair value and are categorized based on the level of judgment associated with the inputs used to measure their fair value. The standard establishes a hierarchy that prioritizes the inputs to valuation techniques used to measure fair value into three levels:

Level 1 - Inputs are unadjusted quoted market prices in active markets for identical assets or liabilities at the measurement date.

Level 2 - Inputs (other than quoted prices included in Level 1) are either directly or indirectly observable for the asset or liability through correlation with market data at the measurement date for the duration of the instrument's anticipated life.

Level 3 - Inputs are unobservable and therefore reflect management's best estimate of the assumptions that market participants would use in pricing the asset or liability.

The Company believes the carrying amounts of financial instruments as of December 31, 2024 and 2023, including cash and cash equivalents, accounts receivable, accounts payable and accrued liabilities, approximate their fair values due to their short maturities. The Company's notes receivable bear interest at market rates and management does not believe there has been a change in the franchisees' credit quality from the date of issuance. Thus, management believes their carrying amounts approximate fair value.

Recent Accounting Pronouncements

In October 2021, the FASB issued Accounting Standards Update ("ASU") No. 2021-08, Business Combinations (Topic 805) – Accounting for Contract Assets and Contract Liabilities from Contracts with Customers, to amend the current accounting guidance in ASC 805 to require entities to apply ASC 606 to recognize and measure contract assets and contract liabilities acquired in a business combination. The Company adopted this guidance effective January 1, 2024. There were no impacts to prior periods.

Prior to ASU 2021-08, the company measured contract assets and liabilities acquired in a business combination at fair value, leading to discrepancies with the acquiree's existing contracts under Topic 606. The new guidance allows the Company to recognize the acquired contract assets and liabilities as if the acquirer originated them under Topic 606. This enhances post-combination comparability by aligning revenue and amortization patterns of acquired contracts with those of similar contracts executed after the acquisition. The adoption of this guidance provides the company with a more consistent and clearer approach to accounting for customer contracts in business combinations, reducing the complexity associated with fair value measurements.

On December 14, 2023, the FASB issued a final standard on improvements to income tax disclosures. The standard requires disaggregated information about a reporting entity's effective tax rate reconciliation as well as information on income taxes paid. The standard is intended to benefit investors by providing more detailed income tax disclosures that would be useful in making capital allocation decisions. ASU 2023-09, *Improvements to Income Tax Disclosures,* applies to all entities subject to income taxes. The new requirements will be effective for annual periods beginning after December 15, 2025. The guidance will be applied on a prospective basis with the option to apply the standard retrospectively. Early adoption is permitted.

The Company has no ownership stake in the FII advertising cooperative. Amounts reimbursed for these services were $1,243,103 and $952,490 in 2024 and 2023, respectively. See Note 10 – Receivable from Parent Company for additional related party disclosure.

4. Fixed Assets

Fixed assets consist of the following at December 31:

	2024	2023
Furniture, equipment and internally developed software	**$ 7,624,589**	$ 6,730,068
Leasehold improvements	**21,715,381**	12,825,113
Total fixed assets	**29,339,970**	19,555,181
Less: accumulated depreciation	**(9,294,913)**	(6,593,875)
Fixed assets, net	**$ 20,045,057**	$ 12,961,306

The furniture, equipment and developed software have an expected life of three to seven years, and leasehold improvements are amortized over the shorter of the life of the lease or the useful life of the assets. Total fixed assets are inclusive of construction in process of $3,339,301 and $1,905,869 at December 31, 2024 and 2023, respectively, and is primarily included in leasehold improvements. Depreciation expense was $3,935,437 and $2,652,140 for the years ended December 31, 2024 and 2023, respectively.

5. Leases

The Company primarily leases commercial retail space associated with its MY SALON Suite brand and subleases compartmentalized suites to beauty professionals at a weekly rate for periods of generally one year. The lessee arrangements account for the significant portion of the lease liabilities and right-of-use assets on the consolidated balance sheet. The lessor arrangements and the applicable accounting guidance are more fully explained in this report under *Revenue Recognition*.

The base terms for most of our lease arrangements typically do not extend beyond 10 years. We commonly have renewal options in our leases in 5-year increments that are generally included in the calculated lease liabilities and associated right-of-use assets. All of the renewal options considered for future lease liabilities are associated with the MY SALON Suite brand, which can have significant construction costs due to their highly compartmentalized footprint with generally semi-permanent fixtures that are not easily moved into a new space. Due to these factors, it is almost always more economically feasible to stay in the leased space and make cosmetic updates versus moving to a new space.

As an accounting policy election, any short-term leases with an initial term of 12 months or less are not recognized as lease liabilities and right-of-use assets in the consolidated balance sheets. The rent expense associated with short term leases is generally recognized on a straight-line basis over the lease term. The Company is also electing the practical expedient to not separate lease components from non-lease components for all of its equipment leases and therefore the non-lease components are factored into the calculation of lease liabilities and associated right-of-use assets. The Company is choosing to separate lease and non-lease components for all its building leases, and

the associated non-lease components, such as Common Area Maintenance and Real Estate Taxes, are expensed as incurred.

Due to the implicit rate not being readily available or determined in most leases, the Company has elected the practical expedient for all lease payments to be discounted at a risk-free rate based on the treasury bond rates with maturity dates that most closely match the remainder of the lease either at adoption or commencement if post-adoption.

Finance leases with a right-of-use asset value of $73,693 and a current and long-term portion lease liability value of $23,369 and $52,596 respectively are included in the values reported on the Consolidated Balance Sheet as of December 31, 2024. Finance leases with a right-of-use asset value of $97,727 and a current and long-term portion lease liability value of $23,374 and $72,316 respectively are included in the values reported on the Consolidated Balance Sheet as of December 31, 2023.

Supplemental balance sheet information related to leases as of December 31 are as follows:

CONVERSION AND CO-BRAND PROMISSORY NOTE (DIRECT FINANCING)

PROMISSORY NOTE

Payee: FASTSIGNS International, Inc.

Maker: _____

Principal Amount: $34,750

Interest Rate: 0% annually, _____20___

For value received, the undersigned (whether one or more, jointly and severally), individually and personally (the "**Maker**"), promises to pay to the order of FASTSIGNS International, Inc., a Texas corporation ("**Payee**") its transferees, successors or assigns, at c/o FASTSIGNS International, Inc., 2542 Highlander Way, Carrollton, Texas 75006-2333, or at such other address as the Payee hereof shall specify in writing to the undersigned, the sum of Thirty-Four Thousand Seven Hundred Fifty and no/100 Dollars ($34,750), legal and lawful money of the United States of America from the date hereof until maturity.

The principal of Nine Hundred Sixty-Five Dollars and 28/100 ($965.28) shall be due and payable in thirty-six (36) monthly installments on the twenty-fifth (25th) day of each month. The first payment is due thirty (30) days after commencement of operation as a FASTSIGNS Center or Co-Brand Center by Maker.

Upon the occurrence of any of the following events of default, Payee, at its option and without notice to Maker, may declare the entire unpaid principal balance of this Note together with all other indebtedness of Maker to Payee, to be immediately due and payable:

(a) Maker's failure to pay any principal, or any other charge or expense payable hereunder, when due and payable hereunder; (b) any breach or default by Maker of any warranty, representation, covenant, term or condition stated herein, in the Agreement, or in any other security instrument, affidavit or other agreement or instrument between Maker and Payee; if the Franchise Agreement or Co-Brand Franchise Agreement is terminated for any reason by Maker or Payee, (d) if Maker is generally not paying its debts as such debts become due; (e) the commencement of any proceedings under any bankruptcy or insolvency laws by or against Maker; or (f) the sale, assignment, transfer or conveyance of all or substantially all of Maker's assets. Upon any such event of default, Payee may (in addition to accelerating the debt) exercise all rights and remedies available to it under this Note, under any other security instrument, affidavit or other document instrument executed in connection with or pursuant to this Note, and otherwise at law and in equity, all such rights and remedies being cumulative, and not exclusive.

Upon the occurrence of any event of default, the entire indebtedness shall be matured, at the option of the Payee; and in the event default is made in the prompt payment of this Note when due or declared due, and the same is placed in the hands of an attorney for collection or suit is brought on the same, or the same is collected through Probate, Bankruptcy or other

judicial proceedings, then Maker agrees and promises to pay a reasonable attorneys' fee for collection, which in no event shall be less than ten percent (10%) of the principal then owing. Neither the failure, partial failure, nor any delay on the part of Payee to exercise any right, power or privilege hereunder shall operate as a waiver thereof.

This Note may be prepaid, in whole or in part, without premium or penalty, as of the date of any regularly scheduled payment hereunder.

Each Maker, surety and endorser of this Note expressly waives all notices, demands for payment, presentations for payment, notices of intention to accelerate the maturity, protest and notice of protest, as to this Note and as to each, every and all installments hereof, and each consent that the Payee or any other creditor under this Note may at any time, and from time to time, upon request of or by agreement with any of us, extend the maturity date hereof or change the time or method of payments without notice to any of the other makers, sureties or endorsers, who shall remain bound for the payment hereof.

No delay or failure of Payee in exercising any right, remedy, power or privilege hereunder shall operate as a waiver or otherwise affect such right, remedy, power or privilege, nor shall any single or partial exercise thereof preclude the exercise of any other right, remedy, power or privilege. No delay or failure of Payee at any time to demand strict adherence to the terms of this Note shall be deemed to constitute a waiver of any such rights or a course of conduct inconsistent with Payee's right at any time, before or after an event of default, to demand strict adherence to the terms of this Note. ILLINOIS

Item 17 of the DISCLOSURE DOCUMENT is amended by adding the following:

The following should be added to Provision F of Item 17 of the DISCLOSURE DOCUMENT:

Illinois law may affect the conditions under which we may terminate the Franchise Agreement, 815 ILCS 705/19 and Rule 200.608.

INDIANA

The Indiana Securities Division requires the following specific disclosures to be made to prospective Indiana franchisees:

1. Indiana has a statute, the Indiana Deceptive Practices Act (the "Act"), which makes it unlawful for a franchise agreement with an Indiana resident or nonresident who will operate a franchise in Indiana to contain any of the following provisions:

a. Requiring goods, supplies, inventories, or services to be purchased exclusively from the franchisor or sources designated by the franchisor where the goods, supplies, inventories, or services of comparable quality are available from sources other than those designated by the franchisor. However, the publication by the franchisor of a list of approved suppliers of goods, supplies, inventories, or service or the requirement that such goods, supplies, inventories, or services comply with specifications and standards prescribed by the franchisor does not constitute the improper designation of a source nor does a reasonable right of the franchisor to disapprove a supplier constitute an improper designation. This paragraph does not apply to goods, supplies, inventories, or services that are manufactured or trademarked by, or for, the franchisor.

b. Allowing the franchisor to establish a franchisor-owned business that is substantially identical to that of the franchisee within the exclusive territory granted the franchisee by the franchise agreement, or, if no exclusive territory is designated, permitting the franchisor to compete unfairly with the franchisee within a reasonable area.

c. Allowing substantial modification of the franchise agreement by the franchisor without the consent in writing of the franchisee.

d. Allowing the franchisor to obtain money, goods, services, or any other benefit from any other person with whom the franchisee does business, on account of, or in relation to, the transaction between the franchisee and the other person, other than for compensation for services rendered by the franchisor, unless the benefit is promptly accounted for and transmitted to the franchisee.

e. Requiring the franchisee to prospectively assent to a release, assignment, novation, waiver, or estoppel which purports to relieve any person from liability to be imposed by Indiana law or requiring any controversy between the franchisee and the franchisor to be referred to any person, if referral would be binding on the franchisee. This paragraph does not apply to arbitration before an independent arbitrator.

f. Allowing for an increase in prices of goods provided by the franchisor which the franchisee had ordered for private retail consumers before the franchisee's receipt of an official price increase notification. A sales contract signed by a private retail consumer shall constitute evidence of each order. Price changes applicable to new models of a product at the time of introduction of such new models shall not be considered a price increase. Price increases caused by conformity to state or federal law, or the revaluation of the United States dollar in the case of foreign-made goods, are not subject to this paragraph.

g. Permitting unilateral termination of the franchise if such termination is without good cause or in bad faith. Good cause within the meaning of this paragraph includes any material violation of the franchise agreement.

h. Permitting the franchisor to fail to renew a franchise without good cause or in bad faith. This paragraph shall not prohibit a franchise agreement from providing that the agreement is not renewable and meets certain conditions specified in the agreement.

i. Requiring a franchisee to covenant not to compete with the franchisor for a period longer than three (3) years or in an area greater than the exclusive area granted by the franchise agreement or, in the absence of an exclusive area provision in the agreement, an area of reasonable size, upon termination of or failure to re the franchise.

j. Limiting litigation brought for breach of the agreement in any manner whatsoever.

k. Requiring the franchisee to participate in any (i) advertising campaign or contest; (ii) promotional campaigns; (iii) promotional materials; or (iv) display decorations or materials, in each case at any expense to the franchisee that is indeterminate, determined by a third party, or determined by a formula, unless the franchise agreement specifies the maximum percentage of gross monthly sales or the maximum absolute sum that the franchisee may be required to pay.

l. Requiring a franchisee to enter into an agreement providing the franchisor with any indemnification for liability caused by the franchisee's proper reliance on or use of procedures or materials provided by the franchisor or by the franchisor's negligence.

m. Requiring a franchisee to enter into an agreement reserving the right to injunctive relief and any specific damages to the franchisor, limiting the remedies available to either party without benefit of appropriate process or recognizing the adequacy or inadequacy of any remedy under the agreement.

2. It is unlawful for any franchisor who has entered into any franchise agreement with a franchisee who is either a resident of Indiana or a nonresident operating a franchise in Indiana to engage in any of the following acts and practices in relation to the agreement:

a. Coercing the franchisee to:

(1) Order or accept delivery of any goods, supplies, inventories, or services which are neither necessary to the operation of the franchise, required by the franchise agreement, required by law, nor voluntarily ordered by the franchisee.

(2) Order or accept delivery of any goods offered for sale by the franchisee which includes modifications or accessories which are not included in the base price of those goods as publicly advertised by the franchisor.

(3) Participate in an advertising campaign or contest, any promotional campaign, promotional materials, display decorations, or materials at an expense to the

(4) franchisee over and above the maximum percentage of gross monthly sales or the maximum absolute sum required to be spent by the franchisee provided for in the franchise agreement; and absent a maximum expenditure provision in the franchise agreement, no such participation may be required; or

(5) Enter into any agreement with the franchisor or any designee of the franchisor, or do any other act prejudicial to the franchisee, by threatening to cancel or fail to renew any agreement between the franchisee and the franchisor. Notice in good faith to any franchisee of the franchisee's violation of the terms or provisions of a franchise or agreement does not constitute a violation of this paragraph.

b. Refusing or failing to deliver in reasonable quantities and within a reasonable time after receiving an order from a franchisee for any goods, supplies, inventories, or services which the franchisor has agreed to supply to the franchisee, unless the failure is caused by acts or caused beyond the control of the franchisor.

c. Denying the surviving spouse, heirs, or estate of a deceased franchisee the opportunity to participate in the ownership of the franchise under a valid franchise agreement for a reasonable time after the death of the franchisee, provided that the surviving spouse, heirs, or estate maintains all standards and obligations of the franchise.

d. Establishing a franchisor-owned business that is substantially identical to that of the franchisee within the exclusive territory granted the franchisee by the franchise agreement, or if no exclusive territory is designated, competing unfairly with the franchisee within a reasonable area. However, a franchisor shall not be considered to be competing when operating a business either temporarily for a reasonable period of time, or in a bona fide retail operation which is for sale to any qualified independent person at a fair and reasonable price, or in a bona fide relationship in which an independent person has made a significant investment subject to loss in the business operation and can reasonably expect to acquire full ownership of such business on reasonable terms and conditions.

e. Discriminating unfairly among its franchisees or unreasonably failing or refusing to comply with any terms of a franchise agreement.

f. Obtaining money, goods, services, or any other benefit from any other person with whom the franchisee does business, on account of, or in relation to, the transaction between the franchisee and the other person, other than compensation for services rendered by the franchisor, unless the benefit is promptly accounted for and transmitted to the franchisee.

g. Increasing prices of goods provided by the franchisor which the franchisee had ordered for retail consumers before the franchisee's receipt of a written official price increase notification. Price increases caused by conformity to a state or federal law, the revaluation of the United States dollar in the case of foreign-made goods or pursuant to the franchise agreement are not subject to this paragraph.

h. Using deceptive advertising or engaging in deceptive acts in connection with the franchise or the franchisor's business.

3. Regardless of anything set forth in the Franchise Agreement, you do not waive any right under Indiana statutes with regard to prior representations made in the Franchise Disclosure Document.

4. The Franchise Agreement is amended to provide that it will be governed and construed in accordance with the laws of the State of Indiana.

5. Each provision of the Franchise Agreement which is unlawful pursuant to the Act is deemed to be amended by the parties to conform with the Act.

1. Items 5 and 7 are revised to include the following: The Maryland Securities Commissioner has requested financial assurance. Therefore, we have posted a surety bond, which is on file with the Maryland Securities Division.

3. Item 17 of the Disclosure Document is hereby amended to the extent required under the Maryland Franchise Registration and Disclosure Laws. Among other things, you may sue Maryland for claims arising under the Maryland Franchise Registration and Disclosure Law, except for claims required to be submitted to arbitration.

4. The Franchise Agreement provides for termination upon bankruptcy. This provision may not be enforceable under Federal Bankruptcy Law (11 U.S.C.A Sec. 101, et seq.).

5. All representations requiring a prospective franchisee to assent to a release, estoppel or waiver of any liability are not intended to, nor shall they act as, a release, estoppel or waiver of any liability uncured under the Maryland Franchise Registration and Disclosure Law.

6. No statement, questionnaire or acknowledgement signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of: (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on behalf of the Franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

(B) A REQUIREMENT THAT A FRANCHISEE ASSENT TO A RELEASE, ASSIGNMENT, NOVATION, WAIVER, OR ESTOPPEL WHICH DEPRIVES A FRANCHISEE OF RIGHTS AND PROTECTIONS PROVIDED IN THIS ACT. THIS SHALL NOT PRECLUDE A FRANCHISEE, AFTER ENTERING INTO A FRANCHISE AGREEMENT, FROM SETTLING ANY AND ALL CLAIMS.

(C) A PROVISION THAT PERMITS A FRANCHISOR TO TERMINATE A FRANCHISE PRIOR TO THE EXPIRATION OF ITS TERM EXCEPT FOR GOOD CAUSE. GOOD CAUSE SHALL INCLUDE THE FAILURE OF THE

(D) A PROVISION THAT PERMITS A FRANCHISOR TO REFUSE TO RENEW A FRANCHISE WITHOUT FAIRLY COMPENSATING THE FRANCHISEE BY REPURCHASE OR OTHER MEANS FOR THE FAIR MARKET VALUE AT THE TIME OF EXPIRATION, OF THE FRANCHISEE'S INVENTORY, SUPPLIES, EQUIPMENT, FIXTURES, AND FURNISHINGS. PERSONALIZED MATERIALS WHICH HAVE NO VALUE TO THE FRANCHISOR AND INVENTORY, SUPPLIES, EQUIPMENT, FIXTURES, AND FURNISHINGS NOT REASONABLY REQUIRED IN THE CONDUCT OF THE FRANCHISE BUSINESS ARE NOT SUBJECT TO COMPENSATION. THIS SUBSECTION APPLIES ONLY IF: (I) THE TERM OF THE FRANCHISE IS LESS THAN 5 YEARS; AND (ii) THE FRANCHISEE IS PROHIBITED BY THE FRANCHISE OR OTHER AGREEMENT FROM CONTINUING TO CONDUCT SUBSTANTIALLY THE SAME BUSINESS UNDER ANOTHER TRADEMARK, SERVICE MARK, TRADE NAME, LOGOTYPE, ADVERTISING, OR OTHER COMMERCIAL SYMBOL IN THE SAME AREA SUBSEQUENT TO THE EXPIRATION OF THE FRANCHISE OR THE FRANCHISEE DOES NOT RECEIVE AT LEAST 6 MONTHS' ADVANCE NOTICE OF FRANCHISOR'S INTENT NOT TO RENEW THE FRANCHISE.

(G) A PROVISION WHICH PERMITS A FRANCHISOR TO REFUSE TO PERMIT A TRANSFER OF OWNERSHIP OF A FRANCHISE, EXCEPT FOR GOOD CAUSE. THIS SUBDIVISION DOES NOT PREVENT A FRANCHISOR FROM EXERCISING A RIGHT OF FIRST REFUSAL TO PURCHASE THE FRANCHISE. GOOD CAUSE SHALL INCLUDE, BUT IT IS NOT LIMITED TO:

(i) THE FAILURE OF THE PROPOSED TRANSFEREE TO MEET THE FRANCHISOR'S THEN CURRENT REASONABLE QUALIFICATIONS ORSTANDARDS.

(ii) THE FACT THAT THE PROPOSED TRANSFEREE IS A COMPETITOR OF THE FRANCHISOR OR SUBFRANCHISOR.

(H) A PROVISION THAT REQUIRES THE FRANCHISEE TO RESELL TO THE FRANCHISOR ITEMS THAT ARE NOT UNIQUELY IDENTIFIED WITH THE FRANCHISOR. THIS SUBDIVISION DOES NOT PROHIBIT A PROVISION THAT GRANTS TO A FRANCHISOR A RIGHT OF FIRST REFUSAL TO PURCHASE THE ASSETS OF A FRANCHISE ON THE SAME TERMS AND CONDITIONS AS A BONA FIDE THIRD PARTY WILLING AND ABLE TO PURCHASE THOSE ASSETS, NOR DOES THIS SUBDIVISION PROHIBIT A PROVISION THAT GRANTS THE FRANCHISOR THE RIGHT TO ACQUIRE THE ASSETS OF A FRANCHISE FOR THE MARKET OR APPRAISED VALUE OF SUCH ASSETS IF THE FRANCHISEE HAS BREACHED THE LAWFUL PROVISIONS OF THE FRANCHISE AGREEMENT AND HAS FAILED TO CURE THE BREACH IN THE MANNER PROVIDED IN SUBDIVISION (C).

(I) A PROVISION WHICH PERMITS THE FRANCHISOR TO DIRECTLY OR INDIRECTLY CONVEY, ASSIGN, OR OTHERWISE TRANSFER ITS OBLIGATIONS TO FULFILL CONTRACTUAL OBLIGATIONS TO THE FRANCHISEE UNLESS PROVISION HAS BEEN MADE FOR PROVIDING THE REQUIRED CONTRACTUAL SERVICES.

ADDNEDUM TO FASTSIGNS INTERNATIONAL, INC. DISCLOSURE DOCUMENT, THE FRANCHISE AGREEMENT/CO-BRAND, AND ALL RELATED AGREEMENTS FOR THE STATE OF WASHINGTON

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement/co-brand franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington:

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.

2. **Franchisee Bill of Rights**. RCW 19.100.180 may supersede provisions in the franchise agreement/co-brand franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement/co-brand franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement/co-brand franchise agreement provisions are subject to state law.

3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement/co-brand franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. **General Release.** A release or waiver of rights in the franchise agreement/co-brand franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement/co-brand franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement/co-brand franchise agreement under any ground permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in franchise agreement/co-brand franchise or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement/co-brand franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement/co-brand franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement/co-brand franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. **Franchisor's Business Judgement.** Provisions in the franchise agreement/co-brand franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. **Indemnification.** Any provision in the franchise agreement/co-brand franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. **Attorneys' Fees.** If the franchise agreement/co-brand franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed $100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when

annualized, exceed $250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement/co-brand franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.
