What You Need To Know About Franchising *Generally*

Continuing responsibility to pay fees. You may have to pay royalties and other fees even if you are losing money.

Business model can change. The franchise agreement may allow the franchisor to change its manuals and business model without your consent. These changes may require you to make additional investments in your franchise business or may harm your franchise business.

Supplier restrictions. You may have to buy or lease items from the franchisor or a limited group of suppliers the franchisor designates. These items may be more expensive than similar items you could buy on your own.

Operating restrictions. The franchise agreement may prohibit you from operating a similar business during the term of the franchise. There are usually other restrictions. Some examples may include controlling your location, your access to customers, what you sell, how you market, and your hours of operation.

Competition from franchisor. Even if the franchise agreement grants you a territory, the franchisor may have the right to compete with you in your territory.

Renewal. Your franchise agreement may not permit you to renew. Even if it does, you may have to sign a new agreement with different terms and conditions in order to continue to operate your franchise business.

When your franchise ends. The franchise agreement may prohibit you from operating a similar business after your franchise ends even if you still have obligations to your landlord or other creditors.

Some States Require Registration

Your state may have a franchise law, or other law, that requires franchisors to register before offering or selling franchises in the state. Registration does not mean that the state recommends the franchise or has verified the information in this document. To find out if your state has a registration requirement, or to contact your state, use the agency information in Exhibit H.

Your state also may have laws that require special disclosures or amendments be made to your franchise agreement. If so, you should check the State Specific Addenda. See the Table of Contents for the location of the State Specific Addenda.

Special Risks to Consider About *This* Franchise

Certain states require that the following risk(s) be highlighted:

1. **Out-of-State Dispute Resolution.** The franchise agreement requires you to resolve disputes with the franchisor by arbitration and/or litigation only in Connecticut. Out-of-state arbitration, or litigation may force you to accept a less favorable settlement for disputes. It may also cost more to arbitrate or litigate with the franchisor in Connecticut than in your own state.

Certain states may require other risks to be highlighted. Check the "State Specific Addenda" (if any) to see whether your state requires other risks to be highlighted.

NOTICE-STATE OF MICHIGAN

THE STATE OF MICHIGAN PROHIBITS CERTAIN UNFAIR PROVISIONS THAT ARE SOMETIMES IN FRANCHISE DOCUMENTS. IF ANY OF THE FOLLOWING PROVISIONS ARE IN THESE FRANCHISE DOCUMENTS, THE PROVISIONS ARE VOID AND CANNOT BE ENFORCED AGAINST YOU:

(a) A prohibition on the right of a franchisee to join an association of franchisees.

(b) A requirement that a franchisee assent to a release, assignment, novation, waiver, or estoppel which deprives a franchisee of rights and protections provided in this act. This shall not preclude a franchisee, after entering into a franchise agreement, from settling any and all claims.

(c) A provision that permits a franchisor to terminate a franchise prior to the expiration of its term except for good cause. Good cause shall include the failure of the franchisee to comply with any lawful provision of the franchise agreement and to cure such failure after being given written notice thereof and a reasonable opportunity, which in no event need be more than thirty (30) days, to cure such failure.

(d) A provision that permits a franchisor to refuse to renew a franchise without fairly compensating the franchisee by repurchase or other means for the fair market value at the time of expiration of the franchisee's inventory, supplies, equipment, fixtures and furnishings. Personalized materials which have no value to the franchisor and inventory, supplies, equipment, fixtures and furnishings not reasonably required in the conduct of the franchise business are not subject to compensation. This subsection applies only if: (i) the term of the franchise is less than 5 years and (ii) the franchisee is prohibited by the franchise or other agreement from continuing to conduct substantially the same business under another trademark, service mark, trade name, logotype, advertising or other commercial symbol in the same area subsequent to the expiration of the franchise or the franchisee does not receive at least 6 months advance notice of franchisor's intent not to renew the franchise.

(e) A provision that permits the franchisor to refuse to renew a franchise on terms generally available to other franchisees of the same class or type under similar circumstances. This section does not require a renewal provision.

(f) A provision requiring that arbitration or litigation be conducted outside this state. This shall not preclude the franchisee from entering into an agreement, at the time of arbitration, to conduct arbitration at a location outside this state.

(g) A provision which permits a franchisor to refuse to permit a transfer of ownership of a franchise, except for good cause. This subdivision does not prevent a franchisor from exercising a right of first refusal to purchase the franchise. Good cause shall include, but is not limited to:

(i) The failure of the proposed transferee to meet the franchisor's then current reasonable qualifications or standards.

(ii) The fact that the proposed transferee is a competitor of the franchisor or subfranchisor.

(iii) The unwillingness of the proposed transferee to agree in writing to comply with all lawful obligations.

(iv) The failure of the franchisee or proposed transferee to pay any sums owing to the franchisor or to cure any default in the franchise agreement existing at the time of the proposed transfer.

(h) A provision that requires the franchisee to resell to the franchisor items that are not uniquely identified with the franchisor. This subdivision does not prohibit a provision that grants to a franchisor a right of first refusal to purchase the assets of a franchise on the same terms and conditions as a bona fide third party willing and able to purchase those assets, nor does this subdivision prohibit a provision that grants the franchisor the right to acquire the assets of a franchise for the market or appraised value of such assets if the franchisee has breached the lawful provisions of the franchise agreement and has failed to cure the breach in the manner provided in subdivision (c).

(i) A provision which permits the franchisor to directly or indirectly convey, assign, or otherwise transfer its obligations to fulfill contractual obligations to the franchisee unless provision has been made for providing the required contractual services.

THE FACT THAT THERE IS A NOTICE OF THIS OFFERING ON FILE WITH THE ATTORNEY GENERAL DOES NOT CONSTITUTE APPROVAL, RECOMMENDATION OR ENDORSEMENT BY THE ATTORNEY GENERAL.

Please be advised that the franchisor is not subject to the escrow provisions in the section of the Michigan Franchise Law. Therefore, there are no statements as to the rights of the franchisee in this regard.

Item 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

To simplify language in this Disclosure Document, "we", "us", "DAL" or "Doctor's Associates" means Doctor's Associates LLC, the franchisor. "You" means the person(s) or entity that is granted the franchise, as well as all parties who own any interest in an entity that is the franchisee.

The Franchisor, Its Parent, Predecessor, and Affiliates.

Franchisor and its Predecessor

We are a Delaware limited liability company, doing business as "Subway" through various affiliates. We converted from a Florida corporation to a Florida limited liability company on October 29, 2018, and changed our name to "Doctor's Associates LLC". On May 29, 2024, we converted to a Delaware limited liability company. Under Florida and Delaware law, we are still the same entity that existed before each conversion. Our address is 1 Corporate Dr., Suite 1000, Shelton, Connecticut 06484. Our agents for service of process are disclosed in Exhibit I. We previously offered plush toy business franchises from 1982 to 1983 but did not sell any. Aside from the plush toy business and Master Franchise Businesses described below, we have not offered franchises in any other line of business. We have no predecessors.

Since August 2021 we and our affiliates Subway IP LLC ("SIP") and Subway International B.V. ("SIBV") have offered Subway® restaurant master franchise businesses (in the singular a "Master Franchise Business" and in the plural "Master Franchise Businesses) outside of the United States. A Master Franchise Business is operated by an independent third party who is given a license from us to offer direct unit Subway® restaurant franchises to third parties pursuant to unit franchise agreements. SIP has sold Master Franchise Businesses in Paraguay and El Salvador, which have since been assigned to us. We have sold Master Franchise Businesses in Brazil, China, Costa Rica, Dominican Republic, Panama, Uruguay, Honduras, and Guatemala. SIBV has sold Master Franchise Businesses in Azerbaijan, Bahrain, Bangladesh, Belgium, Brazil, Chile, Denmark, Finland, France, Georgia, Hong Kong, India, Indonesia, Japan, Kuwait, Luxembourg, Lichtenstein, Macau, Norway, Pakistan, Peninsula Malaysia, Portugal, Qatar, the Kingdom of Saudi Arabia, South Korea, Spain, Sri Lanka, Sweden, Switzerland, Taiwan (R.O.C.), Thailand, Turkey, and United Arab Emirates. All of these Master Franchise Businesses are currently open and operating. SIBV has also sold a Master Franchise Business in Russia, which is no longer open and operating.

Parents

Through a series of related step transactions, on April 30, 2024, our parent, Underground Purchaser, LLC ("UPL"), acquired all of the issued and outstanding equity interests of our former parent, Subway Worldwide System Holdings, LLC ("SWSH," successor in interest to our former parent, Subway Worldwide, Inc.). SWSH is a Delaware limited liability company and shares our principal business address. UPL is a Delaware limited liability company owned by several investment funds managed by Roark Capital Management, LLC, an Atlanta-based private equity firm ("Roark"), or one of its affiliates, and shares Roark's principal business address, 1180 Peachtree Street, N.E., Suite 2500, Atlanta, Georgia 30309-3521.

We are a direct, wholly-owned subsidiary of Subway Funding LLC ("Subway Funding"), which in turn is a direct, wholly-owned subsidiary of Subway Funding Holdco LLC ("Subway Funding Holdco"). Subway Funding and Subway Funding Holdco were organized as part of the secured financing transaction described below and are wholly-owned subsidiaries of Subway US Holdings, LLC ("SUSH"). SUSH is a direct, wholly-owned subsidiary of SWSH.

Subway Funding, Subway Funding Holdco and SUSH share our principal business address at 1 Corporate Drive, Suite 1000, Shelton, CT 06484.

Securitization Transaction

As a result of a secured financing transaction which closed on June 20, 2024 (the "US Securitization Transaction"), we became a direct subsidiary of Subway Funding and an indirect subsidiary of Subway Funding Holdco. As a result of

the US Securitization Transaction, ownership and control of all U.S. trademarks and certain intellectual property relating to the operation of Subway® restaurants, including the SubwayPOS® software, were transferred from SIP and FWH Technologies, LLC ("FWHT") (as applicable) to our newly-formed affiliate, Subway US IP Holder LLC ("Subway US IP Holder"). Subway US IP Holder simultaneously entered into a license agreement with us for the use and sublicense of the trademarks and applicable intellectual property rights used by us and our franchisees in the United States.

At the time of the closing of the US Securitization Transaction, pursuant to a management agreement (the "Management Agreement," as further described below) between us and Franchise World Headquarters, LLC ("FWH" or the "Manager"), FWH became a manager of ours. In the Management Agreement, FWH agreed to provide, and we agreed to accept from FWH, certain support and services to us, our affiliates and Subway® franchisees under their franchise agreements and development agreements, including acting as our franchise sales agent. Under the Management Agreement, the Manager may perform such support and services directly or delegate such support and services to sub-managers that the Manager appoints in accordance with the terms of the Management Agreement (each, a "Sub-Manager" and, together with the Manager, collectively, the "Managers"). However, as the franchisor, we will be directly responsible and accountable to you to make sure that all services we promise to perform under a Franchise Agreement, Multi-Unit Franchise Agreement, Development Agreement, or other agreement you may sign with us are performed in compliance with the applicable agreement, regardless of who performs these services on our behalf. UPL and its subsidiaries may engage in other secured financing transactions in the future without notice to you.

In certain circumstances you will enter into an agreement directly with AAFES, NEXCOM, or MCCS.
Satellite Location[5]	Franchise Agreement Rider (Exhibit A-1)	We also offer to franchise qualified locations as satellite restaurants. Some satellites may operate under the mark Subway EXPRESS™. A satellite location cannot be a full-service restaurant and is intended to operate only with the support of an existing full service Subway® restaurant (the "Base Restaurant") licensed to the same franchisee, unless we give specific written approval stating otherwise. Generally, the satellite will not be able to bake bread, prepare product, or have adequate storage capacity for product. It may often be in a non-traditional location. Satellite restaurants may be temporary, seasonal, operate with limited hours. The satellite location usually has little or no seating and is for carry-out service or delivery. To keep pace with market trends, we will consider applications for different types of satellite locations upon written request. We alone will determine whether your proposed location and restaurant operations qualify for treatment as a satellite location according to our policies.
Short-Term Satellite Location[6]	Franchise Agreement Rider (Exhibit A-1)	We have a program to establish satellite locations that will operate for a term of one year or less, with the option to renew for an additional 1-year term, if mutually agreed upon by both parties.

Program/Type of Location	*Addendum/Rider*	*Description*
Dual Location Test Site[7]	Dual Location Test Rider (Exhibit A-10)	We may deem a restaurant to be located close in proximity to another Subway® restaurant owned and operated by the same franchisee a "Dual Location Test Site" so that the franchisee can determine whether both restaurant locations should be operated simultaneously. If we grant you a franchise for a Dual Location Test Site, you may cease operation of the new or existing restaurant, by means other than transfer or assignment, within one year after the new restaurant opens. We will then cancel the Franchise Agreement for the restaurant you cease to operate and refund the franchise fee for the new restaurant. You will pay all expenses and liabilities to terminate the lease for the restaurant that you cease to operate.
Co-Branded Locations[8]	Co-Brand Location Rider (Exhibit A-9) Walmart® Rider (Exhibit A-4), if applicable Auntie Anne's® Rider (Exhibit A-5), if applicable	We have entered into a co-branding agreement with Auntie Anne's, Inc. to permit qualified franchisees to establish AUNTIE ANNE'S® stores in connection with their Subway® restaurants located in certain Walmart and non-traditional locations, as approved by us. These co-brand opportunities are being offered to eligible franchisees on a limited basis.
Subway® Catering Program[9]	N/A Our approval required only	All restaurants are required to participate in our basic catering program, which may include online catering. The catering menu features the following core items: Sandwich and Wrap platters, Lunch box meals, toppings platters, cookie platters and cookies by the dozen. You also have the option to participate in online ordering, the white label online ordering experience on Subway.com as well as ezCater marketplace, both powered by ezCater.
Store Option Programs ("SOP"), Marketwide Option Programs ("MOP"), and Product Innovation[10]	N/A Our approval required only	In addition to our core menu offerings, we have other product options that fall under the SOP or MOP such as packaging materials, cleaning products and food items including but not limited to pizza, cheese, mustard, soda, coffee, cookies, and pie. If we designate a product as a SOP item, we will approve restaurants to use or sell the product on a restaurant-by-restaurant basis. Individual franchisees make the decision on SOP items and these decisions impact only their restaurant. If we designate a product as a MOP item, we will approve restaurants to use or sell the product by advertising markets. We designed the MOP program to promote consistency of items throughout an advertising market. Under the MOP policies, the Subway Market Operations team ("SMO") or Business Developers make decisions together that impact all restaurants in the entire market.

Program/Type of Location	*Addendum/Rider*	*Description*
Grab & Go Program	Grab & Go (On-Site) Rider (Exhibit A-14)	If you meet our then current eligibility requirements and receive our approval, you may prepare and sell certain premade products at your restaurant as part of our Grab & Go Program. Terms, conditions, specification and standards for the Grab & Go Program are set forth in the Grab & Go (On-Site) Rider and the Manual, and may be amended from time to time.

Note 1:

We may enter into and negotiate Franchise Agreements with large institutional-type franchisees and Food Service Providers that operate non-traditional locations. Examples of large institutional-type franchisees include convenience store operators, food service management companies, large institutions (currently defined as entities which provide their own food services with the number of outlets or net worth we determine appropriate), cooperatives, hospitals, non-profit corporations, colleges, other schools, foundations, or governmental agencies or entities. A Food Service Provider is a company that is either privately owned or publicly traded; is not government owned, supported or operated; provides contract foodservice and/or concession foodservice; meets certain minimum accounts and annual revenue levels on a consolidated basis as we set from time to time. We will not negotiate with individual franchisees who do not represent large institutional accounts, chains, cooperatives, hospitals, non-profit corporations, colleges, other schools, foundations, or governmental agencies or entities.

In view of the different conditions encountered in operating these locations, we have to modify our Franchise Agreement to afford ourselves and our franchisees the opportunity to compete in this type of market. We may also agree on certain variations to the Franchise Agreement, to accommodate differences in corporate operations and expansion goals. Some areas that may change include, but may not be limited to:

1. Timing of reporting sales by the franchisee;
2. Timing and method of payments of royalties and advertising charges;
3. Location of arbitration hearings;
4. The applicability of noncompetition clauses;
5. Commitment to maintain the form of Franchise Agreement for future purchases;
6. Limitation on overall expenses for advertising;
7. Execution of Franchise Agreement with corporation or other entity;
8. Training for the Director of Food Services and the restaurant Manager (new Managers may be required to take the training course);
9. Elimination of the need for our affiliate to lease the premises due to your current control of the location;
10. Sale of additional franchises at the reduced franchise fee even if all existing restaurants are not in substantial compliance (as defined in the Operations Manual), if at least 80% of the existing restaurants are in substantial compliance;
11. Locking in of the franchise fee for additional franchises for a number of years or restaurants;
12. Permission for the franchisee to use a different POS System designed for their multiple operations;
13. Waiver of certain future amendments to the Franchise Agreement;
14. A fixed term without automatic renewal.

The Franchise Agreement for these locations consists of our standard form of Franchise Agreement and the Franchise Agreement Rider, which amends the standard form of Franchise Agreement. In some circumstances, we may allow you to establish a satellite or non-traditional location in an airport terminal, theme park, national park, or captive travel plaza location and you will also sign the Franchise Agreement Rider. However, the satellite location will not be approved if the Base Restaurant is not located in the same airport terminal, theme park, national park, or captive travel plaza. Due to the limited value of traditional advertising for these locations, their advertising contribution is lower than the standard contribution for advertising.

An airport terminal is defined as a building at an airport where passengers transfer between ground transportation and the facilities that allow them to board and disembark from airplanes. In certain instances where the franchise is to be located in an airport concession operated by a qualified Airport Concession Disadvantaged Business Entity ("ACDBE"), we may allow the franchisee to assign the Franchise Agreement to the qualified ACDBE. In the event that the franchise is no longer located within the airport concession the ACDBE would be required to assign the franchise agreement back to the franchisee.

A theme park location is defined as an amusement or similar park which meets the following requirements: 1) offers a collection of rides and/or other entertainment attractions; 2) is more elaborate than a simple city park or playground, as it is meant to cater to entertaining large groups of people including, adults, teenagers, and small children and generally uses architecture, signage, and landscaping to help convey the feeling that people are in a different place or time; 3) is a permanent and not a temporary facility; 4) charges a fee for admission; and 5) has at least 400,000 visitors per year.

A national park location is defined as an area of land declared or owned by a government, set aside for human recreation and enjoyment, animal and environmental protection, and restricted from development.

A Captive Travel Plaza is defined as having an exit and entrance via the highway only and not accessible to the town or city. It provides the only convenient food option for those traveling on the highway and is therefore the primary driver of traffic to the Subway® restaurant.

Note 2:

We may also negotiate with governmental and institutional franchisees purchasing a franchise for a school lunch location, but not with individual franchisees. We may negotiate areas, such as the choice of governing law, insurance, and indemnification provisions, to address the needs of school boards, school districts, and municipalities.

Note 3:

To qualify for the School Lunch Delivery Program you must have owned and operated a Subway® restaurant for at least 6 months and your restaurant must be in substantial compliance (as defined in the Operations Manual). Additionally, you must have established a pre-authorized account and all of your accounts with us must be current. If you are a school lunch delivery franchisee, you may have to modify the food items you offer for sale and buy food products approved for the School Lunch Program in order to satisfy nutritional requirements. This program is not related to the School Lunch Program discussed earlier in this Item.

Note 4:

If you choose to locate your restaurant at an AAFES, NEXCOM or MCCS location, you may be required to receive an AAFES, NEXCOM or MCCS Addendum to this Disclosure Document (as applicable) and you may be required to execute an AAFES, NEXCOM or MCCS Rider to the Franchise Agreement (as applicable) which amends the standard form of Franchise Agreement. Contact the FWH Development Team for more information about these locations, including when an addendum or rider may be applicable.

If your restaurant will be located on a military base, and the franchisee will be a government entity, then solely for the purpose of accommodating state sovereignty, we may negotiate the following requirements of the franchise agreement: waiver of the franchise fee for additional sites on the same military base, arbitration, the venue of the site for settlement of disputes, waiver of trial by jury, and the limitation on liability. Generally, these requirements will not be negotiated with an individual or with a non-government entity establishing a restaurant at a military base.

Note 5:

You may establish a satellite restaurant only if you already operate a Base Restaurant near the proposed satellite location. Your proposed Base Restaurant and all other restaurants that you own must be in substantial compliance (as defined in the Operations Manual) and there must be no material defaults under any of your Franchise Agreements. You must also otherwise qualify under our rules. We grant the franchise for a satellite restaurant separately and under a different

agreement from the franchise for the Base Restaurant that will support the satellite location. If we approve the location, we will enter into a new and separate Franchise Agreement with you licensing the satellite location only. The Franchise Agreement for a satellite location consists of our standard form of Franchise Agreement and the Franchise Agreement Rider. The Franchise Agreement Rider amends and supplements the standard form of Franchise Agreement. In some circumstances, we may allow you to establish a satellite location in a non-traditional location, and you must also sign the Franchise Agreement Rider.

Note 6:

The Franchise Agreement for a short-term satellite location consists of our standard form of Franchise Agreement and the Franchise Agreement Rider, which amends the standard form of Franchise Agreement.

Note 7:

Non-traditional locations are not eligible to be "Dual Location Test Sites" at this time. The Franchise Agreement for a short-term satellite location consists of our standard form of Franchise Agreement and the Franchise Agreement Rider, which amends the standard form of Franchise Agreement.

Note 8:

We may negotiate agreements with other third parties and will give you the information on any additional co-branding opportunities. You must review your lease to determine if there are any restrictions that would prevent you from operating your Subway® restaurant in connection with a third-party franchisor's concept. You must make your own inquiries about the third-party franchisor and franchise. You will receive a separate Disclosure Document from the third-party franchisor and if your co-brand location is approved, you will enter into a franchise agreement with the third-party franchisor, which may have different terms than your Franchise Agreement with us. You will operate the other concept as a direct franchisee of the third party franchisor. You will pay to the third-party franchisor a franchise fee, royalty, advertising fee, and other charges due under the terms of your franchise agreement with the third-party franchisor. You may pay these fees to us as collection agent if provided in the third-party franchisor's franchise agreement.

You will sign the Co-Brand Location Rider to address the different conditions inherent in operating a co-brand location. If you are interested in a co-brand location, please review Exhibit A-7 carefully so you will be familiar with how the Co-Brand Location Rider will affect your Franchise Agreement with us. You grant us a release under the Co-Brand Location Rider with respect to a co-brand location. Each franchisor will be separately responsible to you under its own franchise system. The third party franchisor may pay us all or a portion of certain fees for services we may provide. You may also pay us directly under the Co-Brand Location Rider a continuing fee between 0% to 8% of your sales from the other franchised concept. We will determine the continuing fee, if any, after we finalize the master agreement with the third party franchisor.

Note 9:

To participate in the online ordering, you must opt-in for catering on the Restaurant Management Portal. If you participate, you will be charged a fee equal to 5% online ordering commission for each catering order and approximately 2.75% for credit card processing. These fees may change and other fees may be charged in connection with the catering program in the future.

Note 10:

Voting procedures may be required depending on the expense impact of the MOP decision. If your market or franchisees throughout the country do not elect to offer the MOP item, then you may not offer it unless you were offering the item before the cutoff date or we grant you a waiver. You must review your lease to determine if there are any restrictions that would prevent you from preparing or selling any SOP or MOP items at your location. You will have additional investment costs. In the future, we may implement a Region Option Program and you will be responsible for any associated costs, but as of the date of this Disclosure Document, details on any such program are still forthcoming.

You may be permitted to offer other products, not designated as SOP or MOP, with our prior written approval, provided you are in compliance with your Franchise Agreement and meet certain other qualifications. Some of these offerings may be test programs. Examples of other products may include, but are not limited to: smoothies, ice cream, bakery/coffee (such as donuts, muffins, cookies, cinnamon rolls and coffee), and snacks (such as pretzels, nachos, ice cream novelties and hot dogs). Any additional products must meet our standards and specifications. The length of time you may be approved to offer an additional product will vary. You will pay royalty and advertising charges on the sale of any additional items from your restaurant. You cannot sell a product that we approve for another franchisee without our written permission and you cannot expect us to grant you the right to offer any additional products, even if you meet our requirements. We reserve the right to offer our own branded products in the future under a separate license that may require you to pay an additional license fee, or to offer them as separate franchises that do not have to be operated in connection with a Subway® restaurant.

As these other products are new, and we may have limited or no experience with them, you assume the risk of the failure of any of these products. You are responsible for all costs associated with offering any of these other products, which may include, but not be limited to, costs for additional equipment and inventory, signage, and counter space. You will have to review your lease to make sure you can prepare and sell the additional products. You will also have to review local regulations to make sure they allow the expanded menu and do not require additional permits or impose other requirements.

* * * * * * * * * * *

If you are interested in a non-traditional, satellite, community development, school lunch, military base or co-branded locations, or a dual location test site, or if you are interested in the School Lunch Delivery Program, Subway® Catering Program, SOP, MOP or Product Innovation programs, you should read the rider for these locations and programs (as applicable) and this disclosure document carefully. These riders amend the standard form franchise agreement in several very important respects. We set out the disclosure differences regarding the licensing of these locations and programs in the relevant Items. Except where we point out these differences, references throughout this Disclosure Document to a restaurant and a Franchise Agreement also apply to a non-traditional location, a satellite location, a community development location, a school lunch location, and the Franchise Agreement for these locations.

In addition to business laws and regulations, your restaurant is subject to federal, state, and local regulations and guidelines governing the food service industry, including those established by the Food and Drug Administration, the United States Department of Agriculture, the National Restaurant Association, and other food industry organizations. You must be familiar with these regulations, as well as federal, state, and local laws regarding health and consumer protection, food preparation, baking, handling, storage, "Truth in Menu" concerning menu item names and product labeling, nutritional claims, compliance with the federal Americans With Disabilities Act, privacy laws, compliance with the federal Fair Labor Standards Act and other local labor regulations, and "extended producer responsibility" or similar laws ("EPR Laws") that impose reporting obligations and fees related to the packaging, paper products and food service ware used in your restaurant. You will also be subject to the rules established by the Federal Trade Commission, along with regulations enacted by certain states. Local zoning rules may limit where you can locate a restaurant and may affect design features, including the building facade and signs. You should be aware that federal, state, and local environmental laws may affect the disposal of waste materials and packaging and may require that you have a permit as a water provider. Local law may require your participation in a waste recycling or diversion program, for which you may have to register and make ongoing fee payments.

On a case-by-case basis we may grant a waiver to serve alcoholic beverages in your restaurant. If a waiver is granted to allow your restaurant to serve alcoholic beverages you will be responsible for obtaining all necessary licenses and permits, and you will have to know the laws and regulations governing the sale of these items including but not limited to: minimum age restrictions for purchasers and employees who sell, special training requirements, and regulations on the hours of sale for these products. You may be required to obtain additional insurance coverage, which may increase your premium payments, if you are permitted to serve alcohol in your restaurant.

We have a global privacy statement, attached as Exhibit M, which outlines the purpose for collection and use of personal information that we collect from individuals in accordance with various laws in the United States concerning privacy. The privacy statement may be amended from time to time and is available to you on our website www.Subway.com.

People primarily between the ages of 16 to 50 purchase the menu items sold in Subway® restaurants. You may not sell any items to another vendor for resale without our prior written consent. You will have to compete with other restaurants, and food outlets, including franchisees of other franchise chains and other Subway® restaurants.

FRANCHISE BROKERS/BUSINESS DEVELOPERS

Business Developers are franchise brokers. We have engaged Business Developers whose duties include franchise sales, site location assistance, training, and operational assistance to franchisees. Business Developers also make recommendations as to whether prospective franchisees in their territories should be granted franchises and we take their recommendations into consideration. We generally recruit Business Developers from existing franchisees. We pay Business Developers a portion of amounts we collect from franchisees as payment for their services, including approximately one-half of the initial franchise fee, and up to one-third of royalties, transfer fees and extension fees. We also pay them approximately one-third of any fees we receive from a third-party franchisor and any co-brand continuing fees, if they provide services for the other concept. We may also pay them bonuses and penalize them depending upon whether they are ahead or behind their development schedules for establishing restaurants in their areas. We prohibit Business Developers from making any representations of sales or profits to you. Additionally, we require Business Developers to abide by all federal and state laws in the performance of their duties. Business Developers are independent contractors and not employees of ours or our affiliates. We and our affiliates disclaim responsibility for any acts or statements made by Business Developers contrary or in addition to the disclosures made in this Disclosure Document, or in the Franchise Agreement, the Operations Manual, or related contracts. Therefore, unless otherwise disclosed in this Item 2, Business Developers are not our directors, trustees, general partners, or principal officers, nor will they have management responsibility relating to the sale or operation of franchises offered by this document.

Exhibit Q contains the name, contact information, contract number(s), and a description of the servicing territory for each Business Developer for DAL in the United States and its territories, as of the effective date of this Disclosure Document.

Item 3
LITIGATION

Other than the 46 actions and the 10 franchisor-initiated actions disclosed in Exhibit L, no other litigation is required to be disclosed in this Item. We estimate that the franchisees we or our affiliates filed actions against in connection with the franchise relationship during our 2025 fiscal year constitute about 0.03% of the franchisees operating Subway® restaurants globally.

Item 4
BANKRUPTCY

Benjamin Selden, the Chief Financial Officer of SWSH, Subway US IP Holder, FWH, FWHT, DAL and Subway MyWay, LLC, served as the Senior Vice President of Finance for Sungard Availability Services Capital, Inc. ("Sungard"), located at 680 Swedesford Road, Wayne, Pennsylvania 19087, from August 2017 to December 2019. On May 1, 2019 Sungard and certain of its affiliates filed voluntary petitions under Chapter 11 of the United States Bankruptcy Code in the United States Bankruptcy Court, Southern District of New York (Case No. 19-22915-rdd). On May 2, 2019, the Court confirmed the Plan of Reorganization of Sungard and its debtor affiliates. The bankruptcy cases were closed on September 6, 2019.

Type of Fee	*Amount*	*Description*
Reduced Fee for Qualified Non-Traditional Locations[2, 3, 4]	$7,500	You will pay the reduced franchise fee if you are purchasing a franchise for a non-traditional location and: 1) you are an approved convenience store operator, a food service management company, or other company that provides its own food services (and you have 50 or more locations or you have a net worth of at least $10 million as shown on an audited balance sheet); 2) you are a cooperative, foundation, qualified non-profit charity, hospital, university, college, other school, or First Nations, governmental agency or entity; 3) the non-traditional location you are purchasing is located within a hospital; or 4) you are purchasing your franchise for a non-traditional location we approved to be located in a portion of an existing facility you own, lease or otherwise control under a management agreement and you are a franchisee in good standing of a nationally branded gasoline or convenience store retailer. If any of these representations are not true when your Restaurant opens (based upon the most recent restaurant evaluation), you agree to pay an additional $7,500 plus Taxes. If we do not approve your location within 90 days after you sign the Franchise Agreement, we may terminate your Franchise Agreement and refund your initial franchise fee.
Add-on Fee	$3,750	If you qualify for the reduced fee and you want to add an individual owner who is not already a Subway® franchisee, you must also pay the add-on fee in addition to the reduced fee. We may change or eliminate this add-on fee in the future. We will waive the add-on fee if you are adding your parent, child, or spouse as an owner.
Satellite Franchise Fee[5, 7]	$5,000	This is the initial franchise fee for a satellite restaurant; however, this fee will be waived if your satellite will be located in the same facility as your Base Restaurant.
Short-Term Satellite Franchise Fee[6, 7]	$1,000	This is the initial franchise fee if the satellite will be in operation for a term of 1 year or less ("short-term").
Additional Fee for Non-Compliance	$7,500	If you or your affiliate are an existing Subway® franchisee, you represent that all your restaurants are in substantial compliance with the Operations Manual and there are no material defaults under the franchise agreement(s) governing the operation of such restaurant(s). If any of the aforesaid representations are not true when your restaurant opens (based upon the most recent restaurant evaluation), you agree to pay us an additional $7,500.

Note 1:

We may offer financing for franchisees purchasing a franchise for a restaurant to be located in a low-density market. We may stop or modify any loan programs we offer at any time.

Certain multi-unit operators who sign a Multi-Unit Franchise Agreement or a Development Agreement may qualify for a rebate of some or all of their initial franchise fee if they meet or exceed their development schedule. We may modify or discontinue this policy at any time in our sole discretion.

Note 2:

If you do not qualify for the reduced fee, you must pay the full fee of $15,000. If you qualify for the reduced franchise fee when you sign the Franchise Agreement, but any of your existing restaurants are out of substantial compliance (based upon your most recent restaurant evaluation) when your restaurant opens, you must pay us the $7,500 balance of the full franchise fee.

You may not sell, transfer, or assign a franchise you purchase at a reduced fee unless you sell it in conjunction with an open and operating restaurant associated with that franchise. We may change the amount of the initial franchise fee, including eliminating or reducing the discount.

Note 3:

If any of these representations are not true when your restaurant opens (based upon the most recent restaurant evaluation), you agree to pay the full initial franchise fee. If we do not approve your location within 90 days after you sign the Franchise Agreement, we may cancel your Franchise Agreement and refund your initial franchise fee.

Note 4:

If you own an oil company or convenience store/gas station chain which meets our current qualifications regarding number of locations or net worth and you convert an existing sandwich shop business you created, own, and operate at your facility into a Subway® restaurant, we will waive the initial franchise fee.

To qualify to purchase additional franchises for non-traditional locations at the reduced franchise fee, the Subway® restaurants you operate must be in substantial compliance (as defined in the Operations Manual), and you must follow all operating policies and procedures for the other chain at the location where you will establish your restaurant. There must also be no material defaults under any of your Franchise Agreements with us.

Note 5:

We may refund the satellite franchise fee if we terminate the Franchise Agreement after 90 days because we or our designated affiliate does not obtain a lease or license for the premises which contains basic economic terms (for example rent, square footage, and length of term), previously consented to by you, and offer you a Sublease or Sublicense. However, this refund will not be issued if: 1) you fail to sign a Sublease or Sublicense that was previously consented to which contains basic economic terms; 2) if it is your fault we disapprove the location or we cannot obtain the lease or license; or 3) you attend training and receive a copy of the Operations Manual in electronic form. The term of the Satellite Franchise Agreement will be from the date of the Franchise Agreement until the expiration or termination of the Base Restaurant Franchise Agreement, with the right for additional 20-year renewals in line with the Base Restaurant Franchise Agreement term.

Note 6:

The term of the Franchise Agreement for a short-term satellite location is 1 year or less from the date of the Franchise Agreement Rider or until the termination or expiration of the Base Restaurant Franchise Agreement, whichever occurs sooner. If your Base Restaurant Franchise Agreement has not expired, you may renew the short-term satellite location for an additional 1 year term for a renewal fee of $1,000.

Note 7:

If, with our approval, you choose to convert your satellite to a full restaurant and terminate your Franchise Agreement for the satellite, we may credit the initial franchise fee you paid. We will not allow credit for expired or terminated Franchise Agreements for the satellite. To qualify for the credit, you must be in substantial compliance (as defined in the Operations Manual) and you must comply with any necessary upgrades or additional requirements to establish a full restaurant at the satellite location.

Any of the fee arrangements described in this Item 5 may be modified or discontinued from time to time in our sole discretion.

We do not charge an initial franchise fee for our School Lunch Program or the Community Development Program. We do not charge an initial franchise fee if you purchase an existing restaurant as a transfer, but you or the transferor must pay the transfer fee.

Under the School Lunch Program, we will franchise (1) a school system directly, (2) an institutional food service provider, or (3) an existing individual Subway® franchisee, to operate a Subway® restaurant located in a school.

You must open your school location within 6 months after you sign your school lunch Franchise Agreement. If you are not the school board, school district, or municipality controlling the school location, within 6 months after you sign your Franchise Agreement you must sign a contract, license, or lease, giving you the right to operate the restaurant, or your Franchise Agreement will automatically terminate. You must identify a location for the school lunch restaurant and your proposed operation plan before you sign the Franchise Agreement. The term of the Franchise Agreement for a school lunch location is a period of 5 years, with the right for additional 5-year renewals, with no renewal fee. If you are an individual franchisee, you must establish the restaurant in the school as a satellite location.

Under the Community Development Program, franchisees may establish franchises within facilities operated by organizations or individuals that offer support services within the community in which they are located. Examples of these facilities include places of worship, shelters, halfway homes, rehabilitation centers, community centers, and disaster relief centers. Your restaurant must be operated with the intent of providing job training to individuals with barriers to employment. You must identify a location for your restaurant and your proposed operation plan before you sign the Franchise Agreement.

Refund Policy. We do not refund any of the initial franchise fees except as stated above or under the following circumstances: 1) you purchase a franchise for a location where we will allow you to enter into a lease or license directly with the landlord and we do not grant final approval of the location within 90 days after you sign the Franchise Agreement; or 2) you purchase a franchise for a dual location test site and you do not obtain a Sublease or Sublicense in accordance with our requirements. In either case, we may dismiss you from the training program, cancel your franchise agreement and refund one-half of your franchise fee.

Note 1:

The extension fee is due when you sign our then-current form of Franchise Agreement and is non-refundable. If you are granted an extension, you will have an additional year to open your restaurant with no right to any further extensions. The term of your franchise will then be for the full number of years granted in the replacement Franchise Agreement and you will have no right to any additional extensions. This description of the extension fees also applies if you sign a Franchise Agreement Rider to open a satellite restaurant in a non-traditional location. We may change or eliminate the extension procedures in the future.

The extension fee does not apply to school lunch locations, satellite locations operating in locations other than non-traditional locations, or short-term satellite locations. These locations must be opened within the timeframes set forth in the Franchise Agreement Rider and will have no right to any extension.

Note 2:

For certain non-traditional locations, you may need to sign a concession or subconcession agreement. If your restaurant is a school lunch location, you may enter into the contract, license, or lease directly with the entity controlling the school.

Note 3:

You may experience delays and have higher costs if you seek approval to purchase directly from vendors or from vendors not currently approved. Supply chain challenges and escalating raw material and freight costs have caused material increases in the costs of Equipment, Furniture & Décor.

Note 4:

The purchase prices for these restaurants vary greatly in price. In 2025, we sold 148 restaurants ranging in price from $1 to $56,500 and our affiliates sold 32 restaurants ranging in price from $1 to $160,000 USD. The purchase price does not represent your total initial investment for these restaurants and may only the costs of existing physical assets, such as leasehold improvements, equipment, signs, any security systems, inventory and supplies. You may have to purchase, finance, required equipment that is not included in the purchase price. You may have to spend additional money to bring the restaurant into compliance with the Operations Manual. We may offer incentives to franchisees purchasing company- or affiliate-owned restaurants that we believe have below average sales. These incentives may include but are not limited to: 1) financing by us or an affiliate for all or a portion of the purchase price at variable terms; or 2) under certain conditions, an obligation in the purchase agreement for us or our affiliate to repurchase the restaurant from the franchisee if the franchisee chooses to terminate the transaction. Under these circumstances, we or our affiliate will not repurchase the restaurant unless it is in substantial compliance as defined in the Operations Manual and the franchisee has maintained or exceeded the Average Unit Volume (AUV) of sales reported for the 12 months prior to our or our affiliate's acquisition of the restaurant from the previous owner.

Note 5:

Additional hardware and services may be added to this base package as the program evolves and/or the technology needs of the brand expand, which may result in additional costs. Additional packages at varying monthly rates may also be offered in the future. These charges do not include the costs to obtain the payment terminal to process credit and debit card payments as well as gift card and loyalty transactions, discussed below in this Item 5. Under the RTaaS program, we may act as collection agents for HP, or another approved vendor, and collect fees you owe through your pre-authorized account. You will also be responsible for any costs you incur in connection with the transition from the current POS System you use to the POS System you obtain under the RTaaS program. All POS software required as of the date you obtain your POS System under the RTaaS program will be pre-installed on your POS System.

Note 6:

You must use the payment terminal and barcode reader we require for use with your POS System to participate in the required Subway® Gift Card Program, Remote Ordering Program and integrated credit/debit, contactless and mobile device payment options. Certain non-traditional locations are required to use an SVS issued/configured terminal for processing gift card transactions only.

Development Program

If you participate in our multi-unit development program, with our approval, by executing a Development Agreement, and one or more Franchise Agreements or Multi-Unit Franchise Agreements, you must pay a development fee equal to the then-current standard initial franchise fee (or reduced initial franchise fee, if applicable), multiplied by the number of restaurants to be developed in accordance with the development schedule under your Development Agreement. You will not be required to pay a separate initial franchise fee under any Franchise Agreement or Multi-Unit Franchise Agreement, in each case executed in accordance with your Development Agreement. The development fee is uniformly imposed, fully earned by us when paid by you and non-refundable.

They are payable to us or to others as noted. These fees are the same for all persons currently acquiring a franchise except as noted below.

Note 1. *Royalty Fee*. "Gross sales" includes all sales of every kind made from your restaurant. Gross sales do not include any amounts you collect for state or local sales taxes. If your restaurant is in a non-traditional or school lunch location and you are selling other items from the premises, the Franchise Agreement Rider may help define gross sales subject to the royalty. The royalty is the same for all persons currently acquiring a franchise. If you are operating a non-traditional location at an Airport Terminal, Train Station, or Captive Travel Plaza, we may reduce your royalty rate. These reduced rates will range from 6.5% to 8%. Certain multi-unit franchisees entering into a Development Agreement with us may be eligible for reduced royalty rates ranging from 7.5% to 8%. The royalty is payable to us and is nonrefundable. We may pay up to one-third of collected royalties to third parties who assist with the development of our franchise system, including Business Developers. The royalty is payable weekly and is due on or before the Friday following the close of the business week which is usually Tuesday. You must submit signed forms to allow us to deposit drafts against your bank account for the full amount of the weekly accruals of royalties, advertising fees, and other amounts you will owe us. We may establish a marketing assistance fund that may be used to conduct marketing analyses and related activities regarding specific restaurants located in the vicinity of certain non-traditional locations. We may place a portion of the royalty fees received from Subway® restaurant locations developed by large companies operating 100 or more locations into this fund which will be administered jointly by us and the company developing the locations.

Note 2. *Advertising Fees*. You must pay us 4.5% of gross sales of your restaurant for advertising. The advertising fee is nonrefundable and we will deposit that money into SFAFT or such other marketing fund(s) as we shall designate from time to time. Under earlier forms of franchise agreement, many of which are still in effect, franchisees had the right to increase the advertising percentage temporarily or permanently by a 2/3 vote on the basis of one vote for each operating restaurant. At the time of issuance of this disclosure document, more than 2/3 of restaurant locations were governed by franchise agreements with this legacy provision. While unlikely, it is possible that the franchisees owning at least 2/3 of all restaurants could vote to increase the advertising percentage, but it would be among themselves only, and you would not be bound by any such increase because the current form of franchise agreement fixes the advertising fund contribution at 4.5%. Company- or affiliate-owned restaurants pay advertising fees and have a vote on advertising fund matters.

Certain satellite restaurants and other non-traditional restaurants, certain qualified Food Service Providers, and certain franchisees paying advertising fees under their leases, may each qualify to pay a reduced advertising fee ranging from 0.5% to 2% of gross sales.

Certain multi-unit franchisees entering into a Development Agreement with us may be eligible for reduced advertising contributions ranging from 2% to 3.5%.

The advertising fee is the same for anyone currently buying a franchise, except as stated above. Advertising fees are due weekly at the same time as the royalty fees.

Note 3. *Audit Fees*. If we determine, after conducting an audit, that you under-reported gross sales by more than 2% of your reported sales, you will pay us the royalty, advertising contributions and other charges due on the Gross Sales that were not reported, all costs provided in Section 16.E of the Franchise Agreement, plus interest and the late fees (the "Overdue Amount"). This charge covers the damages we suffer for your under-reporting, which is injurious and prejudicial to the Subway® system, the trademarks, and the goodwill associated therewith. If you fail to submit your information to be audited, we have the right to obtain the Restaurant's Gross Sales information and data directly from your POS System reports which you acknowledge and agree we have a right to access. We will use those reports to determine any amount of the under-reported Gross Sales and charge the Overdue Amount on that basis. In the event for any reason, we are unable to access the necessary information through the POS System reports, we may estimate your Gross Sales and charge you based upon the estimate. However, we will not impose this charge if you can show that you fully completed all of our control sheets in an accurate manner each week and that your under-reporting was due solely to employee theft that could not be detected with our control systems. We may also terminate your Franchise Agreement if you fail to properly report Gross Sales for any calendar year.

Note 4. *Late Payment Fees*. We may change or eliminate these fees.

Note 5. *Transfer Fee.* A transfer is the sale or other conveyance of any portion of your rights under the Franchise Agreement to another party, including the addition or removal of an individual from the Franchise Agreement. You will pay the standard transfer fee of $7,500. If you own a satellite restaurant, you must transfer the Franchise Agreement for the satellite restaurant to the same buyer who purchases the Base Restaurant and the Base Restaurant's Franchise Agreement. In limited circumstances, we may allow a transfer of only the satellite restaurant and satellite Franchise Agreement if in our determination there is a good business reason to do so. You must pay a transfer fee of $3,000 for the transfer of the satellite Franchise Agreement (or $1,000 if the satellite will be established for one year or less) and a separate transfer fee for the transfer of the Base Restaurant. The transfer fee is payable when you submit a request for transfer.

If you or the buyer cancels the transfer before we have issued the Consent-to-Transfer, we will refund the full transfer fee. However, if the Consent-to-Transfer has already been issued and you or the buyer cancel the transfer at any point thereafter, or we cancel the transfer because you and the buyer failed to complete the transfer within 60 days after the Consent-to-Transfer was issued, the full transfer fee will be retained by us.

We may allocate a portion of any refund of the transfer fee toward any past due amounts owed to us by the party that tendered the transfer fee under the terms of their Franchise Agreement.

Notwithstanding the above, if the transfer is cancelled for any reason and the buyer attended any portion of our training course, the full transfer fee will be retained by us as full and final payment for the training given to the buyer. Any transfer fee being refunded in connection with the foregoing will be refunded to the party that tendered the transfer fee.

If you and the buyer mutually wish to reactivate a transfer that was cancelled, and we approve the reactivation, in addition to the transfer fee, a $1,500 US per restaurant reactivation fee ($750.00 US per Satellite, if any) is required. We will apply any portion of the initial transfer fee paid which was not refunded or applied to outstanding amounts owed to us toward the transfer fee of the reactivated transfer. The transfer will not be reactivated until all monies and documents required to complete the transfer are received by us.

In limited circumstances, a reduction in the transfer fee may apply, as outlined below.

- Standard Transfers to new or existing franchisees: $3,200
- Transfers to next of kin upon death or permanent disability and transfers associated with divorce: $200
- All other transfers (additions, deletions, entity conversion, entity change of ownership, and immediate family transfers): $2,000, unless a lower fee is stated in your franchise agreement.

We may change, modify or eliminate any reduction in the transfer fee at any time.

You must pay all related registration fees, taxes, and preparation costs for the filing, including lawyer's costs, to the extent we can require you to do so under local law. You must cancel, and then the buyer must obtain, or you must transfer to the buyer, any permits, licenses, registrations, certifications or other consents required for leasing, constructing, or operating the restaurant. We are authorized to cancel any permits, licenses, registrations, certifications or other consents that you do not cancel within a reasonable time. Any costs for cancellation will be borne by you.

Your final purchase agreement with the buyer for the location must meet our requirements. We will not become involved in the sale of any real estate included or contemplated in your sale terms. We will not be responsible for any loss or gain resulting from any sale, failure to sell or delay of the sale of the real estate. Any such loss or gain shall be incidental, consequential, contingent and not part of the transfer of your restaurant and the Franchise Agreement.

Note 6. *Location Rent.* You pay rent for your restaurant to our leasing affiliate or the landlord of the premises (at our discretion), under either, at our option, a Sublease you enter into with our designated affiliate or a direct lease you enter with the landlord. If you enter into the Sublease, it may contain a rental rate and terms different from the master lease between the landlord and our affiliate, and we or our leasing affiliate may keep the difference between the rent under the master lease and the sublease. Each of your owners will sign and deliver to our affiliate a guarantee of the payment obligations under the Sublease. Our leasing affiliate will require you to personally guarantee the Sublease. The landlord under a direct lease may also require you to personally guarantee the lease and may require a right of first refusal if you

want to transfer your restaurant. Our affiliate may assess late payment fees and other costs arising from the administration of the Sublease. Our affiliate has the same rights as the landlord on default to charge you for certain fees, to carry out repairs and to recover costs. Any right of first refusal to purchase the restaurant property provided in the master lease shall remain with our affiliate or its assignee.

In order to lease directly from the landlord in lieu of a Sublease, you must request in writing, and we must approve in writing the landlord's form of lease, including any modifications, amendments, renewals or extensions of the lease. In addition, you and the landlord must execute our Franchisor Lease Rider in a form substantially similar to Exhibit D-1 and if we require, the Appendix: Franchisor Rights; Right of First Refusal, in a form substantially similar to Exhibit D-1-1. You will sign the lease directly with the landlord and you will pay all costs associated with the lease.

In limited instances, we may enter into master agreements granting us a master license with the right to sublicense to you the right to operate on the premises of a third-party licensor. Under this circumstance you would be required to enter into a Sublicense for the location instead of a Sublease. We may also require you to sign a license for your restaurant, in limited circumstances, where it would be inadvisable for you to sign a Sublease or where the premises for your restaurant can only be licensed. For example, we may require you to sign a license instead of a Sublease if petroleum products, controlled by another, are sold on the premises where your restaurant will be located. You will pay the licensor either a fixed monthly fee or a fee based on the percentage of your gross sales depending upon the terms of the license.

For non-traditional locations such as truck stops and gas stations where there were or currently are fuel tanks or fuel pumps located on the property, the policy of ours and our leasing affiliate is to enter into a Concession Agreement, rather than a lease, to secure the location. A Concession Agreement may limit the liability of you, us and our leasing affiliate in the event of an environmental disaster caused by petroleum products, such as a tank leak or fire. Under this circumstance you would be required to enter into a Subconcession Agreement with our leasing affiliate for the location instead of a Sublease. You will pay the Concessionor a monthly concession fee plus all costs associated with the Concession Agreement.

In limited circumstances, our leasing affiliate may enter into a contract for premises, when required by the licensor of a non-traditional location. Under this circumstance, we may also require you to sign a Subcontract with our leasing affiliate and you will be required to pay all charges associated with the contract.

There are risks involved if your arrangements with a third party are short term. For example, if an oil company controls the premises and you have only a 3-year agreement to operate a service station, your Franchise Agreement with us could become valueless and you could lose your investment in the restaurant if the oil company does not renew its agreement with you at the end of the three year period.

In some circumstances, we and/or our affiliate may earn a profit from your Sublease or Sublicense. You may have to make payments directly to our affiliate for rent that is in excess of the cost of the lease as well as an initial fee to process the lease. We or our affiliate may also keep all or a portion of any landlord or government payment for early termination of the lease. This compensation may be partially attributed to lost royalties, loss of market penetration, extended down time, and other factors associated with the termination of the lease.

In certain circumstances, we may permit you to own the real estate for your restaurant directly.

Note 7. *Insurance.* The estimated cost is for one year for Property, General Liability, Workers Compensation, Employers Liability, and Auto Liability insurance, as required by your Franchise Agreement. This estimate does not include Employment Practices Liability Insurance, health insurance, or other insurance. Please note that insurance costs vary depending upon your location, construction of your restaurant, the insurance market, and claims history. Insurance payments must be made through Electronic Funds Transfer ("EFT") directly to the insurance carrier.

Note 8. *Noncompete Violation.* You cannot have any direct or indirect association with a competitive business, as defined in the franchise agreement, located within 3 miles of any location where a Subway® restaurant operates or operated in the prior year during the term of your Franchise Agreement and for 1 year after the termination, expiration or transfer of your Franchise Agreement. These fees are non-refundable. We modify these covenants for a non-traditional or school lunch location.

Note 9. *Confidentiality Violation*. You agree not to disclose our trade secrets and confidential information, including the contents of the Operations Manual.

Note 10. *Trademark Violation*. You agree to stop using the trademark Subway® and other marks and materials associated with a Subway® restaurant, and to return whichever form of the Operations Manual you have in your possession when your Franchise Agreement terminates or expires.

Note 11. *Limited Time Offering Promotions and Auto Shipments*. You may be required to carry certain ingredients, products, packaging or smallwares for Limited Time Offering ("LTO") promotions, and to use the ingredients, products or packaging for these promotions until they are depleted at both the restaurant and distributor. Ingredients, products, packaging and/or smallwares necessary for LTOs may be automatically shipped to you one or more times throughout the duration of the LTO and you will be responsible for the costs of the shipment(s). In limited circumstances, other required items may be automatically shipped with prior notice to you when necessary to provide the item(s) to restaurants quickly and efficiently, and you will be responsible for the cost of the item(s) as well as the shipment(s).

Note 12. *Dispute Resolution.* For fee information concerning arbitration, you can call your local office of the American Arbitration Association, American Dispute Resolution Center, or other arbitration agency (as applicable). You will also have to pay your own costs related to the proceeding, including the costs of your own lawyer or other advisors as well as travel expenses to Connecticut. You may also be liable to us for our collection costs, including lawyers' fees. You will pay our leasing company affiliate its costs for enforcing the Sublease or Sublicense, including lawyers' fees and legal costs, as additional rent/ licensing fees under the Sublease or Sublicense.

You should read Section 24 of the Franchise Agreement carefully. It contains other important provisions concerning dispute resolution including the requirement that arbitration be administered by the American Arbitration Association or its successor ("AAA") or the American Dispute Resolution Center or its successor ("ADRC") at the discretion of the party first filing a demand for arbitration. AAA will administer the arbitration in accordance with its administrative rules (including, as applicable, the Commercial Rules of the AAA and the Expedited procedures of such rules). The ADRC will administer the arbitration under its administrative rules (including, as applicable, the Rules of Commercial Arbitration or under the Rules for Expedited Commercial Arbitration). If both the AAA and ADRC are no longer in business, we and you will mutually agree upon an arbitration agency to administer the arbitration. If we and you cannot agree on the administrative arbitration agency, then a court of competent jurisdiction will select the agency. Section 24 of the Franchise Agreement also provides a limitation that you can only seek relief from us and not any of our affiliates or individuals associated with us or our affiliates. You must pay certain fees and costs for the arbitration. The provisions in the Franchise Agreement concerning arbitration and litigation do not apply to your Sublease, Sublicense or any other agreement with us or our affiliates. Our designated affiliate may terminate your Sublease or Sublicense without us also terminating your Franchise Agreement. This may render your Franchise Agreement valueless.

Section 24 also contains important provisions limiting your right to recover damages, including an exclusion for incidental, exemplary, contingent, punitive or consequential damages, except where prohibited by governing law.

Note 13. *Co-Brand Continuing Fee.* We may charge you a co-brand continuing fee on your gross sales from a third-party franchisor. The fee will not be greater than 8% of gross sales from the third party franchisor, and will be the same for all franchisees entering into direct franchise agreements with the third party. The percentage may vary for each third-party franchise concept. You will pay royalty and advertising fees due to a third-party franchisor to us if the third-party franchisor directs you to.

Note 14. *Software Maintenance Fees.* You will pay a monthly Restaurant Technology Fee of approximately $75. In addition to the SubwayPOS®, the Restaurant Technology Fee will cover other types of restaurant technology. This monthly Restaurant Technology Fee may be subject to change each year. We may withdraw these fees from your pre-authorized account with us. In addition to the Restaurant Technology Fee, we reserve the right to impose a Digital Technology Fee in the future to cover our costs of development, infrastructure and support of programs including our Subway® App, Online Ordering, Third-Party Delivery platform support, Digital Menu Boards and Social Media Platforms.

When you use the SubwayPOS® software, you will be bound by the SubwayPOS® End User License Agreement in a form substantially similar to Exhibit A-3. We may make changes to this license agreement at any time in order to keep pace with advances in technology and other initiatives, and you may be required to agree to our then current form of SubwayPOS® End User License Agreement in order to access required software updates.

Support for the required software programs is available from our affiliate, FWH, for an additional fee. You are required to use support software we designate unless you request and are granted a waiver. Currently, this software is BigFix Endpoint Management Software ("BigFix"). We will use this software to remotely access your POS system with your consent in order to maintain system security, perform routine system maintenance, provide technical support, increase operational efficiency, install updates to software programs and/or applications, and install or remove software programs and/or applications. If you receive a waiver, we or our affiliate may not be able to provide you with proper software support, and we or our affiliate may charge you additional fees to provide you with any updates to the SubwayPOS® software through alternative means.

You are also required to use the Subway® Payment Manager ("SPM") software in connection with offering integrated credit/debit, contactless and mobile device guest payment options, Subway® Gift Card Program and Sub Club Program. The initial license fee and any maintenance fees for the SPM software are included in the fees reflected in the chart above.

Note 15. *Required Guest Payment Options, Subway® Gift Card Program, Sub Club Program, and Other Technology and Digital Initiatives*. The types and amounts of these fees may vary as we implement various new technology and digital initiatives, the fees are often paid to a third party. The fees included in the table above represent the costs associated with the offering of integrated credit/debit, contactless and mobile device guest payment options, and other forms of payment we periodically require in the Confidential Operations Manual or otherwise, to your guests and your participation in the required Subway® Gift Card Program and Sub Club Program. You will be required to participate in these programs and payment options for all of your new and existing restaurants, unless we grant you a waiver.
You are required to use the integrated payment solution we designate, which includes use of a designated acquirer and processor for payment processing services, in all of your new and existing restaurants, unless we grant you a waiver. We may require you to use a different integrated payment solution provider than the one designated in this Item 6. If we do so, you may be required to pay fees to the alternative provider (or to us or our affiliates on the provider's behalf) that are different from the fees set forth in the table above.

Until we provide you with notice that only the Ingenico payment terminal (used for processing through FreedomPay) is required, you will be required to obtain, use and pay all fees associated with both the P400 payment terminal (used for processing through Adyen) and the Ingenico payment terminal. If you have technical issues with your P400 payment terminal, our approved supplier may replace the terminal. If you fail to return your P400 payment terminal within a specified time (currently 25 days), then the supplier may charge us a fee (currently $150), that we or our affiliate will pass on to you.

In connection with using the Ingenico payment terminal, you must participate in our Global Payments Program, which utilizes a payments orchestrator to allow restaurants to connect to multiple payment processors and avoid delays in processing credit and debit card payments. The approved payments orchestrator is FreedomPay and the two approved payment processors are WorldPay and Fiserv.

Certain non-traditional restaurants are required to purchase an SVS issued/configured terminal, and pay an initial fee of $320, and a monthly maintenance fee of $2.50. If you have technical issues with your terminal, SVS may replace the terminal. If you fail to return your terminal within a specified time (currently 30 days), then SVS may charge us a fee for shipping, installation, and file-building.

You must have a high-speed broadband connection that meets our standards and specifications to process card payments. You are required to accept the following credit card and debit card brands, unless we grant you a waiver: VISA, MasterCard, Discover and American Express. The Acquirer, Network, and Interchange fees will be charged for all credit and debit card purchases regardless of whether they are made remotely through the remote order website, Subway® mobile app or other payment app, or the catering call center ("Card Not Present Transactions") or in-restaurant ("Card

Present Transactions"). The Network and Interchange fees vary depending upon the credit card or debit card brand and type of transaction. These fees may be re-negotiated over time and are subject to change.

The Subway® Gift Card Program is a required program that allows guests to load money on a stored value account and redeem it for menu items. We estimate your total initial fees for the Subway® Gift Card Program to be approximately $60 to $140 (initial Subway® Gift Card inventory and envelopes). There may be additional costs for additional inventories of Subway® Gift Cards and envelopes. There may be additional fees for software/hardware support. Certain non-traditional locations that have been granted a waiver of the POS System requirement and/or integrated payment solution requirement must purchase an SVS issued/configured terminal to process gift card transactions.

You are required to participate in the Sub Club program administered by our affiliate, Subway MyWay, LLC, for all of your new and existing restaurants, including AAFES, NEXCOM and MCCS locations. As of the date of this Disclosure Document, your fees will be 1.9%, of the gross sales for each loyalty/reward transaction made by a Sub Club program member at your restaurant, subject to any annual adjustments as stated in the chart in this Item and below. You will be charged this fee on all loyalty/reward transactions made by a program member for all of your new and existing restaurants. By way of example, if a Sub Club program member spends $10 at your restaurant, you will pay to us a fee of up to $0.19. All Sub Club program fees will be paid to and administered by Subway MyWay, LLC or another affiliate we designate. You may also incur incidental charges for supplies associated with your participation in the program. Sub Club program members will earn points and you will be reimbursed for the cost of goods sold for the redeemed menu item(s) according to our or our affiliate's then-current policy.

Any reimbursements for the Sub Club program will be paid by Subway MyWay, LLC or another affiliate we designate. The fees and reimbursement rates associated with the loyalty/reward program are based on a weighted average cost of goods sold for the US. We will review the weighted average costs of goods sold in the US on an annual basis. As a result, your fees and reimbursement rates for the loyalty/reward program may change annually.

We are developing new technology and digital initiatives to enhance the guest experience, improve the efficiency of restaurant operations, and promote the Subway® brand. We may require you to implement some or all of these programs and initiatives at your expense, within reasonable timeframes we impose. All requirements must be met by the compliance date we establish. In addition to the programs described above in this Note 15, you must provide us with a business email address and cellular phone number that you will use to receive electronic communications and calls from us or our affiliate. Below is a list of other technology and digital initiatives you may be required to implement and/or invest in. This list is not exhaustive and will change as we and our affiliates expand and evolve our technology and digital programs.

- a cloud-based storage solution;
-
- accept required forms of payment;
- Subway® Pay;
- SMS messaging or email campaigns;
- Social Media applications, software applications and payment applications;
- Mobile device management software;
- guest experience surveys;
- biometric devices;
- guest-facing WIFI;
- remote ordering kiosks;
- a personal computer;
- label printer;
- tablet or iPad;
- wireless internet router;
- hardware or software firewall;
- hand held devices;
- E-learning;
- Digital menu boards;
- Subway® Radio or other music;
- Internet TV and LCD or plasma monitors; and
- Kitchen display screens.

You may be required to use a supplier we designate for any goods and services associated with these initiatives. We estimate fees for the wireless internet router to be $15 to $25 per month and fees to provide free internet to your guests to be $75 per month. You may be able to purchase the wireless internet router outright for approximately $600 to $750. In the future, we may require you to invest in an internet and security package that will provide business class internet services, a hardware or software firewall security system, and guest-facing WIFI. We estimate that the digital menu boards will cost $8,000 to $14,000. We estimate that the purchase of a tablet, label printer and mobile device

management software may cost $700 to $1,000. These fees may also vary by region and may be higher based on product availability and taxes. We cannot estimate the costs for other initiatives listed above as they are in the early stages of planning and costs cannot be estimated at this time.

Note 16. *Taxes and Other Fees.* You will pay or reimburse us for payment of any Sales Tax or other tax imposed by law on the Franchise Fee, Royalty, advertising fees, and any other amounts payable under your Franchise Agreement, whether assessed on you or on us. Taxes may be payable to your state, county, or town. We, or another entity to which you pay fees, will pass on to you the cost of any taxes we or the other recipient must pay directly to the taxing authority.

Note 17. *Training Fee.* There is no fee for two persons to attend the Training Program. A training fee of $1,500 will be charged for any additional persons attending training. You must also pay all costs for any of your restaurant employees or managers to complete in-restaurant certain required online training courses.

Note 18. *Catering Program Fees*. There is no fee for the basic catering program. However, if you participate in the online catering program powered by ezCater, a fee of approximately 7.75% (for online ordering) or 15.75% (for ezCater Marketplace) of each catering order will be charged to cover commissions and includes credit card processing fees. This fee may change to reflect costs. We may make additional modifications to the program and you will be responsible for any costs or fees associated with those modifications.

Note 19. *POS System Hardware-as-a-Service Fees*. The amount in the chart represents the estimated cost of the base package in the RTaaS program, exclusive of tax and shipping charges for one POS System. Additional hardware and services may be added to this base package as the program evolves and/or the technology needs of the brand expand, which may result in additional costs. Additional packages at varying monthly rates may also be offered in the future.

Note 20. *Restaurant Excellence Visits*. Our third-party provider will perform Restaurant Excellence Visits periodically at your Restaurant to ensure compliance with our standards and specifications, to promote best practices and food safety execution, and to assist with keeping up with industry trends. Franchisees are not charged for periodic visits; however, if your Restaurant receives a "Fail" score from our provider, you will be charged the Revisit Fee. You will receive a revisit until a passing score is achieved, and you will be charged the Revisit Fee for each revisit.

Note 21. *Environmental/Packaging Compliance (EPR) Fee*. A growing number of states have enacted, or are considering, "extended producer responsibility" or similar laws ("EPR Laws") that require companies that manufacture, distribute, brand, or sell packaging, paper products, or single-use food service ware to register, report data, and/or pay fees to fund the collection, recycling, or other end-of-life management of that packaging. Depending on the jurisdiction, we, one of our affiliates, or you may be considered a "producer" responsible for compliance. In some jurisdictions, we may handle compliance and incur costs to do so, some of which may be directly attributable to your Restaurant. We reserve the right, now or in the future, to require you to reimburse us or our affiliate for some or all of the costs of complying with these laws (including registration, reporting, and per-unit or per-pound fees charged by a state or producer responsibility organization), or to require you to comply directly and incur any associated costs, as described in your franchise agreement. If we impose this fee, we will provide you with notice of the amount then in effect.

All figures in this Item 7 are estimates only. Actual costs will vary for each franchisee and each location.

Certain non-traditional locations and locations operating within Walmart stores may participate in a co-brand arrangement with AUNTIE ANNE'S® stores. If you are participating in one of these locations, there may be additional costs and your initial investment costs may be higher.

If you are offering our additional menu items under the Store/Marketwide Option Program described in Item 1, you will have additional costs. We provide these costs below.

NOTES:

Note 1. *Initial Franchise Fee*. The initial franchise fee is $15,000. The initial franchise fee may be lower for additional franchises or if you qualify for a reduced fee. We currently offer a discount on the franchise fee for qualified U.S. Veterans purchasing a franchise. We are currently waiving the initial franchise fee for satellite locations located in the same facility as the Base Restaurant and for oil company retailers who have at least 50 units and convert an existing sandwich business that they created, own and operate at their facility into a Subway® restaurant. The initial franchise fee for a satellite location is $5,000 or $1,000 if the satellite location will be in operation for a shorter term of one year or less.

Note 2. *Real Property.* We estimate this amount to be the deposit of 2 months' rent payable when you sign the Intent to Sublease or a direct lease with the landlord. This represents a security deposit of one month's rent and payment of one month's rent. You may pay a significantly higher security deposit if our affiliate leasing corporation cannot obtain a lease with a reduced security deposit or if you rent directly from a landlord under a direct lease rather than under a Sublease. You make direct payments to the master landlord for anything due under the Sublease and master lease terms; or, if you lease directly from the landlord, you will make direct payments to the landlord. This could vary if you use a portion of the premises for other than a Subway® restaurant. Each of your owners will sign and deliver to our affiliate a guarantee of the payment obligations under the Sublease. The master landlord under a Sublease, or landlord under a direct lease, may require you to personally guarantee the lease. You will also pay $50 to our affiliate when you sign the Sublease as a nonrefundable fee for administrative costs to record the lease. In addition, you will be responsible for any additional costs associated with recording the lease. The $50 non-refundable fee and additional costs are estimated in the entry for Miscellaneous Expenses in this chart.

Under certain circumstances, your landlord or the licensor may require us or one of our affiliates to make rental payments for your restaurant to them on your behalf. All rental payments and related charges we pay on your behalf will be deducted from your pre-authorized account with us, which you agree to adequately fund for such payments when due. Review the terms of your Sublease for circumstances where your rental payment may be refunded. In some cases, you may sign a license or sublicense for your restaurant when the premises can only be licensed. Depending upon the terms of the license, you may be required to pay the licensor an advance fee when you sign the license.

Real estate costs vary widely, but we estimate the typical monthly rent expense runs from $1,000 per month to a high of $6,000 per month. The typical restaurant measures approximately 1,375 square feet, but some restaurants are as small as 300 square feet and others as large as 2,000 square feet. Restaurants are in a wide range of locations, including strip centers, enclosed malls, food courts, free standing buildings, downtown locations, and seasonal and non-traditional sites. Factors such as these will affect your costs, which may be higher than our estimates.

In certain circumstances, we may permit you to purchase the real estate for your restaurant. If you choose to do so, and if we permit you to do so, your initial real estate costs could be substantially higher, depending upon your financing arrangement, including the amount of any down payment.

Note 3. *Leasehold Improvements.* We estimate these costs to be the costs to build out your restaurant in accordance with the standards and specifications in the Operations Manual. Your local law may require use of a grease trap in your restaurant. This may increase your leasehold improvement costs between $10,000 and $15,000 depending upon the location of the grease trap.

We have recently unveiled a new restaurant décor design, "Fresh Forward 2.0". The "Fresh Forward 2.0" décor is the required décor and equipment package for all new restaurants and relocations. Existing locations are required to remodel to the "Fresh Forward 2.0" décor and equipment package or an approved variation thereof, such as the "Fresh Start 2.0" décor and equipment package, in accordance with the timeframe established in the Operations Manual. The cost of construction and all décor elements and the cost of its installation in the restaurant shall be at your sole expense. This estimate does not include costs to ship required décor elements.

We are currently in the process of assessing costs to build out a non-traditional location and a freestanding location with a drive thru in accordance with the Fresh Forward 2.0 décor, but as we are in the initial stages of this process, costs cannot be estimated at this time. We anticipate that the costs to build out a non-traditional location will be higher than those indicated in the chart above in this Item 7 but lower than the additional costs incurred in connection with the build-out of a traditional location in accordance with the Fresh Forward 2.0 décor. The costs to build out a free-standing location with a drive thru may be substantially higher than those indicated in the chart for a traditional location. We exclusively reserve the right to modify any element of the Subway® restaurant décor and equipment package.

Note 4. *Equipment, Furniture, and Décor.* You must use an approved POS System in all of your new and existing restaurants, including satellite restaurants. We may waive this requirement in limited circumstances on a case-by-case basis. We have negotiated with Hewlett Packard ("HP") and you are required to participate in the hardware-as-a-service component of the RTaaS program to obtain the POS System from HP, or another approved vendor. Under the RTaaS program, we may act as collection agents for HP, or another approved vendor and collect fees you owe through your pre-authorized account. We estimate the cost to obtain the POS System under the base package of the RTaaS program to be approximately $57 per month, exclusive of tax and shipping charges. Additional hardware and services may be added to this base package as the program evolves and/or the technology needs of the brand expand, which may result in additional costs. Additional packages at varying monthly rates may also be offered in the future. This amount does not include the cost of the card reader or barcode reader. The required payment terminal costs are also not included, and will vary; the P400 payment terminal is $237.70 (assuming you purchase it outright), the P400 kit is $323.30, and the SVS issued/configured terminal for certain non-traditional locations processing gift card transactions only is $320. The barcode reader is an additional $170 or $180 if your restaurant has a drive thru.

This estimate includes the cost of your initial supply of menu board translites. You must purchase your initial supply of menu board translites from us or SFAFT, unless we designate otherwise. The estimated cost for menu board translites is $125. You must also buy decals and replacement menu board translites from us or SFAFT, and certain operational items from the supplier we designate. The estimated cost is less than $600 and is non-refundable.

You have the option to purchase digital menu boards typically consisting of four television screens, media players, HDMI cables, and menu content management services from us, an affiliate or a designated supplier. The estimated cost to purchase and install the digital menu boards are $8,000 to $14,000; however, this estimate is not included in the table above because we anticipate that most franchisees who choose to use digital menu boards will opt to lease them through our approved supplier's Hardware-as-a-Service program, currently $155 per month. Ongoing licensing fees and support fees may apply. In the future, we may require you to purchase digital menu boards.

Note 5. *Insurance.* You must purchase the insurance we specify for each of your restaurants, which includes statutory Workers' Compensation and Employers Liability, General Liability insurance, including products liability and completed operations coverage in the minimum amount of $2,000,000 per occurrence/$4,000,000 general aggregate, on a per location basis, and Auto Liability insurance, including owned, non-owned and hired vehicle coverage, in the minimum amount of $1,000,000. You must also purchase the insurance required by the Master Lease and state law. In addition to the foregoing requirements, if you are permitted to sell alcohol at your restaurant, you must carry liquor liability insurance in the minimum amount of $1,000,000 per location. Your insurance coverage must be primary and non-contributory, and you must name us, our affiliates, Subway US IP Holder, the Business Developer, our agents, representatives, shareholders, directors, officers, employees, and those of our affiliates, the tenant corporation named in your Sublease or Sublicense and your landlord as additional insureds unless otherwise directed. You must provide us with a copy of your Certificate of Insurance when you return your signed Sublease or Sublicense or finalize your Lease or License. Your insurance carrier must agree to give us prior written notice of termination, expiration, material modification, or cancellation of your policy, or cancellation of us or any of the other entities or individuals in the preceding sentence as an additional insured. We may change or increase your insurance requirements due to changes in experience, and you must comply with the new requirements. You must defend and indemnify us, our affiliates, Subway US IP Holder, SFAFT, the Business Developer, our agents, representatives, shareholders, directors, officers, employees, and those of our affiliates against any claims that arise in or in connection with the operation of your restaurant or , against any claim for which we and/or our affiliates have to indemnify the Master Landlord under the master lease for your restaurant, regardless of cause or any fault or negligence.

If you are a school board, school district, or municipality buying a franchise for a school lunch location, you must notify us before you sign the Franchise Agreement if the law prevents you from providing the required insurance coverage or indemnification. We may elect to amend your Franchise Agreement to delete the unlawful insurance coverage or indemnification requirements.

We have designated one or more approved insurance brokers and their associated carrier(s) from which you must buy your insurance under our Gold Standard Insurance Program for each of your restaurants. We have negotiated to provide an insurance package, including property, general liability, auto liability, statutory Workers' Compensation, business income, and additional forms of insurance coverage for Subway® franchisees. At the brokers' direction, the carriers will name all the additional insureds your Franchise Agreement and Sublease or Sublicense, if any, requires and will also provide insurance certificates to us and our real estate affiliate. You must make payments directly to your insurance carrier via EFT. If your insurable interest in the facility in which the restaurant is located is greater than the restaurant, subject to our written approval and your signing the Franchise Agreement Rider, Part I, you may maintain a program of self-insurance or buy your insurance through your local insurance broker or carrier. If you own another business operating on the premises where your restaurant is located, subject to prior written approval, we may allow you to buy your insurance from the broker or carrier, who places the insurance for the other business. In these cases, which we allow you to obtain your insurance from a source other than that approved under our Gold Standard Insurance Program, your broker or agency must meet our requirements relating to Errors & Omissions coverage, indemnification and reporting specifications and place your insurance with a carrier maintaining a rating of at least A-/IX in Best's Insurance Guide.

You must buy your insurance from the brokers and companies we designate and provide indemnification under our current language for all of your restaurants.

Neither we nor our affiliates receive any income from placing insurance coverage or benefit plans with any insurance broker or carrier.

Note 6. *Training Expenses*. You do not pay us a training fee but you will be responsible for all personal expenses for the training, including transportation to the designated training restaurant, lodging, meals, wages, and benefits for any of your employees. We may substitute a shorter training program for school lunch franchisees but you may have travel costs depending on where you receive your training. We do not charge a separate training fee for school lunch franchises, but we may do so for franchises purchased in the future, if we are waiving the initial franchise fee at that time.

Note 7. *Miscellaneous Expenses*. You must pay the cost of all permits, licenses, registrations, certifications, utilities, or other consents required for leasing, constructing, or operating your restaurant. The $50 non-refundable fee and any additional costs associated with recording the lease that you pay to our affiliate are included in the total. You may have to pay data use charges in connection with any wireless internet service and a transmission fee to transmit data from your restaurant to our designated database. In addition to these expenses your municipality may assess impact fees on your Subway® restaurant location. Impact fees are charges assessed by your municipality against new development projects, such as your restaurant, in an attempt to recover the cost incurred by the municipality for providing the public facilities required to serve the new development. Impact fees may vary among municipalities; however, we estimate these fees to be between $5,000 and $25,000. These fees are non-refundable.

In accordance with Nevada state law, you will be required to use an architect licensed in the state of Nevada for the preparation of site-specific drawings to be used in the new construction, alteration, and remodel of a Subway® restaurant located in or contemplated in Nevada. If we do not designate your architect, the architect you use must be approved by us and will be required to sign a non-disclosure agreement. You will be required to utilize the architect's services for the design and construction of your restaurant. The Store Design Department of FWH will have the right to approve or disapprove any plans used in the construction of your restaurant. You will be solely responsible for all fees charged by the architect. We estimate these fees to be between $1,500 and $3,000.

Note 8. *Additional Funds*. This is an estimate only of the range of initial start-up expenses for 3 months. These expenses include payroll costs but do not include royalty, advertising fees, or food costs or any allowance for an owner's draw. The actual amount of additional funds you will need to operate for three months depends on a variety of factors,

including the size and location of your restaurant, your own management skills, economic conditions, competition in the area of your restaurant, the sales level reached during this period, and other factors. We cannot estimate the operating results of your restaurant. We disclaim that by providing these estimates of your costs we are making any representation that you will have any level of sales. The estimates are of your costs only and do not reflect any offsetting sales revenue you may earn from operations to help pay these costs. We do not make earnings claims. The estimate of Additional Funds for three months shown in the above chart is not an estimate of the working capital you will need but relates only to certain expenses for the time period stated. The time period of three months is not a representation of when you should expect to break even, if ever.

Note 9. *Grand Opening Advertising.* You must hold a grand opening sale within 4 to 8 weeks after opening your restaurant or a change in the ownership of your restaurant. In addition to new restaurants, this grand opening sale requirement applies to all restaurants that relocate, remodel, or transfer to a new franchisee. If the transfer consists of an addition or deletion of a name, the restaurant is not required to hold the sale. We recommend that you spend at least $2,000 on the grand opening sale.

Note 10. *Outside Signs.* These costs do not apply to school lunch locations.

Note 11. *Total*. These figures are estimates of the complete investment for setting up a Subway® restaurant and operating it for three months. It is possible to significantly exceed in any of the areas listed. Your costs could also be substantially lower if you are purchasing a non-traditional, satellite or school lunch location. Some costs will vary in relation to the physical size of your restaurant. A lower cost restaurant is one that will require fewer leasehold improvements, less seating, and fewer equipment purchases. Moderate and higher cost restaurants may require extensive interior renovations, extensive seating, and additional equipment. It may not be possible for you to construct your restaurant at the location you selected at the lower or moderate total investment cost listed above. To avoid excessive construction costs, we strongly recommend you choose contractors carefully by obtaining several competitive bids before construction begins. The above figures do not include extensive exterior renovations or "key money" to the master landlord. We have relied on our own experience of over 50 years in the restaurant business to compile these figures.

This Item 7 presents the estimate initial investment to develop a new Subway® restaurant. If you purchase an existing restaurant, the purchase price you pay for the restaurant may vary from the estimates presented in this Item 7. In certain cases when you agree to buy an existing restaurant, we may require you to pay a deposit. The amount of the deposit is usually a certain percentage of the purchase price and will vary depending on the amount of the purchase price.

If you participate in our multi-unit development program, with our approval, you must pay a development fee equal to the then-current standard initial franchise fee (or reduced initial franchise fee, if applicable), multiplied by the number of restaurants to be developed in accordance with the development schedule under your Development Agreement, as described in Item 5. You will not be required to pay a separate initial franchise fee under any Franchise Agreement or Multi-Unit Franchise Agreement, in each case executed in accordance with your Development Agreement. Therefore, the estimated initial investment under the development program, which includes the estimated initial investment to develop your first new restaurant, plus the development fee to be paid under the Development Agreement, is as follows:

Type of Expenditure	Lower Amount	Mid Amount	Higher Amount	METHOD OF PAYMENT	WHEN DUE	TO WHOM PAYMENT IS TO BE MADE
Development fee for 2-10 Restaurants	$22,500	$52,500	$82,500	Lump Sum	When you sign the Development Agreement	Us
TOTAL UNDER DEVELOPMENT PROGRAM *For a Non-Traditional Location*	$246,123 *$206,635*	$431,427 *$319,577*	$604,245 *$471,245*			

We anticipate that multi-unit developers will also often purchase existing Subway® restaurants. The estimated initial investment under the development program presented above does not take into account the purchase price or other initial investment associated with purchasing existing Subway® restaurants.

* *

Apart from: (1) entering into the master lease and subleasing the restaurant premises to you; and (2) loans in connection with a Subway® restaurant, we and our affiliates do not offer assistance or financing to you directly or indirectly. The above costs are not refundable, the location security deposit (depending upon the terms of the master lease), and utility deposits (depending on the terms set by each local utility), as long as you are in compliance.

Additional Menu Items under the Marketwide Option Program. If you offer additional menu items under the Marketwide Option Program described in Item 1, you will have additional investment costs. We estimate your additional investment costs below for adding our own menu options. If you enter into a franchise agreement or a license with a third party, the third party should provide you with the investment cost information for adding its products and concepts.

This chart is our estimate of your additional investment costs to offer our in-house additional menu programs. If your advertising fund market has approved a menu program we designate as a Marketwide Option Program, or approves the menu program in the future, you will have to make the investment associated with that menu program.

Item 8
RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Approved Products and Services

You will purchase all required food, equipment, beverages, and other products or services typically used in Subway® restaurants exclusively from an approved distribution center or another approved source, which could be us or our affiliate, as we may designate. If there is not a designated distribution center or other approved source, you must purchase or lease other food products, packaging materials, construction materials, equipment, items bearing the Subway® trademark, and other products and materials required for the operation of your restaurant in accordance with our specifications. We consider our criteria for approving suppliers to be a proprietary trade secret, and therefore we do not make them available to franchisees.

You may order your food and beverage products, smallwares, and other supplies through an approved web-based portal, where the list of approved suppliers and products available per Distribution Center is available. If there are cases where approved products or services you use in your restaurant are no longer available at the Distribution Center, Subway will coordinate for substitutions or provide waivers as needed, but franchisees are not allowed to independently source products. We may withhold approval for a substitute supplier for a legitimate business purpose, including identification of the system with one recognized brand, obtaining volume price benefits, or achieving uniform quality, procedures or systems.

We may change our specifications and supplier designations as a result of experience or changes in the marketplace or law. If you purchase a franchise for a school lunch location, you may have to modify the menu items with different specifications in order to satisfy nutritional requirements. We may also change our packaging, paper product and food service ware specifications and approved supplier designations to comply with, or facilitate compliance with, EPR Laws, and we may require you to reimburse us for some or all of the additional costs associated with these changes. See Item 6.

Limited Time Offerings

Your choice of products and supplies, however, may be limited by the market in which you are located under the Marketwide Option Program. You may be required to carry certain ingredients, products, packaging or smallwares for LTO promotions, and to use the ingredients, products or packaging for these promotions until they are depleted at both the restaurant and distributor. Ingredients, products, packaging and/or smallwares necessary for LTOs may be automatically shipped to you one or more times throughout the duration of the LTO and you will be responsible for the costs of the shipment(s). In limited circumstances, other required items may be automatically shipped with prior notice to you when necessary to provide the item(s) to restaurants quickly and efficiently, and you will be responsible for the cost of the item(s) as well as the shipment(s).

Approved Supplier and Product Criteria and Alternative Supplier Approval

We consider the manner in which we establish our standards and specifications, as well as our criteria for supplier approval, to be confidential, and have no established policy to provide this information to franchisees or other unapproved suppliers. The goal of establishing and approving a specification is to promote consistency across the Subway® system, regardless of the supplier. All food product suppliers must successfully complete an application process and may be required to submit product samples for examination and testing. Prospective equipment and supplies vendors must meet or exceed our specifications for the equipment or supplies. Equipment and supplies vendors may have to pay an application fee and submit samples. Standards and specifications for non-food products include minimum requirements for weight, delivery, performance, warranties, design, and quality control. Approved suppliers are required to pay any fees associated with any testing or auditing of their products, which may result in an upcharge on certain products. Suppliers may also pay all or part of the costs to test new products. These costs include market research, consumer interviews, the production of point-of-sale advertising materials and the production of television pieces.

Suppliers must successfully complete our application and approval process before start supplying any products across the Subway® System. To request approval of a supplier, franchisees must submit the request in writing to our Food Safety and Quality Department. We will advise you within a reasonable time whether the supplier is approved. The amount of time it takes to receive approval from us may vary depending on the supplier, but generally ranges from two months to one year. We may re-inspect and re-evaluate the facilities and products of any previously approved supplier and may revoke its approval if we find the supplier fails to meet any of our standards and specifications at any time.

Approved Suppliers

In any instances where we or our affiliate are an approved supplier, we or our affiliate, as applicable, may derive revenue from your purchases. Otherwise, we and our affiliates do not derive revenue or profit from your purchases or leases but reserve the right to do so in the future.

Equipment

IPC manages equipment ordering platforms and relationships with equipment suppliers.

Currently, Huntington Technology Finance, Inc. is the sole approved supplier of leasing services for certain leased equipment. To lease the equipment that is part of this program, you will be required to execute the Huntington Technology Finance Equipment Lease attached as Exhibit K-2.

Real Estate

If you do not own an approved location or lease an approved location directly, then we either designate a real estate leasing company affiliate to enter into the lease or license for the approved location and you sublet or sublicense from our affiliate or we or the real estate leasing company affiliate own the premises and directly lease or license the premises to you. If we or our affiliate act as landlord or licensor, we or our affiliate, as applicable, will derive rental revenues and may retain a profit.

If we or our affiliate act as sub-landlord or sub-licensor of the approved location, you must pay all costs and obligations under the master lease or license, including base rent, additional rent, premiums, late payment fees, and other assessment costs and charges, and we or our affiliate can exercise the same rights as a landlord, including termination remedies and government payments. We or our affiliate, as applicable, may require you to make your sublease payments either directly to the landlord, in which case we will not derive any rental revenues or earn a profit, or to us or our affiliate, in which case we will derive rental revenues and may retain a profit. We and our affiliates currently require you to make your sublease payments directly to the landlord, so neither we nor our affiliates currently collect any revenues from franchisees under their subleases/sublicenses.

In accordance with certain state law, including Nevada, you may be required to use an architect licensed in the state of Nevada for the preparation of site-specific drawings to be used in the new construction, alteration, and remodel of Subway® restaurants located in or contemplated in Nevada. You may be required to use the licensed architects that we designate.

POS System Hardware and Software

Currently, there is only one approved supplier for your POS system hardware. You are required to enroll in the hardware-as-a-service component of our RTaaS program with HP to obtain a POS System.

We and our affiliate, FWHT, developed the SubwayPOS® software. Subway US IP Holder, the current owner of the SubwayPOS® software, is the only approved supplier and has granted us the right to sublicense it to you with various third party components. Currently, there is no monthly software maintenance fee if your restaurant will be located in the United States, but we may charge one in the future; however, if your restaurant is located in a United States territory (not a state), we will charge you a monthly maintenance fee.

Our affiliate, FWH, will provide full support for the SubwayPOS® software. We will receive revenue from the support FWH provides to Subway® franchisees worldwide through the FWH Technology Support Center.

The approved Subway® Payment Manager ("SPM") software you must install and use to participate in the required Subway® Gift Card Program, and to offer the required integrated credit/debit, contactless, mobile device, and other forms of payment we periodically require in the Confidential Operations Manual or otherwise is only available from us. We will license the SPM software to you.

You are required to participate in the Sub Club program administered by our affiliate, Subway MyWay, LLC, for all of your new and existing restaurants, including AAFES, NEXCOM and MCCS locations. You will be responsible for all costs associated with the program. As of the date of this Disclosure Document, your fees will be 1.9% of the gross sales, in addition to incidental charges and subject to any annual adjustments, for each loyalty/reward transaction made by a Sub Club program member at your restaurant. You may also incur incidental charges for supplies associated with your participation in the program.

The approved service provider you must use to participate in the required Subway® Gift Card Program is currently Stored Value Solutions ("SVS"), a division of Comdata Inc. Our affiliate, SPS, has entered into a services agreement with SVS. You must execute the Franchisee Participation Agreement attached as Exhibit A-11. Please see Item 6 for fees that must be paid to SVS. We may change the approved service provider from time to time.

You must obtain and use the payment terminal we designate to participate in the required Sub Club Program, Subway® Gift Card Program, Remote Ordering Program and to offer the required integrated credit/debit, contactless and mobile device payment options, which you may acquire from any approved supplier so long as it conforms to our specifications.

You are required to use the integrated payment solution we designate, which includes use of a designated acquirer and processor for payment processing services, in all of your new and existing restaurants, unless we grant you a waiver.

Until we provide you with notice that only the Ingenico payment terminal (used for processing through FreedomPay) is required, you must obtain, use and pay all fees associated with both the P400 payment terminal (used for processing through Ayden) and the Ingenico payment terminal. The P400 payment terminal must be purchased from the third-party vendor we designate, and the only approved acquirer and processor for payment processing services in connection with the P400 payment terminal is Adyen.

You are required to lease an Ingenico payment terminal from Fiserv for each of your restaurants, and they will be replaced automatically at the end of their useful life, at no additional cost. In connection with using the Ingenico payment terminal, you must participate in our Global Payments Program, which utilizes a payments orchestrator to allow restaurants to connect to multiple payment processors and avoid delays in processing credit and debit card payments. The approved payments orchestrator is FreedomPay and the two approved payment processors are WorldPay and Fiserv.

We may change the approved terminal and processor from time to time. If your restaurant has a drive-thru, you must purchase a barcode reader from our approved supplier.

Currently, we have one approved supplier for catering call center services.

In-Store Broadcasting Network ("IBN") is the only approved vendor for Subway® Vision, an in-store media system which includes promotional materials for the Subway® brand, third party advertisements and other entertaining information for guests.

Other Approved Suppliers

PepsiCo, Inc. and Keurig Dr Pepper are the sole approved beverage suppliers for most U.S. Subway® restaurants.

In addition to PepsiCo, Inc. products, we currently designate only one approved supplier for certain other food and beverage products, and other products and materials such as cleaning products, paper products, plates and plasticware.

If you have a school lunch location, you may have only one approved supplier for some food items.

We designate one or more approved insurance brokers and their associated carrier(s) under a Gold Standard Insurance Program and you must purchase your general liability and Workers' Compensation insurance from one of these brokers and their associated carrier(s) unless permitted otherwise.

We designate suppliers for additional menu items and equipment offered under the optional Store Option Program and Marketwide Option Program. Some of the equipment items for these programs may only be available for purchase through us from time to time. Currently, there is one approved supplier for each of the following menu items and equipment for these programs: omelet (including induction burners, pans, custom cutting board, small-wares).

SubSource, LLC, is an approved supplier of web-based software and services used in Subway® restaurants.

You must use only approved suppliers for third party delivery services. You must provide delivery services in compliance with the Confidential Operations Manual and as we otherwise specify in writing from time to time, and you must pay any commissions charged for their services.

We do not currently, but may in the future, require you to purchase or lease digital menu boards from a sole approved supplier.

Interests in Required Suppliers

One or more of our officers owns an interest in publicly-traded stock in 5 of our required suppliers, PepsiCo, Inc., Coca-Cola North America, HP, Keurig Incorporated, and Frito Lay. In addition, some of our franchisees and our Business Developers may have interests in various required suppliers. Other than that, no current officers of DAL have any ownership interest in any required supplier that provides goods or services to Subway® franchisees.

Purchasing Cooperative, Rebates and Negotiated Prices

The IPC is a purchasing entity that works with us and our affiliates to approve suppliers and negotiate prices, discounts, and other purchase and distribution arrangements for the benefit of Subway® franchisees throughout the system or in a particular region. The IPC will not have any exclusive rights for the purchase of approved products. The IPC may earn revenue in connection with the services it provides.

Upon signing the Franchise Agreement, IPC's charter documents provide that you are eligible to become a member of IPC that has voting rights on a representative board (a "Member") or an associate Member that benefits from Member activities without voting rights (an "Associate Member") of the IPC. To become a Member or Associate Member, you must complete a membership form prescribed by the board of the IPC. You may opt out of being a Member or Associate Member of the IPC by sending the IPC written notification, and purchase from other third-party vendors instead of from IPC. The IPC may amend its charter documents—changing these membership requirements—from time to time.

We and the IPC may negotiate agreements with approved suppliers, which may require contributions by the suppliers for national or local advertising, research and development, equipment, technology and digital initiatives and other uses benefiting franchisees. The amount of the contributions is usually determined as a specific amount of money per quantity of product purchased by franchisees, or sometimes as a percentage of the supplier's dollar sales to franchisees of the product. In some cases, these contributions are earmarked by a supplier for specific purposes, and we use the funds accordingly. We and IPC reserve the right to negotiate these arrangements and administer the contributions. There may be an upcharge on certain products as a result of these arrangements.

We or SFAFT may allocate the advertising contributions to a specific region or market at our discretion and we and SFAFT have no obligation to allocate all of the supplier contributions for advertising to any particular market. We cannot quantify or guarantee any benefits to you as a result of any vendor contributions paid on your purchases from a vendor or otherwise.

Contributions from suppliers, including manufacturers and distributors, may be negotiated on a local level with the funds being used to promote advertising or some other use benefiting franchisees in the local market. We are not able to provide specific information on any such local programs, but we believe that these suppliers make contributions at rates similar to those previously discussed.

Suppliers may also pay booth fees, sponsorship fees and other fees to participate in franchisee trade shows or conventions. These payments may subsidize our or our affiliate's costs to hold a franchisee convention or field meeting.

We have an arrangement with a payment processing provider whereby we receive the following incentives based on payment processing volume through our provider's network at Subway® restaurants:

- For debit and prepaid transactions, we receive $0.014 per transaction.
- For debit interchange reimbursement fees, we receive a 0.10% incentive.
- For debit prepaid interchange reimbursement fees, we receive a 0.25% incentive.

We may negotiate other arrangements with suppliers, vendors, manufacturers or distributors. We or our designee may receive the contributions we negotiate, or we may direct that any contributions we negotiate be placed into one or more funds to be used for the benefit of franchisees. We cannot guarantee that you will benefit directly from any of these contributions.

Overall Required Purchases

The products or services we require you to purchase or lease from an approved supplier, or purchase or lease in accordance with our standards and specifications, are referred to collectively as your "Required Purchases." We estimate that your Required Purchases will account for approximately 66.5% to 100% of all purchases and leases necessary to open your restaurant, and approximately 29.5% to 37.5% of your annual costs to operate your restaurant. These percentages will vary based on whether you participate in optional programs listed below.

Optional Program Required Purchases

If you choose to offer the following programs at the restaurant, the Required Purchases are as follows:
Soup: The Required Purchases of soup represent 15% of your total purchases in connection with establishing this menu offering and 100% in continuing it.

Omelet: The Required Purchase of the required equipment package (including induction burners, pans, custom cutting board, smallwares) may represent almost 30% of your total purchases in connection with establishing this menu offering and 100% in continuing it.

Derived Revenue

We will derive revenue from direct purchases or payments made to us (used equipment, rental revenue, premium charge, software licenses) and from rebates or purchase discounts from approved suppliers you must use.

We may designate ourselves as the sole approved supplier of any item in our discretion. During 2025, we derived (i) $1,257 in revenue from franchisees' required direct purchases from us and (ii) $136,510,121 in voluntary and involuntary contributions from suppliers to various strategic funds, market research and development, testing, biennial convention fees, and equipment and purchase discounts based on required franchisee purchases, which are cumulatively approximately 14.75% of DAL's total revenues of $925,217,000.

The basis for the rebates paid by approved suppliers varies but approved suppliers are generally making contributions at approximately the following rates based on required franchisee purchases: $3.68 - $10.50 per gallon (fountain); $5.00 per gallon (fountain product rebate); $5.71 per case (packaged products); or 97.41% of base trade rate. Our affiliates will derive revenue, and have derived revenue during 2025, from purchases you must make in connection with the operation of the restaurant as follows:

1. FWHT, our affiliate and prior owner of the SubwayPOS® software, received $8,469,235 in revenue from franchisee required purchases of the SubwayPOS® software.

2. FWH collected $750 in voluntary fees, sponsorships and contributions made by vendors and suppliers that supply items to you.

Except as described above, we and our affiliates do not derive revenue or profit from your required purchases or leases but reserve the right to do so in the future.

Note 1. All shareholders or other equity holders must guarantee your obligations under any financing arrangements. See Item 15 and 17.

Note 2. If you enter into a Sublease or Sublicense for the restaurant premises, our designated affiliate will enter into the master lease or license with the landlord. The landlord is usually an unrelated third party. The Sublease or Sublicense (as applicable) incorporates the landlord's form of lease or license, which will vary. You should read the master lease or license (as applicable) and the Sublease or Sublicense (as applicable) carefully. You may also want to review these documents with a lawyer. You must pay a security deposit, equal to two months' rent, when you sign the Intent to Sublease. The landlord may also require you to pay "key money".

Under the Sublease or Sublicense, the costs and obligations of the master lease or license between our affiliate and the landlord, are passed onto you, and we may earn a profit by charging you an amount in excess of these costs. When you enter into the Sublease or Sublicense, our affiliate is not relieved from its obligations under the master lease or license. Under a Sublease or Sublicense, you pay the rent or license fee for your restaurant to the landlord of the premises or to our designated affiliate, at our option. See Sublease, Section 3 or Sublicense, Paragraph 6 (as applicable) and the Franchise Agreement. You may have the right to prepay the lease without penalty; however, many lease agreements do not allow payments to be made more than 1 or 2 months in advance. Under certain circumstances, your landlord or the licensor may require us or one of our affiliates to make rental payments for your restaurant to them on your behalf. All rental payments and related charges we pay on your behalf will be deducted from your pre-authorized account with us, which you agree to adequately fund for such payments when due.

You may hold over at the end of the term of the Sublease only with the written consent of our affiliate. During such hold over tenancy your rent will increase to an amount equal to 200% of the rent amount that existed immediately prior to the expiration date of the Sublease. See Sublease Section 2.3.

Our leasing affiliate may earn a profit if you use a portion of the leased or licensed premises for any business other than a Subway® restaurant. We and our affiliated leasing companies have an interest in compensation which often may include, but is not limited to, lost royalties, loss of market penetration, extended down time and other factors associated with the termination of a lease. We or our affiliate may also keep all or a portion of any landlord or government payment for early termination of the lease. See Items 5 and 8 and Exhibits D and D-1. Our affiliate may assess late payment fees and other costs arising from the administration of the lease. Our affiliate has the same rights as the landlord on default to charge you for certain fees, to carry out repairs and to recover costs. You are responsible for all costs associated with making alterations to the premises to conform to our then current image of the Subway® brand. In connection with any such alterations exceeding $20,000, our affiliate may require you to obtain a surety bond in the amount equal to the estimated cost of the alterations. You will be responsible for any costs associated with obtaining the surety bond.

Each of your owners will sign and deliver to our affiliate a guarantee of the payment obligations under the Sublease. The landlord may also require you to personally guarantee the lease or license.

The landlord may require a right of first refusal if you want to transfer your restaurant. The master lease may contain a right of first refusal to purchase the property in which your restaurant operates. Our affiliate will not include with your Sublease the ability to exercise this right to purchase the property. In the event your landlord elects to sell the property, any right of first refusal to purchase the property shall remain with our affiliate. Our affiliate may assign its right of first refusal to an assignee of its choosing, which may be an affiliate or your Business Developer. In the event our affiliate or its assignee exercises its right of first refusal and purchases the property where your restaurant is located, our affiliate or its assignee will become your landlord.

The individuals who sign the Franchise Agreement must also sign the Sublease and are personally liable for payments under the Sublease. If you default under the provisions of the master lease or license, our affiliate may terminate the Sublease on 10 days' written notice, and you must surrender and leave the premises. See Sublease, Sections 1 and 5 and Sublicense Paragraph 4. A default under the Sublease or Sublicense is a default under your Franchise Agreement (Franchise Agreement Section 22) and we may terminate your Franchise Agreement. Conversely, a default under your Franchise Agreement will be a default under your Sublease or Sublicense (as applicable). See Sublease, Section 8 and Sublicense Paragraph 4. In such case, our affiliate may evict you if you do not leave. Any action to enforce our affiliate's rights against you under the Sublease is not considered an arbitrable dispute under the Franchise Agreement, and is not subject to arbitration required under the Franchise Agreement. See Franchise Agreement, Section 24. Under the Sublicense, you and our affiliate waive trial by jury. See Sublicense, Paragraph 4. You will remain liable for payment of the balance of the rent or license fee due under the master lease or license, and you will be liable for attorneys' fees, other legal and court costs that our affiliate may incur in enforcing the Sublease or Sublicense. See Sublease, Section 8 and Sublicense, Paragraph 4. Our affiliate may charge you interest on all past due amounts at the rate provided in the Sublease, or in the master license if you sign the Sublicense. See Sublease, Section 3 and Sublicense Paragraph 4.

Note 3. The promissory note and security agreement permits us to declare the entire balance of the note due if you default. The promissory note and security agreement you execute will be substantially similar to Exhibit K-1. We may collect our reasonable costs of collection and lawyers' fees, calculated as 15% of the unpaid loan balance. A default under a note will also be a default under your Franchise Agreement and we may terminate your Franchise Agreement. See Promissory Note and Security Agreement, Paragraph 10 and Franchise Agreement, Section 22. You may prepay the note without penalty. You must pay the note in full if you wish to transfer your restaurant. See Franchise Agreement Section 18. The note includes a general release of claims and grants to us a security interest which will be at our discretion to determine and may be limited to the equipment or as much as all assets. You must execute pre-authorized draft forms for your note payments.

Note 4. We may lend money to franchisees in connection with a Subway® restaurant. The terms and purposes of these loans are negotiable and you will sign a promissory note and security agreement in the form of Exhibit K-1 and described in Note 3 above. In addition, we may guarantee a commercial loan with a third-party lender for a franchisee in

connection with a Subway® restaurant. There will be a one-time fee deducted from your pre-authorized account of 1% percent of the loan amount for any loan guarantee we make on your behalf.

Note 5. We have arranged for a leasing program with certain designated suppliers and lenders for bread ovens and speed ovens to be used in your restaurant. Huntington Technology Finance, Inc. is currently our designated lessor, and you will execute its form lease attached as Exhibit K-2.

Note 6. We have approved HP to offer POS hardware-as-a-service to franchisees under the RTaaS program described in Item 5. You will enter into an agreement directly with HP to obtain the approved hardware, and we will collect fees you owe to HP on HP's behalf. We may approve other hardware vendors to lease the POS System hardware to you, or offer a similar type of arrangement in the future, and we may collect any fees under the lease or similar arrangement on behalf of the vendor. You will make payments directly to HP, and we will guaranty your payments to HP; however, we reserve the right again collect RTaaS fees and related fees directly from you on behalf of the vendor.

* *

We may change or eliminate these loan programs without any prior notice to franchisees. We and our affiliates did not discount or assign to anyone (other than an affiliate) any franchisee notes, or commercial paper, prior to January 1, 1998. When we and our affiliates do discount and assign the notes, and commercial paper to the third party, the third party may be immune under the law to claims or defenses you may have against us or our affiliate, or the equipment manufacturer.

Whether, and on what terms, you can obtain financing from third parties will depend on a variety of factors, including your own creditworthiness, the type of security you can offer, the policies of lending institutions, and the availability and cost of commercial credit generally. You may not be able to obtain a loan. Except for payments made to us or our affiliates under (i) Subleases or leases for constructed restaurants, and (ii) loans in connection with a Subway® restaurant, we and our affiliates do not receive payments for the placement of financing or providing financing. We may receive payments under the Sublease or Sublicense if you use a portion of the premises for any use other than a Subway® restaurant, or under the lease or license if the lease or license is terminated early by the landlord or the government. Except for the lease or license for your restaurant premises, we and our affiliates do not guarantee your obligations to third parties. Also, you may lose your defenses against us and others in a collection action on a loan that is assigned, as disclosed above. We do require you to sign a general release of claims as a condition of making a loan to you. The master lease or license for your restaurant may contain a waiver of notice, confession of judgment, or a waiver of defenses. Except as disclosed in this Item, we do not arrange financing from other sources.

Franchisees of the Subway® system are eligible for expedited and streamlined SBA loan processing through the SBA's Franchise Registry Program, www.franchiseregistry.com.

Item 11
FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Except as listed below, we are not required to provide you with any assistance.

As noted in Item 1, we are a party to the Management Agreement with the Managers for the provision of support and services to Subway® franchisees. The Managers will provide the training, support, marketing, and other services described in this Item 11 to you on our behalf and will have the authority to exercise many of our rights and perform many of our obligations under the Franchise Agreement, Multi-Unit Franchise Agreement and Development Agreement or other agreement you may enter with us. Though we have delegated our rights and responsibilities to the Managers, we remain ultimately responsible for all of the support and services required under the Franchise Agreement, Multi-Unit Franchise Agreement, and Development Agreement or other agreement you may enter with us. References to "we' or "us" in this Item 11 shall include and/or mean FWH on our behalf, as applicable.

Pre-Opening Obligations.

1. Initial training, at times and locations we designate (Franchise Agreement and MUFA Section 6, Franchise Agreement Rider Section I.C, II.C, II.E, IV.F, IX).

2. Approval of the location of your restaurant. Under the Franchise Agreement, you must operate your restaurant only at a single site of which you and we both approve. You have sole responsibility for finding a location. You may not be able to locate in a territory we grant to a franchisee with limited exclusivity rights. We will not unreasonably withhold approval of a location you find. You must submit a location approval request describing the proposed location. We will accept or reject the location within a reasonable time, providing reasons if we reject the location. We have a site review procedure conducted at our sole option to address concerns regarding the positioning of restaurants. Depending upon the results of the procedure, we may approve or disapprove a location or suspend development. Our approval is not a guarantee of your success at the location. We consider the potential guest base in the area when deciding whether to approve the location. Other factors we consider in site evaluation include traffic patterns, proximity to strong population back-ups, visibility, and parking. In evaluating a site for a satellite location, we also consider proximity of a proposed satellite restaurant to the Base Restaurant to allow proper servicing of the satellite restaurant. See Franchise Agreement and MUFA, Section 4; Franchise Agreement Rider Section I.C, II.D IV.F, V, VI).

3. If you do not own an approved site or lease an approved site directly, then we provide assistance in the negotiation of a lease, sublease, license, or sublicense by our affiliate leasing company after you confirm the restaurant's location by signing an Intent to Sublease (Exhibit E). After you sign the Intent to Sublease or Intent to Sublicense, our leasing company affiliate assists us and you with negotiation of the lease or sublicense (as applicable) for your restaurant and will sign the lease or license with the landlord or licensor (as applicable). You will then sign a Sublease or Sublicense (as applicable) with our affiliate. In addition, you and the landlord must execute our Franchisor Lease Rider in a form substantially similar to Exhibit D-1 and if we require, the Appendix: Franchisor Rights; Right of First Refusal, in a form substantially similar to Exhibit D-1-1.. The leasing and extension procedures vary or may not apply under our programs for purchase of a specific location under the Franchise Agreement Rider. Our leasing affiliate may terminate your Sublease if you breach the Sublease or materially breach the Franchise Agreement. See Franchise Agreement and MUFA Section 4; Franchise Agreement Rider Section I.C, II.D IV.F, V, VI). If our affiliate leasing entity enters into a license for the restaurant premises, you will be required to execute a Sublicense instead of a Sublease.

4. Standards and specifications for the layout, design, appearance, and equipment for your restaurant. See Franchise Agreement and MUFA Section 5. The Operations Manual contains the standards and specifications.

5. A representative or Business Developer whom you may consult for advice and guidance concerning the operation of your business, during their normal business hours. See Franchise Agreement and MUFA Section 6.

6. Use of the Operations Manual and other materials for the operation of your restaurant. See Franchise Agreement and MUFA Section 9. The Operations Manual and other materials are strictly confidential and their use is subject to Section 15 of the Franchise Agreement and MUFA.

The typical length of time between the time you sign the Franchise Agreement, we approve your location, and you open your business is 2 to 12 months. The factors that affect this time usually include difficulty of obtaining a satisfactory site; ability to obtain a lease, financing, or building permits; zoning and local ordinances; weather conditions; shortages; delivery and installation of equipment, fixtures, and signs; and your timetable.

Obligations After Opening. During the operation of the franchised business we will provide:

1. A representative or Business Developer whom you may consult for advice and guidance during their normal business hours. See Franchise Agreement and MUFA Section 6.

2. A program of assistance, including: (a) periodic consultations with our representative or Business Developer in a location we designate and (b) written materials with new developments and techniques. See Franchise Agreement and MUFA Section 6.

Advertising Programs. We develop advertising programs and materials to promote the Subway® brand. We create advertising programs designed to build restaurant sales and profits, promote the system's identity, and produce advertising materials for use by Subway® restaurant owners.

Advertising Fee. You will pay us the 4.5% advertising fee in accordance with the Franchise Agreement, except as noted below. We recommend you set aside, at your sole option, an additional minimum of 2.5% of gross sales to be used for advertising geared specifically to your restaurant. Any company or affiliate owned restaurants contribute to the Advertising Fund (defined below) on the same basis as franchisees.

The advertising fee is the same for anyone currently buying a franchise, except as stated in Item 6.

Advertising Fund Administration. We will deposit your 4.5% advertising contribution into an advertising fund, which contains all of the advertising contributions paid by franchisees in the United States, and which for accounting purposes, is not considered a restricted account (the "Advertising Fund"). We and our designee may negotiate programs and advertising contributions with suppliers, and specify that these advertising contributions be placed into the Advertising Fund to be used solely for advertising. In limited circumstances, we or our affiliates may request a vendor to forward its advertising contributions directly to advertising agencies or service providers for the purpose of providing advertising services to franchisees.

SFAFT currently administers the Advertising Fund through a Board of Trustees that we or our affiliates appoint. Those Trustees are all employees and/or officers of us or our affiliates, and the Board of Trustees does not consist of franchisees. The Board of Trustees will consist of 1 or more trustees; currently one. SFAFT BV administers the Advertising Fund in U.S. Virgin Islands. All disclosures in this Item 11 regarding SFAFT also apply to SFAFT BV.

SFAFT will disburse money from the Advertising Fund, including vendor contributions for advertising, to national and local markets solely for advertising related expenses for the benefit of franchisees in conformance with our published policies and procedures, except for the portion of vendor advertising contributions allocated to specific SFAFT promotions. SFAFT will prepare an unaudited annual accounting summary of the Advertising Fund, which will be available upon written request from a franchisee.

SFAFT was not formed to make a profit. If SFAFT has any income, SFAFT will use it solely for the collective advertising and promotional benefit of the Subway® franchisees, and no part will benefit solely us or any individual franchisee.

Allocation and Use of Advertising Fund Contributions. The allocation of Advertising Fund contributions is determined by SFAFT with input from us and the franchisee advisory board, in conformance with SFAFT policies and procedures.

Generally, your contributions to the Advertising Fund are allocated to two main areas: overhead or administrative expenses, and national advertising. A portion of your advertising funds may also be used to fully or partially fund advertising and marketing related brand initiatives, such as the Sub Club Program. A small portion of the advertising funds are occasionally used for local and regional promotions. SFAFT does not use any portion of the advertising contributions to solicit new franchise sales. SFAFT plans to commit the advertising funds for advertising for the upcoming year by the end of the fiscal year. Excess funds may be used for media placements or promotions for the upcoming year.

During SFAFT's last fiscal year ending on December 31, 2025, SFAFT spent approximately 76% of its total 2025 revenue in the United States on U.S. network media placement and other media-related expenses, 21% on production of advertisements, promotional materials, and marketing related activities such as loyalty programs and other technology initiatives, and 13% on administrative expenses. Total expenses for 2025 were approximately 110% of total 2025 revenues because SFAFT spent some revenue that carried over from its 2024 fiscal year.

SFAFT may purchase advertising on radio and television, in newspapers, direct mail, free standing inserts, and other advertising and promotional vehicles, on the national and local level. Advertising expenditures at the local level are intended to benefit all franchisees within the local market and advertising expenditures at the national level are intended to benefit all franchisees in the US.

In the future, we or one of our affiliates may commission the production of advertising materials, including television commercials, which we or they will offer to franchisees on the national and local level. We and our affiliates do not need permission from SFAFT to produce advertising materials. Generally, the costs for production of these materials are included in the portion of Advertising Fund contributions allocated to overhead or administrative expenses. However, in certain circumstances, we and our affiliates may charge a usage fee to franchisees to offset the costs of production, which will be paid from the portion of Advertising Fund contributions allocated to national or local advertising. Alternatively, we or our affiliates may allocate money from the vendor advertising contributions to a national advertising fund to pay for all or a portion of the costs for these materials.

Neither we nor SFAFT are obligated to advertise in the immediate vicinity of your restaurant; however contributions to the Advertising Fund will be used for the benefit of all Subway® franchisees. We cannot quantify or guarantee any benefits to you as a result of your contributions to the Advertising Fund or any vendor advertising contributions paid on your purchases from a vendor. Disbursements from the Advertising Fund for various advertising and marketing related brand initiatives may not benefit you in proportion to the amounts you contributed or that vendors contributed as a result of your purchases from the vendor.

Franchisee Advisory Board. Franchisees that meet certain qualifications have the opportunity to be appointed to a franchisee advisory board. The SFAFT US Advisory Board functions in an advisory capacity and consults with and advises us and SFAFT about advertising, marketing and promoting the Subway® brand nationally in the US.

Franchisee Created Advertising and Promotional Programs. You may develop advertising materials for your own use at your own cost. Individual restaurant advertising includes but is not limited to internet coupons, point of purchase advertising materials, receipt advertising, fliers, billboards, team sponsorships, radio partnerships, cross promotions with other retailers, etc. All advertising materials you develop must be approved by us prior to distribution as provided in the Operations Manual. Any use of Social Media must comply with the Social Media Guidelines as amended and as set forth in the Operations Manual. We have the power to approve or disapprove of any use of the trademarks in advertising or developed by you. You must participate in, and comply with the requirements of, any sales, marketing, advertising, and promotional programs we implement, which may be implemented on a national, regional, or local basis, and you must use only the materials and media for these programs that we designate or otherwise expressly approve. As part of the overall marketing strategy, SFAFT may offer other promotions in which you may be required to participate at your cost, including by purchasing services from distributors we designate.

Computer and Cash Register Systems. You must use an approved computer or tablet-based point-of-sale system ("POS System") in all of your new and existing restaurants, with required software. We may waive this requirement for some satellite restaurants, co-brand locations, and some non-traditional locations under certain circumstances. You must also provide us with a business email address and cellular phone number that you will use to receive electronic communications and calls from us or our affiliates. You must report and transmit sales and specified business information to us electronically at weekly or other intervals we direct for all new and existing franchises that you own. Data transmission requirements include but may not be limited to the following: all data generated at the point of sale, including detailed sales transactions; general time punch data without employee identifying information; inventory; and purchase orders for food distributors. You must also use our control systems to manage your business. We may have independent access to your POS information and related data described above, and you are required to connect your POS to our LiveIQ reporting system, which transmits transactional data to us in near real-time.

During the term of the Franchise Agreement, you will be entering into software license agreements and consenting to other technology programs/initiatives electronically in connection with the operation of your restaurant, if permitted by local law. If more than one individual signs the Franchise Agreement, any one individual may accept software license agreements and consent to technology programs/initiatives, like remote access to your POS System, on behalf of all individuals named as franchisee on the Franchise Agreement. By virtue of such acceptance or consent by one of you, all of you agree to be bound by it. You may delegate access to and configuration of your POS System to the manager of your restaurant to permit the manager to configure your POS system for updates on your behalf. However, some POS system updates may only be accessible by you.

You have a contractual obligation to upgrade or update your POS system to maintain full operational efficiency and to keep pace with changing technology and updates to our requirements. We may, from time to time, remotely access your

POS System with your consent in order to maintain system security, perform routine system maintenance, provide technical support, increase operational efficiency, install updates to software programs and/or applications, or install or remove software programs and/or applications. In the event you wish to withdraw consent, you must follow the procedures set out in the Operations Manual. If you withdraw consent, we will not be able to provide you with the proactive support necessary to maintain the optimal functionality of your POS System, including your POS system software.

Your POS software must be upgraded within 3 months of receiving notice of a required software update from us. If you are using the SubwayPOS® software, updates will be sent and installed to your POS system automatically.

Approved POS System Hardware and Software. You are required to use a computer or tablet-based point-of-sale system (the "POS System") which must be obtained from an approved POS hardware vendor. Currently, our approved hardware vendor is Hewlett Packard ("HP"). We may change hardware vendors, or approve one or more additional hardware vendors in the future. You are required to enroll in the hardware-as-a-service component of our Restaurant Technology as a Service ("RTaaS") program with HP to obtain a POS System. We estimate the cost of the base package in the RTaaS program to be $57 per month, exclusive of tax and shipping charges. Additional hardware and services may be added to this base package as the program evolves and/or the technology needs of the brand expand, which may result in additional costs. Additional packages at varying monthly rates may also be offered in the future. Under the RTaaS program, we may act as a collection agent for HP and collect fees you owe through your pre-authorized account. You will also be responsible for any costs you incur in connection with the transition from the current POS System you use to the POS System you obtain under the RTaaS program.

The POS System available from HP comes with Windows 10, Intel i5-6500 3.2GHz (quad-core) processor, 15'' Projective Capacitive LCD Touch Screen, 32GB USB Flash Drive, 120GB Solid State Drive, 100/1000 Network Card, Integrated fingerprint reader, Integrated Customer Display, Epson TM-T88V Receipt Printer, Powered USB Cable, Media Cash Drawer with till insert and 2 keys, UPS Battery Backup, keyboard, mouse. We estimate that this system will cost approximately $2,400 plus taxes and shipping. The report printer is a separate charge of $135. Optional items are available at an additional cost and include USB modem, DVD/CD-ROM, and coin dispenser.

All HP POS systems include a 5 year on-site service warranty. The on-site service is available 7 days a week with a 4 hour response time once a problem is identified.

The specifications of the HP POS System will change as the manufacturer and software providers upgrade their products. Future hardware standards must be met on the compliance date we impose.

The approved POS software (discussed below) is an additional cost, as outlined below; it may come pre-installed on the approved POS hardware, or, you may be required to obtain it separately through us.

Currently, SubwayPOS® software is the only approved POS software. SubwayPOS® is the required POS software for all restaurants. The SubwayPOS® software is owned by our affiliate, Subway US IP Holder, and is licensed to you by us. We may derive revenue from doing so. If you use SubwayPOS® software, you will be bound by the SubwayPOS® End User License Agreement in a form substantially similar to Exhibit A-3. The SubwayPOS® End User License Agreement grants you the right to use the software on one or more POS Systems in one or more of your Subway® restaurants, but you acknowledge you must acquire a separate license to use the software on each POS system you operate. A license to use the SubwayPOS® software may not be shared or used concurrently on separate POS systems. You may transfer all or part of your rights under the SubwayPOS® End User License Agreement to another Subway® franchisee in good standing with us with our prior written consent. We may make changes to the SubwayPOS® End User License Agreement at any time in order to keep pace with advances in technology and other initiatives, and you may be required to agree to our then current form of SubwayPOS® End User License Agreement in order to access required software updates.

One individual listed on the Franchise Agreement or one representative on behalf of an approved entity franchisee may accept the SubwayPOS® End User License Agreement on behalf of all individuals or the approved entity identified as franchisee on the Franchise Agreement. You must consult with all such individuals or any necessary representatives of an approved entity franchisee before accepting to be bound by the SubwayPOS® End User License Agreement.

The SubwayPOS® software is used in conjunction with several software programs and applications, including, but not limited to, front counter, Menu Manager, near-real time reporting, workforce management, business intelligence, Dashboard, Subway® Payment Manager software, Progress DBMS software, TeamViewer or other remote management software, remote access and software deployment application ("BixFix Endpoint Management Software" or "BigFix"), and antivirus software (Akamai Enterprise Threat Protector and VMware Carbon Black). One or more of the software programs and/or applications described above may only be used in conjunction with SubwayPOS® software. Also, one or more of these software programs and/or applications be owned by third parties and licensed to one or more of our affiliates with the right to sublicense it to you.

You will pay a monthly Restaurant Technology Fee of approximately $75. In addition to the SubwayPOS®, the Restaurant Technology Fee will cover other types of restaurant technology. This monthly Restaurant Technology Fee may be subject to change each year. We may withdraw these fees from your pre-authorized account with us. In addition to the Restaurant Technology Fee, we reserve the right to impose a Digital Technology Fee in the future to cover our costs of development, infrastructure and support of programs including our Subway® App, Online Ordering, Third-Party Delivery platform support, Digital Menu Boards and Social Media Platforms.

You must also install and use the approved Subway® Payment Manager ("SPM") software which is only available from us. We will license the SPM software to you. If you use the SubwayPOS® software, your use of the SPM software is subject to the terms and conditions of the SubwayPOS® End User License Agreement. One individual listed on the Franchise Agreement or one representative on behalf of an approved entity franchisee may accept the agreement on behalf of all individuals identified as franchisee on the Franchise Agreement or the approved entity franchisee. You must consult with all such individuals or any necessary representatives of an approved entity franchisee before accepting to be bound by the Subway® Payment Manager Software End User License Agreement. The Subway® Payment Manager Software End User License Agreement grants you the right to use and install one copy of the software on a single POS System and may not be shared or used concurrently on separate POS Systems. You may transfer all or part of your rights under the Subway® Payment Manager Software End User License Agreement to another Subway® franchisee in good standing with us with our prior written consent. We may make changes to the Subway® Payment Manager Software End User License Agreement at any time in order to keep pace with advances in technology and other initiatives, and you may be required to agree to our then current form of Subway® Payment Manager Software End User License Agreement in order to access required software updates. We or an affiliate may earn a profit from the licensing of the SPM software.

You are required to participate in the Subway® Gift Card and Remote Ordering programs. To support the Subway® Gift Card Program, you must obtain card services from Comdata Inc. through its Stored Value Solutions division ("SVS"). In connection with this program, you must execute the Franchisee Participation Agreement attached as Exhibit A-11. You will pay SVS an initial fee of $60 to $140, which includes initial Subway® Gift Card inventory, envelopes and a Subway® Gift Card display. Additional Subway® Gift Card supply costs about $0.10 per card, $.06 per envelope and $20 per display, plus shipping. Certain non-traditional locations must purchase an SVS issued/configured terminal to process gift card transactions. The cost of the payment terminal is $320 plus shipping. You will pay SVS a redemption fee equal to 2.5% of each transaction amount in which the Subway® Gift Card was redeemed by a guest.

You are required to accept credit/debit, contactless, mobile device, and other forms of payment we periodically require in the Confidential Operations Manual or otherwise. You are required to use the integrated payment solution we designate, which includes use of a designated acquirer and processor for payment processing services and integration of your payment terminal and bar code reader into your POS system, in all of your new and existing restaurants, unless we grant you a waiver. You may be required to purchase additional payment terminals from us if you have more than one POS terminal at your restaurant. Except certain non-traditional locations which are required to use an SVS issued/configured terminal for processing gift card transactions only, you must, until we provide you with notice that only the Ingenico payment terminal (used for processing through FreedomPay) is required, obtain, use and pay all fees associated with both the P400 payment terminal (used for processing through Adyen) and the Ingenico payment terminal.

The initial cost of the P400 payment terminal is $237.70, plus $323.30 for the P400 kit. Ongoing fees associated with the P400 payment terminal are as follows: (i) Adyen Acquirer Fee per transaction equal to an Authorization Fee of $0.005, a Capture Fee of $0.005, and a Refund Fee of $0.01, subject to future changes, (ii) Network and Interchange

Fee typically ranging from $0.22 per transaction to 2.4% of the total transaction amount plus $0.01, subject to future changes, (iii) Chargeback Fee equal to $1.50 per chargeback for transactions processed through Adyen, and (iv) Terminal Software Fee of $2.30 per month.

The Ingenico payment terminal must be leased for $10 per month. Ongoing fees associated with the Ingenico payment terminal and your participation in the Global Payments Program are: (i) Acquirer Fee per transaction ranging from $0.00-$0.10, subject to future changes, (ii) Network and Interchange Fees typically ranging from $.22 per transaction to 2.4% of the total, subject to future changes, and (iii) Switching Fee equal to $10 per month, subject to future changes.

We estimate the life cycle of a payment terminal is 5 years. You are required to update your payment terminal or transition to a new payment terminal as we require to maintain operational efficiency and to keep pace with changing technology and updates to our requirements or payment industry standards.

You will purchase the barcode reader from us for $170 or $180 if your restaurant has a drive-thru.

You are required to accept the following credit card brands, unless we grant you a waiver: VISA, MasterCard, Discover and American Express. To process card payments, you must have a high-speed broadband connection that meets our standards and specifications. You will pay the applicable P400 payment terminal and Ingenico payment terminal fees described above for all credit and debit card purchases whether they are made remotely through the remote order website, Subway® mobile app or other payment app, or the catering call center ("Card Not Present Transactions") or in-restaurant ("Card Present Transactions"). These fees may be re-negotiated over time and are subject to change.

In the future, we may approve additional hardware and software vendors. We may charge additional fees for any such future hardware and/or software that we require. You will be required to comply with such changes.

Approved PC-based POS System Hardware and Software Support: The FWH Technology Support Center ("Support Center") will provide limited hardware support, and SubwayPOS® software support. Hardware support available from the Support Center for franchisees using the HP POS Systems with a current warranty is limited to troubleshooting and/or an initial diagnosis of the hardware issue at which time you will be referred to HP Technical Support. Please do not contact HP directly for hardware support issues until you have been instructed to do so by the Support Center. The initial diagnosis of the hardware issue is provided free of charge for SubwayPOS® users. We reserve the right to change this fee structure at any time. Your fees for software support will be higher if you do not provide us with your consent to remotely access your POS System.

HP will provide hardware support to franchisees using an HP POS System during normal business hours from 9:00 AM local time to 5:00 PM local time. Extended hours may apply. You may contact HP technical support at the number listed on Subway® intranet site. Hardware support provided by HP is free of charge while the products are under warranty. If a product is no longer under warranty, franchisees will be responsible for the full cost to replace any defective parts.

We currently require all franchisees to use digital transaction fraud protection services provided by Kount. Service fees are currently $0.0068 per digital transaction, subject to increase if vendor pricing increases.

Sub Club Program. You are required to participate in the Sub Club program administered by our affiliate, Subway MyWay, for all of your new and existing restaurants, including AAFES, NEXCOM and MCCS locations. In order to participate, you must have a high speed internet connection and the SubwayPOS® software. Guests who are members of the program will be able to earn and redeem points and rewards that may be used toward purchases made at Subway® restaurants. Points are earned through member purchases and bonus programs and promotions.

As of the date of this Disclosure Document, fees will be 1.9% of the gross sales, subject to any annual adjustments as stated below, for each loyalty/reward transaction made by a Sub Club program member at your restaurant. You will be charged this fee on all loyalty/reward transactions made by a program member for all of your new and existing restaurants. All Sub Club program fees will be paid to and administered by Subway MyWay, LLC or another affiliate we designate. You may also incur incidental charges for supplies associated with your participation in the program. Sub Club program members will earn points and you will be reimbursed for the cost of goods sold for the redeemed menu

item(s) according to our or our affiliate's then-current policy. Any reimbursements for the loyalty card/reward program will be paid by Subway MyWay, LLC. The fees and reimbursement rates associated with the loyalty/reward program are based on a weighted average cost of goods sold for the US. We will review the weighted average costs of goods sold in the US on an annual basis. As a result, your fees and reimbursement rates for the loyalty/reward program may change annually. Funds paid to Subway MyWay, LLC may be used for promotional costs, and to support Sub Club program innovation, technology & initiatives.

Subway® Remote Ordering Program. You are required to participate in the Subway® Remote Ordering Program to accept and process individual orders for Subway® menu items from guests. The online ordering website and the Subway® mobile application are managed by the FWH Technology Department and its subcontractors. Orders placed by guests online or with the Subway® mobile application will be routed to the guest's chosen restaurant. To participate in the required Remote Ordering Program, you must review and download the Remote Ordering materials and ensure your POS System and remote order menus are current and by keeping local items up-to-date. You must also display the required signage and install external speakers for your POS hardware. Currently, there are no additional fees to participate; however, you will incur credit card processing fees on these transactions. These processing fees will be charged to you and collected by the credit card acquirer and processor we have designated on a monthly basis.

Confidential Operations Manual. You will have access to a copy of the Operations Manual in electronic form on the Subway® intranet website. This electronic version will be updated periodically. We do not normally issue the Operations Manual to prospective franchisees but will permit you to inspect the Operations Manual at FWH's headquarters or at your Business Developer's office or elsewhere, upon your request, before you purchase the franchise.

We may modify the Operations Manual, unilaterally at any time during the term of your Franchise Agreement under any condition and to any extent which we consider necessary, to meet competition, protect trademarks, service marks, copyrights or trade names, or improve the quality of the product or service provided by the Subway® restaurant, if modifications are applicable to all franchisees. We may have policies and procedures which apply only to certain programs, such as satellite, non-traditional, school lunch, catering or the breakfast program, and these policies and procedures do not apply to franchisees not participating in the program.

Training Programs. Before you open for business, you or your Designated Manager, and any other employees we require pursuant to the Operations Manual, must successfully complete the New Franchisee Onboard Training Program (the "Training Program") to our satisfaction. For most effectiveness, we recommend that you schedule your training as close to the restaurant opening as possible. If you are purchasing an existing restaurant through a transfer, we must approve your transfer before the Field Training & Operations Excellence Department of FWH will register you for training. You must attend training before the close of the transfer unless we permit otherwise.

You may request permission from us for your restaurant manager to complete the Training Program alongside you or your Designated Manager.

If you do not have a Designated Manager successfully complete the Training Program, then you must successfully complete it. Under these circumstances, you will be exempt from attending the Training Program if: 1) you are a current franchisee purchasing an additional Subway® restaurant and previously passed training, 2) you are a former Subway® franchisee but you passed training within the past 2 years, or 3) you are purchasing your first Subway® restaurant but you served as a Designated Manager or restaurant manager for at least 2 years.

Other than as outlined above, you may apply for a waiver of the Training program if you pass a Training Equivalency Exam as detailed below and: 1) you are currently a franchisee purchasing an additional Subway® restaurant but have not previously attended training, or 2) you are a former franchisee and you have not owned or operated a restaurant in 12 months; or 3) you are purchasing your first Subway® restaurant but you successfully completed the Training Program more than 2 years ago, after serving as a Designated Manager, as described below. The Training Equivalency Exam must be proctored in person by your Business Developer or Subway Market Operations team. If we grant you an exemption and you pass the Training Equivalency Exam, you will be required to complete the Sandwich Artistry Curricula and additional web-based training courses. These training courses are located in the Subway University® section of our Subway® intranet website. If you fail the Training Equivalency Exam, you will be required to attend and successfully complete the Training Program.

If you sign the Franchise Agreement Rider, Part I.a, you or your Designated Manager and your Director of Food Services or an equivalent individual (if a different person), or, if you sign the Franchise Agreement Rider, Part II, you or your Designated Manager and your Manager of Cafeteria Services and the manager of the restaurant (if a different person) (in each case, the "Manager"), must successfully complete a training program before opening the restaurant. If the Manager is dismissed from the training program, you must appoint an individual to assume the position of the Manager to successfully complete the training program within 30 days after we give you notice. If you replace the Manager of the restaurant, the new manager must successfully complete the training program before assuming the position of manager, or at least within 30 days after the new manager replaces the prior Manager. We or a local Field Operations team member may conduct the training program locally. Training will be at a location or at locations selected by the person providing the training, which may include the city in which your restaurant will be located, or other Subway® restaurants, and may include web-based courses.

We do not charge a fee for the first two persons attending the Training Program prior to the transfer of ownership. However, we charge a cancellation fee if you fail to participate in your scheduled training or if you cancel your registration with less than 10 business days' notice. For additional persons attending the Training Program, the training fee is $1,500 per person. You are responsible for all of your personal expenses, and the personal expenses of your Designated Manager, Director, Manager and/or designee (as applicable), including lodging, meals and costs and transportation to and from the in-person and "on-the-job" training sites where you will train.

Your restaurant employees will be required to complete in the restaurant, the Sandwich Artistry (North America) course and/or certain other training courses we designate from time to time. You will be responsible for all costs incurred in connection with this requirement.

You or your Designated Manager may be required to pass all our assessments, business plan reviews, and other assignments during the training program, unless you are otherwise exempt. If you or your Designated Manager fails to fulfill these requirements, you or he/she will have the option to be reassessed, and, with respect to your Designated Manager, you may be required to send a replacement within 30 days. If you or he/she fail the reassessment or opt not to complete it, we may dismiss you from the Training Program, cancel your Franchise Agreement and refund one-half of your franchise fee.

In order to successfully complete the Training Program, you or your Designated Manager must have: (i) 100% participation in all components; (ii) an 80% final grade on all pre-requisite web-based training courses and the in-restaurant component of the course; and (iii) an 80% average on all assessments. You or your Designated Manager will be required to retake and successfully complete the Training Program if you or your Designated Manager fail to complete the program to our satisfaction. We will not reimburse you for any incurred expenses, including travel expenses.

Those attending training will be provided with a copy of the Code of Business Conduct (the "CBC"), which trainees must sign. The CBC requires that all staff, students and guests act in a professional manner at all times during the Training Program. Training attendees must adhere to the CBC while on our property, in training restaurants, at area hotels and while attending any of our functions, dinners and social gatherings which might be considered a Subway® sponsored event. We may dismiss you from the Training Program and terminate your Franchise Agreement if you fail to act in accordance with the CBC. Your franchise fee will not be refunded under these circumstances. We may dismiss your Designated Manager, Director of Food Services or Manager of Cafeteria Services (as applicable) from the Training Program for failure to act in accordance with the CBC. In such an event, you will be required to appoint an individual to assume the position and satisfy our training requirements within 30 days after we give you notice. You or the Designated Manager that attends training must sign a confidentiality agreement.

We may modify the training courses from time to time. Any changes made to the training courses will be referenced in the Operations Manual. The Training Program uses the Operations Manual, a course workbook, and other written materials.

The Training Program is under the guidance of Tallon Ballard, Director of Field Training & Operational Excellence department, accompanied by a full-time trainer who conducts training sessions and field engagement. Mrs. Ballard has 16 years of total restaurant operations & training experience. The minimum educational and experience requirements for these individuals are a bachelor's degree with training credentials or corporate training experience. Other members

of FWH may assist in the Training Program. Franchisees of the training restaurants and their managers conduct the on-the-job training. All restaurant trainers must successfully complete a training program themselves and receive instruction in training methods.

The Training Program includes instruction in the following subjects:

** Time spent on quizzes for web-based prerequisite training courses is accounted for in the appropriate subject listed above.*

Note 1. Trainers rotate so you may have any one of them for a given subject.

Note 2. Classroom training consists of approximately 36 hours of web-based training and approximately 36 hours of "facilitated training." Web-based training includes, among other things, the Sandwich Artistry (North America) Curricula located in the Subway University® section of our Subway® intranet website. "Facilitated training" includes in-person workshops at our Miami, Florida headquarters, Shelton, Connecticut headquarters, or an approved regional training facility. Facilitated training is led by our FWH Trainers and is offered monthly. Facilitated training allows you to gain a deeper understanding of restaurant ownership with Subway. You are responsible for all personal expenses for the training, including transportation to and from the in-person workshops at our Miami, Florida and Shelton, Connecticut headquarters, or an approved regional training facility, lodging, meals, wages, and benefits for any of your employees. You will have from two to three hours of homework per evening. To successfully complete facilitated training, you must have perfect attendance and complete all necessary components of the training. If you fail to complete the program to our satisfaction, we will not reimburse you for any of your costs.

Note 3. On-the-job training is provided in an approved Subway® restaurant and consists of approximately 72 hours of instruction. Your Business Developer or Subway Market Operations team will schedule your training shifts in the approved Subway® restaurant. On-the-job training allows you to gain first-hand experience in sandwich preparation, restaurant maintenance and restaurant operations and management. There is no specific time allocation by subject because this varies with the needs of each training group. You will be responsible for all personal expenses associated with attending on-the-job training, including transportation costs. Upon completion of on-the-job training, you may be required to successfully complete a test or a course on the Subway University®, or some other assessment, as we direct.

After you purchase your restaurant and successfully complete training, you and your staff may also be required to complete additional courses on the Subway University®. You will be notified when additional courses become required.

We and our affiliates have offered in the past, and may offer in the future, additional training courses dealing with management, paperwork, advertising systems, and multi-unit ownership. Additional educational materials are available to you and your employees on the Subway University® and other sources.

Manager Training Opportunities for Non-Traditional Franchisees. If you are an institutional-type or other franchisee signing the Franchise Agreement Rider, we may grant you permission to provide your own manager training program which your Managers may complete in lieu of the Training Program. If you sign the Franchise Agreement Rider, the option to train your Manager applies only to a second or subsequent franchise purchase; both the Director and Manager must complete the Training Program in connection with your first franchise purchase. Your Manager must successfully complete the Training Program before the restaurant opens.

If we determine in our reasonable judgment you are not operating your restaurant up to our standards set out in the Operations Manual, we may require your current manager for your restaurant to complete remedial training within thirty (30) days after we give you notice.

Item 12
TERRITORY

You will not receive an exclusive territory. You may face competition from other franchisees, from outlets that we own, or from other channels of distribution or competitive brands we control.

You will not receive any territorial rights and there are no radius restrictions or minimum or maximum population requirements which limit where we can license or open another Subway® Restaurant, unless otherwise provided under applicable state law.

We do not presently intend to establish other franchises or company- or affiliate-owned outlets selling similar products or services under a different trade name or trademark, but we reserve the right to do so. In the future, we may offer our own branded product lines under a separate license. We may charge an additional license fee. We may establish units as separate franchises not located within a Subway® restaurant. We and our affiliates have unlimited rights to compete with you and to license others to compete with you. We and our affiliates retain the exclusive unrestricted right to produce, distribute, and sell food products, beverages, and other products and services, under the Subway® mark or any other mark, directly and indirectly, through employees, representatives, licensees, assigns, agents, and others, at wholesale, retail, and otherwise, at any location, without restriction by any right you may have, and without regard to the location of any Subway® Restaurant, and these other stores or methods of distribution may compete with the Restaurant and may adversely affect your sales. We may use methods of distribution other than through a Subway® restaurant location, including, but not limited to, a centralized call center, the Internet, catalog sales, telemarketing and other direct marketing. You will not receive any compensation from us in connection with any such production, distribution or sales. You do not have any right to exclude, control, or impose conditions on the location or development of any Subway® restaurant, other restaurant, store or other method of distribution, under the Subway® mark or any other mark.

Except as described in Item 1, we do not operate or franchise, or currently plan to operate or franchise, any business under a different trademark that sells or will sell goods or services similar to those that our franchisees sell. However, our affiliates, including the Affiliated Programs described in Item 1 and other portfolio companies that currently are or in the future may be owned by private equity funds managed by Roark Capital Management, LLC, may operate and/or franchise businesses that sell similar goods or services to those that our franchisees sell. Item 1 describes our current Affiliated Programs that offer franchises, their principal business addresses, the goods and services they sell, whether their businesses are franchised and/or company-owned, and their trademarks. All of these other brands (with limited exceptions) maintain offices and training facilities that are physically separate from the offices and training facilities of our franchise network. Most of the Affiliated Programs are not direct competitors of our franchise network given the products or services they sell, although some are, as described in Item 1. All of the businesses that our affiliates and their franchisees operate may solicit and accept orders from customers near your business. Because they are separate companies, we do not expect any conflicts between our franchisees and our affiliates' franchisees regarding territory, customers and support, and we have no obligation to resolve any perceived conflicts that might arise.

Your franchise entitles you to operate only at and from one location you select and we approve. In limited circumstances, due to difficulties in negotiating a lease with the landlord, the location you select may not be available to us or you and, therefore, we will not provide approval for the location. In such an event, we may approve the landlord to operate at that location. We will not grant you any options, rights of first refusal or similar rights to acquire additional franchises within a particular market area or contiguous areas.

You may solicit and accept orders for approved products offered in your restaurant which may compete with other Subway® restaurants. You may use Internet couponing, billboards and point of purchase advertising materials as a method of direct marketing, but only with our prior written approval prior to distribution.

If the lease for your Restaurant terminates without your fault, or if the site is destroyed, condemned or otherwise rendered unusable without your fault, or if in our judgment there is a change in character of the location of the Restaurant sufficiently detrimental to its business potential to warrant its relocation, we will grant permission for relocation of the Restaurant to a location and site acceptable to us. Any such relocation shall be at your sole expense and we shall have

the right to charge you for any costs incurred by us, and a reasonable fee, in connection with any such relocation of the Restaurant. We consider the same factors in evaluating any relocation site as we do in evaluating your initial site.

You have only 6 months to relocate and reopen a satellite restaurant under Part IV of the Franchise Agreement Rider. If the satellite will be in operation for one year or less, you are not permitted to relocate the satellite restaurant under Part IV of the Franchise Agreement Rider. If you purchase a school lunch franchise, you can relocate your restaurant only within the same school or the same school district under Part II of the Franchise Agreement Rider. Under Section 24.H of the Franchise Agreement, if the landlord terminates the lease or license (as applicable) for the premises and an arbitrator or court determines you did not breach the Sublease or Sublicense (as applicable) but it was our fault or our affiliate's fault the landlord terminated the lease, then our obligation to you will be limited to the cost of your leasehold improvements less depreciation using a 5-year life under the straight-line method. We will pay you this amount after you relocate and reopen your restaurant. If the landlord terminates the lease and an arbitrator or court determines you breached the Sublease or Sublicense or it was not our fault or our affiliate's fault, then we will not have any obligation to you relating to termination of the lease.

Item 13
TRADEMARKS

On June 20, 2024, in connection with the US Securitization Transaction, Subway US IP Holder entered into a license agreement with us to use the System and the marks, and to license others to use the System and the marks to develop Subway® restaurants in the US (the "IP License Agreement"). The IP License Agreement's term is 99 years for which we pay a royalty. Subway US IP Holder may terminate the IP License Agreement if we breach its terms and fail to cure such breach within the applicable cure period, subject to the prior written consent of a control party related to the US Securitization Transaction. In addition, the parties may agree to terminate the IP License Agreement, with or without cause, if (a) the control party provides its prior written consent or (b) in the event of the issuance of additional notes in connection with a subsequent secured financing transaction, if certain conditions with respect to those notes are satisfied. If the IP License Agreement terminates, we must cease all use of the marks. Under the Franchise Agreement, we grant you the right and license to use the name and mark Subway® which is owned by Subway US IP Holder, and other marks we designate. The term "marks" means trade names, trademarks, service marks, and logos used to identify your restaurant or the goods or services you offer. You may only use marks we designate for use with your restaurant, and you may use them only in the manner we authorize and permit. The following is a list of the primary marks we may authorize you to use. Subway US IP Holder owns all of the marks listed below. This list does not include all of the marks Subway US IP Holder owns. We may add or subtract from this list. We, Subway IP LLC, and/or Subway US IP Holder have registered these marks and other marks with the United States Patent and Trademark Office on the Principal Register, and have filed all required affidavits and renewals.

If you offer approved additional menu items you will have the right and license under the Franchise Agreement to use any trademarks and service marks we may designate for the menu items and product lines. The right and license to use any additional trademarks and service marks will terminate if we discontinue your right to participate in the program or

if we or Subway US IP Holder discontinue or modify the marks. We and Subway US IP Holder may require a separate license for the marks in the future, which will terminate if we or Subway US IP Holder discontinue or modify the marks. We cannot guarantee you will have the right to use the mark "Subway" in the US, or that you will not have to share use of the mark with third parties in the US. If we lose the right to use or license, or both, the mark "Subway" or have to share use with a third party, we will have the option and right to modify or discontinue use of the mark "Subway" and to adopt substitute marks. Our liability to you in this case will be limited to your cost to replace signs and store advertising materials. We expressly disclaim all implied warranties.

There are no effective material determinations of the United States Patent and Trademark Office, the Trademark Trial and Appeals Board, the Trademark Administrator of any state or any court in the United States or its territories concerning the material marks. There are no pending infringement, opposition, or cancellation actions concerning the material marks in the United States or its territories. There is no pending material litigation involving the material marks in the United States or its territories. There are no agreements currently in effect which significantly limit our right to use or license the use of any mark in a manner material to the franchise. We do not know of any infringing uses that could materially affect your use of the marks in any state.

We do not entitle you, at any time, either by implication or otherwise, to register the Subway® marks or any other marks associated with the system. You will not establish title by use, registration, or other means to similar or related names and marks, including those you and all other franchisees generate while conducting business under the Subway® name. You will not assist any third party or organization to register any Subway® marks or any marks associated with the system. You have limited and temporary rights and you agree you will not, after expiration or termination of your Franchise Agreement, use the marks we licensed to you, directly or indirectly, for any purpose. If you violate this provision, you may be liable to us for $250 per day. You will not contest the validity or ownership of any marks associated with the system, and you may not register them. **You must display the following notice in a prominent place in your restaurant: *"The Subway® trademarks are owned by Subway US IP Holder LLC and the independent franchised operator of this restaurant is a licensed user of these trademarks."***

You will not register an Internet domain name containing the word "Subway" unless it complies with our Domain Name Policy, as amended and as set forth in the Operations Manual. You will not establish a Social Media site unless it complies with our Social Media Guidelines as amended and set forth in the Operations Manual. We may require you to cancel or assign to us or Subway US IP Holder registration of your domain name or Social Media site if you fail to adhere to these guidelines or we or Subway US IP Holder later determine that your domain name or Social Media site creates consumer confusion regarding the marks or Subway® name. See Section 8 of the Franchise Agreement. "Social Media" as used in this Disclosure Document means Internet-based applications which allow for the creation and exchange of user-generated content including, but not limited to: blogs, microblogs, social networks, and photo and video sharing sites. At our request, you must have any information we deem inappropriate and not to be in the best interest of the System removed from any website or Social Media site.

You will use the marks in connection with your restaurant only as we permit and as provided in this Disclosure Document, the Franchise Agreement or in the Operations Manual. You will not use the marks in a manner that degrades, diminishes, or detracts from the goodwill associated with the marks nor will you use the marks in a manner which is scandalous, immoral, or satirical. You agree to promptly change the manner of such use upon our request. You may not use the word "Subway" as part of a corporate or other business name. If you no longer have a valid franchise agreement with us, you must remove the word "Subway" from any corporate or other business name. Any sign face bearing the name Subway® will remain Subway US IP Holder's property even though you may have paid a third party to make the sign face. We will have the right to physically remove any signage from your restaurant if we believe its removal is necessary to protect the goodwill associated with the marks. You will not use, offer or sell to other franchisees any software applications or other technology products or services which use the marks unless we approve in writing.

You may not dilute the marks in any way by engaging in advertising or improper behavior that may lessen the Subway® system's reputation. You will not make, publish, or endorse, directly or indirectly, any disparaging, libelous, or defamatory statement or representation about us, our shareholders, officers, directors, employees, agents, our Affiliates, business developers or the Subway® brand in any public or private forum. "Private forum" shall not include a private forum open only to Subway® franchisees, business developers, and/or our shareholders, officers, directors, employees,

agents or Affiliates. At our request, you must remove or retract any disparaging, libelous or defamatory statement or representation. However, you are not prohibited from sharing information in good faith with any prospective franchisees.

You must notify us immediately when you learn about an infringement of or challenge to your use of any mark. While we do not have to defend you against a claim arising because of your use of the marks, we will reimburse you for your liability if you used the marks in compliance with the Franchise Agreement. To receive reimbursement, you must notify us of the proceeding promptly after you learn about it, cooperate with us and Subway US IP Holder to defend the proceeding, and allow us or Subway US IP Holder to control the defense of the proceeding. We, Subway US IP Holder and any third-party owner of the mark will have the exclusive right to pursue any claims of trademark infringement against third parties. All the above referenced materials are owned by Subway US IP Holder and are licensed to us for use in the United States.

You must modify or discontinue the use of a mark within a reasonable time after our notice to you of the modification or discontinuance of the mark. If we modify or discontinue the use of a mark, whether in response to a third party's claim of infringement or otherwise, our only obligation will be to reimburse you for liability as described above. We are not responsible for any other costs or expenses incurred by you in connection with the modification or discontinuance of a mark, including your costs to replace signs and paper goods.

Item 14
PATENTS, COPYRIGHTS AND PROPRIETARY INFORMATION

There are no patents or pending patents that are material to the franchise.

We and Subway US IP Holder claim rights under copyright laws for various works, including printed matter, artwork, menu boards, advertising and promotional materials, instructional operating manuals, and the like, some of which we have filed or registered copyrights for and others we have not. We do not consider any of these filed or registered copyrights material to the franchise.

Subway US IP Holder owns proprietary rights to information related to the Subway® franchise system and the operation of a restaurant. We license the Operations Manual from Subway US IP Holder. We will provide you, on loan, one copy of the confidential Operations Manual in electronic form. Subway US IP Holder has not filed an application for registration of copyright in the Operations Manual but does claim a copyright in its own works and we, Subway US IP Holder, and our affiliates treat the information in the Operations Manual as proprietary and confidential trade secrets. The Operations Manual contains the components, requirements, duties, standards, procedures, policies, and specifications pertaining to the Subway® franchise system and the operation of a restaurant. You must treat the Operations Manual and the information in it, as well as other information we make available to you, as highly confidential, in accordance with the Franchise Agreement. We make this information available to you only because of the franchisor-franchisee relationship.

You must maintain all of ours, Subway US IP Holder's, and our affiliates' confidential or proprietary information as confidential, both during and after the term of the Franchise Agreement. You may not at any time disclose the information you receive from us to any person except individuals involved in the operation of your restaurant who have a need to know the information. If you do disclose confidential or proprietary information in violation of the Franchise Agreement, you will be liable to us for damages, and we will seek injunctive relief. We do not represent or guarantee that all aspects of the Subway® franchise system are exclusive to us or unique.

All improvements, developments, derivative works, enhancements, or modifications to the System and any confidential information, ideas, slogans, marketing plans, advertising material, concepts, drawings, techniques, inventions (including any resulting patent rights), innovations, trademarks, trade secrets, copyrights, works of authorship, and any other protectable or proprietary interest in any similar intangible asset, relating to a Subway® Restaurant (collectively, "Innovations") made or created by you, your employees or your contractors, whether developed separately or in conjunction with us, will be owned solely by us. Your employees and contractors will be bound by written agreements assigning all rights in and to any Innovations developed or created by them to you. To the extent that you, your employees or your contractors are deemed to have any interest in the Innovations, you will agree to assign all right, title and interest in and to the Innovations to us. To that end, you will be required to execute, verify, and deliver any documents (including,

without limitation, assignments) and perform any other acts (including appearances as a witness) as we may reasonably request for use in applying for, obtaining, perfecting, evidencing, sustaining, and enforcing our ownership rights in and to the Innovations, and the assignment of them. In the event we are unable for any reason, after reasonable effort, to secure your signature on any document needed in connection with the actions specified in this paragraph, you will irrevocably designate and appoint us and our duly authorized officers and agents as your agent and attorney in fact, which appointment will be coupled with an interest and will be irrevocable, to act for and on your behalf to execute, verify, and file any such documents and to do all other lawfully permitted acts to further the purposes of this paragraph with the same legal force and effect as if executed by you. The obligations described in this paragraph will survive any expiration or termination of the Franchise Agreement.

We may, but are not obligated to, protect any patents or copyrights, to defend you against claims arising from your authorized use of patented or copyrighted items. We may, but are not obligated to, take affirmative action if you notify us of any infringement. If we do take any affirmative action, we solely retain the right to control any litigation. We may, but are not obligated to, indemnify you for any expenses or damages resulting from a proceeding involving a patent, patent application, or copyright used in the System. Any action described in this paragraph that we take is not contingent upon your modifying or discontinuing the use of the subject matter covered by the patent or copyright. Unless we choose to indemnify you as described in this paragraph, you are solely responsible for any damages and costs associated with any modification or discontinuation of the use of any subject matter covered by the patent or copyright.

Item 15
OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

Your restaurant shall at all times be under your direct, on-premises supervision or that of a trained and competent employee acting as full-time manager. In the event you operate more than one franchise, or in the event you do not devote your full time to conducting the restaurant business, we may require you to designate one or more competent managers who have completed the training requirements to hold the position of full-time managers (each a "Designated Manager") for your restaurant. You must, upon our request, keep us informed at all times of the identity of your Designated Managers. We will make training available, as is necessary in our judgment, for all managers who you designate. The Designated Manager is not required to own an equity interest in the franchise entity.

We may deal with the Designated Manager on the day-to-day operations of, and reporting requirements for the restaurant. You must hire all personnel for your restaurant and are solely responsible for the terms of their work, training, compensation, management, and oversight.

Your Designated Manager's day-to-day tasks could include supervising employees, checking inventories, reviewing sales and food costs, bookkeeping, and making reasonable efforts to ensure smooth and efficient operations. You must keep your restaurant open within the hours specified in the Operations Manual, subject to local regulations, unless we approve different hours in writing. If you operate a satellite restaurant, you may have more limited hours of operation. We and you will agree to the hours and restaurant operation plan for a satellite location.

Even if you choose to employ a Designated Manager to supervise your restaurant, we strongly recommend you personally devote a substantial amount of time to the franchised business.

You agree not to, and you agreed to cause your Designated Manager not to, disclose our confidential or proprietary information during or after the term of the Franchise Agreement. You also agree, and your owners, if any, must agree, not to have any direct or indirect association with a Competitive Business, as defined in the Franchise Agreement, during the term of the Franchise Agreement and for 1 year after termination, expiration or transfer of the Franchise Agreement within a three mile radius of where a Subway® restaurant operates or operated within the prior year. The reference to a geographic area does not give you any territorial or other exclusive rights. Your principal owners must sign a personal guaranty, guaranteeing all obligations you owe to us. The Designated Manager is not required to sign this personal guaranty unless the Designated Manager is also your principal owner.

Item 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

You must operate the restaurant in strict compliance with all required methods, procedures, policies, standards and specifications of the Subway® system in the Operations Manual and in other writings we issue. You must use the restaurant premises only for the operation of a Subway® restaurant and you may not operate any other business at or from the location without our prior written consent. You must offer and sell only those goods and services we have approved. If your restaurant is in a non-traditional location like a convenience store or a school lunch location, the Franchise Agreement Rider will clarify your Franchise Agreement to reflect that you sell other items.

You must offer all goods and services we designate as required for all franchisees. The Operations Manual states you must at a minimum offer the basic Subway® menu. We must approve additional menu items. If you operate a school lunch location, your menu will probably be more limited, as we and you will agree, and you may have to modify the food items you offer and buy food products specially approved for the school lunch program to satisfy nutritional requirements. We may authorize tests of new products or methods at company- or affiliate-owned or franchised restaurants. Based upon the results of these tests, we may make changes in our menu. We reserve the right to designate additional required or optional goods and services in the future and to withdraw any of our previous approvals. There are no limits on our right to do so. You must comply with our new requirements. If you establish a third-party franchisor's concept, you will sign the Co-Brand Location Rider (Exhibit A-9). We may modify or stop any co-branding opportunities at any time. If both of us approve of your co-brand location, you will operate the other concept as a direct franchisee of the other franchisor. You will receive a Disclosure Document from the other franchisor and enter into a direct franchise agreement with the other franchisor. You will sign a license or sublicense with the third party allowing you to offer a third party's branded products. You may have to sign a test agreement to offer our additional menu items that are under test. We do not have to permit all franchisees to offer the additional menu items that are under test. We also designate some goods and services as optional programs for qualified franchisees. Current optional programs include the catering call center and local menu items. To offer optional goods or services, you must be in compliance with your Franchise Agreement and the Operations Manual and meet any additional requirements we may have for the program, including state or local licenses, training, marketing, and insurance. The Operations Manual and other written or electronic materials we distribute contain written lists and requirements for optional programs.

We adopted the Marketwide Option Program (MOP), and Store Option Program (SOP) to promote consistency of items offered for sale, including methods of preparation and presentation, throughout an advertising fund market or region. You will make the decision for your restaurant on certain options categorized as SOP items. You will have to follow the decision made for the market on items categorized as MOP, unless we grant you a waiver. Your lease may contain restrictions, or you may have space or other limitations that prevent you from participating in a program approved for your market. If the investment cost to implement the item is less than $100 (not including the cost of product inventory), the decision on MOP items will be made for the market by the favorable votes of both the local advertising advisory board or SFAFT US Advisory Board and the Business Developer (or the Business Developers representing at least two-thirds of the restaurants in the market or region). If the investment cost is $100 or more, the decision on the MOP items will be made by the franchisees in the market. Certain MOP items have default selections. If a MOP item is not approved by the market within 30 days of the introduction of the product, the default selection will become a required item until the market makes a decision. If a MOP item does not win approval for the market, you may not implement the item in your restaurant unless we grant you a waiver. If a program is under test however, the restaurants in the markets approving the program will each need approval to implement the program. We permit exceptions to allow restaurants to continue offering the program if it is not approved by their market. In the future, we may implement a Region Option Program and you will be responsible for all costs, but as of the date of this Disclosure Document, details on any such program are still forthcoming.

We do not impose any restrictions or conditions that limit your access to guests, but you may not sell any goods or services to another vendor for resale without our consent. You may not sell goods or services except from your approved location without our prior written consent. Under our school lunch program, you can sell only to students, faculty, staff, and normal visitors, and not to the general public.

Item 17

An assignment, sale or other transfer shall include any of the following events: (1) the transfer of ownership of capital stock, voting stock (or security convertible to voting stock) or partnership interest; (2) merger or consolidation or issuance of additional securities representing an ownership interest in you; (3) transfer of an interest in you, the Franchise Agreement or your restaurant owned by you in a divorce, insolvency, corporate or partnership dissolution proceeding or otherwise by operation of law; or (4) transfer of an interest in the Franchise Agreement, your restaurant owned by you or an ownership interest of you in the event of the death of you or any of your owners, by will, declaration of or transfer in trust, or under the laws of intestate succession.
l.	Franchisor approval of transfer by franchisee	FA and MUFA Section 18.B DA Section 8.2	We have the right to approve all transfers. We will not unreasonably withhold our consent to a transfer.
m.	Conditions for franchisor approval of transfer	FA Section 18.C	You first offer to sell your restaurant to us, we fail to accept the offer, buyer qualifies, you pay transfer fee, the purchase agreement meets our standards and requirements, buyer successfully completes training before the completion of the sale (unless we permit otherwise), buyer is disclosed, signs current agreement and signs current Sublease or Sublicense, you pay all money due in full for all your restaurants, you are not in default, you and the new franchisee sign a general release (sample copy of release you will sign attached as Exhibit O), you transfer the Operations Manual for your restaurant to the new franchisee on the date of transfer, you bring the restaurant into full compliance with the Operations Manual at or prior to transfer, and you and the transferee execute a Transfer Addendum in a form substantially similar to Exhibit G-2 (and, if applicable, Exhibit A-16 – Restaurant Offset and Forbearance Agreement).

		DA Section 8.2	We may require that (a) the proposed Transfer under the DA is made in conjunction with a simultaneous transfer of any or all comparable interests held by you under all the Franchise Agreements executed pursuant to the DA as we determine appropriate; (b) you pay to us the transfer fee for all Restaurants to be transferred; (c) you comply with the right of first refusal under each applicable Franchise Agreement; and (d) you have satisfied any and all of the conditions and requirements for transfers set forth in each Franchise Agreement, as applicable, that we deem applicable to a proposed Transfer under the DA.
		FAR Part IV	You can only transfer a satellite restaurant and its Franchise Agreement together with the Base Restaurant and its Franchise Agreement to the same buyer, except in isolated circumstances where there is a good business reason to allow transfer of only the satellite restaurant and its Franchise Agreement, as determined by us.
		CBLR Section D	You cannot transfer a restaurant and our Franchise Agreement separately from your business licensed by the third party franchisor and your Franchise Agreement with the third party.
n.	Franchisor's right of first refusal to purchase franchisee's business	FA and MUFA Section 18.D	We can match any offer for your business within 30 days of your written offer to us. We will assign to a franchisee with limited exclusivity rights to a territory the first opportunity to exercise our option. If we and any franchisee with limited exclusivity rights do not accept, you can sell to a third party, subject to our transfer requirements, but you cannot sell at a lower price or on better terms than what you offered to us.
		FAR Part IV	The option to repurchase applies to the Base Restaurant and any satellite restaurant together. See m. above.
		CBLR Section D	The right of first refusal applies to the restaurant and the third party franchisor's concept. See m. above.
p.	Death or disability of franchisee	FA and MUFA Section 18.E	Upon your death or permanent disability or, if you are a corporation, limited liability company or partnership, the owner of 50% or more of the equity or voting control of you, the executor, administrator, conservator or other personal representative of such person will assign this Agreement or interest in you to a third party approved in writing by us. This disposition of the interest in you must be completed within a reasonable time, not to exceed 12 months from the date of death or permanent disability, and will be subject to all the terms and conditions applicable to assignments contained in Section 18 and elsewhere in the Franchise Agreement. Failure to dispose of the Franchise Agreement or interest in you within the required period of time will constitute a breach of the Franchise Agreement. Pending disposition, we will have the right to approve the management of the restaurant owned by you.
q.		FA and MUFA Section 19	No direct or indirect association with a competitive business anywhere; if you breach you must pay $15,000 for each

	Non-competition covenants during the term of the franchise		business and 8% of gross sales and we may seek termination of your Franchise Agreement, an injunction and/or damages. r. You may not disclose any confidential or proprietary information to any unauthorized person or we may seek an injunction and/or damages.

s.	Modification of the agreement	FA and MUFA Section 24.R DA Section 13	The Franchise Agreement may be modified only by written agreement signed by both you and us. However, you acknowledge and agree that we may modify the Confidential Operations Manual and System Standards from time to time, subject to the terms of the Franchise Agreement.
t.	Integration/merger clause	FA and MUFA Section 24.N DA Section 13	Only the terms of the Franchise Agreement are binding (subject to state law), however, nothing in the Franchise Agreement is intended to disclaim or waive any representations in this Disclosure Document. Any other promises may not be enforceable. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.
u.	Dispute resolution by arbitration or mediation	FA and MUFA Section 24.K DA Section 15	Except for certain claims we may bring, you must arbitrate in the forum noted in v. below, all disputes under the Franchise Agreement. v.	Choice of forum	FA and MUFA Section 24.J DA Section 15	Arbitration and any litigation will be held in the state of our principal place of business (currently Connecticut), subject to state law. The Franchise Agreement allows us to bring an action for injunctive relief in any court having jurisdiction if you breach the provisions of the Franchise Agreement, MUFA or DA concerning use of the trademarks, or confidentiality, or the covenants not to compete. You may not bring litigation in court under the Franchise Agreement, MUFA or DA.
w.	Choice of law	FA Section 24.J DA Section 15	Florida law applies, except the United States Arbitration Act governs the arbitration provisions, subject to state law. This provision will apply to any existing Franchise Agreement you have.

A provision in the Franchise Agreement that terminates your franchise upon your bankruptcy may not be enforceable under federal bankruptcy law (11 U.S.C., Sections 101 and following).

Item 18
PUBLIC FIGURES

We do not use any public figure to promote our franchise.

You do not have the right to use the name of a public figure in your promotional efforts or advertising without prior written approval from us.

Item 19
FINANCIAL PERFORMANCE REPRESENTATIONS

The FTC's Franchise Rule permits a franchisor to provide information about the actual or potential financial performance of its franchises and/or franchisor-owned outlets, if there is a reasonable basis for the information, and if the information is included in the Disclosure Document. Financial performance information that differs from that included in Item 19 may be given only if: (1) a franchisor provides the actual records of an existing outlet you are considering buying; or (2) a franchisor supplements the information provided in this Item 19, for example, by providing information about possible performance at a particular location or under particular circumstances.

We do not make any representations about a franchisee's future financial performance or the past financial performance of company-owned or franchised outlets. We also do not authorize our employees or representatives to make any such representations either orally or in writing. However, if you are purchasing an existing outlet, we may provide you with the actual records of that outlet. If you receive any other financial performance information or projections of your future income, you should report it to the franchisor's management by contacting: the Franchise Development Team at 1-800-888-4848 or email franchise@subway.com. You may also contact the Federal Trade Commission and the appropriate state regulatory agencies.

For outlets that changed ownership two or more times during the same fiscal year, the table above counts only transfer that occurred last in time. Exhibit B-2 includes the name, city, state, and business or home telephone number for the franchisees who were the last to transfer an outlet during the fiscal year 2025. Exhibit B-1 includes the name, city, state, and business or home telephone number for the 64 franchisees who transferred an outlet during the fiscal year 2025 but the transfer was followed by one or more subsequent transfers. We count the following as a transfer for purposes of the table above and Exhibits B-1 and B-2: (a) an outlet was purchased from a franchisee by the Business Developer with a waiver of the franchise fee and a mutual release; (b) an outlet was sold directly from one Business Developer or franchisee to another franchisee; (c) a new owner/individual has been added to or deleted from the Franchise Agreement for that outlet; (d) removal of an owner/individual or complete change in ownership due to a divorce; and (e) ownership passing to next of kin following an owner's/individual's death.

[1]Any numbers provided in Column 4 reflect restaurants that were previously owned by a franchisee, were reacquired and closed temporarily by the franchisor, and then reopened in conjunction with the resale of that outlet to a new franchisee. We do not currently intend to open any company-operated restaurants but reserve the right to do so in the future.
[2]Numbers provided in Column 6 include locations that may have been closed temporarily as of the fiscal year end. These locations may reopen in subsequent years in conjunction with the resale of the outlet to a new franchisee, at which point they will be reported in Column 4.

DOCTOR'S ASSOCIATES LLC
FRANCHISE AGREEMENT

This Franchise Agreement (this "**Agreement**"), made on the date shown on the cover page hereof (the "**Agreement Date**"), by and between Doctor's Associates LLC, a Delaware limited liability company with a principal office in Shelton, Connecticut ("**Franchisor**", "**we**", "**us**", or "**our**"), and the party identified as Franchisee in the Key Contract Data at the beginning of this Agreement ("**Franchisee**", "**you**" or "**your**").

1. **Background Information**.

A. Our affiliate, Subway US IP Holder LLC ("**Subway US IP Holder**") is the owner of a proprietary system for establishing and operating restaurants featuring sandwiches, pizza and salads under our trade name and service mark, Subway®, which operate with a uniform business format, specially designed equipment, methods, procedures, and designs (the "**System**"). The System includes the trademark Subway®, other trademarks, trade names, service marks, commercial announcements (slogans) and related insignia (logos) owned by Subway US IP Holder (the "**Marks**"). The System was developed spending considerable money, time, and effort. The System also includes confidential information and goodwill. Subway US IP Holder has granted us a non-exclusive license to use the System in the United States of America and its territories to establish and sublicense others to establish and operate Subway® restaurants ("**Subway® Restaurants**"). Subway® Restaurants are operated by persons meeting our qualifications to whom we have granted franchises.

B. You have applied for the right and obligation to operate a Subway® Restaurant utilizing the Marks solely at the Approved Location (as defined in Section 4.A) described in this Agreement. Such application has been approved by us in reliance upon all of the representations made within it being true, correct and complete including, without limitation, your ownership. You desire to operate a Subway® Restaurant under the System and wish to obtain a franchise from us for that purpose.

C. You have read this Agreement, and our franchise disclosure document, and have been given an opportunity to clarify any provisions that you did not understand. You understand and accept the terms, conditions, and covenants contained in this Agreement as being reasonably necessary to maintain our high standards of quality and service and the uniformity of those standards at all Subway® Restaurants, and thereby to protect and preserve the goodwill of the Marks.

D. The term "Franchisee", "you" and "your" as used herein is applicable to one or more persons, a corporation, limited liability company or a partnership, as the case may be, and the singular usage includes the plural and the masculine and neuter usages include the other and the feminine. References to "Franchisee", "you" and "your" applicable to an individual or individuals shall mean the principal owner or owners of the equity or operating control of you if you are a corporation, limited liability company or partnership, and shall include all such individuals collectively and individually.

E. The parties agree that the information in this Section 1 ("**Background Information**") is true and correct, and we are relying on it.

2. **Appointment**.

A. We hereby grant to you, upon the terms and conditions of this Agreement, a franchise to operate a Subway® Restaurant (the "**Restaurant**") and to use in connection therewith the System, as it may

be changed, improved and further developed from time to time, and the Marks solely at the Approved Location and for the Term.

B. You acknowledge and agree this Agreement does not grant you any territorial rights and there are no radius restrictions or minimum or maximum population requirements which limit where we can license or open another Subway® Restaurant, unless otherwise provided under applicable state law. We and our affiliates have unlimited rights to compete with you and to license others to compete with you. You acknowledge and agree that we and our affiliates retain the exclusive unrestricted right to produce, distribute, and sell food products, beverages, and other products and services, under the Subway® mark or any other mark, directly and indirectly, through employees, representatives, franchisees, licensees, assigns, agents, and others, at wholesale, retail, and otherwise, at any location, without restriction by any right you may have, and without regard to the location of any Subway® Restaurant, and these other stores or methods of distribution may compete with the Restaurant and may adversely affect your sales. You do not have any right to exclude, control, or impose conditions on the location or development of any Subway® Restaurant, other restaurant, store or other method of distribution, under the Subway® mark or any other mark.

3. **Term and Renewal**.

A. This Agreement shall be effective and binding from the date that we execute it and shall expire twenty (20) years from the Agreement Date, unless sooner terminated pursuant to this Agreement (the "**Term**").

B. You will have the right to renew this franchise at the expiration of the initial Term of the franchise for one (1) additional successive term of twenty (20) years, provided that all of the following conditions have been fulfilled:

1. You have, during the entire Term, complied with all material provisions of this Agreement and (if applicable) the Sublease (defined in Section 4.D);

2. You maintain possession of the premises of the Restaurant (the "**Premises**") and by the expiration date of this Agreement you have brought the Restaurant into full compliance with the specifications and standards then applicable for new or renewing Subway® Restaurants, and you have presented evidence satisfactory to us that you have the right to remain in possession of the Premises for the duration of any renewal term or any lesser period that we approve in writing; or, in the event you are unable to maintain possession of the Premises, or in our judgment the Restaurant should be relocated, you secure substitute premises approved in writing by us and have furnished, stocked and equipped such premises to bring the Restaurant at its substitute premises into full compliance with our then-current specifications and standards by the expiration date of this Agreement;

3. You have given written notice of renewal to us no earlier than eighteen (18) months, and no later than twelve (12) months, prior to expiration of the initial Term;

4. You have satisfied all monetary obligations owed by you to us and our affiliates and you have timely met these obligations throughout the Term;

5. You agree to execute upon renewal our then-current form of Franchise Agreement (with appropriate modifications to reflect the fact that the Franchise Agreement relates to the grant of a renewal franchise, and with no further right of renewal), which agreement shall supersede in all respects this Agreement, and the terms of which may materially differ from the terms of this Agreement, including, without limitation, a different percentage Royalty Fee and Advertising

Contribution; provided, however, you shall be required to pay a renewal fee equal to twenty five percent (25%) of our then-current standard initial franchise fee (excluding any promotions or discounts);

6. You have complied with our then-current qualification and training requirements;

7. You have executed our current form of Renewal Addendum; and

8. You and your owners have executed a general release, in a form prescribed by us, of any and all claims against us and our subsidiaries and affiliates, and their respective officers, directors, agents, owners and employees.

4. **Restaurant and Approved Location**.

A. You may operate the Restaurant only at a location that we approve (the "**Approved Location**"). If we have already approved a location at the time of executing this Agreement, then the Approved Location is specified in the Key Contract Data at the beginning of this Agreement. If we have not yet approved a location at the time of executing this Agreement, then you will be responsible for leasing a suitable site for the Restaurant. Prior to the acquisition of any site for the premises of the Restaurant, you shall submit a description of the proposed site to us accompanied by photographs depicting the proposed site, as well as any other information about the site that we may reasonably require. We will provide you with written notice of our approval or disapproval of a proposed site within fifteen (15) business days after receiving your written submission thereof and completing a physical inspection of the proposed site. If we fail to respond within such 15-day period, the site will be deemed disapproved.

B. While we may provide you with our experience and expertise in a selection of a location, you hereby acknowledge and agree that our approval of a site does not constitute an assurance, representation or warranty of any kind, express or implied, as to the success or profitability of your Restaurant operated at the site. Our approval of the site indicates only that we believe the site complies with acceptable minimum criteria established by us solely for our purposes as of the time of the evaluation. Both you and we acknowledge that application of criteria that have been effective with respect to other sites and premises may not be predictive of potential for all sites and that, subsequent to our approval of a site, demographic and/or economic factors, such as competition from other similar businesses, included in or excluded from our criteria could change, thereby altering the potential of a site. Such factors are unpredictable and are beyond our control. We shall not be responsible for the failure of a site approved by us to meet your expectations as to revenue or operational criteria. You further acknowledge and agree that your acceptance of a franchise for the operation of a Restaurant at the site is based on your own independent investigation of the suitability of the site. It shall be your sole responsibility to undertake site selection activities and otherwise secure premises for the Restaurant.

C. In the event no acceptable site is found and approved by the parties within six (6) months from the Agreement Date, then and in that event, either party may terminate this Agreement upon written notice to the other party. Notwithstanding any such termination, you shall return all confidential materials concerning the operation of a Restaurant and shall continue to be bound by your obligations under Sections 9, 15 and 20 hereof.

D. After receiving our written approval of the location of the Restaurant, we or our affiliate shall, at our option, either: (1) lease the Premises from the owner or landlord of the Approved Location and you will execute a sublease with us for the Premises (the "**Sublease**"); (2) permit you to lease the Premises directly from the owner or landlord; or (3) permit you to own the Premises directly. In the case of (2) above, the terms of such lease must be provided to us and approved by us prior to you entering into a lease

agreement (an "**Approved Lease**"). Our approval of the terms of a lease indicates only that we believe the lease complies with acceptable minimum criteria we established. You acknowledge and agree that your acceptance of a lease is based on your own independent investigation, including consultation with your own attorney and other advisors. For purposes of this Agreement, the term "**Lease**" shall refer to a Sublease or an Approved Lease. An Approved Lease must contain a fully-executed lease rider in the form that we require (the "**Franchisor Lease Rider**"). If you execute an Approved Lease, and not a Sublease, it is your sole responsibility to obtain a fully executed Franchisor Lease Rider in connection with executing the Approved Lease. The Franchisor Lease Rider is intended to provide us with certain protections under the Approved Lease and may not benefit you or the landlord. If you or the landlord request that we consider any modifications to the Franchisor Lease Rider, and we elect to do so, we may also require you to reimburse us for all expenses we incur (including reasonable attorneys' fees) in connection with such review. We may also reject any request for modifications to the Franchisor Lease Rider for any reason.

E. You agree that upon obtaining possession of the Approved Location for the Restaurant, you will: (i) cause to be prepared and submit for our approval a site survey and any modifications to our basic plans and specifications (not for construction) for a Restaurant (including requirements for dimensions, exterior design, materials, interior design and layout, equipment, fixtures, furniture, signs and decorating) at the Approved Location, provided that you may modify our basic plans and specifications only to the extent required to comply with all applicable ordinances, building codes and permit requirements and only with prior written approval by us; (ii) obtain all required zoning changes; all required building, utility, health, sanitation, and sign permits and licenses and any other required permits and licenses; (iii) purchase equipment, fixtures, furniture and signs as provided herein; (iv) complete the construction and/or remodeling, equipment, fixture, furniture and sign installation and decorating of the Restaurant in full and strict compliance with plans and specifications therefor approved in writing by us and with all applicable ordinances, building codes and permit requirements; (v) obtain all customary contractors' sworn statements and partial and final waivers of lien for construction, remodeling, decorating and installation services; and (vi) otherwise complete development of and have the Restaurant ready to open and commence the conduct of its business in accordance with this Agreement.

F. You acknowledge and agree that we may from time to time designate the maximum amount of debt that a Restaurant may service, and you will ensure that you comply with such limits. You will ensure that you have sufficient cash at all times, through equity capital contributed to you by your owners, to comply with any such requirement.

G. If the Lease terminates without your fault, or if the site is destroyed, condemned or otherwise rendered unusable without your fault, or if in our judgment there is a change in character of the location of the Restaurant sufficiently detrimental to its business potential to warrant its relocation, we will grant permission for relocation of the Restaurant to a location and site acceptable to us. Any such relocation shall be at your sole expense and we shall have the right to charge you for any costs incurred by us, and a reasonable fee, in connection with any such relocation of the Restaurant.

H. If you own the Premises, you represent and warrant that as of the Agreement Date: (a) you or your affiliate (that you control, either directly or indirectly) are the rightful owner in fee simple of the Premises; (b) you have the right to occupy the Premises and operate the Restaurant without restriction through the expiration date of this Agreement; and (c) you have no knowledge of any fact or circumstance which would give rise to any claim, demand, action or cause of action arising out of, or in connection with, your occupancy of the Premises. You are required to operate the Restaurant at the Premises through the expiration date, and you may not relocate the Restaurant without our prior written consent. You agree that, in the event that you or your affiliate wishes to sell the Premises prior to the expiration date, you shall, prior to the sale, agree to enter into a lease with the buyer, which must be an Approved Lease, that does not expire

until on or after the expiration date, and the terms of such Approved Lease must be provided to us and approved in writing by us prior to you entering into the Approved Lease. Our approval of the terms of an Approved Lease indicates only that we believe the Approved Lease complies with acceptable minimum criteria we established. You acknowledge and agree that your acceptance of the Approved Lease is based on your own independent investigation, including consultation with your attorney and other advisors. The Approved Lease must contain a Franchisor Lease Rider in the form that we require, and it is your sole responsibility to obtain it and deliver a counterpart to us. The Franchisor Lease Rider is intended to provide us with certain protections under the Approved Lease and may not benefit you or your landlord. If you or the landlord requests that we consider any modifications to the Franchisor Lease Rider, and we elect to do so, we may also require you to reimburse us for all expenses we incur (including reasonable attorneys' fees) in connection with such review. We may also reject any request for modifications to the Franchisor Lease Rider for any reason.

I. You must pay to us a Restaurant Design charge, related to remodeling or relocation of your Restaurant, as follows: (1) for remodels: currently, $1,000 for 1 original floor plan plus one revision floor plan and $250 for each additional revision floor plan; (2) for new Restaurants and relocations: $1,000 for 1 original floor plan plus 2 revision floor plans, and $250 for additional revision floor plan. For remodels, the $1,000 charge is waived if the remodel is completed within 6 months from the date the last floor plan was provided. Additional revision charges will not be waived under any circumstance. For new Restaurants and relocations, the $1,000 charge is waived if the buildout is completed within 12 months from the date the last floor plan was provided. Additional revision charges will not be waived under any circumstance. Nothing in this paragraph is intended to modify your requirement to otherwise timely complete the construction and/or relocation of your Restaurant, as applicable, in accordance with this Agreement, and failure to perform in accordance with such requirements is a material breach of this Agreement. We may increase this charge from time to time.

5. **Equipment, Fixtures, Furniture and Signs**.

A. We shall provide you with specifications for brands and types of food and beverage preparation, dispensing, storage and display equipment, POS System, other equipment, fixtures, furniture, exterior and interior signs and decoration required for the Restaurant. Specifications may include minimum standards for performance, warranties, design and appearance and local zoning, sign and other restrictions. You may purchase or lease original and replacement equipment, fixtures, furniture, signs and decorating materials and services meeting such specifications from any source, except as we provide otherwise in this Agreement, the Confidential Operations Manual, published policies, procedures or guidelines or other written materials we may issue from time to time. If you propose to purchase or lease any item of equipment or furniture or any fixture, sign or decorating materials not theretofore approved by us as meeting our specifications, you shall submit your request in writing to us before purchasing or leasing any item and such item shall be purchased only following our written consent approving same. We will not be obligated to respond to your request, and any actions we take in response to such request will be at our sole discretion. Any such equipment, fixtures, furniture, signs and decorating materials bearing the name Subway® or other Marks will remain Subway US IP Holder's property even though you may have paid a third party to make the equipment, fixtures, furniture, signs or decorating materials. We have the right to physically remove any such equipment, fixtures, furniture, signs or decorating materials from the Premises if we believe it is necessary to protect the goodwill associated with the Marks.

B. You shall comply with all specifications for brands and types of food and beverage preparation, dispensing, storage and display equipment, POS System, other equipment, fixtures, furniture, exterior and interior signs and decoration for use in the Restaurant that we require from time to time.

6. **Training and Operational Assistance**.

A. Before the Restaurant opens, we will train you (or your Designated Manager(s), as that term is defined in Section 10.J) on establishing and independently operating a Subway® Restaurant. The training program will be at a location we choose and may include web-based courses.

B. You, your Designated Manager(s) or your employee(s) who attend may be dismissed from the training program and this Agreement may be terminated, with no refund of your Franchise Fee (defined below), if you, your Designated Manager(s) or your employee(s) materially fail to act in accordance with our Code of Business Conduct during the training program (which will be made available to you at or before attending the training program).

C. We will train up to two (2) persons without a tuition charge, one of whom must be you or a Designated Manager, and the other person may be a second Designated Manager or other employee. You are responsible for all travel, lodging, meal and wage expenses for all who attend, and you are also responsible for initial training related tuition for any persons beyond the two (2) included persons. We may require you to replace any managers (including any of the Designated Managers) who we determine are not qualified or suitable to operate a Subway® Restaurant.

D. Each of your employees shall complete a training program as prescribed in the Confidential Operations Manual on Restaurant operations and standards only, and it will not address any terms or conditions of employment.

E. If the training program is not completed to our satisfaction, additional training may be required at your expense. If we determine that you or your Designated Managers are unable to satisfactorily complete the training program, we shall have the right to terminate this Agreement upon written notice to you.

F. We from time to time may provide and may require that previously trained and experienced franchisees or their managers or employees attend and successfully complete refresher training programs or seminars to be conducted at such locations as may be designated by us, and at your expense, including courses provided by third-parties we designate, or by a representative or Field Operation Team member; provided, however, that attendance will not be required at more than four (4) such programs in any calendar year.

7. **Computer System**.

A. You will use a computer or tablet-based point-of-sale system (the "**POS System**") including software and hardware that we specify to record and report all sales and other designated business information to us. You have the sole and complete responsibility for: (a) acquiring, operating, maintaining and upgrading the POS System and any other computer hardware, software, cash register and other equipment required by us from time to time (the "**Computer Systems**"); (b) ensuring that the Computer Systems interface with our systems and those of third parties in the manner that we require from time to time; and (c) any and all consequences that may arise if the Computer Systems are not properly operated, maintained, and upgraded. You must also accept credit card and debit card payments, contactless and mobile device payments, and any other forms of payment we periodically require in the Confidential Operations Manual or otherwise, and participate in our gift card, loyalty, rewards and related programs at your expense. To maintain a competitive advantage in the quick service restaurant industry, you may be required to invest in and implement new technology and digital initiatives at your own expense. You acknowledge that you will be required (if permitted by local law) to enter into software or hardware license agreements and other technology programs/initiatives during the Term, including without limitation

hardware-as-a-service agreements, and you will accept and consent to any such agreements, programs or initiatives electronically or as we otherwise direct.

B. You acknowledge and agree that the software you are required to use, if permitted by local law, has remote access capabilities and that we or our designee may, from time to time, remotely access your POS System and other Computer Systems in order to maintain system security, perform routine system maintenance, provide technical support, increase operational efficiency, install updates to software programs and/or applications, or install or remove software programs and/or applications. We may also retrieve information, such as transaction data and technical data, from your POS System or other Computer Systems at any time. You will not use, offer or sell to other franchisees any software applications or other technology products or services that use the Marks or that we designate as proprietary, unless we approve in writing.

C. You must use your best efforts to protect us or the customers against a cyber-event, identity theft or theft of personal information. You must at all times be in compliance with applicable Laws and regulations relating to data privacy, data security and security breaches; and our security policies and guidelines, all as they may be amended from time to time.

D. We reserve the exclusive right to establish, modify, and enforce all rules governing the use, integration, procurement, and oversight of artificial intelligence systems or tools within the Restaurant. You agree to comply with the standards and policies that we may issue concerning the acquisition and use of artificial intelligence technologies in the Restaurant. Upon notice from us, you shall promptly implement any required changes, discontinue any prohibited uses, and provide all information reasonably requested to verify compliance with the foregoing. Any permitted uses of artificial intelligence systems or tools within the Restaurant by you shall be in accordance with the terms and conditions of this Agreement, including with respect to the limitations on the use and disclosure of our confidential information.

8. **Intellectual Property**.

A. You acknowledge that our affiliate, Subway US IP Holder, is the owner of the Marks, and your right to use the Marks is derived solely from this Agreement and is limited to the conduct of business by you pursuant to and in compliance with this Agreement and all applicable standards, specifications, and operating procedures prescribed by us from time to time during the Term. Any unauthorized use of the Marks by you shall be a breach of this Agreement and an infringement of the rights of us and Subway US IP Holder in and to the Marks. You acknowledge and agree that all usage of the Marks by you and any goodwill established by your use of the Marks shall inure to the exclusive benefit of Subway US IP Holder and us and that this Agreement does not confer any goodwill or other interests in the Marks upon you. You shall not, at any time during the Term or after its termination or expiration, contest the validity or ownership of any of the Marks or assist any other person in contesting the validity or ownership of any of the Marks. All provisions of this Agreement applicable to the Marks apply to any additional trademarks, service marks, and commercial symbols authorized for use by us after the date of this Agreement.

B. You shall not use any Mark (i) as part of any corporate or trade name, (ii) as part of any website, app, domain name, email address, social media account, user name, other online presence, other digital platform or identification of yourself in any electronic medium of any kind ("**Online Presence**"), except in accordance with our guidelines set forth in the Confidential Operations Manual or otherwise in writing by us from time to time, (iii) with any prefix, suffix, or other modifying words, terms, designs, or symbols, (iv) in any modified form, (v) in connection with the sale of any unauthorized product or service, or (vi) in any other manner not expressly authorized in writing by us, including without limitation in a

manner that degrades, diminishes, or detracts from the goodwill associated with the Marks, or which, in our sole opinion, is scandalous, immoral, or satirical. You agree to give such notices of trademark and service mark registrations as we specify and to obtain such fictitious or assumed name registrations as may be required under applicable law. You may not use any Mark in advertising the transfer, sale, or other disposition of your Restaurant or an ownership interest in you without our prior written consent. You shall not use any of the Marks in any manner which has not been specified or approved by us in writing.

C. You shall immediately notify us in writing of any apparent infringement of or challenge to your use of any Mark, and of any claim by any person of any rights in any Mark or any similar trade name, trademark, or service mark of which you become aware. You shall not directly or indirectly communicate with any person other than us, Subway US IP Holder, and our or their counsel in connection with any such infringement, challenge, or claim. We and Subway US IP Holder shall have the right to take such action as we and/or Subway US IP Holder deem appropriate and the right to exclusively control any litigation, U.S. Patent and Trademark Office proceeding or other administrative proceeding arising out of such infringement, challenge or claim or otherwise relating to any Mark. You agree to execute any and all instruments and documents, render such assistance, and do such acts and things as may, in the opinion of our or Subway US IP Holder's counsel, be necessary or advisable to protect and maintain the interests of us or Subway US IP Holder in any such litigation, U.S. Patent and Trademark Office proceeding, or other administrative proceeding or to otherwise protect and maintain the interests of us and Subway US IP Holder in the Marks.

D. We agree to indemnify you against, and to reimburse you for, all damages for which you are held liable in any proceeding in which your use of any Mark pursuant to and in compliance with this Agreement, the Confidential Operations Manual and our other written guidelines is held to constitute trademark infringement, unfair competition or dilution, and for all costs reasonably incurred by you in the defense of any such claim or in any such proceeding in which you are named as a party, provided that you have timely notified us of such claim or proceeding and have otherwise complied with this Agreement and that we shall have the right to defend any such claim.

E. If it becomes advisable at any time for us and/or you to modify or discontinue use of any Mark, and/or use one or more additional or substitute trade names, trademarks, service marks, or other commercial symbols, you agree to comply with our directions within a reasonable time after our notice to you, and we shall have no liability or obligation whatsoever with respect to your modification or discontinuance of any Mark or expenses incurred in connection therewith.

F. In order to preserve the validity and integrity of the Marks and copyrighted material licensed herein and to assure that you are properly employing the same in the operation of the Restaurant, we or our agents shall have the right of entry and inspection of the Premises at all reasonable times and, additionally, shall have the right to observe the manner in which you are rendering your services and conducting your operations, to confer with your employees and customers, to inspect your Computer Systems (including hardware, software, security, configurations, connectivity, and data access), and to select ingredients, food and non-food products, beverages, and other items, products, materials and supplies for test of content and evaluation purposes to make certain that the services, ingredients, products, materials, equipment and operations are satisfactory and meet the quality control provisions and performance standards established by us.

G. You agree not to, and to use your best efforts to cause your parents, subsidiaries and affiliates, and your and their respective owners, officers, directors, employees, managers, agents, representatives, spouses, heirs, predecessors, successors, and assigns not to, disparage or otherwise speak or write negatively, directly or indirectly, of us or our parents, subsidiaries, and affiliates, and our and their

respective current and former owners, officers, directors, employees, managers, agents, representatives, predecessors, successors, and assigns or our or their current and former franchisees, Business Developers ("**BDs**", f/k/a Business Development Agent or "BDA"), developers, area developers or the Subway® brand, the System, or any other service-marked or trademarked concept of us, or which would subject the Subway® brand to ridicule, scandal, reproach, scorn, or indignity or which would negatively impact the goodwill of us, our affiliates, the Subway® brand or the Marks.

9. **Confidential Operations Manual**.

A. We will make available to you during the Term, in the format that we choose (electronic, hardcopy, or both), an operations manual containing mandatory specifications, standards, operating procedures and rules prescribed from time to time by us for Subway® Restaurants and information relative to other of your obligations hereunder and the operation of the Restaurant (the "**Confidential Operations Manual**"). The mandatory specifications, standards, operating procedures and rules prescribed from time to time by us for Subway® Restaurants are referred to herein as the "**System Standards**". The Confidential Operations Manual contains our proprietary information and shall be kept confidential by you both during the Term and subsequent to the expiration or termination of the Term. The Confidential Operations Manual includes all policies, procedures, specifications, rules and guidelines that we may promulgate or revise from time to time and publish via an intranet, the internet, in other electronic media, or in other written format. We shall have the right to add to and otherwise modify the Confidential Operations Manual from time to time to reflect changes in the System Standards.

B. The Confidential Operations Manual shall at all times remain the sole property of us and any hardcopy version thereof that we may have provided to you shall promptly be returned to us upon the expiration or termination of this Agreement.

C. You shall at all times ensure that the Confidential Operations Manual is available at the Premises in a current and up-to-date manner, and in the event of any dispute as to the contents of the Confidential Operations Manual, the terms of the master copy of the Confidential Operations Manual maintained by us at our home office shall be controlling.

10. **Standards of Quality and Performance**.

A. You shall commence operation of the Restaurant not later than twelve (12) months from the Agreement Date, or as otherwise approved in writing by us. Prior to such opening, you shall have procured all necessary licenses, permits, and approvals, including but not limited to construction permits, shall have hired and trained personnel, made all leasehold improvements, and purchased initial inventory. If you for any reason fail to commence operations as herein provided, unless you are precluded from doing so by war or civil disturbance, natural disaster or organized labor dispute that precludes such timely commencement of operation, such failure shall be considered a default and we may terminate this Agreement. Once you have commenced operation of the Restaurant, you must actively and continuously operate the Restaurant during normal business hours (as we may periodically prescribe in the Confidential Operations Manual or elsewhere in writing) for the entire duration of the Term.

B. You agree to maintain (or cause to be maintained) the condition and appearance of the interior and exterior of the Premises consistent with our quality controls and standards for the image of a Subway® Restaurant as an attractive, pleasant and comfortable facility conducive to patronage and impulse buying by its customers. You agree to carry out such maintenance of the Restaurant as is from time to time required to maintain or improve the appearance and efficient operation of the Restaurant, including replacement of worn out or obsolete fixtures and signs, repair of the exterior and interior of the Restaurant

and redecorating. If at any time in our business judgment the general state of repair or the appearance of the Premises or its equipment, fixtures, signs or decor does not meet our quality control and standards therefor, we shall so notify you, specifying the action to be taken by you to correct such deficiency. If you fail or refuse to initiate within thirty (30) days after receipt of such notice, and thereafter continue, a bona fide program to complete any required maintenance, we shall have the right, in addition to all other remedies, to enter upon the Premises and effect such repairs, painting, decorating or replacements of equipment, fixtures or signs on your behalf and you shall pay the entire costs thereof on demand. Your obligation to initiate and continue any required maintenance shall be suspended during any period in which such maintenance is commercially impractical due to war, civil disturbance, natural disaster, organized labor dispute or other event beyond your reasonable control.

C. You shall make no material alterations to the improvements of the Restaurant nor shall you make material replacements of or alterations to the equipment, fixtures or signs of the Restaurant without our prior written approval.

D. The Approved Location shall be used solely for the purpose of conducting a Subway® Restaurant.

E. Except if you are prohibited from selling products under applicable law or under the terms of the Restaurant lease, you agree that you will offer for sale and sell at the Restaurant all types of sandwiches, food, drinks and other products that we from time to time authorize, and that you will not offer for sale or sell at the Premises any other food product, beverage, confection or non-food product whatsoever or use the Premises for any purpose other than the operation of the Restaurant in full compliance with this Agreement. You further agree that you will participate in any gift certificate, gift card and/or loyalty card programs that we require. To the extent allowed by applicable law, you must comply with our minimum, maximum, and other pricing requirements for sandwiches and other products and services offered by the Restaurant, as well as comply with our pricing methods and procedures for in-store, curbside, delivery, catering (including online catering), on-line/electronic and any other types of orders, including but not limited to advertising and marketing promotions.

F. From time to time, we shall provide to you in the Confidential Operations Manual or otherwise in writing a list of approved manufacturers, suppliers, and distributors and approved food and non-food products, fixtures, equipment, signs, stationery, supplies, and other items or services necessary to operate the Restaurant. Such list shall specify the manufacturer, supplier and distributor and the food and non-food products, fixtures, equipment, signs, stationery, supplies and services that we have approved to be carried or used in the System. We may revise the approved list of manufacturers, suppliers and distributors and the approved list of food and non-food products, fixtures, equipment, signs, stationery, supplies, and other materials from time to time. Such approved list shall be submitted to you in a form that we deem advisable. You must respond to the recall of any products in the manner and at the time that we specify.

G. All sandwiches, menu items, breads, meats, cheeses, ingredients, toppings, spices, mixes and other food and beverage products and materials, containers, packaging materials, other paper and plastic products, plates, cups, utensils, menus, uniforms, forms, cleaning and sanitation materials and other materials and supplies used in the operation of the Restaurant shall conform to the specifications and quality standards established by us from time to time in the Confidential Operations Manual or otherwise. Except as otherwise provided herein, you may only purchase such products that meet our specifications and quality standards from suppliers approved by us as meeting our criteria for Subway® Restaurant suppliers, such criteria and suppliers being subject to change by us from time to time. If you propose to offer for sale at the Restaurant any brand of product, or to use in the operation of the Restaurant any brand of food ingredient

or other material or supply, that is not then approved by us as meeting our minimum specifications and quality standards, or to purchase any product from a supplier that is not then designated by us as an approved supplier, you shall submit your request in writing to us before purchasing or leasing any such ingredient, material or supply, and its purchase or lease may not be made by you absent our prior written consent. We will not be obligated to respond to your request, and any actions we take in response to such request will be at our sole discretion, including the assessment of a fee to compensate us for the time and resources we spend in evaluating the ingredient, material or supply. If we do not respond to your request within thirty (30) days, the request shall be deemed denied. We reserve the right from time to time to examine the facilities of any approved supplier or distributor and to conduct reasonable testing and inspection of the ingredients, materials or supplies to determine whether they meet our standards and specifications. We also reserve the right to charge fees for testing and evaluating proposed suppliers or distributors and to impose reasonable limitations on the number of approved suppliers or distributors of any product. Approval of a supplier or distributor may be conditioned on requirements relating to frequency of delivery and standards of service, including prompt attention to complaints and the ability to service and supply Subway® Restaurants within areas designated by us.

H. In addition to the specific operating standards and specifications set forth above, you agree to fully comply with the System Standards in effect from time to time as set forth in the Confidential Operations Manual or otherwise communicated to you by us in writing (including by intranet or other electronic means).

I. You shall secure and maintain in force all required licenses, permits and certificates relating to the leasing, construction, opening, and operation of the Restaurant and shall operate the Restaurant in full compliance with all applicable laws, ordinances and regulations, including without limitation all government regulations relating to occupational hazards and health, consumer protection, trade regulation, worker's compensation, unemployment insurance and withholding and payment of Federal and State income taxes and social security taxes and sales, use and property taxes. You agree to refrain from any merchandising, advertising or promotional practice that is unethical or may be injurious to our business and/or other Subway® Restaurants or to the goodwill associated with the Marks. Upon request, you will forward to us copies of any documentation relating to these items.

J. The Restaurant shall at all times be under your direct, on-premises supervision or a trained and competent employee acting as full-time manager. In the event you operate more than one franchise, or in the event you do not devote your full time to conducting the Restaurant business, we may require you to designate one or more competent managers who have completed the training requirements to hold the position of full-time managers (each a "**Designated Manager**") for the Restaurant. You must, upon our request, keep us informed at all times of the identity of any other employee(s) acting as manager(s) of the Restaurant. We shall make training available, as is necessary in our judgment, for all managers who you designate. We shall provide such training at the then-current published rates. You agree that you will at all times faithfully, honestly and diligently perform your obligations hereunder and that you will not engage in any other business or activities that, in our judgment, will conflict with your obligations hereunder.

K. You will be solely responsible for all costs of building and operating the Restaurant, including, but not limited to, construction costs and permits, equipment, furniture, fixtures, signs, advertising, insurance, food products, labor, utilities, rent, fees, customs, stamp duty, other duties, governmental registrations, sales tax and other taxes. You must register to collect and pay sales taxes before you open the Restaurant, and you must maintain these registrations during the Term. You shall promptly pay when due all taxes levied or assessed on your Restaurant operation, including, without limitation, unemployment and sales taxes, and all accounts and other indebtedness of every kind that you incur in the operation of the Restaurant. You shall promptly pay to us the amount equal to all taxes levied or assessed,

including, but not limited to, sales taxes, use taxes, withholding taxes, excise taxes, personal property taxes, intangible property taxes, gross receipt taxes, taxes on royalties (including without limitation the Franchise Fee, Royalty Fee and Advertising Contributions), any similar taxes or levies imposed upon, or required to be collected or paid by us by reason of the furnishing of products, intangible property (including trademarks and trade names), or service by us to you through the sale, license or lease of property or property rights provided by this Agreement. The foregoing does not include tax on your net income. You will, at your sole discretion, recruit, hire, terminate, discipline and supervise all Restaurant employees, set pay rates, and pay all wages and related amounts, including any employment benefits, unemployment insurance, withholding taxes or other sums. You will reimburse us for any such costs that we must pay in connection with your operation of the Restaurant.

L. You and your owners represent and warrant to us that all statements, documents, materials, and information submitted to us, including the application for the rights granted by this Agreement are true, correct and complete in all material respects, and there have been no material omissions. You and your owners agree to comply with any and all laws, regulations, Executive Orders or otherwise of any kind, including those relating to anti-terrorist activities, such as, without limitation Executive Order 13224 and related U.S. Treasury and other regulations. You confirm that you and your owners, officers and directors are not listed on the Annex to Executive Order 13224 (or any subsequent or related order) and you agree not to hire any person so listed or have any dealing with a person so listed (the Annex is currently available at www.treasury.gov). You are solely responsible for ascertaining the actions that must be taken to comply with such laws, orders and/or regulations.

M. You must implement all administrative, physical and technical safeguards necessary to protect any information that can be used to identify an individual, including without limitation names, addresses, telephone numbers, e-mail addresses, employee identification numbers, signatures, passwords, financial information, credit card information, biometric or health data, government-issued identification numbers and credit report information ("**Personal Information**") in accordance with applicable laws and industry best practices. Without limiting the foregoing, you must comply with the Payment Card Industry Data Security Standard (commonly known as "**PCI Compliance**" or "**PCI-DSS**"), and any successor thereto. It is entirely your responsibility (even if we provide you any assistance or guidance in that regard) to confirm that the safeguards you use to protect Personal Information comply with all applicable laws and industry best practices related to the collection, access, use, storage, disposal and disclosure of Personal Information. If you become aware of a suspected or actual breach of security or unauthorized access involving Personal Information, you will notify us immediately and specify the extent to which Personal Information was compromised or disclosed.

N. You acknowledge and agree that the foregoing standards of quality and performance are reasonable and necessary to preserve the identity, reputation, value and goodwill of the System. In the event that any cash rebates, mark ups, volume discounts, concessions, advertising allowances, or discount bonuses (collectively "**Rebates**"), whether by way of cash, kind or credit, are available to or received by us and/or our affiliates from any third party, whether or not on account of purchases made (i) by us for our own account or for your account, or franchisees generally; or (ii) by you directly for your own account, we and/or our affiliates shall be entitled to retain the whole of the amount or any part of such Rebates. You acknowledge and agree that we and/or our affiliates have the right to realize a profit on any goods or services that we and/or our affiliates supply to you.

11. **Delivery Services**.

A. You must provide delivery services in compliance with the Confidential Operations Manual and as we otherwise specify in writing from time to time. We may authorize you to provide delivery

services directly to end user customers, through approved third-party delivery service providers (each a "**Third-Party Delivery Provider**") or through such other delivery methods as we approve in advance in writing.

B. You will not receive any exclusive or protected delivery area around your Restaurant for engaging in delivery or sale for delivery of sandwiches and other food products ("**Delivery Activities**"). We may establish from time to time geographic areas within which you may perform Delivery Activities (your "**Delivery Area**"). We may restrict where you may engage in Delivery Activities, and we may designate one or more Third-Party Delivery Providers as the sole or designated Third-Party Delivery Provider(s) and require you to contract with and comply with your agreements with them. We may require you to direct customers for Delivery Services outside of your Delivery Area to other Subway® Restaurants or decline to sell sandwiches and other food products to them. We may permit Third-Party Delivery Providers to direct and allocate Delivery Activities among delivery service areas they or we may designate. Because of the evolving nature of the food to-go and delivery service sector, these standards and policies for Delivery Activities may change and evolve at any time. We will not be liable for any reduction in your sales or profits as a result of these Delivery Activities or for engaging in Delivery Activities.

C. You must comply with all laws at all times in offering Delivery Activities, including, but not limited to, obtaining and maintaining all required permits, licenses, consents and waivers required by any laws. You also agree to comply fully with the standards for third-party ordering and delivery services as established by us from time to time, including, but not limited to: using such food containers, thermal bags or other storage devices we may designate to the Third-Party Delivery Provider or you; providing such amount of additional condiments, napkins and utensils as we deem appropriate; sealing the delivery bags with the appropriate tamper-evident sticker or other approved methods; and ensuring the food safety, quality and temperature maintenance of sandwiches and other food products. You are solely responsible for maintaining adequate insurance to cover any liability that may arise from the use of Third-Party Delivery Providers (or other delivery methods) for Delivery Activities from your Restaurant and comply with our requirements for such insurance.

D. Unless approved in advance in writing by us, you will not: (a) advertise, promote or make any media statements about any Third-Party Delivery Provider; or (b) purport to authorize or consent to any Third-Party Delivery Provider to advertise or promote its own products or services using any of the Marks.

E. We reserve the right to periodically designate Third-Party Delivery Providers in our sole judgment. If you want to use a Third-Party Delivery Provider that we have not yet approved, you must first submit the name of such proposed Third-Party Delivery Provider and other sufficient information for us to evaluate whether the Third-Party Delivery Provider meets our criteria. We may condition our approval of a Third-Party Delivery Provider on such provider agreeing to provide periodic delivery sales reports directly to us and such other requirements relating to reliability, consistency, standards of service (including prompt attention to complaints) and/or other criteria, and may not use the Third-Party Delivery Provider absent our written consent. We may receive fees from Third-Party Delivery Providers in return for designating them as approved or designated for Subway® Restaurants and may negotiate with them for our benefit or that of Subway® Restaurants. We reserve the right periodically to revoke our approval of any Third-Party Delivery Provider that does not continue to meet our criteria. Notwithstanding the foregoing, you agree that we may limit the number of Third-Party Delivery Providers with whom you may deal, designate Third-Party Delivery Providers that you must use, and/or refuse any of your requests for any reason, including if we have already designated an exclusive Third-Party Delivery Provider for the System or if we believe that doing so is in the best interests of the System.

F. You agree to grant us access to, or otherwise collect and report in the form and manner desired by us, all operational, financial and other information concerning the Delivery Activities provided from your Restaurant, including, but not limited to, all Gross Sales, transactions and guest count data, product mix, service time data and financial results. We will have permission to access Gross Sales, guest count, and other operational data, including, without limitation, staffing and customer satisfaction data from the relevant Third-Party Delivery Provider and your Restaurant.

G. You may not establish "ghost kitchens" (separate facilities for food preparation, typically for preparation of delivery orders) without our prior, written approval, and if we grant such approval then you must comply with any and all guidelines that we may establish and modify from time to time.

12. **Modification of the System**. You recognize and agree that from time to time we may change or modify the System, including the adoption and use of new or modified trade names, trademarks, service marks or copyrighted materials, new menu items, new products, new equipment or new techniques and that you will accept, use and display for the purpose of this Agreement any such changes in the System, as if they were part of this Agreement at the time of execution hereof. Within the timeframes that we may reasonably require, you will make such expenditures as such changes or modifications in the System as we may reasonably require, including but not limited to repairs, upgrades and remodels. You shall not change, modify or alter in any way the System without our prior written consent. You will be provided with reasonable notice of any material updates or changes to the System or the Confidential Operations Manual.

13. **Fees and Contributions**.

A. **Franchise Fee**. When you sign this Agreement, you will pay us the fee(s) (the "**Franchise Fee**") indicated in the Key Contract Data at the beginning of this Agreement, which shall be deemed fully earned by us and shall be nonrefundable upon execution of this Agreement (except as otherwise expressly provided in this Agreement) as consideration for expenses incurred by us in furnishing assistance and services to you and for our lost or deferred opportunity to sell a franchise to others. If you or your affiliate are an existing Subway® franchisee, you represent that your other Subway® Restaurant(s) is/are in substantial compliance with the Operations Manual and there are no material defaults under the franchise agreement(s) governing the operation of such Subway® Restaurant(s). If any of the aforesaid representations are not true when the Restaurant opens (based upon the most recent restaurant evaluation), you agree to pay us an additional $7,500.

B. **Royalty Fee**. You shall pay to us without offset, credit or deduction of any nature unless otherwise permitted by us in writing, so long as this Agreement shall be in effect, a royalty fee equal to eight percent (8%) of Gross Sales of the Restaurant on a weekly basis or other periodic basis that we may determine from time to time (the "**Royalty Fee**").

C. **Advertising Contributions**. You shall pay without offset, credit or deduction of any nature, to us, so long as this Agreement shall be in effect, advertising contributions equal to four and one-half percent (4.5%) of Gross Sales of the Restaurant on a weekly basis or other periodic basis that we may determine from time to time ("**Advertising Contributions**").

D. **Restaurant Excellence Visits**. We or a third-party that we authorize will conduct periodic "**Restaurant Excellence Visits**" as set forth in the Confidential Operations Manual or otherwise in writing. We will not charge you for these Restaurant Excellence Visits. However, if you receive a "Fail" score (as determined by us or the third-party conducting the Restaurant Excellence Visit), you will be required to pay a fee of $144.91 (the "**Revisit Fee**") for a subsequent Restaurant Excellence Visit (a "**Revisit**"). You will receive a Revisit until you achieve a score of "Pass", and you will pay the Revisit Fee for each Revisit. The

Revisit Fee is subject to increase by 3% per year. Effective January 1, 2027, the Revisit Fee will increase to $149.26 per revisit (subject to increase by 3% per year).

E. **Restaurant Technology Fee; Digital Technology Fee**. You will pay us a "**Restaurant Technology Fee**" for the Software of $75 per month, payable per Restaurant. This cost covers development and maintenance of the Software for each POS system terminal in the Restaurant as well as other restaurant technology. We will charge this fee to your pre-authorized account with us. We reserve the right to increase this fee at any time without notice to you. In addition to the Restaurant Technology Fee, we reserve the right to charge in the future a "**Digital Technology Fee**" to cover our costs of development, infrastructure and support of programs including our Subway® App, Online Ordering, Third-Party Delivery platform support, Digital Menu Boards and Social Media Platforms.

F. **Legacy Support Fee**. To cover our costs related to any non-compliance, you must pay to us or our affiliate the "**Legacy Support Fee**" if you do not comply with our technology standards and specifications, fail to return hardware, fail to upgrade systems, fail to allow access in a timely manner, install unauthorized software, or attempt to hack or circumvent our software, all as provided in this Agreement, any other agreement between you, on the one hand, and us or our affiliate on the other hand, or otherwise as set forth in the Confidential Operations Manual or otherwise in writing. The Legacy Support Fee is currently $200 for each month that you are not in compliance with any of the foregoing. We reserve the right to increase the Legacy Support Fee at any time without notice to you.

G. **Digital Menu Boards Hardware-as-a-Service Fee**. You will pay us a monthly fee for our Digital Menu Board Hardware-as-a-Service ("**DMB HaaS**") program, currently $155 per month. DMB HaaS includes service, installation, maintenance and help-desk support for digital menu boards in your Restaurant. We reserve the right to increase the DMB HaaS fee at any time without notice to you.

H. **Extended Producer Responsibility.** You acknowledge and agree that if we or any of our affiliates are required to pay fees or expenses in connection with extended producer responsibility ("EPR") programs, whether imposed by applicable law, regulation, a producer responsibility plan, or a producer responsibility or stewardship organization, you may be required to reimburse us or our affiliate for all such fees and expenses attributable to the Restaurant, including our or our affiliate's reasonable costs and expenses incurred in complying with the EPR program on your behalf.

I. **Payment Terms**. The following terms and conditions apply to all payments due to us from you:

1. On or before Thursday at 3:00 p.m. Eastern Time of each week (or such other day and time as prescribed by us from time to time), you will submit to us in the format that we require a correct statement of the Gross Sales of the Restaurant for the preceding week ending Tuesday (or such other day as prescribed by us from time to time). Such Gross Sales statement shall be submitted through our designated control system, using approved POS System hardware and software, to the location we designate. Each weekly statement (or other periodic statement that we designate) of Gross Sales shall be accompanied by the Royalty Fee and Advertising Contributions payment based on the Gross Sales reported in the statement so submitted. You will make available to us for reasonable inspection at reasonable times and through reasonable means determined by us (including electronic), all original books and records (electronic and hard copy) that we may deem necessary to ascertain the Gross Sales of the Restaurant.

2. The term "**Gross Sales**" as used herein, shall mean and include the aggregate amount of all sales of food products, beverages and other merchandise, products and services of

every kind or nature sold from, at or in connection with the Restaurant or arising out of the operation or conduct of business by the Restaurant, less any customer refunds up to the amount of the sales price and excluding all sales, use or service taxes collected and paid to the appropriate taxing authority. "**Gross Sales**" shall include: (a) all amounts redeemed from gift certificates, gift cards or similar media, and sales made through alternative platforms, (b) all insurance proceeds received by you for loss of business due to a casualty or other event at the Restaurant, and (c) the fair market value of any services or products received by you in barter or exchange for your services or products.

3. All amounts you owe under this Agreement or any other Franchise Agreement, Sublease or other agreement that you have with us or any of our affiliates must be paid through electronic funds transfer in the manner we designate, unless we specify otherwise. These amounts include Royalty Fees, Advertising Contributions, interest, late fees, and any and all other charges that you owe. Before the Restaurant opens, you will sign and deliver to us appropriate electronic funds transfer preauthorized draft forms (or forms serving the same purpose) for the Restaurant's checking account (the "**Pre-authorized Account**"). Upon our request, you agree to sign any additional documents we require to authorize us and our affiliates to debit your Pre-authorized Account. You hereby authorize us and our affiliates to debit your Pre-authorized Account for the Royalty Fees, Advertising Contributions, amounts due for purchases by you from us or our affiliates, and all other amounts due us or our affiliates under this Agreement, under any other agreement with us or our affiliate, or otherwise. You agree to ensure that funds are available in the Pre-authorized Account to cover our withdrawals. In certain circumstances, you will also authorize us to withdraw money for fees or payments that we paid, pay or will pay to a third party, including without limitation your landlord or licensor, on your behalf in connection with the Restaurant.

4. If you fail to submit the weekly (or other periodic) Gross Sales statements, we have the right to obtain the Restaurant's Gross Sales information and data directly from your POS System which you acknowledge and agree we have a right to access. In the event for any reason we are unable to access the necessary information through POS System reports, we will estimate your Royalty Fee and Advertising Contribution by using a Gross Sales figure that is equal to the average weekly (or other periodic) Gross Sales of your Restaurant for the previous eight (8) weeks, increasing by 10% for each 3-week period that such statements remain unsubmitted. If the estimated amounts that we debit from your Pre-authorized Account are less than the amounts you actually owe us (once we have determined the Restaurant's true and correct Gross Sales), we will debit your Pre-Authorized Account for the balance on the day we specify. If the estimated amounts that we debit from your Pre-authorized Account are greater than the amounts you actually owe us, we will credit the excess against the amounts we otherwise would debit from your Pre-authorized Account on the next payment date.

5. If your payment of Royalty Fees, Advertising Contributions, or other charges that you owe us is more than one week late, you will pay us interest at a rate of twelve percent (12%) (or the maximum rate allowed by the law where the Restaurant is located) per annum on any Royalty Fees, Advertising Contributions, or other charges you will owe us under this Agreement. If permitted by local law, we may also charge you a late fee equal to ten percent (10%) (or the maximum rate allowed by law) per annum on all past due accounts to cover our banking, administrative, and accounting costs. In the event that any late charge, interest rate, or other payment provided herein exceeds the maximum applicable charge legally allowed, such late charge, interest rate, or other payment shall be reduced to the maximum legal charge, rate, or amount. You acknowledge that this sub-section shall not constitute agreement by us or our affiliates to accept such payments after same are due or a commitment by us to extend credit to, or otherwise

finance your operation of, the Restaurant. Further, you acknowledge that your failure to pay all amounts when due shall constitute grounds for termination of this Agreement, as provided herein. You must pay us a sum of Fifty Dollars ($50) if you default on payments because you change banks without notice. You must pay us a sum of Twenty Dollars ($20) if your payments to us are unsuccessful due to insufficient funds in your pre-authorized account.

6. Notwithstanding any designation by you, we shall have the right to apply any payments by you to any past due indebtedness of you for Royalty Fees, Advertising Contributions, purchases from us and our affiliates, interest, late fees, and other charges that you owe, or any other indebtedness. You shall be responsible for and shall pay to us (or reimburse us for the payment of) upon demand any tax assessed (excluding tax on our net income) on or measured by the amount of Royalty Fees or any other amounts paid to us under this Agreement.

14. **Advertising**. Recognizing the value of advertising and the importance of the standardization of advertising and promotion to the furtherance of the goodwill and the public image of Subway® Restaurants, you agree as follows:

A. All advertising and marketing materials, including, but not limited to, newspapers, radio and television advertising, advertising through an Online Presence including internet, social media, electronic mail or other similar electronic or digital medium, and specialty and novelty items, signs, boxes, napkins, bags and wrapping papers, will be compliant with the requirements set forth by us in the Confidential Operations Manual or through other written means, or will otherwise be submitted to us or our designee, for our prior approval. In the event written approval of said advertising and promotional materials is not given by us to you within twenty (20) days from the date such materials are received by us, said materials shall be deemed disapproved. You must participate in, and comply with the requirements of, any sales, marketing, advertising, and promotional programs we implement, and you must use only the materials and media for these programs that we designate or otherwise expressly approve. Information you collect about customers, including through an Online Presence or at the Restaurant, may be subject to requirements set forth in the Confidential Operations Manual or otherwise in writing by us. You will not place "For Sale" or similar signs at or in the general vicinity of the Restaurant or use any words in any advertising that identify the business offered for sale as a Subway® Restaurant, nor will you allow any vendor or agent of yours to do so. You will always indicate your status as an independent franchise operator to others and on any document or information released by you in connection with the Restaurant. You will display the following notice (subject to modification by us from time to time) in a prominent place at the Restaurant: "The Subway® trademarks are owned by Subway US IP Holder LLC and the independent franchise operator of this restaurant is a licensed user of such trademarks."

B. You specifically acknowledge and agree that any Online Presence shall be deemed "advertising" under this Agreement, and will be subject to, among other things, our written approval. In connection with any Online Presence, you agree to the following:

1. Before establishing the Online Presence, you shall submit to us a sample of the Online Presence content, format and other information in the form and manner we may reasonably require.

2. You shall not establish or use the Online Presence without our prior written approval.

3. In addition to any other applicable requirements, you shall comply with our standards and specifications for an Online Presence as prescribed by us in the Confidential

Operations Manual or otherwise in writing. If required by us, you shall establish your Online Presence as part of our Online Presence and/or establish electronic links to our Online Presence.

4. If you propose any material revision to the Online Presence or any of the information contained in the Online Presence, you shall submit each such revision to us for our prior written approval.

C. You may utilize social media accounts (such as Facebook® or Twitter®) or other Online Presences only if approved by us in writing. If we approve the use of any Online Presence, you will develop and maintain such Online Presence only in accordance with our guidelines, including our guidelines for posting any messages or commentary. We may at any time revoke your rights to use any Online Presence or require that you obtain our approval of any message that you intend to post prior to posting. We will own the rights to each Online Presence. At our request, you agree to grant us access to each such Online Presence, and to take whatever action (including signing assignment or other documents) we request to evidence our ownership of such Online Presence, or to help us obtain exclusive rights in such Online Presence.

D. We will deposit the Advertising Contributions into the Subway Franchisee Advertising Fund Trust ("**SFAFT**") or such other marketing fund(s) as we shall designate from time to time. You acknowledge Advertising Contributions will not necessarily benefit franchisees in any area in proportion to the amounts they paid. We or our designee may negotiate programs and advertising contributions with suppliers and specify that these advertising contributions be placed into a fund to be spent on advertising and related expenses for the benefit of franchisees. Except as provided herein, such payments shall be made in addition to and exclusive of any sums that you may be required to spend on local advertising and promotion. The Advertising Contributions shall be used by us or our designee, as follows:

1. We shall direct all advertising programs and have the right to determine the creative concepts, materials and media used in such programs and the placement and allocation thereof. You agree and acknowledge that the advertising programs are intended to maximize general public recognition and acceptance of the Marks, patronage of Subway® Restaurants and the Subway® brand and System generally, and that we and our designee undertake no obligation to make expenditures for you that are equivalent or proportionate to your Advertising Contributions, or to ensure that any particular franchisee benefits directly or pro rata from the placement of advertising. We or SFAFT may create, modify or abolish franchisee advisory boards or councils from time to time that serve solely in an advisory capacity with respect to the advertising programs that we direct.

2. We shall, for each of our company-owned and affiliate-owned Subway® Restaurants, make (or cause to be made) advertising contributions equivalent to the Advertising Contributions required of franchisees within the System.

3. You agree that the funds may be used to meet any and all costs of maintaining, administering, directing and preparing advertising (including, without limitation, the cost of preparing and conducting television, Online Presence, radio, magazine and newspaper advertising campaigns, loyalty programs, digital technological platforms and enhancements and other public relations activities; employing advertising agencies to assist therein; providing promotional brochures and other marketing materials to franchisees in the System); maintaining and updating Online Presences for Subway® Restaurants; and developing and maintaining application software designed to run on computers and similar devices, including tablets, smartphones and other mobile devices, as well as any evolutions or "next generations" of any such devices. All sums paid by you

as Advertising Contributions shall be maintained in one or more separate accounts that contain only Advertising Contributions and other sums to be used for advertising, and such sums shall not be used to defray any of our general operating expenses, except for such administrative costs and overhead, if any, as we or our affiliates may incur in activities reasonably related to the administration or direction of advertising programs including, without limitation, conducting marketing research, preparing marketing and advertising materials, and collecting and accounting for assessments for advertising.

4. It is anticipated that all Advertising Contributions shall be expended for advertising and promotional purposes during our fiscal year within which contributions are made. If, however, excess amounts remain at the end of such fiscal year, all expenditures in the following fiscal year(s) shall be made first out of any current interest or other earnings, next out of any accumulated earnings, and finally from principal.

5. We may terminate advertising accounts at any time but will not do so until all monies in them have been expended for advertising and promotion purposes or have been transferred to one or more other accounts used for advertising.

6. An accounting of our use of Advertising Contributions shall be prepared annually and shall be made available to you upon request. We reserve the right, at our option, to require that such annual accounting include an audit prepared by an independent certified public accountant selected by us, with such preparation to be paid for out of Advertising Contributions.

15. **Confidential Information**.

A. We and our affiliates possess (and may continue to develop and acquire) certain confidential information, some of which constitutes trade secrets under applicable law (the "**Confidential Information**"), relating to developing and operating Subway® Restaurants, whether or not marked confidential, including (without limitation): (1) site selection criteria; (2) training and operations materials and manuals, including, without limitation, recipes, product formulas, drawings, blueprints, reproductions, data, franchise agreements, and the Confidential Operations Manual; (3) the System Standards and other methods, formats, specifications, standards, systems, procedures, devices, techniques, sales and marketing techniques, business plans, methods and strategies, knowledge, and experience used in developing, promoting and operating Subway® Restaurants, business information related to franchisees, pricing policies; (4) market research and plans, creative materials, media schedules, promotional, marketing and advertising programs for Subway® Restaurants, organizational structure, financial information; (5) knowledge of specifications for, and suppliers of, operating assets and other products and supplies; (6) supplier and vendor lists; (7) any computer software or similar technology that is proprietary to us, our affiliates, or the System, including, without limitation, digital passwords and identifications and any source code of, and data, reports, and other printed materials generated by, the software or similar technology; (8) content published over internal communication platforms; (9) knowledge of the operating results and financial performance of Subway® Restaurants, other than your Restaurant; (10) customer lists and related data; and (11) all information we or our affiliates designate as confidential. The following shall not constitute Confidential Information: (i) information that you can demonstrate came to your attention prior to disclosure thereof by us; (ii) information that, at the time of disclosure by us to you, had become a part of the public domain, through publication or communication by others; or (iii) information that, after disclosure to you by us, becomes a part of the public domain, through publication or communication by others through no fault of you. Confidential Information may be provided to you by us, our affiliates, BDs, service providers, or franchisees, or from agents of us or our affiliates. Confidential Information will remain our property or our affiliates' property.

B. All Confidential Information furnished to you by us or on our behalf, whether orally or by means of written material (i) shall be deemed proprietary, (ii) shall be held by you in strict confidence, (iii) shall not be copied, disclosed or revealed to or shared with any other person except to your employees or contractors who have a need to know such Confidential Information for purposes of this Agreement and who are under a duty of confidentiality no less restrictive than your obligations hereunder, or to individuals or entities specifically authorized by us in advance, and (iv) shall not be used in connection with any other business or capacity. You will not acquire any interest in Confidential Information other than the right to use it as we specify in operating your Restaurant during the Term. You agree to protect the Confidential Information from unauthorized use, access or disclosure. We may require you to have your employees and contractors execute individual undertakings and shall have the right to regulate the form of and to be a party to or third-party beneficiary under any such agreements. You acknowledge that any form of non-disclosure and non-competition agreement that we require you to use, provide to you, or regulate the terms of, may or may not be enforceable in a particular jurisdiction. You agree that you are solely responsible for obtaining your own professional advice with respect to the adequacy of the terms and provisions of any confidentiality and non-compete agreement that your employees, agents and independent contractors sign.

C. You acknowledge and agree that, as between us and you, we are the sole owner of all right, title, and interest in and to the System and any Confidential Information. All improvements, developments, derivative works, enhancements, or modifications to the System and any Confidential Information, ideas, slogans, marketing plans, advertising material, concepts, drawings, techniques, inventions (including any resulting patent rights), innovations, trademarks, trade secrets, copyrights, works of authorship, and any other protectable or proprietary interest in any similar intangible asset, relating to a Subway® Restaurant (collectively, "**Innovations**") made or created by you, your employees or your contractors, whether developed separately or in conjunction with us, shall be owned solely by us. You represent, warrant, and covenant that your employees and contractors are bound by written agreements assigning all rights in and to any Innovations developed or created by them to you. To the extent that you, your employees or your contractors are deemed to have any interest in such Innovations, you hereby agree to assign, and do assign, all right, title and interest in and to such Innovations to us. To that end, you shall execute, verify, and deliver such documents (including, without limitation, assignments) and perform such other acts (including appearances as a witness) as we may reasonably request for use in applying for, obtaining, perfecting, evidencing, sustaining, and enforcing such ownership rights in and to the Innovations, and the assignment thereof. Your obligation to assist us with respect to such ownership rights shall continue beyond the expiration or termination of this Agreement. In the event we are unable for any reason, after reasonable effort, to secure your signature on any document needed in connection with the actions specified in this Section, you hereby irrevocably designate and appoint us and our duly authorized officers and agents as your agent and attorney in fact, which appointment is coupled with an interest and is irrevocable, to act for and on your behalf to execute, verify, and file any such documents and to do all other lawfully permitted acts to further the purposes of this Section with the same legal force and effect as if executed by you. The obligations of this Section shall survive any expiration or termination of this Agreement.

D. Due to the special and unique nature of our Confidential Information, the Marks, and Confidential Operations Manual, you hereby agree and acknowledge that we shall be entitled to immediate equitable remedies, including but not limited to, restraining orders and injunctive relief in order to safeguard such proprietary, confidential, unique, and special information and that money damages alone would be an insufficient remedy with which to compensate us for any breach of the related terms of this Agreement.

E. Upon our request, you will promptly return all tangible Confidential Information, including any reproductions and copies. In the event that you are requested or required to disclose any part of the Confidential Information in connection with a legal proceeding, investigation or other similar process, you shall provide us with prompt written notice of any such request or requirement so that we may seek a

protective order or other appropriate remedy and/or waive compliance with the provisions of this Section. If, in the absence of a protective order or other remedy or waiver, you are legally compelled to disclose Confidential Information to any tribunal, you may disclose to such tribunal only that portion of Confidential Information which your legal counsel advises that you are legally required to disclose without any liability under this Section.

16. **Accounting and Records**.

A. You shall establish and maintain a bookkeeping, accounting and record keeping system conforming to the requirements prescribed by us, for the purpose of keeping, and making available to us upon our written request, complete business records exclusively for the Restaurant for the current year and for the immediate past three (3) years, including cash register/POS data, control sheets, weekly inventory and sales reports, deposit slips, business and personal bank statements, canceled checks, sales and purchase records, business and personal tax returns, Schedule K-1 forms, cash receipts journals, cash disbursements journals, payroll registers, general ledgers, financial statements, profit and loss statements, balance sheets, and any other similar records and information we may request. These records must be separate from the records kept for any other business in which you have an interest.

B. You shall submit to us such periodic financial and other reports, forms and records as specified, and in the manner and at the time as specified in the Confidential Operations Manual or otherwise in writing.

C. You shall record all sales on the POS System or other electronic cash registers approved by us or on such other types of equipment as may be designated by us in the Confidential Operations Manual or otherwise in writing. You agree that we shall have the right to require you to utilize the computer or tablet-based POS System cash registers that are fully compatible with any program(s) or system(s) that we, in our direction, may employ. All Gross Sales and all sales information shall be recorded on such equipment. We shall at all times have real-time and full access to all of your data, POS System, system and related information by such means as we may determine from time to time, including without limitation direct access in person, or access by electronic means.

D. You agree that we will have the right to examine your books, records and any electronic data necessary to perform an independent audit or other analysis. You also grant us permission to examine, without prior notice to you, all records of your purchases from a supplier, and you authorize such suppliers to release your purchase records to us at such times and places as we request. You will allow us and our representatives, including without limitation our BDs and their representatives, to conduct an audit, review your business operations and records, including POS System reports, perform audio and visual recordings to the extent permitted by law, and otherwise access all areas of the Restaurant without prior notice at any time you or your employees are on the Premises. Upon our written request, you will make photocopies or electronic copies of all documentation or electronic data that we request and forward them to us or our representatives as we designate. We will reimburse you for the reasonable cost of copying this information. If we notified you in writing of an audit at least five (5) days in advance and you fail to produce your books and records at the time of the audit, you will be responsible for all costs we incur, including, without limitation, the charges of any independent accountant, the compensation of our employees or representatives, and attorneys' fees.

E. We shall have the right, at any time, to audit, or have an independent audit made, of your books. If we or an independent auditor determine, after conducting an audit, that you under-reported Gross Sales by more than two percent (2%) of your reported Gross Sales, you will pay us the Royalty Fees, Advertising Contributions and other charges due on the Gross Sales that were not reported, plus all costs

associated with conducting the audit and collecting the unpaid amounts, including without limitation mediation and arbitration fees, court costs, lawyers' fees, accountants' and other professionals' fees, management preparation time, witness fees, and travel expenses, plus interest and late fees (the "**Overdue Amount**"). If you fail to submit your information to be audited, we have the right to obtain the Restaurant's Gross Sales information and data directly from your POS System reports which you acknowledge and agree we have a right to access. We will use those reports to determine any amount of the under-reported Gross Sales and charge the Overdue Amount on that basis. In the event for any reason, we are unable to access the necessary information through the POS System reports, we may estimate your sales and charge the Overdue Amount based upon the estimate. The foregoing remedies shall be in addition to any other remedies we may have.

F. At any time during the Term, you authorize us to conduct credit checks or investigative background searches on you which may reveal information about your business experience, educational background, criminal record, civil judgments, property ownership, liens, associations with other individuals, creditworthiness, and job performance.

17. **Corporation, Limited Liability Company or Partnership Franchisee**.

A. **Corporate Franchisee**. Except as otherwise approved by us in writing, if you are a corporation, you shall (i) confine your activities, and your governing documents shall at all times provide that your activities are confined, exclusively to operating one or more Subway® Restaurants; (ii) furnish us with your articles of incorporation and bylaws as well as such other documents that we may reasonably request, including the Owner's Guaranty and Assumption of Franchisee Obligations, attached as **Exhibit A**, executed by all current beneficial owners of any class of voting stock; (iii) maintain stop transfer instructions on your records against the transfer of any equity securities and only issue securities upon the face of which a legend, in a form satisfactory to us, appears which references the transfer restrictions imposed by this Agreement; (iv) not issue any voting securities or securities convertible into voting securities without our prior written approval, which approval shall be conditioned on, among other things, the new shareholder(s)'s (and all new beneficial owners') execution of an Owner's Guaranty and Assumption of Franchisee Obligations, attached as **Exhibit A**; and (v) maintain a current list of all owners of record and all beneficial owners of any class of voting stock and furnish the list to us upon request. For the avoidance of doubt, the governing documents of all parent or holding entities are also at all times subject to our review and must at all times be consistent with the foregoing guidelines and restrictions.

B. **Limited Liability Company Franchisee**. If you are a limited liability company, you shall: (i) confine your activities, and your governing documents shall at all times provide that your activities are confined, exclusively to operating one or more Subway® Restaurants; (ii) furnish us with your articles of organization and operating agreement, as well as such other documents as we may reasonably request, and any amendments thereto; (iii) prepare and furnish to us, upon request, a current list of all members and managers; (iv) maintain stop transfer instructions on your records against the transfer of any equity securities and only issue securities which bear a legend, in a form satisfactory to us, which references the transfer restrictions imposed by this Agreement; and (v) deliver to us the Owner's Guaranty and Assumption of Franchisee Obligations, attached as **Exhibit A**, executed by each member and each owner of any beneficial interest in you. For the avoidance of doubt, the governing documents of all parent or holding entities are also at all times subject to our review and must at all times be consistent with the foregoing guidelines and restrictions.

C. **Partnership Franchisee**. If you are a partnership, you shall: (i) confine your activities exclusively to operating one or more Subway® Restaurants; (ii) furnish us with your partnership agreement, as well as such other documents as we may reasonably request and any amendments thereto; (iii) furnish

to us, upon request, a current list of all general and limited partners; and (iv) deliver to us the Owner's Guaranty and Assumption of Franchisee Obligations, attached as **Exhibit A**, executed by each general partner and each owner of any beneficial interest in such general partner. For the avoidance of doubt, the governing documents of all parent or holding entities are also at all times subject to our review and must at all times be consistent with the foregoing guidelines and restrictions.

18. **Transferability of Interest**.

A. **By Franchisor/Delegation of Duties**. This Agreement is fully assignable by us and shall inure to the benefit of any assignee or other legal successor to the interests of us herein. To the extent that the purchaser or transferee shall assume our covenants and obligations under this Agreement, we shall thereupon and without further agreement, be freed and relieved of all liability with respect to such covenants and obligations. From time to time, we shall have the right to delegate the performance of any or all of our obligations and duties hereunder to third parties, whether the same are our agents or independent contractors that we have contracted with to provide such services. You agree in advance to any such delegation by us of any portion or all of our rights and obligations hereunder.

B. **Consent of Franchisor Required**.

1. The rights granted hereunder are personal to you. Accordingly, neither this Agreement, any rights under this Agreement, including specifically any right to use our intellectual property (including the Marks) as described in Section 8 above, the Restaurant owned by you nor any part of the ownership of you may be assigned or transferred by you or your owner(s) without our prior written consent, and any such assignment or transfer, or attempted assignment or transfer, without such consent shall constitute a breach hereof and shall convey no rights to or interests in this Agreement, the Restaurant owned by you or the ownership of you. Notwithstanding anything herein to the contrary, if a Bankruptcy Event (as defined below) occurs, then our consent to any assignment or transfer hereunder in connection with or during such Bankruptcy Event, shall be made in our sole and absolute discretion, and shall apply for all purposes, including in connection with any proposed assumption or assignment of this Agreement under 11 U.S.C. §365 or any successor or related statutes and regulations.

2. As used in this Agreement, the term "transfer" shall mean and include the voluntary, involuntary, direct or indirect assignment, sale, gift, pledge or other transfer by you or your owners of any interest in any of: (1) this Agreement and the Restaurant; (2) the ownership of you, or (3) substantially all of the assets of the Restaurant. An assignment, sale or other transfer shall include any of the following events: (1) the transfer of ownership of capital stock, voting stock (or security convertible to voting stock) or partnership interest; (2) merger or consolidation or issuance of additional securities representing an ownership interest in you; (3) transfer of an interest in you, this Agreement or the Restaurant owned by you in a divorce, insolvency, corporate or partnership dissolution proceeding or otherwise by operation of law; or (4) transfer of an interest in this Agreement, the Restaurant owned by you or an ownership interest of you in the event of the death of you or any of your owners, by will, declaration of or transfer in trust, or under the laws of intestate succession. For the avoidance of doubt, you may not pledge a security or other interest in this Agreement or in the proceeds of a sale of this Agreement or the assets of the Restaurant to any lender without our prior written consent.

3. You may not use or authorize the use of any Mark in advertising the transfer or other disposition of your Restaurant or of any ownership in you without our prior written consent. You shall not use or authorize the use of, and no third party shall on its behalf use, any written

materials to advertise or promote the transfer of your Restaurant or of any ownership interest in you without our prior written approval of such materials.

C. **Conditions for Consent**.

1. You acknowledge and agree that there may be no transfers before the Restaurant has opened for business. If you and your owners are in full compliance with this Agreement, we shall not unreasonably withhold our consent to a transfer, provided that we are satisfied in our sole business judgment that the proposed assignee and its owners are of good moral character who have sufficient business experience, aptitude and financial resources to perform the services required hereunder and otherwise meet our then applicable business standards for the grant or acquisition of similar rights, provided however, that our consent for a transfer in connection with any Bankruptcy Event shall be in our sole and absolute discretion.

2. A transfer of ownership in the Restaurant owned by you may only be made in conjunction with a transfer of this Agreement or the controlling interest in you, and further provided that if the transfer is of this Agreement or the Restaurant owned by you, or of a controlling interest in you, or is one of a series of transfers which in the aggregate constitute the transfer of a controlling interest in this Agreement, the Restaurant owned by you, substantially all of the assets of the Restaurant or you, in addition to the conditions set forth above, all of the following conditions are met prior to, or concurrently with, the effective date of the assignment or transfer: (1) you must have complied with the right of first refusal set forth below; (2) all obligations of you and your owners incurred in connection with this Agreement have been assumed by the assignee and its owners; (3) you shall have paid all amounts owed to us; (4) the assignee shall have completed the training program required of new franchisees; (5) the assignee and its owners shall execute and agree to be bound by the form of franchise agreement and any ancillary agreements as are then customarily used by us in the grant of the rights described hereunder, which franchise agreement shall provide for a term no less than the then remaining term of this Agreement; (6) you shall have paid a transfer fee equal to fifty percent (50%) of our then-current standard initial franchise fee (excluding any promotions or discounts) (or, as follows: (a) standard transfer to a new or existing Subway® franchisee, $3,200; (b) if you are transferring an interest to your spouse or child upon death or permanent disability, and transfers associated with divorce, $200; or (c) all other transfers, $2,000 (additions, deletions, entity conversion, entity change of ownership, and immediate family transfers)), plus $3,000 for any satellite Restaurant you transfer) (excluding any promotions or discounts) (or, $1,000 for any satellite Restaurant that has been established for one year or less); (7) the assignee shall present evidence satisfactory to us that it has the right to remain in possession of the Premises for the term of assignee's franchise agreement; (8) you and your owners shall have executed a general release, in form satisfactory to us, of any and all claims against us and our affiliates, BDs, officers, directors, owners, employees and agents; (9) you and your owners must abide by the terms of this Agreement which by their nature survive termination, including without limitation the post-termination covenant not to compete set forth in Section 23; and (10) the transferee execute our then-current form of Transfer Addendum.

3. In conjunction with our consideration of consenting to a proposed transfer, we shall prepare an itemized written assessment of the need for refurbishing and/or remodeling of the Restaurant (the "**Remodeling Requirements**") to conform with the then-existing standards and specifications for the décor of Subway® Restaurants within the System. The Remodeling Requirements shall be forwarded to you/assignor and the proposed assignee. You/assignor shall obtain a written cost estimate from reputable contractors to complete the Remodeling Requirements and such cost estimate shall be provided to us and the proposed assignee. Completion of the

Remodeling Requirements shall be your responsibility and shall be a condition of our final consent to a transfer contemplated in this Section. Funding for the Remodeling Requirements shall be the subject of negotiation and agreement by and between you/assignor and the proposed assignee. The Remodeling Requirements shall be contemplated prior to the proposed transfer, unless otherwise agreed to between us and you.

4. We shall not be obligated to consider giving our consent to any such transfer unless you have requested such consent in writing and have provided to us at least thirty (30) days in advance of the proposed transfer: your current financial statements; such other information (on such forms or via such systems that we require) including, but not limited to, the proposed sales price and terms of payment (including any and all applicable letters of intent, term sheets, purchase and sale contracts, and other relevant documents and information pertaining to the transfer); an application for a franchise completed by the proposed transferee (buyer) including personal financial statements of such proposed transferee (buyer); the cost estimate of the Remodeling Requirements, and the opportunity to conduct an in-person interview with such proposed transferee (buyer).

5. The transfer fee may be refunded only if we have not yet issued the consent-to-transfer, and you and the buyer cancel the transfer. However, if the consent-to-transfer has already been issued, and (i) you and/or the buyer cancel the transfer, or (ii) we cancel the transfer because you and the buyer failed to complete the transfer within sixty (60) days after you received the consent-to-transfer, we will not refund any portion of the transfer fee. If you and the buyer desire to reactivate a transfer cancelled under these circumstances, and we approve, the parties must repay the full transfer fee.

D. **Franchisor Right of First Refusal**. If you or your owners shall obtain a bona fide, executed written offer from a responsible and fully disclosed purchaser in respect of a proposed transfer, including the purchase of an interest in this Agreement, the Restaurant or an ownership interest in you, you shall submit an exact copy of such offer to us, along with any other information that we may reasonably request. We shall have the right, exercisable by written notice delivered to you or your owners within thirty (30) days from the date of delivery of an exact copy of such offer and all reasonably requested information to us, to purchase such interest for the price and on the terms and conditions contained in such offer, provided that we shall be entitled to customary warranties, closing documents and post-closing indemnifications, may substitute cash for any other form of payment proposed in such offer and shall have not less than sixty (60) days to prepare for closing. If we do not exercise our right of first refusal, you or your owners may complete the sale to such purchaser pursuant to and on the terms of such offer, subject to our written approval of the purchaser as provided in sub-sections B and C of this Section; provided that if the sale to such purchaser is not completed within one hundred twenty (120) days after delivery of such offer to us, or if there is a material change in the terms of the sale, we shall again have the right of first refusal herein provided.

E. **Death or Disability of Franchisee**. Upon your death or permanent disability or, if you are a corporation, limited liability company or partnership, the owner of fifty percent (50%) or more of the partnership interest, equity or voting control of you, the executor, administrator, conservator or other personal representative of such person shall assign this Agreement or such interest in you to a third party approved in writing by us. Such disposition of such interest in you shall be completed within a reasonable time, not to exceed twelve (12) months from the date of death or permanent disability, and shall be subject to all the terms and conditions applicable to assignments contained in sub-sections B and C of this Section and elsewhere in this Agreement; *except that*, where the assignee is an heir, devisee, legatee or next of kin or immediate family, the assignee shall assume this Agreement and any ancillary agreements, and shall not

be required to execute our then-current form of franchise agreement and ancillary agreements, and shall pay a reduced transfer fee of $200. Failure to so dispose of this Agreement or such interest in you within said period of time shall constitute a breach of this Agreement. Pending disposition, we shall have the right to approve the management of the Restaurant owned by you. References to "immediate family" as used in this Agreement shall mean parents, spouses, children and siblings, and the parents, children and siblings of spouses.

F. **Effect of Consent to Assignment**. Our consent to a transfer, including an assignment of this Agreement or any interest subject to the restrictions of this Section shall not constitute a waiver of any claims we may have against the assignor, nor shall it be deemed a waiver of our right to demand exact compliance with any of the terms or conditions of this Agreement by the assignee or by the assignor.

19. **Covenants**.

A. We have entered into this Agreement with you on the condition that you will deal exclusively with us. You acknowledge and agree that we would be unable to encourage a free exchange of ideas and information among franchisees and us if franchisees were permitted to hold interests in any Competitive Businesses. You therefore agree that neither you nor your owners will have any direct or indirect Association with a Competitive Business during the Term, in accordance with the definitions and provisions below, unless we allow otherwise in writing.

B. You further covenant that during the Term, you shall not divert or attempt to divert any business of or any customers of the Restaurant to any Competitive Business, by direct or indirect inducement or otherwise, or do or perform directly or indirectly, any other act injurious or prejudicial to the goodwill associated with our Marks and the System, or in any way negligently or intentionally interfere with our business or our prospective business.

C. Upon termination of this Agreement by us in accordance with its terms and conditions or by you without cause or upon expiration of this Agreement, you and your owners agree that, for a period of one (1) year commencing on the effective date of termination or expiration or the date on which you and your owners begin to comply with this Section, whichever is later, neither you nor your owners nor any member of such owner's or owners' immediate families shall have any direct or indirect Association with a Competitive Business within a three (3) mile radius of the Approved Location or any Subway® Restaurant in operation or under construction as of the termination or expiration date or the date on which you and your owners begin to comply with this Section, except in connection with the operation of Subway® Restaurants under franchise agreements with us. The restrictions of this sub-section shall not be applicable to the ownership of shares of a class of securities listed on a stock exchange or traded on the over-the-counter market that represent two percent (2%) or less of the number of shares of that class of securities issued and outstanding. You (and your owners) expressly acknowledge that you (and they) possess skills and abilities of a general nature and have other opportunities for exploiting such skills. You further acknowledge and agree that the terms of the covenant are reasonable in scope, geography and time. Consequently, enforcement of the covenants made in this Section will not deprive you (or them) of your (or their) personal goodwill or ability to earn a living. To the extent that this sub-section is deemed unenforceable by virtue of its scope in terms of area or length of time, but may be made enforceable by reduction of either or both thereof, you and we agree that the same shall be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction in which enforcement is sought.

D. For each unauthorized Association with a Competitive Business in violation of this Section, you agree to pay us Fifteen Thousand Dollars ($15,000.00) plus eight percent (8%) of its gross sales (using the definition for calculating Royalty Fees in this Agreement), as being a reasonable pre-estimate of the

damages we will suffer. For each Competitive Business location for which we are unable to verify gross sales in a timely manner, you will pay us a sum of One Hundred Thousand Dollars ($100,000.00) and an additional One Hundred Thousand Dollars ($100,000.00) for each subsequent year the Competitive Business operates during the Term. You acknowledge and agree that the payment of such sum(s) is a good faith pre-estimate of our damages from the loss of Royalty Fees and Advertising Contributions, and not a penalty. You further agree that the payment of these sums would be insufficient to fully compensate us, and that damages from such competition would be difficult to calculate. Accordingly, you stipulate that any breach of this Section 19 would irreparably harm us, and that, notwithstanding the payment requirements herein, we have a right to injunctive relief to enforce the provisions of Section 19.

E. As used in this Agreement:

1. "**Competitive Business**" means any business that operates, manages, franchises or licenses restaurants or stores that derive more than twenty percent (20%) of its total gross revenue from the sale of any type of sandwiches on any type of bread, including but not limited to sub rolls and other bread rolls, sliced bread, pita bread, flat bread, and wraps, whether for on or off-premises consumption, or via delivery or catering. The word "sandwiches" as used in the previous sentence does not include hamburgers, hot dogs, burritos, or fried chicken sandwiches, and full-service restaurants where customers are served by waitstaff and pay after eating, and Subway® Restaurants operated under franchise agreements with us, are not Competitive Businesses. Examples (without limitation) of Competitive Businesses as of the Agreement Date are the following chain restaurants: D'Angelo Grilled Sandwiches, Jersey Mike's Subs, Jimmy John's, Firehouse Subs, Potbelly, Togo's, Which Wich Superior Sandwiches, Charley's Philly Steaks, Penn Station East Coast Subs, McAlister's Deli, Pita Pit, Schlotzky's, Cousin's Subs, Capriotti's, Quiznos, Jon Smith Subs, Erbert & Gerbert's, Lenny's Grill & Subs, PrimoHoagies, Tubby's Sub Shop, Blimpie's, Super Sandwich, Nardelli's, DiBella's, Deli Delicious, Groucho's Deli, CHēBA Hut, Steak Escape, Miami Grill, Goodcents Deli Fresh Subs, and Great Wraps.

2. "**Association with a Competitive Business**" means: 1) having any ownership interest in or serving as director, officer, employee or other representative of a Competitive Business; 2) advising or providing services, on a fee or no fee basis, to any individual or entity engaging in a Competitive Business in a manner which imparts your knowledge of the System; 3) loaning or otherwise providing money, inventory, equipment or supplies to any individual or entity operating a Competitive Business; or 4) leasing, licensing or otherwise granting access to, or the right to use, the property you control to anyone for the operation of a Competitive Business. Association with a Competitive Business does not include your ownership of outstanding securities of any corporation whose securities are publicly held and traded, provided that said securities are held by you for investment purposes only and that your total holdings do not constitute more than two percent (2%) of the outstanding securities of said corporation.

F. We shall have the right to require all of your personnel performing managerial or supervisory functions, all personnel receiving special training from us and all other personnel with access to confidential information to execute a non-disclosure agreement in a form satisfactory to us.

G. You specifically acknowledge that, pursuant to this Agreement, you will receive valuable training and confidential information, including, without limitation, information regarding our promotional, operational, sales, and marketing methods and techniques and those of the System. You covenant that you will maintain the absolute confidentiality of all such proprietary information during and after the Term and that you will not use any such information in any other business or in any manner not specifically authorized or approved in writing by us.

H. Unless we approve such an arrangement in advance and in writing, you agree that you will not enter into any agreement with any other entity, or with any individual who is not an approved owner of you or named as a franchisee in this Agreement, for such other entity or individual to manage or operate the Restaurant or receive the right to profits and losses of the Restaurant.

I. Throughout the Term, you will promptly and in writing disclose to us information regarding all individuals who (i) contribute or loan money toward the purchase or operation of the Restaurant; (ii) have any direct or indirect ownership interest in any assets of the Restaurant; or (iii) are a co-borrower, co-signer or guarantor of a loan (the "**Investors**"). You will promptly provide us with documentation related to any such Investors, including but not limited to promissory notes, loan agreements, shareholders agreements, management agreements, financial statements, articles or certificates of incorporation or organization, or other entity establishment documents, tax forms, or any other instruments which document the investment.

20. **Relationship of the Parties/Indemnification**.

A. It is understood and agreed by the parties hereto that this Agreement does not create a fiduciary relationship between them, that the parties are independent contractors and that nothing in this Agreement is intended to make either party an agent, subsidiary, joint venturer, partner, employee or servant of the other for any purpose.

B. You shall conspicuously identify yourself at the Premises and in all dealings with franchisees, prospective franchisees, landlords, contractors, suppliers, public officials and others as the owner of your own business under a franchise agreement with us, and you shall place such other notices of independent ownership on such signs, forms, stationery, advertising and other materials, and in such places and in such form, as we may require from time to time.

C. You shall not employ any Mark in signing any contract, lease, mortgage, check, purchase agreement, negotiable instrument or other legal obligation, or in any other manner, without our prior written consent, or employ any Mark in a manner that is likely to result in our liability for any indebtedness or obligation of you.

D. Neither we nor you shall make any express or implied agreements, guaranties or representations, or incur any debt, in the name of or on behalf of the other or represent that their relationship is other than franchisor and franchisee, and neither we nor you shall be obligated by or have any liability under any agreements or representations made by the other that are not expressly authorized hereunder, nor shall we be obligated for any damages to any person or property directly or indirectly arising out of the operation of the business, whether or not caused by your negligent or willful action or failure to act.

E. You acknowledge and agree that you are solely responsible for all decisions relating to employees, agents, and independent contractors that you may hire to assist in the operation of the Restaurant. You agree that any employee, agent or independent contractor that you hire will be your employee, agent or independent contractor, and not our employee, agent or independent contractor. You also agree that you are exclusively responsible for the terms and conditions of employment of your employees, including recruiting, hiring, firing, training, compensation, work hours and schedules, work assignments, safety and security, discipline, and supervision. You agree to manage the employment functions of your Restaurant in full compliance with federal, state, and local employment laws.

F. You agree, at your sole cost and at all times, to indemnify and hold us and our subsidiaries and affiliates, together with each of their respective owners, directors, officers, employees, agents and assignees, harmless against, and to reimburse them for, any loss, liability, taxes or damages (actual or

consequential) and all reasonable costs and expenses (including, without limitation, reasonable accountants', attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses incurred in connection with any judicial, administrative or other action or proceeding (including bankruptcy, insolvency, debtor/creditor or similar proceedings), suit, claim, demand, investigation, or formal or informal inquiry, regardless of whether any of the foregoing is reduced to judgment) that any of them may suffer, sustain or incur by reason of defending any claim brought against any of them or any action in which any of them is named as a party that arises from or is related to your operation of the Restaurant or your activities related thereto or your activities under this Agreement. We and each such other indemnified party may, in our discretion and at your expense, control the defense of any claim against us or an indemnified party (including choosing and retaining our own legal counsel), agree to settlements of claims against us or an indemnified party, and take any other remedial, corrective, or other actions in response to such claims. This indemnity shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

21. **Insurance**.

A. During the Term, you must maintain in force at your sole expense property coverage, comprehensive general liability coverage (including products and completed operations), worker's compensation, business auto liability, and other types of insurance we require in the Confidential Operations Manual or as otherwise set forth in writing, including without limitation insurance required by the Sublease (or other approved lease agreement) and state law. You must purchase your business insurance from a source designated under our Gold Standard Insurance Program or any subsequent insurance program of ours, unless we allow otherwise in writing. All insurance policies must contain the minimum coverage we prescribe from time to time in the Confidential Operations Manual or otherwise in writing and must have deductibles not to exceed the amounts we specify. We may periodically increase the amounts of coverage required under these insurance policies and/or require different or additional insurance coverages (including reasonable excess liability insurance) at any time to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards or other relevant changes in circumstances, and you agree to comply with any changes to our insurance requirements promptly and at your sole expense. These insurance policies must be purchased from an insurance company satisfactory to us and each liability coverage policy must name us, our affiliates (including without limitation SFAFT), and our and their respective officers, directors, shareholders, employees and agents, as well as your landlord (collectively, the "**Additional Insureds**") as additional insureds, with primary non-contributory coverage, using a form of endorsement that we have approved. If available from the insurer, all insurance policies must provide for thirty (30) days' prior written notice to us of a policy's material modification, cancellation or expiration. Each insurance policy must contain a waiver of all subrogation rights against us, our affiliates and their successors and assigns. Upon request, you must furnish us copies of your Certificates of Insurance or other evidence of your maintaining all required insurance coverage and the payment of all premiums. If you fail or refuse to obtain and maintain the insurance we specify, in addition to our other remedies including without limitation termination, we may (but need not) obtain such insurance for you and the Restaurant on your behalf, in which event you shall cooperate with us and reimburse us for all premiums, costs and expenses we incur in obtaining and maintaining the insurance, plus a reasonable fee for our time incurred in obtaining such insurance.

B. Our requirements for minimum insurance coverage are not representations or warranties of any kind that such coverage is sufficient for the Restaurant. Such requirements represent only the minimum coverage that we deem acceptable to protect our interests. It is your sole responsibility to obtain insurance coverage for the Restaurant that you deem appropriate, based on your own independent inquiry. We are not responsible for losses sustained by you that exceed or fall outside of the insurance coverage

under any circumstances. For the avoidance of doubt, the indemnification obligations contained in Section 20 will not be relieved by any insurance you carry.

22. **Default and Termination**.

A. If you believe that we are in default under this Agreement, you must give us written notice within ninety (90) days of the start of the default. The notice must clearly state each act or omission constituting the default. If we do not cure the default to your satisfaction within sixty (60) days after we receive your notice, you may give us notice that an arbitrable dispute exists.

B. This Agreement shall terminate automatically upon delivery of notice of termination to you, if you or any of your owners, officers, or key employees:

1. Fail(s) to develop, decorate, equip or open the Restaurant within the time period required by, or fail(s) to satisfactorily complete the training program as provided in, this Agreement;

2. Have/has made any material misrepresentation or omission in your, his or her application for the franchise or in any report, claim, request for reimbursement, impact survey or other similar document submitted to us;

5. Abandon(s) or fail(s) or refuse(s) to actively operate the Restaurant for two (2) business days in any twelve (12) consecutive month period, unless the Restaurant has been closed for a purpose approved by us or due to an act of God, or fail(s) to relocate to an approved premises within an approved period of time following expiration or termination of the Lease for the Premises;

6. Surrender(s) or transfer(s) control of the operation of the Restaurant, make(s) an unauthorized direct or indirect assignment of the franchise or an ownership interest in you or fail(s) or refuse(s) to assign the franchise or the interest in you of a deceased or disabled controlling owner thereof as herein required;

7. Submit(s) to us at any time during the Term any reports or other data, information or supporting records which understate by more than three percent (3%) the Royalty Fee for any period of, or periods aggregating, three (3) or more weeks, and you are unable to demonstrate that such understatements resulted from inadvertent error;

8. Become(s) insolvent, is adjudicated as bankrupt or insolvent; all or a substantial portion of your assets are assigned to or for the benefit of any creditor or creditors; a petition in bankruptcy is filed by or against you and is not immediately contested and thereafter dismissed or vacated within sixty (60) days from filing; you admit in writing your inability to pay your debts when due; you cause, permit or acquiesce in an order for relief under the U.S. Bankruptcy Code or any other applicable federal or state bankruptcy, insolvency, reorganization, receivership or other similar law now or hereafter in effect, or consent to the entry for an order for relief in an involuntary proceeding or to the conversion of an involuntary proceeding to a voluntary proceeding, under any

such law; a bill in equity or other proceeding for the appointment of a receiver or other custodian of you or your assets is filed and consented to; a receiver or other custodian (permanent or temporary) of all or part of your assets or property is appointed by any court of competent jurisdiction; proceedings for a composition with creditors under any federal or state law are instituted by or against you; you are dissolved or liquidated; execution is levied against you and/or your property; your property is sold after levy thereon by any governmental body or agency, sheriff, marshal or other person authorized under federal, state and/or local law; a final court judgment against you remains unsatisfied or of record for thirty (30) days or longer (unless supersedeas bond is filed); a judicial or non-judicial action to foreclose any lien or mortgage against any of your assets is instituted against you and is not dismissed or settled by the earlier of (i) thirty (30) days from commencement or (ii) consummation of such sale; or your governing body adopts any resolution or otherwise authorizes action to approve any of the foregoing activities (each such event, a "**Bankruptcy Event**");

9. Materially misuse(s) or make(s) an unauthorized use of any Marks or commit any act which can reasonably be expected to materially impair the goodwill associated with any Marks;

10. Fail(s) on three (3) or more separate occasions within any twelve (12) consecutive month period to comply with this Agreement, whether or not we notify you (or your owners, officers, or key employees) of the failures and, if such notification is given, whether or not those failures are corrected after we deliver written notice to you (or your owners, officers, or key employees); or fail(s) on two (2) or more separate occasions within any six (6) consecutive month period to comply with the same obligation under this Agreement, whether or not we notify you (or your owners, officers, or key employees) of the failures and, if such notification is given, whether or not those failures are corrected after we deliver written notice to you (or your owners, officers, or key employees);

11. Violate(s) any health, safety or sanitation law, ordinance or regulation or operate(s) the Restaurant in a manner that presents a health or safety hazard to your customers or the public and do(es) not begin to cure the violation immediately and correct the violation within seventy two (72) hours after receiving notice of such violation from us or any other party, regardless of any longer period of time that any governmental authority or agency may have given you to cure such violation;

12. Create(s) or allow(s) to exist any condition in or at the Restaurant, or in connection with the operation of the Restaurant, that we determine to present an immediate health or safety concern for the Restaurant customers or employees;

13. Fail(s) to pay any third-party, including the landlord of the Premises, any amounts owed in connection with the Restaurant when due, and you do not cure such failure within any applicable cure period granted by such third-party; or

14. Engage(s) in any dishonest or unethical conduct which, in our judgment, is reasonably likely to have an adverse effect on the System, the Marks, the goodwill associated therewith, or our interest therein.

C. This Agreement shall terminate upon written notice to you if (for the avoidance of doubt, the cure periods contained below in this sub-section C do not apply to sub-section B above):

1. You or any of your owners fail(s) or refuse(s) to make payments of any amounts due to us or our affiliates for Royalty Fees, Advertising Contributions, rents or other obligations

owed to us under any lease, purchases from us, our affiliates, suppliers, or vendors, or any other amounts due to us or our affiliates, and do(es) not correct such failure or refusal within ten (10) days after written notice of such failure is delivered to you;

2. You or any of your affiliates or owners fail(s) to comply with any other agreement with us or one of our affiliates and do(es) not correct such failure within the applicable time or cure period, if any (if no such time or cure period is specified, then 30 days); or

3. You or any of your owners fail(s) or refuse(s) to comply with any other provision of this Agreement, or any specification, standard or operating procedure prescribed in the Confidential Operations Manual or otherwise in writing by us, and do(es) not correct such failure within thirty (30) days (or provide(s) proof acceptable to us that you, he or she has made all reasonable efforts to correct such failure and will continue to make all reasonable efforts to cure until a cure is effected if such failure cannot reasonably be corrected within 30 days) after written notice of such failure to comply is delivered to you.

D. To the extent that the provisions of this Agreement provide for periods of notice less than those required by applicable law, or provide for termination, cancellation, non-renewal or the like other than in accordance with applicable law, such provisions shall, to the extent such are not in accordance with applicable law, not be effective, and we shall comply with applicable law in connection with each of these matters.

E. In addition to our right to terminate this Agreement, and not in lieu of such right or any other rights against you, we, in the event that you shall not have cured a default under this Agreement within the applicable cure period, may, at our option, enter upon the Premises and exercise complete authority with respect to the operation of the Restaurant until such time as we determine that your default has been cured and that there is compliance with the requirements of this Agreement. You specifically agree that a designated representative of us may take over, control, and operate the Restaurant, and that you shall pay us a service fee of not less than Five Hundred Dollars ($500.00) per day plus all travel expenses, room and board and other expenses reasonably incurred by such representative so long as it shall be required by the representative to enforce compliance herewith. You further agree that if, as herein provided, we temporarily operate the Restaurant for you, you agree to indemnify and hold us harmless and any of our representatives who may act hereunder, respecting any and all acts and omissions which we may perform, or fail to perform as regards your interests or those of third parties.

F. If this Agreement is terminated because of your default, or if it is terminated by you prior to its expiration without cause, the parties agree that it would be difficult if not impossible to determine the amount of damages that we would suffer due to the loss or interruption of the revenue stream we otherwise would have derived from your continued payment of Royalty Fees and that SFAFT, the System or other marketing fund(s) would have otherwise derived from your continued payment of Advertising Contributions, less any cost savings, through the remainder of the Term until the scheduled expiration date ("**Damages**"). Therefore, the parties agree that a reasonable estimate of the Damages is, and you agree to pay us as compensation for the Damages, an amount equal to the then net present value of the Royalty Fees and Advertising Contributions that would have become due from the date of termination to the third-year anniversary of the date of termination. For this purpose, Damages shall be calculated based on Gross Sales of the Restaurant for the most recent twelve (12) consecutive month period that the Restaurant operated. If you have not operated the Restaurant for at least twelve (12) consecutive months preceding the termination date, Damages will be calculated based on the average monthly Gross Sales of all Subway® Restaurants in the United States during our last fiscal year. You and we agree that the calculation described in this Section

is a calculation only of the Damages and that nothing herein shall preclude or limit us from proving and recovering any other damages caused by your breach of the Agreement.

G. Notwithstanding anything herein to the contrary and for avoidance of doubt, for all purposes in connection with a Bankruptcy Event, the amount necessary to "cure" any default under this Agreement for purposes of 11 U.S.C. §365 (or similar provision) shall include but not be limited to any amounts due and owing by you to us or our affiliates for Royalty Fees, Advertising Contributions, rents or other obligations owed to us under any lease, purchases from us, our affiliates, suppliers, or vendors, or any other amounts due to us or our affiliates.

23. **Post-Term Rights and Duties**. Upon termination or expiration, this Agreement and all rights granted hereunder to you shall forthwith terminate, and:

A. You shall immediately cease to operate the Restaurant under this Agreement, and shall not thereafter, directly or indirectly, represent to the public or hold yourself out as a present or former franchisee of us.

B. You shall cancel any permits, licenses, registrations, certifications or other consents required for leasing, constructing, or operating the Restaurant. If you fail to do so within a reasonable time, we are authorized to cancel them for you.

C. Upon our demand, you shall assign to us your interest in any lease then in effect for the Premises and you shall furnish us with evidence satisfactory to us of compliance with this obligation within thirty (30) days after termination or expiration of this Agreement.

D. You shall immediately and permanently cease to use, by advertising or in any manner whatsoever: any confidential methods, procedures and techniques associated with the System; and the Marks and distinctive forms, slogans, signs, symbols, logos, and devices associated with the System. In particular, you shall cease to use, without limitation, all signs, advertising materials, stationery, forms, and any other articles that display the Marks.

E. You shall take such action as may be necessary to assign to us or our designee any assumed name rights or equivalent registration filed with state, city, or county authorities that contain(s) the name "Subway®", any derivation thereof, or any other service mark or trademark of the System, and you shall furnish us with evidence satisfactory to us of compliance with this obligation within thirty (30) days after termination or expiration of this Agreement.

F. You agree, in the event you continue to operate or subsequently begin to operate any other business, not to use any reproduction, counterfeit, copy or colorable imitation of the Marks either in connection with such other business or the promotion thereof, which is likely to cause confusion, mistake or deception, or which is likely to dilute our exclusive rights in and to the Marks and further agree not to utilize any designation of origin or description or representation that falsely suggests or represents an association or connection with us so as to constitute unfair competition.

G. Except as expressly provided herein, you must obtain our written approval prior to closing the Restaurant and removing any signage, fixtures, or other leasehold improvements from the Restaurant, or otherwise de-identifying the Restaurant as a Subway® Restaurant. We will have the right, at your cost, to reinstall any signage, fixtures or other leasehold improvements removed from the Restaurant without our written consent. If we approve the closure of the Restaurant in writing, or if you fail to obtain our approval to close the Restaurant and we subsequently determine the Restaurant should be closed, you must change the appearance of the Restaurant, to the extent we require, so it will no longer be identified as a Subway®

Restaurant within fourteen (14) days of the date we issue our written approval or provide notice to you of our decision for the Restaurant to close.

H. If your leasehold interest in the Premises is not a Sublease with us, you are responsible for obtaining a termination and mutual release of such lease from the landlord for us or our affiliate(s). You are responsible for all costs associated with obtaining the termination and mutual release, including but not limited to any amounts owed to the landlord.

I. You shall promptly pay all sums owing to us. In the event of termination for any default of yours or termination without cause by you, such sums shall include all damages (which may include lost future Royalty Fees), costs, and expenses, including reasonable attorneys' fees, incurred by us as a result of the default.

J. You shall pay to us all damages, costs and expenses, including reasonable attorneys' fees, incurred by us subsequent to the termination or expiration of the franchise herein granted in obtaining injunctive or other relief for the enforcement of any provisions of this Section or Section 19.

K. You shall immediately turn over to us all manuals, including the Confidential Operations Manual, customer lists, records, files, instructions, brochures, agreements, disclosure statements, and any and all other materials provided by us to you or which contain our Confidential Information relating to the operation of the Restaurant (all of which you acknowledge to be our property).

L. We shall have the right, title and interest to the menu board and any sign or sign faces bearing the Marks. You hereby acknowledge our right to access the Premises should we elect to take possession of any said menu board, sign or sign faces bearing the Marks.

M. We shall have the right (but not the duty), to be exercised by notice of intent to do so within thirty (30) days after termination or expiration, to purchase for cash any or all equipment, supplies, and other inventory, advertising materials, all items bearing the Marks, and the assets of any commissary, bakery, ghost kitchen or related facility owned by you, at fair market value. If the parties cannot agree on fair market value within a reasonable time, an independent appraiser acceptable to you and us shall be designated by us, and her/his determination shall be binding. In determining fair market value, the parties shall not take into consideration the goodwill associated with the Marks. If we elect to exercise any option to purchase herein provided, we shall have the right to set off all amounts due from you under this Agreement or any other agreements between you or your affiliate and us or our affiliate, and the cost of the appraisal, if any, against any payment therefor.

N. You hereby acknowledge that all telephone numbers, internet addresses, and domain names used in the operation of the Restaurant constitute assets of the Restaurant and will be used solely to identify the Restaurant in accordance with this Agreement; and upon termination or expiration of this Agreement you shall promptly assign to us or our designee, all of your right, title, and interest in and to your telephone numbers, internet addresses, and domain names and shall promptly notify the telephone company or domain registrar, as applicable, and all listing agencies of the termination or expiration of your right to use any telephone numbers, internet addresses, and domain names and any regular, classified or other telephone or website directory listing associated with the Marks and to authorize a transfer of same to us at our direction.

O. You shall immediately (i) cease using or operating any Online Presence (including without limitation any social media account) related to the Restaurant or the Marks, and (ii) take any action as may be required to disable such Online Presence (including without limitation any social media account), or transfer exclusive control and access of such Online Presence (including without limitation any social media Account) to us, as we determine in our sole discretion.

P. You shall comply with the covenants contained in Section 19 of this Agreement.

Q. You shall comply with all other System Standards we periodically establish (and all applicable law) in connection with the closure and de-identification of the Restaurant, including as relates to disposing of Personal Information, in any form, in your possession or the possession of your employees.

R. If you continue using the System or the Marks after termination or expiration of this Agreement in violation of this Agreement, you will pay us Two Hundred Fifty Dollars ($250.00) per day for each day you are in default, as a reasonable pre-estimate of the damages. Notwithstanding same, you stipulate that damages from your continued use of the System or the Marks post-termination would result in irreparable harm to us that could not adequately be compensated for by a money judgment. Therefore, you stipulate to our right to injunctive relief in the event of any such post-termination continued use of the System or Marks and as otherwise provided in Section 24.B.

24. **Miscellaneous**.

A. **Security Interest**. As security for the performance of your obligations under this Agreement, including payments owed to us for purchase by you, you grant us a security interest in all of the assets of the Restaurant, including but not limited to inventory, fixtures, furniture, equipment, accounts, customer lists, supplies, contracts, cash derived from the operation of the Restaurant and sale of other assets, and proceeds and products of all those assets. You agree to execute such other documents as we may reasonably request in order to further document, perfect and record our security interest. If you default in any of your obligations under this Agreement, we may exercise all rights of a secured creditor granted to us by law, in addition to our other rights under this Agreement and at law. If a third-party lender requires that we subordinate our security interest in the assets of the Restaurant as a condition to lending you working capital for the operation of the Restaurant, we will agree to subordinate only pursuant to a subordination agreement or inter-creditor agreement with such lender that we approve in our reasonable discretion.

B. **Injunctive Relief**. We may enforce by judicial process any provision of this Agreement, including our right to terminate this Agreement. You and your affiliates, officers, directors, employees, and owners agree to entry without bond of temporary, preliminary and permanent injunctions and orders of specific performance enforcing any of the provisions of this Agreement. If we secure any such injunctions or order of specific performance, you further agree to pay to us an amount equal to the aggregate of our costs of obtaining any such relief including, without limitation, reasonable attorneys' fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses, and any damages incurred by us as a result of any breach. You agree that we may seek such relief from any court of competent jurisdiction in addition to such further or other relief as may be available to us at law or in equity.

C. **Severability and Substitution of Valid Provisions**. All provisions of this Agreement are severable, and this Agreement shall be interpreted and enforced as if all completely invalid or unenforceable provisions were not contained herein and partially valid and enforceable provisions shall be enforced to the extent valid and enforceable. To the extent that any covenant restricting ownership of a Competitive Business herein is deemed unenforceable by virtue of its scope in terms of area or length of time, but may be made enforceable by reductions of either or both thereof, you and we agree that same shall be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction in which enforcement is sought. If any applicable and binding law or rule of any jurisdiction requires a greater prior notice of the termination of or refusal to renew this Agreement than is required hereunder or the taking of some other action not required hereunder, or if under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any specification, standard or operating procedure

prescribed by us is invalid or unenforceable, the prior notice and/or other action required by such law or rule shall be substituted for the notice requirements hereof, or such invalid or unenforceable provision, specification, standard or operating procedure shall be modified to the extent required to be valid and enforceable. Such modifications to this Agreement shall be effective only in such jurisdiction and shall be enforced as originally made and entered into in all other jurisdictions.

D. **Waiver of Obligations**. You and we may by written instrument only unilaterally waive any obligation of or restriction upon the other under this Agreement. No acceptance by us of any payment by you or any other person or entity and no failure, refusal or neglect of us or you to exercise any right under this Agreement or to insist upon full compliance by the other with its obligations hereunder, including without limitation, any mandatory specification, standard or operating procedure, shall constitute a waiver of any provision of this Agreement.

E. **Franchisee May Not Withhold Payments Due Franchisor**. You agree that you will not withhold payment of any amounts owed to us, on grounds of the alleged nonperformance by us of any of our obligations hereunder.

F. **Rights of Parties are Cumulative**. Your and our rights hereunder are cumulative and no exercise or enforcement by you or us of any right or remedy hereunder shall preclude the exercise or enforcement by you or us of any other right or remedy hereunder or which you or us is entitled by law to enforce.

G. **Waiver of Punitive, Exemplary and Consequential Damages and Jury Trial**. **EXCEPT FOR YOUR OBLIGATION TO INDEMNIFY US FOR THIRD PARTY CLAIMS UNDER SECTION 20, YOU AND WE HEREBY WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES AGAINST THE OTHER AND AGREE THAT IN THE EVENT OF ANY DISPUTE BETWEEN US WE EACH SHALL BE LIMITED TO THE RECOVERY OF ANY ACTUAL DAMAGES SUSTAINED. YOU AND WE IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION OR PROCEEDING BROUGHT BY US OR YOU**.

H. **Limitation of Claims and Certain Damages; Class Action Bar**.

1. Except for claims arising from your non-payment or underpayment of amounts you owe us, any and all claims arising out of or relating to this Agreement or the relationship between you and us will be barred unless an action or proceeding is commenced in accordance with this Agreement within one (1) year from the date the party asserting the claim knew or should have known of the facts giving rise to such claims.

2. If the landlord terminates the lease for the Restaurant and an arbitrator or court determines you did not breach the Sublease and it was our or our affiliate's fault the landlord terminated the lease, our obligation to you will be limited to the original cost of your leasehold improvements, less depreciation based on a five (5) year life under the straight-line method. We will pay you when you reopen the Restaurant in a new location. If the arbitrator or court determines you breached the Sublease or it was not our or our affiliate's fault the landlord terminated the lease, we and our affiliate will have no obligation to you for termination of the lease.

3. You and we agree that any proceeding will be conducted on an individual basis, and that any proceeding between us (or any of our affiliates) and you or your owners may not be: (i) conducted on a class-wide basis or as a collective action, (ii) consolidated with another proceeding between us and any other person or entity, nor may any claims of another party or

parties be joined with any claims asserted in any action or proceeding between you and us, (iii) joined with any claim of an unaffiliated third-party, or (iv) brought on your behalf by any association or agency. No previous course of dealing shall be admissible to explain, modify, or contradict the terms of this Agreement. No implied covenant of good faith and fair dealing shall be used to alter the express terms of this Agreement.

I. **Costs and Attorneys' Fees**. If either party initiates a judicial or other proceeding, the party prevailing in such proceeding shall be entitled to reimbursement of its costs and expenses, including reasonable attorneys' fees. If we become a party to any action or proceeding commenced or instituted against us by a third party arising out of or relating to any claimed or actual act, error or omission of yours, by virtue of statutory, "vicarious", "principal/agent" or other liabilities asserted against or imposed on us as a result of our status as franchisor, or if we become a party to any litigation or any insolvency proceeding involving you pursuant to any bankruptcy or insolvency code (including any adversary proceedings in conjunction with bankruptcy or insolvency proceedings), then you will be liable to, and must promptly reimburse us for, the reasonable attorneys' fees, experts' fees, court costs, travel and lodging costs and all other expenses we incur in such action or proceeding regardless of whether such action or proceeding proceeds to judgment. In addition, we will be entitled to add all costs of collection, interest, attorneys' fees and experts' fees to our proof of claim in any insolvency or bankruptcy proceeding you file.

J. **Governing Law; Consent to Jurisdiction**. This Agreement and the Franchise shall be governed by the internal laws of the state of Florida, without regard to conflict of laws rules, except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. §§ 1051 et seq.). The parties agree that any franchise law or business opportunity law of the State of Florida now in effect or adopted or amended after the date of this Agreement will not apply to franchises located outside of Florida. SUBJECT TO THE ARBITRATION PROVISIONS BELOW, WE AND YOU (AND EACH OWNER) AGREE THAT ALL ACTIONS ARISING UNDER THIS AGREEMENT OR OTHERWISE AS A RESULT OF THE RELATIONSHIP BETWEEN THE PARTIES MUST BE COMMENCED IN THE STATE OR FEDERAL COURT IN OR NEAREST TO WHERE WE THEN HAVE OUR HEADQUARTERS. WE AND YOU (AND EACH OWNER) IRREVOCABLY CONSENT TO THE JURISDICTION OF THOSE COURTS AND WAIVE ANY OBJECTION TO EITHER THE JURISDICTION OF OR VENUE IN THOSE COURTS.

K. **Arbitration**.

1. Any dispute, controversy or claim arising out of or relating to this Agreement, the breach thereof, or the business relationship between the parties will be settled by arbitration to be administered by either the American Arbitration Association or its successor ("**AAA**"). AAA will administer the arbitration in accordance with its administrative rules (including, as applicable, the Commercial Rules of the AAA and the Expedited Procedures of such rules). If AAA is no longer in business, then the parties will mutually agree upon an alternative administrative arbitration agency. If the parties cannot mutually agree, then the parties agree to take the matter to a court of competent jurisdiction to select the agency. Judgment rendered by the arbitrator may be entered in any court having jurisdiction thereof. The costs of the arbitration will be shared equally by the parties, except as otherwise provided in this Agreement. The parties also agree that neither party will pursue class claims or group or collective actions. The parties further agree not to consolidate the arbitration with any other proceedings, except for arbitrations in which you and we are the sole parties. The parties will honor validly served subpoenas, warrants and court orders.

2. The parties further agree that in cases where the amount in controversy is One Million Dollars ($1,000,000.00) or less the only depositions will be for the sole purpose of

preserving testimony. In other cases, the right to, and extent of, any depositions will be determined by agreement of the parties, or by the arbitrator. In all cases any documents exchanged between the parties as part of the discovery process must be returned or destroyed (with proof of destruction) within thirty (30) days of final judgment or dismissal of the arbitration.

3. The parties agree that the city where we then have our headquarters at the time of the commencement of the arbitration will be the site for arbitration. The arbitration shall be held before one (1) arbitrator, who shall be chosen pursuant to the AAA rules for appointment of one (1) arbitrator from the National Roster, except that in the event that either of the parties seeks damages in excess of Ten Million Dollars ($10,000,000.00), the arbitration shall be held before a panel of three arbitrators. To compose the panel of three arbitrators, each party shall name one arbitrator within fourteen (14) days of service of the Demand for Arbitration or Counterclaim seeking damages in excess of Ten Million Dollars ($10,000,000.00). The two chosen arbitrators must perform his or her duties as a neutral, with impartiality and independence, and with diligence and in good faith. The two arbitrators chosen by the parties shall, within thirty (30) days of the appointment of the last arbitrator, appoint the chairperson of the panel from the National Roster provided by the AAA.

4. If you breach the terms of your Sublease, the Sublessor, whether us or our affiliate, may exercise its rights under the Sublease, including your eviction from the Premises. Any action brought by the Sublessor to enforce the Sublease, including actions brought pursuant to any cross-default clause in the Sublease (which provides that a breach of this Agreement is a breach of the Sublease) will not be an arbitrable dispute and will be adjudicated in the courts of the county and state where the Premises is located. Without limitation, any security deposit that is returned to us or our affiliate by the landlord may be applied to any amounts that you owe us under this Agreement. The parties agree that you may seek a stay of any eviction brought under a cross-default clause in the Sublease by filing a demand for arbitration in accordance with this sub-section within thirty (30) days of the Sublessor's commencement of the eviction. The stay shall be lifted upon conclusion of the arbitration, and you may not seek a stay of eviction after the arbitration has concluded. For the avoidance of doubt, you may not seek a stay of any eviction for any other type of default under the Sublease, including without limitation the failure to pay rent or any other amounts due and owing under the Sublease on a timely basis.

5. You may only seek damages or any remedy under law or equity for any arbitrable claim against us or our successors or assigns. You agree our intended beneficiaries of the arbitration clause including our affiliates, shareholders, directors, officers, employees, agents and representatives, and their affiliates, will be neither liable nor named as a party in any arbitration or litigation proceeding commenced by you where the claim arises out of or relates to this Agreement or the business relationship between the parties. If you name a party in any arbitration or litigation proceeding in violation of this sub-section, you will reimburse us for reasonable costs incurred, including but not limited to arbitration fees, court costs, attorneys' fees, management preparation time, witness fees, and travel expenses incurred by us or the party.

6. You acknowledge and agree that your default under this Agreement concerning infringement of intellectual property rights in the Marks or in copyrighted items or disclosure of Confidential Information (together "**Intellectual Property Claims**") may cause irreparable harm to us, our Affiliates and the System as a whole. Notwithstanding the arbitration clause in this sub-section, we or an Affiliate may bring an action in connection with such a default for damages, injunctive relief, or both in any court having jurisdiction.

7. Any disputes concerning the enforceability or scope of the arbitration clause are delegated to the arbitrator for determination, except for Intellectual Property Claims. Any arbitration will be conducted pursuant to the Federal Arbitration Act, 9 U.S.C. §1, et seq. ("**FAA**"), and the parties agree that the FAA preempts any state law restrictions (including the site of the arbitration) on the enforcement of the arbitration clause in this Agreement. If the FAA has been repealed or modified such that it no longer applies to this Agreement, then any disputes shall be resolved in accordance with applicable law governing this Agreement. The parties agree to waive any right to disclaim or contest this pre-dispute arbitration agreement.

8. A party will be in default of this Agreement if it i) commences action in any court in violation of this sub-section prior to an arbitrator's final decision (except as otherwise allowed by this Agreement, including to compel arbitration), or ii) commences litigation in any forum except where permitted by this sub-section. The defaulting party will also be responsible for the expenses the other party incurs to enforce this sub-section, including but not limited to filing fees, court costs, reasonable attorneys' fees and travel expenses. However, if a court of competent jurisdiction deems the arbitration clause unenforceable after all appeals have been exhausted, the defaulting party will not be responsible for such costs.

9. Subject to federal or state law, if a party defaults under sub-section G, including, but not limited to, making a claim for special, incidental, consequential, punitive, or multiple damages, or damages in excess of the amount permitted, the defaulting party must correct its claim and will be responsible for all expenses incurred by the other party, including attorneys' fees, and will be liable for abuse of process.

10. The parties agree that all statutes of limitations and deadlines provided for in the governing law that is applied to the arbitration shall have full force and effect, unless a shorter limitations period is provided in sub-section H and is enforceable under applicable law.

L. **Binding Effect**. This Agreement is binding upon the parties hereto and their respective heirs, assigns and successors in interest.

M. **Survival**. All of your (and your owners') obligations which expressly or by their nature survive this Agreement's expiration or termination will continue in full force and effect subsequent to and notwithstanding its expiration or termination until they are satisfied in full or by their nature expire.

N. **Construction**. This Agreement (including the preambles and Background Information), the exhibits, schedules and attachments hereto, and the documents referred to herein, constitute the entire and complete agreement between the parties concerning the subject matter hereof and supersede any and all prior agreements between the parties, and there are no other oral or written understandings or agreements between us and you relating to the subject matter of this Agreement. Nothing in this or in any related agreement, however, is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you.

The headings of the several Sections and sub-sections hereof are for convenience only and do not define, limit or construe the contents of such Sections or sub-sections and shall not be taken into account in this Agreement's construction or interpretation. References to dollars ($) in this Agreement refer to the lawful money of the United States of America. No previous course of dealing or usage in the trade not specifically set forth in this Agreement will be admissible to explain, modify, or contradict this Agreement.

O. **Joint and Several Liability**. Each individual signing this Agreement as the franchisee will be jointly and severally liable.

P. **No Liability.** You agree that no past, present or future director, officer, employee, incorporator, member, manager, partner, stockholder, subsidiary, affiliate, controlling party, entity under common control, ownership or management, supplier, agent, attorney, or representative of ours will have any liability for (i) any of our obligations or liabilities relating to or arising from this Agreement, (ii) any claim against us based on, in respect of, or by reason of, the relationship between you and us, or (iii) any claim against us based on any alleged unlawful act or omission of us. For the avoidance of doubt, this provision constitutes an express waiver of any claims based on a theory of vicarious liability, except for any statutory liability that cannot be waived under applicable law.

Q. **Franchisor Discretion**. You agree that whenever this Agreement allows or requires us to take actions or make decisions, we may do so in our sole and unfettered discretion, even if you believe our action or decision is unreasonable, unless the Agreement expressly and specifically requires that we act reasonably or refrain from acting unreasonably in connection with the particular action or decision.

R. **Notices**. Every notice, approval, consent or other communication authorized or required by this Agreement shall be effective if given in one of the following ways: (i) by email to us at **FranchiseNotices@subway.com** and to you at the email address provided in the Key Contract Data at the beginning of this Agreement, or at such other email address as either party shall from time to time designate in writing; (ii) in writing and hand delivered to either party; or (iii) in writing and sent for next business day delivery by FedEx, UPS, or other nationally-recognized courier. Notices sent via hand delivery or via nationally-recognized courier shall be addressed directly to us at our offices at Attn: Legal Department - Franchising, 1 Corporate Drive, Suite 1000, Shelton, CT 06484, and to you at the Premises, or at such other address as either party shall from time to time designate in writing. Email notices must contain the capitalized words "LEGAL NOTICE" in the subject line. The sender of an email notice must request a read receipt and the recipient must allow a read receipt to be sent on or before the next business day. Email notices shall be effective upon receipt by the sender of the read receipt from the recipient of the notice. Hand delivered notices shall be deemed to be effective upon delivery, if delivered. Notices sent for next business day delivery by nationally recognized courier shall be deemed to be effective on the next business day.

S. **Amendment; Modification**. This Agreement may be modified only by written agreement signed by both you and us. Notwithstanding the foregoing, you acknowledge and agree that we may modify the Confidential Operations Manual and System Standards from time to time, subject to the terms of this Agreement.

T. **Counterparts**. This Agreement may be executed in multiple counterparts, each of which shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. The parties agree that scanned or electronic signatures shall have the same effect and validity, and may be relied upon in the same manner, as original signatures. You acknowledge and agree that any owner of you or any signatory to this Agreement (including any signatory assuming this Agreement) may sign ancillary agreements and accept system initiatives during the Term such as software license agreements and consent to technology programs/initiatives in connection with the operation of the Restaurant, such as remote access to your POS System, with binding effect.

25. **Acknowledgements**. You represent, warrant, agree and acknowledge the following:

A. No representation has been made by us (or any employee, agent or salesperson of us) and relied on by you as to the future or past income, expenses, sales volume or potential profitability, earnings or income of the Restaurant, or any other Subway® Restaurant.

B. No employee or other person providing services to you on our behalf has solicited or accepted any loan, gratuity, bribe, gift or any other payment in money, property or services from you in connection with a Subway® franchise purchase with exception of those payments or loans provided in the Franchise Disclosure Document.

C. No representation or statement has been made by us (or any employee, agent or salesperson of us) and relied on by you regarding the anticipated income, earnings and growth of us or the System, or the viability of the business opportunity being offered under this Agreement.

D. Before executing this Agreement, you have had the opportunity to contact all existing franchisees of us.

E. You have had the opportunity to independently investigate, analyze and construe both the business opportunity being offered under this Agreement, and the terms and provisions of this Agreement, using the services of legal counsel, accountants or other advisors (if you so elect) of your own choosing. You have been advised to consult with your own advisors with respect to the legal, financial and other aspects of this Agreement, the Restaurant, and the prospects for that Restaurant. You have either consulted with these advisors or have deliberately declined to do so.

F. No representation or statement has been made by us (or any employee, agent or salesperson of us) and relied on by you regarding your ability to procure any required license or permit that may be necessary to the offering of one or more of the services contemplated to be offered by the Restaurant.

G. You acknowledge that you are a citizen or permanent resident of the United States of America and that you have provided us with valid proof of your citizenship or permanent residency unless otherwise approved in limited circumstances for cross-border development upon presentation of a valid work visa.

I. You have read and understand our Privacy Notice (contained in an exhibit to our franchise disclosure document or available on www.Subway.com), which addresses how we use and share your personal information, and which may be amended from time to time.

J. You acknowledge it is our intent to comply with all anti-terrorism laws enacted by the US Government, including but not limited to the USA PATRIOT Act or Executive Order 13324. You acknowledge that you are not now, nor have you ever been, a suspected terrorist or otherwise associated directly or indirectly with terrorist activity.

K. You acknowledge that it is our intent to comply with all domestic and foreign laws and regulations related to anti-bribery and anti-corruption, including but not limited to the U.S. Foreign Corrupt Practices Act.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

IN WITNESS WHEREOF, the parties hereto, intending to be legally bound hereby, have duly executed, sealed and delivered this Agreement the day and year first above written.

OWNER'S GUARANTY AND ASSUMPTION OF FRANCHISEE OBLIGATIONS

In consideration of, and as an inducement to, the execution of the above Franchise Agreement (as amended, modified, restated or supplemented from time to time, the "**Agreement**") by DOCTOR'S ASSOCIATES LLC ("**COMPANY**"), each of the undersigned (each a "**GUARANTOR**", and collectively "**GUARANTORS**") hereby personally and unconditionally (1) guarantees to COMPANY and its affiliates and their successors and assigns, for the term of the Agreement and thereafter as provided in the Agreement, that _____, a _____ ("**Franchisee**") shall punctually pay and perform each and every undertaking, agreement and covenant set forth in the Agreement and (2) agrees personally to be bound by, and personally liable for the breach of, each and every provision in the Agreement.

Each GUARANTOR waives:

1. acceptance and notice of acceptance by COMPANY and its affiliates of the foregoing undertakings;

2. notice of demand for payment of any indebtedness or nonperformance of any obligations hereby guaranteed;

3. protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed;

4. any right GUARANTOR may have to require that an action be brought against Franchisee or any other person as a condition of liability;

5. all rights to payments and claims for reimbursement or subrogation which GUARANTOR may have against Franchisee arising as a result of GUARANTOR'S execution of and performance of this Guaranty; and

6. any and all other notices and legal or equitable defenses to which GUARANTOR may be entitled.

Each GUARANTOR consents and agrees that:

1. GUARANTOR'S liability under this guaranty ("**Guaranty**") shall be direct, immediate, and independent of the liability of, and shall be joint and several with, Franchisee and the other owners of Franchisee;

2. Each GUARANTOR that is a business entity, retirement or investment account, or trust acknowledges and agrees that if Franchisee (or any of its affiliates) is delinquent in payment of any amounts guaranteed hereunder, that no dividends or distributions may be made by such GUARANTOR (or on such GUARANTOR'S account) to its owners, accountholders or beneficiaries or otherwise, for so long as such delinquency exists, subject to applicable law;

3. GUARANTOR shall render any payment or performance required under the Agreement upon demand if Franchisee fails or refuses punctually to do so;

4. COMPANY may proceed against GUARANTOR and Franchisee jointly and severally, or COMPANY may, at its option, proceed against GUARANTOR, without having commenced any action, having obtained any judgment against or having pursued any other remedy against, Franchisee or any other person. GUARANTOR hereby waives the defense of the statute of limitations in any action hereunder or for the collection of any indebtedness or the performance of any obligation hereby guaranteed;

5. Such liability shall not be diminished, relieved or otherwise affected by any extension of time, credit or other indulgence which COMPANY or its affiliates may from time to time grant to Franchisee or to any other person, including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims, none of which shall in any way modify or amend this Guaranty, which shall be continuing and irrevocable during the term of the Agreement;

6. This Guaranty will continue unchanged by the occurrence of any Bankruptcy Event (as defined in the Agreement) with respect to Franchisee or any assignee or successor of Franchisee or by any abandonment of the Agreement by a trustee of Franchisee. Neither the GUARANTOR'S obligations to make payment or render performance in accordance with the terms of this Guaranty nor any remedy for enforcement shall be impaired, modified, changed, released or limited in any manner whatsoever by any impairment, modification, change, release or limitation of the liability of Franchisee by virtue of or as a result of any Bankruptcy Event, or from the decision of any court or agency;

7. GUARANTORS shall be bound by the restrictive covenants and confidentiality provisions contained in Sections 9, 15, and 19 of the Agreement and the indemnification provisions contained in Section 20 and elsewhere in the Agreement; and

8. Each GUARANTOR agrees to pay all reasonable attorneys' fees and all costs and other expenses incurred in any collection or attempt to collect amounts due pursuant to this Guaranty or any negotiations relative to the obligations hereby guaranteed or in enforcing this Guaranty against GUARANTOR.

9. Each GUARANTOR agrees that in the event any provision of this Guaranty is held to be overbroad as written, such provision shall be deemed amended to narrow its application to the extent necessary to make the provision enforceable according to applicable law and shall be enforced as amended.

The provisions contained in Section 24.I (Costs and Attorneys' Fees) and Section 24.J (Governing Law; Consent to Jurisdiction), and 24.K (Arbitration) of the Agreement shall govern this Guaranty and any dispute between GUARANTORS and COMPANY, and such provisions are incorporated into this Guaranty by reference.

EXHIBIT A-1
FRANCHISE AGREEMENT RIDER

This Rider ("**Rider**") dated (the "**Effective Date**") amends and supplements the Franchise Agreement, including any provisions modified by any other riders or addenda to the Franchise Agreement (the "**Franchise Agreement**") between Doctor's Associates LLC, a Delaware limited liability company ("**we**", "**us**" or "**DAL**"), and ("**you**"), a _____ *(please specify type of entity)*. The Franchise Agreement, as amended by this Rider, will be called this "**Agreement**". Any terms used but not otherwise defined in this Rider shall have the meaning given to them in the Franchise Agreement.

Check all circumstances that apply:

____ (1) You are an approved convenience store operator, a food service management company or other company that a) owns, leases or controls the premises where the restaurant will be located, b) provides its own food services, and c) meets our current qualifications regarding number of outlets or net worth; or you are a cooperative, foundation, a qualified non-profit charity, hospital, university, college, other school, or an Indian nation, or governmental agency or entity ("Approved Non-Traditional Entity Franchisee");

____ (2) You are a Qualified FSP (defined in Part III of this Rider);

____ (3) You are purchasing your franchise for a non-traditional location for which you own, lease or control the premises but you are not an Approved Non-Traditional Entity Franchisee;

____ (4) You are an organization that operates a facility that offers support services within the community and are signing this Agreement to establish a restaurant for the purpose of providing job training to individuals with barriers to employment;

____ (5) You are a school board, school district, municipality, institutional food service provider, or an existing franchisee and are signing this Agreement to establish a restaurant in a school (grades K-12);

____ (6) Due to restrictions in state law, your operation of the Restaurant located in a K-12 School will be managed by _____, who is a Qualified FSP that also operates other Subway® Restaurants as a franchisee under the terms of the Subway® Franchise Agreement. Since without the state law restrictions the FSP would instead be allowed to be the direct operator of the Restaurant, we will allow you to take advantage of the reduction in advertising fee that we would otherwise grant to a Qualified FSP;

____ (7) You are purchasing a franchise for a Restaurant located in a Theme Park, National Park, Airport Terminal, Qualified FSPs, Hospitals, Military Locations, Train Stations, or Captive Travel Plazas (each defined in Part III of this Rider); and/or

____ (8) You want to operate the Restaurant as a limited Subway® restaurant (sometimes also referred to as the "**Satellite Restaurant**"), at a specific location close to an existing operating Subway® restaurant you own. Your existing operating Subway® restaurant is identified as store number _____, located at _____
(the "**Base Restaurant**"). This Agreement for the Satellite Restaurant grants a separate license from the

license granted in the Franchise Agreement for the Base Restaurant (the "**Base Restaurant Franchise Agreement**").

The second sentence of Section 13.A of the Franchise Agreement (starting "If you or your affiliate are an existing . . .") is amended by adding the following at the end "and you must follow all operating policies and procedures for the other chain at the location where you will establish your restaurant".

Part I – General Non-Traditional Locations

If you checked (1), (2), (3), or (4), above, the following provisions apply to your Franchise Agreement:

A. References throughout this Agreement to the Restaurant solely apply to the Subway® Restaurant area and not to the rest of the facility you operate in which you establish the Restaurant (the "**Facility**"). This Agreement will only apply to your operation of the Subway® Restaurant and not to your other businesses except to the extent that your other businesses may be in competition with the Restaurant.

B. You may sell packaged beverages, food, and sundry items in other areas of the Facility (as defined below) and revenue from these sales will not be included in gross sales. Coffee sales will only be included in gross sales if coffee is offered in Subway® logoed cups or from behind the Restaurant counter area. Fountain drink sales will be included in accordance with your selection as follows:

Check either i or ii:

___ i. You will include all fountain drink sales within the Restaurant area located at the Facility or sold in Subway® logoed cups in gross sales. The Restaurant may either have a separate fountain or may share a common self-service fountain with the rest of the Facility you operate.

___ ii. You will include all canned or bottled beverage sales in gross sales, if fountain drinks cannot be sold anywhere at the Facility. Only sales from canned or bottled beverages offered for sale by and purchased at the Restaurant will be included in gross sales.

C. In regard to the opening of the Restaurant:

i. You will construct and equip the Restaurant to the specifications contained in the Operations Manual and open for business within twelve (12) months from the Agreement Date or this Agreement will automatically expire unless you 1) request and are granted an extension, 2) pay an extension fee of $1,000, and 3) sign our then-current Franchise Agreement. If you do not open the Restaurant by the end of the time permitted, including any extension, this Agreement will automatically expire.

D. In regard to the approval for the Restaurant:

i. The Restaurant will be at a location we approve in a portion of the Facility. Because you are providing the premises for the Restaurant, we do not require a Sublease or an Approved Lease. All references to the Sublease and Approved Lease in this Agreement are deemed deleted. If we do not grant final approval for this location within ninety (90) days from the Agreement Date, we may refund the Franchise Fee and this Agreement will be null and void.

ii. We and you agree, subject to our final approval, the Restaurant will be located at the Approved Location listed in the Key Contract Data page of the Franchise Agreement.

E. In the event that your insurable interest in the Facility is greater than the Restaurant, subject to our prior written approval, you may maintain a program of self-insurance or obtain insurance through your usual insurance broker or company provided that they meet the required limits and they have a rating of at least A- in Bests' Insurance Guide.

F. In regard to operating Competitive Businesses:

i. Section 19.A does not apply to a Restaurant we designate as a non-traditional location. During the term of this Agreement, the following applies to non-traditional locations operated by you or your parent, subsidiaries, or Affiliates: You agree other areas of the Facility you or your Affiliates control will not contain a Competitive Business. You will not operate a Competitive Business except as we permit in this paragraph. You will give us the first opportunity to approve for a Subway® Restaurant location any site in which you want to operate a Competitive Business. You may only operate a Competitive Business if we have, in writing, denied you approval to operate a Subway® Restaurant at the proposed site. You will send a written request for approval of all proposed Competitive Business unit sites to our Development Team Department. We will respond within sixty (60) days, either approving or disapproving a location. For each unauthorized Association with a Competitive Business (which, for the purposes of this paragraph, shall include a Competitive Business operating in the Facility), the provisions of Section 19.D shall apply.

ii. Section 19.C does not apply to a Restaurant we designate as a non-traditional location. For 1 year after termination, expiration or transfer of this Agreement, or if you cease operation of the Restaurant, you will not Associate with a Competitive Business (which, for the purposes of this paragraph, shall include permitting a Competitive Business to operate at the Facility) at the Facility. For each unauthorized Association with a Competitive Business the provisions of Section 19.D shall apply. The provisions of this Subsection F.ii will not release you from any covenant not to compete contained in any other Franchise Agreement you have with us. However, if you are a Qualified FSP, you may only operate or permit to be operated a Competitive Business at the Facility if specifically requested by your client.

iii. Nothing in this Subsection or any other provision of this Agreement grants you any territorial or other exclusive rights. We and our Affiliates have unlimited rights to compete with you.

iv. For the avoidance of doubt, Section 15 is not amended by this Section E.

G. Notwithstanding anything to the contrary in Section 13, if you are a Qualified FSP, you will pay by check all monies (Royalty Fee, Advertising Contributions, and other charges you owe for all Subway® restaurants you operate) due for that period by the second Friday following the end of the period, (the "**Payment**"). The Payment will be sent to our Collections Department along with a report showing the breakdown by week and how the Payment is to be allocated. In the event that electronic check processing is available you authorize us to process your check electronically if we choose. Additionally, in the event that we decide to accept the Payment via electronic fund transfer, upon thirty (30) days written notice of the change, you agree to make the Payment to the account that we direct.

H. If you checked (4) above, your Franchise Fee is reduced to $0.

I. We may, without cause and for any reason, within thirty (30) days after the Agreement Date, cancel this Agreement and refund the Franchise Fee to you. After refunding the Franchise Fee to you, we will not have any further obligation to you, and all rights granted to you under this Agreement will immediately revert to us.

Part I.a. – Approved Non-Traditional Entity Franchisee and Qualified FSP

If you checked (1) or (2) above, the following provisions apply to your Franchise Agreement:

A. In regard to Training and Operational Assistance, Sections 6.A. and 6.B. of the Franchise Agreement are replaced with the following:

i. Before the Restaurant opens, we will train you (or your Designated Manager(s), as that term is defined in Section 10.J), Director of Food Services or an equivalent individual (the "Director") (if a different person) or the manager of the Restaurant or an equivalent individual (the "Manager") (if a different person), on establishing and independently operating a Subway® Restaurant. The training program will be at a location we choose and may include web-based courses.

ii. You, your Designated Manager(s), Director, Manager or your employee(s) who attend may be dismissed from the training program and this Agreement may be terminated, with no refund of your Franchise Fee (defined below), if you, your Designated Manager(s) or your employee(s) materially fail to act in accordance with our Code of Business Conduct during the training program (which will be made available to you at or before attending the training program).

B. In regard to Corporate Franchisee, Limited Liability Company Franchisee or Partnership Franchisee, Section 17 of the Franchise Agreement is replaced with the following:

i. **Corporate Franchisee**. Except as otherwise approved by us in writing, if you are a corporation, you shall (i) furnish us with your articles of incorporation and bylaws as well as such other documents that we may reasonably request; (ii) maintain a current list of all owners of record and all beneficial owners of any class of voting stock and furnish the list to us upon request. For the avoidance of doubt, the governing documents of all parent or holding entities are also at all times subject to our review and must at all times be consistent with the foregoing guidelines and restrictions.

ii. **Limited Liability Company Franchisee**. If you are a limited liability company, you shall: (i) furnish us with your articles of organization and operating agreement, as well as such other documents as we may reasonably request, and any amendments thereto; (ii) prepare and furnish to us, upon request, a current list of all members and managers. For the avoidance of doubt, the governing documents of all parent or holding entities are also at all times subject to our review and must at all times be consistent with the foregoing guidelines and restrictions.

iii. **Partnership Franchisee**. If you are a partnership, you shall: (i) furnish us with your partnership agreement, as well as such other documents as we may reasonably request and any amendments thereto; (ii) furnish to us, upon request, a current list of all general and limited partners. For the avoidance of doubt, the governing documents of all parent or holding entities are also at all times subject to our review and must at all times be consistent with the foregoing guidelines and restrictions.

C. As used in this Agreement, the term "transfer" shall mean and include the voluntary, involuntary, direct or indirect assignment, sale, gift, pledge or other transfer by you or your owners of any interest in any of: (1) this Agreement; (2) the Restaurant owned by you; or (3) substantially all of the assets of the Restaurant. An assignment, sale or other transfer shall include the transfer of this Agreement or the Restaurant owned by you in an insolvency, corporate or partnership dissolution proceeding or otherwise by operation of law. For the avoidance of doubt, you may not pledge a security or other interest in this

Agreement or in the proceeds of a sale of this Agreement or the assets of the Restaurant to any lender without our prior written consent.

For the avoidance of doubt, our right of first refusal will not apply to a proposed purchase of an ownership interest in you by a third party.

D. We agree that our security interest in the assets of the Restaurant will be subordinate to any third-party lender that requires that we subordinate our security interest in the assets of the Restaurant as a condition of providing you with financing for development or working capital.

E. In regard to the Owner's Guaranty and Assumption of Franchisee Obligations, Exhibit A of the Franchise Agreement is deleted in its entirety.

[Remainder of page intentionally left blank]

Part II – School Lunch Program

If you checked (5), above, the following provisions apply to your Franchise Agreement:

A. The Restaurant will be located at the Approved Location listed in the Key Contract Data page of the Franchise Agreement (the "**School**").

B. Your Franchise Fee is reduced to $0. This Franchise Fee supersedes any other Franchise Fee noted within this Agreement.

C. Gross sales will only include sales or revenues from the Subway® Restaurant area of the School, including any permitted catering and delivery within the School, derived from the operation of the Restaurant. The parties agree food and beverages commonly found in a school cafeteria may be sold in other areas of the School. Any fountain drink sales will only be included in gross sales if they occur within the Subway® Restaurant area or in a Subway® logoed cup.

D. We will provide a training program for establishing and operating a Restaurant in the School using the System. We, our Affiliate, or the BD, may conduct the training program locally. Training will be at a location or at locations the person providing the training selects, which may include the School, or other Subway® Restaurants and may include web-based courses. You acknowledge that you might not attend the training program described in our Disclosure Document. You agree the local, reduced training program will satisfy our training obligation to you under the Franchise Agreement, including under Section 6. You will pay any transportation, lodging, and other expenses to attend the training program.

E. In regard to the opening of the Restaurant:

   i. If you are providing the premises at the School for the Restaurant, we do not require a Sublease or an Approved Lease, and all references to the Sublease or Approved Lease in this Agreement are deemed deleted. You will be required to construct and equip the Restaurant to the specifications contained in the Operations Manual and open for business within two (2) years from the date of this Agreement, or this Agreement will automatically expire.

   ii. If you do not control the location where the Restaurant will be located, you must also sign a license, contract, or lease ("**License**"). The License must give you the right to conduct the Restaurant business in the school location. You must construct and equip the Restaurant to the specifications contained in the Operations Manual and open for business within two (2) years from the date of this Agreement, or this Agreement will automatically expire. All references to the Sublease in this Agreement are deemed deleted and replaced with the term License.

   iii. You do not have the right to extend the time to open the Restaurant.

   iv. You acknowledge the franchise is granted for the specific school location identified above which you found and we approved.

F. In regard to Training and Operational Assistance, Sections 6.A. and 6.B. of the Franchise Agreement are replaced with the following:

   i. Before the Restaurant opens, we will train you (or your Designated Manager(s), as that term is defined in Section 10.J), or manager of cafeteria services and the manager of the Restaurant (if a different person) (the "**Manager**"), on establishing and independently operating a Subway®

Restaurant. The training program will be at a location we choose and may include web-based courses.

ii. You, your Designated Manager(s), Manager(s) or your employee(s) who attend may be dismissed from the training program and this Agreement may be terminated, with no refund of your Franchise Fee (defined below), if you, your Designated Manager(s) or your employee(s) materially fail to act in accordance with our Code of Business Conduct during the training program (which will be made available to you at or before attending the training program).

G. We and you must approve in writing the Restaurant's menu and days and hours of operation, which may be more limited than a traditional restaurant. The menu may be subject to nutritional requirements governing school lunches. You acknowledge you may have to modify the food products offered for sale and you may have to purchase food products specifically approved for use in school lunch programs, and these requirements may increase the Restaurant's food costs. The parties acknowledge the Restaurant may not be the only food service located in the school, but agree you may not offer any food or beverage items from the Restaurant area except those we approve for sale. You agree the Restaurant will only serve students, faculty, staff, and visitors to the school in the ordinary course, but will not be open to the general public.

H. If you are prohibited by law from providing required insurance coverage and/or the indemnification required under the Agreement, you must notify us in writing before you sign this Agreement. If we elect to enter into this Agreement after we receive your notice, this Agreement will be deemed amended by your notice to delete the prohibited insurance and/or indemnification requirements. Your notice, when acknowledged and specifically consented to by us in writing, will be part of this Agreement.

I. In regard to operating Competitive Businesses:

i. We designate your location of the Restaurant in the School as a non-traditional location. During the term of this Agreement, the following will apply: You may provide (or may contract for others to provide) cafeteria services at the School. You may enter into franchise agreements with other food product companies, operate your own school cafeteria, or sell other products in competition with the Restaurant's products, provided you (or your food service contractors) do not operate any Competitive Business at the School during the Term, except as we permit in this Section. During the Term, you will give us the first opportunity to approve for a Subway® Restaurant location any site at the School or any other school within the same school district, in which you, directly or indirectly, want to install a Competing Business. You may only install a Competing Business if we, in writing, deny you approval to operate a Subway® Restaurant at the proposed location, or we fail to grant approval within fifteen (15) business days after written notice from you. This Section does not affect any covenant not to compete in any other Franchise Agreement you have with us. For each unauthorized Association with a Competitive Business, the provisions of Section 19.D shall apply.

ii. Notwithstanding anything to the contrary in Section 19, you are permitted to operate a Competitive Business in a different school after the termination, expiration or transfer of this Agreement, provided that if you operate the Competitive Business in the other school as a full retail store open to the general public, or if you breached Section 19 during the Term, the original provisions of Section 19 will apply. You will not Associate with a Competitive Business at the School (which, for the purposes of this paragraph, shall include permitting a Competitive Business to operate at the School) for a period of 1 year after the termination, expiration, or transfer of this Agreement. The prohibition against establishing a Competitive Business within a three (3) mile radius of a

Subway® restaurant will not apply. For each unauthorized Association with a Competitive Business, the provisions of Section 19.D shall apply.

iii. For the avoidance of doubt, Section 15 is not amended by this Section I.

iv. Nothing in this Subsection or any other provision of this Agreement grants you any territorial or other exclusive rights. We and our Affiliates have unlimited rights to compete with you.

J. It will not be deemed a violation of Section 16 for you to maintain the required records of the operation of the Restaurant at the School, or, if you give us notice of the location where you will keep the records, at your administrative offices. The records will be subject to our inspection and audit wherever they are kept, pursuant to the Agreement.

K. You may relocate and reopen the Restaurant provided you have our prior written approval, and only to another location within the School or to another school within the same school district. All of your accounts with us for each Subway® Restaurant you operate must be current and the License for the former location of the Restaurant must be terminated and settled prior to reopening the Restaurant. You will pay all expenses and liabilities to terminate the License for the former location and any relocation expenses as they become due. If a proposed site is not accessible, you must provide plans to make the site accessible, or we may request that you identify an alternative accessible location.

L. The Term will be for a period of 5 years from the Agreement Date, subject to earlier termination. If you are in full compliance with the Operations Manual and not in default of this Agreement, you may renew the franchise for additional consecutive 5 year periods by giving us written notice not less than 1 year, but no more than 16 months, before the expiration of the current Term. You will sign our then current form of Franchise Agreement which will amend and replace this Agreement and may contain terms that differ from this Agreement, including financial terms. You will not pay a renewal fee upon the expiration of the original 5 year term provided under this Agreement.

Part III – Qualified FSP, Theme Park, National Park, Airport Terminal Advertising Contribution and Royalty Rate Reduction

If you checked (2), (6) or (7), above, the following provisions apply to your Franchise Agreement:

A. In regard to your Advertising Contributions: If you are a Qualified FSP, or operating a non-traditional location at a Theme Park, National Park, Airport Terminal, Hospital, Military Location, Train Station, or Captive Travel Plaza, your Advertising Contributions may be reduced. Any reduction is stated in the Key Contract Data page. Your Advertising Contributions will be paid to us on a weekly basis.

B. In regard to your Royalty Fee: If you are operating a non-traditional location at an Airport Terminal, Train Station, or Captive Travel Plaza, your royalty fee may be reduced. Any reduction is stated on the Key Contract Data page.

C. The Restaurant will not have a vote with respect to temporarily or permanently increasing the Advertising Contribution percentage for either the country or any market.

D. In the event that you operated the Restaurant at a Theme Park, National Park or Airport Terminal and relocate the Restaurant to a location other than a Theme Park, National Park or Airport Terminal, or if you used a Qualified FSP to manage the Restaurant but have ceased to do so, as applicable, then this Part III of the Rider shall be of no further force and effect and your advertising rate shall be as stated in the Franchise Agreement without amendment by this Part III of the Rider.

E. As used in this Rider:

i. A **Theme Park** is defined as an amusement or similar park meeting all of the following requirements: 1. It must offer a collection of rides and/or other entertainment attractions; 2. It is more elaborate than a simple city park or playground, as it is meant to cater to entertaining large groups of people including, adults, teenagers, and small children and generally uses architecture, signage, and landscaping to help convey the feeling that people are in a different place or time; 3. It must be a permanent and not a temporary facility; 4. It charges a fee for admission; and 5. It has at least 400,000 visitors a year.

ii. A **National Park** is defined as an area of land declared or owned by a government, set aside for human recreation and enjoyment, animal and environmental protection, and restricted from development.

iii. An **Airport Terminal** is defined as a building at an airport where passengers transfer between ground transportation and the facilities that allow them to board and disembark from airplanes.

iv. A **Qualified FSP** is defined as a company that is either privately owned or publicly traded; is not government owned, supported or operated and provides contract foodservice and/or concession foodservice (as defined below); and has either annual revenues (or sales) in excess of two hundred million dollars ($200,000,000.00) or operates a minimum of 250 accounts either directly or through their subsidiaries. "**Contract Foodservice**" is defined as the preparation, presentation and delivery of food and beverage services to clients and their customers where clients have chosen to outsource this activity on its premises. The client may or may not pay the Food Service Provider a fee for the provision of the foodservice and the food may be offered to consumers at subsidized prices. Contract Foodservice is carried out in various sectors, including business and industry (staff canteens or cafeterias in both public and private sectors); healthcare (hospitals, nursing homes); and education (schools, universities). "**Concession Foodservice**" is defined as the provision of

foodservice requirements to the public in travel related locations such as airports, railway stations, ferries, roadsides, retail related locations such as sports stadiums and leisure venues. The principal purpose of the customer's visit is not for the consumption of food or beverage but for an alternative purpose. The Food Service Provider pays the location owner (client) a commission for the right to trade at the premises; the Food Service Provider's income is sourced entirely from sales made to the public. In order to obtain the rights to operate in a Contract Foodservice or Concession Foodservice location, the Food Service Provider generally must participate in a request for proposal or in a competitive bidding process. These locations also differ significantly from stand-alone or other traditional types of locations in numerous ways including that the hours and days of operation may be limited by the activity conducted at the location or may be dictated by the owner of the location or the Food Service Provider's client. We and you agree that based on these differences that traditional advertising may be of limited benefit. Therefore, we and you agree to modify the advertising charges for the Restaurant that you will be operating pursuant to this Agreement to reflect the value of benefits that you are receiving.

v. A **Captive Travel Plaza** is defined as having an exit and entrance via the highway only and not accessible to the town or city. It provides the only convenient food option for those traveling on the highway and is therefore the primary driver of traffic to the Subway® restaurant.

F. If you are a Qualified FSP, provided you comply with the post-termination non-compete provisions and other post-termination covenant and provision that survive termination of this Agreement, you may, at any time, terminate this Agreement and cease operation of the Restaurant after giving us one hundred and eighty (180) days' prior written notice.

Part IV – Satellite Restaurant

If you checked (8), above, the following provisions apply to your Franchise Agreement:

A. Your Satellite Restaurant will be (check one):

i. ____ Short Term Satellite Restaurant

ii. ____ Standard Satellite Restaurant

Where not specified, the term "Satellite Restaurant" refers to a Short Term Satellite Restaurant or a Standard Satellite Restaurant.

B. You understand the Satellite Restaurant will not be a full restaurant. The Satellite Restaurant will only operate with the support of and together with the existing Base Restaurant, as provided in the Operations Manual, except with our specific written approval. You understand this Agreement and any guidelines we set for how close a satellite restaurant should be to its base restaurant do not grant you any territorial rights, and there are no radius restrictions or minimum population requirements which limit where we can license or open another Subway® restaurant, including any satellite restaurant, unless provided under local law.

C. The Franchise Fee is:

i. Short Term Satellite Restaurant: $1,000

ii. Standard Satellite Restaurant: $5,000

D. The persons signing this Agreement as franchisee must be identical at all times to the persons who are the parties to the Base Restaurant Franchise Agreement, as reflected in our records.

E. You understand that the Base Restaurant and all other restaurants that you own must be in substantial compliance with the Operations Manual and the Franchise Agreement.

F. In regard to the Sublease for the Restaurant:

i. You acknowledge you found the location and we granted approval to it. We or you may terminate this Agreement by written notice after 90 days from the Agreement Date, or earlier if we and you agree, if we or an Affiliate we designate cannot offer you a Sublease. We will refund the Franchise Fee to you if we or you terminate this Agreement for the above reason, unless it is your fault our designee cannot offer you a Sublease. We will not refund the Franchise Fee if we or our designee enter into a lease or a license containing basic economic terms (e.g. rent, square footage, length of term) you previously consented to and you then do not sign the offered Sublease. If we or our designee offer you a Sublease, you must sign the Sublease within 90 days after the date of this Agreement or this Agreement will automatically expire at the end of the 90-day period. We will not grant you an extension or refund the Franchise Fee if this Agreement automatically expires.

ii. If you are operating a Short Term Satellite Restaurant, the term of you Lease will not exceed 1 year.

iii. You understand and acknowledge we do not now have any training program specific to satellite restaurants, but may in the future, and you agree to attend any required satellite training program. We will not charge for this course but you must pay for travel to and from the training location and all living expenses while attending training.

iv. In some cases, because of the short term or other reasons, we may authorize you to sign an Approved Lease. The term of the Approved Lease we or you sign will not extend beyond the Term, unless we and you agree in writing. You must submit for our approval, the form of Approved Lease, including any modifications, amendments, renewals or extensions. Submissions for approval and our approval, if granted, must be in writing. You must sign our approved franchisor lease rider in connection with the lease. You must give us original signed copies of 1) the Approved Lease, 2) franchisor lease rider, and 3) the landlord's written consent to the conditional assignment.

v. After you sign the Sublease or Approved Lease, you will construct and equip the Restaurant to the specifications contained in the Operations Manual for satellite locations and then open for business.

The Restaurant will be located at _____.

The Restaurant will be a:

Cart:_____ Sandwich Unit:_____ Other:_____

G. The design, construction, layout, equipment, and operation of the Restaurant, including the procedures for transporting products and supplies from the Base Restaurant, must be in compliance with our policies and the portions of the Operations Manual concerning satellite restaurants. We and you will approve the menu of items to be sold and the days and hours of operation. We and you must also approve the location(s), itinerary, operation, and design of any mobile unit. Generally, we intend the Satellite Restaurant will not be self-sufficient, without our specific approval, which means the Satellite Restaurant may not be able to do one or more of the following: (1) bake bread; (2) prepare the setups for the product; or (3) have adequate storage capacity for the product. The Satellite Restaurant may be temporary or seasonal, may operate with limited hours, may be mobile, or have any combination of these characteristics. We alone will determine whether the Satellite Restaurant premises and its operations qualify for treatment as a satellite location according to our policies.

H. You understand and acknowledge the insurance requirements apply to the Satellite Restaurant as well as the Base Restaurant.

I. In regard to relocation:

i. Short Term Satellite Restaurant: you may not relocate the Short Term Satellite Restaurant during the Term.

ii. Standard Satellite Restaurant: You must have our prior written approval to relocate the Standard Satellite Restaurant. Your right to relocate the Standard Satellite Restaurant is subject to our policies regarding proximity of a satellite restaurant to its base restaurant to ensure product quality and proper servicing of the satellite restaurant.

J. In regard to the Term:

i. Short Term Satellite Restaurant: The Term will be for 1 year from the Agreement Date or until the termination or expiration of the Base Restaurant Franchise Agreement (including any renewal periods), whichever occurs sooner, subject to earlier termination. This Agreement will automatically terminate, regardless of the length of term remaining on the Base Restaurant Franchise Agreement, if the Lease for the Short Term Satellite Restaurant or the Base Restaurant terminates or expires. Provided you send written notice at least 60 days prior to the expiration of

the initial 1-year term, this Agreement may be renewed for an additional 1-year term, if mutually agreed upon by both parties. There will be a $1,000 renewal fee.

ii. Standard Satellite Restaurant: The Term will be from the Agreement Date until the termination or expiration of the Base Restaurant Franchise Agreement, subject to earlier termination. Upon expiration of the term of the Base Restaurant Franchise Agreement, and provided that the Base Restaurant Franchise Agreement is renewed in accordance with its terms, this Agreement will automatically renew for additional periods in line with the Base Restaurant Franchise Agreement. There will be a renewal fee equal to 25% of the then-current franchise fee for Standard Satellite Restaurants. This Agreement will automatically terminate, regardless of the length of term remaining on the Base Restaurant Franchise Agreement, if the Sublease or Approved Lease for the Standard Satellite Restaurant or the Base Restaurant terminates or expires and you do not relocate the Standard Satellite Restaurant or Base Restaurant (as applicable).

K. Any default under the Base Restaurant Franchise Agreement will also constitute a default under this Agreement, and will result in the termination of this Agreement if the default is not cured and the Base Restaurant Franchise Agreement is terminated.

L. In regard to transfers:

i. Short Term Satellite Restaurant: You pay a reduced satellite transfer fee of $1,000, or $500 if you transfer to, or transfer by adding, your spouse or child, plus any applicable sales tax, legal, accounting, training, and other expenses we incur in connection with the transfer, plus the transfer fee required by the Base Restaurant Franchise Agreement if the Base Restaurant Franchise Agreement is transferred.

ii. Standard Satellite Restaurant: You pay a reduced satellite transfer fee of $3,000, or $1,500 if you transfer to, or transfer by adding, your spouse or child, plus any applicable sales tax, legal, accounting, training, and other expenses we incur in connection with the transfer, plus the transfer fee required by the Base Restaurant Franchise Agreement if the Base Restaurant Franchise Agreement is transferred.

You acknowledge and understand that because of our requirement a satellite restaurant cannot be self-sufficient (unless we specifically approve), and the persons signing this Agreement as franchisee must be identical at all times to the persons who are the parties to the Base Restaurant Franchise Agreement, you may not transfer this Agreement and the Satellite Restaurant separately and apart from the Base Restaurant Franchise Agreement and the Base Restaurant. Also, you may not transfer the Base Restaurant Franchise Agreement and the Base Restaurant without also transferring this Agreement and the Satellite Restaurant to the same purchaser, except in isolated circumstances where there is a good business reason to do so. This requirement that the Base Restaurant and the Satellite Restaurant must be transferred together will apply with equal force to our right of first refusal and any right we have to purchase the Satellite Restaurant under this Agreement.

M. YOU ACKNOWLEDGE AND AGREE WE HAVE NOT MADE ANY PROMISES OR GUARANTEES WE CAN OBTAIN A LEASE OR LICENSE FOR THE LOCATION IDENTIFIED. YOU AGREE YOUR ONLY REMEDY IF WE DO NOT OBTAIN A LEASE OR A LICENSE FOR THE LOCATION, AND WE DO NOT OFFER YOU A SUBLEASE FOR THE PREMISES WITHIN 90 DAYS, WILL BE TO TERMINATE THIS AGREEMENT AND RECEIVE A REFUND OF THE INITIAL FRANCHISE FEE IF YOU QUALIFY UNDER THE CONDITIONS PROVIDED ABOVE.

EXHIBIT A-3

SUBWAYPOS® END USER LICENSE AGREEMENT

IMPORTANT – READ CAREFULLY: THIS SUBWAYPOS® END USER LICENSE AGREEMENT (THIS "**AGREEMENT**") IS A BINDING CONTRACT BETWEEN YOU (AS DEFINED BELOW) AND FRANCHISOR (AS DEFINED BELOW). THIS AGREEMENT GOVERNS YOUR ACCESS TO AND USE OF THE SOFTWARE (AS DEFINED BELOW). WHEN USED HEREIN, THE TERM "AGREEMENT" INCLUDES THE BODY OF THIS AGREEMENT AND ANY ADDENDUM INCORPORATED, INCLUDING THE DATA PROCESSING ADDENDUM ATTACHED HERETO AS APPENDIX 1 (THE "**DPA**"), AS WELL AS ANY AND ALL OTHER ATTACHMENTS EXPRESSLY INCORPORATED HEREIN.

BY SIGNING, OR BY CLICKING TO ACCEPT THIS AGREEMENT WHERE THAT OPTION IS AVAILABLE, OR BY DOWNLOADING, INSTALLING, UPDATING, OR OTHERWISE ACCESSING OR USING THE SOFTWARE, YOU AGREE ON BEHALF OF YOURSELF, ANY CO-FRANCHISEES, AND ANY COMPANY OR ORGANIZATION YOU REPRESENT ("**YOU**" or "**YOUR**") THAT YOU HAVE READ AND UNDERSTAND THIS AGREEMENT AND AGREE TO BE BOUND BY THE TERMS AND CONDITIONS OF THIS AGREEMENT.

IF YOU DO NOT AGREE WITH THIS AGREEMENT, THEN DO NOT DOWNLOAD, INSTALL, UPDATE OR OTHERWISE ACCESS OR USE THE SOFTWARE.

1. FRANCHISE AGREEMENT. The Software is available for use only by individuals and entities who are party to one or more valid Franchise Agreements (as defined below) pursuant to which such individual or entity establishes and operates, or will in the future establish and operate, one or more SUBWAY® restaurants from approved locations ("**Restaurant(s)**"), any one of which may have been or may be approved to operate in collaboration with a third-party concept. "**Franchise Agreement**" refers to each of the most current, active franchise agreements between you and Franchisor.

2. FRANCHISOR. We are a franchisor of SUBWAY® restaurants. "**Franchisor**" (also "**we**," "**us**," or "**our**") means the entity with which you have entered into the Franchise Agreement, which may be, as applicable, Doctor's Associates LLC, Subway International B.V., Subway Franchise Systems of Canada ULC, Subway Systems Australia Pty. Ltd, Subway Systems Colombia S.A.S., Subway Systems Singapore, Pte. Ltd., or an Affiliate of the foregoing. "**Franchisor Parties**" means Franchisor, its Affiliates (including, but not limited to FWH Technologies, LLC ("**FWHT**")), and their respective directors, officers, owners, shareholders, employees, contractors (including any Business Developer or the equivalent as may be assigned to Restaurants in a geographic region by Franchisor), representatives, agents, suppliers, licensors, successors, and assigns. "**Affiliate**" means, with respect to a specified person or entity, a person or entity that, directly or indirectly, through one or more intermediaries, controls, or is controlled by, or is under common control with the specified person or entity.

3. AUTHORITY. You represent and warrant that you are party to a valid Franchise Agreement, that you have the authority to enter into this Agreement, and that you are under no contractual obligation that will interfere with your ability to perform under this Agreement. You understand and acknowledge that one individual or one authorized representative for the applicable SUBWAY® franchisee may accept this Agreement and that such acceptance will constitute the acceptance of any and all other individuals identified as franchisee under the Franchise Agreement or the entity franchisee, as applicable. You represent and warrant that you consulted with all such individuals and representatives of an entity franchisee, as applicable, about this Agreement prior to accepting this Agreement on their behalf. You further represent and warrant that you have authority to accept this Agreement on behalf of all other such individuals or the entity franchisee, as applicable, and that, by virtue of your acceptance of this Agreement, each such individual or entity, as applicable, ratifies and affirms this Agreement.

4. POS SYSTEM. Under the Franchise Agreement, you are required to use an approved computer-based point-of-sale system (the "**POS System**"), including software and hardware that we specify and are compatible with our requirements to record and report sales and other designated business information to us.

5. SOFTWARE. We approved certain software owned and/or licensed by our Affiliates (including, but not limited to FWHT), for use in SUBWAY® restaurants. The "**Software**" means all software applications, computer programs, mobile applications, online platforms, and computer code that we make available or provide in connection with the POS System and includes, but is not limited to: SubwayPOS® software, Dashboard, Menu Platform software ("**Menu Manager**"), SUBWAY® Payment Manager software ("**SPM**"), Restaurant Management Portal ("**RMP**"), Team Access, real time reporting and workforce management software ("**SUBWAY LiveIQ®**"), business intelligence software ("**Fresh Insights**"), remote access and software deployment application ("**Big Fix End Management**"), and anti-virus software Carbon Black, along with any and all future updates, versions, enhancements, modifications, or replacements of or to any of the foregoing. Some components of the Software may not be available in your country or location. You acknowledge that certain components of the Software, including SUBWAY Live IQ®, Fresh Insights, Big Fix End Management, and Carbon Black, are owned by various third parties (the "**Third-Party Software**") and are licensed to FWHT or its Affiliates under various license agreements. The Software also includes certain associated documentation, including, but not limited to, the SubwayPOS® User Manual, the Menu Manager User Manual, and related training videos and materials, which are provided through the Subway® intranet website.

6. MODIFICATIONS TO AGREEMENT. We may update this Agreement from time to time, including, without limitation, to keep pace with advances in technology, and you will be required to enter into our then-current form of SubwayPOS® End User License Agreement in order to continue accessing or using the Software. All updates to this Agreement will be effective immediately upon posting to the Software or otherwise being made available to you and your continued access to and use of the Software will constitute your acceptance of the modified SubwayPOS® End User License Agreement. You acknowledge and agree that this Agreement replaces any pre-existing SubwayPOS® End User License Agreement you have entered into with us.

7. CREDENTIALS. You acknowledge and agree that you have been provided with a unique login and password to access the Subway® intranet website and that the use of the login and password are required in order to review and accept this Agreement. You represent and warrant that you have not shared, and will not share, this login and password with anyone, or that, if you have or do so in the future, that each such person is authorized to accept this Agreement on your behalf as your agent and that such person's acceptance of this Agreement constitutes your acceptance of this Agreement.

8. GRANT OF LICENSE.

    a. Subject to your compliance with this Agreement, we grant you a limited, nontransferable and nonassignable (except as otherwise expressly provided in this Agreement), revocable, nonsublicensable, nonexclusive license to access and use the Software solely on and for the POS Systems in each of the Restaurants you operate and, in any event, in accordance with all related documentation or restrictions posted on the Software or otherwise provided by Franchisor. This license includes the right to download and install any Software components designated for downloading or installing, but only on and for the POS Systems in each of the Restaurants you operate.

    b. Software licenses may not be shared or used concurrently on separate POS Systems. You acknowledge that you are being granted a separate and distinct license for each Restaurant POS System that you operate. The Software is licensed, not sold.

9. YOUR RESPONSIBILITIES.

a. You will limit access to the Software to your employees who both need to access the Software for purposes of their work for you at a Restaurant and have entered into an agreement with you that contains appropriate confidentiality obligations. Further, the Software access you provide to any given employee must be appropriate with respect to that individual's responsibilities at the applicable Restaurant. You are responsible for all access to and use of the Software by those persons whom you permit to access or use the Software, including your employees. You are responsible for maintaining the confidentiality of any usernames, passwords, and other log-in credentials used to access or use the Software. You must promptly notify Franchisor of any unauthorized access to or use of the Software of which you become aware, including, but not limited to any unauthorized disclosure or use of your or any employee's log-in credentials.

b. You are responsible for setting up, maintaining, and operating your computers, other devices and hardware, operating systems, information technology infrastructure, databases, internet access, and wireless networks, as well as software not provided by Franchisor, as necessary to access and use the Software. You are responsible for, and will obtain and maintain in effect, all permissions, consents, and authorizations that are required by applicable law for you to provide data or other information through the Software or to the Franchisor Parties.

10. USE RESTRICTIONS. You will NOT, and you will NOT allow, directly or indirectly, any person or third party to:

a. make any use of or disclose the Software in any manner that is not expressly permitted under this Agreement;

b. reverse-engineer, reconfigure, decompile, disassemble, or attempt to discern the source code or interface protocols of or discover the underlying ideas behind the Software except as may be expressly allowed by applicable law to ensure interoperability (for clarity, you have no right to or interest in the source code of any Software);

c. modify, translate, enhance, adapt, create derivative works from the Software, or combine the Software with any other software, computer code, or materials;

d. rent, resell, distribute, or sublicense the Software, or otherwise allow directly or indirectly any person or entity to use or access the Software other than your employees that require access to use the Software on behalf of you in a manner permitted by this Agreement;

e. copy, reproduce, display, publish, disclose, re-manufacture, or in any way duplicate or distribute all or any part of the Software except as may be expressly permitted by this Agreement;

f. remove, obscure, or modify any proprietary marking or restrictive legends, notices, or markings placed on or within the Software;

g. disclose, provide, or otherwise distribute or make available any trade secret contained within or embodied by the Software;

h. use the Software in violation of any applicable law or regulation or for unlawful purposes;

i. defeat, compromise, circumvent, de-activate, or disable any security features of the Software or any security controls (including, but not limited to, access controls and password controls) or attempt to do or to allow any of the foregoing;

j. use the Software in conjunction with any device or service designed to circumvent technological measures employed to control access to, or the rights in, a content file or other work protected by the copyright laws of any jurisdiction;

k. access, use, or copy any portion of the Software through the use of indexing agents, spiders, scrapers, bots, web crawlers, or other automated devices or mechanisms;

l. transmit, input, upload, or otherwise provide any information or materials that contain any viruses, worms, Trojan horses, logic bombs, time bombs, cancelbots, malware, ransomware, adware, or other harmful computer code or programming routines, including but not limited to those designed to or that reasonably may disable, damage, impair, interfere with, surreptitiously intercept, or expropriate the Software or any computers, hardware, software, system, data, or networks;

m. provide unlawful, inaccurate, incomplete, or out-of-date information via the Software;

n. submit or provide through or using the Software any information or content that is defamatory, libelous, indecent, pornographic, obscene, otherwise objectionable or harmful, or that violates the rights of third parties; or

o. commit fraud or falsify information in connection with your use of the Software.

11. INDEMNIFICATION. You agree to indemnify, defend (at our option), and hold harmless the Franchisor Parties from and against all claims, demands, complaints, actions, liabilities, injuries, losses, judgments, settlements, fines, costs, damages, and expenses of any type (including, but not limited to, reasonable court costs and legal fees) arising from or relating to: (a) your access to or use of the Software, including your provision of information using or through the Software; (b) your misuse of or reliance on any content, material, data, or information accessed or obtained from or using the Software; (c) your violation of the license granted in this Agreement or any other breach of this Agreement; (d) your violation of the data security or privacy provisions in this Agreement, including the DPA; (e) any Data Security Incident (as defined below); (f) your use of the Software in connection with the duplication, modification, transmission, or distribution of, or any other action relating to, any content or materials in violation of another party's rights or in violation of any law or any provision of this Agreement; (g) your violation of or noncompliance with applicable laws or regulations; or (h) your negligence, willful misconduct, or fraud. We reserve, and you grant to us, the exclusive right to assume the defense and control of any matter subject to indemnification by you. You will not settle or compromise any claim or liability subject to this section without our prior written consent. You and Franchisor agree that the limitation on liability provisions in the Franchise Agreement applies to this Agreement.

12. PROPRIETARY RIGHTS. Nothing in this Agreement grants you any title to or ownership of any intellectual property rights in or to the Software. Franchisor, its Affiliates, and their respective suppliers and licensors, as applicable, are and will remain the exclusive owners of all right, title, and interest in and to the Software (including, but not limited to, its text, audio, video, graphics, charts, photographs, interfaces, icons, structure, organization, architecture, object and source code, data, trademarks, logos, slogans, names of products and services, documentation, other content, and the design, selection, and arrangement of content) and including, but not limited to, any modifications, updates, and upgrades thereto and all techniques, algorithms, processes, ideas, know-how, methodologies, discoveries, and inventions related to the same, as well as all patent, copyright, trademark, trade secret, and other intellectual property and proprietary rights throughout the world in or to or associated with any of the foregoing. The rights that you have to use the Software are limited to those expressly granted in this Agreement. No other licenses or rights with respect to the Software or any related intellectual property rights, express or implied, are granted by Franchisor to you under any patent, copyright, trademark, trade secret, or other intellectual property right of Franchisor or its Affiliates, and all such rights are reserved and retained by Franchisor and its Affiliates. The Software is protected by copyright laws and international copyright treaties, as well as other intellectual property laws and treaties. Any unauthorized use of any intellectual property

rights belonging to Franchisor or its Affiliates is prohibited and may be prosecuted to the fullest extent of the law.

With respect to any Restaurant you operate that is located outside of the United States, references to SubwayPOS® and SUBWAY LiveIQ® in this Agreement are replaced with references to SubwayPOS™ and SUBWAY LiveIQ™, respectively.

13. SOFTWARE AVAILABILITY; CHANGES TO THE SOFTWARE. Any features, materials, products, or services made available through or in connection with the Software are subject to availability. Franchisor may change the Software, including, but not limited to the features, materials, products, and services made available through the Software, at any time without notice or liability.

14. THIRD-PARTY SOFTWARE TERMS. In addition to being governed by this Agreement, Third-Party Software may be licensed to you directly by the software provider under separate license terms ("**Third-Party Terms**"). You may have broader rights to use Third-Party Software under the applicable Third-Party Terms than you do to use the Software under this Agreement. While this Agreement is not intended to impose further restrictions on your use of Third-Party Software as permitted by any applicable Third-Party Terms, your use of Third-Party Software must be consistent with the terms of this Agreement.

15. THIRD-PARTY APPLICATIONS AND SERVICES. In addition to including Third-Party Software as contemplated above, the Software may also enable interoperation of the Software with, or link or connect to, certain other third-party applications and services, which are not maintained or controlled by Franchisor. You acknowledge and agree that you are responsible for ensuring that all proper notices have been made and consents obtained as may be required under applicable law for your disclosure to us, and our use of, Franchisee Personnel Data and Restaurant Data as contemplated under this Agreement. You, alone, are responsible for your collection and use of Franchisee Personnel Data and Restaurant Data and for the accuracy, completeness, legality, and appropriateness of all Restaurant Data and Franchisee Personnel Data as disclosed, provided, or transmitted to us. You represent and warrant that: (i) all Restaurant Data and Franchisee Personnel Data transmitted or provided by you is and has been collected by you or on your behalf in accordance with all applicable laws and regulations; and (ii) you have obtained from those persons or entities whose information (including personal data) is or may be disclosed or transmitted to us, and at all times will maintain, all consents and permissions required by applicable law (including privacy laws and regulations) to disclose or transmit such information as contemplated by this Agreement.

In the event of any conflict between the terms of the DPA and any other term of this Agreement, the terms of the DPA will govern and control.

17. REMOTE ACCESS BY FRANCHISOR. You acknowledge and agree that the Software has remote access capabilities and that the Franchisor Parties or their designees may, from time to time, remotely access the POS System in order to maintain or evaluate system security, to perform system maintenance, to provide technical support, to increase operational efficiency, to install or make available updates to the Software, and/or to install, uninstall, or remove access to Software. You acknowledge that remote access is required in order for us to provide the support necessary to maintain the optimal functionality of the POS System. By accepting this Agreement, you consent to our use of the remote access capabilities of the Software at any time for such purposes. You acknowledge that your consent is informed, voluntary, intentional, and not the result of unequal bargaining power.

18. LIMITED WARRANTY; DISCLAIMER.

    a. In the event that it is determined within ten (10) days of installing, or of your first access to, any Software, that the Software contains a manufacturing defect, we will replace such Software found to be defective solely due to a manufacturing defect. We will not honor any warranty, however, where the Software has been subjected to physical abuse, negligence, or misuse, or is used in defective, noncompatible, or unapproved equipment or with unauthorized third-party hardware or software. The Software is intended solely for commercial use in a SUBWAY® restaurant that has been approved by us to operate under a valid Franchise Agreement. **THE FOREGOING STATES YOUR SOLE AND EXCLUSIVE REMEDY, AND THE FRANCHISOR PARTIES' SOLE AND EXCLUSIVE OBLIGATION AND LIABILITY, WITH RESPECT TO CLAIMS OF DEFECTS IN THE SOFTWARE.**

    b. **EXCEPT AS SPECIFICALLY STATED ABOVE IN THIS SUBSECTION, THE SOFTWARE IS PROVIDED "AS IS", "WHERE IS", "AS AVAILABLE", AND WITHOUT ANY WARRANTY OF ANY KIND, STATUTORY OR OTHERWISE, EITHER EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, COMPATIBILITY WITH ANY STANDARDS OR USER REQUIREMENTS, PERFORMANCE, ACCURACY, TITLE, OR NONINFRINGEMENT AND ANY WARRANTIES ARISING FROM COURSE OF DEALING, COURSE OF PERFORMANCE, OR USAGE IN TRADE. NO WARRANTY, EXPRESS OR IMPLIED, IS MADE TO YOU BY ANY FRANCHISOR PARTY THAT THE SOFTWARE IS FREE FROM CLAIMS OF COPYRIGHT INFRINGEMENT, MISAPPROPRIATION, OR VIOLATION OF THIRD-PARTY INTELLECTUAL PROPERTY OR PROPRIETARY RIGHTS OF ANY KIND. THE ENTIRE RISK AS TO THE QUALITY AND PERFORMANCE OF THE SOFTWARE IS WITH YOU.**

    YOU ACKNOWLEDGE AND AGREE THAT THE SOFTWARE AND ACCESS THERETO MAY BE SUBJECT TO LIMITATIONS, DELAYS, AND OTHER PROBLEMS INHERENT IN THE USE OF THE INTERNET (INCLUDING YOUR INTERNET CONNECTION), WIRELESS NETWORKS, TELECOMMUNICATIONS, AND ELECTRONIC COMMUNICATIONS AND THAT, ACCORDINGLY, FRANCHISOR IS NOT RESPONSIBLE FOR ANY DELAYS, INACCURACIES, DELIVERY FAILURES OR OTHER FAILURES, VULNERABILITIES, OR DAMAGES RESULTING FROM THOSE PROBLEMS, NOR FOR ANY OTHER PROBLEMS OUTSIDE OF FRANCHISOR'S REASONABLE AND DIRECT CONTROL, INCLUDING, WITHOUT LIMITATION, TELECOMMUNICATIONS SERVICES, THE INTERNET, YOUR INTERNET CONNECTION, WIRELESS NETWORKS, NETWORK INTRUSIONS, CYBERATTACKS, AND ANY THIRD-PARTY SOFTWARE OR SERVICES.

    EXCEPT AS EXPRESSLY PROVIDED OTHERWISE IN A SCHEDULE INCORPORATED HEREIN. WE MAKE NO REPRESENTATION THAT THE SOFTWARE IS APPROPRIATE OR AVAILABLE FOR USE IN LOCATIONS OTHER THAN THE UNITED STATES.

    SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF CERTAIN DAMAGES, SO SOME OF THE ABOVE EXCLUSIONS AND LIMITATIONS MAY NOT APPLY TO YOU.

19. LIMITATION OF LIABILITY. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, NO FRANCHISOR PARTY WILL BE LIABLE FOR LOST PROFITS, BUSINESS INTERRUPTION, LOST INFORMATION, OR ANY INDIRECT, CONSEQUENTIAL, SPECIAL, EXEMPLARY, PUNITIVE, OR INCIDENTAL DAMAGES OR LOSSES ARISING OUT OF OR RELATING TO THIS AGREEMENT OR YOUR USE OF THE SOFTWARE (INCLUDING, BUT NOT LIMITED TO, ANY RELIANCE ON THE SOFTWARE FOR AUDITS AND RECORD RETENTION), IRRESPECTIVE OF THE FORM OF THE CLAIM (INCLUDING, BUT NOT LIMITED TO NEGLIGENCE) AND EVEN IF A FRANCHISOR PARTY HAD OR HAS REASON TO KNOW OR HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES OR LOSSES, OR FOR ANY CLAIM BY ANY THIRD PARTY. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL THE FRANCHISOR PARTIES' TOTAL CUMULATIVE LIABILITY IN CONNECTION WITH THIS AGREEMENT OR THE SOFTWARE EXCEED THE AMOUNT OF FEES PAID TO US UNDER THIS AGREEMENT FOR THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE EVENTS GIVING RISE TO THE CLAIM. EACH PARTY ACKNOWLEDGES THAT THE APPLICABLE FEES UNDER THIS AGREEMENT REFLECT THE ALLOCATION OF RISK SET FORTH IN THIS AGREEMENT, AND THAT WE WOULD NOT ENTER INTO THIS AGREEMENT WITHOUT THESE LIMITATIONS ON THE FRANCHISOR PARTIES' LIABILITY. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, WE DISCLAIM ALL RESPONSIBILITY OR LIABILITY OF ANY KIND WITH RESPECT TO ALL THIRD-PARTY SOFTWARE.

20. FEES AND SUPPORT.

    a. You will pay us a monthly license and maintenance fees for the Software. This fee covers maintenance of the Software for all POS System terminals in the applicable Restaurant. We will charge this fee to your pre-authorized account with us. We reserve the right to increase or decrease those fees at any time without notice to you.

    b. We will supply menu updates and commercially reasonable remote support services for the Software. Additional support for the Software is available from our Affiliate, Franchise World Headquarters, LLC ("**FWH**"), at an additional cost. The fees for any such additional software support may be charged to your pre-authorized account with us (as contemplated under the Franchise Agreement). See the FWH Technology Support Center on the Subway® intranet website for additional information.

    c. The fees payable under this section may be stated in US dollars, but you must pay all amounts owed to us in local currency, unless we require otherwise, at the exchange rates specified by us at the time of payment. **You, alone, are responsible and liable for any adverse change in currency exchange rates.**

21. TERM AND TERMINATION.

    a. The term of this Agreement will be one (1) year from your acceptance hereof and will then automatically renew for successive one (1) year periods (together, the "**Term**") unless either party chooses not to renew this Agreement by sending written notice of nonrenewal to the other party at least sixty (60) days prior to the expiration of the then-current one (1)-year period.

    b. If you breach any term of this Agreement or any applicable term of the Franchise Agreement, we may terminate this Agreement and/or suspend or terminate your access to the Software, without liability and without notice to you. We may also terminate this Agreement and/or suspend or terminate your access to the Software at any time, without liability and without notice to you, in the event of unexpected technical issues or security issues with the Software, any unauthorized access to or use of the Software, or the general discontinuance or material modification of any Software. Additionally, this Agreement will terminate automatically if you are no longer party to an active Franchise Agreement.

    c. If this Agreement is nonrenewed or otherwise terminated for any reason, including if the applicable Franchise Agreement is terminated, expired, or transferred with respect to any

Restaurant, all of your rights hereunder will terminate and you must immediately stop accessing and using the Software. Any fees paid by you in connection with this Agreement and prior to termination of this Agreement are nonrefundable, including but not limited to any fees paid in advance. Upon termination of this Agreement, you must uninstall, return to us, destroy, and delete, per our request, any and all copies of the Software and, upon our request, certify in writing that you have complied with these requirements. Any provisions of this Agreement that are intended to survive termination (including, but not limited to any provisions regarding our data rights, indemnification, limitation of our liability, or dispute resolution) will continue in effect beyond any termination of this Agreement or of your access to or use of the Software.

22. TRANSFER AND ASSIGNMENT.

    a. You may transfer or assign this Agreement, including but not limited to the license granted hereunder, only as part of a sale or transfer of one or more POS Systems to one or more then-current SUBWAY® franchisees in good standing with us, but only with our prior written consent (which consent may be withheld in our sole discretion). In such event, you must transfer all of the Software and your entire license thereto to the purchaser or transferee. The purchaser or transferee must agree to and accept our then-current form of SubwayPOS® End User License Agreement (or any replacement thereof). If you complete a sale or transfer contemplated in this subsection (whether you sell or transfer just the POS System or the POS System together with a Restaurant), your license to use the Software on the sold or transferred POS System will automatically and immediately terminate. There is no transfer fee. Any transfer made, purported to be made, or attempted to be made not in accordance with this subsection is null and void and of no effect and will be deemed a material breach of this Agreement by you.

    b. We may transfer and assign this Agreement any time, without your consent and without notice to you, and this Agreement will inure to the benefit of our successors and assigns.

23. U.S. GOVERNMENT RESTRICTED RIGHTS. The Software is provided with RESTRICTED RIGHTS. Use, duplication, or disclosure by the Government is subject to restrictions as set forth in subparagraph (c)(1)(ii) of the Rights in Technical Data and Computer Software clause at DFARS 252.227-7013 or subparagraphs (c)(1) and (2) of the Commercial Computer Software-Restricted Rights at 48 CFR 52.227-19, as applicable. The manufacturer is FWHT and has offices at 1 Corporate Drive, Shelton, Connecticut, USA 06484.

24. EXPORT. You will not, directly or indirectly, export or re-export the Software or any technology disclosed pursuant to this Agreement in violation of any applicable U.S. export control laws or regulations, or any other applicable export control laws promulgated and administered by the government of any applicable country or other jurisdiction. Without limiting any of the foregoing, in the event you export the Software from the country or other jurisdiction in which you first received it, or from any other country or other jurisdiction, you assume all responsibility for compliance with all applicable export and re-export laws and regulations.

25. FORCE MAJEURE. Franchisor will not be liable for, nor will it be deemed to have breached this Agreement in the event of, any failure or delay in performing any obligation under this Agreement due to circumstances beyond its reasonable control, including, but not limited to, acts of God, fires, floods, other acts of nature, epidemics, pandemics, actions of government, civil disturbances, terrorism, national emergencies, delays and failures of third parties, hackers, and power, communications, satellite, or network failures or outages.

26. RELATIONSHIP OF THE PARTIES. It is understood and agreed by the parties hereto that this Agreement does not create a fiduciary relationship between them and that nothing in this Agreement is intended to make either party an agent, subsidiary, joint venturer, partner, employee, or servant of the other for any purpose.

27. GENERAL.

a. **Notice; Electronic Communications.** Any notice permitted or required to be provided under this Agreement must be provided in accordance with the Franchise Agreement's notice requirements. Please print or otherwise save a copy of this Agreement and all notices, consents, and other communications for your reference.

b. **Compliance; Audit.** We reserve the right to take steps we believe are reasonably necessary or appropriate to enforce or verify compliance with the terms of this Agreement. Without limiting the generality of the foregoing, Franchisor and its designated representatives may audit, examine, and make copies of data, documents, information, and other records in your possession or control that relate to or concern the Software in order to determine your compliance with this Agreement and the Franchise Agreement.

c. **Feedback.** Franchisor welcomes comments regarding the Software. If you submit comments or feedback regarding the Software, they will not be considered or treated as confidential. We may use any comments and feedback that you send us in our discretion and without attribution or compensation to you except as may be prohibited by law.

d. **Governing Law.** This Agreement is and will be governed by and construed in accordance with the body of law that governs the Franchise Agreement as stated therein. This Agreement will not be governed by the United Nations Convention on Contracts for the International Sale of Goods, the application of which is expressly excluded. Jurisdiction and venue is exclusively as stated in the Franchise Agreement.

e. **Dispute Resolution.** Except as may be otherwise provided in this Agreement or the Franchise Agreement, any controversy or dispute arising out of or relating to this Agreement or the Software will be settled in accordance with the terms of the dispute resolution procedures set forth in the Franchise Agreement, including, but not limited to, any terms requiring arbitration or mediation, any terms prohibiting you from seeking damages or remedies from or against any party other than us or our successors or assigns, and any terms requiring you to pay our or our Affiliates' costs and legal fees for breaching these or any other requirements.

f. **Injunctive Relief.** You agree that your breach of this Agreement's use restrictions or violation or our intellectual property or proprietary rights in and to the Software, as well as any unauthorized distribution, duplication, or other reproduction of all or any part of the Software (including but not limited to translated parts provided to you by the Franchisor Parties) or your failure to protect the Software, would cause irreparable harm to us and monetary damages would be insufficient to remedy that harm. Accordingly, and notwithstanding anything to the contrary in this Agreement, in the event of any such actual or threatened breach or violation, we will be entitled to injunctive relief in any court having jurisdiction, without the need to post bond, prove damages, or meet any similar requirement, as well as any other remedies available at law or at equity, and any limitations on your liability in the Franchise Agreement will not apply.

g. **Third-Party Beneficiaries.** This Agreement does not confer any rights, remedies, or benefits upon any person other than you and Franchisor, except that our Affiliates are third-party beneficiaries of this Agreement.

h. **Language.** This Agreement is in the English language, which will control in all respects. No translation of this Agreement into any other language will be given any force or effect to interpret this Agreement unless required by the laws of the jurisdiction in which the Restaurant is located.

i. **Severability.** If any provision of this Agreement is held to be invalid or unenforceable in any jurisdiction, that provision will be ineffective in that jurisdiction to the extent of the invalidity or unenforceability, without invalidating any other provision of this Agreement.

j. **Entire Agreement.** This Agreement, including but not limited to any provisions of the Franchise Agreement referenced herein, our Privacy Statement, and the DPA, contains the entire understanding of the parties relating to the subject matter of this Agreement and supersedes any prior or contemporaneous understandings or agreements, written or oral, of the parties relating to such subject matter. For the avoidance of doubt, however, in no event will this Agreement be construed to cancel, terminate, or supersede your obligations under the Franchise Agreement. In the event of any conflict between the terms of this Agreement and the terms of the applicable Franchise Agreement, the terms of the Franchise Agreement will govern and control. Notwithstanding the foregoing, nothing in this subsection will expand any liability as limited in the "LIMITATION OF LIABILITY" section of this Agreement. Franchisor's failure to enforce any term of this Agreement will not constitute a waiver of that term or any other term. Any waiver of any term of this Agreement will be effective only if in writing and signed by Franchisor. The headings in this Agreement are for convenience only and will not affect the construction or interpretation of this Agreement.

AGREEMENT:

Acknowledging and agreeing to each of the Recitals above, which are added to the Recitals of the Franchise Agreement and are herein incorporated by reference in the Franchise Agreement, and notwithstanding any provisions of the Franchise Agreement to the contrary, the parties agree to amend and supplement the Franchise Agreement as follows:

I. The definition of "**Gross Sales**" is revised as follows:

We will terminate this Agreement and refund the Franchise Fee provided that you send us a written request no later than sixty (60) days after the termination of this Rider. We will not refund the Franchise Fee if we or our designee enters into a sublease containing basic economic terms (e.g. rent, square footage, length of term) to which you previously consented and you then do not sign the offered Sub-Sublease. If we or our designee offers you a Sub-Sublease you must sign the Sub-Sublease within thirty (30) days from the date the Sub-Sublease is offered to you, or this Agreement will automatically expire at the end of the thirty (30) day period. (iii) The Restaurant will be at a Walmart store location we offer to you. You and SRL will enter into the Sub-Sublease to further sublease the premises to you. SRL has negotiated with TTTSM to secure a fair rent for the premises but we cannot represent it will be the best available rent in your area. If you materially breach this Agreement or the Sublease, SRL may terminate the Sub-Sublease with you after giving the notice required in the Sub-Sublease Agreement.

(iv) After you sign the Sub-Sublease, you will construct, equip, and open the Restaurant to the specifications contained in the Operations Manual.

IV. You acknowledge and agree you will be required to offer additional snack menu items in accordance with the Operations Manual.

V. You must provide us with a copy of your Certificate of Insurance when you return your signed Sub-Sublease.

VII. Regarding relocation of the restaurant: You may relocate the Restaurant only with our prior written approval. You will pay any expenses and liabilities imposed by the Master Sublease and move if you relocate the Restaurant. If you materially breach this Agreement, we or our designee may cancel the Sub-Sublease after giving the notice required in the Sub-Sublease.

If you relocate the Restaurant to a location that is not in a Walmart store, the Walmart Location Rider which is part of this Agreement will be of no further force and effect, except to the extent the Master Sublease and Sublease impose obligations on you which continue after the termination or expiration of the Sub-Sublease. You will abide by and be bound by the terms of the Franchise Agreement without any modification by the Walmart Location Rider, and you will sign a Lease for the new premises promptly after the Sub-Sublease terminates or expires.

VIII. The following is a condition of transfer: each purchaser received the required disclosure documents in accordance with our policies and federal and state laws, rules, and regulations, and signs the then current form of franchise agreement which will amend and replace this Agreement and may contain terms that differ from this Agreement, including financial terms, and signs the then current form of the Sub-Sublease for the Restaurant;

IX. Upon assigning your rights under the Franchise Agreement, you will remain personally liable under the Sub-Sublease.

X. In order for a next of kin or legatee to assume the Franchise Agreement, each must deliver a written assumption to us of this Agreement and the Sub-Sublease for the Restaurant, among the other requirements set forth in the Franchise Agreement.

XI. If you breach the terms of your Sub-Sublease, our affiliate SRL may exercise its rights under the Sub-Sublease, including evicting you from the franchised location. Any action brought by SRL to enforce the Sub-Sublease, including actions brought pursuant to the cross-default clause in the Sub-Sublease (which provides that a breach of the Franchise Agreement is a breach of the Sub-Sublease), is not to be construed as an arbitrable dispute.

The parties agree that you may seek a stay of any eviction brought under the cross-default clause in the Sub-Sublease by filing a demand for arbitration in accordance with the Franchise Agreement within thirty (30) days of SRL's commencement of the eviction. The stay may be lifted upon conclusion of the arbitration. You may not seek a stay of eviction for any actions involving non-payment of rent or in a case where an arbitration award under the Franchise Agreement has been issued.

XII. If TTTSM terminates the Master Sublease or Sublease for the Restaurant and an arbitrator or court determines we or SRL breached the Master Lease or Sublease and caused the termination, our obligation to you will be limited to the original cost of your construction improvements, less depreciation based on a five (5) year life under the straight-line method. We will pay you when you reopen the Restaurant in a new location. If the arbitrator or court determines you breached the Sub-Sublease or it was not our fault or SRL's fault TTTSM terminated the Master Sublease or Sublease, we and SRL will have no obligation to you for termination of the Master Sublease or Sublease.

XIII. You acknowledge and agree we have not made any promises or guarantees that we can obtain a sublease for the location identified in above, or that we will give the location our final approval. If we do not obtain a sublease for the location or if we do not grant final approval for the location, and in either case we do not offer you a Sub-Sublease for the premises within one year, you agree your only remedy will be to terminate this Agreement and receive a refund of the initial Franchise Fee if you qualify under the conditions provided in the Franchise Agreement.

XIV. The Franchise Agreement, as amended and supplemented by this Rider, contains the entire understanding of the parties. The parties can amend the Franchise Agreement further only in a signed writing. The provisions of the Franchise Agreement, as amended and supplemented by this Rider, are ratified and affirmed. To the extent the terms of this Rider and the terms of the Franchise Agreement conflict, the terms of this Rider shall control.

XV. You acknowledge and agree you read and understand this Rider and the Franchise Agreement and consent to be bound by all the terms and conditions of the Franchise Agreement, as amended and supplemented by this Rider.

IN WITNESS WHEREOF, the parties have executed this Rider, as of the Effective Date.

SUB-SUBLICENSE AGREEMENT FOR WALMART LOCATIONS #

This Sub-Sublicense Agreement (this "Agreement") is made by and between Subway Realty, LLC ("Sub-Sublicensor") and _____ ("Sub-Sublicensee") dated _____ .

WHEREAS,

(A) Pursuant to a Second Master Relationship Agreement dated the 19th day of May 2004, Walmart Stores, Inc., a Delaware Corporation having a principal address at 1300 S.E. 8th Street, Bentonville, AR 72716-0305 ("Licensor"), licensed space within its retail establishments solely for the purpose of operating food service businesses under the trade name "Subway" to Twin Towers Trading Site Management, LLC ("TTTSM"), a Nevada limited liability company having an address at 5 Shaws Cove, Suite 203, New London, CT 06320.

(B) The Sub-Sublicensor is the Concessionaire under a certain Sublicense Agreement made between it and TTTSM dated the 10th day of June 2004 (the "Sublicense Agreement") which outlines the rights to operate Subway® restaurants within premises commonly known as Walmart stores. A copy of the Sublicense Agreement is annexed hereto and incorporated herein. In accordance with the terms of the Sublicense Agreement, the Sub-Sublicensor further grants licenses to franchisees of Doctor's Associates LLC ("Subway® franchisees") for the operation of Subway® restaurants to be located within a Walmart store.

(C) The Sub-Sublicensor and Sub-Sublicensee agree that the purpose of this Agreement is to allow the Sub-Sublicensee to operate a Subway® restaurant at a Walmart store location with an address at _____ under the terms of the Sublicense Agreement attached hereto and the Franchise Agreement with Doctor's Associates LLC dated _____ (the "Franchise Agreement").

NOW IT IS HEREBY AGREED AS FOLLOWS:

(1) The Sub-Sublicensee has inspected the premises (as identified in Schedule A attached hereto) and accepts the same as is. The Sub-Sublicensee acknowledges and is aware that the success or lack thereof of any particular Subway® restaurant within a Walmart store is unknown. The Sub-Sublicensee has made its own independent determination of the viability within this particular location and is relying on no representations whatsoever as to the profitability, ease of operation, success or failure, costs to construct, of this or any other Subway® restaurant located within a Walmart store. The Sub-Sublicensee is also aware that since this is a new venture between the parties, changes may need to be incorporated into the documents and the parties agree to negotiate in good faith to modify this Agreement as necessary.

(2) The Sub-Sublicensor hereby sub-sublicenses the premises to the Sub-Sublicensee for the term of year(s), commencing _____ at the license fee called for in the Sublicense Agreement annexed hereto, plus all charges such as common area charges, maintenance, insurance, tax, and license fee escalations. Sub-Sublicensee and the Licensor agree that either party may elect to end this Sub-Sublicense at any time upon providing one hundred eighty (180) days written notice. If the Licensor elects to terminate this Sub-Sublicense, the Licensor will pay to the Sub-Sublicensee twenty (20%) of the gross sales for the Subway® restaurant for the six (6) months prior to the termination of this Sub-Sublicense. If the Sub-Sublicensee elects to terminate the Sub-Sublicense, the Sub-Sublicensee will pay to the Licensor an early termination fee equal to six (6) months of licensing fees, utilities, and grease trap maintenance (if applicable). These amounts will be based on the Sub-Sublicensee's average payments for licensing fees, utilities, and grease trap maintenance for the previous twelve (12) month period. Any future renewal of the Sub-Sublicense for an additional period of time will be at the option of the Licensor.

(3) The Sub-Sublicensee agrees to perform and observe all of the obligations of the Sub-Sublicensor under the Sublicense Agreement and make all license fee payments directly to TTTSM in the manner set forth in the Sublicense Agreement. In addition to any indemnity and insurance provisions contained in the Sublicense Agreement, the Sub-Sublicensee agrees at all times during the term of this Agreement and for such prior or further term as a Sub-Sublicensee occupies or has possession of the premises, and thereafter relating to such period of occupancy, to indemnify, defend, and hold harmless the Sub-Sublicensor and its affiliates, and the shareholders, officers, directors, employees, and agents of the

Sub-Sublicensor and its affiliates, from and against all liability, injury, loss, cost (including attorneys' fees), damage and expense in respect of any injury or death of any persons and/or damage to any property while on the premises and to obtain and maintain insurance in accordance with the Sublicense Agreement and the Franchise Agreement naming all such indemnified persons as additional insureds.

(4) The Sub-Sublicensor acknowledges receipt from the Sub-Sublicensee of the sum of $ 1,500.00 DOLLARS, which has or shall be paid to TTTSM as the placement fee and administration fee referred to in the Sublicense Agreement.

(5) If at any time during the term of this Agreement, Sub-Sublicensee shall default in the performance of any of the terms of the Sublicense Agreement or the Franchise Agreement, Sub-Sublicensor may terminate this Agreement on ten (10) days written notice to Sub-Sublicensee, and upon such termination, Sub-Sublicensee shall quit and surrender the leased premises to Sub-Sublicensor but Sub-Sublicensee shall remain liable for the balance of the license fee due as provided in this Agreement. Sub-Sublicensee agrees that upon such default the TTTSM may demand, receive and collect any monies due or thereafter falling due without in any manner effecting such default or any notice of suit, action, order or judgment related to the default. Upon termination of this Agreement, any payment made by the Sub-Sublicensee to the Sub-Sublicensor, TTTSM, Licensor or any court shall not: a) reinstate, continue or extend the term of this Agreement; b) effect any notice previously given to the Sub-Sublicensee; or c) operate as a waiver of the right of the Sub-Sublicensor to recover possession of the demised premises by proper suit, action, proceeding or remedy. All monies collected shall be deemed to be payments made in accordance with the terms of this Agreement or applied toward any outstanding balances owed by the Sub-Sublicensee. The parties agree that trial by jury shall be waived in the event of litigation. The Sub-Sublicensee agrees to pay to the Sub-Sublicensor upon demand, as additional license fees, any fees, costs or charges, including attorneys' fees and legal costs, incurred by the Sub-Sublicensor in enforcing any of the terms or provisions of this Agreement, including without limitation for collecting any unpaid or late license fee amounts or eviction proceedings. The Sub-Sublicensor may charge interest on all past due amounts at the maximum legal rate in the jurisdiction in which the Subway® restaurant is located.

(6) The Sub-Sublicensee may assign the rights in the Sub-Sublicense Agreement only to a franchisee of Doctor's Associates LLC for use as a Subway® restaurant, provided that the prior written consent to the subletting is obtained from the Sub-Sublicensor, which consent shall not be unreasonably withheld. If Sub-Sublicensor consents to the subletting of the premises, this consent shall not operate to release the Sub-Sublicensee from his obligations under this Agreement.

(7) The Sub-Sublicensor is hereby conveying to the Sub-Sublicensee, subject to the terms and conditions of this Agreement, only those rights to the aforesaid premises acquired by virtue of the Sublicense Agreement. The Sublicense Agreement describes the Licensor's and/or TTTSM's duties which the Sub-Sublicensor is not obligated to perform. If the Licensor or TTTSM fails to perform his duties under the Sublicense Agreement, the Sub-Sublicensee must send Sub-Sublicensor a notice by certified mail or a mail service which uses a tracking system such as Federal Express or Airborne Express, describing the Licensor's or TTTSM's default in detail. Upon receipt of the notice, the Sub-Sublicensor shall then promptly notify the Licensor or TTTSM and demand performance of the agreement contained in the Sublicense Agreement. In the event Sub-Sublicensee wishes to engage the services of an attorney to settle any disputes arising out of the Sublicense Agreement, all fees and costs shall be borne by the Sub-Sublicensee, it being understood that Sub-Sublicensor is under no obligation to bring or defend any action brought by or against the Sub-Sublicensee, the Sub-Sublicensor, TTTSM or the Licensor.

(8) The Sub-Sublicensee shall not make any agreement with the Licensor or TTTSM which could modify, cancel or terminate the Sublicense Agreement.

(9) The Sub-Sublicensor may terminate this Agreement on ten (10) days written notice and Sub-Sublicensor may offer this location to another franchisee of Doctor's Associates LLC if: a) the Sub-Sublicensee does not commence construction of the premises within fifteen (15) days after obtaining occupancy from the Licensor or TTTSM by expeditiously ordering his equipment, submitting all necessary funds, making application for required permits and licenses; and b) the Sub-Sublicensee does not the complete the build-out of the store and then open the store within sixty (60) days after occupancy. In such an event, the Sub-Sublicensee understands that the placement fee and administrative fee referred to in Paragraph 4 will not be refunded.

(10) The Sub-Sublicensee acknowledges that he has read the Franchise Disclosure Document and Operations Manual of Doctor's Associates LLC, the Franchise Agreement and the Sublicense Agreement, and agrees to build and

operate his franchise in compliance with these agreements. The Sub-Sublicensee understands that the success, if any, of any given Subway® restaurant is the responsibility of the franchisee and he also acknowledges that representations of sales or earnings have not been made to him by Doctor's Associates LLC.'s employees or agents as to this or any other location. The Sub-Sublicensee further understands that menu items may include snack bar and beverage bar related items and that the operation within a Walmart store may require the Sub-Sublicensee to operate a snack bar and beverage bar and offer items not typically found in all Subway® restaurants. The Sub-Sublicensee agrees to do so and to pay royalties and advertising charges on sales from these items as it would any other item offered for sale within a Subway® restaurant.

(11) The Sub-Sublicensee understands that the building or the premises contained within the building (the "Building") must comply with the requirements of the Americans with Disabilities Act of 1990 (ADA) and other applicable codes or ordinances. The Sub-Sublicensee acknowledges that under certain circumstances the Concessionaire under the Sublicense Agreement may have the responsibility and obligation to ensure that the Building complies with the ADA and other applicable codes or ordinances. Under these circumstances, the Sub-Sublicensee understands and acknowledges that it will be the Sub-Sublicensee's responsibility for said compliance and the Sub-Sublicensee shall bear all costs associated therewith. The Licensor or TTTSM may also have certain responsibilities and obligations to ensure that the Building is in compliance with the ADA or other applicable codes. In consideration of the Sub-Sublicensor executing this Agreement, the Sub-Sublicensee further agrees to indemnify the Sub-Sublicensor for any legal fees, other expenses and damages ensuing from any lawsuit, government investigation or government enforcement action brought by an individual, group of individuals or any government agency for violation of the ADA or other applicable codes or ordinances.

(12) This Agreement must be signed by each individual who signed the Franchise Agreement as franchisee, each of whom shall be jointly and severally liable under this Agreement. This Agreement contains the entire agreement between the Sub-Sublicensor and the Sub-Sublicensee with respect to the premises. This Agreement may only be amended or provisions hereof waived or modified, in writing.

(13) Sub-Sublicensee agrees to sell any and all items agreed and authorized by Sub-Sublicensor.

IN WITNESS WHEREOF, the parties have executed this Agreement as of the date first written above.

INTENT TO SUB-SUB LICENSE WITHIN WALMART

DATE: _____
Business Developer_____
Franchise Number_____
Twin Towers Management Trading Site Management, LLC (Sublicensor)
Subway Realty, LLC (Sub-Sublicensor)
Subway Franchisee (Sub-Sublicensee)

I hereby offer to sub-sublicense from Subway Realty, LLC (Sub-Sublicensor) the following described premises located within Walmart:_____
for a period beginning approximately, _____, and ending approximately_____, plus renewal options. I understand that the license fee on the premises is based upon sales generated from the operation of the Subway® restaurant and snack bar if applicable.

It is agreed and understood that Pursuant to a Second Master Relationship Agreement dated the 19th day of May 2004, Walmart Stores, Inc., a Delaware corporation ("Licensor"), licensed space within certain of its retail establishments ("Walmart stores") solely for the purpose of operating Subway® restaurants to Twin Towers Trading Site Management, LLC ("Sublicensor"), a Nevada limited liability company. The Sub-Sublicensor entered into a Sublicense Agreement with Sublicensor dated June 10, 2004 (the Sublicense Agreement") for the purpose of further sublicensing the licensed premises to franchisees of Doctor's Associates LLC to be used as a Subway® restaurant and snack bar located within a Walmart store. The selection of these premises for utilization as a Subway® restaurant has been based upon the joint approval of Doctor's Associates LLC, the Sub-Sublicensor and myself. I have made an independent evaluation of the location and have concluded that the location has a reasonable opportunity of success as a Subway® restaurant. However, I understand and acknowledge that no representations of potential sales or earnings have been made to me by Doctor's Associates LLC, the Sub-Sublicensor, nor any affiliate, nor their respective employees or agents, as to this or any other location. The Sub-Sublicensee acknowledges and is aware that the success or lack thereof of any particular Subway® restaurant within a Walmart store is unknown. The Sub-Sublicensee is also aware that since this is a new venture between the parties, changes may need to be incorporated into the documents and the parties agree to negotiate in good faith to modify this the Sub-Sublicense Agreement as necessary.

It is agreed and understood that Sub-Sublicensor entered into the Sublicense Agreement for the purpose of sublicensing the aforesaid premises to me to be used as a restaurant and snack bar pursuant to a Franchise Agreement with Doctor's Associates LLC. I agree and understand that each person signing said Franchise Agreement as franchisee must also sign the Sub-Sublicense as Sub-Sublicensee. I acknowledge that I can assign or further sublicense only to a Subway® franchisee and that I must obtain the Sub-Sublicensor's prior written consent to the assignment or sublicensing. I understand that if I do assign or sublicense the premises with Sub-Sublicensor's consent, this consent shall not operate to release me from my obligations under the Sub-Sublicense Agreement.

Upon receipt of a copy of the executed Sublicense Agreement. I agree to execute two original copies of the Sub-Sublicense Agreement for this location within ten days. My refusal to execute the Sub-Sublicense Agreement within this time frame will authorize the Sub-Sublicensor to offer this location to another Subway® franchisee. Further, I agree that the advance fee paid in accordance with this document will not be refunded in the event that I fail to properly execute the Sub-Sublicense Agreement within ten days after receipt of a copy of the executed Sublicense Agreement.

I have received and reviewed the proposed Sublicense Agreement and Sub-Sublicense Agreement for the demised premises. I understand the financial terms have been agreed upon and it is in its final form. I understand that Schedule A of the Sublicense Agreement shall be provided upon acceptance by the Sublicensor of our Intent to Sub-Sublicense.

I hereby enclose a check, payable to Subway Realty, LLC, in the amount of $1,500.00, which is the advance administrative fee and placement fee due under the Sub-Sublicense Agreement. I understand that Sub-Sublicensor will make payment to the Sublicensor with the above-referenced funds.
I also agree to furnish Sub-Sublicensor with proof of insurance in the amount and form stipulated in the Sublicense Agreement prior to entering into possession of the premises.

WALMART ADDENDUM

This Addendum amends and supplements the "Franchise Disclosure Document for Prospective Franchisees as Required by the Federal Trade Commission" dated April 30, 2026, as amended June 16, 2026, and as amended October 29, 2026 (the "Franchise Disclosure Document") issued by Doctor's Associates LLC.

Item 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

Walmart Locations. We offer franchises for restaurants to be located within the premises of retail establishments owned by Walmart Stores, Inc., Walmart Stores East, LP, Walmart Louisiana, LLC and Walmart Texas, LLC ("Walmart"). Pursuant to a Master Lease Agreement dated March 31, 2010, Walmart leased space within certain Walmart stores to Twin Towers Trading Site Management, LLC ("TTTSM") solely for the purpose of operating Subway® restaurants ("Master Lease Location"). On March 31, 2010, TTTSM entered into a Master Sublease Agreement with SRL. Under the terms of the Master Sublease, a sublease will be executed between TTTSM and SRL for each restaurant premises and will be incorporated into the Master Sublease. If your restaurant will be located within a Walmart store, you will enter into a Sub-Sublease Agreement with SRL for the premises (the "Sub-Sublease"), in a form substantially similar to Exhibit A-4-2.

Walmart location franchises are sold for specific locations and are operated as full service restaurants. If you purchase a franchise to be located in a Walmart, you will be required to sell any items agreed and authorized by us which will include additional snack menu items not typically found in all Subway® restaurants. You are required to participate in a snack program and offer an expanded menu of snack items. The Franchise Agreement for a Walmart location consists of our standard form of the Franchise Agreement and Walmart Location Rider.

If you are interested in a satellite, non-traditional, school lunch, community development, or Walmart location, you should read the riders for these locations and this Disclosure Document carefully. These riders amend the standard form franchise agreement in several very important respects. We offer non-traditional restaurants, satellite restaurants, community development restaurants, school lunch restaurants, and Walmart location restaurants by this Disclosure Document. We set out the disclosure differences regarding the licensing of these locations in the relevant Items. Except where we point out these differences, references throughout this Disclosure Document to a restaurant and a Franchise Agreement also apply to a non-traditional location, a satellite location, a community development location, a school lunch location, a Walmart location, and the Franchise Agreement for these locations.

If you are operating a co-branded Walmart location, you may be required under the terms of the Master Sublease to continue operating it as a co-branded location throughout the term of your Sub-Sublease, including any extension. In the event you elect to discontinue operating the third party franchisor's concept currently operating at your co-branded Walmart location, you may be required to operate a replacement third party franchisor's concept ("Replacement Concept"), which has been approved by us. You may be required under the terms of the Master Sublease to begin operation of the Replacement Concept at your Walmart location within 120 days after you have ceased operation of the previous third party franchisor's concept. You may have additional time to open the Replacement Concept, if you have diligently pursued its opening and can demonstrate to us that the delayed opening of the Replacement Concept is due to circumstances beyond your control. You may be required under the terms of the Master Sublease to operate each third party concept operating at your Walmart location for a minimum of 12 consecutive months.

Add to Note 1:

If your restaurant will be located within a Walmart store, you are required to offer additional snack menu items not typically found in Subway® restaurants and participate in various snack programs. As of the date of this Disclosure Document, you are required to offer an expanded menu of snack items. All sales from any snack items will be included in gross sales.

Add to Note 6:

If your restaurant will be located within a Walmart store, you must enter into a Sub-Sublease with SRL for the premises. If you are purchasing a franchise for an existing restaurant, you may be required to sign the legacy Sub-Sublease for which differing fees are outlined in the chart above. Each month you will pay rent for your restaurant to TTTSM in accordance with the terms of the Master Sublease and Sub-Sublease. The rent will be a set fee, which will be determined by the monthly gross sales of your Restaurant. TTTSM may require a right of first refusal if you want to transfer your restaurant. SRL may assess late payment fees and other costs arising from administration of the Master Sublease, and has the same rights as TTTSM on default to charge you for certain fees, to carry out repairs, and to recover costs.

If you sign the new Sub-Sublease tied to a new location/relocation, you must make an advance payment in the amount of $10,000, of which $8,500 may be refunded upon successful opening of the applicable premises on or before the approved Rent Commencement Date. The remaining non-refundable $1,500 constitutes the non-refundable advance payment and placement fee due under the Sublease Agreement. SRE will make payment to TTTSM with the above-referenced funds once they have been received.

If your restaurant is co-branded within the leased premises, the monthly gross sales shall be calculated separately for each concept, but the base rent shall be the greater of $2,000 and 6% of the cumulative gross sales of all concepts operating within the leased premises, and you will pay rent separately for the other concept in accordance with the terms of the Master Lease. If you discontinue operating the third-party franchisor's concept currently operating at your co-branded Walmart location, your Master Sublease may require you to operate a Replacement Concept, which has been approved by us. There will be additional costs associated with the construction and operation of the Replacement Concept.

If you are purchasing through a transfer a Walmart location that is currently operating under a Sub-Sublicense that was recently renewed, you will pay to TTTSM a rent each month.

Item 7
ESTIMATED INITIAL INVESTMENT

If your restaurant will be located within a Walmart store, your initial investment may vary from the chart above, depending on the equipment you have to buy or changes you must make in construction improvements. Also, you are required to offer additional snack menu items not typically offered in Subway® restaurants and participate in snack programs which offer an expanded menu of snack items. As a result, you may have additional investment costs.

If you will be constructing a new restaurant or relocating your restaurant within another Walmart location, you must pay a Leasehold Improvement Charge ranging from $48,000 to $65,000 in addition to any necessary construction improvements. The Leasehold Improvement Charge will be waived only if you are expanding a restaurant constructed within a Walmart store. If you are constructing, relocating, or expanding your restaurant, you will also be required to pay a fee of $4,500 for required architectural sealed plans for mechanical, electric and plumbing drafted by an architect designated by Walmart. In the future, Walmart may require you to use additional equipment or make other changes to your restaurant, such as install a fire alarm system, and you may incur additional costs. We estimate that the installation of a fire alarm system may range from $1,000 to $3,500, but actual costs may vary and may be higher or lower than these estimates.

If your restaurant will be located within a Walmart store, you must sign a Sub-Sublease for the premises with SRL. You will not be required to pay a security deposit. However, you will be required to pay TTTSM an advance payment and placement fee of $1,500.

If your restaurant will be located in a new Walmart store, participation in the Walmart store grand opening event is not required, but is strongly encouraged; however, your restaurant must be open for business on the Walmart store grand opening day. You will be required to hold a separate grand opening sale for your restaurant at a later date.

Apart from: (1) entering into the master lease and subleasing the restaurant premises to you; (2) loans in connection with a Subway® restaurant; and (3) SRL entering into a Master Sublease for restaurants to be located within Walmart stores and sub-subletting the premises within a particular Walmart store to you, we and our affiliates do not offer assistance or financing to you directly or indirectly. The above costs are not refundable except the location security deposit (depending upon the terms of the master lease), and utility deposits (depending on the terms set by each local utility), as long as you are in compliance.

Item 8
RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

If you will be constructing a new restaurant or expanding an existing restaurant located within a Walmart store, you are required to have architectural plans sealed for mechanical, electrical and plumbing drafted by an architect designated by Walmart.

SRL has entered into a Master Sublease Agreement with TTTSM to sublease space for the operation of Subway® restaurants within Walmart stores. Pursuant to the Master Sublease, a Sublease will be executed between TTTSM and SRL for each restaurant premises within a Walmart store that is specifically incorporated into the Master Sublease. If your restaurant will be located within a Walmart store, you will enter into a Sub-Sublease with SRL for the premises. The Sub-Sublease provides for a pass-through of the costs and obligations of the Master Sublease to you. We and SRL do not receive a profit under your Sub-Sublease. SRL may assess late payment fees and other costs arising from the administration of the Master Sublease, and has the same rights as TTTSM on default to charge you for certain fees, to carry out repairs, and to recover costs. We and SRL have an interest in compensation that may often include, but is not limited to, lost royalties, loss of market penetration, extended down time and other factors associated with the termination of the Master Sublease and/or the Sublease. We estimate the required sub-subleasing represents 4% to 11% of your total purchases for the establishment of your restaurant and 7% to 15% of your overall purchases in operating your restaurant. We and SRL had no sub-subleasing revenue in 2018.

Add the following item to the list of items you will buy infrequently and for which we have only one approved supplier:

Exterior 22'' LED channel letter Sign for Walmart locations. The interior sign must be the largest allowable that will fit without extending beyond the opening of the restaurant. If electricity is available in the soffit, you must use a LED sign.

ICEE: At present, we have only one approved supplier for the products or equipment necessary to offer the required ICEE additional snack menu item, which is required for all restaurants located within a Walmart store. The ICEE equipment is available to you at no additional cost, provided you have the necessary electrical upgrades for your location. This program is not available in Alaska.

FINANCING

If your restaurant will be located within a Walmart store, SRL entered into a Master Sublease Agreement, including a Sublease for each leased restaurant premises, with TTTSM, and it further sub-subleases the premises to you. The landlord is Walmart. You will pay your rent/license fee directly to TTTSM in accordance with the Master Lease and Sub-Sublease that you enter into with SRL. We and SRL have an interest in compensation that often may include, but is not limited to, lost royalties, loss of market penetration, extended down time and other factors associated with the termination of the Master Sublease, or the Sublease pertaining to an individual restaurant premises. You should read the Master Sublease, including the Sublease, and the Sub-Sublease carefully.

The individuals who sign the Franchise Agreement must also sign the Sub-Sublease and are personally liable for payments under the Sub-Sublease. If you default under the provisions of the Master Sublease, SRL may terminate the Sub-Sublease on 10 days' written notice, and you must surrender and leave the premises. See Sub-Sublease Sections 1 and 5. A default of the Sub-Sublease is a default of the Franchise Agreement and we may terminate your Franchise Agreement. Conversely, a default under your Franchise Agreement will be a default under your Sub-Sublease. See Sub-Sublease Section 8. In such case, SRL may evict you if you do not leave. Any action to enforce SRL's rights against you under the Sub-Sublease is not considered an arbitrable dispute under the Franchise Agreement, and is not subject to the arbitration required under the Franchise Agreement. You will remain liable for payment of the balance of the rent due under the Master Sublease and Sublease, and you will be liable for attorneys' fees and other legal and court costs SRL may incur in enforcing the Sub-Sublease. See Sub-Sublease Section 8. SRL may charge you interest on all past due amounts at the rate provided in the Master Sublease. See Sub-Sublease, Section 3.

Item 11
FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Pre-Opening Obligations:

1. Initial training, at times and locations we designate (Franchise Agreement, Subparagraph 4.a., Walmart Location Rider, Paragraph II.

Obligations After Opening:

Performance Covenants. Beginning on the third (3rd) anniversary of the rent commencement date and annually thereafter during the lease term (including any extension option periods), you must meet a minimum Gross Sales threshold of three hundred thousand dollars ($300,000) for the preceding twelve (12) months. If you do not meet this threshold, either Walmart or TTTSM may terminate the Sublease without penalty or payment of a buyout fee or tenant termination fee.

these transactions. These processing fees will be charged to you and collected by the credit card acquirer and processor we have designated on a monthly basis.

Item 12

If you relocate the restaurant to a location that is not within a Walmart store, the Walmart Location Rider will have no further force or effect. You will abide by the terms of the Franchise Agreement without any modification by the Walmart Location Rider.

Walmart locations are issued for specific identified locations.

If your restaurant will be located with a Walmart store, the Walmart store may offer sandwiches and/or submarines in the deli or other area of the store that may compete with your restaurant.

Item 17
RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION

Add the following at the end of the first paragraph of Item 17:

Walmart Location Rider ("WLR") (Exhibit A-4), Walmart Sub-Sublease (Exhibit A-4-2 Sub-Sublease, including Exhibit B Master Lease Agreement).

Add the following new entry after the last paragraph in Item a. Length of the franchise term:

WLR Paragraph II	If you sign the Walmart Location Rider, the term is 20 years, but if we or SRL cannot offer you a Sub-Sublease for the restaurant or we disapprove the location within 1 year after the franchise purchase, the Walmart Location Rider will automatically terminate and the franchise will be deemed a standard franchise. We will terminate the franchise and refund the franchise fee provided you send us prior written notice no later than 60 days after termination of the Walmart Location Rider.

Add the following new entry after the last paragraph in Item b. Renewal or extension of the term:

Walmart Sub-Sublease, Exhibit B Article III.2	You may have the option to extend your Sub-Sublease for two (2) additional periods of five (5) years each (an "Extension Option"), subject to the terms and conditions of the Master Lease and this Master Amended and Restated Attachment A. To exercise or decline the Extension Option, you must provide us written notice of your intent to either renew or not renew at least one hundred and eighty (180) days prior to the date that Sub-Sublandlord must provide notice to TTTSM of its intention. TTTSM also reserves the right to decline renewal by providing written notice within the same timeframe.
Legacy Walmart Sub-Sublease	You may have an option to extend your Sub-Sublease for an additional 5 year period upon expiration of the initial term of your Sub-Sublease. If Walmart elects to terminate your Sub-Sublease at any time during this period without cause or because the Capture Rate of your restaurant is at or below 3.5%, Walmart will reimburse you for the unamortized capital expended to remodel your restaurant, including any improvements and/or fixture/equipment upgrades (the "Extension Option Reimbursement"). You will not be reimbursed for any small

	ware upgrades and/or capital leases signed. In order to qualify for the Extension Option Reimbursement, the capital must have been expended within 9 months (either before or after) of the first day of the 5-year extension period. Amortization shall occur on a straight-line basis over the first 24 calendar months (calculated in no less than monthly increments) of the 5-year extension period, regardless of when capital is actually placed in service.

Add the following new entry after the last paragraph in Item d. Termination by franchisee:

Walmart Sub-Sublease, Exhibit B Article III.5	You may terminate the Sub-Sublease by providing TTTSM written notice at least ninety (90) calendar days in advance. Upon termination, you must pay TTTSM a termination fee equal to six (6) months' Rent, based on the average Rent paid over the previous twelve (12) months. You must surrender the premises in broom clean condition no later than five (5) business days before the Expiration Date or Tenant Termination Date. At that time, you must dis-identify the Restaurant. If any perishable items remain on the premises more than five (5) business days after the termination date, you will be charged an additional fee of Five Thousand Dollars ($5,000), in addition to any applicable Tenant Termination Fee and Holdover Rent under the Master Lease.
Legacy Walmart Sub-Sublease	If you are purchasing a franchise for a Walmart location through a transfer that is currently operating under a recently renewed Sub-Sublicense, you will have the option to terminate the Sub-Sublicense at any time upon providing ninety (90) days' written notice. If you elect to terminate your Sub-Sublicense, you will pay to Walmart an early termination fee equal to 6 months of licensing fees, utilities, and grease trap maintenance (if applicable). These amounts will be based on your average payments for licensing fees, utilities, and grease trap maintenance for the previous 12 month period. Any future renewal of your Sub-Sublicense for an additional period of time will be at the option of Walmart.

Add the following new entry after the last paragraph in Item e. Termination by franchisor without cause:

Walmart Sub-Sublease, Exhibit B Article III.4 and 6	In accordance with the terms of the Master Sublease, TTTSM may terminate the Sub-Sublease without cause by providing you with written notice at least sixty (60) calendar days in advance. You must vacate the premises no later than five (5) business days before the termination date and remove personal property, interior and exterior signage. Upon termination, TTTSM will reimburse you for the unamortized cost of your improvements and remodels to the premises, calculated on a straight-line basis over the lease term. You must provide documentation of such costs within fifteen (15) business days of TTTSM's written request. TTTSM will also pay an early termination fee equal to six (6) months' rent, based on your average monthly Gross Sales over the prior twelve (12) months, payable within forty-five (45) calendar days of the termination date. TTTSM may offer you relocation to another Walmart location at their discretion. If the Sub-Sublease terminates due to the Walmart store closure, TTTSM will provide you with at least thirty (30) calendar days' written notice (the "Closure Termination Date"). TTTSM will reimburse you

	for the unamortized portion of your initial improvement and remodel costs, calculated on a straight-line basis over the lease term. TTTSM will also pay a buyout fee equal to six (6) months' Rent, based on your average monthly Gross Sales over the prior twelve (12) months, payable within forty-five (45) calendar days of the Closure Termination Date. TTTSM may offer you relocation to another Walmart location at their discretion.
Legacy Walmart Sub-Sublease	Under Paragraph XI of the Walmart Location Rider, if TTTSM terminates the Master Sublease or the Sublease for the premises and an arbitrator or court determines you did not breach the Sub-Sublease Agreement, but it was our fault or SRL's fault that TTTSM terminated the Master Sublease or Sublease, then our obligation to you will be limited to the cost of your leasehold improvements less depreciation using a 5 year life under the straight-line method. We will pay you when you reopen the restaurant in a new location. If the arbitrator or court determines you breached the Sub-Sublease Agreement or it was not our fault or SRL's fault that TTTSM terminated the Master Sublease or Sublease, we and SRL will have no obligation to you for such termination. In accordance with the terms of the Master Sublease, Walmart will have the right to terminate your Sub-Sublease without cause at any time, with prior written notice to you. The termination date of your Sub-Sublease will be effective 9 months from the date of receipt of your written notice of termination. Walmart shall not have the right to terminate your Sub-Sublease if your restaurant has a capture rate of at least 3.5% (the "Capture Rate"). The Capture Rate is equal to the average sales transactions for your restaurant for the immediately previous 52 weeks divided by the average sales transactions for the Walmart store in which your restaurant is located in for the immediately previous 52 weeks. If your restaurant has a capture rate below 3.5%, Walmart will have the right to terminate your Sub-Sublease. If Walmart elects to terminate your Sub-Sublease at any time during the initial 10 year term without cause or because the Capture Rate of your restaurant is at or below 3.5%, Walmart will pay you an early termination fee (the "Early Termination Fee"). The Early Termination Fee will be equal to 20% of your reported monthly gross sales for the 12 month period preceding the termination date of your Sub-Sublease, discounted at 10% for each year remaining on the term of your Sub-Sublease.

Add the following new entry after the last paragraph in Item h. "Cause" defined- non-curable defaults:

Walmart Sub-Sublease, Exhibit B Article VII.6	If your or one of you employees of the Restaurant materially violates local, state, or federal laws or regulations within the Restaurant; materially fails to enforce health code compliance within the timeframe specified by the enforcing agency; or there are substantiated threats of violence by you or your employees where they are identified as the aggressor; you will be in default of the Sub-Sublease.

SUB-SUBLEASE FOR WALMART LOCATIONS

THIS AGREEMENT (the "Sub-Sublease"), dated _____ (the "Sub-Sublease Date"), by and between **SUBWAY REALTY, LLC**, a Delaware limited liability company, ("Sub-Sublandlord"), and _____, a/an _____ ("Sub-Subtenant"), whose address is _____, with reference to the following facts.

A. Pursuant to a Master Lease Agreement dated the 31st day of March 2010 (the "Master Lease"), Walmart Stores, Inc., Walmart Stores East, LP, Walmart Louisiana, LLC and Walmart Texas, LLC (the "Master Landlord"), leased space within certain of its retail establishments solely for the purpose of operating food service businesses under the trade name "Subway" to Twin Towers Trading Site Management, LLC ("TTTSM"), a Nevada limited liability company having an address at 9960 W. Cheyenne Ave., Suite 290, Las Vegas, NV 89129.

B. The Sub-Sublandlord is the Subtenant under a certain Master Sublease Agreement made between it and TTTSM dated the 31st day of March 2010 (the "Master Sublease") which outlines the rights to operate Subway® restaurants within premises commonly known as Walmart stores. Pursuant to the Master Sublease, TTTSM and Sub-Sublandlord will execute a sublease for each restaurant premises within a Walmart store (the "Sublease") that will be specifically incorporated into the Master Sublease. The Master Sublease and Sublease are collectively referred to herein as the "Master Sublease". In accordance with the terms of the Master Sublease, the Sub-Sublandlord further grants sub-subleases to franchisees of Doctor's Associates LLC for the operation of Subway® restaurants to be located within a Walmart store.

In consideration of the covenants contained in this Sub-Sublease, the parties agree as follows:

1 PROPERTY LEASED

1.1 **Demise.** Sub-Sublandlord leases to Sub-Subtenant and Sub-Subtenant leases from Sub-Sublandlord the premises described on Exhibit A attached hereto and made a part hereof (the "Premises"), subject to any and all reservations, restrictions, easements, rights of way, limitations and conditions of record, if any. The purpose of this Sub-Sublease is so that Sub-Subtenant can operate a SUBWAY® restaurant at a Walmart store location under the terms of a Franchise Agreement with Doctor's Associates LLC ("DAL") dated _____ under the franchise number provided above ("Franchise Agreement").

1.2 **Master Lease and Master Sublease.** Sub-Subtenant acknowledges that the Premises are subject to the Master Lease between Master Landlord and TTTSM and the Master Sublease between Sub-Sublandlord and TTTSM, copies of which are attached hereto as Exhibit B. Sub-Subtenant acknowledges that Exhibit B contains true and correct copies of the Master Lease and Master Sublease. Any conflict between this Section 1.2 and the other provisions of this Sub-Sublease shall be resolved in favor of this Section 1.2.

1.2.1 This Sub-Sublease is subject and subordinate to the Master Lease and Master Sublease. If the Master Lease or Master Sublease is terminated for any cause whatsoever, Sub-Subtenant shall promptly vacate and surrender the Premises to Sub-Sublandlord and this Sub-Sublease shall terminate as of the date of termination of the Master Lease or Master Sublease, whichever applies, and Sub-Sublandlord shall have no liability and/or obligation to Sub-Subtenant for the termination of the Sub-Sublease.

1.2.2 Notwithstanding the above, in accordance with the terms of the Master Lease, the Master Landlord will have the right to terminate this Sub-Sublease without cause at any time, with prior written notice.

1.2.3 Except as otherwise provided herein, all costs, common area maintenance fees, expenses, charges, assessments, and rent escalations accruing under the Master Sublease, any restrictions imposed upon Sub-Sublandlord thereunder, together with all repairs, replacements, restorations, and any other obligations required to be performed by Sub-Sublandlord, as Subtenant under the Master Sublease, shall be binding upon Sub-Subtenant herein. In the event the obligations and restrictions imposed on Sub-Subtenant under the Sub-Sublease conflict with the obligations and restrictions imposed upon Sub-Sublandlord, as Subtenant under the Master Sublease, then the more burdensome and restrictive of such obligations and restrictions shall prevail and be binding upon Sub-Subtenant herein.

1.2.4 With respect to any consent or approval required to be obtained of Master Landlord under the Master Lease or TTTSM under the Master Sublease (by way of illustration and without limitation, consent to alterations), Sub-Sublandlord's sole obligation with respect thereto, upon being requested in writing by Sub-Subtenant, shall be to seek the approval or consent of Master Landlord or TTTSM, as applicable. Sub-Subtenant acknowledges and agrees that Sub-Sublandlord shall not be liable to Sub-Subtenant with respect to any delay, default or failure of Master Landlord or TTTSM to grant such consent or approval or in the performance by the Master Landlord or TTTSM of its obligations and covenants under the Master Lease or Master Sublease unless such be due to acts or misconduct of Sub-Sublandlord and neither shall the Rent, Additional Rent and other Additional Charges under the Sub-Sublease abate nor shall any of the obligations of Sub-Subtenant under the Sub-Sublease be affected by reason thereof. Sub-Subtenant further acknowledges and agrees that, with respect to any rights afforded Sub-Sublandlord under the Master Sublease, including, but not limited to, any options to extend or renew the term of the Master Sublease, and restrictions against competition, such rights are not passed on to or conferred upon Sub-Subtenant under the Sub-Sublease. Sub-Subtenant acknowledges that only Sub-Sublandlord has the benefit of and the right to exercise or enforce such rights and the failure of Sub-Sublandlord to exercise or enforce such rights shall not be a default under the Sub-Sublease nor entitle Sub-Subtenant to make any claim against Sub-Sublandlord.

1.2.5 In the event the Master Sublease contains extension or renewal options, Sub-Subtenant agrees to provide written notice to Sub-Sublandlord and TTTSM of its desire to exercise its option at least one hundred eighty days (180) prior to the date on which Sub-Sublandlord must notify TTTSM of its intention to exercise its option to extend or renew the Master Sublease. Sub-Subtenant agrees that Sub-Sublandlord may elect not to extend or renew the Master Sublease if Sub-Subtenant fails to give Sub-Sublandlord and/or TTTSM notice as provided in this Subsection. Furthermore, Sub-Sublandlord may elect not to extend or renew the Master Sublease if Sub-Subtenant shall be in default in the performance of any of the terms of this Sub-Sublease, the Master Sublease, The Master Lease or the Franchise Agreement during the period one hundred eighty (180) days prior to the date Sub-Sublandlord must give notice to Master Landlord or TTTSM.

1.2.6 If Master Landlord or TTTSM fails to perform its duties under the Master Lease or Master Sublease, Sub-Subtenant must give written notice thereof to Sub-Sublandlord describing Master Landlord or TTTSM's default in detail. Upon receipt of the notice, Sub-Sublandlord shall then promptly notify Master Landlord and/or TTTSM and demand performance as required in the Master Lease or Master Sublease. In the event Sub-Subtenant wishes to engage the services of an attorney to settle any disputes arising out of the Master Lease or Master Sublease, all fees and costs shall be borne by Sub-Subtenant, it being understood that Sub-Sublandlord is under no obligation to bring or

defend any action brought by or against Sub-Subtenant, Sub-Sublandlord, TTTSM or Master Landlord.

1.2.7 Sub-Subtenant shall not make any agreement with TTTSM or Master Landlord which could modify, cancel or terminate the Master Lease, Master Sublease or Sublease.

1.3 **Covenant of Quiet Enjoyment.** Sub-Sublandlord promises, subject to Sub-Subtenant's performance of all of the terms and conditions of the Sub-Sublease, that Subtenant shall be entitled to the quiet and peaceful enjoyment and undisturbed possession of the Premises for the term of this Sub-Sublease.

2 TERM

2.1 **Term.** The term of this Sub-Sublease (the "Term") shall commence on _____, (the "Commencement Date"). The Term of this Sub-Sublease shall expire at midnight one full day before the expiration of the Master Sublease (the "Expiration Date") unless sooner terminated as provided in this Sub-Sublease.

2.2 **Possession.** Possession of the Premises shall be delivered to Sub-Subtenant on the Commencement Date or as provided in the Master Sublease, whichever is later.

2.3 **Holdover.** Sub-Subtenant may only hold over at the expiration of the Term with the written consent of Sub-Sublandlord. During such holdover tenancy, Sub-Subtenant shall pay to Sub-Sublandlord one hundred fifty percent (150%) of the Rent amount that existed immediately prior to the Expiration Date to the extent permitted in the Master Lease or Master Sublease. Sub-Subtenant agrees to comply with all holdover provisions contained in the Master Sublease.

2.4 **End of Term.**

2.4.1 Fixtures and Personal property. At the expiration or earlier termination of this Sub-Sublease, any fixtures located on the Premises and not already owned by Sub-Sublandlord shall become the property of Sub-Sublandlord. If, at that time, Sub-Subtenant has fully complied with Sub-Sublease terms and conditions and is not in default under the Franchise Agreement, Sub-Sublandlord hereby waives any right to claim any personal property owned or leased by Sub-Subtenant and located on the Premises. The personal property may then be removed by Sub-Subtenant or Sub-Sublandlord provided that the Premises are restored to their original condition, reasonable wear and tear excepted. Any such personal property not removed within thirty (30) days after the Sub-Sublease expiration or termination shall be deemed abandoned and become the property of Sub-Sublandlord.

2.4.2 Joint Inspection. During a period no earlier than three (3) weeks and no later than one (1) week prior to the end of the Term, Sub-Sublandlord and Sub-Subtenant shall conduct a joint inspection of the Premises, and Sub-Sublandlord shall make a list of any items of repair and maintenance that may be needed to put the Premises in good condition and repair, reasonable wear and tear excepted. If the items on such list cannot be completed by Sub-Subtenant by the end of the Term, then Sub-Subtenant shall pay to Sub-Sublandlord by the end of the Term the reasonable cost of such repairs as evidenced by third-party bids. Sub-Subtenant's obligation to make such payment shall survive the termination of this Sub-Sublease.

3 CONSIDERATION

3.1 **Rent.** Sub-Subtenant agrees to pay to TTTSM the base rent amount indicated on Exhibit C (the "Base Rent"), to be due and payable in monthly installments in advance on the first day of each

month during the Term of this Sub-Sublease. If no Base Rent is included on Exhibit C, then Sub-Subtenant shall make all rental payments directly to TTTSM in the manner set forth in the Master Sublease. The first monthly installment of the Base Rent shall be due on the Commencement Date, or at the time provided in the Master Sublease. If this Sub-Sublease shall commence on any day other than the first day of a calendar month, the monthly installment for the first and last month of the Term shall be prorated.

3.2 **Additional Charges.** Sub-Subtenant shall pay to TTTSM monthly one percent (1%) of gross sales of the restaurant from the grand opening date of the restaurant to two years from the grand opening date, and then one point twenty-five percent (1.25%) per month thereafter through the Term (the "Management Fee"). Sub-Subtenant and Sub-Sublandlord agree that the rent accruing under this Sub-Sublease shall be net to Sub-Sublandlord and that all taxes, costs, common area maintenance fees, Management Fees, expenses and charges of every kind and nature (the "Additional Charges") relating to the Premises or payable under the Master Lease or Master Sublease that may arise or become due during the Term or any extension of this Sub-Sublease, shall be paid by Sub-Subtenant to Sub-Sublandlord or its designee (which may be Master Landlord or TTTSM), and that Sub-Subtenant shall indemnify and save harmless Sub-Sublandlord from and against them. All Additional Charges that Sub-Subtenant assumes or agrees to pay under any provisions of this Sub-Sublease, together with all interest and penalties that may accrue on these Additional Charges in the event Sub-Subtenant fails to pay them, as well as all other damages, costs and expenses, including, without limitation, reasonable attorneys' fees and other legal and court costs that Sub-Sublandlord may incur in enforcing this Sub-Sublease, and any and all other sums that may become due by reason of Sub-Subtenant's default or failure to comply with its obligations under this Sub-Sublease, shall be deemed to be "Additional Rent". The Base Rent and Additional Rent shall collectively be referred to herein as the "Rent". In the event of non-payment of Rent in any form, Sub-Sublandlord shall have all rights and remedies provided herein.

3.3 **Method of Payment.** Sub-Subtenant must make all payments to Sub-Sublandlord or its designee (which may be Master Landlord or TTTSM) by the method or methods that Sub-Sublandlord requires from time to time. Sub-Subtenant shall make any payment required under this Sub-Sublease directly to Sub-Sublandlord, its designee (which may be Master Landlord or TTTSM), its affiliate(s), or to a bank or such other financial institution account that Sub-Sublandlord specifies, at the times and with the frequency that Sub-Sublandlord designates (or as provided in the Master Sublease if Sub-Sublandlord makes no such designation), by electronic funds transfer, on-line banking, pre-authorized auto-draft arrangement, or such other means as Sub-Sublandlord may specify from time to time. For each account in which Sub-Subtenant conducts business at any time during the Term, Sub-Subtenant agrees to execute an ACH Automatic Withdrawal Authorization and to keep it effective throughout the Term; and Sub-Subtenant authorizes Sub-Sublandlord to withdraw monies from each such account in the amounts and at the times provided in this Sub-Sublease and any other agreement between Sub-Subtenant and Sub-Sublandlord or its affiliate(s). Sub-Subtenant hereby indemnifies Sub-Sublandlord and holds Sub-Sublandlord harmless under each ACH Automatic Withdrawal Authorization. Sub-Subtenant consents to Sub-Sublandlord's directly transacting business with each bank and financial institution with which Sub-Subtenant has an account to effectuate fully the terms of each ACH Automatic Withdrawal Authorization. Sub-Subtenant shall furnish Sub-Sublandlord, its bank, or other financial institution, and any other recipient of payment with such information and authorizations as may be necessary to permit such persons to make withdrawals by electronic funds transfer, on-line banking, or auto-draft arrangement. Sub-Subtenant shall bear all expenses, if any, and pay Sub-Sublandlord its third party costs associated with such authorizations and payments.

3.4 **Advance Payment and Placement Fee.** Sub-Sublandlord acknowledges receipt from Sub-Subtenant of the sum of ONE THOUSAND FIVE HUNDRED DOLLARS ($1,500), which has or shall be paid to TTTSM as the advance payment and placement fee referred to in the Master Sublease.

3.5 **Other Costs.** Sub-Subtenant shall be responsible for all other necessary costs Sub-Sublandlord incurs in recording the Master Sublease, including but not limited to recording fees, recording taxes, conveyancing fees and conveyancing taxes. If Sub-Subtenant does not open the restaurant by the Walmart grand opening date, Sub-Subtenant shall also pay a sum of FIVE THOUSAND DOLLARS ($5,000) plus ONE HUNDRED DOLLARS ($100) for each additional business day the restaurant is not open for business.

3.6 **Late Charges.** All Rent and any other charges shall be paid to Sub-Sublandlord without notice or demand and without abatement, deduction or set-off, except as otherwise expressly provided in this Sub-Sublease. All payments not paid when due shall bear interest at the lesser of eighteen percent (18%) or the maximum rate allowed by law in the state where the Premises are located.

4 INSURANCE

4.1 **Coverage.** During the Term, Sub-Subtenant, at its own cost and expense, shall:

4.1.1 Keep the Premises and the fixtures and personal property on it insured with an all risk property insurance policy in an amount sufficient to cover the cost of replacement (without deduction for depreciation). Replacement cost shall be determined by one of the insurers or, at the option of Sub-Sublandlord, by an appraiser, architect or contractor who is mutually and reasonably acceptable to Sub-Sublandlord and Sub-Subtenant, and whom shall be retained and paid by Sub-Subtenant.

4.1.2 Provide and keep in force comprehensive or commercial general liability insurance against claims for bodily injury, death or property damage occurring on, in or about the Premises, in limits of not less than $1,000,000 per occurrence for bodily injury, not less than $500,000 per occurrence for property damage, or as specified in the Franchise Agreement, the Master Lease and the Master Sublease. The policy shall name Sub-Sublandlord as an additional insured.

4.1.3 Keep in force business interruption insurance that covers the then current Rent and the annual premiums for insurance required by this Article.

4.1.4 If requested by Sub-Sublandlord, provide and keep in force insurance for such other insurable hazards in such amounts as similarly situated Premises are then commonly insured.

4.2 **Policies.** All insurance required by Sub-Sublandlord and provided by Sub-Subtenant shall be carried in favor of Sub-Sublandlord and Sub-Subtenant, as their respective interests may appear, the Master Landlord, TTTSM, and any underlying fee owner, affiliate corporation, trustee, mortgagee or other person designated by Sub-Sublandlord or as required under the Franchise Agreement, the Master Lease or Master Sublease. All insurance shall be obtained from companies licensed to do business in the state in which the Premises are located and which have a rating by Bests Rating Guide of at least "A". Sub-Subtenant shall procure policies for all insurance for periods of not less than one year and shall deliver to Sub-Sublandlord all policies or certificates of insurance with evidence of payment of all premiums. Sub-Subtenant shall procure renewals of these policies from time to time before their respective expiration dates. All insurance policies shall be non-assessable and shall require thirty (30) days' written notice to Sub-Sublandlord of any cancellation or change affecting Sub-Sublandlord's coverage under the policies. All property damage and business interruption policies of Sub-Subtenant shall contain

a waiver of any subrogation rights which Sub-Subtenant's insurers may have against Sub-Sublandlord, even if the loss suffered is caused by the act, omission or negligence of Sub-Sublandlord.

4.3 **Adjusting; Proceeds.** Unless specified otherwise in the Master Lease or Master Sublease, claims for loss due to damage to the Premises under any policies provided for in this Sub-Sublease shall be adjusted with the insurance companies:

4.3.1 by Sub-Subtenant in the case of any particular casualty resulting in damage or destruction not exceeding $10,000, or

4.3.2 by Sub-Sublandlord and Sub-Subtenant, in the case of any particular casualty resulting in damage or destruction exceeding $10,000 in the aggregate. Subject to the rights of Master Landlord, TTTSM and any mortgagee, the proceeds of any insurance shall be payable as follows:

4.3.2.1 With respect to any loss not exceeding $10,000 in the aggregate, proceeds shall be paid to Sub-Subtenant, who shall hold them in trust for the purpose of paying the costs of repair and restoration; and

4.3.2.2 With respect to losses exceeding $10,000 in the aggregate, the proceeds may, at Sub-Sublandlord's option, be paid to Sub-Sublandlord or its designee and shall be applied to pay the costs of repair and restoration as directed by Sub-Sublandlord.

4.4 **Joint Efforts.** Sub-Subtenant and Sub-Sublandlord shall cooperate in attempts to collect any insurance proceeds that may be due in the event of loss, and Sub-Subtenant shall execute and deliver to Sub-Sublandlord such proofs of loss and other instruments which may be required for the purpose of recovering these proceeds.

4.5 **Waiver of Subrogation.** Sub-Subtenant agrees to look solely to the proceeds of its own insurer for indemnity against exposure for loss of property or business interruption. Sub-Subtenant warrants that its property and business interruption insurers shall have no rights against Sub-Sublandlord by virtue of assignment, subrogation, loan agreement or otherwise.

4.6 **Cancellation of Insurance.** If any insurance policy covering the Premises or any part of it is canceled or is threatened by the insurer to be canceled, or if the coverage thereunder is reduced in any way by the insurer for any reason, and if Sub-Subtenant fails to remedy the condition giving rise to cancellation, threatened cancellation, or reduction of coverage within five (5) business days after notice thereof by Sub-Sublandlord, Sub-Sublandlord may, at its option, either (i) reenter the Premises forthwith by leaving upon the Premises a notice in writing of its intention to do so or (ii) enter the Premises and remedy the condition giving rise to such cancellation, threatened cancellation or reduction, and Sub-Subtenant shall forthwith pay the cost thereof to Sub-Sublandlord (which cost may be collected by Sub-Sublandlord as Additional Rent) and Sub-Sublandlord shall not be liable for any damage or injury caused to any property of Sub-Subtenant or of others located on the Premises as a result of any such entry, unless resulting from its own sole gross negligence, or intentional or willful act or omission.

4.7 **Loss and Damage.** Sub-Sublandlord shall not be liable for any death or injury occurring on the Premises, nor for the loss of or damage to any of the personal property or other property of Sub-Subtenant or of others by theft or otherwise, unless resulting from its own sole gross negligence, or intentional or willful act or omission. Without limiting the generality of the foregoing, Sub-Sublandlord shall not be liable for any injury or damage to persons or property resulting from fire, explosion, falling plaster, steam, dampness, gas, electricity, water, rain, snow, or leaks from any part of the Premises or from the pipes, appliances or plumbing works or from the roof, street

or subsurface or from any other place by any other cause whatsoever, unless resulting from its own sole gross negligence, or intentional or willful act or omission. Sub-Sublandlord shall not be liable for any such damage caused by other persons or occupants of adjacent property, or the public, or caused by operations in construction of any private, public or quasi-public work. All of the personal property or any other property of Sub-Subtenant kept or stored on the Premises shall be kept or stored at the risk of Sub-Subtenant.

5 THE PREMISES

5.1 **Use and Services.** During the Term of this Sub-Sublease, Sub-Subtenant shall continuously operate a SUBWAY® restaurant business in accordance with the Franchise Agreement. The Premises shall not be used for any other purpose, except the parties agree that if Sub-Subtenant has received the necessary approvals from Sub-Sublandlord, Sub-Subtenant may also operate on the Premises (in addition to a SUBWAY® restaurant) a restaurant for an approved concept franchised by a third party franchisor. If Sub-Subtenant is operating its SUBWAY® restaurant in conjunction with an approved third party franchisor concept on the Premises, then Sub-Subtenant agrees to comply with the terms and conditions contained in its franchise agreement and all other agreements with the third party franchisor in addition to its obligations to comply with the Franchise Agreement with DAL, and any failure by Sub-Subtenant to comply with its franchise agreement with the third party franchisor shall also be a default hereunder. Sub-Sublandlord may terminate this Sub-Sublease on ten (10) days' written notice and Sub-Sublandlord may offer this location to another franchisee if Sub-Subtenant fails to complete the build-out of the portion of the Premises where the other approved concept will operate within forty-five (45) days after taking occupancy of the Premises. Sub-Subtenant understands that the success, if any, of a SUBWAY® restaurant operating in conjunction with another approved concept franchised by a third party franchisor is the responsibility of Sub-Subtenant, and Sub-Subtenant also acknowledges that representations of sales or earnings have not been made to them by the employees or agents of the third party franchisor, as to this or any other location. If at any time during the term of this Sub-Sublease, Sub-Subtenant's franchise agreement with the third party franchisor is terminated, Sub-Sublandlord may authorize Sub-Subtenant in writing to operate on the Premises an approved concept franchised by another third party franchisor.

5.2 **Repairs and Maintenance.** Sub-Subtenant shall, at all times during the Term, at its own cost and expense, put, keep and maintain the Premises and all fixtures and personal property located on it in good order and condition, subject to reasonable wear and tear, and subject to all applicable terms of this Article 5, shall make all necessary and desirable repairs, restorations and replacements thereof, structural and nonstructural, foreseen or unforeseen (hereinafter collectively called "Repairs"), and shall use all reasonable precautions to prevent waste, damage and injury.

In the event that Sub-Subtenant fails or neglects to make all necessary Repairs or fulfill its other obligations as set forth above, Sub-Sublandlord or its agents may enter the Premises for the purpose of making such Repairs or fulfilling those obligations. All reasonable costs and expenses incurred as a consequence of Sub-Sublandlord's action shall be repaid by Sub-Subtenant to Sub-Sublandlord within fifteen (15) days after Sub-Subtenant receives copies of receipts showing payment by Sub-Sublandlord for such Repairs or other obligations. These receipts shall be prima facie evidence of the payment of the charges paid by Sub-Sublandlord.

5.3 **Build-Out and Alterations.** Sub-Sublandlord may terminate this Agreement on ten (10) days' written notice and Sub-Sublandlord may offer this location to another franchisee if: a) Sub-Subtenant does not commence construction of the Premises within seven (7) days after obtaining occupancy from Master Landlord or TTTSM by expeditiously ordering its equipment, submitting

all necessary funds, and making application for required permits and licenses; or b) Sub-Subtenant does not complete the build-out of the restaurant and then open the restaurant within forty-five (45) days after occupancy from Master Landlord or TTTSM. In such an event, Sub-Subtenant understands that the advance payment and placement fee referred to in Section 3.4 will not be refunded.

Sub-Subtenant agrees that it will at its own cost and expense make such reasonable alterations to the interior or exterior of the Premises as may reasonably be requested by Sub-Sublandlord from time to time in order to modify the appearance of the Premises to reflect the then current image of the SUBWAY® brand. Sub-Subtenant shall not at any time make any alteration, change, addition or improvement (hereinafter collectively called "Alterations") in or to the interior or exterior of the Premises without the prior written consent of Sub-Sublandlord. In the event consent is given:

5.3.1 the Alterations shall be performed in a good and workmanlike manner at Sub-Subtenant's sole expense, and shall not weaken or impair the structural strength or lessen the value of the Premises, or change the purpose for which the Premises may be used;

5.3.2 the Alterations shall be made according to plans and specifications therefor, which shall be first submitted to and approved in writing by Sub-Sublandlord, such consent not to be unreasonably withheld, delayed, or conditioned;

5.3.3 before the commencement of work on any Alterations, such plans and specifications shall, if necessary, be approved by all governmental authorities having jurisdiction;

5.3.4 before the commencement of any Alterations, Sub-Subtenant shall pay the amount of any increase in premiums on insurance policies for endorsements covering the risk during work on the Alterations and workmen's compensation insurance covering all persons employed in connection with that work;

5.3.5 if the estimated cost of the Alteration exceeds $20,000, Sub-Subtenant shall, at Sub-Sublandlord's option, furnish to Sub-Sublandlord a surety bond of a company acceptable to Sub-Sublandlord, in an amount equal to the estimated cost of such work, or other security satisfactory to Sub-Sublandlord, guaranteeing the completion of such work, free and clear of all liens and encumbrances; and

5.3.6 the Alterations shall comply with all federal, state and local building requirements and codes including any disabilities related statutes or codes (collectively, the "Codes") in the applicable jurisdiction where the Premises are located.

All buildings, additions, improvements, fixtures and appurtenances in or on the Premises at the Commencement Date and those which may be erected, affixed or installed in or on the Premises during the Term are deemed to be and shall immediately become part of the Premises and the sole property of Sub-Sublandlord. All personal property owned and installed by Sub-Subtenant (except signs, trademarks and other insignia of Sub-Sublandlord) shall remain the property of Sub-Subtenant.

5.4 **Liens.** Should Sub-Subtenant cause any Alterations or Repairs to be made to the Premises, or cause any labor to be performed or material to be furnished, neither Sub-Sublandlord nor the Premises shall under any circumstances be liable for the payment of any expense incurred, and all such Alterations and Repairs shall be made and performed at Sub-Subtenant's expense. If, because of any act or omission of Sub-Subtenant, any mechanic's or other lien, charge, claim or order for the payment of money shall be filed against the Premises or against Sub-Sublandlord, Sub-Subtenant shall, at its own cost and expense, cause it to be canceled and discharged of record or bonded within thirty (30) days after notice of filing thereof. In the event that Sub-Subtenant

fails to cause any such mechanics' or other lien, charge or order to be canceled and discharged or bonded, then, in addition, to any other right or remedy of Sub-Sublandlord, Sub-Sublandlord may, at its option, cancel or discharge it by paying the amount claimed to be due into court or directly to any claimant and the amount so paid by Sub-Sublandlord and all costs and expenses including attorneys' fees incurred for the cancellation or discharge of such lien shall be due from Sub-Subtenant to Sub-Sublandlord as an additional charge payable on demand.

5.5 **Signs.** Sub-Subtenant shall not place any signs or symbols on any portion of the Premises without the prior written approval of Sub-Sublandlord, such consent not to be unreasonably withheld, delayed, or conditioned.

5.6 **Inspection.** Fee owner, Sub-Sublandlord or their representatives shall have the right to enter the Premises at reasonable hours of any business day to ascertain if the Premises are in proper repair and condition, provided, that such persons will make every reasonable effort not to interfere with customers or Sub-Subtenant's operation of the business.

5.7 **License and Laws.** Sub-Subtenant shall, at its own cost and expense, obtain all necessary licenses and/or permits that may be required for the conduct of its business; and Sub-Subtenant shall, at its own cost and expense, promptly observe and comply with all present and future laws, ordinances, requirements, orders, directions, rules and regulations (referred to generally as "Regulations") of governmental authorities having or claiming jurisdiction over the Premises or the conduct of Sub-Subtenant's business. By way of example, and not limitation, compliance with governmental Regulations shall include, but not be limited to alterations and/or additions to the Premises if required under the Americans with Disabilities Act of 1990.

5.8 **Damage or Destruction.** If, during the Term, the Premises or the personal property or fixtures on it are destroyed or damaged in whole or in part by fire or other cause, Sub-Subtenant shall give Sub-Sublandlord immediate notice, and Sub-Subtenant, at its own cost and expense, shall cause the prompt repair, replacement and rebuilding of same ("Restoration"), subject to Section 5.2 and Section 5.3 of this Sub-Sublease. The restored building, personal property or fixtures shall reflect the then current image of the SUBWAY® brand. Sub-Sublandlord shall in no event be called upon to repair, replace or rebuild any such buildings, fixtures or personal property, nor to pay any of the costs or expenses thereof beyond or in excess of any insurance proceeds, as provided in this Sub-Sublease.

5.9 **Disclaimer.** The taking of possession of the Premises by Sub-Subtenant shall be conclusive evidence that Sub-Subtenant has accepted the Premises "AS IS," including any latent or patent defects. Sub-Subtenant acknowledges that Sub-Subtenant is relying on its own independent inspection. The Sub-Subtenant acknowledges and is aware that the success or lack thereof of any particular SUBWAY® restaurant within a Walmart store is unknown. The Sub-Subtenant has made its own independent determination of the viability within this particular location and is relying on no representations whatsoever as to the profitability, ease of operation, success or failure, costs to construct, of this or any other SUBWAY® restaurant located within a Walmart store.

5.10 **Contracts.** Sub-Subtenant shall not without Sub-Sublandlord's written consent enter into any service contract or agreement relating to the furnishing of any services to the Premises or the occupants of it unless such contract or agreement shall by its terms be terminable on no more than thirty (30) days' notice or shall expressly provide that it shall not become binding on Sub-Sublandlord in the event that this Sub-Sublease is terminated or expires. Sub-Subtenant shall furnish Sub-Sublandlord with copies of all service contracts or agreements affecting the Premises that are now in existence or that are subsequently entered into.

6 TAXES AND OTHER CHARGES

6.1 **Payment.**

6.1.1 In the event Sub-Sublandlord elects, at its sole option, to pay the taxes, assessments, charges for public utilities, excises, levies, licenses, permit fees or other governmental impositions and charges of any kind and nature whatsoever ("Charges") that are payable in connection with the ownership, occupancy or possession of the Premises, Sub-Subtenant shall reimburse Sub-Sublandlord within thirty (30) days after Sub-Subtenant receives an invoice for the payment of such Charges.

6.1.2 In the event Sub-Sublandlord elects not to pay the Charges as set forth in the preceding paragraph, Sub-Subtenant shall pay on or before the last day on which payment may be made without penalty or interest, all Charges that may be assessed, imposed, or become due and payable in connection with the ownership, occupancy or possession of the Premises or the fixtures or personal property on it, or any Charges that may be imposed in lieu of, or as a substitution for, any such Charges. At any time after the time for payment of each Charge, upon Sub-Sublandlord's request, Sub-Subtenant shall exhibit to Sub-Sublandlord satisfactory evidence of payment. All Charges assessed or imposed for the fiscal periods in which the Term of this Sub-Sublease commences and terminates shall be apportioned.

7 INDEMNIFICATION

7.1 Sub-Subtenant shall indemnify, defend with counsel reasonably acceptable to Sub-Sublandlord and save Sub-Sublandlord and its affiliates, and the shareholders, officers, directors, employees, and agents of Sub-Sublandlord and its affiliates, harmless from and against all costs, expenses, liabilities, losses, damages, injunctions, suits, actions, fines, penalties, claims and demands of every kind or nature, including reasonable attorneys' fees, (collectively, "Claims") by or on behalf of any person, party or governmental authority whatsoever arising out of (a) any failure or alleged failure by Sub-Subtenant to perform any of its obligations under this Sub-Sublease, (b) any accident, injury or damage that occurs in or about the Premises, (c) any matter arising out of the condition, occupation, maintenance, alteration, repair, use or operation of the Premises or any part of it, (d) the contest or challenge by Sub-Subtenant of any imposed tax, assessment, or other Charges, or (e) any other matter arising from or relating to Sub-Subtenant's occupation of the Premises; provided that Sub-Subtenant shall not indemnify Sub-Sublandlord if or to the extent such Claims are caused by Sub-Sublandlord's gross negligence, or intentional or willful misconduct.

8 ENFORCEMENT

8.1 **Default.** Each of the following events is a default and a breach of this Sub-Sublease by Sub-Subtenant:

8.1.1 If Sub-Subtenant files any proceeding under the United States Bankruptcy Code, any other federal or state bankruptcy, reorganization, receivership, insolvency or other similar law affecting the rights of creditors generally, or for dissolution under the laws of the United States or of any state, or voluntarily takes advantage of any such law or act or is dissolved or makes an assignment for the benefit of creditors;

8.1.2 If involuntary Proceedings under the United States Bankruptcy Code, any other federal or state bankruptcy, reorganization, receivership, insolvency or other similar law or for the dissolution of a corporation are instituted against Sub-Subtenant or if a receiver or trustee is appointed of all or substantially all of the property of Sub-Subtenant and such

Proceedings are not dismissed or such receivership or trusteeship vacated within ninety (90) days after such institution or appointment;

8.1.3 If Sub-Subtenant vacates, abandons or ceases doing business on the Premises or indicates its intention to do so;

8.1.4 If this Sub-Sublease or the estate of Sub-Subtenant hereunder is transferred to any other person or party, except in a manner permitted by the terms of this Sub-Sublease;

8.1.5 If Sub-Subtenant fails to pay Sub-Sublandlord any installment of the Rent or Additional Charges when it becomes due and payable and fails to make such payment within ten (10) days after written notice thereof by Sub-Sublandlord to Sub-Subtenant;

8.1.6 If Sub-Subtenant fails to perform any of its nonmonetary obligations under this Sub-Sublease and such non-performance continues for a period within which performance is required to be made by specific provision of this Sub-Sublease or, if no such period is provided, for a period of thirty (30) days after written notice thereof by Sub-Sublandlord to Sub-Subtenant; or, if such performance cannot be reasonably had within such thirty day period, Sub-Subtenant has not in good faith commenced such performance within such thirty day period or has not diligently proceeded therewith to completion;

8.1.7 If Sub-Subtenant or any manager or officer of Sub-Subtenant knowingly or intentionally falsifies any report required to be furnished to Sub-Sublandlord pursuant to the terms of this Sub-Sublease and fails to notify Sub-Sublandlord of such falsification within sixty (60) days of submission of such report.

8.1.8 Failure by Sub-Subtenant to comply with any provision of the Franchise Agreement relating to the Premises, or any franchise agreement with a third party franchisor relating to the Premises.

In the event of a default under this Section 8.1, Sub-Sublandlord shall have such remedies as are provided under this Sub-Sublease and under applicable law.

8.2 **Cure by Sub-Sublandlord.** After expiration of the applicable period of notice, or without notice in the event of any emergency, Sub-Sublandlord at its option may, but shall not be obligated to, make any payment required of Sub-Subtenant or perform any obligation of Sub-Subtenant, and the amount Sub-Sublandlord pays, or the cost of its performance, together with interest thereon, shall be deemed to be an additional charge payable by Sub-Subtenant on demand. Sub-Sublandlord shall have the right to enter the Premises for the purpose of correcting or remedying any default, but neither any expenditure nor any such performance by Sub-Sublandlord shall be deemed to waive or release Sub-Subtenant's default or the right of Sub-Sublandlord to take such action as may be otherwise permissible in the case of default. Sub-Sublandlord shall have no liability to Sub-Subtenant for any loss or damages resulting from any such action by Sub-Sublandlord, and entry by Sub-Sublandlord shall not constitute breach of the covenant for quiet enjoyment or an eviction.

8.3 **Sub-Sublandlord's Remedies.** If Sub-Subtenant is in default under this Sub-Sublease, Sub-Sublandlord may, at its option, in addition to such other remedies as may be available under applicable law:

8.3.1 terminate this Sub-Sublease and Sub-Subtenant's right of possession, and retake possession for Sub-Sublandlord's account. In such event, Sub-Sublandlord may repair and alter the Premises in any manner as Sub-Sublandlord deems reasonably necessary or advisable. All reasonable and necessary expenses of every nature that Sub-Sublandlord may incur such as (by way of illustration and not limitation) those for attorneys' fees,

brokerage, advertising, and refurbishing the Premises, shall become immediately due and payable by Sub-Subtenant to Sub-Sublandlord; or

8.3.2 terminate Sub-Subtenant's right of possession, but not this Sub-Sublease, retake possession of the Premises for Sub-Subtenant's account, repair, and alter the Premises in any manner as Sub-Sublandlord deems reasonably necessary or advisable, and relet the Premises or any part of it, as the agent of Sub-Subtenant, for the whole or any part of the remainder of the Term or for a longer period, and Sub-Sublandlord may grant concessions or free rent or charge a higher rental than that reserved in this Sub-Sublease. Out of any rent collected or received from subtenants or as a result of such letting or reletting, Sub-Sublandlord shall first pay to itself all expenses of every nature that Sub-Sublandlord may reasonably incur such as (by way of illustration and not limitation) those for attorneys' fees, brokerage, advertising, and refurbishing the Premises in good order or preparing them for reletting; and second, Sub-Sublandlord shall pay to itself any balance remaining on account of the liability of Sub-Subtenant for the sum equal to all Rent, Additional Rent and other Additional Charges due from Sub-Subtenant through the Expiration Date. Should Sub-Sublandlord, pursuant to this Section 8.3, not collect Rent that, after deductions is sufficient to fully pay to Sub-Sublandlord a sum equal to all Rent, Additional Rent and other Additional Charges payable through the Expiration Date, the balance or deficiency shall, at the election of Sub-Sublandlord, be paid by Sub-Subtenant on the first of each month; or

8.3.3 stand by and do nothing, and hold Sub-Subtenant liable for all Rent, Additional Rent and other Additional Charges payable under this Sub-Sublease through the Expiration Date.

If Sub-Sublandlord does not notify Sub-Subtenant which remedy it is pursuing, or if Sub-Sublandlord's notice to Sub-Subtenant does not expressly state that Sub-Sublandlord is exercising its remedies under Section 8.3.1 or Section 8.3.3, then it shall be deemed that Sub-Sublandlord is pursuing the remedy set forth in Section 8.3.2. If Sub-Sublandlord exercises the option in Section 8.3.1 or 8.3.2, Sub-Subtenant agrees to immediately and peacefully surrender the Premises to Sub-Sublandlord, and if Sub-Subtenant refuses to do so, Sub-Sublandlord may without further notice reenter the Premises either by force or otherwise and dispossess Sub-Subtenant by summary proceedings or otherwise, as well as the legal representative(s) of Sub-Subtenant and/or other occupant(s) of the Premises, and remove their effects.

8.4 **Acceleration.** If Sub-Sublandlord exercises the remedies in Section 8.3.3 of this Sub-Sublease, Sub-Subtenant shall immediately pay to Sub-Sublandlord as damages for loss of the bargain caused by Sub-Subtenant's default, and not as a penalty, in addition to any other damages, an aggregate sum that represents the present value of the full amount of the Rent, Additional Rent and all other Additional Charges payable by Sub-Subtenant hereunder that would have accrued for the balance of the Term.

8.5 **Suits.** Suit or suits for the recovery of the deficiency or damage or for any installment or installments of Rent, Additional Rent or any other charge due under this Sub-Sublease may be brought by Sub-Sublandlord at any time or, at Sub-Sublandlord's election, from time to time, and nothing in this Sub-Sublease shall be deemed to require Sub-Sublandlord to wait until the Expiration Date to bring suit.

8.6 **Waiver.** Sub-Subtenant hereby expressly waives service of any notice of intention to reenter. Sub-Subtenant hereby waives any and all rights to recover or to regain possession of the Premises or to reinstate or to redeem this Sub-Sublease as permitted or provided by any statute, law or decision now or hereafter in force and effect. No receipt of monies by Sub-Sublandlord from Sub-Subtenant after the cancellation or termination of the Sub-Sublease shall reinstate, continue or extend the Sub-Sublease, or affect any prior notice given to Sub-Subtenant or operate as a

waiver of the right of Sub-Sublandlord to enforce the payment of Rent and Additional Rent then due or subsequently falling due, or operate as a waiver of the right of Sub-Sublandlord to recover possession of the Premises by suit, action, proceeding or other remedy, and any and all moneys so collected shall be deemed to be payments on account of the use and occupancy of the Premises, or at the election of Sub-Sublandlord, on account of Sub-Subtenant's liability under this Sub-Sublease.

8.7 **Proof of Claim.** Nothing in this Article shall limit or prejudice the right of Sub-Sublandlord to prove and obtain as liquidated damages in any bankruptcy, insolvency, receivership, reorganization or dissolution proceeding an amount equal to the maximum allowed by any statute or rule of law governing such proceeding, whether or not such amount is greater, equal to or less than the amount of the damages referred to in any of the preceding sections.

8.8 **Injunction.** In the event of a breach or a threatened breach by Sub-Subtenant of any of its Sub-Sublease obligations, Sub-Sublandlord shall have the right to enjoin and restrain the breach and to invoke any remedy allowed by law or in equity, in addition to other remedies provided in this Sub-Sublease.

8.9 **Independent Rights.** The rights and remedies of Sub-Sublandlord are distinct, separate and cumulative, and no one of them, whether or not exercised by Sub-Sublandlord, shall be deemed to be to the exclusion of any of the others.

8.10 **Non-Waiver.** The failure of Sub-Sublandlord to insist upon strict performance of any of Sub-Subtenant's obligations under this Sub-Sublease shall not be deemed a waiver of any rights or remedies that Sub-Sublandlord may have and shall not be deemed a waiver of any subsequent breach or default by Sub-Subtenant. The exercise of any of Sub-Sublandlord's options under the Sub-Sublease shall not be deemed to be the exclusive remedy of Sub-Sublandlord.

8.11 **Waiver of Exemption from Distress.** Sub-Subtenant agrees that notwithstanding anything contained in any statute, enactment or other law of the state in which the Premises are located or of any other jurisdiction, none of the personal property located on the Premises shall be exempt from levy for distress for Rent in arrears, and that if Sub-Subtenant makes any claim for such an exemption, this Sub-Sublease may be pleaded as an estoppel against Sub-Subtenant in any appropriate action.

8.12 **Franchise Agreement.** Notwithstanding anything in this Sub-Sublease to the contrary, this Sub-Sublease is conditioned upon the faithful performance by Sub-Subtenant of the Franchise Agreement, and a default in the terms of the Franchise Agreement shall be a default of this Sub-Sublease.

9 NO RENT ABATEMENT

Unless specifically provided in this Sub-Sublease, no abatement, diminution, or reduction of Rent, Additional Rent, Additional Charges or other compensation shall be claimed by or allowed to Sub-Subtenant, or any persons claiming under Sub-Subtenant, under any circumstances, whether for inconvenience, discomfort, interruption of business, or otherwise.

10 CONDEMNATION

In the event that the Premises or any part of it is taken in condemnation proceedings or by exercise of any right of eminent domain, Sub-Subtenant shall have no right to participate in any condemnation proceedings and shall not have the right to any award, and Sub-Sublandlord may terminate this Sub-Sublease upon written notice to Sub-Subtenant.

11 SUBORDINATION

This Sub-Sublease shall be fully subordinate to any mortgage and/or collateral assignment of lease against the Premises that Master Landlord, TTTSM, the fee owner, Sub-Sublandlord and/or their assigns has or subsequently obtains upon the Premises; provided, however, that any such mortgage and/or collateral assignment of Sub-Sublease against the Premises granted by Sub-Sublandlord shall provide that Sub-Subtenant's possession of the Premises pursuant to this Sub-Sublease shall not be disturbed in the event of a default by Sub-Sublandlord so long as Sub-Subtenant shall be in compliance under the terms hereof. This Sub-Sublease shall be fully subordinate and subject to the Master Lease, the Master Sublease and any senior lease now, or hereafter affecting the Premises.

Sub-Subtenant hereby grants a power of attorney to Sub-Sublandlord with full power to act as its attorney in fact and to execute on behalf of Sub-Subtenant any and all documents that may be required by a mortgagee and/or assignee evidencing Sub-Subtenant's full subordination of Sub-Subtenant's interest to any mortgage and/or collateral assignment of Sub-Sublease that may be entered into by Sub-Sublandlord, Master Landlord, TTTSM, the fee owner or their assigns. Sub-Subtenant hereby agrees to execute, without charging Sub-Sublandlord, any and all documents that it is requested to execute to evidence this subordination. However, Sub-Subtenant shall not be required to execute any promissory notes or other evidences of indebtedness that would create any personal liability on behalf of Sub-Subtenant.

12 ASSIGNMENT

12.1 B**y Sub-Sublandlord.** This Sub-Sublease shall be fully assignable by Sub-Sublandlord or its assigns.

12.2 B**y Sub-Subtenant.** Neither Sub-Subtenant, nor Sub-Subtenant's successors or assigns, shall (unless expressly permitted in this Sub-Sublease) assign, mortgage, give as security, pledge or encumber this Sub-Sublease, in whole or in part, by operation of law or otherwise, or sub-sub-sublet the Premises, in whole or in part, or permit the Premises or any portion of it to be used or occupied by others, or enter into a management contract or other arrangement whereby the Premises shall be managed and operated by anyone other than the owner of Subtenant's leasehold estate, without the prior consent in writing of Sub-Sublandlord in each instance. If this Sub-Sublease is assigned or transferred, or if all or any part of the Premises is sub-sub-sublet or occupied by anybody other than Sub-Subtenant, Sub-Sublandlord may collect Rent from the assignee, transferee, sub-subtenant or occupant, and apply the net amount collected to the Rent reserved in this Sub-Sublease, but no such assignment, sub-sub-subletting, occupancy or collection shall be deemed a waiver of any covenant or condition of this Sub-Sublease, or the acceptance of the assignee, transferee, sub-sub-subtenant or occupant as Sub-Subtenant, or a release of Sub-Subtenant from the performance or further performance by Sub-Subtenant of its obligations under this Sub-Sublease, and Sub-Subtenant shall continue to be liable for all its obligations under this Sub-Sublease. The consent by Sub-Sublandlord to an assignment, mortgage, pledge, encumbrance, transfer, management contract or sub-sub-subletting shall not in any way be construed to relieve Sub-Subtenant from obtaining the express consent in writing of Sub-Sublandlord in each instance to any subsequent similar action that Sub-Subtenant may intend to take.

13 ESTOPPEL CERTIFICATE

Sub-Subtenant shall from time to time, within five (5) days after being requested to do so by Sub-Sublandlord, execute, acknowledge and deliver to Sub-Sublandlord (or, at Sub-Sublandlord's request, to Master Landlord or TTTSM, any existing or prospective purchaser, transferee, assignee or mortgagee of any or all of the Premises, any interest therein or any of Sub-Sublandlord's rights under this Sub-Sublease)

an instrument in recordable form: (i) certifying (a) that the Sub-Sublease is unmodified and in full force and effect (or, if there has been any modification thereof, that it is in full force and effect as so modified, stating therein the nature of such modification); (b) as to the dates to which the Rent and Additional Charges arising hereunder have been paid; (c) as to the amount of any prepaid rent or any credit due to Sub-Subtenant hereunder, (d) that Sub-Subtenant has accepted possession of the Premises, and the date on which the Term commenced; (e) as to whether, to the best knowledge, information and belief of the signer of such certificate, Sub-Sublandlord or Sub-Subtenant is then in default in performing any of its obligations under the Sub-Sublease (and, if so, specifying the nature of each such default); and (f) as to any other fact or condition reasonably requested by Sub-Sublandlord or such other addressee; and (ii) acknowledging and agreeing that any statement contained in such certificate may be relied upon by Sub-Sublandlord and any such other addressee.

14 HAZARDOUS SUBSTANCES

14.1 **Compliance with Laws.** Sub-Subtenant shall at all times, at its own cost and expense, comply with all federal, state and local laws, ordinances, regulations and standards ("Hazardous Substance Laws") relating to the use, analysis, production, storage, sale, disposal or transportation of any hazardous materials, including oil or petroleum products or their derivatives, solvents, PCB's, explosive substances, asbestos, radioactive materials or waste, and any other toxic, ignitable, reactive, corrosive, contaminating or pollution materials '("Hazardous Substances") that are now or in the future subject to any governmental regulation. Such compliance shall include any cleanup, removal, remedial action, testing or monitoring (including medical monitoring) which may be required under Hazardous Substance Laws, court order or by any governmental or regulatory agency.

14.2 **Indemnification by Sub-Subtenant.** Sub-Subtenant shall indemnify, defend with counsel reasonably acceptable to Sub-Sublandlord, and hold Sub-Sublandlord free and harmless from any and all liabilities, damages, claims, penalties, fines, settlements, causes of action, costs or expense, including reasonable attorneys' fees, environmental consultant and laboratory fees and the costs and expense of investigating and defending any claims or proceedings, resulting from or attributable to (i) the presence, disposal, migration, release or threatened release of any Hazardous Substance that is on, from or affecting the Premises including the soil, water, vegetation, buildings, personal property, persons, or otherwise; (ii) any bodily injury (including wrongful death) or property damage (real or personal) arising out of or relating to such Hazardous Substance(s); (iii) any lawsuits or administrative order relating to such Hazardous Substance(s); or any violation of any laws applicable to any Hazardous Substance for which Sub-Subtenant is responsible under this Sub-Sublease. Sub-Subtenant's indemnification obligations under this Section shall survive the expiration or earlier termination of this Sub-Sublease.

15 MISCELLANEOUS

15.1 **Notices**. Notices sent via hand delivery or via nationally-recognized courier shall be addressed directly to Sub-Sublandlord at its offices at Attn: Legal Department - Leasing, 1 Corporate Drive, Suite 1000, Shelton, CT 06484, and to Sub-Subtenant at the Premises, or at such other address as either party shall from time to time designate in writing. Notices sent for next business day delivery by nationally recognized courier shall be deemed to be effective on the next business day.

15.2 **Construction.** In the event that any of the provisions of this Sub-Sublease shall by court order be held invalid or in contravention of any of the laws of the United States or of any state having jurisdiction over the subject matter or of any dispute arising under it, such invalidation shall not serve to affect the remaining portion of this Sub-Sublease. To the extent permitted by the laws of the state where the Premises are located, this Sub-Sublease shall be governed by and construed in accordance with the laws of the State of Delaware, and otherwise shall be governed by and construed in accordance with the laws of the State where the Premises are located.

15.3 **Successors.** This Sub-Sublease shall bind Sub-Sublandlord and Sub-Subtenant and their successors, heirs, assigns, administrators, and legal representatives, as the case may be.

15.4 **Counterparts.** This Sub-Sublease may be executed in counterparts, and all counterparts together shall be construed as one and the same document. Executed counterparts of this Sub-Sublease with signatures sent by electronic mail (i.e., in PDF format) or signed electronically via DocuSign may be used in the place of original signatures of this Sub-Sublease. The parties intend to be bound by the signatures of the electronically mailed or signed signatures and the delivery of the same shall be effective as delivery of an original executed counterpart of this Sub-Sublease. The parties hereby waive any defenses to the enforcement of this terms of this Sub-Sublease based on the form of the signature or delivery thereof and hereby agree that such electronically mailed or signed signatures shall be conclusive proof, admissible in arbitration and judicial proceedings, of the parties' execution of this Sub-Sublease.

15.5 **No Agency.** The parties hereto agree that the business relationship created by this Sub-Sublease is solely that of Sub-Sublandlord and Sub-Subtenant. Nothing contained in this Sub-Sublease shall make Sub-Subtenant an agent, legal representative, partner, subsidiary, joint venturer or employee of Sub-Sublandlord. Sub-Subtenant shall have no right or power to, and shall not, bind or obligate Sub-Sublandlord in any way, manner or thing whatsoever, nor represent that it has any right to do so.

15.6 **Time of the Essence.** Time shall be of the essence in every part of this Sub-Sublease.

15.7 **Binding Effect.** This Sub-Sublease shall become immediately binding on the parties to this Sub-Sublease on the date the last party signs it, notwithstanding that the Term of this Sub-Sublease may commence upon a future date.

15.8 **Headings.** The table of contents preceding this Sub-Sublease and the headings of the paragraphs and subparagraphs are inserted solely for the convenience of reference and shall not constitute a part of this Sub-Sublease, nor limit, define or describe the scope or intent of this Sub-Sublease.

15.9 **Joint and Several Liability.** If Subtenant consists of more than one person, each individual's liability under this Sub-Sublease shall be joint and several.

15.10 **Entire Agreement.** This Sub-Sublease constitutes the entire agreement between the parties hereto with respect to the subject matter of this Sub-Sublease, and this Sub-Sublease shall not be modified, amended, altered or changed except by prior written agreement signed by both parties. PERSONAL GUARANTEE

GUARANTEE

This Guarantee dated _____, is made and entered into by the undersigned (each a "Guarantor", and collectively "Guarantors") for the benefit of Subway Realty, LLC, a Delaware limited liability company ("Sub-Sublandlord").

RECITALS

R.1. Each Guarantor is an owner of _____, (the "Sub-Subtenant").

R.2. Sub-Subtenant and Sub-Sublandlord entered into a Sub-Sublease dated _____, as amended, extended or renewed (the "Sub-Sublease") for the purpose of operating a SUBWAY® restaurant (the "Restaurant") at the Premises.

R.3. Capitalized terms not otherwise defined herein shall have the same meaning as in the Sub-Sublease.

AGREEMENT

As an inducement to and in consideration of Sublandlord entering into the Sub-Sublease with Subtenant, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Guarantor agrees to the following:

1. Each Guarantor unconditionally guarantees to Sub-Sublandlord the (i) prompt payment of any money now due, or that at any time, may become due or owing to Sub-Sublandlord by Sub-Subtenant under the Sub-Sublease; and the (ii) full performance and discharge by Sub-Subtenant of all of Sub-Subtenant's obligations under the Sub-Sublease now due, or that at any time, may become due or owing (collectively, the "Obligations"). This is a guarantee of payment and not of collection.

2. Each Guarantor promises to promptly and fully render any payment or performance required under the Sub-Sublease upon demand if Sub-Subtenant fails or refuses to timely render such payment or performance.

3. Each Guarantor waives: (i) notice of demand for payment of all or any part of the Obligations, (ii) protest, notice of protest and notice of default, (iii) any right to require that any action be brought against Sub-Subtenant or any other person or entity as a condition of liability, and (iv) any and all other notices, and legal or equitable defenses to which such Guarantor may be entitled. Sub-Sublandlord may extend, modify, or release any Obligation or settle, adjust, or compromise any claims against Sub-Subtenant, without notice to Guarantors and without any effect on any Guarantor's obligations hereunder.

4. Each Guarantor's liability will not be contingent or conditioned upon Sub-Sublandlord's pursuit of any remedies against Sub-Subtenant or any other person or entity. Further, such liability will not be diminished, relieved or otherwise affected by an extension of time, credit or other indulgence which Sub-Sublandlord may grant Sub-Subtenant, including, without limitation, the acceptance of any partial payment or performance, or the compromise or release of any claims.

5. No term, condition or provision of this Guarantee shall be deemed to be waived by Sub-Sublandlord, without the express written consent of Sub-Sublandlord. Any such waiver will extend only to the particular circumstances specified in writing by the Sub-Sublandlord. Neither forbearance, nor indulgence by Sub-Sublandlord will constitute a waiver of any provision of this Guarantee.

6. Each Guarantor acknowledges that the Sub-Sublease may be extended, amended or renewed by mutual agreement between Sub-Subtenant and Sub-Sublandlord, and each Guarantor expressly consents to any such modification of the Sub-Sublease.

7. This is a continuing guarantee. Nothing but payment and satisfaction in full of the Obligations will release Guarantors from their respective obligations pursuant to this Guarantee. Notice of acceptance of this Guarantee is waived.

8. This Guarantee shall not be impaired by any modification, supplement, renewal, extension or amendment of the Sub-Sublease or any of the Obligations, nor by any modification, release or other alteration of any of the Obligations hereby guaranteed.

9. The liability of each Guarantor hereunder is primary, direct and unconditional and may be enforced without requiring Sub-Sublandlord first to resort to any other right, remedy or security.

10. No Guarantor hereunder shall have any right of subrogation, reimbursement or indemnity whatsoever, unless and until the Obligations are paid or performed in full.

11. If any Guarantor hereunder should at any time die, become incapacitated, become insolvent or make a composition, trust mortgage or general assignment for the benefit of creditors, or if a proceeding under the United States Bankruptcy Code or any similar law affecting the rights of creditors generally shall be filed or commenced by, against or in respect of any guarantor hereunder, any and all obligation of that guarantor shall, at Sub-Sublandlord's option, immediately become due and payable without notice.

12. If any payment or transfer to Sub-Sublandlord which has been credited against any Obligation, is voided or rescinded or required to be returned by Sub-Sublandlord, whether or not in connection with any event or proceeding described in Section 11, the Guarantee shall continue in effect or be reinstated as though such payment, transfer or recovery had not been made.

13. Except as otherwise provided herein, the Guarantee shall be construed as an absolute, unconditional, continuing and unlimited obligation of each Guarantor hereunder without regard to the regularity, validity or enforceability of any of the Obligations, and without regard to whether any Obligation is limited, modified, voided, released or discharged in any proceeding under the United States Bankruptcy Code or any similar law affecting the rights of creditors generally.

14. Any termination of the Guarantee shall be applicable only to Obligations accruing after termination or having their inception after the effective date of such termination and shall not affect Obligations having their inception prior to such date.

15. The death or incapacity of any Guarantor hereunder shall not result in the termination of the Guarantee.

16. Any and all present and future debts and obligations of Sub-Subtenant to any Guarantor hereunder are hereby waived and postponed in favor of and subordinated to the full payment and performance of the Obligations.

17. Each Guarantor hereunder waives to the greatest extent permitted by law: notice of acceptance hereof; presentment and protest of any instrument, and notice thereof; notice of default or intent to accelerate; notice of foreclosure; notice of any modification, release or other alteration of any of the Obligations or of any security therefor and all other notices to which any guarantor hereunder might otherwise be entitled.

18. Each Guarantor hereunder waives to the greatest extent permitted by law: any defense arising by virtue of the lack of authority, death or disability of such Guarantor; or any defense based upon an election of remedies by Sub-Sublandlord which destroys or otherwise impairs the subrogation rights of such Guarantor or the right of such Guarantor to proceed against the Sub-Subtenant for reimbursement, or both.

19. 20. This Guarantee will be jointly and severally binding upon each Guarantor, and their respective heirs, executors, administrators, successors and assigns, and will inure to the benefit of Sub-Sublandlord, its successors and assigns. No Guarantor may assign this Guarantee without the express written consent of Sub-Sublandlord.

[THIS SPACE LEFT INTENTIONALLY BLANK]

IN WITNESS WHEREOF, each Guarantor has executed and delivered this Guarantee as of the date written above.

EXHIBIT A-4-3
INTENT TO SUB-SUBLEASE WITHIN WAL-MART

Date: _____
Business Developer/SMO_____
Franchise Number_____
Wal-Mart Number _____
Twin Towers Management Trading Site Management, LLC (TTTSM)
Subway Realty, LLC (Sub-Sublandlord)
Subway Franchisee (Sub-Subtenant)

I hereby offer to sub-sublease from Subway Realty, LLC (Sub-Sublandlord) the following described premises located within Wal-Mart: _____
for a period beginning approximately, _____ and ending approximately _____ _____, plus renewal options, if exercised. I understand that the asking rental on the premises is the greater of Two Thousand Dollars ($2,000.00) or percentage rent of six percent (6%) based upon gross sales generated from the operation of the Subway® restaurant, snack bar, if applicable, and all co-branded concepts I operate within the leased premises. I understand that if I operate one or more co-branded concept(s) within the leased premises, the monthly gross sales shall be calculated separately for each concept, but the base rent shall be the greater of Two Thousand Dollars ($2,000.00) or six percent (6%) of the cumulative gross sales of all concepts operating within the leased premises.

It is agreed and understood that pursuant to a Master Lease Agreement dated the 31st day of March 2010, Wal-Mart, Inc., Wal-Mart Stores East, LP, Wal-Mart Louisiana, LLC, Wal-Mart Stores Texas, LLC, Wal-Mart Stores Arkansas, LLC, and Wal-Mart Puerto Rico, Inc. (the "Master Landlord"), leased space within certain of its retail establishments ("Wal-Mart stores") solely for the purpose of operating Subway® restaurants to Twin Towers Trading Site Management, LLC ("TTTSM"), a Nevada limited liability company. Sub-Sublandlord entered into a Master Sublease Agreement with TTTSM dated March 31, 2010 (the "Master Sublease") for the purpose of further subletting the leased premises to franchisees of Doctor's Associates LLC to be used as a Subway® restaurant and snack bar, if applicable, located within a Wal-Mart store. Pursuant to the Master Sublease, TTTSM and Sub-Sublandlord will execute a sublease for each restaurant premises within a Wal-Mart store (the "Sublease") that is specifically incorporated into the Master Sublease through the Master Amended and Restated Attachment A. The selection of these premises for utilization as a Subway® restaurant has been based upon the joint approval of Doctor's Associates LLC, Sub-Sublandlord and myself. I have made an independent evaluation of the location and have concluded that the location has a reasonable opportunity of success as a Subway® restaurant. However, I understand and acknowledge that no representations of potential sales or earnings have been made to me by Doctor's Associates LLC, Sub-Sublandlord, nor any affiliate, nor their respective employees or agents, as to this or any other location. Sub-Subtenant acknowledges and is aware that the success or lack thereof of any particular Subway® restaurant within a Wal-Mart store is unknown.

It is agreed and understood that Sub-Sublandlord entered into the Master Sublease for the purpose of subletting the aforesaid premises to me to be used as a restaurant and snack bar pursuant to a Franchise Agreement with Doctor's Associates LLC. I agree and understand that each person signing said Franchise Agreement as franchisee must also sign the Sub-Sublease Agreement as Sub-Subtenant. I acknowledge that I can assign or further sublet only to a Subway® franchisee and that I must obtain Sub-Sublandlord's prior written consent to the assignment or subletting. I understand that if I do assign or sublet the premises with Sub-Sublandlord's consent, this consent shall not operate to release me from my obligations under the Sub-Sublease Agreement.

Upon receipt of a copy of the executed Master Sublease, including the proposed Sublease/Attachment A, I agree to execute two original copies of the Intent to Sub-Sublease for this location within seven (7) days. My refusal to execute the Intent to Sub-Sublease within this time frame will authorize Sub-Sublandlord to offer this location to another Subway® franchisee. Further, I agree that the advance payment and placement fee paid in accordance with this document will not be refunded in the event that I fail to properly execute the Sub-Sublease Agreement within ten (10) days after receipt of a copy of the executed Master Sublease and proposed Sublease/Attachment A.

I have received and reviewed the proposed Master Sublease, including the Sublease/Attachment A, and Sub-Sublease Agreement for the demised premises. I understand the financial terms have been agreed upon and it is in its final form. I understand that the Sublease/Attachment A shall be executed upon acceptance by TTTSM of our Intent to Sub-Sublease.

I hereby enclose a check, payable to Subway Realty, LLC, in the amount of Ten Thousand Dollars ($10,000.00), of which Eight Thousand Five Hundred Dollars ($8,500.00) may be refunded upon successful opening of the applicable premises on or before the approved Rent Commencement Date. The remaining non-refundable One Thousand Five Hundred Dollars ($1,500.00) constitutes the non-refundable advance payment and placement fee due under the Sub-Sublease Agreement. I understand that Sub-Sublandlord will make payment to TTTSM with the above-referenced funds once they have been received.

I also agree to furnish Sub-Sublandlord with proof of insurance in the amount and form stipulated in the Master Sublease prior to entering into possession of the premises.

AUNTIE ANNE'S® RIDER

This AUNTIE ANNE'S® Rider dated _____ amends and supplements the Franchise Agreement dated _____ (the "Franchise Agreement") between Doctor's Associates LLC, a Delaware limited liability company ("we" or "us"), and _____ _____ ("you"). The Franchise Agreement, as amended by this AUNTIE ANNE'S® Co-Brand Location Rider, will be called this "Agreement". Capitalized terms used in this AUNTIE ANNE'S® Co-Brand Location Rider that are defined in the Franchise Agreement will have the meanings given to them in the Franchise Agreement.

***RECITALS**:*

R.1. Auntie Anne's, Inc. is the owner of a proprietary system for establishing and operating stores featuring a variety of products featuring pretzels under the trade name and service mark AUNTIE ANNE'S®.

R.2. Pursuant to a Co-Branding Agreement dated April 24, 2013, we and Auntie Anne's, Inc. agreed to establish co-branded units in which AUNTIE ANNE'S® franchised locations would be established in new and existing Subway® restaurants located in Walmart® stores and other select non-traditional Subway® locations (the "Co-Brand Agreement").

R.3. You want to establish a AUNTIE ANNE'S® store in combination with your Subway® restaurant, and we have granted consent, provided you sign a franchise agreement directly with Auntie Anne's, Inc. (the "Co-Branded Location").

R.4. You understand and agree you will have obligations to Auntie Anne's, Inc. separate from your obligations to us, and they will have separate obligations to you, which are not our obligations to you or guaranteed to you by us.

R.5. You understand and agree there is risk. You understand we have little experience establishing the AUNTIE ANNE'S® concept in combination with Subway® restaurants, and we do not know how co-branding with an AUNTIE ANNE'S® will affect the Restaurant or your operations.

R.6. The individuals signing this Agreement as franchisee must be identical at all times to the individuals who sign a franchise agreement with Auntie Anne's, Inc. (the "AA Franchise Agreement").

R.7. The Franchise Agreement must be in our current form as the date of this Rider. If you have an older version of our Franchise Agreement, you will amend your Franchise Agreement by signing a new Franchise Agreement.

R.8. In the event of a conflict between the terms of this Rider and any other rider you sign with us in conjunction with this Rider, the terms of this Rider shall prevail.

AGREEMENT:

Acknowledging the above recitals, which are deemed to be a part of the Franchise Agreement and are added to the Recitals in the Franchise Agreement, the parties amend and supplement the Franchise Agreement as follows:

I. You represent that you have reviewed your master lease or sublease for your Restaurant to determine if it is permissible for you to operate the Restaurant in conjunction with an AUNTIE ANNE'S® store.

II. You may establish an AUNTIE ANNE'S® store licensed to you directly by Auntie Anne's, Inc., subject to the following terms and conditions:

a. You will establish a store licensed by Auntie Anne's, Inc. You will only offer the following AUNTIE ANNE'S® products: fresh soft baked pretzels, pretzel stixs, pretzel nuggets, pretzel dogs, assorted dips, Old Fashioned Lemonade and Lemonade Mixers, and any other products agreed to between us and Auntie Anne's, Inc.

b. We and you will cooperate in good faith with each other and with the Auntie Anne's, Inc. to accommodate the different requirements of this Agreement, Operations Manual, policies, and procedures, with those of Auntie Anne's, Inc., to permit the efficient and harmonious operation of the multiple concepts within the same location. Requirements may be different in the areas of store design, hours of operation, signs, cash registers, and operational procedures, for example.

c. You will owe Auntie Anne's, Inc. the franchise fee it requires under your AA Franchise Agreement. You will pay the franchise fee directly to Auntie Anne's, Inc. or to another party it directs you to pay. We will act as the collection agent for all other fees owed to Auntie Anne's, Inc. under the AA Franchise Agreement. You agree we may collect these fees under the preauthorized draft or electronic funds transfer program we use to collect fees under this Agreement. You agree we may take action against you to collect amounts you owe Auntie Anne's, Inc. in our own name or in Auntie Anne's, Inc.'s name, including in an arbitration under Paragraph 10 of this Agreement.

d. You will sign a sublease or if applicable a sub-sublease, for your Co-Branded Location with our designated leasing affiliate, unless we designate otherwise. You will pay rent for the Co-Branded Location in accordance with the terms of your master lease or sublease for your Restaurant.

e. You will pay us weekly an amount equal to twelve and one-half percent (12 $^{1/2}$ %) of the Gross Sales, as defined in this Agreement, for all AUNTIE ANNE'S® product sales at your Co-Branded Location. We will retain six percent (6%) of this amount as an additional Royalty payment to us. We will deposit three percent (3%) of this amount into the Subway Franchisee Advertising Fund Trust ("SFAFT"). The remaining three and one-half percent (3 ½%) of this amount will be paid to Auntie Anne's, Inc. by us. In the future, we may alter the distribution of these funds. There will be no additional continuing fee charged with respect to your AUNTIE ANNE'S® product sales at your Co-Branded Location.

f. If you fail to report your AUNTIE ANNE'S® gross sales on time we may estimate them, charge you based on the estimate, and will adjust the estimated charges after we determine actual sales. All other terms of this Agreement relating to the timing and method of reporting the Restaurant's sales, paying us Royalty, the consequences for underreporting, and our audit and collection rights, will also apply to gross sales from the AUNTIE ANNE'S® store and any other fees, as applicable.

g. You understand and agree the individuals or entities signing this Agreement as franchisee must at all times be identical with the names of the individuals or entities on the AA Franchise Agreement. You will not transfer or assign any interest in this Agreement or in the Restaurant unless you simultaneously transfer to the same individuals or entities your same interest in the AA Franchise Agreement and the AUNTIE ANNE'S® store you operate under your AA Franchise Agreement. You acknowledge you will have to satisfy the separate transfer procedures we and the Auntie Anne's, Inc. have, including the right to approve the transfer and your transferees, and payment of a transfer fee. If Auntie Anne's, Inc. does not consent to your request to transfer, Auntie Anne's, Inc. shall grant you the right to terminate your AA Franchise Agreement in accordance with their termination procedures. You agree our right of first refusal under this Agreement to purchase the Restaurant includes the right to purchase the AUNTIE ANNE'S® store you operate in combination with the Restaurant.

h. You understand and agree this Agreement and our Operations Manual, policies, and procedures, will control and apply to the Restaurant and any common areas of the Co-Branded Location, but will not apply to the portions of the Co-Branded Location where you operate the AUNTIE ANNE'S® store. Each AA Franchise Agreement, Operations Manual, policies, and procedures, will control and apply to its respective licensed portion of the Co-Branded Location, and any common areas, but will not apply

to the Subway® restaurant portion of the Co-Branded Location. The common areas will be subject to ours, and Auntie Anne's, Inc.'s Franchise Agreement, Operations Manual, policies, and procedures. You will comply with the highest and most stringent duties and responsibilities governing the common areas if we and the Auntie Anne's, Inc. have different requirements.

i. You must permit each Auntie Anne's, Inc. representative to inspect the Subway® portion of the Co-Branded Location at all reasonable times during normal business hours and your books and records related to the operation of the Restaurant, to the same extent you must permit us to inspect the location and your books and records under this Agreement. You will also grant us inspection rights relating to the portions of the Co-Branded Location you operate under the AA Franchise Agreement, and the related books and records, to the same extent you grant Auntie Anne's, Inc. inspection rights under its respective franchise agreement. You acknowledge and agree we and Auntie Anne's, Inc. may share information about you, the Co-Branded Location, and the businesses you operate, and may report compliance problems or your other possible defaults to each other. You will report to us weekly your sales, inventory costs, and other business information we request regarding the AUNTIE ANNE'S® store you operate in combination with the Restaurant.

j. You will name Auntie Anne's, Inc. and its designated affiliates individually, as additional insureds on the insurance coverage required under this Agreement, and provide certificates of insurance to each additional insured. You will also name us, our Affiliates, our Business Developer assigned to the Co-Branded Location, and our agents, representatives, shareholders, directors, officers and employees, and those of our Affiliates and the Business Developer (the "Additional Insureds"), individually, as additional insureds on the insurance coverage you maintain under your AA Franchise Agreement, and provide certificates of insurance to the Additional Insureds. You will obtain and maintain the highest limits of coverage we or Auntie Anne's, Inc. requires under its respective Franchise Agreement, Operations Manual, policies, and procedures, for the AUNTIE ANNE'S® store you operate in combination with the Restaurant under the AA Franchise Agreement. You may obtain your insurance for the AUNTIE ANNE'S® store from our Gold Standard Insurance Program.

k. You acknowledge and agree the right to operate the AUNTIE ANNE'S® store in combination with the Restaurant is subject to your continued operation of the Restaurant. If this Agreement terminates or expires, or for any other reason you cease to operate the Restaurant at the Co-Branded Location which is licensed under this Agreement, you will also cease to operate the AUNTIE ANNE'S® portion of the Co-Branded Location and Auntie Anne's, Inc. will allow you to terminate your AA Franchise Agreement in accordance with the terms of your AA Franchise Agreement. You may relocate the Co-Branded Location only with ours and Auntie Anne's, Inc.'s separate written approval. If Auntie Anne's, Inc. does not consent to your request to relocate, Auntie Anne's, Inc. shall grant you the right to terminate your franchise agreement in accordance with its termination procedures. We may then allow you to relocate the Restaurant. The term of your AA Franchise Agreement may be shorter than the term of this Agreement.

l. You acknowledge and agree you must review the master lease or sublease for the Restaurant to make sure it allows you to offer AUNTIE ANNE'S® products. You also agree to review local regulations to make sure they allow the sale of the AUNTIE ANNE'S® products at the location, and do not require you to obtain additional permits or satisfy other requirements, such as adding more parking spaces.

m. You understand and agree we and Auntie Anne's, Inc. are separately responsible to you. You understand your AUNTIE ANNE'S® franchise was made through a separate franchise offering made to you by Auntie Anne's, Inc. and we cannot attest to the validity any of the information they have provided to you in their disclosure document or thru any other source. We will not be liable to you for any defaults or misrepresentations by Auntie Anne's, Inc.

n. If you close or stop operating the Auntie Anne's, Inc. store or if your AA Franchise Agreement is terminated, you agree to remove all trademarks and trade dress of the Auntie Anne's, Inc. as required by your AA Franchise Agreement and install Subway® décor to our specifications.

o. We shall have the right, but not the obligation, to cure any default by you, under your AA Franchise Agreement.

p. In the event the Co-Brand Agreement expires or terminates, you may continue to operate the Co-Branded Location in accordance with ours and Auntie Anne's, Inc.'s franchise agreements until the franchise agreements terminate or expire. If this Agreement terminates or expires prior to your AA Franchise Agreement and you do not renew, you will also cease to operate the AUNTIE ANNE'S® portion of the Co-Branded Location and you will terminate your AA Franchise Agreement in accordance with its termination procedures. The renewal terms of your AA Franchise Agreement may differ than the renewal terms of this Agreement.

q. You acknowledge you have read and understand your obligations under this Agreement and your AA Franchise Agreement concerning competition during the term of each agreement and upon their termination or expiration.

III. Notwithstanding anything in the Franchise Agreement to the contrary: EACH PARTY HEREBY WAIVES, WITHOUT LIMITATION, ANY RIGHT IT MIGHT OTHERWISE HAVE TO ASSERT A CLAIM FOR AND/OR TO RECOVER LOST PROFITS AND OTHER FORMS OF CONSEQUENTIAL, INCIDENTAL, CONTINGENT, PUNITIVE AND EXEMPLARY DAMAGES FROM THE OTHER EXCEPT AS PROVIDED HEREIN. EACH PARTY'S LIABILITY SHALL BE LIMITED TO ACTUAL COMPENSATORY DAMAGES. ACTUAL COMPENSATORY DAMAGES SHALL BE THE GREATER OF (1) $100,000.00 OR (2) AT YOUR SOLE OPTION, ALL AMOUNTS PAID TO US FOR FRANCHISE FEES AND ROYALTIES FOR THIS AGREEMENT FOR UP TO THREE YEARS PRECEDING THE DATE OF ANY AWARD HEREIN. IF YOU CHOOSE OPTION (2), WE WILL ALSO REPURCHASE YOUR EQUIPMENT, PURCHASED FROM OR THROUGH US, AT DEPRECIATED VALUE USING THE FIVE YEAR, STRAIGHT LINE METHOD OF CALCULATION. EACH PARTY ACKNOWLEDGES THAT IT HAS HAD A FULL OPPORTUNITY TO CONSULT WITH COUNSEL CONCERNING THIS WAIVER, AND THAT THIS WAIVER IS INFORMED, VOLUNTARY, INTENTIONAL, AND NOT THE RESULT OF UNEQUAL BARGAINING POWER.

IV. You acknowledge no employee, agent, or representative of ours, or our Affiliates, or our business developers, has made any oral, written or visual representation or projection to you of actual or potential sales, earnings, or net or gross profits concerning the AUNTIE ANNE'S® concept. You represent that as of the date of this AUNTIE ANNE'S® Co-Brand Location Rider, you have no claims of any type against us, our Affiliates, or the Business Developers, or our agents, representatives, shareholders, directors, officers, and employees, or those of our Affiliates and the Business Developers, except those you have written in below:

_____

_____

You hereby release each of these individuals and entities from all claims other than those you listed above. You acknowledge and understand that any list of claims and the general release will include any alleged breaches of franchise or other laws, and any alleged breach of agreement, relating not only to the Franchise Agreement, but also to any agreements or dealings you may have or had at any time with us or any of the above listed individuals or entities.

V. The Franchise Agreement, as amended and supplemented by this AUNTIE ANNE'S® Co-Brand Location Rider, contains the entire understanding of the parties. The parties can amend the Franchise Agreement further only in a signed writing. The provisions of the Franchise Agreement, as amended and supplemented by this AUNTIE ANNE'S® Co-Brand Location Rider, are ratified and affirmed. To the extent the terms of this Rider and the terms of the Franchise Agreement conflict, the terms of this Rider shall control.

ADDENDUM FOR AUNTIE ANNE'S® CO-BRANDED LOCATION

This Addendum amends and supplements the "Franchise Disclosure Document for Prospective Franchisees as Required by the Federal Trade Commission" dated April 30, 2026, as amended June 16, 2026, and as amended October 29, 2026 (the "Franchise Disclosure Document") issued by Doctor's Associates LLC. In the event of a conflict between the information in this Addendum and any other addendum you are disclosed with by us, the information provided in this Addendum shall prevail.

Item 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

Also, SRE has amended its Master Sublease Agreement with a third party associated with Walmart Stores, Inc. ("Walmart") to sublease space for the operation of Subway® restaurants co-branded with AUNTIE ANNE'S® stores within the premises of Walmart stores.

Co-Branded AUNTIE ANNE'S® *Locations*. We have entered into a co-branding agreement with Auntie Anne's, Inc. to permit qualified franchisees to establish AUNTIE ANNE'S® stores in connection with their Subway® restaurants located in certain Walmart and non-traditional stores, as approved by us. Upon our approval we will permit qualified new and existing franchisees to co-brand their Subway® restaurant with an AUNTIE ANNE'S® store either within the premises of retail establishments owned by Walmart Stores, Inc. or within non-traditional locations (the "Co-Branded Locations"). These Co-Branded Location franchises are sold for specific locations. Co-Branded Locations within non-traditional locations will be offered on a limited basis. You must make your own inquiries about Auntie Anne's, Inc. and the AUNTIE ANNE'S® franchise. You will receive a separate Disclosure Document from Auntie Anne's, Inc. and you will enter into a franchise agreement with them, which has different terms than your Franchise Agreement with us (the "AA Franchise Agreement"). You should review these documents in their entirety to obtain a better understanding of the AUNTIE ANNE'S® franchise system. You will operate the AUNTIE ANNE'S® store as a direct franchisee of Auntie Anne's, Inc. You will pay a franchise fee directly to them or their designee. You will sign the AUNTIE ANNE'S® Rider (Exhibit A-5) to address the different conditions inherent in operating a Co-Branded Location (the "AUNTIE ANNE'S® Rider"). If you are interested in a Co-Branded Location, please review Exhibit A-5 carefully so you will be familiar with how the AUNTIE ANNE'S® Rider will affect your Franchise Agreement with us. You grant us a release under the AUNTIE ANNE'S® Rider. We and Auntie Anne's, Inc. will be separately responsible to you under our respective franchise systems. We may act as a collection agent for all other fees owed to Auntie Anne's, Inc.'s under the terms of the AA Franchise Agreement. You will pay to us directly under the AUNTIE ANNE'S® Rider a fee equal to 12½ % of gross sales for all AUNTIE ANNE'S® product sold. We will retain 6% of this amount as an additional royalty payment to us. We will deposit 3% of this amount into SFAFT. The remaining 3 ½% of this amount will be paid directly to Auntie Anne's, Inc. by us. In the future, we may alter the distribution of these funds.

If your Co-Branded Location will be located in a Walmart Store, the Franchise Agreement will consist of our standard form of the Franchise Agreement, AUNTIE ANNE'S® Rider, and Walmart Location Rider. If your Co-Branded Location will be located at a non-traditional site, the Franchise Agreement will consist of our standard form of the Franchise Agreement, AUNTIE ANNE'S® Rider, and the Franchise Agreement Rider, if applicable. In addition, you will be required to sign all agreements and riders required by Auntie Anne's, Inc.

Item 2
BUSINESS EXPERIENCE

We will pay Business Developers one third of the additional royalty payment we collect weekly for gross sales on AUNTIE ANNE'S® products sold.

Item 6
OTHER FEES

Fee to Co-Brand Location with AUNTIE ANNE'S®	12 ½% of total weekly gross sales for AUNTIE ANNE'S® products	Payable weekly	See Note 13

Add to Note 5. Transfer Fee:

If your restaurant is co-branded with an AUNTIE ANNE'S® store, you cannot transfer or assign any interest in your Franchise Agreement or in your restaurant unless you simultaneously transfer to the same individuals your same interest in the AA Franchise Agreement and AUNTIE ANNE'S® store. You will have to satisfy the separate transfer procedures we and Auntie Anne's, Inc. have, including the right to approve the transfer and your transferees, and payment of a transfer fee. If Auntie Anne's, Inc. does not consent to your request to transfer your store, Auntie Anne's, Inc. will grant you the right to terminate your AA Franchise Agreement in accordance with their termination procedures. Any right of first refusal under your Franchise Agreement with us to purchase your restaurant will include the right to purchase the AUNTIE ANNE'S® store you operate in combination with the restaurant.

Add to Note 6. Location Rent:

If your Co-Branded Location will be located in a non-traditional location, you will pay your rent to your landlord under the Sublease you enter into with our designated leasing affiliate, unless we allow otherwise.

Add to Note 6. Location Rent:

On April 24, 2013, Walmart Stores, Inc., Walmart Stores East, LP, Walmart Louisiana, LLC, Walmart Arkansas, LLC, and Walmart Texas, LLC and Twin Towers Trading Site Management ("TTTSM") amended their master lease agreement, to permit the co-branding of Subway® restaurants with AUNTIE ANNE'S® stores within retail establishments owned by Walmart Stores Inc. (the "Master lease"). On April 9, 2013, TTSM and SRL amended their master sublease agreement whereby TTSM subleased its rights under the amended Master Lease agreement to SRL (the "Master Sublease").

If your Co-Branded Location will be located within a Walmart store, a Sublease will be executed between TTTSM and SRL for each co-branded location within a Walmart store that will be incorporated into the Master Sublease. You must then enter into a Sub-Sublease Agreement with SRL for the premises (the "Sub-Sublease Agreement"). You will be required to sell any items authorized by us and Auntie Anne's, Inc. You will pay rent for the Subway® restaurants and AUNTIE ANNE'S® stores separately in accordance with the Master Sublease Agreement. Your rent will be a percentage of your monthly gross sales for your Subway® restaurant and your AUNTIE ANNE'S® store. TTTSM may require you to personally guarantee the Master Sublease with respect to the Co-Branded Location premises and may also require a right of first refusal if you want to transfer the Co-Branded location. SRL may assess late payment fees and other costs arising from administration of the Master Sublease, and has the same rights as TTTSM on default to charge you for certain fees, to carry out repairs and to recover costs.

Add to Note 13. Co-Brand Continuing Fee with the following:

Note 13. *Fee to Co-Brand Location with AUNTIE ANNE'S® Store.* If your restaurant is co-branded with an AUNTIE ANNE'S® store, you will pay to us weekly a fee equal to 12½% of gross sales for all AUNTIE ANNE'S® product sold. We will retain 6% of this amount as an additional royalty payment to us. We will deposit 3% of this amount into SFAFT. The remaining 3½% of this amount will be paid directly to Auntie Anne's, Inc. by us. In the future, we may alter the distribution of these funds.

Item 7
ESTIMATED INITIAL INVESTMENT

The initial investment for a Co-Branded Location may vary from the chart above, depending on whether it is located in a Walmart store or non-traditional location, the equipment you have to buy, and the changes you may have to make in construction improvements. The additional equipment and supplies you will need to offer AUNTIE ANNE'S® products may increase your costs. In addition, free sampling of menu offerings is a key component of AUNTIE ANNE'S® marketing program. Auntie Anne's, Inc. may require you to distribute free samples of AUNTIE ANNE'S® menu offerings sold at your Co-Branded Location during hours designated by Auntie Anne's, Inc. While sampling may increase costs, it may lead to an increase in sales and transactions. For more information concerning the costs and recommended guidelines associated with the sampling of menu offerings, please review the AUNTIE ANNE'S® franchise disclosure document and Operations Manual.

Add to Note 2. Real Property:

If your Co-Brand Location will be located in a non-traditional location, you must sign a Sublease for the premises with our designated leasing affiliate, unless we allow otherwise. You may be required to pay a security deposit. If your Co-Branded Location will be located within a Walmart store, you must sign a Sub-Sublease Agreement for the premises with SRL. You will not be required to pay a security deposit or an advance payment and placement fee.

Add to Note 5. Insurance:

You may obtain your insurance for the AUNTIE ANNE'S® store from our Gold Standard Insurance Program.

Apart from: (1) providing financing of $10,000 of the full $15,000 franchise fee for certain first time franchisees under our minority loan program; (2) the equipment leasing program; (3) entering into the master lease and subleasing the restaurant premises to you; (4) loans in connection with a Subway® restaurant; (5) financing of the Technology Enhancement Fee for existing restaurants, and (6) SRL entering into a Master Sublease for Co-Branded Location to be located within Walmart stores and sub-subletting the premises within a particular Walmart store to you; we and our affiliates do not offer assistance or financing to you directly or indirectly. The above costs are not refundable except the Equipment Lease security deposit, the location security deposit (depending upon the terms of the master lease), and utility deposits (depending on the terms set by each local utility), as long as you are in compliance;

Item 8
RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

If your Co-Brand Location will be located in a non-traditional location, you must sign a Sublease for the premises with our designated leasing affiliate, unless we allow otherwise. If your Co-branded Location will be located in a Walmart store, a Sublease will be executed between TTTSM and SRL for each Co-branded location and will be specifically incorporated into the Master Sublease. You will enter into a Sub-Sublease Agreement with SRL for the premises. The Sub-Sublease Agreement provides for a pass-through of the costs and obligations of the Master Sublease to you. We and SRL do not receive revenue under your Sub-Sublease Agreement. SRL may assess late payment fees and other costs arising from the administration of the Master Sublease, and has the same rights as TTTSM on default to charge you for certain fees, to carry out repairs, and to recover costs. We estimate the required sub-subleasing represents 4% to 11% of your total purchases for the establishment of your restaurant and 7% to 15% of your overall purchases in operating your restaurant.

Item 10
FINANCING

If your Co-Branded Location will be located within a Walmart store, SRL will enter into a Master Sublease Agreement, including a Sublease for each leased premises with TTTSM and it will further sub-sublease the premises to you. The landlord is Walmart Stores, Inc., Walmart Stores East, LP, Walmart Louisiana, LLC and Walmart Texas, LLC as discussed in Item 5. You will pay rent for the Subway® restaurants and AUNTIE ANNE'S® stores separately in accordance with the Master Sublease Agreement. Your rent will be a percentage of your monthly gross sales for your Subway® restaurant and your AUNTIE ANNE'S® store. DAL and SRL have an interest in compensation that often may include, but is not limited to, lost royalties, loss of market penetration, extended down time and other factors associated with the termination of the Master Sublease, or the Sublease pertaining to an individual restaurant premises. TTTSM may require a right of first refusal if you want to transfer your Co-Branded Location. You should read the Master Sublease, including the Sublease, and the Sub-Sublease Agreement carefully. You and SRL waive trial by jury (Sub-Sublease Paragraph 5). The individuals who sign the Franchise Agreement must also sign the Sub-Sublease Agreement and are personally liable for payments under the Sub-Sublease Agreement. If you default under the provisions of the Master Sublease, SRL may terminate the Sub-Sublease Agreement on 10 days' written notice, and you must surrender and leave the premises. See Sub-Sublease Agreement Paragraph 5. A default of the Sub-Sublease Agreement is a default of the Franchise Agreement and we may terminate your Franchise Agreement. A default under your Franchise Agreement will be a default under your Sub-Sublease Agreement. See Sub-Sublease Agreement Paragraph 5. SRL may evict you if you do not leave. Any action to enforce SRL's rights against you under the Sub-Sublease Agreement is not considered an arbitrable dispute under the Franchise Agreement, and is not subject to the arbitration required under the Franchise Agreement. You will remain liable for payment of the balance of the rent due under the Master Sublease, and you will pay SRL's costs and legal fees if litigation occurs and you lose. See Sub-Sublease Agreement Paragraph 5. SRL may charge you interest on all past due amounts at the rate provided in the Master Sublease.

Item 11
FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

Add to Pre-Opening Obligations:

The leasing and extension procedures may vary or may not apply under our programs for purchase of a specific location under the AUNTIE ANNE'S® Rider or Franchise Agreement Rider.

Add to Pre-Opening Obligations:

If your Co-Branded Location will be located within a Walmart store, you will confirm its location by signing an Intent to Sub-Sublease, if you have not previously signed one for the location. You must enter into a Sub-Sublease Agreement with SRL for the premises within 1 year after signing the Franchise Agreement or your Franchise Agreement will automatically terminate unless you request an extension in writing, pay an extension fee, and then sign a replacement Franchise Agreement. The term of the Sub-Sublease Agreement will equal the full term of the Master Sublease (including renewal options, if any) minus one day. You will pay rent for your Co-Branded Location to TTTSM in accordance with the Master Sublease Agreement. SRL may terminate your Sub-Sublease Agreement if you breach the Master Sublease or materially

breach the Franchise Agreement. See Item 5 and Item 10. If TTTSM terminates the Master Sublease or the Sublease for the premises and an arbitrator or court determines you did not breach the Sub-Sublease Agreement, but it was our fault or SRL's fault that TTTSM terminated the Master Sublease or Sublease, then our obligation to you will be limited to the cost of your leasehold improvements less depreciation using a 5 year life under the straight-line method. We will pay you when you reopen the restaurant in a new location. If the arbitrator or court determines you breached the Sub-Sublease Agreement or it was not our fault or SRL's fault that TTTSM terminated the Master Sublease or Sublease, we and SRL will have no obligation to you for such termination.

Add to Advertising Fee:

If your restaurant is co-branded with an AUNTIE ANNE'S® store, you will pay to us weekly a fee equal to 12½% of gross sales for all AUNTIE ANNE'S® product sold. We will deposit 3% of this amount into SFAFT. In the future, we may alter the distribution of these funds.

Item 12
TERRITORY

You will be permitted to relocate your Co-Branded Location to another Walmart or non-traditional location upon our and Auntie Anne's, Inc. written consent. If Auntie Anne's, Inc. does not consent to your request to relocate the Co-Branded Location, Auntie Anne's, Inc. shall grant you the right to terminate your AA franchise agreement in accordance with their termination procedures. We may then allow you to relocate the Restaurant and the Co-Brand Location Rider will have no further force effect. If you signed the Walmart Location Rider in conjunction with the Co-Brand Location Rider and you relocate the restaurant to a location that is not within a Walmart store, the Walmart Location Rider will also have no further force or effect. You will abide by the terms of the Franchise Agreement without any modification by the Walmart Location Rider.

Item 17

Add the following new entry after the last paragraph in Item h:

Add the following at the end of Item m.:

This Rider ("**Rider**") dated _____ (the "**Effective Date**") amends and supplements the Franchise Agreement of the same date including any Riders and any Addenda to the Franchise Agreement (the "**Franchise Agreement**") between Doctor's Associates LLC, a Delaware limited liability company ("**we**" or "**us**" or "**DAL**"), and _____ _____ ("**you**"). The Franchise Agreement as amended by this Rider will be called this "**Agreement**". Capitalized terms used in this Rider that are defined in the Franchise Agreement will have the meanings given to them in the Franchise Agreement.

RECITALS

R.1. We entered into a license agreement with the Naval Exchange Service Command ("**NEXCOM**") dated February 26, 2008 as may be amended (the "**License**"). The parties acknowledge and agree that the License may be further amended during the term of License to include certain modifications requested by NEXCOM through a modification of contract or delivery/task order (the "**Modifications of Contract**"). A copy of the License, including any Modifications of Contract, is attached to this Agreement as Exhibit 1. The License, including any existing Modifications of Contract and future Modifications of Contract, is specifically incorporated into this Agreement.

R.2. The License permits us to develop and operate Subway® restaurants and to sublicense others to develop and operate Subway® restaurants at certain locations owned, managed or otherwise under the control of NEXCOM ("**NEXCOM locations**" or "**Naval Exchange locations**").

R.3. Subject to the terms of the License and this Agreement, by signing this Rider, we will sublicense the development and operation of the Restaurant at an approved Naval Exchange location to you on the following terms and conditions.

R.4. From time to time the parties acknowledge and agree that they may execute amendments to this Agreement to acknowledge and agree to be bound by specific terms of certain Modifications of Contract, and you agree to cooperate with us in good faith to execute any such amendments.

AGREEMENT

Acknowledging and agreeing to each of the Recitals above, which are added to the Recitals of the Franchise Agreement and are herein incorporated by reference in the Franchise Agreement, and notwithstanding any provisions of the Franchise Agreement to the contrary, the parties agree to amend and supplement the Franchise Agreement as follows:

I. You will pay us monthly, on the seventh (7th) day of the month following the end of the sales period, the commission and any other charges due NEXCOM, as set forth in the License, for the Restaurant.

In the event that you fail to make any payment required under the Franchise Agreement or License, we may make such payment on your behalf and you will reimburse us.

You will pay to us weekly, on the day of the week that we specify in writing, a reduced Advertising Contribution as stated in the Key Contract Data page of your Franchise Agreement.

II. During the term of this Agreement, we grant you: A sublicense under the License to develop and operate the Restaurant at a Naval Exchange location, for the term indicated in the License.

You may be dismissed from the training program and this Agreement may be terminated with no refund of your franchise fee if you materially fail to act in accordance with the Code of Business Conduct during the training program. You may be required to pass our standardized test given during the training program, with one retest permitted. If you fail the standardized test, we may dismiss you from the training program, cancel this Agreement and refund one-half (1/2) of your Franchise Fee. If more than one individual signs this Agreement, any one of the individuals who fails the standardized test may be dismissed from the training program and removed from this Agreement with no refund of the Franchise Fee.

(iii.) Because the Restaurant will be located at a Naval Exchange location established under the terms of the License and this Agreement, we do not require a Sublease. All references to the Sublease in this Agreement are deemed deleted. You will be bound by the terms of the License, as amended, between us and NEXCOM which is specifically incorporated into this Agreement. You agree to perform all of our obligations as Licensee and/or Contractor under the License, to develop and operate the Restaurant, at your sole expense. IV. You acknowledge and agree that by virtue of operating the Restaurant at a Naval Exchange location, you will be subject to specific laws, rules and regulations enumerated in the License, including but not limited to the Service Contract Act and wage determinations issued by the United States Department of Labor. You are solely responsible for complying with these specific laws, rules and regulations.

V. You will operate the Restaurant in accordance with the Operations Manual, which contains mandatory and suggested specifications, standards and operating procedures and may be updated as a result of experience or changes in the law or marketplace (the "**Operations Manual**") as well as the License. If any provision of the Operations Manual conflicts with the License, the License will control.

VI. Your insurance policy must meet our requirements and NEXCOM's requirements, including coverage limits and specified additional insureds, as set forth in the Operations Manual and the License. To the extent of any conflict between the insurance requirements set forth in the Operations Manual and the insurance requirements set forth in the License, the requirements in the License will govern. You must also purchase the insurance required by state law. You will require any subcontractor or general contractor you hire in connection with the construction or remodel of the Restaurant to abide by the insurance requirements in the License.

VII. These amounts include Royalty, advertising contributions, interest, late fees, the commission and any other charges due NEXCOM under the License, and other charges you owe.

VIII. You will make prompt payment of all charges you owe to us, our Affiliates, your vendors, and NEXCOM under this Agreement and any other Franchise Agreement you have with us, in addition to Royalty, commission, and advertising contributions, and pay all Sales Tax, other taxes, and debts of the Restaurant and any other Subway® restaurants you operate as they become due.

IX. You must have our prior written approval to relocate. All of your accounts with us or our Affiliates for each Subway® restaurant you operate must be current. You will pay all expenses and liabilities associated with termination or expiration of the License and any relocation expenses as they become due. If you relocate the Restaurant to a location that is not a Naval Exchange location, the NEXCOM Rider will be of no further force and effect, except to the extent the License imposes obligations on you which continue after the termination or expiration of the License. You will abide by and be bound by the terms of this Agreement without any modification by the NEXCOM Rider. You must give consideration to the accessibility requirements of the Americans with Disabilities Act ("**ADA**") when you relocate. X. If we give you ten (10) days' written notice, we may, at our option and without prejudice to any of our other rights or remedies provided under this Agreement, terminate this Agreement if: (i) you abandon the Restaurant; (ii) you fail to pay any money you owe us, our Affiliates, or NEXCOM under this Agreement, the License or any other Franchise Agreement, or any amounts we may become liable to pay because of your action or omission; (iii) you are evicted from the Restaurant location for non-payment of rent or related charges; (iv) you fail to obtain from us or the BDA approval to open the Restaurant or to re-open the Restaurant after a relocation; (v) you use the Restaurant or the Restaurant location for any unauthorized use that we believe is injurious or prejudicial to the System, the Marks or goodwill; or (vi) you fail to properly report gross sales as required under the Franchise Agreement. The notice will specify the default and provide you ten (10) days to remedy the default from the date of delivery of the notice.

XI. If we give you ninety (90) days' written notice, we may, at our option and without prejudice to any of our other rights or remedies provided under this Agreement, terminate this Agreement if: (i) you do not substantially perform all of the terms and conditions of this Agreement not otherwise covered in Section X above; (ii) you lose possession of the premises where the Restaurant is located; (iii) you, or the operating entity to which you assigned the rights to operate the Restaurant under this Franchise Agreement, become(s) insolvent, make(s) an assignment for the benefit of creditors or seek(s) bankruptcy relief either through reorganization or liquidation, in any court, legal or equitable; (iv) you lose any permit or license you need to operate the Restaurant; (v) you fail to comply with your duties under this Agreement or the Operations Manual; or (vi) you default in the performance of any of the terms of the License. The notice will specify the default and provide you sixty (60) days to remedy the default from the date of delivery of the notice. If you cure the default within sixty (60) days, the notice will be void.

XII. You are, and will at all times be identified as, an independent contractor or Sublicensee as described in the terms of the License. You are not our agent, partner, or employee. This Agreement does not create a partnership, joint venture, agency, or fiduciary relationship. Furthermore, we are not responsible, jointly or severally, for any encumbrances undertaken by you in relation to the franchise business.

XIII. The Exhibit attached hereto as Exhibit 1 is added and attached to the Franchise Agreement.

XIV. The Franchise Agreement, as amended and supplemented by this Rider, contains the entire understanding of the parties and may not be further amended except in writing. The Franchise Agreement, as amended and supplemented by this Rider, is ratified and affirmed. To the extent the terms of this Rider and the Franchise Agreement conflict, the terms of this Rider shall control.

XV. You acknowledge and agree you read and understand this Rider, the License (including an Modifications of Contract or other attachments), and the Franchise Agreement, and consent to be bound by all the terms and conditions of the License and the Franchise Agreement as amended and supplemented by this Rider.

IN WITNESS WHEREOF, the parties have executed this Rider, as of the Effective Date.

This Addendum amends and supplements the "Franchise Disclosure Document for Prospective Franchisees as Required by the Federal Trade Commission" dated and coded DAL April 30, 2026, as amended June 16, 2026, and as amended October 29, 2026 (the "Disclosure Document") issued by Doctor's Associates LLC ("DAL", "we", or "us"). This NEXCOM Addendum must be given to you together with the Disclosure Document, the form of Franchise Agreement and the NEXCOM Rider.

Item 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

In some circumstances, we may allow you to establish a satellite location in a non-traditional location, including a military base location, and you must also sign the Franchise Agreement Rider or the NEXCOM Rider, as applicable. Please note that the Franchise Agreement Rider or NEXCOM Rider will amend and supplement the Franchise Agreement including any provisions modified by the Satellite Rider.

Military Base Locations:

On February 26, 2008, we entered into a license agreement assigned number #N00250-08-D-0013 (the "License Agreement") with the Navy Exchange Service Command ("NEXCOM") to establish and sublicense others to establish Subway® restaurants at certain locations owned, managed or under the control of NEXCOM ("Naval Exchange locations" or "NEXCOM locations"). Under the terms of the License Agreement, we will enter into a sublicense with you for the right to establish a Subway® restaurant at a Naval Exchange location. The sublicense will be in the form of the NEXCOM Rider to the Franchise Agreement, which amends the standard form of Franchise Agreement. The License Agreement as amended by any modifications of contract, delivery orders or task orders (collectively the "Modifications of Contract"), is attached to the NEXCOM Rider and is specifically incorporated into the Franchise Agreement. The NEXCOM Rider provides a pass-through of the costs and obligations of the License Agreement to you, including any Modifications of Contract. In some circumstances, we may allow you to contract directly with NEXCOM. In the future, we may change the form of sublicense, and you will be required to enter into our current form of sublicense as of the date you sign the sublicense.

The License Agreement has been and will continue to be amended through additional Modifications of Contract and you are required to abide by any such modifications to the License Agreement applicable to your restaurant as they are issued throughout the term of the Franchise Agreement.

You should review the License Agreement, including any Modifications of Contract together with the Franchise Agreement and NEXCOM Rider carefully, and you may want to review these documents with a lawyer. NEXCOM reserves the right to terminate the License Agreement or any Modification of Contract granting the right to operate a restaurant at a specific Naval Exchange location at any time. If NEXCOM terminates the License Agreement, or the license for your location, you may lose your investment in the location. You must also comply with additional standards and obligations prescribed by the License Agreement.

If you establish your restaurant at a NEXCOM location under the License Agreement, you may be required under the License Agreement to offer certain snack menu items, such as pizza or hot dogs. Review any Modifications of Contract specific to your location to determine whether any such requirement applies to you. You are responsible for any costs associated with offering the additional menu item(s).

You must know and comply with all laws, regulations, rules and policies that apply to the operation of the restaurant at a NEXCOM location under the License Agreement, including, but not limited to: all applicable United States Executive Orders, particularly those concerning workers and wages; the Service Contract Act and wage orders issued by the United States Department of Labor; recycling and environmental laws; privacy rules and regulations; the United States Department of Defense rules and regulations; all laws, rules and regulations pertaining to Combating Trafficking in Persons and segregated facilities; smoking and gambling policies; identification verification policies; customer complaint resolution policies; customer purchase receipt rules and policies; business record requirements (including audited financial statements); as well as certain rules, requirements and policies with respect to your employees (pertaining to health evaluations, sanitation training, etc.). You may be required to provide a right of first refusal to qualified employees of the previous contractor of the location for any positions in your restaurant. It is your responsibility to research these matters and ensure compliance with them in the operation of your restaurant.

Item 5
INITIAL FEES

Extension Fee:

The above description of the extension fee also does not apply to a NEXCOM location established under the License Agreement. After you sign the Franchise Agreement, you must open your restaurant within the time prescribed under the License Agreement or we may terminate the Franchise Agreement, with no right to any extensions.

You will not sign a sublease for your restaurant located at a Naval Exchange location. Your right to occupy the restaurant premises is provided under the License Agreement and the sublicense we grant to you under the Franchise Agreement. You are responsible for paying the monthly commission fee specified in the License Agreement. The monthly commission fee is a percentage of the sales from the restaurant, and will vary from month to month. It may also increase upon renewal of the license for the restaurant location. You will pay us the commission fee as well as any other charges you owe to NEXCOM through your preauthorized account, and then we will send these amounts to NEXCOM. NEXCOM may assess late payment fees. In some cases, however, you will pay NEXCOM directly.

Add to Note 6:

Note 6. *Commission Fee and Other Fees for NEXCOM locations*. We will collect the monthly commission fee due NEXCOM through your pre-authorized account. This fee may increase upon renewal or extension of the license for the location. NEXCOM may also alter the amount of the commission fee during the term of the license for the location at its discretion, due to changes in restaurant operating hours, and the size and/or type of location, but in no event will the commission fees exceed those stated in the chart above.

You may be required to upgrade or renovate the restaurant premises as a condition of the renewal or extension of the license for the location, and you will be responsible for any such costs you incur.

However, you are responsible for telephone and data/communications charges. CAM expenses for other locations, if applicable, are approximately 1% of the gross sales for the restaurant; however, CAM expenses may be more or less than 1% of gross sales as determined by NEXCOM.

Add to Note 7. *Insurance*:

You may be required under the License Agreement to submit your insurance policy to NEXCOM for approval prior to opening the restaurant.

Disputes arising from or in connection with the License Agreement with NEXCOM must be resolved in accordance with the dispute resolution procedures outlined in the License Agreement, consistent with the requirements of the Contract Disputes Act.

Add a new Note 22:

Note 22. *Customer Programs: Promotions, Receipts and Claims*. You may be required under the License Agreement to participate in special promotions or programs offered by NEXCOM which may involve the issuance of coupons or other vouchers. You may be required to share in the cost of these promotions or programs with NEXCOM. You must provide customers with a receipt. If you do not, NEXCOM may require you to offer the customer a free item or meal at your expense. You must also comply with NEXCOM's customer complaint resolution policies, including issuing refunds to customers for customer dissatisfaction with an item or service, and for any overcharges to customers. If you fail to promptly make any refund of overcharges to a customer, NEXCOM may make the refund to the customer on your behalf and charge you the amount of the refund.

Item 7
INITIAL INVESTMENT

If you establish your restaurant at a NEXCOM location under the License Agreement, your capital requirements may vary from those stated in the chart above. You will have to abide by certain rules, regulations and policies applicable to operating from a military base location which may increase your initial investment costs, including but not limited to, obtaining security clearances and health screenings for you and your employees. You will be required to construct, equip and open the restaurant to the specifications contained in the License Agreement in addition to the Operations Manual, which may cause you to incur additional costs. The specifications included in the License Agreement, such as the requirement to purchase all construction materials in accordance with the Buy American Act may cause costs for materials, construction, and personnel to be higher. You may also be limited to using contractors, licensed plumbers, etc. specified by NEXCOM or a related government entity in connection with certain repairs, upgrades and renovations for your restaurant which may increase your costs. We may offer to provide financing of the franchise fee and certain leasehold improvements to franchisees who purchase a franchise for a NEXCOM location. We may also guarantee third party equipment leases and loans for these locations only.

Add to Note 2. *Real Property*:

You will not sign a sublease for your restaurant located at a Naval Exchange Location. Your right to occupy the restaurant premises is provided under the License Agreement and the sublicense we grant to you under the NEXCOM Rider. You are responsible for paying the monthly commission fee specified in the License Agreement. The monthly commission fee is a percentage of the gross sales from the restaurant, and will vary from month to month. It may also increase upon renewal of the license for the restaurant location. You will pay us the commission fee as well as any other charges you owe to NEXCOM through your preauthorized account, and then we will send these amounts to NEXCOM. NEXCOM may assess late payment fees.

Add to Note 3. *Leasehold Improvements*:

NEXCOM may require you to upgrade the décor of your restaurant and/or renovate the location as a condition of the grant of the license or license renewal or extension for the location. These costs could be substantial.

Add to Note 5. *Insurance* with the following:

You must also purchase the insurance coverage specified in the License Agreement and any additional insurance otherwise required by state law.

Add to in Note 5. *Insurance*:

In addition, your policy must name all additional insureds required under the License Agreement, including all NEXCOM, Navy Exchange Service Centers, Navy Exchanges, Navy Lodges Program or any other government entity or related instrumentality specified in the License Agreement.

Item 8
RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Pursuant to the License Agreement, all food service equipment for NEXCOM locations must be approved by the National Sanitation Foundation (NSF) and Underwriter Laboratories (UL). You must only use domestic construction material as defined in the Buy America Act to construct or renovate and equip the premises in which the restaurant will be located. This requirement may limit some of your choices in approved decor and construction materials required to build-out the location as a Subway® restaurant. You may also be limited to using contractors, licensed plumbers, etc. specified by NEXCOM or a related government entity in connection with certain repairs, upgrades and renovations for your restaurant. You may be required to obtain NEXCOM's approval on various products or sources of various products you use or sell in the restaurant. You may not represent that products sold from your restaurant are approved or endorsed by any element of the United States government.

If your restaurant will be located at a NEXCOM location under the License Agreement, you will not sign a Sublease. Instead, and you will sign the Franchise Agreement and NEXCOM Rider with us which grants you a sublicense under the License Agreement to operate the restaurant from a location designated under the License Agreement. Under the Franchise Agreement, as amended by the NEXCOM Rider, the costs and obligations of the License Agreement are passed through to you. We will collect the commission fee through your pre-authorized account and send it to NEXCOM. You will bear the cost of sales and use tax, gross receipt taxes, registration fees, and similar amounts applicable to the License Agreement. NEXCOM may terminate the License Agreement, or terminate the right to operate from a location identified in the License Agreement at any time. Your compensation for termination is limited to the remaining unamortized value of improvements for the balance of the term.

NEXCOM may also need to approve your insurance source to ensure that the coverage meets the requirements specified in the License Agreement.

Add to Note 4. with the following:

If your restaurant will be located at a Naval Exchange location, you will enter into a sublicense with us for the right to establish a Subway® restaurant from the location. The sublicense will be in the form of the NEXCOM Rider to the Franchise Agreement, which amends the standard form of Franchise Agreement. The License Agreement as amended by any modifications of contract, delivery orders or task orders (collectively the "Modifications of Contract"), is attached to the NEXCOM Rider and is specifically incorporated into the Franchise Agreement. The License Agreement has been and will continue to be amended through additional Modifications of Contract and you are required to abide by any such modifications to the License Agreement applicable to your restaurant as they are issued throughout the term of the Franchise Agreement. You should carefully review the License Agreement and you may want to do so with a lawyer or other professional advisor.

The NEXCOM Rider provides a pass-through of the costs and obligations of the License Agreement to you, including any Modifications of Contract. You will pay a commission fee equal to a percentage of your sales from the restaurant to NEXCOM on a monthly basis. We will collect the commission fee from you through your pre-authorized account, and forward it to NEXCOM. We do not impose additional fees for collecting the payments due NEXCOM in this manner. You will bear the cost of sales and use tax, gross receipt taxes, registration fees, and similar amounts applicable to the License Agreement. The commission fee may increase upon extension or renewal of the license for the location.

You may terminate the license for the location upon 90 days written notice if operation of the restaurant from the location becomes commercially impracticable. In such an event, you will not be entitled to any compensation for the unamortized value of improvements.

Upon termination of expiration of a license for a location under the License Agreement, all accounts must be settled with NEXCOM within 15 days. All disputes under the License Agreement are subject to the Contracts Disputes Act of 1978 and must be resolved in accordance with the procedures specified in the Act and License Agreement. NEXCOM reserves the right to terminate the license or any individual Naval Exchange location included in the License Agreement at any time. If NEXCOM terminates the license for your location, you may lose your investment in the location. Your compensation from NEXCOM for termination is limited to the remaining unamortized value of improvements for the balance of the term. If you default under the provisions of the License Agreement, including the failure to pay monies owed to NEXCOM under the License Agreement, we may terminate your Franchise Agreement.

Item 11
FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

The leasing or extension procedures vary or may not apply under our programs for purchase of a specific location or a non-traditional location under the Satellite Rider, Franchise Agreement Rider, School Lunch Rider, Specific Location Rider, Short Term Satellite Rider, or the NEXCOM Rider. Under the NEXCOM Rider, you must open the restaurant within the time provided in the License Agreement. We will not grant you any extensions.

All advertising you develop will be subject to the *Governance Manual* and must be approved by us, the ARB and/or MRC prior to distribution as provided in the Operations Manual. You may be required to obtain approval from NEXCOM as well, for any advertising material you develop. In any advertising materials that refer to NEXCOM, you must include a statement that the advertising material was neither paid for nor sponsored, in whole or in part, by NEXCOM.

Computer and Cash Register Systems:

You may be required under the License Agreement to receive approval from NEXCOM for any POS system hardware and software you use in the restaurant.

Item 12
TERRITORY

If you have signed a NEXCOM Rider, provided you did not breach your Franchise Agreement or the License Agreement, you may relocate the restaurant to another site if the license for the location expires or terminates. You are responsible for paying all costs of the relocation and for the construction and opening of the new location. In addition, if you are relocating to a non-Naval Exchange site, the NEXCOM Rider will be of no further force and effect except the obligations of the License Agreement which continue after the termination or expiration of the license for the location.

We issue franchises for cities or towns, except satellite, certain non-traditional, school lunch program, community development program, location selection program and NEXCOM location franchises are issued for specific identified locations.

You may also be required to obtain approval from NEXCOM for any such advertising materials.

If you establish the restaurant at a NEXCOM location, you assume the risks associated with base re-alignments and/or closures which may reduce the number of available customers and decrease sales.

Item 14
PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

You must operate your restaurant in accordance with the Operations Manual and the License Agreement as they are revised.

Item 15
OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

If you have signed a NEXCOM Rider, you may be required under the License Agreement to have someone on duty at all times in the restaurant, who has been certified through a food protection manager certification examination process.

If you have signed a NEXCOM Rider, you must keep your restaurant open within the hours specified in the License Agreement, subject to local regulations, unless we and NEXCOM approve otherwise in writing.

Item 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

If you establish your restaurant at a NEXCOM location under the License Agreement, you may be required under the License Agreement to offer certain snack menu items, such as pizza or hot dogs. Review any Modifications of Contract specific to your location to determine whether any such requirement applies to you. You are responsible for any costs associated with offering the additional menu item(s).

If you establish your restaurant at a NEXCOM location under the License Agreement, you will be limited to selling to customers who have access to NEXCOM's facilities, and you are required under the License Agreement to sell items in your restaurant at a prices equal to or lower than Subway® restaurants in your local SFAFT market or within a 3 mile radius, whichever is greater.

Item 17
RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION

The NEXCOM Rider ("NR") (Exhibit A-6).

Item a, Length of the franchise term:

NR Para IV. The term is 20 years, but you must open the restaurant for business within the time provided in the License Agreement or the franchise terminates.

There are additional risks involved because the license for the location under the License Agreement is generally for a short term of 5 years, but it could be as short as 1 year or less. Your Franchise Agreement could be valueless and you could lose your investment if NEXCOM terminates the license for the location early, or does not extend the term of the license for the location at the end term. NEXCOM MAY TERMINATE THE LICENSE AGREEMENT IN WHOLE OR IN PART, AT ANY TIME, WHEN IT IS CONSIDERED TO BE IN THE BEST INTEREST OF THE GOVERNMENT.

Item c, Requirements for franchisee to renew or extend:

LIC Para A.6, Contract Mod M012 C.2.b.	Under the License Agreement, the license term for each location generally may be extended or renewed for up to three additional periods of 5 years each. Extension or renewal terms may vary depending on the type and size of the location. Extensions or renewals may be conditioned upon your agreement to perform facility upgrades or renovations. Renovation plans must be submitted to the Contracting Officer at least 90 days prior to the expiration date of the license and must include an estimate of your projected costs, and completion date.

Item g, "Cause" defined- curable defaults:

NR Para IX, X, XIII	You have 10 days to cure: failure to pay amounts owed to NEXCOM; A default under the License Agreement will be a default under the Franchise Agreement and you have 60 days to cure any such default.

AAFES ADDENDUM TO THE DAL DISCLOSURE DOCUMENT

This AAFES Addendum amends and supplements the "Franchise Disclosure Document for Prospective Franchisees as Required by the Federal Trade Commission" dated April 30, 2026, as amended June 16, 2026, and as amended October 29, 2026 (the "Disclosure Document") issued by Doctor's Associates LLC ("DAL", "we", or "us"). This AAFES Addendum must be given to you together with the Disclosure Document, the form of Franchise Agreement and the AAFES Rider.

Item 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

In some circumstances, we may allow you to establish a satellite location in a non-traditional location, including a military base location, and you must also sign the Franchise Agreement Rider or the AAFES Rider, as applicable. Please note that the Franchise Agreement Rider or AAFES Rider will amend and supplement the Franchise Agreement including any provisions modified by the Satellite Rider.

Military Base Locations:

We have entered into contracts (the "Contract(s)") with the United States of America Army and Air Force Exchange Service ("AAFES") to establish Subway® restaurants at certain AAFES military facilities. Each Contract grants us the right to subcontract to you the right to operate a Subway® restaurant from a specific location identified in the Contract. The subcontract we and you will sign is in the form of the AAFES Rider to the Franchise Agreement which amends the standard form of Franchise Agreement. The Contract for your specific location, as amended by any modifications of contract, delivery orders or task orders (collectively the "Modifications of Contract"), is attached to the AAFES Rider and is specifically incorporated into the Franchise Agreement. The AAFES Rider provides a pass-through of the costs and obligations of the Contract, including any Modifications of Contract, to you. In some circumstances, we may allow you to contract directly with AAFES.

Each Contract may be amended through additional Modifications of Contract throughout the term of the Franchise Agreement, and you are required to abide by any such modifications to the Contract for your specific location as they are issued throughout the term of the Franchise Agreement.

You should read the Contract including any Modifications of Contract together with the Franchise Agreement and AAFES Rider carefully, and you may want to review these documents with a lawyer. AAFES reserves the right to terminate a Contract at any time. If AAFES terminates the Contract for your location, you may lose your investment in the location. You must also comply with additional standards and obligations prescribed by the Contract.

If you establish your restaurant at an AAFES location, you may be required under the Contract to offer certain snack menu items, such as pizza or hot dogs. Review the Contract, including any Modifications of Contract specific to your location to determine whether any such requirement applies to you. You are responsible for any costs associated with offering the additional menu item(s).

You must know and comply with all laws, regulations, rules and policies that apply to the operation of the restaurant at an AAFES location, including, but not limited to, all applicable United States Executive Orders, particularly those concerning workers and wages; the Service Contract Act and wage orders issued by the United States Department of Labor; recycling and environmental laws; privacy rules and regulations; the United States Department of Defense rules and regulations; all laws, rules and regulations pertaining to Combating Trafficking in Persons and segregated facilities; smoking and gambling policies; identification verification policies; guest complaint resolution policies;

guest purchase receipt rules and policies; business record requirements (including audited financial statements); as well as certain rules, requirements and policies with respect to your employees (pertaining to health evaluations, sanitation training, etc.). You may be required to provide a right of first refusal for any jobs in your restaurant to qualified employees of the previous contractor of the location. It is your responsibility to research these matters and ensure compliance with them in the operation of your restaurant.

Item 5
INITIAL FEES

The description of the extension fee also does not apply to an AAFES location established under the Contract. After you sign the Franchise Agreement, you must open your restaurant within the time prescribed under the Contract or we may terminate the Franchise Agreement, with no right to any extensions.

If you establish your restaurant at a location designated by AAFES under the Contract and sign the AAFES Rider, you will not sign a sublease. You will pay AAFES a deposit upon award of the Contract or the award of a follow-on Contract. The amount of the deposit will vary depending on, among other things, the size and location of the restaurant, but it is typically calculated by multiplying AAFES' estimated monthly sales for the location times the monthly fee percentage and then, if applicable, dividing that amount by 2. The deposit may be refunded to you upon the termination or expiration of the Contract, less any amounts owed to AAFES. When you commence construction of the restaurant or renovate the restaurant, you may be required to post a bond equal to 100% of the construction costs. You will also pay AAFES a monthly fee equal to a percentage of gross sales of the restaurant, as well as other charges. The monthly fee may increase upon renewal or extension of the Contract or upon the award of a follow-on Contract. AAFES may assess late payment fees.

Item 7
ESTIMATED INITIAL INVESTMENT

If you establish your restaurant at the location designated by AAFES under the Contract, your capital requirements may vary from those stated in the chart above. You will have to abide by certain rules, regulations and policies applicable to operating from a military base location which may increase your initial investment costs, including but not limited to, obtaining security clearances and health screenings for you and your employees. You will be required to construct, equip and open the restaurant to the specifications contained in the Contract in addition to the Operations Manual, which may cause you to incur additional costs. We may offer to provide financing of the franchise fee and certain leasehold improvements to franchisees who purchase a franchise for an AAFES location. We may also guarantee third party equipment leases and loans for these locations only.

Note 2. *Real Property*:

If your restaurant will be established at the location designated by AAFES under the Contract, you will not sign a sublease. You will pay AAFES a deposit upon award of the Contract or the award of a follow-on Contract. The amount of the deposit will vary depending on, among other things, the size and location of the restaurant, but it is typically calculated by multiplying AAFES' estimated monthly sales for the location times the monthly fee percentage and then, if applicable, dividing that amount by 2. The deposit may be refunded to you upon the termination or expiration of the Contract, less any amounts owed to AAFES. When you commence construction of the restaurant or renovate the restaurant, you may be required to post a bond equal to 100% of the construction costs. You will also pay AAFES monthly fee equal to a percentage of gross sales of the restaurant, as well as other charges. The monthly fee may increase upon renewal or extension of the Contract or upon the award of a follow-on Contract. AAFES may assess late payment fees.

Note 3. *Leasehold Improvements*:

AAFES may require you to upgrade the décor of your restaurant and/or renovate the location as a condition of the grant of the renewal or extension of the Contract for the location. You may have to post a bond equal to 100% of the construction costs. These costs could be substantial.

Note 5. *Insurance*

You must also purchase the insurance coverage specified in the Contract and any additional insurance otherwise required by state law.

in Note 5. *Insurance*:

In addition, your policy must name all additional insureds required under the Contract, including all Army and Air Force Exchange System components which in turn include, but are not limited to, AAFES, the United States and any other government entity or related instrumentality specified in the Contract.

Item 8
RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

If you establish your restaurant at an AAFES location, there may be additional purchase restrictions on food, equipment, beverages and other products or services you will use in the restaurant. You may be required to obtain AAFES' approval on various products or sources of various products. You may not purchase or acquire any merchandise, equipment, supplies, or service originating in, processed in, or transported from or through, any country prohibited from commerce with the United States. Instead, and you will sign the Franchise Agreement and AAFES Rider with us which grants you a subcontract under a Contract between us and AAFES to operate the restaurant from a location designated in the Contract. Under the Franchise Agreement, as amended by the AAFES Rider, the costs and obligations of the Contract are passed through to you. You will pay AAFES a deposit upon award of the Contract or the award of a follow-on Contract. The amount of the deposit will vary depending on, among other things, the size and location of the restaurant, but it is typically calculated by multiplying AAFES' estimated monthly sales for the location times the monthly fee percentage and then, if applicable, dividing that amount by 2. The deposit may be refunded to you upon the termination or expiration of the Contract, less any amounts owed to AAFES. When you commence construction of the restaurant or renovate the restaurant, you may be required to post a bond equal to 100% of the construction costs. You will also pay AAFES monthly fee equal to a percentage of gross sales of the restaurant, as well as other charges. The monthly fee may increase upon renewal or extension of the Contract or upon the award of a follow-on Contract. AAFES may assess late payment fees. You will bear the cost of sales and use tax, gross receipt taxes, registration fees, and similar amounts applicable to the Contract. AAFES may terminate the Contract at any time. Contract for AAFES Location (Us) Note 2	Us	Varies- See Fee Deposit in Item 6	Varies	10 years	N/A	Varies, typically 8-11%	N/A	*See Down Payment	*Default under FA *Costs and legal fees	Lose right to enforce FA

Note 4. If your restaurant will be located at an AAFES location, you will not sign a sublease. Instead, we will enter into a Contract with AAFES, and you will enter into a subcontract with us for the right to establish a Subway® restaurant from the location. The subcontract will be in the form of the AAFES Rider to the Franchise Agreement, which amends the standard form of Franchise Agreement. The Contract between us and AAFES, as amended by any modifications of contract, delivery orders or task orders (collectively the "Modifications of Contract"), is attached to the AAFES Rider and is specifically incorporated into the Franchise Agreement. The Contract may be amended through additional Modifications of Contract throughout the term of the Franchise Agreement, and you are required to abide by any such modifications to the Contract as they are issued throughout the term of the Franchise Agreement. You should carefully review the Contract, including any Modifications of Contract, and you may want to do so with a lawyer or other professional advisor.

Under the Franchise Agreement, as amended by the AAFES Rider, the costs and obligations of the Contract are passed through to you. You will pay AAFES a deposit upon award of the Contract or the award of a follow-on Contract. The amount of the deposit will vary depending on, among other things, the size and location of the restaurant, but it is typically calculated by multiplying AAFES' estimated monthly sales for the location times the monthly fee percentage and then, if applicable, dividing that amount by 2. The deposit may be refunded to you upon the termination or expiration of the Contract, less any amounts owed to AAFES. When you commence construction of the restaurant or renovate the restaurant, you may be required to post a bond equal to 100% of the construction costs. You will also pay AAFES monthly fee equal to a percentage of gross sales of the restaurant, as well as other charges. The monthly fee may increase upon renewal or extension of the Contract or upon the award of a follow-on Contract. AAFES may assess late payment fees. You will bear the cost of sales and use tax, gross receipt taxes, registration fees, and similar amounts applicable to the Contract. Our grant of a subcontract to you does not relieve us from our obligations under the Contract.

Either party may terminate the Contract for the location upon 90 days written notice.

If you default under the provisions of the Contract, including the failure to pay monies owed to AAFES under the Contract, we may terminate your Franchise Agreement. AAFES may terminate the Contract at any time. Your compensation for termination is limited to the remaining unamortized value of improvements for the balance of the term. Upon termination of expiration of the Contract, all accounts must be settled promptly with AAFES. All disputes under the Contract are subject to the Contracts Disputes Act of 1978 and must be resolved in accordance with the procedures specified in the Act and the Contract.

Item 11
FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

The leasing or extension procedures vary or may not apply under our programs for purchase of a specific location or a non-traditional location under the Satellite Rider, Franchise Agreement Riders, School Lunch Rider, Specific Location Rider, Short Term Satellite Rider, or the AAFES Rider. Under the AAFES Rider, you must open the restaurant within the time provided in the Contract. We will not grant you any extensions.

You may be required to obtain approval from AAFES as well, for any advertising material you develop. In any advertising materials that refer to AAFES, you must include a statement that the advertising material was neither paid for nor sponsored, in whole or in part, by AAFES.

Computer and Cash Register Systems:

You may be required under the Contract to receive approval from AAFES for any POS system hardware and software you use in the restaurant.

Item 12
TERRITORY

If you establish your restaurant at an AAFES location, you may relocate the restaurant to another site, provided you are not in default of the Franchise Agreement or the terms of the Contract, if the Contract with AAFES terminates or expires. You are responsible for paying all costs of the relocation and for the construction and opening of the new location. In addition, if you are relocating to a site that is not covered under the Contract, the AAFES Rider will be of no further force and effect except the obligations of the Contract which continue after the termination or expiration of the subcontract for the location.

We issue franchises for cities or towns, and not for specific locations, except satellite, certain non-traditional, location selection program and AAFES location franchises are issued for specific identified locations.

You may also be required to obtain approval from AAFES for any such advertising materials.

If you establish the restaurant at an AAFES location, you assume the risks associated with base re-alignments and/or closures which may reduce the number of available guests and decrease sales.

Item 14
PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

You must operate your restaurant in accordance with the Operations Manual and the Contract as they are revised.

Item 15
OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

If you establish the restaurant at an AAFES location, you may be required to have a manager on duty at the restaurant during all hours of operation who has received food protection manager certification.

You must keep your restaurant open within the hours specified in the Contract, subject to local regulations, unless we approve different hours in writing.

Item 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

If you establish your restaurant at an AAFES location, you may be required under the Contract to offer certain snack menu items, such as pizza or hot dogs. Review the Contract and any Modifications of Contract specific to your location to determine whether any such requirement applies to you. You are responsible for any costs associated with offering the additional menu item(s).

Under the Contract, you will be limited to selling to individuals who have access to AAFES' facilities. Under the Contract, you may be required to obtain approval from AAFES to offer and sell certain products or to make changes to menu offerings. You may also be required to sell items at the same or lower price than the prices of the same items at the Subway® restaurant closest to your restaurant.

Item 17
RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION

or the AAFES Rider ("AR") (Exhibit A-7).

Item a, *Length of the Franchise Term*:

AR Para. III.	The term is 20 years, but you must open the restaurant for business within the time provided in the Contract. There are additional risks involved because the Contract is generally for a short term of 10 years, but it could be as short as 1 year or less if the Contract has only been extended or renewed for a limited time. AAFES may also terminate the Contract at any time upon written notice. Your Franchise Agreement could be valueless and you could lose your investment if AAFES does not extend or renew the term of the Contract grant you a follow-on Contract for the location.

Item g. "Cause" defined- defaults which can be cured:

AR Paras. XI, XII,	You have 10 days to cure: failure to pay amounts owed to AAFES for all amounts you owe under the Franchise Agreement or Contract. A default under the Contract will be a default under the Franchise Agreement and you have 60 days to cure any such default.

This MCCS Addendum must be given to you together with the Disclosure Document, the form of Franchise Agreement and the MCCS Rider.

Item 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

In some circumstances, we may allow you to establish a satellite location in a non-traditional location, including a military base location, and you must also sign the Franchise Agreement Rider or the MCCS Rider, as applicable. Please note that the Franchise Agreement Rider or MCCS Rider will amend and supplement the Franchise Agreement including any provisions modified by the Satellite Rider.

Military Base Locations:

On November 9, 2020, we entered into a license agreement assigned number H0120-H-0004 (the "License Agreement") with the Marine Corps Community Services ("MCCS") to establish and sublicense others to establish Subway® restaurants at certain locations owned, managed or under the control of MCCS ("MCCS locations"). Under the terms of the License Agreement, we will enter into a sublicense with you for the right to establish a Subway® restaurant at a MCCS location. The sublicense will be in the form of the MCCS Rider to the Franchise Agreement, which amends the standard form of Franchise Agreement. The License Agreement as amended by any modifications of contract, delivery orders or task orders (collectively the "Modifications of Contract"), is attached to the MCCS Rider and is specifically incorporated into the Franchise Agreement. The MCCS Rider provides a pass-through of the costs and obligations of the License Agreement to you, including any Modifications of Contract. In some circumstances, we may allow you to contract directly with MCCS. In the future, we may change the form of sublicense, and you will be required to enter into our current form of sublicense as of the date you sign the sublicense.

The License Agreement has been and will continue to be amended through additional Modifications of Contract and you are required to abide by any such modifications to the License Agreement applicable to your restaurant as they are issued throughout the term of the Franchise Agreement.

You should review the License Agreement, including any Modifications of Contract together with the Franchise Agreement and MCCS Rider carefully, and you may want to review these documents with a lawyer. MCCS reserves the right to terminate the License Agreement or any Modification of Contract granting the right to operate a restaurant at a specific MCCS location at any time. If you establish your restaurant at a MCCS location under the License Agreement, you may be required under the License Agreement to offer certain snack menu items, such as pizza or hot dogs. Review any Modifications of Contract specific to your location to determine whether any such requirement applies to you. You are responsible for any costs associated with offering the additional menu item(s).

You must know and comply with all laws, regulations, rules and policies that apply to the operation of the restaurant at a MCCS location under the License Agreement, including, but not limited to: all applicable United States Executive

It is your responsibility to research these matters and ensure compliance with them in the operation of your restaurant.

Item 5

You will be required to construct, equip and open the restaurant to the specifications contained in the License Agreement in addition to the Operations Manual, which may cause you to incur additional costs. The specifications included in the License Agreement, such as the requirement to purchase all construction materials in accordance with the Buy American Act may cause costs for materials, construction, and personnel to be higher. You may also be limited to using contractors, licensed plumbers, etc. specified by MCCS or a related government entity in connection with certain repairs, upgrades and renovations for your restaurant which may increase your costs. We may offer to provide financing of the franchise fee and certain leasehold improvements to franchisees who purchase a franchise for a MCCS location. We may also guarantee third party equipment leases and loans for these locations only.

It may increase upon renewal of the license for the restaurant location.

Add to Note 3. *Leasehold Improvements*:

You must also purchase the insurance coverage specified in the License Agreement and any additional insurance otherwise required by state law.

In addition, your policy must name all additional insureds required under the License Agreement, including all MCCS Programs or any other government entity or related instrumentality specified in the License Agreement.

Item 8
RESTRICTIONS ON SOURCES OF PRODUCTS AND SERVICES

Pursuant to the License Agreement, all food service equipment for MCCS locations must be approved by the National Sanitation Foundation (NSF) and Underwriter Laboratories (UL). You may also be limited to using contractors, licensed plumbers, etc. specified by MCCS or a related government entity in connection with certain repairs, upgrades and renovations for your restaurant. You may be required to obtain MCCS's approval on various products or sources of various products you use or sell in the restaurant. Add to Note 4. with the following:

If your restaurant will be located at a MCCS location, you will enter into a sublicense with us for the right to establish a Subway® restaurant from the location. The sublicense will be in the form of the MCCS Rider to the Franchise Agreement, which amends the standard form of Franchise Agreement. The License Agreement as amended by any modifications of contract, delivery orders or task orders (collectively the "Modifications of Contract"), is attached to the MCCS Rider and is specifically incorporated into the Franchise Agreement. The License Agreement has been and will continue to be amended through additional Modifications of Contract and you are required to abide by any such modifications to the License Agreement applicable to your restaurant as they are issued throughout the term of the Franchise Agreement. You should carefully review the License Agreement and you may want to do so with a lawyer or other professional advisor.

The MCCS Rider provides a pass-through of the costs and obligations of the License Agreement to you, including any Modifications of Contract. You will pay a commission fee equal to a percentage of your sales from the restaurant to MCCS on a monthly basis. You will bear the cost of sales and use tax, gross receipt taxes, registration fees, and similar amounts applicable to the License Agreement. The commission fee may increase upon extension or renewal of the license for the location.

Item 11
FRANCHISOR'S ASSISTANCE, ADVERTISING, COMPUTER SYSTEMS, AND TRAINING

The leasing or extension procedures vary or may not apply under our programs for purchase of a specific location or a non-traditional location under the Satellite Rider, Franchise Agreement Rider, School Lunch Rider, Specific Location Rider, Short Term Satellite Rider, or the MCCS Rider. Under the MCCS Rider, you must open the restaurant within the time provided in the License Agreement. We will not grant you any extensions.

You may be required to obtain approval from MCCS for any advertising material you develop. In any advertising materials that refer to MCCS, you must include a statement that the advertising material was neither paid for nor sponsored, in whole or in part, by MCCS.

Computer and Cash Register Systems:

You may be required under the License Agreement to receive approval from MCCS for any POS system hardware and software you use in the restaurant.

Item 12
TERRITORY

If you have signed a MCCS Rider, provided you did not breach your Franchise Agreement or the License Agreement, you may relocate the restaurant to another site if the license for the location expires or terminates. You are responsible for paying all costs of the relocation and for the construction and opening of the new location. In addition, if you are relocating to a non-MCCS site, the MCCS Rider will be of no further force and effect except the obligations of the License Agreement which continue after the termination or expiration of the license for the location.

We issue franchises for cities or towns, except satellite, certain non-traditional, school lunch program, community development program, location selection program and MCCS location franchises are issued for specific identified locations.

You may also be required to obtain approval from MCCS for any such advertising materials.

If you establish the restaurant at a MCCS location, you assume the risks associated with base re-alignments and/or closures which may reduce the number of available customers and decrease sales.

Item 14
PATENTS, COPYRIGHTS, AND PROPRIETARY INFORMATION

You must operate your restaurant in accordance with the Operations Manual and the License Agreement as they are revised.

Item 15
OBLIGATION TO PARTICIPATE IN THE ACTUAL OPERATION OF THE FRANCHISE BUSINESS

If you have signed a MCCS Rider, you may be required under the License Agreement to have someone on duty at all times in the restaurant, who has been certified through a food protection manager certification examination process.

If you have signed a MCCS Rider, you must keep your restaurant open within the hours specified in the License Agreement, subject to local regulations, unless we and MCCS approve otherwise in writing.

Item 16
RESTRICTIONS ON WHAT THE FRANCHISEE MAY SELL

If you establish your restaurant at a MCCS location under the License Agreement, you may be required under the License Agreement to offer certain snack menu items, such as pizza or hot dogs. Review any Modifications of Contract specific to your location to determine whether any such requirement applies to you. You are responsible for any costs associated with offering the additional menu item(s).

If you establish your restaurant at a MCCS location under the License Agreement, you will be limited to selling to customers who have access to MCCS's facilities, and you are required under the License Agreement to sell items in your restaurant at a prices equal to or lower than Subway® restaurants in your local SFAFT market or within a 3 mile radius, whichever is greater.

Item 17
RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION

The MCCS Rider ("MR") (Exhibit A-8).

Item a, Length of the franchise term:

LIC Para G.1 — The term is 20 years, but you must open the restaurant for business within the time provided in the License Agreement or the franchise terminates.

There are additional risks involved because the license for the location under the License Agreement is generally for a short term of 5 years, but it could be as short as 1 year or less. Your Franchise Agreement could be valueless and you could lose your investment if MCCS terminates the license for the location early, or does not extend the term of the license for the location at the end term. MCCS MAY TERMINATE THE LICENSE AGREEMENT IN WHOLE OR IN PART, AT ANY TIME, WHEN IT IS CONSIDERED TO BE IN THE BEST INTEREST OF THE GOVERNMENT.

Item c, Requirements for franchisee to renew or extend:

LIC Para G.1 — Under the License Agreement, the license term for each location generally may be extended or renewed for up to three additional periods of 5 years each. Extension or renewal terms may vary depending on the type and size of the location. Extensions or renewals may be conditioned upon your agreement to perform facility upgrades or renovations. Renovation plans must be submitted to the Contracting Officer at least 90 days prior to the expiration date of the license and must include an estimate of your projected costs, and completion date.

Item g, "Cause" defined- curable defaults:

NR Para X — You have 10 days to cure: failure to pay amounts owed to MCCS; A default under the License Agreement will be a default under the Franchise Agreement and you have 60 days to cure any such default.

RECITALS

You want to establish an approved third party franchisor's concept in combination with your Subway® restaurant, and we have granted consent, provided you sign a Franchise Agreement directly with the third party franchisor.

AGREEMENT

Acknowledging and agreeing to the Recitals above, which are added to the Recitals of the Franchise Agreement and are herein incorporated by reference in the Franchise Agreement, and notwithstanding any provisions of the Franchise Agreement to the contrary, the parties agree to amend and supplement the Franchise Agreement as follows:

A. You understand and agree you will have obligations to the third party franchisor separate from your obligations to us, and the third party franchisor will have their own separate obligations to you which we will not guarantee.

B. You understand and agree there is risk. You understand we have little or no experience with the third party franchisor or with establishing the third party franchisor's concept in combination with Subway® restaurants, and we do not know how adding the other franchisor's concept will affect your Subway® restaurant or your operations.

C. The Franchise Agreement must be in our current form as the date of this Rider. If you have an older version of our Franchise Agreement, you will amend your Franchise Agreement by signing a new Franchise Agreement.

D. We grant you permission to establish a retail outlet licensed to you directly by an approved third party franchisor in combination with the Subway® Restaurant licensed under this Franchise Agreement, subject to the following terms and conditions:

    i. You will establish a retail outlet licensed by the third party franchisor (or franchisors) identified below (the "**Co-Brand Franchisor**" or the "**Co-Brand Franchisors**"). You will offer the products described briefly below associated with the respective Co-Brand Franchisor's concept.

Name of Co-Brand Franchisor(s)	Products

ii. We, you, and the Co-brand Franchisor will cooperate in good faith to accommodate the different requirements of our Franchise Agreement, Operations Manual, policies, and procedures, with those of the Co-Brand Franchisors', to permit the efficient and harmonious operation of the multiple concepts within the same premises. Requirements may be different in the areas of store design, hours of operation, signs, cash registers, and operational procedures, for example.

iii. You will owe the Co-Brand Franchisor the fees it requires under its franchise agreement with you. You will pay these fees directly to the Co-Brand Franchisor or its designee. The Co-Brand Franchisor may also designate us as its collection agent and we may withdraw these fees from your preauthorized account with us. You acknowledge we will collect royalties for TCBY Systems, Inc. and royalties and advertising fees for mamma ilardo's Corporation. You agree we may take action against you to collect amounts you owe the Co-Brand Franchisor in our own name or in the Co-Brand Franchisor's name.

iv. You acknowledge the Co-Brand Franchisor may pay us all or a portion of the royalty, service, or franchise fees you pay under your direct franchise agreement with the Co-Brand Franchisor.

v. You will pay us the continuing fee applicable to your Co-Brand Franchisor(s), if any, weekly, at the respective rate(s) listed below, on the gross sales from the outlet(s) you operate in combination with the Restaurant under the Franchise Agreement(s) with your Co-Brand Franchisor(s).

Co-Brand Franchisor	Continuing Fee Payable to Us On Gross Sales from the Co-Brand Franchisor's Outlet

Any continuing fee is in addition to the fees you owe the Co-Brand Franchisor under its franchise agreement, and the Royalty Fees and Advertising Contributions you owe us under the Franchise Agreement relating to the Subway® restaurant portion of the premises. You will also pay any sales tax (including gross receipts tax) due on the continuing fees. The terms of this Agreement relating to the timing and method of reporting the Restaurant's Gross Sales to us, paying us Royalty Fee, the consequences for underreporting, and our audit and collection rights, will also apply to gross sales from the Co-Brand Franchisor's outlet and any continuing fees, as applicable.

vi. You understand and agree the persons signing this Agreement as franchisee must at all times be identical with the names of the individuals on the franchise agreement with the Co-Brand Franchisor. You will not transfer or assign any interest in this Agreement or in the Restaurant unless you simultaneously transfer to the same persons your same interest in your franchise agreement with the Co-Brand Franchisor and the Co-Brand Franchisor's outlet. You acknowledge you will have to satisfy the separate transfer procedures we and the Co-Brand

Franchisor have, including the right to approve the transfer and your transferees, and payment of a transfer fee. You agree our right of first refusal under this Agreement to purchase the Restaurant includes the right to purchase the Co-Brand Franchisor's outlet you operate in combination with the Restaurant.

vii. You understand and agree this Agreement and our Operations Manual, policies, and procedures, will control and apply to the Subway® restaurant portion and any common areas of the Restaurant location, but will not apply to the portions of the location where you operate the Co-Brand Franchisors' outlet. Each Co-Brand Franchisor's Franchise Agreement, operations manual, policies, and procedures, will control and apply to its respective licensed portion of the Restaurant location, but will not apply to the Subway® restaurant portion of the location. The common areas will be subject to ours, and each Co-Brand Franchisor's Franchise Agreement, Operations Manual, policies, and procedures. You will comply with the highest and most stringent duties and responsibilities governing the common areas if we and the Co-Brand Franchisors have different requirements.

viii. You acknowledge and agree we and the Co-Brand Franchisors may share information about you, the location, and the businesses you operate, and may report compliance problems or your other possible defaults to each other. You will report to us weekly your sales, inventory costs, and other business information we request regarding the businesses you operate in combination with the Restaurant under the Co-Brand Franchisors' Franchise Agreements.

ix. You will name each Co-Brand Franchisor and its designated affiliates individually, as additional insureds on the insurance coverage required under this Agreement, and provide certificates of insurance to each additional insured. You will also name us, our Affiliates, our BDs assigned to the Restaurant, and our agents, representatives, shareholders, directors, officers and employees, and those of our Affiliates and the BD (the "**Additional Insureds**"), individually, as additional insureds on the insurance coverage you maintain under the Co-Brand Franchisors' Franchise Agreements, and provide certificates of insurance to the Additional Insureds. You will obtain and maintain the highest limits of coverage we or any Co-Brand Franchisor requires under its respective Franchise Agreement, Operations Manual, policies, and procedures, for the Restaurant and all of the retail outlets you operate in combination with the Restaurant under the Co-Brand Franchisors' Franchise Agreements.

x. You acknowledge and agree the right to operate the Co-Brand Franchisors' concepts in combination with the Restaurant is subject to your continued operation of the Restaurant. If this Agreement terminates or expires, or you relocate the Restaurant, or for any other reason you cease to operate the Restaurant at the location which is licensed under this Agreement, you will also cease to operate any Co-Brand Franchisors' concepts at the location. You acknowledge you will have to satisfy the separate relocation procedures we and the Co-Brand Franchisor have.

xi. You must review your Lease for the Restaurant location to make sure it allows you to offer the Co-Brand Franchisors' products. You also agree to review local regulations to make sure they allow the sale of the Co-Brand Franchisors' products at the location, and do not require

you to obtain additional permits or satisfy other requirements, such as adding more parking spaces.

xii. You understand and agree we and each Co-Branding Franchisor is separately responsible to you. We will not be liable to you for any defaults or misrepresentations by any Co-Brand Franchisor.

If you close or stop operating the Co-Brand Franchisor's retail outlet or if the Co-Brand Franchise Agreement is terminated, you agree to remove all trademarks and trade dress of the Co-Brand Franchisor as required by the Co-Brand Franchise Agreement and install Subway® décor to our specifications.

E. EACH PARTY HEREBY WAIVES, WITHOUT LIMITATION, ANY RIGHT IT MIGHT OTHERWISE HAVE TO ASSERT A CLAIM FOR AND/OR TO RECOVER LOST PROFITS AND OTHER FORMS OF CONSEQUENTIAL, INCIDENTAL, CONTINGENT, PUNITIVE AND EXEMPLARY DAMAGES FROM THE OTHER EXCEPT AS PROVIDED HEREIN. EACH PARTY'S LIABILITY SHALL BE LIMITED TO ACTUAL COMPENSATORY DAMAGES. ACTUAL COMPENSATORY DAMAGES SHALL BE THE GREATER OF (1) $100,000.00 OR (2) AT YOUR SOLE OPTION, ALL AMOUNTS PAID TO US FOR FRANCHISE FEES AND ROYALTIES FOR THIS AGREEMENT FOR UP TO THREE YEARS PRECEDING THE DATE OF ANY AWARD HEREIN. IF YOU CHOOSE OPTION (2), WE WILL ALSO REPURCHASE YOUR EQUIPMENT, PURCHASED FROM OR THROUGH US, AT DEPRECIATED VALUE USING THE FIVE YEAR, STRAIGHT LINE METHOD OF CALCULATION. EACH PARTY ACKNOWLEDGES THAT IT HAS HAD A FULL OPPORTUNITY TO CONSULT WITH COUNSEL CONCERNING THIS WAIVER, AND THAT THIS WAIVER IS INFORMED, VOLUNTARY, INTENTIONAL, AND NOT THE RESULT OF UNEQUAL BARGAINING POWER.

F. You acknowledge no employee, agent, or representative of ours, or our Affiliates, or our Business Developers, has made any oral, written or visual representation or projection to you of actual or potential sales, earnings, or net or gross profits concerning the Co-Brand Franchisors' concepts. You represent that as of the date of this Co-Brand Location Rider, you have no claims of any type against us, our Affiliates, or the Business Developer, or our agents, representatives, shareholders, directors, officers, and employees, or those of our Affiliates and the Business Developer, except those you have written in below:

RECITALS

You want to operate the Restaurant at _____, which is located close in proximity to an existing operating Subway® restaurant you own identified as Store Number _____, located at _____ _____ (the "Existing Restaurant"). You want the Restaurant and the Existing Restaurant to operate simultaneously with the option to receive a refund of the franchise fee paid for the Restaurant if you cease operation of either restaurant, by means other than transfer or assignment, within one (1) year after the Restaurant opens. We will cancel the Franchise Agreement for the restaurant you cease to operate. We have granted you this option and have deemed the Restaurant to be a "Dual Location Test Site".

AGREEMENT

Acknowledging and agreeing to the Recitals above, which are added to the Recitals of the Franchise Agreement and are herein incorporated by reference in the Franchise Agreement, and notwithstanding any provisions of the Franchise Agreement to the contrary, the parties agree to amend and supplement the Franchise Agreement as follows:

A. You acknowledge that we may designate a certain Subway® restaurant to be located close in proximity to another Subway® restaurant owned and operated by the same franchisee as a "**Dual Location Test Site**" so that a franchisee can determine whether both sites should be operated simultaneously. You understand that we will consider the following factors in determining whether a proposed Subway® restaurant shall be considered a Dual Location Test Site: proximity to the franchisee's existing restaurant, the size of the restaurant, market density and population in the area.

B. You understand and acknowledge this Agreement and any guidelines we set for how close a Dual Location Test Site should be to its Existing Restaurant do not grant you any territorial rights, and there are no radius restrictions or minimum population requirements which limit where we can license or open another Subway® restaurant, including any Dual Location Test Site, unless provided under local law.

C. We will refund the Franchise Fee to you as set forth in the Franchise Agreement and as follows: If you cease operation of the Existing Restaurant or the Restaurant, by means other than transfer as set forth in Section 18, within 1 year after opening the Restaurant, we will refund the franchise fee you paid for the Restaurant and cancel the Franchise Agreement for the restaurant you cease to operate. You will pay all expenses and liabilities to terminate the lease for the restaurant that you cease to operate.

D. You acknowledge you found the location and we granted preliminary approval to it. We or you may terminate this Agreement by written notice after 1 year from the date of this Agreement, or earlier if we

and you agree, if we or an Affiliate we designate cannot offer you a Sublease for the Restaurant, or if we disapprove the location. We will refund the Franchise Fee to you if we or you terminate this Agreement for the above reasons, unless it is your fault we disapprove the location or we or our designee cannot offer you a Sublease. We will not refund the Franchise Fee if we or our designee enter into a lease or a license containing basic economic terms (e.g. rent, square footage, length of term) you previously consented to and you then do not sign the offered Sublease. If we or our designee offer you a Sublease, you must sign the Sublease within thirty (30) days from the date we or our designee offer the Sublease to you, or this Agreement will automatically expire at the end of the thirty (30) day period. We will not grant you an extension or refund the Franchise Fee if this Agreement automatically expires.

E. If you do not cease operation of the Existing Restaurant or the Restaurant within 1 year after opening the Restaurant then this Rider will be of no further force and effect.

F. The Franchise Agreement, as amended and supplemented by this Rider, contains the entire understanding of the parties. The parties can amend the Franchise Agreement further only in a signed writing. In the event of a conflict between the Franchise Agreement and this Rider, the terms of this Rider shall control. Except as amended or modified by this Rider, the terms of the Franchise Agreement remain in full force and effect.

G. You acknowledge you read and understand this Rider and the Franchise Agreement, and consent to be bound by all the terms and conditions of the Franchise Agreement, as amended and supplemented by this Rider.

Under no circumstances will such measures and safeguards be less protective of Participant Data or the Gift Card Program as SVS's data protection obligations in the Services Agreement. SVS will immediately notify Participant of any unauthorized use or disclosure of Participant Data.

5. No Assignment. This Participation Agreement is not assignable, in whole or in part, by Participant without the prior written approval of Franchisor and SVS. This Participation Agreement is assignable by SVS only if and when the Services Agreement is assigned by SVS as expressly permitted therein.

6. Warranties. SVS represents and warrants that:

(a) The Gift Card Program will operated and be operated in accordance with applicable law; and

(b) The Gift Card Program is and will be designed, architected, maintained, supported, and assessed in keeping with industry standards and best practices related to data security and privacy.

7. Limitation of Liability. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, NEITHER PARTY WILL BE LIABLE FOR ANY SPECIAL, INDIRECT, INCIDENTAL, EXEMPLARY, PUNITIVE, OR CONSEQUENTIAL DAMAGES OR LIABILITIES, REGARDLESS OF THE FORM OF ACTION, EVEN IF SUCH PARTY IS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES IN ADVANCE.

EACH OF SVS' AND PARTICIPANT'S AGGREGATE LIABILITY TO THE OTHER UNDER THIS PARTICIPATION AGREEMENT OR IN CONNECTION WITH THE GIFT CARD PROGRAM WILL BE LIMITED TO THE AMOUNT OF THE FEES PAID OR PAYABLE BY PARTICIPANT TO SVS FOR THE GIFT CARD PROGRAM (EXCLUDING ANY PASS-THROUGH FEES) FOR OR WITHIN THE TWELVE (12) MONTHS IMMEDIATELY PRECEDING THE EVENT GIVING RISE TO SUCH LIABILITY.

NEITHER PARTY MAKES ANY REPRESENTATIONS OR WARRANTIES, WHETHER EXPRESS OR IMPLIED, INCLUDING ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, AND NON-INFRINGEMENT.

8. Indemnification. DOCTOR'S ASSOCIATES LLC
DEVELOPMENT AGREEMENT

THIS DEVELOPMENT AGREEMENT (this "**Agreement**") is made and entered into on the date shown on the cover page hereof (the "**Agreement Date**"), by and between Doctor's Associates LLC, a Delaware limited liability company with a principal office in Shelton, Connecticut (hereinafter "**DAL**", "**Franchisor**", "**we**," "**us**" or "**our**"); and _____ a _____ with their principal business address at the address set forth in Exhibit A (the "**Developer**," "**you**" or "**your**").

RECITALS:

A. Our affiliate, Subway US IP Holder LLC ("**Subway US IP Holder**") is the owner of a proprietary system for establishing and operating restaurants featuring sandwiches, pizza and salads under our trade name and service mark, Subway®, which operate with a uniform business format, specially designed equipment, methods, procedures, and designs (the "**System**"). The System includes the trademark Subway®, other trademarks, trade names, service marks, commercial announcements (slogans) and related insignia (logos) owned by Subway US IP Holder (the "**Marks**"). The System was developed spending considerable money, time, and effort. The System also includes confidential information and goodwill. Subway US IP Holder has granted us a non-exclusive license to use the System in the United States of America and its territories to establish and sublicense others to establish and operate Subway® restaurants ("**Subway® Restaurants**" or "**Restaurants**"). Subway® Restaurants are operated by persons meeting our qualifications to whom we have granted franchises.

In consideration of the foregoing and the mutual promises and commitments set forth in this Agreement, the parties agree as follows:

1 SCOPE AND PURPOSE

1.1 This Agreement only governs your development of new Restaurants, relocation of existing Restaurants and closure of existing Restaurants with our approval. Any Restaurant so developed or purchased in accordance with this Agreement will be operated pursuant to the then-current form of franchise agreement we determine appropriate, consisting of either: (1) our then-current form of single-unit Franchise Agreement for each such Restaurant in the case of a purchase or development of one Restaurant (in each case, a "**Single-Unit FA**"); or (2) our then-current form of Multi-Unit Franchise Agreement in the case of a purchase or development of multiple Restaurants (in each case, a "**MUFA**"), which will govern all Restaurants subject to the MUFA, all as more specifically set forth herein. The term "**Franchise Agreement**" may be used in this Agreement to refer to either a Single-Unit FA, a MUFA, or both, as the context requires. Any Restaurant developed under a Franchise Agreement will be located and operated at a specified location that we designate and approve (a "**Site**").

1.2 Under any Franchise Agreement for one or more existing Restaurants, we may require you to remodel and upgrade these Restaurants, including without limitation by upgrading certain equipment, to bring these Restaurants into compliance with our then-current System Standards. You acknowledge that any such remodels, upgrades or updates will be set forth on a transfer addendum to the Franchise Agreement applicable to such Restaurant, and in all cases such remodels, upgrades or updates must be completed within 6 months of the effective date of your acquisition of the Restaurant (unless otherwise specified in the transfer addendum).

1.3 If we deem appropriate, we may determine that the development, opening and operation of one or more new Restaurants, or the operation of one or more existing Restaurants that you purchase, be governed by an existing MUFA by amending such existing MUFA to add the newly-purchased or newly-developed

Restaurant to the schedule of Restaurants governed by the existing MUFA. For the avoidance of doubt, we may require you to remodel or upgrade any such Restaurant as set forth in Section 1.2.

1.4 This Agreement amends, modifies, and supersedes the terms of, and is an integral part of each of the Franchise Agreements related to any Restaurant developed hereunder. Capitalized terms in this Agreement which are not otherwise defined in this Agreement have the same meanings as defined in our form of Franchise Agreement. Except as otherwise indicated in this Agreement, all other terms and conditions of any Franchise Agreement remain unmodified and in full force and effect. Terms of the Recitals are integral parts of this Agreement.

2 GRANT

2.1 *Rights, Obligations*. We grant to you the right, and you accept the obligation, pursuant to the terms and conditions of this Agreement, to acquire the cumulative number of Restaurants, either by developing the specific number of new Subway® Restaurants, relocating existing Restaurants or closing existing Restaurants with our approval in strict accordance with the time schedules (the "**Development Obligations**"), in each case as set forth in your Development Schedule in **Exhibit A** (the "**Development Schedule**"). *Our Reserved Rights*. We retain all other rights, and may, among other things, on any terms and conditions we deem advisable, and without granting you any rights therein:

2.1.1 Own, acquire, establish, and/or operate and license others to establish and operate, Subway® Restaurants under the System at any location, notwithstanding such location's proximity to the Site of any Subway® Restaurant you operate, or its actual or threatened impact on sales at any Subway® Restaurant you operate;

2.1.2 Own, acquire, establish, and/or operate, and license others to establish and operate, Subway® Restaurants under the Marks at Reserved Facilities (as defined below) at any location. As used in this Agreement, "**Reserved Facilities**" must mean: airports; department stores; supermarkets; cultural institutions (examples include, but are not limited to, theaters, museums, art centers and educational facilities); casinos; military bases; sports and entertainment venues and stadiums; and business and industrial complexes and offices at which the food service is managed by service providers with national or international operations;

2.1.3 Sell and distribute, directly or indirectly, or license others to sell and distribute, directly or indirectly, any products and services bearing the Marks from any location to any business or customer, including without limitation through restaurants, cafes, retail kiosks, grocery or convenience stores or other retail outlets, and any other distribution channels (including, without limitation, through retail, wholesale, mail order, toll free numbers, the Internet, or delivery by Restaurants located anywhere); and

2.1.4 We and/or our affiliates have the unrestricted right to engage, directly or indirectly, through our or their employees, representatives, licensees, assigns, agents, and others, at wholesale, retail, and otherwise, in the production, distribution, and sale of products and services bearing the Marks licensed under any Franchise Agreement or other names or marks included as part of the System.

2.1.5 Upon your purchase of one or more existing Restaurants under common closing date, we reserve the right to amend the Development Schedule to increase your Development Obligations, as mutually agreed between the parties, taking into consideration the number of existing Restaurants purchased at that time.

2.2 *Not a Franchise Agreement*. This Agreement is not itself a Franchise Agreement, and only sets the framework for the parties to enter into each of the Franchise Agreements in accordance with the Development Schedule. This Agreement does not grant to Developer any right to use in any manner our Marks or System separate from the rights granted under each Franchise Agreement. Developer has no right under this Agreement to license others to use in any manner the Marks or System.

3 DEVELOPMENT FEE

The Development Fee is $_____ (the "**Development Fee**"), which is equal to 100% of the combined initial franchise fees required to be paid under each Franchise Agreement related to the Restaurants contemplated by the Development Schedule. The Development Fee is fully earned by us when paid by you and non-refundable. For any Restaurant timely opened or purchased in strict accordance with the Development Schedule, a portion of the Development Fee will be credited to the full amount of initial franchise fee owed under the applicable Franchise Agreement for such Restaurant. However, for any Restaurant not timely opened or purchased in strict accordance with the Development Schedule, no portion of the Development Fee will be credited to the initial franchise fee applicable to such Restaurant, and you will instead be required to pay the full initial franchise fee in accordance with the applicable Franchise Agreement.

4 DEVELOPMENT OBLIGATIONS

4.1 *Compliance with Development Schedule*. Your failure to meet the Development Obligations Development Obligations in any given year on the Development Schedule (each, a "**Development Year**") will be deemed an "**Annual Shortfall**," and your failure to comply with the Development Obligations cumulatively as of any given Development Year will be deemed a "**Cumulative Shortfall**." Annual Shortfalls and Cumulative Shortfalls together may be referred to as "**Shortfalls**." Likewise, your exceeding the Development Obligations in any given Development Year will be deemed an "**Annual Excess**," and your exceeding the required Development Obligations cumulatively as of any given Development Year will be deemed a "**Cumulative Excess**." Annual Excesses and Cumulative Excesses together may be referred to as "**Excesses**." The following will apply to any Shortfall or Excess, as applicable:

4.1.1 If you achieve an Annual Excess, we will provide an initial franchise fee credit per Restaurant in excess of the required number of Restaurants to be developed or opened in the applicable Development Year. This credit may be applied toward any new Restaurant that you open in the Development Year immediately following the Development Year of the Annual Excess. For the avoidance of doubt, this credit is not redeemable for a cash payment from us and is forfeited if not used in accordance with this section.

4.1.2 If there is no Shortfall of the Development Obligations when you purchase an existing Restaurant(s), the term of any Franchise Agreement for the existing Restaurant(s) that you purchase during this time will be 20 years (instead of the term remaining on the transferee's franchise agreement).

4.1.3 Any Shortfall may be deemed a default in accordance with Section 7. For the avoidance of doubt, any Annual Shortfall may be deemed a default notwithstanding the contemporaneous occurrence of a Cumulative Excess.

4.2 *Affiliates*. We, in our sole discretion, may approve you to use Affiliates to enter into Franchise Agreements contemplated under this Agreement. The term "**Affiliate**" means any corporation, limited liability company or other business entity of which Developer or one or more of its majority owners who are approved by us owns at least fifty-one percent (51%) of the total authorized ownership interests, and Developer or such owner(s) have the right to control the entity's management and policies.

5 TERM

This Agreement terminates in its entirety on the earlier of: (a) the date that the last Restaurant to be opened, closed or relocated under the Development Schedule is opened, closed or relocated, as applicable; (b) termination due to your breach of this Agreement or any of your Franchise Agreements; or (c) the five (5) -year anniversary of the Agreement Date. You will have no right to renew this Agreement.

6 DUTIES OF THE PARTIES

Within 12 months of the Agreement Date, you must employ a district manager (a "**District Manager**"), approved by us, to oversee day-to-day operations of your Restaurants. Beginning on the 2-year anniversary of the Agreement Date, you must employ at least one (1) full-time District Manager for every 10 Restaurants you operate to oversee operations. For the avoidance of doubt, you, and not us, will be the employer of the Director of Operations and the District Manager, and we will not dictate the day-to-day activities of the Director of Operations or the District Manager.

6.2.2 Notwithstanding anything in any Franchise Agreement to the contrary, we may perform quarterly Restaurant evaluations, at our cost, to ensure compliance with our System standards, and your development and remodel obligations.

6.2.3 You will use your best efforts to negotiate with landlords, and cooperate with us in such negotiations, to terminate subleases among you, our affiliate Subway Real Estate, LLC, and the applicable landlord, and to replace such subleases with direct leases between you and the applicable landlord.

7.6 *Damages*. In addition to other remedies that we may have, if we terminate this Agreement as a result of your default of this Agreement, you must pay to us all costs and expenses we may incur related to such default and termination.

7.8 *Cross-Default*. No default under the Development Schedule under this Agreement will constitute a default under any Franchise Agreement between the parties hereto. However, a default or breach of any of the Franchise Agreements contemplated under the Development Schedule is a breach and default under this Agreement, and any default under Section 8.2 or Section 9 of this Agreement constitutes a default under each of the Franchise Agreements.

7.9 *Non-Exclusive Rights*. No remedy herein conferred upon or reserved to us is exclusive of any other remedy provided or permitted by law or equity.

8 TRANSFERS

8.1 *By Us*. We may transfer, assign, and delegate all or any part of our rights and obligations under this Agreement to any person or entity we deem appropriate. Such transfer, assignment, or delegation will effect a complete novation as to the right or obligation transferred, assigned, or delegated. After such transfer, assignment, or delegation, you must look solely to the transferee, assignee, or delegatee, and not to us, for the satisfaction of any obligation transferred, assigned, or delegated. We may also, without your consent, transfer, assign, or otherwise alter any or all of the ownership in us.

8.2 *By You*. Our prior written consent is a necessary condition precedent to the sale, assignment, delegation, transfer, conveyance, gift, pledge, mortgage, encumbrance, or hypothecation (collectively, the "**Transfer**") of any direct, indirect, or beneficial interest of (a) you; (b) this Agreement; or (b) your rights and obligations under this Agreement. Any change in your ownership structure as set forth in **Exhibit B** shall be deemed a Transfer subject to this Section 8.

8.3 *Consent to Transfer*. Our consent to a transfer does not constitute a waiver of any claims we may have against the transferring party arising prior to the Transfer, nor will it be deemed a waiver of our right to demand exact compliance with any of the terms of this Agreement by the transferor with respect to any claims prior to the Transfer or transferee thereafter.

9 COVENANTS

9.1 *Best Efforts*. Developer covenants that during the term of this Agreement, except as otherwise approved in writing by us, you (and your Director of Operations and District Managers) must devote full time and best efforts to the management and operation of the business contemplated hereunder.

9.2 *Confidentiality*. For each breach of the confidentiality provisions set forth in any Franchise Agreement between you and us (or your and our respective Affiliates), you will pay to us the greater of: (a) our actual damages; or (b) $20,000. Each unauthorized disclosure of confidential information shall be considered a unique breach for the purposes of this Section. The parties agree that these damages are a reasonable estimate of the actual damages that we might incur as a result of a breach of your confidentiality obligations, is not intended to be, nor is, a penalty. Nothing in this Section 9.5 is intended to limit our rights under Section 9.8.

11.1 *Independent Contractor Relationship*. It is understood and agreed by the parties hereto that this Agreement does not create a fiduciary relationship between them; that you are an independent contractor; and, that nothing in this Agreement is intended to constitute either party an agent, legal representative, subsidiary, joint venturer, partner, employee, or servant of the other for any purpose whatsoever.

11.2 *Notice of Status*. At all times during the term of this Agreement, you must hold yourself out to the public in connection with the Subway® Restaurants and the business described in this Agreement as an independent contractor operating the business pursuant to this Agreement with us. You agree to take such action as may be necessary to do so, including, without limitation, exhibiting a notice of that fact in a conspicuous place within your offices, the content of which we reserve the right to specify.

11.3 *No Contracts in Our Name*. Nothing in this Agreement authorizes you to make any contract, agreement, warranty, or representation on our behalf, or to incur any debt or other obligation in our name; and that we will in no event assume liability for, or be deemed liable hereunder as a result of, any such action; nor will we be liable by reason of any act or omission of you in your operations hereunder, or for any claim or judgment arising therefrom against you.

No delay, waiver, omission, or forbearance on the part of us to exercise any right, option, duty, or power arising out of any breach or default by you under any of the terms, provisions, covenants, or conditions of this Agreement, and no custom or practice by the parties at variance with the terms of this Agreement, will constitute a waiver by us to enforce any such right, option, duty, or power as against you, or as to subsequent breach or default by you. Subsequent acceptance by us of any payments due to us hereunder or under any other agreement will not be deemed to be a waiver by us of any preceding or succeeding breach by you of any terms, provisions, covenants, or conditions of this Agreement.

14.2 *No Third-Party Rights*. Except as expressly provided to the contrary herein, nothing in this Agreement is intended, nor will be deemed, to confer upon any person or legal entity other than you, us, and such of your

and our respective successors and assigns as may be contemplated (and, as to you, permitted) by Section 8 hereof, any rights or remedies under or by reason of this Agreement.

14.3 *Construction.* You expressly agree to be bound by any promise or covenant imposing the maximum duty permitted by law which is subsumed within the terms of any provision of this Agreement, as though it were separately articulated in and made a part of this Agreement, that may result from striking from any of the provisions hereof any portion or portions which a court may hold to be unenforceable in a final decision to which we are a party, or from reducing the scope of any promise or covenant to the extent required to comply with such a court order.

14.4 *Definition of Terms.* All capitalized terms not defined herein have the meaning ascribed to them in the applicable Franchise Agreement.

14.5 *Headings*. All captions in this Agreement are intended solely for the convenience of the parties, and no caption must be deemed to affect the meaning or construction of any provision hereof.

14.6 *Survival.* All provisions of this Agreement which, by their terms or intent, are designed to survive the expiration or termination of this Agreement, must so survive the expiration and/or termination of this Agreement.

The parties agree that any franchise law or business opportunity law of the State of Florida now in effect or adopted or amended after the date of this Agreement will not apply to franchises located outside of Florida. SUBJECT TO THE ARBITRATION PROVISIONS BELOW, WE AND YOU (AND EACH OWNER) AGREE THAT ALL ACTIONS ARISING UNDER THIS AGREEMENT OR OTHERWISE AS A RESULT OF THE RELATIONSHIP BETWEEN THE PARTIES MUST BE COMMENCED IN THE STATE OR FEDERAL COURT IN OR NEAREST TO WHERE WE THEN HAVE OUR HEADQUARTERS. AAA will administer the arbitration in accordance with its administrative rules (including, as applicable, the Commercial Rules of the AAA and the Expedited Procedures of such rules). If AAA is no longer in business, then the parties will mutually agree upon an alternative administrative arbitration agency. If the parties cannot mutually agree, then the parties agree to take the matter to a court of competent jurisdiction to select the agency. Judgment rendered by the arbitrator may be entered in any court having jurisdiction thereof. The costs of the arbitration will be shared equally by the parties, except as otherwise provided in this Agreement. The parties also agree that neither party will pursue class claims or group or collective actions. The parties further agree not to consolidate the arbitration with any other proceedings, except for arbitrations in which you and we are the sole parties. The parties will honor validly served subpoenas, warrants and court orders.

15.2.2 The parties further agree that in cases where the amount in controversy is One Million Dollars ($1,000,000.00) or less the only depositions will be for the sole purpose of preserving testimony. In other cases, the right to, and extent of, any depositions will be determined by agreement of the parties, or by the arbitrator. In all cases any documents exchanged between the parties as part of the discovery process must be returned or destroyed (with proof of destruction) within thirty (30) days of final judgment or dismissal of the arbitration.

15.2.3 The parties agree that the city where we then have our headquarters at the time of the commencement of the arbitration will be the site for arbitration. The arbitration shall be held before one (1) arbitrator, who shall be chosen pursuant to the AAA rules for appointment of one (1) arbitrator from the National Roster, except that in the event that either of the parties seeks damages in excess of Ten Million Dollars ($10,000,000.00), the arbitration shall be held before a panel of three arbitrators. To compose the panel of three arbitrators, each party shall name one arbitrator within fourteen (14) days of service of the Demand for Arbitration or Counterclaim seeking damages in excess of Ten Million Dollars ($10,000,000.00). The two chosen arbitrators must perform his or her duties as a neutral, with impartiality and independence, and with diligence and in good faith. The two arbitrators chosen by the parties shall, within thirty (30) days of the appointment of the last arbitrator, appoint the chairperson of the panel from the National Roster provided by the AAA.

15.2.4 You may only seek damages or any remedy under law or equity for any arbitrable claim against us or our successors or assigns. You agree our intended beneficiaries of the arbitration clause including our affiliates, shareholders, directors, officers, employees, agents and representatives, and their affiliates, will be neither liable nor named as a party in any arbitration or litigation proceeding commenced by you where the claim arises out of or relates to this Agreement or the business relationship between the parties. If you name a party in any arbitration or litigation proceeding in violation of this sub-section, you will reimburse us for reasonable costs incurred, including but not limited to arbitration fees, court costs, attorneys' fees, management preparation time, witness fees, and travel expenses incurred by us or the party.

15.2.5 You acknowledge and agree that your default under this Agreement concerning infringement of intellectual property rights in the Marks or in copyrighted items or disclosure of Confidential Information (together "**Intellectual Property Claims**") may cause irreparable harm to us, our Affiliates and the System as a whole. Notwithstanding the arbitration clause in this sub-section, we or an Affiliate may bring an action in connection with such a default for damages, injunctive relief, or both in any court having jurisdiction.

15.2.6 Any disputes concerning the enforceability or scope of the arbitration clause are delegated to the arbitrator for determination, except for Intellectual Property Claims. Any arbitration will be conducted pursuant to the Federal Arbitration Act, 9 U.S.C. §1, et seq. ("**FAA**"), and the parties agree that the FAA preempts any state law restrictions (including the site of the arbitration) on the enforcement of the arbitration clause in this Agreement. If the FAA has been repealed or modified such that it no longer applies to this Agreement, then any disputes shall be resolved in accordance with applicable law governing this Agreement. The parties agree to waive any right to disclaim or contest this pre-dispute arbitration agreement.

15.2.7 A party will be in default of this Agreement if it (a) commences action in any court in violation of this sub-section prior to an arbitrator's final decision (except as otherwise allowed by this Agreement, including to compel arbitration), or (b) commences litigation in any forum except where permitted by this sub-section. The defaulting party will also be responsible for the expenses the other party incurs to enforce this sub-section, including but not limited to filing fees, court costs,

reasonable attorneys' fees and travel expenses. However, if a court of competent jurisdiction deems the arbitration clause unenforceable after all appeals have been exhausted, the defaulting party will not be responsible for such costs.

15.2.8 Subject to federal or state law, if a party defaults under Section 15.3, including, but not limited to, making a claim for special, incidental, consequential, punitive, or multiple damages, or damages in excess of the amount permitted, the defaulting party must correct its claim and will be responsible for all expenses incurred by the other party, including attorneys' fees, and will be liable for abuse of process.

15.2.9 The parties agree that all statutes of limitations and deadlines provided for in the governing law that is applied to the arbitration shall have full force and effect, unless a shorter limitations period is provided in 15.3 and is enforceable under applicable law.

15.3 *Waivers*.

15.3.1 *Limitation of Claims and Certain Damages; Class Action Bar*. Except for claims arising from your non-payment or underpayment of amounts you owe us, any and all claims arising out of or relating to this Agreement or the relationship between you and us will be barred unless an action or proceeding is commenced in accordance with this Agreement within one (1) year from the date the party asserting the claim knew or should have known of the facts giving rise to such claims. You and we agree that any proceeding will be conducted on an individual basis, and that any proceeding between us (or any of our affiliates) and you or your owners may not be: (i) conducted on a class-wide basis or as a collective action, (ii) consolidated with another proceeding between us and any other person or entity, nor may any claims of another party or parties be joined with any claims asserted in any action or proceeding between you and us, (iii) joined with any claim of an unaffiliated third-party, or (iv) brought on your behalf by any association or agency. No previous course of dealing shall be admissible to explain, modify, or contradict the terms of this Agreement. No implied covenant of good faith and fair dealing shall be used to alter the express terms of this Agreement.

15.3.2 **Waiver of Punitive, Exemplary and Consequential Damages and Jury Trial**. **EXCEPT FOR YOUR OBLIGATION TO INDEMNIFY US FOR THIRD PARTY CLAIMS, YOU AND WE HEREBY WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES AGAINST THE OTHER AND AGREE THAT IN THE EVENT OF ANY DISPUTE BETWEEN US WE EACH SHALL BE LIMITED TO THE RECOVERY OF ANY ACTUAL DAMAGES SUSTAINED. YOU AND WE IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION OR PROCEEDING BROUGHT BY US OR YOU**.

15.4 *No Limitation*. No right or remedy conferred on or reserved to us or you by this Agreement is intended to be, nor must be deemed, exclusive of any other right or remedy set forth in this Agreement or by law or equity provided or permitted, but each must be cumulative of every other right or remedy.

15.5 *Injunctive Relief*. Nothing set forth in this Agreement contained will bar our right to obtain injunctive relief against threatened conduct that must cause it loss or damages, under the usual equity rules, including the applicable rules for obtaining restraining orders and preliminary injunctions.

15.6 *Cost and Attorneys' Fees*. If either party Initiates a judicial or other proceeding, the party prevailing in such proceeding shall be entitled to reimbursement of its costs and expenses, including reasonable attorneys' fees. If we become a party to any action or proceeding commenced or instituted against us by a third party

arising out of or relating to any claimed or actual act, error or omission of yours, by virtue of statutory, "vicarious", "principal/agent" or other liabilities asserted against or imposed on us as a result of our status as franchisor, or if we become a party to any litigation or any insolvency proceeding involving you pursuant to any bankruptcy or insolvency code (including any adversary proceedings in conjunction with bankruptcy or insolvency proceedings), then you will be liable to, and must promptly reimburse us for, the reasonable attorneys' fees, experts' fees, court costs, travel and lodging costs and all other expenses we incur in such action or proceeding regardless of whether such action or proceeding proceeds to judgment. In addition, we will be entitled to add all costs of collection, interest, attorneys' fees and experts' fees to our proof of claim in any insolvency or bankruptcy proceeding you file.

15.7 *Joint and Several Liability.* Each individual or entity signing this Agreement as the Developer will be jointly and severally liable.

16 ACKNOWLEDGMENTS

16.1 *No Conflicting Obligations*. Each party represents and warrants to the others that there are no other agreements, court orders, or any other legal obligations that would preclude or in any manner restrict such party from: (a) negotiating and entering into this Agreement; (b) exercising its rights under this Agreement; and/or (c) fulfilling its responsibilities under this Agreement.

16.2 *Your Responsibility for the Choice of Subway® Restaurant Sites*. You acknowledge that you have sole and complete responsibility for the choice of the sites at which Subway® Restaurants will be operated; that we have not (and will not be deemed to have, even by our acceptance of the sites that will become the locations at which Subway® Restaurants will be operated) given any representation, promise, or guarantee of your success at the locations; and that you are solely responsible for your own success within the Subway® Restaurants.

16.3 *Your Responsibility for Operation of Your Subway® Restaurants*. Although we retain the right to establish and periodically modify System standards, which you have agreed to maintain in the operation of the Subway® Restaurants contemplated hereunder, you retain the right and sole responsibility for the day-to-day management and operation of the Subway® Restaurants and the implementation and maintenance of System standards at the Subway® Restaurants contemplated hereunder.

16.4 *Different Offerings to Others*. You acknowledge and agree that we may modify the offer of our development rights to other parties in any manner and at any time, which offers and agreements may have terms, conditions, and obligations that may differ from the terms, conditions, and obligations in this Agreement.

16.5 *No Waiver.* No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

DOCTOR'S ASSOCIATES LLC
FRANCHISE AGREEMENT

This Multi-Unit Franchise Agreement (this "**Agreement**"), made on the date shown on the cover page hereof (the "**Agreement Date**"), by and between Doctor's Associates LLC, a Delaware limited liability company with a principal office in Shelton, Connecticut ("**Franchisor**", "**we**", "**us**", or "**our**"), and the party identified as Franchisee on the Signature Page at the end of this Agreement ("**Franchisee**", "**you**" or "**your**").

1. **Background Information**.

A. Our affiliate, Subway US IP Holder LLC ("**Subway US IP Holder**") is the owner of a proprietary system for establishing and operating restaurants featuring sandwiches, pizza and salads under our trade name and service mark, Subway®, which operate with a uniform business format, specially designed equipment, methods, procedures, and designs (the "**System**"). The System includes the trademark Subway®, other trademarks, trade names, service marks, commercial announcements (slogans) and related insignia (logos) owned by Subway US IP Holder (the "**Marks**"). The System was developed spending considerable money, time, and effort. The System also includes confidential information and goodwill. Subway US IP Holder has granted us a non-exclusive license to use the System in the United States of America and its territories to establish and sublicense others to establish and operate Subway® restaurants ("**Subway® Restaurants**"). Subway® Restaurants are operated by persons meeting our qualifications to whom we have granted franchises.

B. You have applied for the right and obligation to operate the Subway® Restaurants set forth on **Exhibit B** utilizing the Marks, each solely at the applicable Approved Location (as defined below) described in this Agreement. Such application has been approved by us in reliance upon all of the representations made within it being true, correct and complete including, without limitation, your ownership. You desire to operate the Subway® Restaurants under the System and wish to obtain a franchise from us for that purpose.

C. You have read this Agreement, and our franchise disclosure document, and have been given an opportunity to clarify any provisions that you did not understand. You understand and accept the terms, conditions, and covenants contained in this Agreement as being reasonably necessary to maintain our high standards of quality and service and the uniformity of those standards at all Subway® Restaurants, and thereby to protect and preserve the goodwill of the Marks.

D. The term "Franchisee", "you" and "your" as used herein is applicable to one or more persons, a corporation, limited liability company or a partnership, as the case may be, and the singular usage includes the plural and the masculine and neuter usages include the other and the feminine. References to "Franchisee", "you" and "your" applicable to an individual or individuals shall mean the principal owner or owners of the equity or operating control of you if you are a corporation, limited liability company or partnership, and shall include all such individuals collectively and individually.

E. The parties agree that the information in this Section ("**Background Information**") is true and correct, and we are relying on it.

2. **Appointment**.

A. We hereby grant to you, upon the terms and conditions of this Agreement, a franchise to operate the Subway® Restaurants listed on **Exhibit B** (each, the "**Restaurant**" and collectively, the "**Restaurants**") and to use in connection therewith the System, as it may be changed, improved and further developed from time to time, and the Marks solely at the Approved Location and for the Term. Wherever

the singular form of "**Restaurant**" is used throughout this Agreement, it shall be deemed to refer to each Restaurant set forth on **Exhibit B**, and you agree and acknowledge that the terms of this Agreement apply to each and every one of such Restaurants separately and as a group. Similarly, we may exercise any and all of our rights and remedies separately on an individual Restaurant or group of Restaurants, in addition to any rights or remedies we have as to any or all of them.

B. You acknowledge and agree this Agreement does not grant you any territorial rights and there are no radius restrictions or minimum or maximum population requirements which limit where we can license or open another Subway® Restaurant, unless otherwise provided under applicable state law. We and our affiliates have unlimited rights to compete with you and to license others to compete with you. You acknowledge and agree that we and our affiliates retain the exclusive unrestricted right to produce, distribute, and sell food products, beverages, and other products and services, under the Subway® mark or any other mark, directly and indirectly, through employees, representatives, franchisees, licensees, assigns, agents, and others, at wholesale, retail, and otherwise, at any location, without restriction by any right you may have, and without regard to the location of any Subway® Restaurant, and these other stores or methods of distribution may compete with the Restaurant and may adversely affect your sales. You do not have any right to exclude, control, or impose conditions on the location or development of any Subway® Restaurant, other restaurant, store or other method of distribution, under the Subway® mark or any other mark.

3. **Term and Renewal**.

A. This Agreement shall be effective and binding from the date that we execute it and shall expire, with respect to each Restaurant, on the expiration date set forth next to such Restaurant on **Exhibit B**, unless sooner terminated pursuant to this Agreement (the "**Term**").

B. You will have the right to renew this franchise at the expiration of the initial Term of the franchise for each Restaurant as stated on **Exhibit B** for one (1) additional successive term of twenty (20) years, provided that all of the following conditions have been fulfilled with respect to the applicable Restaurant:

1. You have, during the entire Term, complied with all material provisions of this Agreement and (if applicable) the Sublease (defined below);

2. You maintain possession of the premises of the Restaurant (the "**Premises**") and by the expiration date of this Agreement you have brought the Restaurant into full compliance with the specifications and standards then applicable for new or renewing Subway® Restaurants, and you have presented evidence satisfactory to us that you have the right to remain in possession of the Premises for the duration of any renewal term or any lesser period that we approve in writing; or, in the event you are unable to maintain possession of the Premises, or in our judgment the Restaurant should be relocated, you secure substitute premises approved in writing by us and have furnished, stocked and equipped such premises to bring the Restaurant at its substitute premises into full compliance with our then-current specifications and standards by the expiration date of this Agreement;

3. You have given written notice of renewal to us no earlier than eighteen (18) months, and no later than twelve (12) months, prior to expiration of the initial Term;

4. You have satisfied all monetary obligations owed by you to us and our affiliates and you have timely met these obligations throughout the Term;

5. You agree to execute upon renewal our then-current form of Franchise Agreement (with appropriate modifications to reflect the fact that the Franchise Agreement relates to the grant of a renewal franchise, and with no further right of renewal), which agreement shall supersede in

all respects this Agreement as it pertains to the applicable Restaurant, and the applicable Restaurant will no longer be governed by this Agreement; the terms of such renewal Franchise Agreement may materially differ from the terms of this Agreement, including, without limitation, a different percentage Royalty Fee and Advertising Contribution; provided, however, you shall be required to pay a renewal fee equal to twenty five percent (25%) of our then-current standard initial franchise fee (excluding any promotions or discounts);

6. You have complied with our then-current qualification and training requirements;

7. You have executed our current form of Renewal Addendum to the then-current form of Franchise Agreement to cover the applicable Restaurant; and

8. You and your owners have executed a general release, in a form prescribed by us, of any and all claims against us and our subsidiaries and affiliates, and their respective officers, directors, agents, owners and employees.

4. **Restaurant and Approved Location**.

A. You may operate each Restaurant only at a location that we approve (in each case, an "**Approved Location**"). If we have already approved a location at the time of executing this Agreement, then the Approved Location is specified on **Exhibit B**. If we have not yet approved a location at the time of executing this Agreement, then you will be responsible for leasing a suitable site for the Restaurant. Prior to the acquisition of any site for the premises of the Restaurant, you shall submit a description of the proposed site to us accompanied by photographs depicting the proposed site, as well as any other information about the site that we may reasonably require. We will provide you with written notice of our approval or disapproval of a proposed site within fifteen (15) business days after receiving your written submission thereof and completing a physical inspection of the proposed site. If we fail to respond within such 15-day period, the site will be deemed disapproved. We may require you to executed one or more riders related to any Restaurant, each of which will be specified on Exhibit B and included as **Exhibit C**.

B. While we may provide you with our experience and expertise in a selection of a location, you hereby acknowledge and agree that our approval of a site does not constitute an assurance, representation or warranty of any kind, express or implied, as to the success or profitability of your Restaurant operated at the site. Our approval of the site indicates only that we believe the site complies with acceptable minimum criteria established by us solely for our purposes as of the time of the evaluation. Both you and we acknowledge that application of criteria that have been effective with respect to other sites and premises may not be predictive of potential for all sites and that, subsequent to our approval of a site, demographic and/or economic factors, such as competition from other similar businesses, included in or excluded from our criteria could change, thereby altering the potential of a site. Such factors are unpredictable and are beyond our control. We shall not be responsible for the failure of a site approved by us to meet your expectations as to revenue or operational criteria. You further acknowledge and agree that your acceptance of a franchise for the operation of a Restaurant at the site is based on your own independent investigation of the suitability of the site. It shall be your sole responsibility to undertake site selection activities and otherwise secure premises for the Restaurant.

C. After receiving our written approval of the location of the Restaurant, we or our affiliate shall, at our option, either: (1) lease the Premises from the owner or landlord of the Approved Location and you will execute a sublease with us for the Premises (the "**Sublease**"); (2) permit you to lease the Premises directly from the owner or landlord; or (3) permit you to own the Premises directly. In the case of (2) above, the terms of such lease must be provided to us and approved by us prior to you entering into a lease agreement (an "**Approved Lease**"). Our approval of the terms of a lease indicates only that we believe the lease complies with acceptable minimum criteria we established. You acknowledge and agree that your acceptance of a lease is based on your own independent investigation, including consultation with your own

attorney and other advisors. For purposes of this Agreement, the term "**Lease**" shall refer to a Sublease or an Approved Lease. An Approved Lease must contain a fully-executed lease rider in the form that we require (the "**Franchisor Lease Rider**"). If you execute an Approved Lease, and not a Sublease, it is your sole responsibility to obtain a fully executed Franchisor Lease Rider in connection with executing the Approved Lease. The Franchisor Lease Rider is intended to provide us with certain protections under the Approved Lease and may not benefit you or the landlord. If you or the landlord request that we consider any modifications to the Franchisor Lease Rider, and we elect to do so, we may also require you to reimburse us for all expenses we incur (including reasonable attorneys' fees) in connection with such review. We may also reject any request for modifications to the Franchisor Lease Rider for any reason.

D. You agree that upon obtaining possession of the Approved Location for the Restaurant, you will: (i) cause to be prepared and submit for our approval a site survey and any modifications to our basic plans and specifications (not for construction) for a Restaurant (including requirements for dimensions, exterior design, materials, interior design and layout, equipment, fixtures, furniture, signs and decorating) at the Approved Location, provided that you may modify our basic plans and specifications only to the extent required to comply with all applicable ordinances, building codes and permit requirements and only with prior written approval by us; (ii) obtain all required zoning changes; all required building, utility, health, sanitation, and sign permits and licenses and any other required permits and licenses; (iii) purchase equipment, fixtures, furniture and signs as provided herein; (iv) complete the construction and/or remodeling, equipment, fixture, furniture and sign installation and decorating of the Restaurant in full and strict compliance with plans and specifications therefor approved in writing by us and with all applicable ordinances, building codes and permit requirements; (v) obtain all customary contractors' sworn statements and partial and final waivers of lien for construction, remodeling, decorating and installation services; and (vi) otherwise complete development of and have the Restaurant ready to open and commence the conduct of its business in accordance with this Agreement.

E. You acknowledge and agree that we may from time to time designate the maximum amount of debt that a Restaurant may service, and you will ensure that you comply with such limits. You will ensure that you have sufficient cash at all times, through equity capital contributed to you by your owners, to comply with any such requirement.

F. If the Lease terminates without your fault, or if the site is destroyed, condemned or otherwise rendered unusable without your fault, or if in our judgment there is a change in character of the location of the Restaurant sufficiently detrimental to its business potential to warrant its relocation, we will grant permission for relocation of the Restaurant to a location and site acceptable to us. Any such relocation shall be at your sole expense and we shall have the right to charge you for any costs incurred by us, and a reasonable fee, in connection with any such relocation of the Restaurant.

G. If you own the Premises, you represent and warrant that as of the Agreement Date: (a) you or your affiliate (that you control, either directly or indirectly) are the rightful owner in fee simple of the Premises; (b) you have the right to occupy the Premises and operate the Restaurant without restriction through the Expiration Date of this Agreement; and (c) you have no knowledge of any fact or circumstance which would give rise to any claim, demand, action or cause of action arising out of, or in connection with, your occupancy of the Premises. You are required to operate the Restaurant at the Premises through the Expiration Date, and you may not relocate the Restaurant without our prior written consent. You agree that, in the event that you or your affiliate wishes to sell the Premises prior to the Expiration Date, you shall, prior to the sale, agree to enter into a lease with the buyer, which must be an Approved Lease, that does not expire until on or after the Expiration Date, and the terms of such Approved Lease must be provided to us and approved in writing by us prior to you entering into the Approved Lease. Our approval of the terms of an Approved Lease indicates only that we believe the Approved Lease complies with acceptable minimum criteria we established. You acknowledge and agree that your acceptance of the Approved Lease is based on your own independent investigation, including consultation with your attorney and other advisors. The Approved Lease must contain a Franchisor Lease Rider in the form that we require, and it is your sole

responsibility to obtain it and deliver a counterpart to us. The Franchisor Lease Rider is intended to provide us with certain protections under the Approved Lease and may not benefit you or your landlord. If you or the landlord requests that we consider any modifications to the Franchisor Lease Rider, and we elect to do so, we may also require you to reimburse us for all expenses we incur (including reasonable attorneys' fees) in connection with such review. We may also reject any request for modifications to the Franchisor Lease Rider for any reason.

H. You must pay to us a Restaurant Design charge, related to remodeling or relocation of your Restaurant, as follows: (1) for remodels: currently, $1,000 for 1 original floor plan plus one revision floor plan and $250 for each additional revision floor plan; (2) for new Restaurants and relocations: $1,000 for 1 original floor plan plus 2 revision floor plans, and $250 for additional revision floor plan. For remodels, the $1,000 charge is waived if the remodel is completed within 6 months from the date the last floor plan was provided. Additional revision charges will not be waived under any circumstance. For new Restaurants and relocations, the $1,000 charge is waived if the buildout is completed within 12 months from the date the last floor plan was provided. Additional revision charges will not be waived under any circumstance. Nothing in this paragraph is intended to modify your requirement to otherwise timely complete the construction and/or relocation of your Restaurant, as applicable, in accordance with this Agreement, and failure to perform in accordance with such requirements is a material breach of this Agreement. We may increase this charge from time to time.

5. **Equipment, Fixtures, Furniture and Signs**.

A. We shall provide you with specifications for brands and types of food and beverage preparation, dispensing, storage and display equipment, POS System, other equipment, fixtures, furniture, exterior and interior signs and decoration required for the Restaurant. Specifications may include minimum standards for performance, warranties, design and appearance and local zoning, sign and other restrictions. You may purchase or lease original and replacement equipment, fixtures, furniture, signs and decorating materials and services meeting such specifications from any source, except as we provide otherwise in this Agreement, the Confidential Operations Manual, published policies, procedures or guidelines or other written materials we may issue from time to time. If you propose to purchase or lease any item of equipment or furniture or any fixture, sign or decorating materials not theretofore approved by us as meeting our specifications, you shall submit your request in writing to us before purchasing or leasing any item and such item shall be purchased only following our written consent approving same. We will not be obligated to respond to your request, and any actions we take in response to such request will be at our sole discretion. Any such equipment, fixtures, furniture, signs and decorating materials bearing the name Subway® or other Marks will remain Subway US IP Holder's property even though you may have paid a third party to make the equipment, fixtures, furniture, signs or decorating materials. We have the right to physically remove any such equipment, fixtures, furniture, signs or decorating materials from the Premises if we believe it is necessary to protect the goodwill associated with the Marks.

B. You shall comply with all specifications for brands and types of food and beverage preparation, dispensing, storage and display equipment, POS System, other equipment, fixtures, furniture, exterior and interior signs and decoration for use in the Restaurant that we require from time to time.

6. **Training and Operational Assistance**.

A. Within ___ days of the Agreement Date, we will train your Designated Manager(s), as that term is defined in this Agreement, on establishing and independently operating a Subway® Restaurant. The training program will be at a location we choose and may include web-based courses. We may waive this obligation, in our discretion, for Designated Managers who have successfully completed the training program prior to the Agreement Date.

B. Your Designated Manager(s) or your employee(s) who attend may be dismissed from the training program and this Agreement may be terminated, with no refund of any fees paid by you to us, if you, your Designated Manager(s) or your employee(s) materially fail to act in accordance with our Code of Business Conduct during the training program (which will be made available to you at or before attending the training program).

C. We will train up to two (2) persons without a tuition charge, one of whom must be you or a Designated Manager, and the other person may be a second Designated Manager or other employee. You are responsible for all travel, lodging, meal and wage expenses for all who attend, and you are also responsible for initial training related tuition for any persons beyond the two (2) included persons. We may require you to replace any managers (including any of the Designated Managers) who we determine are not qualified or suitable to operate a Subway® Restaurant.

D. Each of your employees shall complete a training program as prescribed in the Confidential Operations Manual on Restaurant operations and standards only, and it will not address any terms or conditions of employment.

E. If the training program is not completed to our satisfaction, additional training may be required at your expense. If we determine that you or your Designated Managers are unable to satisfactorily complete the training program, we shall have the right to terminate this Agreement upon written notice to you.

F. We from time to time may provide and may require that previously trained and experienced franchisees or their managers or employees attend and successfully complete refresher training programs or seminars to be conducted at such locations as may be designated by us, and at your expense, including courses provided by third-parties we designate, or by a representative or Field Operation Team member; provided, however, that attendance will not be required at more than four (4) such programs in any calendar year.

7. **Computer System**.

A. You will use a computer or tablet-based point-of-sale system (the "**POS System**") including software and hardware that we specify to record and report all sales and other designated business information to us. You have the sole and complete responsibility for: (a) acquiring, operating, maintaining and upgrading the POS System and any other computer hardware, software, cash register and other equipment required by us from time to time (the "**Computer Systems**"); (b) ensuring that the Computer Systems interface with our systems and those of third parties in the manner that we require from time to time; and (c) any and all consequences that may arise if the Computer Systems are not properly operated, maintained, and upgraded. You must also accept credit card and debit card payments, contactless and mobile device payments, and any other forms of payment we periodically require in the Confidential Operations Manual or otherwise, and participate in our gift card, loyalty, rewards and related programs at your expense. To maintain a competitive advantage in the quick service restaurant industry, you may be required to invest in and implement new technology and digital initiatives at your own expense. You acknowledge that you will be required (if permitted by local law) to enter into software or hardware license agreements and other technology programs/initiatives during the Term, including without limitation hardware-as-a-service agreements, and you will accept and consent to any such agreements, programs or initiatives electronically or as we otherwise direct.

B. You acknowledge and agree that the software you are required to use, if permitted by local law, has remote access capabilities and that we or our designee may, from time to time, remotely access your POS System and other Computer Systems in order to maintain system security, perform routine system maintenance, provide technical support, increase operational efficiency, install updates to software programs and/or applications, or install or remove software programs and/or applications. We may also

retrieve information, such as transaction data and technical data, from your POS System or other Computer Systems at any time. You will not use, offer or sell to other franchisees any software applications or other technology products or services that use the Marks or that we designate as proprietary, unless we approve in writing.

C. You must use your best efforts to protect us or the customers against a cyber-event, identity theft or theft of personal information. You must at all times be in compliance with applicable Laws and regulations relating to data privacy, data security and security breaches; and our security policies and guidelines, all as they may be amended from time to time.

D. We reserve the exclusive right to establish, modify, and enforce all rules governing the use, integration, procurement, and oversight of artificial intelligence systems or tools within the Restaurant. You agree to comply with the standards and policies that we may issue concerning the acquisition and use of artificial intelligence technologies in the Restaurant. Upon notice from us, you shall promptly implement any required changes, discontinue any prohibited uses, and provide all information reasonably requested to verify compliance with the foregoing. Any permitted uses of artificial intelligence systems or tools within the Restaurant by you shall be in accordance with the terms and conditions of this Agreement, including with respect to the limitations on the use and disclosure of our confidential information.

8. **Intellectual Property**.

A. You acknowledge that our affiliate, Subway US IP Holder, is the owner of the Marks, and your right to use the Marks is derived solely from this Agreement and is limited to the conduct of business by you pursuant to and in compliance with this Agreement and all applicable standards, specifications, and operating procedures prescribed by us from time to time during the Term. Any unauthorized use of the Marks by you shall be a breach of this Agreement and an infringement of the rights of us and Subway US IP Holder in and to the Marks. You acknowledge and agree that all usage of the Marks by you and any goodwill established by your use of the Marks shall inure to the exclusive benefit of Subway US IP Holder and us and that this Agreement does not confer any goodwill or other interests in the Marks upon you. You shall not, at any time during the Term or after its termination or expiration, contest the validity or ownership of any of the Marks or assist any other person in contesting the validity or ownership of any of the Marks. All provisions of this Agreement applicable to the Marks apply to any additional trademarks, service marks, and commercial symbols authorized for use by us after the date of this Agreement.

B. You shall not use any Mark (i) as part of any corporate or trade name, (ii) as part of any website, app, domain name, email address, social media account, user name, other online presence, other digital platform or identification of yourself in any electronic medium of any kind ("**Online Presence**"), except in accordance with our guidelines set forth in the Confidential Operations Manual or otherwise in writing by us from time to time, (iii) with any prefix, suffix, or other modifying words, terms, designs, or symbols, (iv) in any modified form, (v) in connection with the sale of any unauthorized product or service, or (vi) in any other manner not expressly authorized in writing by us, including without limitation in a manner that degrades, diminishes, or detracts from the goodwill associated with the Marks, or which, in our sole opinion, is scandalous, immoral, or satirical. You agree to give such notices of trademark and service mark registrations as we specify and to obtain such fictitious or assumed name registrations as may be required under applicable law. You may not use any Mark in advertising the transfer, sale, or other disposition of your Restaurant or an ownership interest in you without our prior written consent. You shall not use any of the Marks in any manner which has not been specified or approved by us in writing.

C. You shall immediately notify us in writing of any apparent infringement of or challenge to your use of any Mark, and of any claim by any person of any rights in any Mark or any similar trade name, trademark, or service mark of which you become aware. You shall not directly or indirectly communicate with any person other than us, Subway US IP Holder, and our or their counsel in connection with any such

infringement, challenge, or claim. We and Subway US IP Holder shall have the right to take such action as we and/or Subway US IP Holder deem appropriate and the right to exclusively control any litigation, U.S. Patent and Trademark Office proceeding or other administrative proceeding arising out of such infringement, challenge or claim or otherwise relating to any Mark. You agree to execute any and all instruments and documents, render such assistance, and do such acts and things as may, in the opinion of our or Subway US IP Holder's counsel, be necessary or advisable to protect and maintain the interests of us or Subway US IP Holder in any such litigation, U.S. Patent and Trademark Office proceeding, or other administrative proceeding or to otherwise protect and maintain the interests of us and Subway US IP Holder in the Marks.

D. We agree to indemnify you against, and to reimburse you for, all damages for which you are held liable in any proceeding in which your use of any Mark pursuant to and in compliance with this Agreement, the Confidential Operations Manual and our other written guidelines is held to constitute trademark infringement, unfair competition or dilution, and for all costs reasonably incurred by you in the defense of any such claim or in any such proceeding in which you are named as a party, provided that you have timely notified us of such claim or proceeding and have otherwise complied with this Agreement and that we shall have the right to defend any such claim.

E. If it becomes advisable at any time for us and/or you to modify or discontinue use of any Mark, and/or use one or more additional or substitute trade names, trademarks, service marks, or other commercial symbols, you agree to comply with our directions within a reasonable time after our notice to you, and we shall have no liability or obligation whatsoever with respect to your modification or discontinuance of any Mark or expenses incurred in connection therewith.

F. In order to preserve the validity and integrity of the Marks and copyrighted material licensed herein and to assure that you are properly employing the same in the operation of the Restaurant, we or our agents shall have the right of entry and inspection of the Premises at all reasonable times and, additionally, shall have the right to observe the manner in which you are rendering your services and conducting your operations, to confer with your employees and customers, to inspect your Computer Systems (including hardware, software, security, configurations, connectivity, and data access), and to select ingredients, food and non-food products, beverages, and other items, products, materials and supplies for test of content and evaluation purposes to make certain that the services, ingredients, products, materials, equipment and operations are satisfactory and meet the quality control provisions and performance standards established by us.

G. You agree not to, and to use your best efforts to cause your parents, subsidiaries and affiliates, and your and their respective owners, officers, directors, employees, managers, agents, representatives, spouses, heirs, predecessors, successors, and assigns not to, disparage or otherwise speak or write negatively, directly or indirectly, of us or our parents, subsidiaries, and affiliates, and our and their respective current and former owners, officers, directors, employees, managers, agents, representatives, predecessors, successors, and assigns or our or their current and former franchisees, Business Developers ("**BDs**", f/k/a Business Development Agent or "BDA"), developers, area developers or the Subway® brand, the System, or any other service-marked or trademarked concept of us, or which would subject the Subway® brand to ridicule, scandal, reproach, scorn, or indignity or which would negatively impact the goodwill of us, our affiliates, the Subway® brand or the Marks.

9. **Confidential Operations Manual**.

A. We will make available to you during the Term, in the format that we choose (electronic, hardcopy, or both), an operations manual containing mandatory specifications, standards, operating procedures and rules prescribed from time to time by us for Subway® Restaurants and information relative to other of your obligations hereunder and the operation of the Restaurant (the "**Confidential Operations Manual**"). The mandatory specifications, standards, operating procedures and rules prescribed from time

to time by us for Subway® Restaurants are referred to herein as the "**System Standards**". The Confidential Operations Manual contains our proprietary information and shall be kept confidential by you both during the Term and subsequent to the expiration or termination of the Term. The Confidential Operations Manual includes all policies, procedures, specifications, rules and guidelines that we may promulgate or revise from time to time and publish via an intranet, the internet, in other electronic media, or in other written format. We shall have the right to add to and otherwise modify the Confidential Operations Manual from time to time to reflect changes in the System Standards.

B. The Confidential Operations Manual shall at all times remain the sole property of us and any hardcopy version thereof that we may have provided to you shall promptly be returned to us upon the expiration or termination of this Agreement.

C. You shall at all times ensure that the Confidential Operations Manual is available at the Premises in a current and up-to-date manner, and in the event of any dispute as to the contents of the Confidential Operations Manual, the terms of the master copy of the Confidential Operations Manual maintained by us at our home office shall be controlling.

10. **Standards of Quality and Performance**.

A. You shall commence operation of the Restaurant not later than twelve (12) months from the Agreement Date, or as otherwise approved in writing by us. Prior to such opening, you shall have procured all necessary licenses, permits, and approvals, including but not limited to construction permits, shall have hired and trained personnel, made all leasehold improvements, and purchased initial inventory. If you for any reason fail to commence operations as herein provided, unless you are precluded from doing so by war or civil disturbance, natural disaster or organized labor dispute that precludes such timely commencement of operation, such failure shall be considered a default and we may terminate this Agreement. Once you have commenced operation of the Restaurant, you must actively and continuously operate the Restaurant during normal business hours (as we may periodically prescribe in the Confidential Operations Manual or elsewhere in writing) for the entire duration of the Term.

B. You agree to maintain (or cause to be maintained) the condition and appearance of the interior and exterior of the Premises consistent with our quality controls and standards for the image of a Subway® Restaurant as an attractive, pleasant and comfortable facility conducive to patronage and impulse buying by its customers. You agree to carry out such maintenance of the Restaurant as is from time to time required to maintain or improve the appearance and efficient operation of the Restaurant, including replacement of worn out or obsolete fixtures and signs, repair of the exterior and interior of the Restaurant and redecorating. If at any time in our business judgment the general state of repair or the appearance of the Premises or its equipment, fixtures, signs or decor does not meet our quality control and standards therefor, we shall so notify you, specifying the action to be taken by you to correct such deficiency. If you fail or refuse to initiate within thirty (30) days after receipt of such notice, and thereafter continue, a bona fide program to complete any required maintenance, we shall have the right, in addition to all other remedies, to enter upon the Premises and effect such repairs, painting, decorating or replacements of equipment, fixtures or signs on your behalf and you shall pay the entire costs thereof on demand. Your obligation to initiate and continue any required maintenance shall be suspended during any period in which such maintenance is commercially impractical due to war, civil disturbance, natural disaster, organized labor dispute or other event beyond your reasonable control.

C. You must bring all Restaurants into compliance with our System Standards on or before the Remodel Due Date set forth on Exhibit B (in each case, a "**Remodel Due Date**"). You may identify certain Restaurants for relocation, subject to our approval. If a Restaurant is identified for relocation and approved by us before its Remodel Due Date, that Restaurant will be considered remodeled as of the Remodel Due Date; *provided that*, you, to our satisfaction, relocate and re-open the identified Restaurant to our specifications within 18 months of our approval. No later than ninety (90) days after the Agreement

date, you agree to upgrade or replace any equipment in accordance with the equipment requirements set forth in the Confidential Operations Manual. The parties agree that time is of the essence with respect to your equipment obligations.

D. In our sole discretion, we may permit you to close certain Restaurants operated by you under this Agreement. You must provide us with 60 days' prior written notice of your desire to close a Restaurant, which shall include an explanation of the reasons for the closure for our consideration. If we permit you to close the Restaurant, you must comply with all post-termination obligations set forth in this Agreement as they apply to the closed Restaurant, and you must cooperate with us or our designee during the closure process, including with respect to matters such as disidentification. Our failure to respond to your notice of your desire to close a Restaurant shall be deemed our disapproval of such closure. Any Restaurant closed in accordance with this paragraph shall be deemed remodeled and upgraded on or before the Remodel Due Date.

E. You shall make no material alterations to the improvements of the Restaurant nor shall you make material replacements of or alterations to the equipment, fixtures or signs of the Restaurant without our prior written approval.

F. The Approved Location shall be used solely for the purpose of conducting a Subway® Restaurant.

G. Except if you are prohibited from selling products under applicable law or under the terms of the Restaurant lease, you agree that you will offer for sale and sell at the Restaurant all types of sandwiches, food, drinks and other products that we from time to time authorize, and that you will not offer for sale or sell at the Premises any other food product, beverage, confection or non-food product whatsoever or use the Premises for any purpose other than the operation of the Restaurant in full compliance with this Agreement. You further agree that you will participate in any gift certificate, gift card and/or loyalty card programs that we require. To the extent allowed by applicable law, you must comply with our minimum, maximum, and other pricing requirements for sandwiches and other products and services offered by the Restaurant, as well as comply with our pricing methods and procedures for in-store, curbside, delivery, catering (including online catering), on-line/electronic and any other types of orders, including but not limited to advertising and marketing promotions.

H. From time to time, we shall provide to you in the Confidential Operations Manual or otherwise in writing a list of approved manufacturers, suppliers, and distributors and approved food and non-food products, fixtures, equipment, signs, stationery, supplies, and other items or services necessary to operate the Restaurant. Such list shall specify the manufacturer, supplier and distributor and the food and non-food products, fixtures, equipment, signs, stationery, supplies and services that we have approved to be carried or used in the System. We may revise the approved list of manufacturers, suppliers and distributors and the approved list of food and non-food products, fixtures, equipment, signs, stationery, supplies, and other materials from time to time. Such approved list shall be submitted to you in a form that we deem advisable. You must respond to the recall of any products in the manner and at the time that we specify.

I. All sandwiches, menu items, breads, meats, cheeses, ingredients, toppings, spices, mixes and other food and beverage products and materials, containers, packaging materials, other paper and plastic products, plates, cups, utensils, menus, uniforms, forms, cleaning and sanitation materials and other materials and supplies used in the operation of the Restaurant shall conform to the specifications and quality standards established by us from time to time in the Confidential Operations Manual or otherwise. Except as otherwise provided herein, you may only purchase such products that meet our specifications and quality standards from suppliers approved by us as meeting our criteria for Subway® Restaurant suppliers, such criteria and suppliers being subject to change by us from time to time. If you propose to offer for sale at the Restaurant any brand of product, or to use in the operation of the Restaurant any brand of food ingredient

or other material or supply, that is not then approved by us as meeting our minimum specifications and quality standards, or to purchase any product from a supplier that is not then designated by us as an approved supplier, you shall submit your request in writing to us before purchasing or leasing any such ingredient, material or supply, and its purchase or lease may not be made by you absent our prior written consent. We will not be obligated to respond to your request, and any actions we take in response to such request will be at our sole discretion, including the assessment of a fee to compensate us for the time and resources we spend in evaluating the ingredient, material or supply. If we do not respond to your request within thirty (30) days, the request shall be deemed denied. We reserve the right from time to time to examine the facilities of any approved supplier or distributor and to conduct reasonable testing and inspection of the ingredients, materials or supplies to determine whether they meet our standards and specifications. We also reserve the right to charge fees for testing and evaluating proposed suppliers or distributors and to impose reasonable limitations on the number of approved suppliers or distributors of any product. Approval of a supplier or distributor may be conditioned on requirements relating to frequency of delivery and standards of service, including prompt attention to complaints and the ability to service and supply Subway® Restaurants within areas designated by us.

J. In addition to the specific operating standards and specifications set forth above, you agree to fully comply with the System Standards in effect from time to time as set forth in the Confidential Operations Manual or otherwise communicated to you by us in writing (including by intranet or other electronic means).

K. You shall secure and maintain in force all required licenses, permits and certificates relating to the leasing, construction, opening, and operation of the Restaurant and shall operate the Restaurant in full compliance with all applicable laws, ordinances and regulations, including without limitation all government regulations relating to occupational hazards and health, consumer protection, trade regulation, worker's compensation, unemployment insurance and withholding and payment of Federal and State income taxes and social security taxes and sales, use and property taxes. You agree to refrain from any merchandising, advertising or promotional practice that is unethical or may be injurious to our business and/or other Subway® Restaurants or to the goodwill associated with the Marks. Upon request, you will forward to us copies of any documentation relating to these items.

L. The Restaurants shall at all times be under the on-premises supervision of a trained and competent employee acting as full-time manager. Since you will operate more than one franchise and will not be in a position to devote your full time to directly operating each Restaurant business, we require you to designate one or more competent managers who have completed the training requirements to hold the position of full-time managers (each a "**Designated Manager**") for the Restaurant. You must, upon our request, keep us informed at all times of the identity of any other employee(s) acting as manager(s) of the Restaurant. We shall make training available, as is necessary in our judgment, for all managers who you designate. We shall provide such training at the then-current published rates. You agree that you will at all times faithfully, honestly and diligently perform your obligations hereunder and that you will not engage in any other business or activities that, in our judgment, will conflict with your obligations hereunder.

M. You will be solely responsible for all costs of building and operating the Restaurant, including, but not limited to, construction costs and permits, equipment, furniture, fixtures, signs, advertising, insurance, food products, labor, utilities, rent, fees, customs, stamp duty, other duties, governmental registrations, sales tax and other taxes. You must register to collect and pay sales taxes before you open the Restaurant, and you must maintain these registrations during the Term. You shall promptly pay when due all taxes levied or assessed on your Restaurant operation, including, without limitation, unemployment and sales taxes, and all accounts and other indebtedness of every kind that you incur in the operation of the Restaurant. You shall promptly pay to us the amount equal to all taxes levied or assessed, including, but not limited to, sales taxes, use taxes, withholding taxes, excise taxes, personal property taxes, intangible property taxes, gross receipt taxes, taxes on royalties (including without limitation the Royalty Fee and Advertising Contributions), any similar taxes or levies imposed upon, or required to be collected

or paid by us by reason of the furnishing of products, intangible property (including trademarks and trade names), or service by us to you through the sale, license or lease of property or property rights provided by this Agreement. The foregoing does not include tax on your net income. You will, at your sole discretion, recruit, hire, terminate, discipline and supervise all Restaurant employees, set pay rates, and pay all wages and related amounts, including any employment benefits, unemployment insurance, withholding taxes or other sums. You will reimburse us for any such costs that we must pay in connection with your operation of the Restaurant.

N. You and your owners represent and warrant to us that all statements, documents, materials, and information submitted to us, including the application for the rights granted by this Agreement are true, correct and complete in all material respects, and there have been no material omissions. You and your owners agree to comply with any and all laws, regulations, Executive Orders or otherwise of any kind, including those relating to anti-terrorist activities, such as, without limitation Executive Order 13224 and related U.S. Treasury and other regulations. You confirm that you and your owners, officers and directors are not listed on the Annex to Executive Order 13224 (or any subsequent or related order) and you agree not to hire any person so listed or have any dealing with a person so listed (the Annex is currently available at www.treasury.gov). You are solely responsible for ascertaining the actions that must be taken to comply with such laws, orders and/or regulations.

O. You must implement all administrative, physical and technical safeguards necessary to protect any information that can be used to identify an individual, including without limitation names, addresses, telephone numbers, e-mail addresses, employee identification numbers, signatures, passwords, financial information, credit card information, biometric or health data, government-issued identification numbers and credit report information ("**Personal Information**") in accordance with applicable laws and industry best practices. Without limiting the foregoing, you must comply with the Payment Card Industry Data Security Standard (commonly known as "**PCI Compliance**" or "**PCI-DSS**"), and any successor thereto. It is entirely your responsibility (even if we provide you any assistance or guidance in that regard) to confirm that the safeguards you use to protect Personal Information comply with all applicable laws and industry best practices related to the collection, access, use, storage, disposal and disclosure of Personal Information. If you become aware of a suspected or actual breach of security or unauthorized access involving Personal Information, you will notify us immediately and specify the extent to which Personal Information was compromised or disclosed.

P. You acknowledge and agree that the foregoing standards of quality and performance are reasonable and necessary to preserve the identity, reputation, value and goodwill of the System. In the event that any cash rebates, mark ups, volume discounts, concessions, advertising allowances, or discount bonuses (collectively "**Rebates**"), whether by way of cash, kind or credit, are available to or received by us and/or our affiliates from any third party, whether or not on account of purchases made (i) by us for our own account or for your account, or franchisees generally; or (ii) by you directly for your own account, we and/or our affiliates shall be entitled to retain the whole of the amount or any part of such Rebates. You acknowledge and agree that we and/or our affiliates have the right to realize a profit on any goods or services that we and/or our affiliates supply to you.

11. **Delivery Services**.

A. You must provide delivery services in compliance with the Confidential Operations Manual and as we otherwise specify in writing from time to time. We may authorize you to provide delivery services directly to end user customers, through approved third-party delivery service providers (each a "**Third-Party Delivery Provider**") or through such other delivery methods as we approve in advance in writing.

B. You will not receive any exclusive or protected delivery area around your Restaurant for engaging in delivery or sale for delivery of sandwiches and other food products ("**Delivery Activities**").

We may establish from time to time geographic areas within which you may perform Delivery Activities (your "**Delivery Area**"). We may restrict where you may engage in Delivery Activities, and we may designate one or more Third-Party Delivery Providers as the sole or designated Third-Party Delivery Provider(s) and require you to contract with and comply with your agreements with them. We may require you to direct customers for Delivery Services outside of your Delivery Area to other Subway® Restaurants or decline to sell sandwiches and other food products to them. We may permit Third-Party Delivery Providers to direct and allocate Delivery Activities among delivery service areas they or we may designate. Because of the evolving nature of the food to-go and delivery service sector, these standards and policies for Delivery Activities may change and evolve at any time. We will not be liable for any reduction in your sales or profits as a result of these Delivery Activities or for engaging in Delivery Activities.

C. You must comply with all laws at all times in offering Delivery Activities, including, but not limited to, obtaining and maintaining all required permits, licenses, consents and waivers required by any laws. You also agree to comply fully with the standards for third-party ordering and delivery services as established by us from time to time, including, but not limited to: using such food containers, thermal bags or other storage devices we may designate to the Third-Party Delivery Provider or you; providing such amount of additional condiments, napkins and utensils as we deem appropriate; sealing the delivery bags with the appropriate tamper-evident sticker or other approved methods; and ensuring the food safety, quality and temperature maintenance of sandwiches and other food products. You are solely responsible for maintaining adequate insurance to cover any liability that may arise from the use of Third-Party Delivery Providers (or other delivery methods) for Delivery Activities from your Restaurant and comply with our requirements for such insurance.

D. Unless approved in advance in writing by us, you will not: (a) advertise, promote or make any media statements about any Third-Party Delivery Provider; or (b) purport to authorize or consent to any Third-Party Delivery Provider to advertise or promote its own products or services using any of the Marks.

E. We reserve the right to periodically designate Third-Party Delivery Providers in our sole judgment. If you want to use a Third-Party Delivery Provider that we have not yet approved, you must first submit the name of such proposed Third-Party Delivery Provider and other sufficient information for us to evaluate whether the Third-Party Delivery Provider meets our criteria. We may condition our approval of a Third-Party Delivery Provider on such provider agreeing to provide periodic delivery sales reports directly to us and such other requirements relating to reliability, consistency, standards of service (including prompt attention to complaints) and/or other criteria, and may not use the Third-Party Delivery Provider absent our written consent. We may receive fees from Third-Party Delivery Providers in return for designating them as approved or designated for Subway® Restaurants and may negotiate with them for our benefit or that of Subway® Restaurants. We reserve the right periodically to revoke our approval of any Third-Party Delivery Provider that does not continue to meet our criteria. Notwithstanding the foregoing, you agree that we may limit the number of Third-Party Delivery Providers with whom you may deal, designate Third-Party Delivery Providers that you must use, and/or refuse any of your requests for any reason, including if we have already designated an exclusive Third-Party Delivery Provider for the System or if we believe that doing so is in the best interests of the System.

F. You agree to grant us access to, or otherwise collect and report in the form and manner desired by us, all operational, financial and other information concerning the Delivery Activities provided from your Restaurant, including, but not limited to, all Gross Sales, transactions and guest count data, product mix, service time data and financial results. We will have permission to access Gross Sales, guest count, and other operational data, including, without limitation, staffing and customer satisfaction data from the relevant Third-Party Delivery Provider and your Restaurant.

G. You may not establish "ghost kitchens" (separate facilities for food preparation, typically for preparation of delivery orders) without our prior, written approval, and if we grant such approval then you must comply with any and all guidelines that we may establish and modify from time to time.

12. **Modification of the System**. You recognize and agree that from time to time we may change or modify the System, including the adoption and use of new or modified trade names, trademarks, service marks or copyrighted materials, new menu items, new products, new equipment or new techniques and that you will accept, use and display for the purpose of this Agreement any such changes in the System, as if they were part of this Agreement at the time of execution hereof. Within the timeframes that we may reasonably require, you will make such expenditures as such changes or modifications in the System as we may reasonably require, including but not limited to repairs, upgrades and remodels. You shall not change, modify or alter in any way the System without our prior written consent. You will be provided with reasonable notice of any material updates or changes to the System or the Confidential Operations Manual.

13. **Fees and Contributions**.

A. **Franchise Fee**. You are not required to pay us our standard initial franchise fee. The parties acknowledge that the transfer fee of up to $7,500 per Restaurant must have been paid by the transferor and received by us prior to the effectiveness of this Agreement.

B. **Royalty Fee**. You shall pay to us without offset, credit or deduction of any nature unless otherwise permitted by us in writing, so long as this Agreement shall be in effect, a royalty fee equal to eight percent (8%) of Gross Sales of the Restaurant on a weekly basis or other periodic basis that we may determine from time to time (the "**Royalty Fee**").

C. **Advertising Contributions**. You shall pay without offset, credit or deduction of any nature, to us, so long as this Agreement shall be in effect, advertising contributions equal to four and one-half percent (4.5%) of Gross Sales of the Restaurant on a weekly basis or other periodic basis that we may determine from time to time ("**Advertising Contributions**").

D. **Restaurant Excellence Visits**. We or a third-party that we authorize will conduct periodic "**Restaurant Excellence Visits**" as set forth in the Confidential Operations Manual or otherwise in writing. We will not charge you for these Restaurant Excellence Visits. However, if you receive a "Fail" score (as determined by us or the third-party conducting the Restaurant Excellence Visit), you will be required to pay a fee of $144.91 (the "**Revisit Fee**") for a subsequent Restaurant Excellence Visit (a "**Revisit**"). You will receive a Revisit until you achieve a score of "Pass", and you will pay the Revisit Fee for each Revisit. The Revisit Fee is subject to increase by 3% per year. Effective January 1, 2027, the Revisit Fee will increase to $149.26 per revisit (subject to increase by 3% per year).

E. **Restaurant Technology Fee; Digital Technology Fee**. You will pay us a "**Restaurant Technology Fee**" for the Software of $75 per month, payable per Restaurant. This cost covers development and maintenance of the Software for each POS system terminal in the Restaurant as well as other restaurant technology. We will charge this fee to your pre-authorized account with us. We reserve the right to increase this fee at any time without notice to you. In addition to the Restaurant Technology Fee, we reserve the right to charge in the future a "**Digital Technology Fee**" to cover our costs of development, infrastructure and support of programs including our Subway® App, Online Ordering, Third-Party Delivery platform support, Digital Menu Boards and Social Media Platforms.

F. **Legacy Support Fee**. To cover our costs related to any non-compliance, you must pay to us or our affiliate the "**Legacy Support Fee**" if you do not comply with our technology standards and specifications, fail to return hardware, fail to upgrade systems, fail to allow access in a timely manner, install unauthorized software, or attempt to hack or circumvent our software, all as provided in this Agreement, any other agreement between you, on the one hand, and us or our affiliate on the other hand,

or otherwise as set forth in the Confidential Operations Manual or otherwise in writing. The Legacy Support Fee is currently $200 for each month that you are not in compliance with any of the foregoing, per Restaurant. We reserve the right to increase the Legacy Support Fee at any time without notice to you.

G. **Digital Menu Boards Hardware-as-a-Service Fee**. You will pay us a monthly fee for our Digital Menu Board Hardware-as-a-Service ("**DMB HaaS**") program, currently $155 per month per Restaurant. DMB HaaS includes service, installation, maintenance and help-desk support for digital menu boards in your Restaurant. We reserve the right to increase the DMB HaaS fee at any time without notice to you.

H. **Extended Producer Responsibility.** You acknowledge and agree that if we or any of our affiliates are required to pay fees or expenses in connection with extended producer responsibility ("EPR") programs, whether imposed by applicable law, regulation, a producer responsibility plan, or a producer responsibility or stewardship organization, you may be required to reimburse us or our affiliate for all such fees and expenses attributable to the Restaurant, including our or our affiliate's reasonable costs and expenses incurred in complying with the EPR program on your behalf.

I. **Payment Terms**. The following terms and conditions apply to all payments due to us from you:

1. On or before Thursday at 3:00 p.m. Eastern Time of each week (or such other day and time as prescribed by us from time to time), you will submit to us in the format that we require a correct statement of the Gross Sales of the Restaurant for the preceding week ending Tuesday (or such other day as prescribed by us from time to time). Such Gross Sales statement shall be submitted through our designated control system, using approved POS System hardware and software, to the location we designate. Each weekly statement (or other periodic statement that we designate) of Gross Sales shall be accompanied by the Royalty Fee and Advertising Contributions payment based on the Gross Sales reported in the statement so submitted. You will make available to us for reasonable inspection at reasonable times and through reasonable means determined by us (including electronic), all original books and records (electronic and hard copy) that we may deem necessary to ascertain the Gross Sales of the Restaurant.

2. The term "**Gross Sales**" as used herein, shall mean and include the aggregate amount of all sales of food products, beverages and other merchandise, products and services of every kind or nature sold from, at or in connection with the Restaurant or arising out of the operation or conduct of business by the Restaurant, less any customer refunds up to the amount of the sales price and excluding all sales, use or service taxes collected and paid to the appropriate taxing authority. "**Gross Sales**" shall include: (a) all amounts redeemed from gift certificates, gift cards or similar media, and sales made through alternative platforms, (b) all insurance proceeds received by you for loss of business due to a casualty or other event at the Restaurant, and (c) the fair market value of any services or products received by you in barter or exchange for your services or products.

3. All amounts you owe under this Agreement or any other Franchise Agreement, Sublease or other agreement that you have with us or any of our affiliates must be paid through electronic funds transfer in the manner we designate, unless we specify otherwise. These amounts include Royalty Fees, Advertising Contributions, interest, late fees, and any and all other charges that you owe. Before the Restaurant opens, you will sign and deliver to us appropriate electronic funds transfer preauthorized draft forms (or forms serving the same purpose) for the Restaurant's checking account (the "**Pre-authorized Account**"). Upon our request, you agree to sign any additional documents we require to authorize us and our affiliates to debit your Pre-authorized Account. You hereby authorize us and our affiliates to debit your Pre-authorized Account for the Royalty Fees, Advertising Contributions, amounts due for purchases by you from us or our

affiliates, and all other amounts due us or our affiliates under this Agreement, under any other agreement with us or our affiliate, or otherwise. You agree to ensure that funds are available in the Pre-authorized Account to cover our withdrawals. In certain circumstances, you will also authorize us to withdraw money for fees or payments that we paid, pay or will pay to a third party, including without limitation your landlord or licensor, on your behalf in connection with the Restaurant.

4. If you fail to submit the weekly (or other periodic) Gross Sales statements, we have the right to obtain the Restaurant's Gross Sales information and data directly from your POS System which you acknowledge and agree we have a right to access. In the event for any reason we are unable to access the necessary information through POS System reports, we will estimate your Royalty Fee and Advertising Contribution by using a Gross Sales figure that is equal to the average weekly (or other periodic) Gross Sales of your Restaurant for the previous eight (8) weeks, increasing by 10% for each 3-week period that such statements remain unsubmitted. If the estimated amounts that we debit from your Pre-authorized Account are less than the amounts you actually owe us (once we have determined the Restaurant's true and correct Gross Sales), we will debit your Pre-Authorized Account for the balance on the day we specify. If the estimated amounts that we debit from your Pre-authorized Account are greater than the amounts you actually owe us, we will credit the excess against the amounts we otherwise would debit from your Pre-authorized Account on the next payment date.

5. If your payment of Royalty Fees, Advertising Contributions, or other charges that you owe us is more than one week late, you will pay us interest at a rate of twelve percent (12%) (or the maximum rate allowed by the law where the Restaurant is located) per annum on any Royalty Fees, Advertising Contributions, or other charges you will owe us under this Agreement. If permitted by local law, we may also charge you a late fee equal to ten percent (10%) (or the maximum rate allowed by law) per annum on all past due accounts to cover our banking, administrative, and accounting costs. In the event that any late charge, interest rate, or other payment provided herein exceeds the maximum applicable charge legally allowed, such late charge, interest rate, or other payment shall be reduced to the maximum legal charge, rate, or amount. You acknowledge that this sub-section shall not constitute agreement by us or our affiliates to accept such payments after same are due or a commitment by us to extend credit to, or otherwise finance your operation of, the Restaurant. Further, you acknowledge that your failure to pay all amounts when due shall constitute grounds for termination of this Agreement, as provided herein. You must pay us a sum of Fifty Dollars ($50) if you default on payments because you change banks without notice. You must pay us a sum of Twenty Dollars ($20) if your payments to us are unsuccessful due to insufficient funds in your pre-authorized account.

6. Notwithstanding any designation by you, we shall have the right to apply any payments by you to any past due indebtedness of you for Royalty Fees, Advertising Contributions, purchases from us and our affiliates, interest, late fees, and other charges that you owe, or any other indebtedness. You shall be responsible for and shall pay to us (or reimburse us for the payment of) upon demand any tax assessed (excluding tax on our net income) on or measured by the amount of Royalty Fees or any other amounts paid to us under this Agreement.

14. **Advertising**. Recognizing the value of advertising and the importance of the standardization of advertising and promotion to the furtherance of the goodwill and the public image of Subway® Restaurants, you agree as follows:

A. All advertising and marketing materials, including, but not limited to, newspapers, radio and television advertising, advertising through an Online Presence including internet, social media, electronic mail or other similar electronic or digital medium, and specialty and novelty items, signs, boxes, napkins, bags and wrapping papers, will be compliant with the requirements set forth by us in the Confidential Operations Manual or through other written means, or will otherwise be submitted to us or our

designee, for our prior approval. In the event written approval of said advertising and promotional materials is not given by us to you within twenty (20) days from the date such materials are received by us, said materials shall be deemed disapproved. You must participate in, and comply with the requirements of, any sales, marketing, advertising, and promotional programs we implement, and you must use only the materials and media for these programs that we designate or otherwise expressly approve. Information you collect about customers, including through an Online Presence or at the Restaurant, may be subject to requirements set forth in the Confidential Operations Manual or otherwise in writing by us. You will not place "For Sale" or similar signs at or in the general vicinity of the Restaurant or use any words in any advertising that identify the business offered for sale as a Subway® Restaurant, nor will you allow any vendor or agent of yours to do so. You will always indicate your status as an independent franchise operator to others and on any document or information released by you in connection with the Restaurant. You will display the following notice (subject to modification by us from time to time) in a prominent place at the Restaurant: "The Subway® trademarks are owned by Subway US IP Holder LLC and the independent franchise operator of this restaurant is a licensed user of such trademarks."

B. You specifically acknowledge and agree that any Online Presence shall be deemed "advertising" under this Agreement, and will be subject to, among other things, our written approval. In connection with any Online Presence, you agree to the following:

1. Before establishing the Online Presence, you shall submit to us a sample of the Online Presence content, format and other information in the form and manner we may reasonably require.

2. You shall not establish or use the Online Presence without our prior written approval.

3. In addition to any other applicable requirements, you shall comply with our standards and specifications for an Online Presence as prescribed by us in the Confidential Operations Manual or otherwise in writing. If required by us, you shall establish your Online Presence as part of our Online Presence and/or establish electronic links to our Online Presence.

4. If you propose any material revision to the Online Presence or any of the information contained in the Online Presence, you shall submit each such revision to us for our prior written approval.

C. You may utilize social media accounts (such as Facebook® or Twitter®) or other Online Presences only if approved by us in writing. If we approve the use of any Online Presence, you will develop and maintain such Online Presence only in accordance with our guidelines, including our guidelines for posting any messages or commentary. We may at any time revoke your rights to use any Online Presence or require that you obtain our approval of any message that you intend to post prior to posting. We will own the rights to each Online Presence. At our request, you agree to grant us access to each such Online Presence, and to take whatever action (including signing assignment or other documents) we request to evidence our ownership of such Online Presence, or to help us obtain exclusive rights in such Online Presence.

D. We will deposit the Advertising Contributions into the Subway Franchisee Advertising Fund Trust ("**SFAFT**") or such other marketing fund(s) as we shall designate from time to time. You acknowledge Advertising Contributions will not necessarily benefit franchisees in any area in proportion to the amounts they paid. We or our designee may negotiate programs and advertising contributions with suppliers and specify that these advertising contributions be placed into a fund to be spent on advertising and related expenses for the benefit of franchisees. Except as provided herein, such payments shall be made in addition to and exclusive of any sums that you may be required to spend on local advertising and promotion. The Advertising Contributions shall be used by us or our designee, as follows:

1. We shall direct all advertising programs and have the right to determine the creative concepts, materials and media used in such programs and the placement and allocation thereof. You agree and acknowledge that the advertising programs are intended to maximize general public recognition and acceptance of the Marks, patronage of Subway® Restaurants and the Subway® brand and System generally, and that we and our designee undertake no obligation to make expenditures for you that are equivalent or proportionate to your Advertising Contributions, or to ensure that any particular franchisee benefits directly or pro rata from the placement of advertising. We or SFAFT may create, modify or abolish franchisee advisory boards or councils from time to time that serve solely in an advisory capacity with respect to the advertising programs that we direct.

2. We shall, for each of our company-owned and affiliate-owned Subway® Restaurants, make (or cause to be made) advertising contributions equivalent to the Advertising Contributions required of franchisees within the System.

3. You agree that the funds may be used to meet any and all costs of maintaining, administering, directing and preparing advertising (including, without limitation, the cost of preparing and conducting television, Online Presence, radio, magazine and newspaper advertising campaigns, loyalty programs, digital technological platforms and enhancements and other public relations activities; employing advertising agencies to assist therein; providing promotional brochures and other marketing materials to franchisees in the System); maintaining and updating Online Presences for Subway® Restaurants; and developing and maintaining application software designed to run on computers and similar devices, including tablets, smartphones and other mobile devices, as well as any evolutions or "next generations" of any such devices. All sums paid by you as Advertising Contributions shall be maintained in one or more separate accounts that contain only Advertising Contributions and other sums to be used for advertising, and such sums shall not be used to defray any of our general operating expenses, except for such administrative costs and overhead, if any, as we or our affiliates may incur in activities reasonably related to the administration or direction of advertising programs including, without limitation, conducting marketing research, preparing marketing and advertising materials, and collecting and accounting for assessments for advertising.

4. It is anticipated that all Advertising Contributions shall be expended for advertising and promotional purposes during our fiscal year within which contributions are made. If, however, excess amounts remain at the end of such fiscal year, all expenditures in the following fiscal year(s) shall be made first out of any current interest or other earnings, next out of any accumulated earnings, and finally from principal.

5. We may terminate advertising accounts at any time but will not do so until all monies in them have been expended for advertising and promotion purposes or have been transferred to one or more other accounts used for advertising.

6. An accounting of our use of Advertising Contributions shall be prepared annually and shall be made available to you upon request. We reserve the right, at our option, to require that such annual accounting include an audit prepared by an independent certified public accountant selected by us, with such preparation to be paid for out of Advertising Contributions.

15. **Confidential Information**.

A. We and our affiliates possess (and may continue to develop and acquire) certain confidential information, some of which constitutes trade secrets under applicable law (the "**Confidential Information**"), relating to developing and operating Subway® Restaurants, whether or not marked confidential, including (without limitation): (1) site selection criteria; (2) training and operations materials

and manuals, including, without limitation, recipes, product formulas, drawings, blueprints, reproductions, data, franchise agreements, and the Confidential Operations Manual; (3) the System Standards and other methods, formats, specifications, standards, systems, procedures, devices, techniques, sales and marketing techniques, business plans, methods and strategies, knowledge, and experience used in developing, promoting and operating Subway® Restaurants, business information related to franchisees, pricing policies; (4) market research and plans, creative materials, media schedules, promotional, marketing and advertising programs for Subway® Restaurants, organizational structure, financial information; (5) knowledge of specifications for, and suppliers of, operating assets and other products and supplies; (6) supplier and vendor lists; (7) any computer software or similar technology that is proprietary to us, our affiliates, or the System, including, without limitation, digital passwords and identifications and any source code of, and data, reports, and other printed materials generated by, the software or similar technology; (8) content published over internal communication platforms; (9) knowledge of the operating results and financial performance of Subway® Restaurants, other than your Restaurant; (10) customer lists and related data; and (11) all information we or our affiliates designate as confidential. The following shall not constitute Confidential Information: (i) information that you can demonstrate came to your attention prior to disclosure thereof by us; (ii) information that, at the time of disclosure by us to you, had become a part of the public domain, through publication or communication by others; or (iii) information that, after disclosure to you by us, becomes a part of the public domain, through publication or communication by others through no fault of you. Confidential Information may be provided to you by us, our affiliates, BDs, service providers, or franchisees, or from agents of us or our affiliates. Confidential Information will remain our property or our affiliates' property.

B. All Confidential Information furnished to you by us or on our behalf, whether orally or by means of written material (i) shall be deemed proprietary, (ii) shall be held by you in strict confidence, (iii) shall not be copied, disclosed or revealed to or shared with any other person except to your employees or contractors who have a need to know such Confidential Information for purposes of this Agreement and who are under a duty of confidentiality no less restrictive than your obligations hereunder, or to individuals or entities specifically authorized by us in advance, and (iv) shall not be used in connection with any other business or capacity. You will not acquire any interest in Confidential Information other than the right to use it as we specify in operating your Restaurant during the Term. You agree to protect the Confidential Information from unauthorized use, access or disclosure. We may require you to have your employees and contractors execute individual undertakings and shall have the right to regulate the form of and to be a party to or third-party beneficiary under any such agreements. You acknowledge that any form of non-disclosure and non-competition agreement that we require you to use, provide to you, or regulate the terms of, may or may not be enforceable in a particular jurisdiction. You agree that you are solely responsible for obtaining your own professional advice with respect to the adequacy of the terms and provisions of any confidentiality and non-compete agreement that your employees, agents and independent contractors sign.

C. You acknowledge and agree that, as between us and you, we are the sole owner of all right, title, and interest in and to the System and any Confidential Information. All improvements, developments, derivative works, enhancements, or modifications to the System and any Confidential Information, ideas, slogans, marketing plans, advertising material, concepts, drawings, techniques, inventions (including any resulting patent rights), innovations, trademarks, trade secrets, copyrights, works of authorship, and any other protectable or proprietary interest in any similar intangible asset, relating to a Subway® Restaurant (collectively, "**Innovations**") made or created by you, your employees or your contractors, whether developed separately or in conjunction with us, shall be owned solely by us. You represent, warrant, and covenant that your employees and contractors are bound by written agreements assigning all rights in and to any Innovations developed or created by them to you. To the extent that you, your employees or your contractors are deemed to have any interest in such Innovations, you hereby agree to assign, and do assign, all right, title and interest in and to such Innovations to us. To that end, you shall execute, verify, and deliver such documents (including, without limitation, assignments) and perform such other acts (including appearances as a witness) as we may reasonably request for use in applying for, obtaining, perfecting, evidencing, sustaining, and enforcing such ownership rights in and to the Innovations, and the assignment

thereof. Your obligation to assist us with respect to such ownership rights shall continue beyond the expiration or termination of this Agreement. In the event we are unable for any reason, after reasonable effort, to secure your signature on any document needed in connection with the actions specified in this Section, you hereby irrevocably designate and appoint us and our duly authorized officers and agents as your agent and attorney in fact, which appointment is coupled with an interest and is irrevocable, to act for and on your behalf to execute, verify, and file any such documents and to do all other lawfully permitted acts to further the purposes of this Section with the same legal force and effect as if executed by you. The obligations of this Section shall survive any expiration or termination of this Agreement.

D. Due to the special and unique nature of our Confidential Information, the Marks, and Confidential Operations Manual, you hereby agree and acknowledge that we shall be entitled to immediate equitable remedies, including but not limited to, restraining orders and injunctive relief in order to safeguard such proprietary, confidential, unique, and special information and that money damages alone would be an insufficient remedy with which to compensate us for any breach of the related terms of this Agreement.

E. Upon our request, you will promptly return all tangible Confidential Information, including any reproductions and copies. In the event that you are requested or required to disclose any part of the Confidential Information in connection with a legal proceeding, investigation or other similar process, you shall provide us with prompt written notice of any such request or requirement so that we may seek a protective order or other appropriate remedy and/or waive compliance with the provisions of this Section. If, in the absence of a protective order or other remedy or waiver, you are legally compelled to disclose Confidential Information to any tribunal, you may disclose to such tribunal only that portion of Confidential Information which your legal counsel advises that you are legally required to disclose without any liability under this Section.

16. **Accounting and Records**.

A. You shall establish and maintain a bookkeeping, accounting and record keeping system conforming to the requirements prescribed by us, for the purpose of keeping, and making available to us upon our written request, complete business records exclusively for the Restaurant for the current year and for the immediate past three (3) years, including cash register/POS data, control sheets, weekly inventory and sales reports, deposit slips, business and personal bank statements, canceled checks, sales and purchase records, business and personal tax returns, Schedule K-1 forms, cash receipts journals, cash disbursements journals, payroll registers, general ledgers, financial statements, profit and loss statements, balance sheets, and any other similar records and information we may request. These records must be separate from the records kept for any other business in which you have an interest.

B. You shall submit to us such periodic financial and other reports, forms and records as specified, and in the manner and at the time as specified in the Confidential Operations Manual or otherwise in writing.

C. You shall record all sales on the POS System or other electronic cash registers approved by us or on such other types of equipment as may be designated by us in the Confidential Operations Manual or otherwise in writing. You agree that we shall have the right to require you to utilize the computer or tablet-based POS System cash registers that are fully compatible with any program(s) or system(s) that we, in our direction, may employ. All Gross Sales and all sales information shall be recorded on such equipment. We shall at all times have real-time and full access to all of your data, POS System, system and related information by such means as we may determine from time to time, including without limitation direct access in person, or access by electronic means.

D. You agree that we will have the right to examine your books, records and any electronic data necessary to perform an independent audit or other analysis. You also grant us permission to examine, without prior notice to you, all records of your purchases from a supplier, and you authorize such suppliers

to release your purchase records to us at such times and places as we request. You will allow us and our representatives, including without limitation our BDs and their representatives, to conduct an audit, review your business operations and records, including POS System reports, perform audio and visual recordings to the extent permitted by law, and otherwise access all areas of the Restaurant without prior notice at any time you or your employees are on the Premises. Upon our written request, you will make photocopies or electronic copies of all documentation or electronic data that we request and forward them to us or our representatives as we designate. We will reimburse you for the reasonable cost of copying this information. If we notified you in writing of an audit at least five (5) days in advance and you fail to produce your books and records at the time of the audit, you will be responsible for all costs we incur, including, without limitation, the charges of any independent accountant, the compensation of our employees or representatives, and attorneys' fees.

E. We shall have the right, at any time, to audit, or have an independent audit made, of your books. If we or an independent auditor determine, after conducting an audit, that you under-reported Gross Sales by more than two percent (2%) of your reported Gross Sales, you will pay us the Royalty Fees, Advertising Contributions and other charges due on the Gross Sales that were not reported, plus all costs associated with conducting the audit and collecting the unpaid amounts, including without limitation mediation and arbitration fees, court costs, lawyers' fees, accountants' and other professionals' fees, management preparation time, witness fees, and travel expenses, plus interest and late fees (the "**Overdue Amount**"). If you fail to submit your information to be audited, we have the right to obtain the Restaurant's Gross Sales information and data directly from your POS System reports which you acknowledge and agree we have a right to access. We will use those reports to determine any amount of the under-reported Gross Sales and charge the Overdue Amount on that basis. In the event for any reason, we are unable to access the necessary information through the POS System reports, we may estimate your sales and charge the Overdue Amount based upon the estimate. The foregoing remedies shall be in addition to any other remedies we may have.

F. At any time during the Term, you authorize us to conduct credit checks or investigative background searches on you which may reveal information about your business experience, educational background, criminal record, civil judgments, property ownership, liens, associations with other individuals, creditworthiness, and job performance.

17. **Corporation, Limited Liability Company or Partnership Franchisee**.

A. **Corporate Franchisee**. Except as otherwise approved by us in writing, if you are a corporation, you shall (i) confine your activities, and your governing documents shall at all times provide that your activities are confined, exclusively to operating one or more Subway® Restaurants; (ii) furnish us with your articles of incorporation and bylaws as well as such other documents that we may reasonably request, including the Owner's Guaranty and Assumption of Franchisee Obligations, attached as **Exhibit A**, executed by all current beneficial owners of any class of voting stock; (iii) maintain stop transfer instructions on your records against the transfer of any equity securities and only issue securities upon the face of which a legend, in a form satisfactory to us, appears which references the transfer restrictions imposed by this Agreement; (iv) not issue any voting securities or securities convertible into voting securities without our prior written approval, which approval shall be conditioned on, among other things, the new shareholder(s)'s (and all new beneficial owners') execution of an Owner's Guaranty and Assumption of Franchisee Obligations, attached as **Exhibit A**; and (v) maintain a current list of all owners of record and all beneficial owners of any class of voting stock and furnish the list to us upon request. For the avoidance of doubt, the governing documents of all parent or holding entities are also at all times subject to our review and must at all times be consistent with the foregoing guidelines and restrictions.

B. **Limited Liability Company Franchisee**. If you are a limited liability company, you shall: (i) confine your activities, and your governing documents shall at all times provide that your activities are confined, exclusively to operating one or more Subway® Restaurants; (ii) furnish us with your articles of

organization and operating agreement, as well as such other documents as we may reasonably request, and any amendments thereto; (iii) prepare and furnish to us, upon request, a current list of all members and managers; (iv) maintain stop transfer instructions on your records against the transfer of any equity securities and only issue securities which bear a legend, in a form satisfactory to us, which references the transfer restrictions imposed by this Agreement; and (v) deliver to us the Owner's Guaranty and Assumption of Franchisee Obligations, attached as **Exhibit A**, executed by each member and each owner of any beneficial interest in you. For the avoidance of doubt, the governing documents of all parent or holding entities are also at all times subject to our review and must at all times be consistent with the foregoing guidelines and restrictions.

C. **Partnership Franchisee**. If you are a partnership, you shall: (i) confine your activities exclusively to operating one or more Subway® Restaurants; (ii) furnish us with your partnership agreement, as well as such other documents as we may reasonably request and any amendments thereto; (iii) furnish to us, upon request, a current list of all general and limited partners; and (iv) deliver to us the Owner's Guaranty and Assumption of Franchisee Obligations, attached as **Exhibit A**, executed by each general partner and each owner of any beneficial interest in such general partner. For the avoidance of doubt, the governing documents of all parent or holding entities are also at all times subject to our review and must at all times be consistent with the foregoing guidelines and restrictions.

18. **Transferability of Interest**.

A. **By Franchisor/Delegation of Duties**. This Agreement is fully assignable by us and shall inure to the benefit of any assignee or other legal successor to the interests of us herein. To the extent that the purchaser or transferee shall assume our covenants and obligations under this Agreement, we shall thereupon and without further agreement, be freed and relieved of all liability with respect to such covenants and obligations. From time to time, we shall have the right to delegate the performance of any or all of our obligations and duties hereunder to third parties, whether the same are our agents or independent contractors that we have contracted with to provide such services. You agree in advance to any such delegation by us of any portion or all of our rights and obligations hereunder.

B. **Consent of Franchisor Required**.

1. The rights granted hereunder are personal to you. Accordingly, neither this Agreement, any rights under this Agreement, including specifically any right to use our intellectual property (including the Marks) as described in Section 8 above, any Restaurant owned by you nor any part of the ownership of you may be assigned or transferred by you or your owner(s) without our prior written consent, and any such assignment or transfer, or attempted assignment or transfer, without such consent shall constitute a breach hereof and shall convey no rights to or interests in this Agreement, the Restaurant owned by you subject to the purported transfer, or the ownership of you. Notwithstanding anything herein to the contrary, if a Bankruptcy Event (as defined below) occurs, then our consent to any assignment or transfer hereunder in connection with or during such Bankruptcy Event, shall be made in our sole and absolute discretion, and shall apply for all purposes, including in connection with any proposed assumption or assignment of this Agreement under 11 U.S.C. §365 or any successor or related statutes and regulations.

2. As used in this Agreement, the term "transfer" shall mean and include the voluntary, involuntary, direct or indirect assignment, sale, gift, pledge or other transfer by you or your owners of any interest in any of: (1) this Agreement and the Restaurant; (2) the ownership of you, or (3) substantially all of the assets of the Restaurant. An assignment, sale or other transfer shall include any of the following events: (1) the transfer of ownership of capital stock, voting stock (or security convertible to voting stock) or partnership interest; (2) merger or consolidation or issuance of additional securities representing an ownership interest in you; (3) transfer of an interest in you, this Agreement or the Restaurant owned by you in a divorce, insolvency, corporate

or partnership dissolution proceeding or otherwise by operation of law; or (4) transfer of an interest in this Agreement, the Restaurant owned by you or an ownership interest of you in the event of the death of you or any of your owners, by will, declaration of or transfer in trust, or under the laws of intestate succession. For the avoidance of doubt, you may not pledge a security or other interest in this Agreement or in the proceeds of a sale of this Agreement or the assets of the Restaurant to any lender without our prior written consent.

3. You may not use or authorize the use of any Mark in advertising the transfer or other disposition of your Restaurant or of any ownership in you without our prior written consent. You shall not use or authorize the use of, and no third party shall on its behalf use, any written materials to advertise or promote the transfer of your Restaurant or of any ownership interest in you without our prior written approval of such materials.

C. **Conditions for Consent**.

1. You acknowledge and agree that there may be no transfers before the Restaurant has opened for business. If you and your owners are in full compliance with this Agreement, we shall not unreasonably withhold our consent to a transfer, provided that we are satisfied in our sole business judgment that the proposed assignee and its owners are of good moral character who have sufficient business experience, aptitude and financial resources to perform the services required hereunder and otherwise meet our then applicable business standards for the grant or acquisition of similar rights, provided however, that our consent for a transfer in connection with any Bankruptcy Event shall be in our sole and absolute discretion.

2. A transfer of ownership in the Restaurant owned by you may only be made in conjunction with a transfer of this Agreement or the controlling interest in you, and further provided that if the transfer is of this Agreement or the Restaurant owned by you, or of a controlling interest in you, or is one of a series of transfers which in the aggregate constitute the transfer of a controlling interest in this Agreement, the Restaurant owned by you, substantially all of the assets of the Restaurant or you, in addition to the conditions set forth above, all of the following conditions are met prior to, or concurrently with, the effective date of the assignment or transfer: (1) you must have complied with the right of first refusal set forth below; (2) all obligations of you and your owners incurred in connection with this Agreement have been assumed by the assignee and its owners; (3) you shall have paid all amounts owed to us; (4) the assignee shall have completed the training program required of new franchisees; (5) with respect to the transferred Restaurant, the assignee and its owners shall execute and agree to be bound by the form of franchise agreement and any ancillary agreements as are then customarily used by us in the grant of the rights described hereunder, which franchise agreement shall provide for a term no less than the then remaining term for the transferred Restaurant as set forth on **Exhibit B**, and the transferred Restaurant shall no longer be governed by this Agreement; (6) you shall have paid a transfer fee equal to fifty percent (50%) of our then-current standard initial franchise fee (excluding any promotions or discounts) (or, as follows: (a) standard transfer to a new or existing Subway® franchisee, $3,200; (b) if you are transferring an interest to your spouse or child upon death or permanent disability, and transfers associated with divorce, $200; or (c) all other transfers, $2,000 (additions, deletions, entity conversion, entity change of ownership, and immediate family transfers), plus $3,000 for any satellite Restaurant you transfer (excluding any promotions or discounts) (or, $1,000 for any satellite Restaurant that has been established for one year or less); (7) the assignee shall present evidence satisfactory to us that it has the right to remain in possession of the Premises for the term of assignee's franchise agreement; (8) you and your owners shall have executed a general release, in form satisfactory to us, of any and all claims against us and our affiliates, BDs, officers, directors, owners, employees and agents; (9) with respect to the transferred Restaurant, you and your owners must abide by the terms of this Agreement which by their nature survive termination, including

without limitation the post-termination covenant not to compete set forth in this Agreement; and (10) the transferee executes our then-current form of Transfer Addendum.

3. In conjunction with our consideration of consenting to a proposed transfer, we shall prepare an itemized written assessment of the need for refurbishing and/or remodeling of the Restaurant (the "**Remodeling Requirements**") to conform with the then-existing standards and specifications for the décor of Subway® Restaurants within the System. The Remodeling Requirements shall be forwarded to you/assignor and the proposed assignee. You/assignor shall obtain a written cost estimate from reputable contractors to complete the Remodeling Requirements and such cost estimate shall be provided to us and the proposed assignee. Completion of the Remodeling Requirements shall be your responsibility and shall be a condition of our final consent to a transfer contemplated in this Section. Funding for the Remodeling Requirements shall be the subject of negotiation and agreement by and between you/assignor and the proposed assignee. The Remodeling Requirements shall be contemplated prior to the proposed transfer, unless otherwise agreed to between us and you.

4. We shall not be obligated to consider giving our consent to any such transfer unless you have requested such consent in writing and have provided to us at least thirty (30) days in advance of the proposed transfer: your current financial statements; such other information (on such forms or via such systems that we require) including, but not limited to, the proposed sales price and terms of payment (including any and all applicable letters of intent, term sheets, purchase and sale contracts, and other relevant documents and information pertaining to the transfer); an application for a franchise completed by the proposed transferee (buyer) including personal financial statements of such proposed transferee (buyer); the cost estimate of the Remodeling Requirements, and the opportunity to conduct an in-person interview with such proposed transferee (buyer).

5. The transfer fee may be refunded only if we have not yet issued the consent-to-transfer, and you and the buyer cancel the transfer. However, if the consent-to-transfer has already been issued, and (i) you and/or the buyer cancel the transfer, or (ii) we cancel the transfer because you and the buyer failed to complete the transfer within sixty (60) days after you received the consent-to-transfer, we will not refund any portion of the transfer fee. If you and the buyer desire to reactivate a transfer cancelled under these circumstances, and we approve, the parties must repay the full transfer fee.

D. **Franchisor Right of First Refusal**. If you or your owners shall obtain a bona fide, executed written offer from a responsible and fully disclosed purchaser in respect of a proposed transfer, including the purchase of an interest in this Agreement, any Restaurant or a group of Restaurants, or an ownership interest in you, you shall submit an exact copy of such offer to us, along with any other information that we may reasonably request. We shall have the right, exercisable by written notice delivered to you or your owners within thirty (30) days from the date of delivery of an exact copy of such offer and all reasonably requested information to us, to purchase such interest for the price and on the terms and conditions contained in such offer, provided that we shall be entitled to customary warranties, closing documents and post-closing indemnifications, may substitute cash for any other form of payment proposed in such offer and shall have not less than sixty (60) days to prepare for closing. If we do not exercise our right of first refusal, or if we exercise our right of first refusal only with respect to less than all Restaurants subject to the offer, you or your owners may complete the sale (or partial sale, as applicable) to such purchaser pursuant to and on the terms of such offer, subject to our written approval of the purchaser as provided in sub-sections B and C of this Section; provided that if the sale to such purchaser is not completed within one hundred twenty (120) days after delivery of such offer to us, or if there is a material change in the terms of the sale, we shall again have the right of first refusal herein provided.

E. **Death or Disability of Franchisee**. Upon your death or permanent disability or, if you are a corporation, limited liability company or partnership, the owner of fifty percent (50%) or more of the partnership interest, equity or voting control of you, the executor, administrator, conservator or other personal representative of such person shall assign this Agreement or such interest in you to a third party approved in writing by us. Such disposition of such interest in you shall be completed within a reasonable time, not to exceed twelve (12) months from the date of death or permanent disability, and shall be subject to all the terms and conditions applicable to assignments contained in sub-sections B and C of this Section and elsewhere in this Agreement; *except that*, where the assignee is an heir, devisee, legatee or next of kin or immediate family, the assignee shall assume this Agreement and any ancillary agreements, and shall not be required to execute our then-current form of franchise agreement and ancillary agreements, and shall pay a transfer fee of $200. Failure to so dispose of this Agreement or such interest in you within said period of time shall constitute a breach of this Agreement. Pending disposition, we shall have the right to approve the management of the Restaurant owned by you. References to "immediate family" as used in this Agreement shall mean parents, spouses, children and siblings, and the parents, children and siblings of spouses.

F. **Effect of Consent to Assignment**. Our consent to a transfer, including an assignment of this Agreement or any interest subject to the restrictions of this Section shall not constitute a waiver of any claims we may have against the assignor, nor shall it be deemed a waiver of our right to demand exact compliance with any of the terms or conditions of this Agreement by the assignee or by the assignor.

19. **Covenants**.

A. We have entered into this Agreement with you on the condition that you will deal exclusively with us. You acknowledge and agree that we would be unable to encourage a free exchange of ideas and information among franchisees and us if franchisees were permitted to hold interests in any Competitive Businesses. You therefore agree that neither you nor your owners will have any direct or indirect Association with a Competitive Business during the Term, in accordance with the definitions and provisions below, unless we allow otherwise in writing.

B. You further covenant that during the Term, you shall not divert or attempt to divert any business of or any customers of the Restaurant to any Competitive Business, by direct or indirect inducement or otherwise, or do or perform directly or indirectly, any other act injurious or prejudicial to the goodwill associated with our Marks and the System, or in any way negligently or intentionally interfere with our business or our prospective business.

C. Upon termination of this Agreement, as it applies to any given Restaurant, by us in accordance with its terms and conditions or by you without cause or upon expiration of this Agreement, you and your owners agree that, for a period of one (1) year commencing on the effective date of termination or expiration or the date on which you and your owners begin to comply with this Section, whichever is later, neither you nor your owners nor any member of such owner's or owners' immediate families shall have any direct or indirect Association with a Competitive Business within a three (3) mile radius of the applicable Approved Location or any Subway® Restaurant in operation or under construction as of the termination or expiration date or the date on which you and your owners begin to comply with this Section, except in connection with the operation of Subway® Restaurants under franchise agreements with us. The restrictions of this sub-section shall not be applicable to the ownership of shares of a class of securities listed on a stock exchange or traded on the over-the-counter market that represent two percent (2%) or less of the number of shares of that class of securities issued and outstanding. You (and your owners) expressly acknowledge that you (and they) possess skills and abilities of a general nature and have other opportunities for exploiting such skills. You further acknowledge and agree that the terms of the covenant are reasonable in scope, geography and time. Consequently, enforcement of the covenants made in this Section will not deprive you (or them) of your (or their) personal goodwill or ability to earn a living. To the extent that this sub-section is deemed unenforceable by virtue of its scope in terms of area or length of time, but may be

made enforceable by reduction of either or both thereof, you and we agree that the same shall be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction in which enforcement is sought.

D. For each unauthorized Association with a Competitive Business in violation of this Section, you agree to pay us Fifteen Thousand Dollars ($15,000.00) plus eight percent (8%) of its gross sales (using the definition for calculating Royalty Fees in this Agreement), as being a reasonable pre-estimate of the damages we will suffer. For each Competitive Business location for which we are unable to verify gross sales in a timely manner, you will pay us a sum of One Hundred Thousand Dollars ($100,000.00) and an additional One Hundred Thousand Dollars ($100,000.00) for each subsequent year the Competitive Business operates during the Term. You acknowledge and agree that the payment of such sum(s) is a good faith pre-estimate of our damages from the loss of Royalty Fees and Advertising Contributions, and not a penalty. You further agree that the payment of these sums would be insufficient to fully compensate us, and that damages from such competition would be difficult to calculate. Accordingly, you stipulate that any breach of this Section would irreparably harm us, and that, notwithstanding the payment requirements herein, we have a right to injunctive relief to enforce the provisions of this Section.

E. As used in this Agreement:

1. "**Competitive Business**" means any business that operates, manages, franchises or licenses restaurants or stores that derive more than twenty percent (20%) of its total gross revenue from the sale of any type of sandwiches on any type of bread, including but not limited to sub rolls and other bread rolls, sliced bread, pita bread, flat bread, and wraps, whether for on or off-premises consumption, or via delivery or catering. The word "sandwiches" as used in the previous sentence does not include hamburgers, hot dogs, burritos, or fried chicken sandwiches, and full-service restaurants where customers are served by waitstaff and pay after eating, and Subway® Restaurants operated under franchise agreements with us, are not Competitive Businesses. Examples (without limitation) of Competitive Businesses as of the Agreement Date are the following chain restaurants: D'Angelo Grilled Sandwiches, Jersey Mike's Subs, Jimmy John's, Firehouse Subs, Potbelly, Togo's, Which Wich Superior Sandwiches, Charley's Philly Steaks, Penn Station East Coast Subs, McAlister's Deli, Pita Pit, Schlotzky's, Cousin's Subs, Capriotti's, Quiznos, Jon Smith Subs, Erbert & Gerbert's, Lenny's Grill & Subs, PrimoHoagies, Tubby's Sub Shop, Blimpie's, Super Sandwich, Nardelli's, DiBella's, Deli Delicious, Groucho's Deli, CHēBA Hut, Steak Escape, Miami Grill, Goodcents Deli Fresh Subs, and Great Wraps.

2. "**Association with a Competitive Business**" means: 1) having any ownership interest in or serving as director, officer, employee or other representative of a Competitive Business; 2) advising or providing services, on a fee or no fee basis, to any individual or entity engaging in a Competitive Business in a manner which imparts your knowledge of the System; 3) loaning or otherwise providing money, inventory, equipment or supplies to any individual or entity operating a Competitive Business; or 4) leasing, licensing or otherwise granting access to, or the right to use, the property you control to anyone for the operation of a Competitive Business. Association with a Competitive Business does not include your ownership of outstanding securities of any corporation whose securities are publicly held and traded, provided that said securities are held by you for investment purposes only and that your total holdings do not constitute more than two percent (2%) of the outstanding securities of said corporation.

F. We shall have the right to require all of your personnel performing managerial or supervisory functions, all personnel receiving special training from us and all other personnel with access to confidential information to execute a non-disclosure agreement in a form satisfactory to us.

G. You specifically acknowledge that, pursuant to this Agreement, you will receive valuable training and confidential information, including, without limitation, information regarding our promotional,

operational, sales, and marketing methods and techniques and those of the System. You covenant that you will maintain the absolute confidentiality of all such proprietary information during and after the Term and that you will not use any such information in any other business or in any manner not specifically authorized or approved in writing by us.

H. Unless we approve such an arrangement in advance and in writing, you agree that you will not enter into any agreement with any other entity, or with any individual who is not an approved owner of you or named as a franchisee in this Agreement, for such other entity or individual to manage or operate the Restaurant or receive the right to profits and losses of the Restaurant.

I. Throughout the Term, you will promptly and in writing disclose to us information regarding all individuals who (i) contribute or loan money toward the purchase or operation of the Restaurant; (ii) have any direct or indirect ownership interest in any assets of the Restaurant; or (iii) are a co-borrower, co-signer or guarantor of a loan (the "**Investors**"). You will promptly provide us with documentation related to any such Investors, including but not limited to promissory notes, loan agreements, shareholders agreements, management agreements, financial statements, articles or certificates of incorporation or organization, or other entity establishment documents, tax forms, or any other instruments which document the investment.

20. **Relationship of the Parties/Indemnification**.

A. It is understood and agreed by the parties hereto that this Agreement does not create a fiduciary relationship between them, that the parties are independent contractors and that nothing in this Agreement is intended to make either party an agent, subsidiary, joint venturer, partner, employee or servant of the other for any purpose.

B. You shall conspicuously identify yourself at the Premises and in all dealings with franchisees, prospective franchisees, landlords, contractors, suppliers, public officials and others as the owner of your own business under a franchise agreement with us, and you shall place such other notices of independent ownership on such signs, forms, stationery, advertising and other materials, and in such places and in such form, as we may require from time to time.

C. You shall not employ any Mark in signing any contract, lease, mortgage, check, purchase agreement, negotiable instrument or other legal obligation, or in any other manner, without our prior written consent, or employ any Mark in a manner that is likely to result in our liability for any indebtedness or obligation of you.

D. Neither we nor you shall make any express or implied agreements, guaranties or representations, or incur any debt, in the name of or on behalf of the other or represent that their relationship is other than franchisor and franchisee, and neither we nor you shall be obligated by or have any liability under any agreements or representations made by the other that are not expressly authorized hereunder, nor shall we be obligated for any damages to any person or property directly or indirectly arising out of the operation of the business, whether or not caused by your negligent or willful action or failure to act.

E. You acknowledge and agree that you are solely responsible for all decisions relating to employees, agents, and independent contractors that you may hire to assist in the operation of the Restaurant. You agree that any employee, agent or independent contractor that you hire will be your employee, agent or independent contractor, and not our employee, agent or independent contractor. You also agree that you are exclusively responsible for the terms and conditions of employment of your employees, including recruiting, hiring, firing, training, compensation, work hours and schedules, work assignments, safety and security, discipline, and supervision. You agree to manage the employment functions of your Restaurant in full compliance with federal, state, and local employment laws.

F. You agree, at your sole cost and at all times, to indemnify and hold us and our subsidiaries and affiliates, together with each of their respective owners, directors, officers, employees, agents and assignees, harmless against, and to reimburse them for, any loss, liability, taxes or damages (actual or consequential) and all reasonable costs and expenses (including, without limitation, reasonable accountants', attorneys' and expert witness fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses incurred in connection with any judicial, administrative or other action or proceeding (including bankruptcy, insolvency, debtor/creditor or similar proceedings), suit, claim, demand, investigation, or formal or informal inquiry, regardless of whether any of the foregoing is reduced to judgment) that any of them may suffer, sustain or incur by reason of defending any claim brought against any of them or any action in which any of them is named as a party that arises from or is related to your operation of the Restaurant or your activities related thereto or your activities under this Agreement. We and each such other indemnified party may, in our discretion and at your expense, control the defense of any claim against us or an indemnified party (including choosing and retaining our own legal counsel), agree to settlements of claims against us or an indemnified party, and take any other remedial, corrective, or other actions in response to such claims. This indemnity shall continue in full force and effect subsequent to and notwithstanding the expiration or termination of this Agreement.

21. **Insurance**.

A. During the Term, you must maintain in force at your sole expense property coverage, comprehensive general liability coverage (including products and completed operations), worker's compensation, business auto liability, and other types of insurance we require in the Confidential Operations Manual or as otherwise set forth in writing, including without limitation insurance required by the Sublease (or other approved lease agreement) and state law. You must purchase your business insurance from a source designated under our Gold Standard Insurance Program or any subsequent insurance program of ours, unless we allow otherwise in writing. All insurance policies must contain the minimum coverage we prescribe from time to time in the Confidential Operations Manual or otherwise in writing and must have deductibles not to exceed the amounts we specify. We may periodically increase the amounts of coverage required under these insurance policies and/or require different or additional insurance coverages (including reasonable excess liability insurance) at any time to reflect inflation, identification of new risks, changes in law or standards of liability, higher damage awards or other relevant changes in circumstances, and you agree to comply with any changes to our insurance requirements promptly and at your sole expense. These insurance policies must be purchased from an insurance company satisfactory to us and each liability coverage policy must name us, our affiliates (including without limitation SFAFT), and our and their respective officers, directors, shareholders, employees and agents, as well as your landlord (collectively, the "**Additional Insureds**") as additional insureds, with primary non-contributory coverage, using a form of endorsement that we have approved. If available from the insurer, all insurance policies must provide for thirty (30) days' prior written notice to us of a policy's material modification, cancellation or expiration. Each insurance policy must contain a waiver of all subrogation rights against us, our affiliates and their successors and assigns. Upon request, you must furnish us copies of your Certificates of Insurance or other evidence of your maintaining all required insurance coverage and the payment of all premiums. If you fail or refuse to obtain and maintain the insurance we specify, in addition to our other remedies including without limitation termination, we may (but need not) obtain such insurance for you and the Restaurant on your behalf, in which event you shall cooperate with us and reimburse us for all premiums, costs and expenses we incur in obtaining and maintaining the insurance, plus a reasonable fee for our time incurred in obtaining such insurance.

B. Our requirements for minimum insurance coverage are not representations or warranties of any kind that such coverage is sufficient for the Restaurant. Such requirements represent only the minimum coverage that we deem acceptable to protect our interests. It is your sole responsibility to obtain insurance coverage for the Restaurant that you deem appropriate, based on your own independent inquiry. We are not responsible for losses sustained by you that exceed or fall outside of the insurance coverage

under any circumstances. For the avoidance of doubt, the indemnification obligations contained in this Agreement will not be relieved by any insurance you carry.

22. **Default and Termination**.

A. If you believe that we are in default under this Agreement, you must give us written notice within ninety (90) days of the start of the default. The notice must clearly state each act or omission constituting the default. If we do not cure the default to your satisfaction within sixty (60) days after we receive your notice, you may give us notice that an arbitrable dispute exists.

B. This Agreement shall terminate automatically, either with respect to an individual Restaurant or group of Restaurants or in its entirety as it applies to all Restaurants, as we determine, upon delivery of notice of termination to you, if you or any of your owners, officers, or key employees:

1. Fail(s) to develop, decorate, equip or open the Restaurant within the time period required by, or fail(s) to satisfactorily complete the training program as provided in, this Agreement;

2. Have/has made any material misrepresentation or omission in your, his or her application for the franchise or in any report, claim, request for reimbursement, impact survey or other similar document submitted to us;

3. Are/is convicted of or plead(s) no contest to: (i) a felony; or (ii) another crime or offense that is likely to adversely affect your reputation or the reputation of the System;

4. Make(s) any unauthorized use, disclosure or duplication of any portion of the Confidential Operations Manual or duplicate(s) or disclose(s) or make(s) any unauthorized use of any trade secret or Confidential Information provided to you by us;

5. Abandon(s) or fail(s) or refuse(s) to actively operate the Restaurant for two (2) business days in any twelve (12) consecutive month period, unless the Restaurant has been closed for a purpose approved by us or due to an act of God, or fail(s) to relocate to an approved premises within an approved period of time following expiration or termination of the Lease for the Premises;

6. Surrender(s) or transfer(s) control of the operation of the Restaurant, make(s) an unauthorized direct or indirect assignment of the franchise or an ownership interest in you or fail(s) or refuse(s) to assign the franchise or the interest in you of a deceased or disabled controlling owner thereof as herein required;

7. Submit(s) to us at any time during the Term any reports or other data, information or supporting records which understate by more than three percent (3%) the Royalty Fee for any period of, or periods aggregating, three (3) or more weeks, and you are unable to demonstrate that such understatements resulted from inadvertent error;

8. Become(s) insolvent, is adjudicated as bankrupt or insolvent; all or a substantial portion of your assets are assigned to or for the benefit of any creditor or creditors; a petition in bankruptcy is filed by or against you and is not immediately contested and thereafter dismissed or vacated within sixty (60) days from filing; you admit in writing your inability to pay your debts when due; you cause, permit or acquiesce in an order for relief under the U.S. Bankruptcy Code or any other applicable federal or state bankruptcy, insolvency, reorganization, receivership or other similar law now or hereafter in effect, or consent to the entry for an order for relief in an involuntary proceeding or to the conversion of an involuntary proceeding to a voluntary proceeding, under any such law; a bill in equity or other proceeding for the appointment of a receiver or other custodian

of you or your assets is filed and consented to; a receiver or other custodian (permanent or temporary) of all or part of your assets or property is appointed by any court of competent jurisdiction; proceedings for a composition with creditors under any federal or state law are instituted by or against you; you are dissolved or liquidated; execution is levied against you and/or your property; your property is sold after levy thereon by any governmental body or agency, sheriff, marshal or other person authorized under federal, state and/or local law; a final court judgment against you remains unsatisfied or of record for thirty (30) days or longer (unless supersedeas bond is filed); a judicial or non-judicial action to foreclose any lien or mortgage against any of your assets is instituted against you and is not dismissed or settled by the earlier of (i) thirty (30) days from commencement or (ii) consummation of such sale; or your governing body adopts any resolution or otherwise authorizes action to approve any of the foregoing activities (each such event, a "**Bankruptcy Event**");

9. Materially misuse(s) or make(s) an unauthorized use of any Marks or commit any act which can reasonably be expected to materially impair the goodwill associated with any Marks;

10. Fail(s) on three (3) or more separate occasions within any twelve (12) consecutive month period to comply with this Agreement, whether or not we notify you (or your owners, officers, or key employees) of the failures and, if such notification is given, whether or not those failures are corrected after we deliver written notice to you (or your owners, officers, or key employees); or fail(s) on two (2) or more separate occasions within any six (6) consecutive month period to comply with the same obligation under this Agreement, whether or not we notify you (or your owners, officers, or key employees) of the failures and, if such notification is given, whether or not those failures are corrected after we deliver written notice to you (or your owners, officers, or key employees);

11. Violate(s) any health, safety or sanitation law, ordinance or regulation or operate(s) the Restaurant in a manner that presents a health or safety hazard to your customers or the public and do(es) not begin to cure the violation immediately and correct the violation within seventy two (72) hours after receiving notice of such violation from us or any other party, regardless of any longer period of time that any governmental authority or agency may have given you to cure such violation;

12. Create(s) or allow(s) to exist any condition in or at the Restaurant, or in connection with the operation of the Restaurant, that we determine to present an immediate health or safety concern for the Restaurant customers or employees;

13. Fail(s) to pay any third-party, including the landlord of the Premises, any amounts owed in connection with the Restaurant when due, and you do not cure such failure within any applicable cure period granted by such third-party; or

14. Engage(s) in any dishonest or unethical conduct which, in our judgment, is reasonably likely to have an adverse effect on the System, the Marks, the goodwill associated therewith, or our interest therein.

C. This Agreement shall terminate, either with respect to an individual Restaurant or group of Restaurants or in its entirety as it applies to all Restaurants, as we determine, upon written notice to you if (for the avoidance of doubt, the cure periods contained below in this sub-section C do not apply to sub-section B above):

1. You or any of your owners fail(s) or refuse(s) to make payments of any amounts due to us or our affiliates for Royalty Fees, Advertising Contributions, rents or other obligations owed to us under any lease, purchases from us, our affiliates, suppliers, or vendors, or any other

amounts due to us or our affiliates, and do(es) not correct such failure or refusal within ten (10) days after written notice of such failure is delivered to you;

2. You or any of your affiliates or owners fail(s) to comply with any other agreement with us or one of our affiliates and do(es) not correct such failure within the applicable time or cure period, if any (if no such time or cure period is specified, then 30 days); or

3. You or any of your owners fail(s) or refuse(s) to comply with any other provision of this Agreement, or any specification, standard or operating procedure prescribed in the Confidential Operations Manual or otherwise in writing by us, and do(es) not correct such failure within thirty (30) days (or provide(s) proof acceptable to us that you, he or she has made all reasonable efforts to correct such failure and will continue to make all reasonable efforts to cure until a cure is effected if such failure cannot reasonably be corrected within 30 days) after written notice of such failure to comply is delivered to you.

D. To the extent that the provisions of this Agreement provide for periods of notice less than those required by applicable law, or provide for termination, cancellation, non-renewal or the like other than in accordance with applicable law, such provisions shall, to the extent such are not in accordance with applicable law, not be effective, and we shall comply with applicable law in connection with each of these matters.

E. In addition to our right to terminate this Agreement, and not in lieu of such right or any other rights against you, we, in the event that you shall not have cured a default under this Agreement within the applicable cure period, may, at our option, enter upon the applicable Premises and exercise complete authority with respect to the operation of the Restaurant until such time as we determine that your default has been cured and that there is compliance with the requirements of this Agreement. You specifically agree that a designated representative of us may take over, control, and operate the Restaurant, and that you shall pay us a service fee of not less than Five Hundred Dollars ($500.00) per day per Restaurant plus all travel expenses, room and board and other expenses reasonably incurred by such representative so long as it shall be required by the representative to enforce compliance herewith. You further agree that if, as herein provided, we temporarily operate the Restaurant for you, you agree to indemnify and hold us harmless and any of our representatives who may act hereunder, respecting any and all acts and omissions which we may perform, or fail to perform as regards your interests or those of third parties.

F. If this Agreement is terminated because of your default, or if it is terminated by you prior to its expiration without cause (including if it is terminated as it applies to any Restaurant but remains in effect for other Restaurants), the parties agree that it would be difficult if not impossible to determine the amount of damages that we would suffer due to the loss or interruption of the revenue stream we otherwise would have derived from your continued payment of Royalty Fees and that SFAFT, the System or other marketing fund(s) would have otherwise derived from your continued payment of Advertising Contributions, less any cost savings, through the remainder of the Term until the scheduled expiration date ("**Damages**"). Therefore, the parties agree that a reasonable estimate of the Damages is, and you agree to pay us as compensation for the Damages, an amount equal to the then net present value of the Royalty Fees and Advertising Contributions that would have become due from the date of termination to the third-year anniversary of the date of termination. For this purpose, Damages shall be calculated based on Gross Sales of the Restaurant for the most recent twelve (12) consecutive month period that the Restaurant operated. If you have not operated the Restaurant for at least twelve (12) consecutive months preceding the termination date, Damages will be calculated based on the average monthly Gross Sales of all Subway® Restaurants in the United States during our last fiscal year. You and we agree that the calculation described in this Section is a calculation only of the Damages and that nothing herein shall preclude or limit us from proving and recovering any other damages caused by your breach of the Agreement.

G. Notwithstanding anything herein to the contrary and for avoidance of doubt, for all purposes in connection with a Bankruptcy Event, the amount necessary to "cure" any default under this Agreement for purposes of 11 U.S.C. §365 (or similar provision) shall include but not be limited to any amounts due and owing by you to us or our affiliates for Royalty Fees, Advertising Contributions, rents or other obligations owed to us under any lease, purchases from us, our affiliates, suppliers, or vendors, or any other amounts due to us or our affiliates.

23. **Post-Term Rights and Duties**. Upon termination or expiration (including upon termination or expiration as this Agreement applies to any one Restaurant), this Agreement and all rights granted hereunder to you shall forthwith terminate either in their entirety or as applied to a specific Restaurant, as the case may be, and:

A. You shall immediately cease to operate the Restaurant under this Agreement, and shall not thereafter, directly or indirectly, represent to the public or hold yourself out as a present or former franchisee of us.

B. You shall cancel any permits, licenses, registrations, certifications or other consents required for leasing, constructing, or operating the Restaurant. If you fail to do so within a reasonable time, we are authorized to cancel them for you.

C. Upon our demand, you shall assign to us your interest in any lease then in effect for the Premises and you shall furnish us with evidence satisfactory to us of compliance with this obligation within thirty (30) days after termination or expiration of this Agreement.

D. Except with respect to Restaurants that you have the right to continue to operate under this Agreement or another franchise agreement, you shall immediately and permanently cease to use, by advertising or in any manner whatsoever: any confidential methods, procedures and techniques associated with the System; and the Marks and distinctive forms, slogans, signs, symbols, logos, and devices associated with the System. In particular, you shall cease to use, without limitation, all signs, advertising materials, stationery, forms, and any other articles that display the Marks.

E. You shall take such action as may be necessary to assign to us or our designee any assumed name rights or equivalent registration filed with state, city, or county authorities that contain(s) the name "Subway®", any derivation thereof, or any other service mark or trademark of the System, and you shall furnish us with evidence satisfactory to us of compliance with this obligation within thirty (30) days after termination or expiration of this Agreement.

F. You agree, in the event you continue to operate or subsequently begin to operate any other business, not to use any reproduction, counterfeit, copy or colorable imitation of the Marks either in connection with such other business or the promotion thereof, which is likely to cause confusion, mistake or deception, or which is likely to dilute our exclusive rights in and to the Marks and further agree not to utilize any designation of origin or description or representation that falsely suggests or represents an association or connection with us so as to constitute unfair competition.

G. Except as expressly provided herein, you must obtain our written approval prior to closing the Restaurant and removing any signage, fixtures, or other leasehold improvements from the Restaurant, or otherwise de-identifying the Restaurant as a Subway® Restaurant. We will have the right, at your cost, to reinstall any signage, fixtures or other leasehold improvements removed from the Restaurant without our written consent. If we approve the closure of the Restaurant in writing, or if you fail to obtain our approval to close the Restaurant and we subsequently determine the Restaurant should be closed, you must change the appearance of the Restaurant, to the extent we require, so it will no longer be identified as a Subway® Restaurant within fourteen (14) days of the date we issue our written approval or provide notice to you of our decision for the Restaurant to close.

H. If your leasehold interest in the Premises is not a Sublease with us, you are responsible for obtaining a termination and mutual release of such lease from the landlord for us or our affiliate(s). You are responsible for all costs associated with obtaining the termination and mutual release, including but not limited to any amounts owed to the landlord.

I. You shall promptly pay all sums owing to us. In the event of termination for any default of yours or termination without cause by you, such sums shall include all damages (which may include lost future Royalty Fees), costs, and expenses, including reasonable attorneys' fees, incurred by us as a result of the default.

J. You shall pay to us all damages, costs and expenses, including reasonable attorneys' fees, incurred by us subsequent to the termination or expiration of the franchise herein granted in obtaining injunctive or other relief for the enforcement of any provisions of this Section or Section 19.

K. You shall immediately turn over to us all manuals, including the Confidential Operations Manual, customer lists, records, files, instructions, brochures, agreements, disclosure statements, and any and all other materials provided by us to you or which contain our Confidential Information relating to the operation of the Restaurant (all of which you acknowledge to be our property).

L. We shall have the right, title and interest to the menu board and any sign or sign faces bearing the Marks. You hereby acknowledge our right to access the Premises should we elect to take possession of any said menu board, sign or sign faces bearing the Marks.

M. We shall have the right (but not the duty), to be exercised by notice of intent to do so within thirty (30) days after termination or expiration, to purchase for cash any or all equipment, supplies, and other inventory, advertising materials, all items bearing the Marks, and the assets of any commissary, bakery, ghost kitchen or related facility owned by you, at fair market value. If the parties cannot agree on fair market value within a reasonable time, an independent appraiser acceptable to you and us shall be designated by us, and her/his determination shall be binding. In determining fair market value, the parties shall not take into consideration the goodwill associated with the Marks. If we elect to exercise any option to purchase herein provided, we shall have the right to set off all amounts due from you under this Agreement or any other agreements between you or your affiliate and us or our affiliate, and the cost of the appraisal, if any, against any payment therefor.

N. You hereby acknowledge that all telephone numbers, internet addresses, and domain names used in the operation of the Restaurant constitute assets of the Restaurant and will be used solely to identify the Restaurant in accordance with this Agreement; and upon termination or expiration of this Agreement you shall promptly assign to us or our designee, all of your right, title, and interest in and to your telephone numbers, internet addresses, and domain names and shall promptly notify the telephone company or domain registrar, as applicable, and all listing agencies of the termination or expiration of your right to use any telephone numbers, internet addresses, and domain names and any regular, classified or other telephone or website directory listing associated with the Marks and to authorize a transfer of same to us at our direction.

O. You shall immediately (i) cease using or operating any Online Presence (including without limitation any social media account) related to the Restaurant or the Marks, and (ii) take any action as may be required to disable such Online Presence (including without limitation any social media account), or transfer exclusive control and access of such Online Presence (including without limitation any social media Account) to us, as we determine in our sole discretion.

P. You shall comply with the covenants contained in Section 19 of this Agreement.

Q. You shall comply with all other System Standards we periodically establish (and all applicable law) in connection with the closure and de-identification of the Restaurant, including as relates to disposing of Personal Information, in any form, in your possession or the possession of your employees.

R. If you continue using the System or the Marks after termination or expiration of this Agreement in violation of this Agreement, you will pay us Two Hundred Fifty Dollars ($250.00) per day for each day you are in default, as a reasonable pre-estimate of the damages. Notwithstanding same, you stipulate that damages from your continued use of the System or the Marks post-termination would result in irreparable harm to us that could not adequately be compensated for by a money judgment. Therefore, you stipulate to our right to injunctive relief in the event of any such post-termination continued use of the System or Marks and as otherwise provided in Section 24.B.

24. **Miscellaneous**.

A. **Security Interest**. As security for the performance of your obligations under this Agreement, including payments owed to us for purchase by you, you grant us a security interest in all of the assets of the Restaurant, including but not limited to inventory, fixtures, furniture, equipment, accounts, customer lists, supplies, contracts, cash derived from the operation of the Restaurant and sale of other assets, and proceeds and products of all those assets. You agree to execute such other documents as we may reasonably request in order to further document, perfect and record our security interest. If you default in any of your obligations under this Agreement, we may exercise all rights of a secured creditor granted to us by law, in addition to our other rights under this Agreement and at law. If a third-party lender requires that we subordinate our security interest in the assets of the Restaurant as a condition to lending you working capital for the operation of the Restaurant, we will agree to subordinate only pursuant to a subordination agreement or inter-creditor agreement with such lender that we approve in our reasonable discretion.

B. **Injunctive Relief**. We may enforce by judicial process any provision of this Agreement, including our right to terminate this Agreement. You and your affiliates, officers, directors, employees, and owners agree to entry without bond of temporary, preliminary and permanent injunctions and orders of specific performance enforcing any of the provisions of this Agreement. If we secure any such injunctions or order of specific performance, you further agree to pay to us an amount equal to the aggregate of our costs of obtaining any such relief including, without limitation, reasonable attorneys' fees, costs of investigation and proof of facts, court costs, other litigation expenses and travel and living expenses, and any damages incurred by us as a result of any breach. You agree that we may seek such relief from any court of competent jurisdiction in addition to such further or other relief as may be available to us at law or in equity.

C. **Severability and Substitution of Valid Provisions**. All provisions of this Agreement are severable, and this Agreement shall be interpreted and enforced as if all completely invalid or unenforceable provisions were not contained herein and partially valid and enforceable provisions shall be enforced to the extent valid and enforceable. To the extent that any covenant restricting ownership of a Competitive Business herein is deemed unenforceable by virtue of its scope in terms of area or length of time, but may be made enforceable by reductions of either or both thereof, you and we agree that same shall be enforced to the fullest extent permissible under the laws and public policies applied in the jurisdiction in which enforcement is sought. If any applicable and binding law or rule of any jurisdiction requires a greater prior notice of the termination of or refusal to renew this Agreement than is required hereunder or the taking of some other action not required hereunder, or if under any applicable and binding law or rule of any jurisdiction, any provision of this Agreement or any specification, standard or operating procedure prescribed by us is invalid or unenforceable, the prior notice and/or other action required by such law or rule shall be substituted for the notice requirements hereof, or such invalid or unenforceable provision, specification, standard or operating procedure shall be modified to the extent required to be valid and enforceable. Such modifications to this Agreement shall be effective only in such jurisdiction and shall be enforced as originally made and entered into in all other jurisdictions.

D. **Waiver of Obligations**. You and we may by written instrument only unilaterally waive any obligation of or restriction upon the other under this Agreement. No acceptance by us of any payment by you or any other person or entity and no failure, refusal or neglect of us or you to exercise any right under this Agreement or to insist upon full compliance by the other with its obligations hereunder, including without limitation, any mandatory specification, standard or operating procedure, shall constitute a waiver of any provision of this Agreement.

E. **Franchisee May Not Withhold Payments Due Franchisor**. You agree that you will not withhold payment of any amounts owed to us, on grounds of the alleged nonperformance by us of any of our obligations hereunder.

F. **Rights of Parties are Cumulative**. Your and our rights hereunder are cumulative and no exercise or enforcement by you or us of any right or remedy hereunder shall preclude the exercise or enforcement by you or us of any other right or remedy hereunder or which you or us is entitled by law to enforce.

G. **Waiver of Punitive, Exemplary and Consequential Damages and Jury Trial**. **EXCEPT FOR YOUR OBLIGATION TO INDEMNIFY US FOR THIRD PARTY CLAIMS UNDER SECTION 20, YOU AND WE HEREBY WAIVE TO THE FULLEST EXTENT PERMITTED BY LAW, ANY RIGHT TO OR CLAIM FOR ANY PUNITIVE, EXEMPLARY OR CONSEQUENTIAL DAMAGES AGAINST THE OTHER AND AGREE THAT IN THE EVENT OF ANY DISPUTE BETWEEN US WE EACH SHALL BE LIMITED TO THE RECOVERY OF ANY ACTUAL DAMAGES SUSTAINED. YOU AND WE IRREVOCABLY WAIVE TRIAL BY JURY IN ANY ACTION OR PROCEEDING BROUGHT BY US OR YOU**.

H. **Limitation of Claims and Certain Damages; Class Action Bar**.

1. Except for claims arising from your non-payment or underpayment of amounts you owe us, any and all claims arising out of or relating to this Agreement or the relationship between you and us will be barred unless an action or proceeding is commenced in accordance with this Agreement within one (1) year from the date the party asserting the claim knew or should have known of the facts giving rise to such claims.

2. If the landlord terminates the lease for the Restaurant and an arbitrator or court determines you did not breach the Sublease and it was our or our affiliate's fault the landlord terminated the lease, our obligation to you will be limited to the original cost of your leasehold improvements, less depreciation based on a five (5) year life under the straight-line method. We will pay you when you reopen the Restaurant in a new location. If the arbitrator or court determines you breached the Sublease or it was not our or our affiliate's fault the landlord terminated the lease, we and our affiliate will have no obligation to you for termination of the lease.

3. You and we agree that any proceeding will be conducted on an individual basis, and that any proceeding between us (or any of our affiliates) and you or your owners may not be: (i) conducted on a class-wide basis or as a collective action, (ii) consolidated with another proceeding between us and any other person or entity, nor may any claims of another party or parties be joined with any claims asserted in any action or proceeding between you and us, (iii) joined with any claim of an unaffiliated third-party, or (iv) brought on your behalf by any association or agency. No previous course of dealing shall be admissible to explain, modify, or contradict the terms of this Agreement. No implied covenant of good faith and fair dealing shall be used to alter the express terms of this Agreement.

I. **Costs and Attorneys' Fees**. If either party initiates a judicial or other proceeding, the party prevailing in such proceeding shall be entitled to reimbursement of its costs and expenses, including

reasonable attorneys' fees. If we become a party to any action or proceeding commenced or instituted against us by a third party arising out of or relating to any claimed or actual act, error or omission of yours, by virtue of statutory, "vicarious", "principal/agent" or other liabilities asserted against or imposed on us as a result of our status as franchisor, or if we become a party to any litigation or any insolvency proceeding involving you pursuant to any bankruptcy or insolvency code (including any adversary proceedings in conjunction with bankruptcy or insolvency proceedings), then you will be liable to, and must promptly reimburse us for, the reasonable attorneys' fees, experts' fees, court costs, travel and lodging costs and all other expenses we incur in such action or proceeding regardless of whether such action or proceeding proceeds to judgment. In addition, we will be entitled to add all costs of collection, interest, attorneys' fees and experts' fees to our proof of claim in any insolvency or bankruptcy proceeding you file.

J. **Governing Law; Consent to Jurisdiction**. This Agreement and the Franchise shall be governed by the internal laws of the state of Florida, without regard to conflict of laws rules, except to the extent governed by the United States Trademark Act of 1946 (Lanham Act, 15 U.S.C. §§ 1051 et seq.). The parties agree that any franchise law or business opportunity law of the State of Florida now in effect or adopted or amended after the date of this Agreement will not apply to franchises located outside of Florida. SUBJECT TO THE ARBITRATION PROVISIONS BELOW, WE AND YOU (AND EACH OWNER) AGREE THAT ALL ACTIONS ARISING UNDER THIS AGREEMENT OR OTHERWISE AS A RESULT OF THE RELATIONSHIP BETWEEN THE PARTIES MUST BE COMMENCED IN THE STATE OR FEDERAL COURT IN OR NEAREST TO WHERE WE THEN HAVE OUR HEADQUARTERS. WE AND YOU (AND EACH OWNER) IRREVOCABLY CONSENT TO THE JURISDICTION OF THOSE COURTS AND WAIVE ANY OBJECTION TO EITHER THE JURISDICTION OF OR VENUE IN THOSE COURTS.

K. **Arbitration**.

1. Any dispute, controversy or claim arising out of or relating to this Agreement, the breach thereof, or the business relationship between the parties will be settled by arbitration to be administered by either the American Arbitration Association or its successor ("**AAA**"). AAA will administer the arbitration in accordance with its administrative rules (including, as applicable, the Commercial Rules of the AAA and the Expedited Procedures of such rules). If AAA is no longer in business, then the parties will mutually agree upon an alternative administrative arbitration agency. If the parties cannot mutually agree, then the parties agree to take the matter to a court of competent jurisdiction to select the agency. Judgment rendered by the arbitrator may be entered in any court having jurisdiction thereof. The costs of the arbitration will be shared equally by the parties, except as otherwise provided in this Agreement. The parties also agree that neither party will pursue class claims or group or collective actions. The parties further agree not to consolidate the arbitration with any other proceedings, except for arbitrations in which you and we are the sole parties. The parties will honor validly served subpoenas, warrants and court orders.

2. The parties further agree that in cases where the amount in controversy is One Million Dollars ($1,000,000.00) or less the only depositions will be for the sole purpose of preserving testimony. In other cases, the right to, and extent of, any depositions will be determined by agreement of the parties, or by the arbitrator. In all cases any documents exchanged between the parties as part of the discovery process must be returned or destroyed (with proof of destruction) within thirty (30) days of final judgment or dismissal of the arbitration.

3. The parties agree that the city where we then have our headquarters at the time of the commencement of the arbitration will be the site for arbitration. The arbitration shall be held before one (1) arbitrator, who shall be chosen pursuant to the AAA rules for appointment of one (1) arbitrator from the National Roster, except that in the event that either of the parties seeks damages in excess of Ten Million Dollars ($10,000,000.00), the arbitration shall be held before a panel of three arbitrators. To compose the panel of three arbitrators, each party shall name one

arbitrator within fourteen (14) days of service of the Demand for Arbitration or Counterclaim seeking damages in excess of Ten Million Dollars ($10,000,000.00). The two chosen arbitrators must perform his or her duties as a neutral, with impartiality and independence, and with diligence and in good faith. The two arbitrators chosen by the parties shall, within thirty (30) days of the appointment of the last arbitrator, appoint the chairperson of the panel from the National Roster provided by the AAA.

4. If you breach the terms of your Sublease, the Sublessor, whether us or our affiliate, may exercise its rights under the Sublease, including your eviction from the Premises. Any action brought by the Sublessor to enforce the Sublease, including actions brought pursuant to any cross-default clause in the Sublease (which provides that a breach of this Agreement is a breach of the Sublease) will not be an arbitrable dispute and will be adjudicated in the courts of the county and state where the Premises is located. Without limitation, any security deposit that is returned to us or our affiliate by the landlord may be applied to any amounts that you owe us under this Agreement. The parties agree that you may seek a stay of any eviction brought under a cross-default clause in the Sublease by filing a demand for arbitration in accordance with this sub-section within thirty (30) days of the Sublessor's commencement of the eviction. The stay shall be lifted upon conclusion of the arbitration, and you may not seek a stay of eviction after the arbitration has concluded. For the avoidance of doubt, you may not seek a stay of any eviction for any other type of default under the Sublease, including without limitation the failure to pay rent or any other amounts due and owing under the Sublease on a timely basis.

5. You may only seek damages or any remedy under law or equity for any arbitrable claim against us or our successors or assigns. You agree our intended beneficiaries of the arbitration clause including our affiliates, shareholders, directors, officers, employees, agents and representatives, and their affiliates, will be neither liable nor named as a party in any arbitration or litigation proceeding commenced by you where the claim arises out of or relates to this Agreement or the business relationship between the parties. If you name a party in any arbitration or litigation proceeding in violation of this sub-section, you will reimburse us for reasonable costs incurred, including but not limited to arbitration fees, court costs, attorneys' fees, management preparation time, witness fees, and travel expenses incurred by us or the party.

6. You acknowledge and agree that your default under this Agreement concerning infringement of intellectual property rights in the Marks or in copyrighted items or disclosure of Confidential Information (together "**Intellectual Property Claims**") may cause irreparable harm to us, our Affiliates and the System as a whole. Notwithstanding the arbitration clause in this sub-section, we or an Affiliate may bring an action in connection with such a default for damages, injunctive relief, or both in any court having jurisdiction.

7. Any disputes concerning the enforceability or scope of the arbitration clause are delegated to the arbitrator for determination, except for Intellectual Property Claims. Any arbitration will be conducted pursuant to the Federal Arbitration Act, 9 U.S.C. §1, et seq. ("**FAA**"), and the parties agree that the FAA preempts any state law restrictions (including the site of the arbitration) on the enforcement of the arbitration clause in this Agreement. If the FAA has been repealed or modified such that it no longer applies to this Agreement, then any disputes shall be resolved in accordance with applicable law governing this Agreement. The parties agree to waive any right to disclaim or contest this pre-dispute arbitration agreement.

8. A party will be in default of this Agreement if it i) commences action in any court in violation of this sub-section prior to an arbitrator's final decision (except as otherwise allowed by this Agreement, including to compel arbitration), or ii) commences litigation in any forum except where permitted by this sub-section. The defaulting party will also be responsible for the expenses the other party incurs to enforce this sub-section, including but not limited to filing fees,

court costs, reasonable attorneys' fees and travel expenses. However, if a court of competent jurisdiction deems the arbitration clause unenforceable after all appeals have been exhausted, the defaulting party will not be responsible for such costs.

9. Subject to federal or state law, if a party defaults under sub-section G, including, but not limited to, making a claim for special, incidental, consequential, punitive, or multiple damages, or damages in excess of the amount permitted, the defaulting party must correct its claim and will be responsible for all expenses incurred by the other party, including attorneys' fees, and will be liable for abuse of process.

10. The parties agree that all statutes of limitations and deadlines provided for in the governing law that is applied to the arbitration shall have full force and effect, unless a shorter limitations period is provided in sub-section H and is enforceable under applicable law.

L. **Binding Effect**. This Agreement is binding upon the parties hereto and their respective heirs, assigns and successors in interest.

M. **Survival**. All of your (and your owners') obligations which expressly or by their nature survive this Agreement's expiration or termination will continue in full force and effect subsequent to and notwithstanding its expiration or termination until they are satisfied in full or by their nature expire.

N. **Construction**. This Agreement (including the preambles and Background Information), the exhibits, schedules and attachments hereto, and the documents referred to herein, constitute the entire and complete agreement between the parties concerning the subject matter hereof and supersede any and all prior agreements between the parties, and there are no other oral or written understandings or agreements between us and you relating to the subject matter of this Agreement. Nothing in this or in any related agreement, however, is intended to disclaim the representations we made in the franchise disclosure document that we furnished to you.

The headings of the several Sections and sub-sections hereof are for convenience only and do not define, limit or construe the contents of such Sections or sub-sections and shall not be taken into account in this Agreement's construction or interpretation. References to dollars ($) in this Agreement refer to the lawful money of the United States of America. No previous course of dealing or usage in the trade not specifically set forth in this Agreement will be admissible to explain, modify, or contradict this Agreement.

O. **Joint and Several Liability**. Each individual signing this Agreement as the franchisee will be jointly and severally liable.

P. **No Liability.** You agree that no past, present or future director, officer, employee, incorporator, member, manager, partner, stockholder, subsidiary, affiliate, controlling party, entity under common control, ownership or management, supplier, agent, attorney, or representative of ours will have any liability for (i) any of our obligations or liabilities relating to or arising from this Agreement, (ii) any claim against us based on, in respect of, or by reason of, the relationship between you and us, or (iii) any claim against us based on any alleged unlawful act or omission of us. For the avoidance of doubt, this provision constitutes an express waiver of any claims based on a theory of vicarious liability, except for any statutory liability that cannot be waived under applicable law.

Q. **Franchisor Discretion**. You agree that whenever this Agreement allows or requires us to take actions or make decisions, we may do so in our sole and unfettered discretion, even if you believe our action or decision is unreasonable, unless the Agreement expressly and specifically requires that we act reasonably or refrain from acting unreasonably in connection with the particular action or decision.

R. **Notices**. Every notice, approval, consent or other communication authorized or required by this Agreement shall be effective if given in one of the following ways: (i) by email to us at **FranchiseNotices@subway.com** and to you at the email address provided on the Signature Page at the end of this Agreement, or at such other email address as either party shall from time to time designate in writing; (ii) in writing and hand delivered to either party; or (iii) in writing and sent for next business day delivery by FedEx, UPS, or other nationally-recognized courier. Notices sent via hand delivery or via nationally-recognized courier shall be addressed directly to us at our offices at Attn: Legal Department - Franchising, 1 Corporate Drive, Suite 1000, Shelton, CT 06484, and to you at the Premises, or at such other address as either party shall from time to time designate in writing. Email notices must contain the capitalized words "LEGAL NOTICE" in the subject line. The sender of an email notice must request a read receipt and the recipient must allow a read receipt to be sent on or before the next business day. Email notices shall be effective upon receipt by the sender of the read receipt from the recipient of the notice. Hand delivered notices shall be deemed to be effective upon delivery, if delivered. Notices sent for next business day delivery by nationally recognized courier shall be deemed to be effective on the next business day.

S. **Amendment; Modification**. This Agreement may be modified only by written agreement signed by both you and us. Notwithstanding the foregoing, you acknowledge and agree that we may modify the Confidential Operations Manual and System Standards from time to time, subject to the terms of this Agreement.

T. **Counterparts**. This Agreement may be executed in multiple counterparts, each of which shall be deemed to be an original and all of which taken together shall constitute one and the same agreement. The parties agree that scanned or electronic signatures shall have the same effect and validity, and may be relied upon in the same manner, as original signatures. You acknowledge and agree that any owner of you or any signatory to this Agreement (including any signatory assuming this Agreement) may sign ancillary agreements and accept system initiatives during the Term such as software license agreements and consent to technology programs/initiatives in connection with the operation of the Restaurant, such as remote access to your POS System, with binding effect.

25. **Acknowledgements**. You represent, warrant, agree and acknowledge the following:

A. No representation has been made by us (or any employee, agent or salesperson of us) and relied on by you as to the future or past income, expenses, sales volume or potential profitability, earnings or income of the Restaurant, or any other Subway® Restaurant.

This provision supersedes any other term of any document executed in connection with the franchise.

FRANCHISEE OBLIGATIONS

In consideration of, and as an inducement to, the execution of the above Multi-Unit Franchise Agreement (as amended, modified, restated or supplemented from time to time, the "**Agreement**") by DOCTOR'S ASSOCIATES LLC ("**COMPANY**"), each of the undersigned (each a "**GUARANTOR**", and collectively "**GUARANTORS**") hereby personally and unconditionally (1) guarantees to COMPANY and its affiliates and their successors and assigns, for the term of the Agreement and thereafter as provided in the Agreement, that _____, a _____ ("**Franchisee**") shall punctually pay and perform each and every undertaking, agreement and covenant set forth in the Agreement and (2) agrees personally to be bound by, and personally liable for the breach of, each and every provision in the Agreement.

Each GUARANTOR waives:

1. acceptance and notice of acceptance by COMPANY and its affiliates of the foregoing undertakings;

2. notice of demand for payment of any indebtedness or nonperformance of any obligations hereby guaranteed;

3. protest and notice of default to any party with respect to the indebtedness or nonperformance of any obligations hereby guaranteed;

4. any right GUARANTOR may have to require that an action be brought against Franchisee or any other person as a condition of liability;

5. all rights to payments and claims for reimbursement or subrogation which GUARANTOR may have against Franchisee arising as a result of GUARANTOR'S execution of and performance of this Guaranty; and

6. any and all other notices and legal or equitable defenses to which GUARANTOR may be entitled.

Each GUARANTOR consents and agrees that:

1. GUARANTOR'S liability under this guaranty ("**Guaranty**") shall be direct, immediate, and independent of the liability of, and shall be joint and several with, Franchisee and the other owners of Franchisee;

2. Each GUARANTOR that is a business entity, retirement or investment account, or trust acknowledges and agrees that if Franchisee (or any of its affiliates) is delinquent in payment of any amounts guaranteed hereunder, that no dividends or distributions may be made by such GUARANTOR (or on such GUARANTOR'S account) to its owners, accountholders or beneficiaries or otherwise, for so long as such delinquency exists, subject to applicable law;

3. GUARANTOR shall render any payment or performance required under the Agreement upon demand if Franchisee fails or refuses punctually to do so;

4. COMPANY may proceed against GUARANTOR and Franchisee jointly and severally, or COMPANY may, at its option, proceed against GUARANTOR, without having commenced any action,

having obtained any judgment against or having pursued any other remedy against, Franchisee or any other person. GUARANTOR hereby waives the defense of the statute of limitations in any action hereunder or for the collection of any indebtedness or the performance of any obligation hereby guaranteed;

5. Such liability shall not be diminished, relieved or otherwise affected by any extension of time, credit or other indulgence which COMPANY or its affiliates may from time to time grant to Franchisee or to any other person, including, without limitation, the acceptance of any partial payment or performance or the compromise or release of any claims, none of which shall in any way modify or amend this Guaranty, which shall be continuing and irrevocable during the term of the Agreement;

6. This Guaranty will continue unchanged by the occurrence of any Bankruptcy Event (as defined in the Agreement) with respect to Franchisee or any assignee or successor of Franchisee or by any abandonment of the Agreement by a trustee of Franchisee. Neither the GUARANTOR'S obligations to make payment or render performance in accordance with the terms of this Guaranty nor any remedy for enforcement shall be impaired, modified, changed, released or limited in any manner whatsoever by any impairment, modification, change, release or limitation of the liability of Franchisee by virtue of or as a result of any Bankruptcy Event, or from the decision of any court or agency;

7. GUARANTORS shall be bound by the restrictive covenants and confidentiality provisions contained in Sections 9, 15, and 19 of the Agreement and the indemnification provisions contained in Section 20 and elsewhere in the Agreement; and

8. Each GUARANTOR agrees to pay all reasonable attorneys' fees and all costs and other expenses incurred in any collection or attempt to collect amounts due pursuant to this Guaranty or any negotiations relative to the obligations hereby guaranteed or in enforcing this Guaranty against GUARANTOR.

9. Each GUARANTOR agrees that in the event any provision of this Guaranty is held to be overbroad as written, such provision shall be deemed amended to narrow its application to the extent necessary to make the provision enforceable according to applicable law and shall be enforced as amended.

The provisions contained in Section 24.I (Costs and Attorneys' Fees) and Section 24.J (Governing Law; Consent to Jurisdiction), and 24.K (Arbitration) of the Agreement shall govern this Guaranty and any dispute between GUARANTORS and COMPANY, and such provisions are incorporated into this Guaranty by reference.

Capitalized terms used in this Rider that are defined in the Franchise Agreement will have the meanings given to them in the Franchise Agreement.

RECITALS:

R.1. You wish to participate in the Subway® Grab & Go Program ("**Grab & Go Program**") to offer a selection of pre-made sandwiches and other approved self-serve items ("**Grab & Go products**") within your Subway® restaurants under the above referenced franchise number (the "**Restaurant**") and we have granted our approval.

R.2. We may permit you to participate in the Grab & Go Program in accordance with the terms and conditions below.

R.3. You acknowledge that we may discontinue this program at any time and you may no longer be permitted to participate in the Grab & Go Program or offer Grab & Go products.

R.4. You acknowledge that pre-made sandwiches that are not sold prior to their expiration are to be discarded and may lead to increased waste in the Restaurant.

R.5. You understand and agree that neither party knows how the requirements of this Rider will affect the Restaurant's sales, business, or operations and that the terms of this Rider are subject to change upon reasonable notice.

AGREEMENT:

Acknowledging and agreeing to each of the Recitals above, which are herein incorporated by reference to the Franchise Agreement, the parties amend and supplement the Franchise Agreement as follows:

I. In regard to Fees and Contributions:

The term "Gross Sales" as used herein, shall mean and include the aggregate amount of all sales of food products, beverages and other merchandise, products and services of every kind or nature sold from, at or in connection with the Restaurant or arising out of the operation or conduct of business by the Restaurant, including catering and delivery but excluding unsold pre-made sandwiches, less any customer refunds up to the amount of the sales price and excluding all sales, use or service taxes collected and paid to the appropriate taxing authority. "Gross Sales" shall include: (a) all amounts redeemed from gift certificates, gift cards or similar media, and sales made through alternative platforms, (b) all insurance proceeds received by you for loss of business due to a casualty or other event at the Restaurant, and (c) the fair market value of any services or products received by you in barter or exchange for your services or products.

II. In regard to the Restaurant and Approved Location:

You must review your lease to determine if there are any restrictions that would prevent you from preparing or selling any pre-made sandwiches at the Restaurant.

III. In regard to the Standards of Quality and Performance:

If you are participating in the Grab & Go Program, you will be required to operate the Restaurant in accordance with the Grab & Go Program terms and conditions set forth in Confidential Operations Manual, as may be updated or amended from time to time. You will be provided with reasonable notice of any material updates or changes to the Grab & Go Program terms and conditions and you, at your sole expense, will make any changes to the Restaurant necessary to conform to the Grab & Go Program terms and conditions. The Grab & Go terms and conditions will include, among other terms and conditions, standards for sales reconciliation.

IV. In regard to Term and Renewal:

You may only continue your participation in the Grab & Go Program at the relocation site with our prior written approval.

V. In regard to Transfer:

In the event of any transfer contemplated by Section 18 of the Agreement, you and any proposed transferee, as applicable, must apply (or re-apply) for participation in the Grab & Go Program. We will have the right to approve of or deny your (or the applicable transferee's) continued participation in the Grab & Go Program based on our then-current eligibility requirements.

VI. In regard to Default and Termination:

If Grab & Go products are offered in addition to made-to-order sandwiches you may withdraw from the Grab & Go Program at any time upon prior written notice to us. Upon effective withdrawal, you will immediately cease offering all Subway® Grab & Go branded products, including pre-made sandwiches, and will cease using Subway® Grab & Go signage, equipment, and materials. In addition, Franchisee is required by Supplier to sign an Equipment Loan Agreement in the form attached as Exhibit 2, which will set the terms for equipment to be installed by Supplier or Supplier's authorized bottler or authorized service provider. The Participation Agreement consists of the following documents: (a) Participation Agreement and (b) incorporated Exhibits as listed below, and as may be amended from time to time. This participation agreement ('Participation Agreement') is made between Supplier and Franchisee as of the date of signature by Franchisee below (the "Effective Date") and sets out the terms and conditions agreed between Supplier and Franchisee concerning the Products listed on Exhibit 1 hereto that have been approved by Franchisor to be sold at Restaurants and which will be supplied to Distribution Centers approved by Franchisor, and then purchased by Franchisee for delivery to Franchisee's Restaurant(s). 2. By signing this Participation Agreement, the individual signing represents that they are authorized to sign on Franchisee's behalf and has read this Participation Agreement in its entirety.

3. This Participation Agreement allows Franchisees to participate in the program set out in an agreement ("**Beverage Supply Agreement"**) commencing and entered into between Supplier and Doctor's Associates LLC ("**Subway Franchisor**").

4. None of the parties to this Participation Agreement shall have the right to assign, sub-contract, transfer, change or deal in any manner with this Participation Agreement, or any of its rights under it, without the prior written consent of the other parties hereto (such consent not to be unreasonably withheld or delayed).
5. Under the Beverage Supply Agreement, Supplier and Subway Franchisor have agreed to certain funding obligations and/or fees which Supplier will pay to Subway Franchisor and its supply chain manager as such funds or fees may be accrued throughout the term of the Beverage Supply Agreement. By entering into this Participation Agreement, Franchisee may be eligible to receive certain incentives

and/or rebates related to such funding regarding which Franchisor will notify Franchisee at the applicable time during the term, provided, however, Supplier may withhold Franchisee pricing, discounts, and rebates net of any outstanding amount of penalties Supplier owes to Franchisees pursuant to the Beverage Supply Agreement, as an offset against Franchisee's unpaid remedies to Supplier under the Equipment Loan Agreement (e.g. unpaid balances due and payable for Special Service Calls).

6. The term of this Participation Agreement will be contemporaneous with the term of the Beverage Supply Agreement. The Beverage Supply Agreement is effective from 1 January 2025 and ends on 31 December 2034. In the event that the Beverage Supply Agreement is terminated on a date earlier than 31 December 2034, this Participation Agreement may be terminated on such earlier date as shall be notified to the Franchisees by Supplier.

Supplier will also respond to Franchisee's request for service or repair to the Equipment within twenty-four (24) hours for Emergency Cover and forty-eight (48) hours for Non-Emergency Cover. Supplier shall be subject to penalties for failing to meet the servicing requirements for Emergency Cover pursuant to the Equipment Loan Agreement. For the purposes of this Participation Agreement, Emergency Cover means service coverage for issues that leave a Restaurant with no capacity or ability to sell chilled beverages for Beverage Coolers or with no capacity to sell fountain beverages for fountain dispensing equipment; or service coverage for issues likely to cause a hazard to the health and safety of any persons. Non-Emergency Cover means service coverage provided by Supplier other than for Emergency Cover.

8. Supplier further agrees that if any Equipment fails to operate or otherwise becomes inoperable for any reason not directly attributable to the acts or omissions of a Franchisee, Supplier will replace the defective Equipment with a new unit or, if approved by Franchisor, a fully refurbished unit, at no cost to the Franchisee, as soon as practicable. For the purposes of this Agreement, any Equipment that requires three (3) or more recurring Emergency Cover calls within a sixty (60) day period shall be deemed defective and unusable and must be replaced by Supplier consistent with Supplier's Emergency Cover obligations.

9. Franchisee acknowledges and agrees that a minimum of ninety percent (90%) of the Beverage Cooler space will be used to merchandise the Products. Franchisee may use up to ten percent (10%) of the Beverage Cooler space to merchandise Franchisor approved non-exclusive beverage products, unless otherwise notified by Franchisor.

10. The Franchisee shall for its business have necessary insurances such as property and liability insurances, including insurance for the premises in which the business is conducted.

11. Supplier may from time to time pass information, including Franchisee's personal or company information (as applicable) and any details and copies of this Participation Agreement (and any notices served under it) to Subway Franchisor and Subway Franchisor's affiliates (an Subway Franchisor affiliate being a person or entity that directly or indirectly through one or more intermediaries, controls, is controlled by, or is under common control with, Subway Franchisor), and Subway Franchisor's supply chain manager (together with any of its holding companies or subsidiaries, if any).

The Parties agree to perform all obligations under this Agreement in compliance with all applicable federal, state, local laws, regulations, and/or rules, where they operate; including but not limited to those regarding bottle/contained deposits or similar redemption charges and sales taxes. In the event there is a change in any applicable laws or industry standards relating to the Parties performance of this Agreement, the Parties agree to amend this Agreement by way of incorporating model contract clauses, binding corporate rules, or other guidelines or clauses as may be required to ensure compliance. To that end, upon request, Franchisee agrees to provide Supplier with sales tax exemption certificates covering sales of the Products, invoices between Distributor and its commissaries and customers, reporting evidencing any and all taxes, fees, and deposits collected from our final customers, as well as reporting showing that those taxes, fees, and deposits were then remitted to the proper taxing authorities.

RESTAURANT OFFSET AND FORBEARANCE AGREEMENT

This Restaurant Offset and Forbearance Agreement (the "Agreement") is entered and effective as of [INSERT DATE] (the "Effective Date") by and between Doctor's Associates LLC, a Delaware limited liability company ("DAL" or "us"), and [INSERT FRANCHISEE NAME] ("Franchisee," "you," or "your") (DAL and Franchisee are collectively referred to as the "Parties").

RECITALS

A. We are parties to the franchise agreement and associated addenda, if any, for the above-referenced franchise number (the "Franchise Agreement") authorizing your operation of the Subway® restaurant located at [INSERT RESTAURANT ADDRESS] (the "Restaurant").

B. The Franchise Agreement requires you to actively and continuously operate the Restaurant for the entire term of the Franchise Agreement. Despite this obligation, you notified DAL of your intent to close the Restaurant on or about [INSERT DATE] (the "Anticipated Closing Date") before the Franchise Agreement expires. The Parties agree the Anticipated Closing Date shall not occur sooner than the anticipated opening date of the Replacement Restaurant contemplated herein.

C. The Parties agree that your closing the Restaurant before the Franchise Agreement expires requires you to pay DAL [INSERT AMOUNT] (the "Termination Payment") for the lost royalty and advertising fund contributions otherwise due and owing under the Franchise Agreement, in addition to any other amounts due and owing to DAL under the Franchise Agreement and/or any other agreement between the Parties.

D. Absent this Agreement, the Parties agree that the Termination Payment would otherwise become due and owing on the date upon which the Restaurant ceases to do business (the "Closing Date").

E. Franchisee hereby requests DAL to forbear from requiring Franchisee to make the Termination Payment and waive such obligation if Franchisee locates an alternate site, receives all relevant approvals from us and opens a new Subway® restaurant in accordance with the Operations Manual (a "Replacement Restaurant") within the timeframe set forth herein. If the Replacement Restaurant satisfies the Operations Manual's relocation criteria, including opening within the trade area of the Restaurant, defined as an area not to exceed a 1.8 mile/3.0 km radius around the Restaurant, or at a site outside that radius approved in writing by DAL's Vice President of Development (the "Trade Area"), it is a "Relocated Restaurant" and continues to operate under the Franchise Agreement. If the Replacement Restaurant is located outside the Trade Area without such written approval, it is an "Offset Restaurant," and we may require the Parties to execute (i) our new, then-current form of Subway franchise agreement with its then-current rates, terms, and conditions for a time period not less than the balance of the Franchise Agreement's existing term with a waiver of the franchisee fee (the "New Franchise Agreement") and (ii) a Termination and Release Agreement for the Franchise Agreement.

F. We agree to forbear from collecting and to waive the Termination Payment if you materially comply with the terms and conditions of this Agreement.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual promises and covenants in this Agreement, other good and valuable consideration, the adequacy and sufficiency of which are hereby acknowledged, and with the foregoing recitals incorporated herein by this reference, the Parties agree as follows:

I. Acknowledgements, Warranties, and Representations

A. The Parties acknowledge and agree that the recitals above are true and correct.

B. The Parties agree that the effectiveness of this Agreement is conditioned upon Franchisee being current and in compliance with all franchise agreements between the Parties with no uncured default.

C. The Parties warrant and represent that they have the full power and authority to make, deliver, enter, and perform the terms and conditions of this Agreement and that the consent or approval of a third party is not required to enter and perform under this Agreement.

D. You warrant and represent that Franchisee genuinely intends to open the Replacement Restaurant and fulfill each obligation under this Agreement and the Franchise Agreement or New Franchise Agreement, as applicable. You are not entering into this Agreement solely to delay or avoid collection of the Termination Payment. You also warrant and represent that Franchisee's performance under this Agreement shall not conflict with or be prohibited by any other agreement and that Franchisee and/or its affiliates are not parties to any letter of intent or agreement to sell or transfer the Restaurant or the site of the Restaurant.

E. You further warrant and represent all information you provided or will provide to us in connection with this Agreement — including information about the proposed site, your financial condition, and your ability to develop and open the Replacement Restaurant — is accurate and complete in all material respects.

F. The Parties acknowledge and agree this Agreement is binding upon each Party and their respective heirs, successors, and assigns and that they are not a party to any agreement or arrangement that would prevent or materially interfere with their ability to perform their obligations under this Agreement.

G. Franchisee acknowledges and agrees that the terms and conditions set forth herein, including DAL's agreement to temporarily forbear constitutes "new value" as defined in 11 U.S.C. §547 for any and all conduct and/or payments made in accordance with this Agreement or the Franchise Agreement.

II. Forbearance and Waiver

A. **Forbearance.** The Parties agree it is in their collective interest for DAL to temporarily forbear from exercising its rights and remedies under the Franchise Agreement pursuant to the terms and conditions of this Agreement in order to permit Franchisee to comply with terms and conditions of this Agreement and open the Replacement Restaurant (the "Forbearance") within the time frame set forth herein (the "Forbearance Period"). During the time in which you comply with this Agreement, DAL agrees not to demand payment of or take legal action to collect the Termination Payment from the Effective Date through the Deadline set forth in Section III.A.

B. **Forbearance Limit.** The Parties agree our forbearance applies only to the Termination Payment and does not affect or impair our right to collect any royalty fees, advertising contributions, or other amounts

owed under the Franchise Agreement or any other agreement between the Parties, all of which remain immediately due and payable.

C. **Restaurant Operation**. You agree to operate the Restaurant in strict compliance with the Franchise Agreement and all agreements ancillary to the operation of the Restaurant through and including the Closing Date, including POS reporting, weekly sales reporting, making all payments due and owing thereunder. During the Forbearance Period, Franchisee agrees to participate in all non-price promotions required by DAL. You further warrant and covenant that you shall not divert business nor announce the closure to your employees or to customers except after DAL-approved messaging and timing of such messages.

D. **No Waiver During Forbearance Period.** Our forbearance is not a waiver of the Termination Payment or of any rights under the Franchise Agreement or any other agreement between the Parties. The Termination Payments remains outstanding and will become immediately due and payable upon any Trigger Event described in Section IV.

E. **Closing Date Different than Anticipated Closing Date.** If the Closing Date is different than the Anticipated Closing Date, DAL will provide the revised Termination Payment amount, if any change, within thirty (30) days of the Closing Date.

F. **Restaurant Site Lease/Sublease Agreement; Indemnification**. Franchisee agrees that it shall exclusively bear all lease and/or sublease-termination liabilities, where applicable, obtain a termination and mutual release from the property owner where DAL or an affiliate is a party to the lease or sublease, and indemnify DAL for landlord claims arising from the closure of the Restaurant. Franchisee further agrees to indemnify, defend, and hold harmless DAL, its parent companies, subsidiaries, and affiliates, their respective officers, directors, agents, servants, and employees of and from any and all liability, claims, liens, demands, actions and causes of action whatsoever (including reasonable attorney's fees and costs) arising out of or related to any loss, cost, damage or injury, including death, caused by or arising from Franchisee's closure of the Restaurant.

G. **De-Identification**. Pursuant to our sole discretion, you shall completely de-identify the Restaurant location as a former Subway® restaurant within fourteen (14) days of the Closing Date.

III. RELOCATION AND OFFSET OBLIGATION

A. **Replacement Restaurant**. You agree to (i) open the Replacement Restaurant and cause it to achieve fully operational status (as defined below) on or before the Anticipated Closing Date (the "Deadline") and (ii) fully and continuously operate the Replacement Restaurant pursuant to the Franchise Agreement or New Franchise Agreement, as applicable.

B. **Development Milestones and Progress Reports**. You agree to complete the following actions (a "Milestone") within the stated time period from the Effective Date and provide us with progress reports within five (5) days of the completion of each Milestone and date below.

i. 15 days: Initiate the restaurant approval process in accordance with the Operations Manual with your field operations team.
ii. 30 days: Provide a completed site selection package in accordance with the Operations Manual to us for approval.
iii. 60 days: Obtain our written site approval, which you agree does not constitute an assurance, representation or warranty of any kind, express or implied, as to the success or profitability of your Restaurant operated at the site. If DAL fails to

provide any decision regarding the site selection package within 60 days of the Effective Date, this Milestone is deemed satisfied pending our decision, and no Trigger Event arises from that delay alone.

iv. 75 days: If you are required to execute the New Franchise Agreement (i.e., the Replacement Restaurant is an Offset Restaurant), complete a review of DAL's then-current FDD and submit the Item 23 franchisee acknowledgment receipt to DAL.

v. 90 days: Execute a lease (or provide proof of ownership) and New Franchise Agreement, if applicable, for the accepted site and Replacement Restaurant and deliver copies to us.

vi. 150 days: Commence construction and/or build-out of premises.

vii. Deadline: Replacement Restaurant is fully operational, including actively and continuously open to the public in full compliance with the applicable franchise agreement, fully staffed and stocked, offering the complete authorized Subway® menu, in possession of all required governmental permits and licenses, and reporting sales through our approved point of sale system ("Fully Operational").

viii. 5 days of Closing Date: The Restaurant is fully de-identified and closed and in the condition required by the terms of the relevant lease or sublease agreement or otherwise in the condition required by us (the "Restaurant Closure").

C. **Refusal to Accept Replacement Site; Election**. If DAL does not accept a proposed site, you must, within fifteen (15) days of written notice of denial submit an alternative site for the Replacement Restaurant with all Milestones and the Deadline continuing to run without adjustment. Failure to make a timely election constitutes a Trigger Event, defined below.

D. **Enlargement of Time**. You agree that DAL has no obligation and you have no expectation that DAL will modify or change any of the Milestones or the dates associated with those Milestones, including the Deadline. No Deadline or Milestone may be extended for any reason, including construction delays, permitting delays, force majeure, or financial hardship, except by written agreement signed by one of our authorized officers or legal counsel. We have no obligation to agree to any extension. Any purported extension not in writing signed by our authorized officer is void.

IV. WAIVER AND/OR PAYMENT OF THE TERMINATION PAYMENT

A. **Termination Payment**. You acknowledge and agree that the Termination Payment is due and owing to DAL because, among other reasons: (1) you owe a standalone contractual debt under this Agreement, supported by our forbearance as independent consideration; (2) you owe liquidated damages under the Franchise Agreement for early closure as a fair and reasonable pre-estimate of our losses and not as a penalty; and/or (3) you owe actual damages for not operating the Restaurant for the entire term of the Franchise Agreement. You further acknowledge and agree that the failure of any one basis does not affect the others.

B. **Waiver of the Termination Payment**. DAL will waive and forgive the Termination Payment and Interest due and owing under the Franchise Agreement and/or this Agreement (together, the "Deferred Obligation") if and upon (1) your complete and timely compliance with the below and (2) our acknowledgement that each item below is timely completed to our satisfaction.

i. You comply with this Agreement, your Franchise Agreement, and all other agreements ancillary to the operation of your Restaurant, including the payment of all amounts due and owing under the Franchise Agreement and lease or sublease through the Closing Date.

ii. Replacement Restaurant is Fully Operational before the Deadline.
iii. You provide written notice to us that the Replacement Restaurant is Fully Operational within five (5) days of that status.
iv. The Restaurant Closure is complete, and you provide us written notice that the Restaurant Closure is complete within fourteen (14) days of the Closing Date.

We will confirm or identify any deficiencies within thirty (30) days of your receipt of DAL's written notice of the last required action. Upon confirmation by DAL of your compliance with these obligations, DAL will release Franchisee of all claims arising from the early closure of the Restaurant.

C. **Trigger Events and Acceleration of Termination Payment**. Upon any Trigger Event (as defined below), the Deferred Obligation becomes immediately due and payable in full without further notice or demand. You agree to pay the Deferred Obligation within ten (10) days, without right of set-off or deduction. Each of the following constitutes a "Trigger Event".

i. A materially false or misleading representation by you.
ii. Commit a breach of this Agreement and fail to timely cure such breach within ten (10) days of your receipt of written notice of such breach.
iii. Commit a breach of your Franchise Agreement or any other agreement between the Parties relating to the Restaurant or Replacement Restaurant and fail to timely cure such breach within the time period provided, if any, for under the applicable agreement.
iv. Failure to timely complete any Milestone before the applicable date of completion, including any obligation under III.C above, and fail to cure such default after ten (10) days' written notice.
v. Failure to timely comply with the Fully Operational obligation for the Replacement Restaurant, and fail to cure such default after ten (10) days' written notice.
vi. Your notice to us or our reasonable determination that you will not or cannot complete the Replacement Restaurant or otherwise have it Fully Operational.
vii. You transfer any right or interest in this Agreement, the Restaurant, the Franchise Agreement, the Replacement Restaurant, or the New Franchise Agreement (as applicable) without our written consent, and fail to cure such default after ten (10) days' written notice. "Transfer" means any sale, assignment, pledge, encumbrance, or other disposition of any interest in this Agreement, the Replacement Restaurant, the applicable franchise agreement for the Replacement Restaurant, or any direct or indirect ownership interest in you except as permitted by the Franchise Agreement.
viii. You file a voluntary petition in bankruptcy, are adjudicated bankrupt or insolvent, have a receiver appointed, seek the appointment of a receiver, or make a general assignment for the benefit of creditors.

D. **Interest**. You agree that interest accrues on the outstanding Termination Payment amount upon the occurrence of a Triggering Event at twelve percent (12%) per annum (or the maximum rate permitted by applicable law), compounded monthly, until paid in full unless otherwise agreed in writing by DAL.

E. **Termination of Agreement; Confirmation of Satisfaction**. Upon the effectiveness of DAL's waiver of the Deferred Obligation under Section IV.B: (i) this Agreement shall automatically terminate, except that Section V and this Section VII shall survive; and (ii) each Personal Guaranty delivered under this Agreement shall be automatically released and of no further force or effect, subject to reinstatement as provided in the Personal Guaranty. Within sixty (60) days after such waiver becomes effective, DAL shall

deliver to Franchisee written confirmation that the Deferred Obligation has been waived, this Agreement has terminated, and each Personal Guaranty has been released, which confirmation Franchisee may provide to lenders and other interested third parties.

V. GENERAL RELEASE OF DAL AND COVENANT NOT TO SUE

A. **Release**. For, and in consideration of, DAL's entry into this Agreement and other good and valuable consideration received from or on behalf of DAL, the receipt of which is hereby acknowledged, the Franchisee, jointly and severally, for themselves and their agents, representatives, employees, subsidiaries, insurers, and all of their heirs, successors, and assigns (individually, and collectively in this Section V, "Releasors"), hereby remises, releases, acquits, satisfies, and forever discharges DAL, and its direct, indirect, and beneficial owners, parent companies, affiliates, related companies, and all of their and DAL's members, officers, directors, agents, representatives, employees, subsidiaries, insurers, and all of their heirs, successors, and assigns (individually and together in this Section V, "Releasees"), of and from all manner of action and actions, cause and causes of action, suits, debts, dues, sums of money, accounts, reckonings, bonds, bills, specialties, covenants, contracts, controversies, agreements, promises, variances, trespasses, damages, judgments, executions, claims, and demands whatsoever, in law or in equity, which Releasors ever had, now have, or which any successor or assign of Releasors ever had or now has, whether known or unknown, against Releasee for, upon, or by reason of any matter, cause, or thing whatsoever, from the beginning of the world to the day of these presents, except to the extent such release is prohibited by applicable state franchise or business opportunity law.

Releasors acknowledge and agree that it is their intent, with full knowledge and advice of counsel, to waive all claims they may now have against Releasees, whether known or unknown, including all matters and causes of action relating to all claims, allegations, and/or defenses that were or could have been asserted in any legal proceeding, regardless of whether they relate to the Restaurant.

C. **Covenant Not to Sue**. Releasors acknowledge and agree to the fullest extent permitted by law that they will not pursue, or cause or knowingly permit the prosecution, in any state, federal, or foreign court, alternate dispute forum, before any local, state, federal, or foreign administrative agency, or any other tribunal, any charge, claim, or action of any kind, nature, or character, known or unknown, which the Releasors now have, has ever had, or may in the future have against the Releasees which is in whole or in part are based on, arising from, or related to any matter released by this Section V.

Report of Independent Auditors

To the Management of Doctor's Associates LLC

Opinion

We have audited the accompanying financial statements of Doctor's Associates LLC (the "Company"), which comprise the balance sheets as of December 31, 2025 and 2024, and the related statements of income, of changes in member's equity and of cash flows for each of the three years in the period ended December 31, 2025, including the related notes (collectively referred to as the "financial statements").

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2025 and 2024, and the results of its operations and its cash flows for each of the three years in the period ended December 31, 2025 in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (US GAAS). Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Company and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.
In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for one year after the date the financial statements are available to be issued.

Auditors' Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with US GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from

error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with US GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Company's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

1. Summary of Significant Accounting Policies

Description of Business

Doctor's Associates LLC (the "Company") is a Delaware limited liability company and a subsidiary of Underground Purchaser, LLC ("Parent"), a Delaware limited liability company. The Company is the franchisor of quick serve restaurants throughout the United States operating under the trade name "Subway." On August 23, 2023, Parent entered into an Equity Purchase Agreement ("Purchase Agreement") to acquire Subway Worldwide, Inc. and became the parent entity of the Company upon closing of the acquisition on May 1, 2024 ("acquisition date"). During 2024 the Company was converted to a direct and wholly owned subsidiary of Subway Funding Holdco LLC ("SPV Holdco"), a subsidiary of Parent, and became a securitized guarantor entity, pursuant to the Subway Funding LLC's securitized note issuance. The Company currently operates pursuant to a license agreement dated June 20, 2024, with Subway US IP Holder LLC ("SUIPH"), an affiliated entity under common control of Parent. The Company previously operated pursuant to a license agreement between the Company and Subway IP LLC ("SIP"), also an affiliated entity under common control of Parent.

Franchisees are engaged in making and selling submarine sandwiches ("subs") and salads utilizing the Subway System, including recipes, formulas, business policies, trademarks, service marks and trade names. Pursuant to the Company's typical franchise agreement, the Company provides its continuing know-how and experience in the production and retail sales of its prepared food products through training and consulting programs for the franchisees.

Basis of Presentation

The financial statements include the accounts of Doctor's Associates LLC. Accounting Standards Codification ("ASC") 220 requires a separate statement of comprehensive income. However, as net income is the only material component of comprehensive income, the Company elected not to include a separate statement of comprehensive income because it would not be meaningful to the users of the financial statements.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America ("U.S. GAAP") requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the dates of the financial statements, and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates. Significant items subject to such estimates and assumptions include allowance for credit losses, amortization, and trade-related and other accrued expenses.

Revenue Recognition

The Company accounts for revenue in accordance with ASC Topic 606, Revenue from Contracts with Customers. The Company derives its revenues from franchise revenues and vendor rebates.

Franchise Fees and Royalties

Royalty revenue from contract consideration from franchisees primarily consists of sales-based royalties. Sales-based royalties are collected either weekly or monthly. Royalties are earned based on a percentage of franchisees' gross sales, relate entirely to the use of the Company's intellectual property and are recognized as franchisee sales occur and the royalty is deemed collectible.

(dollars in thousands)

The Company's primary performance obligations under the franchise agreement include granting certain rights to access the Company's intellectual property and a variety of activities relating to opening a franchise unit, including site selection, training and other such activities commonly referred to collectively as "pre-opening activities.

Initial franchise fees allocated to the right to access the Company's intellectual property are recognized as revenue on a straight-line basis over the term of the respective franchise agreement and are included within "Deferred revenues" on the accompanying balance sheets.

Transfer fees received from an existing franchisee for the transfer of their franchise unit to another franchisee are earned upon completion of the transfer.

The Company capitalizes direct and incremental costs, principally consisting of commissions associated with a new franchisee and amortizes these costs over the term of the respective franchise agreement.

Vendor Funds Revenue and Vendor Funds Receivable

The Company has entered into certain preferred vendor arrangements for which it earns a commission or rebate payable by the vendor based on a percentage or volume of purchases made by its franchisees. These funds are intended to be used by the Company for the benefit of the franchisees and offset various initiatives administered and rolled-out by the Company. Commissions and vendor rebates are recognized in the period purchases are made or per contract specifications.

The Company is also party to strategic capital initiative fund agreements. In such situations, the Company receives payment upfront or based on a payment schedule in order to fulfill certain strategic initiatives as described by the vendor during the life of the contract. The upfront payments are recognized ratably in income over the life of the contract and are included within "Deferred revenues" on the accompanying balance sheets. During the year ended December 31, 2025, the Company received an upfront payment in connection with a beverage supply agreement in North America which is being recognized ratably over the ten year contract term. As of December 31, 2025, $95,228 of the upfront payment remains in deferred revenues.

Master Franchise Agreement

The Company enters into contracts granting rights to the Subway brand to master franchisees in a particular country or defined geographic territory. These contracts are referred to as Master Franchise Agreements ("MFAs"). MFAs require the master franchisees to open a designated number of franchise units within a specified time period, defines an exclusivity period, during which no other franchisee can operate in a designated area and requires the master franchisee to pay a nonrefundable upfront fee upon entering into the MFA. For each individual location opened under the MFA, a separate franchisee agreement between the MFA and franchisee is then executed, resulting in additional fees, such as initial franchise fees, royalties, and other fees, to become due and payable. MFAs require the master franchisee to pay the Company a royalty based on a percentage of sales. Royalty percentages vary among markets and may also vary based on certain incentives and concessions. MFA royalty revenue is included within "Franchise royalties" in the accompanying statements of income. Revenues from MFAs represents 2%, 1% and 1% of "Total revenue" in 2025, 2024, and 2023, respectively.

(dollars in thousands)

Cash and Cash Equivalents
Financial instruments that potentially expose the Company to concentrations of credit risk consist primarily of cash, cash equivalents and receivables. The Company considers all cash investments available with an original maturity of three months or less to be cash equivalents. The Company's cash and cash equivalents are placed with several large financial institutions. Management believes that this investment policy limits the Company's exposure to credit risk. Cash balances, at times, exceed federally insured limits.

Restricted Cash and Cash Equivalents

Certain cash accounts have been established pursuant to the issuance of the securitized notes, by SPV Holdco, for the benefit of the Trustee and the noteholders and are restricted in their use. Balances in the accounts primarily represent cash and cash equivalents for interest, principal and commitment fee reserves related to the securitized notes.

Accounts Receivable, net
Accounts receivable are stated at the amount the Company expects to collect. The Company maintains allowances for credit losses associated with its accounts receivable for estimated losses resulting from the inability of some of its franchisees to make required payments. Concentration of credit risk with respect to receivables is limited due to the large number of franchisees in the Company's customer base and their geographic dispersion. Management considers the following factors when estimating expected credit losses: franchisee creditworthiness, past transaction history with the franchisee, and current economic industry trends. If the financial conditions of the Company's franchisees were to deteriorate, adversely affecting their ability to make payments, additional allowances would be required. Generally, the Company does not require collateral to support accounts receivable.

Intangibles, net
Intangible assets subject to amortization consist of reacquired contract rights and noncompete agreements. The assets are stated at gross carrying amount, less accumulated amortization. Amortization is computed on the straight-line method and is recorded within "Operating expenses, net" on the accompanying statements of income.

Impairment of Long-Lived Assets
The Company's policy is to assess the values of its long-lived assets (property and equipment and amortizable intangible assets) and to evaluate such assets for impairment whenever events or changes in circumstances ("triggering events") indicate that the carrying amount of such assets (or group of assets) may not be recoverable. The amount of any impairment recognized would be calculated as the difference between the estimated fair market value and the carrying value of the asset. The Company performs an impairment test should there be a triggering event. No indications of impairment were identified for the years ended December 31, 2025 and 2024.

Fair Value Measurements
The Fair Value Measurements and Disclosure Topic of the FASB Accounting Codification establishes a framework for measuring fair value that is based on the inputs market participants use to determine fair value of an asset or liability and establishes a fair value hierarchy to prioritize those inputs.

(dollars in thousands)

The accounting guidance describes a hierarchy of three levels of input that may be used to measure fair value:

Level 1 Inputs based on quoted prices in active markets for identical assets and liabilities.

Level 2 Inputs other than Level 1 quoted prices, such as quoted prices for similar assets and liabilities; quoted prices in markets that are not active; or other inputs that are observable or can be corroborated by observable market data for substantially the full term of the asset or liability.

Level 3 Unobservable inputs based on little market or no market activity and which are significant to the fair value of the assets and liabilities.

The Company's material financial instruments consist primarily of cash, cash equivalents, restricted cash and cash equivalents, accounts receivable, and accounts payable and accrued expenses. The fair values of cash and cash equivalents, restricted cash and cash equivalents, accounts receivable, accounts payable and accrued expenses are equal to their carrying values based on their liquidity. The fair value measurement of these assets and liabilities is categorized as Level 1. No level 2 or 3 inputs were used.

Income Taxes

The Company is a single-member limited liability company and therefore is a disregarded entity for income tax purposes. The Company's assets, liabilities, and items of income, deductions and credits are combined with and included in the income tax returns of Underground Parent LLC. For certain state and local purposes, an entity level tax is assessed on the Company, and the amounts are not significant to the financial statements.

The Company provides for state income taxes in states that do not recognize single member limited liability, federal S corporation status or qualified S subsidiaries. Deferred taxes are not significant for all periods presented.

The Company recognizes and measures its unrecognized tax benefits in accordance with FASB ASC 740, Income Taxes. Under that guidance, management assesses the likelihood that tax positions will be sustained upon examination based on the facts, circumstances and information, including the technical merits of those positions, available at the end of each period. The measurement of unrecognized tax benefits is adjusted when new information is available, or when an event occurs that requires a change. Included in "Other current liabilities" in the accompanying balance sheets, the Company has a liability for uncertain tax positions of $0 and $1,161 at December 31, 2025 and 2024, respectively. Included within the liability for uncertain tax positions is accrued interest and penalties of $0 and $639 recorded at December 31, 2025 and 2024, respectively. The Company has made a policy election to present interest and penalties within "Provision for income taxes" on the statements of income.

License Agreement

The Company retains the nonexclusive right to use the recipes, formulas, food preparation procedures, business methods, business forms, and business policies comprising the Subway operating system (the "System") within the United States pursuant to an Intellectual Property and System Transfer Agreement (the "License Agreement") with SIP. On June 20, 2024, SIP assigned its U.S. rights in the Subway System and Marks to Subway US IP Holder LLC ("SUIPH") ("June 2024 Transition"). Concurrent with this assignment, SIP and the Company terminated the License Agreement, and the Company entered into a Franchisor IP License Agreement with SUIPH granting the Company a royalty-free license to use the Subway System and Marks. As a result of the termination of the License Agreement, the Company did not incur license fee expense or recognize any license fee income for the year ended December 31, 2025 following the June 2024 transition. Prior to the June 2024 Transition, the Company historically served as the regional headquarters for the Americas. In this role, the Company obtained the right to sublicense the System within its region. Accordingly, the Company incurred license fee expense, recorded in "Operating expenses, net" in the accompanying statements of income, of $245,181 and $445,022 for the years ended December 31, 2024 and 2023, respectively. As a regional headquarters, the Company was invoiced for administrative service costs related to services provided by affiliated entities under common control for its respective regions. These costs were recorded in "Operating expenses, net" and were partially offset by compensation received by the Company in the form of license fee income from sublicensing activities, which amounted to $36,687 and $54,886 for the years ended December 31, 2024 and 2023, respectively. Prior to termination, the License Agreement was subject to a guaranteed profit arrangement under which expenses allocated to the Company by SIP were adjusted so that the Company's operating profit margin, as defined in the transfer pricing study, equaled 4% of a defined profit base that included specified portions of "Total revenue."

Parent has incentive payment award programs for certain executives and certain key employees. The terms of the incentive payment award programs allow the participants to earn and be compensated for certain measures over a multi-year period through December 2025. The expense is maintained centrally by Franchise World Headquarters LLC ("FWH"), an affiliated entity by common control, which allocates to certain affiliates, including the Company, based on the Company's percentage of franchise royalties. These expenses are recorded in "Operating expenses, net" on the accompanying statements of income. These payments are paid through intercompany transactions and the associated liability is recorded in "Due to affiliates" on the accompanying balance sheets.

(dollars in thousands)

In 2024, the Company entered into a management agreement with FWH, an affiliated entity by common control. Pursuant to the management agreement, the Company has agreed to pay the affiliate a monthly fee for its role as the securitization manager. For the years ended December 31, 2025 and 2024, the Company's total expenses pursuant to the management agreement, amounted to $89,188 and $49,325, respectively, is recorded within "Operating expenses, net" on the accompanying statements of income.

Service Agreement
The Company is a party in a Master Services Agreement ("MSA") with entities affiliated by common control. Pursuant to the MSA, the Company has agreed to reimburse the affiliate for the affiliate's actual costs incurred in providing administrative support services. Expenses are allocated based on a percent of revenue. For the years ended December 31, 2024 and 2023, the Company's total expense pursuant to the service agreement, amounted to $92,895 and $293,884, respectively, and is recorded within "Operating expenses, net" on the accompanying statements of income. Effective June 20, 2024, the Company no longer pays this service fee to its affiliate company.

Other Transactions with Affiliates
During the years ended December 31, 2024 and 2023, an entity related to the Company by common control charged the Company approximately $7,305 and $15,454, respectively, for point-of-sale usage and maintenance expenses. The amounts are recorded within "Operating expenses, net" on the accompanying statements of income. Effective June 20, 2024, the Company no longer pays this service fee to its affiliate company.

During the years ended December 31, 2025, 2024 and 2023, the Company received $25,533, $43,493 and $0, respectively, of non-cash contributions from an affiliate and made $298, $16,392 and $0, respectively, of non-cash distributions to an affiliate.

Amounts due to/from affiliates related by common control are noninterest bearing and have no specific date for repayment. Such amounts are expected to be satisfied within 12 months of the balance sheet date in the normal course of operations and, accordingly, have been classified as current liabilities/assets.

5. Guarantees

In connection with SPV Holdco's securitized note offering the Company, together with its affiliates Subway IP LLC and Subway US IP Holder LLC ("Guarantors"), have irrevocably and unconditionally guaranteed the obligations of SPV Holdco under the Series 2024-1 and Series 2024-3 fixed rate senior secured notes, which had total outstanding principal of $3,316,500 and $2,311,650, respectively, as of December 31, 2025 and $3,350,000 and $2,335,000, respectively, as of December 31, 2024. The guarantees are collateralized by a pledge of the Company's assets, which include all right, title, interest in substantially all the revenue-generating assets of the Company, pursuant to a guarantee and collateral agreement made by the Guarantors in favor of the Trustee for the benefit of the secured debtholders.

Concurrently with the 2024-1 securitized note issuances, Subway Funding LLC, issued 2024-1 Class A-1-LR variable rate term notes to a third-party lender, to be funded on a delayed draw basis in the maximum principal of $93,000.

Additionally, Subway Funding LLC issued 2024-2 Class A-1-VFN variable rate funding notes which allow for drawings, on a revolving basis, to an aggregate committed capacity of $400,000. The Company is a guarantor in each agreement.

(dollars in thousands)

On February 4, 2022, Subway Worldwide Inc. executed a credit agreement for a three-year revolving facility in the amount of $400,000. The Company was a guarantor in this agreement. In conjunction with the transaction described in Note 1, the revolving facility was settled at the acquisition date.

The Company has guaranteed certain lease payment obligations associated with franchisee lease arrangements. The maximum amount of potential future payments under the lease guarantees was $35,277 and $36,923 as of December 31, 2025 and 2024, respectively. The Company does not expect the guarantees to have a material effect on the Company's accompanying balance sheets, statements of income, and statements of cash flows.

6. Commitments and Contingencies

The Company records reserves for legal and other contingencies when information available to the Company indicates that it is probable that a liability has been incurred and the amount of the loss can be reasonably estimated. Predicting the outcomes of claims and litigation and estimating the related costs and exposures involve substantial uncertainties that could cause actual costs to vary materially from estimates. Legal costs incurred in connection with legal and other contingencies are expensed as they are incurred.

The Company is a defendant in a number of lawsuits and arbitration matters (including claims), some of which are for substantial amounts, arising in the ordinary course of business. However, management believes that the resolution of these matters, both individually and in the aggregate, will not have a material adverse impact on the Company's financial position, results of operations and cash flows.

7. Subsequent Events

The Company has evaluated subsequent events through April 29, 2026, the date on which these financial statements were available to be issued. There were no material subsequent events that required recognition or additional disclosure in these financial statements.

SUBLEASE

THIS SUBLEASE (the "**Sublease**"), is made on the date shown on the cover page hereof (the "**Sublease Date**"), by and between **SUBWAY REAL ESTATE, LLC**, a Delaware limited liability company, ("**Sublandlord**"), and the party identified as Subtenant in the Key Contract Data at the beginning of this Sublease.

In consideration of the covenants contained in this Sublease, the parties agree as follows:

1 PROPERTY LEASED

1.1 **Demise.** Sublandlord leases to Subtenant and Subtenant leases from Sublandlord the premises described in the Master Lease (defined below) attached hereto (the "**Premises**"), subject to any and all reservations, restrictions, easements, rights of way, limitations and conditions of record, if any. The purpose of this Sublease is so that Subtenant can operate a Subway® restaurant under the terms of a Franchise Agreement with Doctor's Associates LLC ("**DAL**") dated as shown in the Key Contract Data at the beginning of this Sublease, and under the franchise number shown on the cover page hereof ("**Franchise Agreement**").

1.2 **Master Lease.** Subtenant acknowledges that the Premises are subject to a lease between Sublandlord as tenant and the landlord identified therein (the "**Master Landlord**"), a copy of which is attached hereto as Exhibit A (the "**Master Lease**"). Subtenant acknowledges that Exhibit A contains a true and correct copy of the Master Lease. Any conflict between this Section 1.2 and the other provisions of this Sublease shall be resolved in favor of this Section 1.2.

1.2.1 This Sublease is subject and subordinate to the Master Lease. If the Master Lease is terminated for any cause whatsoever, Subtenant shall promptly vacate and surrender the Premises to Sublandlord and this Sublease shall terminate as of the date of termination of the Master Lease and Sublandlord shall have no liability and/or obligation to Subtenant for the termination of the Sublease.

1.2.2 Except as otherwise provided herein, all costs, common area maintenance fees, expenses, charges, assessments, and rent escalations accruing under the Master Lease, any restrictions imposed upon Sublandlord thereunder, together with all repairs, replacements, restorations, and any other obligations required to be performed by Sublandlord, as tenant under the Master Lease, shall be binding upon Subtenant herein. In the event the obligations and restrictions imposed on Subtenant under the Sublease conflict with the obligations and restrictions imposed upon Sublandlord as tenant under the Master Lease, then the more burdensome and restrictive of such obligations and restrictions shall prevail and be binding upon Subtenant herein.

1.2.3 With respect to any consent or approval required to be obtained of Master Landlord under the Master Lease (by way of illustration and without limitation, consent to alterations), Sublandlord's sole obligation with respect thereto, upon being requested in writing by Subtenant, shall be to seek the approval or consent of Master Landlord. Subtenant acknowledges and agrees that Sublandlord shall not be liable to Subtenant with respect to any delay, default or failure of Master Landlord to grant such consent or approval or in the performance by the Master Landlord of its obligations and covenants under the Master Lease unless such be due to acts or misconduct of Sublandlord and neither shall the Rent, Additional Rent or other Additional Charges under the Sublease abate nor shall any of the obligations of Subtenant under the Sublease be affected by reason thereof. Subtenant further acknowledges and agrees that, with respect to any rights afforded

Sublandlord under the Master Lease, including, but not limited to, any options to extend or renew the term of the Master Lease, options to purchase the Premises, rights of first refusal to purchase the Premises and restrictions against competition, such rights are not passed on to or conferred upon Subtenant under this Sublease. Subtenant acknowledges that only Sublandlord has the benefit of and the right to exercise or enforce such rights and the failure of Sublandlord to exercise or enforce such rights shall not be a default under the Sublease nor entitle Subtenant to make any claim against Sublandlord.

1.2.4 In the event the Master Lease contains extension or renewal options, Subtenant agrees to provide written notice to Sublandlord of its desire to exercise its option at least one hundred eighty days (180) prior to the date on which Sublandlord must notify the Landlord of its intention to exercise its option to extend or renew the Master Lease. Subtenant agrees that Sublandlord may elect not to extend or renew the Master Lease if Subtenant fails to give Sublandlord notice as provided in this Subsection. Furthermore, Sublandlord may elect not to extend or renew the Master Lease if Subtenant shall be in default in the performance of any of the terms of the Master Lease, this Sublease or the Franchise Agreement during the period one hundred eighty (180) days prior to the date Sublandlord must give notice to Master Landlord.

1.2.5 If Master Landlord fails to perform its duties under the Master Lease, Subtenant must give written notice thereof to Sublandlord describing Master Landlord's default in detail. Upon receipt of the notice, Sublandlord shall then promptly notify Master Landlord and demand performance as required in the Master Lease. In the event Subtenant wishes to engage the services of an attorney to settle any disputes arising out of the Master Lease, all fees and costs shall be borne by Subtenant, it being understood that Sublandlord is under no obligation to bring or defend any action brought by or against Subtenant, Sublandlord or Master Landlord.

1.2.6 Subtenant shall not make any agreement with Master Landlord which could modify, cancel or terminate the Master Lease.

1.3 **Covenant of Quiet Enjoyment.** Sublandlord promises, subject to Subtenant's performance of all of the terms and conditions of the Sublease, that Subtenant shall be entitled to the quiet and peaceful enjoyment and undisturbed possession of the Premises for the term of this Sublease.

2 TERM

2.1 **Term.** The term of this Sublease (the "**Term**") shall commence on the date shown in the Key Contract Data at the beginning of this Sublease (the "**Commencement Date**"). The Term of this Sublease shall expire at midnight one full day before the expiration of the Master Lease (the "**Expiration Date**") unless sooner terminated as provided in this Sublease.

2.2 **Possession.** Possession of the Premises shall be delivered to Subtenant on the Commencement Date or as provided in the Master Lease, whichever is later.

2.3 **Holdover.** Subtenant may only hold over at the expiration of the Term with the written consent of Sublandlord. During such holdover tenancy, Subtenant shall pay to Sublandlord two hundred percent (200%) of the Rent amount that existed immediately prior to the Expiration Date. Subtenant agrees to comply with all holdover provisions contained in the Master Lease.

2.4 **End of Term.**

2.4.1 Fixtures and Personal property. At the expiration or earlier termination of this Sublease, any fixtures located on the Premises and not already owned by Sublandlord shall become

the property of Sublandlord. If, at that time, Subtenant has fully complied with Sublease terms and conditions and is not in default under the Franchise Agreement, Sublandlord hereby waives any right to claim any personal property owned or leased by Subtenant and located on the Premises. Subject to the terms of the Franchise Agreement, the personal property may then be removed by Subtenant or Sublandlord provided that the Premises are restored to their original condition, reasonable wear and tear excepted. Any such personal property not removed within thirty (30) days after the Sublease expiration or termination shall be deemed abandoned and become the property of Sublandlord.

2.4.2 Joint Inspection. During a period no earlier than three (3) weeks and no later than one (1) week prior to the end of the Term, Sublandlord and Subtenant shall conduct a joint inspection of the Premises, and Sublandlord shall make a list of any items of repair and maintenance that may be needed to put the Premises in good condition and repair, reasonable wear and tear excepted. If the items on such list cannot be completed by Subtenant by the end of the Term, then Subtenant shall pay to Sublandlord by the end of the Term the reasonable cost of such repairs as evidenced by third-party bids. Subtenant's obligation to make such payment shall survive the termination of this Sublease.

3 CONSIDERATION

3.1 **Rent.** Subtenant agrees to pay to Sublandlord or its designee the base rent amount indicated on Exhibit B (the "**Base Rent**"), to be due and payable in monthly installments in advance on the first day of each month during the Term of this Sublease. If no Base Rent is included on Exhibit B, or if Sublandlord directs Subtenant to do so, then Subtenant shall make all rental payments directly to Master Landlord in the manner set forth in the Master Lease until and unless Sublandlord directs Subtenant to do otherwise. The first monthly installment of the Base Rent shall be due on the Commencement Date, or at the time provided in the Master Lease if Subtenant is to make rental payments directly to Sublandlord as provided above. If this Sublease shall commence on any day other than the first day of a calendar month, the monthly installment for the first and last month of the Term shall be prorated.

3.2 **Additional Charges.** Subtenant and Sublandlord agree that the rent accruing under this Sublease shall be net to Sublandlord and that all taxes, costs, common area maintenance fees, expenses and charges of every kind and nature (the "**Additional Charges**") relating to the Premises or payable under the Master Lease that may arise or become due during the Term or any extension of this Sublease, shall be paid by Subtenant to Sublandlord or its designee (which may be Master Landlord), and that Subtenant shall indemnify and save harmless Sublandlord from and against them. All Additional Charges that Subtenant assumes or agrees to pay under any provisions of this Sublease, together with all interest and penalties that may accrue on these Additional Charges in the event Subtenant fails to pay them, as well as all other damages, costs and expenses, including, without limitation, reasonable attorneys' fees and other legal and court costs that Sublandlord may incur in enforcing this Sublease, and any and all other sums that may become due by reason of Subtenant's default or failure to comply with its obligations under this Sublease, shall be deemed to be "**Additional Rent**". The Base Rent and Additional Rent shall collectively be referred to herein as the "**Rent**". In the event of non-payment of Rent in any form, Sublandlord shall have all rights and remedies provided herein and under law.

3.3 **Method of Payment.** Subtenant must make all payments to Sublandlord or its designee (which may be Master Landlord) by the method or methods that Sublandlord requires from time to time. Subtenant shall make any payment required under this Sublease directly to Sublandlord, its

designee (which may be Master Landlord), its affiliate(s), or to a bank or such other financial institution account that Sublandlord specifies, at the times and with the frequency that Sublandlord designates (or as provided in the Master Lease if Sublandlord makes no such designation), by electronic funds transfer, on-line banking, pre-authorized auto-draft arrangement, or such other means as Sublandlord may specify from time to time. For each account in which Subtenant conducts business at any time during the Term, Subtenant agrees to execute an ACH Automatic Withdrawal Authorization and to keep it effective throughout the Term; and Subtenant authorizes Sublandlord to withdraw monies from each such account in the amounts and at the times provided in this Sublease and any other agreement between Subtenant and Sublandlord or its affiliate(s). Subtenant hereby indemnifies Sublandlord and holds Sublandlord harmless under each ACH Automatic Withdrawal Authorization. Subtenant consents to Sublandlord's directly transacting business with each bank and financial institution with which Subtenant has an account to effectuate fully the terms of each ACH Automatic Withdrawal Authorization. Subtenant shall furnish Sublandlord, its bank, or other financial institution, and any other recipient of payment with such information and authorizations as may be necessary to permit such persons to make withdrawals by electronic funds transfer, on-line banking, or auto-draft arrangement. Subtenant shall bear all expenses, if any, and pay Sublandlord its third-party costs associated with such authorizations and payments.

3.4 **Security Deposit.** Sublandlord acknowledges receipt from Subtenant of the Security Deposit amount shown in the Key Contract Data at the beginning of this Sublease, which has or shall be paid to Master Landlord as the security deposit referred to in the Master Lease. In accordance with the terms of the Master Lease, Subtenant shall be entitled to the rights of Sublandlord to the security deposit, except that any portion thereof that is returned to Sublandlord by Master Landlord may first be applied to any amounts that Subtenant owes to Sublandlord or its affiliate under this Sublease or any other agreement.

3.5 **Other Pre-Opening Costs.** Sublandlord acknowledges receipt from Subtenant of the Other Pre-Opening Costs Deposit amount shown in the Key Contract Data at the beginning of this Sublease, which shall be held in a non-interest bearing escrow account and shall be returned to Subtenant, without interest, upon the opening of this location for business.

3.6 **Late Charges.** All Rent and any other charges shall be paid to Sublandlord without notice or demand and without abatement, deduction or set-off, except as otherwise expressly provided in this Sublease. All payments not paid when due shall bear interest at the lesser of eighteen percent (18%) or the maximum rate allowed by law in the state where the Premises are located.

4 INSURANCE

4.1 **Coverage.** During the Term, Subtenant, at its own cost and expense, shall:

4.1.1 Keep the Premises and the fixtures and personal property on it insured with an all-risk property insurance policy in an amount sufficient to cover the cost of replacement (without deduction for depreciation). Replacement cost shall be determined by one of the insurers or, at the option of Sublandlord, by an appraiser, architect or contractor who is mutually and reasonably acceptable to Sublandlord and Subtenant, and whom shall be retained and paid by Subtenant.

4.1.2 Provide and keep in force comprehensive or commercial general liability insurance against claims for bodily injury, death or property damage occurring on, in or about the Premises, in limits of not less than $1,000,000 per occurrence for bodily injury, not less than $500,000 per occurrence for property damage, or in such other amounts as

Sublandlord may reasonably request. The policy shall name Sublandlord as an additional insured.

4.1.3 Keep in force business interruption insurance that covers the then current Rent and the annual premiums for insurance required by this Article.

4.1.4 If requested by Sublandlord, provide and keep in force insurance for such other insurable hazards in such amounts as similarly situated Premises are then commonly insured.

4.2 **Policies.** All insurance required by Sublandlord and provided by Subtenant shall be carried in favor of Sublandlord and Subtenant, as their respective interests may appear, the Master Landlord, and any underlying fee owner, affiliate corporation, trustee, mortgagee or other person designated by Sublandlord or as required under the Master Lease. All insurance shall be obtained from companies licensed to do business in the state in which the Premises are located and which have a rating by Bests Rating Guide of at least "A". Subtenant shall procure policies for all insurance for periods of not less than one (1) year and shall deliver to Sublandlord all policies or certificates of insurance with evidence of payment of all premiums. Subtenant shall procure renewals of these policies from time to time before their respective expiration dates. All insurance policies shall be non-assessable and shall require thirty (30) days' written notice to Sublandlord of any cancellation or change affecting Sublandlord's coverage under the policies. All property damage and business interruption policies of Subtenant shall contain a waiver of any subrogation rights which Subtenant's insurers may have against Sublandlord, even if the loss suffered is caused by the act, omission or negligence of Sublandlord.

4.3 **Adjusting; Proceeds.** Claims for loss due to damage to the Premises under any policies provided for in this Sublease shall be adjusted with the insurance companies:

4.3.1 by Subtenant in the case of any particular casualty resulting in damage or destruction not exceeding $10,000, or

4.3.2 by Sublandlord and Subtenant, in the case of any particular casualty resulting in damage or destruction exceeding $10,000 in the aggregate. Subject to the rights of Master Landlord and any mortgagee, the proceeds of any insurance shall be payable as follows:

4.3.2.1 With respect to any loss not exceeding $10,000 in the aggregate, proceeds shall be paid to Subtenant, who shall hold them in trust for the purpose of paying the costs of repair and restoration; and

4.3.2.2 With respect to losses exceeding $10,000 in the aggregate, the proceeds may, at Sublandlord's option, be paid to Sublandlord or its designee and shall be applied to pay the costs of repair and restoration as directed by Sublandlord.

4.4 **Joint Efforts.** Subtenant and Sublandlord shall cooperate in attempts to collect any insurance proceeds that may be due in the event of loss, and Subtenant shall execute and deliver to Sublandlord such proofs of loss and other instruments which may be required for the purpose of recovering these proceeds.

4.5 **Waiver of Subrogation.** Subtenant agrees to look solely to the proceeds of its own insurer for indemnity against exposure for loss of property or business interruption. Subtenant warrants that its property and business interruption insurers shall have no rights against Sublandlord by virtue of assignment, subrogation, loan agreement or otherwise.

4.6 **Cancellation of Insurance.** If any insurance policy covering the Premises or any part of it is canceled or is threatened by the insurer to be canceled, or if the coverage thereunder is reduced in any way by the insurer for any reason, and if Subtenant fails to remedy the condition giving rise to cancellation, threatened cancellation, or reduction of coverage within five (5) business

days after notice thereof by Sublandlord, Sublandlord may, at its option, either (i) reenter the Premises forthwith by leaving upon the Premises a notice in writing of its intention to do so or (ii) enter the Premises and remedy the condition giving rise to such cancellation, threatened cancellation or reduction, and Subtenant shall forthwith pay the cost thereof to Sublandlord (which cost may be collected by Sublandlord as Additional Rent) and Sublandlord shall not be liable for any damage or injury caused to any property of Subtenant or of others located on the Premises as a result of any such entry, unless resulting from its own sole gross negligence, or intentional or willful act or omission.

4.7 **Loss and Damage.** Sublandlord shall not be liable for any death or injury occurring on the Premises, nor for the loss of or damage to any of the personal property or other property of Subtenant or of others by theft or otherwise, unless resulting from its own sole gross negligence, or intentional or willful act or omission. Without limiting the generality of the foregoing, Sublandlord shall not be liable for any injury or damage to persons or property resulting from fire, explosion, falling plaster, steam, dampness, gas, electricity, water, rain, snow, or leaks from any part of the Premises or from the pipes, appliances or plumbing works or from the roof, street or subsurface or from any other place by any other cause whatsoever, unless resulting from its own sole gross negligence, or intentional or willful act or omission. Sublandlord shall not be liable for any such damage caused by other persons or occupants of adjacent property, or the public, or caused by operations in construction of any private, public or quasi-public work. All of the personal property or any other property of Subtenant kept or stored on the Premises shall be kept or stored at the risk of Subtenant.

5 THE PREMISES

5.1 **Use and Services.** During the Term of this Sublease, Subtenant shall continuously operate a Subway® restaurant business in accordance with the Franchise Agreement. The Premises shall not be used for any other purpose, except the parties agree that if Subtenant has received the necessary approvals from Sublandlord, Subtenant may also operate on the Premises (in addition to a Subway® restaurant) a restaurant for an approved concept franchised by a third-party franchisor. If Subtenant is operating its Subway® restaurant in conjunction with an approved third-party franchisor concept on the Premises, then Subtenant agrees to comply with the terms and conditions contained in its franchise agreement and all other agreements with the third-party franchisor in addition to its obligations to comply with the Franchise Agreement with DAL, and any failure by Subtenant to comply with its franchise agreement with the third-party franchisor shall also be a default hereunder. Sublandlord may terminate this Sublease on ten (10) days' written notice and Sublandlord may offer this location to another franchisee if Subtenant fails to complete the build-out of the portion of the Premises where the other approved concept will operate within forty-five (45) days after taking occupancy of the Premises. Subtenant understands that the success, if any, of a Subway® restaurant operating in conjunction with another approved concept franchised by a third-party franchisor is the responsibility of Subtenant, and Subtenant also acknowledges that representations of sales or earnings have not been made to them by the employees or agents of the third-party franchisor, as to this or any other location. If at any time during the term of this Sublease, Subtenant's franchise agreement with the third-party franchisor is terminated, Sublandlord may authorize Subtenant in writing to operate on the Premises an approved concept franchised by another third-party franchisor.

5.2 **Repairs and Maintenance.** Subtenant shall, at all times during the Term, at its own cost and expense, put, keep and maintain the Premises and all fixtures and personal property located on it in good order and condition, subject to reasonable wear and tear, and subject to all applicable terms of this Article 5, shall make all necessary and desirable repairs, restorations and

replacements thereof, structural and nonstructural, foreseen or unforeseen (hereinafter collectively called "**Repairs**"), and shall use all reasonable precautions to prevent waste, damage and injury.

In the event that Subtenant fails or neglects to make all necessary Repairs or fulfill its other obligations as set forth above, Sublandlord or its agents may enter the Premises for the purpose of making such Repairs or fulfilling those obligations. All reasonable costs and expenses incurred as a consequence of Sublandlord's action shall be repaid by Subtenant to Sublandlord within fifteen (15) days after Subtenant receives copies of receipts showing payment by Sublandlord for such Repairs or other obligations. These receipts shall be prima facie evidence of the payment of the charges paid by Sublandlord.

5.3 **Build-Out and Alterations.** Sublandlord may terminate this Sublease on ten (10) days' written notice and Sublandlord may offer this location to another franchisee if: a) Subtenant does not commence construction of the Premises within seven (7) days after obtaining occupancy from Master Landlord by expeditiously ordering its equipment, submitting all necessary funds, and making application for required permits and licenses; or b) Subtenant does not complete the build-out of the restaurant and then open the restaurant within forty-five (45) days after occupancy from Master Landlord. In such an event, Subtenant understands that the security deposit referred to in Section 3.4 will not be refunded.

Subtenant agrees that it will at its own cost and expense make such reasonable alterations to the interior or exterior of the Premises as may reasonably be requested by Sublandlord from time to time in order to modify the appearance of the Premises to reflect the then current image of the Subway® brand. Subtenant shall not at any time make any alteration, change, addition or improvement (hereinafter collectively called "**Alterations**") in or to the interior or exterior of the Premises without the prior written consent of Sublandlord. In the event consent is given:

5.3.1 the Alterations shall be performed in a good and workmanlike manner at Subtenant's sole expense, and shall not weaken or impair the structural strength or lessen the value of the Premises, or change the purpose for which the Premises may be used;

5.3.2 the Alterations shall be made according to plans and specifications therefor, which shall be first submitted to and approved in writing by Sublandlord, such consent not to be unreasonably withheld, delayed, or conditioned;

5.3.3 before the commencement of work on any Alterations, such plans and specifications shall, if necessary, be approved by all governmental authorities having jurisdiction;

5.3.4 before the commencement of any Alterations, Subtenant shall pay the amount of any increase in premiums on insurance policies for endorsements covering the risk during work on the Alterations and workmen's compensation insurance covering all persons employed in connection with that work;

5.3.5 if the estimated cost of the Alteration exceeds $20,000, Subtenant shall, at Sublandlord's option, furnish to Sublandlord a surety bond of a company acceptable to Sublandlord, in an amount equal to the estimated cost of such work, or other security satisfactory to Sublandlord, guaranteeing the completion of such work, free and clear of all liens and encumbrances; and

5.3.6 the Alterations shall comply with all federal, state and local building requirements and codes including any disabilities related statutes or codes (collectively, the "**Codes**") in the applicable jurisdiction where the Premises are located.

All buildings, additions, improvements, fixtures and appurtenances in or on the Premises at the Commencement Date and those which may be erected, affixed or installed in or on the Premises during the Term are deemed to be and shall immediately become part of the Premises and the sole property of Sublandlord. All personal property owned and installed by Subtenant (except signs, trademarks and other insignia of Sublandlord) shall remain the property of Subtenant.

5.4 **Liens.** Should Subtenant cause any Alterations or Repairs to be made to the Premises, or cause any labor to be performed or material to be furnished, neither Sublandlord nor the Premises shall under any circumstances be liable for the payment of any expense incurred, and all such Alterations and Repairs shall be made and performed at Subtenant's expense. If, because of any act or omission of Subtenant, any mechanic's or other lien, charge, claim or order for the payment of money shall be filed against the Premises or against Sublandlord, Subtenant shall, at its own cost and expense, cause it to be canceled and discharged of record or bonded within thirty (30) days after notice of filing thereof. In the event that Subtenant fails to cause any such mechanics' or other lien, charge or order to be canceled and discharged or bonded, then, in addition, to any other right or remedy of Sublandlord, Sublandlord may, at its option, cancel or discharge it by paying the amount claimed to be due into court or directly to any claimant and the amount so paid by Sublandlord and all costs and expenses including attorneys' fees incurred for the cancellation or discharge of such lien shall be due from Subtenant to Sublandlord as an additional charge payable on demand.

5.5 **Signs.** Subtenant shall not place any signs or symbols on any portion of the Premises without the prior written approval of Sublandlord, such consent not to be unreasonably withheld, delayed, or conditioned.

5.6 **Inspection.** Fee owner, Sublandlord or their representatives shall have the right to enter the Premises at reasonable hours of any business day to ascertain if the Premises are in proper repair and condition, provided, that such persons will make every reasonable effort not to interfere with customers or Subtenant's operation of the business.

5.7 **License and Laws.** Subtenant shall, at its own cost and expense, obtain all necessary licenses and/or permits that may be required for the conduct of its business; and Subtenant shall, at its own cost and expense, promptly observe and comply with all present and future laws, ordinances, requirements, orders, directions, rules and regulations (referred to generally as "**Regulations**") of governmental authorities having or claiming jurisdiction over the Premises or the conduct of Subtenant's business. By way of example, and not limitation, compliance with governmental Regulations shall include, but not be limited to, alterations and/or additions to the Premises if required under the Americans with Disabilities Act of 1990.

5.8 **Damage or Destruction.** If, during the Term, the Premises or the personal property or fixtures on it are destroyed or damaged in whole or in part by fire or other cause, Subtenant shall give Sublandlord immediate notice, and Subtenant, at its own cost and expense, shall cause the prompt repair, replacement and rebuilding of same ("**Restoration**"), subject to Section 5.2 and Section 5.3 of this Sublease. The restored building, personal property or fixtures shall reflect the then current image of the Subway® brand. Sublandlord shall in no event be called upon to repair, replace or rebuild any such buildings, fixtures or personal property, nor to pay any of the costs or expenses thereof beyond or in excess of any insurance proceeds, as provided in this Sublease.

5.9 **Disclaimer.** The taking of possession of the Premises by Subtenant shall be conclusive evidence that Subtenant has accepted the Premises "AS IS," including any latent or patent defects. Subtenant acknowledges that Subtenant is relying on its own independent inspection.

5.10 **Contracts.** Subtenant shall not without Sublandlord's written consent enter into any service contract or agreement relating to the furnishing of any services to the Premises or the occupants of it unless such contract or agreement shall by its terms be terminable on no more than thirty (30) days' notice or shall expressly provide that it shall not become binding on Sublandlord in the event that this Sublease is terminated or expires. Subtenant shall furnish Sublandlord with copies of all service contracts or agreements affecting the Premises that are now in existence or that are subsequently entered into.

6 TAXES AND OTHER CHARGES

6.1 **Payment.**

6.1.1 In the event Sublandlord elects, at its sole option, to pay the taxes, assessments, charges for public utilities, excises, levies, licenses, permit fees or other governmental impositions and charges of any kind and nature whatsoever ("**Charges**") that are payable in connection with the ownership, occupancy or possession of the Premises, Subtenant shall reimburse Sublandlord within thirty (30) days after Subtenant receives an invoice for the payment of such Charges.

6.1.2 In the event Sublandlord elects not to pay the Charges as set forth in the preceding paragraph, Subtenant shall pay on or before the last day on which payment may be made without penalty or interest, all Charges that may be assessed, imposed, or become due and payable in connection with the ownership, occupancy or possession of the Premises or the fixtures or personal property on it, or any Charges that may be imposed in lieu of, or as a substitution for, any such Charges. At any time after the time for payment of each Charge, upon Sublandlord's request, Subtenant shall exhibit to Sublandlord satisfactory evidence of payment. All Charges assessed or imposed for the fiscal periods in which the Term of this Sublease commences and terminates shall be apportioned.

7 INDEMNIFICATION

7.1 Subtenant shall indemnify, defend with counsel reasonably acceptable to Sublandlord and save Sublandlord and its affiliates, and the shareholders, officers, directors, employees, and agents of Sublandlord and its affiliates, harmless from and against all costs, expenses, liabilities, losses, damages, injunctions, suits, actions, fines, penalties, claims and demands of every kind or nature, including reasonable attorneys' fees, (collectively, "**Claims**") by or on behalf of any person, party or governmental authority whatsoever arising out of (a) any failure or alleged failure by Subtenant to perform any of its obligations under this Sublease, (b) any accident, injury or damage that occurs in or about the Premises, (c) any matter arising out of the condition, occupation, maintenance, alteration, repair, use or operation of the Premises or any part of it, (d) the contest or challenge by Subtenant of any imposed tax, assessment, or other Charges, or (e) any other matter arising from or relating to Subtenant's occupation of the Premises; provided that Subtenant shall not indemnify Sublandlord if or to the extent such Claims are caused by Sublandlord's gross negligence, or intentional or willful misconduct.

8 ENFORCEMENT

8.1 **Default.** Each of the following events is a default and a breach of this Sublease by Subtenant:

8.1.1 If Subtenant files any proceeding under the United States Bankruptcy Code, any other federal or state bankruptcy, reorganization, receivership, insolvency or other similar law affecting the rights of creditors generally, or for dissolution under the laws of the United

States or of any state, or voluntarily takes advantage of any such law or act or is dissolved or makes an assignment for the benefit of creditors;

8.1.2 If involuntary Proceedings under the United States Bankruptcy Code, any other federal or state bankruptcy, reorganization, receivership, insolvency or other similar law or for the dissolution of a corporation are instituted against Subtenant or if a receiver or trustee is appointed of all or substantially all of the property of Subtenant and such Proceedings are not dismissed or such receivership or trusteeship vacated within ninety (90) days after such institution or appointment;

8.1.3 If Subtenant vacates, abandons or ceases doing business on the Premises or indicates its intention to do so;

8.1.4 If this Sublease or the estate of Subtenant hereunder is transferred to any other person or party, except in a manner permitted by the terms of this Sublease;

8.1.5 If Subtenant fails to pay Sublandlord any installment of the Rent or Additional Charges when it becomes due and payable and fails to make such payment within ten (10) days after written notice thereof by Sublandlord to Subtenant;

8.1.6 If Subtenant fails to perform any of its nonmonetary obligations under this Sublease and such non-performance continues for a period within which performance is required to be made by specific provision of this Sublease or, if no such period is provided, for a period of thirty (30) days after written notice thereof by Sublandlord to Subtenant; or, if such performance cannot be reasonably had within such thirty day period, Subtenant has not in good faith commenced such performance within such thirty day period or has not diligently proceeded therewith to completion;

8.1.7 If Subtenant or any manager or officer of Subtenant knowingly or intentionally falsifies any report required to be furnished to Sublandlord pursuant to the terms of this Sublease and fails to notify Sublandlord of such falsification within sixty (60) days of submission of such report;

8.1.8 If Subtenant fails to comply with any provision of the Franchise Agreement relating to the Premises, or any franchise agreement with a third-party franchisor relating to the Premises.

In the event of a default under this Section 8.1, Sublandlord shall have such remedies as are provided under this Sublease and under applicable law.

8.2 **Cure by Sublandlord.** After expiration of the applicable period of notice, or without notice in the event of any emergency, Sublandlord at its option may, but shall not be obligated to, make any payment required of Subtenant or perform any obligation of Subtenant, and the amount Sublandlord pays, or the cost of its performance, together with interest thereon, shall be deemed to be an additional charge payable by Subtenant on demand. Sublandlord shall have the right to enter the Premises for the purpose of correcting or remedying any default, but neither any expenditure nor any such performance by Sublandlord shall be deemed to waive or release Subtenant's default or the right of Sublandlord to take such action as may be otherwise permissible in the case of default. Sublandlord shall have no liability to Subtenant for any loss or damages resulting from any such action by Sublandlord, and entry by Sublandlord shall not constitute breach of the covenant for quiet enjoyment or an eviction.

8.3 **Sublandlord's Remedies.** If Subtenant is in default under this Sublease, Sublandlord may, at its option, in addition to such other remedies as may be available under applicable law:

8.3.1 terminate this Sublease and Subtenant's right of possession, and retake possession for Sublandlord's account. In such event, Sublandlord may repair and alter the Premises in any manner as Sublandlord deems reasonably necessary or advisable. All reasonable and necessary expenses of every nature that Sublandlord may incur such as (by way of illustration and not limitation) those for attorneys' fees, brokerage, advertising, and refurbishing the Premises, shall become immediately due and payable by Subtenant to Sublandlord; or

8.3.2 terminate Subtenant's right of possession, but not this Sublease, retake possession of the Premises for Subtenant's account, repair, and alter the Premises in any manner as Sublandlord deems reasonably necessary or advisable, and relet the Premises or any part of it, as the agent of Subtenant, for the whole or any part of the remainder of the Term or for a longer period, and Sublandlord may grant concessions or free rent or charge a higher rental than that reserved in this Sublease. Out of any rent collected or received from subtenants or as a result of such letting or reletting, Sublandlord shall first pay to itself all expenses of every nature that Sublandlord may reasonably incur such as (by way of illustration and not limitation) those for attorneys' fees, brokerage, advertising, and refurbishing the Premises in good order or preparing them for reletting; and second, Sublandlord shall pay to itself any balance remaining on account of the liability of Subtenant for the sum equal to all Rent, Additional Rent and other Additional Charges due from Subtenant through the Expiration Date. Should Sublandlord, pursuant to this Section 8.3, not collect Rent that, after deductions is sufficient to fully pay to Sublandlord a sum equal to all Rent, Additional Rent and other Additional Charges payable through the Expiration Date, the balance or deficiency shall, at the election of Sublandlord, be paid by Subtenant on the first of each month; or

8.3.3 stand by and do nothing, and hold Subtenant liable for all Rent, Additional Rent and other Additional Charges payable under this Sublease through the Expiration Date.

If Sublandlord does not notify Subtenant which remedy it is pursuing, or if Sublandlord's notice to Subtenant does not expressly state that Sublandlord is exercising its remedies under Section 8.3.1 or Section 8.3.3, then it shall be deemed that Sublandlord is pursuing the remedy set forth in Section 8.3.2. If Sublandlord exercises the option in Section 8.3.1 or 8.3.2, Subtenant agrees to immediately and peacefully surrender the Premises to Sublandlord, and if Subtenant refuses to do so, Sublandlord may without further notice reenter the Premises either by force or otherwise and dispossess Subtenant by summary proceedings or otherwise, as well as the legal representative(s) of Subtenant and/or other occupant(s) of the Premises, and remove their effects.

8.4 **Acceleration.** If Sublandlord exercises the remedies in Section 8.3.3 of this Sublease, Subtenant shall immediately pay to Sublandlord as damages for loss of the bargain caused by Subtenant's default, and not as a penalty, in addition to any other damages, an aggregate sum that represents the present value of the full amount of the Rent, Additional Rent and all other Additional Charges payable by Subtenant hereunder that would have accrued for the balance of the Term.

8.5 **Suits.** Suit or suits for the recovery of the deficiency or damage or for any installment or installments of Rent, Additional Rent or any other charge due under this Sublease may be brought by Sublandlord at any time or, at Sublandlord's election, from time to time, and nothing in this Sublease shall be deemed to require Sublandlord to wait until the Expiration Date to bring suit.

8.6 **Waiver.** Subtenant hereby expressly waives service of any notice of intention to reenter. Subtenant hereby waives any and all rights to recover or to regain possession of the Premises or to reinstate or to redeem this Sublease as permitted or provided by any statute, law or decision now or hereafter in force and effect. No receipt of monies by Sublandlord from Subtenant after

the cancellation or termination of the Sublease shall reinstate, continue or extend the Sublease, or affect any prior notice given to Subtenant or operate as a waiver of the right of Sublandlord to enforce the payment of Rent and Additional Rent then due or subsequently falling due, or operate as a waiver of the right of Sublandlord to recover possession of the Premises by suit, action, proceeding or other remedy, and any and all moneys so collected shall be deemed to be payments on account of the use and occupancy of the Premises, or at the election of Sublandlord, on account of Subtenant's liability under this Sublease.

8.7 **Proof of Claim.** Nothing in this Article shall limit or prejudice the right of Sublandlord to prove and obtain as liquidated damages in any bankruptcy, insolvency, receivership, reorganization or dissolution proceeding an amount equal to the maximum allowed by any statute or rule of law governing such proceeding, whether or not such amount is greater, equal to or less than the amount of the damages referred to in any of the preceding sections.

8.8 **Injunction.** In the event of a breach or a threatened breach by Subtenant of any of its Sublease obligations, Sublandlord shall have the right to enjoin and restrain the breach and to invoke any remedy allowed by law or in equity, in addition to other remedies provided in this Sublease.

8.9 **Independent Rights.** The rights and remedies of Sublandlord are distinct, separate and cumulative, and no one of them, whether or not exercised by Sublandlord, shall be deemed to be to the exclusion of any of the others.

8.10 **Non-Waiver.** The failure of Sublandlord to insist upon strict performance of any of Subtenant's obligations under this Sublease shall not be deemed a waiver of any rights or remedies that Sublandlord may have and shall not be deemed a waiver of any subsequent breach or default by Subtenant. The exercise of any of Sublandlord's options under the Sublease shall not be deemed to be the exclusive remedy of Sublandlord.

8.11 **Waiver of Exemption from Distress.** Subtenant agrees that notwithstanding anything contained in any statute, enactment or other law of the state in which the Premises are located or of any other jurisdiction, none of the personal property located on the Premises shall be exempt from levy for distress for Rent in arrears, and that if Subtenant makes any claim for such an exemption, this Sublease may be pleaded as an estoppel against Subtenant in any appropriate action.

8.12 **Franchise Agreement.** Notwithstanding anything in this Sublease to the contrary, this Sublease is conditioned upon the faithful performance by Subtenant of the Franchise Agreement, and a default in the terms of the Franchise Agreement shall be a default of this Sublease.

9 NO RENT ABATEMENT

Unless specifically provided in this Sublease, no abatement, diminution, or reduction of Rent, Additional Rent, Additional Charges or other compensation shall be claimed by or allowed to Subtenant, or any persons claiming under Subtenant, under any circumstances, whether for inconvenience, discomfort, interruption of business, or otherwise.

10 CONDEMNATION

In the event that the Premises or any part of it is taken in condemnation proceedings or by exercise of any right of eminent domain, Subtenant shall have no right to participate in any condemnation proceedings and shall not have the right to any award, and Sublandlord may terminate this Sublease upon written notice to Subtenant.

11 SUBORDINATION

This Sublease shall be fully subordinate to any mortgage and/or collateral assignment of lease against the Premises that Master Landlord, the fee owner, Sublandlord and/or their assigns has or subsequently obtains upon the Premises; provided, however, that any such mortgage and/or collateral assignment of Sublease against the Premises granted by Sublandlord shall provide that Subtenant's possession of the Premises pursuant to this Sublease shall not be disturbed in the event of a default by Sublandlord so long as Subtenant shall be in compliance under the terms hereof. This Sublease shall be fully subordinate and subject to the Master Lease and any senior lease now, or hereafter affecting the Premises.

Subtenant hereby grants a power of attorney to Sublandlord with full power to act as its attorney in fact and to execute on behalf of Subtenant any and all documents that may be required by a mortgagee and/or assignee evidencing Subtenant's full subordination of Subtenant's interest to any mortgage and/or collateral assignment of Sublease that may be entered into by Sublandlord, Master Landlord, the fee owner or their assigns. Subtenant hereby agrees to execute, without charging Sublandlord, any and all documents that it is requested to execute to evidence this subordination. However, Subtenant shall not be required to execute any promissory notes or other evidences of indebtedness that would create any personal liability on behalf of Subtenant.

12 ASSIGNMENT

12.1 B**y Sublandlord.** This Sublease shall be fully assignable by Sublandlord or its assigns.

12.2 B**y Subtenant.** Neither Subtenant, nor Subtenant's successors or assigns, shall (unless expressly permitted in this Sublease) assign, mortgage, give as security, pledge or encumber this Sublease, in whole or in part, by operation of law or otherwise, or sub-sublet the Premises, in whole or in part, or permit the Premises or any portion of it to be used or occupied by others, or enter into a management contract or other arrangement whereby the Premises shall be managed and operated by anyone other than the owner of Subtenant's leasehold estate, without the prior consent in writing of Sublandlord in each instance. If this Sublease is assigned or transferred, or if all or any part of the Premises is sub-sublet or occupied by anybody other than Subtenant, Sublandlord may collect Rent from the assignee, transferee, sub-subtenant or occupant, and apply the net amount collected to the Rent reserved in this Sublease, but no such assignment, sub-subletting, occupancy or collection shall be deemed a waiver of any covenant or condition of this Sublease, or the acceptance of the assignee, transferee, sub-subtenant or occupant as Subtenant, or a release of Subtenant from the performance or further performance by Subtenant of its obligations under this Sublease, and Subtenant shall continue to be liable for all its obligations under this Sublease. The consent by Sublandlord to an assignment, mortgage, pledge, encumbrance, transfer, management contract or sub-subletting shall not in any way be construed to relieve Subtenant from obtaining the express consent in writing of Sublandlord in each instance to any subsequent similar action that Subtenant may intend to take.

13 ESTOPPEL CERTIFICATE

Subtenant shall from time to time, within five (5) days after being requested to do so by Sublandlord, execute, acknowledge and deliver to Sublandlord (or, at Sublandlord's request, to Master Landlord, any existing or prospective purchaser, transferee, assignee or mortgagee of any or all of the Premises, any interest therein or any of Sublandlord's rights under this Sublease) an instrument in recordable form: (i) certifying (a) that the Sublease is unmodified and in full force and effect (or, if there has been any modification thereof, that it is in full force and effect as so modified, stating therein the nature of such modification); (b) as to the dates to which the Rent and Additional Charges arising hereunder have been paid; (c) as to the amount of any prepaid rent or any credit due to Subtenant hereunder, (d) that Subtenant has accepted possession of the Premises, and the date on which the Term commenced; (e) as to whether, to

the best knowledge, information and belief of the signer of such certificate, Sublandlord or Subtenant is then in default in performing any of its obligations under the Sublease (and, if so, specifying the nature of each such default); and (f) as to any other fact or condition reasonably requested by Sublandlord or such other addressee; and (ii) acknowledging and agreeing that any statement contained in such certificate may be relied upon by Sublandlord and any such other addressee.

14 HAZARDOUS SUBSTANCES

14.1 **Compliance with Laws.** Subtenant shall at all times, at its own cost and expense, comply with all federal, state and local laws, ordinances, regulations and standards ("**Hazardous Substance Laws**") relating to the use, analysis, production, storage, sale, disposal or transportation of any hazardous materials, including oil or petroleum products or their derivatives, solvents, PCB's, explosive substances, asbestos, radioactive materials or waste, and any other toxic, ignitable, reactive, corrosive, contaminating or pollution materials ("**Hazardous Substances**") that are now or in the future subject to any governmental regulation. Such compliance shall include any cleanup, removal, remedial action, testing or monitoring (including medical monitoring) which may be required under Hazardous Substance Laws, court order or by any governmental or regulatory agency.

14.2 **Indemnification by Subtenant.** Subtenant shall indemnify, defend with counsel reasonably acceptable to Sublandlord, and hold Sublandlord free and harmless from any and all liabilities, damages, claims, penalties, fines, settlements, causes of action, costs or expense, including reasonable attorneys' fees, environmental consultant and laboratory fees and the costs and expense of investigating and defending any claims or proceedings, resulting from or attributable to (i) the presence, disposal, migration, release or threatened release of any Hazardous Substance that is on, from or affecting the Premises including the soil, water, vegetation, buildings, personal property, persons, or otherwise; (ii) any bodily injury (including wrongful death) or property damage (real or personal) arising out of or relating to such Hazardous Substance(s); (iii) any lawsuits or administrative order relating to such Hazardous Substance(s); or any violation of any laws applicable to any Hazardous Substance for which Subtenant is responsible under this Sublease. Subtenant's indemnification obligations under this Section shall survive the expiration or earlier termination of this Sublease.

15 MISCELLANEOUS

15.1 **Notices**. Every notice, approval, consent or other communication authorized or required by this Sublease shall be effective if given in one of the following ways: (i) by email to Sublandlord at **LeaseNotices@subway.com**, and to Subtenant at the email address provided in the Key Contract Data at the beginning of this Sublease; (ii) in writing and hand delivered to either party; or (iii) in writing and sent for next business day delivery by FedEx, UPS, or other nationally-recognized courier. Notices sent via hand delivery or via nationally-recognized courier shall be addressed directly to Sublandlord at its offices at Attn: Legal Department - Leasing, 1 Corporate Drive, Suite 1000, Shelton, CT 06484, and to Subtenant at the Premises, or at such other address as either party shall from time to time designate in writing. Email notices must contain the capitalized words "LEGAL NOTICE" in the subject line. The sender of an email notice must request a read receipt and the recipient must allow a read receipt to be sent on or before the next business day. Email notices shall be effective upon receipt by the sender of the read receipt from the recipient of the notice. Hand delivered notices shall be deemed to be effective upon delivery, if delivered. Notices sent for next business day delivery by nationally recognized courier shall be deemed to be effective on the next business day.

15.2 **Construction.** In the event that any of the provisions of this Sublease shall by court order be held invalid or in contravention of any of the laws of the United States or of any state having jurisdiction over the subject matter or of any dispute arising under it, such invalidation shall not serve to affect the remaining portion of this Sublease. To the extent permitted by the laws of the state where the Premises are located, this Sublease shall be governed by and construed in accordance with the laws of the State of Delaware, and otherwise shall be governed by and construed in accordance with the laws of the State where the Premises are located.

15.3 **Successors.** This Sublease shall bind Sublandlord and Subtenant and their successors, heirs, assigns, administrators, and legal representatives, as the case may be.

15.4 **Counterparts.** This Sublease may be executed in counterparts, and all counterparts together shall be construed as one and the same document. Executed counterparts of this Sublease with signatures sent by electronic mail (i.e., in PDF format) or signed electronically via DocuSign may be used in the place of original signatures of this Sublease. The parties intend to be bound by the signatures of the electronically mailed or signed signatures and the delivery of the same shall be effective as delivery of an original executed counterpart of this Sublease. The parties hereby waive any defenses to the enforcement of this terms of this Sublease based on the form of the signature or delivery thereof and hereby agree that such electronically mailed or signed signatures shall be conclusive proof, admissible in arbitration and judicial proceedings, of the parties' execution of this Sublease.

15.5 **No Agency.** The parties hereto agree that the business relationship created by this Sublease is solely that of Sublandlord and Subtenant. Nothing contained in this Sublease shall make Subtenant an agent, legal representative, partner, subsidiary, joint venturer or employee of Sublandlord. Subtenant shall have no right or power to, and shall not, bind or obligate Sublandlord in any way, manner or thing whatsoever, nor represent that it has any right to do so.

15.6 **Time of the Essence.** Time shall be of the essence in every part of this Sublease.

15.7 **Binding Effect.** This Sublease shall become immediately binding on the parties to this Sublease on the date the last party signs it, notwithstanding that the Term of this Sublease may commence upon a future date.

GUARANTY

This Guaranty dated _____ is made and entered into by the undersigned (each a "**Guarantor**", and collectively "**Guarantors**") for the benefit of Subway Real Estate, LLC, a Delaware limited liability company ("**Sublandlord**").

RECITALS

R.1. Each Guarantor is an owner of _____, (the "**Subtenant**").

R.2. Subtenant and Sublandlord entered into a sublease dated _____, as amended, extended or renewed (the "**Sublease**") for the purpose of operating a Subway® restaurant (the "**Restaurant**") at the Premises.

R.3. Capitalized terms not otherwise defined herein shall have the same meaning as in the Sublease.

AGREEMENT

As an inducement to and in consideration of Sublandlord entering into the Sublease with Subtenant, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Guarantor agrees to the following:

1. Each Guarantor unconditionally guarantees to Sublandlord the (i) prompt payment of any money now due, or that at any time, may become due or owing to Sublandlord by Subtenant under the Sublease; and the (ii) full performance and discharge by Subtenant of all of Subtenant's obligations under the Sublease now due, or that at any time, may become due or owing (collectively, the "**Obligations**"). This is a guarantee of payment and not of collection.

2. Each Guarantor promises to promptly and fully render any payment or performance required under the Sublease upon demand if Subtenant fails or refuses to timely render such payment or performance.

3. Each Guarantor waives: (i) notice of demand for payment of all or any part of the Obligations, (ii) protest, notice of protest and notice of default, (iii) any right to require that any action be brought against Subtenant or any other person or entity as a condition of liability, and (iv) any and all other notices, and legal or equitable defenses to which such Guarantor may be entitled. Sublandlord may extend, modify, or release any Obligation or settle, adjust, or compromise any claims against Subtenant, without notice to Guarantors and without any effect on any Guarantor's obligations hereunder.

4. Each Guarantor's liability will not be contingent or conditioned upon Sublandlord's pursuit of any remedies against Subtenant or any other person or entity. Further, such liability will not be diminished, relieved or otherwise affected by an extension of time, credit or other indulgence which Sublandlord may grant Subtenant, including, without limitation, the acceptance of any partial payment or performance, or the compromise or release of any claims.

5. No term, condition or provision of this Guaranty shall be deemed to be waived by Sublandlord, without the express written consent of Sublandlord. Any such waiver will extend only to the

particular circumstances specified in writing by the Sublandlord. Neither forbearance, nor indulgence by Sublandlord will constitute a waiver of any provision of this Guaranty.

6. Each Guarantor acknowledges that the Sublease may be extended, amended or renewed by mutual agreement between Subtenant and Sublandlord, and each Guarantor expressly consents to any such modification of the Sublease.

7. This is a continuing guarantee. Nothing but payment and satisfaction in full of the Obligations will release Guarantors from their respective obligations pursuant to this Guaranty. Notice of acceptance of this Guaranty is waived.

8. This Guaranty shall not be impaired by any modification, supplement, renewal, extension or amendment of the Sublease or any of the Obligations, nor by any modification, release or other alteration of any of the Obligations hereby guaranteed.

9. The liability of each Guarantor hereunder is primary, direct and unconditional and may be enforced without requiring Sublandlord first to resort to any other right, remedy or security.

10. No Guarantor hereunder shall have any right of subrogation, reimbursement or indemnity whatsoever, unless and until the Obligations are paid or performed in full.

11. If any Guarantor hereunder should at any time die, become incapacitated, become insolvent or make a composition, trust mortgage or general assignment for the benefit of creditors, or if a proceeding under the United States Bankruptcy Code or any similar law affecting the rights of creditors generally shall be filed or commenced by, against or in respect of any guarantor hereunder, any and all obligation of that guarantor shall, at Sublandlord's option, immediately become due and payable without notice.

12. If any payment or transfer to Sublandlord which has been credited against any Obligation, is voided or rescinded or required to be returned by Sublandlord, whether or not in connection with any event or proceeding described in Section 11, the Guaranty shall continue in effect or be reinstated as though such payment, transfer or recovery had not been made.

13. Except as otherwise provided herein, the Guaranty shall be construed as an absolute, unconditional, continuing and unlimited obligation of each Guarantor hereunder without regard to the regularity, validity or enforceability of any of the Obligations, and without regard to whether any Obligation is limited, modified, voided, released or discharged in any proceeding under the United States Bankruptcy Code or any similar law affecting the rights of creditors generally.

14. Any termination of the Guaranty shall be applicable only to Obligations accruing after termination or having their inception after the effective date of such termination and shall not affect Obligations having their inception prior to such date.

15. The death or incapacity of any Guarantor hereunder shall not result in the termination of the Guaranty.

16. Any and all present and future debts and obligations of Subtenant to any Guarantor hereunder are hereby waived and postponed in favor of and subordinated to the full payment and performance of the Obligations.

17. Each Guarantor hereunder waives to the greatest extent permitted by law: notice of acceptance hereof; presentment and protest of any instrument, and notice thereof; notice of default or intent to accelerate; notice of foreclosure; notice of any modification, release or other alteration of any of

the Obligations or of any security therefor and all other notices to which any guarantor hereunder might otherwise be entitled.

18. Each Guarantor hereunder waives to the greatest extent permitted by law: any defense arising by virtue of the lack of authority, death or disability of such Guarantor; or any defense based upon an election of remedies by Sublandlord which destroys or otherwise impairs the subrogation rights of such Guarantor or the right of such Guarantor to proceed against the Subtenant for reimbursement, or both.

19. Upon the bankruptcy, winding-up or distribution of any of the assets of Subtenant or any Guarantor, Sublandlord's rights will not be affected or impaired by its omission to prove its claim or prove its full claim. Sublandlord may prove such claims as it sees fit and may refrain from proving any claim.

20. This Guaranty will be jointly and severally binding upon each Guarantor, and their respective heirs, executors, administrators, successors and assigns, and will inure to the benefit of Sublandlord, its successors and assigns. No Guarantor may assign this Guaranty without the express written consent of Sublandlord.

[THIS SPACE LEFT INTENTIONALLY BLANK]

EXHIBIT D-1

FRANCHISOR LEASE RIDER

This Franchisor Lease Rider ("**Rider**") is entered into on _____, 20__ , by and among **DOCTOR'S ASSOCIATES LLC**, a Delaware limited liability company ("**Franchisor**") _____, a _____ ("**Landlord**"), and _____, a _____ ("**Tenant**").

WHEREAS, Landlord and Tenant have entered into or propose to enter into the lease to which this Rider is attached (the "**Lease**"), pursuant to which Tenant will occupy that certain premises located at _____ (the "**Premises**") for the purpose of operating a Subway® restaurant ("**Restaurant**"); and

WHEREAS, Tenant has executed or intends to execute a franchise agreement ("**Franchise Agreement**") with Franchisor governing the operation of the Restaurant. As a requirement of the Franchise Agreement, the Lease must include this Rider.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Franchisor, Landlord and Tenant agree as follows:

1. Franchisor's Notice & Cure Rights. Landlord shall send to Franchisor a copy of any default notice given to Tenant under the Lease (concurrently with the default notice given to Tenant) as a prerequisite to exercising any remedy against Tenant to terminate the Lease or Tenant's right to possession of the Premises. Franchisor shall have the right (but not the obligation) to cure any default specified in such notice, and Landlord shall not terminate the Lease or Tenant's right to possession of the Premises if Franchisor cures the default within thirty (30) days after receipt of notice from Landlord of Tenant's default (the "**Cure Period**"); provided, however, that if the default cannot with diligence be cured by Franchisor within the Cure Period, the commencement of action by Franchisor to remedy the default within the Cure Period shall extend the Cure Period for an amount of time reasonable under the circumstances to effectuate the cure. Landlord acknowledges and agrees that by curing Tenant's default, Franchisor does not assume, and Landlord shall not hold it responsible for, any liabilities of Tenant unless Franchisor assumes the Lease as provided in Section 3(A) below.

Landlord further agrees to (i) send to Franchisor copies of all other letters or notices sent to Tenant with respect to the Lease at the same time the letters or notices are sent to Tenant and (ii) promptly notify Franchisor if Tenant does not exercise an extension or renewal option granted under the Lease. Franchisor shall have the right, but not the obligation, for thirty (30) days after receipt of such notice to assume the Lease and exercise the applicable extension or renewal option.

Regardless of whether or not Franchisor elects either to cure or otherwise undertake any action with respect to a default by the Tenant under the Lease or to exercise its right to assume the Lease as provided in Section 3 below, Franchisor may communicate directly with the Landlord at any time during the Lease term about any default by the Tenant under the Lease or any default by Tenant, as franchisee, under the Franchise Agreement.

2. Franchisor's Right of Entry. Franchisor will have the right, without being guilty of trespass or any other crime or tort, to enter the Premises at any time or from time to time (i) to make any modification or alteration it considers necessary to protect the Subway® system and marks, (ii) to cure any default under the Franchise Agreement or under the Lease, (iii) to remove personal property from the Premises that Franchisor or its affiliates owns or has a security interest in, or (iv) to remove the distinctive elements of the Subway® trade dress upon the Franchise Agreement's expiration or termination. Neither Franchisor nor Landlord will be responsible to Tenant for any damages Tenant might sustain as a result of action Franchisor takes in accordance with this provision. Franchisor will repair or reimburse Landlord for the cost of any damage to the Premises' walls, floor or ceiling that result from Franchisor's removal of trade dress items and other property from the Premises.

3. Assignment.

A. Upon (i) expiration or termination of the Franchise Agreement or cessation of the operation of a Subway® restaurant at the Premises, (ii) commencement of eviction or termination proceedings by Landlord against Tenant, or (iii) Tenant's failure to exercise an extension or renewal option granted under the Lease, Franchisor (or its affiliate or assignee) shall have the right to assume Tenant's rights and obligations under the Lease by providing Landlord and Tenant with notice of such assumption. After receiving possession of the Premises, the assuming party will not be required to pay any delinquent rent or other sums owed under the Lease but must begin to cure any other defaults susceptible to cure by the assuming party under the Lease. Landlord hereby irrevocably and unconditionally consents to such assumption for operation of a Subway® restaurant at the Premises.

B. If the Lease is assumed by Franchisor as set forth in Section 3(A) above, the assuming party shall have the right to assign the Lease or sublet the Premises for operation of a Subway® restaurant to a licensee or franchisee duly approved by Franchisor and meeting the franchise requirements of Franchisor as of the date thereof, without first obtaining Landlord's consent and without the imposition of an assignment fee or similar charge. The assuming party shall remain liable under the Lease notwithstanding such assignment or sublease unless Landlord's prior written consent to the assignment or sublease is received. Notwithstanding anything in the Lease to the contrary, the assuming party shall have the right to retain all rent or other consideration payable under a sublease even if such rent or other consideration is in excess of the rent payable under the Lease.

C. If the Lease is assumed as set forth in Section 3(A) above, any provision in the Lease requiring Tenant to continuously operate a business at the Premises shall be suspended for one hundred twenty (120) days so that Franchisor can identify a franchisee to operate a Subway® restaurant at the Premises as contemplated in Section 3(B).

D. Tenant may not assign the Lease or sublet the Premises without Franchisor's prior written consent, and Landlord will not consent to an assignment or subletting by Tenant without first verifying that Franchisor has given its written consent to Tenant's proposed assignment or subletting.

4. Confidentiality. Landlord acknowledges that all information obtained by Landlord or Landlord's agents, officers, employees or directors (collectively, "**Landlord Parties**") relating to the unique and distinctive features of Tenant's or Franchisor's plans and specifications, business and operating methods, and any financial data relating to Tenant or Franchisor (collectively, "**Confidential Information**") are of a confidential nature. Landlord shall ensure that no Confidential Information is used or disclosed by any of the Landlord Parties except as may be required by a court of law. Landlord shall not issue any press release or other public disclosure using the name, logo, or otherwise referring to Franchisor or any of its affiliates, and shall not permit any of the Landlord Parties or Landlord's broker, press agent or other party to do so, without the prior written consent of Franchisor.

5. Use of the Premises. During the term of the Franchise Agreement, Tenant will be permitted to use the Premises for the operation of a Subway® restaurant (together with any third-party add-on concept permitted under the Franchise Agreement) and for no other purpose.

6. Signage and Marks. Subject to applicable zoning laws and title restrictions, Landlord consents to the installation and use of such trademarks, service marks, signs, decor items, color schemes, and related components of the Subway® system (and any third-party add-on concept permitted under the Franchise Agreement) as Franchisor may from time to time prescribe.

7. Conflict Between Lease and Rider. In the event of a conflict or inconsistency between the provisions of this Rider and any other provision of the Lease or any of the exhibits or other attachments to the Lease, the provisions of this Rider shall prevail and be interpreted in such a manner as to override any provision of the Lease, exhibits or attachments that would prevent the spirit and letter of this Rider from being given full force and effect. Any amendments to the Lease by Landlord and Tenant that purport to diminish Franchisor's rights under this Rider or restrict Tenant from locating Subway® restaurants within a certain distance from the Premises (i.e., a radius restriction) without Franchisor's prior written consent shall be void ab initio.

8. Notices. Every notice, approval, consent or other communication authorized or required by this Rider shall be effective if given in one of the following ways: (i) by email to Franchisor at SubwayRealEstate@Subway.com, to Landlord at _____ and to Tenant at _____; (ii) in writing and hand delivered to either party; or (iii) in writing and sent for next business day delivery by FedEx, UPS, or other nationally-recognized courier. Notices sent via hand delivery or via nationally-recognized courier shall be addressed to the parties at the addresses below, or at such other address as either party shall from time to time designate in writing. Email notices must contain the capitalized words "LEGAL NOTICE" in the subject line. The sender of an email notice must request a read receipt and the recipient must allow a read receipt to be sent on or before the next business day. Email notices shall be effective upon receipt by the sender of the read receipt from the recipient of the notice. Hand delivered notices shall be deemed to be effective upon delivery, if delivered. Notices sent for next business day delivery by nationally recognized courier shall be deemed to be effective on the next business day.

The parties intend to be bound by the signatures of the electronically mailed or signed signatures and the delivery of the same shall be effective as delivery of an original executed counterpart of this Rider. EXHIBIT D-1-1

APPENDIX: Franchisor Rights; Right of First Refusal

1. Landlord acknowledges that Tenant has entered into this Lease solely for the purpose of operating a Subway® restaurant pursuant to a franchise agreement with Doctor's Associates, LLC ("DAL"), the franchisor of Subway® restaurants. Landlord and Tenant further acknowledge that DAL is not a party to this Lease, has no obligations hereunder, and shall not be deemed a tenant or guarantor of Tenant's obligations, but is a third-party beneficiary of the rights and interests contained in this Appendix.

2. If Tenant (i) defaults under this Lease, (ii) requests Landlord's consent to assign or transfer this Lease, or (iii) abandons the premises or ceases the operation of the Subway® restaurant at the premises, Landlord shall provide written notice to DAL of such event at the following address: Doctor's Associates, LLC, located at 1 Corporate Drive, Suite 1000, Shelton, CT 06484, with an electronic copy via email at legalnotice@subway.com, and subwayrealestate@subway.com. Such notice shall be provided contemporaneously with any notice delivered to Tenant.

3. Landlord agrees that no assignment or transfer of this Lease by Tenant shall be permitted without the prior written consent of DAL, which consent may be granted or withheld in DAL's sole discretion as franchisor. Landlord and DAL shall use commercially reasonable efforts to review any proposed assignment and, if acceptable, coordinate the process to effectuate such assignment in a manner that permits continued operation of a SUBWAY® restaurant at the premises.

4. If Tenant fails to cure a default within the applicable cure periods under this Lease and Landlord elects to terminate the Lease, or if the Lease expires at the end of its term, or if the Lease is not renewed by the Tenant at the expiry of its current term, Landlord shall grant DAL a Right of First Refusal ("ROFR") to enter into a new lease for the premises on the basis of Subway's standard lease terms and conditions.

5. In addition, if a third-party communicates any offer to lease the premises to the Landlord or Tenant and the Tenant or Landlord are considering accepting the offer, before entering into a lease with any third party for the premises, Landlord shall first deliver to DAL a written offer setting forth the material terms on which Landlord is prepared to lease the premises. DAL shall have thirty (30) days from receipt of such offer to exercise its ROFR by written notice to Landlord.

6. Upon timely exercise of the ROFR, DAL may, at its election: (i) Enter into the new lease directly; or (ii) Designate an authorized SUBWAY® franchisee or affiliate to enter into the new lease on substantially the same terms for the purpose of continuing the operation of a SUBWAY® restaurant at the premises.

7. If DAL does not timely exercise its ROFR, Landlord may lease the premises to a third party on terms no more favorable than those offered to DAL.

8. Tenant agrees that, in the event the franchise agreement between DAL and Tenant is terminated, DAL will have the right (but not the obligation) to inform the Landlord of the franchise agreement's termination. Within thirty (30) days of DAL's notice to the Landlord of the franchise agreement's termination, DAL will have the right to demand that the Tenant and Landlord consent to the Tenant assigning the Lease to either (i) DAL, (ii) a duly authorized SUBWAY® franchisee, or (iii) one of its affiliates, at DAL's sole discretion. Tenant and Landlord hereby irrevocably consent to any requested assignment by DAL in the event the Franchise Agreement is terminated.

9. The provisions of this Appendix shall survive the termination or expiration of this Lease to give effect to DAL's rights hereunder.

10. Landlord, Tenant and DAL agree that the provisions of this Section shall be governed by and construed in accordance with the governing law and choice of forum clause contained in the Lease, and in the event none are specified, the laws of the province where the premises designated by the Lease will apply, and the federal laws of the United States applicable therein, without regard to conflict of law principles.

EXHIBIT D-2
[_____] AMENDMENT TO LEASE

THIS _____ AMENDMENT TO LEASE (this "**Amendment**") is made effective as of _____, 20___ (the "**Effective Date**"), by and between _____, a(n) _____ ("**Landlord**"), and **SUBWAY REAL ESTATE, LLC**, a Delaware limited liability company ("**Tenant**").

RECITALS

WHEREAS, Landlord and Tenant are parties to that certain Lease dated _____, 20___, [as amended from time to time] (the "**Lease**") for that certain space located at _____ and as more particularly described in the Lease (the "**Premises**").

WHEREAS, Landlord and Tenant desire to modify the [minimum rent, extend the Lease term, relocate the Premises, and make certain other modifications to the terms and provisions of the Lease].

AGREEMENT

NOW, THEREFORE, in consideration of the above recitals, which by this reference are incorporated herein, and mutual covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Landlord and Tenant hereby amend the Lease as follows.

1. **Definitions**. For the purposes of the Lease the term "**Building**" shall mean the building located at _____, of which the Premises form a part. The parties hereby stipulate and agree that the Premises shall be deemed to contain _____ rentable square feet of space on the ground floor of the Building as indicated on _____.

2. **Integration of Amendment and Lease**. This Amendment and the Lease shall be deemed to be, for all purposes, one instrument. In the event of any conflict between the terms and provisions of this Amendment and the terms and provisions of the Lease, the terms and provisions of this Amendment shall, in all instances, control and prevail.

3. **Extension**. Landlord and Tenant hereby agree to extend the Lease term for a period of _____(___) months beginning on _____, 20___, and terminating on _____, 20___.

4. **[Relocation to New Space]**. Landlord and Tenant hereby acknowledge and agree that the Tenant shall relocate from the current Premises to the Relocation Premises (as hereinafter defined) in accordance with the following terms:

    a. "**Relocation Premises**" shall mean the premises commonly known as _____ containing approximately _____ rentable square feet as shown on the plan attached hereto as **Attachment 3**; and

    b. "**Relocation Commencement Date**" shall mean the date Tenant vacates the current Premises and delivers possession thereof to Landlord in accordance with the terms and conditions of this Amendment.

    On or before _____, 20___, Landlord shall provide written notice to Tenant that Landlord has completed Landlord's Work in accordance with **Attachment 4** attached hereto. Within _____

(__) days following receipt of such notice, Tenant shall fully vacate and yield to Landlord the current Premises in accordance with the surrender requirements of this Amendment.

On the Relocation Commencement Date, the Lease and all amendments thereto shall automatically be amended to provide that, from and after the date, the term "Premises" as used in the Lease and all amendments thereto shall refer to the Relocation Premises and not to the premises originally leased to Tenant under the Lease and, except as modified by this Amendment, all terms, covenants, and conditions of the Lease shall apply with full force and effect to the Relocation Premises throughout the remainder to the Lease term as if the Relocation Premises had originally been leased to Tenant under the Lease.

Tenant shall have the right, within thirty (30) days after the Relocation Commencement Date to have a licensed and insured architect re-measure the Relocation Premises. In the event the results of such re-measurement reveal a different rentable square footage than the figure set forth in this Amendment, the parties shall execute an amendment adjusting the square footage, minimum rent, Tenant's share of CAM (defined below) and any other figure set forth herein or in the Lease to reflect the re-measurement, and confirming the location of the Relocation Premises and such other matters related to the Relocation Premises or the Lease as may reasonably be requested by Tenant.

5. **Rent**. Commencing as of [the Effective Date of this Amendment] [the Relocation Commencement Date], the minimum rent is hereby modified to the amounts and for the periods set forth in the following schedule:

Period	Monthly Rent	Annual Rent
_____ to _____	$_____	$_____
_____ to _____	$_____	$_____
_____ to _____	$_____	$_____
_____ to _____	$_____	$_____

6. **Tenant's Termination Option**. Landlord hereby grants to Tenant the right to terminate the Term at any time ("**Tenant's Termination Right**") by providing Landlord with written notice (the "**Termination Notice**") of termination of the Lease at least thirty (30) days prior to the termination date (the "**Termination Date**") selected by Tenant and set forth in the Termination Notice. In the event Tenant elects to exercise Tenant's Termination Right, Tenant shall pay to Landlord an amount equal to the lesser of (a) an amount equal to the rent payable for the one (1) month immediately prior to the date of the Termination Notice and (b) the rent payable for the remainder of the Term after the Termination Date (the "**Termination Fee**"). The Termination Fee shall be payable to Landlord on the Termination Date. Notwithstanding the foregoing, if rent payable for any three (3) of the eight (8) weeks immediately prior to the Termination Notice exceeds five percent (5%) of the gross weekly sales for the Premises (as determined by Tenant's books and records), then Tenant shall not be obligated to pay the Termination Fee in connection with its exercise of Tenant's Termination Right.

7. **Option to Renew**. The parties agree that, Tenant shall not lose any option to renew contained in the Lease unless and until the Tenant shall fail to give notice to Landlord within ten (10) days after receipt of written notice from Landlord citing Tenant's failure to exercise its option to renew. Tenant's notice to Landlord of Tenant's intent to exercise any renewal option under the Lease shall be revocable for a period of five (5) business days after receipt by Landlord of the notice of renewal

("**Rescission Period**"). Unless revoked by Tenant during the Rescission Period, upon expiration of the Rescission Period, Tenant's exercise of the renewal option shall be binding and irrevocable.

8. **Use**. Tenant's permitted use shall be defined as a restaurant for on and off premises consumption or for any other lawful purpose (the "**Permitted Use**"). Landlord acknowledges that Tenant's menu consists primarily of sandwiches, wraps, salads and related items and that from time to time Tenant may add test items to its menu. Landlord further agrees that Tenant may add, delete and/or change its menu without the prior consent of Landlord provided that Tenant complies with all local codes and ordinances, and Landlord represents and warrants that Landlord has no preexisting agreements prohibiting such menu additions. In no event shall Tenant's menu be construed as limited to sandwiches and salads. Without limiting the foregoing, Tenant may sell pizza, fruit smoothies and/or yogurt. Tenant may, but shall not be required to, remain open seven (7) days per week twenty-four (24) hours per day. Landlord acknowledges that the normal operation of Tenant's business will create certain aromas including but not limited to the aroma of baking bread. Landlord represents that Tenant's Permitted Use is permitted by all applicable federal, state, and local laws, ordinances, rules and regulations, all court orders, governmental directives, and governmental orders and all interpretations of the foregoing, and all restrictive covenants or zoning laws.

9. **Co-Tenancy**. If at any time during the Term of the Lease, less than seventy-five percent (75%) of the square feet in the Building is fully occupied and open for business, Tenant shall have the option upon five (5) days written notice to Landlord to either (i) cancel the Lease; or (ii) conduct business and pay an amount equal to fifty percent (50%) of the current minimum rent and additional rent monthly. Tenant shall not be responsible for paying minimum rent and additional rent until at least seventy-five percent (75%) of the square feet in the Building is occupied and open for business.

10. **Competition**. Landlord agrees and understands that the following exclusive language is a material inducement for Tenant to enter into this Amendment. Landlord agrees not to sell, lease, let, use or permit to be used, any property owned or controlled by Landlord within one (1) mile of the Premises now or at any time during the initial Term of the Lease or any renewal thereof to any entity including, but not limited to, food trucks, kiosks and mobile food carts, which sells or serves made to order food or pre-packaged sandwiches, including but not limited to convenience stores. Further, Landlord agrees that current tenants shall be prohibited from adding items to their menus which conflict with this exclusive right. Landlord warrants that Tenant shall not be in violation of any other exclusive rights as of the Effective Date. Further, Landlord shall indemnify, defend and hold Tenant harmless from any third party claim or suit regarding any other exclusive right granted by Landlord. Landlord agrees to provide Tenant with all current and future exclusivity agreements with other tenants.

11. **ADA Compliance**. Landlord warrants that the Premises are fully in compliance with the Americans with Disabilities Act of 1990 ("**ADA**") and any revisions made there under, including but not limited to, any Standards and Regulations as they may change from time to time. Landlord agrees to indemnify Tenant for any damages ensuing from a lawsuit brought either by an individual or the attorney general for violation of the ADA, as well as any applicable local accessibility ordinances. Any alterations required to bring the Building into compliance with the ADA or other local accessibility ordinances shall be the Landlord's sole expense and responsibility, and any charges incurred by the Landlord shall not be charged back to the Tenant either as part of the common area maintenance charges, or otherwise.

12. **Décor and Signage**. Landlord hereby gives its consent to Tenant to construct the interior and exterior of Premises in accordance with standard Subway® decor and to erect standard Subway® signs/awnings on the building. Tenant's signs shall measure at least 36" high and extend the length of the fascia. The phrase "standard Subway® signs" shall be deemed to include existing pole signs,

monument signs and awnings. Additionally, Tenant may use standard Subway® window advertising including but not limited to LED "open" signs and static cling(s). Landlord further acknowledges and agrees that this consent is absolute and Tenant shall not be required to submit any of the aforementioned items for Landlord's review. However, Tenant agrees that any signage installed by Tenant shall conform to local codes and ordinances. In the event Tenant shall be prohibited from utilizing the Franchisor's standard décor and signage, Landlord and Tenant shall use best efforts to obtain a variance or applicable approvals. Tenant may, at Tenant's option, terminate the Lease at anytime upon thirty (30) days written notice to the Landlord should Tenant, its assignee or sublessee fail to receive any approval, permit, licenses, rezoning or variance that is required to meet or exceed its requirements as stated herein. At any time during the Term of the Lease, if Tenant remodels, refreshes or otherwise upgrades the Premises in accordance with Franchisor's latest required interior décor, Landlord agrees to grant Tenant two (2) months free rent beginning on the first day of the month following completion of said improvement.

13. **Common Area Maintenance Charges**. In the event that Tenant is responsible for common area maintenance charges ("**CAM**") under the Lease, (i) Landlord agrees upon thirty days' notice to substantiate all related expenses to Tenant's satisfaction, (ii) in no event shall Tenant's annual share of CAM increase by more than five percent (5%) from one calendar year to the next calendar year, (iii) if Tenant is required to pay a management fee, said amount shall be based solely on Tenant's share of CAM and shall not include any calculation using minimum, base or gross rent and in no event shall said amount exceed ten percent (10%) of Tenant's total share of CAM and (iv) any and all CAM charges will be limited to the Building and under no circumstances shall the Tenant be responsible for the replacement cost of capital items including, but not limited to; the roof, all structural portions of the Building, the parking lot and HVAC unit. Landlord shall keep at the Building or at Landlord's principal place of business, full, accurate and separate books of account covering CAM and the statements of Landlord to Tenant shall accurately reflect overall CAM and Tenant's share thereof shown on such books of account. Said books of account shall be retained for Landlord for at least three (3) years after the close of each accounting period. Tenant shall have the right to examine Landlord's books and records upon not less than fifteen (15) days prior notice to Landlord. If Landlord shall receive any objections by Tenant, then such objections shall be deemed to be binding upon Landlord unless Landlord shall, within fifteen (15) days after receipt of such objections, deliver written notice to Tenant that Landlord disputes any or all such objections. If Landlord shall dispute any or all such objections, then Landlord and Tenant shall endeavor in good faith to reconcile such dispute within twenty (20) days after delivery by Landlord of Landlord's notice to Tenant disputing any or all such objections, and if Landlord and Tenant are unable to resolve such dispute, Landlord and Tenant shall jointly select an independent accountant, which accountant shall resolve such dispute within twenty (20) days after its selection, and such decision shall be binding upon Landlord and Tenant. The fees of such accountant shall be paid equally by Landlord and Tenant. To the extent that it is determined herein that any sums are due and owing to Tenant, such amounts shall be credited against Tenant's next due monthly installment of rent or, at Tenant's option, paid by Landlord to Tenant, and if it is determined herein that Landlord has overcharged Tenant by more than five percent (5%), then Landlord shall be responsible for all fees payable to the accountant (rather than such fees being paid equally by Landlord and Tenant), and Landlord shall repay to Tenant the reasonable out of pocket costs incurred by Tenant in reviewing Landlord's books and records.

14. **Exclusions from Taxes**. Tenant's share of real estate taxes and assessments, shall not include any interest or penalties which arise from Landlord's failure to pay the taxes or assessment in a timely manner. In no event shall Tenant be liable for additional rent attributable to any tax related to income, transfer, sale, excise taxes or inheritance tax imposed upon the Landlord arising out of Landlord's ownership and/or sale of the property. Should the Landlord choose to contest the

imposition of any tax or assessment, the cost of maintaining any such action shall be borne solely by the Landlord, and shall not be reflected in any later charge to the Tenant. Should the Tenant be named as a party in any lawsuit involving tax or assessments, the Landlord shall indemnify the Tenant for any and all costs, including, but not limited to legal fees, which may be incurred in the defense of, or arising out of any such action.

15. **Condemnation**. If all or part of the Property is taken for any public or private use under any governmental law, ordinance or regulation, or by power of eminent domain, or by purchase in lieu thereof, and such taking adversely affects Tenant's use or enjoyment of the Premises in the reasonable opinion of Tenant, then Tenant shall have the option to terminate the Lease by giving written notice to Landlord within thirty (30) days after the date the condemning authority is given the right to possession (such date being the "date of taking" for purposes of this Section) and, in such event, all rights and obligations under the Lease shall cease, effective as of the date of the taking. If Tenant does not terminate the Lease in accordance with the foregoing, then Landlord shall proceed with diligence to make any repairs and alterations necessary to restore the Property to an architectural whole and make the Property suitable for Tenant's use. The rent payable under the Lease from the date of the taking through the expiration of the Lease Term shall be equitably reduced based on the degree to which Tenant's use and enjoyment of the Property are impaired. If Landlord fails to complete such repairs or alterations within ninety (90) days after the date of the taking, then Tenant may at its option terminate the Lease, effective upon delivering written notice of termination to Landlord at any time prior to Landlord's completion of such repairs and alterations, whereupon all rights and obligations under the Lease shall cease. In the event of the condemnation of all or any portion of the Property, Tenant is entitled to participate in any and all awards for such taking to the extent that any such award includes the loss, if any, sustained by Tenant as a result of the termination of the Lease for loss of business, fixtures, goodwill, moving expenses and attorneys' fees and costs, to the fullest extent permitted by law. In no event shall Tenant's claim reduce and/or diminish Landlord's award.

16. **Landlord Default**. If the Landlord shall fail, refuse or neglect to comply with Landlord obligations in accordance with the terms of the Lease, or if Tenant makes any repairs by reason of any act, omission or negligence of the Landlord or its employees or agents, Tenant shall have the right, at its option, to make such repairs on the behalf of and for the account of the Landlord and deduct all costs and expenses thereof from the next installment(s) of rent due under the Lease. Alternatively, if a default by Landlord continues for a period of thirty (30) days after Landlord's receipt of a written notice specifying the default, Tenant, at Tenant's option, may terminate the Lease by notifying the Landlord in writing and specifying the termination date. The Lease shall automatically be deemed void and both parties shall be relieved of all obligations. Tenant shall vacate the Premises within an additional period of thirty (30) days paying rent only to the date of said vacating. Landlord shall return any and all security deposits and/or advanced rent paid by Tenant within three (3) business days.

17. **Limitation of Tenant Liability**. Notwithstanding any provision in the Lease to the contrary, Landlord and Tenant agree that Tenant's aggregate liability in the event of default shall not exceed the lesser of one (1) month's rent or the rent that would become due for the remainder of the Term of the Lease. Furthermore, Landlord acknowledges an affirmative duty to mitigate damages and shall in no event accelerate rent. Landlord and Tenant agree that this limitation of liability shall apply to, but not be limited to, all back and future rent, triple net charges (if applicable), late fees, attorney fees and court costs. Upon the termination of the Lease, whether in accordance with this Section or otherwise, Tenant shall be permitted access to the Premises to remove any and all logo or trademark items. Such items shall include, but shall not be limited to, signage and murals.

18. **LIMITATION ON DAMAGES**. LANDLORD RECOGNIZES AND ACKNOWLEDGES THAT TENANT IS A DELAWARE LIMITED LIABILITY COMPANY AND THAT TENANT'S ASSETS CONSIST ALMOST EXCLUSIVELY OF LEASES, SUBLEASES, AND OPTIONS TO PURCHASE LEASED PREMISES. LANDLORD ALSO RECOGNIZES AND ACKNOWLEDGES THAT TENANT WAS ORGANIZED PRINCIPALLY FOR THE PURPOSE OF NEGOTIATING AND DRAFTING LEASES WITH A VIEW TOWARDS SUBLETTING THE LEASED PREMISES TO FRANCHISEES/LICENSEES OF DOCTOR'S ASSOCIATES LLC. ("DAL" AND "FRANCHISOR"). LANDLORD RECOGNIZES AND ACKNOWLEDGES THAT IT HAS BEEN ADVISED THAT DOCTOR'S ASSOCIATES LLC IS A DELAWARE LIMITED LIABILITY COMPANY THAT OWNS ALL RIGHTS TO AWARD FRANCHISES FOR SUBWAY® SANDWICH SHOPS AND THAT LANDLORD HAS ALSO BEEN ADVISED THAT TENANT HAS NO RIGHTS WHATSOEVER TO AWARD FRANCHISES FOR SUBWAY® SANDWICH SHOPS OR COLLECT ANY FRANCHISE-RELATED ROYALTIES FROM ANY PROSPECTIVE SUBLESSEE OF THE PREMISES. LANDLORD RECOGNIZES AND ACKNOWLEDGES THAT IT HAS BEEN GIVEN AN OPPORTUNITY, WHETHER BY ITSELF OR WITH THE ASSISTANCE OF ITS PROFESSIONAL ADVISORS, TO MAKE INQUIRY OF TENANT'S FINANCIAL STATUS AND TO EVALUATE SAID STATUS TO ITS SATISFACTION. LANDLORD HAS EITHER MADE SUCH INQUIRY AND IS SATISFIED WITH THE RESPONSE TO SUCH INQUIRY OR HAS AFFIRMATIVELY AND VOLUNTARILY DETERMINED NOT TO DO SO. LANDLORD FURTHER RECOGNIZES AND ACKNOWLEDGES THAT NO PERSON OR ENTITY OTHER THAN TENANT HAS MADE ANY REPRESENTATIONS OF ANY KIND WITH REGARD TO THE ABILITY OF TENANT TO PERFORM TENANT'S OBLIGATIONS HEREUNDER. LANDLORD ALSO RECOGNIZES AND ACKNOWLEDGES THAT TENANT INTENDS TO SUBLEASE THE PREMISES TO A PERSON(S) WHO HAS OR WILL BE AWARDED A FRANCHISE/LICENSE FOR A SUBWAY® SANDWICH SHOP FROM DAL, UNDER WHICH SUBLEASE THE SUBLESSEE WILL PAY RENT DIRECTLY TO LANDLORD SO THAT THE RENTAL PAYMENT FROM SUCH SUBLESSEE WILL NORMALLY NOT BE RECEIVED OR HELD BY TENANT. ALTHOUGH THE SUBLESSEE MAY OPEN A BUSINESS OPERATION DOING BUSINESS AS A SUBWAY® SANDWICH SHOP AND MAY HAVE FRANCHISE AND OTHER BUSINESS RELATIONSHIPS WITH CORPORATIONS RELATED TO OR ASSOCIATED BY THE GENERAL PUBLIC WITH "SUBWAY," AS IT IS COMMONLY KNOWN, LANDLORD RECOGNIZES AND ACKNOWLEDGES THAT THE SOLE AND EXCLUSIVE PERSON OR ENTITY AGAINST WHICH IT MAY SEEK DAMAGES OR ANY REMEDIES UNDER THIS OR ANY OTHER DOCUMENT IN WHICH THE LANDLORD AND TENANT OR LANDLORD AND SUBLESSEE ARE PARTIES, WHETHER FOR UNPAID RENT AND ASSOCIATED DAMAGES, CLAIMS OF UNJUST ENRICHMENT, CLAIMS OF UNFAIR TRADE PRACTICES, OR ANY OTHER THEORY OF RECOVERY OF ANY KIND OR NATURE, IS TENANT OR SUBLESSEE. FURTHER, IT IS EXPRESSLY UNDERSTOOD AND AGREED THAT THERE WILL NOT BE ANY LIABILITY WHATSOEVER AGAINST (A) DOCTOR'S ASSOCIATES LLC, ITS SHAREHOLDERS, DIRECTORS, OFFICERS, EMPLOYEES AND/OR AGENTS, AND/OR (B) ANY PERSONS AND ENTITIES WHO ARE THE SHAREHOLDERS, DIRECTORS, OFFICERS, EMPLOYEES, AND/OR AGENTS OF THE TENANT. SUCH EXCULPATION OF LIABILITY SHALL BE ABSOLUTE AND WITHOUT ANY EXCEPTION WHATSOEVER.

19. **Assignment**. Tenant may assign the Lease or sublet the Premises to any bona-fide licensee/franchisee of Doctor's Associates LLC, doing business as a Subway® sandwich shop ("**Tenant's Sublessee**") without the prior consent of or written notice to the Landlord. Such assignment and subletting shall not alter the Tenant's responsibility to the Landlord under the Lease. Landlord agrees to accept rent from Tenant, its assignee, or sublessee. Landlord and Tenant agree

that the purpose of the Lease is to sublet the Premises to an authorized Subway® licensee/franchisee of Doctor's Associates LLC. Should Tenant not succeed in obtaining an executed sublease within sixty (60) days of the execution of the Lease, Tenant may, at Tenant's option, void the Lease upon written notice.

20. **Landlord Maintenance**. Landlord, at Landlord's sole cost and expense shall maintain all exterior and structural portions of the Building, including the roof, walls, foundations, walks, driveways and parking areas, in good condition and repair, including replacement as required. Such maintenance shall include, but not be limited to the removal of snow and/or ice. In addition, Landlord warrants that the Premises, including the heating and air conditioning systems, plumbing, sprinklers, hot water heater, and electrical systems (collectively, the "**Systems**") will be in compliance with all Laws, in good working order, and that the roof will be free of leaks for the Term of the Lease. Landlord hereby agrees that Landlord shall, at Landlord's expense be responsible for the replacement of Systems if and when necessary and Landlord shall be responsible for any and all tap fees, hook-up fees, connection fees, impact fees (if any) necessary for Tenant's utilities. Landlord will perform all such maintenance, repairs and replacements in a good and workmanlike manner, using first-class materials, in compliance with all Laws. Landlord hereby represents and warrants to Tenant that, as of the Effective Date, the structural components and Systems of the Building, any fixtures, equipment and capital items provided by Landlord, and any common areas are in good operating condition and repair. Landlord further represents and warrants to Tenant as of the Effective Date that the Premises is free from water leaks, offensive odors, mold, asbestos and underground storage tanks. Under no circumstances shall the Tenant be responsible for the replacement cost of capital items including, but not limited to; the roof, all structural portions of the building, parking lot and systems. If Landlord shall fail, refuse or neglect to comply with Landlord's obligations in accordance with the terms of the Lease, or if Tenant is required to make any repairs by reason of any act, omission or negligence of Landlord or its employees or agents, Tenant shall have the right, but not the obligation, at its option, to make such repairs on the behalf of and for the account of Landlord and deduct the cost and expense thereof from the next installment(s) of minimum rent and additional rent due. Alternatively, if a default by Landlord continues for a period of thirty (30) days after Landlord's receipt of a written notice specifying the default, Tenant, at Tenant's option, may declare the Lease terminated and void; Tenant shall vacate the Premises paying rent only to the date of said vacating.

21. **Parking**. Landlord agrees to provide Tenant with at least one (1) parking space per 100 square feet of Premises. Tenant shall be permitted to install signs designating the spaces for Tenant's patrons only. The Landlord represents and warrants that there is adequate non-exclusive parking at the Building for parking by the Tenant's employees and customers. Furthermore, the Landlord will assure the parking areas are free of potholes, snow and ice, adequately striped and in good condition. The parking areas will be lighted, at Landlord's expense, until at least one hour after Tenant's closing.

22. **Hazardous Materials**. If any government or local agency requires an inspection for toxic or hazardous materials prior to a new tenancy, Landlord shall bear the cost of inspection. If a governmental authority requires the removal of hazardous or asbestos-related material including but not limited to molds and biological pollutants from the Premises, lands or the Building(s) of which it forms a part, it will be the Landlord's responsibility to remove the offensive material. If the Landlord does not comply with the ordinance within thirty (30) days after written notice from the Tenant, the Tenant may have the material removed at the cost of the Landlord and deduct the cost from the next monthly rental payment(s). If said material is removed from an area that lies below the parking lot, Landlord shall immediately repair any and all damage thereto. Landlord agrees to

hold Tenant harmless from any and all past, present and future environmental problems not approximately caused by the operation of Tenant's business.

23. **Notices**. Landlord and Tenant acknowledge that it is extremely important that rent be paid in a timely manner as required by the Lease. Since Tenant may sublet the Premises to a licensee/franchisee of Doctor's Associates LLC and the licensee/franchisee may pay rent directly to Landlord, Tenant does not receive rental income and will not know if minimum rent, additional rent or any other rent has not been paid. Since the parties recognize that time is of the essence in this matter, Landlord agrees to give written notice to Tenant within ten (10) days of any failure to perform any of the terms or conditions of the Lease by Tenant, its sublessee, or assignee. Failure of Landlord to give such notice will constitute a waiver of monetary and non-monetary claims against Tenant.

Every notice, approval, consent or other communication authorized or required by the Lease shall be effective if given in one of the following ways: (i) by email to Tenant at SubwayRealEstate@Subway.com, and to Landlord at _____; (ii) in writing and hand delivered to either party; or (iii) in writing and sent for next business day delivery by FedEx, UPS, or other nationally-recognized courier. Notices sent via hand delivery or via nationally-recognized courier shall be addressed to the parties at the addresses below, or at such other address as either party shall from time to time designate in writing. Email notices must contain the capitalized words "LEGAL NOTICE" in the subject line. The sender of an email notice must request a read receipt and the recipient must allow a read receipt to be sent on or before the next business day. Email notices shall be effective upon receipt by the sender of the read receipt from the recipient of the notice. Hand delivered notices shall be deemed to be effective upon delivery, if delivered. Notices sent for next business day delivery by nationally recognized courier shall be deemed to be effective on the next business day.

Landlord agrees to accept rent at the above-referenced address.

Any change in the Landlord entity (including, but not limited to, property ownership, address for notices, etc.) must be authorized in writing by the named Landlord, its mortgagor, or by court order and sent to all the required notification parties as listed above. Absent such acceptable authorization, Tenant shall not be in default of the Lease if it continues to pay rent, nor shall it lose any of its rights, privileges (including, but not limited to, renewal options) as specified herein.

24. **Landlord Consent**. If at any time under the provisions of the Lease the consent of the Landlord is required, it shall not be unreasonably withheld, conditioned or delayed.

25. **Attorneys' Fees; Waiver of Jury Trial**. In the event of litigation between the Landlord and the Tenant relative to rights, obligations and duties of either party under the Lease, each party shall pay its own attorneys' fees and costs. Additionally, Landlord and Tenant agree that, to the extent permitted under Federal, State or local rules of civil procedure, Landlord and Tenant shall have the option to participate in any arbitration, deposition or mediation via telephone or video conferencing. Neither Landlord nor Tenant will compel the other to produce a representative to appear in person at the aforementioned proceedings in the jurisdiction where the litigation is taking place. Further, Landlord hereby waives any claim(s) against Tenant and any related parties for consequential, exemplary, and/or punitive damages. **In addition, both parties hereby waive their rights to a trial by jury.**

26. **Memorandum of Lease**. Landlord and Tenant agree that the Lease shall not be recorded. However, Landlord agrees to execute and deliver to Tenant a memorandum of the Lease in recordable form as set forth on **Attachment 1** attached hereto and incorporated herein at the time this Amendment is executed. Tenant shall have the right to record said memorandum in the local public registry at Tenant's expense. In the event Landlord fails or refuses to execute the Memorandum of Lease within the specified time period, Tenant, at Tenant's option, may consider this a default by the Landlord and terminate the Lease. Landlord hereby appoints the Tenant its attorney-in-fact for purposes of completing the Memorandum of Lease on behalf of the Landlord and to record the Memorandum of Lease with the local recording authority. The Landlord agrees that the Tenant and any third party requiring access to the Memorandum of Lease, may rely upon the information contained therein as being accurate.

27. **Quiet Enjoyment**. Landlord covenants that Tenant, upon complying with the terms of the Lease, shall peaceably and quietly have, hold and enjoy the Premises and all rights, easements, appurtenances and privileges belonging or appertaining thereto. Landlord agrees not to impose any restrictions or grant any easements or other rights that conflict with Tenant's rights under the Lease. Upon request, Landlord shall provide proof of ownership satisfactory to Tenant. Should Landlord fail to uphold the aforementioned covenant, Landlord and Tenant agree that Tenant's damages will be significant and difficult to ascertain. Therefore, Landlord agrees that Tenant's liquidated damages recoverable from Landlord for such breach shall be $50,000.00. Landlord acknowledges that this liquidated damages provision is a fair estimate of Tenant's damages and does not constitute a penalty. For the purpose of this Section, any limitation of the personal liability of the Landlord shall be null and void, and the person executing the Lease on behalf of the Landlord shall be liable for the aforementioned damages both in his/her capacity and personally. This clause shall survive the termination of the Lease. No changes or additions by the Landlord will inhibit access to or visibility of the Premises or decrease parking ratio. Tenant is allowed, at its cost, to prune, cut back or remove any trees that interfere with visibility of the Premises. If Tenant's operation or use is at any time impaired or affected by the closing, relocation, alteration or improvement of any street adjoining the Premises, Tenant may, at its option, either terminate the Lease, or reduce the rent payable by fifty percent (50%) during the period of such impairment. Either of these options may be implemented upon thirty (30) days written notice to the Landlord.

28. **Brokers**. Landlord and Tenant agree that no brokerage commission or similar compensation is due in connection with this transaction except for the commission owed to _____, which shall be paid by Landlord. Except as provided in the preceding sentence, each party agrees to indemnify the other against all claims for brokerage commission or other compensation for services rendered at its instance in connection with this transaction.

29. **Rent Reduction**. Notwithstanding anything to the contrary contained herein, if during the first two (2) years following the Effective Date of this Amendment, the Landlord executes a lease for space in the Building to another tenant at a per square foot rate which is less than the per square foot rate under the Lease, Landlord shall reduce the rent to be equal to such lower per square foot rate. Landlord shall notify Tenant of such reduction in rent within five (5) business days of executing the new lease and shall execute an addendum confirming the rent reduction.

30. **Execution of Amendment**. In the event Landlord does not execute this Amendment and return a fully executed original within thirty (30) days of execution by Tenant, the Tenant may declare this Amendment null and void. Within three (3) business days, Landlord shall return any and all monies paid and all counterparts of this Amendment executed by Tenant.

31. **Right of First Refusal**.

    a. "**ROFR Space**" shall mean any area in the Building that can be configured to include a drive-through for food sales to customers in their automobiles (such as an end-cap space, for example), including without limitation: [Suite No.(s) or other identifier(s) of space].

    b. If at any time during the Lease term the ROFR Space is vacant and unencumbered by any rights of any third party, and if Landlord intends to enter into a lease (the "**Proposed Lease**") for the ROFR Space with anyone (a "**Proposed Tenant**") other than the tenant then occupying such space, then Landlord shall first offer to Tenant the right to lease such ROFR Space upon all the terms and conditions of the Proposed Lease for the ROFR Space. Notwithstanding anything to the contrary in the Lease, the right of first refusal granted to Tenant under this Amendment shall be subject and subordinate to (i) the rights of all tenants at the Building under existing leases, and (ii) the herein reserved right of Landlord to renew or extend the term of any lease with the tenant then occupying such space, whether pursuant to a renewal or extension option in such lease or otherwise.

    c. Such offer shall be made by Landlord to Tenant in a written notice (the "**ROFR Notice**") which offer shall designate the space being offered and shall specify the terms for such ROFR Space which shall be the same as those set forth in the Proposed Lease. Tenant may accept the offer set forth in the ROFR Notice by delivering to Landlord a notice of acceptance ("**Tenant's Notice**") of such offer within ten (10) business days after delivery by Landlord of the ROFR Notice to Tenant. In order to send the ROFR Notice, Landlord does not need to have negotiated a complete lease with the Proposed Tenant but may merely have agreed upon the material economic terms for the Proposed Lease, and Tenant must make its decision with respect to the ROFR Space as long as it has received a description of such material economic terms.

    d. If Tenant at any time declines any ROFR Space offered by Landlord, Landlord shall be free to lease the ROFR Space to the Proposed Tenant.

32. **Force Majeure**. If either party fails to perform any of its obligations under the Lease as a result of Force Majeure, such party shall not be liable for loss or damage for the failure and the other party shall not be released from any of its obligations under the Lease. If either party is delayed or prevented from performing any of its obligations as a result of Force Majeure, the period of delay or prevention shall be added to the time herein provided for the performance of any such obligation.

a. "Force Majeure" shall mean any period of delay which arises from or through acts of God; pandemics; strikes, lockouts, or labor difficulty; explosion, sabotage, accident, riot, or civil commotion; act of war; fire or other casualty; pandemics, legal requirements; delays caused by the other party; and causes beyond the reasonable control of a party. Landlord further agrees that in the event Tenant is required by any governmental authority to close its store at the Premises due to a Force Majeure event, Tenant's obligation to continue paying the monthly rent shall be abated ("**Rent Abatement**") if Tenant sends the Rent Abatement Notice.

b. "**Rent Abatement Notice**" shall mean written notice submitted by Tenant pursuant to the terms of this Amendment notifying Landlord of a requirement by any governmental authority to refrain from operating its business at the Premises. The Rent Abatement Notice shall include a copy of the requirement issued by the governmental authority. The period of the Rent Abatement shall be one-day for each day following the date that Landlord receives the Rent Abatement Notice and the date that Tenant is no longer obligated to refrain from opening due to the aforesaid governmental authority requirement or to remain closed due to the aforesaid governmental authority requirement, as applicable (this period of time being referred to herein as the "**Rent Abatement Period**"). The parties agree, notwithstanding anything to the contrary herein, that the Lease term shall be extended automatically by a period of time equal to the Rent Abatement Period; and, upon the request of either party, the non-requesting party shall enter into an amendment of this Lease to memorialize this extended Lease term.

33. **Cancellation**. Landlord agrees that the Lease may be canceled by Tenant within thirty (30) days of full execution by so notifying Landlord in writing. Further, Landlord agrees that it shall commence and/or continue constructing the Premises in accordance with Landlord's work during this period. However, Tenant acknowledges that Landlord shall not be required to make any alterations that are unique to Tenant's use until the above referenced time period has expired.

34. **Entire Agreement**. The Lease and this Amendment contains the entire agreement between the parties and supersedes all prior understandings.

35. **Mechanics' Liens**. Tenant shall pay and settle all expenses and liabilities arising out of or in any way connected with any and all construction, repairs, alterations, or maintenance of the Premises, and all liens of mechanic's and materialmen, and all liens of a similar character, arising out of or growing out of the construction, repair, alteration, or maintenance of the Premises, provided said work was performed by Tenant and provided the person performing the work has filed the lien properly in accordance with the laws of the State where the Premises are located.

36. **Timeliness of Charges**. Landlord agrees to notify Tenant in writing in accordance with the Lease of any back charges due under the Lease or of any changes in the rent as and when they become due. All parties agree and acknowledge that time is of the essence with respect to these matters. In the event that Landlord does not appropriately notify Tenant within ninety (90) days of the date upon which said charges had become due, Landlord agrees that it has waived its rights to said back charges and further, that Tenant shall not be obligated to pay, nor shall it have any liability for these back charges. It is agreed that it is the intent of the parties that all charges be assessed in a timely manner as they accrue and in no event shall they be assessed to Tenant after this ninety (90) day period.

37. **Surrender of Premises**. Tenant shall be permitted, within ten (10) days after the expiration or sooner termination of the Lease, to remove any additions or improvements made by it, provided, however, that it repairs any damage to the Premises caused by such removal or pays for any damages

caused by such removal. Any such addition or improvement not removed within ten (10) days shall be deemed abandoned and shall, thereupon, become the property of Landlord without compensation to Tenant. If Tenant has made improvements to the Premises which, if removed, would cause significant damage to the Premises, then Tenant may, at its option, choose to leave these improvements in place without incurring any liability for their removal by Landlord or a third party. Tenant's trade fixtures and all of Tenant's equipment shall not be considered fixtures, and shall remain the property of Tenant. As such, they may be removed by Tenant at any time, subject to the foregoing paragraph. On or before the expiration or earlier termination of the Lease, Tenant shall surrender to Landlord the Premises and all of Tenant's alterations and fixtures broom clean, in good order and condition, excepting reasonable wear and tear, casualty and condemnation. Tenant may, but shall not be required to remove those alterations or improvements to the Premises which are installed by Tenant and which are trade fixtures which may be removed without material damage to the Premises and which are in the nature of furniture, movable refrigeration, movable cooking equipment, storage and display cases, counter shelves and racks. All other alterations and fixtures including, without limitation, those in the nature of ventilating, air conditioning, unmovable refrigeration, unmovable cooking equipment, plumbing, sprinkling systems, outlets, partitions, doors, vaults, paneling, molding or flooring shall be surrendered with the Premises and Tenant need not remove them.

38. **Estoppel Certificates**. Landlord, within twenty (20) days after Tenant's request, shall deliver to Tenant an executed, written estoppel certificate in the form attached hereto as **Attachment 2** (the "**Estoppel Certificate**") identifying Tenant and the Lease and certifying and confirming the intent set forth on **Attachment 2**, in addition to any information or confirmation Tenant may reasonably require. In the event Landlord shall fail to return such statement within twenty (20) days of Tenant's request, Tenant shall presume that there are no defaults, monetary or non-monetary, under the Lease and Landlord shall be estopped from rebutting such presumption. Tenant may rely on such Estoppel Certificate as true and correct. The information contained within the Estoppel Certificate shall be binding upon the Landlord, its assignees and successors in interest.

SUBLICENSE

THIS SUBLICENSE (the "**Sublicense**"), is made on the date shown on the cover page hereof (the "**Sublicense Date**"), by and between **SUBWAY REAL ESTATE, LLC**, a Delaware limited liability company, ("**Sublicensor**"), and the party identified as Sublicensee in the Key Contract Data at the beginning of this Sublicense.

In consideration of the covenants contained in this Sublicense, the parties agree as follows:

1 PROPERTY LICENSED

1.1 **Demise.** Sublicensor licenses to Sublicensee and Sublicensee licenses from Sublicensor the premises described in the Master License (defined below) attached hereto (the "**Premises**"), subject to any and all reservations, restrictions, easements, rights of way, limitations and conditions of record, if any. The purpose of this Sublicense is so that Sublicensee can operate a Subway® restaurant under the terms of a Franchise Agreement with Doctor's Associates LLC ("**DAL**") dated as shown in the Key Contract Data at the beginning of this Sublicense, and under the franchise number shown on the cover page hereof ("**Franchise Agreement**").

1.2 **Master License.** Sublicensee acknowledges that the Premises are subject to a license between Sublicensor as licensee and the licensor identified therein (the "**Master Licensor**"), a copy of which is attached hereto as Exhibit A (the "**Master License**"). Sublicensee acknowledges that Exhibit A contains a true and correct copy of the Master License. Any conflict between this Section 1.2 and the other provisions of this Sublicense shall be resolved in favor of this Section 1.2.

1.2.1 This Sublicense is subject and subordinate to the Master License. If the Master License is terminated for any cause whatsoever, Sublicensee shall promptly vacate and surrender the Premises to Sublicensor and this Sublicense shall terminate as of the date of termination of the Master License and Sublicensor shall have no liability and/or obligation to Sublicensee for the termination of the Sublicense.

1.2.2 Except as otherwise provided herein, all costs, common area maintenance fees, expenses, charges, assessments, and license fee escalations accruing under the Master License, any restrictions imposed upon Sublicensor thereunder, together with all repairs, replacements, restorations, and any other obligations required to be performed by Sublicensor, as licensee under the Master License, shall be binding upon Sublicensee herein. In the event the obligations and restrictions imposed on Sublicensee under the Sublicense conflict with the obligations and restrictions imposed upon Sublicensor as licensee under the Master License, then the more burdensome and restrictive of such obligations and restrictions shall prevail and be binding upon Sublicensee herein.

1.2.3 With respect to any consent or approval required to be obtained of Master Licensor under the Master License (by way of illustration and without limitation, consent to alterations), Sublicensor's sole obligation with respect thereto, upon being requested in writing by Sublicensee, shall be to seek the approval or consent of Master Licensor. Sublicensee acknowledges and agrees that Sublicensor shall not be liable to Sublicensee with respect to any delay, default or failure of Master Licensor to grant such consent or approval or in the performance by the Master Licensor of its obligations and covenants under the Master License unless such be due to acts or misconduct of Sublicensor and neither shall the License Fees, Additional License Fees or other Additional Charges under the Sublicense abate nor shall any of the obligations of Sublicensee under the Sublicense be affected by reason thereof. Sublicensee further acknowledges and agrees that, with

respect to any rights afforded Sublicensor under the Master License, including, but not limited to, any options to extend or renew the term of the Master License, options to purchase the Premises, rights of first refusal to purchase the Premises and restrictions against competition, such rights are not passed on to or conferred upon Sublicensee under this Sublicense. Sublicensee acknowledges that only Sublicensor has the benefit of and the right to exercise or enforce such rights and the failure of Sublicensor to exercise or enforce such rights shall not be a default under the Sublicense nor entitle Sublicensee to make any claim against Sublicensor.

1.2.4 In the event the Master License contains extension or renewal options, Sublicensee agrees to provide written notice to Sublicensor of its desire to exercise its option at least one hundred eighty days (180) prior to the date on which Sublicensor must notify the Master Licensor of its intention to exercise its option to extend or renew the Master License. Sublicensee agrees that Sublicensor may elect not to extend or renew the Master License if Sublicensee fails to give Sublicensor notice as provided in this Subsection. Furthermore, Sublicensor may elect not to extend or renew the Master License if Sublicensee shall be in default in the performance of any of the terms of the Master License, this Sublicense or the Franchise Agreement during the period one hundred eighty (180) days prior to the date Sublicensor must give notice to Master Licensor.

1.2.5 If Master Licensor fails to perform its duties under the Master License, Sublicensee must give written notice thereof to Sublicensor describing Master Licensor's default in detail. Upon receipt of the notice, Sublicensor shall then promptly notify Master Licensor and demand performance as required in the Master License. In the event Sublicensee wishes to engage the services of an attorney to settle any disputes arising out of the Master License, all fees and costs shall be borne by Sublicensee, it being understood that Sublicensor is under no obligation to bring or defend any action brought by or against Sublicensee, Sublicensor or Master Licensor.

1.2.6 Sublicensee shall not make any agreement with Master Licensor which could modify, cancel or terminate the Master License.

2 TERM

2.1 **Term.** The term of this Sublicense (the "**Term**") shall commence on the date shown in the Key Contract Data at the beginning of this Sublicense (the "**Commencement Date**"). The Term of this Sublicense shall expire at midnight one full day before the expiration of the Master License (the "**Expiration Date**") unless sooner terminated as provided in this Sublicense.

2.2 **Possession.** Possession of the Premises shall be delivered to Sublicensee on the Commencement Date or as provided in the Master License, whichever is later.

2.3 **Holdover.** Sublicensee may only hold over at the expiration of the Term with the written consent of Sublicensor. During such holdover period, Sublicensee shall pay to Sublicensor two hundred percent (200%) of the License Fees amount that existed immediately prior to the Expiration Date. Sublicensee agrees to comply with all holdover provisions contained in the Master License.

2.4 **End of Term.**

2.4.1 Fixtures and Personal property. At the expiration or earlier termination of this Sublicense, any fixtures located on the Premises and not already owned by Sublicensor shall become the property of Sublicensor. If, at that time, Sublicensee has fully complied with Sublicense terms and conditions and is not in default under the Franchise Agreement, Sublicensor hereby waives any right to claim any personal property owned or leased by Sublicensee and located on the Premises. Subject to the terms of the

Franchise Agreement, the personal property may then be removed by Sublicensee or Sublicensor provided that the Premises are restored to their original condition, reasonable wear and tear excepted. Any such personal property not removed within thirty (30) days after the Sublicense expiration or termination shall be deemed abandoned and become the property of Sublicensor.

2.4.2 Joint Inspection. During a period no earlier than three (3) weeks and no later than one (1) week prior to the end of the Term, Sublicensor and Sublicensee shall conduct a joint inspection of the Premises, and Sublicensor shall make a list of any items of repair and maintenance that may be needed to put the Premises in good condition and repair, reasonable wear and tear excepted. If the items on such list cannot be completed by Sublicensee by the end of the Term, then Sublicensee shall pay to Sublicensor by the end of the Term the reasonable cost of such repairs as evidenced by third-party bids. Sublicensee's obligation to make such payment shall survive the termination of this Sublicense.

3 CONSIDERATION

3.1 **License Fees.** Sublicensee agrees to pay to Sublicensor or its designee the base license fees indicated on Exhibit B (the "**Base License Fees**"), to be due and payable in monthly installments in advance on the first day of each month during the Term of this Sublicense. If no Base License Fees are included on Exhibit B, or if Sublicensor directs Sublicensee to do so, then Sublicensee shall make all license fee payments directly to Master Licensor in the manner set forth in the Master License until and unless Sublicensor directs Sublicensee to do otherwise. The first monthly installment of the Base License Fees shall be due on the Commencement Date, or at the time provided in the Master License if Sublicensee is to make license fee payments directly to Sublicensor as provided above. If this Sublicense shall commence on any day other than the first day of a calendar month, the monthly installment for the first and last month of the Term shall be prorated.

3.2 **Additional Charges.** Sublicensee and Sublicensor agree that the license fees accruing under this Sublicense shall be net to Sublicensor and that all taxes, costs, common area maintenance fees, expenses and charges of every kind and nature (the "**Additional Charges**") relating to the Premises or payable under the Master License that may arise or become due during the Term or any extension of this Sublicense, shall be paid by Sublicensee to Sublicensor or its designee (which may be Master Licensor), and that Sublicensee shall indemnify and save harmless Sublicensor from and against them. All Additional Charges that Sublicensee assumes or agrees to pay under any provisions of this Sublicense, together with all interest and penalties that may accrue on these Additional Charges in the event Sublicensee fails to pay them, as well as all other damages, costs and expenses, including, without limitation, reasonable attorneys' fees and other legal and court costs that Sublicensor may incur in enforcing this Sublicense, and any and all other sums that may become due by reason of Sublicensee's default or failure to comply with its obligations under this Sublicense, shall be deemed to be "**Additional License Fees**". The Base License Fees and Additional License Fees shall collectively be referred to herein as the "**License Fees**". In the event of non-payment of License Fees in any form, Sublicensor shall have all rights and remedies provided herein and under law.

3.3 **Method of Payment.** Sublicensee must make all payments to Sublicensor or its designee (which may be Master Licensor) by the method or methods that Sublicensor requires from time to time. Sublicensee shall make any payment required under this Sublicense directly to Sublicensor, its designee (which may be Master Licensor), its affiliate(s), or to a bank or such other financial institution account that Sublicensor specifies, at the times and with the frequency that Sublicensor

designates (or as provided in the Master License if Sublicensor makes no such designation), by electronic funds transfer, on-line banking, pre-authorized auto-draft arrangement, or such other means as Sublicensor may specify from time to time. For each account in which Sublicensee conducts business at any time during the Term, Sublicensee agrees to execute an ACH Automatic Withdrawal Authorization and to keep it effective throughout the Term; and Sublicensee authorizes Sublicensor to withdraw monies from each such account in the amounts and at the times provided in this Sublicense and any other agreement between Sublicensee and Sublicensor or its affiliate(s). Sublicensee hereby indemnifies Sublicensor and holds Sublicensor harmless under each ACH Automatic Withdrawal Authorization. Sublicensee consents to Sublicensor's directly transacting business with each bank and financial institution with which Sublicensee has an account to effectuate fully the terms of each ACH Automatic Withdrawal Authorization. Sublicensee shall furnish Sublicensor, its bank, or other financial institution, and any other recipient of payment with such information and authorizations as may be necessary to permit such persons to make withdrawals by electronic funds transfer, on-line banking, or auto-draft arrangement. Sublicensee shall bear all expenses, if any, and pay Sublicensor its third-party costs associated with such authorizations and payments.

3.4 **Security Deposit.** Sublicensor acknowledges receipt from Sublicensee of the Security Deposit amount shown in the Key Contract Data at the beginning of this Sublicense, which has or shall be paid to Master Licensor as the security deposit referred to in the Master License. In accordance with the terms of the Master License, Sublicensee shall be entitled to the rights of Sublicensor to the security deposit, except that any portion thereof that is returned to Sublicensor by Master Licensor may first be applied to any amounts that Sublicensee owes to Sublicensor or its affiliate under this Sublicense or any other agreement.

3.5 **Other Pre-Opening Costs.** Sublicensor acknowledges receipt from Sublicensee of the Other Pre-Opening Costs Deposit amount shown in the Key Contract Data at the beginning of this Sublicense, which shall be held in a non-interest bearing escrow account and shall be returned to Sublicensee, without interest, upon the opening of this location for business.

3.6 **Late Charges.** All License Fees and any other charges shall be paid to Sublicensor without notice or demand and without abatement, deduction or set-off, except as otherwise expressly provided in this Sublicense. All payments not paid when due shall bear interest at the lesser of eighteen percent (18%) or the maximum rate allowed by law in the state where the Premises are located.

4 INSURANCE

4.1 **Coverage.** During the Term, Sublicensee, at its own cost and expense, shall:

4.1.1 Keep the Premises and the fixtures and personal property on it insured with an all-risk property insurance policy in an amount sufficient to cover the cost of replacement (without deduction for depreciation). Replacement cost shall be determined by one of the insurers or, at the option of Sublicensor, by an appraiser, architect or contractor who is mutually and reasonably acceptable to Sublicensor and Sublicensee, and whom shall be retained and paid by Sublicensee.

4.1.2 Provide and keep in force comprehensive or commercial general liability insurance against claims for bodily injury, death or property damage occurring on, in or about the Premises, in limits of not less than $1,000,000 per occurrence for bodily injury, not less than $500,000 per occurrence for property damage, or in such other amounts as Sublicensor may reasonably request. The policy shall name Sublicensor as an additional insured.

4.1.3 Keep in force business interruption insurance that covers the then current License Fees and the annual premiums for insurance required by this Article.

4.1.4 If requested by Sublicensor, provide and keep in force insurance for such other insurable hazards in such amounts as similarly situated Premises are then commonly insured.

4.2 **Policies.** All insurance required by Sublicensor and provided by Sublicensee shall be carried in favor of Sublicensor and Sublicensee, as their respective interests may appear, the Master Licensor, and any underlying fee owner, affiliate corporation, trustee, mortgagee or other person designated by Sublicensor or as required under the Master License. All insurance shall be obtained from companies licensed to do business in the state in which the Premises are located and which have a rating by Bests Rating Guide of at least "A". Sublicensee shall procure policies for all insurance for periods of not less than one (1) year and shall deliver to Sublicensor all policies or certificates of insurance with evidence of payment of all premiums. Sublicensee shall procure renewals of these policies from time to time before their respective expiration dates. All insurance policies shall be non-assessable and shall require thirty (30) days' written notice to Sublicensor of any cancellation or change affecting Sublicensor's coverage under the policies. All property damage and business interruption policies of Sublicensee shall contain a waiver of any subrogation rights which Sublicensee's insurers may have against Sublicensor, even if the loss suffered is caused by the act, omission or negligence of Sublicensor.

4.3 **Adjusting; Proceeds.** Claims for loss due to damage to the Premises under any policies provided for in this Sublicense shall be adjusted with the insurance companies:

4.3.1 by Sublicensee in the case of any particular casualty resulting in damage or destruction not exceeding $10,000, or

4.3.2 by Sublicensor and Sublicensee, in the case of any particular casualty resulting in damage or destruction exceeding $10,000 in the aggregate. Subject to the rights of Master Licensor and any mortgagee, the proceeds of any insurance shall be payable as follows:

4.3.2.1 With respect to any loss not exceeding $10,000 in the aggregate, proceeds shall be paid to Sublicensee, who shall hold them in trust for the purpose of paying the costs of repair and restoration; and

4.3.2.2 With respect to losses exceeding $10,000 in the aggregate, the proceeds may, at Sublicensor's option, be paid to Sublicensor or its designee and shall be applied to pay the costs of repair and restoration as directed by Sublicensor.

4.4 **Joint Efforts.** Sublicensee and Sublicensor shall cooperate in attempts to collect any insurance proceeds that may be due in the event of loss, and Sublicensee shall execute and deliver to Sublicensor such proofs of loss and other instruments which may be required for the purpose of recovering these proceeds.

4.5 **Waiver of Subrogation.** Sublicensee agrees to look solely to the proceeds of its own insurer for indemnity against exposure for loss of property or business interruption. Sublicensee warrants that its property and business interruption insurers shall have no rights against Sublicensor by virtue of assignment, subrogation, loan agreement or otherwise.

4.6 **Cancellation of Insurance.** If any insurance policy covering the Premises or any part of it is canceled or is threatened by the insurer to be canceled, or if the coverage thereunder is reduced in any way by the insurer for any reason, and if Sublicensee fails to remedy the condition giving rise to cancellation, threatened cancellation, or reduction of coverage within five (5) business days after notice thereof by Sublicensor, Sublicensor may, at its option, either (i) reenter the Premises forthwith by leaving upon the Premises a notice in writing of its intention to do so or (ii) enter the Premises and remedy the condition giving rise to such cancellation, threatened

cancellation or reduction, and Sublicensee shall forthwith pay the cost thereof to Sublicensor (which cost may be collected by Sublicensor as Additional License Fees) and Sublicensor shall not be liable for any damage or injury caused to any property of Sublicensee or of others located on the Premises as a result of any such entry, unless resulting from its own sole gross negligence, or intentional or willful act or omission.

4.7 **Loss and Damage.** Sublicensor shall not be liable for any death or injury occurring on the Premises, nor for the loss of or damage to any of the personal property or other property of Sublicensee or of others by theft or otherwise, unless resulting from its own sole gross negligence, or intentional or willful act or omission. Without limiting the generality of the foregoing, Sublicensor shall not be liable for any injury or damage to persons or property resulting from fire, explosion, falling plaster, steam, dampness, gas, electricity, water, rain, snow, or leaks from any part of the Premises or from the pipes, appliances or plumbing works or from the roof, street or subsurface or from any other place by any other cause whatsoever, unless resulting from its own sole gross negligence, or intentional or willful act or omission. Sublicensor shall not be liable for any such damage caused by other persons or occupants of adjacent property, or the public, or caused by operations in construction of any private, public or quasi-public work. All of the personal property or any other property of Sublicensee kept or stored on the Premises shall be kept or stored at the risk of Sublicensee.

5 THE PREMISES

5.1 **Use and Services.** During the Term of this Sublicense, Sublicensee shall continuously operate a Subway® restaurant business in accordance with the Franchise Agreement. The Premises shall not be used for any other purpose.

5.2 **Repairs and Maintenance.** Sublicensee shall, at all times during the Term, at its own cost and expense, put, keep and maintain the Premises and all fixtures and personal property located on it in good order and condition, subject to reasonable wear and tear, and subject to all applicable terms of this Article 5, shall make all necessary and desirable repairs, restorations and replacements thereof, structural and nonstructural, foreseen or unforeseen (hereinafter collectively called "**Repairs**"), and shall use all reasonable precautions to prevent waste, damage and injury.

In the event that Sublicensee fails or neglects to make all necessary Repairs or fulfill its other obligations as set forth above, Sublicensor or its agents may enter the Premises for the purpose of making such Repairs or fulfilling those obligations. All reasonable costs and expenses incurred as a consequence of Sublicensor's action shall be repaid by Sublicensee to Sublicensor within fifteen (15) days after Sublicensee receives copies of receipts showing payment by Sublicensor for such Repairs or other obligations. These receipts shall be prima facie evidence of the payment of the charges paid by Sublicensor.

5.3 **Build-Out and Alterations.** Sublicensor may terminate this Sublicense on ten (10) days' written notice and Sublicensor may offer this location to another franchisee if: a) Sublicensee does not commence construction of the Premises within seven (7) days after obtaining occupancy from Master Licensor by expeditiously ordering its equipment, submitting all necessary funds, and making application for required permits and licenses; or b) Sublicensee does not complete the build-out of the restaurant and then open the restaurant within forty-five (45) days after occupancy from Master Licensor. In such an event, Sublicensee understands that the security deposit referred to in Section 3.4 will not be refunded.

Sublicensee agrees that it will at its own cost and expense make such reasonable alterations to the interior or exterior of the Premises as may reasonably be requested by Sublicensor from time

to time in order to modify the appearance of the Premises to reflect the then current image of the Subway® brand. Sublicensee shall not at any time make any alteration, change, addition or improvement (hereinafter collectively called "**Alterations**") in or to the interior or exterior of the Premises without the prior written consent of Sublicensor. In the event consent is given:

5.3.1 the Alterations shall be performed in a good and workmanlike manner at Sublicensee's sole expense, and shall not weaken or impair the structural strength or lessen the value of the Premises, or change the purpose for which the Premises may be used;

5.3.2 the Alterations shall be made according to plans and specifications therefor, which shall be first submitted to and approved in writing by Sublicensor, such consent not to be unreasonably withheld, delayed, or conditioned;

5.3.3 before the commencement of work on any Alterations, such plans and specifications shall, if necessary, be approved by all governmental authorities having jurisdiction;

5.3.4 before the commencement of any Alterations, Sublicensee shall pay the amount of any increase in premiums on insurance policies for endorsements covering the risk during work on the Alterations and workmen's compensation insurance covering all persons employed in connection with that work;

5.3.5 if the estimated cost of the Alteration exceeds $20,000, Sublicensee shall, at Sublicensor's option, furnish to Sublicensor a surety bond of a company acceptable to Sublicensor, in an amount equal to the estimated cost of such work, or other security satisfactory to Sublicensor, guaranteeing the completion of such work, free and clear of all liens and encumbrances; and

5.3.6 the Alterations shall comply with all federal, state and local building requirements and codes including any disabilities related statutes or codes (collectively, the "**Codes**") in the applicable jurisdiction where the Premises are located.

All buildings, additions, improvements, fixtures and appurtenances in or on the Premises at the Commencement Date and those which may be erected, affixed or installed in or on the Premises during the Term are deemed to be and shall immediately become part of the Premises and the sole property of Sublicensor. All personal property owned and installed by Sublicensee (except signs, trademarks and other insignia of Sublicensor) shall remain the property of Sublicensee.

5.4 **Liens.** Should Sublicensee cause any Alterations or Repairs to be made to the Premises, or cause any labor to be performed or material to be furnished, neither Sublicensor nor the Premises shall under any circumstances be liable for the payment of any expense incurred, and all such Alterations and Repairs shall be made and performed at Sublicensee's expense. If, because of any act or omission of Sublicensee, any mechanic's or other lien, charge, claim or order for the payment of money shall be filed against the Premises or against Sublicensor, Sublicensee shall, at its own cost and expense, cause it to be canceled and discharged of record or bonded within thirty (30) days after notice of filing thereof. In the event that Sublicensee fails to cause any such mechanics' or other lien, charge or order to be canceled and discharged or bonded, then, in addition, to any other right or remedy of Sublicensor, Sublicensor may, at its option, cancel or discharge it by paying the amount claimed to be due into court or directly to any claimant and the amount so paid by Sublicensor and all costs and expenses including attorneys' fees incurred for the cancellation or discharge of such lien shall be due from Sublicensee to Sublicensor as an additional charge payable on demand.

5.5 **Signs.** Sublicensee shall not place any signs or symbols on any portion of the Premises without the prior written approval of Sublicensor, such consent not to be unreasonably withheld, delayed, or conditioned.

5.6 **Inspection.** Fee owner, Sublicensor or their representatives shall have the right to enter the Premises at reasonable hours of any business day to ascertain if the Premises are in proper repair and condition, provided, that such persons will make every reasonable effort not to interfere with customers or Sublicensee's operation of the business.

5.7 **License and Laws.** Sublicensee shall, at its own cost and expense, obtain all necessary licenses and/or permits that may be required for the conduct of its business; and Sublicensee shall, at its own cost and expense, promptly observe and comply with all present and future laws, ordinances, requirements, orders, directions, rules and regulations (referred to generally as "**Regulations**") of governmental authorities having or claiming jurisdiction over the Premises or the conduct of Sublicensee's business. By way of example, and not limitation, compliance with governmental Regulations shall include, but not be limited to, alterations and/or additions to the Premises if required under the Americans with Disabilities Act of 1990.

5.8 **Damage or Destruction.** If, during the Term, the Premises or the personal property or fixtures on it are destroyed or damaged in whole or in part by fire or other cause, Sublicensee shall give Sublicensor immediate notice, and Sublicensee, at its own cost and expense, shall cause the prompt repair, replacement and rebuilding of same ("**Restoration**"), subject to Section 5.2 and Section 5.3 of this Sublicense. The restored building, personal property or fixtures shall reflect the then current image of the Subway® brand. Sublicensor shall in no event be called upon to repair, replace or rebuild any such buildings, fixtures or personal property, nor to pay any of the costs or expenses thereof beyond or in excess of any insurance proceeds, as provided in this Sublicense.

5.9 **Disclaimer.** The taking of possession of the Premises by Sublicensee shall be conclusive evidence that Sublicensee has accepted the Premises "AS IS," including any latent or patent defects. Sublicensee acknowledges that Sublicensee is relying on its own independent inspection.

5.10 **Contracts.** Sublicensee shall not without Sublicensor's written consent enter into any service contract or agreement relating to the furnishing of any services to the Premises or the occupants of it unless such contract or agreement shall by its terms be terminable on no more than thirty (30) days' notice or shall expressly provide that it shall not become binding on Sublicensor in the event that this Sublicense is terminated or expires. Sublicensee shall furnish Sublicensor with copies of all service contracts or agreements affecting the Premises that are now in existence or that are subsequently entered into.

6 TAXES AND OTHER CHARGES

6.1 **Payment.**

6.1.1 In the event Sublicensor elects, at its sole option, to pay the taxes, assessments, charges for public utilities, excises, levies, licenses, permit fees or other governmental impositions and charges of any kind and nature whatsoever ("**Charges**") that are payable in connection with the ownership, occupancy or possession of the Premises, Sublicensee shall reimburse Sublicensor within thirty (30) days after Sublicensee receives an invoice for the payment of such Charges.

6.1.2 In the event Sublicensor elects not to pay the Charges as set forth in the preceding paragraph, Sublicensee shall pay on or before the last day on which payment may be made without penalty or interest, all Charges that may be assessed, imposed, or become due and payable in connection with the ownership, occupancy or possession of the Premises or the fixtures or personal property on it, or any Charges that may be imposed in lieu of, or as a substitution for, any such Charges. At any time after the time for

payment of each Charge, upon Sublicensor's request, Sublicensee shall exhibit to Sublicensor satisfactory evidence of payment. All Charges assessed or imposed for the fiscal periods in which the Term of this Sublicense commences and terminates shall be apportioned.

7 INDEMNIFICATION

7.1 Sublicensee shall indemnify, defend with counsel reasonably acceptable to Sublicensor and save Sublicensor and its affiliates, and the shareholders, officers, directors, employees, and agents of Sublicensor and its affiliates, harmless from and against all costs, expenses, liabilities, losses, damages, injunctions, suits, actions, fines, penalties, claims and demands of every kind or nature, including reasonable attorneys' fees, (collectively, "**Claims**") by or on behalf of any person, party or governmental authority whatsoever arising out of (a) any failure or alleged failure by Sublicensee to perform any of its obligations under this Sublicense, (b) any accident, injury or damage that occurs in or about the Premises, (c) any matter arising out of the condition, occupation, maintenance, alteration, repair, use or operation of the Premises or any part of it, (d) the contest or challenge by Sublicensee of any imposed tax, assessment, or other Charges, or (e) any other matter arising from or relating to Sublicensee's occupation of the Premises; provided that Sublicensee shall not indemnify Sublicensor if or to the extent such Claims are caused by Sublicensor's gross negligence, or intentional or willful misconduct.

8 ENFORCEMENT

8.1 **Default.** Each of the following events is a default and a breach of this Sublicense by Sublicensee:

8.1.1 If Sublicensee files any proceeding under the United States Bankruptcy Code, any other federal or state bankruptcy, reorganization, receivership, insolvency or other similar law affecting the rights of creditors generally, or for dissolution under the laws of the United States or of any state, or voluntarily takes advantage of any such law or act or is dissolved or makes an assignment for the benefit of creditors;

8.1.2 If involuntary Proceedings under the United States Bankruptcy Code, any other federal or state bankruptcy, reorganization, receivership, insolvency or other similar law or for the dissolution of a corporation are instituted against Sublicensee or if a receiver or trustee is appointed of all or substantially all of the property of Sublicensee and such Proceedings are not dismissed or such receivership or trusteeship vacated within ninety (90) days after such institution or appointment;

8.1.3 If Sublicensee vacates, abandons or ceases doing business on the Premises or indicates its intention to do so;

8.1.4 If this Sublicense or the estate of Sublicensee hereunder is transferred to any other person or party, except in a manner permitted by the terms of this Sublicense;

8.1.5 If Sublicensee fails to pay Sublicensor any installment of the License Fees or Additional Charges when it becomes due and payable and fails to make such payment within ten (10) days after written notice thereof by Sublicensor to Sublicensee;

8.1.6 If Sublicensee fails to perform any of its nonmonetary obligations under this Sublicense and such non-performance continues for a period within which performance is required to be made by specific provision of this Sublicense or, if no such period is provided, for a period of thirty (30) days after written notice thereof by Sublicensor to Sublicensee; or, if such performance cannot be reasonably had within such thirty day period, Sublicensee

has not in good faith commenced such performance within such thirty day period or has not diligently proceeded therewith to completion;

8.1.7 If Sublicensee or any manager or officer of Sublicensee knowingly or intentionally falsifies any report required to be furnished to Sublicensor pursuant to the terms of this Sublicense and fails to notify Sublicensor of such falsification within sixty (60) days of submission of such report;

8.1.8 If Sublicensee fails to comply with any provision of the Franchise Agreement relating to the Premises, or any franchise agreement with a third-party franchisor relating to the Premises.

In the event of a default under this Section 8.1, Sublicensor shall have such remedies as are provided under this Sublicense and under applicable law.

8.2 **Cure by Sublicensor.** After expiration of the applicable period of notice, or without notice in the event of any emergency, Sublicensor at its option may, but shall not be obligated to, make any payment required of Sublicensee or perform any obligation of Sublicensee, and the amount Sublicensor pays, or the cost of its performance, together with interest thereon, shall be deemed to be an additional charge payable by Sublicensee on demand. Sublicensor shall have the right to enter the Premises for the purpose of correcting or remedying any default, but neither any expenditure nor any such performance by Sublicensor shall be deemed to waive or release Sublicensee's default or the right of Sublicensor to take such action as may be otherwise permissible in the case of default. Sublicensor shall have no liability to Sublicensee for any loss or damages resulting from any such action by Sublicensor, and entry by Sublicensor shall not constitute breach of the covenant for quiet enjoyment or an eviction.

8.3 **Sublicensor's Remedies.** If Sublicensee is in default under this Sublicense, Sublicensor may, at its option, in addition to such other remedies as may be available under applicable law:

8.3.1 terminate this Sublicense and Sublicensee's right of possession, and retake possession for Sublicensor's account. In such event, Sublicensor may repair and alter the Premises in any manner as Sublicensor deems reasonably necessary or advisable. All reasonable and necessary expenses of every nature that Sublicensor may incur such as (by way of illustration and not limitation) those for attorneys' fees, brokerage, advertising, and refurbishing the Premises, shall become immediately due and payable by Sublicensee to Sublicensor; or

8.3.2 terminate Sublicensee's right of possession, but not this Sublicense, retake possession of the Premises for Sublicensee's account, repair, and alter the Premises in any manner as Sublicensor deems reasonably necessary or advisable, and relet the Premises or any part of it, as the agent of Sublicensee, for the whole or any part of the remainder of the Term or for a longer period, and Sublicensor may grant concessions or free license fees or charge a higher license fee than that reserved in this Sublicense. Out of any license fees collected or received from Sublicensees or as a result of such letting or reletting, Sublicensor shall first pay to itself all expenses of every nature that Sublicensor may reasonably incur such as (by way of illustration and not limitation) those for attorneys' fees, brokerage, advertising, and refurbishing the Premises in good order or preparing them for reletting; and second, Sublicensor shall pay to itself any balance remaining on account of the liability of Sublicensee for the sum equal to all License Fees, Additional License Fees and other Additional Charges due from Sublicensee through the Expiration Date. Should Sublicensor, pursuant to this Section 8.3, not collect License Fees that, after deductions is sufficient to fully pay to Sublicensor a sum equal to all License Fees, Additional License Fees and other Additional Charges payable through the Expiration

Date, the balance or deficiency shall, at the election of Sublicensor, be paid by Sublicensee on the first of each month; or

8.3.3 stand by and do nothing, and hold Sublicensee liable for all License Fees, Additional License Fees and other Additional Charges payable under this Sublicense through the Expiration Date.

If Sublicensor does not notify Sublicensee which remedy it is pursuing, or if Sublicensor's notice to Sublicensee does not expressly state that Sublicensor is exercising its remedies under Section 8.3.1 or Section 8.3.3, then it shall be deemed that Sublicensor is pursuing the remedy set forth in Section 8.3.2. If Sublicensor exercises the option in Section 8.3.1 or 8.3.2, Sublicensee agrees to immediately and peacefully surrender the Premises to Sublicensor, and if Sublicensee refuses to do so, Sublicensor may without further notice reenter the Premises either by force or otherwise and dispossess Sublicensee by summary proceedings or otherwise, as well as the legal representative(s) of Sublicensee and/or other occupant(s) of the Premises, and remove their effects.

8.4 **Acceleration.** If Sublicensor exercises the remedies in Section 8.3.3 of this Sublicense, Sublicensee shall immediately pay to Sublicensor as damages for loss of the bargain caused by Sublicensee's default, and not as a penalty, in addition to any other damages, an aggregate sum that represents the present value of the full amount of the License Fees, Additional License Fees and all other Additional Charges payable by Sublicensee hereunder that would have accrued for the balance of the Term.

8.5 **Suits.** Suit or suits for the recovery of the deficiency or damage or for any installment or installments of License Fees, Additional License Fees or any other charge due under this Sublicense may be brought by Sublicensor at any time or, at Sublicensor's election, from time to time, and nothing in this Sublicense shall be deemed to require Sublicensor to wait until the Expiration Date to bring suit.

8.6 **Waiver.** Sublicensee hereby expressly waives service of any notice of intention to reenter. Sublicensee hereby waives any and all rights to recover or to regain possession of the Premises or to reinstate or to redeem this Sublicense as permitted or provided by any statute, law or decision now or hereafter in force and effect. No receipt of monies by Sublicensor from Sublicensee after the cancellation or termination of the Sublicense shall reinstate, continue or extend the Sublicense, or affect any prior notice given to Sublicensee or operate as a waiver of the right of Sublicensor to enforce the payment of License Fees and Additional License Fees then due or subsequently falling due, or operate as a waiver of the right of Sublicensor to recover possession of the Premises by suit, action, proceeding or other remedy, and any and all moneys so collected shall be deemed to be payments on account of the use and occupancy of the Premises, or at the election of Sublicensor, on account of Sublicensee's liability under this Sublicense.

8.7 **Proof of Claim.** Nothing in this Article shall limit or prejudice the right of Sublicensor to prove and obtain as liquidated damages in any bankruptcy, insolvency, receivership, reorganization or dissolution proceeding an amount equal to the maximum allowed by any statute or rule of law governing such proceeding, whether or not such amount is greater, equal to or less than the amount of the damages referred to in any of the preceding sections.

8.8 **Injunction.** In the event of a breach or a threatened breach by Sublicensee of any of its Sublicense obligations, Sublicensor shall have the right to enjoin and restrain the breach and to invoke any remedy allowed by law or in equity, in addition to other remedies provided in this Sublicense.

8.9 **Independent Rights.** The rights and remedies of Sublicensor are distinct, separate and cumulative, and no one of them, whether or not exercised by Sublicensor, shall be deemed to be to the exclusion of any of the others.

8.10 **Non-Waiver.** The failure of Sublicensor to insist upon strict performance of any of Sublicensee's obligations under this Sublicense shall not be deemed a waiver of any rights or remedies that Sublicensor may have and shall not be deemed a waiver of any subsequent breach or default by Sublicensee. The exercise of any of Sublicensor's options under the Sublicense shall not be deemed to be the exclusive remedy of Sublicensor.

8.11 **Waiver of Exemption from Distress.** Sublicensee agrees that notwithstanding anything contained in any statute, enactment or other law of the state in which the Premises are located or of any other jurisdiction, none of the personal property located on the Premises shall be exempt from levy for distress for License Fees in arrears, and that if Sublicensee makes any claim for such an exemption, this Sublicense may be pleaded as an estoppel against Sublicensee in any appropriate action.

8.12 **Franchise Agreement.** Notwithstanding anything in this Sublicense to the contrary, this Sublicense is conditioned upon the faithful performance by Sublicensee of the Franchise Agreement, and a default in the terms of the Franchise Agreement shall be a default of this Sublicense.

9 NO LICENSE FEE ABATEMENT

Unless specifically provided in this Sublicense, no abatement, diminution, or reduction of License Fees, Additional License Fees, Additional Charges or other compensation shall be claimed by or allowed to Sublicensee, or any persons claiming under Sublicensee, under any circumstances, whether for inconvenience, discomfort, interruption of business, or otherwise.

10 CONDEMNATION

In the event that the Premises or any part of it is taken in condemnation proceedings or by exercise of any right of eminent domain, Sublicensee shall have no right to participate in any condemnation proceedings and shall not have the right to any award, and Sublicensor may terminate this Sublicense upon written notice to Sublicensee.

11 SUBORDINATION

This Sublicense shall be fully subordinate to any mortgage and/or collateral assignment of lease against the Premises that Master Licensor, the fee owner, Sublicensor and/or their assigns has or subsequently obtains upon the Premises. This Sublicense shall be fully subordinate and subject to the Master License and any senior lease now, or hereafter affecting the Premises.

Sublicensee hereby grants a power of attorney to Sublicensor with full power to act as its attorney in fact and to execute on behalf of Sublicensee any and all documents that may be required by a mortgagee and/or assignee evidencing Sublicensee's full subordination of Sublicensee's interest to any mortgage and/or collateral assignment of Sublicense that may be entered into by Sublicensor, Master Licensor, the fee owner or their assigns. Sublicensee hereby agrees to execute, without charging Sublicensor, any and all documents that it is requested to execute to evidence this subordination. However, Sublicensee shall not be required to execute any promissory notes or other evidences of indebtedness that would create any personal liability on behalf of Sublicensee.

12 ASSIGNMENT

12.1 B**y Sublicensor.** This Sublicense shall be fully assignable by Sublicensor or its assigns.

12.2 B**y Sublicensee.** Neither Sublicensee, nor Sublicensee's successors or assigns, shall (unless expressly permitted in this Sublicense) assign, mortgage, give as security, pledge or encumber this Sublicense, in whole or in part, by operation of law or otherwise, or sub-sublicense the Premises, in whole or in part, or permit the Premises or any portion of it to be used or occupied by others, or enter into a management contract or other arrangement whereby the Premises shall be managed and operated by anyone other than the owner of Sublicensee's leasehold estate, without the prior consent in writing of Sublicensor in each instance. If this Sublicense is assigned or transferred, or if all or any part of the Premises is sub-sublicensed or occupied by anybody other than Sublicensee, Sublicensor may collect License Fees from the assignee, transferee, sub-Sublicensee or occupant, and apply the net amount collected to the License Fees reserved in this Sublicense, but no such assignment, sub-sublicensing, occupancy or collection shall be deemed a waiver of any covenant or condition of this Sublicense, or the acceptance of the assignee, transferee, sub-Sublicensee or occupant as Sublicensee, or a release of Sublicensee from the performance or further performance by Sublicensee of its obligations under this Sublicense, and Sublicensee shall continue to be liable for all its obligations under this Sublicense. The consent by Sublicensor to an assignment, mortgage, pledge, encumbrance, transfer, management contract or sub-sublicensing shall not in any way be construed to relieve Sublicensee from obtaining the express consent in writing of Sublicensor in each instance to any subsequent similar action that Sublicensee may intend to take.

13 ESTOPPEL CERTIFICATE

Sublicensee shall from time to time, within five (5) days after being requested to do so by Sublicensor, execute, acknowledge and deliver to Sublicensor (or, at Sublicensor's request, to Master Licensor, any existing or prospective purchaser, transferee, assignee or mortgagee of any or all of the Premises, any interest therein or any of Sublicensor's rights under this Sublicense) an instrument in recordable form: (i) certifying (a) that the Sublicense is unmodified and in full force and effect (or, if there has been any modification thereof, that it is in full force and effect as so modified, stating therein the nature of such modification); (b) as to the dates to which the License Fees and Additional Charges arising hereunder have been paid; (c) as to the amount of any prepaid license fees or any credit due to Sublicensee hereunder, (d) that Sublicensee has accepted possession of the Premises, and the date on which the Term commenced; (e) as to whether, to the best knowledge, information and belief of the signer of such certificate, Sublicensor or Sublicensee is then in default in performing any of its obligations under the Sublicense (and, if so, specifying the nature of each such default); and (f) as to any other fact or condition reasonably requested by Sublicensor or such other addressee; and (ii) acknowledging and agreeing that any statement contained in such certificate may be relied upon by Sublicensor and any such other addressee.

14 HAZARDOUS SUBSTANCES

14.1 **Compliance with Laws.** Sublicensee shall at all times, at its own cost and expense, comply with all federal, state and local laws, ordinances, regulations and standards ("**Hazardous Substance Laws**") relating to the use, analysis, production, storage, sale, disposal or transportation of any hazardous materials, including oil or petroleum products or their derivatives, solvents, PCB's, explosive substances, asbestos, radioactive materials or waste, and any other toxic, ignitable, reactive, corrosive, contaminating or pollution materials ("**Hazardous Substances**") that are now or in the future subject to any governmental regulation. Such compliance shall include any cleanup, removal, remedial action, testing or monitoring (including medical monitoring) which

may be required under Hazardous Substance Laws, court order or by any governmental or regulatory agency.

14.2 **Indemnification by Sublicensee.** Sublicensee shall indemnify, defend with counsel reasonably acceptable to Sublicensor, and hold Sublicensor free and harmless from any and all liabilities, damages, claims, penalties, fines, settlements, causes of action, costs or expense, including reasonable attorneys' fees, environmental consultant and laboratory fees and the costs and expense of investigating and defending any claims or proceedings, resulting from or attributable to (i) the presence, disposal, migration, release or threatened release of any Hazardous Substance that is on, from or affecting the Premises including the soil, water, vegetation, buildings, personal property, persons, or otherwise; (ii) any bodily injury (including wrongful death) or property damage (real or personal) arising out of or relating to such Hazardous Substance(s); (iii) any lawsuits or administrative order relating to such Hazardous Substance(s); or any violation of any laws applicable to any Hazardous Substance for which Sublicensee is responsible under this Sublicense. Sublicensee's indemnification obligations under this Section shall survive the expiration or earlier termination of this Sublicense.

15.1 **Notices**. Every notice, approval, consent or other communication authorized or required by this Sublicense shall be effective if given in one of the following ways: (i) by email to Sublicensor at **LeaseNotices@subway.com**, and to Sublicensee at the email address provided in the Key Contract Data at the beginning of this Sublicense; (ii) in writing and hand delivered to either party; or (iii) in writing and sent for next business day delivery by FedEx, UPS, or other nationally-recognized courier. Notices sent via hand delivery or via nationally-recognized courier shall be addressed directly to Sublicensor at its offices at Attn: Legal Department - Leasing, 1 Corporate Drive, Suite 1000, Shelton, CT 06484, and to Sublicensee at the Premises, or at such other address as either party shall from time to time designate in writing. Email notices must contain the capitalized words "LEGAL NOTICE" in the subject line. The sender of an email notice must request a read receipt and the recipient must allow a read receipt to be sent on or before the next business day. Email notices shall be effective upon receipt by the sender of the read receipt from the recipient of the notice. Hand delivered notices shall be deemed to be effective upon delivery, if delivered. Notices sent for next business day delivery by nationally recognized courier shall be deemed to be effective on the next business day.

15.2 **Construction.** In the event that any of the provisions of this Sublicense shall by court order be held invalid or in contravention of any of the laws of the United States or of any state having jurisdiction over the subject matter or of any dispute arising under it, such invalidation shall not serve to affect the remaining portion of this Sublicense. To the extent permitted by the laws of the state where the Premises are located, this Sublicense shall be governed by and construed in accordance with the laws of the State of Delaware, and otherwise shall be governed by and construed in accordance with the laws of the State where the Premises are located.

15.3 **Successors.** This Sublicense shall bind Sublicensor and Sublicensee and their successors, heirs, assigns, administrators, and legal representatives, as the case may be.

15.4 **Counterparts.** This Sublicense may be executed in counterparts, and all counterparts together shall be construed as one and the same document. Executed counterparts of this Sublicense with signatures sent by electronic mail (i.e., in PDF format) or signed electronically via DocuSign may be used in the place of original signatures of this Sublicense. The parties intend to be bound by the signatures of the electronically mailed or signed signatures and the delivery of the same shall be effective as delivery of an original executed counterpart of this Sublicense. The parties hereby waive any defenses to the enforcement of this terms of this Sublicense based on the form

of the signature or delivery thereof and hereby agree that such electronically mailed or signed signatures shall be conclusive proof, admissible in arbitration and judicial proceedings, of the parties' execution of this Sublicense.

15.5 **No Agency.** The parties hereto agree that the business relationship created by this Sublicense is solely that of Sublicensor and Sublicensee. Nothing contained in this Sublicense shall make Sublicensee an agent, legal representative, partner, subsidiary, joint venturer or employee of Sublicensor. Sublicensee shall have no right or power to, and shall not, bind or obligate Sublicensor in any way, manner or thing whatsoever, nor represent that it has any right to do so.

15.6 **Time of the Essence.** Time shall be of the essence in every part of this Sublicense.

15.7 **Binding Effect.** This Sublicense shall become immediately binding on the parties to this Sublicense on the date the last party signs it, notwithstanding that the Term of this Sublicense may commence upon a future date.

15.8 **Headings.** The table of contents preceding this Sublicense and the headings of the paragraphs and subparagraphs are inserted solely for the convenience of reference and shall not constitute a part of this Sublicense, nor limit, define or describe the scope or intent of this Sublicense.

15.9 **Joint and Several Liability.** If Sublicensee consists of more than one person, each individual's liability under this Sublicense shall be joint and several.

15.10 **Entire Agreement.** This Sublicense constitutes the entire agreement between the parties hereto with respect to the subject matter of this Sublicense, and this Sublicense shall not be modified, amended, altered or changed except by prior written agreement signed by both parties. If any provision herein is invalid, it shall be considered deleted from this Sublicense and shall not invalidate the remaining provisions.

15.11 **Personal Guaranty.** Sublicensee and each Owner must sign the Guaranty attached hereto as Exhibit C as a condition to the effectiveness of this Sublicense (an "**Owner**" is any owner of any interest, directly or indirectly, in Sublicensee.)

As an inducement to and in consideration of Sublicensor entering into the Sublicense with Sublicensee, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Guarantor agrees to the following:

1. Each Guarantor unconditionally guarantees to Sublicensor the (i) prompt payment of any money now due, or that at any time, may become due or owing to Sublicensor by Sublicensee under the Sublicense; and the (ii) full performance and discharge by Sublicensee of all of Sublicensee's obligations under the Sublicense now due, or that at any time, may become due or owing (collectively, the "**Obligations**"). 2. Each Guarantor promises to promptly and fully render any payment or performance required under the Sublicense upon demand if Sublicensee fails or refuses to timely render such payment or performance.

3. Each Guarantor waives: (i) notice of demand for payment of all or any part of the Obligations, (ii) protest, notice of protest and notice of default, (iii) any right to require that any action be brought against Sublicensee or any other person or entity as a condition of liability, and (iv) any and all other notices, and legal or equitable defenses to which such Guarantor may be entitled. Sublicensor may extend, modify, or release any Obligation or settle, adjust, or compromise any claims against Sublicensee, without notice to Guarantors and without any effect on any Guarantor's obligations hereunder.

4. Each Guarantor's liability will not be contingent or conditioned upon Sublicensor's pursuit of any remedies against Sublicensee or any other person or entity. Further, such liability will not be diminished, relieved or otherwise affected by an extension of time, credit or other indulgence which Sublicensor may grant Sublicensee, including, without limitation, the acceptance of any partial payment or performance, or the compromise or release of any claims.

5. No term, condition or provision of this Guaranty shall be deemed to be waived by Sublicensor, without the express written consent of Sublicensor. Any such waiver will extend only to the

particular circumstances specified in writing by the Sublicensor. Neither forbearance, nor indulgence by Sublicensor will constitute a waiver of any provision of this Guaranty.

6. Each Guarantor acknowledges that the Sublicense may be extended, amended or renewed by mutual agreement between Sublicensee and Sublicensor, and each Guarantor expressly consents to any such modification of the Sublicense.

7. This is a continuing guarantee. Nothing but payment and satisfaction in full of the Obligations will release Guarantors from their respective obligations pursuant to this Guaranty. Notice of acceptance of this Guaranty is waived.

8. This Guaranty shall not be impaired by any modification, supplement, renewal, extension or amendment of the Sublicense or any of the Obligations, nor by any modification, release or other alteration of any of the Obligations hereby guaranteed.

9. The liability of each Guarantor hereunder is primary, direct and unconditional and may be enforced without requiring Sublicensor first to resort to any other right, remedy or security.

10. No Guarantor hereunder shall have any right of subrogation, reimbursement or indemnity whatsoever, unless and until the Obligations are paid or performed in full.

11. If any Guarantor hereunder should at any time die, become incapacitated, become insolvent or make a composition, trust mortgage or general assignment for the benefit of creditors, or if a proceeding under the United States Bankruptcy Code or any similar law affecting the rights of creditors generally shall be filed or commenced by, against or in respect of any guarantor hereunder, any and all obligation of that guarantor shall, at Sublicensor's option, immediately become due and payable without notice.

12. If any payment or transfer to Sublicensor which has been credited against any Obligation, is voided or rescinded or required to be returned by Sublicensor, whether or not in connection with any event or proceeding described in Section 11, the Guaranty shall continue in effect or be reinstated as though such payment, transfer or recovery had not been made.

13. Except as otherwise provided herein, the Guaranty shall be construed as an absolute, unconditional, continuing and unlimited obligation of the each Guarantor hereunder without regard to the regularity, validity or enforceability of any of the Obligations, and without regard to whether any Obligation is limited, modified, voided, released or discharged in any proceeding under the United States Bankruptcy Code or any similar law affecting the rights of creditors generally.

14. Any termination of the Guaranty shall be applicable only to Obligations accruing after termination or having their inception after the effective date of such termination and shall not affect Obligations having their inception prior to such date.

15. The death or incapacity of any Guarantor hereunder shall not result in the termination of the Guaranty.

16. Any and all present and future debts and obligations of Sublicensee to any Guarantor hereunder are hereby waived and postponed in favor of and subordinated to the full payment and performance of the Obligations.

17. Each Guarantor hereunder waives to the greatest extent permitted by law: notice of acceptance hereof; presentment and protest of any instrument, and notice thereof; notice of default or intent to accelerate; notice of foreclosure; notice of any modification, release or other alteration of any of

the Obligations or of any security therefor and all other notices to which any guarantor hereunder might otherwise be entitled.

18. Each Guarantor hereunder waives to the greatest extent permitted by law: any defense arising by virtue of the lack of authority, death or disability of such Guarantor; or any defense based upon an election of remedies by Sublicensor which destroys or otherwise impairs the subrogation rights of such Guarantor or the right of such Guarantor to proceed against the Sublicensee for reimbursement, or both.

19. Upon the bankruptcy, winding-up or distribution of any of the assets of Sublicensee or any Guarantor, Sublicensor's rights will not be affected or impaired by its omission to prove its claim or prove its full claim. Sublicensor may prove such claims as it sees fit and may refrain from proving any claim.

20. This Guaranty will be jointly and severally binding upon each Guarantor, and their respective heirs, executors, administrators, successors and assigns, and will inure to the benefit of Sublicensor, its successors and assigns. No Guarantor may assign this Guaranty without the express written consent of Sublicensor.

[THIS SPACE LEFT INTENTIONALLY BLANK]

IN WITNESS WHEREOF, each Guarantor has executed and delivered this Guaranty as of the date written above.

SUBCONCESSION AGREEMENT

THIS SUBCONCESSION AGREEMENT (the "**Subconcession Agreement**"), is made on the date shown on the cover page hereof (the "**Subconcession Agreement Date**"), by and between **SUBWAY REAL ESTATE, LLC**, a Delaware limited liability company, ("**Subconcessionor**"), and the party identified as Subconcessionaire in the Key Contract Data at the beginning of this Subconcession Agreement.

In consideration of the covenants contained in this Subconcession Agreement, the parties agree as follows:

1 PROPERTY

1.1 **Demise.** Subconcessionor hereby grants to Subconcessionaire and Subconcessionaire accepts from Subconcessionor certain rights and obligations with respect to the premises described in the Master Concession Agreement (defined below) attached hereto (the "**Premises**"), subject to any and all reservations, restrictions, easements, rights of way, limitations and conditions of record, if any. The purpose of this Subconcession Agreement is so that Subconcessionaire can operate a Subway® restaurant under the terms of a Franchise Agreement with Doctor's Associates LLC ("**DAL**") dated as shown in the Key Contract Data at the beginning of this Subconcession Agreement, and under the franchise number shown on the cover page hereof ("**Franchise Agreement**").

1.2 **Master Concession Agreement.** Subconcessionaire acknowledges that the Premises are subject to a concession agreement between Subconcessionor as concessionaire and the concessionor identified therein (the "**Master Concessionor**"), a copy of which is attached hereto as Exhibit A (the "**Master Concession Agreement**"). Subconcessionaire acknowledges that Exhibit A contains a true and correct copy of the Master Concession Agreement. Any conflict between this Section 1.2 and the other provisions of this Subconcession Agreement shall be resolved in favor of this Section 1.2.

1.2.1 This Subconcession Agreement is subject and subordinate to the Master Concession Agreement. If the Master Concession Agreement is terminated for any cause whatsoever, Subconcessionaire shall promptly vacate and surrender the Premises to Subconcessionor and this Subconcession Agreement shall terminate as of the date of termination of the Master Concession Agreement and Subconcessionor shall have no liability and/or obligation to Subconcessionaire for the termination of the Subconcession Agreement.

1.2.2 Except as otherwise provided herein, all costs, common area maintenance fees, expenses, charges, assessments, and concession fee escalations accruing under the Master Concession Agreement, any restrictions imposed upon Subconcessionor thereunder, together with all repairs, replacements, restorations, and any other obligations required to be performed by Subconcessionor, as concessionaire under the Master Concession Agreement, shall be binding upon Subconcessionaire herein. In the event the obligations and restrictions imposed on Subconcessionaire under the Subconcession Agreement conflict with the obligations and restrictions imposed upon Subconcessionor as concessionaire under the Master Concession Agreement, then the more burdensome and restrictive of such obligations and restrictions shall prevail and be binding upon Subconcessionaire herein.

1.2.3 With respect to any consent or approval required to be obtained of Master Concessionor under the Master Concession Agreement (by way of illustration and without limitation,

consent to alterations), Subconcessionor's sole obligation with respect thereto, upon being requested in writing by Subconcessionaire, shall be to seek the approval or consent of Master Concessionor. Subconcessionaire acknowledges and agrees that Subconcessionor shall not be liable to Subconcessionaire with respect to any delay, default or failure of Master Concessionor to grant such consent or approval or in the performance by the Master Concessionor of its obligations and covenants under the Master Concession Agreement unless such be due to acts or misconduct of Subconcessionor and neither shall the Concession Fees, Additional Concession Fees or other Additional Charges under the Subconcession Agreement abate nor shall any of the obligations of Subconcessionaire under the Subconcession Agreement be affected by reason thereof. Subconcessionaire further acknowledges and agrees that, with respect to any rights afforded Subconcessionor under the Master Concession Agreement, including, but not limited to, any options to extend or renew the term of the Master Concession Agreement, options to purchase the Premises, rights of first refusal to purchase the Premises and restrictions against competition, such rights are not passed on to or conferred upon Subconcessionaire under this Subconcession Agreement. Subconcessionaire acknowledges that only Subconcessionor has the benefit of and the right to exercise or enforce such rights and the failure of Subconcessionor to exercise or enforce such rights shall not be a default under the Subconcession Agreement nor entitle Subconcessionaire to make any claim against Subconcessionor.

1.2.4 In the event the Master Concession Agreement contains extension or renewal options, Subconcessionaire agrees to provide written notice to Subconcessionor of its desire to exercise its option at least one hundred eighty days (180) prior to the date on which Subconcessionor must notify the Master Concessionor of its intention to exercise its option to extend or renew the Master Concession Agreement. Subconcessionaire agrees that Subconcessionor may elect not to extend or renew the Master Concession Agreement if Subconcessionaire fails to give Subconcessionor notice as provided in this Subsection. Furthermore, Subconcessionor may elect not to extend or renew the Master Concession Agreement if Subconcessionaire shall be in default in the performance of any of the terms of the Master Concession Agreement, this Subconcession Agreement or the Franchise Agreement during the period one hundred eighty (180) days prior to the date Subconcessionor must give notice to Master Concessionor.

1.2.5 If Master Concessionor fails to perform its duties under the Master Concession Agreement, Subconcessionaire must give written notice thereof to Subconcessionor describing Master Concessionor's default in detail. Upon receipt of the notice, Subconcessionor shall then promptly notify Master Concessionor and demand performance as required in the Master Concession Agreement. In the event Subconcessionaire wishes to engage the services of an attorney to settle any disputes arising out of the Master Concession Agreement, all fees and costs shall be borne by Subconcessionaire, it being understood that Subconcessionor is under no obligation to bring or defend any action brought by or against Subconcessionaire, Subconcessionor or Master Concessionor.

1.2.6 Subconcessionaire shall not make any agreement with Master Concessionor which could modify, cancel or terminate the Master Concession Agreement.

2 TERM

2.1 **Term.** The term of this Subconcession Agreement (the "**Term**") shall commence on the date shown in the Key Contract Data at the beginning of this Subconcession Agreement (the

"**Commencement Date**"). The Term of this Subconcession Agreement shall expire at midnight one full day before the expiration of the Master Concession Agreement (the "**Expiration Date**") unless sooner terminated as provided in this Subconcession Agreement.

2.2 **Possession.** Possession of the Premises shall be delivered to Subconcessionaire on the Commencement Date or as provided in the Master Concession Agreement, whichever is later.

2.3 **Holdover.** Subconcessionaire may only hold over at the expiration of the Term with the written consent of Subconcessionor. During such holdover period, Subconcessionaire shall pay to Subconcessionor two hundred percent (200%) of the Concession Fees amount that existed immediately prior to the Expiration Date. Subconcessionaire agrees to comply with all holdover provisions contained in the Master Concession Agreement.

2.4 **End of Term.**

2.4.1 Fixtures and Personal property. At the expiration or earlier termination of this Subconcession Agreement, any fixtures located on the Premises and not already owned by Subconcessionor shall become the property of Subconcessionor. If, at that time, Subconcessionaire has fully complied with Subconcession Agreement terms and conditions and is not in default under the Franchise Agreement, Subconcessionor hereby waives any right to claim any personal property owned or leased by Subconcessionaire and located on the Premises. Subject to the terms of the Franchise Agreement, the personal property may then be removed by Subconcessionaire or Subconcessionor provided that the Premises are restored to their original condition, reasonable wear and tear excepted. Any such personal property not removed within thirty (30) days after the Subconcession Agreement expiration or termination shall be deemed abandoned and become the property of Subconcessionor.

2.4.2 Joint Inspection. During a period no earlier than three (3) weeks and no later than one (1) week prior to the end of the Term, Subconcessionor and Subconcessionaire shall conduct a joint inspection of the Premises, and Subconcessionor shall make a list of any items of repair and maintenance that may be needed to put the Premises in good condition and repair, reasonable wear and tear excepted. If the items on such list cannot be completed by Subconcessionaire by the end of the Term, then Subconcessionaire shall pay to Subconcessionor by the end of the Term the reasonable cost of such repairs as evidenced by third-party bids. Subconcessionaire's obligation to make such payment shall survive the termination of this Subconcession Agreement.

3 CONSIDERATION

3.1 **Concession Fees.** Subconcessionaire agrees to pay to Subconcessionor or its designee the base concession fees indicated on Exhibit B (the "**Base Concession Fees**"), to be due and payable in monthly installments in advance on the first day of each month during the Term of this Subconcession Agreement. If no Base Concession Fees are included on Exhibit B, or if Subconcessionor directs Subconcessionaire to do so, then Subconcessionaire shall make all concession fee payments directly to Master Concessionor in the manner set forth in the Master Concession Agreement until and unless Subconcessionor directs Subconcessionaire to do otherwise. The first monthly installment of the Base Concession Fees shall be due on the Commencement Date, or at the time provided in the Master Concession Agreement if Subconcessionaire is to make concession fee payments directly to Subconcessionor as provided above. If this Subconcession Agreement shall commence on any day other than the first day of a calendar month, the monthly installment for the first and last month of the Term shall be prorated.

3.2 **Additional Charges.** Subconcessionaire and Subconcessionor agree that the concession fees accruing under this Subconcession Agreement shall be net to Subconcessionor and that all taxes, costs, common area maintenance fees, expenses and charges of every kind and nature (the "**Additional Charges**") relating to the Premises or payable under the Master Concession Agreement that may arise or become due during the Term or any extension of this Subconcession Agreement, shall be paid by Subconcessionaire to Subconcessionor or its designee (which may be Master Concessionor), and that Subconcessionaire shall indemnify and save harmless Subconcessionor from and against them. All Additional Charges that Subconcessionaire assumes or agrees to pay under any provisions of this Subconcession Agreement, together with all interest and penalties that may accrue on these Additional Charges in the event Subconcessionaire fails to pay them, as well as all other damages, costs and expenses, including, without limitation, reasonable attorneys' fees and other legal and court costs that Subconcessionor may incur in enforcing this Subconcession Agreement, and any and all other sums that may become due by reason of Subconcessionaire's default or failure to comply with its obligations under this Subconcession Agreement, shall be deemed to be "**Additional Concession Fees**". The Base Concession Fees and Additional Concession Fees shall collectively be referred to herein as the "**Concession Fees**". In the event of non-payment of Concession Fees in any form, Subconcessionor shall have all rights and remedies provided herein and under law.

3.3 **Method of Payment.** Subconcessionaire must make all payments to Subconcessionor or its designee (which may be Master Concessionor) by the method or methods that Subconcessionor requires from time to time. Subconcessionaire shall make any payment required under this Subconcession Agreement directly to Subconcessionor, its designee (which may be Master Concessionor), its affiliate(s), or to a bank or such other financial institution account that Subconcessionor specifies, at the times and with the frequency that Subconcessionor designates (or as provided in the Master Concession Agreement if Subconcessionor makes no such designation), by electronic funds transfer, on-line banking, pre-authorized auto-draft arrangement, or such other means as Subconcessionor may specify from time to time. For each account in which Subconcessionaire conducts business at any time during the Term, Subconcessionaire agrees to execute an ACH Automatic Withdrawal Authorization and to keep it effective throughout the Term; and Subconcessionaire authorizes Subconcessionor to withdraw monies from each such account in the amounts and at the times provided in this Subconcession Agreement and any other agreement between Subconcessionaire and Subconcessionor or its affiliate(s). Subconcessionaire hereby indemnifies Subconcessionor and holds Subconcessionor harmless under each ACH Automatic Withdrawal Authorization. Subconcessionaire consents to Subconcessionor's directly transacting business with each bank and financial institution with which Subconcessionaire has an account to effectuate fully the terms of each ACH Automatic Withdrawal Authorization. Subconcessionaire shall furnish Subconcessionor, its bank, or other financial institution, and any other recipient of payment with such information and authorizations as may be necessary to permit such persons to make withdrawals by electronic funds transfer, on-line banking, or auto-draft arrangement. Subconcessionaire shall bear all expenses, if any, and pay Subconcessionor its third-party costs associated with such authorizations and payments.

3.4 **Security Deposit.** Subconcessionor acknowledges receipt from Subconcessionaire of the Security Deposit amount shown in the Key Contract Data at the beginning of this Subconcession Agreement, which has or shall be paid to Master Concessionor as the security deposit referred to in the Master Concession Agreement. In accordance with the terms of the Master Concession Agreement, Subconcessionaire shall be entitled to the rights of Subconcessionor to the security deposit, except that any portion thereof that is returned to Subconcessionor by Master Concessionor may first be applied to any amounts that Subconcessionaire owes to Subconcessionor or its affiliate under this Subconcession Agreement or any other agreement.

3.5 **Other Pre-Opening Costs.** Subconcessionor acknowledges receipt from Subconcessionaire of the Other Pre-Opening Costs Deposit amount shown in the Key Contract Data at the beginning of this Subconcession Agreement, which shall be held in a non-interest bearing escrow account and shall be returned to Subconcessionaire, without interest, upon the opening of this location for business.

3.6 **Late Charges.** All Concession Fees and any other charges shall be paid to Subconcessionor without notice or demand and without abatement, deduction or set-off, except as otherwise expressly provided in this Subconcession Agreement. All payments not paid when due shall bear interest at the lesser of eighteen percent (18%) or the maximum rate allowed by law in the state where the Premises are located.

4 INSURANCE

4.1 **Coverage.** During the Term, Subconcessionaire, at its own cost and expense, shall:

4.1.1 Keep the Premises and the fixtures and personal property on it insured with an all-risk property insurance policy in an amount sufficient to cover the cost of replacement (without deduction for depreciation). Replacement cost shall be determined by one of the insurers or, at the option of Subconcessionor, by an appraiser, architect or contractor who is mutually and reasonably acceptable to Subconcessionor and Subconcessionaire, and whom shall be retained and paid by Subconcessionaire.

4.1.2 Provide and keep in force comprehensive or commercial general liability insurance against claims for bodily injury, death or property damage occurring on, in or about the Premises, in limits of not less than $1,000,000 per occurrence for bodily injury, not less than $500,000 per occurrence for property damage, or in such other amounts as Subconcessionor may reasonably request. The policy shall name Subconcessionor as an additional insured.

4.1.3 Keep in force business interruption insurance that covers the then current Concession Fees and the annual premiums for insurance required by this Article.

4.1.4 If requested by Subconcessionor, provide and keep in force insurance for such other insurable hazards in such amounts as similarly situated Premises are then commonly insured.

4.2 **Policies.** All insurance required by Subconcessionor and provided by Subconcessionaire shall be carried in favor of Subconcessionor and Subconcessionaire, as their respective interests may appear, the Master Concessionor, and any underlying fee owner, affiliate corporation, trustee, mortgagee or other person designated by Subconcessionor or as required under the Master Concession Agreement. All insurance shall be obtained from companies licensed to do business in the state in which the Premises are located and which have a rating by Bests Rating Guide of at least "A". Subconcessionaire shall procure policies for all insurance for periods of not less than one (1) year and shall deliver to Subconcessionor all policies or certificates of insurance with evidence of payment of all premiums. Subconcessionaire shall procure renewals of these policies from time to time before their respective expiration dates. All insurance policies shall be non-assessable and shall require thirty (30) days' written notice to Subconcessionor of any cancellation or change affecting Subconcessionor's coverage under the policies. All property damage and business interruption policies of Subconcessionaire shall contain a waiver of any subrogation rights which Subconcessionaire's insurers may have against Subconcessionor, even if the loss suffered is caused by the act, omission or negligence of Subconcessionor.

4.3 **Adjusting; Proceeds.** Claims for loss due to damage to the Premises under any policies provided for in this Subconcession Agreement shall be adjusted with the insurance companies:

4.3.1 by Subconcessionaire in the case of any particular casualty resulting in damage or destruction not exceeding $10,000, or

4.3.2 by Subconcessionor and Subconcessionaire, in the case of any particular casualty resulting in damage or destruction exceeding $10,000 in the aggregate. Subject to the rights of Master Concessionor and any mortgagee, the proceeds of any insurance shall be payable as follows:

4.3.2.1 With respect to any loss not exceeding $10,000 in the aggregate, proceeds shall be paid to Subconcessionaire, who shall hold them in trust for the purpose of paying the costs of repair and restoration; and

4.3.2.2 With respect to losses exceeding $10,000 in the aggregate, the proceeds may, at Subconcessionor's option, be paid to Subconcessionor or its designee and shall be applied to pay the costs of repair and restoration as directed by Subconcessionor.

4.4 **Joint Efforts.** Subconcessionaire and Subconcessionor shall cooperate in attempts to collect any insurance proceeds that may be due in the event of loss, and Subconcessionaire shall execute and deliver to Subconcessionor such proofs of loss and other instruments which may be required for the purpose of recovering these proceeds.

4.5 **Waiver of Subrogation.** Subconcessionaire agrees to look solely to the proceeds of its own insurer for indemnity against exposure for loss of property or business interruption. Subconcessionaire warrants that its property and business interruption insurers shall have no rights against Subconcessionor by virtue of assignment, subrogation, loan agreement or otherwise.

4.6 **Cancellation of Insurance.** If any insurance policy covering the Premises or any part of it is canceled or is threatened by the insurer to be canceled, or if the coverage thereunder is reduced in any way by the insurer for any reason, and if Subconcessionaire fails to remedy the condition giving rise to cancellation, threatened cancellation, or reduction of coverage within five (5) business days after notice thereof by Subconcessionor, Subconcessionor may, at its option, either (i) reenter the Premises forthwith by leaving upon the Premises a notice in writing of its intention to do so or (ii) enter the Premises and remedy the condition giving rise to such cancellation, threatened cancellation or reduction, and Subconcessionaire shall forthwith pay the cost thereof to Subconcessionor (which cost may be collected by Subconcessionor as Additional Concession Fees) and Subconcessionor shall not be liable for any damage or injury caused to any property of Subconcessionaire or of others located on the Premises as a result of any such entry, unless resulting from its own sole gross negligence, or intentional or willful act or omission.

4.7 **Loss and Damage.** Subconcessionor shall not be liable for any death or injury occurring on the Premises, nor for the loss of or damage to any of the personal property or other property of Subconcessionaire or of others by theft or otherwise, unless resulting from its own sole gross negligence, or intentional or willful act or omission. Without limiting the generality of the foregoing, Subconcessionor shall not be liable for any injury or damage to persons or property resulting from fire, explosion, falling plaster, steam, dampness, gas, electricity, water, rain, snow, or leaks from any part of the Premises or from the pipes, appliances or plumbing works or from the roof, street or subsurface or from any other place by any other cause whatsoever, unless resulting from its own sole gross negligence, or intentional or willful act or omission. Subconcessionor shall not be liable for any such damage caused by other persons or occupants of adjacent property, or the public, or caused by operations in construction of any private, public

or quasi-public work. All of the personal property or any other property of Subconcessionaire kept or stored on the Premises shall be kept or stored at the risk of Subconcessionaire.

5 THE PREMISES

5.1 **Use and Services.** During the Term of this Subconcession Agreement, Subconcessionaire shall continuously operate a Subway® restaurant business in accordance with the Franchise Agreement. The Premises shall not be used for any other purpose.

5.2 **Repairs and Maintenance.** Subconcessionaire shall, at all times during the Term, at its own cost and expense, put, keep and maintain the Premises and all fixtures and personal property located on it in good order and condition, subject to reasonable wear and tear, and subject to all applicable terms of this Article 5, shall make all necessary and desirable repairs, restorations and replacements thereof, structural and nonstructural, foreseen or unforeseen (hereinafter collectively called "**Repairs**"), and shall use all reasonable precautions to prevent waste, damage and injury.

In the event that Subconcessionaire fails or neglects to make all necessary Repairs or fulfill its other obligations as set forth above, Subconcessionor or its agents may enter the Premises for the purpose of making such Repairs or fulfilling those obligations. All reasonable costs and expenses incurred as a consequence of Subconcessionor's action shall be repaid by Subconcessionaire to Subconcessionor within fifteen (15) days after Subconcessionaire receives copies of receipts showing payment by Subconcessionor for such Repairs or other obligations. These receipts shall be prima facie evidence of the payment of the charges paid by Subconcessionor.

5.3 **Build-Out and Alterations.** Subconcessionor may terminate this Subconcession Agreement on ten (10) days' written notice and Subconcessionor may offer this location to another franchisee if: a) Subconcessionaire does not commence construction of the Premises within seven (7) days after obtaining occupancy from Master Concessionor by expeditiously ordering its equipment, submitting all necessary funds, and making application for required permits and licenses; or b) Subconcessionaire does not complete the build-out of the restaurant and then open the restaurant within forty-five (45) days after occupancy from Master Concessionor. In such an event, Subconcessionaire understands that the security deposit referred to in Section 3.4 will not be refunded.

Subconcessionaire agrees that it will at its own cost and expense make such reasonable alterations to the interior or exterior of the Premises as may reasonably be requested by Subconcessionor from time to time in order to modify the appearance of the Premises to reflect the then current image of the Subway® brand. Subconcessionaire shall not at any time make any alteration, change, addition or improvement (hereinafter collectively called "**Alterations**") in or to the interior or exterior of the Premises without the prior written consent of Subconcessionor. In the event consent is given:

5.3.1 the Alterations shall be performed in a good and workmanlike manner at Subconcessionaire's sole expense, and shall not weaken or impair the structural strength or lessen the value of the Premises, or change the purpose for which the Premises may be used;

5.3.2 the Alterations shall be made according to plans and specifications therefor, which shall be first submitted to and approved in writing by Subconcessionor, such consent not to be unreasonably withheld, delayed, or conditioned;

5.3.3 before the commencement of work on any Alterations, such plans and specifications shall, if necessary, be approved by all governmental authorities having jurisdiction;

5.3.4 before the commencement of any Alterations, Subconcessionaire shall pay the amount of any increase in premiums on insurance policies for endorsements covering the risk during work on the Alterations and workmen's compensation insurance covering all persons employed in connection with that work;

5.3.5 if the estimated cost of the Alteration exceeds $20,000, Subconcessionaire shall, at Subconcessionor's option, furnish to Subconcessionor a surety bond of a company acceptable to Subconcessionor, in an amount equal to the estimated cost of such work, or other security satisfactory to Subconcessionor, guaranteeing the completion of such work, free and clear of all liens and encumbrances; and

5.3.6 the Alterations shall comply with all federal, state and local building requirements and codes including any disabilities related statutes or codes (collectively, the "**Codes**") in the applicable jurisdiction where the Premises are located.

All buildings, additions, improvements, fixtures and appurtenances in or on the Premises at the Commencement Date and those which may be erected, affixed or installed in or on the Premises during the Term are deemed to be and shall immediately become part of the Premises and the sole property of Subconcessionor. All personal property owned and installed by Subconcessionaire (except signs, trademarks and other insignia of Subconcessionor) shall remain the property of Subconcessionaire.

5.4 **Liens.** Should Subconcessionaire cause any Alterations or Repairs to be made to the Premises, or cause any labor to be performed or material to be furnished, neither Subconcessionor nor the Premises shall under any circumstances be liable for the payment of any expense incurred, and all such Alterations and Repairs shall be made and performed at Subconcessionaire's expense. If, because of any act or omission of Subconcessionaire, any mechanic's or other lien, charge, claim or order for the payment of money shall be filed against the Premises or against Subconcessionor, Subconcessionaire shall, at its own cost and expense, cause it to be canceled and discharged of record or bonded within thirty (30) days after notice of filing thereof. In the event that Subconcessionaire fails to cause any such mechanics' or other lien, charge or order to be canceled and discharged or bonded, then, in addition, to any other right or remedy of Subconcessionor, Subconcessionor may, at its option, cancel or discharge it by paying the amount claimed to be due into court or directly to any claimant and the amount so paid by Subconcessionor and all costs and expenses including attorneys' fees incurred for the cancellation or discharge of such lien shall be due from Subconcessionaire to Subconcessionor as an additional charge payable on demand.

5.5 **Signs.** Subconcessionaire shall not place any signs or symbols on any portion of the Premises without the prior written approval of Subconcessionor, such consent not to be unreasonably withheld, delayed, or conditioned.

5.6 **Inspection.** Fee owner, Subconcessionor or their representatives shall have the right to enter the Premises at reasonable hours of any business day to ascertain if the Premises are in proper repair and condition, provided, that such persons will make every reasonable effort not to interfere with customers or Subconcessionaire's operation of the business.

5.7 **License and Laws.** Subconcessionaire shall, at its own cost and expense, obtain all necessary licenses and/or permits that may be required for the conduct of its business; and Subconcessionaire shall, at its own cost and expense, promptly observe and comply with all present and future laws, ordinances, requirements, orders, directions, rules and regulations (referred to generally as "**Regulations**") of governmental authorities having or claiming jurisdiction over the Premises or the conduct of Subconcessionaire's business. By way of example, and not limitation, compliance with governmental Regulations shall include, but not be

limited to, alterations and/or additions to the Premises if required under the Americans with Disabilities Act of 1990.

5.8 **Damage or Destruction.** If, during the Term, the Premises or the personal property or fixtures on it are destroyed or damaged in whole or in part by fire or other cause, Subconcessionaire shall give Subconcessionor immediate notice, and Subconcessionaire, at its own cost and expense, shall cause the prompt repair, replacement and rebuilding of same ("**Restoration**"), subject to Section 5.2 and Section 5.3 of this Subconcession Agreement. The restored building, personal property or fixtures shall reflect the then current image of the Subway® brand. Subconcessionor shall in no event be called upon to repair, replace or rebuild any such buildings, fixtures or personal property, nor to pay any of the costs or expenses thereof beyond or in excess of any insurance proceeds, as provided in this Subconcession Agreement.

5.9 **Disclaimer.** The taking of possession of the Premises by Subconcessionaire shall be conclusive evidence that Subconcessionaire has accepted the Premises "AS IS," including any latent or patent defects. Subconcessionaire acknowledges that Subconcessionaire is relying on its own independent inspection.

5.10 **Contracts.** Subconcessionaire shall not without Subconcessionor's written consent enter into any service contract or agreement relating to the furnishing of any services to the Premises or the occupants of it unless such contract or agreement shall by its terms be terminable on no more than thirty (30) days' notice or shall expressly provide that it shall not become binding on Subconcessionor in the event that this Subconcession Agreement is terminated or expires. Subconcessionaire shall furnish Subconcessionor with copies of all service contracts or agreements affecting the Premises that are now in existence or that are subsequently entered into.

6 TAXES AND OTHER CHARGES

6.1 **Payment.**

6.1.1 In the event Subconcessionor elects, at its sole option, to pay the taxes, assessments, charges for public utilities, excises, levies, licenses, permit fees or other governmental impositions and charges of any kind and nature whatsoever ("**Charges**") that are payable in connection with the ownership, occupancy or possession of the Premises, Subconcessionaire shall reimburse Subconcessionor within thirty (30) days after Subconcessionaire receives an invoice for the payment of such Charges.

6.1.2 In the event Subconcessionor elects not to pay the Charges as set forth in the preceding paragraph, Subconcessionaire shall pay on or before the last day on which payment may be made without penalty or interest, all Charges that may be assessed, imposed, or become due and payable in connection with the ownership, occupancy or possession of the Premises or the fixtures or personal property on it, or any Charges that may be imposed in lieu of, or as a substitution for, any such Charges. At any time after the time for payment of each Charge, upon Subconcessionor's request, Subconcessionaire shall exhibit to Subconcessionor satisfactory evidence of payment. All Charges assessed or imposed for the fiscal periods in which the Term of this Subconcession Agreement commences and terminates shall be apportioned.

7 INDEMNIFICATION

7.1 Subconcessionaire shall indemnify, defend with counsel reasonably acceptable to Subconcessionor and save Subconcessionor and its affiliates, and the shareholders, officers, directors, employees, and agents of Subconcessionor and its affiliates, harmless from and against all costs, expenses, liabilities, losses, damages, injunctions, suits, actions, fines, penalties, claims

and demands of every kind or nature, including reasonable attorneys' fees, (collectively, "**Claims**") by or on behalf of any person, party or governmental authority whatsoever arising out of (a) any failure or alleged failure by Subconcessionaire to perform any of its obligations under this Subconcession Agreement, (b) any accident, injury or damage that occurs in or about the Premises, (c) any matter arising out of the condition, occupation, maintenance, alteration, repair, use or operation of the Premises or any part of it, (d) the contest or challenge by Subconcessionaire of any imposed tax, assessment, or other Charges, or (e) any other matter arising from or relating to Subconcessionaire's occupation of the Premises; provided that Subconcessionaire shall not indemnify Subconcessionor if or to the extent such Claims are caused by Subconcessionor's gross negligence, or intentional or willful misconduct.

8 ENFORCEMENT

8.1 **Default.** Each of the following events is a default and a breach of this Subconcession Agreement by Subconcessionaire:

8.1.1 If Subconcessionaire files any proceeding under the United States Bankruptcy Code, any other federal or state bankruptcy, reorganization, receivership, insolvency or other similar law affecting the rights of creditors generally, or for dissolution under the laws of the United States or of any state, or voluntarily takes advantage of any such law or act or is dissolved or makes an assignment for the benefit of creditors;

8.1.2 If involuntary Proceedings under the United States Bankruptcy Code, any other federal or state bankruptcy, reorganization, receivership, insolvency or other similar law or for the dissolution of a corporation are instituted against Subconcessionaire or if a receiver or trustee is appointed of all or substantially all of the property of Subconcessionaire and such Proceedings are not dismissed or such receivership or trusteeship vacated within ninety (90) days after such institution or appointment;

8.1.3 If Subconcessionaire vacates, abandons or ceases doing business on the Premises or indicates its intention to do so;

8.1.4 If this Subconcession Agreement or the estate of Subconcessionaire hereunder is transferred to any other person or party, except in a manner permitted by the terms of this Subconcession Agreement;

8.1.5 If Subconcessionaire fails to pay Subconcessionor any installment of the Concession Fees or Additional Charges when it becomes due and payable and fails to make such payment within ten (10) days after written notice thereof by Subconcessionor to Subconcessionaire;

8.1.6 If Subconcessionaire fails to perform any of its nonmonetary obligations under this Subconcession Agreement and such non-performance continues for a period within which performance is required to be made by specific provision of this Subconcession Agreement or, if no such period is provided, for a period of thirty (30) days after written notice thereof by Subconcessionor to Subconcessionaire; or, if such performance cannot be reasonably had within such thirty day period, Subconcessionaire has not in good faith commenced such performance within such thirty day period or has not diligently proceeded therewith to completion;

8.1.7 If Subconcessionaire or any manager or officer of Subconcessionaire knowingly or intentionally falsifies any report required to be furnished to Subconcessionor pursuant to the terms of this Subconcession Agreement and fails to notify Subconcessionor of such falsification within sixty (60) days of submission of such report;

8.1.8 If Subconcessionaire fails to comply with any provision of the Franchise Agreement relating to the Premises, or any franchise agreement with a third-party franchisor relating to the Premises.

In the event of a default under this Section 8.1, Subconcessionor shall have such remedies as are provided under this Subconcession Agreement and under applicable law.

8.2 **Cure by Subconcessionor.** After expiration of the applicable period of notice, or without notice in the event of any emergency, Subconcessionor at its option may, but shall not be obligated to, make any payment required of Subconcessionaire or perform any obligation of Subconcessionaire, and the amount Subconcessionor pays, or the cost of its performance, together with interest thereon, shall be deemed to be an additional charge payable by Subconcessionaire on demand. Subconcessionor shall have the right to enter the Premises for the purpose of correcting or remedying any default, but neither any expenditure nor any such performance by Subconcessionor shall be deemed to waive or release Subconcessionaire's default or the right of Subconcessionor to take such action as may be otherwise permissible in the case of default. Subconcessionor shall have no liability to Subconcessionaire for any loss or damages resulting from any such action by Subconcessionor, and entry by Subconcessionor shall not constitute breach of the covenant for quiet enjoyment or an eviction.

8.3 **Subconcessionor's Remedies.** If Subconcessionaire is in default under this Subconcession Agreement, Subconcessionor may, at its option, in addition to such other remedies as may be available under applicable law:

8.3.1 terminate this Subconcession Agreement and Subconcessionaire's right of possession, and retake possession for Subconcessionor's account. In such event, Subconcessionor may repair and alter the Premises in any manner as Subconcessionor deems reasonably necessary or advisable. All reasonable and necessary expenses of every nature that Subconcessionor may incur such as (by way of illustration and not limitation) those for attorneys' fees, brokerage, advertising, and refurbishing the Premises, shall become immediately due and payable by Subconcessionaire to Subconcessionor; or

8.3.2 terminate Subconcessionaire's right of possession, but not this Subconcession Agreement, retake possession of the Premises for Subconcessionaire's account, repair, and alter the Premises in any manner as Subconcessionor deems reasonably necessary or advisable, and relet the Premises or any part of it, as the agent of Subconcessionaire, for the whole or any part of the remainder of the Term or for a longer period, and Subconcessionor may grant concessions or free concession fees or charge a higher concession fee than that reserved in this Subconcession Agreement. Out of any concession fees collected or received from Subconcessionaires or as a result of such letting or reletting, Subconcessionor shall first pay to itself all expenses of every nature that Subconcessionor may reasonably incur such as (by way of illustration and not limitation) those for attorneys' fees, brokerage, advertising, and refurbishing the Premises in good order or preparing them for reletting; and second, Subconcessionor shall pay to itself any balance remaining on account of the liability of Subconcessionaire for the sum equal to all Concession Fees, Additional Concession Fees and other Additional Charges due from Subconcessionaire through the Expiration Date. Should Subconcessionor, pursuant to this Section 8.3, not collect Concession Fees that, after deductions is sufficient to fully pay to Subconcessionor a sum equal to all Concession Fees, Additional Concession Fees and other Additional Charges payable through the Expiration Date, the balance or deficiency shall, at the election of Subconcessionor, be paid by Subconcessionaire on the first of each month; or

8.3.3 stand by and do nothing, and hold Subconcessionaire liable for all Concession Fees, Additional Concession Fees and other Additional Charges payable under this Subconcession Agreement through the Expiration Date.

If Subconcessionor does not notify Subconcessionaire which remedy it is pursuing, or if Subconcessionor's notice to Subconcessionaire does not expressly state that Subconcessionor is exercising its remedies under Section 8.3.1 or Section 8.3.3, then it shall be deemed that Subconcessionor is pursuing the remedy set forth in Section 8.3.2. If Subconcessionor exercises the option in Section 8.3.1 or 8.3.2, Subconcessionaire agrees to immediately and peacefully surrender the Premises to Subconcessionor, and if Subconcessionaire refuses to do so, Subconcessionor may without further notice reenter the Premises either by force or otherwise and dispossess Subconcessionaire by summary proceedings or otherwise, as well as the legal representative(s) of Subconcessionaire and/or other occupant(s) of the Premises, and remove their effects.

8.4 **Acceleration.** If Subconcessionor exercises the remedies in Section 8.3.3 of this Subconcession Agreement, Subconcessionaire shall immediately pay to Subconcessionor as damages for loss of the bargain caused by Subconcessionaire's default, and not as a penalty, in addition to any other damages, an aggregate sum that represents the present value of the full amount of the Concession Fees, Additional Concession Fees and all other Additional Charges payable by Subconcessionaire hereunder that would have accrued for the balance of the Term.

8.5 **Suits.** Suit or suits for the recovery of the deficiency or damage or for any installment or installments of Concession Fees, Additional Concession Fees or any other charge due under this Subconcession Agreement may be brought by Subconcessionor at any time or, at Subconcessionor's election, from time to time, and nothing in this Subconcession Agreement shall be deemed to require Subconcessionor to wait until the Expiration Date to bring suit.

8.6 **Waiver.** Subconcessionaire hereby expressly waives service of any notice of intention to reenter. Subconcessionaire hereby waives any and all rights to recover or to regain possession of the Premises or to reinstate or to redeem this Subconcession Agreement as permitted or provided by any statute, law or decision now or hereafter in force and effect. No receipt of monies by Subconcessionor from Subconcessionaire after the cancellation or termination of the Subconcession Agreement shall reinstate, continue or extend the Subconcession Agreement, or affect any prior notice given to Subconcessionaire or operate as a waiver of the right of Subconcessionor to enforce the payment of Concession Fees and Additional Concession Fees then due or subsequently falling due, or operate as a waiver of the right of Subconcessionor to recover possession of the Premises by suit, action, proceeding or other remedy, and any and all moneys so collected shall be deemed to be payments on account of the use and occupancy of the Premises, or at the election of Subconcessionor, on account of Subconcessionaire's liability under this Subconcession Agreement.

8.7 **Proof of Claim.** Nothing in this Article shall limit or prejudice the right of Subconcessionor to prove and obtain as liquidated damages in any bankruptcy, insolvency, receivership, reorganization or dissolution proceeding an amount equal to the maximum allowed by any statute or rule of law governing such proceeding, whether or not such amount is greater, equal to or less than the amount of the damages referred to in any of the preceding sections.

8.8 **Injunction.** In the event of a breach or a threatened breach by Subconcessionaire of any of its Subconcession Agreement obligations, Subconcessionor shall have the right to enjoin and restrain the breach and to invoke any remedy allowed by law or in equity, in addition to other remedies provided in this Subconcession Agreement.

8.9 **Independent Rights.** The rights and remedies of Subconcessionor are distinct, separate and cumulative, and no one of them, whether or not exercised by Subconcessionor, shall be deemed to be to the exclusion of any of the others.

8.10 **Non-Waiver.** The failure of Subconcessionor to insist upon strict performance of any of Subconcessionaire's obligations under this Subconcession Agreement shall not be deemed a waiver of any rights or remedies that Subconcessionor may have and shall not be deemed a waiver of any subsequent breach or default by Subconcessionaire. The exercise of any of Subconcessionor's options under the Subconcession Agreement shall not be deemed to be the exclusive remedy of Subconcessionor.

8.11 **Waiver of Exemption from Distress.** Subconcessionaire agrees that notwithstanding anything contained in any statute, enactment or other law of the state in which the Premises are located or of any other jurisdiction, none of the personal property located on the Premises shall be exempt from levy for distress for Concession Fees in arrears, and that if Subconcessionaire makes any claim for such an exemption, this Subconcession Agreement may be pleaded as an estoppel against Subconcessionaire in any appropriate action.

8.12 **Franchise Agreement.** Notwithstanding anything in this Subconcession Agreement to the contrary, this Subconcession Agreement is conditioned upon the faithful performance by Subconcessionaire of the Franchise Agreement, and a default in the terms of the Franchise Agreement shall be a default of this Subconcession Agreement.

9 NO CONCESSION FEE ABATEMENT

Unless specifically provided in this Subconcession Agreement, no abatement, diminution, or reduction of Concession Fees, Additional Concession Fees, Additional Charges or other compensation shall be claimed by or allowed to Subconcessionaire, or any persons claiming under Subconcessionaire, under any circumstances, whether for inconvenience, discomfort, interruption of business, or otherwise.

10 CONDEMNATION

In the event that the Premises or any part of it is taken in condemnation proceedings or by exercise of any right of eminent domain, Subconcessionaire shall have no right to participate in any condemnation proceedings and shall not have the right to any award, and Subconcessionor may terminate this Subconcession Agreement upon written notice to Subconcessionaire.

11 SUBORDINATION

This Subconcession Agreement shall be fully subordinate to any mortgage and/or collateral assignment of lease against the Premises that Master Concessionor, the fee owner, Subconcessionor and/or their assigns has or subsequently obtains upon the Premises. This Subconcession Agreement shall be fully subordinate and subject to the Master Concession Agreement and any senior lease now, or hereafter affecting the Premises.

Subconcessionaire hereby grants a power of attorney to Subconcessionor with full power to act as its attorney in fact and to execute on behalf of Subconcessionaire any and all documents that may be required by a mortgagee and/or assignee evidencing Subconcessionaire's full subordination of Subconcessionaire's interest to any mortgage and/or collateral assignment of Subconcession Agreement that may be entered into by Subconcessionor, Master Concessionor, the fee owner or their assigns. Subconcessionaire hereby agrees to execute, without charging Subconcessionor, any and all documents that it is requested to execute to evidence this subordination. However, Subconcessionaire shall not be required to execute any promissory

notes or other evidences of indebtedness that would create any personal liability on behalf of Subconcessionaire.

12 ASSIGNMENT

12.1 B**y Subconcessionor.** This Subconcession Agreement shall be fully assignable by Subconcessionor or its assigns.

12.2 B**y Subconcessionaire.** Neither Subconcessionaire, nor Subconcessionaire's successors or assigns, shall (unless expressly permitted in this Subconcession Agreement) assign, mortgage, give as security, pledge or encumber this Subconcession Agreement, in whole or in part, by operation of law or otherwise, or sub-Subconcession Agreement the Premises, in whole or in part, or permit the Premises or any portion of it to be used or occupied by others, or enter into a management contract or other arrangement whereby the Premises shall be managed and operated by anyone other than the owner of Subconcessionaire's leasehold estate, without the prior consent in writing of Subconcessionor in each instance. If this Subconcession Agreement is assigned or transferred, or if all or any part of the Premises is sub-subconcessiond or occupied by anybody other than Subconcessionaire, Subconcessionor may collect Concession Fees from the assignee, transferee, sub-Subconcessionaire or occupant, and apply the net amount collected to the Concession Fees reserved in this Subconcession Agreement, but no such assignment, sub-sublicensing, occupancy or collection shall be deemed a waiver of any covenant or condition of this Subconcession Agreement, or the acceptance of the assignee, transferee, sub-Subconcessionaire or occupant as Subconcessionaire, or a release of Subconcessionaire from the performance or further performance by Subconcessionaire of its obligations under this Subconcession Agreement, and Subconcessionaire shall continue to be liable for all its obligations under this Subconcession Agreement. The consent by Subconcessionor to an assignment, mortgage, pledge, encumbrance, transfer, management contract or sub-sublicensing shall not in any way be construed to relieve Subconcessionaire from obtaining the express consent in writing of Subconcessionor in each instance to any subsequent similar action that Subconcessionaire may intend to take.

13 ESTOPPEL CERTIFICATE

Subconcessionaire shall from time to time, within five (5) days after being requested to do so by Subconcessionor, execute, acknowledge and deliver to Subconcessionor (or, at Subconcessionor's request, to Master Concessionor, any existing or prospective purchaser, transferee, assignee or mortgagee of any or all of the Premises, any interest therein or any of Subconcessionor's rights under this Subconcession Agreement) an instrument in recordable form: (i) certifying (a) that the Subconcession Agreement is unmodified and in full force and effect (or, if there has been any modification thereof, that it is in full force and effect as so modified, stating therein the nature of such modification); (b) as to the dates to which the Concession Fees and Additional Charges arising hereunder have been paid; (c) as to the amount of any prepaid concession fees or any credit due to Subconcessionaire hereunder, (d) that Subconcessionaire has accepted possession of the Premises, and the date on which the Term commenced; (e) as to whether, to the best knowledge, information and belief of the signer of such certificate, Subconcessionor or Subconcessionaire is then in default in performing any of its obligations under the Subconcession Agreement (and, if so, specifying the nature of each such default); and (f) as to any other fact or condition reasonably requested by Subconcessionor or such other addressee; and (ii) acknowledging and agreeing that any statement contained in such certificate may be relied upon by Subconcessionor and any such other addressee.

14 HAZARDOUS SUBSTANCES

14.1 **Compliance with Laws.** Subconcessionaire shall at all times, at its own cost and expense, comply with all federal, state and local laws, ordinances, regulations and standards ("**Hazardous Substance Laws**") relating to the use, analysis, production, storage, sale, disposal or transportation of any hazardous materials, including oil or petroleum products or their derivatives, solvents, PCB's, explosive substances, asbestos, radioactive materials or waste, and any other toxic, ignitable, reactive, corrosive, contaminating or pollution materials ("**Hazardous Substances**") that are now or in the future subject to any governmental regulation. Such compliance shall include any cleanup, removal, remedial action, testing or monitoring (including medical monitoring) which may be required under Hazardous Substance Laws, court order or by any governmental or regulatory agency.

14.2 **Indemnification by Subconcessionaire.** Subconcessionaire shall indemnify, defend with counsel reasonably acceptable to Subconcessionor, and hold Subconcessionor free and harmless from any and all liabilities, damages, claims, penalties, fines, settlements, causes of action, costs or expense, including reasonable attorneys' fees, environmental consultant and laboratory fees and the costs and expense of investigating and defending any claims or proceedings, resulting from or attributable to (i) the presence, disposal, migration, release or threatened release of any Hazardous Substance that is on, from or affecting the Premises including the soil, water, vegetation, buildings, personal property, persons, or otherwise; (ii) any bodily injury (including wrongful death) or property damage (real or personal) arising out of or relating to such Hazardous Substance(s); (iii) any lawsuits or administrative order relating to such Hazardous Substance(s); or any violation of any laws applicable to any Hazardous Substance for which Subconcessionaire is responsible under this Subconcession Agreement. Subconcessionaire's indemnification obligations under this Section shall survive the expiration or earlier termination of this Subconcession Agreement.

15.2 **Construction.** In the event that any of the provisions of this Subconcession Agreement shall by court order be held invalid or in contravention of any of the laws of the United States or of any state having jurisdiction over the subject matter or of any dispute arising under it, such invalidation shall not serve to affect the remaining portion of this Subconcession Agreement. To the extent permitted by the laws of the state where the Premises are located, this Subconcession Agreement shall be governed by and construed in accordance with the laws of the State of

Delaware, and otherwise shall be governed by and construed in accordance with the laws of the State where the Premises are located.

15.4 **Counterparts.** This Subconcession Agreement may be executed in counterparts, and all counterparts together shall be construed as one and the same document. The parties intend to be bound by the signatures of the electronically mailed or signed signatures and the delivery of the same shall be effective as delivery of an original executed counterpart of this Subconcession Agreement. The parties hereby waive any defenses to the enforcement of this terms of this Subconcession Agreement based on the form of the signature or delivery thereof and hereby agree that such electronically mailed or signed signatures shall be conclusive proof, admissible in arbitration and judicial proceedings, of the parties' execution of this Subconcession Agreement.

15.5 **No Agency.** The parties hereto agree that the business relationship created by this Subconcession Agreement is solely that of Subconcessionor and Subconcessionaire. Nothing contained in this Subconcession Agreement shall make Subconcessionaire an agent, legal representative, partner, subsidiary, joint venturer or employee of Subconcessionor. Subconcessionaire shall have no right or power to, and shall not, bind or obligate Subconcessionor in any way, manner or thing whatsoever, nor represent that it has any right to do so.

15.6 **Time of the Essence.** Time shall be of the essence in every part of this Subconcession Agreement.

15.7 **Binding Effect.** This Subconcession Agreement shall become immediately binding on the parties to this Subconcession Agreement on the date the last party signs it, notwithstanding that the Term of this Subconcession Agreement may commence upon a future date.

15.8 **Headings.** The table of contents preceding this Subconcession Agreement and the headings of the paragraphs and subparagraphs are inserted solely for the convenience of reference and shall not constitute a part of this Subconcession Agreement, nor limit, define or describe the scope or intent of this Subconcession Agreement.

15.9 **Joint and Several Liability.** If Subconcessionaire consists of more than one person, each individual's liability under this Subconcession Agreement shall be joint and several.

15.10 **Entire Agreement.** This Subconcession Agreement constitutes the entire agreement between the parties hereto with respect to the subject matter of this Subconcession Agreement, and this Subconcession Agreement shall not be modified, amended, altered or changed except by prior written agreement signed by both parties. AGREEMENT

As an inducement to and in consideration of Subconcessionor entering into the Subconcession Agreement with Subconcessionaire, and for other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Guarantor agrees to the following:

1. Each Guarantor unconditionally guarantees to Subconcessionor the (i) prompt payment of any money now due, or that at any time, may become due or owing to Subconcessionor by Subconcessionaire under the Subconcession Agreement; and the (ii) full performance and discharge by Subconcessionaire of all of Subconcessionaire's obligations under the Subconcession Agreement now due, or that at any time, may become due or owing (collectively, the "**Obligations**"). Subconcessionor may extend, modify, or release any Obligation or settle, adjust, or compromise any claims against Subconcessionaire, without notice to Guarantors and without any effect on any Guarantor's obligations hereunder.

4. Each Guarantor's liability will not be contingent or conditioned upon Subconcessionor's pursuit of any remedies against Subconcessionaire or any other person or entity. Further, such liability will not be diminished, relieved or otherwise affected by an extension of time, credit or other indulgence which Subconcessionor may grant Subconcessionaire, including, without limitation, the acceptance of any partial payment or performance, or the compromise or release of any claims.

5. No term, condition or provision of this Guaranty shall be deemed to be waived by Subconcessionor, without the express written consent of Subconcessionor. Any such waiver will extend only to the particular circumstances specified in writing by the Subconcessionor. Neither forbearance, nor indulgence by Subconcessionor will constitute a waiver of any provision of this Guaranty.

6. Each Guarantor acknowledges that the Subconcession Agreement may be extended, amended or renewed by mutual agreement between Subconcessionaire and Subconcessionor, and each Guarantor expressly consents to any such modification of the Subconcession Agreement.

7. This is a continuing guarantee. Nothing but payment and satisfaction in full of the Obligations will release Guarantors from their respective obligations pursuant to this Guaranty. Notice of acceptance of this Guaranty is waived.

8. This Guaranty shall not be impaired by any modification, supplement, renewal, extension or amendment of the Subconcession Agreement or any of the Obligations, nor by any modification, release or other alteration of any of the Obligations hereby guaranteed.

9. The liability of each Guarantor hereunder is primary, direct and unconditional and may be enforced without requiring Subconcessionor first to resort to any other right, remedy or security.

10. No Guarantor hereunder shall have any right of subrogation, reimbursement or indemnity whatsoever, unless and until the Obligations are paid or performed in full.

11. If any Guarantor hereunder should at any time die, become incapacitated, become insolvent or make a composition, trust mortgage or general assignment for the benefit of creditors, or if a proceeding under the United States Bankruptcy Code or any similar law affecting the rights of creditors generally shall be filed or commenced by, against or in respect of any guarantor hereunder, any and all obligation of that guarantor shall, at Subconcessionor's option, immediately become due and payable without notice.

12. If any payment or transfer to Subconcessionor which has been credited against any Obligation, is voided or rescinded or required to be returned by Subconcessionor, whether or not in connection with any event or proceeding described in Section 11, the Guaranty shall continue in effect or be reinstated as though such payment, transfer or recovery had not been made.

13. Except as otherwise provided herein, the Guaranty shall be construed as an absolute, unconditional, continuing and unlimited obligation of the each Guarantor hereunder without regard to the regularity, validity or enforceability of any of the Obligations, and without regard to whether any Obligation is limited, modified, voided, released or discharged in any proceeding under the United States Bankruptcy Code or any similar law affecting the rights of creditors generally.

14. Any termination of the Guaranty shall be applicable only to Obligations accruing after termination or having their inception after the effective date of such termination and shall not affect Obligations having their inception prior to such date.

15. The death or incapacity of any Guarantor hereunder shall not result in the termination of the Guaranty.

16. Any and all present and future debts and obligations of Subconcessionaire to any Guarantor hereunder are hereby waived and postponed in favor of and subordinated to the full payment and performance of the Obligations.

17. Each Guarantor hereunder waives to the greatest extent permitted by law: notice of acceptance hereof; presentment and protest of any instrument, and notice thereof; notice of default or intent to accelerate; notice of foreclosure; notice of any modification, release or other alteration of any of the Obligations or of any security therefor and all other notices to which any guarantor hereunder might otherwise be entitled.

18. Each Guarantor hereunder waives to the greatest extent permitted by law: any defense arising by virtue of the lack of authority, death or disability of such Guarantor; or any defense based upon an election of remedies by Subconcessionor which destroys or otherwise impairs the subrogation rights of such Guarantor or the right of such Guarantor to proceed against the Subconcessionaire for reimbursement, or both.

19. Upon the bankruptcy, winding-up or distribution of any of the assets of Subconcessionaire or any Guarantor, Subconcessionor's rights will not be affected or impaired by its omission to prove its claim or prove its full claim. Subconcessionor may prove such claims as it sees fit and may refrain from proving any claim.

20. This Guaranty will be jointly and severally binding upon each Guarantor, and their respective heirs, executors, administrators, successors and assigns, and will inure to the benefit of Subconcessionor, its successors and assigns. No Guarantor may assign this Guaranty without the express written consent of Subconcessionor.

[THIS SPACE LEFT INTENTIONALLY BLANK]

Exhibit D-6

Franchisee Acceptance of Renegotiation (Docusign)

The successful renegotiation of your master lease is a collaborative effort between the Franchise Owner, Business Development Agent, and Leasing Representative with each playing an important role. If the Franchise Owner has a direct relationship with the Landlord that may be the best position to begin a dialogue regarding renegotiation. In other cases, that relationship may not be as close and may not be the best strategy. Some Franchise Owners are not comfortable with negotiation and would prefer the assistance of the Business Development Agent and/or Leasing Representative to facilitate the negotiation. Roles vary, where sometimes the Business Development Agent negotiates business terms and sends to the Leasing Representative for review, at other times the Leasing Representative negotiates the entire deal. There is no single way to go about this process and all of those mentioned above, or a combination thereof, are acceptable methods that have worked over time. No matter how much or how little you participate in the process it's important to be aware of the following factors:

- Information is crucial. The more we know about your Landlord, restaurant, breakeven, profitability, type of center, vacancies, etc., the better deal we can achieve.
- The pace and length of the negotiation is almost always controlled by the Landlord. It's to their advantage to delay as close to the notification date as possible. As a result, some negotiations can be very lengthy.
- There are no guarantees. Landlords can be difficult and have no contractual obligation to renegotiate. Despite all efforts, we may not be able to strike the perfect deal. Be prepared to compromise.
- Regardless of all the challenges, our success rate is still excellent and we often complete very good deals that make your lease better and may increase your profitability. Even if it's a minimal concession, it's still a win for all parties.

I have reviewed the proposed change to the Lease Agreement and consent and request the Tenant to execute and formalize it with the Landlord. I understand that once executed between the Landlord and the Tenant, the attached document will also amend my Sub Lease Agreement with the Sub Lessor.

LEASE AND SUBLEASE TERMINATION AGREEMENT

THIS LEASE AND SUBLEASE TERMINATION AGREEMENT (this "**Agreement**") is made this _____ day of _____, 20__, by and among SUBWAY REAL ESTATE, LLC, a Delaware limited liability company ("**SRE**", "**Tenant**" or "**Sublandlord**"), Doctors Associates LLC, a Delaware limited liability company ("**Franchisor**"), _____, a(n) _____ ("**Landlord**"), _____, a(n) _____, _____, _____ and _____ (collectively, "**Subtenant**") and _____, _____ and _____ (collectively, "**Franchisee**"). SRE, Franchisor, Landlord, Subtenant and Franchisee may each be referred to herein as a "**Party**", and collectively as the "**Parties**".

R E C I T A L S:

WHEREAS, Franchisor and Franchisee are parties to a franchise agreement dated _____, 20__ (the "**Franchise Agreement**"), which expires on _____, 20__ (the "**Franchise Expiration Date**"), and pursuant to which Franchisee operates a Subway® restaurant (the "**Restaurant**") located at _____ (the "**Premises**");

WHEREAS, SRE and Franchisor are affiliated and, pursuant to prior company policy, SRE has historically leased properties owned by franchisees (or affiliates of franchisees) of Franchisor and subleased them back to the franchisees who operated Subway® restaurants on such properties;

WHEREAS, Landlord and Franchisee are affiliated, and Landlord owns the real property where the Premises is located;

WHEREAS, Landlord (or its predecessor-in-interest) and SRE (or its predecessor-in-interest) entered into that certain lease dated _____, 20__ for the Premises (the "**Lease**"), and Sublandlord (or its predecessor-in-interest) and Subtenant (or its predecessor-in-interest) entered into that certain Sublease dated _____, 20__ for the Premises (the "**Sublease**");

WHEREAS, SRE, Landlord and Subtenant wish to terminate the Lease and the Sublease;

WHEREAS, Franchisee wishes to reaffirm its obligation to operate the Restaurant at the Premises through the Franchise Expiration Date; and

WHEREAS, SRE, Landlord and Subtenant have agreed to the termination of the Lease and the Sublease on the terms and conditions contained in this Agreement.

NOW, THEREFORE, in consideration of the above preambles which, by this reference are incorporated herein, the mutual covenants and conditions contained herein and other valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. Effective upon full execution of this Agreement, the Lease and Sublease are hereby terminated.

2. Landlord and Tenant hereby release and discharge each other from any obligations to be observed and performed under the Lease. Sublandlord and Subtenant hereby release and discharge each other from any obligations to be observed and performed under the Sublease.

3. LANDLORD, SUBTENANT AND FRANCHISEE (THE "**RELEASING PARTIES**") REMISE, RELEASE, ACQUIT, SATISFY AND FOREVER DISCHARGE SRE AND FRANCHISOR, THEIR SUCCESSORS, PREDECESSORS, COUNSEL, INSURERS, ASSIGNS, OFFICERS, DIRECTORS, EMPLOYEES, PARENT COMPANIES, AFFILIATES, SUBSIDIARIES AND AGENTS, PAST AND PRESENT (THE "**RELEASED PARTIES**") FROM AND AGAINST ALL CLAIMS, ACTIONS, CAUSES OF ACTION, DEMANDS, DAMAGES, COSTS, SUITS, DEBTS, COVENANTS, CONTROVERSIES, AND ANY OTHER LIABILITIES WHATSOEVER, WHETHER KNOWN OR UNKNOWN, LIQUIDATED, FIXED, CONTINGENT, MATURED, UNMATURED, DISPUTED, UNDISPUTED, LEGAL OR EQUITABLE THAT THE RELEASING PARTIES EVER HAD, NOW HAVE, CAN, SHALL OR MAY HAVE, AGAINST ANY OR ALL OF THE RELEASED PARTIES FOR, UPON OR BY REASON OF ANY MATTER, CAUSE OR THING WHATSOEVER, FROM THE BEGINNING OF THE WORLD TO THE DATE OF THIS AGREEMENT.

4. Franchisee shall indemnify, defend with counsel reasonably acceptable to Franchisor and save Franchisor and its affiliates, and the shareholders, officers, directors, employees, and agents of Franchisor and its affiliates, harmless from and against all costs, expenses, liabilities, losses, damages, injunctions, suits, actions, fines, penalties, claims and demands of every kind or nature, including reasonable attorneys' fees, by or on behalf of any person, party or governmental authority whatsoever arising out of (a) any accident, injury or damage that occurs in or about the Premises, (b) any matter arising out of the condition, occupation, maintenance, alteration, repair, use or operation of the Premises or any part of it, or (c) any other matter arising from or relating to Franchisee's ownership or occupation of the Premises.

5. Landlord, Subtenant and Franchisee represent and warrant that as of the date hereof: (a) Landlord is the rightful owner in fee simple of the Premises; (b) Franchisee has the right to occupy the Premises and operate the Restaurant without restriction through the Franchise Expiration Date; and (c) Landlord, Subtenant and Franchisee have no knowledge of any fact or circumstance which would give rise to any claim, demand, action or cause of action arising out of or in connection with Franchisee's occupancy of the Premises.

6. Franchisee is hereby permitted and required to operate the Restaurant at the Premises through the Franchise Expiration Date, and Franchisee may not relocate the Restaurant without Franchisor's prior written consent.

7. Franchisee hereby agrees that, in the event that Landlord wishes to sell the property where the Premises is located prior to the Franchise Expiration Date, Franchisee shall, prior to the sale, agree to enter into a lease with the buyer that does not expire until on or after the Franchise Expiration Date, and the terms of such lease must be provided to Franchisor and approved in writing by Franchisor prior to Franchisee entering into the lease (an "**Approved Lease**"). Franchisor's approval of the terms of a lease indicates only that Franchisor believes the lease complies with acceptable minimum criteria established by Franchisor, and Franchisee acknowledges and agrees that Franchisee's acceptance of a lease is based on Franchisee's own independent investigation, including consultation with Franchisee's attorney and other advisors. The Approved Lease must contain a franchisor lease rider in the form that Franchisor requires. Franchisee agrees that it is Franchisee's sole responsibility to obtain a fully executed franchisor lease rider in connection with executing the Approved Lease. The franchisor lease rider is intended to provide Franchisor with certain protections under the Approved Lease and may not benefit Franchisee or its landlord. If Franchisee or the landlord request that Franchisor consider any modifications to the franchisor lease rider, and Franchisor elects to do so, Franchisor may also require Franchisee to reimburse Franchisor for all expenses Franchisor incurs (including reasonable attorneys' fees) in connection with such review. Franchisor may also reject any request for modifications to the franchisor lease rider for any reason.

8. Landlord and Franchisee agree that they will not lease, license or otherwise grant access to the Premises to a Competitive Business while the Restaurant is still operating (including during temporary closures) and for a period of one (1) year following the permanent closure of the Restaurant. "**Competitive Business**" means any business that operates, manages, franchises or licenses restaurants or stores that derive more than twenty percent (20%) of its total gross revenue from the sale of any type of sandwiches on any type of bread, including but not limited to sub rolls and other bread rolls, sliced bread, pita bread, flat bread, and wraps, whether for on or off-premises consumption, or via delivery or catering. The word "sandwiches" as used in the previous sentence does not include hamburgers, hot dogs, burritos, or fried chicken sandwiches, and full-service restaurants where customers are served by waitstaff and pay after eating, and Subway® Restaurants operated under franchise agreements with Franchisor, are not Competitive Businesses. Examples (without limitation) of Competitive Businesses as of the Agreement Date are the following chain restaurants: D'Angelo Grilled Sandwiches, Jersey Mike's Subs, Jimmy John's, Firehouse Subs, Potbelly, Togo's, Which Wich Superior Sandwiches, Charley's Philly Steaks, Penn Station East Coast Subs, McAlister's Deli, Pita Pit, Schlotzky's, Cousin's Subs, Capriotti's, Quiznos, Jon Smith Subs, Erbert & Gerbert's, Lenny's Grill & Subs, PrimoHoagies, Tubby's Sub Shop, Blimpie's, Super Sandwich, Nardelli's, DiBella's, Deli Delicious, Groucho's Deli, CHēBA Hut, Steak Escape, Miami Grill, Goodcents Deli Fresh Subs, and Great Wraps.

9. This Agreement shall be binding upon and inure to the benefit of the Parties and their respective successors, assigns and affiliates.

10. This Agreement may be executed in counterparts, and all counterparts together shall be construed as one and the same document. Executed counterparts of this Agreement with signatures sent by electronic mail (i.e., in PDF format) or signed electronically via DocuSign may be used in the place of original signatures of this Agreement. The Parties hereby waive any defenses to the enforcement of this terms of this Agreement based on the form of the signature or delivery thereof and hereby agree that such electronically mailed or signed signatures shall be conclusive proof, admissible in arbitration and judicial proceedings, of the Parties' execution of this Agreement.

EXHIBIT E
INTENT TO SUBLEASE

DATE: _____
I hereby offer to sublease from Subway Real Estate, LLC ("Sublandlord") the following described premises:

Street Address:_____
City, State:_____

for a period beginning approximately , _____, and ending approximately _____, plus renewal options, if exercised. I understand that the asking rental on the premises for the first year is:

$_____ per month.

Sublandlord enters into master leases for the purpose of subleasing the premises to franchisees of Doctor's Associates LLC to be used as a Subway® restaurant. The selection of these premises for utilization as a Subway® restaurant has been based upon the joint approval of Doctor's Associates LLC and myself. I have made an independent evaluation of the location and have concluded that the location has a reasonable opportunity of success as a Subway® restaurant. However, I understand and acknowledge that no representations of potential sales or earnings have been made to me by Doctor's Associates LLC, Sublandlord, nor any affiliate, nor their respective employees or agents, as to this or any other location.

It is agreed and understood that Sublandlord is entering into a master lease for the aforesaid premise (the "Master Lease") for the purpose of leasing the same to me to be used as a restaurant pursuant to a Franchise Agreement with Doctor's Associates LLC. I agree and understand that each person signing said Franchise Agreement as franchisee must also sign the sublease for the aforesaid premises (the "Sublease") as Subtenant. If I am obtaining a Small Business Administration (SBA) loan to construct my restaurant or purchase an existing restaurant and I am assigning my right to operate the restaurant to an operating entity, my operating entity must be a party to the Sublease. I acknowledge that I can assign or lease only to a Subway® franchisee and that Sublandlord's written consent to the assignment or leasing is mandatory. I understand that if I do assign or lease the premises with Sublandlord's consent, this consent shall not operate to release me from my obligations under the Sublease.

Upon receipt of a copy of the executed Master Lease between master landlord and tenant. I agree to execute two original copies of the Sublease for this location within seven (7) days. My refusal to execute the Sublease within this time frame will authorize the Sublandlord to offer this location to another Subway® franchisee. Further I agree that the security deposit paid in accordance with this document will not be refunded in the event that I fail to properly execute the Sublease within seven (7) days after receipt of a copy of the executed Master Lease.

I have received and reviewed the proposed lease for the demised premises. I understand the financial terms have been agreed upon, but that the Master Lease itself is not necessarily in its final form and is subject to further negotiation by Sublandlord. In the event Sublandlord's standard Master Lease is used, the landlord may propose modifications thereto. If the lease has been provided by the landlord, Sublandlord will propose revisions and add the tenant's rider. Neither Sublandlord nor any of its affiliates, nor agents or employees thereof, shall be held in any way liable for the outcome of these negotiations, or the inability, for any reason, to obtain an executed Master Lease for the aforesaid premises.

I hereby enclose a check, payable to Subway Real Estate, LLC, in the amount of _____which is equivalent to two months rent or equivalent to the security deposit required by the Master Lease, whichever is greater. These funds shall be held in a non-interest bearing escrow account. If the Master Lease requires a security deposit or initial rent due when the lease is signed, I understand that Sublandlord will make payment to

the master landlord with the above-referenced funds.

Provided I am not in default of the Master Lease terms, and if the Master Lease does not require a rental security or initial rent or requires a deposit which is less than the above-referenced sum, the remainder will be returned to me when the Subway® restaurant is opened for business.

I also agree to furnish Sublandlord with proof of insurance prior to entering into possession of the aforesaid premises.

If occupancy of the premises arises out of a License Agreement, all references to Lease, Sublease, Sublandlord and Subtenant in this document shall be replaced with License, Sub-License, Sub-Licensor and Sub-Licensee where appropriate.

If occupancy of the premises arises out of a Concession Agreement, all references to Lease, Sublease, Sublandlord and Subtenant in this document shall be replaced with Concession Agreement, Sub-Concession, Subconcessionor and Sub-Concessionaire where appropriate.

If occupancy of the premises arises out of a Contract Agreement, all references to Lease, Sublease, Sublandlord and Subtenant in this document shall be replaced with Contract Agreement, Subcontract, Subcontractor and Subcontractee where appropriate.

GENERAL RELEASE

This General Release (the "**Release**"), dated _____ is effective as of _____ regardless of the date of signature (the "**Effective Date**"), and is given by _____, a/an _____ on behalf of his, her or itself and each of his, her or its affiliates, parent and child companies, subsidiaries, related companies, and all companies under common ownership or control with them and their employees, officers, directors, shareholders, managers, partners, principals, agents, contractors, heirs, successors and assigns (collectively the "**Franchisee Releasing Parties**") in favor of **DOCTOR'S ASSOCIATES LLC**, a Delaware limited liability company ("**DAL**"), and DAL's franchisees and each of their affiliates, parent and child companies, subsidiaries, related companies, and all companies under common ownership or control with them and each of their employees, officers, directors, shareholders, managers, partners, principals, agents, contractors, franchisees, licensees, area representatives, business associates, business developers, heirs, successors and assigns (collectively, "**DAL Released Parties**").

BACKGROUND INFORMATION:

The Parties acknowledge that DAL and _____ entered into a Prior Agreement dated _____ (the "**Franchise Agreement**") for Subway® franchise #_____, located at _____.

OPERATIVE TERMS:

Accordingly, the parties agree as follows:

1. **Release by Franchisee Releasing Parties**. The Franchisee Releasing Parties do hereby irrevocably and unconditionally forever release, waive, discharge and covenant not to sue, DAL Released Parties of and from any and all actions, causes of actions at law and in equity, charges, complaints, contracts, liabilities, obligations, claims, demands, premises, reimbursements, costs, losses, debts, expenses, attorney's fees, damages, indemnities and claims of any kind or nature whatsoever which any of Franchisee Releasing Parties now have, ever had, or hereafter can, will or may have against any of the DAL Released Parties for and upon, or by reason of any damage, harm, loss or injury, now existing or hereafter arising out of or relating in any way to any acts, failure to act, omissions or intentional, negligent, reckless, or willful conduct or misconduct of any of the DAL Released Parties or their business or commercial activities, trademarks or service marks, occurring or arising at any time on or before the Effective Date, except for DAL's obligations under the Franchise Agreement and this Release. This release, waiver, discharge and covenant not to sue extends and applies to, and also covers and includes, all unknown, unforeseen, unanticipated and unsuspected injuries, damages, losses and liabilities, and the consequences thereof, as well as those now disclosed and known to exist occurring or arising on or before the Effective Date. The provisions of any state, federal, local or territorial law or statute providing in substance that releases will not extend to claims, demands, injuries or damages which are unknown or unsuspected to exist at the time to the person executing such releases are expressly waived by Franchisee Releasing Parties. However, this release will not apply to the duties and obligations expressly contained in this Release and the Franchise Agreement.

For use in California:

Each Franchisee Releasing Party has read or been advised of Section 1542 of the Civil Code of the State of California, which provides as follows: A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR. Each Franchisee Releasing Party understands that Section 1542 gives him, her or it the right not to release existing claims of which he, she or it is not now aware, unless he, she or it voluntarily chooses to waive this right. Having been so apprised, each Franchisee Releasing Party nevertheless voluntarily elects to and does waive the rights described in Section 1542 of the Civil Code of the State of California, and elects to assume all risks for claims that now exist in his, her or its favor, known or unknown.

2. **Confidentiality**. The parties expressly agree that they will maintain this Release, all drafts and discussions and actions relating to it and this Release's terms and conditions, in strict confidence and will not disclose the same to any third party without the prior written consent of the other parties. The foregoing obligations will not apply to any terms that a party is ordered by a court or tribunal of competent jurisdiction to disclose or in connection with a third party request as part of discovery in any court or administrative proceeding. However, the foregoing obligations of confidentiality will not apply to DAL to the extent that DAL deems it reasonably necessary to disclose this Release or any of its terms: (a) in connection with DAL's business and franchise operations or in compliance with any state or federal laws, rules or regulations; and/or (b) to a limited number of DAL's employees, shareholders, officers, directors, actual and prospective franchisees, licensees, area representatives, investors, purchasers of DAL's business, lenders, attorneys, accountants and other advisors provided such persons have a need to know such information and agree to an obligation of confidentiality. The parties agree that they will not, directly or indirectly, make any statements or comments that are in any way disparaging, negative, not positive or not favorable toward the other parties or any of the other parties' products, services, trademarks or service marks, business, goodwill, reputation, conduct, DAL's franchisees, current or former owners, employees, officers, directors, owners, agents, representatives, clients, suppliers, franchisees, licensees, or business activities, whether verbally, in writing, electronically or on-line. The foregoing restrictions set forth in the preceding sentence apply to any statements made to any third parties including, without limitation, current or former employees, news media, clients, customers, franchisees (existing or former), licensees or business associates of the other parties, officers, representatives, contractors, vendors, suppliers or other members of the public and third party businesses operating under a name containing the word "SUBWAY" or any word(s) similar thereto. This Section does not limit the ability of any Franchisee Releasing Party to discuss his, her or its experience as a franchisee with prospective franchisees.

3. **Miscellaneous**.

(a) **Severability**: If any of the provisions of this Release are held invalid for any reason, the remainder of this Release will not be affected and will remain in full force and effect.

(b) **Complete Agreement**: All of the terms and understandings between the parties are contained in this Release. There are no other oral or written understandings or agreements between them. The signing and delivery of this Release will not be construed as acknowledging any liability or responsibility on either party's part for any claim or matter whatsoever.

(c) **Attorneys' Fees, Etc.**: In any action or dispute at law or in equity that may arise under or otherwise relate to this Release, the prevailing party will be entitled to reimbursement of all of its costs and expenses, including reasonable accounting and legal fees (including paralegal fees and expenses, witness fees, court costs, arbitrator charges, and travel and lodging expenses).

(d) **Headings and Captions**: The captions preceding each section of this Release are inserted solely for convenient reference; they do not constitute a part of this Release and do not affect its meaning, interpretation or effect.

(e) **Counterparts**: The parties may sign this Release in multiple counterparts. Each signed counterpart will be an original.

(f) **Joint and Several**: In this Release, any words in the singular will also include the plural, as the case may be and as the context may require. If Franchisee Releasing Parties consist of more than one person, then all of Franchisee Releasing Parties' obligations to DAL under this Release are joint and several.

(g) **Further Assurances**: The parties will take any and all actions necessary or appropriate to effectuate the purposes of this Release; and sign any and all documents required or necessary under law or otherwise to effectuate the provisions of this Release.

(h) **Background Information and Exhibits**: The background information is true and correct. This Release will be interpreted by reference to the background information and exhibits.

(i) **Law and Jurisdiction**: All arbitration, dispute resolution, governing law, limitations on damages and jury trial provisions set forth in the Franchise Agreement, will apply to this Release.

To signify the intent to be bound by this Release, the parties have signed below:

This Transfer Addendum ("**Addendum**") dated _____ (the "**Effective Date**") amends and supplements the Franchise Agreement of the same date, including provisions modified by any Addenda to the Franchise Agreement (the "**Franchise Agreement**") between Doctor's Associates LLC, a Delaware limited liability company ("**we**", "**us**" or "**DAL**"), and _____ _____ ("**you**"). This Addendum modifies certain aspects of the Franchise Agreement to reflect the fact that you are purchasing an existing Restaurant. All capitalized terms in this Addendum have the same meaning given to them in the Franchise Agreement.

AGREEMENT:

I. **Incorporation and Precedence**. This Addendum: (a) is an integral part of, and is incorporated into, the Franchise Agreement; and (b) governs, controls and supersedes any inconsistent or conflicting provisions of the Franchise Agreement. Terms not otherwise defined in this Addendum have the meanings as defined in the Franchise Agreement. Any references to the Franchise Agreement also include this Addendum, unless the context expressly provides otherwise.

II. **Term of Agreement.** The Franchise Agreement shall be effective and binding from the date that we execute it and shall expire on _____, unless sooner terminated pursuant to the Franchise Agreement (the "**Term**").

III. **No Initial Franchise Fee.** You are not required to pay us our initial franchise fee under the Franchise Agreement.

IV. **Remodel Obligations.** You agree to complete a remodel of the Restaurant no later than _____ in accordance with the current remodel requirements set forth in the Confidential Operations Manual as published on our intranet website "The Feed" and as further detailed in the floor plan of the Restaurant.

V. **Equipment Obligations.** No later than ninety (90) days after the Agreement date, you agree to upgrade or replace any equipment in accordance with the equipment requirements set forth in the Confidential Operations Manual as published on our intranet website 'The Feed'. The parties agree that time is of the essence with respect to your equipment obligations.

VI. **Digital Menu Board Obligations**. You understand that you may be responsible for unpaid costs of Digital Menu Boards that were in use with the prior owner of the Restaurant if they are not cleared prior to the transfer.

VII. **Hours of Operation Obligations.** Without waiving any rights or obligations under the Franchise Agreement, we and you each acknowledge and agree that as required by Section 10.H of the Franchise Agreement, you must operate the Restaurant in accordance with the minimum hours of operation requirements set forth in the Confidential Operations Manual, which is currently 98 hours per week as of the date of this Addendum.

VIII. **Third-Party Delivery Participation Obligations.** Without waiving any rights or obligations under the Franchise Agreement, we and you each acknowledge and agree that as required by Section 11 of the

Uptime means the percentage of time a third-party delivery service is operational and able to process orders, handle deliveries, and maintain service availability in the Restaurant.

IX. **Lease Term Condition; Offset Agreement.** If, as of the Effective Date, less than three (3) years remain in the current term of the lease or sublease agreement for the Restaurant's premises (the "Lease") and either (a) you do not have the right to renew the Lease or (b) you do not have the right to renew the Lease and we reasonably believe that upon expiration of the Lease, the landlord of Premises will not enter into a new lease with you or us, then, as a condition to our consent to this transfer, you agree to, upon expiration of the Lease and/or closure of the Restaurant, open and operate the Restaurant at a new location approved by us. You further agree to memorialize this obligation by signing the Restaurant Offset and Forbearance Agreement (or a substantially similar agreement) when you sign this Agreement. You will be responsible for all costs to settle the Lease.

X. **Entire Agreement; Amendment.** The remaining terms of the Franchise Agreement are unaffected by this Addendum and remain binding on the parties. The Franchise Agreement, as amended and supplemented by this Addendum, contains the entire understanding of the parties. The parties can amend the Franchise Agreement further only in a signed writing. The provisions of the Franchise Agreement, as amended and supplemented by this Addendum, are ratified and affirmed. To the extent the terms of this Addendum and the terms of the Franchise Agreement conflict, the terms of this Addendum shall control.

12. No failure or delay on the part of the Holder in the exercise of any power, right or privilege hereunder shall operate as a waiver thereof, nor shall any single or partial exercise of any such power, right or privilege preclude other or further exercise thereof or of any other right, power or privilege. The provisions of this Note and Agreement are severable, and if any provision shall be held invalid or unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall not in any manner affect such provision in any other jurisdiction or any other provision of this Note and Agreement in any jurisdiction.

13. Each Maker hereby waives the benefits of division and discussion, presentment for payment, demand and notice of non-payment, protest and notice of protest of this Note and Agreement.

14. This Note and Agreement shall be governed by and construed in accordance with the internal laws of the State of Connecticut, without giving effect to any choice or conflict of law provision or rule that would result in the application of the laws of any other jurisdiction. This Note and Agreement shall not be interpreted or construed with any presumption against the party causing this Note and Agreement to be drafted.

15. This Note and Agreement shall be binding upon each of the Makers and their respective successors and permitted assigns and the terms hereof shall inure to the benefit of the Holder and its successors and assigns. This Note and Agreement may not be transferred or sold, or pledged, hypothecated or otherwise granted as security by the Makers. Holder may assign its right and obligations under this Note and Agreement without the prior written consent of the Makers.

16. Any notice, demand, request, waiver or other communication required or permitted to be given hereunder shall be in writing and given in accordance with the terms of the Makers' Franchise Agreements.

17. This Note and Agreement may not be modified or amended in any manner except in writing executed by the Makers and the Holder.

18. [Optional: Guarantor] In consideration of proceeds derived from the aforementioned Business Developer Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the undersigned guarantor (the **"Guarantor"**) further represents and warrants to the Holder that the Guarantor is benefited, directly or indirectly, by the Maker entering into this Note and Agreement. The Guarantor hereby irrevocably, unconditionally and absolutely guarantees to the Holder the prompt and complete payment when due and upon demand in writing from the Holder to the Guarantor at the address set forth herein, of any and all amounts payable by the Maker to the Holder arising out of or in connection

with the Note and Agreement. All sums payable by the Guarantor hereunder shall be made in immediately available funds. This Section is intended to be and shall be construed to be a continuing guaranty, without further notice to the Guarantor at the address set forth herein, and shall remain in full force and effect until the satisfaction in full of all amounts due and owing under this Note and Agreement.]

19. To the extent there is more than one Maker hereunder, each Maker shall be jointly and severally liable for the full, complete and punctual performance and satisfaction of all amounts due and owing by any Maker under this Note and Agreement. When pursuing its rights and remedies hereunder against any Maker, the Holder may, but shall be under no obligation, to pursue such rights and remedies hereunder against any Maker or any other person or against any collateral security for the amounts due and owing hereunder or any right of offset with respect thereto, and any failure by the Holder to pursue such other rights or remedies or to collect any payments from such Maker or any such other person to realize upon any such collateral security or to exercise any such right of offset, or any release of such Maker or any such other person or any such collateral security, or right of offset, shall not relieve such Maker of any liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of the Holder against such Maker.

20. In exchange for the Holder making this loan, each Maker hereby releases and discharges the Holder, its affiliates, subsidiaries, agents, Business Developers [(other than the Makers and their operating entity, herein referred to as OpCo)] [other than those Business Developers who are identified as guarantors to this loan], directors, officers, members, managers, shareholders, employees and representatives, from any and all claims the Maker has against any of them, including, but not limited to, those arising out of, or related to the Franchise Agreements [or the Business Developer Agreements].

21. a. Any dispute, controversy or claim arising out of or relating to this Note and Agreement, or the breach thereof, will be settled by arbitration to be administered by either the American Arbitration Association or its successor ("**AAA**") or the American Dispute Resolution Center or its successor ("**ADRC**") at the discretion of the party first filing a demand for arbitration. AAA will administer the arbitration in accordance with its administrative rules (including, as applicable, the Commercial Rules of the AAA and the Expedited Procedures of such rules). ADRC will administer the arbitration in accordance with its administrative rules (including, as applicable, the Rules of Commercial Arbitration or under the Rules for Expedited Commercial Arbitration). If both AAA and ADRC are no longer in business, then the parties will mutually agree upon an alternative administrative arbitration agency. If the parties cannot mutually agree, then the parties agree to take the matter to a court of competent jurisdiction to select the agency. Judgment rendered by the arbitrator may be entered in any court having jurisdiction thereof. The costs of the arbitration will be shared equally by the parties, except as otherwise provided in this Note and Agreement. The parties also agree that neither party will pursue class claims. The parties further agree not to consolidate the arbitration with any other proceedings, except for arbitrations in which you and we are the sole parties. The parties will honor validly served subpoenas, warrants and court orders. The parties further agree that only depositions for the sole purpose of preserving testimony may be conducted and that any documents exchanged between the parties as part of the discovery process must be returned or destroyed (with proof of destruction) within thirty (30) days of final judgment or dismissal of the arbitration.

    b. The parties agree that Bridgeport, Connecticut, will be the site for arbitration, and the arbitration will be held before a single arbitrator, not a panel.

    c. You may only seek damages or any remedy under law or equity for any arbitrable claim against us or our successors or assigns. You agree our intended beneficiaries of the arbitration clause, including our affiliates, shareholders, directors, officers, employees, agents and representatives, and their affiliates, will be neither liable nor named as a party in any arbitration or litigation proceeding commenced by you where the claim arises out of or relates to this Note and Agreement. If you name a party in any arbitration or litigation proceeding in violation of this Section [22.c.][to be modified if Guarantor terms included in Section 20], you will reimburse us for reasonable costs incurred, including but not limited to arbitration

fees, court costs, lawyers' fees, management preparation time, witness fees, and travel expenses incurred by us or the party.

d. Any disputes concerning the enforceability or scope of the arbitration clause will be resolved pursuant to the Federal Arbitration Act, 9 U.S.C. §1, et seq. ("**FAA**"), and the parties agree that the FAA preempts any state law restrictions (including the site of the arbitration) on the enforcement of the arbitration clause in this Note and Agreement. The parties agree to waive any right to disclaim or contest this pre-dispute arbitration agreement.

e. A party will be in default of this Note and Agreement if it i) commences action in any court in violation of this Section 22 [to be modified if Guarantor terms included in Section 20] prior to an arbitrator's final decision (except as otherwise allowed by this Note and Agreement, including to compel arbitration), or ii) commences litigation in any forum except where permitted by this Section 22 [to be modified if Guarantor terms included in Section 20]. The defaulting party must commence arbitration or litigation (as applicable and only if permitted) in compliance with this Section 22 [to be modified if Guarantor terms included in Section 20] prior to any award or final judgment. The defaulting party will also be responsible for the expenses the other party incurs to enforce Section 22.a. [to be modified if Guarantor terms included in Section 20], including but not limited to filing fees, court costs, attorneys' fees and travel expenses. However, if a court of competent jurisdiction deems the arbitration clause unenforceable after all appeals have been exhausted, the defaulting party will not be responsible for such costs.

f. The parties agree that all statutes of limitations provided for in the governing law that is applied to the arbitration shall have full force and effect.

22. EACH PARTY WAIVES, WITHOUT LIMITATION, ANY RIGHT IT MIGHT OTHERWISE HAVE TO TRIAL BY JURY ON ANY AND ALL CLAIMS ASSERTED AGAINST THE OTHER. THIS WAIVER IS EFFECTIVE EVEN IF A COURT OF COMPETENT JURISDICTION DECIDES THAT THE ARBITRATION PROVISION IN SECTION 22 [to be modified if Guarantor terms included in Section 20] IS UNENFORCEABLE. EACH PARTY ACKNOWLEDGES THAT IT HAS HAD A FULL OPPORTUNITY TO CONSULT WITH COUNSEL CONCERNING THIS WAIVER, AND THAT THIS WAIVER IS INFORMED, VOLUNTARY, INTENTIONAL, AND NOT THE RESULT OF UNEQUAL BARGAINING POWER. EACH PARTY AGREES THAT ANY SUCH TRIAL SHALL TAKE PLACE IN A COURT OF COMPETENT JURISDICTION IN CONNECTICUT.

23. Each party may transmit its signature on this Note and Agreement by electronic mail or other electronic signature, such as DocuSign, and any signature so transmitted will be binding and effective as an original. This Note and Agreement may be executed in any number of counterparts, each of which shall be deemed an original but all of which shall constitute one and the same instrument. Ink-signed original signatures to this Note and Agreement are required to be delivered to the Holder promptly after delivery of any electronic signatures.

Customer is a Subway® franchisee operating Subway® restaurants pursuant to a franchise agreement with Doctor's Associates LLC ("DAL").

Schedule A describes the equipment and other goods HTF agrees to lease to Customer (***"Equipment"***), and the services, or other non-hardware items, if any (***"Soft Cost Items"***; the Equipment and Soft Cost Items, collectively, the ***"Items"***), if any, whose costs HTF agrees to lease to for Customer, and the Items' location (***"Location"***) and supplier (***"Supplier"***).

The date that each of the Items have been delivered (or, for Soft Cost Items, made available and fully accessible) to Customer is the "Delivery Date." Customer will evaluate any Items on the Delivery Date . On and as of the Delivery Date the Items will be conclusively presumed to have been provided by Supplier and absolutely and finally accepted by Customer for all purposes, without any further right of evaluation or rejection, unless within 10 days of the Delivery Date (and before Customer otherwise confirms its acceptance in writing), HTF receives Customer's written notice duly rejecting the Items (the date, in the absence of a timely rejection, "Acceptance Date"). HTF may rely on Supplier's statements or other evidence provided by Supplier or third parties in establishing the Acceptance Date. In the absence of HTF's bad faith, its determination of the Acceptance Date will be conclusive, both as to its fact and its timing.

Customer authorizes HTF to initiate debit entries to the Bank Account for any amounts due under this Agreement. Customer shall immediately authorize the foregoing with Bank, it will provide a copy of the authorization to HTF on request, and confirms the Bank Account information is correct. Customer shall not revoke such authorization without at least 60 days before revocation providing HTF with a similar authorization satisfactory to HTF for a different bank account (which shall then be the *Bank Account* hereunder). HTF shall make all debit entries to the Bank Account only after invoicing Customer, and not before the payment due date. HTF will not impose late charges under this Agreement directly resulting from its timing of direct debit entries. If HTF's ability to complete direct debit entries is terminated for any reason (regardless of whether or not any such termination is permitted), then with respect to all amounts for which HTF has been unable to initiate debit entries to the Bank Account or in the event a debit entry to the Bank Account is rejected, Customer will make timely payment by financial instrument or otherwise in good funds. Additionally, with respect to any debit entry initiated by HTF that is not successful, HTF may periodically initiate additional debit entries until the underlying obligation is satisfied. Without limiting the foregoing, HTF presently intends to initiate debit entries to the Bank Account under this Agreement for Periodic Payments (including applicable sales/use taxes and estimated personal property taxes) and Pass-Through Payments.

Terms & Conditions

1. Effectiveness. HTF will accept and be fully bound by this Lease Agreement (***"Agreement"***) only by signing it or paying Supplier for the Equipment and Soft Cost Items (if any) and only after Customer has supplied all required financial information and HTF has determined that Customer meets HTF's underwriting requirements and satisfies HTF's applicable policies for the "on-boarding" of customers, including as to all matters relating to the USA Patriot Act, OFAC, "know-your-customer," and restrictions on establishing relationships with customers engaged in certain types of businesses. HTF will make a copy of this Agreement available to Customer electronically promptly after its acceptance by HTF and, on request email Customer a copy of this Agreement. **Customer cannot terminate or cancel this Agreement except as expressly provided herein.**
2. Term. The term of this Agreement (***"Term"***) begins on the Acceptance Date and then continues to the first day of (and Periodic Payments begin with) the Payment Period whose first day occurs on or next follows such date, and then for the Base Term, and then for any renewals or extensions of this Agreement at any time in effect or to come into effect, as provided in this Agreement or by other written agreement of the parties.
3. Payments. The Periodic Payment for each Payment Period of the Term is due on the first day of each Payment Period. **This Agreement is Customer's absolute and unconditional obligation. Customer will make all payments in full and without offset, counterclaim, notice, or defense, arising under this Agreement or otherwise, or against HTF, HTF's assigns, Supplier, or any person who is an affiliate of or closely connected with any of the foregoing persons (by ownership, contract, or otherwise), or anyone else.** Without limiting the foregoing, Customer will pay HTF's assigns without regard to claims or defenses it may have against HTF. Customer may nonetheless enforce any claims against HTF in separate actions at law for damages. HTF may impose late charges up to 7.5% per annum (but not more than the lawful rate) of payments not paid when due . HTF may charge up to $10 for any returned or unsuccessful financial instrument given by Customer or debit entry initiated by HTF (plus actual costs incurred by HTF).
4. Supplier Agreement; Maintenance Agreement. Customer is solely responsible to Supplier and all other persons for the Items under any agreement, invoice, or other document made with or received from Supplier in respect of the Items (***"Supplier Agreement"***) except HTF will pay Supplier for the Items following the Acceptance Date. HTF shall have no obligation to Customer in respect of any Supplier Agreement, even if issued, received, accepted, or performed by HTF (and in such instances HTF will be acting as Customer's agent therefor with full recourse to

Customer), including in respect of terms included or not included therein, and Customer waives notice of any such terms. . The parties acknowledge that while the performance of some of Customer's duties hereunder may be performed by Supplier, Customer shall nonetheless be exclusively liable to HTF for its obligations hereunder. Under Uniform Commercial Code (***"UCC"***) Article 2A Customer is entitled to the promises and warranties of Supplier given to HTF. Customer may contact Supplier for an accurate and complete statement of those promises and warranties and any disclaimers or limitations thereon.

5. Warranties and Disclaimers. Supplier and HTF do not represent or speak for one another, nor are they each other's agents. HTF assigns to Customer, during the Term, so long as no Default is continuing, any assignable representations, warranties, and promises made by Supplier or Manufacturer or any other third party in connection with the Equipment, but any claims arising therefrom may only be pursued by Customer in its own name. HTF will reasonably cooperate with Customer, at Customer's request and expense, in pursuing any such claims and obtaining for Customer the benefit of all such rights. Customer may communicate with Supplier or any third party and receive an accurate and complete statement of those promises and warranties, including any disclaimers and limitations thereon or on any remedies. **HTF's leasing (and transfer, if any) of the Equipment to Customer and financing the Soft Cost Items for Customer is As-Is, Where-Is, and without warranties of merchantability or fitness for a particular purpose or as to infringement, title, or other matters,** except that so long as no Default occurs HTF warrants it will not interfere with Customer's quiet enjoyment of the Items during the Term and HTF warrants any transfer of the Equipment to Customer to be free of liens arising by, through, or under HTF (other than this Agreement). If a failure by HTF to materially observe the foregoing warranty of quiet enjoyment continues for 10 days after notice, Customer may in its absolute discretion exercise any one or more of the following remedies (which shall be its exclusive remedies for such failure): (a) by notice terminate this Agreement (including its obligation to pay Periodic Payments) as it relates to such Items; or (b) proceed in a separate action at law to recover all direct damages suffered by Customer resulting from such failure. HTF is not responsible for any consequential, special, or indirect damages of any kind relating to this Agreement or any Items; provided, however, the foregoing limitation shall not be applicable to any Customer loss arising out of HTF's gross negligence, fraud or willful or intentional misconduct.

6. Covenants. (a) Customer will not remove the Equipment from the Location except Customer may relocate the Equipment to another of its Subway franchise locations within the continental United States of America if (and only if): Customer provides a minimum of 30 day written notice to HTF, HTF has received all reasonably necessary information regarding the new location, and DAL has consented to such relocation in writing and Customer has provided a copy of such consent to HTF. (b) Customer shall use the Items only for the business purposes for which it was designed, and in compliance with all applicable manufacturer operating standards. (c) Customer shall comply with all laws applicable to it, or to the Items, including laws relating to hazardous materials or the environment. (d) Within a reasonable amount of time, Customer must make any alterations or additions to the Equipment which are provided by HTF or the Supplier at no additional cost or that may be required for compliance with the preceding subsection which are available from the Supplier or Maintenance Provider at no additional cost. Any alterations, additions, or replacements will be HTF's sole property. Customer will make no alterations, additions, or replacements to the Equipment except as provided in this subsection or subsection (c) above. (e) Customer will keep the Equipment useable, in good working order, clean, cosmetically good, and in substantially the same condition as when shipped to Customer, reasonable wear and tear excepted. (f) Customer will perform or obtain reasonable maintenance or other similar services that may be needed for it to use or benefit from the Items.

7. Taxes. Customer will pay and reimburse HTF for (and on demand file for and pay directly), and hold HTF harmless and defend HTF from, all taxes, fees, and assessments of any kind, including penalties, fines, interest, license and registration fees, electronic waste, recycling, and other environmental fees, and sales, use, and personal property taxes (without proration), whether imposed on HTF or Customer or any of their affiliates, or on or relating to the Items, this Agreement, or any related instrument, whether any of the foregoing amounts are assessed or arise during the Term, or thereafter and fairly attributable to the Term (collectively, ***"Taxes"***). Unless HTF otherwise demands, HTF is exclusively entitled to file for and pay all personal property Taxes on the Equipment. Notwithstanding anything to the contrary in this section, Customer will not be responsible for HTF's income taxes, or penalties, fines, or interest due to HTF's negligence. At HTF's option, Customer will remit, along with the Periodic Payments under this Agreement, a ratable portion HTF's reasonable estimate of personal property Taxes it expects to be assessed. Customer will remain responsible for any deficiency such Taxes are insufficient to cover, and any surplus will be credited to Customer. If "up-front" sales or use Taxes or other Taxes imposed at the inception of this Agreement are due in the state of Customer's location, Customer will finance such amounts hereunder at an interest rate equal to the implied rate of the Lease. If an individual Tax-related liability or payment is less than $1,000, HTF may, and on Customer's request it will, certify to Customer the amount and existence of the liability, and such certification shall be conclusive evidence thereof, sufficient for all purposes.

8. Indemnity. Customer will indemnify HTF for and hold harmless and defend HTF against: (i) all third-party liabilities, damages, losses, penalties, expenses (including attorneys' fees and costs), claims, and actions (including those based on strict liability, statute, regulation, common law, or other legal theory) directly relating to Customer's use, benefit, operation, purchase, ownership, leasing, possession, maintenance, delivery, return or sale of the Items or Customer's obligations relating to this Agreement and arising or fairly relating to events occurring or conditions existing at any time during the Term and Possession Period (collectively, ***"Third Party Claims"***); and (ii) damages, losses, and expenses (including attorney's fees and costs) incurred by HTF in enforcing its rights under this Agreement. However, Customer will not be liable under this section for the net price of the Items to be paid to Supplier after this Agreement requires HTF to pay it, and Customer will not be liable to a person or entity to the extent of that person or entity's negligence or willful misconduct.

9. End-of-Term. With at least 90 days' notice to HTF before the end of the Term Customer may elect to: (a) return all (and not less than all) of the Equipment, in which case Customer will continue paying Periodic Payments through the end of the Term and it will properly deinstall, pack, transport, and deliver the Equipment to a US location designated by HTF so as to be received by HTF at that location by the end of the Term in the condition required under this Agreement and free of password protection, data, consumables, and fuel, and also free of chemicals, wastes, or toxic, hazardous, or dangerous materials not originally included by the manufacturer as part of the Equipment, and at the manufacturer's current engineering change level, and certified by the manufacturer as eligible for its maintenance contract, if generally available, at then prevailing rates, without the need for HTF to incur any repair, rehabilitation, or certification expense; or (b) purchase all (and not less than all) of the Equipment on the last day of the Term for the specified Purchase Option price; or (c) with HTF's written approval, renew the Term for a minimum of 6 months at a Periodic Payment based upon the then-fair market value of the Equipment and as mutually agreed in writing; or (d) elect any other end-of-Term option that may be stated herein. If Customer does not give such election notice or does not pay or perform Customer's elected option by the end of the Term, the Term will automatically renew at the Periodic Payment previously in effect and on the same terms for successive one-month periods until Customer give at least a 90-day written notice electing one of the foregoing options and performs the elected option by the end of the last such renewal of the Term. This Agreement is agreed to be a finance lease as defined in UCC Article 2A. Customer waives any rights and remedies Customer may have under UCC Sections 2A-508 through 2A-522.

10. Risk of Loss; Liquidated Damages. At all times until the Equipment is returned to HTF (***"Possession Period"***), Customer will, at its expense, repair any Equipment that is damaged, and within 30 days of the applicable event replace (with equipment of the same manufacturer, year, make, model, and accessories and in the condition required hereunder), or pay HTF the Liquidated Damages, if any Equipment is lost, stolen, destroyed, damaged and not repaired, and is not replaced by Customer within such period, or governmentally requisitioned or taken. Customer shall immediately notify HTF of the occurrence of any such event. No such event shall condition, limit, or affect Customer's obligations under this Agreement, including its payment obligations. ***"Liquidated Damages"*** means, as of the date for which such amount is being determined, liquidated damages consisting of: the Periodic Payments and other amounts then due and outstanding hereunder; plus the present value of all Periodic Payments scheduled to become due for the rest of the Term, discounted from their Due Dates at 3% per annum ; plus the present value of the amount that Customer is obliged to pay or that it may optionally pay to acquire all of the Equipment at the end of the Term, if this Agreement expressly gives Customer the obligation or option to do so, or of the fair market value of the Equipment otherwise, discounted from the last day of the Term at 3% per annum. When HTF receives the Liquidated Damages in full when due under this section or Sections 13(b) or 15 below, plus all Taxes and other amounts due in connection therewith or that are otherwise outstanding hereunder, this Agreement (including the obligation to pay future Periodic Payments) will terminate and HTF will transfer to Customer any Equipment still in Customer's possession.

11. Insurance. Until the end of the Possession Period Customer will, at its expense, maintain property insurance against the loss, theft or damage to the Equipment for its full replacement value. Customer will provide HTF with evidence of such insurance as from time to time HTF may request . Any insurance proceeds of such insurance received by HTF or Assignee in respect of events with respect to which Customer has concurrent Agreement obligations will be applied by HTF to those obligations. Customer has no right to the benefit of any insurance maintained by HTF for its own account.

12. Default. A default by Customer (***"Default"***) shall occur if: Customer fails to make any Periodic Payment or other payment due hereunder or under any Other Agreement within 10 days of receipt of written notice of the payment's being overdue; Customer fails to comply with the material terms of this Agreement or any related document or Other Agreement and, if curable, the failure continues uncured for 30 days after written notice; Customer or any guarantor of this Agreement is or becomes insolvent, dissolves, or assigns its assets for the benefit of its creditors, or becomes the subject of any bankruptcy (excluding a reorganization) proceeding; or any guarantor of this Agreement dies and is not replaced within 60 days thereafter by a new guarantor agreeable to HTF or fails to comply with its guaranty; or any material financial information made available by Customer or any application made or other information given by Customer is or is discovered to be materially inaccurate and intentionally misleading. ***"Other Agreement"*** means any lease, finance agreement, installment payment agreement, loan, note, or other agreement made by Customer with HTF or an affiliate of HTF or that HTF or an affiliate of HTF is or becomes the beneficiary of, and any agreement of any kind made by Customer at any time with any person that HTF considers to be a material agreement.

13. Remedies. Upon a Default HTF may with notice to Customer: (a) terminate this Agreement; (b) declare the Liquidated Damages immediately due; (c) peacefully repossess any Equipment without court order (with HTF's liability limited to direct damages caused by HTF's gross negligence, willful misconduct or breach of the peace) or require Customer to return any Equipment to HTF; and/or (d) require Customer to cease using or benefitting from any Items. HTF may notify DAL and any guarantor or any other persons of its intended exercise and exercise of any of the foregoing remedies. HTF's sole obligation to mitigate its damages is that if it repossesses any Equipment under this section, it will dispose of the Equipment in a commercially reasonable manner with or without notice (but, if notice is required by law, 10 days' notice is reasonable), at public or private sale, and apply the net proceeds (after deducting all taxes and reasonable costs related to the sale or other disposition) to the amounts Customer owes HTF, and Customer will remain liable for any deficiency. The foregoing remedies are cumulative and in addition to all other rights or remedies now or hereafter existing under this Agreement or at law or in equity and may be enforced concurrently and from time to time. If Customer fails to make any payment to a third party or perform any other act required hereunder, HTF may, but need not, make such payment or perform such act at the expense of Customer, reimbursable to HTF on demand, and HTF's action shall not be deemed a cure or waiver of Customer's failure.

14. Title. All Soft Cost Items are provided directly to Customer by Supplier, and not by HTF, even if any Supplier Agreement or Supplier invoice is issued, received, accepted, or performed by HTF (and in such instances HTF will be acting as Customer's agent therefor, with full recourse to Customer, and without affecting Customer's assignment to HTF provided in Section 4 above). Customer has no right or interest in the Equipment except that set forth in this Agreement. The

Equipment is the separate personal property of HTF even if physically attached to other real or personal property. Customer will keep the Equipment free of all liens and encumbrances other than this Agreement and those created by HTF or its assigns. Customer agrees promptly, at Customer's expense, to deliver such documents and make such reasonable assurances, and take such reasonable further action as HTF may reasonably request, in order to effectively carry out the intent and purpose of this Agreement.

15. Assignment. HTF may, with or without notifying Customer, and without relieving HTF of any of HTF's obligations hereunder, in whole or in part transfer or assign this Agreement or any Equipment, including as collateral for any obligation of HTF owing to such assignee. However, provided no Default has occurred, Customer will not be required to pay HTF's assignee any amounts under this Agreement unless Customer is provided with written notice that payments should be made to such assignee (and if so instructed, Customer agrees to make payments due hereunder directly to HTF's assignee, as indicated in such notice). **Customer agrees any assignments or transfers by HTF will not materially change Customer's obligations hereunder. Customer may not in whole or in part transfer or assign this Agreement or the Equipment or sublease the Equipment to any other person without HTF's prior written consent, not to be unreasonably withheld.** However, with at least 30 days' prior notice to HTF and provided no Default exists under this Agreement, Customer may assign this Agreement and the Equipment to another DAL franchisee in the United States ("Replacement Franchisee") if (a) DAL approves in writing the Replacement Franchisee as a franchisee in good standing ; (b) HTF and its assignee agree in writing that the Replacement Franchisee can meet HTF's and its assignee's then current underwriting requirements and satisfies HTF's and its assignee's then applicable policies for the "on-boarding" of customers, including as to all matters relating to the USA Patriot Act, OFAC, "know-your-customer," and restrictions on establishing relationships with customers engaged in certain types of businesses (HTF shall determine whether the conditions of this subsection (b) are met promptly after it receives all documents, assurances, certifications, and financial or other information it may request), and (c) Customer's assignee assumes this Agreement in a writing reasonably satisfactory to HTF, executed by persons for whom HTF has received satisfactory evidence of the names, titles, signatures, and authority. No assignment other than one satisfying the conditions of subsections (a), (b) and (c) above will condition, limit, or affect Customer's obligations under this Agreement. Upon the effective date of an assignment satisfying the conditions of subsections (a), (b) and (c) above, Customer will be relieved of (and Customer's assignee shall become liable for) all of Customer obligations under this Agreement arising (or fairly attributable to events or occurring or conditions existing) after the assignment. If a requested approval is not given to an assignment under this section or HTF does not determine that the conditions under subsection (b) above is met, Customer may terminate this Agreement by paying the Liquidated Damages under Section 10 above. Subject to the foregoing, this Agreement binds and benefits the parties' successors and assigns.

16. Interpretation. Michigan law governs this Agreement without giving effect to any principles of conflicts of law. The parties irrevocably consent to the jurisdiction of the federal and state courts in Michigan. **If permitted by law, both parties both waive jury trial.** The terms of this Agreement may differ from other similar agreements between the parties. Time is of the essence. A provision of this Agreement that is or becomes invalid does not affect the remainder of that provision or this Agreement. Terms of inclusion are without limitation. EXHIBIT L
LITIGATION

Subway franchisees and other third parties sometimes bring lawsuits against us and our affiliates alleging violations of a franchise, antitrust, or securities law, or alleging fraud, unfair or deceptive practices, or comparable allegations. Pending and concluded lawsuits against us and/or our affiliates including such allegations that we are required to disclose are described below. We and our affiliates are also sometimes named as parties to lawsuits brought by people who claim injury from eating, working or being in a Subway® restaurant, even though the restaurant is owned and operated by a franchisee. The franchisee and others are usually also named as parties in these cases. These lawsuits include claims arising from cases of hepatitis or other illness which the customers claim they contracted at the restaurant, or from a death, assault or personal injury which results from an accident (e.g., slip and fall), employment or a robbery or other criminal act by a third party. We and our affiliates maintain insurance coverage against liability for these actions and vigorously contest them. You are also required under your Franchise Agreement to maintain insurance against these risks. See Item 8. We believe these types of lawsuits are ordinary routine litigation, covered by insurance, and not material. We choose to disclose these matters to you generally to point out the types of lawsuits which might arise from the operation of your restaurant and to stress to you the importance of maintaining adequate insurance coverage. There have also been highly publicized cases recently where juries have found other franchisors liable for injuries resulting from a franchisee's operations, and we believe you would like to be aware that we, our affiliates and franchisees are sometimes sued because of events which occur at independently owned and operated restaurants. Any references in the actions below to Doctor's Associates Inc. or DAI, the prior system owner, are deemed to refer to Doctor's Associates LLC, which is Doctor's Associates' new name post conversion from a corporation to a limited liability company pursuant to the internal corporate restructure project described in Item 1 of this Disclosure Document (the "Restructure"). Additional entities referenced in this Exhibit also changed their corporate status as part of the Restructure, as follows:

Entity	Name After Restructure
Subway Restaurants, Inc.	Subway Restaurants, LLC
Subway Sandwich Shops, Inc.	Subway Sandwich Shops, LLC
Subway Real Estate Corp.	Subway Realty, LLC
Subway Franchise Systems of Canada, Ltd.	Subway Franchise Systems of Canada, ULC

In addition, following the Restructure, DAL redomesticated from a Florida limited liability company to a Delaware limited liability company, as described in Item 1. Any references below in this Exhibit to these entities are deemed to refer to the entity's new name post conversion as indicated in the list above.

A. Pending Actions:

1) Direction Régionale des Entreprises, de la Concurrence, de la Consommation, du Travail et de l'Emploi ("DIRECCTE") Plaintiff, v. Subway International, B.V. ("SIBV") and Subway Realty of France ("SROF"), Defendants. Plaintiff, a branch of the French government, claims that SIBV's Franchise Agreement contains invalid clauses under French law creating a significant imbalance between the rights and obligations of SIBV and its franchisees and asked, in 2016, the Paris Commercial Court, among other things, to: (i) declare several clauses of the franchise agreement significantly imbalanced and annul them, (ii) order SIBV to cease these practices, (iii) sentence Defendants to pay a fine of Euros 2 million and (iv) order the publication of the decision in three French newspapers. About thirty franchisees and ex-franchisees decided to join the proceedings. After issuing two preliminary rulings on May 28, 2019 and January 21, 2020, the court found on October 13, 2020 that certain portions of the franchise agreement were significantly imbalanced and therefore null and void and needed to be revised, and a fine of €500,000 was imposed, lower than the €2,000,000 that the DIRECCTE requested. On January 15, 2021, SIBV and SROF filed an appeal against the preliminary rulings of 2019 and 2020 and the ruling on the merits of October 13, 2020 with the Paris Court of Appeal. The appeal is pending.

On February 9 and 15, 2021, certain intervenor franchisees and ex-franchisees requested and obtained from the Paris Commercial Court that it reopens the proceedings to rule on their claims for damages. SIBV and SROF filed

submissions to request that the stay of proceedings be maintained pending the final decision of the Paris Court of Appeal on the appeal against the three aforementioned judgments. On July 6, 2021, the Paris Commercial Court granted this request for a stay of proceedings.

In a Court order dated May 26, 2021, the pre-trial judge of the Court of appeal decided that the appeal against the intervening parties for the ruling of the Paris Commercial Court of October 13, 2020 was admissible but not the appeal against the two interim rulings. On June 15, 2022, the collegiate body of the Paris Court of Appeal followed SIBV's and SROF's argumentation and ruled that all appeals of SIBV and SROF were admissible against all the parties (including the intervening parties) and all rulings of the Paris Commercial Court (the two preliminary rulings and the ruling on the merits).

In July 2022, SIBV and SROF entered into settlement discussions with the intervening parties in order to put an amicable and definitive end to their dispute. As of April 2024, a settlement agreement has been reached between SIBV, SROF and most of the intervening parties, which therefore withdrew their appeal before the Paris Court of Appeal and their claims on the merits before the Paris Commercial Court. Only four ex franchisees have maintained their claims against SIBV and SROF (later reduced to one original ex-franchisee following further settlements).

For the franchisees that settled, the material terms of the various settlement agreements include the respective franchisee agreeing to withdraw from the proceedings and waive in full all past, present and future claims against SIBV and SROF, and in certain cases, SIBV agreed to make a payment to, or waive of past debts of, the respective franchisees.

At the same time, SIBV and SROF also entered into negotiations with the DIRECCTE in July 2022 and in March 2024, SIBV, SROF and DIRECCTE signed a settlement agreement putting an amicable and definitive end to their dispute. In the settlement agreement, the parties agreed to withdraw from the proceedings before the Paris Court of Appeal. In addition, the Parties agreed that SIBV (1) will pay DIRECCTE €450,000 as final settlement indemnity; (2) acquiesced to the ruling rendered by the Paris Commercial Court on October 13, 2020 (except for the fine of €500,000) (3) will continue to use a standard franchise agreement that is compliant with an agreed template and applicable French law; and (4) will further amend the Operations Manual in relation to restaurant opening hours and procedure for opening new restaurants.

SIBV and Rex Subs Europe (formerly SROF) have settled the case with the DIRECCTE and with almost all intervening parties between 2023 and 2025. However, 10 new ex-franchisees have filed claims before the Paris Economic Activities Court (formerly the Paris Commercial Court) on 13 October 2025 to join the proceedings in first instance and launch new proceedings. Therefore, the dispute continues: (i) before the Paris Court of appeal, with only one original ex-franchisee. The debate before the Court of appeal focuses exclusively on the admissibility of the intervening parties' claims; and (ii) before the Paris Economic Activities Court, with the original ex-franchisee cited above, plus the ten new claimants who filed their claims on 13 October 2025. Here, the debate is on the merits of the intervening parties' claims. SIBV and Rex Subs Europe will ask the Paris Economic Activities Court to order a new stay of the proceedings until the Court of Appeal renders its decision on the admissibility of the claims.

If the Paris Court of Appeal follows SIBV and Rex Subs Europe's argumentation on the inadmissibility of the intervening parties' claims and if they do not appeal before the French Court of cassation, the Paris Economic Activities Court should follow and dismiss their claims for damages.

If, on the contrary, the Paris Court of Appeal confirms the admissibility of their claims, the debate before the Paris Economic Activities Court will go on, and the parties will argue on the merits of their damages claims.

Since the new claims were filed, the first-instance proceedings (before the Paris Economic Activities Court) were joined on 29 January 2026 and have been adjourned successively for submissions, most recently to 8 September 2026. The court has not yet granted SIBV and Rex Subs Europe's request for a stay pending the appeal. The intervening parties seek damages of €300,000 per franchisee, together with €746,910 claimed by the HEKLA liquidator, joint and several liability, and costs. The Paris Court of Appeal is due to hear the admissibility of the claims on 9 September 2026.

2) Subway Franchise Restaurants of Canada ULC. and Subway Franchise Systems of Canada, ULC v. Abbas Pouya' Marzieh Pouya and Ali Reza Haghighi Baghal (Ontario Superior Court of Justice court file no. CV-22-00675214-0000). On January 14, 2022, Subway Franchise Restaurants of Canada ULC ("SFRC") and Subway Franchise Systems of Canada, ULC ("SFSC") filed a statement of claim against the defendants and former franchisees Abbas Pouya' Marzieh Pouya and Ali Reza Haghighi Baghal (collectively referred to as "Franchisees") seeking damages for breach of contract in the amount of $74,022.48, resulting notably from lease liability that SFRC had to pay to the landlord after the Franchisees decided to close their restaurant and which the Franchisees refused to reimburse. On or around May 12, 2022, the Franchisees filed a statement of Defence and Counterclaim against SFSC and SFRC in which they claim damages of $300,000 resulting from SFSC's violation of the statutory duty of good faith and fair dealing towards the Franchisees. The Franchisees alleged that SFSC violated its statutory obligation when SFSC and SFRC representatives provided misleading advice to the Franchisees by failing to disclose the availability of COVID-19 relief before advising the Franchisees to abandon their restaurant. SFRC and SFSC intend to contest the Franchisee's Counterclaim. SFSC filed a motion to stay Franchisees' Counterclaim, and a hearing to adjudicate the motion is scheduled for January 7, 2027.

3) Subway Developments (London) Limited, London Food & Beverage Company Limited & General Foods Limited v Subway International B.V. (International Centre for Dispute Resolution, Case No. 01-24-0007-5495). On August 30, 2024, the claimants, brought claims against SIBV challenging the termination of their business development agent agreements (three separate agreements) ("BDAs"). The claimants are seeking an award declaring (1) the BDAs were improperly terminated; (2) the BDAs are reinstated; (3) the terms of the BDAs run for two additional five-year terms and SIBV cannot modify the form of the agreement to shorten the renewal terms; (4) certain provisions of the BDAs are unenforceable and following damages are awarded to the BDs: (a) damages representing remaining contract value in the mount to be more specifically determined but approximately £45,000,000; (b) damages representing goodwill indemnity pursuant to Dutch commercial agency laws in the amount to be more specifically determined but approximately £3,400,000; (c) pursuant to Dutch commercial agency laws, claimants are entitled to surplus commissions with regard to long-lasting franchise agreements and restaurants developed or an alternative lump sun amounting to an anticipated commissions; (d) Dutch statutory trade interest; (e) procedural costs and attorney fees; and (f) other legal/equitable relief deemed appropriate by arbitrator. The parties have appointed a panel of 3 arbitrators, and both parties have each submitted their pleadings. The Arbitration is stayed.

4) Jeffrey Offutt v. Doctor's Associates, LLC (American Arbitration Association Case # 01-24-0008-8333). On November 21, 2024, Jeffrey Offutt ("Claimant"), filed a demand for arbitration, seeking a declaration that his expired 1995 Franchise Agreements for Restaurants 5727, 11852, 12161 and 13426 automatically extend to 2035; that his expired 1996 Franchise Agreements for Restaurants 18589, 4398, 10655, 6045, 11262, 13656, 18563 and 17935 automatically extend to 2036; that his expired 1997 Franchise Agreements for Restaurants 4514 and 7468 automatically extend to 2037; and that his expired 1999 Franchise Agreement for Restaurant 21295 automatically extends to 2039. All of the foregoing restaurants, with the exception of #4514, which claimant voluntarily closed, remain open and operating. Further, Claimant seeks a declaration that he is entitled to reasonable time after judgment is issued in the arbitration to comply with "[DAL]'s reasonable and material requirements with may have expired before the entry of the order requested in this action." Claimant seeks a permanent injunction forbidding DAL from terminating or failing to renew Claimant's franchise agreements listed above in violation of the declaratory judgment. Claimant also seeks damages under the Connecticut Unfair Trade Practices Act, and attorneys' fees and costs in connection with this demand. On December 23, 2024, the Respondent filed an Answer denying the allegations, Affirmative Defenses and Counterclaims, claiming a breach of contract and seeking declaratory relief, and a demand for Attorneys' fees and costs. On January 17, 2025, Claimant filed an Answer and Affirmative Defenses to Respondent's Counterclaims. After a multi-day hearing in February 2026, the arbitrator issued a Partial Final Award on August 7, 2026. She found that the parties' "course of conduct created an implied agreement to continue operating under the same terms as the original Franchise Agreements, terminable upon reasonable notice, with no fixed expiration date" and specifically found that the Franchise Agreements were not renewed. She also found that DAL's conduct was not in bad faith, not retaliatory, "not immoral, unethical,

oppressive or unscrupulous" but found DAL's conduct was "unfair" and constituted a violation of CT Unfair Trade Practices Act in light of Claimant's claim that he "faced losing 14 franchises". She awarded Claimant his reasonable attorney's fees limited to the CUTPA claim, and no additional damages. DAL intends to file a Petition to Vacate the Award.

5) Jeffrey Offutt v. Doctor's Associates, LLC (American Arbitration Association Case # 01-24-0008-8328); Doctor's Associates LLC v. Jeffrey Offutt, CT Superior Court (Docket No. AAN-CV26-6069788-s) (the "CT State Court Action"); Jeffrey Offutt v. Doctor's Associates LLC, US District Court, District of Connecticut (Docket No. 3:26-cv-01142-SRU) (the "CT Federal Court Action"). On November 21, 2024, Jeffrey Offutt ("Claimant"), filed a demand for arbitration, seeking a declaration that his expired Franchise Agreement for Satellite Restaurant #12298-1 automatically extended to 2042. Further, Claimant seeks a declaration that Claimant is entitled to reasonable time after judgment is issued in the arbitration to comply with "DAL's reasonable and material requirements with may have expired before the entry of the order requested in this action." Claimant seeks a permanent injunction forbidding DAL from terminating or failing to renew Claimant's Franchise Agreement for Satellite Restaurant #12298-1 in violation of the declaratory judgment. Claimant also seeks damages under the Connecticut Unfair Trade Practices Act, and attorneys' fees and costs in connection with this demand. On January 6, 2025, Respondent filed an Answer denying the allegations, Affirmative Defenses and Counterclaims, claiming a breach of contract and seeking declaratory relief, and a demand for Attorneys' fees and costs. On January 17, 2025, Claimant filed an Answer and Affirmative Defenses to Respondent's Counterclaims. On April 21, 2026, the arbitrator issued an award rejecting Claimant's claims in their entirety. On DAL's counterclaims, the arbitrator entered an award in favor of DAL for breach of contract and declaratory judgment, entering a permanent injunction in favor of DAL against Claimant to cease all operations of Satellite Restaurant #12298-1 and awarding a declaratory judgment that Franchise Agreement #12298-1 expired and was not renewed automatically. On June 3, 2026, DAL filed an Application to Confirm the Arbitration Award in CT Superior Court that was issued by the Arbitrator in AAA Case #01-24-0008-8328. On July 20, 2026, Offutt removed the case to CT Federal Court and filed a "Petition and Motion to Vacate the Arbitration Award". The CT Federal Court Action is pending.

6) Alicia Ralph v. Subway Franchise Systems of Canada, ULC et al. (Ontario Human Rights Tribunal file no. 2025-61095-I). On April 28, 2025, Ms. Alicia Ralph ("Complainant"), filed a complaint with the Human Rights Tribunal of Ontario against, notably, Subway Franchise Systems of Canada, ULC, claiming $80,000 in damages, because the Subway® Franchisee's employee allegedly made racist comments to the Complainant, and allegedly acted in a discriminatory manner during the guest's visit at the Subway® restaurant that violated the Ontario Human Rights Code and infringed the Complainant's rights. The Complainant alleges, notably, that she was discriminated against on the grounds of her race, ancestry, place of origin, color and ethnic origin and suffered important emotional and psychological distress resulting from the event. On August 15, 2025, Subway Franchise Systems of Canada, ULC filed a response to the complaint. Subway Franchise Systems of Canada, ULC will continue to contest the complaint.

7) Aman Beri and Vandana Beri v. Doctors Associates Inc., Franchise World Headquarters, LLC, OhCal Foods, LLC, Hardeep Grewal, Harpaul S. Grewal, John Chidsey, Suzanne Greco, Roark Capital Group, Subway Real Estate Corp, and Does 1–50, Superior Court of California, Los Angeles County, Case No. 25STCV12733. On May 1, 2025, the plaintiffs filed a proposed class action lawsuit alleging that California Subway franchisees were systematically burdened with operational losses due to unfair business practices (the "CA Superior Court Action"). These included depressed menu pricing, ineffective advertising, and rigid sales structures. The complaint was amended on May 23, 2025. The plaintiffs claim that the defendants imposed non-negotiable and unfair franchise agreements and renewals, required participation in national promotions that operated at a loss, oversaturated markets, approved sites fraudulently, coerced lease agreements, and engaged in self-dealing through Business Developers. They also allege that material facts were concealed and that franchisees who raised objections were retaliated against. The complaint includes 24 causes of action, covering issues such as:

> Unenforceable arbitration clauses; Economic duress and unconscionable contract renewals; Fraudulent inducement and misrepresentation; Concealment of material facts; Breach of contract and good faith; False advertising and unfair competition; Violations of state and federal franchise laws; Coerced lease

agreements and site approvals; Civil conspiracy and abuse of arbitration; Requests for declaratory and injunctive relief.

The plaintiffs seek a range of remedies including rescission, restitution, compensatory and punitive damages, statutory penalties, and equitable relief. Although initially filed as a class action, the plaintiffs informed the court on August 15, 2025, that they would proceed with individual claims only. On September 5, 2025, Defendant Roark Capital Group filed an Answer and Affirmative Defenses denying the allegations. On September 8, 2025, Defendant Harpaul S. Grewal filed a Demurrer to the Second Amended Complaint for failure to state sufficient facts to constitute a cause of action as to counts four, five, ten, eleven, and fourteen. On September 10, 2025, Doctors Associates, Inc ("DAL"), Franchise World Headquarters, LLC ("FWH") and Subway Real Estate, LLC("SRE") filed an Answer denying the allegations, along with Affirmative Defenses. On September 9, 2025, DAL, FWH and SRE filed a Motion to Stay the CA Superior Court Action pending the outcome of the Motion to Compel Arbitration set out below in the Connecticut Superior Court Action (defined below). On November 12, 2025, Plaintiff Vandana Beri was dismissed from the CA Superior Court Action. On November 14, 2025, Plaintiff Aman Beri appeared *pro se.* On December 16, 2025, the Court granted DAL's Motion for Stay. Plaintiff filed a Motion for Reconsideration on December 22, 2025. The Motion for Reconsideration was heard on February 20, 2026, and was denied by the Court. The CA Superior Court Action remains stayed pending the outcome of the Motion to Compel Arbitration before the Connecticut Superior Court.

8) Aman Beri and Vandana Kapila, Plaintiffs v. Doctors Associates, Inc., Defendant, United Stated District Court, Central District of California (Case no. 2:25-cv-07974 -WLH-AJR). In a companion case to the CA Superior Court Action, on August 24, 2025, Plaintiffs filed a Complaint for Declaratory Relief under 28 U.S.C. Section 2201 (a), the Uniform Declaratory Judgment Act, seeking a declaration that the arbitration provisions in their Franchise Agreements that are subject of the CA Superior Court Action are unconscionable and unenforceable. Defendant filed its Answer on October 1, 2025. On October 10, 2025, Defendant filed a Motion to Dismiss for lack of subject matter jurisdiction, alleging 1) that the complaint was facially deficient for not affirmatively alleging the identity of DAL's members and their citizenship and 2) DAL is a citizen of California thereby precluding diversity. On October 27, 2025, the California District Court dismissed Plaintiffs case *sua sponte* for lack of subject matter jurisdiction because the complaint was facially deficient. On November 10, 2025, the Plaintiff, Aman Beri, *pro se,* filed an Amended Complaint in the California District Court. On April 9, 2026, the California District Court dismissed Plaintiffs' case for lack of subject matter jurisdiction.

9) Doctors Associates, LLC. (Plaintiff) V. Aman Beri and Vandana Beri (Defendants), Connecticut Superior Court, (Case No. AAN-CV25-6064392-S) (the "CT State Court Action"); Doctors Associates, LLC (DAL), Franchise World Headquarters, LLC, (FWH) Subway Real Estate, LLC (SRE) v. Aman Beri and Vandana Beri (Defendants) (the "CT Federal Court Action"), United States District Court, District of Connecticut (Case no. 3:25-cv-01661-JCH). On September 8, 2025, DAL filed in the CT State Court Action a Motion to Compel Defendants to Arbitrate their claims filed in the CA Superior Court Action. On October 3, 2025, the CT State Court Action was removed to the United States District Court, District of Connecticut. On October 10, 2025, Defendants filed a Motion to Dismiss the CT Federal Court Action for lack of jurisdiction. On October 14, 2025, DAL, FWH, AND SRE filed a Motion to Remand the CT Federal Court Action back to the Connecticut Superior Court for lack of jurisdiction. On October 21, 2025, Defendants' Counsel filed a Motion to Withdraw Appearance in the CT State Court Action. On October 24, 2025, DAL, FWH, AND SRE filed a Motion to Stay Defendants' Motion to Dismiss in the CT Federal Court Action pending a decision on its Motion to Remand. On November 10, 2025, Counsel for Defendants withdrew as their attorney in the CT Federal Court Action. The United States District Court, District of Connecticut ordered Defendants to obtain new counsel or appear *pro se* in the CT Federal Court Action by December 20, 2025. On November 21, 2025, the United States District Court, District of Connecticut granted DAL, FWH, AND SRE's Motion to Stay. On January 9, 2026, Aman Beri appeared in the CT Federal Court Action *pro se.* On April 9, 2026, the United States District Court, District of Connecticut granted DAL, FWH, AND SRE's Motion to Remand the CT Federal Court Action back to the Connecticut Superior Court. On August 3, 2026, the Motion to Compel Arbitration was heard before the CT Superior Court, and the court's decision is pending.

10) SERALI RD, S.R.L. and Alfredo Núñez Muñoz v. Subway International, B.V. and Subway IP, LLC (Court of First Instance of the National District, Act No 022/24)**.** This matter is a civil proceeding brought by SERALI RD, S.R.L. and Alfredo Núñez Muñoz against Subway International, B.V. and Subway IP, LLC on January 4, 2024.

Plaintiffs sought the nullification of a conservatory seizure, return of seized assets, and damages in the amount of US $29M. The dispute arises from Subway's alleged failure to honor the consideration agreed upon with Plaintiffs for the liberation of the SUBWAY brand in Dominican Republic, followed by a series of actions that Plaintiffs characterize as bad-faith commercial pressure, ultimately leading to an embargo measure that resulted in the shutdown of the franchisee's operations. On April 21, 2025, the court issued a decision (Civil Judgment No. 034-2025-SCON-00433), ruling in favor of Subway International, B.V. and Subway IP, LLC. The court declared the action inadmissible due to lack of object and dismissed the Plaintiffs' claims for nullification of the conservatory seizure and for damages. On August 21, 2025, an appeal was filed, by means of Bailiff Act No. 1,173/2025, which is currently pending before the First Chamber of the Civil and Commercial Division of the Court of Appeal of the National District. The Appellants challenged the lower court's decision upholding the validity of the conservatory seizure and rejecting their claims. To date, the appellate court has held hearings on December 9, 2025, and March 4, 2026, and has been adjourned to May 27, 2026. At the upcoming hearing, the parties are expected to submit oral or written (optional) conclusions regarding the appeal. Consistent with local civil procedure, the substantive arguments will be presented primarily through written submissions to be filed within deadlines set by the court (from fifteen to thirty days calculated from the date of the hearing on the merits). After the record is closed, the matter will be submitted for decision to a panel of three judges. The timing of any ruling may vary and could range from several months to approximately one year following the close of submissions.

11) 5002090 Ontario Inc. and Asif Ali v. Take 5 Canada SPV LP, Bruno Piva, Noah Pollack, and Jonathan Fitzpatrick, Court File No. CV-22-00692201-0000, in the Superior Court of Justice of the Province of Ontario. On December 23, 2022, 5002090 Ontario Inc. and its director, Asif Ali (collectively, "Ali"), the former franchisee of a Take 5 Oil Change® centre in Ontario, Canada (previously operated as a Pro Oil Change® centre until its conversion), filed a Statement of Claim against the current franchisor of Take 5 Oil Change® centres in Canada, Take 5 Canada, Take 5 Canada's Director, Chief Executive Officer, and President (and CARSTAR's Manager, Chief Executive Officer, and President), Mr. Fitzpatrick, Take 5 Canada's franchise broker, Mr. Piva, and a former Take 5 Canada (and CARSTAR) executive, Mr. Pollack, alleging breach of the disclosure and fair dealing provisions of the Arthur Wishart Act (Franchise Disclosure), 2000 and, alternatively, negligent misrepresentation, as well as breach of good faith. Ali alleges that, when he purchased the Take 5 Oil Change® centre from a then-Pro Oil Change® centre franchisee, he believed that, on the basis of the franchise disclosures that he received from Take 5 Canada and an alleged verbal agreement with a Take 5 Canada representative, he was receiving a full 10-year term to operate the Take 5 Oil Change® centre. According to the Statement of Claim, Ali entered into a loan agreement in connection with his purchase of the Take 5 Oil Change® centre, the terms of which included "a minimum timeframe of 7 years." Ali alleges, however, that his franchise agreement was terminated after less than 2 years based on his failure to provide the required notice to renew. Ali contends that he does not have copies of any assignment agreement with the prior franchisee, any sublease with Take 5 Canada for the Take 5 Oil Change® centre premises, or other Take 5 Oil Change® centre-related agreements referenced in Take 5 Canada's notice of termination. Ali alleges that he sold the Take 5 Oil Change® centre assets when Take 5 Canada threatened legal action if he failed to vacate the Take 5 Oil Change® centre premises. Ali claims that his lender subsequently commenced legal action against him for defaulting on the Take 5 Oil Change® centre-related loan and, as part of a settlement, he was required to pay the lender certain amounts. Ali seeks damages (including punitive damages) of at least CAN$368,000, interest, declarations that Take 5 Canada's franchise disclosures were invalid and void and that the above-referenced assignment agreement (if it exists) is void, and costs of the action. Take 5 Canada delivered a Statement of Defense in April 2023. To Take 5 Canada's knowledge, none of the individual defendants have been served with the Statement of Claim, and it is unclear if Ali intends to continue pursuing this litigation. Take 5 Canada and the other defendants are defending this action.

12) Genesee County Employees' Retirement System v. Driven Brands Holdings Inc., et al., United States District Court for the Western District of North Carolina (Charlotte Division), Case No. 3:23-cv-00895-MOC-DCK, filed December 22, 2023. Genesee County Employees' Retirement System filed a putative class action lawsuit in the U.S. District Court for the Western District of North Carolina (the "Court") against Driven Brands Holdings, as well as former Chief Executive Officer and President of Driven Brands, Jonathan Fitzpatrick, and a former executive of Driven Brands Holdings, Tiffany Mason (collectively, the "Individual Defendants") for violations of Section 10(b) and Rule 10b-5 of the Securities Exchange Act of 1934 (the "Exchange Act") by Driven Brands Holdings, as well as violations of Section 20(a) of the Exchange Act by the Individual Defendants. Genesee County Employees' Retirement System alleges that Driven Brands Holdings failed to disclose information that allegedly resulted in material misstatements about Driven Brands Holdings' business and prospects in its quarterly

filings. Genesee County Employees' Retirement System seeks unspecified compensatory damages, costs and expenses, and an award of equitable relief, as the Court considers appropriate. Genesee County Employees' Retirement System, Oakland County Employees' Retirement System, and Oakland County Voluntary Employees' Beneficiary Association (collectively, the "Michigan Funds") moved for appointment as lead plaintiffs. The Michigan Funds purport to represent a class of stockholders who purchased Driven Brands Holdings shares between October 27, 2021 and August 1, 2023. On May 31, 2024, the Court appointed the Michigan Funds as lead plaintiffs. On August 13, 2024, the Michigan Funds filed an amended complaint, and on October 14, 2024, Driven Brands Holdings filed a motion to dismiss the amended complaint. On February 20, 2025, the Court denied the motion. Driven Brands Holdings disputes the allegations of wrongdoing and intends to vigorously defend against the action.

13) Terwilliger v. Fitzpatrick, et al., United States District Court for the Western District of North Carolina (Charlotte Division), Case No. 3:25-cv-00019, filed January 10, 2025. Daniel Terwilliger filed a purported derivative complaint in the United States District Court for the Western District of North Carolina against certain current and former Driven Brands Holdings' executive officers and board members, including Jonathan Fitzpatrick, Tiffany Mason, Neal Aronson, Catherine Halligan, Chadwick Hume, Rick Puckett, Karen Stroup, Peter Swinburn, Michael Thompson, and Jose Tomas (collectively, the "Defendants"). The Terwilliger complaint makes largely the same allegations as those in the Genesee complaint, namely, that Driven Brands Holdings failed to disclose information that allegedly resulted in material misstatements about Driven Brands Holdings' business and prospects in its quarterly filings, and purports to state claims for (i) breach of fiduciary duty; (ii) unjust enrichment; (iii) abuse of control; (iv) gross mismanagement; (v) waste of corporate assets; and (vi) violations of Sections 10(b) and 21D of the Exchange Act. Terwilliger seeks, on behalf of Driven Brands Holdings, an award of unspecified damages with interest, restitution, and costs and expenses, an order directing Driven Brands Holdings and the Defendants to take certain actions with respect to Driven Brands Holdings' corporate governance, and any other relief that the court considers appropriate. On April 30, 2025, the court granted the parties' joint motion for a stay of proceedings, pending the completion of discovery in the underlying Genesee securities class action. On May 13, 2025, the parties in this action and the Gaiman action summarized below moved the court to lift the stay for the limited purpose of consolidating the 2 shareholder derivative actions and to stay the consolidated action under the same terms as the existing stay. Driven Brands Holdings disputes the allegations of wrongdoing and intends to vigorously defend against the action.

14) Clark v. Fitzpatrick., et al., United States District Court for the Southern District of New York, (Case No. 1:26-cv-01902-AT), filed March 9, 2026**.** Zachary Clark filed a putative securities class action complaint in the United States District Court for the Southern District of New York against Driven Brands Holdings Inc. ("Driven Brands") and certain current and former executive officers of Driven Brands, including Jonathan Fitzpatrick, Michael Beland, Michael F. Diamond, Daniel Rivera, and Rebecca Fondell (collectively, the "Defendants"). The Clark complaint made largely similar allegations to those asserted in the Genesee County Employees' Retirement System and Terwilliger complaints, namely, that Driven Brands failed to disclose information that allegedly resulted in material misstatements in the company's public filings concerning its financial condition, accounting practices, and internal controls over financial reporting. The complaint purported to state claims for violations of Sections 10(b) and 20(a) of the Securities Exchange Act of 1934, and Rule 10b-5. Clark purported to bring the action on behalf of a class of persons who purchased or otherwise acquired Driven Brands common stock between May 9, 2023 and February 24, 2026. The complaint alleged that the Defendants overstated revenue and cash balances, understated expenses, improperly classified operating costs, and failed to disclose material weaknesses in internal controls, which allegedly came to light when Driven Brands disclosed on February 25, 2026 that certain previously issued financial statements for fiscal years 2023 and 2024 and interim periods in 2025 should no longer be relied upon and would require restatement. The complaint further alleged that these disclosures caused Driven Brands' stock price to decline. Clark sought, on behalf of the putative class, unspecified compensatory damages, interest, attorneys' fees and costs, and such other relief as the court deems appropriate. On April 21, 2026, Clark voluntary dismissed the action against all Defendants without prejudice.

15) Gaiman v. Fitzpatrick, et al., United States District Court for the Western District of North Carolina (Charlotte Division), Case No. 3:25-cv-00288, filed April 30, 2025. Jonathan Gaiman filed a purported derivative complaint in the United States District Court for the Western District 17 Meineke 2025 1616374105.3 of North Carolina against certain current and former Driven Brands Holdings' executive officers and board members, including Jonathan Fitzpatrick, Tiffany Mason, Neal Aronson, Catherine Halligan, Chadwick Hume, Rick Puckett, Karen

Stroup, Peter Swinburn, Michael Thompson, and Jose Tomas. The Gaiman complaint makes largely the same allegations as those in the Genessee and Terwilliger complaints, namely, that Driven Brands Holdings failed to disclose information that allegedly resulted in material misstatements about Driven Brands Holdings' business and prospects in its quarterly filings, and purports to state claims for (i) breach of fiduciary duty; (ii) aiding and abetting breaches of fiduciary duty; (iii) unjust enrichment; (iv) waste of corporate assets; (v) violations of Sections 10(b) and 21D of the Exchange Act; and (vi) violations of Sections 14(a) and Rule 14a-9 of the Exchange Act. Gaiman seeks, on behalf of Driven Brands Holdings, an award of unspecified damages with interest, an accounting of damages, and profits, special benefits, and unjust enrichment obtained by the individual defendants, from the individual defendants' conduct and the imposition of a constructive trust thereon, punitive damages, costs and expenses, and other relief that the court considers just and proper. On May 13, 2025, the parties in this action and the Terwilliger action moved the court in the Terwilliger action to lift the stay in the Terwilliger action for the limited purpose of consolidating the 2 shareholder derivative actions and to stay the consolidated action under the same terms as the Terwilliger stay. Driven Brands Holdings disputes the allegations of wrongdoing and intends to vigorously defend against the action.

16) Hit Soluciones de Gestión, S.L. ("Hit") v Subway International, B.V. ("SIBV"), Court of First Instance Nº 63 Of Madrid, Ordinary procedure 1418/2025, NIG: 28.079.00.2-2025/0214042, filed on March 28, 2025. After being terminated for outstanding balances exceeding €100,000 and an illegal transfer of the restaurants, a former franchisee filed an ordinary proceeding seeking €3,589,710.95 in damages arising from SIBV's alleged unlawful termination of franchise agreements #52374, 66111 and 66045. The summons was initially served at a third-party franchisee's address rather than SIBV's Amsterdam address; SIBV's nullity application was upheld on October 6, 2025, and the claim was refiled and properly served on November 6, 2025, at which point SIBV filed a jurisdictional challenge invoking the exclusive Amsterdam/NCC clause in the franchise agreements. The court upheld SIBV's jurisdictional challenge on June 2, 2026, ordering Hit to pay costs and confirming the Spanish courts lack jurisdiction. Hit appealed; SIBV filed its statement of opposition on July 31, 2026. The matter is now pending before the appellate court awaiting a ruling on the appeal.

17) Paul Rejandra v. Subway Franchise Systems of Canada, ULC et al., (Ontario Human Rights Tribunal file no. 2025-62869-I). On August 26, 2025, Mr. Paul Rejandra ("Complainant"), filed a complaint with the Human Rights Tribunal of Ontario against, notably, Subway Franchise Systems of Canada, ULC, claiming, notably, $42,000 in damages and other non-monetary remedies, because a Subway® Franchisee's employee allegedly acted in a discriminatory manner during the Complainant's visit at a Subway® restaurant. The Complainant alleges that the Subway® Franchisee's employee's conduct allegedly violated the Ontario Human Rights Code and that Subway breached its duty to accommodate the Complainant. The Complainant further alleges that he was, notably, discriminated against on the grounds of age and disability, and that he was denied any form of accommodation during his visit at the restaurant, which resulted in, notably, the Complainant's alleged emotional harm and loss of dignity. Subway Franchise Systems of Canada, ULC intends to respond to the complaint and will contest the complaint.

18) Doctors Associates, LLC ("DAL"), Claimant v. Sanjeev Khanna, Shivam Khanna, Ambika-Khanna-Cheruvu, Alka Kanna, and Govind Agrawal, Respondents (American Arbitration Association Case No. 01-25-0003-4027). On July 18, 2025, DAL filed a demand for arbitration against Sanjeev Khanna, Alka Khanna, Govind Agrawal, Shivam Khanna, and Ambika Khanna-Cheruvu (collectively, "Respondents"), franchisees who operate seventy-three (73) Subway® restaurants in Texas. DAL alleges that Respondents materially breached their Franchise Agreements by engaging in unauthorized assignments and transfers of franchise and operating rights to unapproved third-party entities, including entities in which persons not approved as franchisees held ownership interests, without DAL's prior written consent. DAL further alleges that Respondents failed to cure these defaults after receiving notices of default and multiple opportunities to unwind the unauthorized assignments. DAL asserts that, as a result, it properly terminated the Franchise Agreements in March 2025 and seeks declaratory relief confirming that the terminations were valid and enforceable. DAL also seeks injunctive relief requiring Respondents to comply with post-termination obligations, including ceasing operation of the restaurants and discontinuing use of Subway® trademarks and proprietary systems. In addition, DAL seeks recovery of liquidated damages, daily post-termination damages, attorneys' fees and costs, and other relief as permitted under the

Franchise Agreements and applicable law. On September 25, 2025, Respondents filed amended counterclaims denying DAL's allegations and asserting claims against DAL for, among other things, bad faith and misstatement of facts, wrongful termination, breach of the implied covenant of good faith and fair dealing, civil theft, and violations of the Connecticut Unfair Trade Practices Act. Respondents contend that the alleged assignments were authorized or benign in nature, that the Franchise Agreements were improperly terminated, and that DAL acted in bad faith and for improper purposes. Respondents seek declaratory and injunctive relief, monetary damages of $11,011,250, (including statutory and treble damages), attorneys' fees, and costs. DAL denied all allegations of Respondents Counterclaims. On or about July 29, 2026 the parties reached a Settlement in principle. If settlement is not achieved, an evidentiary hearing will begin February 4, 2027.

B. Concluded Actions:

19) Lisa Lee, Plaintiff v. Doctor's Associates Inc., d/b/a Subway Restaurants, Defendant, No. 5:16-cv-00032-KKC (USDC, Eastern District of Kentucky, Lexington Division, Filed January 28, 2016). On February 28, 2016, the Plaintiff, Mrs. Lee, filed a claim alleging the Defendant, DAI, participated in an ongoing pattern of deceit, franchise fraud, Deceptive Trade Practices and acts that violated the FTC Franchise Disclosure Regulations. Mrs. Lee further asserted that DAI induced her to invest in a Development Agent Agreement and that DAI unreasonably refused to permit the transfer of the Development Agent Agreement. Mrs. Lee sought compensatory and punitive damages, pre and post judgment interest and attorney's fees in an amount greater than $75,000. On February 12, 2016, DAI filed related claims in arbitration under the case caption Doctor's Associates Inc., Claimant v. David Lee, Respondent, No. 501-16-0000-4924 (American Arbitration Association), contending that David Lee, Mrs. Lee's husband and the Respondent in that arbitration, failed to disclose his wife as an investor under his Development Agent Agreement and failed to indemnify DAI in the lawsuit filed in Kentucky by Mrs. Lee. DAI also sought a declaratory judgment that it was within its rights to disapprove a proposed transfer of Mr. Lee's Development Agent Agreement. DAI sought compensatory damages, costs, expenses, attorney's fees, pre-award interest, post-award interest and a declaratory judgment. On April 11, 2016, DAI filed a Motion to Compel Arbitration in the United States District Court, District of Connecticut under the case captions Doctor's Associates Inc., v. Lisa Lee, No:3:16-CV-00571-JCH (United States District Court, District of Connecticut, Filed April 11, 2016) and Doctor's Associates Inc. v. David Lee No. 3:16-cv-00571-JCH (United States District Court, District of Connecticut, Filed April 11, 2016) (the latter being filed because Mr. Lee refused to participate in the initial arbitration). The United States District Court for the District of Connecticut granted DAI's Petition to Compel Arbitration on August 16, 2016. As a result, the United States District Court for the Eastern District of Kentucky dismissed its pending matter on December 16, 2016. On September 7, 2016, the Mr. Lee filed a counterclaim with the American Arbitration Association. The unofficial counterclaim alleged breach of contract and waiver of contractual time limitations by the DAI. A declaratory award was sought, along with compensatory damages, interest, costs and expenses. Prior to any arbitration being filed with respect to Mrs. Lee, the parties entered into a confidential settlement and mutual release on January 11, 2017, pursuant to which DAI paid $65,000 to David Lee and Lisa Lee. The arbitration with respect to Mr. Lee was subsequently withdrawn as a result of this settlement.

20) Brian Burr and Brynn Burr, Plaintiffs v. Raghu Marwaha and Rohit Marwaha, Defendants (Superior Court of California, County of Orange) (30-2016-00865345-CU-BT-CJC). On July 22, 2016, Plaintiffs filed a lawsuit, alleging that Development Agents, Raghu Marwaha and Rohit Marwaha, influenced DAI to disapprove the Plaintiff's application for a franchise, so that Raghu and Rohit Marwaha could operate their own Subway® restaurant at the location proposed by the Plaintiffs. On August 23, 2016, Plaintiffs filed the First Amended Complaint, adding DAI to the lawsuit. DAI was subsequently dismissed from the lawsuit. Plaintiffs claimed intentional misrepresentation, intentional interference with contractual relationship, international interference with prospective business relations, negligent interference with prospective business relations, and unfair business practices in violation of Business and Professions Code section 17200. Plaintiffs sought general and special damages including economic and noneconomic damages, pre and post judgment interest, special damages, punitive damages, costs of suit incurred, and attorneys' fees. On August 4, 2016, DAI filed a Demand for Arbitration with the American Arbitration Association ("AAA"), alleging that the Burr's breached their obligations under their franchise application by filing the California Superior Court lawsuit. DAI had asked that an arbitration award be entered against the Burrs declaring that neither DAI nor its agents were liable for the

conduct set forth in the California Superior Court Complaint, and awarding DAI compensatory damages, costs, expenses and attorney's fees, any amounts recovered in the California Superior Court lawsuit, pre-award interest, and post-award interest. DAI filed a Petition to Compel Arbitration in the US District Court, District of Connecticut on August 5, 2016. On December 28, 2016, the US District Court, District of Connecticut granted DAI's Petition to Compel Arbitration, and entered an order directing the Burrs to arbitrate with DAI their claims against DAI's agents that they asserted or could have asserted in the California Superior Court lawsuit. The parties reached a settlement agreement dated September 28, 2018, in which DAI agreed to pay the Burrs $55,000.

21) Joseph Lewis, Claimant v. Subway Systems Australia Pty Ltd., First Respondent, and Subway Realty Pty. Ltd., Second Respondent (Australian Centre for International Commercial Arbitration Case No. 2017-107). On August 14, 2017, the Claimant filed a Notice of Arbitration and subsequently filed amended statements of claim on February 28, 2018, July 11, 2018, August 13, 2018 and August 28, 2018 against the Respondents claiming damages and interest. The Respondents denied the allegations. The Claimant alleged the Respondents made misrepresentations that were deceptive and misleading, and in breach of the Respondents' duty of care to the Claimant with respect to lease negotiations for the location of the Claimant's franchise and in breach of the Australian Consumer Law (ACL) and Retail Shops Lease Act (RSL). Further, the Claimant alleged the misrepresentations were a breach of the Respondent's implied contractual duty to exercise reasonable care and skill. The Claimant further alleged the Respondents engaged in unconscionable conduct in breach of Section 20 of the Australian Consumer Law (ACL) and Section 46A of the Retail Shop Leases Act (RSL). The Claimant sought damages against the Respondents on the basis that the rent that was agreed for the location was substantially above market rent at the time, as a consequence of which the Applicant suffered loss. On February 1, 2019, the arbitrator proposed to make an award in the Applicant's favor in the amount of $295,335.95 plus interest against both Respondents, subject to considering final submissions around arithmetic calculations and interest calculations. The Applicant's claims were upheld against the Respondents, except for the unconscionable conduct claim which was dismissed. On February 14, 2019, the arbitrator made an award order of $306,095.80 being $255,523.45 for the claim and interest of $50,572.35 with costs of and incidental to the arbitration to be assessed. Costs were subsequently assessed and awarded on August 30, 2019.

22) Triple A Products, LLC v. Doctor's Associates, Inc. (Cir. Court., Miami-Dade County, Florida) (Case No, 13-023005 CA 10). In 2013, Plaintiff brought claims against DAI for misappropriation of an idea, breach of fiduciary duty, fraudulent misrepresentation, negligent misrepresentation, promissory estoppel, unjust enrichment, and quantum meruit. Plaintiff is a former vendor to the Subway system. Plaintiff claims that it developed the Diabetes Friendlier Menu, which was first used in Subway® restaurants in connection with a test of Plaintiff's vitamin-enhanced water product, Vitazest. Due, in part, to constraints in DAI's existing contract with another supplier, Subway® restaurants ceased the sale of Vitazest and switched to an alternative vitamin-enhanced water product from that other supplier. Some Subway restaurants continued to offer the Diabetes Friendlier Menu. This matter was settled on August 29, 2022, and DAI paid $2,250,000 in connection with the settlement. The case was dismissed on September 18, 2022.

23) Shane Flaum, Plaintiff v. DAI, b/d/a Subway®, Defendant (United States District Court for the Southern District of Florida, No. 0:16-cv-61198) Jason Alan, Plaintiff v, Doctor's Associates Inc. d/b/a Subway, McCan Inc. d/b/a Subway, Defendants (United States District Court for the Central District of California, No. 2:16-cv-0495). On June 6, 2016, and July 6, 2016, respectively, two Plaintiffs filed separate class action lawsuits naming DAI. In both cases, Plaintiffs allege DAI violated the Fair Credit Report Act (FCRA) as amended by the Fair and Accurate Credit Transaction Act (FACTA), 15 U.S.C. § 1681 (c)(g)(1) by printing and distributing to customers credit or debit card transaction receipts including the card's expiration date. Plaintiffs contended that printing credit or debit card expiration dates on transaction receipts constitutes a knowing, willful, intentional or reckless violation of FACTA's receipt provision precluding the printing of expiration dates on any receipt. Plaintiffs sought certification of the class, statutory and punitive damages, attorney's fees, costs, injunctive relief and any other relief that the court may find reasonable and just. The franchisee was removed as a named defendant in the Alan case, which was transferred to the United States District Court for the Southern District of Florida. The parties agreed on a settlement in principle, which included a class settlement fund of $30.9 million in consideration for a release of all claims on behalf of DAI, its affiliates and franchisees. The settlement resolved both cases. DAI did not admit any wrongdoing, and contended that noncompliant receipts issued, if any, were not the result of willful or reckless conduct on the part of DAI or its affiliates. On March 11, 2019, the Southern District of Florida issued an order granting Plaintiff's motion for attorney's fees and final approval of the class settlement.

On May 22, 2020, Business Development Agent ("BDA") Mark Mitchell and his operating company filed an arbitration against Doctor's Associates, LLC ("DAL") and other related entities and individuals after DAL terminated his Business Development Agent Agreement ("BDAA") pursuant to a trial period provision. The Claimants allege breaches of contract, breach of the implied covenant of good faith and fair dealing, fraud, fraudulent inducement, fraudulent and negligent misrepresentation, unlawful restraint of trade and violations of the FTC Franchise Rule, the Rhode Island Franchise Investment Act, the Connecticut Franchise Act, the Florida Franchise Act, the Connecticut Unfair Trade Practices Act, the Florida Deceptive and Unfair Trade Practices Act, and the Florida Communications Fraud Act. On October 9, 2020, DAL filed counterclaims against Turi and Conri Development for breaches of contract. On February 9, 2021, the Arbitrator issued an order dismissing all allegations as to Subway IP LLC and Franchise World Headquarters, LLC, dismissing allegations under the Connecticut Franchise Act and the Rhode Island Franchise Act, dismissing allegations under the Connecticut Unfair Trade Practices Act as to the BDAA. As to Respondents' motion to enforce the limitation on damages, motion to enforce the terms of a note between the parties, and motion to dismiss all other claims, the Order denied the motions without prejudice and the right to reassert after hearing on the merits. On June 22, 2021, the Claimants and DAL entered into a confidential settlement agreement and mutual release pursuant to which the parties agreed to the termination of the BDAA and DAL paid Turi $100,000.00 and cancelled $ 1,043,972.77 of debt Turi owed to DAL. 32) Subway Developments 2000 Inc. v. Subway Franchise Systems of Canada, ULC (American Arbitration Association Case # 01-22-0004-3305). On August 15, 2022, SFSC issued a notice of termination to one of its Business Development Agents ("BDA") for fundamentally breaching its obligations under two Development Agent Agreements ("DAAs"). The BDA filed an arbitration with the International Center for Dispute Resolution, which is part of the American Arbitration Association ("AAA") against SFSC on October 13, 2022 claiming the termination of the DAAs was invalid and ultimately asserting claims for damages for SFSC's alleged wrongful termination of the DAAs that approximately range between $60 million and $86 million, or an amount deemed just by the arbitrator, for alleged losses of income, financial losses arising from termination of the DAAs, out of pocket damages and aggravated, exemplary and/or punitive damages. The arbitration includes allegations that SFSC unilaterally modified the DAAs; executed its rights under the DAAs in bad faith; misappropriated and misused the BDA's financial information; improperly terminated the DAAs in bad faith and without right; that SFSC continued to act in bad faith towards the BDA by soliciting the BDA's employees and failing to pay the BDA amounts owed under the DAAs. On January 26, 2024, SFSC filed in the U.S. District Court of the Southern District of New York, a Petition to Vacate an interim award rendered by the AAA's arbitrator dated January 12, 2024, which pertained to SFSC's ongoing obligations to the BDA during the arbitral proceedings until a final award is rendered ("Interim Order"). On March 15, 2024, the BDA responded by filing in the U.S. District Court of the Southern District of New York a Motion (I) to Dismiss SFSC's Petition to Vacate Arbitration Award, and in the alternative, (II) to Confirm the Arbitration Award. On March 27, 2024, the BDA filed an Originating Application with the Court of King's Bench of Alberta seeking namely to recognize and enforce the Interim Order as a judgment of the Court of King's Bench of Alberta. SFSC has taken steps to defend itself and to respond to the BDA's Originating Application before the Court of King's Bench of Alberta ("King's Bench Action"). On June 20, 2024, the United States District Court for the Southern District in New York denied SFSC's petition to vacate and granted the BDA's petition to confirm the Interim Order. On July 25, 2024, the arbitrator entered a first partial final award ("First Partial Final Award") . The arbitrator also reserved and retained jurisdiction over some remaining issues. On August 9, 2024, the BDA filed a petition for confirmation, recognition, and enforcement of arbitral award in the United States District Court for the Southern District of New York, arguing that the First Partial Final Award was final. On October 14, 2024, SFSC filed a motion to dismiss the petition because it is not a final award. On June 9, 2025, the United States District Court for the Southern District of New York denied the BDA's petition for confirmation, recognition, and enforcement of arbitral award because the First Partial Final Award was not final. On July 7, 2025, the Arbitrator rendered a Second Partial Final Award. On August 8, 2025, the Arbitrator rendered an Order vacating all orders and partial final awards, and she terminated the arbitration without costs to any party. On July 29, 2025, the Alberta Court of King's Bench dismissed the King's Bench Action without cost to either party. On July 25, 2025, the Parties settled the dispute in consideration for the payment by SFSC of $45,350,000 CAD. The settlement was without any admission of liability whatsoever in relation to the BDA's allegations.

DAI will train field staff and agents, and retain experts to provide assistance in connection with ADA issues in stores. Field staff and agents will evaluate stores and advise franchisees to remedy existing ADA issues and for future stores attempt to select sites that are accessible to the disabled. DAI will fund an interest-free remediation loan program for franchisees to make required changes. DAI paid $25,000 to the United States Treasury as a civil penalty.

42) In the Matter of: The Commissioner of Financial Protection and Innovation v. Doctor's Associates LLC d/b/a Subway (California Department of Financial Protection and Innovation) Consent Order Oct. 28, 2020 (no case number). As part of an informal investigation with which we cooperated fully, the Commissioner of Financial Protection and Innovation ("Commissioner") notified us of certain alleged violations of the California Franchise Investment Law ("FIL") (Corp. Code § 31000 et seq.). To comply with the FIL, we qualify for, and rely on, an exemption for well-capitalized, experienced franchisors from registration. In addition to the capitalization and experience qualifications that we meet, to secure the availability of the exemption, we are required to file an annual exemption notice and pay a filing fee prior to offering or selling franchises in California. The exemptions apply for the calendar year filed or otherwise specified in the notice. In certain years in the last decade, we filed the exemption notice later than the beginning of the year. Accordingly, because of the late filing, the Commissioner alleged that we sold unregistered franchises in California and materially modified franchise agreements in parts of the years 2013-2015 and 2018 without complying with the registration requirements under the FIL. Under the FIL, it is unlawful for any person to offer or sell a franchise in California or to solicit a franchisee's agreement to a material modification to its existing franchise agreement unless the offer or material modification has been registered or is otherwise exempt. The Commissioner did not file an administrative enforcement action against us; instead, on November 4, 2020, we and the Commissioner entered into a Consent Order whereby we agreed to stop such violations, and pay penalties totaling $410,000 for the alleged violations. We also agreed that certain management personnel would attend four hours of California franchise law training courses. We completed the training on December 17, 2020.

D. Actions Involving Non-Subway Affiliates and Management

The following affiliates who offer franchises resolved actions brought against them with settlements that involved their becoming subject to currently effective injunctive or restrictive orders or decrees. None of these actions have any impact on us or our brand nor allege any unlawful conduct by us.

43) The People of the State of California v. Arby's Restaurant Group, Inc. (California Superior Court, Los Angeles County, Case No. 19STCV09397, filed March 19, 2019). On March 11, 2019, our affiliate, Arby's Restaurant Group, Inc. ("ARG"), entered into a settlement agreement with the states of California, Illinois, Iowa, Maryland, Massachusetts, Minnesota, New Jersey, New York, North Carolina, Oregon and Pennsylvania. The Attorneys General in these states sought information from ARG on its use of franchise agreement provisions prohibiting the franchisor and franchisees from soliciting or employing each other's employees. The states alleged that the use of these provisions violated the states' antitrust, unfair competition, unfair or deceptive acts or practices, consumer protection and other state laws. ARG expressly denies these conclusions but decided to enter into the settlement agreement to avoid litigation with the states. Under the settlement agreement, ARG paid no money but agreed (a) to remove the disputed provision from its franchise agreements (which it had already done); (b) not to enforce the disputed provision in existing agreements or to intervene in any action by the Attorneys General if a franchisee seeks to enforce the provision; (c) to seek amendments of the existing franchise agreements in the applicable states

to remove the disputed provision from the agreements; and (d) to post a notice and ask franchisees to post a notice to employees about the disputed provision. The applicable states instituted actions in their courts to enforce the settlement agreement through Final Judgments and Orders, Assurances of Discontinuance, Assurances of Voluntary Compliance, and similar methods.

44) The People of the State of California v. Dunkin' Brands, Inc., (California Superior Court, Los Angeles County, Case No. 19STCV09597, filed on March 19, 2019.) On March 14, 2019, our affiliate, Dunkin Brands, Inc. ("DBI"), entered into a settlement agreement with the Attorneys General of 13 states and jurisdictions concerning the inclusion of "no-poaching" provisions in Dunkin' restaurant franchise agreements. The settling states and jurisdictions included California, Illinois, Iowa, Maryland, Massachusetts, New Jersey, New York, North Carolina, Pennsylvania, Rhode Island, Vermont, and the District of Columbia. A small number of franchise agreements in the Dunkin' system prohibit Dunkin' franchisees from hiring the employees of other Dunkin' franchisees and/or DBI's employees. A larger number of franchise agreements in the Dunkin' system contain a no-poaching provision that prevents Dunkin' franchisees and DBI from hiring each other's employees. Under the terms of the settlement, DBI agreed not to enforce either version of the no-poaching provision or assist Dunkin's franchisees in enforcing that provision. In addition, DBI agreed to seek the amendment of 128 franchise agreements that contain a no-poaching provision that bars a franchisee from hiring the employees of another Dunkin' franchisee. The effect of the amendment would be to remove the no-poaching provision. DBI expressly denied in the settlement agreement that it had engaged in any conduct that had violated state or federal law, and, furthermore, the settlement agreement stated that such agreement should not be construed as an admission of law, fact, liability, misconduct, or wrongdoing on the part of DBI. The Attorney General of the State of California filed the above-reference lawsuit in order to place the settlement agreement in the public record, and the action was closed after the court approved the parties' stipulation of judgment.

45) New York v. Dunkin' Brands, Inc. (N.Y. Supreme Court for New York County, Case No. 451787/2019, filed September 26, 2019). In this matter, the N.Y. Attorney General ("NYAG") filed a lawsuit against our affiliate, DBI, related to credential-stuffing cyberattacks during 2015 and 2018. The NYAG alleged that the cyber attackers used individuals' credentials obtained from elsewhere on the Internet to gain access to certain information for DD Perks customers and others who had registered a Dunkin' gift card. The NYAG further alleged that DBI failed to adequately notify customers and to adequately investigate and disclose the security breaches, which the NYAG alleged violated the New York laws concerning data privacy as well as unfair trade practices. On September 21, 2020, without admitting or denying the NYAG's allegations, DBI and the NYAG entered into a consent agreement to resolve the State's complaint. Under the consent order, DBI agreed to pay $650,000 in penalties and costs, issue certain notices and other types of communications to New York customers, and maintain a comprehensive information security program through September 2026, including precautions and response measures for credential-stuffing attacks.

46) In the Matter of Jimmy John's Franchisor SPV LLC (Securities Commissioner of Maryland, Case No. 2025-0122). On March 28, 2022, JJF filed a Franchise Disclosure Document (FDD) with the Maryland Securities Division as part of a notice of exemption from franchise registration. In this filing, JJF listed the former franchisees but omitted the required contact information for the majority of those franchisees. The Maryland Securities Commissioner asserted that this omission violated the Maryland Franchise Registration and Disclosure Law, the Federal Trade Commission (FTC) Franchise Rule, and the North American Securities Administrators Association (NASAA) Guidelines, all of which require franchisors to provide contact information for former franchisees in their FDDs. JJF asserted that the omission was inadvertent and not material, but in order to avoid the time commitment and expense of administrative or judicial proceedings, the Maryland Securities Commissioner and JJF entered into a Consent Order on June 9, 2025. Under the terms of the Consent Order, JJF agreed to pay a $30,000 civil monetary penalty, to permanently cease and desist from the offer or sale of franchises in violation of the Maryland Franchise Law, and to disclose the existence of the Consent Order in future franchise disclosure documents.

GENERAL RELEASE

This General Release (the "**Release**"), is effective as of _____, 20___ regardless of the date of signature (the "**Effective Date**"), and is given by _____, a _____ on behalf of his, her or itself and each of his, her or its affiliates, parent and child companies, subsidiaries, related companies, and all companies under common ownership or control with them and their employees, officers, directors, shareholders, managers, partners, principals, agents, contractors, heirs, successors and assigns (collectively the "**Franchisee Releasing Parties**") in favor of **DOCTOR'S ASSOCIATES LLC**, a Delaware limited liability company ("**DAL**"), and DAL's franchisees and each of their affiliates, parent and child companies, subsidiaries, related companies, and all companies under common ownership or control with them and each of their employees, officers, directors, shareholders, managers, partners, principals, agents, contractors, franchisees, licensees, area representatives, business associates, business developers, heirs, successors and assigns (collectively, "**DAL Released Parties**").

BACKGROUND INFORMATION:

The Parties acknowledge that DAL and _____ entered into a Franchise Agreement dated _____ (the "**Franchise Agreement**") for Subway® franchise #_____, located at _____, _____, _____.

OPERATIVE TERMS:

Accordingly, the parties agree as follows:

1. **Release by Franchisee Releasing Parties**. The Franchisee Releasing Parties do hereby irrevocably and unconditionally forever release, waive, discharge and covenant not to sue, DAL Released Parties of and from any and all actions, causes of actions at law and in equity, charges, complaints, contracts, liabilities, obligations, claims, demands, premises, reimbursements, costs, losses, debts, expenses, attorney's fees, damages, indemnities and claims of any kind or nature whatsoever which any of Franchisee Releasing Parties now have, ever had, or hereafter can, will or may have against any of the DAL Released Parties for and upon, or by reason of any damage, harm, loss or injury, now existing or hereafter arising out of or relating in any way to any acts, failure to act, omissions or intentional, negligent, reckless, or willful conduct or misconduct of any of the DAL Released Parties or their business or commercial activities, trademarks or service marks, occurring or arising at any time on or before the Effective Date, except for DAL's obligations under the Franchise Agreement and this Release. This release, waiver, discharge and covenant not to sue extends and applies to, and also covers and includes, all unknown, unforeseen, unanticipated and unsuspected injuries, damages, losses and liabilities, and the consequences thereof, as well as those now disclosed and known to exist occurring or arising on or before the Effective Date. The provisions of any state, federal, local or territorial law or statute providing in substance that releases will not extend to claims, demands, injuries or damages which are unknown or unsuspected to exist at the time to the person executing such releases are expressly waived by Franchisee Releasing Parties. However, this release will not apply to the duties and obligations expressly contained in this Release and the Franchise Agreement.

Each Franchisee Releasing Party has read or been advised of Section 1542 of the Civil Code of the State of California, which provides as follows: A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT

THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM OR HER MUST HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR. Each Franchisee Releasing Party understands that Section 1542 gives him, her or it the right not to release existing claims of which he, she or it is not now aware, unless he, she or it voluntarily chooses to waive this right. Having been so apprised, each Franchisee Releasing Party nevertheless voluntarily elects to and does waive the rights described in Section 1542 of the Civil Code of the State of California, and elects to assume all risks for claims that now exist in his, her or its favor, known or unknown.

2. **Confidentiality**. The parties expressly agree that they will maintain this Release, all drafts and discussions and actions relating to it and this Release's terms and conditions, in strict confidence and will not disclose the same to any third party without the prior written consent of the other parties. The foregoing obligations will not apply to any terms that a party is ordered by a court or tribunal of competent jurisdiction to disclose or in connection with a third party request as part of discovery in any court or administrative proceeding. However, the foregoing obligations of confidentiality will not apply to DAL to the extent that DAL deems it reasonably necessary to disclose this Release or any of its terms: (a) in connection with DAL's business and franchise operations or in compliance with any state or federal laws, rules or regulations; and/or (b) to a limited number of DAL's employees, shareholders, officers, directors, actual and prospective franchisees, licensees, area representatives, investors, purchasers of DAL's business, lenders, attorneys, accountants and other advisors provided such persons have a need to know such information and agree to an obligation of confidentiality. The parties agree that they will not, directly or indirectly, make any statements or comments that are in any way disparaging, negative, not positive or not favorable toward the other parties or any of the other parties' products, services, trademarks or service marks, business, goodwill, reputation, conduct, DAL's franchisees, current or former owners, employees, officers, directors, owners, agents, representatives, clients, suppliers, franchisees, licensees, or business activities, whether verbally, in writing, electronically or on-line. The foregoing restrictions set forth in the preceding sentence apply to any statements made to any third parties including, without limitation, current or former employees, news media, clients, customers, franchisees (existing or former), licensees or business associates of the other parties, officers, representatives, contractors, vendors, suppliers or other members of the public and third party businesses operating under a name containing the word "SUBWAY" or any word(s) similar thereto. This Section does not limit the ability of any Franchisee Releasing Party to discuss his, her or its experience as a franchisee with prospective franchisees.

3. **Miscellaneous**.

(a) **Severability**: If any of the provisions of this Release are held invalid for any reason, the remainder of this Release will not be affected and will remain in full force and effect.

(b) **Complete Agreement**: All of the terms and understandings between the parties are contained in this Release. There are no other oral or written understandings or agreements between them. The signing and delivery of this Release will not be construed as acknowledging any liability or responsibility on either party's part for any claim or matter whatsoever.

(c) **Attorneys' Fees, Etc.**: In any action or dispute at law or in equity that may arise under or otherwise relate to this Release, the prevailing party will be entitled to reimbursement of all of its costs and expenses, including reasonable accounting and legal fees (including paralegal fees and expenses, witness fees, court costs, arbitrator charges, and travel and lodging expenses).

ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT FOR CALIFORNIA

This Addendum amends and supplements the "Franchise Disclosure Document for Prospective Franchisees as Required by the Federal Trade Commission" dated April 30, 2026, as amended June 16, 2026, and as amended October 29, 2026, (the "Franchise Disclosure Document") issued by Doctor's Associates LLC ("DAL").

THE CALIFORNIA FRANCHISE INVESTMENT LAW REQUIRES THAT A COPY OF ALL PROPOSED AGREEMENTS RELATING TO THE SALE OF THE FRANCHISE BE DELIVERED TOGETHER WITH THE DISCLOSURE DOCUMENT.

OUR WEBSITE HAS NOT BEEN REVIEWED OR APPROVED BY THE CALIFORNIA DEPARTMENT OF FINANCIAL PROTECTION AND INNOVATION. ANY COMPLAINTS CONCERNING THE CONTENT OF THIS WEBSITE MAY BE DIRECTED TO THE CALIFORNIA DEPARTMENT OF BUSINESS OVERSIGHT at www.dfpi.ca.gov.

Item 1
THE FRANCHISOR, AND ANY PARENTS, PREDECESSORS AND AFFILIATES

Add the following disclosure to Item 1:

Franchisees whose Subway® restaurants are located in California are required to comply with all applicable California labor laws, including labor laws that apply to fast food restaurant employees. Specifically, California franchisees operating certain fast food restaurants must comply with Part 4.5.5 (commencing with Section 1474) of Division 2 of the California Labor Code (codifying Assembly Bill No. 1228) which established the California Fast Food Council ("CFFC") which has the authority to increase the hourly minimum wage subject to certain limitations, and to set forth requirements, limitations, and procedures for adopting and reviewing fast food restaurant health, safety, and employment standards in California.

Item 2
BUSINESS EXPERIENCE

Add the following disclosure to Item 2:

The franchisor, individuals named in Item 2 of this Franchise Disclosure Document, and our Business Developers, are not subject to any currently effective order of any national securities association or national securities exchange, as defined in the Securities Exchange Act of 1934, 16 U.S.C.A. 78a et.seq., suspending or expelling such persons from membership in such association or exchange.

Item 17
RENEWAL, TERMINATION, TRANSFER AND DISPUTE RESOLUTION

Add the following after the heading THE FRANCHISE RELATIONSHIP:

California Business and Professions Code Sections 20000 through 20043 provide rights to the franchisee concerning termination or non-renewal of a franchise. If the franchise agreement contains a provision that is inconsistent with the law, the law will control.

The franchise agreement provides for termination upon bankruptcy. This provision may not be unenforceable under federal bankruptcy law (11 U.S.C.A. Sec. 10 et seq.).

The franchise agreement contains a covenant not to compete which extends beyond the termination of the franchise. A contract that restrains a former franchisee from engaging in a lawful trade or business is to that extent void under California Business and Professions Code Section 16600.

The franchise agreement contains a liquidated damages clause. Under California Civil Code Section 1671, certain liquidated damages clauses are unenforceable.

You must sign a general release if you transfer your franchise. California Corporations Code § 31512 voids a waiver of your rights under the Franchise Investment Law (California Corporations Code §§ 31000 through 31516). Business and Professions Code § 20010 voids a waiver of your rights under the Franchise Relations Act (Business and Professions Code §§ 20000 through 20043).

The franchise agreement requires binding arbitration. The arbitration will occur at Connecticut with the costs being borne equally by the parties, except as otherwise provided in the Franchise Agreement. See Paragraph 24 of the Franchise Agreement.

Prospective franchisees are encouraged to consult private legal counsel to determine the applicability of California and federal laws (such as Business and Professions Code Section 20040.5, Code of Civil Procedure Section 1281, and the Federal Arbitration Act) to any provisions of a franchise agreement restricting venue to a forum outside the State of California.

The franchise agreement requires application of the laws of Florida. This provision may not be enforceable under California law.

For franchisees operating outlets located in California, the California Franchise Investment Law and the California Franchise Relations Act will apply regardless of the choice of law or dispute resolution venue stated elsewhere. Any language in the Franchise Agreement or any amendment thereto or any agreement to the contrary is superseded by this condition.

Section 31125 of the California Corporations Code requires us to give you a disclosure document, in a form containing the information that the commissioner may by rule or order require, before a solicitation of a proposed material modification of an existing franchise.

No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

RECITALS:

A. The parties agree it is their intent and desire to amend this Agreement to comply with the requirements set forth in the *Virginia Retail Franchising Act* ("**Franchise Act**"). The parties are signing this Addendum, in part, to comply with the Franchise Act. The parties agree that if it is later believed by a party or otherwise determined that the Franchise Agreement fails to comply with the Franchise Act, the parties will further modify the Franchise Agreement so that it will be in compliance.

AGREEMENT:

Acknowledging and agreeing to Recital above, which is added to the Recitals of the Franchise Agreement and is herein incorporated by reference in the Franchise Agreement, and notwithstanding any provisions of the Franchise Agreement to the contrary, the parties agree to amend and supplement the Franchise Agreement as follows:

I. Section 19 of this Agreement is amended to add the following:

Under subdivision A 4 of § 13.1-563 of the Franchise Act, it is unlawful to offer or enter into a franchise agreement that restricts the right of a franchisee to engage in the business of offering, selling, or distributing goods or services at retail after termination or expiration of the franchise agreement. However, subsection B of § 13.1-563 of the Franchise Act provides that if a franchisee sells a franchise at a mutually agreed upon price to a third party or back to the franchisor, such sale may include a term restricting the right of such franchisee to engage in the business of offering, selling, or distributing goods or services at retail for a period of no more than two years after such sale.

II. Section 24 of this Agreement is amended to add the following:

Under subsection D of § 13.1-559 of the Franchise Act, for all franchises located in Virginia, the franchise contract or agreement offered or entered into pursuant to terms of this chapter shall be governed by the laws of the Commonwealth of Virginia.

III. No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

WASHINGTON ADDENDUM TO THE FRANCHISE DISCLOSURE DOCUMENT, THE FRANCHISE AGREEMENT, AND ALL RELATED AGREEMENTS

The provisions of this Addendum form an integral part of, are incorporated into, and modify the Franchise Disclosure Document, the franchise agreement, and all related agreements regardless of anything to the contrary contained therein. This Addendum applies if: (a) the offer to sell a franchise is accepted in Washington; (b) the purchaser of the franchise is a resident of Washington; and/or (c) the franchised business that is the subject of the sale is to be located or operated, wholly or partly, in Washington.

1. **Conflict of Laws.** In the event of a conflict of laws, the provisions of the Washington Franchise Investment Protection Act, chapter 19.100 RCW will prevail.

2. **Franchisee Bill of Rights.** RCW 19.100.180 may supersede provisions in the franchise agreement or related agreements concerning your relationship with the franchisor, including in the areas of termination and renewal of your franchise. There may also be court decisions that supersede the franchise agreement or related agreements concerning your relationship with the franchisor. Franchise agreement provisions, including those summarized in Item 17 of the Franchise Disclosure Document, are subject to state law.

3. **Site of Arbitration, Mediation, and/or Litigation.** In any arbitration or mediation involving a franchise purchased in Washington, the arbitration or mediation site will be either in the state of Washington, or in a place mutually agreed upon at the time of the arbitration or mediation, or as determined by the arbitrator or mediator at the time of arbitration or mediation. In addition, if litigation is not precluded by the franchise agreement, a franchisee may bring an action or proceeding arising out of or in connection with the sale of franchises, or a violation of the Washington Franchise Investment Protection Act, in Washington.

4. **General Release.** A release or waiver of rights in the franchise agreement or related agreements purporting to bind the franchisee to waive compliance with any provision under the Washington Franchise Investment Protection Act or any rules or orders thereunder is void except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2). In addition, any such release or waiver executed in connection with a renewal or transfer of a franchise is likewise void except as provided for in RCW 19.100.220(2).

5. **Statute of Limitations and Waiver of Jury Trial.** Provisions contained in the franchise agreement or related agreements that unreasonably restrict or limit the statute of limitations period for claims under the Washington Franchise Investment Protection Act, or rights or remedies under the Act such as a right to a jury trial, may not be enforceable.

6. **Transfer Fees.** Transfer fees are collectable only to the extent that they reflect the franchisor's reasonable estimated or actual costs in effecting a transfer.

7. **Termination by Franchisee.** The franchisee may terminate the franchise agreement under any grounds permitted under state law.

8. **Certain Buy-Back Provisions.** Provisions in franchise agreements or related agreements that permit the franchisor to repurchase the franchisee's business for any reason during the term of the franchise agreement without the franchisee's consent are unlawful pursuant to RCW 19.100.180(2)(j), unless the franchise is terminated for good cause.

9. **Fair and Reasonable Pricing.** Any provision in the franchise agreement or related agreements that requires the franchisee to purchase or rent any product or service for more than a fair and reasonable price is unlawful under RCW 19.100.180(2)(d).

10. **Waiver of Exemplary & Punitive Damages.** RCW 19.100.190 permits franchisees to seek treble damages under certain circumstances. Accordingly, provisions contained in the franchise agreement or elsewhere requiring franchisees to waive exemplary, punitive, or similar damages are void, except when executed pursuant to a negotiated settlement after the agreement is in effect and where the parties are represented by independent counsel, in accordance with RCW 19.100.220(2).

11. **Franchisor's Business Judgement.** Provisions in the franchise agreement or related agreements stating that the franchisor may exercise its discretion on the basis of its reasonable business judgment may be limited or superseded by RCW 19.100.180(1), which requires the parties to deal with each other in good faith.

12. **Indemnification.** Any provision in the franchise agreement or related agreements requiring the franchisee to indemnify, reimburse, defend, or hold harmless the franchisor or other parties is hereby modified such that the franchisee has no obligation to indemnify, reimburse, defend, or hold harmless the franchisor or any other indemnified party for losses or liabilities to the extent that they are caused by the indemnified party's negligence, willful misconduct, strict liability, or fraud.

13. **Attorneys' Fees.** If the franchise agreement or related agreements require a franchisee to reimburse the franchisor for court costs or expenses, including attorneys' fees, such provision applies only if the franchisor is the prevailing party in any judicial or arbitration proceeding.

14. **Noncompetition Covenants.** Pursuant to RCW 49.62.020, a noncompetition covenant is void and unenforceable against an employee, including an employee of a franchisee, unless the employee's earnings from the party seeking enforcement, when annualized, exceed $100,000 per year (an amount that will be adjusted annually for inflation). In addition, a noncompetition covenant is void and unenforceable against an independent contractor of a franchisee under RCW 49.62.030 unless the independent contractor's earnings from the party seeking enforcement, when annualized, exceed $250,000 per year (an amount that will be adjusted annually for inflation). As a result, any provision contained in the franchise agreement or elsewhere that conflicts with these limitations is void and unenforceable in Washington.

15. **Nonsolicitation Agreements.** RCW 49.62.060 prohibits a franchisor from restricting, restraining, or prohibiting a franchisee from (i) soliciting or hiring any employee of a franchisee of the same franchisor or (ii) soliciting or hiring any employee of the franchisor. As a result, any such provisions contained in the franchise agreement or elsewhere are void and unenforceable in Washington.

16. **Questionnaires and Acknowledgments.** No statement, questionnaire, or acknowledgment signed or agreed to by a franchisee in connection with the commencement of the franchise relationship shall have the effect of (i) waiving any claims under any applicable state franchise law, including fraud in the inducement, or (ii) disclaiming reliance on any statement made by any franchisor, franchise seller, or other person acting on behalf of the franchisor. This provision supersedes any other term of any document executed in connection with the franchise.

17. **Prohibitions on Communicating with Regulators.** Any provision in the franchise agreement or related agreements that prohibits the franchisee from communicating with or complaining to regulators is inconsistent with the express instructions in the Franchise Disclosure Document and is unlawful under RCW 19.100.180(2)(h).

18. **Advisory Regarding Franchise Brokers.** Under the Washington Franchise Investment Protection Act, a "franchise broker" is defined as a person that engages in the business of the offer or sale of franchises. A franchise broker represents the franchisor and is paid a fee for referring prospects to the franchisor and/or selling the franchise. If a franchisee is working with a franchise broker, franchisees are advised to carefully evaluate any information provided by the franchise broker about a franchise.

IN WITNESS WHEREOF, the parties have executed this Addendum, effective as of _____.
